

# SHEEPMEN AGREE TO ALLOW ARMY USE OF GRAZING LAND

## TENTATIVE PLAN CALLS FOR U. S. AIR RIFLE RANGE

WASHINGTON, July 24 (AP)—A delegation of Idaho sheepmen, headed by Sen. John Thomas, R., Id., has worked out a tentative agreement for sharing 1,000,000 acres of land in south central Idaho with the army air force, it was reported today.

The agreement, Thomas said, would authorize the army to use the ground as an "air rifle" range (but not bombing range) for six and one-half months. During the balance of the year, it could be used for grazing.

Thomas said the agreement was only "tentative" and had not cleared the war department.

Representing the stockmen's delegation were Thomas, Rep. Henry C. Dworshak, H. B. South, president of the Idaho Wool Growers' association; Thomas Gooding, Ketchum, vice-president, and Roscoe Birch, Burley, former National Wool Growers' association president.

Under the tentative plans worked out, the army would use the land from Jan. 1 to March 15 and from June 15 to Oct. 15. The rest of the year would be used for grazing.

The army would be granted permission to use the land during that time and the land would not be transferred to the army under the plan to be submitted to the war department.

The Washington conference followed strong protests voiced by the wool growers' association, by the Twin Falls Chamber of Commerce and by a C. group headed by Thomas and Carey. They contend that using the land as army bombing site would destroy the grazing value of the land.

## Introducing—The Queen of Mormons

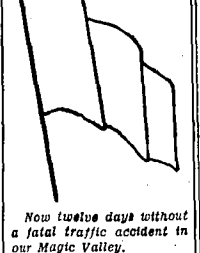

On July 24, 1942, Brigham Young and his band of Mormons arrived in Utah. On July 19, 1941, pritty Anne Bingham, left, reigns as queen over the famous Mormon Pioneer days celebration at Ogden, Utah. With Queen Anne, are her attendants, Lois Peterson, center, and Doris Sechrist, rulers of Utah for a day.

## DRAFTEES GIVEN ORDER NUMBERS

## Keep the White Flag of Safety Flying

Now twelve days without a fatal traffic accident in our Magic Valley.

## RED CROSS HEAD TO GET TRAINING

Mrs. W. M. McDonald, executive secretary of the Twin Falls county American Red Cross chapter will attend a special training session at Seattle, it was announced at a meeting of the Red Cross directors last evening at the law offices of Tom Alworth, chapter chairman.

The session will be held on the campus of the University of Washington, and has been called to meet present extraordinary needs through increasing the skills of Red Cross workers, it was pointed out.

Mrs. F. F. Bracken, in charge of knitting, said that the knitting of socks had been added to the production program, and pointed out that a quota of 100 pairs of socks has been assigned to the chapter, and five pounds of sock yarn has already been issued.

## Seen Today

Curly-headed blond boy in brown coupe parked on Main avenue, giving strange passerby a shock by hailing them: "Hello, Giddy!" ... Patrolman Pete Ruckelose being making new rug for police headquarters. ... Couple of OAA training ships flying over city, looking pretty small compared to four-motored army bomber, passing en route toward Lake City. ... Twin Falls information request from Fort Stockton, Tex. ... Pair of new fathers sitting in restaurant and having heavy discussion about baby formula. ... Seen Today sitting down at draft board interviewer's side, Capt. Joe Seaver some assistance. ... And probate judge muttering to himself as he puts official stamp on document and then finds stamp carried wrong date.

## JAPANESE SHIPS REMAIN AT SEA

SAN FRANCISCO, July 24 (AP)—About 400 Japanese merchant ships bound for Pacific ports of south, central and North America have to sit at sea or overdrive, apparently awaiting possible American economic action against Japan, it was reported today.

The big Japanese liner, Tatusi Maru, carrying 3,000,000 worth of silk and due at 4:30 a. m. in San Francisco bay, had not yet arrived at 11 a. m. (PST) It was believed standing by at sea off the California coast.

Russia's mills have more than thirty million pupils.

## PRESBYTERIANS END CAMP MEET

Annual Presbyterian conference closed yesterday in Sawtooth camp with 151 persons on the grounds, it was announced today by Rev. G. L. Clark, local pastor, who served as a clerk.

## Wheat Harvesting Nears Completion

BOISE, July 24 (AP)—Winter wheat harvest in southwestern Idaho is nearing completion, with yield above normal in most sections, U. S. department of agriculture reported today.

## News of Record

- Marriage Licenses**  
John T. Morse, 70, and Lucy A. Ranken, 63, both of Twin Falls.

## Monkey

HOLLYWOOD, July 24 (AP)—A lion-chasing actor, directors and technicians spread the story today of how a 50-pound gibbon monkey stripped the pants from his 365-pound trainer.

It wasn't a stunt, and it wasn't a scheduled movie scene. The trainer tried his best to keep the panicky on. It happened at Lake Sherwood during filming of scenes for Alexander Korda's production "The Jungle Book."

The monkey stopped a scene in which he was working with a woman. Cole Smith, noted monkey wrangler, grabbed the monkey and the fun began. The monkey wrapped his long arms around Smith's leg and started tearing his pants to shreds. Smith couldn't loosen the monkey's grip, and he sat on the animal's head. Whereupon the monkey began gnawing Smith's thigh.

When Smith finally subdued the monkey, only the waistband of his trousers remained.

## NAVY WILL SEEK CABLE CENSORING

WASHINGTON, July 24 (AP)—The navy will ask congress shortly for legislation authorizing restriction of an office for international censorship of outgoing cables.

Admiral Ben M. Morell, chief of the navy's bureau of yards and docks, told the house appropriations committee, in testimony made public today, that the President's proclamation of an intimated emergency "will necessitate the establishment by the navy department of office for national cable censorship in some naval district."

When informed of the testimony, White House Secretary Stephen T. Early said he had not heard of such a censorship plan.

"But I imagine it is no more than a precautionary measure to apply the censorship plan that the army and navy always have on hand for eventualities like this, and when certain events take place," Early said.

Acadia National Park, in Maine, had 382,048 visitors in 1940. These visitors used 88,221 private automobiles.

# U. S. ADVISED TO BUY COAL EARLY

WASHINGTON, July 24 (AP)—The government's defense agencies are encouraging civilian consumers to fill their coal bins now instead of in the early fall or winter to ease the burden on vitally-needed transportation facilities.

The government is "buying" your coal early" grows out of the recent strike of 400,000 soft coal workers which lowered April shipments to the zero mark and anticipated demands on the nation's railroads to move defense material and finished armaments from factories to army and navy delivery points.

Big Maneuvers in Fall  
Moreover, a large part of the new army of 1,400,000 men will engage in lengthy maneuvers during the early fall months, which will require large-scale movement of troops, armaments and supplies to the mock battle zone.

Coal shipments to consumers in normal times account for 30 per cent of the total rail traffic, with the peak month coming in October when other demands, including the wheat harvest, pile up on the railroads.

The government hopes to encourage consumers to buy from 2,500,000 to 3,000,000 tons of coal a month above their average purchases during the summer months.

## Five Suggestions Offered

1—The consumer division of the office of price administration and civilian supply has outlined "five rules for the householder" to promote the "buy now" campaign.

2—Call your coal dealer and arrange for as much of your winter's supply of coal as you can handle.

3—The earlier you buy your coal, the more money you will save, according to every present index.

4—Some kinds of bituminous coal disintegrate less than others. Consult your dealer as to the kind of coal which you should buy.

