Coventry Cathedral Lies in Ruins

(NEA Radio Photo) Ruins of a Coventry cathedral after the Nazi bombing raid which leveled most of the ancient English city.

does not name the cathedral but it is presumably St. Michael's, in the foreground, with another cathedral in the background.

AFL Pledges Attempt To Weld Labor Ranks

NEW ORLEANS, Nov. 19 (AP)—President Roosevelt today asked and received a pledge from the American Federation of Labor that it will join any efforts to negotiate peace in organized labor.

The President's appeal, made in a letter to the Federation's annual convention, emphasized the need of labor unity during the current national defense emergency.

"Among the things which labor can work out at heart and the advantage of their leaders in mind can I am sure, find the way to reach such peace."

"The chief executive said peace may not be easy to achieve and the intricate problems may not be easy to solve."

"But when men of honor and good intentions sit down together they can work out a plan which will restore the much needed harmony, either by unity or by a sensible working agreement," the letter continued.

Will Probably Concur William Green, president of the federation, said in replying to Mr. Roosevelt's letter, that the convention probably will concur in the President's appeal.

"These assurances will be carried out in the future," Green said.

The President expressed regret the international crisis made it impossible for him to leave Washington to visit the nations which are fighting the "great economic and social gains" made by industry in 1933 and pledged again that these would not be sacrificed during the current emergency.

FOUR CITIES MAP AIR FIEL PLANS

BOISE, Nov. 19 (AP)—Builders of four Idaho cities are preparing plans and estimates for improvement of the highest and best national defense program, W. H. H. director of aeronautics, announced today.

The four cities chosen as the first in the state to receive the federal aid are Boise, Burley, Pocatello and Idaho Falls. Later other cities may be added to the program.

Complete plans to bring the airports up to at least Class 3 ratings and estimates of the construction cost will be turned over to Paul Morris, northwest district OAA inspector, on Nov. 24. Morris will take the plans to Washington, D. C., for approval.

When the construction is completed Boise will have a Class 4 airport, Pocatello a Class 3, Burley and Idaho Falls will have Class 3.

Housing Group Seans Two Locations Here

Two building sites are being considered at the present time in connection with the Twin Falls housing authority program which will see some 85 new modern dwellings erected here starting next spring, and in all probability one of the sites will be purchased for use in the program, it was announced here this afternoon by Capt. C. H. Thomas, chairman.

Capt. Thomas said that the sites now being considered, after a survey of this entire community and adjacent territory, are owned by Carl Ritchey and George Dean.

The Ritchey site consists of 20 acres and is located between Harner and 10th streets, fronting on Locust street. The Dean site consists of eight and one-half acres, located on the northern city limits in the Moorman addition, fronting on Monroe street.

Final approval of the site to be purchased is up to the U. S. housing authority regional office at San Francisco, said Capt. Thomas, adding that "without a doubt the site selected will be one of these two."

Demolition Scene At the same time Thomas announced that block 121 of the townsite will be razed for public utilities, the program being that for every new modern dwelling erected under the program one substandard dwelling must be destroyed.

Some of the new dwellings to be erected will be placed on this property but the bulk will go up on other sites. It is estimated that about \$331,000 will be spent on the program.

The tearing down of the shacks on the street has been set as today project (under the U. S. housing authority) 1-2, while the construction work is designated Idaho project 1-1.

Both Advantageous Officials point out that both prospective sites, now owned by Dean and Ritchey, are advantageous for the construction of the new homes. All sites are being studied in each case and the local housing authority will select the exact site in the immediate future.

Judge O. P. Duval, attorney for the city, said he will appear this afternoon that M. E. Kaplan, land attorney for the U. S. authority, will arrive in Twin Falls tomorrow morning to confer with him and other members of the local housing board. It is possible that Kaplan will bring the U. S. authority's offer to purchase which of the two sites will be purchased, although this is not known at the present time.

At completion of the project when the tenants move into the modern new houses, Mr. Wakem will supervise selection of the tenants. After tenants move in, he will take over the management.

Financing and construction of the buildings is under direction of the local housing authority, which has its own architect and adviser.

For the past 12 years, Mr. Wakem has been an instructor in Twin Falls high school. Besides his teaching duties, he has been active in many activities, including faculty member of Finance, H. Y. club sponsor and sponsor of various insurance organizations.

The study will also be used in making out budget requests to be made on the 1941 budget.

Dead Boisean's Son Hunted at Gooding

BOISE, Nov. 19 (AP)—A Boise county sheriff's officers investigated the death of a man identified as A. H. Hillyer, who was found today in his cabin on the Idaho river about two miles east of here.

Charles Wilensky, a neighbor, told sheriff's officers he found Hillyer in his cabin. The sheriff had to locate Hillyer's son, who lives in Gooding, to make funeral arrangements.

Axis Diplomatic Drive Enters Third Month With No Results

By J. W. T. MARON United Press Wire Report

Complications are beginning to appear in Hitler's plans for peace. The German government in Berlin, making necessary the numerous diplomatic conferences now being held under the auspices of Berlin, the Spanish spokesman, conferred in Berlin with the French and Ribbentrop. Nine weeks is a long time for any German offensive to be under way without results becoming obvious.

On Hitler's first arrival in Germany on September 1, it was said

GIO WANTS OWN PART FOLLOWED FOR LABOR UNITY

By WILLIAM H. LAWRENCE ATLANTIC CITY, N. J., Nov. 19 (AP)—A Congress of Industrial Organizations' committee recommended today the G. I. O. may be joined by the American Federation of Labor if the principle of industrial organization of mass production industries is accepted, and all G. I. O. unions are chartered in a new united labor movement, which would include A. F. L. G. I. O. and Independent Railroad Brotherhoods.

Denouncing as "utter falsehoods" A. F. L. charges that President John Lewis alone had blocked labor unity, the report recommended continuation of a G. I. O. peace negotiating committee, the G. I. O. and the G. I. O. Vice Presidents Philip Murray and Sidney Hillman, it was considered unlikely Hillman would serve because of his former post as labor defense commissioner.

Bar to Unity "Unity in the labor movement can be accomplished only if the economic and legislative activity of labor continues along the progressive and vigorous paths blazed by the G. I. O.," the report said.

"It must protect and include all the organizations in the G. I. O. The millions of newly-organized workers must be brought into the G. I. O. proof of the effectiveness of the principles of the G. I. O. Not one must be abandoned in the struggle for jurisdictional claims of craft unions and the prevalent racketeering within the A. F. L. In short, every affiliated organization that would be chartered and included in any new united labor body that may develop."

Joint Convention Urged "Any program for unity should involve a joint convention of all labor organizations, including those which are not in the G. I. O. and the G. I. O. with existing jurisdictional differences to be adjusted in such a convention."

Financing and construction of the buildings is under direction of the local housing authority, which has its own architect and adviser.

For the past 12 years, Mr. Wakem has been an instructor in Twin Falls high school. Besides his teaching duties, he has been active in many activities, including faculty member of Finance, H. Y. club sponsor and sponsor of various insurance organizations.

The study will also be used in making out budget requests to be made on the 1941 budget.

WAKEM TO HEAD HOUSING SET-UP

Dale J. Wakem, faculty member of Twin Falls high school, has been appointed executive director of the extensive building set-up to be erected under the Twin Falls housing authority, officials announced today.

In that position Mr. Wakem will have general oversight and supervision under the local housing authority, which he will take over his duties depends on final word from the San Francisco regional office of the United States housing authority. The date may be about Dec. 1 or later, and meantime Mr. Wakem is continuing his instructional duties.

Financing and construction of the buildings is under direction of the local housing authority, which has its own architect and adviser.

For the past 12 years, Mr. Wakem has been an instructor in Twin Falls high school. Besides his teaching duties, he has been active in many activities, including faculty member of Finance, H. Y. club sponsor and sponsor of various insurance organizations.

The study will also be used in making out budget requests to be made on the 1941 budget.

RAIDERS SCATTER OVER ISLE CITIES

LONDON, Nov. 19 (AP)—Air raiders fouled out over most of the United Kingdom, including North Ireland, last night, but concentrated on the southwest coast of England, which was struck with high explosive and fire bombs.

London had four alarms during the night, which included "acute alarms," in which no bombs fell and no guns were fired. In the first alarm, which started at 11:30, the next two alarms were without incident. During the fourth, five, six, and seven alarms were reported.

Youthful Alien Will Testify on Espionage

CHICAGO, Nov. 19 (AP)—An alien youth described as a former agent of the Nazi Gestapo who engaged in plant and military espionage in the United States, a society woman and leaders of German-American and Italian-American organizations were scheduled today to testify at a closed hearing of a congressional committee investigating un-American activities.

The hearing will be held in the Senate chamber, said Fessenden, alias Harry Smith, who carried German secret police and checks listed to him by the Nazi government, was brought to Chicago last night by plane from Los Angeles where he was subpoenaed by Dies committee investigators.

Rep. Martin Dies, D., Tex., chairman of the congressional committee, said Fessenden had agreed to tell about his espionage activities because he believed he was faced with the prospect of traveling with a false passport. Dies said he had agreed to intercede for the 23-year-old German to prevent his return to Europe.

Fessenden told newspapermen he had started working as an agent of the Nazi government in 1935 and had operated in Spain and Belgium before he came to the United States.

He had photographs of industrial plants and the names of people he was connected with, Dies said. "He admitted having taken part in both plant and military espionage."

The society woman was not identified by Dies, but he said he expected to question her because of the letter which admits in a letter that was signed, he said, by a Chicago Nazi agent. He read an excerpt from the letter which admitted espionage activities.

Washington, Nov. 19 (AP)—The house today refused to adjourn sine die.

WASHINGTON, Nov. 19 (AP)—Acting Secretary of State Sumner Welles disclosed today the United States is giving sympathetic consideration to Greek appeals for American war materials.

Welles said the appeals had been made through both the American legation in Athens and the Greek legation here. He said the Greeks specifically sought an opportunity to purchase arms, ammunition and other war materials in this country.

Welles said he had informed the Greek minister the appeal would receive the most sympathetic consideration. He added the request had been referred to other branches of the government, which deal with arms purchases by foreign governments.

LONDON, Nov. 19 (AP)—The air ministry claimed tonight it has received advice from Germany regarding reports three sections of the great Krupp works at Essen had been put out of commission. One particularly large bomb, it was said, penetrated underground workshops where it exploded with great damage.

Blaze Threatens New U. S. Craft

BOSTON, Nov. 19 (AP)—The half-completed destroyer (Owens) was threatened by fire in its drydock at the Boston navy yard early today. City and yard firemen fought for half an hour to extinguish flames in the burning structure.

The blaze will be eliminated from the interior, it was pointed out, and sound equipment will be so arranged that the blast will give the effect of lightning at various times. A large lighted star will be placed above the hull caser.

KORITZA UNDER HEAVY FIRE ON ALBANIA FRONT

By JOE ALEX MORRIS United Press Foreign News Editor

Great Britain and Greece replied today to a new lightning axis diplomatic offensive apparently designed to mustle Vienna to map the next move, dispatches from Athens said Greek armies had hammered the Italians back into Albania and were attacking Bulgarian cities in addition to the besieged Italian base at Koritza.

