19 Craft, Including Big Liner, May Be Detained

By SANDOR S. KLEIN

WASHINGTON, April 1 (U.P.)—The United States placed 19 French merchant ships, including the \$30,000,000 luxury liner Normandie, "under surveillance" today. This announcement came from a high treasury official and was interpreted as a forerunner to seizures of the vessels which are tied up in six United States ports. Since Saturday 69 German, Italian and Danish vessels have been seized and the crews of the German and Italian ships have been detained.

Late FLASHES

LONDON, April 1 (U.P.)—British shipping losses during the week which ended at midnight, March 23, were \$9,161 tons, the lowest since the spring sea blitz began, it was announced today. During the week, 19 British ships totaling 24,000 tons, six allied vessels aggregating 27,522 tons and one neutral ship of 6,873 tons were lost.

There are eight French ships, including the Normandie, in New York, four in New Orleans, two in St. Thomas, Virgin Islands; one in San Juan, Puerto Rico; two in Los Angeles, and two in San Francisco. The state department is considering the seizure of Berlin and Bremen ports against seizure of 28 Italian and two German vessels, and definite indications that the United States will prosecute some of the crews for sabotaging their ships in violation of the 1917 espionage laws.

ROME, April 1 (U.P.)—Several hundred soldiers in full war equipment were stationed in streets surrounding the American embassy and the Jugoslav legation today as unidentified students led demonstrations through the city in favor of Japan and the axis nations.

Students wearing fascist uniforms led the demonstrations through the main streets carrying Japanese flags and shouting "Long live Mussolini," "Long live Hitler," and "Down with the plutocratic democracies!"

WASHINGTON, April 1 (U.P.)—German planes, hurling high explosive bombs for two hours during the night, hit the city of London. The attack on the city of London, which was reported by the British government, was the first since the evacuation of the city. The attack was reported to have caused considerable damage and several deaths.

Burley Gets \$137,000 for Airport Work

WASHINGTON, April 1 (U.P.)—A. M. Solomon, manager of the Burley, Ida., airport, announced today that the national defense commission had okayed final release of a \$137,000 civil aeronautics board-WPA allotment for work at the field.

He said that Sen. D. Worth Clark, D., Ida., and Rep. Henry C. Dworshak, R., Ida., had accompanied him to the commission and urged speedy approval of the request.

Red Paper Lauds Yugoslav Action

MOSCOW, April 1 (U.P.)—The newspaper Pravda said today the Yugoslav people are distinguished by a glorious past and are deserving of the respect of all peoples. However, added D. Zaslavsky, Pravda's political commentator, the Soviet government has not sent a message to that effect to the new Yugoslav regime.

Second 'Confession' Note Goes to FBI Laboratory

The second "confession" letter in the George L. Olson murder case is now on its way to the federal bureau of investigation at Washington, D. C., the Evening Times learned today. At the FBI laboratory the note will be closely inspected for fingerprints and other related data which might shed some light on identity of the sender.

The Evening Times also learned that authorities believe the person who mailed the second confession note from Twin Falls is not the same person who mailed a previous letter to Gov. Chase A. Clark from Klamath Falls, Ore. The first message claimed Duncan McD. Johnson, now under life sentence for murder of the jewelry salesman, was framed. The second communication was just the reverse.

Until the findings of the FBI are received, in Idaho it was evident that little could be done by investigating police in connection with the Olson case. The governor yesterday was received by the governor yesterday and, like the first note, the second was received two weeks ago.

Police and Strikers Scuffle at Gates of Allis-Chalmers Plant

MILWAUKEE, Wis., April 1 (U.P.)—Police and strikers scuffled again today at gates of the Allis-Chalmers Manufacturing company. A crowd of 3,500 CIO united automobile workers who have been on strike 90 days shoved police lines and hurled bottles and eggs when the morning shift of returned workers reported at the plant.

The company resumed production on \$45,000,000 worth of defense materials last week on request of Secretary of Navy Frank Knox and OPM Director William B. Knudsen. The union voted not to return but the company has announced approximately 4,000 men have gone back to production lines. The company normally employs 7,800.

