Twin Falls Churches Recall Resurrection

By JEAN DINKELACKER

In marked contrast to the sorrowful ritualistic services during Holy Week, recalling the betrayal and crucifixion of Christ, will be the services of joy on Easter in Twin Falls churches, commemorating the Resurrection and the promise of Everlasting Life and Eternal Light.

Largest assemblage of the day will be at Spohns falls in Snake river canyon, when the fifth annual sunrise service will be conducted in a majestic natural setting, unless inclement weather interferes.

The services, sponsored by the Inter-Church Youth Affiliation, will begin at 6:30 a. m., and worshippers will begin the trek toward the canyon about that time, to avoid traffic congestion. A public address system will be used to broadcast the voices of speakers and singers.

Two special buses will transport members of the youth chorus to the site. They will also be available for persons having no other means of transportation. The buses will leave the city park promptly at 6:45 a. m., according to officials.

Boy Scouts, under the direction of the law enforcement department, will direct traffic, and the road down the grade into the canyon will be closed to traffic at 8:20 a. m., 10 minutes before the services begin.

Ferry Speaks

Arrangements have been made for the principal address on the subject, "Three Crosses on a Hill." Call to worship will be signaled by the trumpeters, Ted Becker, Howard Allen and Junior Hensler. Rev. O. Ralschowsky, Idaho Falls, formerly of Twin Falls, will be the song leader.

Also taking part in the services will be Rev. Mark O. Christensen, Rev. Gladys C. Pratt, Rev. A. C. Miller, Ted Becker, Howard Allen and Junior Hensler. Mrs. M. McCoy, the youth choir and the congregation.

In the event that weather conditions make an outdoor service impossible to conduct, the services will be held at the Orpheum theater.

Easter

Three Masses

Easter, Feast of the Resurrection, will be celebrated with three masses Sunday at St. Edward's Catholic church. Low mass will be recited at 8:15 a. m.; high mass at 8 a. m. and low mass at 10:30 a. m. There will be no evening devotions.

Music by the choir, directed by Miss Ann Hellman, will include: Processional, Battman; Vidi Aquam; Traditional; Kyrie, Gloria, Credo; Sanctus; Benedictus; Agnus Dei; Peters; Terra Tremuit; Singenberger; Haec Dies; Boredie; O Salutaris; Tantum Ergo; Blessed Be God; Dress; Paula Angelicus; Lambdico; Ecco Paula; Nemmes; Alleluia; Mendelsohn; Miss Mikrod Wardell; and A. X. Francis will be the Violins.

Play Offered

The powerfully dramatic play, "The Terrible Meech," Kennedy, will be presented at the special Easter service Sunday at 8 p. m. at the Presbyterian church, under the arrangement of the Christian Endeavor society and the choir. The play will be given in darkness. The time is six hours after the crucifixion, and the place is a windswept hill called Calvary. Mrs. Oren Boone will sing "O Divine Redeemer." Gounod, and the chorale number will be an anthem, "The Lord Is My Light," Sparks.

Rev. O. L. Clark, pastor, will speak on the theme, "The Slope Triumphant," at the morning service; the Presbyterian choir will present special numbers; Rev. Hall will be the soloist, and Miss Julia McKenney will play the violin obligato for an anthem. Knights Templar in full uniform, and their families will attend the services as special guests.

Methodist Sermon

Rev. H. G. McCallister, pastor of the Methodist church, will preach on the theme, "The Quality of Immortality," at the 11 a. m. service, and the 40-voice choir will sing "Beneath the Cross" Masker; "Listen to the Lamb" Deit, and "Remember Now Thy Creator" Adams; Miss Josephine Throckmorton will play special pipe organ numbers.

Following the sunrise Easter service at Spohns falls, the Wesleyan League and the Fidelity class of the Methodist church will hold annual pastor breakfast.

Choral Eucharist

The full choral Eucharist will be sung by the choir of Ascension Episcopal church Sunday at 11 a. m., and Rev. Inghil L. Jenkins, vicar, will preach the Easter sermon.

Celebration of Holy Communion will be at 8 a. m. The church school assembly will feature the presentation of the Lenten mite box offering at 8:45 a. m.

Special Easter sermon, "The Resurrection of Christ," will be preached by Rev. Arnold Watson, Church of Christ evangelist, at the Christian Endeavor assembly at 11 a. m., followed by communion service.

A baker's dinner will be served at noon, and a special service conducted at 2 p. m. Sunday evening at 7:45 p. m. The sermon topic will be "The Feast of Great Priests."

