BRITISH, GERMAN TROOPERS CLASH IN HEAVY FIGHT

By WEBB MILLER LONDON, April 25 (UP)—British and German troops are fighting fiercely in the Mersin (Marsa) area, 50 miles north of Troadheim; an authoritative informant said today.

The battle there was described as still going on and as the toughest now under way anywhere in Norway.

It was asserted British troops had reached the Otta area in the Gudbrandsdal valley, and were now at the important railroad junction of Domboas.

German planes were heavily bombing the railroad behind the British forces. It was said, but apparently the railroad was not completely cut and had received but slight damage.

Close to an Narvik British and Norwegian troops were gradually closing in on the German troops isolated at Narvik. In the north, it was asserted. Weather conditions at Narvik were reported difficult for troop operations.

The Exchange Telegraph reported in a dispatch from Golsenbu, Sweden, that the German troops on the frontier area were blowing up bridges at Trysil, 40 miles northeast of Lillehammer, clear of the German advance along the Trysil river valley which roughly parallels the frontier.

Today's information on military operations in Norway was the first, from an authoritative source here, in many days.

An official informant supplemented it by commenting that the Germans might attack Sweden. He said: "Any fresh aggression by Germany would be a matter of instant concern to Britain."

Neutrality Law Is Invoked on Norway

By T. F. BERNOLDS WARM SPRINGS, Ga., April 25 (UP)—President Roosevelt by executive proclamation, today found that a state of war exists between Norway and Germany and proclaimed the neutrality of the United States in the conflict.

The proclamations, issued at the little White House, invoked the full force of American neutrality laws on Norway. At the same time, Mr. Roosevelt by proclamation barred submarines of either of the belligerents from United States ports and territorial waters.

Invocation of the neutrality law in Norway's case applies the "cash and carry" provision to the Scandinavian power. It also applies to Norway regulations governing transportation of securities in this country said "The Times" with Mr. Roosevelt previously had applied to the original belligerents in the European struggle.

The proclamations followed by a few weeks Mr. Roosevelt's extension of "combat area" definitions to include the full Norwegian and Danish coasts.

All American shipping now is barred from north European ports by virtue of Mr. Roosevelt's recent definition of the combat areas. The President's action was the first formal recognition by this country that the European war has extended into Scandinavia.

Mr. Roosevelt did not invoke the full power of the neutrality law in the war between Finland and Russia since no formal declaration of war was made in that conflict.

MUSIC FESTIVAL STARTS TONIGHT

With band concerts featuring at the high school tonight starting at 7:30, vanguard of the 2,000 students who will participate in the annual southern Idaho music festival began arriving in the city this afternoon.

Six bands will participate in the concert tonight. They will be those from Twin Falls, Buhl, Weidell, Piler, Jerome and Kimberly high schools. Following the concert, a night reading and judging will take place at the L.D.S. church.

Friday's program, in addition to the marching numbers, includes a concert competition at the high school gym, night reading at the L.D.S. church, chorus numbers at the Presbyterian church, instrumental numbers at the high school dome and vocal solos at the Methodist church.

Saturday's program includes orchestra in the gym, instrumental ensembles in the dome, girls' vocal and piano at the Presbyterian church and mixed quartets at the high school auditorium.

A piano clinic will be conducted Saturday at 11:40 a. m. at the Presbyterian church, a band clinic during the afternoon at the school gym and a vocal clinic at the Presbyterian church.

HOUSE OVERRIDES VETO WASHINGTON, April 25 (UP)—The House today voted 274 to 82 to override President Roosevelt's veto of the 1934 sugar act.

Hop to Twin Falls Ends With Plane on Trailer

It was a nice trip two Wells, Nev. fliers had from that community to Twin Falls this morning—but the last mile was completed with the ship for a trailer and the trailer hitched to an automobile.

Charles Soule, Wells instructor, and Paul Rainey, student flier, left Wells this morning for the local field. They couldn't find it in the rain and haze which covered the countryside.

Both fliers were covered with mud during operations of getting the plane on the trailer.

Pilot Soule had \$10 less money in his pocket. He had to pay that amount to Ted Scott, farmer, for damage to the grain field.

FDR RAPS LABOR ACT AMENDMENT WASHINGTON, April 25 (UP)—President Roosevelt declared today that it would be a "great mistake" to adopt the proposed Barden amendments to the controversial wage-hour law.

Mr. Roosevelt's views were communicated to Rep. Mary T. Norton, D. N. J., chairman of the house labor committee, who made them public.

English, Norway Forces Retreat Under Pounding

STOCKHOLM, April 25 (UP)—A German motorized unit smashing with lightning speed through defense lines in the Osterdal valley was reported in frontier dispatches today to have occupied the town of Roeros, 75 miles southeast of Troadheim.

A German detachment of light armored cars entered Roeros during the night, according to a dispatch from Osterdal to the newspaper Allehanda.

The Nazi drive northward up the Osterdal valley was part of a campaign to cut off the Allied expeditionary forces in Norway from all communication with south and central Sweden and to join German forces at Troadheim with those occupying the Oslo and other southern areas.

Many Norwegian refugees, including several hundred soldiers and six ambulances, were crossing into Sweden at Flakness, west of Roeros, the Allehanda dispatch said.

Frontier reports from the Troadheim sector where combativity, but it appeared the British-Norwegian forces were fighting back desperately against powerful German attacks north of Steinkjer.

The Germans took Steinkjer yesterday, driving the allied troops back about six miles to the village of Mersin where they had stronger defenses.

The British advance yesterday the Germans started out north of Steinkjer. They first crossed the allied left flank and then moved toward the town of Alval, a highway junction where the allied and German forces were in a "strategic" position.

Further the country directly north of Roeros is extremely mountainous and it would be difficult for the Germans to proceed directly north to reach the Troadheim-Burstein, Sweden, railroad. Peaks in that area rise to more than 4,000 feet on the average.

RAINFALL HELPS SO IDAHO CROPS

Rain which blanketed this section of the Magic Valley early this morning and continued falling at various points until near noon, was described as the "million dollar variety" this afternoon, a survey by the Evening Times showed.

The survey revealed it was the opinion of experts that the moisture would prove to be of untold benefit to farmers of the section.

Red Lewis, agriculturist of the Amalgamated Sugar company, declared the rain would be "wonderful for the best crop." He added that some 1,000 acres are planted at the present time and that an estimated 1,000 unplanted acres are scattered over the district.

He pointed out that the rain will even prove of benefit to the beets not yet in the ground because "the loss of time caused by the rain in planting operations will be more than compensated for by the moisture which when the beets are planted." As a result of the rain the beets should show speedy growth, he said.

It also said that the rain will prove extremely beneficial for grain and hay crops, including those not yet planted.

122 INDICTED ON LIQUOR CHARGES

NEW YORK, April 25 (UP)—A federal grand jury indicted 122 persons on charges of participating in an illicit liquor ring accused of defrauding the government of more than \$100,000 in excise taxes in the last 10 months. The indictment set a new federal mark for the number of persons involved and concerned itself with what agents said was the largest bootlegging ring ever uncovered in the United States.

The indictment revealed the alleged ring as big business to a degree almost unprecedented in United States history. It was reported that the outfit controlled the total output of northern New Jersey stills and distribution systems in New York, New Jersey, Connecticut, Massachusetts and Pennsylvania. Agents said it operated 87 cars and trucks, three offices in New Jersey, three in New York, seven New York garages and seven New Jersey farms for storage purposes.