5—If necessary, make credit arrangement with your dealer so that you may fill your bin early.

## MAROA

Mr. and Mrs. J. N. Blakely, Norman Wayne Morshead and Mr. and Mrs. Charles Smith returned Sunday from Yellowstone park. They witnessed the annual sun dance by Fort Hall Indians on the return trip.

Mr. and Mrs. Orr McKee, Glenn and Dean Patterson returned Saturday from Texas and other points.

Mr. and Mrs. E. H. McClinnis are making an extended trip to Europe, Alaska and Canada. They toured Yellowstone park en route.

Mr. and Mrs. E. H. McClinnis are Ketchikan visitors over the week-end. Mr. McClinnis attended Masonic rites on Baldy mountain Sunday and Mrs. McClinnis spent the day at the home of her daughter.

Mr. and Mrs. Dale Harmon, are guests of Mr. and Mrs. Drew Staats.

## All Tied Up In Dangerous Sport

Legs tied and biting the dust is calf as roper slithers to safety while judge drops flag of thrill-packed annual Calgary Stampede, world series of rodeos. Attendance record was broken when 250,000 spectators, including many airmen training in western Canada, watched dangerous sport at its wildest.

## SOLON RAPS U. S. DEFENSE EFFORT

WASHINGTON, July 24 (AP)—Senator Joseph C. O'Mahoney, D. Wyo., said yesterday that although this nation believes it is engaged in an "all out effort to prepare for national defense," it is neglecting "some of our richest sources of economic and military power."

The impact of the defense program, he said, is being expressed in anticipated layoffs in communities as spread as Milwaukee, Wis., where the aluminum shortage is hitting manufacture of pots and pans, and Utah, N. Y., and Maryland.

Mr. O'Mahoney said everyone in Wyoming knows of the existence of iron mountain, "a tower of iron which remains undeveloped." Similarly, he said, Utah has untouched resources of alumina, and Colorado, Montana and Nevada have hundreds of miles of coal and petroleum deposits.

of a piano solo by Miss Ora Jean Qualls, two humorous readings by Miss Nellie McGraw, Malta, and a talk by County Agent C. Warren Day. Refreshments were served by Mrs. Dorothy Smith and Mr. and Mrs. J. C. Clements.

Charles Everett and Sol Clark of Claremont Grange. Each spoke on the Cassia county fair to be held at Burley in the near future, and urged Rupert Grange to have a booth. The local Grangers voted to place an exhibit at the Cassia county fair.

Program, in charge of Mrs. W. E. Jackson, Grange lecturer, consisted

## Showgirls "Not Surprised" at Receiving Vast Copper Estate

NEW YORK, July 24 (AP)—The beautiful show girls who inherit the million dollar estate of William Guggenheim, who died recently at the age of 71, expressed no surprise today at their marvelous good fortune.

Two of them, Mildred Borst and Mary Alice Rice, said he had helped them in their stage careers and had promised to remember them in his will. The two other legatees were Lilyan Andrus, "Miss America" in 1929, and Florence Sullivan, who according to Miss Borst, did secretarial work for the millionaire.

Miss Borst, born in New Haven, Conn., and winner of the title of "Miss Connecticut" at a bathing beauty contest in 1930, said she met Guggenheim when he came backstage while she was playing in "Ballyhoo" in 1932.

"I was reading a copy of the Literary Digest and that caught his eye," she said. "He talked to me, and later he financed my singing lessons and dramatic lessons."

Miss Rice, a former student of Southern Methodist and Texas universities, said she met him backstage while playing understudy to Catherine Cornell in "Music in the Air."

In his will, Guggenheim disinherited his wife and son, saying he had made provision for them in this life-time. He and Mrs. Guggenheim had been living apart.

Guggenheim was the youngest son of Meyer Guggenheim, founder of the International Guggenheim copper dynasty.

## Inventor Braille

Louis Braille, inventor of the system of raised printing for blind persons, was himself blind, losing his sight at the age of 3.

## Moth Pests

A cheap, easy, and entirely effective way to protect your clothing, blankets, furs, etc. from many destructive moth pests is to sprinkle your clothes, cloths and chests liberally with BULIAC. BULIAC—known for 60 years—acts as a swift eye repellent and insecticide—best protection against moths that you have ever tried.

TRIES DECEPTION  
To mislead her enemies, the female green turtle digs numerous holes in the sandy beach before she finally deposits her eggs in one of them.

The per cent of a road grade is the per cent of the rise as compared with the horizontal distance.

## TOOL SHORTAGE DELAYS BUILDING

WASHINGTON, July 24 (AP)—Secretary of Navy Frank Knox said yesterday that there has been "some degree of interference" in the production of navy air craft, primarily because of a shortage of machine tools, but that he was confident the difficulties will be eliminated shortly.

Knox made the statement in response to press conference inquiries about testimony of Rear Admiral John H. Towers, chief of the bureau of navy aeronautics, before the house naval affairs committee, in which Towers blamed the priorities system for a 20 per cent lag in navy plane deliveries.

Knox said he did not feel the situation was critical. The navy, he added, is taking steps to speed up the production of all types of armament work.

## Grangers Discuss Exhibits at Fair

RUPERT, July 24 (Special)—Grange met Friday at the Christian church annex with the master, Ernie Maricle, presiding.

He introduced George Hackney, Charles Everett and Sol Clark of Claremont Grange. Each spoke on the Cassia county fair to be held at Burley in the near future, and urged Rupert Grange to have a booth. The local Grangers voted to place an exhibit at the Cassia county fair.

## UNITY

Mr. Leo Cheney and son, Nelson, Placerville, Calif., are guests of Mr. and Mrs. Earl Howard.

Special Relief society sewing meeting was held Friday afternoon at the home of Mrs. Newell Baker.

Mrs. Eliza Tueller, Salt Lake City, is visiting at the home of her daughter, Mrs. Dan Brown.

Miss Rachel Mathews was hostess to groups III and IV of the girls 4-H club. Dinner was served, refreshments of judging bread, fruit and dresses. Refreshments were served. Miss Wanda Medrum will be the next hostess.

Gertrud, Dorothy and Don Howard left Monday for Beaver dam and Draper, Utah, for a short trip.

A patriotic program, commemorating Utah Pioneer day was given at Sunday evening L.O.S. services. Mrs. Lucia Price was in charge of the music.

Mr. and Mrs. Ronald Elquist and family spent Saturday overnight camping in Heglar canyon.

William Howard returned Monday from an extended visit in Draper, Utah.

England has 95,750 persons with incomes of more than \$10,000 a year.

### MUSIC FIRM WILL WIDEN QUARTERS

Interior remodeling work which will give the firm twice the former floor and window space, was under way today at the Dumas-Warner Music company, located in the Elks building.

Charles O. Dumas and Frank (Tony) Warner, partners in the business, said today that the work is expected to be completed in about two weeks at which time a guest day will be staged and the public will be invited to inspect the enlarged quarters.

The firm is now taking over that portion of the business site which was formerly occupied by the Soden Electric company.

A color combination of ivory and cream is being followed throughout. Studio rooms will be located on the balcony and will afford three times the space as before. An office will also be on the balcony.

In addition to following the policy of stocking all sheet music, Conn band instruments, Leedy drums and Gibson guitars, the firm will now handle two well known makers of pianos. Announcement concerning this new addition to the stock will be made later.

