CIO PRESIDENCY GOES TO MURRAY WITH FULL VOTE

By WILLIAM H. LAWRENCE ATLANTIC CITY, N. J., Nov. 22 (AP)—The Congress of Industrial Organizations today elected Philip Murray president by acclamation as its retiring leader John L. Lewis hailed him as "an industrial statesman."

Standing in the spotlight as CIO leader for the last time because he backed a political loss—Republican Presidential Nominee William L. Wilder—Lewis placed Murray in nomination for the presidency with high praise of Murray's accomplishments.

His last served Congress of Industrial Organizations and served well as a legislator, as an administrator, as a negotiator, and as an industrial statesman, Lewis said.

Murray who began work in the coal mines of Scotland before he was 11 years old, will go on the air tonight to outline to the nation his program as CIO leader.

His plan was to place in nomination, every delegate stood in favor of Murray.

Lewis then called Murray to the front of the national convention and in an ivory palmed to Lewis in 1926 by the miners' union, and decided he elected president of the CIO.

Hungary Joins Axis and War Tremors Shake Balkans

(NEA Radio-Telephoto) At the start of what is believed an Axis drive to sign up all European states, Count Paul Teleki, Hungarian premier, right, and Count Stefan Csisz, center, are shown in Berlin after they agreed upon Hungary in the German-Italian-Japanese alliance. They were greeted here by Joachim von Ribbentrop, left. Picture was flown from Berlin to Vienna, radioed to New York.

Dies Seeks Added Records of Germans, Fascists, Communists

NEW YORK, Nov. 22 (AP)—Organized by the Dies Committee of 30 million, pledged to "help young Americans work for democracy so that democracy will continue to work for America," was announced today by 100 charter members.

Kathleen Paly, executive secretary, said the committee planned to unite 20,000,000 young people between 18 and 25 in a nationwide educational and service program.

Changed was the entire tenor of the convention which heretofore had been portrayed as a model of trades union unity as compared with tumultuous sessions of the Congress of Industrial Organizations.

The first blow at AFL recently was a flat fight from David Dubinsky, president of the International Ladies Garment Workers' union, and Joseph P. Kamp, vice-president of the International Union of Operating Engineers.

CAPITOL REPAIR FORGES MOVING OF LEGISLATORS

By LOUIS J. SCHAEFFLE WASHINGTON, Nov. 22 (AP)—The Senate and House agreed today to transfer their sessions for the remainder of the year to the old supreme court chamber of the capitol and the new house after lighting caucusing room, to permit repairs to the roofs over the two regular chambers.

Former Meeting Place The historic chamber where the Senate met for the first time in 1793, was moved to the second floor of the capitol. It was once the regular caucusing room, but was assigned to the supreme court when the senate moved to its present quarters.

It was the first time this session that the chamber was forced to recess because of a lack of attendance. A motion by Democratic Leader Alben W. Barkley to adjourn the session was carried.

Axis Partner Admits Loss Of Albanian Anchor Post As Greeks Halt Invasion

By BEN AMES ATHENS, Greece, Nov. 22 (AP)—Greek troops entered the important Italian base of Koritzia in Albania, it was stated today, and reported that the new house after lighting caucusing room, to permit repairs to the roofs over the two regular chambers.

Italy admitted today the first Axis setback in land operations since start of the war—loss to Greece of her south Albanian base of Koritzia—and it was believed the Italian reverse brought closer a new major Italo-German offensive in the eastern Mediterranean.

Italy announced Koritzia, anchor of her lines at the south-east corner of Albania, had been evacuated after 11 days of bloodless fighting in which two Italian divisions suffered considerable losses.

EGG PRODUCERS TO GATHER HERE

Annual Twin Falls district membership meeting of the Idaho Egg Producers cooperative will be staged at the Park hotel starting with a luncheon Monday at noon. It was announced here this afternoon by Ralph B. Gowen, Twin Falls, branch manager.

Reservations for 100 guests to be served during the luncheon have been made at the hotel. A business session will follow the luncheon. Assisting Mr. Gowen in the arrangements is Jack Merrill, director, Paul...

Principal speakers during the session will be Earl H. Brockmann, Caldwell, general manager, and Archie Larsen, Weiser, a director. Other officials will also make reports on talks but the bulk of the meeting will be turned over to a general discussion of marketing, producing and associated problems.

