NEW CROWDS REFEL HAZARD

BUHL CROWDS SEEK TO BEAT FAIR RECORD

Twin Falls Day Sets New Mark For Attendance

FILER, Sept. 12 (Special) - Citizens of Buhl today literally "poured" through the gates of the Twin Falls county fairgrounds in an effort to outdo Twin Falls citizens who attended in unprecedented numbers yesterday to chah up a new all-time attendance record.

Here's County Fair From Aerial Trapeze Pole

Come Friday night and all this will be but a memory—until next year. The picture is a general view of the fairgrounds taken from the pole, more than 100 feet high, where daily performances are given by aerial artists. The Times photographer scaled the pole to a height of 100 feet, then decided that his camera could see as much as he wanted to see as the picture was snapped. In the immediate foreground can be seen the ferris wheel, merry-go-round, loop-a-plane and other carnival rides. Also visible are the various sidehows and concessions. The roof of the produce exhibit building is seen at the extreme left while other exhibit buildings can be seen spread out near the horizon. (Times Photo and Engraving)

Roosevelt Opens Third Term Drive With Bid for Labor Vote at Union Meeting

WASHINGTON, Sept. 12 (AP) - President Roosevelt's bid for labor support was based today on plans for early expansion of social security benefits, including higher old age pensions, and such compulsory coordination of industry as may be necessary for national defense.

Mr. Roosevelt officially opened his third campaign for the presidency last night before the convention of the International Brotherhood of Teamsters, chauffeurs, stablemen and helpers assembled in Constitution hall. He reminded the cheering audience that the membership had swollen under the New Deal from 70,000 to 300,000. Earlier the convention had endorsed a third term.

Mr. Roosevelt, after reiterated silence, now has endorsed compulsory coordination of industry with provisions for adequate compensation, as a proposal to which no reasonable person could object. He said he did not believe there would be much necessity for such measures. House and senate conscription bill conferees agreed last night on a compromise version of industrial coordination.

Shrapnel Curtains Huge City

LONDON, Sept. 12 (AP) - German war planes dumped bombs on the London area again today but were met with a new type anti-aircraft barrage that experts credited with success in protecting the capital from massed night bombing.

German daylight raiders thrust at the southeast coast early in the afternoon but it was 4:35 p. m. (10:35 a. m. EST) before the day's first alarm sounded in the condonats. The roar of German craft was heard high over the city a few minutes later and the London ground batteries, estimated to have fired 500,000 rounds last night and to have greatly reduced effectiveness of the Nazi attack, went into action again.

The all clear signal ending the first raid of the day sounded at 5:40 p. m., after an hour and two minutes. British reports were highly pleased with the new type defense of the capital. Military experts said that the system was based on a "predictor" method. Another feature of the British defense was the conliquous nature of the barrage. Instead of directing fire at individual planes the British guns sent up a curtain of fire that canted the me-tro-polis.

Anti-aircraft shells rained down like hail. Experts said that most of the "stuff which fell on London last night was anti-aircraft fragments and that only comparatively few German bombs dropped. For the fifth night, the Germans attacked the capital in force at dark. This time, as their vanguard arrived, there was a sudden earth-shaking roar as the city's defenses, many of them silent for weeks past in hidden emplacements, went into action—an action which they continued for the night hours and 60 minutes of a raid that ended at 5:35 a. m.

It is unlikely that there could have been such a bombardment by anti-aircraft guns in history. The secret fragments and that only comparatively few German bombs dropped. CAA Pilots to Pledge Service

WASHINGTON, Sept. 12 (AP) - All future enrollees in the civil aeronautics board's pilot training program must pledge themselves to serve the nation in some capacity in the event of a national emergency, a military official today announced.

HALT PLACED ON SUNDAY FUNERAL

Because Sunday is the traditional day of rest, except to religious observance, Twin Falls ministers, morticians, floral concerns and cemeteries joined today in pleading to refrain from "arranging or conducting" funeral services on Sunday.

Mr. Roosevelt, after reiterated silence, now has endorsed compulsory coordination of industry with provisions for adequate compensation, as a proposal to which no reasonable person could object.

NAZI TIME BOMB NEAR CATHEDRAL

LONDON, Sept. 12 (AP) - St. Paul's cathedral, burial place of British heroes and one of the most famous of London's buildings, was in imminent danger today from an unexploded German bomb, believed to be of delayed action type, which struck in a street close to the narrow churchyard.

Authorities permitted the firefighters also limit in raids in the last few days bombs had been dropped on the famous St. Paul's cathedral works and the Daily Herald and Evening Standard buildings in the West street area.