GERMANS CLAIM JUGOSLAV ARMY DISINTEGRATING

By JOSEPH W. GRIGG, Jr.
BERLIN, April 12 (UP)—The German high command said today the Yugoslav Serbian army was "in the process of disintegration."

The high command said in its communique yesterday the Yugoslav Serbian army had been "annihilated."

The high command said the Germans had occupied Varadin in the far northwest corner of Yugoslavia and "rapid troops have pushed forward through Zagreb to Karistadt (Karlovac)."

"German and Italian troops on April 11 began mopping up the Ljubljana basin," the high command said. (Ljubljana is 50 miles northwest of the Italian frontier city of Trieste. The Italian high command said today Italian troops had occupied Ljubljana.)

"Mountain troops and infantry divisions, after fighting Serbian units in the pathless Croatian mountains in and northwest of Zagreb, have reached the Sava river," today's communique said.

Drive on Belgrade

German units advanced on Belgrade, capital of Yugoslavia, from several sides thus confirming the Germans have not yet taken Belgrade, although its occupation had been reported at Budapest.

Concerning northern Yugoslavia the communique asserted, "The German units in Croatia had occupied German two days ago occupied Zagreb, capital of Croatia, following the overthrow of a 'free state' by Croatian nationalists."

"Varadin has been taken and a Serbian brigade commander surrendered to troops pushing southward from there," the high command said. Varadin is 60 miles northeast of Zagreb.

According to the communique, the air force yesterday was particularly successful in destroying barracks, hangars and several enemy airfields in northern Bosnia as well as in the Danube and Sava areas of Yugoslavia.

Destroy 10 Planes

German planes destroyed 10 planes of the Yugoslav army, the communique said. The bombings were described as "most effective." Five bombers repeatedly attacked enemy troop concentrations west of Zagreb.

Following the joining of German and Italian forces at Lake Ochovria, Adolf Hitler telegraphed to Benito Mussolini:

"At this moment when German and Italian troops have joined hands for the first time in Yugoslavia, I greet you most heartily.

"It is true comradship."

It was indicated the German forces were already driving with the British army at the front of the Lake Ochovria, at the capture of the Yugoslav, Albania and Greek frontiers, to break the Greek line and capture the Balkan states, the communique said.

It also stated that the British army in Albania had beaten back the Italians for months.

Nazi Units Make Stab at Key Spot In Defense Lines

By HARRISON SALISBURY
United Press Staff Correspondent

British imperial forces grappled with Adolf Hitler's armies in the opening round of the battle of Greece today, with Nazi panzer units stabbing at the key link in the defense line thrown up by British and Greek troops from Mount Olympus to Albania.

While the British air force hacked at German communications lines with mounting patrolling a British armored patrol blasted infantry along the Greek town of Florina in an effort to drive a fatal wedge through the allied defenses through the Monastir gap on the Jugoslovo-Greek border they were in a position to cut the Florina-Korinath road which, if cut, would trap the German forces in northeastern Albania and threaten to turn the entire defense line across northern Greece. The results of the Florina operation, however, may not be known for some time.

Second Column Drives

A second German column was reported to be making its way to attempt to hit the eastern end of the Greek-British line by cutting the Florina-Korinath road from the north. The column, it was reported, had been seen in the mountains and Turkey heard that a counter-offensive had been started to recapture the important Yugoslav town of Skoplje. The Ankara radio also reported that the British had occupied the Italian port of Durazzo, on the Albanian coast, but there appeared to be no support for such statements.

LONDON—The Turkish radio said today broadcast by the British Serbians troops had occupied Durazzo, main port in Albania and the gateway to Thessaly, the Albanian capital.

WASHINGTON—Ernest B. Scuderi, liaison official between the committee to defend America by aiding the allies and its London office, said today he looked for a situation of "total stalemate" between the British and the German advance units "had struck against the main defense line in Yugoslavia and in northeastern Greece in an effort to break up preparations for the battle that is supposed to be decided whether the British can keep a hold on the continent.

The Germans were said to have "run like mad" during a run of A. F. bomber and fighter plane attacks on tanks, mechanized units, lorries, trucks and roads to both Greece and Yugoslavia. Mills and Gallant

CAIRO—British planes destroyed 21 Nazi aircraft, including 18 Messerschmitt-110 fighters grounded at Derna, royal air force middle east headquarters said today.

BUDAPEST—The army command said today Hungarian troops had entered the Yugoslav city of Subotica (Sabac) and broke the entire line of Yugoslav defenses. The towns of Zambor and Darda, southwest of Subotica, were occupied, the communique said.

