IDEAS, PLANS, SUGGESTIONS ON 3 FRONTIERS

Campaign Starts To Bolster Army, Civilians' Morale

U.S. Has War To Win, FDR Tells Nation

By SANDOR S. KLEIN WASHINGTON, Aug. 20 (U.P.)—The administration was embarked today on a campaign to make Americans realize that "they have a war to win" and to bolster morale in army training camps.

Idaho Food Prices Gain From 9 to 20 Per Cent

BOISE, Aug. 20 (U.P.)—Retail food prices in Idaho have increased from nine to 20 per cent in the last year, the state department of public assistance reported today.

Steps Taken

The army and navy will continue to maintain a high level of troop morale, especially among officers and non-commissioned officers, by taking significant steps to improve the situation.

Bridge Highway Bids Called for Aug. 29th

Sealed bids for construction of 2.578 miles of the Sawtooth park highway at Twin Falls to the rim-to-rim bridge will be opened at Boise at 2 p. m. Friday, Aug. 23, State Highway Director S. E. Johnson advised the Evening Times today.

Wheat Yields At 90 Bushels Set High Mark

Two banner wheat yields believed to be among the best on record were revealed here today, Frank Beer, three miles southeast of Twin Falls, averaged 90 1/2 bushels to the acre and Arnold Tanner's yield northeast of Buhl netted 90 bushels to the acre.

OFFICERS REFUTE SABOTAGE REPORT

NEW YORK, Aug. 20 (U.P.)—Fearing a water shortage on the burning bulk of the freighter Brooklyn, victims of Monday's \$1,000,000 Brooklyn waterfront fire, said that 12 metal cylinders with wired ends near the ship had been the ship crew's quarters.

LEGION TO ELECT OFFICIALS TODAY

BOISE, Aug. 20 (U.P.)—Election of officers and action on important resolutions today occupied Idaho Legionnaires at the final session of their 24th annual convention.

FALL

Fall is just around the corner. It's about time to think about marketing those fruits and vegetables. Remember! The News and Times Classified Page has a section devoted to just that very thing.

CLARK 'CELEBRATES'

BOISE, Aug. 20 (U.P.)—Chas. A. Clark celebrated his 75th birthday today by attending a meeting of the state board of equalization.

PERSIANS DELAY REPLY ON OUSTER OF NAZIS

LONDON, Aug. 20 (U.P.)—Iran has promised to reply within a few days to British and Russian demands for the ouster of German agents and "tourists" in Iran (Persia), it was announced today.

Iran Army Increased

The Daily Herald said Iran's army was being increased from 120,000 to 200,000, and the Daily Mail, in a Cairo dispatch, reported that Franz von Papen, German ambassador to Turkey, had made a secret visit to Iran to give secret instructions to German agents whose ejection from the country has been demanded by British and Russian military observers.

Await Attack Outcome

Military observers said a successful German crossing of the Dnieper would open the way for a number of natural barriers to the river Don and the gateway to Iran and the Russian Caucasus.

Boise Saved From Sea After Battle in Air

LONDON, Aug. 20 (U.P.)—Pilot Officer W. O'Brien, former university student of Boise, Idaho, was rescued and brought to Dover after his biplane was shot down by a German Messerschmitt plane over the English channel yesterday when a German Messerschmitt plane shot him down in a battle in the air.

SALARY

CHICAGO, Aug. 20 (U.P.)—A buglar accomplished what Mr. and Mrs. William Pokorny had tried to do for six weeks. He pried open a window of their apartment. It is "service charge" was \$6 and a charitable gift.

85-Year-Old Poet Flouts Tradition By Snapping "Bah" at Hoosier Bard

By BOB LEHRIGT "Over the Oregon trail at 85 To the garden of America now."

Fierce Blaze Sweeps Brooklyn Waterfront

Smoke and flames reach towards the sky as a fierce fire sweeps Brooklyn pier. New York, Aug. 20 (U.P.)—A fire that killed at least six persons, scores were injured and a series of explosions from the blast shook lower Manhattan.

Strike in Transportation Ties up Detroit Industry

A transportation strike handicapped workers attempting to reach jobs today in many of Detroit's defense industries. The new strike threat to industrial operations came as President Roosevelt delayed government intervention in the Federal Shipbuilding and Drydock company dispute, hoping for an agreement between the union and the company.

