PLANS MADE FOR FERRY FESTIVAL

OLLENS FERRY, Aug. 27 (Special)—Plans and details are fast being worked out for the third annual Union Pacific days and harvest festival to be held here Friday afternoon and Saturday, Sept. 13 and 20. Keith F. Westover, who presided over the successful celebration last year, is general chairman again this year.

Heads of the various committees have nearly all been appointed and from present indications, the celebration will be much better than in previous years. "The Good Old Days" will again be the theme of the affair.

The finance committee, headed by Sam Jones, has been soliciting the necessary funds for prizes of a long list of contests, features and exhibits of the farm, garden and home.

The sports division for the two days is under the supervision of Keith D. Radford, and he states every minute will be filled with fun for everyone. He is also in charge of the carnival attractions and expects to have a large number of such concessions, rides and swings. A children's parade is promised, and the big parade of floats and other features will be one of the principal features of the celebration. This is to be composed of representatives of the business firms, organizations, stockmen and other groups.

The festival part of the affair is to be divided this year under two committees headed by Henry Jones, King Hill, who has had considerable experience along these lines, will have charge of the exhibits of the farm and garden, and Oscar Pike, who will be in charge of the exhibits of the home and garden. This list is expected to be much larger this year, as the affair is to be held earlier and many have already been preparing exhibits.

The home-work part of the exhibit will consist of canning, baking, fancywork, flowers, school and Scouts work. General chairman of this department has not yet been announced, but will be within a few days.

This year the men will be obligated to participate in the spirit of the occasion or pay a fine in the kangaroo court. This may be in raising a beard, wearing of a low colored shirt or costume of some sort.

The festival is being sponsored again this year by members of the Union Pacific Old Timers club and the Commercial club, together with the cooperation of the entire community and the third annual Union Pacific days and harvest festival is expected to be one that will attract the attention of the south central part of the state.

250 APPLY FOR 41 FARM UNITS

BOISE, Ida., Aug. 27 (Special)—Federal officials this week were studying applications from 250 prospective homesteaders who seek 41 farm units opened on the Boise reclamation project.

R. J. Newell, engineer in charge of the Boise office of the U. S. bureau of reclamation, said the first farms would be awarded about Sept. first.

Most of the applications were received from experienced farmers, many of them from the middle west with families who drove to Boise especially to secure a homestead.

The 41 farm units vary in size from 40 to 160 acres, and irrigation water is available for each.

Preference rights to the new homesteads will be granted to applicants who have been compelled to abandon through no fault of their own, other farms in the United States.

The flesh of the octopus is considered a great delicacy by many Hawaiians.

Paul Jones

A blend of straight whiskey—50 proof, 100% Distilled, 100% Louisville & Baltimore.

Ram Brings \$550 Top at Utah Sale

SALT LAKE CITY, Aug. 27 (UP)—Highest price paid in the opening day of the international ram sale was \$550 for a yearling Rambouille ram owned by J. K. Madson, Mt. Pleasant, Utah, and sold to George T. Best.

Second highest price was \$500 for a ram sold to P. R. Christensen by the Nielson Brothers Sheep company, Epifanio, Utah.

Officials at the 25th annual sale said that the entire group of 350 Rambouille rams was sold in the morning session.

The afternoon sale was devoted to the sale of Hampshire.

RITE HELD FOR YOUNG SWIMMER

BURLEY, Aug. 27 (Special)—Funeral services for Calvin Pike, 11, son of Mr. and Mrs. Oscar Pike, were held Monday afternoon at the Unity L.D.S. church with Bishop E. T. G. as officiating minister.

Funeral services for Calvin Pike, 11, son of Mr. and Mrs. Oscar Pike, were held Monday afternoon at the Unity L.D.S. church with Bishop E. T. G. as officiating minister.

A girls chorus sang "Let the Little Children Come," and Elder Luke offered the invocation. A quartet sang "Whispering Hope," and speakers were Ellis Burnett, Samuel Banner, L. E. Harris, J. Fred Adams and Bishop E. T. G.

