## NAZI AIRPLANES ROCK SHEFFIELD IN ALL-OUT RAID

LONDON, Dec. 13 (AP)—Sheffield, famous through the world for its steel, was rocked for hours during the night by a Nazi "all-out-raid" air raid but today still was in the war and still working despite its dead and its ruins.

Breaking through a new night fighter patrol along the eastern coast by weight of numbers, the German planes in relays attacked the Sheffield areas as anti-aircraft guns blazed at them.

Other fleets of German planes attacked all corners of England in one of their most widespread raids in the war and still working despite its dead and its ruins.

Extensive Damage  
A hail of incendiary and explosive bombs broke on Sheffield last night and continued for over two hours and less severely until early this morning.

Thirteen extensive damage and there were many casualties. The shopping center suffered extensively, and by bright moonlight the Germans dropped first incendiary, then explosive bombs.

A chapel and other buildings were fired in a northeast coast town. Southeast coast areas reported more activity than for several nights. Some bombs landed in the southwest, including Wales.

Raid: Halted  
A blazing barrage of anti-aircraft gun fire thwarted Nazi planes which dropped many flares over a Thames estuary town in preparation for bombing.

London's raid alarm period lasted until the early hours of the morning. There was gun fire until 11 p.m., strong to shake buildings at intervals for hours but bombing was not heavy and many German planes which the guns fired at returned on their way to the midlands.

## PEACEFUL WINTER SEEN IN BALKANS

ISTANBUL, Turkey, Dec. 13 (AP)—Threat of an axis drive through the Balkans to the near east, which a few weeks ago seemed acute, has been dissipated at least until spring, diplomats here believed today.

British and Greek successes against Italy, German setbacks in Russia to consent to German domination in southeastern Europe, Bulgaria's failure to join the axis and Turkey's increasing reluctance to fight any nation which may move against her all were influencing opinion here.

A treaty of friendship signed yesterday between Yugoslavia and Hungary, whose relations had not been good since the last war, was a further development read as favorable to a peaceful winter in the southeast.

## PEASANTS KILLED BY RED TROOPS

BUCHAREST, Dec. 13 (AP)—Military sources reported today several peasants were killed and some wounded in a Soviet gun attack on a frontier guard post yesterday.

At 8,000 Hungarian peasants on the southern Bukovina frontier, south of Chernovitz.

The military sources said the peasants were trying to cross into Hungary from Soviet-occupied northern Bukovina when Soviet guards opened fire upon them.

Peasants were said to comprise the entire population of two villages who had become disoriented with life under the Soviet regime and decided to cross the frontier and settle in Hungary.

## COURT UPHOLDS JUDGE'S RULING

BOHNE, Dec. 13 (AP)—The Idaho state supreme court has decided today that drainage district bonds do not draw interest after maturity.

The irrigation case decided affirmed an opinion of Ada County District Judge O. P. Kuehls. The case arose when the drainage district asked the Ada county treasurer to determine whether drainage district bonds drew interest after their maturity had been reached.

The court said interest could not be collected on the bonds unless the law specifically provides for the payment.

PAID BUREAU MKET  
LATHAM, Dec. 13 (AP)—Directors of the American farm bureau federation decided to meet in March 1941, either at Chicago or Washington, to select a mid-west city for the organization's next convention.

## FDR Third Term, Russian Role in War Listed in "Big Ten" Stories for 1940

NEW YORK, Dec. 13 (AP)—A news story that has not been written—Soviet Russia's role in world events—was included today for the first time in the annual United Press selection of the 10 big news stories of the year.

"The role of Russia," is 10th on the U. P. list for 1940. The third term election of President Roosevelt is the No. 1 news event of the year, the battle of Britain second, and the fall of France third.

"This is the first time that something which has not been reported has ever received enough votes to qualify among the first 10," said John J. P. Wines, president and general news manager.

"Our editors felt that if the facts about Russian influence on world affairs were not shrouded by official secrecy and censorship, the Russian story might be among the most important of the year."

"The big thing we do not know about Russia is the extent of her influence on Tokyo's operations in the far east and on Germany's plans in the Balkans."

Johnson said an unusual feature of the news of 1940 was that most of the big events were closely related in terms of cause or effect.

The United Press list for 1940 follows: President Roosevelt's selection for a third term and preliminary developments including the sensational rise of Wendell Willkie.

Battle of Britain which is history's first big-scale air war and may be one of the decisive battles of the world.

Fall of France with resulting British evacuation of Dunkirk and battle of Oran.

United States selective service and other measures of hemispheric defense including the destruction of naval bases.

German occupation of Norway, Denmark and the low countries.

Berlin-Rome-Tokyo axis and consequent threat of Indo-China.

Italy's abortive attempt to invade Greece.

Germany's diplomatic offensive into the Balkans with abdication of Rumanian King Carol.

Italy's entrance into the war.

The enigma of Russia.

## Lothian Death Blow To British Aid Plea

WASHINGTON, Dec. 13 (AP)—Lord Lothian's sudden death was considered today to have been a serious blow to British negotiations for more American aid.

The British ambassador died a few hours after a public appeal for more aid had been read in his name, while government officials discussed whether to extend loans or other financial assistance and to permit Britain to obtain more American ships.

Through special missions have been working on details of "short-of-war" aid from this country, it was said.

Lord Lothian who arranged for them and negotiated directly with President Roosevelt on such important questions as more planes, the destroyer-for-bases trade, and current efforts to obtain more ships.

President Roosevelt and other high administration officials voiced their desire to accord both official and personal honor to Lord Lothian, who he praised as a British patriot and a friend of the United States.

Officials were reluctant to discuss Lothian's successor so soon after his death, but they said he was a prominent figure in the British government.

Anthony Eden, British war minister, Alfred Duff Cooper, minister of information, Lord Beaverbrook, newspaper publisher and minister for aviation production; Sir Robert Vansittart, permanent undersecretary for foreign affairs, and Harold Nicolson, British author and former member of the diplomatic service, also were mentioned.

John J. Wolfson, president of the Mailboat Steel Range manufacturing Co., South Bend, Ind., E. J. C. Hill, former king of England, and now governor of the Bahamas, also were mentioned.

George F. Argeton, former New York state senator.

Inducted were Arnold J. Forster, 50, W. L. Kellogg, 66, George B. Howard, 48, Leonard Cohen, and Ray Gold, all of Chicago; William D. Durland, New Orleans; Franklin H. Hovell, Buffalo; Bruce L. Hoover, San Antonio and Mexico City; and John J. Jennings, Detroit.

## 9 ARE INDICTED IN STOCK FRAUD

CHICAGO, Dec. 13 (AP)—A federal grand jury today indicted nine men on charges of having defrauded scores of investors—including some of the nation's prominent business leaders—of more than \$7,000,000 through sale of stock in a corporation for developing a Mexican timberland.

The 28-count indictment charged the defendants with having used the mails in a scheme to defraud in violation of federal securities acts, through the sale of stock in the Resources Corporation, International.

Victims of the scheme included Stanley S. Kresge of Kresge stores; John J. Wolfson, president of the Mailboat Steel Range manufacturing Co., South Bend, Ind.; E. J. C. Hill, former king of England, and now governor of the Bahamas; also were mentioned.

George F. Argeton, former New York state senator.

Inducted were Arnold J. Forster, 50, W. L. Kellogg, 66, George B. Howard, 48, Leonard Cohen, and Ray Gold, all of Chicago; William D. Durland, New Orleans; Franklin H. Hovell, Buffalo; Bruce L. Hoover, San Antonio and Mexico City; and John J. Jennings, Detroit.

## Boise School Set To Handle 1,000 Additional Pupils

BOISE, Dec. 13 (AP)—Zed L. Fay, superintendent of Boise schools, said today the city school system was "fully loaded" and another 1,000 pupils expected to be added to enrollment when a new U. S. air base is opened here.

Fay said some system of transportation might have to be devised to take children of officers from the air base in schools where vacancies exist.

## TEST UNDERWAY ON DRAFT LAWS

BOISE, Dec. 13 (AP)—Constitutionality of the selective service act was assailed in federal court today as counsel for two Idaho brothers sought to free them of indictment charging failure to register for the draft.

The federal court test of the draft law's constitutionality came during arguments on a motion to quash indictments against Carl and Boyd Cornett, Middleton brothers who refused to register.

Their attorney, Vernon K. Smith, Boise, asked Judge C. C. Cavanah to throw the indictments out of court because, he contended, congress was without authority to exercise a "war time power" in conscripting an army in peacetime.

Smith pointed out the 1917 draft law was passed in time of war and argued that decisions upholding the constitutionality of that act are not applicable to the present peace-time conscription act.

He said an entirely new decision on draft status cases is needed because the Constitution does not give congress "express or implied" power to conscript a peace-time army.

At one point Judge Cavanah interrupted Smith's argument to ask whether congress meant a state of war existed at present when it inserted the word "imperative" as typifying the need for conscription.

In order for congress to exercise its war powers, there must be a declaration of war.

In the western desert remnants of the British Italian army continued their withdrawal, closely followed up by an advance troops, the communication said.

In addition to three senior generals reported captured yesterday, two further general officers commanding divisions are now in hands.

Prisoners Increased  
"The number of prisoners also has been increased by several thousand but owing to the area of the battlefield it is still impossible to give any precise figures."

All along the Italian frontier, our patrols continue to harass the enemy and to inflict casualties upon him."

The Italian frontier area refers to Italian Eritrea and Ethiopia where there have been operations near Gallabat and Kassala.

## MERCURY DROPS NEARLY TO ZERO

In addition to being Friday the 13th, today also proved to be the coldest of the autumn when the official thermometer at the bureau of entomology said to two degrees above zero, records show.

Yesterday the thermometer throughout the day was "stuffy" as the mercury stayed below the freezing mark for the 24-hour period, hitting a high of 29 above.

A forecast for this section of Idaho calls for "fair" weather with "continued cold tonight and Saturday."

Coal concerns, and also service stations and garages dealing in anti-freeze solutions for car radiators, reported a brisk business today.