One skirmish occurred when 200 policemen rushed to break up a crowd attacking a street car loaded with returning workers. Later at factory gate about 200 strikers pushed and shoved against a line of 100 police.

Although a few bottles shattered against the pavement and some police uniforms were splattered with eggs no serious injuries were reported.

Early Voting Moves At Rapid Clip Here

By 1:15 p. m. today—just four hours and 15 minutes after the polls opened—nearly one-fourth of all registered voters in Twin Falls had marked their ballots in today's municipal election, a survey by the Times at that hour disclosed.

Official figures show that 5,755 registered voters are on the books and at 1:15 p. m. today 1,317 votes had been cast. At that time ward one, voting at the Browning company showroom, had the largest total cast, standing at 451. Next was ward two, at Schwartz Auto company, with 471.

Germany enters seizure protest. BERLIN, April 1 (U.P.)—Authorized German sources declared today that American seizure of axis shipping constituted an "absolute violation of human rights."

The German spokesman said the grounds on which the United States is seizing the ships is in violation of international law. He said German and Italian seamen were entitled to demand their ships in any way they saw fit so long as this did not endanger American harbors.

Revolt Plan in Italy Revealed

NEW YORK, April 1 (U.P.)—American jets returned from Italy said today Benito Mussolini averted a revolution recently by sending his cabinet ministers to the front and having Gen. Pietro Badoglio, former chief of the general staff, absorb into the palace of King Victor Emmanuel.

Badoglio was to have led the revolt and the ministers were supporting the plot, the travelers said. Mussolini, they said, learned of it just in time to thwart it. Badoglio was protected by his friend the king, they said.

U. S. Moves in and Crew Moves out of Italian Freighter

(NEA Telephone)

Crew of the Italian freighter Legio leaves the ship at Portland, Ore., after the United States coast guard moved in and took over the ship under the 1917 espionage act. Sabotage was reported on the vessel, with wiring on the bridge cut and damage reported to its motors.

Axis BURN SHIPS IN PERU HARBOR

CARACAS, Venezuela, April 1 (U.P.)—Axis destroyers in the harbor of Callao, Peru, today set fire to their ships and escaped to sea. The German crew immediately set fire to their ships.

London with color, the ships were burning fiercely, illuminating the water front. It appeared both would be a total loss. The crews rowed ashore. The cruiser Colonel Bogdanoff, which had frustrated their escape, stood by.

Their drastic action was further indication Germany and Italy believe all western hemisphere countries soon will follow the example of the United States and seize all foreign ships anchored in their ports.

And there was growing belief for the belief. Last night Cuba seized an Italian ship at Havana. In Mexico City, there were authoritative reports Mexico was preparing to seize 10 Italian and one German ship refueled in Mexican harbors.

There is an acute shortage of shipping in South America, and all countries were eyeing the axis ships. Chile set the example in February by seizing three Danish ships.

The German ships destroyed here were the Leipzig, 2,000 tons and the Monserrate, 5,778 tons, both freighters with passenger accommodations.

CREWS SCUTTLE AXIS FREIGHTERS

CARACAS, Venezuela, April 1 (U.P.)—Three Italian tankers and a German freighter lay today in wreckage condition off the Venezuelan port of Puerto Cabello after they had been scuttled by their crews.

Crews of the burned ships were in hands of Venezuelan authorities, who planned to intern them. Axis ships scuttled on high in Puerto Cabello. More last night destroyed the German-owned Cambria hotel. Martial law proclaimed. Fighting in night's disorders, was lifted today.

MEXICO TO SEIZE 12 AXIS VESSELS

MEXICO CITY, April 1 (U.P.)—The Mexican government today ordered the navy to seize 12 Italian and German vessels at Vera Cruz and Tampico.

Two of the 12 axis vessels already have been taken over at Vera Cruz and a further five were dispatched to Tampico to seize the other 10 vessels, it was said.

