## SOLOON BLASTS FOES OF AID BILL

### Powerful Reinforcements Are Landed at Singapore

**COMPLETE ARMY READY TO FIGHT ASIATIC BATTLE**

By HAROLD GUARD  
SINGAPORE, Straits Settlements, Feb. 19 (UP)—Powerful new reinforcements of bombing and fighting planes have arrived at Singapore, it was announced officially today as thousands of Australian troops were sped in special trains to key defense areas.

The new planes already have arrived at stations and are being strategic importance, it was said.

Together, the planes and the Australian who, eager for war, were disembarked last night and today, constituted a powerful force to strengthen the British empire army, navy and air force units awaiting a challenge by Japan to the Gibraltar of the east.

Constituting the strongest single force that ever arrived at Singapore, bringing their own artillery, anti-tank and mechanized equipment including nurses, the Australians disembarked from a navy-ported convoy here and at other Malayan ports.

Receive Escort  
Detachments of British empire troops escorted them at once to the special trains which were waiting in indication of the great magnitude of a far eastern war, at sidings near the main station.

Needs aboard the navy ships which arrived here were playing "back out the barrel" as they doctored. A huge column from thousands of soldiers, civilian and military, followed and the formations marched on the docks toward the water.

Seven thousand of the Australians began disembarking in apparently endless streams. "What's the hell going on? Why's the balloons going up?" they demanded as they came ashore.

Complete Army  
The Australian force was in fact a complete army.

Many of the Australians were hardly ashore before they began to express hope it would not long before there was a "real job" for them to do such as that which other Australians were doing against Italy in north Africa.

Admiral Shelton Layton, the naval commander, said in the only formal statement.

"The safe arrival of these strong reinforcements is another demonstration of the British command of the sea, which enables us to station forces where they are most needed, and is a clear indication of the growing strength of the empire forces.

The convoy had been 14 days en route from Australia.

### House Votes Survey On Alcohol Effects As Educational Aid

By LLOYD TUPLING  
BOISE, Feb. 19 (UP)—The Idaho house of representatives today voted to empower the state board of education to investigate effects of alcohol and narcotics and prepare a report for distribution to schools of the state.

Passage came shortly before the house recessed for memorial services to former members who died since the last legislative session.

There was no debate on the liquor probe bill, Rep. E. C. Preston, D. Canyon, explaining that the proposal "merely calls for investigation of the evils of liquor traffic and study of criminals whose behavior might have been affected by liquor."

"The proper way to handle the liquor problem is by education and this bill provides for that," he said.

Lay on Liquor  
Cost of the investigation and distribution of the report will be paid from a levy of one-half of one percent on the cost of liquor. The money will be placed in a special fund and investigators empowered to obtain records from state penal and charitable institutions regarding effects of alcoholic drinks.

Seven members of the house were memorialized at special services. Short memorial addresses were delivered honoring C. B. Wilson, representative of Cassia county; A. J. Kent, Boundary; Clarence King, Canyon; Ralph Leighton, Twin Falls; James Leake, Teton; Frank Smith, Ouster; Frank Turner, Madison.

Debate Looms  
Lengthy debate was in prospect when a vote to reorganization membership of the house took place on one representative for each 12,500 persons comes up for passage. The bill would reduce membership of the house by five members—one each from the delegations of Ada, Canyon, Twin Falls, Shoshone and Bonanza counties.

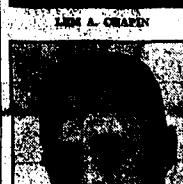

Introduced in the house was a bill setting up a perpetual cooperative warfare of the state for the benefit of public assistance and welfare. All county, state and federal relief money would be placed in this fund. It also provides for technicalities in regard to expenditures for relief.

The senate, meanwhile was faced with the matter of the retirement of the session, and on it were five measures of more than average importance.

"Barrister's Proposal"  
One provided for "run off" nominations at the platform convention of political parties for state and federal officers for which no one secured a majority in the primary election. Creation of a 19-man board to investigate the state public utility system. Amendment of the present law to make offices of public utilities commissioners elective, and providing for another bill.

Other proposals were for creation of foremen's retirement fund; amendment of the present law to make offices of public utilities commissioners elective, and providing for another bill.

Late FLASHES

ROME, Feb. 19 (UP)—British empire forces are attacking the Italian army in the mountains of Libya near the Egyptian frontier, the high command reported today.

Was assailed a violent attack on the Gharab oasis, south of Bardia, was repulsed and British troops were ordered to retreat. In an attempt to "cross the Italian positions" at Matra, farther south, were effectively bombed.

BELOGRADE, Jugoslavia, Feb. 19 (UP)—Bulgaria is steadily adding men to its army by new mobilization measures despite its new non-aggression declaration with Turkey, will increase its army by 100,000 men.

New divisions of Bulgarian troops have recently been called to the colors, informants reported.

Their departure measures continued and all German speaking Bulgarians were being called up. Each action was based on German speaking Bulgarians would be under military discipline in event of any new German move.

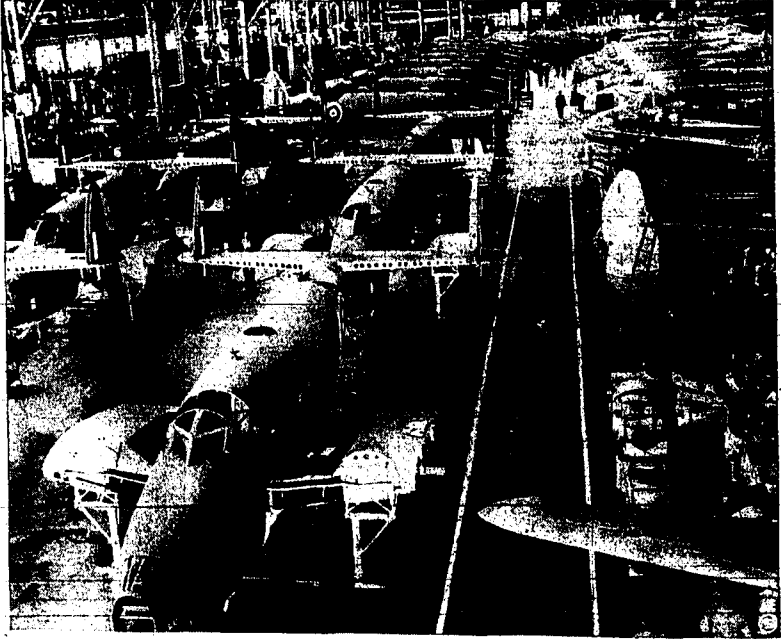

ATHENS, Feb. 19 (UP)—Well informed sources said today no German pressure has been put on Greece to make peace with Italy and cited a communique of the official news agency, issued last Saturday, that Greece would fight to the end.

They said the Turkish-Bulgarian non-aggression declaration had not altered existing commitments among Balkan nations.