## British on March in Egypt—Capture Italians

Here are British troops, newly landed in Egypt for the present large-scale offensive against Italians, on the march in the desert. Reports say these crack units have captured 40,000 Italian troops in western Egypt.

## British Capture Thousands More in Rout of Italians

### 2 Additional Generals Are Held in Egypt

CAIRO, Egypt, Dec. 13 (AP)—British forces battering Italian troops back toward the Libyan frontier captured several thousand more prisoners, including two general commanding divisions, a war communications officer said today.

Previously, more than 20,000 Italian prisoners including three general officers had been reported captured and sent back to the front.

The change was termed an outgrowth of assurances given here recently by President William M. Jefferson, United States Pacific chief, in conference with British leaders. The conference culminated a drive initiated by Major Joe Koehler.

Agent Fuller said that starting Monday trains 563 and 564, now running from Minidoka to Buhl, will begin on a Pocatello to Buhl schedule. The present time schedule remains unchanged.

On the westward run, the train will connect with No. 17 (Portland Rose) either at Pocatello or at Minidoka, depending on schedule of the Rose. On the return run, the train will connect with No. 15 (Portland Rose and Challenger eastbound) at Pocatello.

## Windsor Flies to Meet FDR on Ship

MIAMI, Fla., Dec. 13 (AP)—The duke of Windsor flew today to a rendezvous at sea with President Roosevelt.

They will meet aboard the U. S. S. cruiser Tuscaloosa somewhere off Bimini, in the duke's Bahamas. It was learned from an authoritative source.

Capt. Vyvyan Roper, aide-de-camp to the duke, refused to reveal the destination of the four-motored seaplane or purpose of the flight, saying the duke was here to receive a plane with the wishes of the U. S. navy department. He declined to confirm or deny the purpose of the flight was to visit the President.

"I am sorry I am unable to make a statement this morning," the duke himself told newsmen. "But I am entirely in the hands of the navy today."

Duchess Recovering  
"The duchess is getting on very well indeed," he said. "She had a very nasty operation, naturally. But, just before the take-off he had no knowledge" of public reports that the duke was being offered appointment as British ambassador to the United States before the post was acquired by the duke. The duke, however, which said it had been the appointment would be offered the duke, said the ambassadorship "would be bound to be" one of the topics which he will discuss with the President today.

The government of the Bahamas said he and his duchess planned to remain at St. Francis hospital in Miami Beach until all is well, and then, as to visit the President, you know.

Most Visit President  
However, it was pointed out that the duke, as governor of the British crown colony of the Bahamas, was required by official etiquette to pay a courtesy visit on the head of the United States government while a visitor in this country. The navy was assumed to have provided a plane for the visit.

President Roosevelt yesterday inspected Abraham Bay in the duke's colony where the United States has acquired a site for an air base. The destination of the Tuscaloosa after it left there was unknown.

## GRECIAN TROOPS CAPTURE PORT IN ALBANIA SECTOR

ATHENS, Greece, Dec. 13 (AP)—Greek capture of Porto Palermo, on the Albanian coast, was announced officially today and a captured Italian commander was noted.

The Italian commander was noted that the Italian command in Tirana was considering whether to ask Greece for an armistice.

The latest Greek victory marked an advance of 20 miles up the Albanian coast in eight days.

The Italian commander was quoted in authoritative quarters here that the Italian leader was built on issue of either trying to gain time to reestablish his lines by asking for an armistice, or withdrawing deeper into Albania in hope the Greeks would be halted by their lengthened communication lines and the weather, which is growing steadily worse.

Planned Counter Offensive  
The captured Italian commander said the Italians planned a counter-offensive for the winter, regardless of whether they asked for a winter truce or withdrew beyond the Greek frontier.

The Greek advance into Porto Palermo was headed by Greek armored cars and captured Italian light tanks. Experts expected the Italians could hold Chirina, five miles beyond Porto Palermo, and now the immediate Greek objective on that front.

On the other end of the southern front, the Italians were reported falling back from Trepol along the upper Vouras river valley and the battle was said to be developing steadily in favor of the Greeks both before Trepol and Kilaia, a few miles east.

Cover Retreat  
Greek correspondents at the Kilaia front said Italian troops covering their retreat with tanks and units of Alpine troops, fighting along the Mesembria range, where they sharply from the Vouras valley have been prevented and killed.

A United Front correspondent said the Greek advance was apparently realizing the immense strategic importance of the sector. The Greek advance is reported at heights south of the town. He said the Italians were falling back to Valona on the coast.

The newsmen said that in the Pogorade sector, in the north, the Italians had sent in reinforcements to plan a counter-attack to hold back the Greek advance from the Shkumbin river head to the Shkumbin ravine, which runs westward from the Shkumbin river.

Eloasan is the main point in the Shkumbin line, defending central Albania.

Regiment Destroyed  
The Radini correspondent said one regiment of Alpine troops had been destroyed in a counter-attack in the Pogorade sector, after re-

(Continued on Page 18, Column 2)

## HOUSING SLOWS DRAFT INDUCTION

WASHINGTON, Dec. 13 (AP)—Widespread delays in construction of army camps, ranging from one week to two and a half months, today retarded a week-end induction of 100,000 national guardsmen and selective service trainees into regular army units.

Secretary of War Henry L. Stimson said today yesterday the setback in the camp building program, which affected about 80,000 guardsmen into active service.

70,000 Behind Schedule  
Draft officials said induction of three areas is 70,000 men behind schedule and indicated further and more serious delays would be encountered next month. Only 20,000 of the 90,000 men originally intended for the draft before Jan. 1 have been called, they said. In addition, the army is expected to have induction next month but indications are that only 20,000 to 30,000 will be called.

Induction of guardsmen had been scheduled for induction between Jan. 3 and Jan. 19. The delay in the program, however, is said to bring the men into service between Jan. 6 and April 1.

15 Camps on Schedule  
An official survey showed 15 of the camps are on construction schedule. 100,000 men are expected to be inducted in two weeks behind, one in three weeks behind, two are four weeks behind, four are five weeks behind, and one is two months behind, and two are two and one-half months behind.

General, as I look over the situation, it seems to me to be a creditable performance so far," he said.

The revised induction schedule of western national guardsmen, which includes 100,000 men, is expected to be completed by April 1, 1941.

Damages to the front of Twin Falls' new fire truck as a result of a crash yesterday at 1 p. m. while the vehicle was being driven in response to an alarm, are shown in the above picture, taken a few minutes after the mishap. A warrant for the arrest of Chester Loucks, driver of the coal company truck involved in the crash, was issued by police this afternoon. He was charged with failure to yield the right of way to a fire truck. Damages adjusters were "looking over the truck this morning. The damaged radiator, left fender and left headlight are seen in the picture. The bumper was knocked off. Damages to the coal truck were minor.

## CLUB'S ACTIVITY LEADERS CHOSEN

Chairmen of standing committees for the Twin Falls Kiwanis club during 1941 had been announced today by club officials.

They are:

Agriculture, Charles W. Colner; attendance, Roy Washburn; boys' and girls' care, Claude Detweiler; finance, Cecil Jones; house, Carl Hong; Kiwanis education, H. H. Hedstrom.

Interclub relations, W. W. Thomas; laws and regulations, Tom Alworth; membership and classification, R. J. Vallin; milk project, Homer M. Davis; public affairs and citizenship, Frank L. Stephan; music, James C. Reynolds; program, R. J. Schwendman.

Reception, Glenn O. Jenkins; safety, John S. Kimer; underprivileged children, Dr. A. A. Newberry; vocational guidance, Wilbur S. Hill; achievement, U. N. Terry; Kiwanis nook, Roy Painter; club extension, O. P. Duval.

## STUDENT SPECIAL ARRIVES DEC. 21

University of Idaho special train will bring several hundred Magic Valley students home for Christmas holidays Dec. 21, a week from tomorrow, J. L. Fuller, Union Pacific passenger agent, said this afternoon.

The special train will leave Moscow at 6 p.m. Friday, Dec. 20, Mr. Fuller announced.

Arrival times in Magic Valley communities all scheduled for the afternoon of Dec. 21 are:

Mountain Home—12:30 p.m.  
Glenns Ferry—12:45 p.m.  
Bliss—1:25 p.m.  
Gooding—1:45 p.m.  
Shoshone—2:20 p.m.  
Mindenok—3:30 p.m.

The student special will consist of four tourist coaches, one four-coach, one diner, one lounge and one baggage car.

## NAMES in the NEWS

By United Press

Senator Robert A. Taft, R., O., proposed today that income tax rates be lowered from 75 to 50 per cent in the high brackets and increased from 4 to 10 per cent in the low brackets. He suggested lowering the exemption for married men from \$2,000 to \$1,500, said he agreed with President Roosevelt that "now is not the time for a sales tax," and opposed any increase in income tax for business.

Economist Roger W. Babson believes the high-grade bond market is in the same position as the 1928-29 stock market, "ready for a sharp fall."

At London, Prime Minister Winston Churchill is looking for a man to succeed Lord Lothian as ambassador to the U. S.—and among those mentioned are Anthony Eden, David Lloyd George, Sir Percy Loraine, Lord Chamberlain Viscount Cranborne, Sir Robert Vansittart, Richard O. Casey, and Viscount Halifax.

Seventeen-year-old Sally Stanton, a sophomore at Pasadena Junior college, has been named queen of the tournament of Roses.

New York heard reports today that Otto Brinzer, leader of the German anti-Nazi black front and self-styled "enemy No. 1 of Adolf Hitler," was in Bermuda and planned to come to the United States.

Lockheed aircraft employs at Burbank, Calif., received a cablegram from Lord Beaverbrook, British minister of aircraft production, which expressed gratitude over the workers plan to give the British a bomber as a Christmas present.

Prissy Carroll, United Press reporter in London, said the Christmas season spirit was plainly evident in London's bomb-scarred shopping districts, but with the emphasis on such war-time gifts as an air raid shelter sleeping cap or a dark red band of felt.

Virginia Hill, 33-year-old Martineau, Ga., all helms, avowed that three husbands, and the prospect of a fourth, had not dissuaded her about marriage.

