ATTENDANCE GAINS

COEUR D'ALENE, Idaho, Sept. 24 (UPI)—North Idaho Junior college officials predicted today enrollment would pass the 100 mark this year as classes opened for the term.

80 YOUNG MEN...

...In Business For Themselves

THIS WEEK, and every week, your hats are off to the hustling young men who deliver your paper so dependably each day. Here is as fine and smart a group of carrier-salesmen as can be found serving the readers of ANY newspaper. Bright, courteous and reliable, these lads are a credit to their families, their newspaper and their city—and a real asset to American citizenship. Ambitious to get ahead they are using their spare time to run newspaper routes of their own, as a means of earning money, learning business methods and gaining practical experience so essential for success in the world of tomorrow. Although each carrier is strictly an independent news-merchant, we do everything possible to help him build a profitable route and become a useful young citizen. In fact, all through his career as a carrier-salesman, we share with his parents and school authorities a keen personal interest in his welfare and progress, to the end that as a result of his route experience, he is better equipped to forge ahead in whatever line of work he adopts in adult life. If this is the sort of success-training your OWN teen age son would enjoy, advise him to apply for a newspaper route, to our Circulation Department. There are usually more applicants than routes available, but boys with character and ability are given preference.

NEWSPAPER BOYS OF TODAY ARE THE LEADERS OF TOMORROW

IDAHO EVENING TIMES & NEWS

Plans Ready for 111th Mormon Gathering

HEBER J. GRANT WILL PRESIDE AT SALT LAKE MEET

By MURRAY MOLES
SALT LAKE CITY, Sept. 24 (AP)—Plans were being completed today for the 111th semi-annual conference of the Latter-Day Saints (Mormon) church here Oct. 4, 5 and 6—a conference that, because of the international situation, will pay closest attention to domestic affairs.

The fall conference a year ago held a month after outbreak of the European war, found most church authorities disenchanted and hoping for peace. These denunciations and hopes are expected to be repeated this year.

During the past year, the church's foreign missionary field has been drastically reduced. All American missionaries who were serving in Europe have been withdrawn to posts in this country and the missions left in the hands of natives.

Private church property in invaded European nations—the church owned chapels and meeting halls valued at thousands of dollars—is also expected to be discussed by conference speakers.

Stoker Firm Makes Army Plane Parts

PORTLAND, Sept. 24 (AP)—The Iron Fireman Manufacturing company has turned its local plant into a factory for the making of parts for the 572 four-engined "flying fortress" bombers being built by the U. S. army by the Boeing Airplane company, it was announced today.

Action of the Iron Fireman company by making airplane parts at the Portland plant will cause the company to concentrate stoker production at the Cleveland and Toronto plants. The step also makes Portland the largest supplier of machined parts for the army's "built-up" program.

Later, as the defense program proceeds, the Iron Fireman company may build another Portland plant to accommodate the business. The army's program calls for construction of 10,000 planes at a cost of \$130,000,000.

T. H. Banfield, president of the stoker company, said in the negotiations with the army that arrangements were completed.

Gooding County Teachers Convene

GOODING, Sept. 24 (Special)—Gooding county rural teachers met Friday at the Vern Holton home at Westport with the six new teachers of the group as special guests. Miss Frances Hocking, who is a graduate nurse, and who has had special work in the line of social diseases, spoke on that subject to the group. Miss Huck is at present with the state department of public health.

Mrs. Nedra Christy, president of the group, conducted the business meeting. Mrs. Grace Holton was appointed chairman of a committee to arrange the next meeting, which will be Oct. 18 at Gooding county room. Dean Nichols of the University of Idaho southern branch, Pocatello, will speak on his trip abroad.

Vern Holton was appointed chairman of a committee to purchase books which the group will use for study during the year, and Harold Demore was named chairman of a committee to plan the program for the year.

BUILD

Buhl Imit club held its first meeting of the fall Friday at the home of Mrs. J. J. Drennon, with Mrs. E. W. Byrne assisting hostess. Guest speaker was Mrs. C. C. Voeiler, who talked on her recent trip to Cuba, where she and Mayor Voelker were delegates to the national Rotary convention.