Of the 122 defendants, 108 already are under arrest. Federal District Attorney John T. Cahill named Martin Menna of Jersey City, now free on \$10,000 bail, as the "king" of the syndicate which he said was composed of three separate distilling operations, one in each of the three states for doctors, druggists, chemists, companies and for beverage purposes.

"That same price, he said, was regarded six years ago by the President as being so low that it was to adversely affect every one interested."

Barlow asserted that efficient production and processing form the domestic beet sugar industry's strength, but legislation protecting it from "cheap off shore production" is essential.

Sugar Prices Still at Depths of 1934, Idaho Beet Leader Says in Broadside Aimed at Administration

Cold Figures Prove Sugar Income Needs Bolstering

Prepared from official figures at Washington by State Sen. K. C. Barlow, Barlow, the chart above shows why beet men demand legislation to improve prices. Line A is the world price, the lowest as at the same low level as in 1934—although administration leaders claim no further legislation is needed. Line C to D, the world price, shows a decided increase as compared with the slump in American prices.

At the inception of the club there were 19 invitations extended to three persons living here, 18 of whom accepted to attend and begin the club here. These were the charter members of the club. There are four of these charter members now deceased.

This civic body strives to work for better cooperation between neighboring communities. During the year it has been most helpful in almost every undertaking where assistance has been sought. The Rotary club built the Jerome swimming pool here and donated very generously toward the building of the attractive scout home on north Lincoln avenue.

In addition, the Jerome Rotary has sponsored a Boy Scout troop in its project to promote good citizenship and to further youth welfare movements. Charter members of the organization in addition to the four members who have succumbed include George Bremer, Walter A. Hulse, Paul R. Kartze, John Nims, William A. Paters, Leon C. Phillips, A. L. Herder Recovers Weather Device

CAREY, April 25 (Special)—A radio meteorograph, an instrument for measuring the temperature, moisture and different heights of the air, was found about 30 miles east of Carey on the desert near the head of Laidlaw park by Roy Ross, a shepherder in the employ of James Turnbull, Carey. It had been sent out by the weather bureau at Boise some months past, judging by the condition of its container.

The instrument was in a tin foil covered box about nine by eight by four inches large and specific directions for its care and mailing were pasted to the exterior of the package. It had been sent up by mail and at the greatest height of air the balloon had burst, letting the instrument and its container fall to earth.

If the instrument was not damaged in falling to earth, or had not been opened up, or tampered with, it could be used again, and for this reason rewards of \$1, \$5 or \$20 would be mailed to the finder if it was returned to the United States weather bureau in Billings, Mont. The instrument was mailed from the Carey postoffice Friday.

Kirby Page Talks To Student Group

UNIVERSITY OF IDAHO, April 25 (Special)—Kirby Page, globe-trotter, author and well-known lecturer, last week urged the United States to maintain a policy of strict neutrality and isolation from European affairs during this war in a speech before over 1,000 university students.

"Should the United States get into the war it will run itself financially and morally," Mr. Page predicted. "The national debt will increase from 25 to 30 billion dollars a year and taxation would eat up 30 per cent of American income. A period of inflation would set in that would devalue the dollar to the same low level of the German mark in the 1920's. While we now have nine to 11 million unemployed after a war we would have perhaps 20 million tramping the streets in search of work."

POT SHOTS WITH The Gentleman in the Third Row

YESTERDAY, Val sees little of Eddie as the latter goes to the square of together for a shot and Eddie wished someone would ring the bell for them and let them get it over with.

Douglas in the second press row was looking at him, her lips slightly parted, as if she would like to say something but couldn't. He turned away quickly and went to the middle of the ring for instructions.

Let Us Call Forth Our Powers! "Build America" is the battle-cry of the Chamber of Commerce of the United States as it approaches its annual meeting April 29-May 3 in Washington.

A Weighty Matter Just in case any incautious gentry have ideas about losing the spirit of fun overboard, and getting downright indignant at the whicker vigilantes, Pot Shots has had his Statistical Department do a little figuring.

EDDIE CAVALIER was too busy to visit the stranger out of his mind. Val was looking back at Eddie. "Well, Steve, coming to the fight tomorrow night? Bring all the boys. Don't worry about tickets. They're on me."

Public Forum U. S. YESTERDAY, TODAY AND TOMORROW The Forum: "I'd like to say I'm too long winded to tell you I'll be brief."

So reads the chamber's announcement, and it is true. These are our tasks, these our goals. The note is positive, the tone constructive. On such objectives all will agree, from John Lewis, president of the C.I.O., to W. Gibson Carey, jr., the chamber's president.

ITEM ON DUCKS Dear Shots: I was asked a question the other day which had me stumped. This is it.

POP BRIGGS could never recall when it had been so quiet in Eddie Cavalier's dressing room before a fight. It was so quiet that he could hear the muffled roar of the crowd.

EXPLAINS CENTRAL FACT IN NEW TOWNSEND BILL Editor, Times: It seems in order to comment rather than retrace your Evening Times for publication of items concerning the Townsend meeting held in Boise Friday, Mrs. Earl Watkins was a guest.

It is scarcely to be expected that the men meeting with the chamber will suddenly agree that present methods of trying to attain the very goals they have set forth are ideal. They will certainly commend other paths than those now being traveled.

HEAVY YOU SEEN OUR TWO ABRAMAMS? Dear Shots: Seen Saturday in Seen Today "Two Abraham Lincolns, each on opposite sides of the street," now Pot Shots today must have seen a mirage for it just can't be done.

EDDIE CAVALIER was too busy to visit the stranger out of his mind. Val was looking back at Eddie. "Well, Steve, coming to the fight tomorrow night? Bring all the boys. Don't worry about tickets. They're on me."

BUHL Ralph Lacey and Mr. and Mrs. Henry Lacey and daughter, all of Boise, and Mr. and Mrs. Ormond Thomas, Salt Lake, spent last week-end in Twin Falls.

But the important thing is the goal. The important thing is that all agree on what it is desirable to achieve. And certainly such agreement on objectives ought to form a bond even between those who favor different means of reaching those objectives.

The goal must not be forgotten in the midst of bickering over method. The chamber has well set before its members on the eve of the meeting these stirring words of Daniel Webster:

Doleful Data On Whiskers This whisker business has grown to such proportions that the Pot Shots feels his constituents are entitled to the results of another of his strange interludes.

WORK-OF-SCHOOL TOPIC FOR P.-T.A.

GOODING, April 25 (Special)—Gooding Parent-Teacher association in session Monday at the junior high school auditorium heard a program covering the various departments of the high school. All material was original and planned and presented by the students, assisted by the teachers of the department of the high school. Making Education Fit the Times, was broadcast from the office by the students of Miss Evelyn Peterson's dramatic class. They showed that education has always regarded to fit social needs; first the purpose was religious, then came the need of protection against tyranny and the knowledge to establish a democratic government. Later education became a means of economic security, and now is added the need to conserve resources.

The project carried out this term in which students have had two or more weeks of practical experience downtown was explained by June Cory who named the stores which cooperated.

A skit, "Boss vs. Secretary," was given by the G.M.C. club, pupils of Miss Ann Schickler's class in stenography.