Officials claimed the lead of the United States and other Latin American nations in seizing the vessels of Germany, Italy and Axis-dominated Japan.

STATE PONDERS SOUTHWARD PLEA

BOISE, April 1 (U.P.)—The state department today had under consideration a plea for release of Southard, Twin Falls, woman convicted of the prosecution of a murder case.

The plea for release of Southard, it was said, was based on the fact that she had been married in 1937, but had never been divorced. She had been married to a man who was later found to be dead.

The state department is considering the plea for release of Southard, it was said. The state department is considering the plea for release of Southard, it was said.

MUSIC DIRECTOR WILL DROP POST

JEROME, April 1 (Special)—After 11 years of service as instructor of instrumental music in the Jerome school system, Gustav G. Flechtner has announced he has resigned his position here. He will continue his music teaching at private and public schools and leaving instruction to classes under the federal system, of which he is representative in Rupert, Idaho. During the past year, Flechtner has competed in the district, state and regional music contests, and has won fine ratings in competition with other schools.

Excellent Record
Under his guidance, the students of grade and high schools of this community have been organized in band and orchestra, and have made admirable records for the school system.

Mr. Flechtner was born in Saxony, Germany, and became a United States citizen in 1917. He served for two years in the United States Army, one year in Fort Robinson, Neb., and a year in the Philippine Islands. He was offered the leadership of the Eighth Cavalry band but was forced to refuse because of the ill health of a member of his family.

He was affiliated with the National Academy of Music, a member of the faculty of the Sherwood Music school, Chicago, and studied many years in Dresden, Germany, under Carl König, of the Royal Academy of Music. He was a member also of the Portland symphony orchestra, studied under Madame Papes of the University of Oregon, at Eugene. He has been instructor of instrumental music in Oregon, Twin Falls, Buhl, Hollister, Hazelton, Eden and Shoshone, and has taught private lessons in Paul, Rupert, Buhl and Burley.

Northwest Chairman
Flechtner was chairman for Idaho during the Northwest Music conference, in 1933, and was secretary of the National Federation of Music Clubs in 1936 and 1937.

No successor has as yet been named to fill his school post. His resignation will not take effect until the close of this school year.

Flechtner directed three symphony concerts in Oregon City, with Portland symphony musicians participating. He also directed three annual symphony concerts in Twin Falls in 1923, '24 and '25 at the Orpheum theater.

With Flechtner (giving the first symphony concert) were to be presented in Twin Falls, Mrs. Ira Massey was solicitor for these occasions, while Dr. Bieder, also of Twin Falls, was band player.

JUNIOR HIGH WILL OFFER CARNIVAL

Students of Twin Falls junior high school are presenting a carnival in the high school gymnasium Friday from 7:30 to 9:30 p. m.

The carnival is being arranged by the roll rooms and each room will have charge of a booth at the carnival. Helice Aldridge is general chairman.

Among the booths that the different rooms will have at the carnival are a chamber of horrors, half of oddities, miniature bowling alley, roulette wheel, penny pitch, fish pond, confetti shop, bean bag booth, hot dog stand, fortune telling, side show, pop stand, picture gallery, candy stands, popcorn stand, dart throwing booth and baseball throwing booths. In the latter booths targets include Hitler, other dictators, a dummy that kicks a bucket when hit and junior high teachers.

Only junior high students and their parents will be admitted.

More than eight million acres of New Mexico's mountainous lands are included in national forests.

RECRUITING OPEN IN COAST GUARD

In line with the national defense program now in progress, announcement was made today in a communication received here that the U. S. coast guard is further increasing its personnel.

Because of this expansion, H. O. Nielsen, recruiting officer at Seattle reported in the communication, 100 or more men a month are to be enlisted through the office there.

Recruits approved from this area will be trained at Fort Townsend, Wash., where the service maintains an up to date training station.

Over a period of years, Nielsen wrote, a person may attain the rating of chief petty officer, warrant officer or chief warrant officer. Top pay for a chief petty officer is \$107.50 a month, for a warrant officer \$247 a month and a chief warrant officer may obtain a possible top pay of \$416 a month.