The Harmony circle of the Buhl N.O.B. of the Methodist church met today at the home of Mrs. J. J. Drennon, with Mrs. Hul Cunningham assisting hostess. Luncheon was served at 1 o'clock.

Exports of the subtropical bananas are sponges, tomatoes, shal and turles.

Council Approves Use of Airplane Speaking System

Members of the city council today had given their stamp of approval to a plan which calls for an airplane, to tell "earth dwellers" of the air show at the municipal airport Saturday and Sunday afternoons.

Permission to use the system from a plane flying over the city was granted after it was explained that the speaker would be kept "lone down" so that no disturbance would result. Councilman Lionel A. Dean pointed out that most citizens he had contacted expressed interest in the stunt "because it's new around here."

Councilmen also surveyed final plans for the new city barn which will be a WPA project. The plans were "looked over" before they were sent to Boise for expected approval. The new barn will be at the corner of Sixth avenue west and Second street.

Building permits were also approved.

Tribute Paid at Osborne Service

JEROME, Sept. 24 (Special)—Final tribute was accorded the memory of Rolla Elton Osborne at the Methodist church in Shoshone Saturday. Officiating was Rev. C. E. Carver, minister of the Assembly of God church, Jerome. Interment was in Shoshone cemetery under the direction of the Wiles funeral home, Jerome.

A host of friends gathered with relatives to pay final respects and there were many floral offerings placed about the casket and the forepart of the church.

During the service Miss Alice Weitz and Mrs. Floyd Cuff, both of Jerome sang, "Sometime We'll Understand the Beautiful Tale of Someone where" and "Safe in the Arms of Jesus," accompanied by Mrs. Cuff. Pallbearers were Marvin Larsen, Oscar Rishard, Walter Rishard, Russell Deahl, Merlin Deahl and J. L. Whobrey.

Miss Osborne had made his home in Jerome the last two months. He was a former resident of Jerome and prior to coming to Jerome recently had made his home near Gooding where he was engaged in farming.

Junior Hi Names Candidate Slate

Student council of Twin Falls Junior high school at a meeting yesterday nominated candidates for student body officers for the first semester. The election is expected to be held today with the entire junior high student body voting.

The council nominated the following for student body officers: President, Richard Victor, Tom Drennon; Vice-president, Madge Hayward; Secretary, Shriren Davis, Clark Robertson and Bob Oulund; Treasurer, Marilyn Ginn, Nadine Boelcher and Howard Ross; Treasurer, John Hughes, Wayne Arrington and Betty Harral.

Members of the student council who were elected last year for the various rooms are Clark Robertson, 218B; Marie Abbi, 218A; Malda Jean Hutchinson, 217; Edith Dierke, 216; Vann Bollingbroke, 214; Bob Oulund, 213; Beverly Gordon, 212; Tom Oulund, 211; Elaine Babbell, 210; Betty Harral, 208; John Hughes, 207B; Bethene Hayes, 216; Elaine Peterson, 113; Howard Ross, 114; Lola Orham, 113; Agathy Starr, 112; Shriren Davis, 111; Madge Hayward, 110; Verna Hempleman, 109; Edith Perchal, 108; Bill Robertson, 017; Marilyn Ginn, 016; Bill Leah, 013; Richard Victor, 012; Albert Dougherty, 08; Wayne Arrington, 06; and Nadine Boelcher, 05.

Those members will be introduced to the student body at an assembly to be held this week. Miss Virginia Francis will play several violin solos during the assembly.

"Phys. Ed." Classes

ALBION, Sept. 24 (Special)—Albion town in southern Idaho is represented in Miss Irene Hucker's physical education class, which consists of all junior girls at the Albion State Normal school.

Total number from Twin Falls county include Buhl, 7; Mustang, 5; Piler, 4; Kimberly, 12; Twin Falls, 5.

STATE MONUMENT

MCCALL, Ida., Sept. 24 (AP)—A small, tumbled shack 15 miles north-west of here today bears a special official state monument. Once the home of Packer John, a famous Idaho trail-blazer, and the site of the first Democratic state convention in 1863, the shack was dedicated with a marker by Sons and Daughters of Idaho Pioneers.

John Town Hall today. Opening number Sept. 24.—Adv.

DISTRICT LEGION PICKS CHAIRMEN

Appointment of various committee chairmen for this American Legion district featured last night as members of the executive board of the fifth district met at the Legion hall here last night.