Two journalism students, George McCoy and Doris Hight, carried on a conversation concerning their department. They explained that each of the students has had an opportunity to work at the Ledger office for two weeks. They stated that Gooding high school is the only school of its size in the United States which has daily paper and that each of the class members had the experience in the various kinds of work necessary to publish the paper. Miss Betty Aish is journalism instructor.

Five girls explained the three-year course in home making which replaces the old courses in sewing and cooking. This department is directed by Miss Mary Short. Four boys of Dan Carter's classes spoke on the P.F.A. and the shop work done. This included outside vocational work under the supervision of the instructor.

Jerry Stone gave a trombone solo and Cleone Abernethy played on the saxophone. Both numbers were entered in the music festival last week.

Proceeding the program, the business meeting was held with Mrs. Harry Edholm presiding. Mrs. M. P. Ryan gave the annual treasurer's report. Officers were installed by past president Mrs. V. C. Cargill. Mrs. Edholm, president; Mrs. P. E. Barrett, vice-president; Mrs. Ryan, treasurer, and Miss Leona Friedrich, secretary.

Roll call pictures to rooms having the most parents present were awarded to Miss Harriet Cunningham's fourth grade and Mrs. Lida Taylor's seventh grade.

Mrs. Edholm gave a report of the state convention which she attended, covering the highlights of the session which had for its theme, "The Child as a Citizen in the Home."

This was the final P.-T.A. meeting for the year. The health clinic for pre-school children was announced for May 6.

The Messerschmitt Me-110, the German multipurpose plane, has a gas capacity of around 400 gallons and has a movable machine gun or two to the rear on top; but the main armament is fixed and fires forward.

Pioneer Matron Paid Last Honor

BUHL, April 25 (Special)—A host of friends from Buhl and neighboring towns gathered with relatives at the Buhl Presbyterian church yesterday to pay their last respects to Mrs. Margaret McFarlan Joyce, wife of P. W. Joyce and a pioneer of the Buhl district, who died Friday at the Twin Falls county general hospital following a two-week illness of pneumonia.

Rev. J. A. Howard and the Order of Eastern Star conducted the services at the church and the Buhl Rebekah lodge conducted their rites at the graveside in the Buhl cemetery.

Mrs. A. L. Kircher sang a solo, "God Will Take Care of You," and Harry Barry, Twin Falls sang a solo number, "Going Home." Mrs. C. M. Pickrel and Mrs. George Watt from the O. E. S. sang "The Old Rugged Cross" and "Abide With Me." Accompaniments were played by Miss Lulu Leland.

Charles Boring was head usher at the church and the flowers were arranged by J. J. Brennan. Pallbearers were Clyde Cox, Nile Cox, Charles Hart, Stanley Webber, Clyde Williams and M. Sangren.

Interment was in Buhl cemetery under the direction of Evans and Johnson funeral home.

Dressmaking Rates Given Buhl Pupils

BUHL, April 25 (Special)—Mrs. John A. Noble, Mrs. Fred Soetter, Mrs. Everett Husted and Mrs. E. L. Berry were judges of the first year work of the home-making girls in the Buhl high school contest Tuesday. The 60 girls of the first year class modeled their garments which were later inspected by the judges.

Miss Donna Brennan was awarded first place, and Lola Schafer and Geraldine Howard, second places. Honorable mention was given Florence Sorenson, Charlotte Norris, Lydia Yuzura, Esther Schick, Jackie Wilson and Frances Reams.

The home-making rooms is a new addition to the high school, and are cheery and livable. The windows were curtained in the fall by the girls in the classes and are now filled with potted plants and vines.

WOMAN ELECTED TREASURER HEAD

BOISE, April 25 (UP)—Mrs. Leah D. Feinler of Caldwell, Canyon county treasurer, was elected president of the Idaho County Treasurers' association yesterday at closing sessions of a three-day convention. Other officers were A. W. Eshgen, Jr., Blaine county treasurer, secretary-treasurer, and E. C. Ovetberg, Kootenai, vice-president.

The treasurers passed resolutions favoring four-year terms for all county officers, upholding the present tax law system and recommending the tax segregation law be repealed or amended to provide separate funds for relief, bond retirement and schools.

Official Reveals List of Trustees

SHOSHONE, April 25 (Special)—Miss Angie Durie, county superintendent, reports that the following trustees were elected last Saturday in the common school districts of Lincoln county:

In Burnham district No. 1, J. Freeman was elected to succeed Mrs. W. F. Eiring. Mrs. Hattie Schenk and Mrs. Frances Rowell are hold-over members.

In Lone Star No. 3, John Turner was re-elected with Mrs. Gertrude Lowry and Jess Nibeker as remaining trustees; in Marley district No. 7, E. D. Adkins was re-elected with Louis Base and Mrs. Louise McEwen as hold-over members. In north and district No. 8, C. O. Paulson was re-elected and W. J. Tupper and C. D. Crist are the other two members of the board.

In Gemma school district No. 1, Adolph Boesiger was re-elected and will serve three years with Ward Mills and H. A. Bateman as the other trustees. In Cottonwoods district No. 14, Bud Willard was elected to succeed H. G. Hitchcock, the other two being Mrs. Lillian Sorenson and Mrs. Helen McWilliam; G. B. Carothers was re-elected in Bessemer district No. 43 and will serve with James W. Kingston and James Butler.

Each district disposed of school finances and other general matters.

Study Club Holds Library Benefit

SHOSHONE, April 25 (Special)—Shoshone Study club held the annual library benefit tea at the Memorial building Friday with 45 guests present.

Mrs. Ross Haddock, librarian gave her annual report and was followed by a varied program which consisted of two numbers by the high school girls' glee club, a reading by Dorothy Snape, two poems read by Mrs. L. T. Dolphin which were written by Mrs. Walter Hill; two violin solos by Mrs. Howard Adkins; two piano solos by Miss Olga Hines; two vocal solos by Miss Peggy Stenton; a vocal solo by Jimmy Haas; two vocal solos by Mrs. T. H. Gooding, county superintendent, and H. B. Seely, deputy sheriff.

Hazel Pratt Weds

JEROME, April 25 (Special)—Lehli A. Thorley, Big Horn, Wyo., and Hazel Pratt were united in marriage here by Probate Judge Heber N. Polkman Tuesday. Witnesses to the ceremony were Mrs. Nellie Roberts, county superintendent, and H. B. Seely, deputy sheriff.

Lee Hill gave a Golden Jubilee anniversary report of the Federated clubs' foundation fund allotment.

Also Mrs. Elwood Werry, Mrs. Lee Hill and Mrs. E. C. Haight were chosen as delegates to the second district club convention being held at Emmett yesterday and today.

Farm Land Shows Market Strength

Land sales by the Federal Land bank of Spokane in the first three months of 1940 held even with those for the same period of 1939, indicating continued strength in the farm real estate market in the four Pacific northwest states. J. W. McDowell, secretary-treasurer of the Twin Falls National Farm Loan association, announced today.

Bank sold 294 farms for a total of \$844,221. McDowell reported, this amount is within \$10,000 of the first quarter total in 1939. Idaho's sales for the three-month period were \$304,000.

TROUBLED WITH Hay Fever?

Try This Simple, Logical Treatment!