Individual announcements have been sent to all members in this territory and Gowen today urged all members to attend and bring their problems or any successful new ideas which they would like to discuss with their fellow members, directors or managers.

A similar session is planned for members in the Pocatello district in the near future, but as yet the date has not been set.

KIMBERLY YOUTH TO FACE CHARGE

Jack W. Arnold, about 22, Kimberly, charged with reckless driving, was to appear before Municipal Judge H. Humphrey this afternoon for hearing on the charge, court records show.

Arnold, released on bond of \$25, was arrested at 1:40 p. m. today, police said. He is alleged to have been driver of a machine which crashed into and destroyed a lamp post at the corner of Shoshone street and Fourth avenue south.

Records of the Idaho Power company show that as a result of the crash into the lamp post all street lights on Shoshone south and Main east went out. Damage to the car, Arnold was driving, was estimated at \$100. He was not injured.

The hearing was set between 2 and 4 p. m. today.

Guests at today's luncheon were Jim Hagans, St. Louis, Mo.; Art Pyle, Charles Devey, and Mr. White, all of the Jerome Lions club.

Fun interlude of the meeting was the humorous introduction given by Harry Alban, Kimberly, by Alton Young.

QUESTIONS GO TO 20 MORE

Twenty more questionnaires went out this afternoon to draft registrants in area No. 1 of Twin Falls county, chiefly on behalf of the War Relocation Authority.

Order numbers 72 to 92, inclusive, will receive the latest batch of questionnaires. Recipients must return their blanks, properly filled out, in five days.

Captain Seaver said that the board here is trying to locate Franklin G. West, formerly of the farm labor camp. Anyone knowing West's whereabouts should immediately have the man communicate with the draft board offices here immediately.

Another registrant also being sought by officials here—but on behalf of the board at Joplin, Mo.—is William Heavner. His last known address was Twin Falls county.

SKI CONDITIONS

Excellent skiing is available today on one of the higher areas at Sun Valley; fair skiing awaits enthusiasts at two other locations near the resort and no skiing at all is possible as yet on the three popular but lower-altitude runs, according to the summary received this afternoon by Fred C. Farmer, Union Pacific freight agent.

The summary from the resort showed:

Excellent—The new college run on Baldy mountain from the top of the lift to the round house. Eighteen inches of base snow; three inches of powder surface.

Fair—Owl and Pioneer creeks.

No skiing—Dollar, Rudd and Proctor mountains.

Canal Board Sets Operation Charge

Members of the board of directors of the Twin Falls Canal company today had set the maintenance and operation charge at \$1 an acre, the same as it was in 1939, officials announced.

The charge is for the 1941 period. Other business transacted by the directors was of a technical nature.

RUMANIA LEADER VISITS BERLIN TO SIGN AGREEMENT

ANTONESCU WILL JOIN AXIS DURING NAZI CONFERENCE

By JOSEPH W. GRIFF, Jr.
BERLIN, Nov. 22 (Special)—Adolf Hitler received Rumanian Premier Ion Antonescu in the presence of German Foreign Minister Joachim von Ribbentrop at the Reich chancellery today.

Antonescu was accompanied by his foreign minister, Luca Sturdza. They came here to line their country up formally with the axis powers.

They were met at the railway station by German Foreign Minister Joachim von Ribbentrop, Marshal Wilhelm Keitel, chief of the German supreme command, and other state, army and navy officials who were housed in Bellevue palace, the "guest palace."

Already Occupied

Although Rumania already is occupied by German troops, Antonescu and Sturdza came to sign a treaty, like Hungary did Wednesday, which would allow German officials to be expected to do next week, accepting the places assigned to their countries during the war and to the "European order" to follow, if the axis powers win.

It was generally understood that Rumanians would sign some kind of a treaty, but whether they would be taken into the axis as "partners," merely assigned a minor role, was not disclosed. Hungary signed a protocol to the German-Italian-Japanese alliance and authorized sources here said it was expected to enter the war if some outside power, "for example the United States," attacked Germany. In such case, Nazi informants said, Hungary automatically would go to war against Britain.

2 Men Disappear Following Threat To Shoot Woman

Police officers today had found no trace of two men who are alleged to have threatened to shoot Mrs. F. E. Pierce, 254 Washington street, after stopping her at an alley entrance and asking her if she carried any money.

