GERMANS DEMAND PROOF FOR BOMBING OF IRELAND

CLAIM ATTACKS WERE MADE BY BRITISH FLIERS

BERLIN, Jan. 7 (Special)—The German government is prepared to apologize and make compensation if investigation proves that German planes dropped bombs on Eire on the night of Jan. 1-2, it was announced today.

The statement said "strong suspicion exists" the bombs dropped on Eire the night of Jan. 2-3 were of British origin, that they could not have been German.

"It was probably another Athens case conducted according to well-known Chancery methods," a communiqué said.

"The reference was to the sinking of the British liner Athenia on the day she broke out Britain claimed a German submarine had torpedoed the Athenia while the German planes dropped bombs on Eire on the night of Jan. 1-2 it is actually the Germans who claim to have been involved in the German government and offer full compensation."

Council Balks at Housing Project; Bans Annexation

Members of the Twin Falls housing authority were "out on a limb" today after three councilmen last night voted "no" on a proposal to bring 20 acres of land into the city for use as a site in the low-income housing program, and had served notice that they would vote no on any annexation proposal where the land would be used for this purpose.

Declaring themselves against annexation of the land in order that the councilmen last night voted under without further delay, were Councilman Paul Taber, Lionel Dean and Leonard Averbach. Councilman Carl Ritchey, owner of the land refused admittance to the city, passed when the vote came and Mayor Joseph Koehler voted an emphatic "no."

"Notice that he would always" vote no on any proposal which would send and bring into the city for low-income housing purposes was made by Taber, who is finance commissioner, and that final vote on the annexation ordinance had been taken.

General Stand

"I'm not taking an attitude on this proposal at all. I'm always going to vote no on anything anything to do with this project, but I don't know where more is coming on it," Taber said.

Dean and Averbach immediately counter-attacked the statements made along the same line to the estimated 30 protesters to the annexation who were present at night's session. All three men said they were "not against" the project as such but rather were following the wishes of the people.

The session, before the final vote was taken under suspension of the rules, was "rough" in spots and featured three or four persons to talk at once.

Speakers

Chief spokesman for the protesters turned out to be H. C. Goldsworthy, W. Montzont, local contractor who stated that the project, if completed, would "just bring trash down here." Mrs. Rex D. Mathews, Practitioner of all the protesters got a "word" two before the session finally ended.

At one time during his explanation of the project, Goldsworthy said that the property belonged to the Twin Falls housing authority and not the government. He had pointed out to the council that the project would cost the city, county or state "nothing at all." Goldsworthy exhibited a large envelope which he said had been copied from a U. S. housing authority booklet and which showed where the project was supported.

Felt Like a Worn Out Man. Now He Feels Young Again

Indigestion, Blainings and Severe Gas Pains. Loss of Appetite, Dizzy Spells and Constipation

W. E. Quillian, Ogden, Utah, states that when I would eat, I would bloat and suffer from indigestion, I would feel so sore and have annoying dizzy spells and gas pains. I had very bad case of constipation. My kidneys bothered me, the severe pains in my back and legs made me awfully nervous and I felt so tired and worn out all the time. I really felt as if I was leaning on a man. Mrs. Quillian also suffered from the same discomforts. Her stomach was much the same and she would have terrible burps.

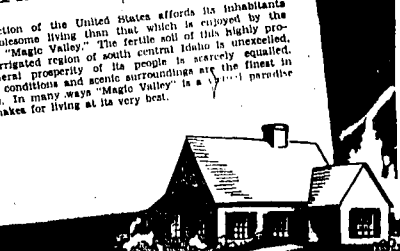

"We have been taking Hoyt's Compound for about three weeks and I feel a great deal better. The suffering people, who both of us were, I can get anything and enjoy it. Mrs. Quillian and I are leaving on a two week vacation in our car. We will also be grateful to Hoyt's Compound."

Hoyt's Compound is sold by the nearest pharmacy and all leading druggists in this entire section.

