# NAZIS STRIKE HARD IN ATTEMPT TO CRACK RED ARMY

## GERMANS CLAIM DESTRUCTION OF RUSSIAN TANKS

By JOSEPH W. GRIGG, Jr.  
BREMEN, June 27 (AP)—German sources here have received reliable military information in the past reported today that Nazi armed forces were increasingly striking heavy blows at Soviet front and rear communications in belief that the Red army front can be cracked up quickly.

Although the high command again merely promised to announce decisive results soon, other sources were advised that the rapidity and weight of the German panzer offensive thrusts in the rear edges deep into the main Red army front and broken communications of Soviet divisions or corps with each other and with Moscow.

Soviet Infantry Units Usually reliable front quarters reports that as a result of tremendous blows the result of panzer forces during the first five days of the war, the bulk of the Red army's tanks and motorized equipment already had more-or-less been driven into the rear.

Some Nazi sources claimed that the Red army's tanks and motorized equipment were being used to face a "major catastrophe."

Some Nazi sources said there was reason to believe that the German system of breaking up enemy communications was progressing favorably.

Delaying Reports This progress, it was claimed, may be one reason why the German high command is delaying official detailed reports on the eastern front campaign, since a lengthy communique permitting the first time to include important facts of which, due to disrupted communications, the Red army leaders are ignorant.

Reports reaching usually reliable quarters indicated the Soviet rear communications had been disrupted in part by the Luftwaffe or other means during the first five days of the offensive.

The "other means" presumably referred to paratroopers.

Just as in Poland, France and Yugoslavia, the bulk of the Russian army concentrated on wrecking bridges, railways, highways and telegraph lines, the Luftwaffe is reported to be concentrating on wrecking the enemy's command and control system.

If the reports are accurate, the Germans already have succeeded to a great extent in their strategy. Soviet troops were reported to be fighting with great obstinacy but in many places were being ordered to retreat or maintain contact with headquarters as a result of the destruction of communications.

### RANGE PROGRAM PLOTTED BY AAA

MCCALL, Ida., June 27 (UP)—Agricultural adjustment administration leaders and prominent range users from 17 western states today worked out recommendations for the 1942 range program of the west at the concluding session of a five-day meet that started at Pond's Lodge on Monday.

Three hundred AAA agents and men interested in the range condition of the west participated in the tour of Idaho's range country that included visits at Sun Valley, the Stanley basin and other big Idaho range lands.

The annual convention and tour will break up with completion of the program mapping here tonight.

**Depends on Stockmen**  
At the Sun Valley banquet for the national range conference and tour, R. M. Evans, national administrator of AAA, declared the continued success of the range program depends in large part on the cooperation of producers.

About 300 members of the tour party which is observing Idaho's range conservation achievements were cautioned by Evans at the resort banquet that agriculture faces difficult days. He emphasized that agriculture—particularly the producers—have a definite responsibility to continue their progress toward a stabilized agriculture through cooperation.

**Tools Provided**  
The national AAA administrator pointed out that the government has given ranchers and farmers the tools for the solution of their problems and the extent of their progress depends largely upon the manner in which producers use those tools.

The handling of the range tour in Idaho was commended by Evans who pointed out the importance of molding the range program in the field where it must work.

The broader understanding of national and local range problems which delegates obtained through this annual tour was also emphasized by Harry N. Scholer, AAA director in the northern states; C. D. Walker, assistant AAA director of the southern states; and Charles R. Dunn, New York, fiscal agent of the Federal Land and Federal Intermediate Credit Bank.

Merle Drake, a large sheep operator and county attorney in Custer county, was toastmaster for the Sun Valley banquet.

The ranchers and AAA representatives from the western range states observed range practices on a field trip to the Stanley basin.

### TICKETS DEMANDS U. S. ENTER WAR

(From Page One)  
must decide now whether we are willing to buy a craven's truce as a peace treaty, or work, sweat, blood, fight and die, if need be, for liberty.

In fact, this is the psychological moment to strike, to strike hard and harder, fast and faster. Such a golden opportunity cannot be expected to come again.

Ickes assailed Lindbergh and his followers as "Nazi wimps in pacifist's clothing." He described him as "our knight of the German eagle" and asserted "he and his crowd make no pretense to being pacifists, although they are for a Hitler peace and are against a peace written by the democracies."

**Collaboration Defined**  
Soviet Union-United States collaboration against Germany was defined after a state department conference between Acting Secretary Sumner Welles and Constantine Gouzenko, Soviet union ambassador. Welles yesterday also saw Sam W. Brostrom, Swedish minister, who informed the department of Sweden's permission for a division of German troops to pass through the country from Norway to Finland, Hjalmar Procopé, Finnish minister, called on Welles and expressed smiling, although it was assumed that he appeared to advise that Finland was at war with the Soviet union.

There is speculation whether Finnish and Swedish funds in the United States, now free under a general withdrawal license, will be re-financed in view of their direct or indirect aid to Germany.

**ASHITON FAIR WEEDS**  
Kenneth Bunker Robinson and Miss Hattie Beryl Hurd, both of Ashton, Ida., were married in probate court chambers today by Judge C. A. Bailey. Witnesses were Patricia Blake and Marjorie Jenkins.

### GERMAN PINGERS NEARING MINSK

(From Page One)  
formation on military operations received from the intelligence office of details, the Nazi hammerblows against Russian communication lines were producing results as they did in Belgium, France and Jugoslavia.

**Claim Army Cut off**  
Those sources claimed that some Soviet army corps have been cut off from communication with neighboring corps and with Moscow, which, if confirmed, would mean the first vital step toward creating chaos such as wrecked the allied defenses in France. The German panzer columns, aided by the Luftwaffe's dive bombers, have thrust deep wedges into the Russian front, it was added, emphasizing that the main purpose of the Nazi offensive is to destroy the Red army as a military force rather than to win and try to hold Russian territory.