Under Heavy Fire Koritza was under heavy fire from the Greeks. Italian airplanes were reported to have launched a heavy bombing attack on the Greeks, presumably in preparation for a counter-attack to relieve the important base at the head of the only roads into northern Greece.

The Italian forces were reported concentrating in the Bobotica sector, near Koritza, in formidable numbers and it appeared that after suffering substantial losses, the assist armies under Gen. Ubaldo Soddu were now getting into a position to make another big scale attempt to drive into Greece.

The Greek successes in the war to date have been important, but neutral experts repeatedly have emphasized that all of the odds to assist Greece in the long run. The Fascist invasion began through extremely mountainous terrain and were made more hazardous by heavy terrain. The Greeks fought with great bravery and skill. They were mightily aided by the Italian press admitted.

Need British Troops "But unless Britain can rush huge numbers of troops into Greece, that seems to be impossible—the superior numbers of Fascist infantry, machine guns, tanks, and aircraft against Greece in the long run, just as the odds were against Poland in the European war."

The Soviet army newspaper Red Star summed up the outlook for Greece in an article today, pointing out the Greeks have been able to intercede for the 23-year-old German to prevent his return to Europe.

Despite British air attacks, the Red Star said, the Italians now are concentrating large forces, including Alpine divisions, for a new offensive.

He had photographs of industrial plants and the names of people he was connected with, Dies said. "He admitted having taken part in both plant and military espionage."

The society woman was not identified by Dies, but he said he expected to question her because of the letter which admits in a letter that was signed, he said, by a Chicago Nazi agent. He read an excerpt from the letter which admitted espionage activities.

U. S. DESTROYERS HALT MEXICANS

TAMPICO, Mexico, Nov. 19 (AP)—Three United States destroyers halted the Mexican coast today. The Mexican coast and questioned their papers, their crews charged today. The ships were examined yesterday. One was the Mexican oil tanker, Zerrin Azul; the other the Houstonian, the USS Zerrin.

The Zerrin Azul was inbound for Tampico, but the USS Zerrin was bound for Tampico from New Orleans. The officers were questioned and ship papers were checked by the American naval officers who boarded the ships, their crews said.

The newspaper El Mundo editor-in-chief, angrily over the incident, it predicted it would lead to Mexican diplomatic representations because the ships were in the Gulf of Mexico off the coast. Mexico asserts sovereignty over its coastal waters up to nine miles.

Gala Yule Air Planned With 1940 Decorations

Complete plans for decorating the downtown section for the Christmas season, plans which include many innovations over previous years, were announced this afternoon by the city's public works department. The bureau committee will be charged of the work.

Principal change in the decorations this year will be at the intersection of Main and Shoshone, Gilbert said. Where last year four "hats" revolved over the intersection, this year will see three huge Christmas balls in their place, Chalmers Kiefer said.

VARIED TRAFFIC CHARGES PLACED

JEROME, Nov. 19 (Special)—Several arrests were made recently by a member of the Idaho state police of persons assertedly violating motor vehicle regulations. In a number of the cases, motorists were merely given warning tickets while others paid fines after they appeared before judges of police courts.

Bert Richter, Jerome, was arrested on charges of transporting cattle without first securing the necessary brand inspection on the animals. He was ordered to report to the county sheriff of Jerome and also obtain an official okay on his truck and trailer. He was sent into Probate Judge Heber N. Folkman's court on charges of operating a trailer without a license. Richter was operating a vehicle owned by Carl Ruden.

Car Ownership
E. G. Adams, a Portland resident, was ordered to report to captain of state police, Howard Carlson, Boise, to prove ownership of the automobile he was driving.

Warned on excessive speed within a school zone, Victor D. Peterson, Jerome, was also ordered to obtain an official okay on the truck he was operating. On charges of driving astraddle the yellow line, Gerald Hasken, Pocatello, was given warning as was Charles E. Hunsicker, Buhl, on charges of having no official okay on his machine.

Bernard W. Anderson, Hagerman, was arrested and cited into court on charges of failing to observe a stop sign. Bud Havermul was arrested also and was cited into a Justice of the peace court on charges of operating a vehicle without the necessary driver's license.

E. R. Lund, Jarulder, Nev., was arrested by a member of the state police after he failed to yield the right of way. Lund was brought before Justice of the Peace Maxwell, Wendell, and pleaded guilty. He was fined \$7 including court costs.

No Weight Signs
On charges of having no weight stencil on his truck and without a signal arm, Leroy Martin, Eden, was given warning by a state police officer. On charges of passing another vehicle over the white line, Glenn D. Russell, Jerome, was cited into police court.

On charges of speeding through the city of Jerome and traveling at excessive speed on the highway, James P. Verburg, Boise, was cited into police court. For failure to obey a stop sign, J. A. Martin, Gooding resident, was cited into court, after being arrested by a state police officer.

On charges of operating a truck for commercial hauling and having only farm truck license plates, Earl Fowley, Glenn Ferry resident, was cited into police court.
On claim of operating a motor vehicle without a signal arm and without an official okay, William A. Sauer, Jerome resident, was ordered to obtain the necessary okay and the signal arm.

Jerome Pupils Honor Teachers

JEROME, Nov. 19 (Special)—To honor one of their faculty members, the pupils of the three eighth grades of Lincoln school gave a party Wednesday evening in the high school gymnasium for Clarence Hughes, who left last week-end for a year's naval training with the United States navy.

General chairman was Miss Wilma Bowman. The entertainment committee members included Miss Edith Tortell, Miss Calypso Hawley, Dick

Turner, Marilyn Reddell, Buddy Stone, Donald Ridgeway and Ora Fleming. In charge of refreshments were Ruth Diefendorf, Miss Virginia Cooke, Joe White, Anna Lou Giles, Bradley Deal, Carol Moore and Donald Van Patten.

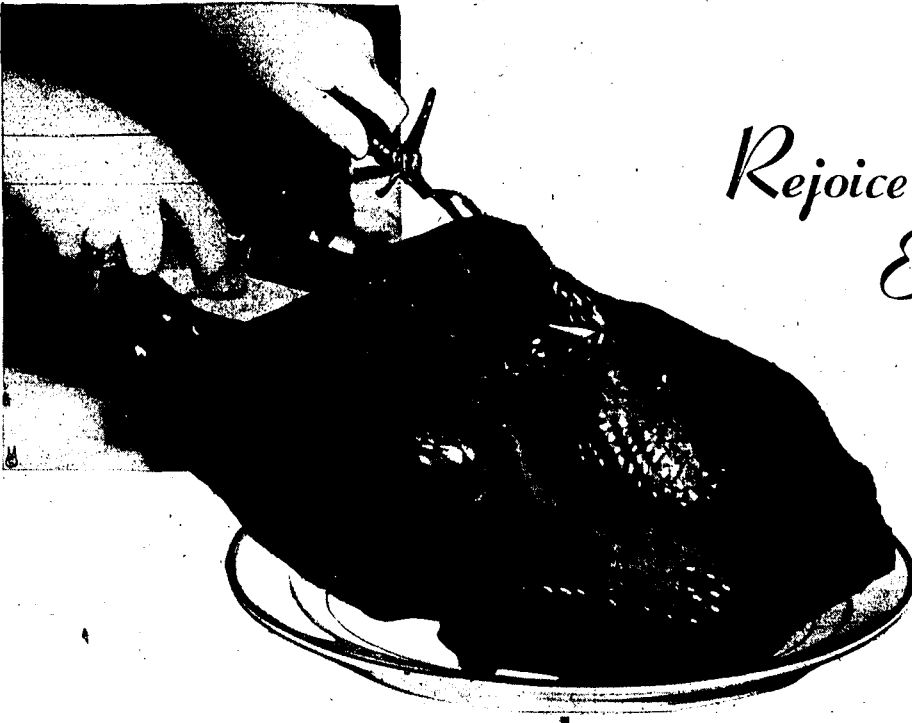

Mr. Hughes was crowned "king of the coaches" by Roderick Overfield, and a group of about 120 eighth grade pupils divided into sides, representing the navy, army and marines. Games were played to give points to the various sides.

Other interesting and entertaining features of the well-planned occasion was the fortune teller, Mrs. Ed Eakin, Mrs. P. E. Tortell and Mrs. Veronica Ehrmantraut assisted.

Engineers Pledge

UNIVERSITY OF IDAHO, Nov. 19 (Special)—Russell Wilson, sophomore electrical engineering student from Filer, was one of the three men recently pledged to Phi Eta Sigma, underclassmen's scholastic honorary.

Grade requirement for the organization is an average of 35, mid-way between an A and B.
CAT WALKS 100 MILES
BOSTON (U.S.—M. Thompson) Boy's cat journeyed 100 miles in nine months to return home from Mystic, Conn. Its paws were swollen and raw from the long trip.

Rejoice and Eat Heartily...

It's THANKSGIVING in America!

Of all the days in the year, Thanksgiving is most important from the standpoint of food. It's a tradition that on that day every American household shall sit down to a feast representing the fruits of our efforts . . . and our humble thankfulness.

Cooks throughout the land endeavor to serve the very best meal they can produce, and none of the ingredients, none of the items on the menu can be too good.

Throughout "Magic Valley" BUTTER-KRUST BREAD will be among the foremost items included in the Thanksgiving Day spread, because BUTTER-KRUST enjoys a popularity second to none in this territory.

Naturally the makers of BUTTER-KRUST are thankful that their product enjoys such an enviable distinction. They are proud to know that BUTTER-KRUST is rated "the best."

THIS YEAR, more than ever before in our nation's history, the American people will sit down to their Thanksgiving Day feasts in a spirit of genuine gratefulness.

With most of the world at war, we have every reason to be thankful that we still enjoy peace. We have a duty, too — that our thankfulness be embodied in our determination to preserve those ideals which gave us Thanksgiving Day.

The bounty of American fields and farms, the productivity and skill of American machines and factories, the resources and creativeness for human welfare of American men and women, are our greatest weapon for the continuation and preservation of the American life — and the true destiny of Thanksgiving Day in America.

As another Thanksgiving Day arrives, we have just finished reaping another harvest, reminding us once more that ours is a land where freedom and enterprise are justly rewarded.

Let us rejoice that we still enjoy that freedom, liberty and happiness. Let us eat heartily in a toast to our good fortune. Above all, let us thank Almighty God that we're Americans . . . and pray that we'll always cherish that rich heritage!

FIRE AT BURLEY DESTROYS HOUSE

BURLEY, Nov. 19 (Special)—Fire Saturday night burned to the ground a house owned by Miss Phyllis Holbrook and occupied by Mr. and Mrs. Buckins.

The house, which burned about 11:30 p. m., is located on an acreage a mile west and half a mile south of Burley.

An overheated range was termed cause of the flames. The house and all its contents were destroyed before any help arrived.

In another Burley blaze Saturday, the fire department was called about 5:30 p. m. to extinguish a fire in a car parked in front of the Burley theater. The machine carried an Ada county license and belonged to Timmer Vesman. Only very slight damage was reported.

'Green Bar' Meet Slated at Burley

BURLEY, Nov. 19 (Special)—Complete plans for the "green bar" conference of Scout leaders which will be held here Friday and Saturday, Nov. 22 and 23, have been announced by Gordon A. Day, executive for the Snake river area council.

