FDR COMPARES PRESENT CRISIS TO DAYS OF '76

WASHINGTON, June 25 (UP)—President Roosevelt today compared America's present crisis with the trying days of 1776 and called upon Americans to rededicate themselves on July 4 to the basic principles enshrined in the Declaration of Independence.

"The approach of independence day this year will kindle in all American hearts an appreciation of the dark days that preceded and followed July 4, 1776," he said.

"Those were the times that tried men's souls even as are these times in another crisis in American life."

"But these days are also days of hope and as the birthday of American independence draws near it is altogether fitting that we should rededicate ourselves to defend and perpetuate those inalienable rights which we found true expression in the immortal declaration. Those words never had a deeper or more solemn meaning for America than they have in the hour of anxiety and trial."

"The Fourth of July has always been a happy festival, a day of joy and exaltation in which all Americans have caught something of the spirit of liberty which the fathers of the republic proclaimed to all the world on that mid-summer day in Philadelphia in 1776. It has been essentially a home festival."

Comments Celebrating the 164th anniversary of the signing of the Declaration of Independence to lead the nation this year in a grand commemorative celebration on the Fourth of July.

"I commend this celebration to American Americans to the end that we may have renewed faith in the blessing which are ours because of the principles which we have inherited and which we have made this nation a reality."

STATE VOTES 9-1 FOR POTATO PACT

BOISE, June 25 (UP)—With an estimated 90 per cent of the vote tabulated, a preliminary count showed today Idaho potato growers had approved a proposed potato marketing agreement, 9 to 1.

Votes from 23 potato-growing counties out of the 35 covered by the agreement showed 970 votes cast with 818 in favor and only 62 opposed.

The ratio far exceeded the two-thirds majority required to make the plan effective.

J. W. Gannaway, representative of the secretary of agriculture, said the results surpassed his expectations and declared surplus marketing administration officials would speed work of setting the agreement in operation.

903 Per Cent Favor Gannaway said the agreement was expected to be functioning in time to cover a large part of the early Idaho potato crop.

The vote showed that growers who produced 4,000,000 bushels of Idaho potatoes approved the plan while producers of 875,000 bushels opposed it. Of the total vote cast, 90.3 per cent of the growers balloted affirmatively.

Ballots will be forwarded to Washington for an official count. Gannaway said the agreement would probably urge Secretary Claude R. Wickard to order the agreement set in operation immediately.

Rails Standards Committee will set grade standards and regulate shipments.

Railroads in Twin Falls county showed 95 growers favored the agreement and 30 were against it. Clipping counties 30 in favor and 1 opposed.

Clipping counties 30 in favor and 1 opposed. Cassia 102 to 4; Hancock 22 to 1; Bonneville 113 to 20; Jefferson 109 to 3; Jerome 0 to 1; Lincoln 28 to 6; Ada 5 to 0; Malheur county, Ore. 27 to 2.

Germans Move—First Picture of Invasion

Here is the first picture to reach the United States showing the German invasion of Poland. A column of smoke raised by German artillery action. Picture was passed by German censors. Radioed from Berlin. (NEA Radio-Telephone)

Into Russia by Boat Goes German Army

German troops are seen using collapsible rubber boats to advance into Russia in this picture—first to be received in United States from the new war front in World War II. The bridge was demolished by Russians to impede advance of the German army. (NEA Radio-Telephone)

RUSSIAN PLANES BOMBARD FINNS

HELSINKI, June 25 (UP)—The Red air force bombed Helsinki airport, Joensuu, Rovaniemi, and other towns today in an aerial offensive that appeared to bring Finland close to entry into the war against Soviet Russia.

(This dispatch, filed at 7 p. m., Helsinki time, did not mention Berlin reports that Finland had entered a state of war against Russia and was fighting bravely.)

Twenty Soviet planes were officially reported shot down, but damage and casualties in Finnish cities appeared likely to be severe, although two deaths were officially reported at Joensuu and Nokia, near Tampere.

An official statement reporting many casualties and fires during 10 hours of bombing said that 16 Soviet planes bombed Joensuu at 11 a. m. and three others attacked the same target an hour later, dropping many bombs that killed one civilian and wounded 30.

The statement said that three planes started many fires in an attack on Rovaniemi and other towns, and that 10 other bomb attacks at Rovaniemi, Kemijarvi, Joensuu, and Nokia, near Tampere.

The statement said that three planes started many fires in an attack on Rovaniemi and other towns, and that 10 other bomb attacks at Rovaniemi, Kemijarvi, Joensuu, and Nokia, near Tampere.

THUNDER OF WAR

By United Press

MONROE—Red army reported to have smashed German invasion in northern Finland, with heavy casualties, but Germans gain in northern Baltic states. Red air forces reportedly heavily raided German bases, including Koenigsberg, Warsaw and Constantine.

BERLIN—Nazi drive reported continuing, especially in north, although stout resistance is admitted in German dispatches. High command promises "great successes" soon.

HELSINKI—Red air force bombed Helsinki airports and other Finnish targets where 20 Soviet planes reported shot down. Nazis advised that Finland is now in a state of war with Russia and Finland troops are fighting bravely, presumably by German forces. Long-range believed to be main objective of offensive from Finland.

LONDON—Strong RAF raids on German and German-occupied territory pressed by Britain, with new daylight attack directed at communications in the French industrial district of Saarbruck.

ANKARA—Turkish troops reported marching on Syrian frontier as British planes on Palmyra and Beirut fronts against Vichy army.

NEUTRALITY BAN WON'T HIT REDS

WASHINGTON, June 26 (UP)—United States will not invoke the provisions of the neutrality act against Soviet Russia in her present conflict with Germany, thus permitting American ships to carry munitions to Siberia by way of the Pacific.

This now decision by President Roosevelt in favor of aiding Soviet government was revealed by Acting Secretary of State Sumner Welles at a press conference today.

Welles recalled that action one of the neutrality act provides that it becomes effective "whenever the President, or congress by concurrent resolution, shall find that there exists a state of war between foreign states, and that it is necessary to promote the security or preserve the peace of the United States or to protect the lives of citizens of the United States."

He indicated the administration has decided that the peace of the United States or the lives of its citizens will not be jeopardized by the present conflict.

87,000 BLAZE IN UTAH

MOHAVE, Utah, June 25 (UP)—Firemen probed in charred ruins today to determine cause of a massive fire that took origin of a "flash" blaze which roared through the Associated Campers, Inc., packing plant late yesterday and left the two-story wooden brick structure an estimated 87,000 total loss.

Scene of "Greatest Attack in History"

Mapped here are the four major drives by Germany into Russia in the last 12 months. The fall army of their great war machine against the Red Russian army. Hitler's panzer divisions and dive bombers apparently caught Russia by surprise.