Full particulars regarding enlistment can be had by writing Nielsen at room 37, federal office building, Seattle, Wash.

Students Hear of 'Seeing Eye' Dogs

At an assembly yesterday for Twin Falls junior high school students, Urdine Gardin, Caldwell, spoke to the group on training and use of a "seeing eye" dog.

Miss Gardin told of her experience in a Morristown, N. J. school, where cooperation is taught between seeing eye dogs and blind people. She also sang a solo, accompanied by Miss Lucille Norell.

The boy's chorus sang two numbers and Miss Norell played a piano solo.

FULLER TO LEAD MUNICIPAL BAND

Dr. Orrin A. Fuller today had been selected as director of the Twin Falls municipal band following a special session held last night in the basement of the band shell at the city park.

Other officers selected during the session were C. O. Dumas, president; Jack Thorn, vice-president; Larry Bassett, secretary-treasurer; Reed Goulian and Jack Gray, trustees.

Announcement was also made that the first concert of the year would be presented at the city park on the evening of June 5.

TOTAL LARGE IN BRAND CHECK-UP

Approximately 4,000 cattle and horses—all being transported out of Twin Falls county—were checked during March for the official brand inspection certificates, Harold Halverson, county brand inspector, announced this afternoon.

The big task was carried out by Halverson and his deputy, Jake Pope.

The inspector estimated that of the 4,000 cattle and horses, about 30 to 35 per cent was being shipped out of the state for marketing.

In addition to the 4,000, the two inspectors also checked hundreds of other animals at the fairs in this county but issued no certificates if the animals were not being transported across the county lines.

Halverson estimated some 30 per cent of the cattle and horses was not branded—in which case the inspector must list a full description of the stock on the certificate.

Under state law, livestock transported out of any county must be accompanied by the brand inspection certificate.

Castor oil is used as a brake fluid in army vehicles.

Defining Diseases
When a disease attacks many persons in a community or nation at one time, it is an epidemic; when it attacks a majority of persons in a community or nation, or becomes epidemic in several nations at the same time, it is pandemic; and when it is constantly present in one place or among one class, it is endemic.

DISTRICT YWCA ELECTS AT EDEN

EDEN, April 1 (Special)—The district Y.W.C.A. council met Friday at the home of Mrs. Roy Gordon at a luncheon, sponsored by the Eden council. Members from Buhl, Piler and Hazelton attended.

Mrs. Helen Lowell, Parma, district C.I.R. Reserves secretary, and Mrs. Clara McCormick, Honolulu, were also present.

Mrs. Frank Ball, district president, presided at the business meeting. Annual election of officers was held, with all former officers re-elected.

They are Mrs. Ball, president; Mrs. E. J. Thomas, Buhl, vice-president; Mrs. R. O. Harding, Buhl, treasurer; Mrs. C. M. Stone, Eden, secretary.

Mrs. Lowell presented plans for summer conference for the C.I.R. Reserves, to be held at Payette lakes June 23 to 30. An interesting and informative discussion on C.I.R. Reserve work was led by Mrs. Lowell.

Leslie Appointed First Ward Clerk

In a brief session last night, members of the city council appointed William T. Leslie as election clerk to serve in the place of Mrs. Aina Wise, unable to serve at today's election because of illness.

Leslie will work in ward one's voting place at the Browning Auto company showrooms.

After routine business, members of the council recessed until Friday at 1:30 p. m., at which time the ballots cast today will be canvassed.

Polls for today's municipal election will remain open until 7 p. m.

POT SHOTS WITH The Gentleman in the Third Row EXTRA! WIFE ADMITS HUSBAND KNOWS BEST (April Fool)

A Great People Changes Its Mind The mind of a great people is not lightly changed. It does not change because one man says "Go!" or "Stay!" It does not change with the coming of the solstice or the making of a speech. It is not even changed by propaganda except over a long time, and scarcely then if all kinds of propaganda are allowed free interplay. But the constant beating of the waves of events can change it; the relentless impact of a changing world can reverse it utterly.