LONDON—German aircraft almost were reported striking today in the town of Florina, in an effort to cut the vital supply road between Florina and Korinth, trap Greek forces in northeastern Albania and turn the western flank of the British-Greek defense line.

LONDON—The Turkish radio said today broadcast by the British Serbians troops had occupied Durazzo, main port in Albania and the gateway to Thessaly, the Albanian capital.

WASHINGTON—Ernest B. Scuderi, liaison official between the committee to defend America by aiding the allies and its London office, said today he looked for a situation of "total stalemate" between the British and the German advance units "had struck against the main defense line in Yugoslavia and in northeastern Greece in an effort to break up preparations for the battle that is supposed to be decided whether the British can keep a hold on the continent.

SPEED ORDERED IN SHIP BUILDING

WASHINGTON, April 12 (UP)—Greater speed was ordered today for the government shipbuilding program, and maritime commission officials predicted vessels totaling between 3,500,000 and 4,000,000 tons—the world war rate—would slide off the ways in 1942.

Plans were being made for construction of 40 new ways for the mass production of the 312 merchant ships under the war-aid appropriation. In addition, 51 new ways are being built for the construction of the 300 "hull docking" ships ordered under the government's emergency shipping program.

The 51 new ways combined with existing government-owned ways will be sufficient to sustain the world war output of ships, a high maritime official said.

1,000 Kids at "Hunt" Defy Threat of Rain

Although the weather was overcast, and for awhile "looked like rain," Twin Falls youngsters today turned out en masse for participation in the annual Easter hunt held at Jaycee park.

Pete Smith, recreation leader in charge of arrangements for the event and Pathfinder H. W. Zimmerman saluted the number attending at between 800 and 1,000. Participating ages ranged from one to 15 years.

At a given signal shortly after 10 a. m.—the clanging of a bell on one of the city's fire trucks—the youngsters broke stinging barriers which had held them in position until that time and dashed across the Jaycee park grass. They manifested custom clothes were hidden at various places over the grounds. Youngsters finding the chickens displayed them to recreation workers who gave them candy Easter eggs. The children were allowed to keep the chickens.

Smith said that a total of 700 chickens was hidden about the grounds, some under clumps of grass, some on and in playground equipment, some under little piles of leaves and still others around the edge of park buildings and trees. None were placed in the trees for fear of injury to youngsters attempting to retrieve them although this did not keep various "hunters" from making runs by looking there.

Boy Scouts aided in keeping children in the correct age lanes and also in distributing the eggs. The merchants' bureau and the recreation unit were sponsors.

BOUTON AWARDED OFFICER'S RATING

PORT LEWIS, April 12 (UP)—Army headquarters today announced the commission of Sgt. Herbert A. Bouton, 24, Twin Falls, Idaho, a second lieutenant with assignment to Company F, 118th Idaho engineers.

Sgt. Bouton made rapid advance up the ranks from private in the Idaho national guard after his enlistment in June, 1940. He captured a holed and became a corporal within three weeks. Later, he was made a lieutenant sergeant.

U. S. LEGATION DESTROYED

WASHINGTON, April 12 (UP)—The American legation at Belgrade, Yugoslavia, reported today that the residence of American Minister Arthur Bliss Lane has been "virtually destroyed."

Federal Reserve Board Man Quits

WASHINGTON, April 12 (UP)—The resignation of Chester C. Davis from the federal reserve board of directors was announced today by the White House.

Davis will become president of the Federal Reserve bank in St. Louis, Mo. He will continue to serve as an advisory member of the advisory commission to the council of national defense.

Doyle, in a letter to President Roosevelt, asked that his resignation be accepted effective April 15.

Doyle's resignation was announced after he had been in the White House for only a few days. He was reported to have suffered from "very real" nervousness.

BRITISH PROTEST NEWS LEAKAGES

LONDON, April 12 (UP)—Britain has called the United States government's attention to leakages of British war information through American newspapers and radio stations. It was reported authoritative today.

Instances where it is felt the British government has been misled by news leakages include the publication in an American aeronautical magazine of the details of the British fighting planes and the reporting by American newspapers recently of the arrival of a British warship in an American port. There is some discussion of the wisdom of the United States department's publishing the amount of commodities, including airplanes, that are delivered monthly to Britain and other territories.

WASHINGTON, April 12 (UP)—State department officials today said they had no knowledge of a reported informal British protest against dissemination by American newspapers of details of military information helpful to the Axis powers.

It was noted, however, the communique also stated that the British had restricted information relative to the quantity and value of war materials supplied to the British during the month.