If you are troubled with hay fever, then you will be delighted to know that we have available a treatment by "skin tests" . . . THE hay fever treatment which gets at the source of your trouble by discovering just what pollen causes your hay fever. If our sensitivity tests show that more than one pollen is causing your trouble, then a mixture of serums is indicated.

Serums used are from nationally known pharmaceutical laboratories and are advised only after exhaustive skin tests by our laboratory technician.

This summer enjoy yourself by getting at the cause of your hay fever — and the earlier your attention to the matter, the better. Call our office at any time for an appointment.

UNFAVORABLE SPRING WEATHER CAUSES CROP LOSSES

DRY, COLD, WET BRING DAMAGES ON U. S. FARMS

WASHINGTON, April 25 (AP)—The unfavorable spring weather in recent years has delayed farming operations and caused millions of dollars' damage to early crops, the agriculture department reported today.

Early crops have been damaged by dry weather and dust storms in the southern great plains. Unseasonably cold weather and excessive rains have delayed planting from two to three weeks in eastern and southeastern states.

Fruit Damaged

The April freeze killed or damaged fruit in many sections. Hail and wind storms have caused damage in some sections and floods in others. Only in the northern great plains and the Great Lakes regions have crops made normal progress.

Continued dry weather and lack of soil moisture over most of the winter wheat belt was reported by the weather bureau. A winter crop one-third below normal is now in prospect. Growing conditions were reported more favorable in the spring wheat belt.

Cash Income Drops

Reflecting, in part, the unfavorable weather, cash farm income from marketings declined considerably in March, the bureau of agricultural economics reported. The March total was \$334,000,000, compared with \$345,000,000 in February. For the first quarter of 1940, cash farm income, including government benefit payments, was \$1,287,000,000, an increase of 12 per cent over the same period of 1939. Government payments comprised \$281,000,000 of the total; this year, and \$192,000,000 last year. Crops brought farmers a March income of \$176,000,000; livestock \$341,000,000 and benefit payments \$98,000,000.

Catholics Plan Men's Deanery

Catholic men's annual deanery meeting will be held Sunday, April 28, at Sun Valley. Father H. E. Heltman announced today.

Dinner will be served in the Roundhouse cabin on Baldy mountain at 2 p. m. and cars will leave St. Edward's Catholic church at 11:30 a. m.

A ride up Baldy mountain will require almost half an hour, and all cars should arrive at Sun Valley by 1:45 a. m. it was pointed out.

The men will be guests of the Fox West Coast theaters.

Scott Addresses Townsend Meeting

EDEEN, April 25 (Special)—More than 60 persons heard Orland A. Scott, Townsend representative for Idaho, give a talk on the Townsend plan, last evening at the American Legion Memorial hall, following the music concert.

Mr. Scott also showed two motion pictures, "Townsend—Plan Marches On" and "Man Overboard."

A special board of experts recently submitted to the navy a report recommending that the navy build a 650-foot dirigible, two to four blimps a year for observation purposes, and suggested that huge dirigible plane-carriers might be practicable in the future.

NAZARENES PLAN TRI-STATE MEET

Twenty-eighth annual Idaho-Oregon-Utah Nazarene district assembly will bring to Twin Falls next week approximately 250 delegates and at least that many visitors. The assembly will begin at 9 a. m. Wednesday, May 1, and will close Sunday night, May 5. Dr. John W. Goodwin, Kansas City, one of the general superintendents of the church, will preside.

He will be assisted by Rev. Glenn Griffith, Nampa, district superintendent. Sessions will be held daily at 9 a. m. and 2 p. m. and at 7:30 p. m. Various departments of the church will be represented.

Mrs. Thomas E. Mangum, Nampa, district president of the Women's Foreign Missionary society; Rev. Floyd Kinzler, Sunnyside, district president of the Nazarene Young People's society; Dr. R. Wayne Gardner, Nampa, chairman of the Sunday school board; Rev. O. A. Crofford, Idaho Falls, district secretary; Rev. W. A. O. Wilson, Nampa, district treasurer; Dr. E. V. DeLore, president of Northwest Nazarene college, Nampa; and Dr. Thomas E. Mangum, dean of Samaritan Nazarene hospital, Nampa; Dr. E. P. Elyson, Kansas City, former editor of Sunday school publications and other Nazarene officials are expected to attend.

Next Monday and Tuesday, preceding the district assembly, the annual Idaho-Oregon-Utah district Women's Foreign Missionary society will have a two-day convention. Mrs. Mangum, district president, will preside. Church officials and returned missionaries will take part in the convention. Sessions will be held at 9 a. m., 2 p. m. and 7:30 p. m.

HOSPITAL SPACE NEEDS OUTLINED

Additional space is a vital need at the Twin Falls county general hospital, and will prove helpful if it comes as forerunner of similar attention by other groups.

The hospital staff, she explained, is motivated by the two-fold goal of providing the greatest safety and the greatest comfort for patients.

The Rotarians decided that the session two weeks from yesterday will be devoted to the club's program for city beautification. John E. Hayes heads that committee.

Election will feature next week's luncheon.

Program chairman yesterday was S. H. Graves. W. G. H. Montgomery, Salt Lake City, was a guest.

Mayne Higbee to Be Paid Tribute

Graveside rites for Mayne Higbee, son of Mrs. Beatrice Higbee and the late F. H. Higbee, will be held at 5 p. m. Friday at the graveside in Twin Falls cemetery.

Father H. E. Heltman of St. Edward's Catholic church will officiate and interment will be in charge of the White mortuary.

Mr. Higbee died en route to Twin Falls from Seattle, Wash., where he had been ill the past five months. The body will be received tomorrow by the mortuary.

Idaho's Challenge to Writers Pointed out

Challenging Idaho writers to utilize the vast literary material that abounds in the Gem state, which this year celebrates her golden jubilee, Mrs. J. H. Seaver gave a stimulating address to more than 45 persons, interested in professional writing, last evening at the Idaho Power company auditorium, using as her subject, "The Banner Line."

The session, an open meeting of Twin Falls chapter, Idaho Writers' league, attracted guests from Boise, Gooding, Buhl, Burley, Castelford, Paul, Berger, Twin Falls and Kimberly.

Informal Supper Precedes Dance

Attired in housecoats, several girls assembled at the home of Miss Melba Holmes, 718 Buchanan street, for a 6:30 o'clock supper last evening, enjoying an informal period of singing and conversation following the supper hour, and later going to their several homes to gown formally for the annual spring dance at which the Tri-C club entertains for the MEY club.

Guests included Miss Helen Thomas, Miss Mary Jean Shipman, Miss Marjorie Lash, Miss Betty Hancock, Miss Pat Smith, Miss Verna Lou Bowman, Miss Phyllis Greenwood, Miss Mary Lou Gill, Miss Barbara Butler, Miss Janet Kloppenburg, Miss Lillian Leubenhelm, Miss Virginia Lillian, Miss Madeline Punphrey, Miss Madeline Stokes, Miss Margaret Vargers, Miss Margaret Chevalier, Miss Addie Mae Bracken, Miss Billy Kauffman, Miss Ruby Carlson, Miss Helen Brown, Miss Alta Prazier, Miss Judy Jones, Miss Leona Rae Hughes, Miss Patricia Dean, Miss Mary Lou Duffenderfer, Miss Loreen Fuller, Miss June Daniels and Miss Barbara Ravenscroft.