### WILLKIE PREDICTS AMERICA IN WAR

HOLLYWOOD, July 24 (AP) — Wendell L. Willkie, who is contending for national unity, said last night the United States, whatever course it takes, "probably will" get into the war.

As he addressed in Hollywood about 12,000 persons attending a rally of the Southern California committee for national unity, pickets who said they were members or sympathizers of the America First committee paraded outside the gates.

They carried signs, saying: "Elect Willkie to Parliament"; "Bundle Willkie to Britain"; "There was no disturbance."

"We are not arguing for war; we are arguing for freedom," Willkie said. "War may come and probably will, whatever course we take; neither a position of isolation nor one of internationalism guarantees peace. The United States is not seeking war in establishing outlying bases. It is moving to secure other outposts from which our freedom can be defended."

He said the United States would have to convoy merchant ships to England.

"We don't want to have to escort our merchant ships through the perilous waters of the north Atlantic," he said, "but the defense and strengthening of freedom is going to require that."

Willkie flies to San Francisco today to make another major address at Civic auditorium tonight. The address will be broadcast nationally (over CBS) from 9:15 to 9:55 p. m. PST.

**KNULL**

Major Lee O. Sullivan of the marines, who has been stationed in Tientsin, China, for the past two years, arrived at San Francisco aboard the President Coolidge. He was then called to Washington, D. C., for duty. Major and Mrs. Sullivan

### Boom on Derrick Hits Wire; Power Service Disrupted

FAGERMAN, July 24 (Special) — Fred Bell and Earl Allen were receiving a derrick on the Bell ranch Sunday when the boom fell on the power line across the road. Fire flashed but no harm was done either to men or horses. Power services were disrupted for a time.

In spite of power company offers of assistance, two derricks have become entangled in the power lines this summer. Nothing but a miracle saved the lives of several men and horses both times.

### 752,572 Register For Draft Service

WASHINGTON, July 24 (AP) — Selective service headquarters reported today 752,572 youths 2 years of age registered for the draft lottery held July 17.

The youths had become 21 after the first draft registration in October, 1940.

The number of registrants by states included: Idaho, 3,956; Montana, 3,375; Utah, 3,969; and Wyoming, 1,383.

and son, Bob, visited his parents, Mr. and Mrs. Martin Sullivan, on their way to Washington. Their older son, Dick, is entering his third year at Annapolis. Also visiting his parents is Roy Sullivan, Los Angeles.

Corp. Bob Compton of Fort Lewis, Wash., is home on 10 days' leave.

Annually there are about 10,000 false and unnecessary fire alarms in New York City.

### DEMOCRAT PICNIC LEADERS CHOSEN

Various Young Democratic leaders who will be in charge of various phases of the annual picnic of the Twin Falls county Young Democratic club which will be held at the Bull city park Sunday, were announced this afternoon.

The picnic will get underway at 1 p. m. and Gov. Chase A. Clark is to be one of the speakers during a brief business session. The balance of the afternoon and evening will be turned over to athletic events and to swimming in Bull's new municipal pool.

M. K. Puckett, Twin Falls, will be in charge of registrations and will be assisted by Mrs. John E. Leiser and Miss Arlene Lowery, both of Twin Falls; Jake Pope and Alva Parrott will be in charge of recreational activities while Joe McGinty, Buhl, will be in charge of the reception. He will be assisted by Bill Pohlman and Robert Creed, both of Twin Falls.

When Mrs. O'Leary's Cow Kicked Over the Lantern in 1871...

Blitz-Weinhard Beer Was Already 15 Years Old!

85 YEARS OF KNOWING HOW

At the time of the great Chicago fire Henry Weinhard had been brewing low beer in the Pacific Northwest for 15 years. For almost 10 of these years his brewery had been located in Portland, on exactly the same spot it stands today. Already this beer, brewed from the private recipe of Henry Weinhard (one choice Northwest ingredients, had gained a deserved reputation for its averaging goodness.

Today the same private recipe of the founder, the same Northwest hops and barley are used to produce Blitz-Weinhard Guaranteed Satisfying Beer. Add in these modern methods, up to the minute equipment and 85 years of brewing experience and you have the reason for Blitz-Weinhard's present popularity!

IT'S BREWED TO SATISFY YOU!

# JAPAN CLAIMS OCCUPATION OF STRATEGIC INDO-CHINA

## CONFIRMATION OF NIPPONESE MOVE SEEN FROM VICHY

By ROBERT BELLAIRE

TOKYO, July 24 (U.P.)—Newspapers reported today the Japanese flag had been raised beside the French flag at Hanoi, French Indo-China, and Haiphong, its port, in indication "Indo-China sees collaboration with Japan as its only salvation. A government spokesman said no information had been received of reports Japanese forces already had occupied strategic points in southern Indo-China.

Informants declined to discuss the Indo-China situation, but it was noted that the French would feel much safer with Indo-China "under Japanese protection" in view of their Syrian experience and the parallel attitudes of Britain, America and Thailand in the Far East.

Baron Guy Poin, counselor of the French embassy, conferred this morning with Kumachi Yamamoto, acting vice foreign minister, and the Japanese ambassador, who said the Vichy government had agreed to Japanese plans to take over the base and the parallel attitudes of Britain, America and Thailand in the Far East.

There were indications an announcement of great importance would be made before the emperor would hold a formal meeting of his privy council.

Shipments now were refusing any information regarding arrivals or departures of Japanese ships, and newspaper advertisements of shipping lines had been suspended.

Japanese authorities were understood to have curtailed travel by foreigners in Japan and it was reported the ports of Kobe, Shimonoeki and Nagasaki, (all are naval bases) were virtually closed.

Informants said reports of extensive Japanese naval movements to the south probably were correct, and it was indicated the government was watching closely the Panama canal situation.

## PREPARES TO LAND TROOPS SHANGHAI—Japs

SHANGHAI—Japs is preparing to land troops this week-end on the eastern coast of China, in Indo-China striking distance of the Philippines, Singapore and the rich Netherlands East Indies, foreign intelligence advisers indicated today.

Those advisers were borne out, by private dispatches from Tokyo which indicated Japan, now under a rigid censorship, would announce the occupation as an accomplished fact probably by Monday.

## VICHY AFFAIRS

VICHY, France—The Vichy government has agreed to provide Japan with military and technical facilities in Indo-China to enable it to maintain order in the east, Paris newspapers reported today.

There was rigid restriction here of all news on the far eastern situation, but the Paris press reported that though negotiations with Japan were still in progress, a basis of agreement had been reached which the Vichy government would concede the advantages Japan would receive in recognition of Japan's "predominance in east Asia."

## CLOVER

Walther league social and business meeting was held Wednesday evening at the community hall.

Trinity congregation will celebrate his communion next Sunday, confessional services at 10 and regular services at 10:30 a. m. Registration will be Friday afternoon and evening.

Mr. and Mrs. H. E. Lerman and daughter, Maxine, Nampa, were Sunday guests at the Albert and Arthur Lerman homes at Twin Falls. They were Sunday dinner guests at the William Lutz home, and also called on other relatives and friends before returning home, this night.

Mrs. Eric Adolf and sons spent last week with her parents the H. Wurbendorfer, at Eric Adolf recently returned from Ogden, where he is employed in the government munitions plant. While at work using a scythe to cut, he quit several days before his last leave.

