# LEWIS EXPECTED TO BACK WILLKE IN SPEECH ON FRIDAY

## LABOR EXECUTIVE WILL JOIN RANKS OF GOP NOMINEE

By LYLE C. WILSON  
WASHINGTON, Oct. 22 (AP)—Labor's Non-Partisan league announced today President John A. Lewis of the Congress of Industrial Organizations would deliver a national broadcast Friday night. Oct. 26, to express his views on the presidential election.

It was reported on apparently good authority that Lewis would endorse Wendell L. Willkie, Republican presidential candidate. Neither Lewis, the league nor CIO headquarters would comment on that report.

Lewis will speak from 7 to 7:30 p. m. MST, over the Columbia Broadcasting system and the Radio City of New York, a Republican owned company. The league's announcement said merely that Lewis would "express his views on affecting the national political election."

**Falling Apart**  
Lewis and President Roosevelt, to whose 1936 campaign he advanced almost \$500,000, have been falling apart for a couple of years but none expected until recently that the union leader was walking far or fast enough to catch Willkie before election day.

Lewis said publicly this year that Mr. Roosevelt would be ignominiously defeated if he sought reelection. Lewis has not criticized Willkie in this campaign. In 1928, he supported Herbert C. Hoover against Alfred E. Smith.

Endorsement of the Republican presidential candidate might jar Lewis' political organization. Some of his most important lieutenants and subsidiary unions already have endorsed Mr. Roosevelt for reelection. The political judgment here is that Lewis will not be able to carry army with him although some will follow his election advice and they might be enough to determine the result in such states as Pennsylvania, Ohio and West Virginia where the labor vote is big and the contest appears to be close.

**Step up Campaign**  
Democrats, meanwhile, are stepping up their campaign on the congressional front in defiance with Mr. Roosevelt's decision to hit the road in a series of vote seeking ads.

Republicans feel that Willkie's strong campaign finish is affecting Democratic strategy. They believe Democrats explain that their plans already included rapidly expanding campaign activities.

Whoever may be the reason, Rep. Lyndon B. Johnson, D. Tex., is operating today as leader of an informal committee to focus New Deal efforts in 75 or so congressional districts where the 1938 election was close. The United Press says that the Johnson group was primarily interested in 21 districts which went Democratic in 1938 by a margin of 1,000 votes or fewer, another 25 districts which were Democratic two years ago by a margin of 1,000 votes and in 29 districts which in 1938 went Republican by 5,000.

## From Dakota Indian Reservation to Idaho—That's Scope of YWCA Help

### Indian Girl Secures Twin Falls Y.W.C.A. Cooperation

"A helping hand to girls who do not have the help they need," might well be the slogan of the Twin Falls Y. W. C. A. In the photo above an Indian girl, who came to Twin Falls to find work and start a career, is being aided by Helen Henderson, secretary, who is at the right. The Y. W. C. A. is one of agencies sharing in funds of the Twin Falls Community Chest. The annual Chest drive for funds began today. The goal has been set at \$10,500.

It's a long way from the Pine Ridge Indian reservation of South Dakota to Twin Falls but that didn't stop a young Indian girl from coming here to embark on a career.

And the "helping hand" she found in Twin Falls after the long trip was the Y. W. C. A. It was revealed here this afternoon as the young girl continues work in order that she may take the funds necessary to complete a night-school business course after which she will try for a vacancy at the Pine Ridge reservation.

**One of Hundreds**  
The story of this young girl, who went immediately to the Y. W. C. A. office in Twin Falls upon her arrival, is just one of hundreds which could be printed concerning the work of this organization, which shares in the funds of the Community Chest. The Chest drive this year began this morning.

With the aid of Helen Henderson, Y. W. C. A. secretary, the girl was able to secure housing and other odd jobs in order that her diminishing funds might be stretched. It hadn't been for the local Y. W. C. A. office possibility is that this girl would have been stranded here, rather than starting her own way as she is now.

She just heard about Twin Falls when she came here on a bus. She walked into the headquarters office on the

third floor of the Orpheum theater building and said "here I am." Her mother had told her that if ever she was in a city alone, the Y. W. C. A. would aid her.

Today this girl is one of the organization's most loyal supporters.

Other activities:  
Aside from such aid to girls coming into Twin Falls, and those living here at the present time, the activities of the "Y" are many.

It is the largest organization of women in the world and women and girls of any race or creed may belong.

The purpose is to build a "fellowship of women and girls, devoted in the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians."

In Idaho, there is a city organization in Pocatello and another in Boise. Boise has in the last year built a new home to house the organization there. In Twin Falls the office is located on the third floor of the Orpheum building.