Calendar

Needcraft club will meet at the home of Mrs. Ed Mincer, 780 Second avenue north, Friday afternoon.

Emanon club will meet at the home of Mrs. Ernest L. Tucker, Friday afternoon. The program will start promptly at 2 p. m.

Crowds club will meet Friday afternoon at the home of Mrs. May Gilchrist, 242 Blue Lakes boulevard south, for a seed and bulb exchange.

Meeting of the Zeta Phi chapter of the Delphian society has been postponed from Monday, April 22, to Monday, May 6. A luncheon will be held at the home of Mrs. George Prazier.

Special interest group of the first ward L. D. S. church will meet for the regular monthly party Friday evening at the home of Bishop and Mrs. W. Arrington, East Addison. Party is being arranged by committee headed by Mr. and Mrs. Wesley Bagley with Mr. and Mrs. Ronald Tilly and Mrs. Roy King on the committee.

GO ON HIVE GIRLS The second ward Bee Hive girls of the Gatherers group enjoyed a hike and wicker roast at the country home of Barbara Lawrence Tuesday evening. The event was spent around the camp fire singing songs and toasting marshmallows. Attending were Beth Phillips, Paul Dwyer, Barbara Montgomery, Marcella Gray, Mary Ruth King, Madge Hayward, Barbara Lawrence, Fern Salmon, Kathryn King, Evelyn Anderson, Vira Bell, Mildred Fourn, Pearl Radford, Colleen Pennock, Eva Stokes, Orpha King, and Mrs. Marjorie Egbert, bee keeper of the group accompanied them.

SPORTS ACCESSORIES Be conservative if you like in choosing basic colors for sports outfits, but do select accessories that are a bit brassy. Rosemary Lane, screen star, likes to wear her brown sweater and white skirt, a wide brilliant red suede belt, a matching red scarf tied Cuban fashion around her neck and a bright leather envelope purse slung through with vivid red wooden golf tees.

LOCAL LADY SAYS HOYT'S COMPOUND ENDED HER MISERY

Nervousness, Constipation, Pain and Rindown Condition ends with short treatment of new medicine.

Now, in this very city of Twin Falls, well known people are praising Hoyt's Compound, the modern medicine which is being explained daily by the Hoyt man at the Medical Pharmacy. One of the latest residents to add her name was Mrs. Edna Dalbow, 870 Sixth Ave. W., who states:

"I was in a general rundown condition. I felt tired and worn out all the time and could scarcely do my house work. I tried and tried very nervous and restless and could hardly sleep at all at night. I would get tired, falling and losing and would get up several times each night, then go back to bed to try to sleep. I had pain in the small of my back and left shoulder. This severe pain would shut up the back of my head. I had a bad case of constipation and was forced to take medicine to get relief. I had taken every kind of medicine I had heard of and nothing helped me until I tried Hoyt's Compound. "I can now truthfully say that the tired feeling has left me and I feel stronger in every way. My nerves are stronger, and I can sleep all night without awakening even once. The pain has left my back completely and my bowels have become regulated and more normal than they have been for four years. I can say truthfully that Hoyt's Compound is the greatest medicine I have ever found, and I hope this will be the means of aiding others suffering like I was. Come today to the Medical Pharmacy in Twin Falls where the Hoyt man will explain to you the solution of this new medicine. Hoyt's Compound is also sold by all druggists in this entire section."

Seen at Tri-C Spring Formal

Officers of the Tri-C club, Miss Ariene Smith, Miss Hazel Terry, Miss Charlotte Moonman and Miss Margaret Van Engelen "hang up the moon" prior to the annual spring formal in honor of the MEY club at Radcliffe. "Blue Birds in the Moonlight" was the romantic theme, cleverly carried out in all decorative details and the intermission program. Miss Madeline Bracken and Miss Barbara Suterli appeared in a novel skit, "Cheep and Chirp"; the Blue Noddy, girls' sextet, sang the theme song, introduced by Miss Margaret Van Engelen. Miss Charlotte Moonman gave the address of welcome, introducing Miss Jane Douglas, who responded, and also introduced Mr. and Mrs. Hugh Phillips, new sponsors; Miss Helen Thomas, president-elect; Miss Barbara Butler, secretary; Miss Verna Lou Bowman, treasurer, and Miss Phyllis Greenwood, sergeant-at-arms for next year. Inter-Stake Dancing Organization Formed

Establishment of a rustic lodge, suitable for year-round activities, will be one of the major objectives of the south central Idaho inter-stake M.I.A., organized last evening at the L.D.S. tabernacle here, it was announced today.

The organization is the outgrowth of an inter-stake activities program this past year, when a number of dances were sponsored. More than 25 persons attended from the various stakes of this region, electing C. Vern Yates, Twin Falls, president; Miss Charlotte Burthart, Twin Falls, secretary, and Frank F. Watson, Rupert, vice-president.

The organization will seek to raise the standard of social dancing from the standpoint of better music, better dress and more efficient dance hall atmosphere. Casals, Twin Falls, Minidoka and Burley stakes were represented at last night's session.

Inter-stake dances during the next season 1940-41 will include persons from 15 years of age and older, and an effort will be made to change the attitude of youth toward dancing. In other words, "litterbugging" will be given the "go-by."

LADIES' AID ENTERTAINS AT CHURCH Mrs. Elmer McConis was hostess to the Community church Ladies' Aid society yesterday afternoon in the church parlors. A pot-luck luncheon was served at noon, and sewing and quilting diverted the group during the afternoon. Mrs. May Herron, Mrs. DeWitt Lahus and Miss Leah McCoy were guests. The next meeting will be in two weeks at the church with Mrs. Carl Nelson as hostess.

MRS. RYAN HEADS MENTOR CLUB NEXT YEAR Mentor club members meeting yesterday at the home of Mrs. Noel Bailey for a no-hostess luncheon, elected Mrs. Dan Ryan as president during the business session which followed. She succeeds Mrs. Arch Colner. Mrs. Merle Beckley was named vice-president; Mrs. Jack Schaeffer, secretary; Mrs. Walter Miller, treasurer; Mrs. Henry Crow and Mrs. Bailey Rural Federation delegates, and Mrs. John Parish, reporter.

Mrs. Miller gave the Rural Federation report. Narcisist followed the table decorations Mrs. Henderson, Miss Mary Harbert and Miss Connie Clark were guests.

GLAZED CHINTE Glazed chinthe makes an unusual and charming wall covering. In an attractive, fresh-looking Colonial bedroom, a rather large-patterned flower chinthe is used to cover one entire wall; the other three are plain. The spread on the high mahogany four-poster is of the same chinthe with a deep, very full fringe of crisp white organdy. Matching chinthe covers the chairs, makes the full dressing table skirt and forms the graceful window swags over full-ruffled white organdy curtains.

THIRD TERM SENTIMENT ADVANCES ON GUFFEY'S VICTORY

KEYSTONE STATE LEADER OFFERS FULL FDR HELP

By RONALD G. VAN TINE
WASHINGTON, April 25 (UP)—Third term sentiment among senate Democrats was strengthened today by renomination of Sen. Joseph F. Guffey, New Deal Democrat, in Pennsylvania's primary.

