Nothing Impossible for German Soldier" -- Hitler

FUEHRER CLAIMS NAZIS SUPERIOR TO ALL ENEMIES

By JACK FLEISCHER
BERLIN, May 5 (UP)—Adolf Hitler left the German people—and Germany's enemies—in ignorance of his next war moves today.

In his fourth speech to the Nazi reichstag since the war started, he reviewed the Balkan triumph and roused ringing cheers with his statement that "nothing is impossible to the German soldier."

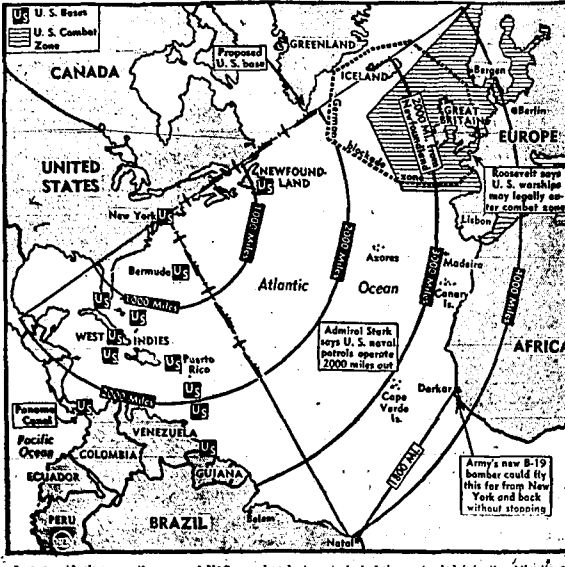

He referred to "the democratic agitators of a country to which the German people has never done any harm."

He said that the German reich and its allies represent in military and economic aid, above all, moral respect, a force which is superior to any possible coalition in the world.

He said that the German reich and its allies represent in military and economic aid, above all, moral respect, a force which is superior to any possible coalition in the world.

U. S. Atlantic Patrol Extends Beyond Half Way Mark

In ever widening areas, the scope of U.S. naval and air patrols is being extended into the Atlantic as a safeguard against the spread of democracy to Britain. Map shows how 1,000-mile patrol today starts from the U.S. coast and extends to the shores of Ireland if the 2,000-mile hub on our easternmost base is Newfoundland.

Program Slated for State's Reclamation Meet Here May 9-10

Complete program for the Idaho State Reclamation association convention which will be held in Twin Falls Friday and Saturday of this week was announced here this afternoon by N. V. Sharp, Piler, president.

FARMER DROWNS ON FISHING TRIP

FAIRFIELD, May 5 (Special)—Fairfield farmer was drowned Sunday about 1 p. m. when the outboard motor boat in which he and two companions were fishing capsized in the backwaters of Magic dam on Poison creek.

TEST OPENS ON LEGISLATIVE PAY

BOISE, May 5 (UP)—The first court test of legislation passed by the 1941 Idaho legislature, was today held in Boise.

KNUDSEN URGES WORK SPEED-UP

WASHINGTON, May 5 (UP)—Director Knudsen of the office of production management today asked the machine tool builders to "forget everything except the welfare of our country and speed around-the-clock defense production."

Slain Man May Be Mattson Suspect

WALLACE, Ida., May 5 (UP)—Sheriff Archie Mitchell said today that he had a suspect in the slaying of John H. Mattson, slain Saturday, May 3, at Cataldo, Idaho, in 1938.

SPAIN DEMANDS FRENCH SECTOR

MADRID, May 5 (UP)—A powerful 1938 propaganda barrage was laid down today, directed at settlement of Spain's long-standing territorial differences with France.

ENGLAND CLAIMS DESTRUCTION OF IRAQI AIR FORCE

CAIRO, May 5 (UP)—The greater part of the Iraqi air force already has been destroyed by British forces fighting in defense of the near east oil wells, British general headquarters said today.

THUNDER OF WAR

By United Press
LONDON, British report direct hit on Baghdad and Gheselauk in the Iraq desert, today said that the Iraqi air force has lost confidence in early war victory.

All Aid Rushed to North Port After Gigantic Nazi Plane Raid Crushes City

By F. J. KELLY
BELFAST, Ireland, May 5 (UP)—Birean fire brigades jettisoned the formalities of neutrality today and roared across the boom to help cope with a German air attack that had turned Belfast into a sea of raging flames.

MODEL

KANSAS CITY, Mo., May 5 (UP)—There's one in every neighborhood but Richard Stouffer probably is the first husband who ever has done anything about it.

OREGONIANS HELD IN BUHL ROBBERY

Two Oregon men, alleged to have bound a Buhl merchant Sunday night after taking \$31 in cash from him at the point of a gun, were being held in the county jail here today and will face charges of armed robbery, Sheriff Warren W. Lowery said.

Uncle Sam Is Freedom, Says Third Place Winner in Essay

(Editor's note: This is the third prize winner in the main fall contest. What Uncle Sam means to me.)