LONDON, Feb. 19 (UP)—Military authorities disclosed today that British and American troops are being sent to the Italian front in north-western Ethiopia, from two sides.

It was intimated the drive, now which Tobruk and Arva, now held, were the great momentum, endangered the Italian hold on all northwestern Ethiopia and portents of retreat to the capital, Addis Ababa.

### Bombers for Belagued Britain Roll From California Assembly Lines

This impressive scene in the Lockheed-Hudson airplane plant at Burbank, Calif., where bombers are rolling from assembly lines in ever increasing numbers, gives some conception of aid America is rendering to Great Britain. These ships will be delivered overseas when completed.

### 4 DIE AS BLAZE SWEEPS MISSION

SAN FRANCISCO, Feb. 19 (UP)—Officials today sought cause of a fire that swept Mission community center, killed four persons, injured five and imperiled 50, most of whom were children.

The victims were Mrs. Linda Zachary, 50, and Mrs. Emma Herzog, 54. Red Cross sewing instructors; Mrs. Louise McCrary, 35, mother of two children, and Archie Colton, 8. All were hospitalized.

The fire apparently started on the stage of the auditorium, and burst through the roof. The women died in second floor rooms, apparently trapped before they could reach windows. The body of the boy was found on the floor of a lavatory, in half an inch of water.

Mrs. Marion Hayes, a dramatics teacher, saved more than a dozen children.

Keith Ellsworth, a sewing machine repair man, ran into the fire on the second floor and grabbed the little girl. He held her at a window until flames took her, then collapsed. Fire department Lieut. James Kelly carried Ellsworth from the building, but both were badly burned.

The two-and-a-half story building was a community chest project, and served as a recreational and educational center for women and children.

### 22,000 Men Go on Strike; Halt Work On Defense Orders

By LLOYD TUPLING  
Eighteen strikes in progress in defense industries today affected more than 22,000 workers employed on government orders in excess of \$85,000,000.

There were threats of additional walkouts.

Negotiations were stalled in the dispute at the Allis-Chalmers Manufacturing Co. plant at Milwaukee, Wis., where a strike of 7,800 United Automobile Workers' (CIO) union members has delayed production on defense materials worth \$40,000,000 since Jan. 22.

Representatives of the company and the union ended a conference abruptly last night when they failed to agree on interpretation of a statement of policy developed in five days of negotiation at Washington.

In an attempt to avert renewed violence the office of production management, company and union negotiators accused each other of repudiating the Washington agreement. Another conference was called by a federal conciliator.

Send Conciliators  
Indiana labor officials sent two conciliators to Richmond, Ind., in an attempt to avert renewed violence at the International Harvester Co. plant where pickets of the striking farm equipment workers' union have been shut down about a month. Increase wages are issues in all strikes.

Ask U. S. Control  
A regional director of the C. I. O. demanding at Buffalo, N. Y., that the federal government take over management of the Vanadium Corporation of America plant at Niagara Falls. The plant has been closed a week with 400 UAW-CIO workers on strike demanding high wages.

Despite the spread of labor disputes, production executives reported work on defense orders was progressing normally at most of the national plants.

ACTRESS BLOOPS  
YUMA, Ariz., Feb. 19 (UP)—Nancy Kelly, 19-year-old motion picture actress, and Edmund O'Brien, 25, New York actor, eloped here from Hollywood today and were married.

### KOCHLER'S BILL MOVES FORWARD

Legislative bill which would change the form of Twin Falls city government will be introduced in committee late this afternoon and ordered printed, Mayor Joe Kochler advised the Evening Times today by telephone from Boise.

The city executive said he had been assured administration backing for the measure, H. B. 236. After the order for printing, the act would go to second reading in the house of representatives.

The bill, if passed and signed, would order any Idaho city now under commission form of government to become organized at the next municipal election April 1—under general laws of the state. In effect, it would force Twin Falls to organize under the mayor-council system used in other major cities.

Would Lose Appropriations  
Kochler, in his telephone message this afternoon, said the "only reason it's being done this way, instead of by referendum, is that under the referendum plan we'd be forced to wait two years before the change became effective. This is not fair to our city because it will lose federal appropriations."

He added:

"We have a very large appropriation in the making right now—and it will mean that by early fall Twin Falls will have a big surplus. The nature of this project can't be disclosed as yet."

The mayor-council form to which Twin Falls would switch under H. B. 236 gives more centralized authority to the mayor as chief executive.

Mr. P. C. Hill, H. Man Beard, "Whether it's me or somebody else in the mayor's post," Kochler said, "the government wants to deal with it as a restriction."

President Roosevelt contended that it would be a "restriction" on a lot of language. He was asked to comment about it at his press conference.

### GERMAN PLANES BLANKET BRITAIN

BERLIN, Feb. 19 (UP)—Trains, air fields, troop camps, railroads and truck columns in southern England were attacked yesterday by the German air force, the high command said today.

It said that in addition to objectives on land the German planes also blasted shipping.

A long range bomber scored a hit described as "severe" on a large tanker west of Ireland. The "loss of the vessel may be reckoned," the command said.

"The official news agency said the Dutch tanker 'Paris, 10,000 tons, was bombed off Ireland yesterday."

### NEW DISPOSITIONS

SINGAPORE, Feb. 19 (UP)—Authoritative British sources declared today that the British government has ordered a reduction of the strength of the royal air force in the Pacific. The move is being made because of heavy reinforcements to the key naval stations.

### It's Love When Hubby Breaks Wife's Jaw--But Heaving 'Phone Is Different

By FREDERICK C. OTHMAN  
HOLLYWOOD, Feb. 19 (UP)—When police officers poked you in the night club and broke your jaw, that's love, Lillian Roth said today. But when he smacks you with a telephone book, that's different.

"He doesn't love you any more. These observations I'm making," said Lillian Roth, who was in bed in St. Vincent's hospital, between a broken jaw, a cracked rib and a bruised eye, after her husband, Walter, had broken her jaw with a telephone book in the hospital.

"If he loves me," said Miss Roth, "I'm in the pink. Look at me."

She had only one good eye, her right, but it was swollen. Her left was closed, with red, white and blue, plus some lavender and green.

The bridge of her nose was swollen. "That's where the telephone book landed, she was decorated with blue, shading into purple. Her left arm varied from gray to black. The rest of her was beneath the sheet and she said, "simply variegated."

"And only two weeks ago," she continued, "I had to have the top of my head shaved back on. No, he didn't use a telephone that he was taking the lid to New York."

Police learned today that Wein-

### DISREGARD JAPAN, SAYS NAVY CHIEF

WASHINGTON, Feb. 19 (UP)—The house today approved authorization for navy construction at Guam, Samoa, and the new Atlantic base expanded from Britain, on a \$44,800 authorization measure. \$75,000 naval expansion program.