PRISON FINANCE SHORTAGE LOOMS

BOISE, Ida., Sept. 12 (AP) - State officials today hoped early legislative action from the Eagle Island prison would avert a crisis in state prison finances until November after a report was received from Warden Gilbert Talley who expected to remain in Boise until 8:30 p. m.

Citizenship Induction Move Planned for Young Idahoans

Indicating that they have "come of age" throngs of Idaho's young men and young women will be entitled to cast their ballots for the first time at a general election this fall.

To impress upon these young Americans their place in the scheme of things democratic, the Gem state is sponsoring a statewide citizenship induction movement.

With Parent-Teacher associations and county superintendents of the state cooperating, and other civic-minded groups lending their support, each eligible Idaho youth will be given a certificate of citizenship in the United States of America, making more tangible his privilege and responsibility with reference to the franchise, according to Mrs. John E. Hayes, Twin Falls, past vice-president of National Congress of Parent-Teacher associations.

To Enroll Voters

The idea behind the movement, which has been successfully carried out in several states, including Washington and California, under P.-T. A. sponsorship, is to enroll all young people who have attained voting age since the last state election in 1938, or who will be 21 years of age by Nov. 8 of this year.

Each community will emphasize the importance of acquiring the franchise and will urge that young people may find they are taking a responsible place in their town's and nation's affairs, Mrs. Hayes continued.

After each community has concluded a special citizenship induction celebration, a county-wide celebration will be held preceding the election.

It is suggested that parents, par-

Democratic Way Of Life Given Camp Fire Aid

Emphasizing the aims of the Camp Fire Girls' program relative to citizenship and democracy, the national board of directors, recently adopted a resolution, which was given the approval of the local Camp Fire Association this week, according to Mrs. Virginia Johnson, new Camp Fire headquarters secretary.

The resolution presents the opinion that democracy has not failed because fascism has proved powerful; rather, that democracy must be given new strength and vigor and that "the training of our youth for democracy is paramount for our defense and for the progress of the world."

Aims of the national board of directors of Camp Fire Girls include not only the ideals inherent in the American Red Cross, but also "to help girls understand the privileges and responsibilities of democracy, to give them actual experience in the democratic way, to stimulate creative art and creative thinking, and to give generously through the American Red Cross and other agencies to the relief of war victims," realizing at the same time that "the task and privilege of youth is to prevent suffering and injustices in the future."

The local office, which is open Tuesday and Thursday afternoons from 1 to 5 o'clock and all day Saturday, is located in the basement of the Wiley drug company on Shoshone street north.

Mrs. Johnson said that the headquarters are now used as a supply office for the entire district, accommodating 22 girls.

It is the meeting place for the Guardians' association, and information is always available for those interested in Camp Fire work.

County Fair Is Inspiration for Club's Program

A program consistent with the county fair and world fair now in progress and a perfect attendance record marked the meeting yesterday of the Falls Avenue club in the garden at the home of Mrs. Eunice Heath. Membership of the club is listed as 25.

Roll call was answered by members telling their favorite exhibit at the county fair in Filer. A brief business meeting was conducted by Mrs. Biddle Sackett, president, after which the program was turned over to Mrs. Fannie Russell and Mrs. Ruth White.

Reports of the San Francisco fair were given by Mrs. Ed Askew and Mrs. Sackett. Games carrying out the fair theme followed. Mrs. Harry Lancauser and Miss Gertrude Sampson sang "Beano."

Miss Verne Beus, who is visiting her parents, Mr. and Mrs. David Beus, gave the clever readings, and Mrs. Helen Askew and Mrs. Dorothy Hill sang a duet. Miss Beus will return soon to Albion State Normal school to resume her studies.

Refreshments were served by Mrs. Helen Askew and Mrs. Frances Catal.

Stake Relief Society Assembles Sept. 15th

The Twin Falls stake division of the National Women's Relief society will hold the annual convention Sunday, Sept. 15, in the Relief society rooms of the L. D. S. stake building in Twin Falls. Mrs. Mitchell W. Hunt, Buhl, stake Relief society president, announced today. The Relief society, the oldest women's organization now in existence, was established in 1842 and became affiliated with the National Council of Women in 1891.

The Twin Falls stake is comprised of five ward organizations, two in Twin Falls, one each in Kimberly, Mullanburg and Buhl, with a branch organization in Filer. Sunday sessions will begin with a state executive officers' meeting at 9 o'clock in the morning. A luncheon in honor of the retiring board member will be given in the Park hotel dining room at 12 o'clock. Those participating will be stake board members. Mrs. Charles Shirley is in charge of arrangements and decorations.

