

LINDBERGH WARNS BRITAIN MAY TURN AGAINST U. S.

8,000 TURN OUT FOR OKLAHOMA'S ISOLATION RALLY

OKLAHOMA CITY, Okla., Aug. 30 (Special)—Charles A. Lindbergh, speaking in a sandlot baseball park, warned the city council today that the city council refused to let him use municipal auditorium, said last night that Britain may turn against the United States, "as she has turned against France and Finland."

"She will turn against us if it becomes known that we are in the future," he told an American first committee rally, which 8,000 persons attended.

More than 100 officers circulated through the crowd, because the local American first committee feared an "embarrassing incident," at least five organizations, including two American Legion posts, having petitioned the city council not to let him speak within the city limits. The baseball park is outside the municipal limits.

One "Incident"

"There was only one 'incident' and the crowd booted and hissed it down. Everett Gwin, 32, who said he is an ex-soldier recently and non-combatant, was the only one to be guarded, heckled Herbert K. Hyde, Oklahoma chairman of the American first committee, speaking on the cost of war, invited Gwin to come to the platform and say what you have to say."

Gwin accepted his invitation and stepped to the platform. "I'm ready to go back 15 years," he bowed deeply the rest of his remarks were loudly applauded when he said:

"It seems clear to me that the quickest way for Germany to lose the war would be to attack America, and that the quickest way for America to lose the war would be to attack Germany."

As Tourists See It

The Times-News Hospitality Girl today said "Altogether" to tourists through the Hospitality Girl who today ended her promotional tour until another tourist season rolls around next year.

But before she packed away her uniform in the mothballs she interviewed several movie tourists who passed this way today.

For instance, there was Mrs. Leo Ulrich, Sebewaing, Mich., who said she enjoyed the Snake river canyon very much and was likewise impressed with the fine condition of the majority of Idaho's main highways.

Then there were Mr. and Mrs. J. H. Henry, from Connecticut, who thought this was a "wonderful" country.

Mrs. W. Rogers and daughter, Helen, Boston, enjoyed the country so much that they plan to return next year.

But the strangest thing happened when the Hospitality Girl went into a local cafe this morning. Four young persons were seated at a table eating breakfast when she approached the table.

"Traveling airplane?" she asked. The four shook their heads, indicating that they were not. "But later she discovered that they were not indicating that they weren't traveling, rather they were indicating that she was saying: They were here to attend sessions of the Idaho Association of the Deaf.

694 PUPILS SIGN AT HIGH SCHOOL

As regular registration days at Twin Falls high school came to a close yesterday, a total of 694 students signed up for the first semester, according to Edward B. Rogel, high school principal.

New students to sign up in the Twin Falls system for the first time totaled 122; seniors 207; juniors, 250 and sophomores 252. Five students registered for post-graduate work.

About 120 or 130 more students are expected to enroll later, Mr. Rogel stated, because many have been unable to get into town from work. The principal's office was open today for registration of late students.

Handicraft and typing classes are filled to capacity, he said, and most English and American government classes are filled. He indicated that very few schedule changes would have to be made after school starts to distribute more evenly the enrollment in certain classes.

STOP FOR BUSES, AUTOISTS URGED

Because thousands of Twin Falls county school children will be flocking back to classes Monday and Tuesday with even more doing the same in other Magic Valley counties—State Officer V. K. Barron called on motorists today "for strict observance" of the law which forbids passing of a stationary school bus.

The state statute prohibits passing of a school bus, from either direction, when the bus has stopped to load or unload children.

"We have already had one complaint signed in this county," Barron said. The complaint was in the east end, where schools opened last Monday.

The state officer pointed out that motorists who drive past unloading school buses may be liable for the death of a child or maiming.

"It's impossible to keep some children from running across the highway," he said, "no matter how strict school officials may be. The only sure way of avoiding accidents is for motorists to obey the law commanding them to stop."

Barron said that motorists will be prosecuted more vigorously this year than ever before. Bus drivers will cooperate by signing complaints. There are 37 school buses in Twin Falls county, according to Barron's figures.

DEATH SUMMONS BUHL WOMAN, 78

Mrs. Ann Ella Davis, 78, resident of Buhl for 28 years, coming to the west from South Dakota, died at 2 a. m. today at her home in Buhl. The body rests at the White mortuary, Buhl, pending funeral arrangements.