TWIN FALLS CLUB GOES AFTER HARRINGTON

Anderson, Kimes Talk to Walker On Sales Offer

Carl Anderson, new business manager of the Twin Falls Baseball corporation, and John S. Kimes, a director, left this morning for Boise to confer with Hadyn S. Walker, president of the Boise Pilots, regarding the purchase of Andy Harrington to be manager of the Twin Falls entry in the Pioneer league during the coming season.

The two local business men made the trip following an organization meeting last night of the baseball corporation at which Frank Magel, veteran baseball fan, was elected president; Ralph B. Smith, vice-president; Carl Hong, secretary-treasurer, and Mr. Anderson, business manager. The baseball organization was incorporated at the meeting for \$10,000 with other stockholders, John S. Kimes, Ray McKen, Bill McRoberts, George Sandholz and Gene Ostrander. Each stockholder is listed as a director of the club and each man in the organization has one share of stock. All of the stock in the organization has not yet been subscribed, but it will probably be taken up by the present members, according to Mr. Magel.

By-Laws Drafted
The organization saw the by-laws of the season, as drafted by Attorney Joe Blundell, accepted and Secretary-Treasurer Hong instructed to purchase necessary supplies. Office for the club will be at the ball park in the summer months when the league season is under way and at the Butler-Wegener offices in the winter, where a room will be rented out.

No arrangements have yet been made on use of the city baseball park, but members of the organization will probably meet with the city council in the near future regarding the contract.

Expert to Complete Deal
Anderson and Kimes are expected to complete their deal with Hadyn Walker for purchase of Harrington at the Boise meeting. Walker has stated that the popular Pilot has "for sale" the right party and he apparently was pointing to Twin Falls when he made that statement. He offered Joe Egnalis coach with Harrington as an exchange for Vern Reynolds, Twin Falls pitcher, and a lump of cash.

However, this offer has not yet met with approval. Egnalis is 28 years old, Harrington around 35. Reynolds is only 21.

HERE and THERE in the SPORTS WORLD

The Portland Beavers announced purchase of Ted Norbert, Pacific Coast baseball league home run king, from the San Francisco Giants. The Beavers plan to use Don White, recruit from Tacoma, in Norbert's place. The Beavers expect to lose outfielder Herman Reich in the draft shortly.

World Champion Willie Hagege, New York, won the first block of a four-way 480-point three-cushion billiard match last night from his challenger, Ake Schaffer, Cleveland. He scored 60 points to Schaffer's 38 and 39 innings at Chicago.

The New York Yankees report that Red Rolfe, third baseman, is in a hospital at Fenwick, N. H., recovering from a recent laceration and will go south with the Yanks.

Rain at Tampa, Fla., caused postponement until late of yesterday's scheduled start of the 17th annual Dixie tennis tourney, with National Champion Don McNeill seeded No. 1 in men's singles.

Bulla Pockets \$3,500 With Tournery Win

By ED CONKIN
LOS ANGELES, Jan. 7 (AP)—Johnny Bulla, who humbled the nation's best golf pro with a 35-cent ball, today pocketed \$3,500, winner's share of the Los Angeles open tournament's \$10,000 prize money.

The strapping Greensboro, N. C., who almost stayed at his California job because the Los Angeles open had beaten him five times, pounded out a 72-hole total of 281 to win top money under the toughest playing and mental conditions. And he did it with a 35-cent ball, the kind most golfers keep up the front of their drawers to knock about for practice.

First Victory
"This is the first tournament I've won since I turned professional when I was 15. But it's a good one to start on," he said.

His luck in the far west ran in the same groove until four days ago. In the first round of the Los Angeles open he shot a par 71; the next day a 66; a 78 in the semifinals; and an aggregate 288 and drew a bye to Ben Hogan and Clayton Hearner, with 284's, split fourth money and took \$1,000 each.