Details of the central front advance as well as of less furious fighting on the northern Baltic and the southern Bessarabian fronts were still withheld by the German high command, but the daily communiqués from Adolf Hitler's headquarters said "decisive" results would soon be announced.

Comparison of the German and Soviet communications led to the belief that the Nazi mechanized forces had made important advances toward the pre-war Russian border, but left uncertain the exact position of the fighting front and the ability of the Germans to maintain their columns against Russian counterattacks.

**Chaotic Tactics Fall**  
German parachute and fifth column troops, it was said, were completely in Russia, the Red army asserted in a dispatch published by the government newspaper Izvestia.

Hitler's campaign—now yet officially recognized by Berlin—to entice other European countries in a war against Bolshevism brought Hungary into the war today and resulted in a defiant attitude on the part of the official Hungarian press toward Britain. The newspapers said that Spain would send volunteers to fight against Russia and would bring in oil imports by sea, regardless of Britain's attitude.

Britain meanwhile protested strongly to Sweden against permitting Nazi troops to cross from Norway to Finland, which was virtually at war with the Soviets.

The air war on the western front continues with British planes again raiding the German coast, the British fleet, while royal air force units were reported by Curo to have hit the German fleet with 20,000 tons each in attacking a convoy off Italy on Thursday.

**CAREY**  
Orvis Dilworth who has been on a western states mission for the LDS church for 15 months returned to his home here last night after a week at the church Sunday evening. Orvis is the son of Mr. and Mrs. Joe Dilworth of Elgin. His committee of Carey ward Relief society spent Saturday afternoon with Mrs. Martha Harris on her 32nd birthday. A short program of songs and poems was given.

### Wanted: 1 Pretty Cow-Puncher Girl for Free Trip to Gotham

Do you know of a young lady who not only is easy on the eyes, but who also can ride a horse well enough to cut out a best steer from the herd?

If you do, Idaho has a chance to get a barrel of fame at the annual Madison Square Garden rodeo which is held each fall in New York, and the lucky girl gets a free all-expense trip for herself and chaperone, in addition to a three-week free stay in the metropolis.

It all came about this way. While in New York recently, Nell Regan, Sun Valley's publicity director, got together with Ted Deplin, who hosts the drums for the many goings on at the nation's leading sports arena. Ted explained that each year, the Garden management selects a number of "Ranch Belles" from six western states, gives them free transportation and accommodations in New York for the duration of the show. In return for which the belles perform for the glorification of their native state at each performance of the rodeo.

The performance, Deplin said, consists only of the simple cutting of a steer from a herd of cattle. The girls are judged on their horsemanship, their appearance and their beauty. He emphasized too, that it had become one of the most popular numbers in the whole show.

This year, he told Regan, he wanted to have Idaho represented since, as he said, they had some of the best cowpunchers, why then didn't they have some of the prettiest cowgirls?

Sun Valley Feature  
So on his return here, Regan conferred with Robert J. Miles, who will again put on Sun Valley's gala

rodeo on Aug. 16 and 17, and Miles went all out for the idea, agreeing to feature the selected girl at the Sun Valley show prior to her trip to New York.

Now all that has to be done is to find the girl. Regan said she will be facing stiff competition, and because we want to win, she must be good looking, young, and be well able to handle herself.

If you know of such a one, get in touch with Nell Regan at Sun Valley, sending your candidate's qualifications and, if possible, a snapshot of the girl. Both Miles and Regan think there's a girl somewhere in the state who'll outdo all the others, and they're mighty anxious to find her. But, since Idaho's a big place, they need a lot of help in doing it. After you have submitted a candidate, watch this paper for future developments.

**Chicago Printers Return to Papers**  
CHICAGO, June 27 (UP)—Chicago's three afternoon newspapers returned to normal operation today and displayed mechanical innovations devised to keep presses rolling during an unauthorized typographers' strike.

The typographers voted last yesterday to return to work pending negotiations on demands for a \$5 weekly raise and vacations with pay. They stopped working Wednesday and accused publishers of "stalling." Editions of the Daily News and Herald-American were published yesterday with type for inside pages set at union shop newspaper plants at Milwaukee. A few typographers who returned to work operated linotypes for the front pages for a time. The Daily Times contained photoreproduced pages of typewritten copy.

**DRIVER LICENSE SALE LAGS HERE**  
Although more than 4,000 driver licenses have been sold to date in Twin Falls county—with many of them purchased by northsiders—the buying pace is far too slow to meet the July 1 deadline, State Officer V. K. Barron said today.

Joe McCreary, Buhl, is driver license agent for this county under direction of Barron.

The state officer estimated that there were more than 10,000 new senior cars licensed in Twin Falls county during 1940 and for each auto there are at least two to four persons who drive.

Sale of the driver permits also is slow in Gooding, Jerome and Lincoln counties, Barron said. Other reports indicated that Cassia and Minidoka also would have many unlicensed motorists when the July deadline arrives.

The first two car permits may be secured at the Buhl city hall and at the sheriff's office in Twin Falls. The highest office possible to mail the renewal stub, properly filled out, to the department of law enforcement at Boise was set up in the county clerk's office. This mail order plan applies only to autoists whose 1939-41 permits show a clear record.

**100F Meet Drew Wide Attendance**  
Odd Fellows and Rebekahs from nearly all parts of the United States were on hand at Sun Valley for the 22nd annual convention of the I. O. O. F. last week-end, according to W. Harold Metz, member of the Twin Falls detachment of I. O. O. F. lodge.

James Hagerman, Saskatoon, Sask., Canada, grand sire of I. O. O. F., attended the session. He holds the highest office possible to the order, William M. Jeffers, president of the Union Pacific railroad, greeted the visitors personally and took part in the social program.