The conference will be for those scouts who wear "green bars" in each troop with the exception of assistant patrol leaders. Attending will be patrol leaders, junior assistant scoutmasters, senior patrol leaders, scouts and quartermasters. Burley scouts will provide sleeping accommodations for out-of-town scouts who live too far from their homes to return Friday evening. The Friday evening meal and Saturday breakfast will also be furnished out-of-town scouts by the Burley boys.

A training school for Scouters of the Burley, Blainville, Hatfield River, and Cassia districts will be held at the high school Nov. 20 and 21. A representative from Twin Falls will assist J. H. Pfeiffer, Heyburn, leadership training chairman; Hazel Hale, Oakley; M. W. McLaughlin, Burley district commissioner; and Gordon A. Day, Scout executive.

Thanks Program Given at Burley

BURLEY, Nov. 19 (Special)—Annual Thanksgiving program was given Monday evening at the Christian church with a large crowd greeting the performance of a one-act play given by the Junior department under the direction of Mrs. Curtis Price and Mrs. Donald McClellin.

The young people's choir, directed by Mrs. Alvin Kleinfeld, had charge of the worship service which included prayer by Ted Cochran; a missionary story by Ted Hagman; a solo by Cecelia Hoffman, and a duo by Deltha, Dora and Havnun Sager. Mrs. Donald McClellin played a piano solo, and the intermediate girls sang a song. Readings were given by Marilyn Arbogast, Lois Cochran and Lois Dick. Beverly Cochran played an accordion solo.

AMERICAN INDUSTRY PRODUCTION PASSES BOOM PEAK

FURTHER CLIMB EXPECTED DURING WINTER MONTHS

WASHINGTON, Nov. 19 (AP)—American industry, measured in terms of production, has climbed to the 1929 peak level.

Government economists expect a further rise as the spending of defense billions gets under way this winter.

But on the other side of the economic picture unemployment is still a major national problem. The deficit has reached an all-time high; there are prospects of a further debt increase, and at least 17,350,000 people were being supported by federal, state and local relief checks.

These were the highlights of the economic situation in the U. S. A. as gleaned today by the United Press from government and private statistics.

Industrial production in October of this year reached a record high of 128 on the federal reserve bank's adjusted index (1925-29 equals 100). That compared with 125 in September, with the previous record of 124 set in October of the closing month last year and with 121 in October, 1939.

Young living costs, computed for September, 1940, were below those for the pre-depression boom-year.

AROUND the WORLD

By United Press

VICHY, France—Adolf Hitler has agreed to the liberation of 30,000 French soldiers interned in Switzerland and will grant "leaves of absence" to many in German prison camps, the government announced today.

LONDON—The air ministry said today that despite bad weather, British bombers last night attacked a synthetic oil plant in Leuna, Germany, causing several large fires at the northern end of the target.

FERRY SOUND, Ont.—Provincial and federal authorities sought today to determine cause of an explosion last night that killed three men at a government munitions plant at Nobel, seven miles from here.

TOKYO—The newspaper Yomiuri reported today from Bangkok, Thailand, that Thai and French Indo-Chinese troops had begun fighting since Nov. 16 in the Mekong river jungles of southeast Thailand.

ROME—The official Gazette published a communique today saying that henceforth Greece must be regarded as "an enemy nation."

MONTEVIDEO, Uruguay—A cabinet crisis appeared almost unavoidable today because of the national Hererista party's opposition to Pan-American naval bases in Uruguay.

BERLIN—Italian bombers, co-operating with the German air force, "successfully attacked" an English coast town yesterday, the German high command said today. The communique said there were no air losses on either side yesterday.

SAN FRANCISCO—Settlement of the six week steam schooner strike was delayed today by failure of the sailors' union of the Pacific to act on the latest proposal of the Nipponers' association of the Pacific coast.

In HOLLYWOOD Today

By United Press

Actress Carol Kean, who went to Europe 10 years ago to be a school teacher but became a stage and screen success instead, said today she would not return to Germany for \$50,000.

"That's not idle chatter, either, because whenever she should choose to return, 100,000 German marks await her."

"Believe me," she said, "it's worth 100,000 marks just to go back in the good old United States—you couldn't drag me back over there at any price."

Mrs. Constance Bracken, wife of Comedian Edward Bracken, was recuperating in Redlands community hospital today from injuries suffered in a three-automobile collision yesterday shortly after she and Bracken had left Hollywood for a vacation trip in the east.

Funeral services will be held next Friday for Mrs. Myrtle Aahon, 60, a veteran actress who died yesterday after a long illness.

It was "love at first sight" when Chester Morris, film actor, met Mrs. Gillian Kraton Barker, New York socialite, Morris said when they filed notice of intention to marry yesterday.

Morris, in applying for a marriage license, gave his age as 30. He was divorced a year ago by Mrs. Eunice Morris. Mrs. Barker, who said she was 29, is a former wife of Duncan McDermitt, Beverly Hills sportsman, and Dr. Michael Barker of San Francisco.

Juan Bermudez, a Spaniard, was the discoverer of the Bermuda Triangle early part of the sixteenth century.

Educational Help Given 540 Idahoans Under NYA Program

More than 150,000 young people, including 540 in Idaho, are being enabled to continue their education in the nation's colleges and universities during the present academic year through jobs provided under the college and graduate work program of the National Youth Administration, it was announced here today by I. Q. Wood, district representative with headquarters at Boise.

Colleges and universities have been assigned employment and fund quotas on the basis of 9.47 per cent of the total number of resident undergraduate and graduate day students, 18 to 24 years of age inclusive, enrolled as of August 1, 1939 and carrying at least three fourths of a normal schedule.

Average \$13.48

Figures compiled as of April, 1940, show that the NYA paid an average monthly wage of \$13.48 (over 120 million) to college and graduate students participating in the program. The average wage of the undergraduate students was \$13.25 a month while that of the graduate students was \$21.78.

Undergraduate college students are permitted to earn an amount established by local authorities, between the minimum of \$10 a month and a maximum of \$20, while graduate students may earn from a minimum of \$10 to a maximum of \$30.

Young people between the ages of 18 and 24 inclusive, who need assistance in order to continue their education are eligible for employment in the NYA college and graduate work program, which operates in non-profit making, tax exempt, bona fide educational institutions. Officials of such educational institutions have the responsibility of selecting the students and for planning and supervising their work.

Work to which students are assigned includes research and labora-

Idaho Figures

Figures for the academic year 1940-41 showing student quotas, as well as monthly and yearly allotments, follow:

Albion State Normal school: 36 students; \$540 monthly allotment, and \$4,860 yearly allotment.

Boise Junior college: 32 students; \$480 monthly allotment and a yearly allotment of \$5,760.

College of Idaho: 36 students; monthly allotment \$570, yearly allotment, \$5,130.

Leviston State Normal: 38 students; \$570 monthly allotment; 45, 130 yearly allotment.

North Idaho Junior college: eight students; \$120 monthly allotment; \$1,080 yearly allotment.

Northwest Nazarene college: 27 students; \$365 monthly allotment; \$3,645 yearly allotment.

Ricks college: 28 students; \$420 monthly allotment; \$3,780 yearly allotment.

U. of I.

University of Idaho, Moscow: 237 students; \$355 monthly allotment; \$43,195 yearly allotment.

University of Idaho, southern branch, Pocatello: 90 students; \$1,440 monthly allotment; \$12,960 yearly allotment.

A report of the annual allotment of the various states shows Idaho to be ahead of several so far as allotment is concerned. Annual allotments of some of the states follow:

Astoria: \$10,450; Arkansas: \$13,500; Maine: \$68,580; Montana, \$71,145; Nevada, \$11,070; New Mexico, \$32,585; and Wyoming, \$24,435.

Greatest yearly allotment goes to California, this amount being \$1,160,940.

SO. IDAHO URGES CHANGES IN LAW

BURLEY, Nov. 19 (Special)—Members of Southern Idaho, Inc., a local regional Chamber of Commerce, today were on record as favoring "serious consideration" of two major proposals by the next session of the state legislature.

The suggested legislation was in the form of resolutions adopted last night during the session held here.

Initial suggestion was that legislation be provided which would "stagger" the terms of elective officers of cities of the second class in order that a "complete turnover" of such officials would not be possible at the time of election.

Income Tax Credit

Second suggestion was that those who pay state income taxes be allowed to take credit on state taxes for income paid to the federal government.

Through another resolution, following their suggestions to the legislature, members also showed they favored state funds for developing Idaho's scenic and agricultural advantages and opportunities.

The outgoing president and the current officials were authorized to set up an executive board which will handle important business which might arise between general meetings. The provision was made after such a move had been suggested by

J. H. Harris, immediate past president.

Dwarshak Speaks

Speaking briefly at last night's session on the topic of reclamation was Rep. Henry Dwarshak. He discussed, among other things, the Grand Valley project on the south fork of the Snake river. He said that this should be reported for action by congress the first part of next year.

Presiding last night for the first time was Donnie Sullivan, Twin Falls, recently elected president. The December session will, in all probability, be held in Twin Falls.

WARNING

TOKYO, Nov. 19 (Special)—Red and black posters warning, "Perhaps Against America," appeared throughout the city today.

The posters read, in smaller type, "listen to the bell on the eve of the 'World War.' They were especially numerous in a vicinity of the United States embassy.

The National Patriotic party had put them up during the night. Newspapers, meanwhile, assumed the United States and Great Britain in connection with rumors that they had signed a secret military treaty with Thailand (Siam).

ACCUSED ROBBER PAIR BOUND OVER

Waiving a preliminary hearing, two men charged with the armed robbery of Sawyer's barbecue last Thursday night, had been bound over today to answer in district court.

The two, Albert Edward Munz, 26, Long Beach, Calif., and Albert Claiborne Evans, 22, Los Angeles, waived the hearing as they were brought before Probate Judge C. A. Bailey yesterday afternoon. Unable to furnish bonds of \$1,000 each, they were remanded to custody of the sheriff and placed in the county jail to await the district court arraignment.

A woman Mrs. Tina Evans, 21, who was also charged with participation in the robbery, police officers believing she was waiting in the stolen car while the two men are alleged to have used for the getaway, asked for preliminary hearing and Judge Bailey set this for Saturday afternoon.

She will remain in the county jail until preliminary time.

Police allege the two men entered the barbecue and that one of them fired a shot over the head of E. L. Kramer, owner, before forcing him to register the \$30 which was in the register at the time. Five customers were also in the place, but they were not harmed. A description of the two men, furnished by local police, led to their arrest in Pocatello less than 48 hours later.

The Druids feareded mistletoe as an antidote for all diseases.

Thanksgiving Assembly to Hear Stephan

In charge of the Girls' league the annual Thanksgiving assembly for Twin Falls high school will be given Wednesday morning at 10:30 o'clock. Special guest speaker will be Frank L. Stephan, local attorney.

The program will be opened with the salute to the flag, led by Miss Helen Thomas, student body president. "Chopin Nocturne" will be played as a violin solo by Miss Melba Holmes.

Rev. H. G. McCallister of the local Methodist church will lead the group in prayer and a tribute to the flag will be presented by Miss Adda Mae Bracken, Girls' league president. Group singing will be led by Miss Eva Dunagan, high school instructor, with piano accompaniment by Miss Patricia Smith.