Mr. and Mrs. H. G. Schulz left Sunday on a vacation trip that will include visiting relatives in Nebraska, Idaho, Michigan and the former home at Vincennes, Ind. Miss Margie Jaeger accompanied them. They plan to be gone two weeks.

Relatives have received word, by cablegram, from Nagercol, India, that Mrs. A. J. Lutz, wife of Missionary Lutz, is expected to arrive here.

Mrs. Henry P. Kallep came home from the Twin Falls hospital Sunday and is improving, following surgery. Her daughter, Helen Helmer, is assisting in caring for her mother.

A. D. Lautenschlager returned the last of the week from a business trip to Portland.

Mr. and Mrs. Will Postman and Eva Bailey, Houston, Tex., visited Saturday at the A. H. Jagers home, and were weekend house guests at the H. Hiltner home. Mrs. Postman is a niece of Mrs. Hiltner.

Mr. and Mrs. Bryn Garter, Indio, Calif., are now at the residence of his brothers, Roy and Harvey Garter.

## Grange Gleanings

By A. HARVESTER

As the gravel contest draws to a close, only three more Granges having yet to receive the gravel, we are wondering what of permanent good will result to the Granges from the influx of new members. The group of perhaps 100 members in the Fairview Grange, only 21 were "able" to get out to the Hansen gravel yard to receive the gravel. It beats all how easily one can do a thing that is badly enough wanted or greatly enjoyed, and how burdensome we find it to do the task that is perhaps not so pleasant.

Many of the members of Fairview Grange can go to Twin Falls most any time they desire, but Hansen, Geo. that is nine miles farther, or who considers only his own selfish pleasure, may find that pleasure turned to bitter ash if certain individuals were their will in America. We are fiddling while Rome burns.

## HANSEN

Another good turnout of Grangers was at the Hansen Grange home when Fairview was the recipient of the gravel. 168 Grangers being present, Roy Heyland, the general Pomona secretary. By the way, does Roy's head remind any of you of a certain radio program? The answer to this riddle will be sent to anyone on receipt of a box of tubular rivets and 10 cents to cover mailing charges.

Well, anyway, it was a trifle warm that night and the drive home was a little, especially with the other fellow driving. The roll call of officers showed that 100 per cent was present, and the gravel was duly elected to become a member of Hansen Grange.

The current ban resolution that we are all familiar with that originated with Hansen Grange, was passed. Communications were read from the book on the hardware proposition, from Jerome Grange and the land use planning board, Pomona Grange and Lawrence Grange. The latter adding that red beans be included in the efforts to have a price fixed at west coast points.

## Test Demonstrated

The "patrons" test was demonstrated by J. R. Hall and wife, and the test was well demonstrated and amplified by Harry Prior and wife, the work in each case being very well done. The three members of Hansen Grange, when Master Harding of Fairview Grange chose to work their way into the Grange, experienced no difficulty in finding their way back into the hall.

Roll call of Granges showed that Hansen had 35, followed by Twin Falls with 28, Kimberly with 27, Fairview with 21 and on down the list of Granges. Filer had no representatives to their going to Bliss to invite Bliss to be their guests at the dairy show Aug. 21, their other guest being Wolcott Grange in Minidoka county. Seven Granges were present from Jerome county and four from out-of-state Granges.

A man to attend to the fund-raising for 4-H club extension was named. A resolution on weed control was left for the various subordinate Granges to work out. It was stated that only 67 men were now engaged in the noxious weed control work. It was also called on other relatives and friends before returning home, this night.

Mrs. Eric Adolf and sons spent last week with her parents the H. Wurbendorfer, at Eric Adolf recently returned from Ogden, where he is employed in the government munitions plant. While at work using a scythe to cut, he quit several days before his last leave.

Mr. and Mrs. H. G. Schulz left Sunday on a vacation trip that will include visiting relatives in Nebraska, Idaho, Michigan and the former home at Vincennes, Ind. Miss Margie Jaeger accompanied them. They plan to be gone two weeks.

Relatives have received word, by cablegram, from Nagercol, India, that Mrs. A. J. Lutz, wife of Missionary Lutz, is expected to arrive here.

Mrs. Henry P. Kallep came home from the Twin Falls hospital Sunday and is improving, following surgery. Her daughter, Helen Helmer, is assisting in caring for her mother.

A. D. Lautenschlager returned the last of the week from a business trip to Portland.

Mr. and Mrs. Will Postman and Eva Bailey, Houston, Tex., visited Saturday at the A. H. Jagers home, and were weekend house guests at the H. Hiltner home. Mrs. Postman is a niece of Mrs. Hiltner.

Mr. and Mrs. Bryn Garter, Indio, Calif., are now at the residence of his brothers, Roy and Harvey Garter.

## FLIER RECEIVES PILOT'S PERMIT

GOODING, July 24 (Special)—

Bob Whiskey, 20, son of Mr. and Mrs. East Whiskey, received his commercial pilot's license Monday, after passing his flight tests at Boise air field, under Inspector Ivan S. Hillberry. The written tests Bob passed with a high rating some time ago.

He is now a qualified commercial pilot, just one and a half years after taking his first solo flight Jan. 21, 1940, at Pocatello. He graduated from Gooding high school in 1939 and enrolled at University of Idaho, southern branch, that fall. During his freshman year he completed preliminary flying course under civilian pilot training, and the following fall took advanced civilian pilot training course in Boise. While preparing to take his commercial pilot's test, he has worked under civil aeronautics authority. He attended southern

## American Nurses Recount 12 Days Adrift in Lifeboat

NORFOLK, Va., July 24 (U.P.)—

Four American nurses recounted today the "narrowing experience" of 12 days adrift in a lifeboat in the North Atlantic after the Norwegian steamer on which they were passengers had been torpedoed by a German submarine.

They were proud that the submarine, "who spoke perfect English," had been unable to obtain any information from those in the lifeboat. He had asked about the number of vessels in their convoy and the destination of the distressed ship.

"After such a harrowing experience," the nurses said in a joint statement after landing here from a naval transport, "we feel we have many to thank and lots to be thankful for."

The nurses are: Marion Blissett, Detroit; Victoria M. Peck, Auburn, N. Y.; Rachel St. Pierre, Boston; and Lillian M. Penick, Albany, N. Y.

## EDEN THREATENS SPAIN IN SPEECH

LONDON, July 24 (U.P.)—Foreign Secretary Anthony Eden warned Spain today that unless she adopted a more friendly attitude to Britain, she would be giving her economic aid.

"If economic arrangements are to succeed," said Eden, "there must be good will on both sides and the speech of Gen. Francisco Franco of July 14th shows little evidence of such good will."

Hunters are called "nimrod" because of Hans' grandson, Nimrod, being referred to in the Bible as a "mighty hunter before the Lord."

# NAZIS RAID MOSCOW WITH HIGH EXPLOSIVE BOMBS

## GERMANS ADMIT RESISTANCE BY STUBBORN REDS

BY HENRY SHAPIRO  
 MOSCOW, July 24 (UP)—The German air force bombed Moscow for the third time in an attack which ended early today, dropping an increasing number of high explosive bombs.

The attack was carried out by about 100 planes, according to the official communiqué, but only eight or 10 were said to have broken through the Moscow defenses.

Pewee fire bombs were dropped by the German planes in their initial attacks Monday and Tuesday nights.

The attack came as official communiques indicated that the Germans in the Zhitomir front with interest centered on the Smolensk area where a Nazi attack was still in progress and fighting continued in the Voronezh area.

Successful attempts to break through German lines at Kiev.