IRELAND MAY GET LEND-LEASE HELP

WASHINGTON, April 12 (UP)—Extension of American lend-lease aid to Ireland to promote its closer cooperation with Britain was reported in official circles today as possibly the next step in United States moves to strengthen Britain's hand in the battle of the north Atlantic.

Informed officials said such a plan was under consideration in connection with current studies of British purchases of foodstuffs and arms in this country. The strategy would be to meet Irish requirements on a promise that it would give Britain certain long-range base sites.

RETURNING FROM LEBON

LONDON, April 12 (UP)—Gen. H. H. Arnold, head of the United States army headquarters, arrived today by airplane from Lebanon.

WASHINGTON—White House today said that the United States had agreed to give Britain \$100 million in military aid.

CLARK PREPARES TO ASK U. S. AID

BOISE, April 12 (UP)—Gov. Chase A. Clark was busy today pulling his office in order in preparation for a week-long visit to Washington, D. C. where he will confer with federal officials on reclamation, highway, defense and relief projects.

Clark said he was to inform federal officials of the effect on Idaho's financial situation of "making the state of Idaho a self-sufficient state."

Clark also will discuss the possibility of federal cooperation in the highway program which would be financed by the federal government to the extent of 75 percent.

Next Thursday night Clark will return to Washington, D. C. for a sub-committee of the appropriations committee.

As Kids Hunted Very Thoroughly

"Chicken, chicken, where's the chicken?" might be the title of this picture as youngsters at Jaycoe park this morning were "hunting" looking for the manufactured chicks which entitled them to candy Easter eggs distributed at the end of the hunt. Many of the chickens were hidden on the miniature merry-go-round, where the above picture was taken. This looking for the chickens was serious business, as shown by the facial expressions of the youngsters pictured. Estimates placed the number of children participating at about 1,000. SUNNY WEATHER SLATED FOR NATION'S EASTER PARADE

FASHIONS DIFFER AS CITIES CHOOSE VARIOUS MOTIFS

By United Press. Easter parades can expect mild and sunny weather over most of the nation, forecasters said today. What they will wear largely depends on where they live. Fashion experts predict new designs in bright colors will appear on all the avenues, but a definite, universal style trend is missing. Temperatures above normal will permit the showing of spring fashions except in the upper Mississippi valley and Texas, where showers threaten Easter Friday. Independent Centers. Style authorities in Chicago said independent fashion centers have developed in every major city, that Paris has vanished as a court of last resort for designers. Hollywood, for example, probably will see something extravagant and ultra-modern, while New York may look at fashions in a military motif. Some points will be treated to lots of feminine frills and ruffles. Hats. "Out of Ordinary." All agreed women's hats will be out of the ordinary; one expert said they will "add look like an airplane maker's forced landing" and "hats will be rakish, colorful, even "dramatic." Retail merchants the country over reported heavy sales. Easter comes late this year, they explained, increasing shoppers a chance to wear their new fashions and generally increasing employment increased the numbers of those buying spring clothes.

Drapes Added to Church's Interior

Christian churches have brought into a greater atmosphere of worship by the placing of rich millinery draped around the platform, the community setting simplicity and in front of the cross, which is high above the choir loft. Rev. Mark C. Connerberger announced as he detailed Easter observance services at his church. The Bible school, with an attendance goal of 801, will assemble at 9:30 a. m. Sunday to witness the play, "The Dawn Comes Up," directed by Mrs. J. G. White and Mrs. R. E. Porter.

On Easter morning the choir will make its first appearance in the new robes, the purchase of which was sponsored by the late John Clear and other interested people of the congregation. The prologue and epilogue of the Easter play are being directed by Mrs. Raymond E. Peterson. Taking part are Earl Jordan, Pat Graves, Fern Whitely, Helen Nesby, Maxine Haskins, Dora and Miss Mildred Gough, Ray M. Beauchamp, Glenn Terry, Velma Jacobs Reed, Percy Lou Porter, Kallie Hoff, W. H. Hayes, Preston Henman, Mrs. U. N. Terry.

Singers to Appear at Moscow, Pullman

UNIVERSITY OF IDAHO, April 12 (Special)—Helen Johnson, world-famous star of the Metropolitan Opera company, will appear in Moscow next year in a Community Concert program. Feature spots on Pullman's series will be rich-voiced Paul Robeson, Negro baritone. A student body of the University of Idaho and Washington State college and the Moscow-Pullman Community Concert organization collaborate in bringing to the camp of Idaho and W.S.C. noted concert artists. This year, Alice Templeton, blind pianist and Greco-Polynesian young cellist, presented concerts at Moscow and Maxine Sullivan, Negro soprano, sang at Pullman.