Stake Officers

Officers of the stake Relief society in addition to Mrs. Hunt are Mrs. Pearl Allenback and Mrs. Maude Hutchison, Buhl, counselors, and Mrs. Hazel Lind, Mrs. J. W. Adamson, Mrs. Janice E. Mary Wright, Mrs. Elizabeth Shirley, Mrs. Schenk and Mrs. Nettie Jenkins, all of Twin Falls, and Mrs. Irene Bentley, Buhl, stake board members.

Mrs. P. W. Lawrence is acting as temporary assistant.

In harmony with a program for simplification, the convention this year is held instead of the regular monthly union meeting of the Relief society. The program is outlined by the general board of the Relief society in Salt Lake City and will be attended by one or more board members making a "glorified union meeting," according to Mrs. Hunt.

Anyone desiring to attend either of the afternoon meetings will be welcome, and special invitations are extended to the stake priesthood presidency, high councilman in charge of the Relief society work and bishops of the five wards, the board members, and all members, although the convention is primarily planned to aid those who have the responsibility of the work and progress of the Relief society.

Program Outline

Mrs. Mitchell Hunt will present local problems at the state executive officers' meeting at 9 o'clock Sunday morning, and the general board meeting to be announced later, will give instructions and suggestions.

At 10 o'clock, the Relief society will hear discussions by Mrs. Lind, Mrs. Edna Arrington, Twin Falls, and Mrs. Hutchison, Buhl, as well as the general board members during the class leaders' session from 1 to 1:50 o'clock.

The meeting of bishops and ward Relief society presidents, with special invitations to stake priesthood presidency, advisory high councilman and bishops, is scheduled for 2 o'clock.

Mrs. Hunt, Mrs. Lennis Ward, Twin Falls' second ward and R. C. Tolman, Mullanburg ward bishop, will speak, as will the general board member.

District Legion Leaders Install Burley Officials

Fifth district officers of the American Legion and auxiliary, John Day, district commander, and Mrs. Grace Larsen, district president, installed officers for the Burley post and auxiliary last evening.

The Cassia group is comprised of members of Albion, as well as Burley, and last night's installation ceremony was conducted at the Albion Masonic temple.

Joseph L. Weldon was installed commander of the Burley post and his wife, Mrs. Esther Weldon, was installed president of the auxiliary.

Accompanying the district officers to Albion were Mrs. Day, Mrs. Larsen and Mrs. E. Tomlin, past district auxiliary president.

America got its name from Amerigo Vesputi.

CALIFORNIA GROWERS CUTLER CALIF.

Calendar

Berean class, Church of the Brethren, will meet Friday evening at the home of Mr. and Mrs. Frank Stokstad, Hazelton. All members are asked to attend since new officers will be named. Those lacking means of transportation are asked to be at the parsonage at 7:30 p.m.

Past League Leaders Receive Tea Guests

Social highlight of early autumn for women of St. Edward's parish was the tea this afternoon at the parish hall, sponsored by the Catholic Women's league, with past presidents of the organization in the receiving line. Wives of Catholic men were also guests.

The organization's colors, yellow and white, were reflected in the tea table appointments. Mrs. Frank J. Smith and Mrs. Owen Buchanan presided the first hour, and Mrs. Lyons Smith and Mrs. Loyd Porry the second hour.

White asters in a crystal bowl, between lighted yellow tapers in crystal containers, centered the tea table, and mixed bouquets were arranged in the wall vases.

Invited to be in the receiving line were Mrs. E. M. Wolfe, Mrs. Frank J. Smith, Mrs. Frank Wagner, now in Blackfoot; Mrs. W. E. Hanlon, now of Salt Lake City; Mrs. R. K. McComb, Mrs. Fred W. Beckwith, Mrs. David Lopez, Mrs. Frank O. Kieffer, Mrs. Ted Gerner.

Mrs. A. C. Carter was official hostess, and Mrs. Max Gray, president of the league, assisted in receiving the guests.

Mrs. Joan LeClair played piano selections throughout the afternoon. Miss Nancy Humphrey presented vocal numbers, accompanied by Miss Patricia Smith, who also played piano selections.

Mrs. George Seidel was in charge of decorations; Mrs. Lyons Smith arranged the program, and Mrs. Eugene Fincher was refreshment chairman.

BANANA DONUT SELL

A donut is much more than a cake with a hole in the middle, when used in a new dessert, donut with Degan's for four regular four donuts, one pint whipped cream, four ripe bananas and one quart of vanilla custard meats. Cut each donut into quarters, placing it flat the flat way and then across. Place two of the halved donuts pieces cut side down on each side of a banana that has been all lengthwise. Garnish with whipped cream and walnuts.