Mrs. Pierce told police that she was walking along Washington street and met the men at the alley entrance between Third and Fourth avenues west. The tab men, she asserted, said they would shoot her if she walked past them. After the threat the woman told police the pair came toward Shoshone street on the Truck Lane.

She said one of the men was wearing a mackinaw and cap while the other had on a hat and heavy coat.

BURLEY SEEKING LONGER RUNWAY

BURLEY, Nov. 22 (Special)—At the regular meeting of the Burley city council this week, the members petitioned the Elmer highway district to extend the road along the north boundary line of the present airport in order that the runway be extended.

The extension of this runway 600 feet is necessary to conform with requirements of the government in connection with the grant of airports for national defense. The city recently acquired the land next to the airport and the closing of this road will complete the runway.

The Overland school P.-T. A. petitioned the council for more adequate protection for the school children. A way of pointed pedestrian lanes and markers in the center of the streets. The council assured the P.-T. A. that these lanes would be painted on the pavement at once and that some of the metal signs in the form of a school child would be placed in the center of the street to warn motorists.

An ordinance revising the parking ordinance in the business section of the city was given third reading and was passed.

Councilman J. J. Radloff, who is leaving Burley in the United States army, tendered his resignation, which was accepted.

SERVICES START AT TABERNACLE

Modern streamlining takes over the sawdust trail of Billy Sunday, Dwight Moody and other famed evangelists with opening of a series of services in the "streamlined tabernacle" on Main avenue north Sunday evening.

The unique tabernacle, which has aroused wide attention in Twin Falls, was erected by Evangelist R. J. Kegley, under auspices of the Book and Bible house of Boise.

7:30 p. m. Sunday

Evangelist Kegley's campaign is being sponsored, he said today, by 50 churches of Idaho. Inaugural lecture will be at 7:30 p. m. Sunday, Nov. 24, and services will be held nightly thereafter except Saturdays at the same hour. Next lecture will be "The Astonishing Wonders of the Starry Heavens." This will be illustrated with 60 screen pictures.

"Keynote of my series of Bible lectures," Evangelist Kegley said, "will be an appeal to the mind rather than the emotions, based on interpretation of Biblical prophecies especially relating to current events. The religion of my series depends upon mere feeling. My campaign will be directed toward informing the listeners. Religion based upon knowledge has a more lasting result. Independent of the whims of the moment."

From Pocatello

Mr. Kegley recently concluded a series of services at Pocatello, and staged a similar series prior to that in Idaho Falls. His recent lecture featured musical program as an introductory feature before each lecture.

The streamlined tabernacle was moved to Twin Falls from Pocatello from here it will be taken to Boise.

JEROME CHURCH HAS HOMECOMING

JEROME, Nov. 22 (Special)—Annual homecoming and rally day services last Sunday at the Jerome Christian church was attended by an overflow crowd of members and guests.

Following a near-record Sunday school attendance, Rev. Harman, pastor, preached on "Our Spiritual Home." Two of the character studies of the church were presented.

Following the service a dinner was served to over 100. H. D. Cook and Mrs. W. P. Rice gave brief talks on the early history of the church. Mrs. Harman, the minister's wife, read several communications from former members in this and other states.

The double mixed quart gave two selections and Rev. H. J. Reynolds offered the afternoon's sermon. Baptismal services followed and benediction was given by the pastor.

Transfer for Draft Papers Receives Ban

Transfer of draft registration cards from one draft to another cannot be permitted, officials of area No. 1 board said this afternoon after receipt of instructions from Boise.

Denial of requests for transfers, Chairman Walter C. Musgrave was told by state headquarters, is necessary in order to prevent constant interchange of records by local boards or interference with the system of sending questionnaires to registrants.

Retain Jurisdiction

Because the local board thus never loses authority over registrants, whose address was in its domain at the time of original sign-up, every registrant must be kept in the board formed of his whereabouts. Each change of address must be made known at once.

The only departure from the rule laid down today for non-transfer of records, Chairman Musgrave and Chief Clerk Joseph H. Seaver, Jr., were informed, may be made when a registrant is so far away from his local board that returning for classification—or for physical examination—would work a hardship.