Arrangements for the assembly are in charge of the vice-presidents of the league, Miss June Daniels, Miss Olive Wells, Miss Margaret Vasquez and Miss Pauline Moses.

Actor Will Wed

HOLLYWOOD, Nov. 19 (AP)—Film Star Chester Morris today filed notice of intention to marry Mrs. Gillian Kraton Barker, 22-year-old New York society woman.

The actor said they would be married Nov. 30 at the home of Actor Frank Morgan. It will be the second marriage for Morris and the third for Mrs. Barker.

ITALY REPULSES ISLAND ATTACK

ROME, Nov. 19 (AP)—An enemy attempt to capture the island of Gaidaro, in the Dodecanese group, was repulsed "by prompt action of Italian land, sea and air forces," the communique of the high command said today.

Gaidaro is 10 miles south of the Greek island of Samos and the nearest of the Dodecanese islands to Samos. A detachment from Athens today said a band of 15 Amos volunteers, headed by a Dr. Vergis, went in a small motorboat to an uninhabited island of the Dodecanese group yesterday afternoon, attacked the Italian marine port guard, killed a petty officer and three sailors and took three Italian carabinieri prisoners back with them to Samos to exhibit as war prizes.

The communique gave no details of the attempt on the island but it was generally believed here that British forces, probably in conjunction with Greeks, had tried to effect a landing party from British warships.

Nielson Chosen As Appeal Agent

BOISE, Nov. 19 (Special)—Change in the government appeal agent in the Cassia county draft set-up was announced here today by Gov. C. A. Bottolfsen. Adonis H. Nielson takes the place resigned by Arthur C. Dunn.

Felony Barrier To Army Draft

WASHINGTON, Nov. 19 (AP)—The war department said today that selective service trainees found to have been convicted of a felony prior to their induction will be discharged immediately. The ban likewise will apply to those on parole or probation.

Services Set for Chain Store Head

NEW YORK, Nov. 19 (AP)—Funeral services will be held tomorrow for Claude W. Kress, 64, retired president of S. H. Kress and Co., chain store system, who died yesterday.

Kress was born in Blainington, Penn. At 17 he and a brother became partners in a store in Nanticoke, Penn. It developed into a system of 241 stores in 29 states.

AMERICANISM

Posters given by the United Spanish War Veterans, department of Idaho, are being displayed in offices and school rooms of Twin Falls high school and Junior high school. The project is being carried out over all the state of Idaho.

The posters carry out a patriotic theme and are titled "Americanism."

Message on the posters is "Americanism is an unflinching love of country, loyalty to its institutions and ideals; eagerness to defend it against all enemies; undivided allegiance to the flag, and a desire to secure its blessings of liberty to ourselves and our posterity."

Some of the classes are memorizing the words as a class project.

THERE CAN BE NO REAL THANKSGIVING ...without Moderation

IN A WORLD aflame with destruction, deception and slavery, let us give thanks for our freedom. Against Europe's moral excesses, let us treasure our own deliberate self-control in thoughts, words and deeds.

But let us remember that the responsibilities of Democracy begin in the home... that a man unwilling or unable to treat privileges, such as fine whiskey, as luxuries to be enjoyed in wise moderation... is unfit to help hold aloft the torch of Freedom... is unworthy to share in the blessings of our democratic way of life.

Fine food and fine whiskey are contributions to the art of gracious living to be enjoyed with good judgment. For without moderation in all things, there can be no lasting happiness for nations or for individuals... no real Thanksgiving for country or for home.

On this Thanksgiving day of 1940, let us eat and drink with gratitude and good cheer... let us give thanks for the health and joy of those near and dear to us... and let us insure away more such happy holidays through personally demonstrating moderation in the luxuries that are ours.

Social Clubs-Lodges

Exhibit Applauded for Exquisite Workmanship

One of the joys of handcraft as a hobby is that it can be shared with others. Concretely illustrating the beauty of things handmade, three Twin Falls women this afternoon arranged a display of rugs and quilts this afternoon for the meeting of the Home and Garden department of the Twentieth Century club, bringing the items from their own homes and those of friends.

The exhibit was arranged at the Idaho Power company auditorium by Mrs. W. F. Zahn, Jerome; Mrs. Barbara St. Cliff, Mrs. Amanda Kautz and Mrs. F. R. Lawson, in cooperation with Mrs. R. L. Graves, department chairman. Mrs. Guy Simonds accompanied Mrs. Zahn from Jerome.

The exhibit might have been an object lesson in achieving a "house beautiful."

Talent Rewarded

Conventional and floral patterns, fashioned of yarns in perfectly blended colors, formed the basic rug display of Mrs. Zahn, who told interestingly of how she acquired her collection.

Several years ago the late Mrs. Helen Tourtelotte, known equally well in Twin Falls and Jerome, taught Mrs. Zahn to make hooked rugs from yarn.

When she returned to Chicago to be identified with Marshall Field and company as an apartment supervisor, Mrs. Tourtelotte remembered the expert manner in which Mrs. Zahn hooked rugs, and here's what happened:

As new rug patterns were originated, the Chicago firm sent two patterns to Mrs. Zahn to be made up, one to be returned to them for display, and one for her to keep.

Mrs. Lawson, whose nimble fingers are so apt at many crafts, displayed a group of hooked rugs which she has made for her recently completed home.

Collection of Quilts

Mrs. Stuebel displayed two of her own quilts, "the flower garden," which won a prize at the Twin Falls county fair two years ago and Pler and "the patch in a nine patch" quilt, complicated-sounding, but extremely beautiful.

Deep orange-berried bittersweet in a crystal bowl brought nostalgic memories of "back home" to many of the ex-middlewesterners who attended the annual dance of the Good Will club last evening at the American Legion Memorial hall.

Sent from Iowa, it brightened the punch table over which Miss Betty Thompson, Miss Charlotte Thompson, Miss Valeria Gates and Miss Ruby Mae Bell presided last evening.

Contrasting colors were evidenced in the chrysantheums which formed background decorations.

Approximately 126 couples danced to music by Glen Bates and his orchestra.

Mrs. Shakel Carr was general chairman of arrangements. Mrs. O. A. Gates was in charge of the refreshments committee.

The affair was informal, and was arranged for members of the club, their husbands and invited guests.

Delphians Study Works of Ruskin

Life and works of John Ruskin were discussed by members of Zeta Phi chapter, Delphian society, Monday afternoon in the parlors of the Farmers' Insurance building.

Mrs. Robert Bennett was the leader, assisted by Mrs. A. A. Boston, Mrs. H. A. Ball, Mrs. George Ward, Mrs. Harold Lackey, Mrs. O. O. Hall, Mrs. C. M. Gordon, Miss Clara Hill, Mrs. Charles B. Beymer, and Mrs. E. J. Biepp-Ken.

Mrs. George Duhler gave a talk on Ruskin as a "word painter."

All persons interested in any phase of "Little Theater" work are invited to attend a general meeting today at 8 p. m. at the Highland ballroom. A cast will be chosen for "Kiwana Cavalcade," to be presented Nov. 29 for the Kiwanis club ladies' night, and makeup and stage assignments will be made for the play, "What Every Woman Knows," to be presented Dec. 5 and 6.

When Colds Go Down

Get After Distress Improves Vicks VapoRub

If a cold has "gone down" causing coughing, muscular aches, or irritation in upper bronchial tubes, use Vicks VapoRub. The vapors can do you!

With this more thorough treatment, the positive vapor action of Vicks VapoRub more effectively penetrates the passages with soothing medicinal vapors. STIMULATES chest and throat. Relieves difficulty of breathing. Starts relieved pleasurable. Starts relieved pleasurable. Starts relieved pleasurable. Starts relieved pleasurable.

TO GET A VapoRub Massage: Apply VapoRub to the chest and throat. Rub it in thoroughly on the chest and throat. Rub it in thoroughly on the chest and throat. Rub it in thoroughly on the chest and throat.

Challenge Ice Cream

CO-OP CREAMERY

'Closed Door' to Be Presented by M.I.A. of Stake

Twin Falls stake M. I. A. of the Ladies Aid Society has chosen "The Closed Door," by Joseph Carleton, as the annual drama, to be presented early in December for the close stake at the L. D. S. recreation hall here.

Mrs. Laella Trisley will direct the production. This is a churchwide production recommended by the general authorities of Salt Lake City, as one of the year's better plays.

It is a fast-moving drama, presenting a picture of family life under the strain of secrets and politics according to them in charge.

The family is ruled by a dominating grandmother while on earth, who returns in spirit to continue to govern them until each member of the family makes a satisfactory adjustment to life.

It is an appropriate play for the month of December, since the theme deals with the power and influence of the church as guiding force in life.

Calendar

Highland View club will meet Wednesday afternoon at the home of Mrs. Betty Sturgeon.

Baptist Missionary society will meet Friday instead of Thursday at the bungalow for a 1:30 p. m. desert luncheon.

Mountain Rock Grange will meet Wednesday evening at the Community church and elect new officers. The charter will be draped in honor of William George.

Washington Parent-Teacher association will meet today at 8 p. m. at the school house. Part of the program is being arranged by the Patrol Boys and will reflect the theme, "The school's part in developing citizenship."

J. U. club of the Royal Neighbors will meet Wednesday at 1 p. m. for the annual Thanksgiving dinner at the home of Mrs. Blanche Beath, 1828 Eleventh avenue east. Members are asked to bring table service.

Evening Session For Delta Gamma

Members of the Delta Gamma Alumnae association attended the initial evening meeting of the group last night at the home of Mrs. Robert M. Reese, 305 Terrace drive.

Mrs. Arthur O. Hill, of the production unit of the Twin Falls county fair, will be present at the December meeting, and will launch the group on the sewing project, it was announced.

Mrs. Cecil Jones will be hostess at that meeting.

Bridge was the diversion of the evening, and refreshments were served.

St. Edward's to Give Card Party

St. Edward's Parent-Teacher association will entertain at the third of a series of benefit card parties this evening at 8 o'clock at the parish hall.

A door prize will be presented, and awards for bridge and pinocle will be made. Refreshments will be served.

Mrs. Rosa Gandaglia is chairman of arrangements, and will be assisted by Mrs. Jack McKinley, Mrs. William Maloney, Mrs. Rose Campbell and Mrs. L. E. Fluk.

Alumnae of Alpha Phi Planning Benevolence

Christmas projects of the Alpha Phi Alumnae association were outlined at a meeting of the group yesterday afternoon at the suburban home of Mrs. Tom Alworth. She and Mrs. Frank J. McAtee were co-hostesses.

Needy families will be aided at holiday time, and with that in mind, the group will have a sewing session next Monday afternoon at the home of Mrs. John Wagner.

Bridge was played during the afternoon, and tea was served at 6 o'clock, the hostesses presiding at the services.

Feetings arranged in the form of a duck, formed a novel centerpiece for the tea table. Lighted tapers completed the table setting.

'King Neptune' Reigns at Unity Club Travelogue

Twenty women were initiated into the "Boleyn Mysteries of the Ancient Order of the Deep by King Neptune Rex" when they took an imaginary cruise across the equator to points in South America at the "King Neptune Unity club" last week.

The luncheon was served at the home of Mrs. J. P. Sweet, and the ceremony was witnessed by His Majesty's scribe, Davey Jones. Mrs. Carl officiated as the King of the Sea. Mrs. H. T. Blake had charge of the program, discussing similarities between North and South America. At the end of the evening, the club will take a "trip to Brazil."