German Strike at Kiev

Fighting was going forward in the Polotsk-Novel direction, and the Zhitomir area where the German columns are striking toward Kiev.

The morning Soviet communiqué said fighting continued in the Voronezh, Polotsk-Novel, Smolensk and Zhitomir sectors.

At one point on the Bessarabian front, it was asserted, Russian troops repulsed an enemy motorized regiment, capturing 400 trucks, 300 motor cars, a number of tanks and armored cars, 25 field guns, eight mortars and other arms.

BERLIN, July 24 (UP)—The German high command admitted today that Nazi forces are encountering "obstinate" Russian resistance in some sectors of the front and "difficult terrain," but insisted operations are proceeding according to plan.

The high command said the stubborn resistance of Soviet forces was localized at various portions of the front, but a statement appeared to confirm reports of other Nazi spokesmen that the Russians are putting up a stiff battle and forcing the Germans to fight every inch of their way into the country.

Soviet Resistance Noted

It was the second day in succession that the German high command reported Soviet resistance. Yesterday the communiqué mentioned counter-attacks since the beginning of the offensive to break out of Nazi encirclements.

Other German reports indicated large Russian forces had been wiped out in a bloody fighting in the area in which some 13,000 prisoners have already been counted.

The official report also said the number of prisoners was increasing hourly and that "the Soviet blood losses were extremely high."

JAPAN OCCUPIES FRENCH COLONY

(From Page One)

lengthy Siberian frontier and at the big port of Vladivostok.

In Russia the fighting lines seemed to be fairly stabilized at the moment with hostilities in constant progress on a front as much as 180 miles deep.

The Germans complained of great difficulties chiefly due to stubborn Soviet fighting, the existence of large pockets of Russian troops far behind Nazi spearheads and unfavorable terrain. The Russians had little to say beyond an assertion that fighting lines were little changed.

The Luftwaffe made its third attack on Moscow.

Two big air-naval engagements were reported in the afternoon.

Rome claimed success in a joint air and naval attack on a British convoy in which was said that several merchant ships were sunk, a destroyer sent to the bottom and seven British planes shot down. A British battleship, three cruisers, a destroyer and several merchantmen were said to have been damaged.

Cairo Reported Success

Cairo reported a British success against an axis convoy attacking the island of Pantelleria Tuesday in which three axis ships of 10,000 tons were sunk and a 6,000-ton ship damaged.

The royal air force made two day-long sweeps of France. It was indicated that German planes have shifted some of their crack pilots to the western front. Berlin claimed a record toll of 200 British planes shot down yesterday. London admitted loss of 10 to 5 for the Germans.

Foreign Secretary Anthony Eden told the house of commons that it is the attitude of Britain that encourages help to that nation would be cut off.

5 RECEIVE JOBS IN PLANE PLANT

Five more young men from this section have been selected for national defense work at the Lockheed Aircraft company factory at Burbank, Calif. It was announced last afternoon by W. Clyde Williams, manager of the local office of the Idaho Employment service.

The five, who will report for a three weeks training period starting Aug. 7 and after that will receive regular employment, are Paul Chandler Kunkle and Anthony Kunkle Hardman, both of Amaret; Raymond Vernon Kautz, Max Anna Olsbutz and Jerry Edward Olsbutz, all of Twin Falls.

Written tests for appointment to the jobs are given at the employment office here each Monday, Wednesday and Friday at 9 a. m. Those that are now employed and who find it impossible to get away from their present job during these days at that hour may take the test any Monday at 6 p. m.

## Fun in the Kremlin

## Air Base Name Honors Paul Gowen, Who Gave Life in '38 Panama Crash

Boise air base in the future will be officially known as Paul Gowen field in honor of an Idaho air flyer who lost his life in 1938 when the two-motored ship he was piloting crashed in flames in the Panama canal zone.

The flyer was First Lieut. Paul R. Gowen, Caldwell, at the time of his death he was husband of the former Miss Betty Wilson, Twin Falls, who is now Mrs. E. W. Child, McRobert. A brother, Ralph Gowen, also lives in Twin Falls.

Announcement of name selection for the field was made by army officials after weeks of consideration.

West Pointer

Lieut. Gowen, a native of Caldwell, was appointed to West Point following graduation from the University of Idaho, Moscow. Upon receiving his commission from the military academy, where he ranked near the top of his class, he was appointed to his air service and had been in that service for several years, having served in Louisiana, Oklahoma and the canal zone.

He was killed on July 11, 1938, when the twin-motored army bomber he was piloting crashed in flames on the Patillas point military reservation near Panama.

Two other members of the ship's crew, a radio operator and navigator, reported from the flaming wreckage with serious burns.

They crawled that shortly after the takeoff clouds of smoke began billowing from the right motor, which had gone dead. They said Lieut. Gowen tried desperately to keep the plane aloft, but with only the single motor operating, was unable to gain altitude.

Nearly Exhausted Water

The survivors said that Gowen then headed the plane into a glide toward the water off Panama point, less than two miles away. He was only a few hundred yards from the water's edge when the flaming ship plunged into tall trees.

Aside from his wife, the present Mrs. McRobert, the flyer left a small daughter, Stephanie; his parents of Caldwell; two sisters, Mrs. Robert Walker, Caldwell, and Miss Daphne Gowen, Lewiston; three brothers, William Gowen, Boise; Justin Gowen, geologist employed by the Anacosta Mining company, and Ralph Gowen, Twin Falls.

## DEATH SUMMONS R. M. HUTCHINGS

Reuben Mills Hutchings, 83, Las Vegas, Nev., died at 1:30 a. m. today at Walla, Walla.

The body was brought here by the Reynolds and his family where it rests pending funeral arrangements. He is survived by his wife, Mrs. Mill Hutchings, Las Vegas, and other relatives.

Mr. Hutchings, longtime resident of Twin Falls, recently sold his matured farm near Walla, and had gone to Walla a short time ago.

Funeral services will be held at 4 p. m. Saturday at the funeral home in Burston, near the park. Officials of the L. D. R. church will be in charge of services.

Burial besides his wife are his father, B. Hutchings, Twin Falls; five children, Lamar and Dick Hutchings, Mrs. Van Dyne Adams, Mrs. Beth Buckner and Mrs. Helen Weber, all of Bingham, Utah.

Three brothers, "Bud," Bill and Oren, all of Twin Falls, and three sisters, Mrs. Leona Beckstead, Mrs. Margaret Richardson and Mrs. Alton Davidson, all of Twin Falls, likewise survive.

## Scenery Change

The ceiling of one of the dining rooms of Nero, Roman emperor, was made that it could be removed to show a new scene at each course of a meal.

During the world war, parachutes saved the lives of 800 British airmen caught in burning balloons.

## Montana Officials Hunt for Escapee

DEER LODGE, Mont., July 24 (UP)—Prison guards and sheriff's officers of this section of Montana hunted today for Clarence Nielsen, 21, who escaped from the state prison farm yesterday.

Nielsen was sent to the prison to serve 18 months for burglary in Lewis and Clark county. He entered the prison in November, 1939.

## UTAH HONORS ITS EARLY SETTLERS

SALT LAKE CITY, July 24 (UP)—Utah's half-million residents took today off to pay tribute to the state's Mormon pioneers as they celebrated their most important holiday of the year—Pioneer Day.

Practically every city in the state had a celebration, all including parades led by "queen-for-the-day" and containing hundreds of gaily-colored floats. The parade here was six miles long.