Guffey, who has gone down the line 100 cent for President Roosevelt's policies, said Walter A. Jones, wealthy oil man, in the Democratic primary, and promptly announced he considered himself "a full believer for a third term for the President."

Senators unfriendly toward the New Deal conceded Guffey's victory had given Mr. Roosevelt a big boost, but some expressed doubt Guffey could carry the state in November unless he ran on a ticket headed by the chief executive.

Strong 3rd Term Trend

"The Pennsylvania result indicates a strong third term trend among the state's Democrats," said Sen. Key Pittman, New Mexico, who recently said he believed the President would not seek reelection.

Assistant senate Democratic leader Sherman Minton, an ardent supporter of federal security administrator Paul V. McNutt, told reporters the result represented "a big victory for Joe Guffey and Roosevelt all in one dose."

"It shows the pulling power of the New Deal," he said.

Meanwhile, the senate campaign investigating committee was understood to be studying complaints of alleged irregularities in the Pennsylvania contest. No decision has been made, however, on whether investigators should be sent into the state.

Probe Planned

Obviously aiming at Thomas E. Dewey, candidate for the Republican presidential nomination, the committee announced yesterday it was sending agents into Nebraska to investigate expenditure of funds in the recent preferential primary contest between Dewey and Sen. Arthur H. Vandenberg. R. Mich. Dewey defeated Vandenberg in Nebraska and Wisconsin, but thus far the committee has had no occasion to inquire into the Wisconsin primary.

The committee also decided to investigate the Virginia primary in which Sen. Bush D. Holt, D., is seeking renomination, said Sen. M. M. Neely, D., is campaigning for nomination for governor, Committee Chairman Guy M. Gillette, D., Ia., said he had received complaints attempting to make a deal to control the West Virginia election machinery in a "subversive" manner.

FAIRVIEW

A good crowd and a good day contrived to make the district track meet at Willowdale a highly successful affair. The schools, Fairview, Sunnyside, Byrings, Superior and Willowdale participated. A basket dinner was served at noon under the supervision of the Willowdale women. Fairview primary girls led their group; Sunnyside junior girls in their; Fairview senior boys, girls; Fairview junior boys, their; Willowdale primary boys won their division honors. A race on the senior girls will be ready next week.

Fairview school districts held their meetings Saturday afternoon at their schools. Arthur Miracis was elected to succeed Earl Allen, Fairview. At Willowdale, J. Harger was re-elected. At Superior, the new members at Ralph Martens and Clifford Calka.

Harold Walpole was home Sunday from Boise where he is doing hydraulic engineering work. Other district guests at the Walpole home Sunday were Mr. and Mrs. Wynn Thompson and son, and Mr. and Mrs. Gene Rutherford.

A number of friends surprised Mr. and Mrs. Lane Lillbridge at their new home in Bull Sunday with a card party to celebrate Mrs. Lillbridge's birthday. Prizes went to Mrs. Lillbridge and Joe Berchitta for high and Mrs. Sedivy and John Fairview for low.

Fairview Grange met Friday evening. During the business session a resolution from the Letha Grange to continue the Farm security Act was adopted. Alfred Kravens was presented with a past master's pin. A report on the underpass at Cedar was also considered. The lecturer, Mrs. O. G. Brooke, presented a program centered about gardens. Seven men and seven women opened the program by singing. Mrs. Harding gave a talk on "Men's Viewpoint of the Garden." A reading was given by Mrs. Ben Jensen. Frank Aitkin spoke on the food stamp plan as adopted by five northern counties of Idaho. The concluding feature of the program was an auction of bulbs, plants, seeds, etcetera, brought by the members. Harrell Harger was auctioneer assisted by Mrs. R. O. Harding. Each member was given \$30 in "bean" currency with the produce going to the highest bidder. Refreshments were served at the close of the meeting. The Grange drill team is asked to be present at a drill practice Friday evening of this month.

Twin Falls county music festival for rural schools will be held in Twin Falls Friday of this week. Friday evening following the festival the teachers of the West End Study group will have a banquet at the Mercor cafe followed by a card party at the Andy Weeke home. This is to be the final meeting of the study group for this season.

Mr. C. O. Bawls and daughter left Monday for their home in Rexburg after a week's visit at the home of her parents, Mr. and Mrs. John Higley.

DRIVERS URGED TO CUT SPEEDS

BOISE, April 25 (UP)—Motorists can save money and protect their own lives by easing up on the throats of their automobiles, Harry M. Rayner, commissioner of law enforcement, said today.

Rayner declared traffic safety authorities have proved that driving costs and fatalities among drivers increase at a ratio relative to the speed of the automobile.

"The figures are surprising," Rayner declared. "For instance if you step up your average from 45 to 55 miles per hour, you will save a little over six hours driving time in a thousand miles. But it will cost 65 cents for each hour saved, or \$3.90 for the trip."

Costs Jump

"If you jump the average to 55, the difference in expense soars to \$1.20 per hour, or \$7.20 in a thousand miles. The average driver would increase his driving cost about \$12.45 per hour if he stepped up the average to 55 miles per hour, and less time saved at the speed is increased above 45 miles per hour. On a 1,000-mile journey, it would save two hours and 48 minutes if speed were increased 45 from 55 to 55 miles per hour, but cost would be 43 an hour for the time and 43 cents for the extra cost."

At the same time, indisputable figures gathered by the Ohio state division of traffic and safety show a direct relationship between speed and fatal accidents.

Death Decrease

"During the first eight months of 1939 the Bureau reveals only one person out of 34 was involved in a fatal accident, when speed ranged between 30 and 39 miles per hour," the commissioner said. "On the other hand, one driver out of every seven was fatally injured in accidents involving speeds of 50 to 59 miles per hour."

"Chances of remaining alive diminish materially as we press down on the accelerator. Slowing down not only saves money, but reduces the chance of becoming a fatality figure in the accident statistics."

WATER SHORTAGE CLAIMS DECIRED

MELBA, Ida., April 25 (UP)—Idaho has plenty of water but farmers are not using it right.

"That was the opinion expressed by H. H. Cummins, Melba nurseryman, who declares the perennial cry of a water shortage."

Use of corrugation, particularly on grain fields, will help solve the water problem. Corrugation is preferred to flooding, prevents erosion and baking of the soil, Cummins said.

He advocated light watering of dry soil that has been baked by the sun.

"All water which soaks entirely through to the subsoil or runs off does more harm to crops than no irrigation since it carries off the fertile top soil," Cummins said.

The house banking committee has approved a bill requiring President Roosevelt to file with Congress all foreign credits and securities of this country when necessary to protect their lawful owners.

STATE RECEIVES MOUNTED BIRDS

BOISE, April 25 (UP)—One of the nation's most complete collections of mounted native birds is now being displayed in the statehouse.

The collection was presented to Idaho by George Holman, state district agent of the U. S. biological survey. The birds, representing species native to Idaho, are on display on the fourth floor in a group of special cases.

Holman said he hoped the exhibit would be "beneficial to all persons interested in birds, to biological students and to sportsmen."

A WPA project, the mounted birds were given to the state as a permanent educational exhibit. They were placed in custody of the state fish and game commission.

Funds for construction of the stands and cases were supplied by the Idaho Wildlife federation and the Ada county fish and game league.

When completely installed the 53 cases will hold about 250 birds. A total of 150 birds, representing 71 species, was included in the first group.