By LAVERI KIMPTON
(Kimberly High School)

To me Uncle Sam seems to be a symbol—a symbol of our American democracy, its ideals and its standards. He stands for the spirit of freedom.

Two months I've been out of school. I've had a lot of thought of earning my living as something far away, unreal. Now that it's up to me and sure just what to think. But I do know one thing, a thing so big that little everyday quibbles and fears of life disappear in the shadow of it. I know that wherever I make my home, invisible, yet omnipresent, Uncle Sam will always stand at the invisible protector of my liberty. As long as there is this to hearten me, I can go forward with a will to live.

I have heard and read that there are lands where living is a science, not an art; where people are ma-

chine that turn out work by the pound; where free speech is but the echo of the mad who have jouined for freedom; where people do not enjoy the liberty and the freedom of action which our American democracy guarantees us; where friendship is but the guise of hate, where young men like you and me pass examinations in killing.

I have read these things, yet I wonder how a normal boy could realize that any man can live his life when there is faith and love to encourage him.

So, I say to me Uncle Sam means that wherever I make my home, I may enjoy the blessings of liberty and the love and trust and brotherhood of my fellow Americans.

BUHL

main the same and in charge of all the work of the store will be changed back to "The Idaho Grocery" under which the pioneer establishment was operated for 17 years by Lawrence Van Riper. Mr. Hart was employed by Van Riper for 10 years. For the past year he has been associated with the Buhl Hardware store. Mr. Taylor will move to Rupert where he will be associated with the Rupert Food store with his brother.

Miss Jeanette Shelton entertained the Happy Seamstress 4-H sewing club last week. The following officers were elected for the new year: President, Della Goodwin; Evelyn Reed, secretary; Marie C. Gars, secretary; Irene Smutney, news reporter.

Dr. and Mrs. Frank Herr, Boise, visited last week at the home of Mrs. Herr's sister, Mrs. Louis Wagner. Miss Edna Turnipseed was called home last week from Woodbury's college at Los Angeles because of the illness of her father, Robert L. Turnipseed.

With Rudolph Peterson and Harold Atkins, sponsors, a fairview 4-H Car club was organized Thursday at the Peterson home. Ralph Peterson was elected president; Dale Carlson, vice-president; Paul Wagner, secretary, and Grover Williams, reporter. Other members of the new club are Joe Wagner, Avid Hanin, Fred Hanin, Gale Petrick, Roy, Lee and Dudley Watson.

Mrs. James Shields received the high honorarium at the meeting of the Double M. Contract club Thursday at the home of Mrs. O. L. Smith. The next meeting will be May 14 with Mrs. J. W. Tinney at her new home at the Snake river trout farm.

INJURY FATAL TO CRASH VICTIM, 74

BURLEY, May 5 (Special).—Funeral services were held here today for Joseph Case, 74, who died Saturday as result of head and chest injuries received in an automobile crash last Wednesday at a point west of here.

Richard Sidney Larson officiated at the services which were held in the L. D. S. church. Burial was in the Burley cemetery.

The other Case was a passenger in a car operated by his son, Fred, which was involved in a crash with another machine operated by A. A. Johnson, Paul. His death brought to two the number recorded as a result of traffic fatalities in Cassia county this year.

Aside from his wife, Mrs. Margaret Jane Wardle Case, he is survived by the following sons and daughters: Evan Arthur Case, Springdale, Utah; Vernon Case, Bridgehead, Utah; Frederick and Joseph Wayne Case, Burley; Mrs. Effie Lelaia Young, Burley; Mrs. Edna Jeanette Shelton, Bridgehead; Evelyn Anna Spurgeon, Burley. Two brothers, Frederick Case, Mount Emmons, Utah; Pete Case, Jensen, Utah, and a sister, Mrs. Hannah Stewart, Spanish Fork, Utah. Twenty-two grandchildren and four great-grandchildren also survive.

The accident victim had been a resident of Burley for about 10 years. He was born on Christmas day, 1866, at Glenwood, Utah.

JEROME

O. H. Higgins, Twin Falls resident, was assessed a fine of \$200 and court costs last week when he appeared before Probate Judge William O. Constock to plead guilty to a charge of operating gambling devices within the county of Jerome. Upon receipt of payment, Higgins was released by the court.

Mrs. James S. Keel, Jr. and son arrived last week to spend several weeks with relatives and friends in Jerome and Twin Falls.

Mr. and Mrs. Guy Robertson and Miss Naomi Robertson, Portland, are house guests of Mr. and Mrs. Homer Robertson, Mr. and Mrs. Guy Robertson will travel on to South Dakota, while Miss Robertson remains here for a three weeks' visit.

Lauterbach and Senften Receive Boosts in Army

Word has been received here today that Lt. G. Lauterbach, Bannock, had been advanced from the rank of lieutenant colonel of the 11th engineers to the rank of colonel.

At the same time it was learned that Maj. Walter C. Senften, Buhl, had been advanced to the rank of lieutenant colonel.