Dinner Arranged For Allen Bates

Mr. and Mrs. A. C. Rutherford entertained at an informal birthday dinner Monday noon for Allen Bates, who is eight years old. His parents, Mr. and Mrs. O. M. Bates, two playmates, Vernon Lee Hansen and Billy Hansen, and Miss Fannie Amey, a friend of the Rutherford family, were guests.

The dinner table was centered with a chocolate swirl birthday cake which the honoree was blisden to cut. His birthday gifts were unwrapped just before the cake cutting ceremony.

Games were played by the children in the afternoon, and light refreshments were served later.

BAG, GLOVE ENSEMBLE

For an unusual touch to your fall costumes, consider new bag and glove ensembles of fine fabric. The bags are amply styled, roomy, with plenty of space for cigarettes, matches, mirror, pad and pencil, and purse — in corduroy, felt or plaid.

ALBION

Mrs. Sam Ferriss had for guests last week Mrs. Celia Harper, Ogden, and Mrs. John Adams, Pocatello. Mrs. Harper and Mrs. Adams are sisters of Mrs. Ferriss.

Friends of Mrs. Edith Taylor have heard of her death Aug. 13 in Blackfoot, Idaho, assisted by her daughter, Edith Howe, graduate of Albion high school and Albion State Normal school.

Mr. and Mrs. Mance Vaughn, Placerville, Calif., and Mr. and Mrs. W. Nichols, Arco, were guests at the Thompson home over the week-end.

Rex Engking left for Boise before returning to Moscow, where he is a student in the University of Idaho.

Miss Belle Donahue and Mrs. Florence Bauman returned from San Francisco.

Mrs. J. Earl Powers and daughter, Nancy Jane, left last week to visit in Newport, Ore.

Mrs. Lillian Jockob has accepted a position as house mother at the University of Colorado, Boulder, Colo.

Mr. and Mrs. Ervin Haskell were callers in Randolph, Utah, Sunday.

Mrs. Olive Frazer, Shoshone, house mother of Albion State Normal school, came Monday to resume her duties.

Mr. and Mrs. Irvin Bristol and family, San Bernardino, Calif., visited over the week-end with Mr. and Mrs. Cyrus Albertson.

Velma and Ruth Tremayne returned Saturday from Placerville, Calif., after spending the summer there.

A boy was born recently to Mr. and Mrs. Reed Lloyd.

"KEEP COMFORTABLE? SURE! We've got an ELECTRIC WATER HEATER"

"And boy, does it make a difference in our home! I thought we were doing all right before we got it, but I've found out differently since I like to take showers, and now that we have that electric water heater, I can take all I want; there's never any doubt about whether or not there's hot water enough!"

HANDY FOR HOUSEWORK TOO

"But my wife is the one who gets the real benefit from it. She says her washing and cleaning are a hundred times easier now — days it doesn't tire her like it used to. And she doesn't mind washing dishes at all anymore, because she can use all the hot water she wants. And when I say 'hot water', I mean HOT!"

READY ANYTIME

The automatic electric water heater is the most dependable servant you can have in your home. Hot water is always there, right at your fingertips, all you have to do is turn the faucet! That means comfort and convenience for everyone, and health protection for the whole family, too!

TURN THE TAP

DON'T WAIT ANY LONGER

Every home should have an automatic electric water heater. Call at our salesroom, or go to an electric appliance store, and ask to see the modern on display. You will see really one can be bought, and how little it costs to operate on the low one-cent water heater rate.

40 KILLED IN BRITISH AIR RAIDS ON GERMAN CITIES

NAZIS CONTINUE 'REPRISALS' ON LONDON TARGET

By FREDERICK C. OCHSNER
BERLIN, Sept. 12 (AP)—At least 40 persons were killed and 40 injured in the British air raids last night on Berlin, Hamburg and Bremen, caused "numerous fires and damage to homes and workers' colonies," the high command said today.

The high command said that "German bomber, pursuit and destroyer squadrons continued reprisal attacks against London, day and night," scoring hits on docks, harbor works, gas and electricity plants, one power and one arms factory, "causing further material damage."

Anger Mounts
German anger mounted because of continued British attacks. The high command said that yesterday in addition to bombing London the German air force attacked an airplane factory in Southampton, destroying six hangars, anti-air depots at Port Victoria.

A communique also said that night attacks had been directed against Liverpool and other west and south coast harbors.

"German bombers hit themselves upon a convoy in the Thames estuary and set fire to one destroyer and four merchant ships and scored hits on other merchant ships," the high command said.