**Out-of-School Girls**  
For many years the Girl Reserves, who are junior members of the Y. W. C. A. were the only part of the organization here and they were associated with the Magic Valley district. Two years ago Twin Falls withdrew from the district and formed a city Y. W. C. A. The work with older girls out of school be-

came of evident need and it progressed rapidly in Twin Falls.

The Twin Falls organization has made up of groups formed into clubs, according to age and interests. The program and social activities meet their individual needs. The help of the secretary and the use of the rooms of any facilities are free to all women and girls.

The following clubs are affiliated here:

Women's executive board: volunteer workers and electoral members, Beta Gamma club, a business girls club.

"Tri-Y" club: composed of ninth grade Girl Reserves.

Senior Girl Reserves: the sophomore, junior and senior girl groups.

Several other groups are in the process of organization.

**Executive Head**  
The Y. W. C. A. secretary is employed to supervise all club activities, assist in employment of girls and women, assist transient girls in finding located and find work for them if necessary. Salary of the executive, the office and office expense are financed through the Community Chest. All activities in the work are financed by the girls themselves through dues and assessments of members and not by the Community Chest.

During September, and up to Oct. 19, there were 1,488 contacts in or through the local Y. W. C. A. office.

## PAUL CCC HOST TO LIONS CLUB

PAUL, Oct. 22 (Special)—Lieut. Marker and the 201 boys of the Paul CCC camp were hosts Friday noon to the Burley Lions Club, and their club guests, Rodney Webster, A. H. Nelson, Dwayne Bingham, Lon London and H. F. Blake, Twin Falls. Also present were James McCarty, camp superintendent, and George Minark, junior officer of the camp. Harvey Rogers, president, thanked Lieut. Marker for extending the Burley Lions' an invitation to hold this meeting at their quarters. The usual luncheon fee was waived and will be used to purchase a suitable gift to be presented for the CCC boys' use and enjoyment.

Following adjournment of the meeting they were given a tour of inspection of the grounds. After receipt that morning 25 new boys, Lieut. Marker stated that the population of the camp now numbers 201, and that it required about 25 of the number to run the camp, the remainder of the boys being kept busy out in the field.

Some of the boys at that time were working on a new coat bin, the walls of which were made of natural stone held together by cement. Mr. Marker also pointed out the experimental plot wherein Michels grass was being sown to determine the advisability of putting it along canal banks to keep down the weeds.

Other points visited were the cooler, roof cellar, kitchen, barracks, laundry room, bath house, the four storage garages and repair garage, blacksmith shop, carpenter shop, classroom, library, canteen room, postoffice, infirmary, offices and swimming pool that has been dug out and cemented along the canal.

While in the library, Lieut. Marker stressed the need of any kind of books that could be given to the CCC boys. In the operation of most of the units of the camp, the employees are given an opportunity to learn a particular trade, the indirect result of which is additional pay.

## Board to Sell Albion Bonds

Sale of a half-million dollar bond issue for the remodeling improvements at Albion State Normal school will probably be made at the next meeting of the state board of education, at which Arthur L. Swain, Twin Falls, will preside.

The meeting will be held Nov. 1-2 at the University of Idaho, Moscow. Bids on the \$500,000 Albion Normal bond issue will be opened Nov. 1 and the issue will probably be let before the board adjourns.

Proceeds from the bonds will be used to remodel Hansen hall, one of the Albion dormitories, and to purchase for the state board of education now outstanding on McMurray dormitory.

Interest and principal on the new bonds will be paid off over a 30-year period from appropriation room rentals. The securities will be in denominations of \$500 each, will bear the date Jan. 1, 1941 and will carry interest not to exceed four per cent.

Deadline for submission of bids, and bid returns will be 2 p. m. Oct. 23. Offers may be directed to Mr. Swain in care of President Harrison C. Dale, U. of I., Moscow.

## BOTT APPOINTS 9 LEGISLATORS

BOISE, Idaho, Oct. 22 (AP)—Four state senators and five state representatives were added to state rosters today by appointment of Gov. C. B. Bott.

The governor named nine persons to fill vacancies in the legislative posts. He said the action was "just for the record" and did not forecast a special session of the legislature.

Senate appointments went to Glen Howell, Boise county; Walter C. Nichols, Gem county; Thomas A. Peeney, Nez Perce county; Abe Goff, Latah county.

Appointed as representatives were

## UNTOLD SUFFERING FROM STOMACH, BOWEL TROUBLE AND NERVOUSNESS GONE

And Health Returns. Hoyt's Compound Is Truthfully a Great Medicine, Says Mr. W. R. Tennant, Well-Known Twin Falls Resident.