### TOLL BRIDGE PAY SPEED-UP PASSES

BOISE, Feb. 19 (UP)—By a vote of 40 to 20 the senate today passed a bill designed to speed up completion of a fund for purchase of the Twin Falls-Teton toll bridge. The measure required that all revenue received from the one-mile toll bridge last on gasoline must be kept in the fund to retire toll bridge bonds and can not be diverted to the state highway fund.

Sen. P. C. Hill, H. Teton, said nearly \$100,000 of bridge tax money had been placed in the highway fund after a sufficient amount was raised to retire bonds which matured since 1938.

### DISREGARD JAPAN, SAYS NAVY CHIEF

### Harriman Chosen For London Post

WASHINGTON, Feb. 19 (UP)—President Roosevelt, indicating his hope to have administrative details of the lend-lease program, in telephone message today to two senators today appointed Averell Harriman as special defense "expeditor" to handle work on the program in London.

### SQUIRREL

BOISE, Feb. 19 (UP)—A fox squirrel lost his home when he was hit by an auto accident on one of Boise's downtown streets.

According to police reports, George W. Wintchell said he saw a large squirrel running across the street. He stopped his car abruptly to prevent striking the animal, but Henry Butterfield, operator of another car, said he could not stop his car in time to avoid the crash.

### CONNALLY TERMS AXIS AS 'ARMED THREAT' TO U. S.

By WILLIAM H. LAWRENCE  
WASHINGTON, Feb. 19 (UP)—Senator Connally, D., Texas, told the senate today "the democracies must all hang together or they shall hang separately."

Arguing for passage of the British aid bill, he declared the Berlin-Rome-Tokyo axis "an armed threat to the security of the United States" and the rest of the world.

Opponents have been guilty of a "specious and mischievous charge" in insisting the measure "armed" President a dictator over the lives, liberty and property of the people of the United States. "Connally said as the senate began the third day of debate on the historic measure.

Last Day for Set Speeches  
Administration forced today to make this their last day of set speeches for the bill. The opposition which charged yesterday the measure would carry the United States to the verge of war and make the White House "the war capital of the world" was expected to resume its speeches tomorrow.

Opponents meantime declared in interviews that Secretary of Commerce Jesse Jones had inadvertently disclosed the administration's true views when he had accused Connally of saying that "we're in the war, at least we're nearly in it."

Attack on President  
"It has been charged that this is a war bill—that under it the President may commit some act which may involve the United States in the war with the Axis powers," Connally said. "That charge implies the President wants to get America into war. It is an attack upon the dignity of the President and upon his oft-declared intention to keep America out of war. It implies that the President is more than those who bring the charge. It evidences lack of confidence in the President's ability to conduct the war. It is a gross insult to his great office in an open act, in a 'smear' and in a 'patronizing' attack."

"No President needs such a bill as this if he is not desirous of embarking on a course of unbridled intervention in the affairs of the world. He would in effect be the commander in chief of the army and navy of the United States, may at any time so employ either without any limit upon the amount of an international situation which might provoke war. The constitution and laws of this country prohibit such a course. It presupposes that the high officers of the United States will exercise their duty disinterestedly with a view to the best interests of the United States and its people."

Furnishes Supplies—Mr. Man Beard, of other two governments who are raising the aggressors' that are trying to enforce with fire and sword their will upon the existing world."

"Mr. Jones let the cat out of the bag," said Sen. Hiram W. Johnson, D., Oregon. He emphasized that fact by his attempt to strike his remark from the record.

Johnson and other opponents of the bill said they would use Jones' remark to get support for an amendment that would specifically prohibit the use of American troops outside the western hemisphere. They claimed it would be a restriction.

President Roosevelt contended that it would be a "restriction" on a lot of language. He was asked to comment about it at his press conference.

# KNUDSEN OPPOSES OVER-ALL WAGE LEGISLATION FOR WORKERS

## FRENCH RESULTS POINTED OUT BY PRODUCTION HEAD

WASHINGTON, Feb. 18 (AP)—William S. Knudsen, director-general of defense production, told the house judiciary committee today that the French that "over-all legislation for wages and working conditions is not very good."

Testifying at hearings on the need of legislation to prevent labor stoppages in national defense industry, Knudsen pointed out that in 1939 French Premier Leon Blum settled a sidown strike by issuing an edict requiring 48 hours pay for 40 hours work.

"You know the story," Knudsen said, "that the closed shop issue was a factor in defense production. I don't think you'll find that except in the construction industry," Knudsen said.

"I feel that conditions as of today do not warrant me in making any recommendations for legislation."

When Rep. John M. Robinson, R., Ky., asked what could be done at all supervisory organizations, Knudsen said:

"Subversive activities can only be dealt with by supervisory policies."

He thought the federal bureau of investigation was simply equipped for this.

## CAMP SCHOOLING BILL UNDER WAY

Senate bill designed to ease the burden placed on the Twin Falls and Caldwell school districts by farm camp schooling has been introduced and is now being considered by members of the local board of trustees said today.

When from Boise indicated that the measure apparently has a "good chance" of passage.

The bill, S. B. 132, was introduced by the senate educational committee. It provides that trustees of a school district may contract with the government to maintain schools for education of children in military farm family labor camps. The contract is to call for governmental payment of the cost of such education.

Provision is also made by which the district carrying out such camp schooling could secure equitable allotment of state-county school funds.

Under present conditions, Twin Falls and Caldwell districts have operated schools at the farm camps and have brought some students into the city system. But federal payment has not approximated the cost thus involved.

The senatorial measure is an outgrowth of conferences between Twin Falls and Caldwell trustees, who then conferred with legislators.

(From Page One)

"I don't remember what he did. I was knocked cold."

Miss Roth accused her husband of working on her at regular intervals with broom handles, ash trays, fire tongs, boudoir chairs, perfume bottles, fans and such other weapons as were moderately at hand.

"But he'd always talk me out of calling the police," she said. "Last night was the first time he ever hit me with a public utility and I decided to call in the cops. He was the photographer, everybody. It's not love any longer. Definitely."

Roth, who was married twice before to men whose cruelty she described as mental, almost was arrested a couple of weeks ago on a charge of kidnapping her 10-year-old stepson. Weisner made the accusation.

When he withdrew it after his son turned up in military school, and Miss Roth explained to police she loved the child as if he were her own.

(From Page One)

An authorized executive, not with a five-man board act to change its mind."

He said today that the Twin Falls council opposes the measure, but public organizations have taken no specific stand pending investigation of the different governmental types.

One factor not mentioned thus far is that if the bill becomes law, Twin Falls will elect a complete new slate of five men for its city government, including a councilman and a mayor. Under the present commission form, the April election calls for balloting only on three men, the mayor and two councilmen.

# PRESIDENT WILL OUTLINE "HOME DEFENSE" PROGRAM

## PLAN PROPOSED TO REACH EVERY MAN AND WOMAN

By T. F. REYNOLDS  
WASHINGTON, Feb. 19 (AP)—President Roosevelt will give every American within a few weeks an opportunity to "do his bit" in the national defense program.