The treatment of which Col. Lauterbach and Lieut. Col. Senften are leaders is scheduled to leave Ft. Lewis, Wash., on Monday, May 19, for California where maneuvers will be held.

Yearly Reports Made At Meeting of Club

KIMBERLY, May 5 (Special).—Yearly reports were given at a meeting of Rock Creek Worthwhile club Wednesday at the home of Mrs. Rhoda Scott, with 20 members in attendance.

Mrs. John Shobe had charge of the program and awarded bingo prizes to Miss Ora Madden and Miss Ann Larsen. Miss Madden also received the white elephant.

May 14 meeting will be at the home of Mrs. A. P. Murray, Jr. and the roll call will be the name of a line from a Stephen Foster song. Mrs. Rhoda Scott will have charge of the program.

Hansen Band to Play in Concert

HANSEN, May 5 (Special).—The band mothers will hold a special meeting at the high school tonight to make plans for a concert and marching numbers by the school band soon, with the tentative date to be Sunday afternoon, May 11, unless other happenings conflict with this date.

The program will take place on the school grounds to give those of the community who were unable to attend the music festival at Jerome, a chance to enjoy the band and their new attire.

Fred Parish Heads Rotarians at Buhl

BUHL, May 5 (Special).—When the newly named board of directors of the Rotary club met last week and organized, they elected Fred C. Parish president of the club to succeed Carl A. Thompson. Charles D. Boring was elected vice-president, and Lee Howard will serve again as secretary-treasurer.

These new officers will assume their respective duties July 1. Other directors of the club elected at a recent meeting are G. L. Thompson, Jack Tingey, Gall Samuels, J. G. Edgett and Dr. C. L. Wainwright.

POT SHOTS WITH The Gentleman in the Third Row

YESTERDAY Carolyn and Bob were at the laboratory. One of the thieves in the laboratory, Carolyn's father, was in the laboratory. Carolyn is the daughter of a man who has been in the laboratory. Carolyn is the daughter of a man who has been in the laboratory.

CONCERNING MISTER THORP AND GOLDEN SPECKS! Mr. Thorp, the eminent ballist of the even more eminent district court, was almost ready the other day to pull off his coat and try a new method of extracting gold from Snake river.

HER eyes filled with tears then he saw it. He saw it when she lifted her hand to her forehead. He saw it for a long while, but his face was a study. He had stopped eating. Finally he nodded over so slowly.

NOTES TO PESSIMISTS! My Aunt Rebekah says only one way finds anything profitable in looking down in the mouth—the denial.

The Who-Is-It Scrapbook: JACK GARDNER and Tom Peavy, commissioners, Claudia McCoy, Robert McClure, Stewart Brock, Jack Gray, Ben Doss, Dick Peters, John Wyatt, Harry McCoy, Claudia Wiseman, probate judge, John B. Brown, county treasurer, Frank H. Peavy, county assessor, Edwin J. Colburn, county auditor, Glen Butler and Howard Wambler, sheriff, Kenneth Kall, Clarence Ny, and Richard Varney, county commissioners, Donald Butler and Robert E. Thompson.

YE OF LITTLE FAITH—As always, it is the simple, humble people who come to bat when freedom is threatened. We wish every person we have heard recently muttering in his long gray beard that democracy is about through could read the letters that come pouring in to the White House and the treasury at Washington, with dollar bills and small checks pinned to them.

In Washington: 'to return to Washington for its annual convention because the delegates couldn't get rooms, the need for decentralizing the government, and the fact that federal expenses were running \$150 million a year.'

MOUNTAIN VIEW: Mrs. H. W. Hildebrand has returned home after an operation at the Twin Falls hospital. She was discharged last week and has been in the hospital a week convalescing at the home of her sister, Mrs. Jake Mason, Kimberly, when she was first discharged.

ST. LOUIS CARDINALS STRETCH NATIONAL LEAD

Breadon Club Wins 11 out of 12 to Top All Averages

NEW YORK, May 5 (AP)—Sam Breadon, owner of the St. Louis Cardinals, had the jitters at the all-star game in St. Louis last July and a friend told him about vitamin B1 pills. He took some and they calmed his nerves. So he had his entire ballclub taking them this spring at St. Petersburg. The idea was to build up excess energy.

If there's an inside story about the sensational success of the Cardinals this spring, it's the tale of the little white pills in the little brown bottles in the Cardinals' dressing room. They all take them.

The cards have the highest percentage in the majors, they've won nine straight and 11 out of 12 and they're sweeping through the east at such a terrific clip that they soon may displace the world champion Cincinnati Reds as the favorites in the National league pennant race.

There never was a perfect club and what's more there never will be one but as of May 5 the Cardinals are the nearest thing you can find to a perfect club. Everything they touch turns to gold. They can do no wrong.