ICKES POINTS TO DANGERS OF WAR

SPOKANE, Wash., Aug. 20 (U.P.)—Secretary of Interior Harold I. Ickes believes the United States is in "grave danger of war" and that gasoline rationing may be extended to the fuel and coal to remove some of the pressure from the east.

9,000 Sent Home

The attack forced the Hudson Motor Car company to suspend 9,000 workers today. The shut-down of the strike, officials said, did not give workers enough time to arrange for other transportation. However, all employees were asked to report for work tomorrow.

Insurance Agents Pick New Leader

IDAHO FALLS, Idaho, Aug. 20 (U.P.)—W. Nelson, Coeur d'Alene, today took over presidency of the Idaho Association of Insurance Agents, succeeding Fred Estlin, Boise.

ARMY ENDS TOUR

BOISE, Aug. 20 (U.P.)—C. E. Arney, state civilian defense coordinator, returned to his office today after conferring with county defense groups in southeastern and southern Idaho counties.

AIR-BORNE TANKS USED BY 2 SIDES IN GREAT BATTLE

By JOE ALEX MORRIS United Press Foreign News Editor German and Russian armed forces, using air-borne tanks to supplement mechanized land attacks, grappled in a gigantic test of strength today on three sectors of the eastern front.

Both sides were using air-borne troops and small tanks according to Moscow dispatches, which said tanks were landed behind the German lines, apparently in the Smolensk area to lead the Russian counterattack.

Further south, probably in the region of the Don, the Russian air force is reported to have shot down four big four-motored German Junkers transport planes, carrying small tanks and had turned back others attempting to cross the Soviet frontier.

Moscow failed to indicate whether the German transports, which probably also carried paratroop troops or light armor, were shot down in large scale in attempt to carry the German offensive across the wide front between the Don and the Black Sea.

3 Red Vessels Claimed Berlin reported the Luftwaffe had sunk 30 Russian vessels and bombed a heavy bomber and other planes in Odessa so heavily that the Soviet attempt to evacuate that port by sea had been abandoned.

The Luftwaffe also was in action far out at sea. A big German bomber flew over the sea near the Azores, causing a 45-minute air raid alarm, and was vainly chased by American fighters.

But the Russian air force, which has been fighting at bridgeheads on the west bank of the Dnieper river, has been fighting at bridgeheads on the west bank of the Dnieper river, has been fighting at bridgeheads on the west bank of the Dnieper river.

Renewed Nazi offensives were reported by Berlin to be smashing into the outer defenses of the Leningrad area, and the German army is reported to be pushing into the Gornel sector on the Russian flank north of Kiev and developing a "breakthrough" for the army along the Dnieper river bridgeheads.

But the Russian air force, which has been fighting at bridgeheads on the west bank of the Dnieper river, has been fighting at bridgeheads on the west bank of the Dnieper river.

BACK-TO-SCHOOL PRIZE LIST AT 83

Eighty-three prizes—both cash and merchandise—awaken children taking part in the back-to-school parade and bicycle carnival here Friday at noon.

Expect 900

Voy Hudson, finance chairman and in charge of treats for the parade participants, said he expects about 900 children in the parade.

Other committee chairman

Dr. Bellamy, parade judge, said he expects about 900 children in the parade.

FOUR MORE WILL GO TO LOCKHEED

Four Twin Falls county youths have been accepted for training at the Lockheed training school in Burbank, Calif., Idaho state employment service officials announced this morning.

The youths are to report at the training school in Burbank for the three weeks' course to prepare them to enter the Lockheed aircraft factory. They must first report at the employment office as soon as possible to get further instructions, according to W. Clyde Williams, head of the agency.

Selected by the aircraft concern were Merlin Disney Smith, Twin Falls; Clifford Gerald Montgomery, Buhl; Clarence Franklin Hughes, Hansen, and Harold Francis Klass, Filer. They were given their preliminary examinations at the local office.

Each Monday, Wednesday, and Friday mornings at 9 o'clock Lockheed preliminary examinations are given to any applicant, Mr. Williams stated. The only requirement is that the applicant be in good physical condition.