Temporary Transfer

In this event, the man's records may be temporarily transferred to an area nearer to him. After classification and any possible appeal, he has been disposed of, the papers must be returned to the registrant's original board.

Such cases, it was pointed out, may occur when a registrant has a job in some other state at the time he receives his notice from the board. Instead of calling the man all the way back to Twin Falls for classification and physical examination, the board here may permit handling of these matters by the draft unit in the area in which the man may be working. The records, however, must then be returned to Twin Falls.

Evangelist R. J. Kegley will open a series of services at 7:30 p. m. Sunday in the "streamlined tabernacle" on Main avenue north.

STANDARD READY WITH NEW UNITS

Two new Standard Stations will open in Twin Falls, one being located at Five Points east and the other at Five Points west. It was announced this afternoon by A. E. Mackey, Idaho manager for Standard Stations, Inc.

Mackey points out that the two new stations are designed to offer the motorist the maximum of service and Blue Lakes boulevard and the other at Main avenue west and Washington street.

Announcement was made that G. L. Fagg would manage the station at Five Points east and M. L. Rowe in charge at Five Points west.

In each station the office, display room and lubrication unit are located in the one building. Every facility for lubricating cars in accordance with the Standard system is found in each case.

In announcing the opening of the stations, Mr. Mackey made the following statement:

"Our company realizes the need for stations in Twin Falls, located to serve both the local motorists of this area and also the tourists traveling through the city. Consequently the newest units not only meet the need of Twin Falls motorists but are also to be considered an expression of the company's confidence in the progress of the city. We are glad we can in this way contribute to the upbuilding and future of the community."

Fathers Special Guests of P.-T. A.

GOODING, Nov. 22 (Special)—Parent-Teachers association meeting was held in the high school auditorium Monday evening with 46 adults in attendance. Fathers had been specially invited and a number were present. Mrs. Harry Edholm was in charge for the business meeting.

Reports were received that 40 half-bottles of milk were being used daily at the Lincoln school and that the number would be increased to 60 bottles next week, and that 130 were being served hot lunch daily at the Lincoln school. Plans have been made for children from the Junior high school to be served a hot lunch being given to the hot lunch and milk project include \$1 from the Bookish club, \$5 from the Eastern Star and \$10 from the I.O.O.F.

Roll call pictures were won by Miss Lucille Thayer's fourth grade and Miss Leona Preacht's sixth grade rooms. The pictures recently purchased by the P.-T. A. have arrived and will be framed ready to use after the next meeting. Sixty-five members are present at the present time.

Mrs. Jay Farmer, program chairman for the meeting introduced Billy Engles, who played "The Woodpecker's Song" and another number on the accordion; and also directed a novel baseball game. The group sang "Take Me Out to the Ball Game" accompanied by Arnold Westergard as an introduction to the game.

Mrs. C. T. Knight was in charge Dec. 7. Miss Marjorie Kingsbury, Twin Falls, was selected on the orchestra committee and Mrs. E. H. right, Rupert, publicity committee.

Young Artist Appears In Concert Nov. 25th

Exponent of the theory that musicians of great proficiency can be produced in the United States at an early age, is R. Maveya, 20-year-old piano virtuoso, who will appear in concert at the Twin Falls high school auditorium Monday evening, Nov. 25, according to George W. Mitchell, Denver, Colo., his manager.

Mr. Maveya studied in this country under Madame Maria Teodono, Hungarian pianist and graduate of the Royal Academy of Music in Budapest. He has a style of interpretation that is outstandingly dynamic as well as poetic, according to music critics, and an ease of playing and a mastery of technique which produces tones of remarkable clarity and brilliance over the entire range of the keyboard. The young artist was born in Lead, S. D. in 1920. During the early part of his life he lived in Buffalo and Sheridan, Wyo., and began his study of piano there.

Later he moved to Denver, and studied under Madame Teodono. He will play compositions of Goeze, Mozart, Schubert, Chopin, Schumann, Brahms, Spieg and Sibelius.

This world would be lots pleasanter if folks could see alike as far as they see behind, and act accordingly.

I keep wishin' my neighbor wouldn't spill her pretty party snuffboxes by servin' such look as she does. Maybe I'll bring over a package of LIPTON'S tea for her, see what a real deep flavor an' fragrance is like!