Finns Join Nazis In Battle as Red Resistance Gains

GERMANS ADMIT RUSSIANS OFFER STIFF OPPOSITION

By JOSEPH W. GRIGG, JR. BERLIN, June 25 (UP)—German armed forces were reported today to be driving forward on the eastern front despite constantly stiffening Red army resistance and the high command predicted "great successes" in the blitzkrieg offensive.

Advices from the front, nevertheless, emphasized that the Russians were offering "desperate resistance" and said that time and again the German had to bring up heavy motor-driven siege guns to batter down the enemy defenses. Many Soviet troops were reported to have died, refusing to surrender, the Germans reported.

Although the high command gave no details except to say that Red air forces bombed Memel and Koenigsberg, Nazi propaganda company reporters with the troops told of hard fighting against the Soviets on the north wing in Lithuania.

Weekly Monitor

The German troops attacking from the Prussia found the Red Soviet defense bunkers weakly manned, the Nazi dispatches said, but the Red troops fought fiercely.

After heavy guns had battered down concrete pill boxes, the Germans moved slowly ahead in the face of strong fire from the Red infantry, which included Kaluzhiks from the central Asian steppes.

The military correspondent said, one German reporter said, and many of them died at their machine guns and rifles after refusing to surrender.

The German forces were forward more rapidly, the reporters said, after breaking the first resistance, but checking out and making headway by the advance over the rolling Lithuanian border area.

The Soviet forces fought a rearguard action to enable their main forces to fall back to prepared defensive positions some distance from the border.

35 Miles Per Day

One German reporter said that German infantry march 35 miles a day on roads that were mere dirt tracks. They were equipped with 100 yards by heavy motor vehicles which skirted them to avoid the mud-like dust clouds, the dispatches said.

Soviet artillery fire was "irregular," the dispatches added, but it often forced the Germans to make extensive detours. The German advance was broken only by occasional units of Red troops who fought from small woods and isolated farm houses or from concrete bunkers which had not been fired by the time the war started.

Oddities

By United Press

OFFER BLUEFIELD, W. Va.—The folks are watching the thermometer mightily these days. The Chamber of Commerce has promised citizens five tomatoes whenever the mercury tops 90. The town fathers will aid the town belle in pouring oil on the fire. It is the air conditioned community.

CINCH LOS ANGELES—How to end the war? Bing "Wicked people can't sing." Dr. Frederic P. Woodhead, professor of education at University of California at Los Angeles, is the national federation of music clubs.

OFFERED DENVER—The female of the cottonwood, only five native to Denver, is no lady says City Prosecutor Joseph A. Elby, so today he proposes chopping them all down. For those stubborn householders whose lawns are graced by the shrub cottonwood, there is a fine female cottonwood, and who opposes their destruction, Elby proposes \$100 and/or a 90-day jail sentence. While cases against the female cottonwood are still being heard, and summer she sheds millions of white cotton wool in his hair, and I don't mean figuratively, said Elby.

MOSCOW, June 25 (UP)—The Red army, aided by dive-bombers and charging cavalry, was reported today to have smashed back a German drive from Rumania across the Pruth river and to have inflicted heavy losses on Nazi mechanized columns.

Dispatches from Tiraspol said many enemy tanks had been destroyed when German and Rumanian forces crossed the river north of Galati (the Rumanian oil center) and that repeated Nazi efforts to cross the Pruth and capture Cernault had failed. A number of German prisoners were taken, according to Soviet reports.

Fighting on the Pruth river on the southern sector of the long Rumanian-German front is on the path-way to the rich Ukrainian grain lands and the Soviet oil centers.

Repulse Raiders On the northern front, the Red air fleet, expected to have captured a squadron of six German air raiders striking at Rumanian naval base of Kronstadt, smashing down on the Red infantry beat a thrust from the Kuyborra region of Finland.

Summing up the entire front, the high command said the Germans had been repulsed with heavy losses in six main sectors; that the Red air fleet had heavily bombed targets at five German bases in east Prussia, Poland and Rumania; and that the Soviet navy had destroyed six German ships.

The Russian newspapers carried reports today from London that huge transport planes had landed Soviet paratroopers behind the German lines to disrupt enemy communications; but this was not mentioned in the Soviet communiqué, which said small detachments of German paratroopers were being rounded up by special Soviet forces.

Cavalry Aid In the fighting on the south front, Russian dispatches said that the Germans and Rumanians crossed a bridge in the Flachs area but were attacked by Soviet dive bombers after which the cavalry and cavalry drove the enemy out of Flachs. Six Russian planes downed three of a formation of 10 enemy bombers.

NEW YORK—A battle between a British destroyer of 1,700 tons and a French tank of 10 tons on the coastal road near Beirut in Syria, was reported today by a Columbia Broadcasting system correspondent aboard the destroyer.

BERLIN—The German press commented sarcastically today on President Roosevelt's promise of all possible aid to Russia against "mad Nazis." Mr. Roosevelt, the Boersening said, "has presented the American people with an alliance with Bolshevism which is intended to spread North and South America from destruction."

BLAMED FOR KILLINGS NAMPALA, Ida, June 25 (UP)—Bodies of Wayne Tyler and his 15-year-old wife, Evelyn, both formerly of Nampa, were scheduled to arrive tomorrow from Las Vegas, Nev., where Tyler was alleged to have shot his wife and two men before committing suicide.

Pursuit Halted The broadcast said three Russian aviators discovered three enemy schmitts away from the scene of battle and then landed safely after being rescued by Soviet forces. The broadcast said that the aviators had been attacked by German tanks, sometimes against great odds. It added, but each enemy tank was "hotly pursued."

RUPERT MISSION SESSIONS CLOSE

RUPERT, June 25 (Special) — Closing sessions of the 42nd annual convention of the South Idaho Christian Missionary society will close tonight at the Rupert Christian church.

At the opening session Monday, more than 100 out-of-town delegates were registered, and visitors and local residents crowded the auditorium at both afternoon and evening sessions.

Among Speakers
Outstanding features of the afternoon session were an address by J. Eric Carlson, general secretary of the National Ecumenical Association of American Christian churches, with headquarters at St. Louis; and an address by Mrs. Elmer C. Boyer, an address by Mrs. Elmer C. Boyer, central Africa, now home on furlough.

The evening session included a tribute concert by the male quartet of Northwest Christian college, Eugene, Ore., and an address by Dr. I. Gamble, pastor of the Holos Christian church and convention president.

Special musical numbers were given by the choir of the First Christian church, Twin Falls, under the direction of Fred L. Rudolph.

The main address was given by John G. Alber, state secretary of Nebraska Christian churches. Mr. Alber is the convention speaker and gives a special address each day.

The devotional services for all sessions are in charge of Rev. Frank T. Carter, pastor of the First Christian church of Idaho Falls. Rev. Eugene Stump, pastor of the local church presided at Monday's meetings.