Mother of Pair Charges Cruelty

Charging extreme cruelty and willful neglect, Mrs. Helen E. Walker had filed divorce suit in district court today against Donald A. Walker, Twin Falls, now an auditor for the state liquor commission.

The couple married Jan. 24, 1934, at Pocatello. Mrs. Walker asks custody of their two daughters, three and six years old; requests equitable share of the community property, which includes Baldwin grand piano in storage at Logan, Utah; and requests \$20 per month support money for each of the two children.

Earl E. Walker is counsel for the wife.

News of Record Births

To Mr. and Mrs. Stanley Tremballe, Jerome, a girl, last night at the Twin Falls county general hospital maternity home.

To Mr. and Mrs. O. L. Vulgonore, Rigdon, twins, a boy and a girl yesterday at the home of Mrs. G. G. Tels, 453 Third avenue east.

Kimberly Picks Festival Chiefs

KIMBERLY, Aug. 20 (Special)—Dean Shipley and Walter Slaughter were named co-chairmen of Kimberly's annual harvest festival and forty-nine shows scheduled for Sept. 28 and 29.

Festival officials announced that a rodeo has been scheduled for Friday evening and Saturday afternoon of the show. Howard Tuttle, well known in this area for sponsoring rodeos, will direct the affair.

Mr. Shipley represents the Kimberly American Legion post while Mr. Slaughter leads the Lions club in the joint sponsorship of the annual event.

As Tourists See It

HARRIET DUYVAL DENTON, Hospitality Girl of Times and News

"The country around Twin Falls seems to be very prosperous and it is nice to drive through," said H. M. Sappenfield, Kansas City, Kan., when he met the Times-News Hospitality Girl this morning. He asked the way to Elbow Falls.

"Twin Falls residents are very helpful in making the tourists at home by pointing them out to me and telling them to ask me about the scenery around Twin Falls," the Hospitality Girl declared, stopped me and pointed out tourists for me to interview."

Bicycle License Sale Reaches 77

Sale of bicycle licenses for the next year totals 71. City Clerk W. H. Eldridge announced today. The permits are due Sept. 1 and will be good until Sept. 1, 1942, he said.

City police will be instructed to "tag" each bicycle not having a license after the first of the month and crowded school lots will be the scene of the drive, Mr. Eldridge indicated.

Mrs. Eldon Mort and daughter, Mrs. Joe Price and son, Mrs. John Hector and son, Twin Falls, have been dismissed from the Twin Falls county general hospital.

Patents Dismissed

Master, Willard Brown, Buhl; Kenneth Howells, Elizabeth Nauman, Hansen; Sven Anderson, Kimberly; Glen Mabey, Oakley; Mrs. Walter Parnon, Three Creeks; Mrs. Harold Reed, Miss Margaret Frazier,

Teacher Sign-up Planned Here on Substitute Work

Instructors planning to apply for substitute teaching work in the Twin Falls school system during the coming year should register within the next week at offices of Supt. A. W. Morgan, school officials announced this afternoon.

Registration of the substitute teachers, a new policy, will be from 9 a. m. to noon for the next week. It will include teachers of all elementary grades and of junior high and high school subjects.

Supt. Morgan said that those interested in teaching at the farm camp are also invited to register.

New Treasurer

JEROME, Aug. 20 (Special)—G. W. Trueman, pioneer businessman of the community, was named Jerome county treasurer last night by the board of commissioners to replace Earl F. Kennedy, veteran treasurer who resigned to take a post at Washington with the war department.

100,000 TROOPS JOIN IN "BATTLE OF WASHINGTON"

"DEFENDERS" IN MOCK CONFLICT ADMIT SETBACKS

CENTRALIA, Wash., Aug. 20 (AP)—Main forces today joined combat in the "battle of Washington" as thousands of defending reinforcements poured into the army maneuvers which will eventually engage 100,000 men.

The "red" invaders, who were assumed to be basing their invasion of the United States on the "captured" Hawaiian Islands, drove steadily inland from the landings at Grays Harbor, Wash. yesterday. The "blue" defenders admitted the loss of 22,000 men and 100 tanks on the route to the state capital, Olympia.