When somebody says she pretties herself on her front, it means she's about to say somethin' disagreeable, and I don't want to hear it.

One of the best things in life is almost free, anyway. It's when you figure that even as grand a tea as LIPTON'S costs less than anything you kin drink for a flavor.

Lipton's makes tea flavor come from a blend of choice teas — each selected for some distinctive note. The blend includes something only Lipton gives you — a natural lip, from Lipton's own Ceylon gardens.

 NEW YORK, Nov. 22 (AP)—Lew Jenkins, the hatchet-fingered puncher from the Texas plain, lays his lightweight championship on the line tonight in a grudge fight against a boy who knocked him in the penitentiary almost two years ago.

It will be all-out and the devil take the hindmost in Madison Square Garden when Jenkins steps in there against tough Pete Lello of Gary, Ind. Both boys can hit and both have been talking enough to get each other good at hand.

Washington vs. UCLA Tops Coast's Card

SAN FRANCISCO, Nov. 22 (AP)—Football holiday entertainment for thousands in the fall, takes a virtual holiday itself in the far west tomorrow with only seven of the major games in action, only one conference game on the list, and most of the big fellows resting for their climactic games a week from now.

The one game that means anything tomorrow, aside from local rivalries involved, is the Washington-UCLA game in Los Angeles, the sole Pacific Coast conference contest.

Chances at 7 to 1
 Washington, beaten only by Stanford in holiday entertainment for thousands in the fall, takes a virtual holiday itself in the far west tomorrow with only seven of the major games in action, only one conference game on the list, and most of the big fellows resting for their climactic games a week from now.

End 1940 Season

Cornell Picked to Edge Penn; Boston Over Auburn

Penn State Is Choice to Keep Record
 By LESLIE AVERY
 NEW YORK, Nov. 22 (AP)—Picking the football winners, maybe:

EAST
 Boston college over Auburn—the Sugar is beckoning.
 Cornell over Penn—forget that Dartmouth thing.
 Brown over Dartmouth—the Indian shot their wad against Cornell.
 Columbia over Colgate.
 Georgetown over George Washington.
 Manhattan over Holy Cross, Jacksonville.

MIDWEST
 Michigan over Ohio State—but a good spot for the day's upset.
 Minnesota over Wisconsin—Gophers wind up a perfect record.
 Northwestern over Notre Dame—unless Layden can get the Irish steamed up.
 Iowa over Illinois—close.
 Indiana over Purdue—close your eyes and take your pick.
 Nebraska over Iowa State—say Detroit over Marquette—in a free scoring game.
 Michigan State over West Virginia—handily.
 Oklahoma over Temple.

SOUTH
 Alabama over Vanderbilt—the Commodore haven't got it.
 Duke over North Carolina State—Blue Devils bounce back.
 Clemson over Furman.
 Georgia Tech over Florida—only.

BUTTER-KRUST

The Ideal Bread for Toast

Bruins Conquer Tigers By 52-0 Score; Bobcats Defeat Wildcats, 19-12

Concluding great high school performances that have marked them as two of the best high school backs in the state of Idaho, Chuck Thomas and Bob Patton, Twin Falls Bruins ace, yesterday showed the way as their team romped to a 52-0 victory over the invading Jerome Tigers in a Turkey day feature at Lincoln field.

With a good sized crowd in the stands, despite the snow, cold and wind, the Bruins went to work on the badly outweighed Tigers to pound across three touchdowns in the first quarter, add two in the second, two more in the third and then another in the final.

The vaulted Jerome aerial attack, a potent weapon in all games this year that brought the Tiger eleven the Big Seven championship, was ground by bad weather and injuries to Charles Plastino, the passing star.

Plastino couldn't complete a pass as his hands froze and the Jerome attack and defense. Five of the three attempts he made. A "charley horse" finally forced his retirement from the game and aside from two short but spectacular run-backs of Twin Falls kick-offs the northside star managed to contribute little to the Jerome attack or defense.

Coach Powers' game plan started in reserves—including the freshman squad members from Junior high school.

Howe's lead reserve squad furnished most of the action for the next 15 minutes—holding the Jerome club at bay—finally intercepting the ball when Coach Powers' game plan, reached its peak for this year—as it did in routing Nampa in the final game of the 1939 season to clinch the Southern Idaho crown.