He revealed his plan would outline a broad "home defense" program—a voluntary plan to reach every man, woman and child—and now participating in the effort to reach.

Plans already are being formulated for operation of the vast program within the framework of the federal security administration. As outlined by Florence Kerr, assistant to the director of the works projects administration, the tentative program sets as its objectives:

1. To mobilize millions of volunteers for service on the home front.
2. To set up a nationwide volunteer organization trained to perform quickly any needed service in "any situation."
3. To provide a channel through which all existing organizations and agencies can be utilized to help meet particular problems in home defense.
4. To centralize responsibility for home defense for America.
5. To prevent duplication of effort in home defense tasks.
6. To keep all efforts for home defense on the right track.
7. To create and uphold the morale of American men.
8. To achieve a national unity.
9. To make explicit the meaning of democracy by translating into action and service the American ideals of democracy.

## NEW BATTLESHIP NEAR COMPLETION

WASHINGTON, Feb. 19 (AP)—The navy announced today the new 35,000-ton battleship Washington will be placed in commission at and a half months ahead of schedule and will join the fleet at least two months before the original date of completion.

The Washington will be the second battleship to be placed in commission since 1923. The new 36,000-ton North Carolina will be placed in commission at the New York navy yard on April 11, also ahead of schedule.

Capt. Howard H. J. Benson, of Baltimore and Annapolis, was named to command the Washington as soon as she is commissioned at the Philadelphia navy yard.

The Washington, carrying nine 16-inch guns and a heavy battery of anti-aircraft and secondary broadside guns, was authorized by the 1934 Vinson-Trammell act and funds for her construction were appropriated in 1937. Her keel was laid June 14, 1937, and she was launched June 1, 1940.

Under the construction contract the Washington was to have been completed on Dec. 1. The new schedule for commissioning of the vessel on May 15, which will bring the fleet in the later part of September after her shakedown.

The Washington is 704 feet long, has a designed speed of 27 knots and is equipped to carry three planes.

## Turks Believe Nazis Have Abandoned Thrust at Suez

By J. W. T. MASON  
United Press War Expert

Germany is not stressing today the importance of the new non-aggression agreement signed by Bulgaria and Turkey. The reason seems obvious, for the pact implies the Turks now believe Hitler has abandoned previous plans for an offensive against the Dardanelles for passage southward to Suez and Egypt.

When Ankara allowed reports to circulate last year that Turkey would fight to prevent German troops entering Eastern Greece, it was understood any such Teutonic thrust would be preliminary to a German offensive against Turkey. At that time Marshal Graziani was preparing to move against Alexandria and Cairo from the west and Hitler was planning to drive through Turkey as a complementary move.

Wanted too long

The Germans and the Italians waited too long, however. They allowed the British to strengthen their north African forces sufficiently to overwhelm General Rommel's German army and the confusions in Rumania.

Had the Germans got possession of eastern Greece last year, when an attack on Turkey might have been made, they could have struck at Turkey simultaneously from the west and north. The outer Turkish defense, called the Chakmak line, runs from the Bulgarian frontier, passes through Kirik Killise and continues to the Black sea. The Chakmak line might have crumpled in a short time under simultaneous blows

## SHIFTS URGED IN SOCIAL SECURITY

WASHINGTON, Feb. 19 (AP)—Broad changes in the social security program were advocated today by the social security board in its annual report to congress.

Chief recommendation was one urging that equalizing public assistance grants be replaced by variable-matching grants determined by the economic capacity of the state. That would permit adequate assistance to applicants on the basis of their need rather than in accordance with the resources of the state in which they reside.

Federal old-age and survivors insurance, the board said, "might well bring in most of the major occupations still excluded—agriculture and domestic work and that in non-profit, educational and charitable organizations."

## GERMAN PAPERS BLAST AMERICA

BERLIN, Feb. 19 (AP)—Newspapers, inspired by senate debate on the British aid bill, attacked the United States today, saying the American people were being swayed by the "same false arguments" of 1917.

The financial headlines were those of the "financial newspaper" Boersenzeltung: "Slaves of Wall Street! Agitation campaign of England's help!" "reached climax"; the local Anzeiger: "Unscrupulous agitation against Germany in U. S. A. senseless"; and the Deutsche Allgemeine Zeitung: "Provocative speeches in U. S. A. senate slander of national socialist Germany aimed at creating support for help to England."

## House Approves Reapportionment Of Congressmen

WASHINGTON, Feb. 19 (AP)—The house yesterday passed by 210 to 143 and sent to the senate a bill providing for reapportionment of 435 house seats under the 1940 census by the "equal proportions" formula.

The formula would result in the following: California, 3 new seats; Arizona, Florida, New Mexico, North Carolina, Oregon, and Tennessee one more seat each.

The following states would each lose one seat: Illinois, Indiana, Iowa, Kansas, Massachusetts, Nebraska, Ohio, Oklahoma, and Pennsylvania.

Under existing law Michigan also would gain one seat and Arkansas would lose one. But if the bill is enacted, those two states would not be affected.

## 200 MERCHANTS STUDY TAX NEED

BOISE, Feb. 19 (AP)—Idaho's tax needs were debated last night at a meeting of nearly 200 merchants and others interested in state financial problems.

Rep. W. J. Taylor, D. Jefferson, chairman of the house revenue and taxation committee, said new type of tax was necessary to aid in lifting the burden from homeowners.

Ray McKelz, legislative representative of the Idaho State Grange, urged legislation to halt increased taxation.

"With educators, demand for more money is almost a racket. Education cost will soon be a burden instead of a joy," he said.

## Final Honor Paid To E. E. Jackson

BURLEY, Feb. 19 (Special)—Funeral services were held Friday at the Burley funeral home chapel for Edward Emery Jackson, merchant of Ogden, who died here last week following a brief illness. Rev. Methodists church, officiated.

Mrs. Ruby Gano and Mrs. Jessie Redfield sang, "Jesus Lover of My Soul" and "Jesus Savior, Pilot Me." Gorman, obituary, and prayer were given by Rev. Rees. Pallbearers were friends of the deceased.

Coming to the funeral from out of town were: a brother, Vallee Jackson, Salt Lake City, and three sisters, Mrs. O. M. Kelly, Mrs. O. E. Jensen, Seattle, and Miss Alberta Jackson, New Plymouth.

Interment was in Burley cemetery beside the grave of his wife, Ruth Schuitze Jackson, who died just a year ago. Vern McCulloch, of the funeral home, directed interment.

## Forensic Group Selects Burley Girl as Leader

CALDWELL, Feb. 19 (Special)—Arch Shockey of Burley was chosen archon of Forum, women's forensic club, at a recent election. A sophomore student, Miss Shockey held the office of archon pro tem until she was elected to succeed Elizabeth Bennett of Caldwell in the head office.