Wives Breakfast
Tuesday's meeting opened at 7:30 a. m. with a "wives' breakfast" at the home of Mrs. Tracy Coit. General conferences and committee meetings followed at 9 a. m. The regular convention program began at 10 a. m. with a worship service followed with an address by Rev. Kendall E. Burke, president of the Northwest Christian college, at Eugene, Ore.

Other speakers for the day were W. J. Clemmer and J. Eric Carlson of St. Louis, Mo. A children's workers' luncheon was held at noon in the local church annex.

MURTAUGH

Mrs. Faye Perkins is acting as chairman of U.S.O. drive which is being sponsored by a community council here. Field workers are Lola Cochrum and Mrs. Claud Lee, Milner district; Mrs. Harold Messer and Miss Olive Arstein, Artesian district; Mrs. Oliver Johnson and Mrs. Faye Perkins, Northside district; Mrs. R. C. Tolman and Mrs. D. G. Moyes, Southside district; Mrs. Harold James and Helen Kall, town district; and Mrs. E. P. Broening, central district.

Mr. and Mrs. J. N. Dayley are in charge of a regional convention of the farm bureau confederation. While they are there they will visit their daughter and son-in-law, Mr. and Mrs. Benton Spencer.

Girl Scouts met last week with their leaders, Mrs. Fred and Elsie Andersen, at the school house.

Second year Sew More 4-H club met last week and elected Joyce Goodman, president; Ruth Herber, vice president; Blava Stasny, secretary; and Naomi Adamson, reporter. They met with their leader, Miss Laurel True, at the school house.

Blitch and Charter 4-H club met with their leader, Elsie Andersen, and elected Vela Ward, president; Beverly Grlaham, vice president; Deloris Tharnan, secretary; and Lucile Bucker, reporter.

Eppworth league had a party at the Heatcock home Friday night. At the club business meeting conducted by President Josephine Boyle, they made plans for the annual ice cream social to be held on the Palmer lawn Friday, June 27. Mr. and Mrs. Lindow are sponsors.

Eva Fuller will teach at North Star near Wells, Nev.

Fifty members from towns in Utah and Idaho met at Artesian Sunday for the Agri-Home Family Union. Cliff Archard, Burley, was in charge.

Hostesses at Ladies' aid society last week were Mrs. Ruth Brown, Mrs. R. H. Rambo, Mrs. Heatcock and Mrs. William Klenkopl. Mrs. Cochrum conducted business. Jazz were given out to be filled for the children's home in Boise. A play was given, "Holding up the Light."

The cast included Mrs. Cochrum, Mrs. George Hartley, Mrs. Blie, Mrs. Ernest Johnson, Mrs. E. W. Moorman and Mrs. Richard Vancant. Mrs. Lindow acted as commentator.

A link and blue shower was held for Mrs. Cecil Thornton at the home of her mother, Mrs. Harry Noh, Friday. Hostesses were Mrs. Charlie Moller, Mrs. Justin Klenkopl and Mrs. Ralph Thompson. Progressive bunco was played. Mrs. Harold Messer took high score and Mrs. Leon Harris low. Gold Noh gave her the gifts from a large pink shoe.

Mr. and Mrs. Harrison Hick, Jaridge, Nev., are visiting R. H. Murphy and Perry Papenau.

Miss Billie Schick closed Saturday with a picnic and party at Miller dam. Those in charge were Marilyn Arbogast, Maoni Dick, Doris Cochrum, Jennie Deaton, Ruth Cochrum and Helen Johnson.

D. E. DeKosa, 88-year-old father of Mrs. Thompson, has returned to Canon City, Colo., after a two weeks' visit here. While here he was honored at a family party. Seven grandchildren and four great grandchildren were present.

Spring club met Thursday at Bradshaw. They did handwork and visited.

Miss Schaefer, Franklin, Nev., is visiting her sister, Mrs. J. E. Dalton. She was accompanied here by Mrs. Nylda Jannsen, Franklin.

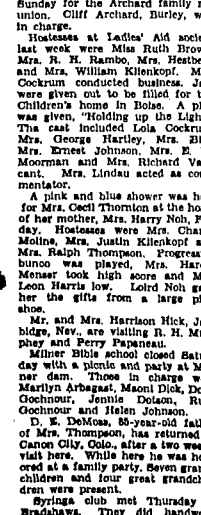

Peterman Named on Rupert Draft Board

RUPERT, June 25 (Special) — Chester Peterman of Pioneer district has been named as a member of the Blaine county draft board succeeding Spencer Broadhead, who has moved to Provo, Utah.

Other members of the draft board are Price D. Sears, Charles Garner, Albert H. Lee and E. E. Fisher.

JEROME, June 25 (Special) — Approximately 800 children received Littleton of appreciation for attending the two weeks' session of the Union Vacation Bible school, Monday evenings at the Jerome Presbyterian church.

Funny Business

"I think it's a slight mental derangement—he thinks he's master of the house!"

USO OFFICE SHUT; DRIVE NEAR END

Headquarters maintained by the United Service Organizations during the drive for funds this county was closed today and all further donations will be accepted by Loyal J. Perry at the Fidelity National bank, Twin Falls. Mrs. Emma Clouch, county chairman, said this afternoon.

The headquarters were located at 180 Main avenue north and were donated by the building owner for that purpose.

Slight Expense

Expenses for the drive in Twin Falls county—because all collectors donated their time as did many groups and organizations—amounted to only \$15, Mrs. Clouch said.

Total funds collected to date in Twin Falls, with practically all returns in, amount to \$1,295.23, a report shows. Kimberly has provided \$100.72; Piler, \$225.50 and Hansen, \$100.

Returns have not yet come in from Buhl, Castleford or Murtaugh but these are expected very soon, Mrs. Clouch points out.

Total collected in the county to date, on the basis of the present income, various churches, amounts to \$1,761.64.

In Twist Falls city returns are still forthcoming from one business block, the Baptist church, and from a portion of the wholesale district.

Thanks Contributors

With closing of headquarters, all donations should be sent or handed to Loyal Perry at the Fidelity National bank, the county chairman said. "We wish to thank all who aided in this worthy campaign and I am sure that mere words cannot express our true appreciation."

Funds raised in the drive will be added to other money collected nationally to provide equipment at recreational centers for soldiers in the various camps.

RHYTHM

DETROIT, June 25 (AP)—If a strip tease queen has no rhythm in her act she won't strip in Detroit, says Police Censor Joseph Kollar.

The edict banning all strippers "with just a body and no artistic training" was issued after Kollar's office received complaints about dancers who couldn't understand in time with music.

"Everything to Make Living More Pleasant"

J. A. Sinclair's Rites Thursday

Funeral services for J. A. Sinclair, 68, pioneer Twin Falls businessman, will be held Thursday, June 26, at 7 p. m. at the White mortuary chapel, Rev. G. L. Clark officiating. Interment will be in Twin Falls cemetery. Mr. Sinclair, who came to Twin Falls in 1912, died Monday at the Twin Falls county general hospital.