MR. W. R. TENNANT  
"Since taking Hoyt's Compound, I am able to eat any kind of food without suffering the discomfort of gas, bloating, and sourness. I don't notice even a trace of my former trouble. My nerves have been soothed and are very strong again. I am not nervous at all and nothing excites me now. It has also proved to be a wonderful laxative. I can truthfully say that Hoyt's Compound is a great medicine."  
Sufferers: Take the advice of Mr. Tennant. Come to the Majestic Pharmacy. Let them explain the action of this celebrated new medicine. Hoyt's Compound is sold by all drug stores in this section.

How do you know that your suffering is necessary when so many Twin Falls residents say they have found quick and effective relief with the new and modern Hoyt's Compound? Come today to the Majestic Pharmacy and learn more about the action of this celebrated medicine. It may be just what you have needed for a long time. One of the latest Twin Falls residents to offer praise for the relief he says Hoyt's Compound gave is Mr. W. R. Tennant of 240 Washington Street, who states: "For the last three years I have suffered with constipation, stomach and bowel trouble. Most any kind of food would cause me to have untold suffering after meals. I would try one thing after another to get rid of my trouble. I was also extremely nervous and was very excitable and the least little nervous would cause me to have a nervous spell."

## SENIORS SELECT POLLOCK DRAMA

A three-act play by Channing Pollock, "The Fool," has been chosen for the senior class presentation of Twin Falls high school for this year and will be presented Dec. 12 and 13.

All senior students interested in trying out for parts in the drama or acting on the production were to meet today with Florence M. Reed, high school dramatics instructor. Tryouts will be held Monday, Tuesday and Wednesday of next week and rehearsals will begin the first week of November.

Scene for the first act of the play is an aristocratic church at Christmas time, second a dining room of a wealthy miner, and the third act takes place in the slums of the city. What would happen to a man who follows the teachings of Christ is the idea put across in the play.

Except for the major roles, the play will be single cast. The cast includes 13 men and eight women and a large number of extras.

Brown trout spawn only in the early spring, brook trout in the fall, while rainbow trout spawn both in spring and in fall.

## Women Scribes at Moscow Honored

UNIVERSITY OF IDAHO, Oct. 22 (Special)—Theta Sigma, women's journalistic honorary, entertained women students, working on the Idaho Argonaut, student newspaper, at breakfast, Sunday morning.

Frances Harbin, Paris, was in charge of program arrangements for the breakfast.

READ THE TIMES WANT ADS.

## Hardly a Stir Looming Here As Law Sets 40 Hour Week

Although the 40-hour work week goes into effect Oct. 24 under the provisions of the wages and hours law, the move will create hardly a stir in Twin Falls and Magic Valley. Informal surveys by the Evening Times indicated this afternoon.

Since the law applies only to workers considered as being in interstate commerce, and exactly agricultural labor, the great bulk of Magic Valley employers will not be affected. In the livestock industry, the most complex, the change will not be drastic. The minimum here is 42 hours under the sliding scale provided in the federal legislation.

**Above Minimum Here**  
The minimum hourly wage under the law is merely a nominal phase of the statute for affected workers in this area. The minimum is 30 cents an hour and most of those "covered" by the law in Magic Valley are above that. The minimum here is 40 cents per hour in October of 1940.

Employers whose businesses are constructed as coming under the wages and hours law must pay for least time and one-half for overtime beyond 40 hours a week.

The workers must keep records of hours worked and wages paid. Violators are subject to a fine of \$10,000 for the first offense and imprisonment for the second.

Workers Can Sue  
Employees may sue for double the amount of any back wage due them,

## Named by Custom

Strawberries owe their name to the old custom of covering the plants with straw in the fall in order to protect the roots during the cold season.

TWIN FALLS' BEST

## BAND PARADE TO PEP DEMO RALLY

The Kimberly high school band will parade the downtown section of Twin Falls tonight as a prelude to the Democratic rally at the American Legion hall at 7:30 p. m. which will feature an address by Chase Clark, candidate for mayor. It was announced this afternoon by Edward Babcock, county chairman.

Babcock said that after the band tours the downtown area, it will "wind up" in front of the hall just prior to meeting time.

Sharing the speaking platform with Clark will be C. E. Roberts, Democratic candidate for superintendent of public instruction. Babcock will preside and county candidates will be introduced.

Clark's talk will be broadcast over the local station starting at 8 p. m.

This morning a sound truck, equipped with appropriate speakers, made its initial appearance on behalf of the Democratic ticket. The truck will be in operation from now until election day.