Mrs. Ernest Tucker, Twin Falls; Mrs. W. D. Bliters and Mrs. Charles Treier, Eden, were guests of the club. Mrs. John Summers presided at the luncheon, when presentations were made for a Christmas party to be held Dec. 11 at the home of Mrs. Sam Gamble. Names were drawn for the gift exchange.

Mrs. John Zurovski was named secretary to fill the vacancy created by the resignation of Mrs. Lloyd Newland. Mrs. Stella Burt, Mrs. Lena Dosselt and Mrs. Mable Dosselt will be in charge of the program for the Christmas meeting.

New Sophomores Feted at Party

In honor of the new girls of the sophomore class of Twin Falls high school, a party was held last evening at the home of Mrs. Rose M. North, dean of girls at the high school. Thirty-six girls attended the party including 12 new members, officers of the sophomore unit of the O.I.U. league and members of the student organization.

For entertainment, the girls played bingo for prizes and refreshments were served with Miss Betty Ann Thometz in charge. Business meeting was conducted by Miss Margaret Robertson.

Special guests for the occasion were Miss Josephine Throckmorton, sponsor of the group; Miss Adda Mae Bracken, league president, and Mrs. Helen Thomas, student body president.

New sophomore girls are Miss Grace Burdick, Miss Elizabeth Higgins, Miss Dorothy Kephart, Miss Laura McCabe, Miss Betty Ann McDonald, Miss Jean Foyner, Miss Myra Ann Robertson, Miss Joy Smith, Miss Ruth Adele Smith, Miss Shirley Ann Way, Miss DeLoe Winter and Miss Marianna Pysler.

Twin Falls Pair Will Dine With Mickey Rooney

(By J. D.)

And with whom will you be dining this Thanksgiving? Mr. and Mrs. E. K. Anderson, of route 1, Twin Falls, will be in the illustrious company of Mickey Rooney, notable imp of Hollywood. Mickey is the cousin of Mrs. Anderson.

They left early this week for Los Angeles to have Thanksgiving dinner with Mickey, favorite son of the "Hardy Family," and his parents, Mr. and Mrs. Fred Pankey.

Remembering him from the "old days" when I interviewed him on the canal bank at the Anderson farm, I'm wondering if he'll playfully ram the turkey wishbone down the throat of one of his guests. But they say he has matured since then—and has even become a song writer.

When Mr. and Mrs. Anderson return in two weeks from the coast, they will be accompanied by Mr. and Mrs. W. H. Pruitt, parents of Mrs. Anderson.

The Pruitts, residents of Kansas City, will visit here en route home from California, where they have been visiting.

Sisters Share in Birthday Honors

Mrs. Jack McKinley entertained Sunday at a party in honor of her daughters, Christine and Renie, whose birthdays were Saturday and Monday.

Games entertained the children, prior to the opening of gifts. Refreshments were served to 29 children at a large table. There were two lighted birthday cakes.

Guests included Barbara, Patty and Tommy O'Halloran, Laura Lee and Marilyn Chaney, Joe and Janice Seidel, Shirley and Donny Davis, Joy Florence, Donna Whitmore, Ronald Kiefer, Eileen Loring, Arthur Florence, Harlene Gambel, Larry Drexler, Larry and Bobby Drexler and Don McKinley.

Mrs. Betty Gambel assisted the hostess in entertaining the children, and in serving refreshments.

Pre-Thanksgiving Dance Arranged By Men of Parish

Annual Thanksgiving ball sponsored by the men of St. Edward's Catholic church, will be held at the hotel next Monday, Nov. 25. It is expected that the largest attendance of the year will pack the dance floor at Radioland, as hundreds of tickets have already been purchased.

Special attractions have been arranged to add interest to the evening's festivities.

Will Wright's nine-piece orchestra will furnish the music.

Mrs. Merle Stoddard's dance puppets will appear in a floor show, adding to the general merriment of the occasion.

COUPLE UNITED AT BAPTIST PARSONAGE

Miss Margaret Lou Hays and Alford George, both of Filer, were united in marriage this morning at the Baptist parsonage.

Rev. Roy E. Barnett, pastor of the Twin Falls Baptist church, officiated, reading the marriage service at 10:30 o'clock.

The couple was unattended. Mr. and Mrs. George will live in Filer.

Axis Spokesmen Call Balkan Leaders to Conference

PLOT LOOMS TO LINE UP NATIONS FOR NEXT MOVE

The German and Italian foreign ministers went to Vienna today and summoned the officials of pro-Axis Balkan countries there for a conference.

An attempt to line up Hungary, Rumania, Slovakia and possibly Bulgaria with some new diplomatic move appeared in the making.

DNB, the official German news agency, disclosed in Berlin that German Foreign Minister Joachim von Ribbentrop and Italian Foreign Minister Count Galeazzo Ciano arrived in Vienna this morning. Ciano and Spanish Foreign Minister Ramon Serrano Suñer conferred at Salzburg yesterday with Adolf Hitler and Ribbentrop and DNB reported last night that Hitler and Ribbentrop had gone to the railway station to see Ciano off, giving the impression that he had gone home. But today he turned up in Vienna, Ribbentrop with him.

Arrive in Vienna

It was announced in Budapest that Hungarian Premier Count Paul Teleki and Foreign Minister Count Stephen Cakely were arriving in Vienna tomorrow at the invitation of German officials. Budapest also understood that high officials of Rumania and Slovakia would be present and that Germany and Italy were going to suggest that all small nations friendly to the axis join in the German-Italian-Japanese alliance, thus acknowledging the "new order" the axis seeks to create in Europe.

Hungarian reports said Jugoslavia was not to be represented and it was evident that Turkey was taking no part in it. Slovakia was included by virtue of being completely within in the German orbit, but Hungarian reports said there might be another motive in inviting Slovakia representatives — that Slovakia was threatening to expatriate the lands of Hungarian settlers in Slovakia affected by the Vienna awards of 1938, when Czechoslovakia was partitioned.

"New Political Order"

Information made available to the foreign press in Berlin said the conference last week-end between Hitler and King Boris of Bulgaria had dealt with "the new political order in Europe."

Bulgaria evidently had been approached. The Bulgarian government announced last night that King Boris had just returned from a secret and "private" trip to Germany, where he conferred with Adolf Hitler Sunday. Bulgarian newspapers today commented on the king's trip but it was noticed that there was no mention of Bulgaria's territorial claims against Greece, which newspapers usually mention at every opportunity.

Forced Stop at Dam Site Fails To Block Flight

Had weather that forced down a Twin Falls airplane at Boulder, Colorado, delay a local trip more than temporarily on a flight to Los Angeles, friends of the fliers said today.

The plane, owned by Glen Jenkins, Sr., was piloted by Lionel A. Dean, Twin Falls flying instructor. Third member of the party was Mr. Jenkins' son, Alvin.

The trio hopped off for Los Angeles Sunday morning. They were forced to stop at Boulder, however, three and one-half hours later when the weather made flying perilous. About noon Monday the skies cleared and the Twin Falls residents were able to continue to Los Angeles.

They arrived in the southern California metropolis in little more than one hour after leaving Boulder.

Also flying to Los Angeles was Jack Wise, another local pilot. He flew a photograph ship which has been in service here for aerial surveys. The pilot of the ship was Dean.

Wise took the plane down to hifi. Wise will return here Wednesday in the ship flown by Dean.

Committee Urges Wider Education for Teachers

Sweeping changes in the educational requirements of Idaho teachers will be made on a gradual basis if the recommendations now before it, Supt. L. A. Thomas, Kimberly, member of the state committee on teacher certification, said this afternoon.

The changes in general would increase the collegiate training required of teachers. They would bring the requirements of the state into line with those of most surrounding states.

Here are the specific recommendations adopted by the certification committee prior to the I. E. assembly at Boise last week:

For elementary teachers—All students seeking training for elementary teacher positions in the fall of 1941 will be required to complete seven terms (three months more than the two years now required).

Second Phase

All students entering in the fall of 1942 will be required to complete eight terms, or two years and six months.

All students entering in the fall of 1943 will be required to complete three years.

For high school teachers—Will be required to have one year above a bachelor's degree, with a minimum of 24 undergraduate and graduate semester credits in education. This would become operative on the following schedule:

By September, 1942, any person entering the high school teaching profession must have 12 semester credits above a bachelor's degree; by September, 1943, 18 credits above a bachelor's degree; by September, 1944, 30 credit hours above bachelor's degree, or must have a master's degree.

Approved Credits

The credits and degree must be approved by the state board of education or the regional accrediting association.

The entire program, Mr. Thomas said, would not be retroactive—it would not affect teachers already in the profession.

The certification committee, he added, has been given an assurance that the state board will approve the recommendations. But the committee felt the program is in line with those of other states.

At the committee meeting, those in attendance included the superintendents from Rexburg, Lewiston, Kimberly; representatives from University of Idaho, U. I. Southern branch, Albion Normal, Riggs college, College of Idaho, Northwest Nazarene college, Boise Junior college, Lewiston Normal, Northern Idaho junior college of Coeur d'Alene.

Consultant on Hand

Special guest was Dr. Alexander, consultant from the teacher training council, Washington, D. C. He recommended a gradual development of the three year educational program for elementary teachers and a gradual approach to a master's degree requirement for high school teachers.

Dr. Alexander also asserted that

WORK NEARS ON CITY STRUCTURE

All preliminaries have been completed for opening of the project which will see construction of a new city machinery and equipment building. It was announced at last night's council session by Mayor Joe Koehler.

The mayor said that he had received word to this effect from Robert Hampton, WPA official with headquarters at Butte. Koehler added that Hampton had informed him that the work would be started at once in order that work could get underway "in the immediate future."

Councilmen also accepted the resignation of C. W. Kelly, city electrician. Kelly, who had been in charge of the city electric system, said that he was resigning to become effective immediately. No comment was made when Councilman Paul Teuber moved that the resignation be accepted.

During the evening a communication was read from the local chapter of the American Association of University Women urging that the council consider installation of a lighting system in front of the library building. If members of the library board urge that the new lighting be installed, councilmen said that the move would be approved.

Only Mayor Koehler, Councilman Leonard Avant and Councilman Teuber were present at the session.

U. S. TERRITORIES' POPULATION GAINS

WASHINGTON, Nov. 19 (AP)—The population of United States possessions and territories gained 20.7 per cent during the past decade, compared with a growth rate of seven per cent for the United States itself, the census bureau announced today.

Excluding the Philippine Islands, where no census was taken, the population of United States dependencies on April 1 was 2,596,445, an increase of 445,422 over the 2,151,023 counted in 1930.

The fastest rate of growth was recorded in the Panama Canal Zone. The total number of persons living under the American flag, at latest count, adds up to 150,362,320. This number represents an increase of 11,922,297, or 8.6 per cent, over the 128,439,999 counted in the last census in 1930. Included in this figure are estimates of 11,836,000 and 13,512,000 for the Philippine Islands.

JOB PROTECTION FOR VOLUNTEERS

The same job protection provided for draftees should be extended to volunteers who step forward for training under the selective service act, the Twin Falls county draft board for area No. 1 was advised today by Capt. Percy A. Lasselie, occupational adviser from state headquarters.