BRITISH PLANES ON RAIDS AGAIN

LONDON, June 25 (AP) — Strong formations of British bombing groups, escorted by squadrons of Spitfire and Hurricane fighters, crossed the French coast today to continue Britain's night and day aerial offensive against Germany and German occupied territory.

In the German raids heavy and sustained attacks were made on Cologne, Dusseldorf and Kiel naval base. It was said authoritatively.

Great explosions were heard from the British side soon after the planes crossed, indicating the raid was a big one.

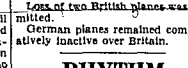

During the night planes of the coastal command had made one of their biggest attacks of the war on the French invasion coast.

Loss of two British planes was admitted.

German planes remained comparatively inactive over Britain.

COOK CHOSEN AS CHEST PRESIDENT

Frank L. Cook today headed the Twin Falls Community Chest as president. The new leader, who is also chairman of the merchants' bureau, succeeds Ralph W. Garpenberger who served during the past year.

The election took place during a session held at the Idaho Power company auditorium last night.

Other officers selected, all being reelected, were F. C. Sheneberger, vice-president; Mrs. Dorothy G. Reynolds, secretary; and W. H. Kidridge, treasurer.

Elected as members of the board of directors at large were Rev. G. L. Clark, Thomas Peavey, Mrs. C. H. Krenzel, Claude Detweiler, Mrs. Roy Evans, Ralph Pink and Wilbur S. Hill.

Mr. Hill was chairman of the nominating committee.

REMODELING AT FUR SHOP HERE

Remodeling of the front of the Fur shop, 138 Main avenue north, is expected to be completed by the end of this week. It was announced this afternoon by Harry A. Cohen, shop operator.

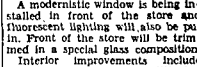

The building in which the Fur shop is housed is owned by Mrs. Annie Anderson.

A modernistic window is being installed in front of the store and fluorescent lighting will also be put in. Front of the store will terminate in a special glass composition.

Interior improvements include installation of air conditioning equipment, Mr. Cohen said.

TWIN FALLS MOTOR-McVEY'S

NEW ADVISORY GROUP CHOSEN

WASHINGTON, June 25 (AP)—The office of production management today sought to stimulate the defense output with a system of closer cooperation between the government and industry.

OPA Director William B. Knudsen and a group of industry advisory committees, patterned after those connected with the World War Industries Board, will be established.

A separate committee will be established for each major defense industry and the personnel will be selected by the OPM from a list of nominations submitted by the industries.

In addition, Knudsen announced establishment of commodity sections with the OPM to deal with the problems of priority production and purchases. Under this setup, an industry could settle problems arising in each of these fields by a single conference instead of having to contact separately the three divisions.

Sections will be established for zinc, aluminum, rubber, tin and other important defense materials. Knudsen said, adding that membership of the sectional committees will be selected from representatives of labor, industry and the OPM.

Danger to Soviet Army Lies In German Pincers Movement

The chief danger to the Red army in the opening phases of the German invasion appears to be that the narrow front fighting strategy along the border, may be able to break through swiftly enough to encircle the defenders and cut back against the vast Polish marshes along the old Polish frontier.

It is impossible yet to tell just how the battle is going. Russian and German announcements are widely at variance. However, the broad pattern of German strategy may be discerned.

The German main attack consists of two spearheads, north and south of the Pripiet marshes, where the German mechanized unit of warfare might bog down. The northern attack is from Poland, heading eastward toward the Lublin-Lodz to skirt the marshes. It would be joined within Russia by another column pushing southeastward from east Prussia.

Similar Spearheads

The southern part of the campaign consists of having to contact spearheads, one driving southward from central Poland south of the marshes, and another pushing northward from Rumania to meet it. It looks exactly like the familiar German pincer movement.

Moreover, the Ukraine would be cut off and the way made easier for the German forces pushing into the Ukraine through Besarabia and along the Black sea coast.

The interesting prospect of a drive of another sort in the fight for Ukrainian wheat and Caucasus oil is held out in persistent reports that the German forces pushing into the possibility of a sea-borne attack across the Black sea to the Caucasus oil region.

First Assemblies

The Germans are reported to have assembled a fleet of Rumanian, German, Italian and Czech ships at Sopot, Romania, to have massed barges at the mouth of the Danube. Whether such an operation could succeed depends to a large extent on the efficiency of the Russian Black sea navy. It is approximately 800 miles from the Black sea from Constantia, Rumania, to Batum in the Caucasus, and troop transports have some small submarines, brought down the Danube and 800 miles constitutes easy range for a fleet of bombers.

FIRE CONTROLLED IN RANGE AREAS

Grazing land fires of the past three or four days, which denuded thousands of acres, are being controlled and an amount of further damage is expected unless high winds again whip the flames. The loss was the greatest in the past 15 years.

That was the statement coming this afternoon from officials of the grazing service at Boise. One of the officials would not estimate as to the number of acres of first class grazing land which was burned over but observers placed the estimate at around 40,000.

Pigera Fire

Greatest of the fires was between a point near Dietrich and Steamboat springs, on the north side about 10 miles from Twin Falls. High winds yesterday whipped the blaze out of control and firefighters "just couldn't keep up with it," officials said.

Hundreds of jackrabbits trapped in this fire as they were trapped in the spreading flames. No cattle were in the vicinity, however, the grazing officials pointed out.

Other grazing operations have been completed but the fire will eliminate all of the fall feed in that area.

Nearby Fire Controlled

The fire between Blue Lakes ranch and the Hansen bridge just over the canyon side, is now under control and "about played out."

Counters, CCC enrollees and grazing and forest service workers have combined to fight the various blazes.

Evangelist Here

Evangelist W. S. Boyett, Brownfield, Tex., opens Gospel meetings Thursday, June 26, at the Church of Christ, Twin Falls. His message will be strictly Bible lessons, and he will answer Bible questions asked by the public. The meetings will continue through July 16, according to Rev. Arnold Watson, Church of Christ pastor. The church is located at Second avenue north and Eighth street north.

LEADERS CHOSEN BY DISTRICT BAR

Attorneys in the Eleventh Judicial District Bar association today had elected Hugh A. Baker, Rupert, former district judge, as president to succeed F. C. Stenberger, Twin Falls.

Judge Baker was chosen at the annual session held in Twin Falls district courtrooms. Conroy R. Gillespie, Halley, was named vice-president; Tom A. Wain, Twin Falls, was re-elected as secretary-treasurer.

J. R. Bothwell, Twin Falls, offered a lengthy summary concerning work of the committee chosen by the Idaho supreme court to draft new rules of Idaho civil practice. The rules, he explained, follow federal procedure as closely as is practicable.

Judge Bothwell led an open forum discussion by the attorneys in regard to the recommendations.