This has happened in America. When the present war broke out in Europe, most Americans were not only indifferent, they were bitter toward both sides. Disillusioned by the shattering of the dream of the "War to End War," they wanted no part of this one.

When the Fascist party seized power in Italy, Americans shuddered at the end of representative government, of civil liberty. But they shrugged, "It is Italy's own affair."

When the Nazi party rose to power in Germany, Americans were revolted by the bullying bravos, the concentration camps, the book-burning, the racial swaggering, the war on races and religions. But they shrugged, "It is Germany's own affair."

When the Fascist revolution broke out in Spain, and was pushed rough-shod by foreign aid to victory, Americans shrugged again, "They merely beat the Communists to it."

When concession after concession was made to an expanding Germany, even to the immolation of Czechoslovakia at Munich, Americans shrugged, "It is better than war."

But war came anyway. It became clear that the Nazi-Fascist regimes had all along been prepared to resort to war the moment they were thwarted in their slightest wish.

Then came the overrunning of neutral and peaceful countries on the flimsiest excuses. It became clear that all had been first undermined from beneath by subtle penetration.

Then came the arrogant demand that Americans show loyalty to other countries because of their race or blood.

Slowly, gradually, the realization came—that this was no ordinary war, but a revolution aimed at destruction of the free way of life, not only for a few distant peoples within their own boundaries, but all over the world.

There were little beads of moisture on Miss Ryan's upper lip. Her nose looked pinched. Beatrice said, "I think she ought to have a doctor."

Mood of Victorian Era Shown By "Little Theater" for Club

In a Victorian setting, depicting England in 1838, Miss Janet Felt, as Queen Victoria, and Bert Sweet, jr., as Lord Melbourne, prime minister, this afternoon, took members of the Twentieth Century club back to time with an amusing "blackout" England of today.

The sketch, taken from "Victoria Regina," was presented in costume, Mrs. Ralph Bacon establishing the mood with background music, and Mrs. Tom Alworth reading the introduction, written by Melvin Schubert. All are members of the Twin Falls Community Theater association.

Representatives of the Rural Federation of Women's clubs, the women's city groups, the Twentieth Century club, the Evergreen club, the Garden and the Garden club, and other women's organizations in this vicinity, were special guests.

Shift of Scene

"Let us imagine ourselves, for the next few minutes, back in that England of 1838," Mrs. Alworth asked the club members who had assembled at the Presbyterian church for the annual election tea.

"Instead of driving down Shoshone street to arrive here this afternoon, we have been driven, not in an automobile—this is 1838—but in a cab or horse-drawn coach, through Downing street to Windsor castle," she continued.

"There we alighted with the help of a footman and were ushered into the castle where we can look in upon Queen Victoria."

Principal players that Lord Melbourne and that time were the discussion of whom Queen Victoria should marry, the sketch brought out.

Miss Kathryn Goff was in charge of costumes; Miss Alma Grayman, stage, and Mrs. Emma Blodgett assisted in arranging an authentic setting.

Chief of Staff Of VFW Auxiliary Tells of Session

Mrs. Minnie Ferguson, Rupert, department chief of staff, and the Veterans of Foreign Wars auxiliary, and Mrs. Minnie Eyle, Burley, department, Americanism chairman, were distinguished guests at a special meeting Sunday at the home of Mrs. Alta Burdick.

Mrs. Stella Reynolds Boren, Boise, former president of the Twin Falls V. F. W. auxiliary, was also a special guest. Mrs. Raymond invited the local auxiliary to attend a district meeting Sunday, April 6, in Burley.

The newly formed auxiliary at Gooding will be instituted at that time. Auxiliary and post members from Rupert, Burley, Gooding and Twin Falls will have a joint installation ceremony at the Burley meeting next Sunday. It was announced.

Mrs. Gloria Pomeroy, president of the Twin Falls auxiliary, and Mrs. Burdick were in charge of arrangements. Refreshments were served.