All posts in this area, with the exception of Hazelton, were represented at the gathering which also attracted Leslie V. Nelson, Buhl, first district vice-commander and Robert Cullie, Rupert Legion head.

Three district chairmen were named to conduct a membership drive which starts at once. The chairmen are Bob Cullie, Rupert, east end; Leslie Nelson, Buhl, west end; and John Day, Twin Falls, for the intervening section.

Other committee appointments made last night included the following:

Aeronomatics, R. R. Love, Buhl; Americanism, Sam Vance, Hazelton; athletic officer, J. L. Bradford, Twin Falls; Boy Scouts, Dr. J. N. Davis, of the Kimberly post; employment and veterans' relief, John Day; legislation, A. H. Nelson, Burley; marksmanship, Ora Graves, Kimberly; national defense, District Commander Day (ex-officio); recreation, Wain Wolfe, of the Sons of the American Legion; Kenneth B. Slusser, Burley.

Aid Needed to Assure Movies For 'Old Folks'

Unless "around \$200" is raised at once to provide for new motion picture equipment at the county farm, "the old folks will be deprived of their regular motion picture shows," Mayor Joe Koehler announced here this afternoon.

Koehler said that the equipment now at the farm does not meet requirements of the underwriters. Reason is, he said, is that formerly all motion picture reels came in 1,000 foot lengths but now the lengths are 2,000 feet and size machine at the farm "cannot safely handle that amount."

For the past several years Mayor Koehler, a theater owner, has sent regular show film out to the farm in order that residents might have one or two shows a week in the recreation room.

"Unless new equipment is provided this will have to stop," the mayor said, adding:

"The necessary equipment can be obtained at a small cost through a company willing to sacrifice any gain they might make out of sale of the equipment."

"If five service clubs could put up \$50 each, I'd put up the balance and the equipment would be purchased. I'm going to contact heads of these civic clubs to see just what can be done about it."

Students See Indian Dances, Res.

Students of Indian dancing, Res. and Gladys Laubin, presented a program of dances of the region at an assembly for the Twin Falls Junior high school yesterday.

Mr. Laubin has been a student of Indian dances since he became interested as a small boy. He and his wife have been recognized by some authorities as the greatest exponents of the American Indian dances of the region.

This recital of dances, music and lore, taken from various tribes of Indians of the Great Plains, is authentic, the result of years of study, including research among the Indians themselves and work with some of the foremost authorities on the subject.

FIRE TRUCK WILL BE AT AIR SHOW

With the new engine expected to be in use by that time, one of two "old" fire units of the city will be stationed at the municipal airport both days of the air show Saturday and Sunday. It was announced this afternoon by Lionel A. Dean, city councilman.

To meet government requirements, a fire truck and an ambulance must be on the field during the show, Dean said. He added that arrangements had also been made for the ambulance.

Councilmen approved use of one fire truck—before it enters the shop for repairs—at the regular session last night. It was pointed out that the equipment would have gone directly to the repair shop anyway and that it's place in the city will be taken by the new machine. The equipment which is sent to the airport Saturday and Sunday will be manned by firemen who are off duty on those two days and at no additional expense to the city. It was pointed out that the airport is city property and that the equipment is allowed by law to operate there.

The air show, featuring Tex Rankin and members of his troupe and having 10 acts, starts each day at 2 p. m. It is sponsored by the Idaho Pilots' association, Twin Falls chapter, and has been approved by the Twin Falls Chamber of Commerce and the city administration.

A Statement TO MEN OF Military AGE

With the passing of the Conscription Bill, men between the ages of 21 and 35 are subject to military service. Naturally, it has made many of you hesitant about further purchases—hesitant, especially, about purchases on any plan of divided payments. Despite the fact we are "new-comers" to this community, we still remember the grand welcome we received on our opening day. In some measure we wish to reciprocate this friendly attitude and we have designed our own plan of DEFENSE COOPERATION for the benefit of this community's young men.

THIS IS OUR PLAN—we guarantee to any man of military age who opens a budget account up to \$50 that we shall strike from our books any balance against his account if he is chosen in the first draft. You may purchase here now—with full assurance that you will not incur an unwieldy debt.