The truck accompanied a five-car caravan which left Twin Falls at 10 a. m. today to tour the entire county, getting to Buhl in time to hear an address by Clark in the west end community at 7:30 p. m. Several candidates participated in the tour today.

### Records Introduced In Fine Arts Address

Refreshing in viewpoint was the program on "Music in the Home" presented by Mrs. T. C. Brown, vice-chairman of the Fine Arts department of the Twentieth Century club this afternoon at the American Legion Memorial hall. Attributing the revival of victrola records to the fact that good music enables one to acquire a sense of security, Mrs. Brown played four records in illustration of her talk.

"It is characteristic of the best music that it is little affected by time," Mrs. Brown said. "Having the radio-combination is like being near a good library and book store. You can borrow books or records you can buy those you love and want to enjoy at any time."

She played the first movement of Beethoven's "Fifth Symphony in C-Minor," "Fagles," by Leoncavallo, sung by Lawrence Tibbett; the selection, "Somewhere, He Will Come," from "The Butterfly," sung by Lucretia Bori, and "Caprice Viennois," composed and played by Kreisler.

Mrs. M. E. Stowell, department chairman, who presided, presented a short record review on records now popular and will tell of the new albums available.

Tea was served later, with Mrs. D. R. Churchill as chairman of the hostesses committee. Other committee members were Mrs. P. H. Adams, Mrs. John C. Adams, Mrs. Metta Bunch, Mrs. Robert Benson, Mrs. R. E. Bohler, Mrs. A. A. Boston.

### 'Know School' Theme For P.-T. A. Meeting

First business session and annual reception in honor of the Twin Falls high school and junior high school faculties took place last evening at the high school auditorium, Mrs. John E. Hayes, national publicity chairman; Edward Rogel and Mrs. Vera C. O'Leary, high school and junior high school principals, giving addresses on the theme, "Know Your School."

Mrs. Hayes outlined the three objectives of P.-T. A. "P.-T. A. should become a stabilizer of public opinion in a community; P.-T. A. should develop a fellowship between parents and teachers by interpreting education to a community, and P.-T. A. should be an influence in setting standards of community conduct of thought," Mrs. Hayes said.

Non-College Courses "Despite the fact that 38 per cent of Twin Falls high school graduates have gone to college in the past four years, greater effort is being made to aid seniors who will not go on to college," said Mr. Rogel. "There are three divisions of English classes for seniors, the college preparatory course and the non-college preparatory course. The latter is a course in civics and biology courses," he added.

Mrs. O'Leary told of the new system of report cards. The new grouping of reading, English, creative writing, current problems and art classes into social living classes, as carried out in junior high school, Mrs. Maud Molyneux, accompanied by Miss Marjorie Albertson, led the committee singing. The principal introduced the faculties of their two schools.

Mrs. Scott Ellsworth gave the address of welcome as president. Mrs. Frank McFarlane, treasurer, told of the share of the P.-T. A. in the community chest program. Mrs. D. T. Hollingshead outlined the work planned for the year, saying that the program committee hopes to acquire parents to a greater extent with all phases of school work.

P.-T. A. School Mrs. Roy Evans told of the school of instruction to be held Friday at the high school under the direction of Mrs. D. I. Foreman, state P.-T. A. official. The girls' sextet, directed by Miss Albertson sang "Sweet Strings" and "To Sing Awhile." Members are Miss Norma Andrews, Miss Vera Pretzold, Miss Heron Hill, Miss Edna Foster, Miss Dymphna Burdick and Miss Jean McNeely.

Mrs. W. R. Gleson, hospitality chairman, was in charge of the refreshments served during the reception. Mrs. Earl Johnson, Mrs. Hugh Isaac and Mrs. H. L. Lawrence assisted. A Halloween motif was featured.

Thomas McCauley Topic of Program Mrs. Allyn Dingel was in charge of the program on "Thomas McCauley," presented at a meeting of the chapter in the Delphian society Monday afternoon in the Y.W.C.A. rooms.

Taking part in the discussion were Mrs. George B. Gleson, Mrs. M. Z. D. Bohler, Mrs. Harold Lackey, Mrs. George Hubler, Mrs. A. A. Boston, Mrs. H. A. Ball, Miss Gladys Walker, Mrs. Clara B. Byrmer and Mrs. O. C. Hall.

Mrs. Bennett gave a paper on a life written by Mrs. Werry, giving the ideas concerning Jefferson and the democratic government being formed in America. Mrs. Ball conducted a word drill.

SPECIAL DISCUSSION These Mrs. also for afternoon tea. The year's regular dinner recipe, roll the biscuit dough lightly to about one-quarter inch thickness. Cut in rounds and spread with butter; grate cheese and chopped seeded dates. Fold over, press edges together; brush tops with milk and bake in hot oven.