Grand lodge meeting of the Idaho Jurisdiction, I. O. O. F. and Rebekahs, will be held next October in Twin Falls.

**BOARD PREPARES FOR REGISTERING**  
Supplies were on hand today and alignment of volunteer assistants was going forward for the July 1 registration of "new 21-year-olds under selective service."

Enrollment in area No. 1 will be at Mustang, Inness and Kimberly postoffices and at the board office at 204 Orpheum building, Twin Falls. Youth who reached 21 since the first draft registration last Oct. 1 must sign up July 1. Others who did not register in October for any reason, must also sign up if they were between 21 and 35 years of age at that time.

Officials announced today that men discharged from the army since the first registration must register July 1 if they are still in the 21-35 draft age limits.

**Mrs. Mickelsen Dies at Wendell**  
HAZELTON, June 27 (Special)—Funeral services for Mrs. Gladys Della Mickelsen, 22, Hazelton, who died at St. Valentine's hospital, Wendell, yesterday morning, will be held Sunday at 2 p. m. at the Presbyterian church in Hazelton. Interment will be in Hazelton cemetery.

She had been admitted to the hospital two days before her death. She was born in Hazelton Nov. 24, 1918. The body was taken to the Wiley funeral home in Jerome.

Her husband, John Mickelsen, her daughter, Gloria, her parents, Mr. and Mrs. William Bryant, Hazelton, a brother, Harry Bryant, Jr., U. S. Army, Hawaii, and a sister, Mrs. Milton Washon, Laurel, Mont., survive.

# MACHINISTS AGREE TO RETURN TO JOBS AT SHIPYARD PLANT

## UNION EMPOWERS LEADERS TO SIGN WAGE AGREEMENT

By United Press  
Striking CIO machinists referred today to join AFL members in returning to jobs at the shipyard plant and ending the most serious labor dispute curtailing defense production.

By a vote of 207 to 33, the CIO strikers last night authorized union officials to sign agreements carrying the wage scale of the coal-water labor stabilization pact for the shipbuilding industry. Eight hundred AFL machinists voted Wednesday night to return to work Monday under the agreement.

CIO officials scheduled a conference today with operators of the six struck plants. The AFL strike affected five other shipyards.

The contract, which was approximately 600 found jobs at other shops.

## Separate Agreement

The CIO insisted on a separate agreement because of the separate agreement signed by the companies covered AFL workers.

The steel workers organizing committee (CIO) won collective bargaining elections yesterday in Bethlehem steel plants at Pennsylvania, Leetsdale and in Franklin, Penn., and in two plants at Los Angeles. The vote was 10,400 for representation by the SWOC against 2,200 for representation by no union. The five plants will be included with the Lackawanna, N. Y., where the SWOC was victorious in an election, in a single bargaining unit.

The national labor relations board ordered an election within 30 days in Bethlehem's shipbuilding plant at Sparrow Point, Md., on demands for pattern makers for bargaining rights.

## At Midland, Mich., today

the local division of the United Mine Workers (U. M. W.) called a strike at the Dow Chemical company, which produces magnesium under government contract, and established a picket line at the entrance to the factory.

## Strike was called in protest against disciplinary action yesterday against a service department employee who was laid off two weeks for insubordination.

At Columbus, O., 166 AFL electricians returned to work today at the 10,000 Curtis-Wright airplane factory, ending a nine-day strike protesting employment of non-union workers for telephone installations.

## Five hundred workmen returned to their jobs yesterday after a one-day strike at the Maxson Electric Corp., Wasau, Wis., which manufactures naval motors. Terms of the settlement were undisclosed.

An 18-day strike ended yesterday at the Canister company plant, Philadelphia, N. J., producing oil burners for ships. A wage increase of 6 1/2 cents an hour was granted.

## LAST RITES PAY BROCK TRIBUTES

JEROME, June 27 (Special)—Final tributes were paid Thomas Brock, Jerome pioneer resident, at funeral services conducted Wednesday afternoon at the Wiley funeral home. Officiating was Richard Melkel. Interment was in Jerome cemetery, under the direction of the Wiley funeral home.

Glenn Waldo offered prayer. Miss Dorothy Joerg was soloist with "Me" and "Somebody Cares," accompanied at the piano by Miss Phyllis Joerg.

asketbearers were Delbert Grolliers, Sam Enkin, Virgil Halbert, J. W. Sidwell, Thomas Gordon and Carl Walters.

Mr. Brock succumbed at the home of Mrs. A. L. Henry last Saturday evening, after a brief illness.

## Old-Age Program Explained to Club

Full explanation of old-age insurance and other provisions of the social security act was given to the Twin Falls Kiwanis club Thursday by C. Wayne Tucker, manager of the Twin Falls office of the social security board.

Tucker listed requirements under the act and gave a thorough outline of the old-age insurance and the retirement benefits. Widows and children, he said, receive protection in event of a wage-earner's death before retirement age.

Theber Dennison, grocery store manager, was welcomed as a new member. H. H. Hedstrom, of the educational committee, extended greetings.

R. Schroederman was program chairman. Judge O. P. Duval presided since President John Kinney is absent at Kiwanis International delegate at the Atlanta, Ga., convention.

## Northern Forces Win "Battle Of California" in War Games

CAMP HUNTER, LIGGETT, being 38,000 men of the 43rd and third divisions from Fort Lewis, Wash. were sent to simulate in the area near the old San Antonio mission preliminary to departure for the northwest next week.

Gen. DeWitt will call staff officers and umpires to a critique at Camp Hunter Liggett next Monday when the lessons of the maneuvers will be discussed and plans will be laid for further games in southwestern Washington next August between troops of the IX and III army corps.