I haven't," she said, "lived long enough with any one man to know what it's all about."

**Set High Average**

AMHERST, Mass., (UP)—Fifteen registered Massachusetts State college freshmen cows produced enough milk during the past year to provide 65 families of four with four quarts of milk daily for the year. The average per cow was 12,890 pounds of milk.

Monday, Tuesday and Wednesday are the worst times to meet-fogs over the cities of England.

Keep the White Flag of Safety Flying

## Senior Players Score in Drama of the Christ-Way

By FRANK ELSWORTH

"I wonder if you're the fool after all," were the words that expressed the thought of the audience in the final act of the senior class play, Channing Pollocks "The Fool," given last evening in Twin Falls high school auditorium in the first of two performances. Second performance will be offered tonight, beginning at 8:15 o'clock. Director is Miss Florence M. Rees.

Those words were spoken by George Goodrich, wealthy mine owner, played by Preston Henman, to Daniel Gilchrist, young clergyman who had proved that a man could live the life of Christ and still be happy, portrayed by Bob Pence.

Throughout the production lines were spoken by the young clergyman which were a triumphant affirmation for Christian faith and which were a challenge to modern trends of thought.

Most dramatic scene took place at the end of the first act when the young man, supported him in his conviction.

First act took place in the Church of the Nativity on a Christmas eve, with members of the church decorating for Christmas day. During this act, Daniel Gilchrist distressed the rector and influential members of the church by his insistence in putting into practice the ideals of man and its application to the business projects of the wealthy members.

When the rector tried to persuade him to change a sermon text he clung to his view that "the man who turns aside from his vision lies," and was dismissed from the church and forsaken by the girl he loved.

In the second act he successfully managed a mine until he insisted on putting into practice the ideals he had preached. He was again dismissed and became head of "Overcoat," a mission in the slums. There he found true happiness in leading a life that expressed his faith in God and his belief in the teachings of Christ as a method of life.

Especially dramatic was the scene where Mary Margaret, the crippled girl, learned faith through him and was able to walk again, creating a miracle at the moment when it was most needed for his salvation.

Outstanding role of the evening was that of the clergyman. It was played with sincerity and dramatic effectiveness in the difficult role of Rev. Everett Wadhman, Frank Lawrence acted with naturalness and ease.

Fred Bacon as Jerry Goodrich, dispossessed son of the wealthy mine owner, and Preston Henman as his father played well in their supporting roles.

Loved Riches

As Clare Jewell, Mary Jean Shipman carried the role of the young minister's sweetheart, who cared more for riches than for the life chosen by him.

The little crippled girl, enacted by Eleanor Mae Wall, was exceptionally well done. Earl Jordan as Charlie Berwick and Don Cooper as Brother Barnaby made the most of their roles.

Playing with dexterity were Mary Lou Glib, June Daniels, Ruby Carlson and Mickey Humphrey as Dilly Glim, Mrs. Henry Glim, Mrs. Thornbury and Mrs. Tice, respectively.

Bob Patton and Chuck Thomas as "down and outers" were effective and provided comedy relief for the drama.

Mine Workers

As mine workers who appealed for better working conditions were Bob Merrill, Bob Bayless and Ralph Downing.

Added support to the cast was given by Neil Hulet, Nelda Makinson and Betty Thompson.

Music between acts was played by the high school orchestra. Numbers presented were "Christmas Bells," "Beneath the Holly," "Moment Music," "First Noel" and an arrangement of "Jingle Bells."

Directing the orchestra was Bert Christian in the absence of Richard R. Smith.

## KIWANIANS PICK INSTALLING PAIR

Dr. F. A. Kallusky, Buhl, and H. H. Hedstrom, Twin Falls, will be the installing officers at the tri-city installation by Buhl, Piler, and Twin Falls Kiwanis clubs Dec. 20 in Buhl.

Announcement of the presiding pair for the tri-city meet was made last night at the dinner and instructional school for local Kiwanis officers at the Park hotel. The evening session was the second of the day for Kiwanians, who also held their regular noon luncheon.

Dr. Kallusky is 1941 lieutenant-governor for the Utah-Idaho-Kiwanis district; Mr. Hedstrom is the 1940 lieutenant-governor.

Last night's instructional school for officers drew a full turnout. Mr. Hedstrom and A. S. Gilbert, retiring president, were in charge. Arrangements were made by John P. Kinney, the incoming president. Homer M. Davis is the new vice president; Mr. Gilbert ranks as immediate past-president; Cecil Jones is treasurer; U. N. Terry has been reappointed as secretary.

Directors are Elmer Hollingsworth, Frank L. Stephan, Claude Detweiler, R. J. Vallin, Alvin Casey, Tom Alworth and John Boden.

Chief speaks

At the third noon luncheon, Police Chief Howard Gillette discussed problems of policing the city and called for civic cooperation. H. J. Schwendman was program chairman. The Elks Americanization band, led by Bert Christianson, presented five selections.

Christianson, high school band director, was introduced by J. H. Blandford, who attended as a guest. Blandford is Elks national defense committee chairman in Twin Falls.

The guest list included Hugh Caldwell, of Caldwell, immediate past district governor of the Utah-Idaho Kiwanis district; Mrs. Caldwell; Byron Johnson, Emmett, Wash.; Frank Hicks, Fall Lake City; A. D. Packman, Pocatello.

Pictures, a large variety and reasonable prices at Club Hotel.

## RUPERT

C. Warren Dulgh, county agent of Minidoka county, returned the first of the week from Chicago, where he went about 10 days ago to attend the national convention of county agents. Mr. Dulgh was the delegate from Idaho.

A daughter was born Wednesday to Mr. and Mrs. Dean Whitley at the Rupert general hospital.

Mrs. A. W. McRoberts was hostess Tuesday to members of the B.Y.S. Club and two guests, Mrs. Ralph Bowman and Mrs. William Henscheid, Jr. Three tables were placed for 800 in which prizes went to Mrs. Charles Rausch, Mrs. Bowman and Mrs. Joe Moncher.

A daughter was born Sunday to Mr. and Mrs. Jesse Perry at their home.

Dr. and Mrs. A. E. Johnson and daughter, Miss Elizabeth M. Johnson, and Eugene Stump, pastor of the local Christian church, returned Tuesday from Boise where Dr. Johnson went to attend a meeting of the state board of Idaho Christian churches and where Rev. Stump attended a meeting of the state planning committee which made plans for the mid-winter youth conference and outlined the program for the annual convention of Churches of Christ which will be held in Rupert in early summer, 1941. The Rupert group was joined in Gooding by Rev. H. J. Reynolds, pastor of the Gooding Christian church, and in Bliss by Rev. J. D. Herdin, pastor of the Buhl Christian church, who are also members of the Idaho state board of Christian churches.

## GROCERS PONDER STAMP PROGRAM

With members of the Idaho Grocers' association from Buhl, Jerome and Twin Falls in attendance, discussion of the stamping plan of distributing surplus food among needy families featured a session at the Park Hotel last night.

Principal speakers during the session, which attracted 40 grocers, was O. Talley, Boise, representative of the surplus marketing administration. He pointed out during his talk that by means of the stamp plan, food is distributed through regular channels, eliminating the expense which is now carried by the relief agencies.

The stamp plan is now operating in various Idaho counties and it is expected that it will be started in all of them in the immediate future. In the Twin Falls area alone, a volume of business estimated at \$30,000 a month is carried on through distribution of surplus commodities.

Two officers of the Idaho Association of Retail Food Distributors who spoke last night, were E. B. Wilson, secretary, and W. E. Hietze, president. Both reside at Boise. Art Mosley, Jerome, regional president, presided.

Arrangements for the meeting were in charge of A. W. McConnell, Twin Falls, state director.

## REASSURANCE IS GIVEN TO ALIENS

Aliens who have complied with the alien registration act of 1940 and who are worried because they have not yet received their receipt cards were reassured today in a communication received by Postmaster M. A. Strunk from Earl G. Harrison, of the U. S. department of justice, alien registration division.

"Completed registration forms have been poured into our headquarters here in Washington D. C. at a much faster rate than receipt cards could be mailed out," Harrison wrote Strunk.

"A preliminary examination of each form must be made before the card can be returned to the alien."

It was pointed out that if Dec. 26 passes and the registered alien still has not received his receipt card, that fact is no cause for worry unless he has failed to comply with the other portion of the law which requires him to notify immigration and naturalization service, Washington, D. C. within five days of any change in his permanent residence address.

"If that is the case," Harrison advised Strunk, "his receipt card will be returned to us and we know in such instances the alien has not notified us of his new home address. Change-of-address forms are available at any postoffice, including Twin Falls, and a fine of \$100, 30 days in jail, or both is the penalty for failure to comply with this part of the law."

"Nearly 50,000 receipt cards are now going out daily and every alien who has complied with the law should have his within the next three months."

Harrison also said that there would be no extension of the registration period beyond Dec. 26.

**WORK TO START ON SCHOOL AT LAPWAI**

BOISE, Ida., Dec. 13 (UP)—State WPA Administrator Dean Miller announced today work will start immediately on construction of a school building at Lapwai in Nez Perce county.

The project for the independent consolidated school district will involve expenditure of \$40,000 in federal funds and \$40,000 in county funds. About 70 men will be employed on the project.

## Stamp Plan May Help Distribute Extra Foodstuffs

BOISE, Ida., Dec. 13 (UP)—A new project for distribution of surplus commodities, designed to accommodate expansion of the federal stamp plan throughout the state, will be operated Dec. 14, state WPA Administrator Dean W. Miller announced today.

The new project is under the direct sponsorship of the state department of public welfare and will involve expenditure of \$96,104 in federal funds, plus a sponsor's contribution of \$71,629.

The project will be concerned, Miller said, with both direct distribution of surplus commodities to relief clients and with the staffing of the stamp plan issuing office. The stamp plan is now operating in various Idaho counties and it is expected that it will be started in all of them in the immediate future. In the Twin Falls area alone, a volume of business estimated at \$30,000 a month is carried on through distribution of surplus commodities.