The cards are leading the National league in percentage in hitting in the field and their pitching is the league's best, both in quality and quantity. They're leading the league straight they've had seven winning pitchers, with only Lou Warneke and Morton Cooper repeating. The other single game winners are Ma Lanier, Sam Nahem and three rookies, Howard Kries, John Grodzicki and Rex Cootner.

Six men are batting over .300, topped by ancient Gus Mancuso with .347, followed by Earl Slaughter, Walker Coon, Greasy Creep, Fred Moore and John Miles.

Manuel Savio held the Cards big power in check for seven innings yesterday at Boston and then the floodgates broke down. The Cards rapped out five hits to score three runs and beat the Braves, 3-1.

The Reds continued their miserable play by losing to the Phillies, 3-0. Rookie Tommy Hughes held the champs to three singles and allowed only one man to reach third.

The Cards beat Brooklyn, 6-4, and moved into sixth place. Elbio Fleischer's homer with two on following Spencer Reese's error with two out in the third started Luke Hamlin to his first defeat.

Dabo Young hit a homer and two singles to lead the Glants to a 2-1 victory over the Cubs and snap New York's six-game losing streak.

Cleveland scored its 10th straight—the year's longest winning streak—by defeating Washington, 12-4, and increased its American league lead to 3½ games.

Bobo Newson went the route for the first time this season and pitched the Tigers to a 1-1 victory over the Yankees, allowing only five hits.

The Athletics soared into high figures at Chicago by walking the White Sox, 17-1. Benny McCoy and Bob Johnson hit homers, the latter with one on.

Lafayette Grove pitched the Red Sox to a 11-4 triumph over the Browns, scattering eight hits. It was Grove's 26th major league victory.

Sacs Retain Wide Lead In Coast Race

By United Press

Sacramento maintained its Pacific Coast leadership in the 5½-game league today despite the fact its Sunday double-bill with Portland was rained out. Rain also halted the San Diego-Seaside series. Both Sacramento and Seattle, the second-place club, took the abbreviated series 3 games to 1.

San Francisco and Los Angeles split their Sunday play, the Angels winning the opener 11 to 5 and the Angels the nightcap 11 to 10. Ted Jensen pitched Dick Tracy for the day and closed three home runs, two in the opener. His four-py clout in the nightcap came with the bases clogged.

Oakland split a double-header with Hollywood but won the series four games to two. The A's took the first game, 13 to 3, with a 21-11 attack on four Twin pitchers, while the Stars won the nightcap 9 to 6.

Hillman, Gay, Tull, Wadson and Corbett; Corbett and Conroy.

Bruin Golfers Win Tourney

Bruin golfers today held the championship of an invitational golf tourney staged here on Saturday. The winners were the Gooding and Idaho Falls being the other competitors.

The Twin Falls boys scored 9 1/2 points, while Idaho Falls and Burley each got 1 1/2 and Gooding failed to score.

The foursome play of the journey was over an 18-hole route.

MAGPIE BOUNTY

SHOSHONE, May 5 (Special)—From now until June 30, the Shoshone Rod and Gun club will receive magpie heads and make payment for them at the rate of two cents per head. This bounty is authorized by the state game commission, and the club will be reimbursed for the cost of the campaign.

Gibraltar has belonged to the Brits since 1704.

Big Six Conference Will Play Basketball Schedule

The Big Six conference will be a basketball—as well as football—loop during the 1941-42 season.

That was decided here Saturday as coaches from the six major cities in the southern half of Idaho convened and made out a schedule.

The league, however, will function only as a grid conference, will function in the case game starting this winter, and championship to be awarded on the percentage basis.

While many of the six schools—Boise, Caldwell, Nampa, Twin Falls, Pocatello and Idaho Falls—will play more than two contests with each other, only two will be counted in the percentage standings and time must be decided before game time and designated title listed with the conference secretary—Ed Frost of Twin Falls.

The league considered the bid of Burley for a split in the competition, but the application was temporarily shelved as the members of the organization voted against expansion at this time.

Shared Board Expenses

On the football trying line, the conference voted to share the expenses of the Idaho Falls aggregation, but the application was temporarily shelved as the members of the organization voted against expansion at this time.

At the meeting held at the home of Mrs. M. J. P. in Pocatello, Caldwell and Boise.

COLENS REMAINS UNDEFEATED

Cowboys Set To Tackle Card Club

By HAL WOOD

Evening Times Sports Editor

Manager Andy Harrington and his Twin Falls Cowboys today prepared for their first road trip in the campaign—a journey to Pocatello where they will get a look at the hard-hitting Cardinals on Tuesday night.

For the time being the Wranglers have had just about enough of the Boise Pilot pitching staff. True, the Cards last night won its debut but in the second and third games the Cowboys collected a grand total of seven runs.

The crowd's reaction came last night when they bowed to the capital city gang by a score of 7-2 as Jerry Jones pitched. The Cards were turned into a home run and a double by Pete Spily, Twin Falls rightfielder. Saturday night's score was 4-1.