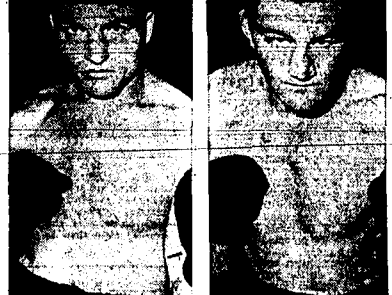

Then in December, 1939, he met Steve Dudas, who had been second himself. Dudas clinched a \$2,500 prize by knocking out his left hand, also dropped the decision.

Paterson Pat rested up for several months, left his hand mended. Then came the knockout by Madcap Maxie... in 239 of the first round. Comiskey went back to barnstorming...

Novo, Back in Ring After Year's Illness, Has Chance to Show He's a Contender

Novo, Back in Ring After Year's Illness, Has Chance to Show He's a Contender
Novo, who has lived up to his name so far, but some Jan. 10 he's going to try to prove fallen stars do shine again.

A nova, Noah Webster's book has it, is a new star, usually appearing suddenly, shining for a brief period, then sinking into obscurity. That's Novo all over. Now he is booked for his first major fight in a comeback attempt, meeting Pat Comiskey in 10 rounds at Madison Square Garden.

Novo was laid low over a year ago in a bout with staphylococcal sepsis. During the months he has been out of the public's and Mike Jacobs' eyes, he has been fighting paralysis. Now, he says, he is in better health than he's ever been.

Paterson Pat rested up for several months, left his hand mended. Then came the knockout by Madcap Maxie... in 239 of the first round. Comiskey went back to barnstorming...

Novo says he's a well man for the first time in four years. The Comiskey fight should show whether he's right.

Alice Marble Barely Wins in Pro Debut

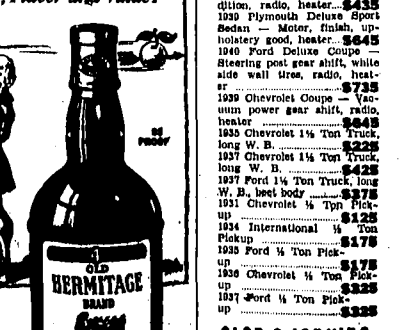

NEW YORK, Jan. 7 (AP)—An organ pealed "God Save the King" and lifted a British girl to the point where she almost dethroned a queen.

It was in Madison Square Garden and Miss Alice Marble, queen of all the tennis courts from Berkeley to Wimbledon, was making her debut last night as a professional. Her opponent was Miss Mary Hardwick of Britain, who listened to the anthem of her empire, and raftered and then almost brought about the first sports upset of the new year.

In the end, Alice's power and cunning overcame Miss Hardwick, 6-8, 6-6, but for 15 breathless minutes 12,371 persons through a flapping and mild defeat stared at her for her reputation.

The tennis troupe—Miss Marble, Miss Hardwick, Don Budge and Bill Tilden—rides westward today to start a 60-day tour in Chicago tomorrow night. They lured \$25,014 through the final count was \$2-42, while the Elks holding a 26-18 advantage at the half Elmer Edlington led the winners with 18 points, while James DeLoe star, got 17 for his club.

Snead's Faith in Johnny Bulla Justified in Los Angeles Open

By HENR. McLEMORE... LOS ANGELES, Jan. 7, (U.P.)—The course was long, the course was tough, and the rain it fell. But two boys had faith. One was Johnny Bulla, and one was Sammy Snead... It was ever thus. Well, if not forever, in 1938 anyway, when these two big country boys first met and decided to conquer the golfing world together... Bulla's victory in the \$10,000 Los Angeles Open tournament at the Riviera Country club yesterday brought the two of them closer to their dream... Snead was known at the time. Bulla was just a big strapping fellow from Greensboro, N. C., and Snead was fresh out of the hills of West Virginia... They didn't have \$200 between them. But they like one another at first sight, and over a hamburger decided to pool their meager savings and make golf winter tours. The first thing they did was