Burial was made in the Burley cemetery, with Daniel Bowen dedicating the grave. Fred Christensen gave the closing prayer at the church. Nile Matthews of the Payne mortuary, directed the interment.

Calvin Pike died of heat stroke while swimming at Artesian last week-end.

WINNERS AT FAIR RECEIVE AWARDS

GOODING, Aug. 27 (Special)—A number of special prizes were offered by business firms in Gooding to winners of various events at the Gooding county fair. Miss Helen Kornier was awarded \$2.75 in merchandise by the Clark's radio and electric shop for the best 4-H canning exhibit. Elmer Wheeler won \$2.50 from Nelson's drug store for the best beef calf exhibited by a 4-H member and also \$2.50 and a year's subscription from the Gooding Leader for the best junior girl.

Frank Hudson won the \$2.50 offered by the National Laundry for the best 4-H beef feeder calf. Milton Butler was winner of \$2.50 and a subscription from the Gooding Leader for the best fat beef calf.

Gooding Grange won 100 pounds of flour offered by the Gooding Mill and Elevator for the best wheat in the show. A. K. Reed, pilot, won the Gooding Drive-in market's \$10 offer for the winning team in the 2800-pound class of pulling contest.

Miss Doris Redington as the county champion 4-H girl in the style dress revue was awarded her choice of any dress in the store by C. Anderson company.

Mack Showell, Gooding postmaster, won the Sleton tractor hat offered by Tingwalls to the best appearing gentleman rider in the parade.

D. A. V. OBSERVES FIRST BIRTHDAY

BURLEY, Aug. 27 (Special)—The Mini-Cassia chapter No. 10 of the Disabled American Veterans of the World War, and the auxiliary, celebrated their first anniversary this week with a meeting at the Emigh hall, with Department Commander Dan F. Evans, Boise, and Mrs. Mollie Vaughn, auxiliary command-

er, also of Boise, in attendance. Dinner was served to about 60 members. Commander J. F. Davidson welcomed the guests and had charge of a one-minute memorial service honoring the departed comrades. He also discussed a resolution requesting that U. S. Veterans' hospitals be used for veterans only.

Howard Tuttle, director of the rodeo to be presented at the D. A. V. state convention here next year, explained his plans.

Albert R. Nichols, chaplain adjutant, reviewed the work of the chapter during the first year, and Mrs. Myrtle Davidson, auxiliary commander, reported on the first year's activities of the auxiliary.

The honored guests, Mr. Evans and Mrs. Vaughn, made the first cuts in the birthday cake, and each gave short talks. Armand Mayze, commander of the Boise chapter, also gave a short talk.

13,398 MILES ON 5-QUART FILL OF OIL

in the Certified DEATH VALLEY DESTRUCTION TEST

Revolutionary New Oil tested against 5 other big brands. 6 new cars Destroyed to prove Economy and Protection.

The oil that reeled off an amazing 13,398 miles on one regular fill, in blasting Death Valley, was proved to be an oil of the Nth degree—an oil of new high character... Hence its name:

CONOCO Nth MOTOR OIL

This dramatic test, supervised impartially and Officially Certified, was simple, yet harsh. 6 identical new cars were taken to Death Valley—where the heat hits record highs. 5 of these cars were each assigned a different widely-known, highly advertised motor oil. The sixth car used new Conoco Nth motor oil.

Each car was broken-in on a brand assigned by lot. Then, one 5-quart fill of this same oil went into the crankcase—kept under lock. The cars were driven 87 miles an hour until oil fall-out cracked up each engine—utterly wrecked it! All of this under impartial official scrutiny, as was every step in the test, right on through the dramatic finish.

Here is what happened

New Conoco Nth oil went 13,398.8 miles. Not another oil came within 5,083 miles of this. One outstanding oil failed 8,268.6 miles sooner than new Conoco Nth motor oil. So it outdistanced the five competing oils by 74% to 101%.