Maxine Nelson of Boise is new archon pro tem. Marjorie Harper of Emmett succeeds Ella Millinger of Caldwell as secretary of the Forum. Officers were installed immediately after their election.

## Scouter Skis Part Way to Buhl Banquet

BUHL, Feb. 19 (Special)—Twenty-five Boy Scout executives from the entire Snake river area and two leaders from the Ketchum section attended the banquet at the Mercer cafe here last week, which marked the close of the national Boy Scout week.

Twenty of the 25 men present were from out-of-town. One led seven miles into Ketchum to join the other executives from that district.

Gordon Day, Twin Falls, Boy Scout executive of the Snake river area, presided. Detailed reports and several hour talks were given by chairmen of the various districts, including Burley, Rupert, Twin Falls, Gooding, Jerome, Ketchum and Buhl.

## Decree Asked by Housing Leaders

Decree determining title to lot 14 in block 121 has been asked in progressive court by the Twin Falls housing authority through O. R. Duvall, its counsel.

The lot was purchased by the housing board from Mrs. Sarah E. Lynch, widow of the late Z. L. Lynch. Mr. Lynch died Aug. 20, 1935.

## Knitting Sweeps Campus at U. of I.

UNIVERSITY OF IDAHO, Feb. 19 (Special)—"Drop one and pearl two" and other knitting rules are constantly heard on the Idaho campus as the Home Economics club's project for knitting complete coverlets for the "Bundles for Britain" project has spread to all-campus drive among the women.

Even the Blue Bucket Inn, campus "hangout" for "cooking" students and bridge players, looks like the Ladies Aid sewing circle.

Under the chairmanship of Edna Lucyle Roberts, Gooding, the Home Economics club is stimulating interest in knitting the six-inch woolen squares by sponsoring an inter-house contest to determine which residence contributes the most afghans to the Home Economics club.

### JEROME BAPTISTS DEDICATE CHURCH

JEROME, Feb. 19 (Special)—After many years of effort, the Jerome Baptist church congregation now has a beautiful new worship sanctuary and on Sunday of last week the structure's doors were swung wide for special dedicatory ceremonies to honor the long-awaited building.

The church was crowded to overflowing for the specially arranged services, and ministers, friends and inquirers from other cities crowded into the rock structure to help celebrate the occasion with Pastor Earl Kaunin and members.

A pot-luck dinner was served at the noon hour in the basement of the structure, and services were conducted all through the day, and in the evening when Rev. J. R. Haslam, Pullman, Wash., evangelist, opened a series of meetings.

Urges Harmony  
Rev. Lemuel Carter, Salt Lake City, addressed the congregation on "The Church," stating that the church represented a whole body of Christian believers who should work together for harmony and accomplishments.

Rev. O. L. Johnson, past minister, now of Rupert, spoke also telling of the relationship of members and friends who strive to complete the structure, which was begun in 1931. The first church building was situated on Ash and Second streets, and later the tiny place of worship was moved to its present location. The big rock church now stands beside it on Elm and First streets.

Tells History  
The history of the church was told by Mrs. Ed Gill, one of the prominent members and diligent workers of the Baptist church, who stated that it was first begun in 1869.

Visitors from other towns were present, including delegations from nearby Baptist churches and people from other church faiths. Present among the large crowd were Rev. W. F. Wills, pastor of the Presbyterian church; Rev. Albert E. Martin, of the Methodist church of Jerome; W. E. Harman, of the Christian church of Jerome.

Rev. Roy Barrett, Twin Falls; Rev. Julius Herr, Filer; Rev. W. O. Downing, Pull; Rev. G. M. Baerger, Caldwell; Rev. C. H. Northrup, Gooding; Rev. Carter, Salt Lake City, and Rev. Haslam.

The musical part of the program included a double quartet, "The Wonderful Grace of Jesus," with Miss Esther Overfield accompanying; a solo, "The Lord's Prayer," by Dorothy York, accompanied by Miss Lenore Jenkins; a solo by John Alexander of Gooding, accompanied by Mrs. L. H. Shively, and solo, "Just for Today," by Mrs. George Browning, accompanied by Miss Jenkins.

Prize to Committee  
Special recognition was given the building committee, to those who have volunteered labor to complete the sanctuary, and also to the Jerome business men who donated toward helping to complete the interior. For his continuous supervision and help, special recognition was given Ed Gill, chairman of the committee. Others who assisted on the committee were Mrs. Fern Atwater, Mr. G. Canada, Mrs. Sam Hatmaker, Charles Bird, Sam Hatmaker and T. O. Miller who served a number of times on the advisory committee.

Several of the women of the congregation were also asked to help select the lighting fixtures and the paint color.

Others who gave volunteer work on the building were Spencer Law, the Wills family, O. Gill, Charles Sloan, M. G. Canada, Mr. Gill, O. T. Miller, Dan Boyd, Archie Hester, Mr. Atwater, George Frasier, Bird, Earl Bird, LeRoy Frasier, Morris Green and Mr. Fischer.

Volunteer painters were Charles Kleiman and Charles Wright.

A number of women also assisted in making curtains and in polishing the chairs.

No Loan  
During the past few months a total of approximately \$2,100 has been expended for completing the church, with approximately \$1,000 donated. There has been no loan secured for the work, and the church is practically paid for.

Special music has been arranged for every night this week during the evangelistic meetings, which will continue every evening, beginning at 7:30 except Saturday, and will conclude March 2. Rev. Haslam will speak on several varied subjects. His topic Sunday evening was "Have a Heart, giving the thought of the need for conversion in the life of Christians of today.

Between 450 and 500 people attended the services the opening day.

Rev. Haslam is also conducting meetings for boys and girls each week day from 4 to 4:30 P. M.

The Lamm Floral company, the Christian church and other persons were responsible for the church decorations. D. B. Brigham of one of the visiting churches sang a vocal selection.

Interior Enhances  
The church sanctuary is finished in ivory and white, with dark blue velvet curtains at front of the baptistry. Dark velvet drapes have also been used on the church altar. The interior is lighted by indirect illumination and the stained glass windows complete the decoration, making the Baptist church one of the finest and most attractive buildings in the city.

A new furnace and other heating equipment as well as a conditioning air are features which make the church one of the most modern.

Curious Cravat  
Fashionable about Lima, Peru, is a gaily colored necktie, made of soft moist water, and worn before meals. It is eaten, instead of being put aside, when the host of the day comes. Resembling pompadour, the tie meat is treated with color for patterning purposes.

### Impressive Jerome Baptist Church

Dedicatory services were held Sunday at Jerome for the new Baptist church, termed one of the most modern church edifices in Magic Valley.

### Former Netherlands Premier Believed Kidnaped by Nazis

LONDON, Feb. 19 (Special)—Netherlands authorities here are investigating a report that Jonkheer Dirk Jan de Geer, former premier of the Netherlands government in exile, was kidnaped in Portugal and taken to Germany by plane. It was learned today.