Two officers of the Idaho Association of Retail Food Distributors who spoke last night, were E. B. Wilson, secretary, and W. E. Hietze, president. Both reside at Boise. Art Mosley, Jerome, regional president, presided.

Arrangements for the meeting were in charge of A. W. McConnell, Twin Falls, state director.

## STUDENTS START DISCUSSION CLUB

Pur the purpose of talking over national, state and community problems, one of the most recently organized clubs at Twin Falls high school is the Forum club. The organization meets once every two weeks with Tuesday as the regular meeting day.

Officers of the club have been elected and are John Day, president, Robert Allan, vice-president, and Dean Freeman, secretary. Sponsor is Lee Johnson, high school faculty member.

Membership in the organization is open to any of the high school students and anyone is welcome to attend any of the meetings. Students have an opportunity to express themselves on important matters and self development of students is gained in the meetings.

At the latest meeting of the group Tuesday, highway problems of the local community were discussed and remedies to overcome them were mentioned.

Because this topic was not discussed fully at the last meeting, the same subject will be used in the next meeting to be held Tuesday, Dec. 24, after school hours. For this meeting an invitation will be extended to local traffic officers to address the group.

The club is cooperating with merchants in the White Flag safety campaign.

## BARKER RETIRES AS BANK LEADER

BUHL, Dec. 13 (Special)—J. H. Barker, for 22 years active in the banking business here, today announced his decision to retire from active work in that business, stating that in the future he would serve only in an advisory capacity with the local branch of the Idaho First National bank.

Active management of the local institution will be taken over by Carl L. Moss, who is being transferred from the management of the Wallace branch. It is expected that Mr. Moss will assume his new duties by the middle of February.

Once in Buhl

The new manager was at one time associated with the local bank and since that time has progressed in the positions of manager of the Meridian, Weiser and Wallace branches.

Regarding the decision of Mr. Barker to retire, John A. Schoonover, Buhl, president of the First National bank, said:

"While we regret to have Mr. Barker leave the active management of the Buhl branch, we can well appreciate the fact that after being tied down by the responsibilities of management for nearly a quarter of

a century, he is now entitled to some of the privileges that go with retirement from public life. His resignation as manager does not mean that he is severing his connection with our institution, for he will continue to be associated with us in an advisory capacity and his experience and sound judgment will always be available to us."

James H. Shields, Jr., Buhl, a director of the bank, expressed satisfaction over the fact that the judgment of Mr. Barker would still be available. He also stated that he was pleased that the management of the Buhl branch was to be taken by a man with the energy and ability of Mr. Moss.

Mr. Barker said that "Mrs. Barker and I expect to continue to live in Buhl, for we know of no better home community. We shall always be interested and active in all affairs affecting the general welfare of Buhl and the surrounding community."

Standard Dishes and Desk Calendars are now kept ready at Cops Book Store.

## SLASH DECREED IN U. S. BEET ACREAGE

## BIG CARRYOVER IS BLAMED FOR ALLOTMENT CUT

WASHINGTON, Dec. 13 (UP)—The agriculture department has slashed 1941 sugar beet acreage allotments at \$20,000 acres, 17.1 per cent below the 1940 acre allotment in 1939, 1938 and 1940.

The reduction, which is the first to be made since the beginning of the sugar program in 1934, is required under the sugar act of 1937, which requires that a balance be maintained between sugar production and marketing quotas and carryover. Production during the last three years, the department said, has accumulated larger than normal sugar stocks.

The department said the decreased acreage allotment will not affect the quantity of beet sugar which may be marketed. The initial marketing quota has been set at 1,240,000 short tons new value. This is the same as for 1940.

## In HOLLYWOOD Today

By United Press

Edmund Lowe denied today he had been a "loveless" husband, as his wife charged in a divorce suit. Lowe filed a cross-complaint to the action started by his estranged wife, Mrs. Rita Kaufman Lowe, fashion designer, charging Mrs. Lowe's cruelty caused their separation.

John Loder, British actor, and his wife, Michelle Chetel, French actress, have reconciled their differences over the British shooting of the French fleet. Miss Chetel authorized her attorney to move for immediate dismissal of a divorce suit she filed against Loder a week ago.

Miliza Korjus, former Viennese and Berlin opera star, asked damages of \$100,000 today on grounds she lost the use of her voice in an automobile accident last May. She sued Cecil Emerson May, Jr., and his parents, charging he caused an accident between their car and the one driven by the singer's husband, Dr. Kuno Foelch.

Ramon Novarro, motion picture actor, was injured today when his automobile collided with another vehicle. He was treated at Hollywood receiving hospital for possible concussion, cuts and bruises.

During the past year, approximately 22,000 persons were tested on the open roads and in small communities.

"For my Christmas, I want you to tell my son you've run out of bicycles for the time being."

## Witness Says Cult's Founder Claimed He Talked to Long-Dead Philosopher

LOS ANGELES, Dec. 13 (UP)—A witness testified in the "I Am" cult fraud trial that the late Guy Ballard, founder of the sect, claimed he had meetings in downtown Los Angeles and in the Hollywood hills with St. Germain, French philosopher who died some hundreds of years ago.

The witness was Karl Pierce, a former associate of Ballard.

**Fraud Claimed**

He was placed on the stand by the government in its effort to show thousands of "I Am" followers all over the country were defrauded by Ballard's widow, Mrs. Edna Ballard, her son, Donald, and eight other leaders.

One of the government's charges is that "I Am" leaders obtained large profits from the sale of books supposedly divinely dictated to Ballard by St. Germain.

"Guy frequently spoke of St. Germain," said Pierce. "He said he met him first in Pershing square and later in the Hollywood hills."

Pershing square in a park in downtown Los Angeles.

**Reads From Book**

Assistant U. S. Attorney Ralph Lazarus read into evidence excerpts from one of Ballard's books, called

## No Hope for Early Relief Of Cold Wave

SALT LAKE CITY, Dec. 13 (UP)—A wave of glacial cold settled over the intermountain region today and the weather bureau held little hope for early relief.

The cold wave followed snowstorms which blocked highways and made driving conditions perilous in most states in and adjoining the Rocky mountains.

Butte, Mont., was the nation's coldest spot with a minimum temperature of 21 degrees below zero. Only one other city on the North American continent, Prince Albert, Alberta, with a reading of -22, officially recorded a lower temperature, according to the weather bureau.

Other lows were recorded at Williston, N. D., -15; Miles City, Mont., -11; Havre, Mont., -10; Calgary, -10; Yellowstone park, -5; Omaha, Neb., -1. Denver had a minimum of one degree, Pocatello, Ida., six; Salt Lake City, seven; Boise, 12, and Twin Falls, 2.

## CAUTION

CHICAGO, Dec. 13 (UP)—If you're superstitious about Friday the 13th, the National Safety council today offers these suggestions:

Walk under a ladder but don't walk against traffic lights. Carry a rubber foot, if you like, but depend on your own feet for safety.

Light three cigarettes on a match, but three drinks before driving are three too many. Break a mirror, but don't break traffic laws.

### Mrs. Anderson Named By Past Noble Grands

Mrs. Clara Anderson was elected president of the past Noble Grands club at a meeting last evening at the home of Mrs. Ella Cogswell, Lincoln street.

Also named to office were Mrs. Genevieve Hollenbeck, first vice-president; Mrs. Corda Bowen, second vice-president; Mrs. Victoria Pettigrove, secretary, and Mrs. Myrtle Ballantyne, treasurer.

Mrs. Ballantyne, Mrs. Hilda Tarr and Mrs. Anderson were assistant hostesses.

Mrs. Anderson appointed Mrs. Tarr, Mrs. Thelma Dean and Mrs. Clara Davis as members of the year book committee.

Mrs. Dean gave a Christmas reading, "Is There a Santa Claus?" Christmas carols were sung, with Mrs. Clara Walter as leader. Refreshments in the holiday theme were served.

### Camp Mary Lois Plans Novelties For Yule Party

Camp Mary Lois, Daughters of the Utah Pioneers, will meet Monday afternoon at 2 o'clock at the Idaho Power company auditorium.

Mrs. Emma Lake, Mrs. Rose Bailey, Mrs. Myrtle Ainsworth, Mrs. O. T. Parkinson, Mrs. Lydia Smith and Mrs. Wilson will be co-hostesses.

A gift exchange will be a feature, and it is recommended that handmade gifts be presented. A prize will be awarded for the most original handmade item.

Each member is invited to bring an eligible member as a guest. Pioneer Christmas novelties will be featured in the decorations. Mrs. Blackmore will be the program chairman and Mrs. Mary Wright will be in charge of the lesson on "Women of the Desert."

Mrs. Martha Barrett, Tolman, Murtaugh, will tell of her experiences coming across the plains to Utah as a child. She will also sing a song as a special feature of the program.

### Camp Fire Girls To Be Honored By B. P. W. Club

Twin Falls Business and Professional Women's club will entertain at the annual Christmas party Tuesday evening, Dec. 17, at 8 o'clock at the Idaho Power company auditorium.

Camp Fire Girls of Mrs. W. J. Adams, president, and the B.P.W. club, will be special guests. Each young girl is invited to bring a friend, and the group will receive gifts from the hostess club.

Members of the club are asked to bring gifts for the exchange. These later will be presented to the Salvation Army.

Mrs. Ella White is chairman of the committee on arrangements. Refreshments will be served.

### Shower Given For Mrs. Ditter

Mrs. C. S. Lee entertained last evening at a cleverly arranged nursery shower in honor of Mrs. Lester Ditter.

Contract bridge was the diversion, with high score going to Mrs. Robert Worthington.

The honoree received a number of attractive gifts.

Sister guests were present. Refreshments were served following the games.

Holly and red Christmas tapers completed the Yuletide decorations.

### Twin Falls and Blaine MIA Attend Convention

M. I. A. members of the Twin Falls and Blaine stakes will attend a national convention at the hotel in Salt Lake City, Utah, this evening at 7:30 o'clock at the Twin Falls stake home, according to Mrs. Lorraine Phillips and Melvin Cutler, in charge.