The festivities also included numerous civic programs where church and state leaders paid tribute to Brigham Young and his hardy band of Mormon pioneers, who first entered the valley of the Great Salt Lake just 82 years ago today in their search for a place to worship as they pleased.

The celebration in Salt Lake City and Ogden drew thousands of spectators.

The only casualty of last night's performance at Salt Lake City was Johnny Dubs of Spokane, Wash., who couldn't make secure connections with a bucking bronco and suffered a broken rib when he fell to the arena floor.

Weather conditions were better than expected. Oppressive heat of the last two days when temperatures registered 100-plus temperatures at many points in the state—was displaced tonight by generally cloudy skies and occasional rains.

## RITES WILL PAY JEWELER TRIBUTE

SHOSHONE, July 24 (Special)—Funeral services have been tentatively set for Saturday, honoring A. E. Vredenburg, pioneer Shoshone jeweler, who recently retired from business.

Mr. Vredenburg, a resident of Shoshone for the past 80 years, died yesterday at his home, following a week's illness.

He was engaged in the jewelry business until recently and also had other business interests.

He is survived by his wife and one son, Earl Vredenburg, who is also in the jewelry business.

The body rests at the Burdett funeral home.

## Husband Charges Extreme Cruelty

Accusing his wife of extreme cruelty, Glen M. Schroeder filed today suit in district court today against Mrs. Iva Schroeder, whom he married Aug. 1, 1940, at Boise.

Schroeder, also known as Glen M. Schroeder, advised the court that he and his wife have reached an agreement by which she relinquishes any right to property in Blakel addition.

Roy E. Smith is attorney for the husband.

Marlan F. Stone, chief justice-designate of the United States supreme court, takes holiday from briefs, torts and writs at Estes Park, Colo.

## Bids Opened for Cascade Dam Job

BOISE, July 24 (UP)—U. S. bureau of reclamation announced today bids would be opened Monday on a \$1,000,000 project for relocating 14 miles of railroad above Cascade, Ida. First step in construction of the \$4,500,000 Cascade dam.

Engineers said the project called for raising Union Pacific railroad lines "10 to 20 feet" above their present location, out of reach of backwaters from the completed dam.

The dam will be located on the Payette river, a few miles north of Cascade and construction will begin within a few months, engineers said.

## ABANDONED

Sheriff's officers today were checking into identity of the driver who abandoned an 11-year-old motor car which was found wrecked beside the sugar factory highway a mile east of Twin Falls.

Three of the four tires had blown out.

**ABANDONED TOY CAR**  
 Found on highway near Twin Falls. Driver's name and address wanted. Reward offered for information leading to identification of driver.

## BRITISH DESTROY 3 AXIS VESSELS

CAIRO, July 24 (UP)—Three axis ships totaling 19,000 tons were destroyed, a 6,000-ton ship was damaged and a destroyer was seriously damaged in British royal air force and fleet air arm attacks on an enemy convoy off the Italian island of Pantelleria Tuesday, RAF middle east headquarters said today. No British losses were reported.

Two attacks were made on the convoy.

In the first attack bombers hit three vessels totaling 18,000 tons and two ships, one of 7,000 tons and another of 5,000 tons were sunk.

In a follow-up attack the fleet air arm torpedoes and destroyed a 17,000-ton tanker and seriously damaged an escorting destroyer.

ROME—British and Italian air and naval forces waged furious battle in the central Mediterranean yesterday and the British lost several cargo vessels, a destroyer, four airplanes and suffered damage to a battleship, three cruisers, a destroyer and a broken cargo vessel, the Italian high command said today.

## AFL TO CALL NO DEFENSE STRIKE

WASHINGTON, July 24 (UP)—The office of production management today announced a stabilization agreement has been reached between the government and 800,000 members of the American Federation of Labor building trade unions calling for no strikes on defense projects for the duration of the emergency.

Associate OPM Director General Sidney Hillman said the agreement assured continuous work on army, navy and defense housing projects during the life of the defense program.

Officials said that although only 800,000 workers were directly involved, terms of the agreement possibly would extend to almost 1,500,000 workers employed on projects related to the armament program.

## In 5 Minutes Sore, Burning Aching Feet

Get Amazing Relief

Go to our good drugist, look and get an original bottle of Moore's Emersal Oil. The very first application will give you relief and a few short treatments will show you the relief that is yours. It is so simple to use that you can use it in a few minutes before your feet are so sore, burning and aching that you have to leave the house.

One bottle we know will show you how to use it. Moore's Emersal Oil is a clear, powerful, penetrating oil that does not stain. It is so simple to use that you can use it in a few minutes before your feet are so sore, burning and aching that you have to leave the house.

## Utah Iron Strike Enters 10th Day

PROVO, Utah, July 24 (UP)—The sixth day of the iron strike in the Pacific States East Iron Pipe company entered its 10th day today with no change in positions of striking workers in the country.

The steel workers organizing committee, which called the strike in an effort to obtain a contract with the firm, said no reply had been received on an appeal for intervention by the national defense mediation board.

## Train-Auto Crash Claims Idaho Girl

MOSCOW, Ida., July 24 (UP)—Thirteen-year-old Marilyn Miller died yesterday of injuries suffered when an automobile driven by her father, Jerry Miller, 48, was struck by a Union Pacific passenger train Sunday night. Miller, although critically injured, was expected to recover.

## Hoyt's Completely Routed All Misery Says Mr. Magruder

Stomach Trouble, Kidney Misery, Excess Acidity and Bowel Trouble Was Relieved by Hoyt's Compound Says Boise Constructor

Mr. W. O. Magruder, 1306 Capitol Blvd., Boise, Idaho, says: "I had trouble with my stomach because of poor digestion. My food never seemed to digest, but would turn sour and cause bloating. The gas exerted pressure against my heart. I was having trouble in my shoulders and it felt as though there was a gritty substance in the joints. My kidneys were out of order, due to excess acidity. I was constipated.

"Since I have taken Hoyt's Compound, my stomach feels fine—in fact it is just perfect. My food digests and the muscular stiffness and pain is gone. Hoyt's ended my kidney misery and I have perfect elimination.

"Hoyt's Compound is recommended and sold by the Majestic Drug Store and by leading druggists in this section.

## Brooklyn Snaps Riddle's Cards Keep Pace With Dodgers

By GEORGE KIRKSEY  
NEW YORK, July 24 (U.P.)—Plenty of things happened to the Cincinnati Reds last night and they were all bad. The low averages finally caught up with Elmer Riddle and the hitherto unbeaten sophomore sensation suffered his first defeat after winning 11, straight. The Dodgers beat him in a thriller, 5-1.

But worse than that, the Reds' star first baseman, Frank McCormick, was "beamed" by one of Kirby Higbe's fast balls and had to be carried off the field on a stretcher.

The Dodgers' up-the-hill triumph before 29,593 at Cincinnati enabled them to remain in the first place with the Cardinals who beat the Giants in the afternoon, 5-4, in 12 innings.

Had to Win  
It was one of those games that the Dodgers just had to win, because the Cards had batted through 12 times indoors to conquer the Giants. Lon Warneke had the Giants beaten, 4-2, five hits and 11 runs out and two strikes on Mel Ott in the ninth. But he walked Ott and Danning and he doubled to tie the score. Cressly's single, a sacrifice, Hubbell's wild pitch and Carriere's single produced the winning run off Hubbell, who was in as a relief pitcher in the 11th.