Need Hitting

The consensus of opinion among the fans—and of the team members, too—is that there would have to be some hitting strength added to the club if it was going to win any more. The boys were knocking line-drives into the outfielders' hands last night and the chances are that if they should get the wind down on Twin Falls the Cowboys might present quite an attack.

However, the boys were knocking line-drives into the outfielders' hands last night and the chances are that if they should get the wind down on Twin Falls the Cowboys might present quite an attack.

Flitz just took his time, threw an easy ball with a lot of stuff on it and had the Bolsans reaching all over the plate. They found him for six hits and three runs in the six frames he worked, but with a little head-up fielding on the part of the Idaho pitchers they wouldn't even have threatened.

The Twin Falls club committed the physical errors in the game, but the same number of mental miscues during the game—just about a par with the Boise nine. Still the boys on both clubs are still learning and that kind of ball can be expected for the first few weeks.

The Pilots counted once in the opening inning, three times in the second, before Sandstrom was sent to the showers. They got another in the third and another unearned run in the fourth, plus a so-called earned run in the seventh that could easily have been avoided.

Cowboys Count

Twin Falls counted once in the fourth when Spily was able on an error, Harrington walked and then Bill Randall connected for a solid single.

The other Cowboy counter came when Spily (pronounced Spilly) was first man up and closed a lead-off home run over the left field wall.

Saturday night Bob Snyder, Boise catcher, had the boys in the safeties and had a shutout going into the ninth inning. Then a pair of homers and a double by Vic Oehler spoiled the zero. Art Carpenter, on the mound for the Wranglers, did a good enough job to win nine out of the ten games he pitched here today.

The wrong foot when Jack Radtke, Pilot second baseman, first man up, was on an error. He went to second on a wild pitch, made third on another wild pitch and came home on a possible homer.

That was the only run scored until the first of the sixth when an error and a double let in another unearned run. Another homer, another came in the seventh—this time earned—and the Pilots counted.

(Continued on Page 7)

Boise Slates Intermountain Dog Show

Twin Falls dog fanciers are invited to enter their dogs in the Intermountain area's largest dog show at Boise, May 17 and 18, according to word received here today.

The Boise dog show, sponsored jointly by the Boise Kennel club and the Boise Lions club, last year was the biggest show in the inland empire, and all indications point to the Boise slating a large, premium list, and bigger attendance than ever before. Officials of the show advised Twin Falls dog lovers.

Twin Falls people who are interested in exhibiting their pets at the Boise show should write to the Boise Kennel club, P. O. Box 202, Boise, for entry blanks, the announcement said. Plans are being made to enlarge all facilities for housing and displaying the dogs.

Gate receipts from the show are used for work in sight conservation and assistance to the blind, the other part of the work is in furnishing glasses and eye treatment to underprivileged school children.

Dr. Charles Sabih, Portland, Ore., doctor, northwest sporting dog authority, will judge all classes, officials said.

Pocatello Club Tips Russets; Cowboys Lose

Ogden Reds, with a pair of victories over defending champion Salt Lake Bees to their credit, held down first place in the Pioneer league today, while the Bees dropped into the cellar.

The first week of the 1941 season saw the Bees drop two consecutive games to the Reds for a season's average of .000. Idaho Falls and Boise, meanwhile, chalked up two victories and a loss apiece to share second place.

The Bees lost twice to the Reds 3-1 in a Sunday game. Saturday night's game was rained out.

Boise Pilots collected 10 hits to win last night's game with Twin Falls, 7-2. Spily was run in the sixth, with none on, accounted for one of the two Twin Falls tallies.

Flitz runs in the second inning gave Pocatello an edge over Idaho Falls and the game ended with the latter on the short end of an 11-4 score.

Yale Proposes Coaches Be Barred From Grid Bench

By HARRY FERGUSON

United Press Sports Editor

NEW YORK, May 5 (AP)—Here it is five months before the start of the football season and an argument already has broken out in the Ivy league. The Ivy league never was an organization to shilly-shally and delay an argument till the last minute.

In case you don't know, the Ivy league is a collection of select eastern schools which have a tendency to over-emphasize education. The brand of football they play isn't so hot, but the arguments they get into are unsurpassed anywhere with the possible exception of congress. Two honeys of recent vintage are the issue of whether Coach Carl Snavely of Cornell signaled plays from the bench in the Ohio State game and things at Hanover, N. H. when Cornell was allowed five downs to munch across a touchdown against Dartmouth.

Now comes Yale with a proposition that ought to keep an argument going well through Thanksgiving. Yale proposes that football coaches, after spending a week developing cunning, skill and strength in their athletes, retire from the bench on the day of the big game and let the boys do all the thinking. Yale says it will keep its coach off the bench if opponents will do likewise. The argument hasn't progressed to the point of concrete suggestions on what the coaches would do with their leisure time on Saturday afternoons. Presumably they can attend double feature movies, bake a cake or brood through the DeGins and Fall of the Roman Empire.