Scheduled for appearances next year at Moscow are the Trapp family Singers and Henri Temanki, young violinist.

Nadene Newman, Orville Tetz Wed

In the presence of 30 guests, Miss Nadene Newman, daughter of Mr. Charles Newman, and Orville Tetz, son of Mr. and Mrs. G. Tetz, were united in marriage at a lightsight ceremony Thursday evening at 8 o'clock at the home of the bridegroom's parents.

Rev. R. J. Kiegly officiated. Mrs. Howard Manning played the Lohengrin wedding march, Wagner, and also played the accompaniment for Mr. Manning, who sang "Oh Promise Me." Mrs. Blanche McDowell, sister of the bride, and Miss Patricia Durbin attended the bride and Wayne Bailey and Clyde Newman, brother of the bride, attended the bridegroom.

The bride wore a rose-tinted dress ensemble with beige accessories, and carried a colonial bouquet of Tallahassee roses. Mrs. McDowell wore a green ensemble with beige accessories and corsage of carnations and Mrs. Durbin wore a blue street dress with beige accessories and a corsage of carnations.

Mrs. Newman was gowned in a green ensemble and Mrs. Tetz in a black dress, and both wore corsages of sweet peas. Vows were pledged beneath an archway of huckleberry and rosebuds, and large floor baskets of forsythia and apricot blossoms were on either side. Tapers were arranged at vintage points.

An informal reception followed, the bride cutting the wedding cake which centered the lace-covered refreshment table decorated with pink and white tapers in crystal holders. Miss Fern Bailey and Miss Olive Wells, wearing pink and white ensembles, assisted in serving. The Easter motif was featured in the menu.

Following the reception, the couple left on a wedding trip to Midvale, Ore., and after Monday will be at home at 437 Third avenue east. Mrs. and Mr. Tetz attended the Gem State academy at Weiser and the Twin Falls high school.

Members of the Watanda Camp Fire group met Saturday at the home of Betty Lou Allen. A business meeting was held and the girls made bread and practiced Camp Fire songs for a P.-T. A. meeting at Lincoln school. Joan LeClair is being leader. Refreshments were served by the hostess, assisted by Bernice Mondragon, Chloé Hart and Barbara Gilkey.

Members of the Okicivapi Fire group met Friday at the home of the guardian, Mrs. Arthur Witz. The girls decorated Easter eggs and the highlight of the afternoon was an Easter egg hunt. Refreshments were served by Mrs. Bookwitz. Next meeting will be held at the home of Sue Witham.

Top Membership PTA Unit Enrolls 71 Men

Who says that the Parent-Teacher association is a "women's organization"? Twin Falls Junior-Senior Parent-Teacher association, unit attending the largest membership in the state this year, has 71 men members out of a total enrollment of 245 parents. Nationally, several hundred thousand men are affiliated. While no man was an official delegate from Twin Falls to the state convention of the Idaho Congress of Parents and Teachers at Pocatello Wednesday, Thursday and Friday of this week, the local Junior-Senior unit was given credit for "signing them up."

Membership Committee Mrs. W. Scott Ellsworth was president of the group the past year, and Mrs. W. A. Poe, Mrs. J. R. Nelson, Mrs. R. L. Reed and Mrs. Fred Hudson were members of the membership committee. We gave them facts and figures during the short business sessions in connection with our monthly programs, to show them in a concrete way what we were doing," Mrs. Nelson said in response to the question of what "signing them up" meant to the men to the meetings.

Sponsoring the state speaking contest of the Future Farmers of America, in connection with one of the P.-T. A. meetings this spring, particularly attracted the men members, she commented. For the past three years, fathers have been brought into closer contact with the schools, through the father-son banquets, sponsored by the P.-T. A. meetings, and the Parent-Teacher association assisting in food preparation, Mrs. Nelson added.

The clever and original announcement, freshhand drawings, made by Robert Joyce, junior high school instructor, plus advance publicity of the outstanding programs arranged by Mrs. B. T. Bolingbroke, were important factors in the attendance record, particularly of men members, the membership committee believes. Most of the members joined through personal calls made by the committee. Delegates to Convention Representing the largest unit in the state at the convention this week were Mrs. D. P. Groves, Mrs. Earl Johnson, Mrs. H. H. Burkhardt and Mrs. J. E. Nelson. Representatives from Washington P.-T. A. were Mrs. J. E. Tomlin and Mrs. Amy Moore; Lincoln, Mrs. Ralph Elliott; St. Edward's, Mrs. May Kleffner; and Bickel, Mrs. L. H. Smith and Mrs. Charles R. Young. Mrs. Frank G. Kleffner, newly elected president, represented the Twin Falls Parent-Teacher association council. Mrs. John E. Hayes, national publicity chairman, represented the National Congress, and Mrs. Ray J. Evans, a vice-president of the Idaho Congress, was also in attendance.