Lion and Lamb Party for Thalia Club, Husbands

Thalia club members entertained at a "lion and lamb" party for their husbands last week at the home of Mrs. and Mrs. D. P. Groves, with Mrs. and Mrs. Carl Weaver and Mrs. and Mrs. John D. Platt as co-hosts.

Miniature pottery lions and tiny pottery lambs were the favors, the lions of the men, and the lambs of the women.

Orval Gray and Mrs. Groves won the lion contest, and Mrs. Moore and Mrs. Phil Cargill the "lamb" contest.

Mrs. Isabel Couberly was highest among both men and women in the quiz contest. The prize in the quiz contest went to Mrs. James E. Thornhill.

Mrs. Carl Weaver and Mrs. Carl Weaver, who succeeded Mrs. Lionel T. Thornhill, were the winners of a knitting bag and different colored balls of yarn.

At pinocle, Mrs. Carl Weaver and Mrs. Carl Weaver, club guests, won honors. A regular meeting of the club will be held in the near future.

SPORTS TRACK COACHES MEET SATURDAY

Dates Will Be Scheduled at Session Here

Track and field coaches from throughout south central Idaho will convene here at 2 p. m. Saturday to set cities and dates for the annual sub-district and district meets—yearly qualifying events for the state tourney at Boise.

At the same time, football coaches from the Class A schools in the Big Seven conference will meet to map a schedule for the fall season.

The district meet will be held in Twin Falls last year and prior to that for a number of seasons was staged at Burley. This year it is known that there will be a new bidder in the field for the meet—Kimberly, which boasts one of the finest new tracks in the state of Idaho.

Last year sub-district meets were held at Burley, Twin Falls and Jerome and it is expected these cities will again bid for these events.

Kimberly to Bid. The district meet will be held in Twin Falls last year and prior to that for a number of seasons was staged at Burley.

Accs who place in the district meet for south central Idaho are eligible for one of the three "state" tourneys. This is a fact going to Boise.

Athletes Get in Condition. Meanwhile, and in warm and sunny weather, athletes from the various schools throughout the district have been getting into condition and it is probable that a round of dual, triangle and invitational meets will be held in various cities before the district meets come up.

Feather Champion Rallies for Draw

SAN FRANCISCO, April 1 (AP)—Pete Scalo, National Boxing Association featherweight champion, rallied for a draw in his fight with Tony Canzoneri.

While 11 champions were crowned at the state high school invitational meet at Filer, it is our opinion that there were two good outstanding fighters in the meet—two boys who would give a good account of themselves in any ring against any amateur boxer of their age.

They are Martin McCullough, Shelley, 160-pounder, and Lynn Holway, Jerome, 132-pound, ace. Both can punch and both can box—and both are good sports in that squared circle.

We can't help but sneer a little at that Boise report in which it is stated that the state high school Class A and B tourney held at the capital city lost some \$1,500.

When the last state tourney was held here in 1928 an all-time record was set for receipts—and there wasn't even a Class B meet held in connection to help bolster the receipts.

At Boise there weren't enough fans in the seats to much more than pay for the officiating.

New York Yankees on Comeback Road—With Pitchers Carrying Most of Burden

By HARRY GRAYSON NEA Service Sports Editor

LITTLE ROCK—Even if Phil Rizzuto shoulders a rifle instead of a bat, it will be difficult to rap a baseball through the Yankee infield this season.

Frank Crosetti can still play plenty of shortstop, and would be spurred by a 21-year-old Gerald Priddy.

Joe Gordon, an instinctive acrobatic ball player, will have adjusted himself to first base by April 16.

That, however, isn't what sends Joseph Vincent McCarthy into one of his exceedingly rare spasms of optimism.

McCarthy doesn't believe any other club ever had the number of really fine young pitchers accompanying the New Yorks north this spring.

This is an astonishing statement by McCarthy, especially since the ultra-conservative manager saw much of the St. Louis Cardinals' remarkable comeback last season.