### Girls' League To Sponsor Barn Dance Oct. 29th

Carrying out the traditional custom of holding an old-time barn dance at Halloween time, the executive council of the Girls' League of Twin Falls high school decided a meeting yesterday to have as the theme for the party sponsored by the league, which will be held Oct. 29, in the high school gymnasium, "Old Time Barn Dance."

Costumes of old-timers will be worn by those attending the event and prizes will be awarded for the best costumes. It is the goal of the league to have every girl in high school attend the party. Biggest attendance at the annual affair was made last year with over 300 present, and with 416 girls in high school this year the girls hope to break that record.

Sophomores Decorate Decorations are in charge of the sophomores, with Miss Robertson as chairman. Refreshments will be handled by the juniors with Dorothy Van Enckel as chairman, and publicity will be in charge of the seniors, with Vera Simms as chairman. Each unit will have a general chairman for publicity. The Girls' Athletic association will take charge of the games and dancing, with Charlotte Miller acting as chairman. Grand marshals will be at 7:15 and the entertainment will last until 10 o'clock.

Each unit of the league will present a skit during the evening, and the home arts class, under direction of Miss Agnes Schubert, art instructor, will also be present. Miss Wilma Sweet will be in charge of the music for the social dancing, which will be held during the last hour of the party.

Holiday Assembly Plans were also discussed at the meeting yesterday for the Thanksgiving assembly at the high school, which will be given by the league Nov. 20. Program for this event will be planned by the vice-presidents, who are June Daniels, Margaret Vezquez, Olive Wells and Pauline Moyes.

Announcement was made that the senior unit will present the league assembly Nov. 10. A report was made by the committee working on the constitution revision. Complete report will be given at the next meeting.

Present besides the council were the sponsors and the program and social chairman of each unit.

O. E. S. School Precedes Dinner For State Head Opening with a school of instruction this term's club will have a number of special events in conjunction with the annual official visit of the worthy grand matron, Mrs. Nora H. Caldwell, who will continue throughout the evening.

Mrs. Blake and other distinguished guests will be honored at the banquet which will take place at 6:30 o'clock at the Presbyterian church, with Mrs. A. D. Bohler as chairman of arrangements. Mrs. Claude Gordon in charge of decorations.

Among other notables present will be Mrs. Lillian B. Wendell, associate grand convalescent. Later Mrs. Blake will address the chapter session at the Masonic temple, and a social hour will follow, with seasonal refreshments being served in the dining room.

Mrs. P. R. D. Neuman, chairman of the refreshment committee, assisted by Mrs. A. O. Dumas, Mrs. and Mrs. R. A. Schureman, Mrs. J. E. Roberts, Mrs. M. E. Doling and Miss Bessie Carlson.

Buhl Pair Weds At Burley Rites BIRTH, Oct. 22 (Special)—Mr. and Mrs. R. D. Neuman announce the marriage of their daughter, Miss Elizabeth Neuman, to Paul Beach, son of Mr. and Mrs. Alfred Beach, Havesville, Kan. The couple was married Oct. 18 at the Burley Christian parsonage by the Rev. L. K. Hays.

For her wedding the bride chose a suit with a black checked skirt and red jacket. Her accessories were black.

After a brief wedding trip the couple will return to Buhl.

Flavor treasure from romantic lands Schilling

### Phi Delta Club Plans Rainbow Motif for Elaborate Occasion

Formal Party Planners

Miss Barbara Brannon, president of Phi Delta club, Buhl, played the piano accompaniments for other officers of the club, Miss Lillian Zuercher, treasurer; Miss Pauline Kelly, secretary and Miss Wilma Hutchinson vice-president, who recently rehearsed club songs and made final plans for the formal dance at which they will entertain this coming Friday evening at Buhl.

Novel employment of the progressive party idea marked for success the Halloween-Hi-Jinx for members of the Business and Professional Women's club and their guests last evening.

Four homes were opened to the members and guests for the opening festivities, where pinocchie, Chinese checkers and bingo were launched early in the evening. Final rounds were played at two other homes, and the guests finished the evening at the Idaho Power company auditorium.

Assembling first at the homes of Mrs. Elizabeth Smith, Miss Mary Smith, Mrs. Marian Dunn and Miss Marie Newell, the four groups then progressed to the homes of Mrs. Jolie Green and Miss Bessie Carlson for the "wind up" of games.