She was born June 6, 1863, in Wellman, Ia. She was the wife of Arthur B. Davis, Buhl, who died in 1934.

Surviving daughters are Mrs. Ethel Isaacson and Mrs. Cora Mesinger, Sheridan, Ore.; Mrs. Alva Silke, Filer, and Mrs. Vera Michel, Sequim, Wash., and a son, Raleigh Davis, Willowbrook, Colo.

Funeral services will be held at 2 p. m. today at the White mortuary, Buhl.

DRAFT BOARD TO PICK JOB OFFICER

Acting to participate in the nationwide selective service move to secure jobs for draftees released from the army, Twin Falls county area draft board today selected a replacement committee at its meeting here last Tuesday.

The committee, under regulations issued by national state headquarters, need not be a member of the draft board or of the advisory board.

Its duties will be to contact former employers of released draftees, seek to have the soldier's position returned to him or try to find another job if that one is not available. The replacement committee, which will serve until the time would be advised in advance as to release of soldiers from the army and until the 90-day period is limited up by the time the draftee returned.

He would work closely with the draft board and with the Idaho state employment service.

"It is vital to successful operation in the selective service system," Chairman Walter C. Musgrave said today, "that the men who have answered the call of their country to guard their country be given preference in civilian occupations. It is not only a moral obligation of the selective service system to see that they are so protected but it also is a responsibility imposed by law."

Lineman Injured In Fall off Pole

BURLEY, Aug. 30 (Special)—Condition of Robert Pollard, 34, telephone company lineman who was injured when he fell from a pole yesterday morning was termed "satisfactory" by Cottage hospital attendants this afternoon.

Why Pollard fell has not yet been determined by company officials. He was working on a pole on Burton avenue when the accident occurred. Exact extent of his injuries was not noted today, awaiting results of X-rays which have been taken.

Trailer Recovered

C. L. Hesselhoff, Castleford, advised his officers today that he has recovered the new trailer he reported stolen yesterday.

Man Dies From CRASH INJURIES

BURLEY, Aug. 30 (Special)—Earl W. Warnke, 38, father of Harry Warnke, Burley, died Thursday in Idaho Falls from injuries sustained in an automobile accident two weeks ago, according to word received here. Spinal meningitis developed from a brain injury received in the crash, causing death, according to hospital authorities.

Mr. Warnke, his wife, son-in-law and daughter, Dr. and Mrs. Paul Toher, all of South St. Paul, Minn., were returning to the Minnesota city after visiting in Burley, when the accident occurred.

Mr. and Mrs. Harry Warnke went to Idaho Falls upon receipt of word of the death.

Marion Wilson to Present Recital

Buhl, Aug. 30 (Special)—W. J. Ripplinger will present one of his advanced pupils, Miss Marion Wilson, in recital at 11 p. m. Sunday, Aug. 31, at his studio, 117 1/2 avenue north. Miss Wilson has studied piano with Mr. Ripplinger for two years. She has been a prominent accompanist in high school music circles for several years and has been organist at the Presbyterian church two years.

This fall she plans to enter the University of Washington, Seattle, and will continue her music study there.

Assisting her on the program will be Paul Klug, baritone, and Miss Esther Hansen as accompanist.

June or August? Marriage Clerk Sells 5 Permits

The calendar seemed a little dizzy today. County Clerk Walter C. Musgrave, starting at a marriage license book which showed no less than five license issued from 9 a. m. to noon today, was wondering if this is August or June, and the additional month or bride.

The five permits granted this morning were to altar-bond applicants from Book 20 of our clerk's Twin Falls, Mountain Home, Oakland, Calif., and Buhl.