Music, drama, the dance and speech will be emphasized, and all officers and members of the stake are asked to attend. A dramatic interpretation of a one-act play, "Where's Will," will be presented by members of the Twin Falls stake as part of the evening's entertainment.

### Brethren Guild Has Successful Bazaar and Sale

Fifty members and three guests of the Junior Guild of the Church of the Brethren, meeting Thursday afternoon at the home of Mrs. Clarence Norris, received announcement that \$35 was realized from the recent bazaar and cooked food sale.

Guests were Mrs. Gaylord Spire, who recently arrived from Iowa to make her home here; Mrs. Smallwood, Kimberly, and Mrs. Aubrey Stockley.

Mrs. Victor Melton presided at the business session; Mrs. Clifford Smallwood led the devotionals, and Mrs. Dwight Mitchell led the group in singing "Idaho."

The group voted to provide Christmas boxes and peanuts for the children of the Church of the Brethren Sunday school.

Mrs. Harlow Kline won the white elephant. The customers got the change was dispensed with, and the equivalent in money will be diverted to some benevolence.

A letter from Mrs. L. C. Craig, former officer of the organization, now living in Rock Springs, Wyo., was read to the group.

The guild closed yesterday. Mrs. Verne Melton's team chalking up 680 points as compared with Mrs. Lawrence Murphy's team, who received 565 points.

Next meeting will be Jan. 9 at the home of Mrs. Dorothy Ross.

### Mrs. Benoit Will Be Pan-America Auxiliary Head

Mrs. Harry Benoit has been appointed Pan-American chairman for the Idaho department, American Legion auxiliary.

She received the appointment yesterday from Mrs. C. L. Montgomery, Glens Ferry, department president, who is en route to her home from official visits to auxiliary units in the vicinity of Idaho Falls.

Mrs. Benoit and Mrs. Howard Larson will be the district president, while in Twin Falls yesterday.

### ROOM MOTHERS PLAN HOLIDAY CHEER

Room mothers of the Lincoln Parent-Teacher association met Wednesday evening at the home of Mrs. W. F. Stumm, Mrs. Oliver Anderson presiding at the business session.

Plans were completed for the filling of the Christmas stockings for the room mothers dressed dolls to be given with the baskets.

Refreshments were attracted. Second grade room mothers assisting Mrs. Sahnon in serving refreshments were Mrs. Alla Richardson and Mrs. Harold Millon.

### Calendar

Twin Falls chapter, American Association of University Women, will meet Monday afternoon, Christmas party Saturday at 8 p. m. at the home of the state president, Mrs. A. J. Peavey, 160 Seventh avenue north. Mrs. Peavey, chairman of the fellowship committee, will have the playing cards ready for delivery at this meeting.

Approximately 100 guests are expected to attend the affair. Guests from out-of-town will arrive in the late afternoon and be entertained at the stake house by members of the Twin Falls stake board of the I. D. H. church.

Wards in the Blaine stake are Jerome, Jackson, Fairfield, Gooding, Shoshone, Wendell and Hagerman. Twin Falls stake is comprised of two Twin Falls wards, Murtaugh, Kimberly and the different wards.

W. O. Robinson, noted dancer; Mrs. Katie C. Jensen and Mrs. Frank W. McCallie, all of Blaine City, will be distinguished guests.

## Social-Clubs-Lodges

### New Ideas in Christmas Wrappings

These Christmas gift packages were especially designed for the social and club page of the Idaho Evening Times by Mrs. P. R. Taber. They are described in the accompanying article.

### Suitability, Imagination Should Be Reflected in Your Gift Wrappings

By JEAN DINKELACKER

Suitability and imagination should be reflected in a gift package if it is to achieve an artistic standard. That is the opinion of Mrs. P. R. Taber, one of whose hobbies is the creation of individualistic gift wrappings. She adds, however, that there are no hard and fast rules for gift package adornment.

Double Keyhole

It is advisable that wrappings should be a keynote to the personality of the recipient, and equally suitable to the contents of the package.

"Imagination's the thing that's needed—that and some skill in wrapping and tying. With this in mind, plus a paste jar and the other essentials, you are on a working basis and may create beautiful, alluring combinations. Striking effects may be obtained by using a strip of seasonal foliage, leaves or berries where they will show off to the best advantage," is her advice on holiday packages.

The largest package in the above picture is both appropriate and striking. Its color combination is blue and a deep brown, and a matching light blue skirt.

The two-toned effect was accomplished by using deep wood brown tissue paper and ordinary blue lined light brown wrapping paper. Deep brown raffia was placed around the package where the two papers joined and a many-looped raffia bow was tied securely.

Into it were looped two cotton pods of contrasting dark and light brown, and three blades of wheat, one part of a winter bouquet.

Mrs. Taber, as well as other experts in gift wrappings, recommends that you use a box especially reserved for keeping items that might be utilized in packages.

Artificial flowers and bits of ribbon, party favors and left-over bits of paper from former seasons often help in achieving just the effect you are looking for.

The Christmas tree-studded package below it contains a child's gift. The adornment was kept colorful and flat since it was wrapped for mailing.

Red and white candy striped cellophane paper was immediately suggestive of a juvenile package, and was applied to the box three times to be just "too much stripes" for a pleasing effect.

Here's How

So the upper half was covered with chunky red paper, a miniature Christmas tree favor was cut in half and applied to the package with glue. A white raffia bow, the loops of varying length, was then placed on the tree trunk.

In the foreground is a plate wrapped with amber cellophane and decorated with an exotic coil of deep bronze cellophane ribbon.

Any round, flat object, usually difficult to wrap, may be thus arrayed.

A square of cellophane is fitted tightly about the object, so that the paper takes on an "accordion pleated" effect, and the ends brought together at the top and secured by a band of fine wire, such as can be obtained at any art store.

To make the "alarm clock spring bow," wind the ribbon tightly around the finger or some round object, and then, holding the coil securely at one point, "ease out" the loops at varying degrees until the desired effect is obtained. To guarantee that it remains stationary, secure to package with fine wire, and then finish with a bow knot to conceal the point of connection.

Rose cellophane makes the small white vase look particularly "girly," especially since a corsage of silver flowers and leaves has been added.

The flowers were separated from the leaves, the petals covered with the rose cellophane, and then wired to the top of the package, then the leaves were put in proper place and glued. A strip of cellophane was used instead of ribbon for the final tie.

### Leader of WSOS At Coast Meet, Members Told

Meeting of the Women's Society of Christian Service yesterday at the Methodist church parlors was presided over by Mrs. William Baker, first vice-president, in the absence of Mrs. Roy J. Evans, who is attending the western Jurisdictional conference of officers of the W. S. C. S. this week in San Francisco. Mrs. Evans is also president of the Idaho conference of the W. S. C. S.

Sixty women attended the meeting. Plans were completed for a rummage sale to be held Saturday, Dec. 14, in a downtown store. Refreshments were served from a table at which Mrs. Baker and Mrs. H. G. McCallister presided. Lighted red tapers were featured in the Christmas appointments.

Members of Circle No. 8, with Mrs. Archie Poe as chairman, were hostesses of the afternoon. The program included:

Carol singing, accompanied by Mrs. C. H. Bluman and led by Mrs. W. W. Wright; devotionals, Mrs. Paul Rowan, assisted by Mrs. Saur, Mrs. Malhotra, Mrs. Dine, Mrs. Reese; review of articles from church magazines by Mrs. C. O. Johnson, Mrs. Everett Rice and Mrs. P. E. Sanders; carol selections, Mrs. Virginia Francis, violin; and Mrs. A. E. Francis, piano.

### Mrs. T. Walton Feted at Shower

Mrs. Thomas W. Walton was honored at a "pink and blue" shower yesterday afternoon at the home of Mrs. Martha Smith, guests being members of the Gift club.

Luncheon was served at a single table, centered with a Christmas scene, Santa Claus, pine trees and reindeer, arranged on a mirror.

Miniature stockings filled with candies were at each place.

Mrs. Mary Newbury and Mrs. Boyd Kammann were guests of the club.

Gifts made during the year and presented to the treasurer for safekeeping until December, were redistributed to the members during the session.

Mrs. Addie Moore will be hostess to the club the third Thursday in January.

### Riverview Club Attends Party

Riverview Social club members attended a pot-luck luncheon and gift exchange yesterday afternoon at the home of Mrs. A. Quessell.

The club voted a donation for the Children's home in Boise.

Christmas carols were a feature of the afternoon.

Mrs. Paul Quessell was elected to membership.

### RELIEF SOCIETY MAKES BAZAAR PLANS

First ward Relief society conducted a regular work and business session yesterday at the church, quilting finished for the bazaar to be held Dec. 17. On the same day a dinner will be served at 6:30 p.m. at the church and musical entertainment and dancing will follow.

Mrs. Bertha Miller conducted the afternoon session, followed by the morning work period and a noon luncheon. Mrs. Maud Mobley led the carol singing. Mrs. Jennie Crowley accompanied. Mrs. Ruth Johnson was in charge of the nutrition lesson, and Miss Margaret Hill assisted.

### Men's Packages

"Keep your packages ballroom—they don't seem like a lot of gingerbread," Mrs. Taber observed.

This is an especially good year to use the tri-color scheme, red, white and blue. In creating packages the "best but not sandy" type for the masculine wardrobe on your gift list.

Here are some suggestions:

#### "Snow Rollers"

When snow has just the right consistency, the wind sometimes rolls it into cylinder-shaped masses known as "snow rollers," which increase in size as they roll along.

#### About Tea

Pekoe is a grade of black tea, and not a particular brand of tea. Orange pekoe is a grade resulting from sifting the leaves through a sieve with a mesh of a specific size.

## FLU IN SCHOOLS AT HIGH LEVELS

Attendance records at the public schools of Twin Falls show that there are still approximately 17 per cent of the students ill with influenza. It was announced this afternoon by Supt. Homer M. Davis.

On Monday of this week 20 per cent of the students were missing classes, but this number dropped to 17 per cent Tuesday and has continued at or near that percentage since that time.