The Public Forum

U. S. WILL BE HITLER'S GRAND PRIZE

Editor, Evening Times: One could hardly blame Mr. Hitler for being aggravated at the American First Committee.

As Mr. Hitler (if any) would say, "Now, children, quit pestering your Pa. He is too busy right now to take you over; he is saving you for the Grand Prize. Besides he couldn't take you first without starting the war all over again."

Yours very truly,

R. O. McCALL
Twin Falls, June 23

Ballroom dancing has been introduced in Russian military preparatory schools as part of a physical culture program.

DONAHUE PICKED AS 20-30 CHIEF

Joe Donahue was elected 20-30 club president last night to succeed Wilbur McKay, who leaves next week for Portland to make his home.

Others elected were: J. C. Williams, vice-president; Paul Hardesty, sergeant-at-arms; directors—Richard Hepler, Robert Schumacher, Dick Morse and Howard Parrish.

Gene White was appointed secretary and George Taylor treasurer. Plans were outlined for the collection of aluminum as a defense contribution and for collecting magazines and games to send to club members.

McKay received a gift from club members.

3 PILOTS KILLED AS PLANES CRASH

WALLKUCU, Mont., T. H., June 25 (AP)—Three naval planes crashed high on Haleakala mountain last night, killing three U. S. marine pilots.

The dead: Lieut. William M. Ferris, Lakewood, W. J.; Werner C. Hagaman, Kansas City, Mo.; and Capt. H. H. Story, no address.

Witnesses said the planes had passed over Walluku, flying in close formation at a height of about 8,000 feet. A heavy rain was falling. A few minutes later, witnesses heard a violent explosion followed by flames on the mountainside.

A searching party headed by Lieut. Thomas South, USN, reached the scene two hours later. He said all three planes had struck the mountain and one was burned almost beyond recognition.

Cooperation of Industry And Labor Urged at Meet

SALT LAKE CITY, June 25 (AP)—A maze of controversial resolutions advancing recommendations of industry, labor and agriculture, including defense of agriculture, were discussed at a meeting of representatives of western states American farm-bureau federations meeting here today.

Denunciation and justification of strikes headlined disputes which flared up in a round-table forum prefacing presentation of resolutions to the final conference session.

Presenting similar reports were Francisco employers' council, and Secretary Stanley J. Stephenson of Utah Manufacturers' association joined in attacks on labor disputes in the defense emergency.

"Agriculture is the backbone of this country," Roth declared, "depends on our ability to produce foods, ships and airplanes—on the rights of our harder worker and fewer strikers." He called upon labor and industry to "share their rights for the common good."

Stephenson attacked Harry Briggs, west coast CIO leader, as "one of the racketeers who make much ado about nothing."

Labor's right to strike was im-

AWARDS GRANTED TO BOY SCOUTS

Merit badge and rank advancements for Scouts of the Kimberly-Hansen Scout camp were announced here this afternoon by officials of the Snake river area council.

The awards went to seven boys all members of troop 44 of which James Alastra is Scoutmaster. Explorers for the awards were James Alastra, Ormus Crauer, Edwin R. Gill, John Robertson, R. J. McCall, Ruth A. Reed and Clyde B. Urban.

The awards were:

Merit badge: Carl Hardin in pioneering, first aid and civics; Gene Graves in machinery and scholarship; Dwight Theliten in basketry, civics, public health, personal health, stamp collecting and first aid.

Second class advancement: Norman Tilley and Lloyd Straighten.

First class advancements: Henry G. Stevens and Walter Hill.

MILLER REVERSES TEXTBOOK RULING

BOISE, June 25 (AP)—School district officials will not have to furnish free text books to students, in the opinion of Attorney General Fred H. Miller.

Reversing an opinion handed out by his predecessor in office, J. W. Taylor Miller cited the constitutional requirement:

"It shall be the duty of the legislature of Idaho to establish and maintain a general, uniform and thorough system of public free common schools."

Miller asserted that the word "free" referred only to the fact that there should be no tuition fee.

The attorney general issued the following statement:

"It is the opinion of this office that, the members of the constitutional convention and the people who ratified it, did not intend thereby to require the furnishing of public expense of such personal items as individual text books and supplies."

Greenage plums are named for Sir William Gage, who first introduced the English variety.

NO TRACE FOUND OF LOST DOCTOR

ASITON, Ida., June 25 (AP)—Forest service officials reported today efforts of a searching party of more than 50 persons had failed to uncover a trace of Dr. E. A. Hunt, Salt Lake City, who disappeared four days ago.

Searchers continued to comb the Cascade creek region in northern western Wyoming around the Lake of the Woods where the doctor and two companions from Salt Lake City had been fishing.

Lorin Weisman, district forester in charge of the search, discarded theories the Salt Lake doctor might have drowned. Fear was expressed the doctor may have crossed to lower reaches of the stream which cascades over many rocks before emptying into Fall river and may have injured himself and become lost in the heavily timbered country.

Weisman said the creek in which a companion last saw Dr. Hunt fishing last Sunday was been crossed by forest workers familiar with the country, located near the continental divide in the southwest corner of Yellowstone national park.

CATHOLICS STUDY LABOR SITUATION

MINNEAPOLIS, Minn., June 25 (AP)—The national eucharistic congress shifted attention to labor services today after hearing two high church officials propose that labor be given a voice in industrial management and a share in profits.

At sectional meetings on labor relations last night, the most prominent J. A. J. Alter, bishop of Utah, addressed an employers group and Bishop Gerald T. Bergan of Des Moines, Ia., spoke at an employers session. Both suggested that workers be given shares of stock in firms employing them.

Bishop Alter said labor "always shared in the losses of capital."

DEATH SUMMONS FERRY RESIDENT

GLENN'S FERRY, June 25 (Special)—Death came at 8 p. m. Tuesday to Mrs. Sophia N. Shimp, 78, a resident of Glenn's Ferry for the past 21 years. Funeral services will be held in the Zacher-Boy funeral chapel at 2 p. m. Thursday, with interment to be in Glenn Rest cemetery.

Mrs. Shimp had been in ill health for the past several months, being bedfast since New Year's day. Cancer caused death.

Mr. and Mrs. Shimp came to Glenn's Ferry in 1920, and she had been active until her final illness. She was a practical nurse. She was a member of the Methodist church, of the Royal Neighbors lodge at Payette, and of the local post of the American Legion auxiliary.

Mrs. Shimp was born Oct. 25, 1867, at Portland, Me., and was married to William R. Shimp at Hatwath, Kan., in 1887. They came to Idaho in 1897, residing at Payette, and Ontario, Ore., before coming to Glenn's Ferry. Mr. Shimp died July 21, 1937.

She is survived by two daughters, Mrs. Allie Nease of this city, and Mrs. Winnie Harley, Puleake, Calif.; two sons, Charles Shimp, San Diego, Calif., and Walter Shimp, Ontario, Ore.; eight grandchildren and three great-grandchildren.