Captain Lasselie's message to Chairman Walter C. Muegrave—and presumably to the heads of the other county draft boards in Magic Valley—points out the provisions for job protection included in the draft act. These stipulate that a certificate of merit is to be issued to each volunteer after he has completed his training to satisfaction of his superior officers.

When this certificate is presented to his employer, the volunteer is to be restored to his former position or to a job of similar seniority, status and pay—provided he is still qualified to do his former duties and has made application for employment within 40 days after completing his army training.

The only exception, Captain Lasselie informed the board here, is in a case where an employer's circumstances may have changed so much as to make rehiring the draft volunteer "unreasonable" or "impossible."

The reemployment provision applies not only to private employers but also to the U. S. government.

Teachers need more teacher-pupil contact training and more community contact instruction. He urged that in early portions of their collegiate work they be given the academic training, and that the contact training come in later phases.

The state certification committee was appointed by John W. Condie, superintendent of public instruction.

Herbalist "Doctors"

South African native herbalists, who are claiming recognition as "doctors," assess scheduled rates of payment for treatments. A cow or \$5 is the usual fee for treating a patient successfully.

CROSS-SECTION

WASHINGTON, Nov. 19 (AP)—The butcher, the baker, and the candlestick maker all want to become G-men.

Director J. Edgar Hoover of the federal bureau of investigation, with his staff nearing the 1,600 mark, disclosed today nearly every occupation and profession is represented. Five G-men are former diplomatic workers; 35 have experience in dramatics; 13 formerly were engaged in religious activities; six were horticulturists; 65 worked in automobile plants; 108 tilted the scale; 38 were in aviation; and seven were business executives.

THE BUY OF KNOWING BUYERS

THE SPIRIT OF 76

by JOHN CLINTON

By nature I am a thankfuguy. Anyone who stumbles onto such a pleasant way of making a living is well to be thankful. But this year I am thankful clear down to my 10%—C's.

I am thankful I can buy all the 76 gasoline I can pay for at a 10% oil station without paying a government-stamped card entitling me to 1 gallon.

I am thankful Mrs. Clinton and I can go to whatever church we like attending on Thanksgiving—and that there are plenty of churches to which we can go.

I am thankful my dog has a big bone to chew; that my neighbor's cat has learned to meow; that my neighbor's back yard; that you folks read these columns with enough self-control to refrain from writing me those what you really think of them. I am thankful for the way the Park Hotel has worked out—for the colorful blue haze that arches the mountains.

I am thankful for a country that is alive, vital, strong and full of folks who are gloriously ready for anything, in thankfulness for every ship that slips down the ways, for every plane that is tried out on the country.

And I'm thankful there are men in the west, as elsewhere, people who put their values, better products and give their patronage to the companies who meet these requirements. For they're the people who stand United Oil Company to great advantage thereby provided me with something to write about.

SPORTS

DARTMOUTH, CORNELL MAY REPLAY CONTEST

Shoshone Routs Hagerman to Clinch Northside Class B Crown

Two Teams Asked To Meet Again In Benefit Game

NEW YORK, Nov. 19 (U.P.)—Possibility that Cornell and Dartmouth might replay their much-discussed "fifth-down" football game at New York after the season ends, today took some of the sting out of Cornell's first defeat in 18 games which followed reversal of last Saturday's 7-3 Cornell triumph.

Richard McCann, secretary of the national sports council committee for celebration of the President's birthday, has wired the invitation to Cornell's director of athletics, James Lynch, and William H. McCarter, Dartmouth's athletic director. The game would be played for benefit of the infantile paralysis fund.

Cornell finished from football's perfect record class yesterday by voluntarily accepting a 3-0 defeat by Dartmouth after admission of an officiating error by Referee Red Friesell that had given the Big Red a victory at Hanover, N. H.

Banquet Ends Gooding's Golf Season

GOODING, Nov. 19 (Special)—Eighty members of the Gooding Country club enjoyed a turkey dinner at Flynn's banquet room Friday evening and witnessed the presentation of the awards for several golf tournaments held this fall. The Hawaiian Serenaders dance orchestra provided background music for the affair.

Jay Farmer, president of the Country club, presided as master of ceremonies and also made the presentations of awards to the winners of the men's tournaments. Mrs. Ralph Fletcher, president of the Ladies' Golf club presented the awards to the women. Former President Fred Craig told briefly of the origin of the club five years ago.

"Trophies were given to the winners in each flight. Earl Beale won the championship flight from Ralph Fletcher, and Welliver Miller won the first flight from Sam Sullivan in the medalist. Three flights were played in the matched play tourney with Earl Beale winner from Wayne Hudsonson for championship honors. E. L. Cramblett winner from Jay Farmer for the president's flight and Welliver Miller winner from Frank Robertson for first flight honors.

Mrs. Robert Lyon won the championship flight from Mrs. Clark Williams and Mrs. E. H. Karel won from Mrs. R. Robertson in the women's flight of the women's tourney.

Presentations also were made of novel sage-brush trophies to Alex Watson for high and low tee for two. These were won at a tournament played in dramatic form.

Mrs. Francis Brehman was winner of a door prize for the evening—the prize being a large dressed turkey.

Arrangements for the very successful affair were made by the tournament committee of Robert Lyon, Fred Vandergraff and Welliver Miller.

Wilson Keeps Chicago Plans Strict Secret

CHICAGO, Nov. 19 (U.P.)—Jimmy Wilson's plans for the Chicago Cubs are strictly private.

"You can't do any dickering if you tell the other guys what you need and how badly you need it," he said, and that was that.

Since he has two years in which to make good on his job, that two years municipal contract the Cubs have offered since 1939 Wilson probably will take his time.

One thing the Cubs already already is that Wilson is a shrewd bargainer.

Stanford's "Wow Boys" Swamp O. S. C.

Climbing their position of Pacific Coast champions, the Stanford Indians beat Oregon State 22-14 for their eighth victory of the season, as they clinched the valued Rose bowl destination. Here the 22-14 for the Beavers gave the "wow boys" plenty of trouble as Duran (28), O.R.C. half, gains 10 yards on a reverse play which launched his team's first touchdown drive. He was stopped by Albert (11), Stanford quarterback, and Duran (28) and Robinson (23) watch their teammate as he is brought down on the 50-yard line.

Here's How Shoshone Clinched "B" Title

Humky Porky McCain, Shoshone's star fullback, is shown here, with the ball tucked in his wrist, going through the wide open spaces for a touchdown, in the fourth quarter as the Indians won the Northside Class B title over Hagerman yesterday at Gooding by a score of 21-0. With the aid of some nice blocking, the Shoshone are rambling 20 yards to a counter in this picture. At lower left that's McCain again packing the ball—this time with a Hagerman player getting a "free ride" as he futtly hangs onto the Shoshone ball packer's sweater.

Seven Seniors Make Trip For Utah Tilt

MOSCOW, Nov. 19 (Special)—Seven senior football men from the Idaho Vandal camp headed southward this morning for the Utah tilt today when Coach Frank Bank leads the Idaho eleven to Salt Lake to meet the University of Utah in a Thanksgiving day battle.

The turkey day appearance of the Idaho club is the second in grid relations with the neighboring school. The Vandal club spoiled a turkey dinner for the Indians by trimming them 16 to 0 on a frozen turf in the Utah capital.

Revenge fell sweet in the Indian wigwam last season with an adroit play on seven plays. However, intercepted pass on the fourth down from the 19-yard line halted that drive.

Mac Expects Colleges to Scout for Cameramen After Dartmouth Affair

By HENRY McLEMOIRE
OKLAHOMA CITY, Nov. 19 (U.P.)—This is a long, long way from Hanover, New Hampshire, but even out here folks are beginning to wonder what Dartmouth plans in honor of the cameramen whose pictures gave the big green team a belated, but nonetheless tremendous, 3 to 0 victory over supposedly invincible Cornell last Saturday.

The more you think of what an upset Dartmouth's victory was, and of what an important part the pictures played in bringing about a reversal of the first verdict, the more you feel that Dartmouth should award the cameramen a medal. In the first place, D. either, but a special one with Laasla, epaulettes, palms. And maybe a letter, as well as for the cameramen.

Entirely Fitting

"This would be entirely fitting if only cameramen were jerseys and buttons. But as they are not, I would like to suggest to Coach Red Blak and Athletic Director Jim Lynch that they enter the complete outfit. The cameramen was wearing last Saturday. Put his topcoat in one case, his pants, vest and coat in another, his shirt, tie and collar in another, and his shoes, socks, and derby in another. After this was done, they could buy the cameramen a new outfit and formally announce that no cameraman wearing an outfit similar to the one retired would be allowed in the Dartmouth stands.

"I can't help but speculate as to the changes in football this including last Saturday is likely to bring about. In the first place, football teams may be expected to start scouting for punning young photographers as well as for tackle, guard and fullback material. Offers of tuition, board and a high school boys who show extraordinary talent in the dark room or have a way with lenses or a natural, easy motion with a tripod. Triple threat photographers who can focus, develop, print and project will be at a premium, and the

Indians Fight Way To 21-0 Victory in Play-off Contest

GOODING, Nov. 19 (Special)—The Shoshone Indians, one of the finest Class B football aggregations in the history of southern Idaho, today had tucked away the championship of the smaller schools of the north side after running rough-shod over a game, but outclassed Hagerman eleven.

The final count was 21-0 for Coach L. T. Dolphin's crew that never lost a Class B contest all season.

Led by Porky McCain, punning fullback, the Indians pushed across two touchdowns in the second quarter—and that meant the ball game right there.

At 10:00 Great Fight

Although the Hagerman lads put up a great fight, they were outplayed at every position, and the bigger Shoshone lads finally wore them down. The tiny Hagerman line, average not much more than 130 pounds in the main, played grand defensive ball. But on the offense they couldn't stop the charging Indian line and the result was their yardage wasn't anything to write home about.

Two pass plays, with McCain heaving the medicine to Albright, Shoshone end, set up both scores in the second quarter after the two clubs had tied through a scoreless first period.

The first one came when, after a time out and a huddle along the sidelines, Shoshone pulled a "sneep" play that caught the Pirates unawares. Albright raced down the sidelines and a 40-yard pass to McCain was good for 30 yards and left the ball on the five-yard line. From there McCain packed the oiler over and then punched the center of the line to make count read 7-0.

Score Again

A short yardage later the Indians scored again—with a 30-yard toss, McCain to Albright, again setting the ball on the five-yard line. From there McCain punched the oiler over and then punched the center of the line to make count read 14-0.

Hagerman Carries Fight

The third quarter saw the Hagerman lads carrying their fight to Shoshone and twice the Pirates worked their way inside the 20-yard line—once when the going was tougher. Sixty-lb. L. T. Dolphin packed the ball most of the way on the latter drive—gaining some 60 yards on seven plays. However, intercepted pass on the fourth down from the 19-yard line halted that drive.

Shortly after the fourth frame opened McCain counted again for the Indians. On three successive plays he packed the ball to the 16-yard line. From there he threaded his way through half the team to count standing up. He kicked the extra point and led the scoring for the Indians at 21-0.