The White House has been the official residence of the President of the United States since 1800.

FEDERAL AGENCIES CALLED IN TO SETTLE DEFENSE STRIKES

COAL OPERATORS QUIT CONFERENCE WITH CO MINERS

By United Press The aid of federal conciliation agencies in settling labor disputes in defense industries was sought on an increasing scale today. Southern coal operators who withdrew from a wage scale conference with United Mine Workers (U. M. W.) in New York, asked President Roosevelt and Secretary of Labor Frances Perkins to certify their dispute to the national defense mediation board.

James F. Dewey, veteran federal conciliator who played a prominent part in the settlement of a 10-day strike at the Ford Motor company's River Rouge plant was put to work on United Mine Workers' demand for a CIO strike threat against the General Motors corporation, holder of more than \$700,000,000 in defense contracts.

To Mediation Board A federal conciliator prepared an appeal to Secretary Perkins to certify to the defense mediation board the strike of A. P. Mather, president of the California metal trades association at San Francisco, stopping work at \$1,000,000 defense contracts.

Steel Coal Shortage Blast furnaces working on defense orders were reported to face with a shortage of soft coal as work stoppages at 400,000 soft coal mines in 12 states continuing into the 12th day with southern operators refusing to accept abolition of a 40-cent differential in the daily wage paid in their mines and in those in the northern area.

At the Boeing Aircraft company plant, Seattle, members of the Aero-nautical Mechanics' union and the I. A. W. clashed when the I. A. W. demanded that the company plant, where a CIO membership drive is rumored. The AFL has a bargaining contract at the plant.

UTAH PIONEER, 84, DIES AT BURLEY

BURLEY, April 12 (Special).—Funeral rites were being arranged today for Mrs. Olive Amanda Bulkley, who died Friday evening at the age of 84. Mrs. Bulkley succumbed at the home of her son, Ross. She had come to Burley recently after leaving in 1916 and spending 23 years at Salt Lake City in genealogical research. L. D. S. temple activities and general church work.

Born Sept. 18, 1856, she was married to E. H. Abner Newell, the man Bulkley at the temple in St. George, Utah. As southern Utah pioneers, they helped in founding Oregonville, Emery county, Utah. Her husband died in Burley March 26, 1916.

Products of the Dr. Shipp school of osteopathy, Mrs. Bulkley practiced in many parts of Utah, coming to Burley in 1908 and remaining for eight years. Survivors among her 11 children include Mrs. Rette Kent Mackey, Ida, Samuel and Iona Bulkley, Burley; Mrs. Mary Rollins, and Joseph Bulkley, Salt Lake City; Mrs. Loretta McKenna, San Francisco; and Robert Bulkley, Madison Heights, N. J.

Windbreaks Planted By U. of I. Forester

JEROME, April 12 (Special).—Under direction of Gilbert Doll, university extension forester, four dozen cotton windbreaks were planted in Jerome county, Utah, this week. Windbreaks were located on the Henry Schowb farm, Edin; Berkeley farm, Edin; J. J. Quinlan, Edin; Craig, north of Jerome; and L. W. Grandall place, south of town. Windbreaks were planted in black locust, green ash and Scotch pine.

Windbreaks in windbreaks established last year were made also at the Jack Gray farm, Edin; Marvin Laughlin farm; Del Houston and John Stickle farms at Jerome.

McLay Quits Fish Director Position

COBUR, DALLAS, Tex., April 12 (Special).—John McLay, Idaho state director of fisheries, today has submitted his resignation to the state fish and game commission. McLay is leaving today to return to his home in Dallas, Texas, to take up his work as a wildlife warden. McLay was born in Idaho and grew up in the state.

Castleford Backs Hospital Expansion Plus a Supplementary Unit in Buhl

CASCADE, April 12 (Special).—There is 100 per cent agreement in the area regarding the need for improved hospital facilities in Twin Falls county. Some favor full expenditure of funds in expansion of the present hospital while a considerable portion of this region favors a small hospital at Buhl with the remainder of bond issue money to improve the Twin Falls institution. That is the consensus of opinion as shown by the survey taken last session. Wednesday night and by wide but informal discussion since the meeting.

Small Turnout At the meeting itself was very small because of rain and inclement weather conditions. Because of the small attendance, it was not thought wise to take a formal vote either in regard to the propositions (1) For a west end hospital, or (2) For full use of bond issue funds at the Twin Falls hospital.