The Yankees took advantage of the inning's 3-2, to increase their lead, and American league lead to 9 full games. It was a day of revenge for Joe DiMaggio, who blasted his 32nd homer of the season off Lefty Grove, who teamed up with Jim Bagby to stop the Yankee star's hitting streak in a six-run inning in Cleveland last week.

While Sox Win  
The White Sox won their hitting eyes and slugged out 17 hits to beat the Red Sox, 10-4, and move within a game and a half of third place.

Philadelphia Athletics added the St. Louis Browns, who closed a night game crowd of 18,000 at Griffith stadium.

The Pittsburgh Pirates and the Phillies their 12th loss in their last 18 games by a 2-2 tie with the Yankees.

With Dick Erickson pitching 7th-inning in Boston Braves trimmed the Chicago Cubs, 9-1.

**Tony Zale Whips Bulldog Harris**  
CHICAGO, July 24 (U.P.)—Tony Zale, 25, of the National Boxing Association's middleweight champion, last night knocked out Cedric Burdick, 25, Pittsburgh with a single right hand punch to the head in the first round of a scheduled 10-round non-title fight at the Chicago stadium.

**Mucha Gains in All-Star Voting**  
CHICAGO, July 24 (U.P.)—Center Rudy Mucha, Washington, moved from 11th to seventh in the poll to meet the Chicago Bears, professional football player.

Mucha piled up 483,165 votes, just 5,010 short of the total amassed by backstop Tommy Harmon of Michigan.

**Predicting Tennis Champions Will Be Difficult Problems**  
By HARRY FEIGENBAUM  
NEW YORK, July 24 (U.P.)—Every year at this time a rattling sound is borne on the breeze that sweeps up from New Jersey.

Last evening it was heard in the States square—a rattle and a slight rickling. It is the sound of the tennis trophies counting their expense down and getting ready for the wind-up of the season at West Chester, Chestnut Hill and Forest Hills.

The sound comes from New Jersey because this is the only place now at Forest Hill, playing a tournament and checking and re-checking their expense accounts in the days when sports writers looked forward to Forest Hills as the one athletic event in which it was possible for them to make picking the winners. All you had to do in those golden days was to write "Gene and Maile are in" and the rest was done.

Count on Vines, Willis  
Before that you could count on Vines and Willis and even before that on Vines and Willis.

## Rampaging Pilots Threaten Ogden's Pioneer Lead

### Sacs Beat San Diego Padres In Coast Loop

By United Press  
The Sacramento Cardinals came back with a bang last night to beat San Diego 11 to 9, overcoming a six-run lead held by the Padres with a nine-run outburst in the fifth inning.

Home runs by Buster Adams and Chet Wiecek featured the heavy assault, while Don Guttridge accounted for the final pair of Cardinal runs in the eighth when he humered with Bob Blalock on base.

Oakland put on a similar rout on San Francisco, beating out the Seals 10 to 6 by virtue of a seven-run rally in the eighth.

Seattle nipped Portland 1 to 0 behind the five-hit pitching of Dick Dietz. A single by Mackey Fallon, Al Niemi's sacrifice and Dick Cyclopedia's single off Prexy Owen's glove sent the lone score across. The rest rolled over. Shoppe Linday Brown, and he threw wild to the plate. Catcher Bill Schulz tripped over the batboy holding the ball and the Braves' catcher "robbed" no avail. A fist fight between Joe White and Brown featured the first foul ball of the season as White tripped him while he was stealing second.

Hollywood won its second straight from Los Angeles, 10 to 7.

### Boise Whips Bees As Reds Triumph

Ogden is still riding in first place in the Pioneer league—three games out in front of the pack. But the Boise Pilots are going strong and you'd better keep your eyes on them. The Pilots strengthened their hold on second place last night by trouncing Salt Lake's Bees, 7 to 2, while Ogden subdued Pocatello, 15 to 5. Twin Falls staged a collar uprising in a slugfest in their home park to beat Idaho Falls, 13 to 11.

Bob Snyder, Pilot hurler from Reno, Wis., was tossed for 12 hits by the Bees—but kept scattered as his teammates collected two homers for 11 runs and took advantage of two bee errors.

Ogden had two big innings as Redd downed the Cards. The big ones were the fifth and seventh. Five Ogden runs came across in each of these frames.

### Idaho Grid Star To Play Pro Ball

MOSCOW, July 24 (U.P.)—Dick Tauber, star tackle of the University of Idaho football team in 1938 and 1939 and for the last two years a member of the Moscow police force in his own way today for the Philadelphia Eagles of the National Professional Football league.

### Pastor Beats Los Angeles Negro Easily

HOLLYWOOD, July 24 (U.P.)—Bob Thompson, New York heavyweight, had hopes today of a third fight with world champion Joe Louis.

Pastor's decisive, 10-round decision over Albert (Turkey) Thompson last night at Hollywood baseball park moved promoter Mike Jacobs of New York, who is looking for a third fight with Pastor might get another crack at the title.

Pastor put up a steady, but unimpressive, performance to hint at a possible comeback. Thompson, a Negro, referee Abe Horn credited Pastor with seven knockouts in the fight.

**Sub-Par Golfing Boosts Thompson**  
ST. PAUL, Minn., July 24 (U.P.)—Two sub-par rounds boosted long-hitting Jimmy Thompson today into the Paul open golf tournament.

Among 200 professionals and amateurs testing the rings, Keller counted 70 sub-par rounds and Thompson carded a four under par 68 yesterday to pair with a score of 68 today.

They crackling but in the preliminary rounds were Jimmy Hines and Tom McLaughlin.

McLaughlin's play has been brilliant, but he has been kicked around. He lost so many tournaments that the title was being held by only a few. He is now a member of the national championship. Ever since he won the title he has been kicked around. He has been kicked around. He has been kicked around.

**Cowboy Schedule Shift Announced**  
Shifts Manager Carl Anderson of the Twin Falls Cowboys announced yesterday that the game with the Hooters scheduled here for Saturday night has been shifted to Boise. The Cowboys are playing at Boise Thursday and Friday nights of this week.

The Pilots will appear here Sept. 3 to make up the game. Anderson said the game will be held at 8:00 p.m. and will be scheduled for Sept. 3 at Boise. The schedule change is being made to avoid unnecessary traveling expenses.

### "Louis Through," Critics Chant As Champ Rests During Summer

NEW YORK, July 24 (U.P.)—For various reasons, most of them more numerous than truthful, Joe Louis is currently taking a vacation before defending his heavyweight title against Lou Nova of California in a September match.

When the announcement of Louis' withdrawal from boxing was made, the Detroiters has been marked as "through."

When the announcement of Louis' withdrawal from boxing was made, the Detroiters has been marked as "through."

When the announcement of Louis' withdrawal from boxing was made, the Detroiters has been marked as "through."

When the announcement of Louis' withdrawal from boxing was made, the Detroiters has been marked as "through."

### The Scoreboard

By HARRY GRAYSON  
NEA Sports Editor  
Big Pebble does more than all right for a horse with feet of lead. The winner of the \$89,500 Hollywood Gold Cup usually is referred to as a "brilliant" horse.

Nothing is farther from the truth. Col. Edward Riddle bred Big Pebble at Idle Hour farm and named him after the famous Pebble in the hills of Idaho.

It is true that Big Pebble got nowhere in particular in Bradley's famous alkis, but the colonel knew the colt was out to be a champion distance performer. Big Pebble is by Black Servant and out of Bench Talk, she by Sundridge.