Davis said that improvement in the condition at the Washington grade school, where the "die" struck hardest, was noted during the past two days but slight increases of illness among other students in the other four schools served to keep the percentage up.

Hospital attaches this afternoon reported that 15 persons are now undergoing treatment for pneumonia, and added that this number is "doing nicely."

School records show that a good percentage of the illnesses have been "relapses," usually caused by school authorities sent students home because they were running a temperature and then the student failed to remain at home until the temperature was again normal, but rather returned to school only to become ill again.

A check at various leading department stores and the postoffice today showed that influenza is still prevalent with from three to 15 per cent of the workers ill at home.

## GROSS QUOTAS IN DRAFT ALLOTTED

Gross quota of draft registrants to be furnished by Twin Falls county area No. 1 by next June 30 has been fixed at 307, officials of the draft board here were advised today by state headquarters at Boise.

The gross quota for all other Magic Valley boards were also increased in the message. Chairman Walter C. Musgrave said. To secure the net quota, the amount actually to be provided by each board, the state headquarters will subtract the number of men enlisting in the armed forces after the time the gross allotment was determined.

Will Be Cut Further  
The area No. 1 quota of 307, and the quotas for other Magic Valley boards—thus will be further reduced since army and navy enlistments are high in this section.

The gross quota for Idaho as a whole will be 8,100 men by June 30, Chairman Musgrave was advised by Brig. Gen. M. G. O'Connell, state director of selective service.

The Gross Quotas  
Gross allotments for the Magic Valley draft boards are as follows: Twin Falls No. 1—307. Twin Falls No. 2—205.

Jerome—165.  
Minden—142.  
Gooding—137.  
Coe—123.  
Blaine—103.  
Elmore—86.  
Lincoln—63.  
Carnegie—21.

## OBJECTOR FIGHTS U. S. DRAFT LAW

PHILADELPHIA, Dec. 13 (AP)—Constitutionality of the selective service act was attacked today in a suit filed in federal court by a 23-year-old conscientious objector who refused to register for the draft.

Merrill E. Gust, Jr., of Bethlehem, who was arraigned last week on draft evasion charges, entered a demurrer attacking the legality of the conscription law.

## News of Record Funerals

CHIEFF—Funeral for Herman Giff, Twin Falls farmer who died early Wednesday, will be held at 7:30 p. m. today at the Twin Falls mortuary chapel and final rites will be conducted Saturday at 10:30 a. m. at St. Edward's Catholic church.

Father H. E. Heinen being the celebrant at the requiem mass. Interment will be in Twin Falls cemetery.

In Boise  
E. S. Harper, Twin Falls, transacted business in Boise yesterday.

**Holiday Visitor**  
Arthur Vallon, student at the University of Colorado Boulder, arrived yesterday to spend the holidays with his parents, Mr. and Mrs. R. J. Vallon.

**Engineer Transfers**  
C. L. Smith, who has been engaged in engineering projects for the city of Bull, has moved to Oakley where he will be in charge of the new water system there.

**Mary-Maria**  
Mary-Maria class of the Baptist church Sunday school will hold the annual bazaar and croquet food sale at a downtown store in Twin Falls Saturday, Dec. 14.

**Nurses' Party**  
First District Nurses' association will meet today at 8 p. m. at the home of Mrs. Harry Wilson, Buhl, for the annual Christmas party. Each member is privileged to bring a guest, and will also bring a toy, not to exceed 25 cents, for the gift exchange. Later the toys will be given to the nursery school.

**Star School Club**  
Star school club will meet Monday at 2 p. m. at the home of Mrs. John C. Harvey, 412 Blue Lakes boulevard, for a luncheon and the annual Christmas party and gift exchange. Hostesses will be Mrs. Carl Anderson, Mrs. L. Long, Mrs. Elwood Bolter and Mrs. Dale Wadman.

**Senator Arrives**  
Senator D. Worth Clark arrived in Twin Falls this afternoon from Boise. He will attend a special session of the Chamber of Commerce session for directors and other businessmen at the Bogerson hotel at 4:30 p. m. and is also expected to remain here over Saturday.

**Textbook Recommendation**  
Recommendation that districts make textbooks available on a nominal rental basis, as is done in Twin Falls and some other communities, was offered by Mr. Olmstead, chairman of the textbook committee. Mr. Kunkel, head of the insurance committee, recommended that study of the insurance program for public buildings (including schools) be continued.

**Mr. Bailey urged wider use of a "blue card" system to authenticate or disprove reliability claims by salesmen and dealers in chain supplies.**

**C. L. Bussan, Buhl, and Harold Koepf, Boise, were introduced as Twin Falls county representatives.**

## DEATH SUMMONS AGED FILER MAN

E. W. Jones, 80, resident of the Filer vicinity for the past 31 years, died at 6 a. m. today at his home, one mile west of Filer. He had been ill the past two weeks.

Mr. Jones operated his farm until the age of 80, retiring 10 years ago. He is survived by his wife, Mrs. Mary Jones; one daughter, Mrs. Mildred Jones; Filer; a brother, Fred Jones, Filer; three sisters, Mrs. E. Herrick, Red Owl, S. D.; Mrs. Hannah Jones, Los Angeles; and Mrs. Sarah Carrington, Oshkosh, Wis.

Date of funeral has not been determined, but the services will be held early next week at the Church of the Nazarene, Filer, Rev. Purman Harris officiating.

The body rests at the Reynolds funeral home.

## WOOD INDUSTRY BACK AT NORMAL

SEATTLE, Wash., Dec. 13 (AP)—The Pacific northwest's lumber industry, strike-ridden for two and a half months, returned to normal today with lumber mills reopening under a new wage agreement negotiated through federal mediation. More than 14,000 men benefited by the increases.

Only the Weyerhaeuser logging operations at Shoughallies, Falls and four other camps in the Morton and Mill Creek areas, involving 1,000 men still were at a standstill, and because of the snow and Christmas season may not reopen for several weeks.

## TRUSTEES ELECT FOUR DIRECTORS

Directorate of the School Trustees' association of Twin Falls county was held at a full board today after election of four directors yesterday at a meeting in the Idaho Power auditorium.

Those elected were: A. C. Amsterdam, re-elected; Earl Potter, Hansen, replacing Mrs. Elmer Parrell, Berger. All terms are for three years.

Carl Harder, Deep Creek, was elected for two years to complete the term of Howard Gault, Deep Creek. Mr. Gault moved out of Idaho.

**Regentize Tuesday**  
New trustees and the holdover directors will convene at 1 p. m. next Tuesday, Dec. 17, in offices of Mrs. Doris Stradley, county superintendent, to organize and select 1941 officers. The holdovers are: B. Noel Bailey, Union, president; Anton Suckman, secretary; Ed. E. Olmstead, Twin Falls; Fred Richter, Castleford; Oliver W. Johnson, Murtaugh.

Speakers at yesterday's gathering were Supt. Homer M. Davis, Twin Falls, whose explanation of the equalization law was reported fully in the Evening Times Tuesday; and Gerald Wallace, vice-principal at Twin Falls high school. Mr. Wallace discussed the proposed elevation in requirements for teacher certification, and also outlined need for strengthening the state education fund which has never undergone complete audit.

**Textbook Recommendation**  
Recommendation that districts make textbooks available on a nominal rental basis, as is done in Twin Falls and some other communities, was offered by Mr. Olmstead, chairman of the textbook committee. Mr. Kunkel, head of the insurance committee, recommended that study of the insurance program for public buildings (including schools) be continued.

**Mr. Bailey urged wider use of a "blue card" system to authenticate or disprove reliability claims by salesmen and dealers in chain supplies.**

**C. L. Bussan, Buhl, and Harold Koepf, Boise, were introduced as Twin Falls county representatives.**

## MINISTER BACK FROM U. S. MEET

Rev. H. G. McCallister, member of the national board, has returned from Nashville, Tenn., where he attended sessions of the Methodist conference on Christian Education, held from Dec. 4 to 10.

Five hundred church workers in the field of religious education, representing all sections of the United States, attended, according to Rev. McCallister.

Principal objective of this conference was the developing of emphasis and making program plans for the ensuing quadrennium, he stated.

This body selects the teaching material for use within the church, exploring the whole field of need from the kindergarten to the graduate course for adults.

It is comprised of the editorial staff and the committee of education in the local churches. The latter body brings in the material for the former body is charged with the responsibility of preparing the material for use throughout the church, according to Rev. McCallister.

## Workmen Reject Bridges Proposal

SEATTLE, Dec. 13 (AP)—Harry Bridges, president of the International Longshoremen's and Warehousemen's union, suffered a defeat here today when Seattle members of his union voted against his proposed working agreement negotiated with waterfront employers.

The vote was 606 to 364 against the proposal. Seattle was the first port to reject the plan. Portland and San Francisco voted for it.

Fires are the foot of most spiders, and spiders form the foot of certain flies.

## Seen Today

Mrs. Helen Henderson coming into police station with bird-dog that followed her from Ninth avenue east, and making officers to keep the dog long enough for her to get away. Man placing quilt over auto radiator to thaw it out after two degree temperature this morning. Probate judge, writing out an order to bring action in case of a five-year-old youngster deceased by his father, both living in chilly one room shack and the child already has a cold. Lady bringing frozen bottle of milk back to store. C. of C. and Townsend leaders dashing around making final plans for meetings at which businessmen entertain Sen. D. Worth Clark and Townsends play host to Cong. Henry C. Llewellyn, both on same night. And at least two high school girls, deciding discretion is the better part of valor, abandoning the bare-leg-ankle-socks theory of don full hose.

**Regentize Tuesday**

## Kimberly Giants Prepare for Season's Opener

There may be bigger high school basketball teams in the nation—but it's doubtful that there are any. Kimberly Bulldogs, enrollment 250 or less, in high school—which can boast of a squad the size of the Kimberly Bulldogs. Here's a sample of eight of the leading candidates for the title, all of whom may make the traveling squad: (Right to left) Leland Stronks, 6 foot, 5 in. 170-pound freshman, age 15; Junior Emerson, 6-4, junior; W. Savage, 6-1, junior; Z. Savage, 6-1, sophomore; B. Emerson, 6 feet, junior; Woodland, 5-11, senior; Hanes, 5-11, senior, and Roy Roger Rathbun, an even five feet, with Coach Bill Squance at the left. Junior Emerson, Bob Emerson, W. Savage and Hanes are letter-men.

