

GRANGE MEMBERS HEAR STATE HEAD

HANSEN, July 24 (Special)—E. T. Taylor, state Grange master, urged Idaho farmers to aid in enforcing Idaho laws prohibiting the movement in interstate commerce of cull potatoes, when he addressed a meeting of the Excelsior, Pleasant Valley and Hansen Granges here last Friday.

He told Grange members that potato advertising by Idaho has been successful in eastern states, but cooperation of farmers was needed to prevent shipments of culls.

Other speakers were Ed Ewing, Pleasant Valley; Bill Wiseman, Hansen, and J. Trobrey, Jerome.

Two new members were voted into the Excelsior Grange Friday. J. R. Hall, general chairman in charge of fair exhibits, named his aides.

The program was directed by Mrs. L. J. Prior. Mrs. H. Koenig and Mrs. J. R. Hall read articles from the Grange monthly, and Mrs. F. Trunkley read an original poem, "And They Called Me Idaho." Mrs. A. M. Walker and Mrs. Hall served refreshments.

WITH THE FREE MILE-DIAL

CAREFUL SHOPPER type tells you:

"I'm driving the car all day while my husband's at work, so I really buy most of the family gasoline out of my own budget. If I can get even 2 or 3 miles more to a gallon I want to know it. That's why I went to a Conoco station for my Mile-Dial—not just because it's free, but because it really lets you know your true mileage, exactly as a woman wants to really know about anything she pays for. I like buying tested things—the same as any up-to-date consumer—and this certified Mile-Dial is like giving us consumers our own easy way of testing Conoco Bronz-z-z for mileage.

"Anyway, it's almost like a game, dialing your correct mileage on the Mile-Dial—awfully clever. My husband says so, too. By the way, my driving is just as economical as his, the way it proves out on our Mile-Dial. Isn't that interesting? And we're keeping on dialing to make sure of our average in all different driving. Right now, after 61 gallons of Bronz-z-z in all, we're a good 200 miles ahead of what we used to expect from that much gasoline."

"DIDN'T CARE" type of driver says:

"I didn't much care what gasoline I bought as I went along. But this Mile-Dial being free, and really daring you to keep your own close tabs on Conoco Bronz-z-z gasoline, I went for it. And now I know why they've got the gimp to let the Mile-Dial tell all. For you can see by my Mile-Dial right on the dash that I've gone 633 miles on 37 gallons of Conoco Bronz-z-z.

"Now if you'll watch this smart Mile-Dial work—next to automatic—you'll see it giving the answer: ... above 17 miles to the gallon of Bronz-z-z in this big eight, around town here. But I'm leaving for about a 700-mile trip—mostly open country. So don't be surprised if I even get better mileage. And don't say that's a brag, because you can't help believing the Mile-Dial. Besides settling the economy of Conoco Bronz-z-z it's sort of swell fun dialing your honest mileage. The Conoco boys must know what their gasoline's got, to give you a Mile-Dial free. I'll bet you would like one yourself and they're free as air, around a Conoco station. You ought to go quick and get yours."

DAKOTANS ELECT KOENIG LEADER

JEROME, July 24 (Special)—Approximately 150 pioneer families of North and South Dakota, now residents of southern Idaho, converged on Jerome Sunday for their annual picnic. New officers elected were J. D. Koenig, Hansen, president; Mrs. Lane, Kimberly, first vice-president; Arthur Menger, Murtaugh, second vice-president; Mrs. John T. Stelle, Jerome, secretary, and M. McCarthy, Jerome, treasurer.

Members were present from Rupert, Buhl, Twin Falls, Wendell, Jerome, Filer, Burley and Hansen.

Following dinner served at the Jerome fairgrounds, a program opening with singing of "America" followed by an instrumental selection by Robert Church. A talk was given by Rev. Albert E. Everett Main, prominent in musical circles, played his guitar and sang the "Laughing Song" and a cattle song.

Honoring E. G. It was decided by the group that the next meeting will be held at the Twin Falls county fairgrounds in Filer the third Sunday in July of 1941.

Introduction of 15 families was made at the picnic. These recent arrivals this year from the Dakotas into south Idaho were given a pleasant welcome.