It was because he had great faith in Big Pebble that Colonel Bradley urged his long-time friend, Edward E. Moore, to buy the colt in 1926 on the eve of the 1940 running of the \$40,000 Widener cup.

As a breeder and large stockholder in tracks, it is good business for Colonel Bradley to keep immensely wealthy men like Eddie Moore enthused about runners.

Moore's horses weren't much where in particular in Bradley's famous alkis, but the colonel knew the colt was out to be a champion distance performer. Big Pebble is by Black Servant and out of Bench Talk, she by Sundridge.

But for outside of Moore and Finnegan had much faith in Big Pebble even after he won one running of the Elvertan memorial at Highland Park in 1930.

With the highly-regarded Hines, Peck and Leah in this year's Widener, Big Pebble paid \$24 in getting up time to nip his saboteur, Get Off.

It was ironic that Big Pebble, which Bradley practically gave away, had been bought when the colonel insisted was the best horse he ever owned, in the Black Horse farm in Maryland.

Big Pebble turned in powerful efforts at Hollywood park, but Finnegan had him race too soon for his outfit.

### Cowboys Edge Russets 13-11 In Hit Spree

Base hits were a "dime a dozen" last night at Jayce park as the Cowboys edged out a 13-11 victory over the Idaho Falls Russets in the final part of a three-game series.

Col. Amassum eked up his first victory as he when he relieved Hank Bushman, Indian hurler, in the eighth inning and held the Russets hitless.

The Wranglers scored on Harrison's hitless pitch in the eighth.

Two men on base when Ed Kerr, Cowboy outfielder, scored the only home run in the game, coming off sixth inning with two men on base.

Harrison Plays  
Manager Andy Harrington returned to the lineup after an absence of two weeks and rapped out three hits in four times at the plate.

Idaho Falls jumped into an early lead in the first inning scoring twice as the Russets added two more in the second inning, but the Cowhounds also added two.

Idaho Falls jumped into an early lead in the first inning scoring twice as the Russets added two more in the second inning, but the Cowhounds also added two.

Idaho Falls jumped into an early lead in the first inning scoring twice as the Russets added two more in the second inning, but the Cowhounds also added two.

### Idaho U. Takes 2nd in ROTC Rifle Firing

FORT LEWIS, Wash., July 24 (U.P.)—Montana State college today paced ROTC units in rifle-shooting competition at the six weeks Summer training for infantry units from seven colleges and universities.

Montana State shooters had an average individual score of 292 out of a possible 320 points, and a 420-point aggregate of individual and highest-seven scores.

Individual scores will be sent to the war department for competition with other camp matches, and the highest team will be awarded the "Warrior of the Pacific" cup given by the University of Hawaii.

Other scores: University of Idaho, 202,181 and 423,895; University of Oregon, 195,068 and 410,377; University of Washington, 185,400 and 415,107; Oregon State college, 165,891 and 413,917; Washington State college, 188,888 and 406,316; Montana university, 190,111 and 402,825.

### PROCEDURE TOLD FOR 'HOT' WHEAT

Farmers who will have excess of "hot" wheat—planted beyond their 1941 wheat acreage allotments—can avoid the 6-cent per bushel penalty in several ways, Chairman Walter Reese of the county AAA committee explained today.

1. The farmer himself may dispose of the excess wheat, as outlined by Mr. Reese, include:

1. Turn the "hot" wheat over to the secretary of agriculture through the county AAA committee. Such wheat will be distributed for relief consumption. The farmer becomes eligible to receive the wheat marketing card needed for sale of his 1941 crop.

2. Store the excess wheat on the farm or in a warehouse; either depositing the warehouse receipt with the county committee or executing a bond of indemnity.

Such storage, Mr. Reese said, keeps the extra wheat off the market. Next year the farmer might have a smaller crop or reduced acreage, and could then market the stored grain as "free" wheat.

Stored excess wheat can be used to secure federal loan totaling 60 per cent of the loaning rate on wheat which was within the 1941 allotment. The stored wheat, if delivered to the commodity credit corporation on the due date, receives a seven-cent storage payment for the first year and five cents for the second year if the loan was renewed.

### F. S. A. ADVISORY GROUPS CONVENE

A joint meeting of advisory councils for the farm security administration will be held Friday at the farm labor camp community hall south of Twin Falls. It was announced here this afternoon.

The advisory councils and farm department adjustment committees from Cassia, Minidoka, Jerome and Twin Falls counties will meet for the purpose of discussing problems of the low advantage farm families in this part of the state. The session will be called to order at 10 a. m. Herberl M. Pool, assistant regional director from Portland, is expected to address the morning session while Ronald W. Purcell, state director, will give a short talk in the afternoon. Discussion panels will feature both in the morning and afternoon, with the problems being discussed in the morning and the solutions to those problems in the afternoon.

Committee members will number seven from Minidoka county, eight from Cassia, 10 from Jerome and nine from Twin Falls.

**Blaze Destroys Moscow Building**  
MOSCOW, Ida., July 24 (AP)—A \$100,000 fire yesterday gutted the Butterfield Miller building which housed five Moscow business establishments. The structure was one of the city's oldest.

### Major Drowns in Yellowstone Lake

YELLOWSTONE PARK, Wyo., July 24 (AP)—Park rangers today dragged Yellowstone lake for the body of Major J. T. Plock, 35, who was drowned yesterday when a boat from which he was fishing capsized in a sudden squall.

Capt. H. H. Carmichael, 23, his father-in-law, was rescued after seven hours in the water. He said Major Plock had managed to keep afloat for two and a half hours before drowning.

The officers were both attached to the ninth bombardment squadron at Fort Douglas, Utah.

### ROTARY GOES TO BURLEY MEETING

Delegation of at least 25 Twin Falls Rotarians will go to Burley this evening for the intercity gathering sponsored by the Cassia club.

Dean Frank A. Ribea, Boise, district Rotary governor, and Julio Gerlich Cornelli, of Barranquilla, South America, a member of the international board of directors, will be honor guests at the Burley meeting.

**Movie Presented**  
Plans for the delegation attendance were completed at the Rotary club's regular luncheon Wednesday in the Park hotel. The meeting also was featured by a motion picture, "The Story of Neoprene," explaining the background and uses of the duPont company's new chemical "rubber."

The film showed the chlorine that the neoprene substitute for rubber—made from coal, limestone and salt—is superior to the natural product in many respects. The movie was secured by Secretary W. H. Edridge through the E. I. duPont de Nemours company, and was projected by Eric Jones, Pomona Grange master, and County Agent Gert Holmgren with the projector furnished by the Grange.

**Meet at Dairy Show**  
The club voted to hold a special night meeting at the dairy show on the fairgrounds at Piler Monday, Sept. 1. The show was explained by Mr. Holmgren.

Guests Wednesday were Col. H. G. Lauterbach, Harry Benoit, Jr., H. H. Heitman, Mayor Joe Koehler, Carl E. Ritchey, Truman T. Greenough, Charles P. Larsen, Mr. Jones, Leo Anderson and John Bronson. Claude Harmon, Los Angeles, was a visiting Rotarian.

**Clark Seeks Army Bases in State**  
WASHINGTON, July 24 (AP)—Sen. D. Worth Clark, D., Ida., late yesterday requested the war department to consider Bonner and Kootenai counties as sites for an army cantonment in northern Idaho.