13 Rams Taken at Murtaugh Ranch

Thirteen rams were stolen Monday night from the Murtaugh ranch operated by David R. Clark, Twin Falls, according to a report given to the sheriff's office today.

The loss deepened concern by Mr. Clark and Leland K. Miller, also of Twin Falls. They had been left on the farm to graze when remainder of the Clark-Miller flock was taken north to the Pettit lake ranch operated by the two men.

Since the theft occurred on a portion of the farm which is across the canyon in Jerome county, Sheriff Warren W. Lowery contacted Sheriff J. W. Johnson and first aid. Ten of the rams carry the box-A brand and three are marked with a different brand.

D. C. were used as early as 2:50 P. M.

Merchants to Donate Prizes At Ball Game

Prizes galore will await talented members of the Twin Falls Cowboys and the Idaho Falls Huskies when they engage in a "track meet" immediately preceding the baseball game here next Monday night at Jayco park.

The contests will be sponsored by the Twin Falls Junior Chamber of Commerce with Charles Allen in charge. The event is the second designed to attract a large attendance to the park. In the first event, members of the senior and junior chambers of the Commerce staged an exhibition baseball contest.

Merchants Give Prizes

Allen said today that prizes will be donated by various local merchants and that the managers of both teams would select the players to compete in each of the contests.

Tentatively, these contests will be the 50 and the 100-yard dashes; accuracy throw from home plate to second base; distance throws from right, left and center fields toward home plate, and rounding the bases against time.

Members of the Junior Chamber will serve as judges and timekeepers.

Allen pointed out that the contests would not be limited to members of the local squad but rather to members of both teams.

A 4 P. M. contest will start at 8 p. m. with the regular game getting underway at 8:30 p. m.

Prize lists together with a list of the merchants making the donations, will be announced later this week.

Assisting Allen in the arrangements are Pete Booth and Robert W. Warner. A committee session was to be held today to iron out last minute details.

LOCKHEED HIRES 41 CASSIA MEN

BURLEY, June 25 (Special)—Leaving Burley this week for positions in the Lockheed aircraft plants at Burbank, Calif., are 41 men. They were slated to appear at the California destination today. Thursday and Friday a total of 100 men are taken examinations prerequisite to being offered positions, and another call is expected July 1.

"We are proud of the showing our men have made," said David R. Fisher, manager of the Burley branch of the Idaho state employment service. "According to reports we have received, there are more men leaving from here than from any place in the state."

Among Those Leaving

Following is the list of men and the vicinities they leave:

Burley, including rural routes, Harvey Badger, James Howard Bodon, Grant Wellington Campbell, Clifford Leon Craig, Ray Loukas Voyce, Curtis D. Campbell, Lynn Elmer Crane, Phil William Crane, John Rex Meyers, Glenn Albert Peterson, Robert E. Unander.

Rupert, William H. Svanace, Samuel W. Osgood, Jr., Welton Samuel Chatham, Donald W. Llewellyn, Doyle Lowder and Donald W. Taylor (not leaving but passing the tests).

Malia, Elaine Rich, Wickel, Declo, J. Robert Gibson (not leaving but passing tests).

Elba, Leonard Lornn Ottley.

Ablon, Ray M. Baumgartner; Harold LaVar Peterson, a student at Albion State Normal school, from Jerome; Leslie A. Bell; James B. Clifford, student, Ontario, Ore.; Ralph Edwin Denham, student, Zaxkuk, Wash.; Vernon Estuiss, student, Gooding; Merrill J. Glenn, student, Kimberly; Charles M. Hepworth, Andrew J. Richards, Rupert; Ray James Rutter, student, Wendell; Charles Oscar Ryan, student, American Falls; and Robert Clifford Smith, student, Eden.

Oakley, Aequia Men

Golden, Golden LaVon Larsen, Jack Martin, Jack Olsen McEvers, Everette Smith Rice, Harold Monroe Sagers, James Kennedy Sullivan, William Winston Sullivan and Roger W. Wake.

Aequia, Charles John McAlister.

The men spend three weeks in the plant training school before assuming positions as riveters at 51 cents per hour. In four weeks they are raised to 57 cents per hour, and at the end of four months receive 63 cents per hour.

HEYBURN

Golden Moffitt and son, Dale, and Earl Jordan and son, Donald, left Friday for Los Angeles.

Mr. and Mrs. Fred Bilger entertained Mr. and Mrs. Carl Merz and Miss Annetta Bilger, Salt Lake City, at a dinner Sunday.

Mrs. Alfred Smith left Friday for Los Angeles from where she will leave soon for the Hawaiian islands to join Mr. Smith who is employed there.

Wilbur King, who is sponsored by the Masonic lodge, and Jean Hamilton, sponsored by American Legion, left Sunday for Boise where they will attend the boys' state this week.

Mr. and Mrs. P. A. McFarland and family, Sacramento, Calif., are visiting at the home of Mrs. M. G. Beatty.

Miss Annetta Bilger, Salt Lake City, Utah, visited here Sunday at the home of Mr. and Mrs. Carl Merz.

Mrs. Jeannetta Welch and son, Harve, visited in Rupert Sunday with Sarah Cluff, an old friend, Pina, Ariz.

500 IN RUPERT'S PRE-RODEO EVENT

RUPERT, June 25 (Special)—Chuck wagon feed and jamboree—the first pre-rodeo event, was staged last week with 600 persons participating.

Fred Dickson was in charge of the chuck wagon and H. H. Judd was master of ceremonies.

L. P. Dickson, who has been active in management of Rupert rodeos for several years, not being able to be present at the jamboree, was honored by having a special wire installed to the hospital where he is a patient, so that he might enjoy the program.

George Galmul sang "Old Faith-

dedicating it to Mr. Dickson, and H. H. Judd gave a talk in appreciation of work done by Mr. Dickson in behalf of Rupert and the Rupert rodeo.

Members of B. P. W. in costume, gave a special floor show, Oklahoma Hillbillies furnished music for dancing.

At Lodge Meet

BURLEY, June 25 (Special)—Burley Odd Fellows and Rebekahs who attended a two-day regional meeting of Utah and Idaho Odd Fellows at Sun Valley last week-end were Mr. and Mrs. S. H. Kunau, Mr. and Mrs. Herb Canine, Mr. and Mrs. M. W. Crouch, Mr. and Mrs. Oscar Thorsen, Mr. and Mrs. Russell Hellig, Mr. and Mrs. George Prackoc, Mrs. Elaine Pike, Sidney Spangler and George Scholer.

Nebraska Granger Praises Contest

HANSEN, June 25 (Special)—Fellowship experienced in Twin Falls county Orange gavel contest was highly praised by Art Holden, district deputy of Custer county, Neb. Grange, at Thursday evening's meeting.