Why this astounding result was possible

New Conoco Nth motor oil contains a Conoco-originated synthetic (U. S. Patent 2,218,132) called Thiakene inhibitor. An inhibitor in motor oil acts pretty much as an inhibition acts on you. Inhibitions hold you back; police many actions, and so Conoco's Thiakene inhibitor polices Conoco Nth oil... arrests pollution that otherwise comes from normal operation. And that's your aid against a dirty engine with inferior lubrication.

Are you an OIL-PLATING "fan"?

If you are, more power to you! Don't for a minute feel let down, for Conoco Nth also contains the famous synthetic that OIL-PLATES engines. OIL-PLATING comes from the magnet-like attraction that keeps it bonded to inner engine parts, so that it can't all quickly drain down to the crankcase—not while you're using Conoco Nth oil. This same famed OIL-PLATING is still yours to guard against wear.

Because of OIL-PLATING and Thiakene inhibitor, one 5-quart fill of new Conoco Nth oil went an astounding 13,398.8 miles. Of course, you'll never Death-Test your Conoco Nth oil in sinister Death Valley, nor repeat any other proving-ground tortures. You'll still drain and refill at the intervals recommended by qualified authorities. But how you'll expect to stretch the distance before you ever add a quart, judging by this big fact:

5 heavily advertised oils in the Certified Death Valley Test were outdistanced 74% to 101% by Conoco Nth oil. Economy like that counts up into dollars! Change to Nth oil today at Your Mileage Merchant's Conoco station. Continental Oil Co.—Pioneers in Retiring America's oil with Synthetics

WES SCHULMERICH COMES HERE SEPT. 4-5-6

SPORTS

SCI League Play-offs Open Friday With Beitia Benefit Game

Former Clown of Cowboys to Join Team for 3 Days

Wes Schulmerich, the beloved clown of baseball, who greatly aided the Twin Falls Cowboys in a drive for their first pennant in history back in 1939, will join the Wranglers for a three-day session here on Sept. 4-5 and 6, it was announced today by members of the 20-30 club.

The former big-league star has consented, after much conversation by telephone, to make the three-day appearance with the club after the 20-30 organization, which has been adding in the Chamber of Commerce drive to increase attendance, kept after him for nearly two weeks.

"Schulmerich last night promised us by telephone that he would come for the three-game series with Salt Lake City," Joe Donahue, 20-30 president, asserted today. "He will come from his Oregon home especially to help put the Cowboy attendance back up the ladder where it can be counted as respectable."

The three-days of the series with the Bees will be officially known as 20-30 nights at Jaycee park and incidentally count toward the \$25 prize offered to the club drawing the biggest crowd to the ball park.

Jaycees plan night. Meanwhile, and for the special, Andy Harrington night and this will probably be the last time he plays a return engagement here Sept. 2 and 3.

Signing of Schulmerich, a former big league performer with the Boston Braves and Philadelphia Phillies, means fans of southern Idaho will see the man many think is probably the most colorful performer in baseball.

A natural mimic and at his best in unexpected situations, Wes will probably be officially signed by the Cowboy management as a coach for the three-day period, to allow him to participate in the proceedings.

While with the Cowboys in '39 Wes pitched the outfield and batted 30 for the season—or until he was recalled to Spokane late in the year. He managed the club for three days that season and it was under his guidance that the Cowboys climbed into first place.

Remembering that last night the Cowboys needed some such inspiration as Schulmerich, they took the 8-1 drubbing from the Bees-Pilots.

Con Rasmussen started on the mound for the home club and he looked for a return form until the seventh when the big bats of the Bees club exploded and sent him into a double play, Oehler got off with a double in the ninth—but died on second.

Verne Reynolds, Oehler and Ted Kerr each got two of the seven Cowboy hits. Fielding gems were turned in by Marlow Burton at third base for the home club and by Bill Stenger at short for Boise.

"Tonight, the only Cowboy hurler with a winning percentage is Hank Bushman, will take the mound in an attempt to salvage the final tilt of the three-game series. He will be opposed by Bob Snyder, who has won 18 and lost 9 for Boise.