With the whole backfield taking turns packing the ball, the Bruins marched 51 yards to the field for the first counter, with Olen Terry going off-tackle from the four for the touchdown. Thomas cracked center for the extra point.

Robertson Gets 60 Yards
 A few moments later Joe Bill Robertson brought the crowd to its feet by cutting off-tackle on a 60-yard sprint, doing some nice side-stepping on his way down. The try for point was no good and the score stood 13-0.

Final counter in the opening period came when Bob Patton started a drive out of center that took 16 yards to pay dirt.

The attempt for point was no good and the score at the quarter was 19-0.

In the second frame Thomas cut off-tackle for a 50 yard gallop that ended with him out-running two Jerome defense men. Then Patton

Cassia Team Rallies to Chalk up Win

BURLEY, Nov. 22 (Special)—Burley Bobcats fought back from a two-touchdown handicap here in a snowstorm yesterday to capture a 19-12 thriller from the invaders Filer Wildcats in a Big Seven conference clash.

Coach Rulon Budge's club, trailing 14-0 early in the game, fought tooth and nail to annex victory with a clinching one-point margin finally putting them in front in the third stanza.

Filer scored first in the opening frame when Pond, ace Wildcat end, intercepted a Burley lateral in the Bobcat backfield and then raced 45 yards for a touchdown. The attempt for extra point failed.

A short while later Lyle Spencer, the speedy Filer back, went on a pair back runs for 45 yards and then the Wildcats got another score when Jolien cracked the line from the three-yard marker. Filer was off-side on the attempt for extra point.

Bobcats Get Break
 In the third frame Burley punted to Filer and after the ball had touched Wildcat back, it was downed by West, the star Burley end, on the Filer nine. From there Anderson went over tackle for the counter and repeated the performance for the extra point to send the Bobcats into a 13-12 lead.

The final touchdown came when Nelson, Burley back, tossed a long pass deep into Filer territory. A Filer defender, however, failed to get air, but it fell into Robinson's hands and the Burley back raced across the goal line to end the scoring for the day.

DIGNITY

MINNEAPOLIS, Minn., Nov. 22 (AP)—Dignity triumphed over the "trug" today at the University of Minnesota.

Despite picketing by students, including three members of the Big Ten championship Minnesota football team, alumni and dance instructors who held that dancing, 3,000 students attended the university's ritzy Foundation ball conducted at the Minneapolis auditorium last evening.

But still to be tested was the faculty ruling that shoes must be worn by the swing fans at the school's new \$2,000,000 Udoe building.

The faculty ruling was issued earlier in the week. The edict was prompted, it was said, by the appearances of students at the old union without their crepe-soled shoes, which hampered the "trug cutters."

British Are Urged to Plot Plans for Europe After War

By J. V. T. MASON
 United Press Wire Report

While the totalitarian powers are publicizing to the world the kind of Europe they expect to create if they win the war, suggestions are being made in London the British government make known what results may be expected to follow a victory for European democracy. Such a move by Britain might go far toward stimulating the morale of those continental countries now under Axis domination but secretly hoping for a return of full independence.

There are representatives in London at present of the governments of Norway, Holland, Belgium, Poland, Czechoslovakia and Free France, a series of meetings among these officials, still holding out against the Axis, under British leadership, could reveal in some detail their proposals for a post-war revival in Europe, in opposition to totalitarian rule as now planned by Hitler.

It would not be necessary for precise terms of peace to be fixed, indeed, it would scarcely be within the range of possibility for any such action to be taken at this time, for several reasons.

The most important reason is the unknown future stand of Russia. The British government has offered to make an agreement of amity with Russia, whereby the Russians would be allowed a share at the peace table after the war. Stalin has not yet accepted this proposal but it is possible he may do so later, as the outlook changes.

Russian delegates to the peace conference would have their own ideas of terms, as affecting their own country. They would have to be given consideration. It would not be diplomatic, therefore, for the British to proclaim all-inclusive peace conditions now, while Russia remains in a fluctuating position.

Can't Foretell End

Too peace terms would depend on the precise condition of all the belligerents at the war's end. Nobody can foretell, with exact detail, what will happen in the closing phases of the conflict, nor whether the number of belligerents on either side will be increased. If, for instance, there were to be uprising in the French African colonies against free France would have a legitimate claim to exert influence on the peace terms.