Bevages were served at the first stop, raffles at the second, and doughnuts and cider at the third. Mrs. Myrtle Anderson was general chairman of arrangements. Assisting were Mrs. Lora Doss, Mrs. Ella George, Miss Bessie Carlson and Miss Newell.

Bee Hive Sports Buzz Attracts 45 Twin Falls stake the Bee Hive sport was held Saturday afternoon at Hamman park with 45 Bee Hive Girls from Twin Falls first and second wards and Buhl ward attending.

The program included songs, get-acquainted games and folk dances in charge of Mrs. John Garrett and Mrs. Ernest Exeter, bookkeepers, assisted by Mrs. Marie Grandell and Mrs. Robert Hoffrecht, first ward; Mrs. Byron Harris, Mrs. George Miller and Mrs. Bert Alexander, second ward, and Mrs. George Edgington, Mrs. L. Heaps, second ward, and Mrs. O. T. Luke, stake keeper.

Refreshments of chili and punch were served following the games.

Cholice chillies and spices are blended in Schilling Chili Powder. It gives delicious, saucy flavor—enables you to prepare unusual dishes quickly and easily. Compare its quality and strength! 2-oz. can, only 15c.

### Men Wanted—to Assume Roles in Barrie's Drama

It's men they're wanting—the "Little Theater"—to tryout for parts in the play, "What Every Woman Knows," to be presented sometime in November.

Tryouts will be held again this evening at 7:30 o'clock at Radisson, according to Mrs. "Chic" Crabtree, who will direct this year's opening production of the Twin Falls Community Theater association.

Some excellent talent attended tryouts last evening, but in view of the fact that the cast is predominantly masculine, the association is eager to have more men tryout this evening.

St. Anthony Girl "Frat" Sweetheart UNIVERSITY OF IDAHO, Oct. 22 (Special)—Florence Orme, junior from St. Anthony, was voted the "Sweetheart of Sigma Chi" last weekend, winning the multicourse contest from a field of 22 contestants.

The list of contestants was whittled to six finalists last week by members of Sigma Chi fraternity, included in the final consideration were Jane Douglas, Twin Falls, and Kathleen McNulty, Buhl.

The theme song, "Over the Rainbow" will be played for the grand march at 9 o'clock. The president of the club, Miss Barbara Brannon, and her escort, Lyle Virgin, will lead the march and will be followed by the other members of the club alumni and their guests.

The appropriate song, "After the Ball is Over" will be played as the grand finale. The Will Wright orchestra will furnish the music.

Preceding the ball at 7 o'clock a banquet will be served in the Merger private hall which will be decorated with the rainbow color scheme. The room will be illuminated with var-colored candles in candelabra. Covers will be marked for the club sponsors and escorts.

Invited guests include members and their guests, Miss Barbara Brannon, president, who will preside; Wilma Hutchinson, Pauline Kelly, Lillian Zuercher, Carmen Hartsell, Betty Jax, Betty Giles, Betty Jane Hyde, Olga Kotesch, Dorothy Wright, Ruth Horn and Ruby Prilluck are the hostesses.

NORTH DAKOTA COUPLE MARRIED Mrs. Freda Hoffenstein and Raymond Ernest, both of Minn. N. D., were united in marriage at the Methodist parsonage Sunday afternoon, Oct. 20, at 4 o'clock.

Rev. H. G. McCullister performed the wedding ceremony, using the single ring ritual. The couple will reside on a ranch east of Twin Falls.

They were accompanied by Mrs. Albert Denny and Jack Bohler, sister and brother of the bridegroom.

BETA GAMMA HAS BUSINESS SESSION Beta Gamma club met last evening in the Y. W. C. A. rooms for a brief business session.

### CAMP FIRE GIRLS

Plans for their Halloween party were discussed when the Meadow Lark group of the Blue Birds met last Thursday at the home of Louise Hall. The girls made favors and discussed their trip to the Electric bakery. The hostess served refreshments.

NEW GROUP Meeting for the first time yesterday at the home of their guardian, Mrs. E. R. Scofield, a new group of the Camp Fire girls elected officers and discussed ideas of Camp Fire work.

Newly elected officers are Justine Gasser, president; Susan Pringle, vice-president; Jane Anderson, secretary; Donella Country, secretary, and Stella Dee Cutler, treasurer.

Name for the group will be selected at the next meeting at the home of Miss Gasser.

TO REMOVE PAINT SPOTS To remove paint spots from glass easily, use a strong washing soda solution. If the paint stains are stubborn, soak them with the solution several times, then scrape with a razor blade.