Planes Destroyed
It claimed that 80 British planes were destroyed during the air battles over London, six by anti-aircraft fire in Germany, six by naval artillery on the North Sea coast and by other merchant ships on the English channel coast. It said that only 20 German planes were missing.

The British claimed to have destroyed 85 German planes yesterday.

The communique said that a U-boat commanded by First Lieutenant Jenico sank 40,000 tons of shipping from convoys during one voyage and another submarine sank 7,000 tons of British merchant ships from a convoy.

Cities Attacked
British attacks on Berlin, Hamburg and Bremen marked the third straight night of intensified attacks on the capital and big provincial cities.

In their Berlin raid, British bombers swept over the city in three waves. Though no bomb explosion were audible in the center of the capital, a government statement said that in addition to the firing of a factory in the northwestern section, small fires were caused at various places in the inner city.

Non-Military Targets
The formal communique on the Berlin raid repeated the allegation that the British were aiming deliberately at non-military targets.

The official news agency said that there were no casualties in Berlin.

Increasingly furious over the British raids, Nazi sources threatened Great Britain with terrible reprisals and said that up to 10,000 planes a day, including fighters, might soon be used against London.

A military informant said:
"Let no one deceive himself that the full force of the German air force has by any means yet been set in motion."

Alone in World of His Own

For want of a better name the little tot pictured above can be called "Little Joe." He is the sort of a couple who are listed as star performers in the Picaresque circus, feature of the afternoon program at the county fair. Here he patiently waits for his folks to complete their act and is not even startled as the photographer says "look here, sonny" and he glances to the side, only to look directly into a flash gun. (Times Photo and Engraving)

2-Year-Old Stoically Waits As Parents Amuse Throgs

BY O. A. KELKER
I'll call him "Little Joe" because he sits all alone in a world of his own, peopled by adults.

His plaything, at least when I saw him yesterday afternoon, consisted of a round mirror which had a crack in it and a large, faded blue comb.

"Little Joe" is the two-year-old son of a man and his wife who perform daily at the Picaresque circus featured on the afternoon program at the county fair.

I saw him yesterday afternoon when I went behind the circus scenes to see just what went on during a performance. Two girl performers were talking to him (he can't talk yet) and he was answering them in words which meant nothing but which nevertheless carried an emphatic tone.

Alone and Fuzzed
On occasion, he appears with his mother and dad. But mostly he sits alone and waits for the performance to end. Dwarfed by the truck beside him, and paying no attention to the antics of the performing dogs whose home is the crate on which he sits, he wears a puzzled expression.

His daddy told him to "sit right there" until the show was over and

9 NAMES ADDED TO CITIZEN LIST

South Idaho had seven brand-new citizens today plus two women who regained citizenship lost when they married aliens.

Final phase of the autumn naturalization hearing in district court yesterday afternoon added two new citizens to the five who won approval during the morning session. They were Mrs. Elizabeth Thompson, Ranch, Twin Falls, and Friedrich Glasener, Cavetford.

Six cases were entered continued by Judge J. W. Porter, two because the applicants did not appear, one because a witness was absent, and three for further study.

The two women who regained citizenship by taking the oath of allegiance were Mrs. Emma Anella Pross Gannetter, born in Durango, Colo., but married in 1909 to Rudolph Herman Gannetter, a citizen of Switzerland; and Mrs. Mary Kules, born in Ashley, N. D., but married to Fred C. Kuest, Russian citizen, in 1930.

Following the hearing yesterday, Inspector Gilbert F. Gower, of the Salt Lake City district naturalization and immigration office, received the following new petitioners:

New Applicants
Gerald Friedman, Twin Falls merchant who came from Russia in May, 1925.

Herbert James Alexander, Twin Falls cook who came from England to March, 1939.

Adolph Herbert Becker, Castleford farmer who came from Germany in February, 1939.

Peder Jensen Tot, Murtaugh sheepman who came from Denmark in February, 1935.

Mrs. Mary Paul of Twin Falls who came from Alsace-Lorraine in March, 1912.

Mrs. Mary Masun of Twin Falls, who came from Scotland in December, 1927.

Conrad Heinrich, Twin Falls restaurateur who came from Russia in April, 1935.

Nominations for president were by Mrs. Oona Daley and Mrs. Marjorie Tins; vice-president, Ann Robinson and Marjorie Marshall; treasury, Mrs. Lois Olds. Post of secretary is filled by appointment during the election of officers.

Following the business session, the group adjourned to the William Wright residence where bridge afforded entertainment. Prizes were received by Jennie Langer, Crystal Donnan and Marjorie Tins.

All members and those who would like to become members, are asked to meet at the next regular session the first Monday evening in October at the Idarome cafe for dinner.