Vandals Map Long Tour For Cage Club

MOSCOW, Nov. 19 (Special)—A tough cross-country basketball barnstorming tour faces the University of Idaho court squad in early December as they strike up in Moscow and head for Minnesota with games scheduled all along the route.

After four games, three of them on the home court, tucked under their belts, Coach Forest Twogood and his men leave Moscow on Dec. 13 for Minneapolis, Minn. Dec. 16, Illinois Wesleyan at Rock Island, Ill., Dec. 17, and Utah in Salt Lake City on Dec. 11. Two nights later they meet North Dakota State at Fargo.

Minnesota, coached by Dave McMillan, former Idaho member, comes on the Vandal itinerary for Dec. 14 at Minneapolis, with Carleton college at Northfield, Minn., Dec. 16, Illinois Wesleyan at Rock Island, Ill., Dec. 17, and Utah in Salt Lake City on Dec. 11. Two nights later they meet North Dakota State at Fargo.

Whitman college at Walla Walla on Nov. 29 opens the season with the Missionaries returning to Moscow on Dec. 4 to complete the series. Gonzaga university of Spokane drops down into the Palouse country for a pair of games on Dec. 6 and 7 to complete the home work before embarking on the eastern trip to Moscow on Dec. 10 to complete the series. Coach Twogood has been working with the largest squad since his arrival in Moscow four years ago. He is keeping mum concerning the power of the Vandals during the coming season, but says, "We'll be tough."

Fight Results

THE SPORT SPOTLIGHT

The worst representative in Pasadena's Rose bowl will not be selected until the Pacific coast conference season closes Nov. 30. Prof. C. V. Ruzak of Oregon State college, conference president, said today.

Tony Zale, former Gary, Ind., steel kid who won the national boxing association's middleweight crown will meet Freddy Apolloni, champion of New York's Madison Square Garden Friday night. It is a tough fight and fight observers think the monthly Lillo may upset the champ.

The "sudden death" system will decide any games that might occur between the two teams in league playoffs between teams deadlocked for divisional leader when the regular 1940 season closes. Under the new rule, the team scoring first after the regular time is over, will be declared the winner.

War-torn area of Norway have received 400 pre-fabricated houses, built by the U.S. War Relocation Authority, and are to receive 800 more.

If photography does take its place in football, there will be one disarming angle. Double feature, already the home of many a movie-goer's life, will become a triple feature. Along with "Purple Heart" will be "Bombs Away," there will be a "Football Game," in which the actual and official score will be announced. All bets on games may be made "upable in the lobby" after the last reel is shown and it has been proved who really won.

Deal for Higbe Excites Brooklyn But How About Poor Old Phillies?

By HARRY GRAYSON
(NEA Service-Sports Editor)

NEW YORK—Brooklyn is excited about acquiring Kirby Higbe from the Phillies for \$100,000 and three nobodies.

Fleishman says figure that with Higbe, swift and D. joining Whitlow Wyatt, Curt Davis and Hugh Casey, the Dodgers will match Cincinnati's pitching staff, and finish on top in 1941.

That's the spirit, but how about poor old Philadelphia, where in recent years the Phillies and Athletics, not to mention the professional football Eagles, have established a record for total number of teams finishing last?

The Phillies' home attendance improved in 1939, and Dr. Thompson Prothro, who was brought from Little Rock as manager, was encouraged.

Doc Prothro believed he had Gerry Nugent talked into keeping stars and building a contender.

At the world series, Prothro threatened to resign if Nugent peddled either Higbe or Hugh Mulcahy, another fine right-hander sought by rival outfit.

Getting Club to Camp Important
But when Prothro discovered that the Phillies didn't even have enough money to draft a player, when they had first choice, he was forced to agree with Nugent that taking the club to training camp was more important than keeping Higbe.

So the Phillies waded up drafting Frank Melton, a preferred pitcher, from Columbus for shipment to Brooklyn.

Miserable weather on big days last season perhaps is the reason for the Phillies having to remain in the business of developing stars for more affluent organizations. They were washed out opening day, and rain and cold kept the customers away from the first two night games, and on July 4.

But out of diluted Baker bowl, and with an equitable deal at Globe park, the Philadelphia National league franchise should be a good one following so many disastrous campaigns.

All that is required is an owner with a bankroll and a little patience. High Class Staff
Since the Philadelphia days of Grover Cleveland Alexander, Bill Killefer and Dave Bancroft, the Phillies have been forced to dispose of ranking athletes in order to get out of the financial hole. Irish Meusel and Dick Bartell went to the Giants.

Chicago is another club which has practically used Philadelphia as a subsidiary, and the Wrights have been smothered more than once in transactions with their rivals.

The Cubs were badly stung when they passed Doph Cammell to the Phils for Hugh Mulcahy. The latter faded out of the big show. The Dodgers gave the Phils \$45,000 and a player for Cammell.

Clark Klein cost the Cubs \$65,000 and three players, but in his third season in Chicago, the Wrights saw the end of the nose-buster back with more money and Fabian Kowalki in exchange for Curt Davis and Ethan Allen.

Had the Phils been able to keep the pitchers they sold they would possess what possibly would be the finest staff in all baseball. Bucky Walters, Hube, Claude Pascau, Davis and Mulcahy.

After all, you've got to pay the rent.

Stanford Players Uncertain on Rose Bowl Choice

SAN FRANCISCO, Nov. 19 (AP)—Only a strictly personal basis, Stanford's blue ribbon football boys apparently want to play either Cornell, Minnesota or Texas A&M...

Checkful of modesty and reticence because they haven't yet received an official invitation to Pasadena New Year's day, some of Stanford's finest football manufacturers indicated the team was divided in sentiment between the Big Red of Kansas, Texas A&M and the Gophers.

FOOTBALL BRIEFS

By United Press
CORVALLIS — Oregon State college game out of the Stanford game without injury, and his hit offensive peak, Coach Lon Stiner said today. He will develop new offensive strategy to be against Oregon in the traditional game of Nov. 30.

SEATTLE — The University of Washington football team leaves tomorrow for Los Angeles to face UCLA in the lone conference game of the week. Center Rudy Mucha, who injured his shoulder against Southern California, is a doubtful starter.

STANFORD UNIVERSITY — Coach Clark Shaughnessy said today he would call his Indians back to practice tomorrow after a two-day rest. He indicated that Albert will do the kicking against California, leaving Norman Standberg to go with Bob Reinhard, California's left tackle.

LOS ANGELES — An injury-riddled Trojan football team couldn't field its lineup against Southern California today in a game which has two weeks to prepare for next game with its traditional rival, the UCLA Bruins.

LOS ANGELES — The UCLA Bruins today were learning more of the real-life college football that proved so effective in their 34-to-26 victory over Washington State last Saturday. They attended the Warrenton school, 170 miles from here, for one day only. To date, she has attended 187 schools in Queensland, New South Wales, Victoria, South Australia, and Central Australia.

ATTENDED 187 SCHOOLS
MELBOURNE, Australia (AP)—Laura McCormick is believed to have attended more schools than any other person in the world. Her parents are caravan entertainers and she attends the school in whatever town the caravan is playing and for the length of its stay there. Recently she attended the Warrenton school, 170 miles from here, for one day only.

Negotiations To Reopen on Ball Club Sale

En route to the winter meeting of the Pioneer league at Pocatello on Sunday, Nov. 21, Owner Bill Ulrich of the Spokane Indians, accompanied by his business manager, A. J. (Monty) Montgomery, will confer in Twin Falls on Friday of this week—and the chances are negotiations will be reopened for the purchase of the local baseball club.

While Ulrich has not yet definitely suspended talk with Prothro regarding transfer of the franchise to that city, it was believed here that he would make every attempt to dispose of the property right in Twin Falls—to assure the retention of the club in a city that built a park and already had the lights for operation of a club with night baseball.

Ulrich has notified Frank Magel and A. B. (Bert) Colwell that he would be present for the conference here on Friday and it is expected that his initial "asking price" of \$7,500 would be pared considerably to meet local demands. However, the new price, if any, has not yet been set.

From here the Spokane baseball men will go to Pocatello and from that meeting they will continue on to the national association convention at Atlanta, which gets under way on Dec. 3.

Surrounded by red and the cowmen, drawn and his gang open fire.

PROBE OF CRASH IN SEVENTH DAY

SALT LAKE CITY, Nov. 19 (U.S.)—An exhaustive Civil aeronautics board inquiry

DROP LOAN BAN, SENATOR URGES

WASHINGTON, Nov. 19 (Special)—Sen. Ellison D. Smith, D. S. C., urged today that the Johnson act ban on American loans to debtor nations be repealed as "quickly as humanly possible" to permit expansion of this nation's farm export trade.

He described the Johnson act as embodying a "food policy" that strangles any possibility of expanding foreign trade. Smith, dean of the senate and chairman of the agriculture committee, did not discuss repeal of the Johnson act in relation to the sale of war and munitions to Great Britain and other countries.

There had been some agitation to relax the Johnson act to permit the sale of credit to Britain. However, even if the act were repealed the "cash-and-carry" provisions of the neutrality law would prohibit credit sales to Britain or any other recognized belligerent.

Murtaugh Seniors To Present Play

MURTAUGH, Nov. 19 (Special)—Seniors of the Murtaugh high school have chosen the annual play, "On the Bridge at Midnight," an old-time melodrama in three acts, by Bruce Brandon.

The cast includes Francis Tru, Corina Savage, Maxine Caster, Claire Perkins, George Anderson, Vivian Hestbeck, Leah Egbert, Dorinda Hogue, Leora Rose, Lorna Davis, Robert Lee, Donald Bronson and Gordon.

John B. Darling will coach the play and Dennis Peterson and Ralph Thornion will be promoters.

EDEN

Mrs. Marie Odum, Welser, department president of the Ladies of the G.A.R., met Wednesday with Lincoln circle for luncheon at the home of Mrs. Elizabeth McNeer. Mrs. Odum told of the national convention at Boise, Id., which she attended recently. Other guests were Mrs. Estelle Fuller, Crouch, past department president and Mrs. Helen Beebe, luncheon past department president. Mrs. Odum and Mrs. Fuller were Tuesday evening guests at the home of Mr. and Mrs. L. W. Beebe.

Ladies Aid society of the Presbyterian church met Thursday at the home of Mrs. Leo Rogantine, with Mrs. Rogantine presiding at the business meeting. Mrs. Allen Gordon had charge of the social study and read a Thanksgiving poem. Reports of Presbyterian which met the past week in Jerome were given by Mrs. Gordon.

Eden P.T.A. met Thursday in the high school auditorium. Plans were made to hold the grade school's annual Christmas opera Dec. 19. Mrs. Leo Wright had charge of the program. A number of pep songs led by Miss Hudson and accompanied by Mrs. Wright were sung by the group. Piano solo was played by Miss Hudson and a quartet of teachers sang a number of songs. Games were then enjoyed after which refreshments were served by Mrs. Gordon, Newberry, Mrs. Curtis Metcalf and Mrs. Carlos Knifong.

Allen Gordon left Wednesday for Holton, Kan., where he will visit his mother for several weeks.

Mrs. A. M. Shafer, Boise, is here visiting Mrs. Hattie E. Lyons.

Ercel Tillman, San Francisco, is visiting at the home of Mr. and Mrs. Ed Reynolds. He is a nephew of Mr. Reynolds.