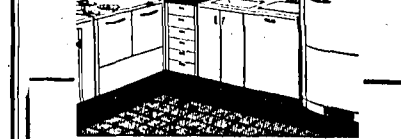

### MARY WAS A LADY

... She Cooked Electrically

LEISURE—that's a magic word to every housewife, and leisure is what the electric range brings to every home! Automatically controlled cooking on the electric range eliminates hours of tiresome "pot watching," pecking and waiting. All you have to do is put your meal in the oven, set the thermostat and forget it! Your meal will be perfectly cooked, then kept at just the right temperature till you're ready to serve it.

Millions of women in America are "leisure housewives" thanks to their electric ranges.

Beauty Your Kitchen with a MODERN ELECTRIC RANGE

Go to your electric dealer's store or come to our salesrooms, and learn the numerous other advantages of cooking electrically. You'll be surprised how easily an electric range can be bought, how cheaply it can be operated, and how much it will beautify your kitchen. Don't wait—do it now!

### MINERALS LISTED FOR IDAHO STATE

MOSCOW, Oct. 22 (Special)—Forty-two minerals produced commercially or known to be present in Idaho are listed in an abridged bibliography of the mineral industry of the state issued this week by the Idaho bureau of mines and geology.

"All 42 are to a more or less extent of commercial value, depending upon demand, market price, etc.," explains the author W. W. Staley of the bureau and school of mines staff. "The importance of gold, lead, zinc, and silver in Idaho hardly needs mention, but the wide distribution of so-called strategic minerals such as antimony, arsenic, bismuth, copper, manganese, molybdenum, tin, tungsten, and vanadium is particularly noteworthy.

Purpose of the present bulletin, No. 19, is to aid engineers and prospectors in locating mines, and to furnish information on the great variety of minerals occurring in the state. The bulletin merely lists alphabetically and on a map the minerals and their localities in which they are found. Those interested in making a search of the public records on any particular county are requested to write to the Idaho Bureau of Mines and Geology, Moscow, for such information.

Following are the minerals credited to Idaho:

Antimony, arsenic, asbestos, barite, bentonite, beryllium, blunth, building stone, clay, coal, cobalt, copper, diatomaceous earth, feldspar, garnet, gold, graphite, gypsum, lead, limestone, magnesite, marble, mica, mineral waters, molybdenum, monazite, nickel, nitrate, oil and gas, phosphate rock, platinum, pyrite, quartz, silver, sulfur, talc, tin, tungsten, vanadium and zinc.

### Sons of Congress Candidates Stage Own Campus Feud

BOISE, Oct. 22 (Special)—The election of United States congressmen from the Idaho first district has become strictly a campus "political feud."

Both candidates, incumbent Compton I. White, Democrat, and Republican challenger Ed Gaffney, can be proud of their sons.

### Episcopal Vicar Gets New Parish

GOODING, Oct. 22 (Special)—Rev. C. Cook, vicar of the Episcopal church of Gooding for the past four and one-half years, has been transferred to the St. John's church in Idaho Falls. He and Mrs. Cook will leave for Idaho Falls the last of October.

### HOLLISTER

Solomon "Red" Hollister's club met at the home of Mrs. J. M. Pierce Wednesday for an all-day meeting. Seventeen members and four guests, Mrs. Ralph Reed, Coeur d'Alene; Mrs. Herman Robinson, North Loup, Neb.; Mrs. A. Crist Virginia, and Mrs. W. A. Bookings were present. Mrs. M. Hill demonstrated a one-dish meal. A donation for the Red Cross was made. White elephant was won by Mrs. W. W. Powell.

Teachers of the Ingerson, Amersbach and Hollister schools were given a reception at the Presbyterian church Friday evening. The following program was presented: Song by audience, opening prayer, A. E. Kunkel; song, male quartet; introduction of teachers: I. B. Ivins; piano solo, Francis Kunkel; reading, Mrs. J. M. Pierce; vocal solo, John Hill; reading, Paul Kunkel; piano duet, Lanting sisters; reading, Clara Kunkel; vocal solo, Clyde Lanting; short talk, Rev. Devere Walker; vocal solo, Elmo Parrot; A. E. Kunkel held charge of the program and refreshments were served at the close.

### Four Men Face Kimberly Judge

KIMBERLY, Oct. 22 (Special)—Four men were found guilty in Justice Morris' court the past week. Harry Thumson was charged with drunkenness and disturbing the peace and was fined \$25 and cost of jail sentence was suspended for 90 days.

Harry Norman was charged with petty larceny, thefts being made from cars in Kimberly. He was found guilty and given 15 days jail sentence. Hurley Dobbs pleaded guilty to charge of drunkenness in a public place and disturbing the peace. Jail sentence was suspended upon payment of a \$5 fine and court costs.