An armistice in the engagement was called at midnight last night after the corps had buffeted and crippled the seventh division by swift thrusts and forced it into a 15-mile retreat.

## NAMES in the NEWS

By United Press  
Sen. Andrew Jackson Houston, D. Tex., 87, son of Sam Houston, founder of the Texas Republic, died in a hospital here Wednesday noon to explain the USO and its objectives.

The plan, as explained by Chairman Frazier, was enthusiastically received by the local merchants who voted their full support and cooperation in the drive for funds with which to provide recreational facilities for United States soldiers.

The matter of closing business houses on July 5 was brought up and discussed, and it was decided by those present that stores will remain open. Representatives from Gooding and Wendell Chambers of Commerce were also present at the meeting to discuss the subject.

Plans for Jerome's Fourth of July celebration were outlined in detail by Chairman Todd Nelson, who said that each member became a committee of one to see that there are plenty of entrants in all classes of the Fourth of July parade here.

Special guests in attendance at the meeting were Manager Williams of the Chamber of Commerce, Gooding; Manager Wilms, of the M. H. King company, also of Gooding; Manager Gordon Day, Kenneth Lance and Milburn Lee Wilson, all of Jerome; Wilbur Ellis Collier, route two, Hansen.

## Sen. Clark and Lillian Gish to Top Peace Meet

SALT LAKE CITY, June 27 (Special)—An Idaho isolationist senator and a queen of the movies' silent era will join in an America First convention rally here tomorrow night for a joint plea against war.

Utah America First vice-chairman, Mrs. J. W. Stallings, announced that Lillian Gish, famed for her performance in "The Birth of a Nation," would speak with Sen. D. Worth Clark, R. Ida, at the rally scheduled Saturday at 8 p. m. in Newhouse hotel.

BUILI, June 27 (Special)—Funeral services for Alma Leodesa Gould, 80, pioneer resident of this city, who died at the Twin Falls county general hospital last week, were held June 24 at the First Methodist church. An open air memorial is offered free to the public in addition to what the management terms "101 rare living animal stars."

## 128 KILLED WHEN BOMB HITS SHIP

A direct hit by British bombing planes wrecked the 26,000-ton German battleship Gneisenau in drydock at Brest and killed 128 members of her crew, according to uncorroborated sources received today from responsible sources in continental Europe.

A bomb hit amidships started a fire that was believed to have warped the hull so badly the ship may have to be rebuilt, the sources said.

The Gneisenau and the Scharnhorst were objects of repeated British air raids on Brest and the British reported they had scored direct hits or near misses on both warships.

The United Press was advised a hit on the Gneisenau broke the fuel storage tanks and caused an explosion and fire, but that the hit was made only after the British had raided the Brest docks many times in an effort to wreck the two ships.

## NAVY ACCEPTS 9 SOUTH IDAHOANS FOR TO ADDRESS NATION ON WAR

C. A. Edmondson, local navy recruiter, today had announced that nine youths, tentatively accepted here, had been officially approved at Salt Lake City and are now in the United States navy.

Those accepted for enlistment, according to Edmondson, follow:

Rudolph Chester Johnson, route two, Buil; William Fred Arnold, Col. Zane Coupe, Robert Duane Bell, William A. Smith, Kenneth Gordon Day, Kenneth Lance and Milburn Lee Wilson, all of Jerome; Wilbur Ellis Collier, route two, Hansen.

## HEAVY EAST GREENBUSH, N. Y.—It was mighty tough for Arthur Smith to get off his bed to John Dahm. Dahm weighs 200 pounds. But—without complaint—Smith hoisted the wrestler and started off. Soon he had to stop and wipe the perspiration from his brow. For Sam Fred Arnold, a 100-pound ironweight, it was a different story. He had to get up from the bottom of the wheelbarrow.

## 'Animal Oddities' Show Under Way

"Animal Oddities" show featuring scores of unusual living animals, opened three-day appearance in Twin Falls at noon today.

The show is quartered near Main street and Third street, south, on the lot behind the Show service station. There it will be open from noon to 11 p. m. through Sunday.

An open air memorial is offered free to the public in addition to what the management terms "101 rare living animal stars."

## 'RED-TAPE' SLASH ASKED BY SOLO

WASHINGTON, June 27 (AP)—Reduction of the American business man's "paper sorrier" when dealing with the federal government was projected today in a bill reported to the senate by the committee investigating the problems of small business.

The bill, sponsored by Sen. James P. Murray, D. Mont., aims at lowering the number of forms, blanks and questionnaires which business men are now required to fill out for a number of fact-collecting agencies such as the securities and exchange commission, census bureau, commerce department, RPO, and others.

Murray said American business men had to hire thousands of extra clerks last year to fill out the 38,000,000 forms received by federal agencies. He added many of the forms "duplicate" each other and are "unnecessary."

The bill would authorize the director of the budget to consolidate the work of fact-collecting agencies when he finds after proper investigation, that mergers would bring about greater efficiency.

## Liquor Store to Close July 4, 5

The Idaho state liquor dispensary in Twin Falls will be closed both July 4 and 5 because of legal holiday proclamations by the governor, Manager Bob Creed said today.

The store will remain open until 11 p. m. on July 2.

## HYDE PARK, N. Y., June 27 (AP)—President Roosevelt agreed today to make two speeches next week and indicated he might include in them anything he has to say about America's policy toward the German-Russian war.

Attaches at the temporary white house said neither would be a major address. They did not deny that Roosevelt's reaction to Mr. Roosevelt's aid-to-Russia program not develop favorably before then, either or both speeches would give Mr. Roosevelt a chance to present to the nation and the world the reasons behind his policy.