Ogden Retains Lead With Win Over Bees

The Ogden Reds today clung to their fractional lead in the Pioneer league, after a narrow escape with the Salt Lake Bees last night.

Larry Suse pitched seven-hit ball for the Pilots, and helped his own cause by smacking a home run.

The Idaho Falls Russes and the Pocatello Cardinals put on the best exhibition of the evening.

Pocatello won, 2-1, but the total hits for the game were seven—three to the Cards and four to the Russes.

Hawkins pitched for Idaho Falls and Green was responsible for the Pocatello showing.

Box score: REDS 6, BEES 4 (Detailed box score follows)

Wes Schulmerich... Former manager and clown with the Twin Falls Cowboys, who will show here Sept. 4-5-6.

Bears Heavily Favored Over All-Star Club

CHICAGO, Aug. 27 (UP)—Football observers hope, for the sake of the college All-Stars, the George Halas brings his Chicago Bears into Soldier field tomorrow night in a kindly mood.

Only through the compassion of Owner-Coach Halas and his professional champions, they insist, will the nation's greatest collection of college gridlers be spared a humiliating experience in the annual summer football classic.

Head Coach Carl Snavely has been drilling a group of young men who have scrapbooks bulging with assorted testimonials and the combined support of some 9,515,743 citizens who voted them the questionable privilege of facing the Bears.

They point rather to the fact that Halas can field the same eleven which, in former years, have spent last fall and earned in many quarters the label "greatest football squad ever assembled."

Furthermore, they will tell you that Halas and his friend, Clark Shaughnessy, protagonists of the intricate formations, have spent the summer defacing telephotoes around town in charting new variations to plague the opposition this season.

Despite these forebodings, the All-Bears act unlike condemned men. They sparked through a collection of hearsal under the soldier field affairs last night, acclimating themselves to actual game condition.

Match Play Opens for Amateur Meet

FIELD CLUB, OMAHA, Neb., Aug. 27 (UP)—Match play begins today in the national amateur golf tournament, and the first round waged a losing fight against par for two days put their battle on a par to the best of these boys.

When medal play ended at sundown yesterday, the starting field of 145 men was reduced to 84. Arthur Dorring, Jr., of Chicago, and Raymond E. Brownell, Jr., of Del Monte, Calif., led off at 8 a. m. today. They played through a drizzle.

Stewart (Skip) Alexander, the Burlington, N. C. entrant who won the medal with his 164 score—a record—plays Johnny Fischer of Fort Thomas, Ky., former national champion, played a fine under par 77 Monday, but he could not 77 Tuesday.

Jerome and Shoshone Tangle at Jaycee Park in Night Tilt

Tommy Beitia, one of the most popular baseball players ever to draw on a uniform of the Twin Falls Cowboys, will be honored with a game at Jaycee park on Friday night, Aug. 29, it was announced here today.

Participating teams in the special occasion will be Jerome and Shoshone, divisional winners in the SCI league, and all proceeds will be turned over to Beitia.

Jerome, who controlled the outfield for the Cowboys last season and who is a Shoshone native, has been stricken with arthritis of the spine and since then has played at Salt Lake City and Portland, has returned to Shoshone. At the Portland clinic he was told of his disease, which has ended his playing days forever.

The Jerome-Shoshone tussle will be under lights and gets underway at 8:30 p. m. It is the first game in a play-off between the two cities for the SCI league championship.

The second two games will be played as part of a double-header at Jerome next Sunday.

An all-around athlete in high school and since then an outstanding performer in basketball and baseball competition, Beitia was taken to spring training camp with the Cowboys in 1940 and immediately made good with the home club.

He was handicapped much of the season by a bone bruise on one hand, but nevertheless saw action in two-thirds of the games, batting .278 and being one of the leading hitters on the last place club.

Representation of the game here on Friday will give fans of this city a chance to see SCI league players in action—also to look over any possible future prospects of the Twin Falls Cowboy organization.