A Netherlands government broadcast from London had charged Feb. 6 the 78-year-old de Geer had deserted The Netherlands cause by going from Lisbon to The Netherlands, instead of continuing on a mission to The Netherlands East Indies.

Today it was said Netherlands authorities here were investigating a report he had been lured from England by means of reports that his wife was in Holland and then that he had been kidnaped to Germany.

It was reported also, according to Netherlands informants, that he had been imprisoned in Germany for refusing to reveal information regarding Britain.

"We have no official information but we are making inquiries," a Netherlands spokesman said. "It may be some time before we can throw further light on the story of the kidnaping and imprisonment."

Blades, alias Fred Jackson, was returned from Coeur d'Alene Sunday night. A companion, Joe Burnett, is still in jail there and will be brought to Twin Falls later.

Blades, returned on complaint of L. V. Smith, in connection with a check for \$11,500. Blades was arrested before Judge C. A. Bailey on a different count—forgery of a check for \$17,500 to defraud Roland E. Willis. Twin Falls prosecutor, the Willis case assertedly occurred last Oct. 2.

Ray D. Agee, deputy prosecutor, represented the state at arraignment.

Mrs. Lucy Cooper returned home recently from Bureka, Utah, where she visited relatives.

Mr. and Mrs. George Kesler and daughters, Betty and Bonnie, returned home the first of the week from a trip to Salt Lake and Brigham where they visited relatives.

Meeting of the Child Welfare association was held Thursday evening. A short program was featured and the public health nurse discussed aims of the health program and a short educational film, "The Light of a Race," was shown. Mrs. Rex Jacobs is president of the association.

Mr. and Mrs. V. L. Keeler, Nyssa, Ore., are here visiting relatives at the George Kesler home.

Members of the third and fourth grades and their teachers, Francis Hindberger and Lois Sater, entertained at a farewell party honoring Nadine Mahoney, who leaves for Welser, and Hazel Tolman, who left Monday for California.

Miss Mildred Deaton, who teaches school at Glenns Ferry, spent the week-end at the home of her parents, Mr. and Mrs. James Dalton.

Mr. and Mrs. Irvin Moorefield moved to Grand View Sunday to make their home.

Roy Pullman, Idaho Falls, visited Friday with his mother-in-law, Mrs. Minnie Cooley.

Mr. and Mrs. Clark Darrington went to Tooele, Utah, Saturday where on Sunday they attended the

### STORAGE WATER CLIMBS UPWARD

Both Jackson lake and the American falls reservoir continue to show substantial storage gains. It was noted here today in a report received from Lynn Crandall, watermaster, by the Twin Falls Canal company.

The latest report shows that at the present time Jackson lake is impounding 273,550 acre feet of water against a reading Feb. 8 of 285,000 and American falls reservoir now holds 1,052,910 acre feet against the previous reading of 1,153,280.

Glen Simmons, Jackson lake reservoir superintendent, has completed the February survey of that watershed, making the trip this year in two days against seven days required last year.

Crandall, in his report, points out that Simmons' speed was possible through use of a snowplow loaned by the Abercrombie company of Jackson.

The "snowplow" survey disclosed the following snow depths: Moran, 31 inches; Snake river station, 50 inches; Lewis and Clark divide, 37 inches; Astor creek, 57 inches; Glade creek, 60 inches; Huckleberry divide, 49 inches.

Present mean water content is about 91 per cent of normal on the watershed, the report shows.

### Cedar Draw and Knoll Grangers In Gavel Contest

BUHL, Feb. 19 (Special)—The first gavel contest presentation by Grangers of the county was held by Cedar Draw Grange Friday.

The traveling gavel was presented to the master of the Knoll Grange, Mr. Dosselt. The presentation was made by Cedar Draw master, Harold McKnight, before an audience of 140 people.

The host master's pin was given Mr. McKnight by Fred Blanes. Mr. McKnight has volunteered for service in the army and expects to leave soon for his new duties. A resolution was passed which petitioned congress to supply funds for the new crop research program.

The following program was presented during the lecturer's hour: Hawaiian guitar solos, Miss Beulah Bore; talk, "The Farmer and America's Future," McKnight; Miss Leah Gerber, two piano solos.

E. B. Metcalf, principal of the Cedar Draw school, showed several rolls of film he took of the San Francisco fair in 1938.

Refreshments were served to 12 visiting Grangers.

### Queen Candidates UNIVERSITY OF IDAHO, Feb. 19 (Special)—Ver Lee Hansen, Rupert, was recently nominated as a candidate for the queen of the Gold and Green ball annual dance sponsored by the L. D. S. Institute. Dancers will select the queen next Friday night from the five candidates.

Other candidates are Laurie White, Mogpaw; Merrle Lou Kleopfer, Ham; June Gorenson, Grace, and Fern Meyers, Sugar City.

### Junior Orchestra Offers Program

The junior high school orchestra presented the program for the regular assembly for Twin Falls Junior high students today in the gymnasium.

Nine selections were played by the orchestra and at an intermission between the fourth and fifth numbers Murray North played two piano solos, Grigs' "March of the Dwarfs" and "A Nightingale Sang in Berkeley Square."

Orchestra presentations were "Russian Dance," "Petite Suite de Ballet," "Theme from Beethoven's Second Symphony," "Mamont Mauts," "Danse a l'Antique," "East of Suez," "Cossack Dance" and "The Program opened with a march."

Richard R. Smith was director for the program.

### Sherlock Holmes' Story Dramatized

HEYBURN, Feb. 19 (Special)—One Sherlock Holmes' most celebrated cases is being dramatized Thursday, Feb. 20, at the high school auditorium.

"The Sign of the Four" is conducted by most mystery addicts as the most fascinating of Sherlock Holmes' stories. It has been accorded a deft dramatization, keeping intact the original theme but adding many thrills, surprises and breath-taking situations.

The play is presented by the Heyburn Dramatic Society, under the direction of Mr. J. H. Smith.

## Do you have to "TUCK YOUR CAR IN" at night?

Not if it's One of these Four New Additions to the Buick SPECIAL Line that Compact Automobile Bigness into Fewer Bumper-to-Bumper Inches

HERES of late the modern automobile has been giving a pretty good imitation of a man getting up in the morning.

It has stretched and a-t-r-e-t-o-h-o-d—until today you almost have to have a shoohorn to get a car of any size tucked away in the family garage.

We thought something ought to be done about that.

So today in Buick dealers' showrooms you'll see four new models, additions to the 1941 Buick SPECIAL line.

They are typical Buicks on every count—trigger-quick, steady, tireless travelers with a big 115-hp. Buick FIREBALL straight-eight under their bonnets.

They dress every mile you travel in trim Buick style—cradle every yard of distance on soft all-steel springing. They top off every trip with an even greater measure of gasoline economy, thread traffic with a new nimbleness, and when it comes to parking find the proverbial dime room as a dance floor.