Mr. Roosevelt will speak late Monday afternoon at dedication ceremonies for the new Franklin D. Roosevelt library, which houses the documentary record of the new deal. On July 4, under auspices of the office of military defense, he will address the nation by radio in an occasional observation of Independence day.

## EVERY DAY IN MANY WAYS..

WHAT DO YOU CONSIDER A "PERFECT" DIAMOND?

The degree of perfection of a diamond must be accurately known before its value can be established.

The range of perfection extends from flawless, so-called "perfect" stones to those in which flaws are readily apparent. A dozen or more categories separate these two extremes. The nearer a stone approaches the visibly imperfect classification, the lower its value becomes.

Your best assurance of getting the highest degree of perfection your diamond investment will buy is through dealing only with a jeweler of established integrity. Come in and let us explain why some smaller stones in our large collection possess higher value than larger ones... how color, cutting and carat weight also influence the value of any diamond.

## Joe Gets Double in Eighth to Run String to 38 Games

NEW YORK, June 27 (UP)—The American league schedule offered encouragement to the New York Yankees today, providing the league pace-setters with relatively soft opposition for the next 11 days.

The Yankees, leading the Cleveland Indians by .006 percentage points, meet the Philadelphia Athletics in the first of two games today, go to Washington for two and then come back to their own park for seven days before retesting for the annual all-star game.

Both batting strings—Joe DiMaggio's individual string and the club's consecutive home run mark—were extended yesterday when the Yankees' slugged the St. Louis Browns, 4-1.

It was their fourth straight game in which they hit four home runs and their 14th in the last 17 games.

DiMaggio's home run which accompanied DiMaggio's double in the eighth inning in his last time at bat to stretch his hitting streak to 38 games.

Cleveland came from behind to pound out an 11-8 decision over the Boston Red Sox as Bobby Feller staggered in his 18th victory.

The Brooklyn Dodgers climbed into a tie with the St. Louis Cardinals last night when they beat the Boston Braves, 11-2, for their sixth straight victory.

By Harry Grayson, NEA Service Sports Editor. Not the least of Joe Louis' qualities as an attraction is his faculty for making opponents who have anything at all look good.

Tommy Farr, Max Schmeling and Arturo Godoy in their first encounter, Tony Galento, Abe Brimmer and Barr and more lately Billy Conn.

No hit Farr first demonstrated Louis' guns were as effective as a moving target. Conn furnished additional proof.

Her Schmeling outclassed Louis, and Brimmer obtained the vote of one judge before the champion could think of a way to straighten things.

Galento, the human beer keg, had Louis rattled and knocked him down.

## Cowboys Drop Deeper Into Loop Cellar

OGDEN, June 27 (Special)—Twin Falls Cowboys, still short on a batting punch, lost another contest last night—this time to the Ogden Reds, 4-1, and dropped another game deeper into the Pioneer league cellar.

On the veteran Con Rasmussen doing a good job on the mound for the Wranglers, the Pioneers made a good game out of it—but couldn't apply the hit pressure when it was needed.

Tonight the Reds face the act of the Twin Falls mound staff, Paul Picovich, who will be gunning for his ninth triumph against four defeats.

Last night Rasmussen pitched the first seven innings, allowing one run in the second, two in the sixth and one in the seventh.

Verne Reynolds was on the bench. Manager Andy Harrington attempted to get a much needed, handed hitting power into the game as possible—but there wasn't much to be done.

Ogden got one run in the second when Tommy Cannon doubled and scored on Shoen's single.

## DiMaggio's Prescription for Slump: Point Toe at Box, Pick out Good One

By HARRY GRAYSON, NEA Service Sports Editor. NEW YORK, June 27—The perfect ball pitcher at last reveals how to break a batting slump.

This has stumped batters and baseball experts since Abner Doubleday tossed out the first ball.

And, after all these years, the prescription is almost too simple to take.

It is: Just point your toe toward the pitcher and pick out a good ball.

The doctor is Joseph Paul DiMaggio II, the record breaker.

"Out in Cleveland, not so many days ago," says J. P. DiMaggio II, "I fell below 300 for the first time in my life—to 297, to be exact. Yes, I kept track."

"Everybody asked what was wrong. They told me I was striding too far. They told me I was overpitching the ball. They told me just about everything."

"And then, on May 15, in Chicago, I took a quarter at me, left foot, it was pointed toward the pitcher at all. It was pointed toward first base. Came the dawn, I only had to remember what Lefty O'Doul told me in San Francisco when I was a raw kid."

"So I just pointed that left toe toward the pitcher, and boom! boom! boom!"

"You see, you can get your body around and into the ball when the left toe is pointed toward the pitcher."

Don't swing at Bad Pitch. If you're not a pitcher, the Yankees will win the pennant.

When I hit safely in 61 consecutive games with San Francisco in 1933, my first year in professional ball, I frequently reached out for a poor pitch," recalls Stuy, which is the affectionate nickname given DiMaggio by teammates.

## Former Speed King Is Officer in Britain's Army

DAYTONA BEACH, Fla., June 27 (UP)—Sir Malcolm Campbell, former land speed king and the first man to drive an automobile 300 miles per hour, is serving as an officer in a British armored division, according to word received here.

Sir Malcolm, whose blue bird racing record stands at 203 miles per hour at Bonneville Salt Flats, Utah, was commissioned by the war office in 1939 to organize an experimental armored division.

He then asked to design a new type of armored fighting vehicle. Then, he was given "experimental work of a most interesting nature," which the censor would not permit him to explain. Two months ago he was transferred to the armored division.

Deserts Wharf for Penthouse. "A pitch doesn't have to be perfect. You'll take a swipe at any ball to my liking, but I'd be a sucker to go for bad pitches just to prolong a batting slump. If I did that, I'd seldom get a good ball."