Catholic Youth Attends Dance

JEROME, Sept. 12 (Special)—Dale Burkhalter and Harold Jenkins presided as hosts at the Catholic Youth dance, held at the Burkhalter residence, 18 friends from Jerome and out-of-town being present. Later the group attended the Catholic Youth People's dance, where Will Wright and his orchestra furnished music for the annual event.

Guests are all members of the young college set and included Miss Bonnie MacQuivey, Miss Marian MacQuivey and Miss Jane Ward, all of Wendell; Miss Edna Lucille Roberts, Gooding; Miss Jean Overfield, Miss Annabelle Zug, Miss Mamie Avolia, Miss Martha Smith, Miss Verda Peterson, Jerome; George Adkins, Bull; John Ritchey, Wendell; Eldon Peterson, Rulien; Scott Petrie, Bob Card, Twin Falls; Stanley Pritzler, Dale and Harold Jenkins, Jerome.

Harold Jenkins will represent the University of Idaho this year. Dale left early Tuesday morning for Pullman, Wash., where he will enroll. He has been employed the past several months at his father's warehouse.

CALIFANY CROWD WATCHES RODEO AT FILER

Pennant-Bound Yanks Polish Big Bats for Series at Detroit

8,000 Jam Stands At Night Show; 'Semi-Finals' Set

FILER FAIRGROUNDS, Sept. 12 (Special)—Every seat was taken except the first fence here last night for the second showing of the Twin Falls county fair rodeo. An estimated crowd of 8,000, largest in several years, jammed the grandstands and bleachers for the event.

With "semi-finals" in the rodeo scheduled tonight, cowboys will be out to chalk up some good times to get in the prize money for the rodeo.

The event concludes Friday night and will be followed by a fireworks display.

Harry Hart, bull riding Pocatello cowboy, was in the money for last night's calf-roping when he roped and tied his calf in 22.2 seconds, about half a roping under the best competitive time turned in the first night.

Times Slower
Other times made last night were all lower than marks set the opening night. Howard McCreey, cowboy of a man hailing from Deadwood, S. D., wrestled a steer down in 8.2 seconds to barely edge out Bruce Beck, Saver, Okla., for first in the bulldogging event. Fastest time during the first night of the rodeo was chalked up by Ross in 8.2 seconds.

Results in last night's bulldogging event are not yet complete, with Ted Messer, Blackfoot, wanted a "rain check" in his attempt to down a steer in fast time.

Finals Friday
Competition in rodeo riding events carries over each night, with results being reported Friday night; final show of the rodeo.

Result of last night's rodeo were as follows:
Calf roping—Harry Hart, Pocatello; Maurice Laycock, Chickamauga, Wyo., second; Charles Bennett, Wheatland, Wyo., third, Time 22.2.

Bulldogging—Howard McCreey, Deadwood, S. D., first; Bruce Ross, Saver, Okla., second; Steve Hancock, Blackfoot Springs, Calif., third, Time: 8.2.

Barrel riding—Johnny Hagen, Wolf Point, Mont., first; Cecil Blano, New second; Bill McEuen, Albert, Hillside, Ariz., and Bud Nelson, Billings, Mont., tied for third.

Bronchua bull riding—Dan Winder, Ponca City, Okla., first; Kid Fletcher, Hugo, Colo., second; Cecil Jones, Reno, Nev., third, and Lonny Tyler, Modesto, Calif., fourth.

Trick riding, roping
In addition to roping competition, trick roping and stunts and stunts were featured between events. Buff Brady, Jr., Don Wilcox and Dave Nimmo were featured in one trick roping event. A trick roping act consisted of Dolores Nimmo, Virginia Wilcox, Dave Nimmo and Don Wilcox.

Oh yes! And Owen Jimmie Nesbit spent a good deal of time cavorting around the arena, once getting a gentle nudge from a audience member when he failed to move fast enough. He was unhurt.

Speeder Fined
Albert O. Becker was fined \$10 and costs by Judge C. A. Hatley yesterday after pleading guilty to a charge of speeding on a main street on the 40-mile-an-hour road between Twin Falls and Filer Thursday.