Probable starting pitcher for the Shoshone club would be either Jan Hansen, the veteran who performed several years ago at University of Idaho, or Jiggs Bartholomew, 16-year-old District star, who has been pitching sensational ball all year with the Shoshone club. Bartholomew, only a Junior in high school, is rated as one of the finest athletes and Bill Gray got singles and Oiler Depper cleaned it up with a homer.

Seattle 022 100 013—7 R 1 E 2
Bill Thomas pitched the win, allowing six hits.

Second-place Seattle held its place in the league by leading Portland, 7-2. Seattle took the lead in the fourth when Dick Gyselman doubled, scoring Niemce. Bill Matheson pitched for Seattle in the eighth and the Rainiers put the game away with another three-run burst in the ninth.

San Francisco took a 10th inning win from Los Angeles, 4-3. Nanny Fernandez doubled for San Francisco in the 10th, was sacrificed to third, Brooks Holder and Joe Brown walked, filling the bases, and Angel Pitcher Jess Dobernic then walked Harry Carabian, forcing Fernandez in with the run that ended the game.

Hollywood beat Oakland, 8-3, landing on Stan Corbett for four runs on four hits in the first inning. Frenchy Uhalt, Johnny Barn-

ers and Bill Gray got singles and Oiler Depper cleaned it up with a homer.

Lesnevich Wins Full Title in Close Brawl

NEW YORK, Aug. 27 (UP)—Young Tom Maffei—a substitute contender—came so close to winning the light heavyweight title last night that he has been re-matched for a return bout with Champion Gus Lesnevich at the Garden, Nov. 14.

Lesnevich, New Jersey veteran, received a split decision over the 21-year-old Bronx Italian in a screwball finale that caused 8,894 fans to shake the Garden gridler with roars of astonishment.

The 15-round brawl was so close would have been a good draw. When Announcer Harry Balogh yelled into the mike: "Winna—and now champeen!" everyone naturally thought he meant Maffei had won. Such was not the case, Balogh was being technical.

When Lesnevich entered the ring, he already was recognized as champion by the National Boxing association. And since last night's bout was sanctioned also by the New York commission, his victory made him undisputed successor to Billy Conn's vacated 175-pound crown.

What Announcer Balogh meant, and what he finally managed to explain, after loud and lengthy hurly-burly, was that Lesnevich is the "new champeen" in New York state.

WESTERN INTERNATIONAL Yakima at Wenatchee double-header, postponed; rain. Spokane 8, Salem 7. Tacoma 5, Vancouver 0.

Alexander the Great conquered the known world with 35,000 men.

Fight Results

Giants Hold Key Position In National Pennant Race

PAUL SCHEFFELS
NEW YORK, Aug. 27 (UP)—Being short of good players is a condition that has become sickeningly familiar to the New York Giants but if this club—which has made almost a fetish of standing pat—can consolidate its lineup, veterans into some semblance of a winning team, the National League race may take on an entirely different complexion.

During the next five days the Giants—now the only club in the league which has not acquired a new player this month—play the leading Dodgers and runner-up Cardinals in six games, two with St. Louis and four with Brooklyn.

Naturally there is no chance that the Giants, 15½ games away, to even close to the pennant, but should they be fortunate enough to defeat the crippled Cardinals and get an even break with Brooklyn, they might furnish the Cincinnati Reds a chance to break through to their third straight flag.

Reds Hottest Club
The Reds are the hottest club in the circuit, with 16 victories in 20 games, and today they played the first game of first place. They met the Dodgers tonight, rest for two days, then play the Cardinals two games and wind up two against the Cubs. Should they beat the Dodgers, and the Giants pick up a game on both clubs, then if the Reds defeat St. Louis in their two games while the Durochers manage to win with Bill Terry's club—the National league might be furnished with a surprise ending.

The Cardinals and Dodgers split yesterday. The Dodgers won the first game, 6 to 3, but dropped the second, 3 to 1. This ended the Brooklyn's reign to retain their game and a half lead.

Chicago's Cubs defeated the Philadelphia Phillies, 5-4 and 11-3, with Jake Mooty and Paul Erickson each turning in full-time jobs.