## Barker Orders Re-Play of Wendell-Hailey Ball Game

Re-play of the Wendell-Hailey SCI league baseball game last Sunday was ordered today by President John Barker of Buhl for full investigation of the contest and talks with managers and players participating in the game from both cities.

As a result, the tilt of last Sunday will be stricken from the record and the two teams are slated to play a double-header at Hailey, each game to be seven innings, on Sunday, Aug. 10.

In reviewing the case, Barker pointed out that there was such a divergence of opinion on the score and the books kept by two clubs differed so widely that it was impossible to tell which team really did win the contest.

While the Hailey scorebook of the Wendell team stated that the Wendell score stood, Barker asserted that the Wendell officials disputed the claim and pointed out an 11-8 victory for the Wendell team.

The game was played at Wendell, Idaho.

Managers of both teams, Norton of Wendell, and Charles Sprittles of Hailey, failed to get excited about the outcome, although the loss would be a blow to the Wendell team.

## Stars Capture Third in Row From Solons

Hollywood was the first club in the Pacific Coast league to win three games in a row from the Sacramento Cardinals when the Stars turned back Pepper Martin's gang, 10 to 2, last night.

The victory was a close one, for the Cards, pointing down the stretch, scored three runs in the ninth and had the tying run off third when Lou Tait came in to relieve Johnny Blittner. That retired the Solons.

## Ruth Plays Golf Just Like Ball: All or Nothing

By HARRY FERGUSON  
United Press Sports Editor  
NEW YORK, June 27 (U.P.)—It still all or nothing with the babe. He has been out of baseball for a long time, but Babe Ruth still operates on the theory you should shoot the works every time, strike out or hit a homer, that's his idea.

And that's the way he is going to work today when he steps on the first tee in Fresh Meadow Country club to try to square things with his old-time foe of the diamond, Ty Cobb. It is likely to be a smashing, top-sidled victory. If he loses, he'll lose by the length of one of those homers he used to clout over the walls.

You know the story of this athletic life. The matches were arranged for the benefit of the United Service organization which is interested in establishing recreational centers near army camps. The first one was played in Boston on June 22 and Cobb won, 3 up and 2 to play. If Ruth wins today—he will be favored—they may have the rubber match in Detroit. Tyis Speaker, also quite a ball player in his own right, will be the opponent.

The Boston match revealed both men have carried over their baseball philosophy over into golf. Cobb is still the smart percentage player. He pokes a shot, straight drive down the middle, preferring to be on the safe side rather than belt the ball a mile and be in the rough. He places emphasis on his short game and is a superb putter.

Ruth whines away off the tee, shooting for a birdie on every hole. He likes to see the ball in the fairway and if they catch the rough he doesn't worry too much about it. He never has got around to developing his short game and there is a suspicion his interest lags unless he can cut a hole in belt that, in the old days, it was almost as much fun to see Ruth strike out as it was to see him hit a homer. The same is true in golf.

Played from the back tee, the Fresh Meadowers will see the longer than they one shot in Boston, and Ruth figures that is to his advantage.

Both men plan to have competent advice in event they are evenly matched and a little

strategy is needed to turn the tide. Cobb will have Jimmy Dement, the well-known professional, as his second. Going all out, Ruth has asked Craig Wood, National Open champion, to be his brain trust.

## Mrs. Almquist Defeated in Semi-Finals

BOISE, Ida., June 27 (U.P.)—Helen Gourley, defending champion from Idaho Falls, and Mrs. Muriel Williams of Boise will set out today on a 36-hole round to decide the Idaho women's amateur golf championship.

Mrs. Williams, tournament medalist and twice state champion won a place in the finals by defeating Rose Almquist of Buhl, another former titleholder. Mrs. Gourley won her way to the finals by turning back Margaret Tucker, Hazel Morton, also of Boise.

In the president's flight, Mrs. Elizabeth Esenberg, Idaho Falls, defeated Mrs. Stewart Campbell, Boise, for the championship. Esenberg defeated Mrs. George Orillan, Idaho Falls, to gain the finals, while Mrs. Campbell downed Mrs. Bill Ford, Pocatello.

To gain the semi-finals against Mrs. Williams, Mrs. Almquist defeated Mrs. Don Daly of Boise, 5 and 4, while Mrs. Morton reached her semi-final match by winning over Mrs. Ethel Wall Buhl, 4 and 3.

Other results: First flight—Mrs. Louise Bush of Idaho Falls defeated Mrs. Ann Griggs of Idaho Falls 7 and 6 and Mrs. Helen Martin of Idaho Falls defeated Mrs. Roy Herrick 4 and 3. Mrs. Bush and Mrs. Martin meet in finals tomorrow.

Second flight—Mrs. Joe Robinson of Boise scored a 6 and 4 victory over Mrs. R. S. Benap of Boise and will meet Mrs. Virginia Greathouse of Boise, who went by Mrs. Marahall Arduer of Boise 4 and 3.

First flight consolation—Mrs. Beryl Purcell of Boise defeated Mrs. Millie Stephens of Boise 3 and 2 and will meet Mrs. Gladys Belknap of Nampa in the finals. The latter won 1 and 6 over Mrs. Mary Boyd of Boise.

Second flight consolation—Mrs. Ed Sprout of Boise won from Mrs. M. M. Pickett of Boise 3 and 2 and Mrs. Clem Gamble of Boise triumphed over Mrs. C. E. Boggs of Idaho Falls 7 and 6. Mrs. Sprout and Mrs. Gamble meet in finals.

A driving contest by flights will be held tomorrow after winners have been determined. The last 18 holes in that bracket will be finished after the driving competition.

## 88 Tee off in \$1,000 Utah Golf Tourney

SALT LAKE CITY, June 27 (U.P.)—Eight states were represented today as 88 golfers tee off in the opening round of the annual \$1,000 Utah open tournament.