In case of a \$200,000 bond issue some argue that \$50,000 should be spent for a small hospital at Buhl to take care of most of the cases in the west end in need of hospitalization, and \$120,000 used to add on and improve the county hospital at Twin Falls.

LEGION MEETING HEARS ADJUTANT

JEROME, April 12 (Special).—The state adjutant, Les Albert of the American Legion, gave the main address at the 22nd birthday anniversary party, arranged this week by the American Legion post, 45, Commander Christie was unable to be at the meeting, and sent Mr. Albert as his representative.

His address was on Americanism and national defense. Albert told his audience, "Of the future, no one can speak with authority, but if one has any criterion, the people of these United States, including our own members, need have no worry."

Safe-guard of Nation He continued: We have only to look back some 20 odd years to see the men and women composing our organization, marching away to safeguard a nation in distress, and to uphold a national integrity. "Thousands of our buddies never came back, and those who did came back, are paying the price of war. Our first duty then, as it is now and will be in the future, is to care for our disabled veterans, the widows and orphans."

State senator, B. L. Thorpe, toastmaster, introduced the speaker. Miss Elva Pagnino sang two selections, and Vernon Achenbach, 12-year-old violinist, offered several selections, accompanied at the piano by Mrs. E. K. Connor.

Les Albert, legion department vice-commander, spoke on the membership of the Legion and particularly the department of Idaho. Only 30 members are needed to reach the \$5000 mark in the state, he said.

Jerome Stud Bull Association Meets

JEROME, April 12 (Special).—Regular meeting of the Jerome Stud Bull association committee was held at the office of the county agent Thursday, April 4, John Sticket was chairman in the absence of L. W. Sanberg. Reports made by Noel Gwartzney, county and Oral Gwartzney, operator, showed 101 first services, 100 second services, two third and one fourth services for March. The association was held in the Quinlan farm at Edin. In addition to Mr. Sticket, John Gwartzney, Noel Gwartzney and Oral Gwartzney and county agent Whitman were at the meeting.

SOLDIERS TO GO TO CAMP MONDAY

GOODING, April 12 (Special).—Battery A, 183rd field artillery, composed of 66 officers and men, will leave Gooding at 3 p. m. Monday, April 14, according to Captain Fred Vandergraaf. They will board a special troop train which will stop here sufficient time to load the men, their belongings and the battery equipment. Their destination will be Fort Warren, Cheyenne, Wyo.

These men were inducted into the regular army Tuesday morning, April 1, in Gooding and have been in training here with headquarters for the two weeks at the former cavalry barn north of town. Physical examinations were completed during the first week by a corps of medical officers from the regular army.

Personnel of the battery includes: Captain Fred Vandergraaf, first lieutenant, Daniel M. Carter, second lieutenant, John W. Cooper, sergeant, Fred Bragg, Lawrence W. Holton, Harry L. McCombs, Devlin C. McWhorter, Charles E. Sams and Robert L. Vaught, corporals; Lewis J. Anabarr, John O. Bolton, Bill E. Boyer, William R. McCoy, Lloyd L. Onell, Norman D. Smith and Adian A. Vanhook.

Privates, first class: Merrill S. Alexander, Clarence O. Blair, Russell J. Brooks, Richard M. Cootledge, Walter T. Higgins, Joe L. Jackson, Cecil E. Jones, William R. McHargue, B. W. Redfern, Wilfred W. Stephens and Harold L. Taylor.

Dr. T. Coughlin spoke in favor of the whole amount of bond issue, what ever amount is decided upon. If any, being used to add more room to the present hospital to buy equipment not now available to patients in this part of Idaho.

Some feel that as a majority of patients in need of hospitalization require only general service, a small hospital closer to home to care for them would be a big advantage while the few in need of special care could be sent to Twin Falls where there would be special equipment.

Because west end residents assert that 40 per cent of money for a hospital bond issue would be raised in the western half of the county, some feel that in asking for a small hospital in this section some are asking for what they would be paying for.

Mrs. Ed Conrad acted as chairman and a general round table discussion was carried on. C. H. Hempleman, chairman of the hospital board, stated that the hospital is now so crowded that 125 beds are needed, and that 50 beds are now needed.

H. C. Jeppeson, superintendent of the hospital, said that only 125 per cent of the patients in 1940 were indigent and the remainder were paying patients; \$95,000 were paid patients and that 50 beds are now needed.

Mr. Irwin stated that the county commission and members of the hospital board desired the public to know the facts concerning need of hospital. C. B. Lindsey, county commissioner chairman, said in a bond election the matter of where money would be spent and for what is stated specifically.