Canadian Nickel

'Busher' Dean Makes Comeback Against Tough Flatbush Fans

By HENRY McLEMORE
NEW YORK, Sept. 12 (UP)—A busher up from Tulsa has made good with the Cubs.
Throwing in against the tough Brooklyn Dodgers and the tougher Brooklyn fans in his first start since leaving Tulsa, the busher pitched a six-inning win, 3 to 2.
He wasn't afraid of Ducky Medwick, Babe Phelps, or any of the other Brooklyn bangers. And the raucous, cruel jeers of the toughest crowd in baseball didn't just as much have been spoken in a language he didn't understand, for all the difference it seemed to make to him.
Because the busher who made good at Tibbels field yesterday was Dixie Dean, pitcher of the major league of the minors. For one day at least he experienced the thrill of walking the very last foot of the comeback trail, and of once more sliding into the sun, he it only a season.
The game of yesterday was hardly supposed to be a contest for the busher who came out expecting to see the same old Dean, with his

Bill Powers Has Nine Returning Lettermen on Filer Grid Team

Third in a series of articles on south central Idaho Class A high school football prospects.
By HAL WOOD
Evening Times Sports Editor
FILER, Sept. 12 (Special)—While he won't point any rosy picture for his 1940 gridiron campaign in the toughest little high school league in Idaho, Coach Bill Powers isn't exactly worrying over the outcome of the many games he has to play this fall.

Idaho Loses Grid, Hoop Star Player

MOSCOW, Idaho, Sept. 12 (UP)—University of Idaho lost one of its football mainstays today after Charles "Chips" Atkinson, of Pocatello, was declared ineligible.
Atkinson was ruled out for both football and basketball after it was pointed out he had played a few minutes of football in 1937, just prior to being withdrawn from the game with a broken leg.

Western International Amateur League

National League

CHICAGO 8-3, Brooklyn 5-2, Pittsburgh 9, Philadelphia 3, St. Louis 7-3, New York 4-2.

Coast Grid Coaches Eye Rose Bowl Bid

SAN FRANCISCO, Sept. 12 (UP)—Pacific Coast conference football coaches looked into their hope chests today to see if a Rose Bowl bid might be ticked away in a dusty corner.
Oregonians who looked over the many fields dotted Washington and Southern California probably won't fight it out for the conference bid, but they will establish themselves as the independent team, Pacific Coast and Washington State would bring the bottom with the perennial contenders, Montana and Idaho. Among the independent teams, Pacific Coast and St. Mary's were called on, with Loyola, University of San Francisco and Gonzaga somewhat unknown factors.

'People's Choice' Hot on Trail of Loop's Top Spot

NEW YORK, Sept. 12 (UP)—The New York Yankees, the people's choice to win the American league pennant, moved into Detroit today to face the club they helped elevate to first place yesterday. And the Yanks aim to do, to the Tigers the same thing they did to the Indians—knock them off the top perch.

The three leaders, Tigers, Indians and Yanks, were all tied in the all-important last column today, each with 68 defeats. Detroit leads the Indians by half a game by virtue of having played and won one more game. The Tigers top the Yanks by a full game, having played and won two more.

The Yankee-Tiger series is for three games. At the same time the second-place Indians will be battling the fourth-place Red Sox in three games.

Split Doubleheader
Rain interfered with the Yanks' plan to deal a crushing blow to the Indians yesterday. After beating Bob Feller for the first time this year in Cleveland in the opener, 3-1, the Yanks dropped the 5 1/2-inning nightcap, 5-3. A double victory would have given the Yanks the No. 1 spot. The split enabled the Tigers, who beat the Red Sox 11-7, to climb over the tribe and into the lead.

Ernie Bonham, the brilliant rookie called in from Kansas City in mid-season, outdueted the great Feller in the opener.

In the other two American league games Eddie Auer pitched a 5-1 shutout over the Athletics and Joe Kubel's perfect day at bat (4 for 4) led the White Sox to 7-4 win over Washington.

Beat Bees Twice
The Reds took another big stride toward clinching the National league pennant when they beat the Bees twice, 6-0 and 3-1. Buck Walters won his 19th game in the opener, allowing only four hits, while Paul Derringer likewise capped his 19th in the nightcap, yielding six hits.

The double win combined with Brooklyn's twin loss increased the Reds' lead to nine games.

The Cubs polished off the Dodgers twice, 8-5 and 3-2. Dizzy Dean, making his first start since returning from the Texas league, soft-balled his way to victory in the nightcap.

The Cardinals won a double victory from the Giants, 7-4 and 3-0, and Pittsburgh won its sixth straight by defeating the Phillies, 9-2.

with Beatrice Barrett, Minneapolis. Mrs. Wagner eliminated Sisley Green of Portland, 4 and 2; Mrs. Pliebe won over Jeanne Cline, Bloomington, Ill., 2 up; Miss Veatch eliminated Mrs. Anderson, Portland, 3 and 1; and Miss Barrett triumphed over Jane Goodall, St. Paul, Minn., 1 up.

Women's Golf Champ Faces Tough Test

SEATTLE, Sept. 12 (UP)—Marion Miliey of Lexington, Ky., twice winner of the women's Western amateur golf championship, faced her stiffest test in pursuit of another title today when she met Elizabeth Hicks of Long Beach, Calif., in the quarter-final round of play.