But by the simple step of compacting all this ability, goodness and value on a 118-inch wheelbase, we've trimmed inches off the over-all length—and dollars off the cost. We're passing those dollar savings on to you, which makes three reasons for going to see these honeys now! You'll go for their ability—your wife will go for trim size and easy handling—and both will stand up and cheer for the easily-reachable price.

BUICK PRICES BEGIN AT \$915 for the Business Coupe delivered at Flint, Mich. See car, optional equipment and accessories—extra. Prices subject to change without notice.

# World Day of Prayer Planned for Feb. 28

Plans for the annual World Day of Prayer service, in which most of the churches of the city cooperate, were perfected at a meeting of the executive committee yesterday afternoon at the home of Mrs. H. H. Burkhardt.

The all-day session will be held this year on Friday, Feb. 28, at the Methodist church, beginning at 10:30 o'clock in the morning. A covered dish luncheon will be served at noon, and the afternoon program will begin at 2 o'clock.

Purpose of the organization is to enable members to enlarge their knowledge of missionary and relief work carried on by Christian organizations. Anyone interested in this work is invited.

Election of officers will take place during the day. Yesterday session opened with prayer by Mrs. A. S. Martin of the Baptist church.

Present were Mrs. Burkhardt, president; Baptist church: Mrs. Peter Carlson, Christian church: Mrs. DeWitt Young, Presbyterian church: Mrs. Roy J. Evans, Methodist church: Mrs. C. P. Perry and Mrs. Charles W. Ronk, Church of the Brethren; Mrs. C. A. McMiller, Methodist church; Mrs. Martin; Mrs. A. L. Norton, secretary, Ascension Episcopal church.

# Episcopal Vestrymen Plan Benefit Party

Vestrymen of Ascension Episcopal church will entertain at a benefit card party Friday evening at 8 o'clock in the parish hall of the church.

The public is invited to attend, and tables will be arranged for both pinocle and bridge.

Prizes will be awarded for the games, and there will also be a door prize.

Refreshments will be served following play. Advance reservations may be made with any of the following vestrymen:

B. Frank Magel, J. H. Blandford, Howard Fisher, Homer Saxton, C. A. Bailey, E. Hollingsworth and George Sprague, Jr.

# Mrs. Sinclair to Be Chairman of Home-Gardeners

Mrs. Bartlett Sinclair was elected chairman of the Home and Garden department of the Twentieth Century club yesterday afternoon at the American Legion Memorial hall, succeeding Mrs. Ronald L. Graves. Mrs. and the other newly elected officers, Mrs. K. Duane Boyd, vice-chairman, and Mrs. L. V. Morgan, secretary, will take office next fall.

Len A. Chase, chairman of the culture, Mrs. George Herriott exhibited hand-woven textiles and Miss Julia McBride and Marlin E. Swisher, piano pupils of Mrs. Miss O. Beaman, presented musical selections. Mrs. Graves presented a paper biography of Mrs. E. B. Williams, official hostess.

# Social Clubs Lodges

## Birthday Buffet... For Feb. 22

This original tablecloth made of stripes of red, white and blue linen sets the keynote for a Washington's birthday table setting. Against it, white cups and serving dishes, handsome American eagles stand guard on fire cracker candles, tied with tiny flags and surrounded with white gardenias, forming the festive centerpiece. White frosted plates, red plates, covered dishes and red-handled cutlery also contribute to the color scheme.

# South Idaho Girl Reserves to Dance "In De Land o' Cotton"

Cotton, picturesquely referred to as "Dixie ermine," will be given full recognition at the annual dance this evening at the American Legion Memorial hall, sponsored by the Twin Falls Girl Reserves of the Y. W. C. A. The dance is appropriately designated as the Cotton ball, and approximately 200 are expected to attend.

The Southland has been recreated, including a field of cotton, a Negro cabin, the garden of a southern mansion, and a "Negro" doorman in tuxedo will greet the guests.

Out-of-Towners Girl Reserves and their guests from Buhl, Piler, Hazelton and Eden, as well as Twin Falls, will be present at the event, scheduled to begin at 8:30 o'clock.

Receiving will be Miss Lucile Thomas, president and Bob Wallace; Miss June Daniels, vice-president, and her escort, Miss Olive Wells, treasurer, and Melvin Hulbert, Mr. and Mrs. Tom Alworth and Mrs. Helen Henderson, Y. W. C. A. secretary. Alworth is club sponsor.

Miss Irma Lee Skinner and Miss Mary Jane Shearer are in charge of intermission, plans for which have been kept secret. Will Wright's orchestra will play the dance music. Miss Thomas and Mr. Wallace will lead the grand march. Adult council members of the Y. W. C. A. have been invited to attend.

Southland Recreated While spirited crepe paper streamers, looped overhead to represent a fleecy cloud effect, terminate in a central sphere, representing a huge cotton ball, from which sprigs of waterfalls are suspended.

Bird baths, artificial grass, rambler roses on white lattices form a background for the garden furniture in one corner of the pavilion. A cotton field, including a log cabin, from which punch will be served throughout the evening by Pickaninnies, dominates the opposite end. Miss Helen Thomas is in charge of the Pickaninnies.

Miss Joan Benoit is general chairman; Miss Olive Wells, chairman of decorations, assisted by Miss Daniel Bell. Many committees have been working for weeks to make the party a success. They Negroes, holding giant cotton balls, deck the covers of the dance programs.

Afternoon Guild of Ascension Episcopal church will meet Thursday at 2:30 p. m. at the home of Mrs. J. W. Newman.

# W. S. C. S. CIRCLE TO HONOR HUSBANDS

Circle No. 4, W. S. C. S. of the Methodist church, meeting yesterday afternoon at the home of Mrs. Michael Throckmorton, planned a pot-luck dinner for their husbands, to be served Thursday evening, Feb. 27, at the Idaho Power company auditorium.

Mrs. H. A. Ball, guest speaker, discussed topics of current interest. Mrs. E. H. Price, program chairman, Mrs. Dorothy Nelson reviewed a chapter from the study book. Mrs. Cecil Smith was also a guest. Mrs. Oren Dillon presided. Refreshments featuring pink and white were served.

IDAHO SENATE APPROVES ANTI-LOAN SHARK MEASURE

NINE BILLS WIN HOUSE APPROVAL IN LEGISLATURE
BOISE, Feb. 19 (AP)—An anti-loan shark bill designed to curb usurious practices was approved in the Idaho senate late yesterday by a vote of 27 to 16.

Passage was preceded by lengthy debate in which Sen. George P. Hume, D., Bannock, said the bill "legislated a rate of interest of 36 per cent per year and the department one with another."

Sen. Perry A. Nelson, D., Power, however, said the bill would "curb the loan shark racket existing in Idaho."

The bill which establishes a maximum interest rate of 3 percent per month on loans of \$100 or less, has passed the house but still requires signature of the governor to become effective.