Floor Discussion Many questions were asked from floor and answered by the group present. Besides Dr. Coughlin, Mr. Jeppeson, Mr. Lindsey, Hempleman and Mr. Irwin from Twin Falls also present were Mrs. Coughlin and H. O. Leah, architect.

FRAN ALLEN, W. Lee Howard and Bernard Albertson were present from Buhl.

SUNRISE RITES GIVE CHANCE FOR RE-DEDICATION Editor, Times: Approaching Easter day this year, the Christian faith can well appreciate the significance of the services we will hold in commemoration of the annual resurrection of the Man who more than 19 centuries ago instituted a new philosophy of life to mankind. Re-creating the conditions which exist in the world today, these services in His memory will take on a deeper meaning for those who will take a few hours away from the fast whirl of life to attempt to rededicate their thoughts and lives to the principles which He taught.

On Easter morn, as once again we gather in the majestic grandeur of the natural setting in Shoshone Falls park, we will be endeavoring to attain a mental serenity which shall set us in the footsteps of the principles of the Great Teacher. Realizing the sacredness of the occasion, we who have prepared this Easter service have tried to formulate a program which will afford an opportunity for spiritual communion of those who attend. If those who come can regard their daily tasks with an uplifted heart and a rededication of purpose to the teachings of Christ, we will feel that our purpose has been accomplished.

Plan Studied for Revolving Fund in State Gas Business

BOISE, Idaho, April 12 (Special).—Gov. Chase A. Clark disclosed today state officials were studying a plan for creation of a revolving fund to put the state in the retail gasoline business to combat a one-cent advance in gas prices. The governor said conferences with oil company representatives had resulted in a deadlock over efforts to have the recent increase rescinded, and declared he was going ahead with plans to set up a state-controlled gas distributing system. Under present plans, Clark said, the revolving fund for wholesale purchase of gasoline would be set up out of highway department funds. The fund would be reimbursed as gasoline was sold. He also considered plans for distribution of the gas-

Dillingham, Piler, entertained the group for an hour with magic tricks and phenomena.

OFFICERS PROBE BLAZE AT BARN

Officials today were investigating circumstances which resulted in the destruction by fire of a small barn and shed on Heyburn avenue just north of the city limits last night. The blaze was discovered shortly before 11 p. m. and a resident of that section, Merle Metz, told authorities that he saw a man jump from one of the barn windows shortly before that time. The barn was owned by Clarence Bohanan and the shed by H. C. Edwards. Because the site was outside the city the local department was prohibited by law from responding to the call. The Kimberly mutual fire department was called but because of the long run arrived after both structures had been burned to the ground.

Dr. Neher Begins Practice at Jerome

JEROME, April 12 (Special).—Dr. Laurence Neher, son-in-law of Dr. and Mrs. H. B. Smith of Jerome, has begun practicing here as physician and surgeon in the offices formerly occupied by the late Dr. Charles F. Zeller. Dr. Neher returned recently from Boise where he took the state medical examinations. He was accompanied by his wife and Mrs. June DeWalt, wife of Dr. Jerome. Dr. Neher has one son, six months old. He is a graduate of the University of Chicago; received internship at a Chicago hospital, and later took work in obstetrics at the Chicago maternity hospital. Before coming to Jerome he was practicing as a physician at North Manchester, Ind.

AMAZING

NEW YORK, April 12 (AP)—Joe Cohen took one look at the fat wallet left in his taxicab, remembered the reputation of the "rest of the gang on the back line" and the four children he had to face at home, and turned the wallet over to police. It contained \$1108 in cash and \$500 in travelers checks. It belonged to Grace Gilhooly, Montreal, Que., who arrived yesterday evening by plane from Miami with 12 pieces of baggage and engaged Cohen's cab to take her to a hotel. Police let Cohen return the wallet to Miss Gilhooly. "She appeared amazed at my honesty and gave me \$100," Cohen said. There were 1,487 planes exported from the United States from January to June, 1940.

P. T. A. CONCLUDES STATE SESSIONS

POCAHELLO, Idaho, April 11 (AP)—The annual meeting of the Idaho Congress of Parents and Teachers closed Friday with admissions from speakers for more intensified home and school efforts toward training children in citizenship. Mrs. Julia Hampson, state chairman of the parent education committee told members an "educated" parenthood was necessary for direction of the home program for citizenship training. Other speakers at final sessions were Marion Hepworth, state chairman of the education committee for family life, and Justice R. L. Gliven of the Idaho supreme court.