Mr. Holden, with Mrs. Holden and children, was guest of the meeting, at which children of Grangers delivered the entire program.

Numbers given were a song, "Mas Ellen Prior; recitation, "Gens Prior; recited were Mrs. and Mrs. S. H. Kunau, Mr. and Mrs. Herb Canine, Mr. and Mrs. M. W. Crouch, Mr. and Mrs. Oscar Thorsen, Mr. and Mrs. Russell Hellig, Mr. and Mrs. George Prackoc, Mrs. Elaine Pike, Sidney Spangler and George Scholer.

and Jerry Prior, "My Pig." Shirley Formwalt sang and gave a piano solo.

Miss Maude Laycock and Miss Prior sang "The Bells of St. Mary," and Horace and Dickie Coulter played a clarinet duet.

Following the close of the program, Mrs. C. Wiseman and Mrs. A. M. Walker served refreshments.

Declo Man Injured In Mishap at Boise

DECLO, June 25 (Special)—Darrell Darrington, son of Mr. and Mrs. John G. Darrington, who is associated with a construction company in Boise, and who has been employed with the Burley Irrigation company for the past few years at Burley and Declo, was injured last week when the crank with which he was cranking a caterpillar trac-

tor flew up and hit him in the eye, breaking his glasses.

A piece of glass pierced his eye and he was taken to the St. Alphonsus hospital where an operation was performed to remove his eye.

UNION SQUARE

THE labor unions have made their demands upon the railways of the United States—and through the railways upon the PUBLIC. These demands are vastly larger in proportion than any they have ever made. The economical and efficient operation of the railways is vital to the nation's defense effort. Therefore, the Western Railways present to the public the following facts:

In addition, certain of these labor unions have demanded advances in their pay not included in the above figures, and more rules for the creation of unnecessary jobs.

The situation, then, is this: The total cost of complying with all the demands made would be approximately 900 million dollars a year!

The average weekly earnings of railway employees are now 15 per cent higher than in the peak year 1929, while the cost of living is 12 per cent less.

The demands of the railway labor unions are being made when the entire nation has just been asked to make a supreme effort for National Defense.

The railways cannot meet these demands without a great increase in the cost of transportation. They exceed by more than 700 million dollars the income that the railways had left after paying their annual expenses, taxes and charges in 1940.

The railways have a vitally important job before them. They need all their resources to continue adequately to serve you and contribute effectively toward the National Defense Program.

Other unions representing a greater number of railway employees are demanding wage increases ranging as high as 95 per cent—averaging 47 per cent—and amounting to 580 million dollars a year—although their present rates of pay also are the highest in history.

Thus the wage increases being demanded by the labor unions amount to 770 million dollars a year, an average increase in excess of 41 per cent.

Sox Count on Rookie Hurler To Help Staff

By PAUL SCHEFFLE
NEW YORK (AP)—Earliest candidate for American League rookie pitching honors is Earl Johnson, 22-year-old Boston Red Sox pitcher.

Fernant chance of the Red Sox have been annually with a highly regarded crop of rookie pitchers in the spring and declined with them in the fall but Johnson seems made of star stuff.

Up From Rocky Mount
Boston's press brochure describes Johnson in the following few lines: "Earl Douglas Johnson, bought from Rocky Mount, Earl has very little professional experience."

Pitched First When 14
"Honestly, I never even pitched until I was 14 years old," Johnson said. "I was too small to make the grade school team back home when I had to put on enough weight in my last year, they discontinued the sport and I had to wait until I reached high school."

When the Red Sox began to get into pitching trouble last summer, Johnson said, "Manush tipped Joe Bevin that I might help and I was on my way."

Unless he develops a sore arm or is injured, Johnson appears sure of a January start with the Red Sox. His chief hazard of course is the draft. He has a high number but believes "you can never tell about that."

DECLO

Mr. and Mrs. Leonard Otley, Carlen, Nev., visited during the week at the home of his sister, Mrs. Fred O. Darrington and family.

Mrs. Charles Sumner was released from the Cottage hospital where she underwent a major operation.

Mrs. Lettie Bulge and daughter, LeDee, Henryville, Miss., spent the week-end at the home of Mr. and Mrs. Hyrum B. Lewis.

Mrs. Pearl Sparks, Port Leavenworth, Kan., visited recently at the home of her sister, Mrs. George D. Ward.

Mr. and Mrs. Pete Larson left Sunday for Salt Lake City after spending a few days at the home of her mother, Mrs. Mable Richards.

Mr. and Mrs. Walter Fewkes, left Sunday for Fort Douglas where he will join the army.

Mrs. Julia Parke and daughter, Ruby, and son, Elmer, have returned to their home after spending some time at Pocatelli.

Mr. and Mrs. R. H. Jacobs returned home Monday from San Francisco, Calif., where they spent the past two weeks visiting their son, Roy, who has enlisted in the air corps.

Mrs. George D. Ward and children attended a family reunion Sunday in Twin Falls at the home of her parents, Mr. and Mrs. N. W. Arrington.

Some Reach

If a man had arms and fingers proportionately as large to his size as those of a bat, he would have a reach of 30 feet from fingertip to fingertip.

The three main causes of overheating of a motor are stress on the cylinder block, carbon in the cylinder and dirt in the cooling system.

Play Underway In Idaho Women's Meet

BOISE, June 25 (AP)—Qualifying rounds in the Idaho Women's Amateur golf tournament today brought out a field of 30 ranking women golfers.

Other entrants included Mrs. George O'Connell, Idaho Falls; Mrs. O. P. Williams, Boise; Mrs. Rose Alquist, Boise; and Mrs. Hazel Moran, Boise.

Second and third rounds will be played tomorrow with the finals scheduled for Friday.

World War Deaths

According to estimates, the World War cost the lives of 8,000 directly, while another 4,000,000 died prematurely from indirect causes of the war.

Able literally to hover in the air, a scouting plane flew slow enough to accompany a column of military cars during recent maneuvers at Fort Benning, Ga.

By HARRY GRAYSON
NEA Service Sports Editor
Jimmy Wilson is reported to have given up on Louisa Novikoff, so the Mad Russian of the minors may shortly be returned to them labeled The Big Bust.

Lou Novikoff led every circuit in which he played in batting trick pitching has proved too much for him in the National League.

You can't hit the ball when you can't follow it. In addition to being a flop at the plate, Novikoff is far from being a DIMAGGIO as ball hawk and an incoordinate arm of very ordinary strength swings from his right shoulder.

Novikoff was highly ballhooed when he reported to the Chicago Cubs in the spring. "Take a peek at his batting record with Los Angeles in 1940: 44 doubles, 41 homers, 250 hits, 438 in total of 147 runs.

While it was taking it out of one pocket and putting it in another, the Cubs were said to have given their Los Angeles farm a \$100,000 or some such amount for the Lou-Lou-Novikoff and Second Base.