We should like to get in on the ground floor of this argument, and we announced without hesitation that we are on Yale's side. Coaches not only should be barred from the bench, but the Ivy league should establish a revolving fund and hire private detectives to shadow them between 12 noon and 6 p. m. each Saturday to see that they are unassailed by any contact with football.

However, we would like to introduce one refinement to the Yale plan. The coaching should be done from the grandstands by old grads, equipped with semaphore flags to wave signals to the players. This scheme has the virtue of eliminating that notorious character known as the Monday morning quarterback—the old grad who button-holes everybody and tells them how a stupid play at the crucial moment lost the game.

Under this plan the old grads would assemble on Friday night and choose a strategy committee of eight. Semaphore signals for a pass, punt, end run, off tackle and quarterback sneak would be perfected.

The strategy committee would debate strategy between plays and in event four voted to kick on fourth down with a yard to go and four voted to run to the ball, the issue would be referred to the chairman of the university's board of curators for decision. He also would be in charge of collecting the old grads' alibis after the game and preserving them in some suitable spot on the campus.

Hold 'em, Yale!

Whirlaway Heads for Preakness After Victory in Kentucky

By JACK GUENTHER

LOUISVILLE, Ky., May 5 (U.P.)—That old familiar cry—"on to the Preakness"—rang through the blue grass land again today as Whirlaway headed for Maryland to meet a brand-new set of rivals in the race that is known as the second jewel in America's triple crown of the turf.

Fresh from his remarkable triumph in the 67th running of the Kentucky derby, the cyclonic colt from Calumet farm was placed aboard a special train and sent away to match his newly-found speed against six horses he hasn't faced yet this year and three others he defeated so crushingly on Saturday.

Softball Season Opens at Buhl Tonight

BUHL, May 5 (Special)—Sponsored by the Jayces the first softball game of the 1941 season is scheduled to be played at seven p.m. today, the Buhl Hardware team against the Segs-Boise Payette. In the second contest of the evening CYO will oppose the men from Thomas Sport Shop.

Wednesday evening the men from C. C. Andersons and Buhl Planning Mill-Giens Service will play and the second game will be between Safeway and the Fairview Grange.

The Jayces plan to clean up the field in preparation for the first game of the season. The lighting has been improved over the system used last year and an additional set of lights has been installed on the roof of the grandstand to illuminate the infield.

PRESIDENTIAL ODDITY

When elected for his second term as president of the United States Theodore Roosevelt was younger than any other president ever elected for a first term.

The amazing Statorator, purchased six months ago for \$3,200 and sent into the derby merely because owner S. S. Nesbitt wanted to see him run, wasn't named for the Preakness and he will have to wait until a later day to show that his second was no fluke. The same is true of Market Wits, the one-time \$1,500 claimer who finished third.

Cowboys Set To Tackle Card Club

(From Page 6)

again in the ninth, just for good measure.

Total attendance for the three-game series was 3,715, according to a report issued by Business Manager Carl Anderson today—considered "very good" taking into consideration the threat of rain and snow that held back enthusiasm on the last two nights.

THE RECORD... Facts That Concern You

A couple of bad eggs... but why blame the hen?

A bad egg does turn up once in a while... but that's not a sensible reason for destroying all the good eggs... or for taking it out on the hen.

Beer retailing in America is something like that. The vast majority of beer retail establishments are clean, law-abiding, wholesome places. And still there may be a few "bad egg" retailers who violate the law or permit anti-social conditions.

The brewing industry wants these undesirables eliminated entirely... to protect your right to drink good beer... and our right to make it.

And also to protect the many benefits brought by the beer industry to Idaho... such as the 3,276 jobs created... and beer's \$3,665,101 annual payroll. Beer contributed \$249,021.00 last year in taxes to help pay the cost of government in this state.

You can help us in our program of law enforcement, if you will, by (1) patronizing only the legal and reputable places that sell beer and (2) by reporting any abuses to the proper law enforcement authorities.

BEER... a beverage of moderation.

ROOSEVELT, WILLKIE SLAP AT NON-INTERVENTIONISTS

LINDBERGH FEARS FALL OF U. S. IF WAR IS ENTERED

(By United Press)

The interventionist controversy was intensified over the weekend with President Roosevelt and Wendell L. Willkie, 1940 Republican presidential candidate, taking part.

Mr. Roosevelt and Willkie spoke against the isolationist point-of-view. They were joined by Dr. James Conant, president of Harvard university. The speakers for interventionism and against interventionism were Charles A. Lindbergh, Sen. Burton K. Wheeler, and Sen. Bennett C. Clark.

These were the stars of a national debate carried out in innumerable speeches and statements throughout the country. In New York, 17 naval, military and political experts issued a joint statement disputing Lindbergh's thesis that Great Britain has lost the war whether or not she is helped by the United States.

The principal speakers made these points:

Mr. Roosevelt: (Dedicating the birthplace of Woodrow Wilson at Staunton, Va. yesterday as a national shrine) "It is the kind of faith (in the freedom of democracy in the world) for which we have fought since the war began that I hope we are never ready to fight again."