Miss Miliey, co-medalist in the 40th annual tournament, eliminated Mrs. Frank Currie of Seattle, 6 and 4, yesterday, while the diminutive Miss Hicks was trouncing Mrs. Helen Fernstone of Salt Lake City, 6 and 5.

Betty Jameson, national champion from San Antonio, Tex., scored 1 up in the opening round of the Williams of Chicago on the 10th hole today as Miss Nancy Hurst of Portland, who eliminated George Tainter, western junior champion, Fargo, N. D., 4 and 2.

In other matches today, Mrs. Mary Morel Wagner of Portland, Pacific northwest champion, fended off Mrs. J. K. Pirbe, Seattle, and Muriel Veatch of Seattle is matched

Trojans Lose 19 Veterans but Still Favored for Rose Bowl

By RONALD WAGONER

LOS ANGELES, Sept. 12 (UP)—University of Southern California Trojans, minus 19 veterans from last year, will undertake the 1940 gridiron campaign favored by many experts to show up at Pasadena next New Year's day as defendees of Rose Bowl honors won for two straight years.

Coach Howard Jones lost 19 stalwarts at June's graduation exercises and seven of those men were regulars on the 1939 team. But before rushing the crying towel out to the Trojan camp, it may be a good idea to scan the names of the players still eligible to wear the U. S. O. colors.

Jones said goodbye to Ambrose Schindler, Gremy Lansdell and Doyle Nave, all of them star quarterbacks. However, into their shoes he can place Bob Proctor, the poorer house fullback veteran; Mickey Anderson, the "scout" runner and star back man; and Jerry Roman, a fast flashy receiver who can run and pass with the best of them.

To replace Peoples at the fullback post are Jack Bania, a star reserve for two years; Bill Blocker, the star of last year's team; and Bill Musick, old brother of Jim Musick, the crumpler of a few seasons ago.

Bill Bundy, son of May Sutton Bundy, the former tennis champion, will report for the blocking fullback berth. Bundy played last fall. Another dependable halfback is Bob Robertson, who also played part of the 1939 season.

The Trojan line appears all set (on paper) with the exception of the tackle positions, where Jones is reported worrying not only about his reserve strength, but about the athletes who probably will get the starting call. The leading candidates are right tackle Bob de Lauer, last year reserve, and Don Miller, left tackle on the 1939 freshman team.

De Lauer has a trick knee, while Miller will have much to learn under varsity fire.

The guard spots are held down in great style by Sam Sorn, the second-year reserve, and Don Miller, left tackle on the 1939 freshman team.

Harry Smith was on the same team, will play right guard. The left guard call will go to Fred Phillips, a "watch charm" type of player, who can lead the interference capably.

Jones has looked no further than Captain Ed Dempsey for center than assignment. Dempsey has been a durable star for the past two years, and will have a couple good re-tries behind him.

The Trojans have a big quota of ends, headed by standout Al Krueger, who has been snagging passes out of the air for Troy for two years.

The Trojans open against Washington State, then take on Oregon State, Illinois, Oregon and Stanford in order. U. S. C. should be favorite in all of these games, with the exception of an upset by "dark horse" Oregon State.

California comes to Los Angeles Nov. 9 to start the "killer" part of the schedule. The next are the Trojans' journey to Seattle to play Washington, and then a return home to meet U. C. L. A. on Nov. 30, and Notre Dame on Dec. 7.

Carrier Covers Over Half Million Miles

HILTON, N. J. (UP)—Cleveland Mail, rural district carrier, is able to claim some record of record when he retires.

Since assuming his duties in 1907, Hilton has covered approximately 500,000 miles, or about 20 times around the world, in 33 years of service. He has failed to deliver mail only once; both times the mail train was snowbound.

There's a Good Reason You're Constipated!

When there's something wrong with you, the first rule is get it fixed. If you're constipated, don't endure it first and sure it afterwards. Find out what's giving you the trouble.

Constipation is a simple if you eat the right food. Foods most people do: meat, white bread, potatoes. It's likely you don't get enough bulk and fiber. Bulk means a lot of food. It's a kind of food that isn't cooked, but is a body, but leaves a soft "bulky" mass in the intestine and helps a movement.

If this is your trouble, you should eat bulk. Bulk is a naturally food—made ready to eat—consists of bran, wheat, and other grains. It's the source of prevention that's worth a pound of emollient. It's a simple way to keep your bowels regular. It's a simple way to keep your bowels regular. It's a simple way to keep your bowels regular.