Pittsburgh divided with Boston. Jim Tobin pitched the Braves to a 4-3 victory in the first game, allowing only four hits. The Braves won the second game with a six-inning effort to bring Pittsburgh a 6-1 triumph in the nightcap.

The Boston Red Sox reclaimed third place in the American league by beating Jim Bagby and Clint Brown for 13 hits and a 9-4 victory over the Cleveland Indians.

Philadelphia defeated Detroit twice, 3-1 and 7-0, to take over first place from the St. Louis Browns, who dropped to within half a game of the cellar by losing, 3-0, to Dutch Leonard of the Senators.

Davis Steals Spotlight in Pennant Race

HARRY FERGUSON
NEW YORK, Aug. 27 (UP)—Chickens come home to roost, according to some, and the Brooklyn Dodgers, and yesterday a lean old bird named Curt Davis perched himself on the fielding mound at Ebbets field and, by his glove work, haunt the St. Louis Cardinals out of a ball game.

It was in his game that the Cardinals desperately needed to stay in the fight for the National League pennant—the first game of a double header. Had they won they would have been perched on top of the league today. But they lost it and got only an even break in their four-game series with the beloved bums of Brooklyn. And as the Cardinals struggled out of Ebbets field last evening the best were a game and a half behind the beloved bums.

Tossed in Heat
If and when the beloved bums get into the world series, they can thank their stars for the deal that bought Curt Davis from them. That deal took place on June 12, 1940, but the headlines did not blur: "Dodgers get Curt Davis." Instead, they said "Dodgers buy Curt Davis in big deal with Cardinals."

Ducky Medwick was the big news that day. The Dodgers gave the Cardinals four ball players and \$100,000 cash to get the hard-hitting outfielder. The Cards threw Curt Davis into the deal just as your grocer might lose an old potato into the sack after you have run up a big bill for other stuff.

Most Popular Man
The Cards figured they didn't need Davis any more. He was getting old—he will be 35 in a few days—and when he got on a Brooklyn uniform he made the fourth National League club for which he had played. But yesterday, more than a year after they traded him away, they thought old Curt came back to beat the Cards in a game that says he was the turning point of the 1941 race.

He did more than pitch his heart out for the Dodgers. He took personal charge of the game in the fourth inning by blasting a homer into the stands and the ball that went up the right members of the Flatbush faithful who were sitting on seats, clinging to railers and clinging the aisle indicated that all Davis had to do to become borough president of Brooklyn was to announce his candidacy.

Jerome Ball Club Trims Elko Nine, 11-0

JEROME, Aug. 27 (Special)—Jerome's baseball club today was preparing to meet the Shoohone and Elko in the first game of the BCL league at Twin Falls on Friday in the Tommy Benta benefit ballgame. The local boys were extremely confident.

Their confidence comes from the score they chalked up at Elko Sunday—an 11-0 shut-out of the Elko club.

Ellis Shawver did the hurting in that one and set the Elko team down with just two safe blows as the Jerome team pounded across their 11 runs.

Bowlers Schedule Friday Meeting

Organization of Twin Falls bowling leagues will be made at a meeting in the Bowldrome on Friday at 8 p. m. It was announced here today by Harold Hoover, manager of the Bowldrome.

At that time leagues will be formed and a tentative bowling season will be announced for the coming season.

Troy-Nationals Will Compete In State Meet

By now the trials and tribulations of the Troy-National softball club commence to look very much like a German-Russian war dispatch, what with the claims and counter-claims.

Today's latest developments on the softball front:

1—The Troy-Nationals WILL DEPEND on the state tournament at Kellogg this week-end.

2—The money to finance the club has been put up and the team goes to Kellogg, according to Russ Wells, district softball commissioner.

3—Rupert softball club will NOT compete in the state tournament.

4—Gooding, runner-up for the district crown, will take Rupert's place and go to Kellogg, according to Russ Wells, district softball commissioner.