Main defenses were on a 15-mile front from Tacoma to Oskville, across the route to Olympia. Invaders' columns around Shelton in the north and Oskville in the south attempted to pierce movement on the capital.

Defenders retreat.

The 41st division from Fort Lewis, principal defending force, moved its field headquarters back several miles from the central fighting front at McAmble.

Both sides reported considerable patrol activity on all fronts but actual activity was limited.

Defenders rushed two companies of the 30th Infantry from Henderson Inlet, near Olympia, to Allyn and Bellair to intercept a "red" tank battalion moving toward the Puget sound navy yard at Bremerton. For the first time, defenders used motorboats to move troops.

Reinforcements of 42,000 men from the California camp at Fort Ord and San Luis Obispo were entering the combat area today by troop train and truck caravan.

First Casualty.

The first casualty of the maneuvers occurred yesterday when Private Douglas E. Elliott was killed and four companions, all of Fort Ord, Calif., were injured 15 miles southwest of Chehalis. Their search car missed a turn and plunged off the road.

WITH THE SECOND ARMY IN ARKANSAS—The seventh army corps—about 100,000 men—stormed at dawn today the 30-mile Gunney-Washington-Blevins-Wallaceburg line in the face of an assumed "fierce" enemy resistance.

WITH THE THIRD ARMY IN LOUISIANA—The third army may have made its maneuvers so realistic that the first phase was ended a day ahead of schedule, so the troops could rest.

AROUND THE WORLD

With United Press

CANBERRA, Australia—Prime Minister Robert Gordon Menzies, opening an emergency session of parliament on the far eastern situation, warned Japan today to keep hands off Thailand, Singapore and Malaya. Australia would not hesitate to fight Japan if Singapore or Malaya were menaced, he said.

BERLIN—An official news agency dispatch said weak enemy air forces caused insignificant damage in northern Germany during the night when they dropped incendiary bombs.

BANGKOK, Thailand—A government statement denied today "rumors in public quarters" that Japan had presented a series of "re-

QUESTS TO THAILAND AND HAD "DEMANDS" AN ANSWER WITHIN EIGHT DAYS.

BERLIN—The high command reported German bombers again raided the British naval base at Alexandria, Egypt, last night and showed bombs on arms works and sea ports on the east and southeast coasts of England.

ROME—Two ships were sunk and another was damaged seriously when German dive bombers attacked the British naval formation off Tobruk, Libya, the Italian high command reported.

LONDON—British planes attacked the Kiel naval base, at the Pacific end of the Kiel canal, and other objectives in northwestern and western Germany during the night. Coastal command fighter planes attacked German airfields in occupied territory.

MOSCOW—Formation of a Polish army to fight beside Russia has been started under the Russian-Polish military agreement, it was announced today.

Murtaugh Announces Book Store Opening

MURTAUGH, Aug. 20 (Special)—Superintendent Ewen announces the opening of the book store Friday to continue Saturday and Monday. The store will be open from 9 a. m. to 4 p. m. and no old books will be accepted after noon Friday.

All teachers will be present at a teachers' meeting Saturday morning.

A full day of school will be held Monday.

WATER CONTROL PERIL OUTLINED

President Harry Elock of the Twin Falls C. of C. urged yesterday before the Junior Chamber of Commerce that the state's water resources be protected from proposed federal legislation to establish a Columbia river authority which would give the federal government control of all water and tributaries of the Columbia river.

The Jaycees decided to discuss the issue further before taking a definite stand against the Hill bill introduced in the house of representatives June 23. The senior chamber has already endorsed the action of the state chamber in opposing the enactment.

All But One.

All major streams of Idaho, except Bear river, are tributaries of the Columbia, Mr. Elock explained. The proposed legislation would give control of all southern Idaho's irrigated land to a three-man committee appointed by the secretary of interior. They would give little consideration to the particular needs of Idaho and would endanger our water resources, Mr. Elock said.

"The Columbia river basin has an area of 230,000 square miles, of which 39,000 are in Canada. Idaho comprises more than 28 per cent of the basin's area. Under the proposed Columbia river authority, which would closely parallel the Tennessee valley authority, no man could divert water from any natural

stream included in the basin or impound water therein without approval of the authority," he said.