Two other measures—authorizing cities to extend police and fire protection to county fair grounds and requiring village trustees to be residents—also passed the upper house.

Pass Nine Measures
Meanwhile, nine measures passed the house of representatives today. They were designed to end court battles started during the last administration.

One of the duties of the former state comptroller, whose office was declared unconstitutional by the state supreme court, will be returned to the state auditor in one bill. This measure carried out the decision of the high court which held passage of the 1939 constitution gave the auditor powers of an elective official.

Another measure provided that state and county employees receive their salary warrants from the auditor under rules prescribed by the state board of examiners.

The house approved another bill designed to end an old dispute among state officials. It was a measure making the attorney general supreme court counsel and director of public works and giving him power to appoint an assistant.

Other bills which passed the house provide notice of conveyance of real property must be given to the acquiring an interest in such property; permit counties to grant property to public collectors; give the auditor an oath of allegiance to the constitution; Idaho reciprocal use fishing license; amend the Snake river; and eliminate bowling alleys from provisions of the Sunday closing law.

16 GO ON DRAFT FIRST CALL LIST

Immediate eligibles on the draft list of Twin Falls county area No. 1 were increased by 16 as a result of this week's classification meeting. Capt. J. H. Beaver, Jr., chief clerk of the board, said today.

The 16 went into class I-A, which is the draft "front line." Fifty-three men were placed in 3-A, deferred because of dependents. First designation in class 4-A was made this week, Captain Beaver said. This group is for men with sufficient prior service to be exempt from draft.

The board deferred 15 registrants because of physical, mental or moral unfitness. Six men were put in 1-B for limited service; one man was transferred from 1-A to 1-C because he enlisted in the regular armed service since draft registration.

### JEROME OFFERS MUSIC FESTIVAL

JEROME, Feb. 19 (Special)—La Roy Robertson, Salt Lake, second assistant of the general music committee, and a professor of Brigham Young university, remarked at the exceptional performance of the staff choir, during the annual choir festival, presented here at the Jerome Latter Day Saints church Sunday afternoon, following regular services.

The church chapel was packed to overflowing for the occasion and there were more than 85 voices heard in singing anthems, hymnals, and songs in solo, duets and quartet selections.

**Annual Festival**  
The annual festival was presented in conjunction with the regular Deion meetings and with opening exercises being conducted by State President W. L. Adamson, Carey, Oregon, preside at the festival by Mrs. Wilford Thompson, Jerome.

B. Kirtland, Carey, gave the opening remarks, and Dick Adamson, state music chairman, the address.

Choral selections were directed by Henry E. Oles, Jerome, and Marlon Howell, Wendell. In addition to the choir, Mrs. Eugene Poulter, soloist; Mrs. John Webster, and Mrs. Poulter, who sang a duet, and a quartet, H. De G. Arthur Thompson, Mrs. John Webster and Wilford Thompson, appeared on the program.

**Bishops Speak**  
Bishops from Jerome, Dietrich, Wendell, Carey, Richfield and Fairfield gave complete reports, and a duet was sung by two small children from Gooding, accompanied by Mae Nelson.

"Come Come Ye Saints," was sung in a beautiful and impressive arrangement by the choir as the concluding selection of the festival. Pledges were played by Mrs. Wilford Thompson.

### West End Moose Have Initiation

BUHL, Feb. 19 (Special)—As a fitting climax for the successful membership campaign, underway during the past month, the Local Order of the West End Moose lodge had fellow lodge members of Jerome and Twin Falls present for their initiation of the last class of six candidates Thursday evening in the T.O. hall. The candidates were Churchill Hoyer, Joe Machacek, Joe Huber, Al Byland, all of Buhl, and Mr. Ross and Leland Richardson, Piler.

The goal of the campaign was 30 new members and for having received such number, the lodge will return receive a vestel altar and station covers.

Each member of the lodge that brought in a new member received a large American flag in recognition of his service. The flags were presented at the meeting.

The losing team will serve an oyster supper to the men's lodge and the women's lodge, Moose Hall, St. Special entertainment is being arranged by a committee, Mr. and Mrs. Jim Randall, Mr. and Mrs. Tom Jim and Mrs. John Elvarty and Dick Erigh.

### "First Lady" of West End Feted At Gala Party

BUHL, Feb. 19 (Special)—Miss Mary Hincley, Buhl's "first lady," was the inspiration for an attractive Valentine luncheon Friday at the home of Mrs. Louise McCluskey. The party was arranged in honor of her 83th birthday anniversary.

This spry little octogenarian, rightly deserves the name of "first lady" of the west end, for she came to Buhl with her brother, John Hincley, in January, 1906 from Steamboat Springs, Colo. The two celebrated the first holiday in this section, across from the present Oregon Trail service station. They roomed and boarded the crew of men constructing the Buhl hotel under the management of the Twin Falls Investment company, and several surveyors, including John E. Hayes, of Twin Falls.

Miss Hincley was born near Lansing, Mich., Feb. 14, 1858. She is a charter member of the local Presbyterian church and a member of their Missionary society and of Ladies' Union.

Miss Hincley and her brother have for their home the first house built at the west end. They planted the first lawn mower in the west end and have preserved a copy of the first newspaper printed here.

Miss Hincley, the wife of her 83 years, was the life of the birthday party Friday. She is alert and happy to begin this new year as the "first lady" looking forward to more good times in the town she has watched grow from a desolate agricultural desert to a bustling booming Buhl.

### ATHLETES WILL JOIN "I" GROUP

CALDWELL, Feb. 19 (Special)—Plans for initiation of 15 members into the "I" club were announced today by Dorel Smeyer of Parma, president. The fifteen, who won their letters in the 1940 football season, will be initiated in two weeks, the "I" club president said.

Flags are Angus Knudson, Glenn Perry, James Manest, Mid. district; Ernest Skinner, Caldwell; Bill Hay, Weiser; Bob Jones, Caldwell; Bill Hays, Weiser; and a popular shade it is. The quantity is limited so hurry for Nylons.

### Legion-Sponsored Scouts Honored

KIMBERLY, Feb. 19 (Special)—American Legion post 70 Inc. and its auxiliary entertained the Boy Scout troop which held the post dinner at the Kimberly grade school last Thursday evening for a dinner to honor the scouts and their parents also were special guests.

Rev. S. D. Tretren was guest speaker. His subject being "How to be a Good Boy Scout." Rev. Tretren gave a humorous reading and W. B. Bangor and James Alastra, Southeastern, held court of honor following the dinner.

A total of 31 awards were given the following Scouts: Troop 40, Hansel, Roy Bangor, Dorel Smeyer, Robert Pettigrove, Jim Goller, Charles Cowan, Roy Rolliford, James Orten, Wayne Walker, Marvin Washburn and Bruce Walker.

Fourteen awards were given troop 44, Kimberly, Harold Heidemann, Gene Graves, Ronald Stoltenberg, Carl Hardin, Jordan Sizemore and Dwight Thillett.