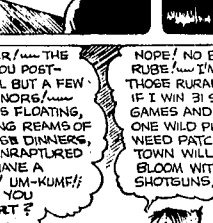

Novikoff probably sensed that the majors were something else again when old "Red Lyons left the bad man his knuckler in the spring games. The Mad Russian swung in one place as the ball hopped to another.

It was in this series, too, that it quickly became evident that a written guarantee to give with every ball hit into Novikoff's territory.

Treat Yourself to the CONVENIENCE of Electric Water Heating!

Swing out this summer! Join the parade of Snake River Valley homes switching to the brighter side of life!

Equip your home with running hot water from an automatic electric water heater, and find new definitions for the words "comfort," "convenience" and "luxury."

Living is simpler when you have an ample supply of running hot water right at your fingertips, day or night.

It's ready instantly to clean, scour, scrub or wash for you. The automatic electric water heater gives you this, plus all the leisure and labor-saving that goes with it.

Electric rates for water heating service have been reduced 10%, which puts the cost so low that few homes can afford to be without it.

So why not investigate today, and find out for yourself how cheaply a new automatic electric water heater can be installed in your home? The down payment is low, and the monthly terms can be arranged to suit your budget.

GET THE FACTS on electric water heating for your home; give your family the many benefits it offers. An Electric Water Heater will pay for itself many times over in convenience and comfort.

NEGOTIATIONS COLLAPSE FOR SOFT COAL AGREEMENT

HARLAN OWNERS REFUSE TO SIGN FULL CONTRACT

By United Press

Collapses of union negotiations with southern mine operators raised a new threat to the nation's soft coal production today.

The United Mine Workers (UMW) ordered a walkout in southern Appalachian mines July 7 unless a new contract has been completed by that date. The operators suspended negotiations and left Washington subject to call by their representatives.

Conferences with the national defense mediation board appeared recently to have settled the dispute between the UMW and the operators. The mine owners accepted a NDMB formula raising miners' basic daily wages to the level of those in the north.

Refuse Clause

In negotiations for a formal contract, however, Kentucky's Hazan county operators refused to approve proposed clauses. The other southern operators agreed to accept the contract. It was said, but UMW President John L. Lewis insisted on compliance by all or none.

The strike call would affect only the southern Appalachian territory, which includes Virginia, southern

West Virginia, eastern Kentucky and northern Tennessee.

At San Francisco, the navy's attempt to circumvent the machinists strike retarding construction at 11 shipyards met with little success. Only 23 machinists were accepted at the two largest plants yesterday from among the 100 applicants who responded to the navy office of civil service administration. Representatives of the 1,100 AFL and CIO strikers termed the navy's action "strike breaking."

Meet Tonight

AFL machinists will meet tonight to consider the Bethlehem Shipbuilding company's decision accepting the Pacific coast labor agreement. Bethlehem, only shipbuilding company to reject the contract, agreed to sign it at request of the NDMB.

The labor department referred a dispute at the Western Cartridge company's smokeless powder plant at Allon, Ill., to the mediation board.

At Baltimore, Md., 200 AFL carpenters struck on a defense housing project in a jurisdictional dispute with AFL roofers.

The army announced the last of the troops who commended the strikebound North American Aviation factory at Inglewood, Calif., June 9 had been withdrawn.

Unique Teacups

Gilbertan teacups once provided both cup and drink. Made of tea leaves so solidly compressed that only a portion of the inside melted when hot water was poured in, the cups lasted about six months.

FLOATS PLANNED FOR BIG PARADE

The downtown Twin Falls parade Saturday morning, July 5, companion to the children's parade Friday, July 4, will feature floats entered by various merchants and organizations, Stanley Sturgeon, parade chairman, said this afternoon.

Sturgeon is parade chief for the Twin Falls Junior Chamber of Commerce, which organization, along with the merchants' bureau, is sponsoring the two-day celebration here.

Among firms and organizations planning floats are the following: Fidelity National bank, Twin Falls Bank and Trust company, Rotary club, Idaho Power company, Twin Falls Coca Cola Bottling company, Pratt and Barry Sales company and the Junior Chamber of Commerce.

Among separate units appearing in the parade will be the Boy Scout drum and bugle corps, the American Legion and auxiliary Junior drum and bugle corps, the Bicycle club, Frontier Riding club, and novelty entries.

A complete list of entries will be available just prior to date for the parade, Sturgeon said.

It has been announced that a recently developed high-speed 64-passenger transport plane can bring any capital in the western sphere within 18 1/2 hours flying time of the United States.

AROUND the WORLD

With United Press

TOKYO—Japan has decided its policy toward the Russo-German war and may announce it within 48 hours, it was understood today.

LONDON—British imperial troops, ordered to take any measure necessary to wind up the campaign in Syria quickly, were said today to be closing in from all sides on Palmyra.

ROME—German and Italian bombers and torpedo-carrying planes, in an attack on British naval units off the north African coast between Tobruk and Sidi Barrani, hit and damaged a cruiser, an Italian war communication reported today.

BERLIN—The official German news agency reported today that 125 British planes had been shot down by the Nazi Air force during the week of June 16 to 22.

ROME—Dispatch to the newspaper Messaggero from Rumania said violent fighting was in progress along the whole Rumanian front, with the Russians resisting fiercely, and Russia had attempted to send men across the Danube into Rumanian territory.

BERLIN—German informants declined today to comment on

President Roosevelt's promise of aid to Russia.

BERLIN—The Roman Catholic episcopate of Germany has advised all dioceses that the German war on Russia is one "for the Christianity of the world," the official news agency said today.

Flight Instructor Sent to Airbase

Val Berricho, former Shoshone youth, has been transferred from Burley to the Boise airbase as a flight instructor, it was announced here today.

Berricho has been tutoring at Burley and has just completed working with a group of Cassia youths and yesterday got his transfer to Boise. He is in civilian aviation ranks.

HAMLIN SERVICES HELD AT JEROME

JEROME, June 25 (Special)—Impressive final tribute was paid Mrs. Clara Hamlin, 79, at funeral services conducted from the Wiley funeral home Friday afternoon in Jerome cemetery, under the direction of the Wiley funeral home. Ted Evans was in charge of services.

Music was furnished by Ruby and Alice Kennedy who sang "Does Jesus Care?" and Mr. and Mrs. Ted Evans, who sang "We'll Never Grow Old." Accompaniment was played by Mrs. Evans.

pallbearers were Paul Callen, E. L. Callen, Gus Callen, James Purdy and J. B. Somers.

Mrs. Hamlin succumbed after a short illness at her son's home. She

had been visiting here only a week at the home of Mr. and Mrs. Joe Hamlin.

Since 1898 the average American-built bomber airplane's average maximum range has been increased nearly 900 miles and average service ceiling is 3,300 feet higher.