Manager Johnny Clore of the Troy-Nationals today announced that his club would meet tonight at the old ball park field for practices at 7 p. m. with another session slated for tomorrow night—the final before the club goes north in search of its third consecutive title.

JEROME

Otto Brown and Catherine Schmidt, Jerome, obtained a marriage license here last week and the couple was married Aug. 21 by Rev. Pastor Eric A. Scherzmann, pastor of St. Jerome's Catholic church, with Mrs. Silva Paradis and Henry Overbeck, witnesses.

The members of the Alta Thompson, circle of the W.C.S.M. met Thursday at the home of Mrs. Lloyd Gilmore. Devotional leader was Mrs. Henry J. Goemmer, while Mrs. Robert Goemmer, president, presided.

Mrs. Orville Day, who has been at Easley's hot springs during the camp meetings of the Methodist and Presbyterian groups, told of the activities of the camp this summer. Mrs. Earl Clark, Mrs. Harold Morris and an aunt of Willard Wood were guests.

Mr. and Mrs. B. O. King and their daughter, Patay, Pans, Ill., have been house guests of Mr. and Mrs. Ben Crouch. Mrs. King and Mr. Crouch are brother and sister and had not seen each other for 18 years.

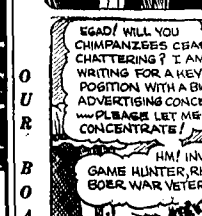

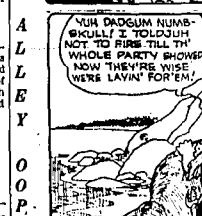

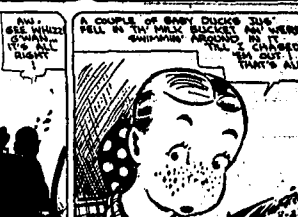

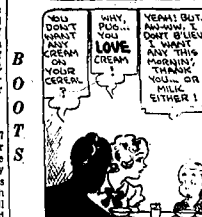

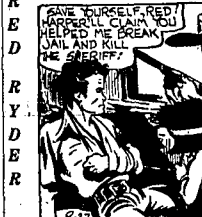

Mrs. Ole Johnson and her daughter, Mrs. Ruby Carlson of South St. Paul, are house guests here of Mr. and Mrs. Elliott Lamb.

Dairy Cow Sale Termed Cash Source for Idaho

By A. HARVESTER
 DAIRY PALACE, Filer, Aug. 27 (Special)—The production of milk and butter is not the only source of income from our dairy herds in Idaho, according to Bert Bolling-broke, who acted as chairman at the dairy palace last night. He said Idaho sold to California and other coast regions 12,000 head of dairy cattle, the tops from many of the herds. This other reason for advertising our dairy industry and a very good reason why we must

TONIGHT
 Kimberly will be host Grange, with Frontier and West Paul as guests at the dairy show.

use good bulls of proven sires and dams. And here is where the purebred herds come into the picture, to provide herd sires for our grade and purebred herds, so that we may maintain a high standard of dairy cattle in order not only to supply the present demand for dairy cows but to increase that demand.

At present 43 per cent of our dairy herds are using scrub bulls of unknown parentage, gathered from itinerant cattle buyers or from slaughter houses, or even of our own stock. It is our duty to maintain the market we have established on the coast we must breed a higher grade of dairy cows.

Star Cows.
 Mr. Bollingbroke, Twin Falls county agent, introduced the cows and revealed that we have really some stars of the dairy world at dairy palace. One of the cows has a record of 653 pounds of butterfat in one year, made last year in the Twin Falls-Mini-Cassa Dairy Herd Improvement Association, according to figures given out by Bernard Law, tester. Another has a good chance to make near the 700 pound mark this year. And the whole galaxy of stars in the dairy show bids fair to establish good records, having an average record of 414 pounds of fat for August, and ranging from 21 to 65 pounds for the month.