Ralph Matoeski was charged with beating a board bill. He paid the bill and court cost.

### Prom Planners UNIVERSITY OF IDAHO, Oct. 22 (Special)

Three southern Idaho women were recently appointed promoters for the annual prom, sponsored for women only by the Home Economics club.

Marcy Mott, Rupert, was selected to handle the program committee; Miriam Mair, Paul, prizes; and Marjorie Thompson, Gooding, publicity committee.

### Churchill Predicts England Will Win Air Control '41

LONDON, Oct. 22 (Special)—Prime Minister Winston Churchill predicted last night that Great Britain will seize command of the air from Germany next year.

The prime minister's prediction was addressed to the people of France. It came as First Lord of the Admiralty A. V. Alexander indicated plainly that Britain is planning and building toward taking the offensive against Germany in spheres of battle where he promised victory would be won.

Churchill, scoffing at German invasion threats, was vehement in his denunciation of Adolf Hitler who he warned France was plotting the permanent disintegration of the French nation and French culture.

"We are on his Hitler's track," said Churchill, "and so are our friends across the Atlantic ocean. If he cannot destroy us, we surely will destroy him and all his gang."

"We are waiting for the long promised invasion. So are the fishes. But of course this, for us, is only the beginning. Now in 1940 we have six the command of the 'Wiltie' button. In 1941 we shall have command of the air."

He appealed for the friendship of the French people in the battle against Germany.

"Remember," he said, "we shall never stop, never weary, never give in and that our whole people and empire have bound themselves to the task of cleansing Europe from the Nazi pestilence and saving the world from our dark ages."

English confidence is as high as ever, Churchill declared, and the

### WAR PREVENTION TOLD STUDENTS

Speaking on the prevention of war, David Norcross, national secretary of the American council for the prevention of war, addressed several classes at Twin Falls high school yesterday. Approximately 200 students listened to the address.

Mr. Norcross emphasized the attitude necessary to stay out of war and prevent war. He declared that war is not inevitable as some people avow.

After speaking for about 20 minutes, Mr. Norcross answered the numerous questions of the students.

### TOTEM POLE

In preparation for an assembly of the senior high school students Nov. 6, to be presented by the seventh grade social living classes, several articles relative to the work of the classes are being made by the students.

At present the classes are making a paper-mache totem pole. Principal animals of the United States will be featured on the pole, with an eagle on top.

Instructor for the class making the totem pole is Miss Rebecca Curtin.

British people are "bearing up well" under the German bombardment.

"Don't imagine," he said, "that we English seek to take your ships and colonies. We seek to beat the life and soul of Hitler and Hitlerism."

That alone that for all time and that to the end.

"We do not covet anything of any nation except their respect."

Churchill has not forgotten the ties that link her with France, Churchill said.

"Rearm Your Spirits"

"Frenchemen," he said, "rearm your spirits before it is too late. Hitler with his tanks and other mechanical weapons and also through fifth column intrigue with traitors managed to subjugate for the time being most of the finest races of Europe and his little Italian accomplice is trotting along hopefully and hungrily but rather wearily and very timidly at his side."

"They both wish to carve up France and her empire."

"Never will I believe that the soil of France is dead or her place among the greatest nations of the world has been lost forever."

"All these schemes and crimes of Hitler are bringing upon him and upon all who believe in his system retribution which many of us will live to see. It will not be so long and the story is not finished."

Church spoke first in English and then in French. His remarks were broadcast on beams directed toward France and to French collectors and possessors throughout the world.

"I want to tell you something about Defense that maybe you don't know. For years the Petroleum industry has carried an independent research and development initiative, unhampered by the Government. Union Oil Company has been the show man. Research engineers who spend practically all of their time in this work."

Thank you, America can now produce enough 100-anti-knock aviation gasoline for a more plane than Hitler have. And thanks to that research, the same bomber can fly 30% faster and farther in the U. S. than in Europe. You carry 20 in 100, more bombs and climb alone anti-aircraft fire 25% faster.

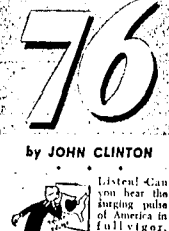

Take rubber, too. We use more than half of all the rubber in the world and 90% of it comes 9000 miles across the world to us, and the discoverer was in Wall. Petroleum industry research has made synthetic rubber a commercial reality. Because our supply of natural rubber is exhausted we can produce all we need from Petrolatum!

If I had room I could list a host of more essential products we have developed. But they'll give you an idea.

It gives me a chance to know that the same research engineers who do the things I have mentioned are an important part of the Petroleum industry—an industry that has done so much to make America strong.