But McCarthy is positive he never had such a turnout before and insists each of the 10 in Yankee levery has the stuff with which to become great pitchers.

Seven have come close to being brilliant in spring games—Charley Blances and Johnny Lindell, up from Kansas City, and George Washburn, Hank Borowy, George Barley, Steve Peck and Norman Branch, graduates of the Newark farm—right-handeders all.

Compile Remarkable Record. Orlando Arizola, recalled from Hollywood, would have a good chance of making it this trip, but no doubt will be sent out for another campaign by Don Heintzmann.

McCarthy the willing worrier manages to find something to wrinkle his forehead about. With "Mayby" still names out of a "hat," the poor fellow moans.

Jugoslavia Ready to Defy Germany

ARMY MAY DRIVE INTO ALBANIA TO AID ITALIAN ROUT

By LEON KAY
BERGRADE, Jugoslavia, April 1 (AP)—Jugoslavia, fully prepared for war, has determined to defy Nazi Germany, diplomatic quarters reported today.

Viktor von Heeren, German minister, left for Berlin last night. It was said in reliable circles that Jugoslavia had closed its frontier with Hungary.

It was understood British troops in Greece had taken up positions from which they could go quickly to aid Yugoslav forces against a German thrust from Bulgaria.

Apparently the new government had determined to issue a statement of policy, probably Thursday, which would declare that some clauses of an agreement which the previous government signed with the axis powers were unacceptable, and would offer Germany a mere non-aggression agreement on equal terms.

Sticks to Policy
 It was indicated the government would stick to this policy despite any threats from Germany.

There was growing belief that an attack by the Nazi army was certain. Whenever the odds, it was at least certain no attack would catch the Yugoslav army unawares. Further, it was increasingly indicated that in the event of a German attack on Jugoslavia, a strike into Albania in the belief that in coordination with the Greeks it could drive the Italian army into the Adriatic within a few days.

Will Die Fighting
 Observers here were convinced that the Serbs had made up their minds to die fighting rather than kneel to Germany.

The great members of the cabinet left for Zagreb last night to discuss the situation with Croat leaders. It was reported they were likely to agree with Vice Premier Vladimir Matichak, Croat leader, to remain in the new cabinet. But it was understood the government had fully discounted possible Croat defection and had made its political and military plans accordingly.

Morris Services Held at Jerome

Jerome, April 1 (Special)—Mrs. Morris, 10-year-old daughter of William Morris, was paid final rites at funeral rites conducted today from the Jerome Nazarene church. Interment was in Jerome cemetery under the direction of the Wiley funeral home.

Mrs. Morris was born in Lee, Pa., and was the wife of the late Morris Morris. She was accompanied by her mother, Mrs. Mary Lou Bennett, and Lee Polly sang, "There's No Disappointment in Heaven." In the Sweet Bye and Bye and "The River of Life." Accompanist was Margaret Wilks.

Flower girls were Norma Lee, Dora Conklin, Josephine Conklin, June Peters, Jeanie Jennings and Ruth Baker.

Ushers were Ed Scholcroft, Morgan Wayne Griffith, Hank Hinton, Bill Wilks and Robert Lee.

2 Divorces Asked

Divorce suits have been filed in the district court by the following: Mrs. Percy E. Bridwell against John H. Bridwell, cruelty. The pair wed May 26, 1929 at Glendale, Ariz., and the wife asks custody of two sons, two and nine years of age. Rayborn and Rayborn are her attorneys.

Mrs. Pearl Evans against J. C. Evans, cruelty. They married Jan. 8, 1921 at Burley. E. V. Larson is counsel for the wife.

Bennett's 91 Today and No April Fool About It

BURL, April 1 (Special)—J. W. Bennett, one of the oldest residents of the west end, anticipated the arrival of his 91st birthday anniversary today with much enthusiasm as a man 70 years his junior would anticipate the privilege of casting his first vote.

Mr. Bennett returned to his home last week from a 10-day visit with his son, Ruby Bennett, and family at Weiser, to prepare for the birthday.