Thus, though the time is not ripe for Britain to announce full conditions of a peace settlement, it would be appropriate for the European democracies to make known their alternative to a totalitarian reorganization of continental Europe. There can be no doubt important changes will occur after the war in Europe and it is not good diplomatic strategy for the British and the associated independent governments functioning in London to allow the Axis an exclusive opportunity to tell the world what the future of Europe may become.

Had to Sit Up In Bed to Keep From Choking With Gas

Indigestion, Pains, Constipation and Nervousness Routed By Hoyt's Compound Says Denver Man.

Mr. Ben Hendricksen, 1442 Market St., Denver, Colo., states:

"I had lots of so-called stomach trouble. Food would sit in my stomach and I would bloat so badly I could hardly get my breath. I sat up in bed to keep from choking. My whole body would feel as if it were on fire and I think it affected my kidneys. I was compelled to get up every night. I suffered from my back. It was necessary to take laxatives and this made me nervous. I felt like lying in pieces.

NO. RANK GOES TO HANSEN COW

Bovine "queen" of October butterfat production was "Golden Maid," a registered Jersey owned by Clyde C. Walker, Hansen, according to the testing report issued today by Bernard Law, supervisor for the Twin Falls-Mini-Cassia Dairy Herd Improvement association.

Mr. Law reported that Golden Maid produced 82 pounds of butterfat and 1,262 pounds of milk in October. No. 2 cow was Jessie, a registered Holstein owned by Charles H. Hager, Rupert, and producing 72.7 pounds of fat and 1,774 of milk. Third was Betsy, registered Holstein with 71.6 pounds of fat and 1,422 of milk. Joe Giesler, Rupert, is owner.

Leaders in the three classifications of herds were as follows:
Leads Top Bracket
Over 20 cows—L. C. Freer, Burley, first, with 36 registered and grade Guernseys averaging 26.3 pounds of fat and 729 of milk. Second, L. J. Tenelneck, Twin Falls, whose 28 registered Holsteins averaged 33.9 for fat and 925 for milk.

10 to 20 cows—Charles H. Hager, Rupert, first, with 12 registered Holsteins averaging 41.4 pounds of fat and 1,122 pounds of milk. Second was F. E. Southwick and son, Buhl, whose 12 registered Guernseys averaged 33.4 pounds of fat and 615 pounds of milk. Right on the heels of the Southwick herd was that of Harry McCauley, also of Buhl, whose 16 registered Jerseys averaged 33.3 pounds of butterfat and 613 pounds of milk.

Less Than 10
Under 10 cows—Grant Freer, Burley, first, with three registered and grade Guernseys showing an average of 28.6 pounds of fat and 995 of milk. R. L. Cole, Hamilton, was second, with five registered Guernseys which produced an average of 33.4 pounds of fat and 708 of milk.

Superior Law reported also that there were 34 herds tested during the month, with total milk pounds 3,290,290 and butterfat aggregate at 14,953.4 pounds. Average milk per cow was 601 (including dry cows), average butterfat, also including dry cows, was 27.7 pounds. There were 114 cows which produced 40 pounds or more of butterfat.

Getting in Shape for That "House Cleaning"

(Photos by O. A. Ketter—Times Engraving)

Chase Clark Bends...

And Lifts...

1 Chase A. Clark, governor-elect of Idaho, bowed he's going to "clean house" when he gets to Boise, and judging from the exercises he's taking daily he'll be in condition to do it. Meet Mr. Clark in his Twin Falls hotel room while the "daily dancer" was in progress. Above, the new governor reaches for the floor. "I crank just a little," he commented, "but I'll make it."

2 Then, stretching his legs out-level with the floor, Clark does a few arm bends, touching his nose but no part of the rest of his body, each time. He just came up off the floor when the "shot" above was snapped. "Grim," the photographer said—and Clark did. A few heads of newspapermen were beginning to show on his forehead at this stage.

Bends Again...

And This Feels Best!

3 Now he strives to loosen up the knees, explaining he wants his legs in good shape to keep ahead of all the rumors that will "chase me after I take office." Fifteen times up and down and then the new governor decided he'd had about enough of this one. Next came the various arm exercises with a couple of more body twisters thrown in.