Harriet Duvall Denton, Times-News Hospitality Girl, appeared briefly at the luncheon, and outlined her duties greeting tourists. The group also discussed plans for "Jaycee night" at the ball park Saturday when members will seek to boost attendance.

Ticket Contest

Charles Siebert advised the group that the ticket sales "are going good" and declared that if the membership cooperates "I think we can meet Tom Sine's challenge."

Sine, Jaycee member, had "propagated" the rest of the group that if he sells 50 tickets to the Saturday game and the remainder of the Jaycees fails to sell five tickets each, he is to receive free dinners at meetings for the rest of the year. If Sine loses the "war," he will finance one banquet for the membership.

He told yesterday's luncheon session that he is within 10 tickets of his 50-ducat goal.

Three parallel grading curbs are recessed into the pavement. By operating the mechanism, the curbs are raised or lowered, thus splitting the road into lanes.

Maroa School to Resume Sept. 1st

MAROA, Aug. 20 (Special)—Maroa school will resume classes beginning Sept. 1. Registration will be held on that day and book lists given out. The teaching staff will be as follows: Miss Gillespie, first and second grades; Mrs. Mary Drew, third and fourth; Mrs. Jennie Walters, fifth and sixth and Ernest Ragland, principal and seventh and eighth grade teacher.

Roy Kimmerring will again be janitor and will drive one school bus while Ted Sierer drives the other.

The Indian elephant can be tamed and trained to work easier than the African species.

DRIVER TRAPPED IN FREAK CRASH

Lee Smith, operator of a tractor involved in an accident last night with an automobile, barely escaped death or serious injury when he plunged between the wheel of the tractor and a threshing machine which he was pulling. Although caught between the two machines Smith was unharmed.

Leslie Summers, 31, who resides in South Park, Twin Falls, crashed into the rear end of the threshing machine two and one-half miles east of Twin Falls on U. S. 30. The

thruster was being pulled by the tractor and was sprung by the impact, according to Sheriff Warren W. Lowery, who investigated the accident.

Miss Summers escaped injury although the front of her car was badly damaged. Both machines were

traveling west and no reason for the accident could be found except that the car operator did not realize how close she was to the thruster, according to authorities.

An inch of rainfall means approximately 100 tons of water to the acre.

DEATH WATCH ON THE DESERT

America's Hotspot kills off 6 new cars to prove New oil's Long-Lived Protection

Lots of people around town haven't paid out to add one quart of motor oil in weeks—over six days they changed over in a rush, at the introduction of CONOCO Nth MOTOR OIL—the oil that's nailed up its Proof for You

A hit back, you might have strung along with the Impartial Official Observers braving the white-hot Death Valley desert—270 feet below sea level. At 6 new everyday coupe running their heads off... or really running their crankcases off... for each car had exactly one regular fill of some good brand of oil locked in by the Referee, no never a drop could be added. And when was it quit? Not till every oil hit bottom and every engine was junk.

The 3 other brands averaged 7,057 miles less than Conoco Nth... Certified

At the start, all 6 cars were more alike than a litter of kittens. And all ran under the same conditions. Yet after the heat of the oilly brand tested was all through, and let the engine go to smash, the new Conoco Nth oil kept on lasting another 6,883 miles!... Certified.

Patented Conoco Nth oil contains a new life-giver... Thiakene inhibitor—man-made. You've heard of inhibitors holding back a poison from doing this or that—restraining them—checking them. And Thiakene inhibitor acts to check the effect of poisons formed in every car engine. No engine can help it, but Thiakene inhibitor can restrain this poison from "fast-tracking" fast-tracking Conoco Nth motor oil. Hence this oil stays more like its own good self—no the engine does—good way to save quarts.

Besides, the engine is OIL-PLATED by Conoco Nth

Long the keystone of Conoco success, oil-PLATING comes from another Conoco man-made aid to oil economy. A magnet-like action keeps OIL-PLATING bonded to inner parts. Then it can't all quickly drain down to the crankcase—not while you use Conoco Nth oil. SO OIL-PLATING is on guard against wear in advance.