GOODING

Book Study club met with Mrs. Bert Bowler Monday. Mrs. C. T. Knight reviewed the book, "Blessed Are They" by Marjorie Miller Turner. The book was of special interest because the author had been a resident of Weiser for many years prior to her death in January. Mrs. Knight also displayed the original files from Clayton Publishing company containing newspaper clippings and notice of crises concerning the book, which was written in 1936.

Recreation club members were entertained at the home of Mrs. L. O. Roach Friday with Mrs. V. C. Carrell assistant hostess. Members answered roll call by telling about their hobby. Miss Evadne Cochran had several scrap books from her collection to display and gave an explanation of their contents. Mrs. R. F. Bliss presided for the brief business meeting.

Miss Dorothy Armstrong, instructor in physical education in the Gooding school, and Doris Finley, Phyllis Roberts, Jean Varin and Ernest Graves, representatives from the school, attended the play day in Twin Falls Saturday.

PIONEER LEAGUE SET FOR FRIDAY OPENERS

Boise, Pocatello, Salt Lake City Entertain Visitors

By STAN DECKER
SALT LAKE CITY, April 25 (UP)—The Pioneer league will open its 1940 season tomorrow in Salt Lake City, Boise and Pocatello—weather permitting.

Usual opening day ceremonies will be held in each city, with the league offering a cup to the team which can attract the largest number of spectators in its initial home stand. Openers will be held Tuesday in Ogden, Twin Falls and Idaho Falls.

At Salt Lake City, the Bees will play host to the Ogden Reds in what appears to be a close contest between two teams which were vastly improved over their 1939 editions.

The Twin Falls Cowboys, champions in the initial Pioneer league pennant race last year, will open the season on the road against the Boise Pilots. Owner Hayden Walker has improved his independent outfit by picking up several new players, while the champions have seen much of their 1939 team taken to the Western International league for a crack at B class ball.

Idaho Falls at Pocatello

The league's new entry, Idaho Falls Russets, will play the Pocatello Cardinals on the latter's home grounds. The Russets have picked up several of last year's Lewiston players and have established themselves as part of the chain system of the New York Yankees. Only a small part of Pocatello's second place team set action in the Pioneer league this year, but the St. Louis Cardinals have replenished their farm club with an abundance of new recruits this summer.

In Salt Lake City, Owner Eddie Mulligan has taken a backseat to Tony Robello, who has been obtained from Pocatello to act as playing manager of the Bees. Robello was one of the most spectacular ballers in the league in 1939. He was the first season and is figured to strengthen the Mulligan crew materially. The Ogden team will remain under the guidance of Bill McCarey, who has kept a good nucleus from last year and made valuable additions through the summer.

Sun Valley Schedules Pentathlon

SUN VALLEY, April 25 (UP)—A spring and summer festival of its kind ever held in Idaho, will feature the week-end of May 4 and 5 and a summer pentathlon. The festival will be the brainchild of the general manager, announced today.

Topping off a program designed to develop the intermountain area's most versatile man-made recreation center will be a slalom race on 8200 foot Baldy Mountain which is still covered with an ample layer of spring snow.

Magel's Loses to Coal Ball Club

In a "practice" baseball game yesterday the Magel's "A" team was defeated by the Coal Ball Club. Magel's manager, Carl N. Anderson, president of the Chamber of Commerce, and other local business men.

Ticket sale for this event got under way yesterday afternoon and a total of not over 125 tickets will be sold, according to those in charge. Fred Stone is chairman of the committee handling the arrangements, assisted by Jim Sinclair, Skip Thoben and Wilbur McKay.

Other festivities planned by the Chamber of Commerce to aid in the inauguration of the new baseball season include the meeting of the Board of Directors at 7 p. m. to select their new members to accompany them to Twin Falls for the opening here on Tuesday.

Along with the other special events planned here for the opening of the home season, it was announced today that the Twin Falls high school band of 45 pieces will provide the music for the first night's game.

Boise Ball Club Drubs Collegians

BOISE, April 25 (UP)—The Boise Pilots of the Pioneer league were back home today for their first spring training schedule with a victory over Eastern Oregon College of Seaside, Ore., 4-3.

The Pilots went to the field for their seventh extra-base hit. Short score: Boise 4 Eastern 3.

YANKS, RED SOX OPEN SERIES

Bombers Show Old Power in Downing A's

By GEORGE KIRKBY
NEW YORK, April 25 (UP)—The first crucial battle of the infant baseball season was on today in Boston—the Yankees, 4-times champions of the universe, against the Red Sox, their leading challengers. They meet today and tomorrow.

The pitchers will be Monte Pearson of the Yanks, the Californian who possesses one of the best curves in baseball, against young Jim Bagby, Red Sox rookie star of 1939 who was a flop last year. Both pitchers were in rare form in their first starts, Pearson beating the Athletics, 4-1, and Bagby blanking the Senators, 7-0.

Yanks Show Power

The Yanks showed some of their old-time power yesterday, blasting out four homers (Ed Henthorn and Gordon), two triples (Keller and Hendrick and a double (Dahl) as they beat the A's, 4-0.

Ray Mack's homer with a male on base in the eighth was the winning blow. Rudy York's homer and Tommy Bart's fire-hit probably gave the Yanks a 2-1 triumph over the White Sox.

Clampitt Is Chosen Head Of Boat Club

Delbert Clampitt, Twin Falls, today had been elected commodore of the Southern Idaho Boating club following a reorganization session held here last night.

The session was held at the Gem Trailer company offices and was well attended.

In addition to Clampitt, other officers named included Jim Moore, vice-commodore; E. T. Shaw, secretary-treasurer, both of Twin Falls; Howard Bird and Fred Stump, Jerome, and Elmer Annis and Ed Patrick, Twin Falls, commodore.

Cardinals Release Ace 1939 Hurler

POCATELLO, April 25 (UP)—Eddie Owens, one of the Pocatello Cardinals' leading pitchers last year, was released unconditionally today by Art Houston, business manager.

Another hurler, left-hander Warren Sandel, is expected to be sent to Pocatello, Houston said. Sandel is working with the Sacramento club of the Pacific coast league.

Galento Handler Dies Of Heart Attack In Doctor's Office

By HARRY FERGUSON
NEW YORK, April 25 (UP)—The fight mob always said Yussell the Muscle was so smart he could beat death and taxes, so today the men with cauliflower ears hardly believe you when you say he's gone.

They think he will come swaggering into that noisy strip of Broadway called the Leatherfist Lane when the sun starts down behind the Hudson—cigar clutched in his teeth, jammed down to his ears, and his eyes avert for a dead deal.

But Joe Jacobs is a smart—Joe Jacobs, manager of Tony Galento, maker of seven world champions, spendrift along Broadway, a red-head little man with a hairtrigger brain who came out of Hell's Kitchen to become the smartest prize fight manager of our time.

He died in a doctor's office last night after a heart attack. He would have been 44 years old on May 7 and up until the moment he was stricken his brain was teeming with great plans for building Galento into another match with Joe Louis. No one knew Jacobs had a faulty heart, and the one who suspected it, least was Galento.

Never Complained

"I never heard him complain about his ticker," Galento said after they brought the news to his Orange, N. J., saloon. "Only a little while ago and I was kidding around here in the saloon."