The long-and-short of it on the Bulldogs squad: Stronks, the towering freshman, stands with Rathbun, the not-so-tall sophomore. Total difference in height: 1 foot, 3 inches.

(Times Photos and Engravings)

And here Rathbun takes a look at the shoe that is used as the foundation for the Stronks frame. He is 5'11" and is nearly as wide as it is long. Despite his size, Stronks has unusual coordination for a freshman.

## Hogan Takes Lead in Miami Open

MIAMI, Fla., Dec. 13 (AP)—Ben Hogan, who has collected more dollars this year than any professional in the country, was well on the way to clinching gold's money winning honors as he set the pace in the second round of the \$10,000 Miami Open championship today.

More than \$10,000 ahead of any rival in the money winning race for 1940, the White Plains, N. Y., pro yesterday traveled over the first 18 hole round in a three under par 67 to the for several hours with Ben Lovejoy of Springfield, Mass.

Outside Chance Jimmy Demaret, with \$10,077 to his 1940 credit and Sammy Snead, who has won \$10,206, are the only ones in the field with even an outside chance of overthrowing Hogan, and they must take the winner's \$2,000 out to do it.

Hogan, who was also under par with a 271 in winning the big check here last year, was two strokes off Hogan's pace as they set out today, and Demaret, sensation of last year's winter circuit was three behind with his par of 70. 70 low pros and ties and the 10 low amateurs and the qualifying for the final 36 holes tomorrow and Sunday.

Shout 6th.

Bruckner at 10 with third wire Byron Nelson, Jay McPherson, Jimmy Thompson and Jim Turney.

With Demaret in the 70 group were Tony Penne, Horton Smith, Mike Thurston and Ky Laffoon.

National Amateur Champion Dick Chaplin, of Greenfield, Conn., topped the alumni-purses into the second round with a one over par 71. Pat Wanner, the Pittsburgh-based player who was released last week, had a miserable 86.

## Kimberly Boasts Cage Club of Young Giants

By HAL WOOD  
Evening Times Sports Editor

Kimberly high school, with a total enrollment of something less than 260, today laid claim to the national basketball squad in the state—and possibly in the nation for Class B schools.

With four men over six feet in height and a squad of nine players all over 6-11, Coach Bill Squance can boast of a nine-man club that could put a team on the floor averaging 6-2 and with two of these men over 6-4.

The behemoth of the squad is a freshman Leland Stronks, who weighs 170 pounds, is 6-5 and has a remarkable coordination for a youngster of that age and size. When he jumps out he should be quite a boy. He'll be on the traveling squad but probably won't become a regular immediately.

Next in line is Junior Emerson, a 6-4 regular from last year's good team. Then there is Bill Savage and Zane Savage, each at 6-1. Bill being a regular from last year's club and Lou Savage, a sophomore.

In the 5-11 group are Hanes, a letterman, Cole, Woodland, a letterman and Woodland. Another regular from last year's club is Murray, a letterman at 5-8.

From there the squad drifts on down to average heights of 5-10 to 5-8, some of them pretty good ball players who will be giving the giants a battle for team positions.

The Bulldogs open their season at Carey tonight, and then play at Halley Saturday night. Their home season opens at Kimberly on Tuesday night at Wendell.

Yes, they grow 'em tall at Kimberly. And if you don't believe it, then look at this: When you open your eyes to the gymnasium, the Junior high school team was just finishing practice. A couple of youngsters trotted off the floor. Ted Stronks, brother of Leland, age 14, height 6 feet; John Johnson, 6-1, age 16. Both in the eighth grade.

And will pit National Champion Louie Erickson, Jr., a letterman, who played for the team at Twin Falls, Idaho, and transfer student from Hiram, Minn., who has had previous ring experience.

Special bout on Saturday night's

## Cleveland, Boston, Washington Make Triangle Deal Involving 7 Players

### Rosters Set For Annual Shrine Game

SAN FRANCISCO, Dec. 13 (AP)—The rosters of the East and West football squads that will compete in the annual Shrine game here New Year's day was completed today with the addition of three men to the western team. The game is for the benefit of the Shrine hospital for crippled children.

The Eastern team, under Coach Andy Kerr of Colgate and Bernie Herman of Minnesota, gathers at Northwestern university next Wednesday and will reach the University of California, its headquarters, three days later.

The West squad will report to Coach Orrin (Babe) Hollibaugh of Washington State and Matty Bell of Southern Methodist at Stanford university a week from tomorrow.

The East squad:

Centers—Leon Gajek, Penn State; Dwight Gahn, Indiana.

Guards—Tom O'Dwy, Tubus;

Joe Lokane, Northwestern; Louis

Cornell, Cornell.

Tackles—Tony Ruffa, Duke; Fred

Davis, Alabama; Nick Drabos, Cornell; Mike Palk, Iowa.

Ends—Larry Cabrelli, Colgate;

Hans Schumack, Cornell; Ed Prue,

Michigan; Bill Johnson, Minnesota;

Backs—Bob Palfra, Minnesota;

Tom Harmon, Michigan; Red Bab-

benstein, Northwestern; Milt Piepel,

Notre Dame; Frank Reagan, Penn-

sylvania; George Muka, Carnegie

Tech; Dave Altitude, Pittsburg;

Forest Evashevski, Michigan;

George Kraus, Pittsburg.

Western Squad

The West squad:

Centers—Rudy Mucha, Washing-

ton; Robert Nelson, Baylor;

Guards—Leonard Young, Ore-

gon State; Ben Solu, Southern Cal-

ifornia; Harold Lahr, Oklahoma;

Bernard Weiler, Kansas State.

Tackles—Jim Sears, Oregon

State; Vic Stuart, Oregon; Jack

Hartman, Rice; Stan Johnson,

Washington State.

Ends—Bill Jennings, Oklahoma;

Jay MacDowell, Washington; Har-

old Hickory, Arkansas; Jack Mul-

vey, Fresno State.

Backs—Paul Christian, Mis-

sour; Andy Marfo, St. Louis;

Jim Kisselburgh, Oregon State;

Dean Meadams, Washington; Jim

Johnson, Santa Clara; Bob

Peoples, Southern California; Jack

Banta, Southern California; Elmer

Gentry, Tulsa.

November, the 1941 year was windy,

with clear skies and no wind.

Many hunters point to this as

one of the reasons why hunting, as a

rule, was poor. Ducks on the wing

were flying high—if they moved at

all.

However, one bright light for the

invidious, waterfowl hunters this

year was the hunting of geese—re-

ported considerably better than it

has been in recent years.

### Bowler Sets New Single, Series Marks at Alleys

Coming within reach of the bowling hall of fame, Ed (Cap) Bringer set two records for the Twin Falls Bowlingmen Thursday afternoon by rolling a 284 single game and a three-game total of 686.

Bringer, a member of the News-Times team in the City League, rolled 10 successive strikes in his biggest game. After he reached seven in a row a concerted cheer went up from other bowlers in the establishment each time he collected another.

He filled all the regular frames with strikes but on the first extra toss the ball got away from him, downing only five pins. He picked up four more on his 12th ball.

The 284 was the highest single game rolled here since opening of the Bowldrome. It was the best one-game score in Twin Falls since Max Spahr achieved fame by rolling a perfect 300 in 1938 and Fred Stone got 299 four or five years ago. Both those games were in the old alleys.

Bringer's 686 series (284, 198 and 204) also represents the best three-game total yet posted on the Bowldrome alleys. It takes a wide lead in the Christmas-turkey contest and in the monthly competition for a half ton of coal.

### Jerome Quint Trims Declo In 1st Game

JEROME, Dec. 13 (Special)—Jerome Jaycees, pointing toward a successful basketball season, opened the 1940-41 Snake Valley Outlaw league schedule with a 39-28 victory over a strong Declo aggregation.

Jerome, led by John Norby, big center, the Jaycees were in front all the way, although the Declo club stayed right on their trail all through the first half, with the count standing at 23-18 at the intermission.

Norby hit the hoop for 19 points in the first half, while the count stood at 23-18 at the intermission. Norby hit the hoop for 19 points in the first half, while the count stood at 23-18 at the intermission.

November, the 1941 year was windy, with clear skies and no wind. Many hunters point to this as one of the reasons why hunting, as a rule, was poor. Ducks on the wing were flying high—if they moved at all.

However, one bright light for the invidious, waterfowl hunters this year was the hunting of geese—reported considerably better than it has been in recent years.

CLEVELAND, Dec. 13 (U.P.)—Cleveland, Boston and Washington kept the baseball mart lively today completing a triangular deal involving seven players.

Major portion of the deal was between Cleveland and Boston, but before it could be completed, Boston had to acquire hard-hitting Gerald Walker from Washington to wrap up in the Cleveland package.

According to the Indians' new manager, Dave Beckendorf, Boston sent Outfielder Doc Cramer to Washington for Walker in a straight deal.

Then, Cleveland sent Catcher Frankie Pytak, Pitcher Joe Dobson and Infielder Sunny Hale to Boston in an even swap for Walker, Catcher Gene Desautels and Pitcher Jim Bagby, Jr.

For some time, Slapnicka, has been offering Pytak as bait to acquire a hard-hitting outfielder, and Walker is expected to be the answer that problem. Pytak, a slub-born hotshot and an favorite of the Cleveland front office, hit only 141 in playing 62 games. With Rolfe Henneke as No. 1 catcher and Desautels to relieve him, the Indians seem well equipped behind the plate.

Desautels batted .225 in 33 games. Hale was regarded as a little past his prime, but he is expected to make Boston a good utility infielder.

Bagby, a right-handed, won 10 and lost 16 for the Sox last year. Dobson, a right-hander, showed plenty of speed and looked promising in an Indian uniform last season.