By OIL-PLATING the engine and inhibiting—checking—the waste poisons that commonly make motor oils waste away, new Conoco Nth oil far outlasted 5 "good ones" in demon Death Valley... outlasted one of them by 104%. But you're not ask to stretch all limits—any more than you'd loop-the-loop with your car just because it could be done. You'll sensibly drain and refill on your regular schedule, just noting shrewdly that after you have changed to Conoco Nth you could almost forget what it is to add a quart. Continental Oil Co.—Pioneers in Distilling America's oil with Synthetics

IMPARTIAL

Latest available oil of each competitive brand bought retail by Referee.

New everyday coupes used. All alike—broken-in alike—tuned alike—handled alike. Engines taken apart for Referee, to assure same conditions. Same Death Valley route for all.

One exact fill per car. Never any added. Engine under lock—no oil scrutiny—every mile.

67 miles an hour, all day, day on day, under Official Observation.

CERTIFIED I hereby certify that the related work was thoroughly inspected. Engine construction observed in each case at the mile.

CONOCO Nth MOTOR OIL

Rainiers Cut Solons' Lead With Victory

By United Press
 The Sacramento Solons, who have been running away from the rest of the Pacific Coast league all year, today were down to a seven-game lead, the closest they have been to the common people in many weeks.

Seattle, tied for second place, knocked a blue chip off the Solons' pile last night with a 12-7 victory. Sacramento ran up a 6-0 lead against Hal Turpin in the first three innings, but Fletcher George Mague all but blew up the fourth and the Rainiers pulled him for seven hits and seven runs. Seattle continued the rout with four more in the fifth and another in the sixth, belaboring Bill Caplinger and Al Hollingsworth. It was Caplinger's loss. Pacific Coast replaced Turpin and finished for the winners.

San Diego held its tie for second place by beating last-place Portland 9-2. Hank Terry won his 21st game of the year and cooled the Beavers on two hits and one run.

Hollywood took a double-header from Oakland, 4-2 and 4-3. Ed Butts had plenty of trouble but got San Francisco through a 7-3 victory over Los Angeles.

Favorites Win In Western Women's Meet

CHICAGO, Aug. 20 (UP)—The second round of the women's western amateur golf championship starts today with the ranks of the favorites unbroken.

Eleanor Dudley, Chicago, women's intercollegiate champion from the University of Alabama, was paired with Mary Ames Wall, Menominee, Mich. After a first-round 5 and 4 victory over Barbara Wilder, Chicago, Mrs. Russell Mann, Omaha, Neb., "took your job" to Edna Doherty, who routed Mrs. O. H. Homadka, Rochester, Minn., 9 and 7, faces Jeanne Cline, Bloomington, Ill.

Miss Day and Mrs. Mary Mann were co-medallists in the qualifying round Monday.

Marilyn Wiley, Louisville, runner-up last year, and pre-tournament favorite, plays Ellaine Williams, Chicago, 36 and 35 in the final round to defeat Dorothy Foster, Springfield, Ill., 1 up.

Lewiston Wins Legion Crown

LEWISTON, Ida., Aug. 20 (UP)—The Lewiston Legion American Legion baseball team today held its second consecutive northwest crown by defeating Portland 7-1 in the regional tournament final.

Arnold (Nip) Kafer, Lewiston hurler, yielded two singles until the last half of the ninth when Portland scored its lone run on two singles and a walk. Kafer whiffed 10 men.

The winners will represent the northwest at Miles City, Mont., in the western playoffs.

Short score:

R. H. Lewiston 7 1 0 2
 Portland 1 0 0 0
 Kafer and Lambert; Gallagher, Skutumpah and Entwistle.

The Scoreboard

BY HARRY GRAYSON
 NEA Service Sports Editor
 NEW YORK — Theodore Samuel Williams has not been in a protracted slump all season.

Ball players contend Ted Williams would not be human if he completed the campaign without going into one, but anything the Red Sox willowy walloper does won't bow anyone over with astonishment.

Williams long since demonstrated that he's no ordinary bloke with a bludgeoning bat.

Williams may have been something of a screwball in his adolescent days, but didn't mean half what he said. Only a year ago he backed something about wanting to be a fireman. Well, what youngster his age does!