Favorite to win the open this year is the host for the last two in Portland's Emery Zimmerman. He was bracketed in the opening round with George Schaefer of Ogden, Utah, and Sid Harman of Wala Wala, Wash.

The rest of the field numbered many of the best players of the west. It included such links luminaries as John Geertsen of Denver, Colo.; Hayden Newton, Grand Junction, Colo.; Paul Jose, Lake Tahoe, Calif.; last year's medalist here, away you Elm, Port Douglas, Utah, and Harry Zanator, pro at the Los Altos, Calif. club.

Finals in the tournament, being played over the Fort Douglas course, will be on Sunday.

WELL, WE'RE OUT OF THE SHIP'S HOLD, LITTLE BEAVER... QUICK! HERE COMES THE ICE-GEN!

SNOUT! ARRRRRRR!

ICE CREAM

Did you ever read about Daniel Boone having to stop for an ice cream cone every six steps he took?

I'M AN OLD COW HAND

WELL, YES! I WAS SHE EVER WITH A COW BEFORE?

OUT TO MILK THE COWS! KEEP AN EYE ON HER!

HEY! NOT KIND OF A FARM IS THIS!

ALL RIGHT, YOU SCUM! FIGHT ME BEFORE I SHUN YOU ALIVE!

STOP!!! I CHALLENGE YOU!!!

NOW WHIGGERS, IF YOU REALLY ARE BLACKBERRIES, LET'S SEE SOME OF THAT SWORDSMANSHIP YOU'RE SO FAMOUS FOR!

WELL, IT'S HAPPENED... THESE DUBS WOULD CALL MY BLUFF... I'VE BEEN TRYING TO BULL THRU THIS WITH SOMETHING MORE POTENT THAN CHIN MUSIC!

EGAD, RUBE! DON'T BLAST MY HOPES BY REFUSING TO REPORT TO THE MINORS... ACCEPT THIS GOOD BILL AS A SYMBOL OF MY FAITH IN YOUR PITCHING PROMISES... THERE'S A NICE CHAP... NOW TROT ALONG WITH HAK-KAFF-TH AND PACK YOUR THINGS... AND BON VOYAGE!

THANKS, MAJOR! I JUST RAN OVER TO TELL YOU I DECIDED LAST NIGHT TO GO AFTER ALL... IT WAS LIKE THIS... THE REDS WIRE ME \$200 EXPENSES AND BONUS... BUT THIS \$100 WILL COME IN HANDY, ANYWAY!

WHY HE SPENT THE NEXT THREE DAYS IN THE BASEMENT BROODING

SEE, THERE'S SOMETHING BIG AND MYSTERIOUS ABOUT TO TAKE PLACE HERE... THAT'S GOING TO KNOCK A LOT OF PEOPLE DEAD, NOW YOU MAN, I'M EASY SUPERIOR... GURLEY YOU CAN COME IN ME

NOTHING! DON'T LIVE SO TO MUCH ALREADY

VERY WELL, IF YOU'RE GOING TO BE SO VAGUE, THEN LET BETTER CONTACT ME MAKE HIMSELF

NO! NO! FOR GOSH SAKES!

YOU WANNA SPOIL EVERYTHING? LISTEN, IF YOU GUYS ARE SOMMA STUPID AN INVESTIGATION, I'M LEAVING TO HECK WITH THAT KIND OF COOPERATION!

WHOA! I'M A YOUNG MAN!

HOLD ON, I'M PROPOSED TO BE ON A BRIDE'S DRESS, I'M GOING TO EVERYTHING DOWN HERE! LESSO OF ME!

GOOD HEAVENS! HE WENT FISHING AT FOUR THIS MORNING, AND I KNOW HE TOOK THE BOX IF HE COMPLAINED BECAUSE HE HAD A HARD TIME FINDING IT!

HE'S CARRYING A FORTUNE AROUND AND DOESN'T KNOW IT! WHERE DID HE GO FISHING NOW?

HE SAID "SOMEBODY" IN THE MOUNTAINS, IF YOU KNOW WHERE THAT IS, TELL ME!

THE SILENT GEARS

ALL HANDS ON DECK! GRAB THAT COMBOY!

YOU WANNA SPOIL EVERYTHING? LISTEN, IF YOU GUYS ARE SOMMA STUPID AN INVESTIGATION, I'M LEAVING TO HECK WITH THAT KIND OF COOPERATION!

# HITLER DRIVE ON MINSK MAY BE AIMED AT MOSCOW

## NAZIS BELIEVED GUNNING FOR BIG SOVIET SMASH UP

LONDON, June 27 (AP)— Adolf Hitler, in his drive on Minsk, may be aiming a blow at Moscow, capital of the Soviet Union, in hope of winning a combined military and political victory, military experts said today.

A drive on Moscow, it was suggested, would shatter the Soviet puppet plan to break the Soviet Union into puppet states.

The German armored forces which were threatening Minsk, 500 miles from Moscow, were on the route which Napoleon and his army took to Moscow in 1812.

The strength of the German thrust, as indicated by Russian communiques, was said to lend support to the theory the Germans aimed at Moscow.

Based north of the Pripiet marshes, the Germans were driving at Russia through the so-called Bannovitch gap on the right and Vilna (Wilno) on the left.

If the Germans reached Vilna they would be able to threaten Minsk from the north as well as from Baranovitch, experts said.

Minsk has been the headquarters for the Red army in White Russia, and is one of the largest army airbases in the Minsk area.

The country between Minsk and Moscow is largely flat land, and is well suited for tank operations, and the Germans might hope to continue their thrust along the Minsk-Moscow-Moscow railroad to the capital.