He (Willkie) sought that democracy could not survive if we do not apply his judgment and his faith.

Lindbergh: (Addressing a rally sponsored by the America first committee in Louisville Saturday night.)

"Nothing to Gain"

"Those of us who are arguing against the war have nothing to gain from the existence of this country. . . . But we know that the nation is being led into a major disaster. . . . I am not a blunderer and I am not in America are not in a position to wage war abroad successfully at this time. This is the chief reason why I do not believe that I have watched being led into war without adequate preparation, and without the true facts and issues of the war being placed before the people. . . . I have seen France fall; I see England falling, and now I see America being led into the same morass."

Willkie: (Addressing 15,000 persons at Nashville, Tenn., yesterday in dedicating a new aircraft factory) "If England can maintain domination of the seas and obtain control of the air by 1943, she will be on the way to winning and victory for liberty will come. And if we keep the sea lanes open, Hitler can never invade the island of Britain. . . . I appeal to Republicans, Democrats, people who voted for me and people who voted against me to support our national policy that we may have liberty."

Asks Promise Repeat

Wheeler: (Addressing a rally sponsored by the America first committee in Buffalo Saturday night.)

President Roosevelt will repeat what he said before election in order to keep the United States out of war. If he will repudiate that little handful of war mongers, stand by the people of the country in their desire for peace, I will stand with him and work with him."

Conant: (In a radio speech from Boston yesterday) "The question is not 'shall America fight?' but 'when shall America fight?' It better we should fight now, for while there seems to be little chance that the English island will be immediately overrun, there is another critical danger before us."

Clark: (Addressing the rally in St. Louis, Lindbergh addressed) He asserted that 80 per cent of the people were against intervention in the war and that President Roosevelt would be stopped from what Clark alleged was his desire to intervene. If these 80 per cent would send their views through petitions to the President and congress.

AROUND the WORLD

With United Press

CAIRO — The royal air force used bombers, flying boats, fighter planes, dive planes and even captured enemy aircraft to evacuate thousands of persons from Greece and to guard a bombing fleet which was in sea convoys, the RAF's middle east headquarters said today.

The RAF suffered its heaviest blow of the campaign when the enemy broke through the army's left flank, taking all new airfields from the British and leaving only a few temporary landing fields which the Germans attacked continuously.

BERLIN — Counter-attacks by British troops striking out from the besieged Libyan town of Tobruk have been smashed by axis artillery, the high command said today.

ATHENS, (via Berlin) — The remnants of at least nine bomb-wrecked planes were visible in the harbor of Piraeus, port of Athens, where smashed warehouses and harbor works show the fury of the German blitzkrieg that continued today.

CAIRO — Heavy dust storms have immobilized German-Italian forces besieging British empire forces holding Tobruk, on the Libyan coast, it was understood today.

OKLAHOMA CITY — Flood waters and a tornado near Muskogee in Pottawatomie county had left at least three dead today in Oklahoma. Several sections of a railroad bridge were "killed" and swept away when the south Canadian river left its banks after Sunday's heavy rains.

ROME — German and Italian planes are bombing British air bases at Tobruk, on the Libyan coast, and operations in the area generally are continuing, a high command communique said today.

BERLIN — German bombers are attacking in England in the west yesterday, sinking four merchantmen totalling 21,000 tons and a destroyer, and severely damaging five large vessels, and pounded Belfast harbor, where fires were started in airplane works and the Victoria arms works, the Nazi high command reported today.

NEW YORK — A 27-car freight train of the Long Island railroad jumped the track in Queens borough today and plunged into the two-story frame home of Tzofli Daisewnikow and his family. Three members of the family and policeman who helped rescue them were injured.

Trio Attends at Sorority Meets

UNIVERSITY OF IDAHO, May 5 (Special) — Three students in college who women have returned to Moscow after attending sorority provincial conventions.

Wanda Klimes, Twin Falls, and Norma Lou McMurray, chapter president, from Oakley, attended the Delta Gamma province convention in Vancouver, British Columbia. The Gamma Phi Beta convention in Portland, Ore., was attended by Betty Detwiler, Hazelton, and Mary Ellen Dunkle, Kellogg.

RANGERS USING HIGH LOAN TOTAL

Farmers and stockmen in Twin Falls county are now using "over \$60,000,000 of farm credit administration loans," according to a joint report of the county board of directors, secretary-treasurer of the local credit associations serving the county.

W. McDowell, secretary-treasurer of the National Farm Loan associations which make and service Federal Land bank loans locally, reported that on Dec. 31 there were 1,350 Federal Land bank and land bank commissioner loans outstanding in Twin Falls, for a face amount of \$5,763,093.

C. C. Hoyle, secretary-treasurer of the Southern Idaho Production Credit association, reported that his association made 200 loans for \$1,140,000 in Twin Falls Saturday morning, 1940. At the end of the year, 183 member-borrowers owed a balance of \$571,207.