One vacant stall was again in evidence last night, which makes the picture all the more natural to a dairyman, as there is always a possibility that some of his highest producers going wrong or getting a test hurt. Minnie Miller's Queen-sea was the lazzled tonight, but her

condition is regarded as only a minor affliction, according to Dr. K. K. Shott, who attended her. The cow is in good hands and will receive the constant attention of the herdsman, Frank Southwick, who through long experience has learned to spot any trouble as soon as it appears in the herd.

Hollister Host
 Hollister was host Grange and the crowd was placed at 110, no guests of the Hageeman Grange being present and only Mr. and Mrs. Walter Amende of Albion Grange attending. Master Frank Eastman of the Hollister Grange took over as chairman after the milking was done and introduced Mr. and Mrs. Amende to the Grangers and visitors present. He introduced Elmo Parrar at the piano.

A. Harvester was called on for his comedy number, and responded through much the worse for the surplus of pie which the ladies had provided. A song featuring the climactic time is in process of construction and should be ready to roll off the assembly lines in time for the closing of the show. A little two-year-old creature a ripple of amusement when she chimed in on the song "I'm an Old Cow Hand."

Speeches
 Tom Speedy, pinch hitting for Ivan Loughbary or D. L. Fout, Tom didn't know what he was saying. Interesting talk on feeds and feeding, but confined his remarks mostly to the pasture phase of feeding for high production. Again the importance of a good nutritious pasture was stressed and the fact that this resource must be balanced with a legume. Care and handling of pastures was explained by Mr. Speedy and the advantage of raising your cows from one pasture to another was pointed out, as the pasture in this way is kept in a more palatable condition and will be relished more by the cows and greater amounts will be consumed.

The evening Kimberly will act as host Grange and Frontier and West Paul will be guests and the folks were disappointed when they did not get a drink of that milk last night. They seemed to think that as the Grange had so well and freely cooperated in the management of the dairy show, they should have the same treatment as the breeders and testers, and be served with some of the milk they saw taken from the cows in such a sanitary manner. No one knew the answer.

RADIO PROBLEMS TOLD TO POLICE

Technical problems in connection with operation of the local police radio station were explained last night by F. V. Cox, technician, at a special meeting at the city hall attended by police officers.

Cox explained that better station reception would probably result with completion of a tower on top of the city hall and also an increase in the station's power. He reported it is necessary that a record be kept of all calls going out over the air and that the station be used "for business only."

The log is to be available for inspection by officials of the federal radio communications bureau at any time. Only the nature of the call need be recorded, he said.

Call letters of the station here are KJED.

At present time five local department representatives have licenses to broadcast. They are Chief Howard Gillette, Judge J. O. Punphrey, Charles O. Slack and Jack Diamond; desk sergeants, and Patrolman Millard (Nick) Merrill.

Two-way equipment which will allow officers in the patrol cars to speak back to the station will be installed in the immediate future, Cox announced.

Concealed Pistol Brings Fine, Jail

JEROME, Aug. 27 (Special)—Neal Cody, defendant, was arrested this week on charges of carrying concealed weapons. He was brought before Probate Judge William O. Comstock Tuesday morning where he pleaded guilty and was assessed a fine of \$100 and court costs of \$3, and was sentenced to serve a 30-day jail term.

Laundry Ships Big Steel Piece To Aid Defense

The biggest piece of anything which has gone from Twin Falls to national defense fields was on its way today to Salt Lake City.

The "biggest piece" was a steel flatiron which weighed between 10,000 and 14,000 pounds and which was "big one we started with," according to George Sandholts, a laundry official and owner of a heavy piece of equipment.

"They said they wanted steel in national defense work so we were going to do our part," Sandholts remarked while the heavy piece of equipment was being loaded onto a truck for the Utah trip.

First attempt to get the ironer high enough to permit the truck to back under it met with failure when a chain broke and the great mass of steel dropped to the pavement in the laundry garage here. An auto wrecking machine was being used in the hoisting process. Efforts to get it on the truck finally succeeded, and everything was ready. Four inches thick, this steel ironer is 10 feet long and 48 inches in diameter. Sandholts accompanied the truck driver to Salt Lake where the steel was to be delivered at the Eastern Iron Works company plant.