Refusing to fire easily could be Williams' second choice, but Terrible Ted would play baseball, flat gratis and for nothing if there were no major league clubs to pay so well.

Williams loves to play the game, and when he made it his business he was smart enough to concentrate on the main idea—beating the ball.

To one ever knew more about hitting at the ripe old age of 22. When Williams broke into the Pacific Coast league in 1935, he con-

Ted Williams Nominated As 'Most Valuable' Player

By HARRY FERGUSON
 NEW YORK, Aug. 20 (UP)—At end of each baseball season the United States mails out heavy letters from people who want you to help them pick the most valuable player.

It comes the beginning of what ball players call "the banquet circuit"—when they go to endless shows of dinner and endless amount of breast of chicken, get a vast accumulation of scrolls and plaques, and make public, embarrassing speeches.

So far as this department is concerned, the contest for the most valuable player is over. It doesn't make any difference what happens between now and the end of the season, here is one vote that is going to—

Picks Ted Williams
 Theodore Francis Williams of the Boston Red Sox.

Of course, the American league, in its stubborn way, probably will go right ahead and play out its schedule despite the fact the Yankees are the pennant winners, Williams is the batting champion and he has just given him my personal laurel wreath.

The odd part about the lanky Boston outfielder is that during this—his greatest season—he has spent most of his time in eclipse. While he has gone steadily on, banging baseball, and staying around a .400 average, other men have stolen the spotlight.

Williams has gone steadily on, banging baseball, and staying around a .400 average, other men have stolen the spotlight.

Williams has gone steadily on, banging baseball, and staying around a .400 average, other men have stolen the spotlight.

Better Feeding Urged to Expand Dairy Production

By A. HARVESTER
 DAIRY PALACE, Piper, Aug. 20 (Special)—Urging farmers to comply with the government request for an increase of eight per cent in production of butterfat and milk products, County Agent Bert Bollingbroke addressed Cassia and Twin Falls county farmers here last night at the dairy show.

Mr. Bollingbroke urged compliance with the output increase by means of better feeding and not by boosting the size of dairy herds.

Shows Charts

He showed charts that by better care of pastures and proper handling of the fine alfalfa hay we produce in Idaho, we could even do this without changing the cropping program we now have. Mr. Bollingbroke

TONIGHT
 Fairview Grange is host this evening at the dairy show; guest Granges will be Burley and Richfield.

Equal to 22
 Another point brought out by Mr. Bollingbroke was that the 22 cows that would be required to make as much net profit as the nine cows of the type used in the demonstration, would add about 800 pounds to the surplus of dairy products.

A basis of figuring while Mr. Bollingbroke was talking showed that if there are 6,000,000 farms in the United States, and that there be about the average number of cows of one cow from each of these farms, of an average production of 150 pounds each, would take 900,000,000 pounds of butterfat of the market, or 112,500,000 pounds of butter, and the farmer would not lose one cent from his profit. And the 220,000,000 pounds of cheese that the government is to send to Britain will require the output of 560,000 average 200 pounds or less cows.

Many of the visitors to the dairy palace were wondering why some of that superlative milk may not be sampled at the dinner. And last night instead of cream, canned milk was in evidence for use in the dinner. An effort may be made to bottle some of the milk tonight and serve to each of the guests.

Excelsior Best
 Excelsior was the host Grange and Claremont and West Point were to be visiting Granges. West Point, however, did not appear, but Claremont, near Burley, sent a delegation. N. Excelsior, which is a small Grange, had 17 out. Fairview with 169 members, is the host Grange tonight and Burley and Richfield Granges are the visitors.

The meetings are open to the public, but bring your own food and service for your party. Either Ivan Loughary or Prof. D. L. Fourt will be the speaker and a good concert is expected so you better get there early.

TWIN FALLS COW-WINS TOP HONOR
 Princess, a registered Holstein belonging to L. J. Tenckhoff, Twin Falls, topped the Twin Falls-Mini-Cassia dairy improvement association for butterfat production during July. Bernard Law, superintendent, announced today.