A "rain" of clover hay fell from the sky at Norwalk, O., in 1938.

## Potato Tops 6 Pounds

MEDICAL LAKE, Wash., Dec. 13 (AP)—A potato weighing 6 pounds 10 ounces, the heaviest ever grown in the state, was reported today by a local grower.

A year that promised to bring big bags to hunters of this area started on Nov. 1, and officially closed at 4 p. m. Dec. 13. During that time, however, despite the dense population, hunting has as a whole been reported poor.

Except during the pleasant season, which was open for 20 days in

November, the 1941 year was windy, with clear skies and no wind. Many hunters point to this as one of the reasons why hunting, as a rule, was poor. Ducks on the wing were flying high—if they moved at all.

However, one bright light for the invidious, waterfowl hunters this year was the hunting of geese—reported considerably better than it has been in recent years.

# U. S. Asks Court to Give Control in Primary Voting

## SEEKS MOVE TO ENLARGE POWERS

WASHINGTON, Dec. 13 (AP)—The federal government today asked the supreme court to reverse long-standing precedents and rule that the federal corrupt practices act may be applied to primary elections for the nomination of senator and representatives.

The government filed with the court a petition for review of the action of a U. S. district court in Louisiana dismissing election fraud indictments against five New Orleans election officials.

If the supreme court accepts the case and if the government wins, the power of congress to legislate for the control of primary elections would be expanded vastly. Some authorities speculate that the government is going to apply the Hatch act to nominating elections.

## CREAMERY SUE IN MAN'S DEATH

CALDWELL, Ida., Dec. 13 (UP)—Mrs. Violet Truette, Caldwell, Idaho, filed suit in district court against the Burreymen's Cooperative Creamery of the Boise valley asking \$25,000 general damages and \$250.00 special damages for death of her husband in an automobile accident.

Mr. and Mrs. Truette were riding with J. R. Brown, manager of the creamery when he was killed in the accident, when Brown's car struck an auto Pacific work train Oct. 4, 1939. Truette died two days after the accident. In the complaint, Mrs. Truette alleged Brown was driving between 70 and 75 miles an hour when he struck the train.

## Idaho Hunter Dies Of Gunshot Wound

ONTARIO, Ore., Dec. 13 (UP)—C. Fritz, New Plymouth, Ida., farmer, died in an Ontario hospital of injuries suffered in a hunting accident.

Fritz was hunting on his farm near New Plymouth and his wife became alarmed when he failed to return. Searchers found Fritz unconscious in a cornfield. He was shot through the stomach, apparently when he tripped and his shotgun discharged.

The body was taken to Payette for funeral services.

## "Curtain" Pledges UNIVERSITY OF IDAHO, Dec. 13 (Special)—Two southern Idaho women were pledged to the drama club, dramatics honorary, after the final curtain call of the ASUI play, "Family Portrait," last week-end. Pledged to the honorary were Lucy Adie Dillingham, Filer, and Virginia Ayer, Burley.

## EDEN Fellowship meeting of the adult class of the Presbyterian church was held Sunday evening in the church basement, with Mrs. Frank Bush presiding. Christmas carols were sung by the group. Miss Clara Hudson played a piano solo. Harold Fisher, Miss Hudson and Rev. C. Hawley each read an article on the seven signs as related in the Bible. "Origin of America" was read by Mrs. Curtis McNeil and "America" sung by the group. Mrs. Ed Reynolds and her group served refreshments.

## RELIEF SOCIETY OF THE L.D.S. church met Tuesday at the home of Mrs. Vernon Lance for the annual Christmas party and gift exchange.

## ANNUAL COMMUNITY CHRISTMAS program under the direction of the Parent-Teacher association will be held Thursday evening, Dec. 19, in the high school building, with an operetta presented by the girls school pupils under the direction of the grade school teachers. The operetta is "When Christmas Comes" Santa will be present with treats.

## MR. AND MRS. OSCAR PETER left Thursday for Minneapolis, Minn., where they will spend the Christmas holidays with Mr. Peter's parents and other relatives.

### ETON COLLEGE DAMAGED

LONDON, Dec. 13 (AP)—German airplanes have done irreparable damage to some of the buildings of Eton college. The most famous school in England, it was disclosed today.

## BURLEY TO DRILL FOR NEW WATER

BURLEY, Dec. 13 (Special)—Because of the large increase in the population of Burley, it has become necessary for the city to make plans for the drilling of a new domestic water well to augment the present supply. Mr. E. E. Eardley, city engineer, has plans and specifications ready to be submitted to contractors in the near future.

The proposed new well will be 18 inches in diameter and be drilled at the site of the old water well. It will be approximately 500 feet deep, the casing to be perforated 400 feet down, at the strata from which the present water supply is obtained.

The well will be completed with the latest type casing and equipped with a pump. The water obtained will be pumped in a separate pipe along South Street to a point near the storage tank, where the pipe will be connected with the present supply line. Two meters will be installed at the connection, one to check the output of the new well and one to measure the total demand for water at any time during the day.

The new well will increase the capacity of the system from 800 gallons per minute to 1,000 gallons per minute.

## OAKLEY PIONEER PAID LAST HONOR

BURLEY, Dec. 13 (Special)—Funeral services for Eugene Emery, 49, Oakley Pioneer, were held Monday at 2 p. m. at the Oakley Second ward church with Bishop Ivan W. Holt officiating.

A quartet, Theresa Paskett, Althea Hardy, Steve Paskett, and Forest Severe sang "Just Beyond the Hills," and George H. Severe offered the opening prayer. Pioneers sang "Silver Haired Daddy of Mine" and speakers were L. H. Hunter, Clarence Nelson, C. L. Hunter, and Bishop Holt. Gene Price sang "Empty Saddles" and the quartet sang "Beautiful Isle" with closing prayer by John A. Clark.

Burial was made in the Oakley cemetery beside the grave of his wife, with the Burley funeral home directing internment.

Funeral services were held at the home of Mrs. Mable Littlefield at 11 a. m. Monday. Burial was made in the Oakley cemetery.

## BURLEY

A marriage license was issued to August Joseph DeMauchel, 24, Burley, and Mary Zelma McEvoy, 18, Burley, Dec. 17.

Mrs. Mable Littlefield has accepted a position with the Burley-Burton Credit association.

Bob Brandt, son of Mr. and Mrs. Jesse Brandt, Burley, has been taken to his home and is recovering from injuries received in a motorcycle accident over a month ago.

Dr. and Mrs. O. H. Thomsen were in Seattle, Wash., Sunday, to attend the 55th wedding anniversary of Dr. Thomsen's parents.

Mrs. C. M. Wadsworth, underwriter a major operation at the College hospital last week.

Mr. and Mrs. John Schaeffer moved into their new home on South Canton avenue this week.

The Juniors and Explorers of the Burley Stake Mutual held a party Friday evening at the stake house with Carl Carlson, explorer leader, and Lillian Matthews, junior girls leader, in charge.

Fallfield class of the Methodist church held the annual Christmas party Monday evening at the church with a dinner followed by games and a gift exchange. About 25 members attended.

Annual Christmas party of the J. O. C. class of the Christian church will be held this evening at the church with a covered dish supper at 7 p. m. followed by games and a gift exchange. Mr. and Mrs. Thod Dickel and Mr. and Mrs. Claude Dick are in charge of arrangements.

The Christmas of Dad was the coldest on record in Great Britain.

## Last Load of Beets Leaves Castleford

CASTLEFORD, Dec. 13 (Special)—The last load of beets was hauled from the local dump this week to Cedar crossing to be loaded on railroad cars and shipped to the Twin Falls factory of the Amalgamated Beet Company for processing.

A fleet of 14 trucks has been busy for several days transporting the 300 tons of beets.

This is the first year that Castleford has had a last dump which is a big help to the farmers of this locality.

With the last of the beets being taken to Cedar crossing the loading shed was taken to Curry.

Joe Hamilton was in charge of operations at Castleford.

## McCoy Funeral

KETCHUM, Dec. 13 (Special)—Mrs. Rosa H. McCoy was buried here Monday afternoon. She died at Ketchum, Wash., Dec. 6. Deceased was formerly a resident of Ketchum, and was born April 22, 1878. The funeral was held from the local Episcopal church.

Books suitable for all ages and tastes at the Book Store. Can be safely mailed for 1/2¢ per lb.—Adv.

## BLUE KEY TAKES SOUTH IDAHOANS

UNIVERSITY OF IDAHO, Dec. 13 (Special)—Two southern Idaho boys were named into Blue Key, national sportsmen's service honorary, Wednesday evening. They are Ed Belmont, Twin Falls, and Kenneth Webb, Gooding.

The 16 pledges of the organization carried old clothes from camp to camp last Saturday and Sunday and the collection over to Latah County Sheriff L. K. Moody to deliver to the Moscow navy.

One of the pledges of the collection, according to members of the group, was an American beauty pin shirt with two rings that had been given to National Boxing Champion James Jackson, Jerome, for a Christmas present. In turn, he had given the shirt to his roommate, who had given it, or traded it, to another student. Anyway, Blue Key pledges finally obtained possession of the shirt.

A part of the initiation ceremony, the Blue Key pledges did several stunts, including a gymnastic basketball game last week-end and staged a "mock" basketball game at the halftime.

The northern Idaho team defeated the southerners 2-0 in the contest, although those from south of Whitehall hill claim a tie as they had the ball on the 1-yard line and first down and goal to go when the game ended.

## 28 Flu Patients At 'U' Infirmary

MOSCOW, Ida., Dec. 13 (AP)—Dr. H. D. Cramer, head of the University of Idaho health service, said today 28 or 42 patients at the university infirmary have a mild form of flu.

Dr. Cramer said no serious cases have been reported. Extra beds have been set up in the infirmary because of additional patients.

## INDUCTION DELAYED

WASHINGTON, Dec. 13 (AP)—Construction delays at army camps will cause delays of from one week to two and a half months in induction about 50,000 national guardsmen into the federal service, Secretary of War Henry L. Stimson said today.