When questioned about plans for his 91st anniversary celebration, this great-great-grandfather laughingly remarked, "I came home for my birthday, but I'm not like the lady who cautioned her daughter, 'Mary, hurry and slick up the kitchen. I'm looking for a surprise!'"

He's Next Cook
 For those who know this pioneer resident, it is needless to say his kitchen is always "slicked up" for he is a neat cook and housekeeper as well as gardener, sociable and student. After the usual birthday wishes he always time to read his Bible and the favorite book of St. John, with many selected chapters offering encouragement and consolation.

He has read the old and the new testament at least 12 times. This study and study he trains his children in his father's home with his eight brothers and sisters, gathered around the table each week.

The choice Bible of Mr. Bennett is approximately 112 years old. He purchased it as second hand shortly after their marriage at Leon, Jan. 25, 1877. In the book births and marriages of the family are recorded and on Dec. 25 the death of Mrs.

RUBINOFF TICKET RE-SALE BOOKED

Persons who hold tickets for the Rubinoff violin concert to be held in Twin Falls high school auditorium Tuesday, April 8, and who will be unable to attend should return their tickets to the high school office immediately so that they can be resold, according to Edward Rogel, high school principal.

Mr. Rogel stated that money will not be refunded if tickets are returned too late to be resold.

At present about 30 tickets are available for the evening concert. Announcement was made by Mr. Rogel that the matinee for students will be held at 2 p. m. next Tuesday afternoon. At this matinee the medals will be awarded to winners in the violin contest staged here in January. There are still a few seats left for the matinee, Mr. Rogel said.

Associate artist with Rubinoff in the concert is Solito de Solla, world famous pianist. Rubinoff will play violin solos and the two will appear in joint presentations.

Too much lime is as injurious to soil as too much acid.

Former Publisher
 Mr. Bennett was born in Bloomfield, Ind., April 1, 1850. He established himself in the newspaper line, publishing the Bloomfield Democrat at Bloomfield beginning in 1887. He also published a Kansas paper for a short time.

He came to Chynoweth, Wyo., and from there on horseback to Fort Laramie with General Sherman. They arrived on the scene of the battle of Little Bighorn in 1877. He also published a Kansas paper for a short time.

Mr. Bennett is the last of his family, he remembers his grandfather at the age of 106 and said his uncle lived to be 96 years of age. His children are Mrs. Verda Doud, Flier, Mrs. Mary Piery, Buhl, Mrs. Lula Smith, Buhl, Mrs. Carrie Modlin, Flier, Wilbur and Jason Bennett, Buhl, after their marriage at Leon. There are 20 grandchildren, 29 great-grandchildren and four children of the fifth generation.

LAST HONOR FOR HAGERMAN GIRL

HAGERMAN, March 31 (Special)—Miss Virginia Hagerman, 18, was paid final tribute Monday afternoon at the Reorganized L. D. B. church in Hagerman. Elder John B. Cato, Meridian, officiating.

Miss Hagerman, daughter of Mr. and Mrs. Frank Dickerson, Hagerman, died Saturday afternoon at St. Valentine's hospital in Wendell following a brief illness of pneumonia. She was a graduate of the Hagerman high school, class of 1940, and was soon to be married to David Loughlin Hagerman.

Miss Dickerson was born Nov. 22, 1922, at Tuttle, and lived most of her life in and near Hagerman. She was a member of the Reorganized L. D. B. church. She had spent the past winter at Nello, Wash.

Beside her parents, she is survived by two brothers, Lawrence Dickerson, Grand Coulee, Wash., and Robert E. Dickerson, Boise, and three sisters, Mrs. Laura Myers, Hollister, and Georgiana and Louise Dickerson at home.

Man's Death Is Termed Suicide

ORANGEVILLE, Ida., April 1 (AP)—A coroner's jury decided last night that Roy Ketchum of Wallace, who shot himself fatally while sitting in his car with his pretty high school teacher fiancée, committed suicide. Despondency over a broken engagement was believed to have caused Ketchum to take his life.