4 "Ah-h-h-h," says the governor-elect as he slips into a chair, "this last step is what makes exercising so wonderful." Ten minutes or so later Clark was ready to go. "And don't let anybody fool you," he said as the Evening Times cameraman went out the door. "I'll keep going right along after I get to Boise."

CHASE CLARK TO REDUCE OFFICES

BOISE, Ida., Nov. 22 (AP)—Democratic leaders disclosed this week part of their 1941 legislative program will be devoted to consolidating state offices and elimination of recently-created boards and commissions.

Chase A. Clark, governor-elect, is expected to include the consolidation features into his legislative program which he will draw up after a brief vacation.

Under the proposals a streamlining will be effected to reduce operating costs, and increase departmental efficiency.

Tax departments are expected to face some reorganization, the liquor commission altered and a bill introduced to change the relief administration.

Other legislation has been suggested by present department heads.

Unemployment compensation laws which permit benefit payments to persons who leave their jobs voluntarily after five weeks have elapsed will be a target for revision. L. B. Loran, director of the state unemployment compensation division, said the law was "weak" in provisions which grant benefits to workers who quit voluntarily.

He said the law should be revised to eliminate compensation for "the racketeer who prefers unemployment compensation at the expense of the taxpayer."

A sweeping program of health legislation has been proposed by the state board of public welfare. The board will ask the legislature, which convenes January 8, to adopt laws requiring pre-marital examination for syphilis, compulsory vaccination of school and pre-acton children, changing the state eugenics law to make it more effective and setting up a tuberculosis hospital for at least 100 patients.

L. D. S. Leader Spends Quiet 84th Birthday

SALT LAKE CITY, Nov. 22 (AP)—Heber J. Grant, Utah's No. 1 citizen and president of the 900,000-member Latter Day Saints church, today quietly celebrated his 84th birthday.

Grant has not fully recuperated from an illness that last winter kept him in a Los Angeles hospital for several weeks. But he is still determined to carry on his duties as prophet, seer and revelator of the Mormons as best he can.

Because of his health, his only recognition of the anniversary of the day he was born in Salt Lake City in 1856 is a log cabin on the site of the P.G.M.I. store he now heads will be a reception for members of his family and close friends late today and a dinner with his children this evening.

His physician restricts grant to three hours a day in his suite in the Salt Lake City LDS church office building—two hours in the morning and one in the afternoon.

Grant obeys the doctor's orders begrudgingly, explaining "What's the use in having a doctor if you don't do what he says?"

His daily schedule, aside from his two visits to the office and attendance at various church meetings—varies. He usually arises in time to be downtown by nine in the morning. At night, the church president usually retires by nine.

CAR CRASHES IN AVOIDING TRAIN

JEROME, Nov. 22 (Special)—Carroll Ward, Jerome resident, damaged his automobile approximately \$100, a police report shows, when he attempted to avoid striking a switching freight train at the uptown switch intersection near the city at about 1:30 a. m. Sunday. Ward was uninjured. According to reports from police, Ward failed to see the train until he was almost upon it. He quickly averted the automobile, turning into the borrow pit, and struck a sign post. Two other occupants of the Ward car, whose names were not disclosed, also were uninjured.

The accident is one of many such accidents which have taken place here because of the unlighted intersections. The railroad company has received no-out request to have highest warning signs placed at this point, but so far plans have been lagged, according to police authorities in Jerome.

Recently a heavily loaded truck, carrying a heavy cargo of timbers and corrugated iron, was wrecked off the highway at this spot, the driver wrecking his car and doing heavy property damage in an effort to avoid striking the stoppage freight train.

Police authorities said they fear possible fatal accidents unless corrective steps are taken.

The train tracks run diagonally across the main thoroughfare.

Joint Services Held at Rupert

RUPERT, Nov. 22 (Special)—Representatives of all evangelical churches of Rupert took part in the union Thanksgiving service held at 8 o'clock p. m. Wednesday in the new Trinity Episcopal church.

The meeting, which was in charge of Rev. Z. Leslie Holt, pastor of the church, was planned by the Rupert Ministerial association. Mrs. Holt was in charge of the music and presided at the organ. Rev. Albert B. Barrett, pastor of the Methodist church, gave the address.

Sixty-five per cent of the patrons of congregations are army, navy, and air cadets have the widest sale among them.