Mr. and Mrs. Tom McClure and family are moving to the B. E. Gordon ranch where they will be employed.

Filer Grangers Feature Idaho

FILER, Nov. 19 (Special)—Eighty people attended the Filer Grange Idaho products dinner given Friday evening at the Orange hall.

The dinner was served family style at long tables decorated with pumpkin coaches filled with fruit. Turquoise made of pine cones were interspersed with ribbon ties to the coaches. Orange candles in crystal holders completed the table decorations. Chrysanthemums decorated the hall.

Carl Leonard was toastmaster for the program. Hazelton, is one of the six women that are regularly practicing arguing on the women's league at Walla Walla, Wash., where the women's team will meet Whitman college and Washington State college in Washington debate. The men's variety squad will meet Washington State at Pullman the following week-end.

Dr. E. D. Hester, Hazelton, is one of the six women that are regularly practicing arguing on the women's league at Walla Walla, Wash., where the women's team will meet Whitman college and Washington State college in Washington debate. The men's variety squad will meet Washington State at Pullman the following week-end.

Practicing the men's question with five other debaters is Vernon Ravenscroft of Twin Falls. The men will debate the question, "Resolved: That the federal government's policy of restricting agricultural production should be discontinued."

STORAGE WATERS AT RECORD HIGH

BOISE, Ida., Nov. 19 (Special)—A record volume of storage water for Snake river reservoirs was indicated today by river measurements. The state report closed with the following statement:

Greatly increased precipitation throughout the state was shown in a comparison of river flow measurements. On Nov. 1, the flow was 464 second feet, and at the same time the first year's record was 464 second feet. If the present ratio continues, the report said, storage for irrigation will be much better than in recent years.

William Fremstad Paid Last Honor

BURLEY, Nov. 19 (Special)—School friends and relatives gathered at the Payne mortuary chapel Thursday to pay final tribute to William Fremstad, Rev. Raymond S. Rees, pastor of the Methodist church, officiating.

Arthur C. Dunn, accompanied by Kathryn Taylor, sang "The Face," and Rev. Rees gave the prayer and sermon. Mr. and Mrs. Joseph P. Payne sang "Sun of My Soul."

Burial was made in the Burley cemetery, with Rev. Rees dedicating grave. Jewell Peacock, Bob Lynch, John Caskill, Henry Dworshak, Ward Dworshak and Ronald Parker were pallbearers.

Mrs. Ethel Schwager and Mrs. Mae Griffith were in charge of the flowers, assisted by Audrey Parke, Lorraine Bremley, Lois Henderson, Helen Caskill and Eleanor Schofield. The Payne mortuary directed interment.

HOLLISTER

O.R.S. met in the Masonic hall Thursday evening. The first dinner was served to 22. Initiation was held. Mrs. Grace Johnson and Mrs. Bula Malone, Mrs. R. E. Moorehouse, Twin Falls, and Mrs. A. Beem, Filer, were guests.

Friends of Mrs. Josie Klumeyer have received word that she is making her home at 104 south 39th street, Omaha, Neb.

Mr. and Mrs. Joe A. Gertler, Wilder, were callers at the A. Caldwell home recently. The Gertler family plan on spending the winter months at Eureka, Calif., in hopes of benefiting the health of some members of their family.

Mr. and Mrs. J. M. Pierce and Miss Doris Dodd, Berger, were Sunday dinner guests of Mr. and Mrs. Jack Miller.

After visiting at the home of his parents, Mr. and Mrs. A. E. Caldwell and other relatives here, Charles L. Caldwell, Hattie Moun-

U. OF I. DEBATERS STARTING NOV. 7

UNIVERSITY OF IDAHO, Nov. 19 (Special)—Idaho variety debate teams will open their schedules Dec. 7 at Walla Walla, Wash., where the women's team will meet Whitman college and Washington State college in Washington debate. The men's variety squad will meet Washington State at Pullman the following week-end.

Dr. E. D. Hester, Hazelton, is one of the six women that are regularly practicing arguing on the women's league at Walla Walla, Wash., where the women's team will meet Whitman college and Washington State college in Washington debate. Practicing the men's question with five other debaters is Vernon Ravenscroft of Twin Falls. The men will debate the question, "Resolved: That the federal government's policy of restricting agricultural production should be discontinued."

Teachers in Trio Of Towns Unite

HANSEN, Nov. 19 (Special)—Organization of an East End Teachers' association was perfected recently when teachers of Kimberly, Murtaugh and Hansen met at the Hansen school building.

Executive presidents of the association were Carl Albertson, Kimberly, Herbert Burgess, Murtaugh and J. H. Doering, Hansen, who will each fill that office when the meeting convenes in his respective town. These three were named to the executive board of the association.

During the meeting delegates were named to the annual Idaho teachers' association, which will hold at Boise, including Leroy Wilcox and Miss Jessie Husted, Kimberly and Lawrence Turner, Murtaugh, and were instructed in school problems to be brought before the body.

Executive secretary of the meeting was Miss Joan Geer.

Following the meeting refreshments were served by Miss Dorothy Wilkey, Kimberly, assisted by Miss Mary Nelson and Miss Mary Harbert.

Why Let Yourself Get Contipated?

Why endure those dull headache days due to constipation, plus the inevitable trips to the medicine chest if you can avoid both by getting at the cause of the trouble?

If your constipation, like that of millions of other people, is "bulk" in the diet, the "better way" is to eat Kellogg's All-Bran.

This crunchy-tasted breakfast cereal is the source of prevention against a host of emergency relief. It helps you not only to get regular but to keep regular, day after day and month after month, by the pleasant means you ever knew.

Eat Kellogg's All-Bran regularly, drink plenty of water, and see if you don't forget all about constipation. Made by Kellogg's in Battle Creek. If your condition is chronic, it is wise to consult a physician.

Chaplin's Film Missing at Sea

LONDON, Nov. 19 (Special)—Charlie Chaplin's "Dictator" was listed officially today as "missing and presumed lost at sea."

The first negative of the Chaplin motion picture burlesque of dictators was given up at last, but United Artists said that two other negatives were en route to Britain on other ships.

Education Week Assembly Given

JEROME, Nov. 19 (Special)—Junior high school pupils of Lincoln elementary school held a special student body assembly Friday as a climax to National Education Week.

Announcing the program was William Bowman, vice-president of the student body. The student body president, Frederick Overfield, gave a talk on the flag, followed by the singing of a group of Japanese songs by Kiyoko Atzawa, Jean Welterhorst and a Thanksgiving talk followed by a song by Wanda Lou and Mary Lois Lynch of the first and second grades.

A play "The Dictionary Drill" was presented by pupils of the 8 A-2. Leads were played by Anna Lou Giles, Donald Ridgeway and James Humphries. Donnie and Babe Daniels also sang a duet, followed by a solo by Maxine Humphries, and a duet by Beesie Wigham and Dorothy Snow. Directed by Sybil Bayak, the pupils of the fifth grade sang "Beautiful Dreamer," and a piano solo was presented by the class.

A reading, "The Bald Headed Man," was given by Edith Torelli. A violin solo was played by Vernon Achenbach, followed by a reading by Eugene Craig. Miss Elsie Irons, accompanied by guitar, offered a group of selections. Miss Virginia Cooke and Mr. Hughes, "Sympathy" and "Trade Winds."

The awarding of 21 football letters was by Clarence Hughes.

Mr. Hughes, who left Saturday for a year's training with the United States navy, was presented with a gift from the flag, followed by the Lincoln school and the pupils of the Junior high school. Hughes' place in Lincoln school, will be filled by Ralph Pink, Malad.

Mr. Hughes was granted a leave of absence for one year by the Jerome school board. He will resume teaching Sept. 1, 1941. According to present plans, Mr. Hughes will sail for Cuba to spend a period prior to being placed with other naval reserve officers at a land training school.

ERNEST MARICLE HEADS GRANGERS

RUPERT, Nov. 19 (Special)—Annual election of officers was the chief item of business at the regular meeting of the Rupert Grange held Friday at the Christian church annex with the master, L. F. Candoux, presiding.

Those chosen were Ernest Maricle, master; Basil Trautman, overseer; Mrs. W. E. Jackson, lecturer; Fred Jewett, steward; Holt Nichols, assistant steward; Mrs. William L. Jewett, lady assistant steward; Mrs. William McHale, chaplain; Mrs. G. Bosse, treasurer; Mrs. H. E. McMillan, secretary. Mrs. George B. Flescher, charter member of the Rupert Grange has served as secretary of the organization for 18 years and was asked to be elected in her duties in this capacity.

C. W. French was selected as gatekeeper; Mrs. Fred Tucker as plank; the three graces, Mrs. William Dwyer, Mrs. H. H. Nichols, Pomona, and Mrs. John West, Flora, L. A. French, George B. Flescher and Frank Eaylor were named as the executive committee.

Join Thought Group

UNIVERSITY OF IDAHO, Nov. 19 (Special)—Three southern Idaho students were pledged recently to Alpha Theta Delta, national contemporary thought honorary. Honored by the "thinkers" were Keith Hamden, Paul; Warren Wetberg, Wendell, and Houston Snyder, Filer.

Red Cross Drive Moves Rapidly

GOODING, Nov. 19 (Special)—Red Cross roll call workers were guests of Miss Olive Hughes and Mrs. Ted Edholm at breakfast Friday morning at the Hughes home. A playlet, "Ringing Doorbells," was presented by Helen Kornher, Anna Mae Harms, Laura Johnson, Donna Mae Hammons and Betty Beaver, girls of the junior class at Gooding high school.

Following the breakfast workers began the campaign for Red Cross members which will continue until Nov. 30.

Mrs. Phillip Kennelott, Jr., who has charge of the roll call in Hagerman, gave a breakfast Monday at her home for Hagerman workers. The playlet "Ringing Doorbells," was presented.

Friday evening \$120 had been collected in the Gooding business district for the Red Cross.

IN A CIGARETTE

THE SMOKE'S THE THING!

THE SMOKE OF SLOWER-BURNING CAMELS GIVES YOU **EXTRA MILDNESS, EXTRA COOLNESS, EXTRA FLAVOR, AND**

28% LESS NICOTINE

than the average of the 4 other of the largest-selling cigarettes tested—less than any of them—according to independent scientific tests of the smoke itself

WHEN you get right down to it, a cigarette is only as flavorful—only as cool—only as mild—as it smokes. The smoke's the thing! Obvious—yes, but important—all-important because what you get in the smoke of your cigarette depends so much on the way your cigarette burns.

Science has pointed out that Camels are definitely slower-burning (see left). That means a smoke with more mildness, more coolness, and more flavor.

Now—Science confirms another important advantage of slower burning... of Camels. Less nicotine—in the smoke! Less than any of the 4 other of the largest-selling brands tested—28% less than the average!

Light up a Camel... a s-l-o-w-burning Camel... and smoke out the facts for yourself. The smoke's the thing!

"SMOKING OUT" THE FACTS about nicotine. Experts, chemists analyze the smoke of 5 of the largest-selling brands... find that the smoke of slower-burning Camels contains less nicotine than any of the other brands tested.

By burning 25% slower than the average of the 4 other of the largest-selling brands tested—slower than any of them—Camels also give you a smoking plus equal, on the average, to 5 EXTRA SMOKES PER PACK!