## POSSE CAPTURES IOWA FUGITIVES

BROADBENT, Mont., June 27 (AP)— Walter Weston, 29, and Alvin Ralph Brumbaugh, about 19, both of whom were wanted in five states for numerous holdups, automobile thefts and kidnappings during the past two weeks, were captured without a fight today this morning about 24 miles southeast of here by Sheriff Claude Anderson of Powder River county and a posse of highway patrolmen and clerks at a filling station.

The chase that killed a Billings, Mont., pilot and deputy sheriff, and two bandits, who time and again eluded a huge posse of officers and patrolmen during the past several days, were willing to give up their lives to escape.

He said the two men stole a car about 10 miles from here but were easily stopped by one of the barricades that blocked every road for 20 miles around this little Montana county.

Sheriff Anderson said he believed the youthful "badmen" were the two men wanted by Iowa authorities for robbing a Billings station at Pringhar, Ia., June 14, and stealing a car at Marathon, Ia., about the same time.

Weston was believed to have received a wound late yesterday in an exchange of shots with Sheriff Anderson and his posse. Anderson, who recognized the bandits and gave chase, forcing them to abandon their car and take to the hills.

Deputy Sheriff E. O'Donnell, 30, and Clem Spencer, 36, both of Billings, Mont., were killed yesterday when their plane crashed in a field near Biddle, Mont., about 20 miles from here. The plane was one of three used to scout the bandits from the air and report their location to the ground forces.

## HANSEN

Miss Geneva Hollifield, school teacher last year at Clover Creek; Miss Martha Froelich, teacher in Twin Falls, and Miss Joan Gray, second grade, and Miss Marvyn Nelson, fifth grade, both at Hansen, left Monday for a summer course at the University of Southern California, Los Angeles.

Mrs. Dorothy Pierce, Hamilton, Mont., guest of her parents, Mr. and Mrs. M. P. Kenworthy, has returned after 10 days at Berger with her husband's parents, Mr. and Mrs. J. M. Pierce.

Mr. and Mrs. Riley Joy, McCall, left Thursday following several days' visit with his brother-in-law and sister, Mr. and Mrs. O. J. Barnard.

Mrs. Bert Bland and four children moved recently to Hansen. They had been residents of Murtaugh. Mrs. Bland was formerly Miss Olive Mothershead.

Reports of the Methodist conference at Twin Falls were given during Sunday church hour by Mrs. Edna Moorman, Murtaugh, lay delegate of the Murtaugh-Hansen district, Mrs. Ben Diets and Miss Gladys Laycock.

Mr. and Mrs. Forrest Albertson, Helena, Mont., are visiting his brother-in-law and sister, Mr. and Mrs. Henry Colner. The party visited at Sun Valley on Sunday.

## THREE KILLED IN COAST HOTEL FIRE

LOS ANGELES, June 27 (AP)— Three persons, two of them women, were killed today when fire swept the once-awful Hurton Arms apartment hotel. Nearly a dozen were burned.

The charred body of Miss Alma Voebeck was found in a corridor. Mrs. F. Goldberg, her clothing aflame, plunged to her death from a third-floor window. In the kitchen of Mrs. Goldberg's apartment, firemen found the body of a man, believed to be her husband.

Most of the occupants of the 100-room brick structure were asleep when fire broke out in the basement and mushroomed through the four floors.

About two-thirds of the cattle, calves and hogs received at the 65 major livestock markets in 1940 were driven in by truck.

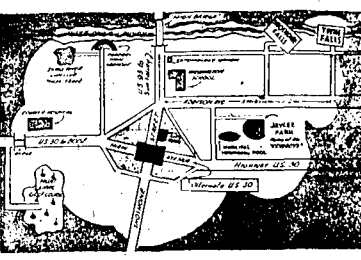

## ENOCH J. HUNT DIES IN OGDEN

OGDEN, June 27 (AP)— Enoch J. Hunt, 80, railroad builder, contractor and president of the Hunt Land and Livestock company of Buhl, Ida., died at his home last night of a heart ailment. Hunt, nationally known as a contractor, constructed the Hetchy-Hetchy dam to furnish San Francisco with water. He also constructed the Spokane and Northern railroads and the Cullinane Pacific railroad in Mexico.

Hunt directed the building of the Utah-Northern railroad from Idaho Falls, Ida., to Deer Lodge, Mont., in 1870.

He had lived in Ogden since 1927. Among the survivors is a son, Mitchell W. Hunt, Buhl.

## Directional Map Will Aid Tourists

This "how to get there" map is featured on the booklet which has been published for distribution in connection with the Chamber of Commerce's campaign to seek cooperation of merchants and employes in aiding tourists who visit this section. Among points of interest shown on the map, in addition to Twin Falls proper, are the municipal golf course, the high bridge, Jayce park and the municipal swimming pool, Shoshone and Twin Falls, the hot springs district, Federation lookout and the gun club. Main routes in and out of Twin Falls are also shown, enabling the tourist to "find his way around" by reference to the map. (Times Engraving)

## SECOND TOURIST SESSION TONIGHT

Second "tourist educational" session for employers and employes of Twin Falls will be held at the Idaho Power company auditorium today starting at 7:30 p. m.

Initial session, for workers north and west of Shoshone street, was held last night. Tonight's session will be for those south and east of Shoshone.

Potential dollars and cents value of the tourist trade to Twin Falls was explained last night by Ray Robbins and Robert H. Warner, both of the Twin Falls Chamber of Commerce committee in charge of the educational program.

The same program was presented today before the regular Chamber of Commerce session.

One feature of last night's session was the showing of a motion picture "Along Main Street." Booklets outlining scenic points and bearing a map of "how to get there" were distributed at the session.

These booklets will play an important part in the campaign to get more tourist dollars in Twin Falls by having visitors stay over to view scenic attractions.