Princess produced 2,091 pounds of milk and 77.4 pounds of butterfat during the month period, records show. Records were sent to Queen, registered Holstein owned by Joe Glaser, Rupert; and third place to Amorette, registered Guernsey belonging to Mrs. L. G. Gale, Hazelton.

Top herd of over 20 cows belongs to L. C. Freer, Burley, whose herd totals 23 cows with an average milk production of 894 pounds and 40.1 pounds of fat. Second place went to the herd of W. T. McCauley, Buhl.

For herds between 10 and 20 cows, Joe Glaser, Rupert, took top honors, followed by herds belonging to Charles H. Hager, Rupert, and P. E. Southwick and son, Buhl. For smaller herds, Mrs. R. L. Gale, Hazelton, and Thomas Mahery, Rupert, placed first and second respectively.

Only one herd and 702 cows were tested during the month, the association reports. Total pounds of milk produced was 116,710 and total pounds of butterfat was 20,472.

DEFENSE SAVINGS LEADERS NAMED
 Local committees to handle the sale of defense savings stamps and bonds had been organized for Twin Falls and Buhl today as John H. Wiley, state administrator of the Idaho defense savings staff, moved on to Burley to organize the Cassia county program.

The Minidoka county organization with headquarters in Rupert and the Power county group at Ardenhulch Falls are next in line for establishment by Mr. Wiley. Accompanying the state leader is Parker C. Wiley, assistant collector of Internal Revenue.

Jurat Honorary Chairman
 Judge J. W. Porter was named honorary chairman of the Twin Falls county program, which will include all sales of stamps and bonds in the county with the exception of Buhl. Chosen executive chairman are R. H. Coffey, Buhl organization head, and Mayor C. O. Voeiler, honorary chairman, and C. L. Thompson, executive chairman.

Other appointments made by Mr. Wiley and Mrs. John E. Hayes, "Twin Falls" state committee chairman, are: Twin Falls—M. A. Brook, postmaster; Curtis Turner, banking and finance; Mrs. Doris Stanley, education; Truman T. Greenhalgh, public employes; Claude Delweller, industry; women's organizations, Mrs. Frankie Peterson, J. W. Giverson, labor; John F. Johnson, agriculture; A. L. Swin, information; mercantile trade, H. J. Vailton; loyal I. O. O. F., Mrs. W. W. Thomas; American Legion; Marjorie Chapman, speakers' bureau; Gordon A. Day, Scout; H. R. Grant, credit and loan.

LAST HONORS FOR FRANZ MOLANDER
 Buhl, Aug. 20 (Special)—Funeral rites for Franz Oscar Molander, who died at the Twin Falls county hospital Thursday, Aug. 14, were held at the Buhl Methodist church Monday at 2 p. m. with Rev. Cecil G. Hansen officiating.

Warren Parker sang "The Old Rugged Cross" and "Lead Me to the Arms of Jesus," accompanied by Miss Betty Luntley, who also played the piano and organ.

The pallbearers were M. L. Jordan, N. L. Larson, M. L. McGuire, J. P. Larson, Charles Meeks and Frank Schoeller.

Interment was in the Buhl cemetery under the direction of the Albert funeral home.

Rotary Club Sees Naval Life Movie
 Navy life was shown to members of the Twin Falls rotary club yesterday when E. R. Johnson, naval recruiting officer, showed a new movie entitled "Making Man of War Men" at the luncheon meeting.

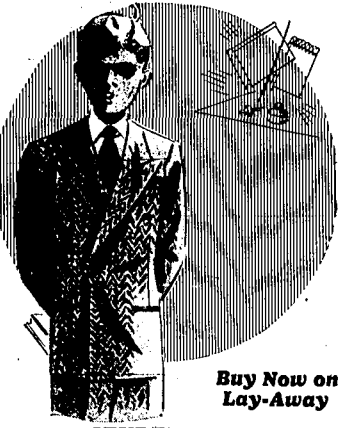

The club tracked and financed the sale of the movie from the time they entered the academy at San Diego, Calif., until they assumed duties in highly skilled fields aboard aircraft carriers. Guests at the meeting were John R. Wiley, state administrator of the defense savings staff, and Parker C. Wiley, Boise, assistant collector of Internal Revenue.

EVERYTHING for BACK-TO-SCHOOL

Free Booklet