Both National Farm Loan associations and Production Credit associations are affiliated with the farm credit administration which makes and land bank commissioner loans are made for the purchase or improvement of farms or for the refinancing of mortgage indebtedness on farm land. Production credit loans are made for the growing of crops and livestock.

Speaker Fears U. S. Internal Peril; Says Britain Can Win

America's greatest danger "lies within," said the speaker, who was in the audience at the high school. His appearance marked close to the current series. A new series will start next fall.

In telling of the "darker" within, the speaker declared that "although Britain is a fortunate people, we have many problems of which the greatest are found in our own country." Continuing, he said:

"There was a time when we were people of initiative and the government was set up on the principle that the individual was all-important. . . . There was a time when I opposed the Republican party because it sought centralization of powers, but they were rank amateurs when compared to the present administration which is plugging us down more and more lightly with new legislation. . . . I am not an enemy of the navy, but Americans, not even the navy can protect us as we need to be protected."

Turning to the part of the speaker is playing in the war, the speaker declared that a recent report showed that \$12 billion in construction for the navy, Daniel Johnston said, is not able to de-

BIG MUSIC MEET ATTRACTS CROWD

HAZELTON, May 5 (Special) — Fully 700 out-of-town visitors thronged Hazelton Saturday for the annual north side grade school music festival, held at the school and at churches.

Officials in charge of the event termed it a "great success" in spite of the adverse weather conditions.

Twelve school bands took part in the annual festival of the festival. In addition to the local acts, there were 13 schools participating—Eien, Dietrich, Jerome, Gooding, Fairfield, Hazelton, Halsey, Appleton, Bliss, Paul, Hammett, Kelchum and Cassel.

Caliber of the musical offerings by the grade school and junior high youngsters was regarded as excellent for students of those age groups. Boyd Eay is in general charge.

In addition to the local acts, the following organizations served food for the visitors: Ladies Aid, Band Mothers association, Christian Endeavor, E. D. S. Relief society, Goodwill club and the ladies of the Rebekah lodge.

In the last 20 years automobiles have increased from nine to 46 million; drivers from 10 to 46 million; and traffic fatalities have more than doubled.

The Public Forum

KEEP SPIRIT OF FREEDOM GLOWING, READER URGES

Editor, Evening Times:

The writer has been pleased to refer many times this week just past to the editorials of "Burge Goes On" in your edition of Saturday, April 26.

Occasionally when the headlines are most discouraging in these times of international strife, great solace and courage may be found on the editorial page of the daily paper. Real substance is there for the reader who would be led through the shallow, but frightful slough of daily headlines.

I would like to quote a paragraph from this editorial and commend it to the editor for the type of sturdy thinking portrayed therein:

"The reason is that this is more than a military campaign. It is a war of ideas, a war of the spirit, and it is here that the German cannot win; it is here that there is no victory. They can win battles, they can conquer countries, but they have nothing to put in the place of the spirit they have beaten down but not slain. . . . Liberty loving Americans should heed well these words and strive to attain this spirit—to keep it alive. To know and understand that freedom is God bestowed heritage; and like born with the Pilgrims and inherited deep in the hearts of every pioneer who ever answered the challenge of Westward Ho. It is good to realize this great heritage many, many times each day. . . . Yours very sincerely, LARRY SWEETMAN, Twin Falls, May 4."

District Court Opens

JEROME, May 5 (Special) — District court opened here today, at which time the calendar of the court calendar took up the major portion of the day. Presiding was District Judge T. Bailey Lee, Burley.

GUNNERS CHALK UP GOOD SCORES

Trap and skeet shooters shot 24x25 with ease yesterday at the Snake River Gun club layout—but the day wasn't a perfect score posed during the whole day.

The organization held a special meeting tonight to ponder club problems—including the possibility of banding together with other gun clubs in this area and make one big organization. The meeting was originally slated for last Friday night, but was called off on account of the baseball opener.

Results yesterday:

SKULL UP GOOD SCORES

WENDELL, May 5 (Special) — It's undoubtedly a human skull—the original owner has been dead for many, many years—and yet the skull apparently hasn't been exposed to weather very long.

That's the puzzle that faces Sheriff Clair King.

The skull, of which the lower jaw is missing, was found in the village dump by Ronald Frith and Dale Bunn. No other human bones have been found.

One possibility is that the skull might have been thrown out when someone was cleaning a doctor's office, or might have been discarded by someone who had the grisly relic as a souvenir.

LAUNDRYMEN'S OFFICER GOODING, May 5 (Special) — W. A. Carter, Gooding, was elected second vice-president of the Idaho

It takes two to make a bargain!

You want to go but the car doesn't. Coax it as far as Jenkins and then refuse to pamper it any longer. We'll diagnose its case . . . and we'll put our finger on just what's causing the trouble. After a complete Sun Motor check-up your car again will give you the economy, performance and thrills of a new car. Hurry! Do it today.