That was only one of many things people didn't know about Yussell the Muscle. No one knew for certain, for instance, where he lived. He appeared almost every afternoon in Leatherfist Lane, frantically bargaining shoes gleaming with polish and a new cigar in his teeth. But after making a round of the night clubs in the evening, the never allowed anybody else to pick up a check; he would disappear abruptly, not to be seen again until the next afternoon.

Good Manager

Jacobs' enemies—and he made many during his turbulent career—called him Yussell the Muscle because they contended he was eternally muscling in to get a piece of a fighter. But no fighter ever could ask for a better bargain than to have Yussell for a manager. He probably is the only person who ever shouted a man into the heavyweight championship of the world, and that happened on a June evening at Yankee stadium 10 years ago.

Jacobs was managing fighting Jack Sharkey and the winner was going to inherit the heavyweight title that Gene Tunney had given up.

Jacobs was managing Schmeling and the German was getting his brains knocked down. He laid there for a moment and started to get up, but Jacobs leaned into the ring, screaming: "Stay down there, stay down there." Then Yussell turned his fury on the referee, "Foul, foul," he shrieked, "stop counting that man out." The referee hesitated, stopped counting and then gave the title to Schmeling on a foul.

Deserved Credit

Jacobs probably deserves as much credit as Schmeling does for the knockout that the German scored against Joe Louis. Yussell was in Schmeling's corner and at the end of the first round Max told him: "Ach, that Louis hits hard like that." "Sure he does," Jacobs whispered.

Grange Gleanings

By A. HARVESTER

EXCELSIOR
Want to thank a good friend from Kimberly for this bit of news from Excelsior Grange. Excelsior Grange met last Friday night with a good crowd, augmented by the Kimberly Grange as visitors. After a business session during which routine matters were disposed of in short order, the meeting was turned over to the lecturer and the program was presented by Kimberly Grange.

First were violin duet numbers, followed by numbers by the male quartet. (Wish my informant had told me who gave these numbers). Then Eric Jones, Pomona master, gave a talk on chemistry. Next, a musical act by Frank Beer and Eric Jones, "Gay Cabaret" readings were given by Mrs. M. E. Ralph. Treague and to wind up a very good program, nine Kimberly members put on a comedy skit, "The Baby Clinic," which was very humorous. The host Grange, Excelsior, served refreshments. (Don't know if I attended a Grange meeting where refreshments were not served).

FAIRVIEW
Fairview Grange met last Friday night with around 40 members present. During the business session, a resolution pertaining to the farm security administration was read and approved. This resolution comes from the Gem county Pomona Grange and asks the amount of money to be used for making of loans under the F.S.A. and asks that the interest be reduced to one per cent. The sentiment seems to be that this is one of the fine things that the government is doing for the farmers and that the Pomona Grange should do the same.

REMEDIATION ON MILK
The teacher asked our little boy if he drank lots of milk at home and he told her no, that daddy didn't even have enough for the pigs.

NORTHVIEW
Northview Grange held an open meeting last Friday night and played pinchup with Mrs. Day getting high. Leon Morris gave a Maurice Curington traveling prize. The box supper held after the pinchup party netted over \$12. For the next meeting Deft-Crowk will be the guests of Northview and present the program May 3.

BUHL
At Buhl Grange, Tuesday night, after a short business session, the lecturer presented a program as follows: Song by three Drake girls; Mrs. Harry Wilson talked on health topics; cancer control, by a lady from Twin Falls, whose name my deputy did not get. Refreshments were served by Adolph Johnson, Harry Davis and Mr. and Mrs. Orr.

FILER
At Filer last Friday night, the drill team held the center of the stage, giving degrees to a class and performing a very fine drill. Refreshments were served by a committee composed of Mrs. E. L. Walker and Mrs. W. A. Reporter busy with jury duty.

TWIN FALLS
Sauntered up to Twin Falls Wednesday and got there a little earlier than I did the last time I called on them. Found a good crowd and Brother John Feldhusen giving the third and fourth degrees to Mrs. Christine Peterson and Melvin Sack.

LARKENE
Out at Larkene they ran into that F.S.A. resolution Friday night and as is the usual case it was approved. During the lecturer's hour, the following program was offered by Mrs. Tom Heljanek, reading on Arbor Day, Pele Pele; seed guessing contest, in which the names of various seeds were to be properly named, won by June Bartness, who attributes her skill to the fact that she works in a hardware store in town; contest on naming the parts of the body, won by Miss Stuart, roll call, "My Favorite Things" names on cancer control, Mrs. Edith Wainwright. There was a good crowd out and plenty of refreshments as usual. Oh! Johnny, how we can eat.

KIMBERLY
Kimberly met Monday night with a good crowd out and after a short business session, the lecturer, Mrs. Fred Beer, presented the program. (This was given by the Larkene school children) a orchestra, all dressed in cowboy costume under the direction of Tim Down, their instructor, and my correspondent says I missed a treat by not being there, as it was exceptionally good. "Little He, He, He" and "Meek Ah! Hee" in the latter of these, a quartet, two boys, one girl, and one girl, dressed as cowboys, sang "When the Humming Birds Are Humming"; two boys and one girl with guitars; "I'll Take You Home Again, Kathleen," boy on accordion; "Fiddling (Cabbage) Boy and Guitars"; "The River Valley"; two boys and guitar; "In the Valley of the Moon," boy and

girl and guitar; "Yellow Rose of Texas," two boys and guitar; "You're the Only Star in My Blue Heaven," dependent said; but will assume this was an orchestral number; "Song of the Border," boy and guitar; "Idaho," by orchestra; skit by eight Kimberly ladies; story given by Mrs. M. E. Ralph. Refreshments were served by the committee and it was announced by the lecturer that the next meeting would be a Mother's day program in charge of the men.

DEFT-CROWK
Deft-Crowk Grange meets this Friday night with the Jerome Co-Op Creamery putting on the program and putting up the ice cream. If you haven't heard Tom Speedy's talk and seen the pictures that he shows, you better not miss this one.

LEDAIR DRAW
Ledairstone Grange meets this Friday night. We have no advance information, but you members better go. Think what you would want if you were one of the officers. Mr. Ralph asked that new neighbor that moved into the community this spring to join the Grange in order to refer to your Grange if he is already a member?

POMONA
The Pomona Grange officers must be very popular as entertainers as they have a waiting list for their appearance at the various Granges. Quite a brilliant Ideas Brother Metz and of having the Pomona officers visit the subordinate Granges of the county.

Still have a few Granges that

Band Mothers to Fill Hope Chest

Plans are nearly completed by the Band Mothers' organization of this city to purchase a chest which they will fill with practical and useful household items such as linens and other articles. It was announced this week. When the project is completed, the mothers will auction the chest contents around the first of June. Money received will be used in the fund for purchasing band uniforms for band members.

From cooked food sales and from concerts, the organization has built up a fund which is being used for the sole purpose of buying band uniforms. The mothers' organization has already purchased one suit for one of the twirlers of the high school band. The school board recently gave a sum for the purchase of a second twirler's suit.

Mrs. E. E. Freeman is president of this organization which was recently established. Mrs. E. E. L. Turner is vice-president and secretary-treasurer is Mrs. Sam Chaburn. The group meets every second Monday in the high school auditorium.