Maps Show New Twin Falls School Bus Schedules

FIRST RUN—This map of the Twin Falls school district shows the route of the big new school buses on their first runs in the mornings of school days. Children on these routes should be ready to board the buses between 7:30 and 8 a. m., according to Warberg Bros. company, contract operators. The buses will arrive in town in time for early classes. After the first day, Tuesday, Sept. 2, children will be able to determine exact spots at which stops will be made. The map shows the city proper in the center. The one-mile scale corresponds to section lines; marking of Addison avenue, Kimberly road, the hospital, sugar factory and filter plant assist in locating any spot within the district. Dark lines are the bus routes. (Times Map and Engraving)

SECOND RUN—This map shows the second runs to be made by the buses, since six vehicles will now handle the load formerly carried by 10. Children should be ready to board the buses between 8:30 and 9; they will arrive at school in time for 9 o'clock classes. (Times Map and Engraving)

Clark Will Curb Personal Use of State-Owned Cars
BOISE, Aug. 30 (UP)—Gov. Chase A. Clark today issued an order cracking down on use of state-owned automobiles by state employees. Henceforth, the governor said, employees will be required to sign at the state highway department garage for use of automobiles before making a trip on state business. The order was issued to curb personal use of state cars.

INTEREST HIGH IN MURTAUGH VOTE

MURTAUGH, Aug. 30 (Special)—Interest is running high in the Murtaugh community because a complete new school board is to be elected.

The following candidates have filed:

For the one year terms, Clifford Tolman, Oliver Johnson, Glen Briggs and Hans Anderson; for the two year terms, Henry Rees, Walter Day, E. P. Browning, Floyd Morrison, Cleveland Egbert and Everett Fuller; for the three year terms, John Noh, Clifford Tolman, Oliver Johnson and William E. Egbert.

Election will take place Tuesday, Sept. 2, and the polls will be open from 1 to 6 p. m. Two trustees will be elected for each term.

Several Couples Secure Licenses

BURLEY, Aug. 30 (Special)—Rolla L. Wickel, 19, Eba, and Lawrence Scott, 21, secured a marriage license here Aug. 25, and were married that day by Probate Judge Henry W. Tucker. Mr. and Mrs. Jack B. Hill, who were recently married, attended the couple.

On Aug. 22, Emery O. Sears, 31, Albion, and Irene Marie Bergman, 31, Kansas City, secured a marriage license, and on the same day a license to wed was granted to Russell Rogers Love, 21, Elma, Ore. Murphy, 20, both of Murtaugh. On Aug. 25, John O. Thometz, Twin Falls, and Elaine J. Wadsworth, 21, Ogden secured a marriage license.

Divorce Given on Cross-Complaint

Originally the defendant in a suit started by her husband, Mrs. Sadie Meyer won a divorce decree in district court Friday afternoon on her own cross-complaint. She charged desertion.

Robert R. Meyer, whom she married Nov. 14, 1934, had asked divorce on grounds of cruelty and desertion but entered a default and

Pickpockets at Ketchum Molest Rodeo Audience

KETCHUM, Aug. 30 (Special)—Ordinarily Ketchum is not bothered much with pests. It is an orderly town, and has no local government of any sort. A deputy sheriff appointed by the county and doing double time for Sun Valley and Ketchum, keeps the strays well in line. He is Fred Turner, and he does a good job of it.

But, during the rodeo, a few adventurers drifted into the burg. They all belonged to the sophisticated cut commonly known as pickpockets or pickpocketers. The first victim picked was Frank Silver, well known carpenter. He missed his billfold in it was a \$20 bill, documents and other things of value.

Another one jostled Luc Hill of the Alpine in the old metropolitan manner, tapped his hip pocket, but he flashed fast enough to upset the plans and nothing happened. Several other attempts were made, and all visitors were cautioned, in consequence of which the boys had enough to go round for a night or so.

In the past few months, however, several burglaries of various degrees have been pulled off, and the sheriff's office has a fairly good insight as to partial identity of the culprits.

did not contest his wife's counteraction. He filed his suit Dec. 29, 1937.

One other decree was granted Friday by Judge J. W. Porter. That divorce went to Mrs. Marie Horn against W. B. Horn. The wife, who claimed cruelty and said her husband was interested in another woman, was given custody of a six-year-old child. The Horns wed Aug. 10, 1933, in Burley.

WOMEN OF G.O.P. STAGE MEETING

GOODING, Aug. 30 (Special)—Gooding county Women's Republican club met on the lawn of the Dale Cady home in Hagerman Monday. This was the third of a series of summer "out-of-doors" meetings. Mrs. Philip Kennicot, Jr., Hagerman, presided and members were present from Gooding and Hagerman.

Roll call was answered by interesting newspaper articles, and party matters and taxation were discussed. There was also discussion concerning "ways and means" and announcement that dues are due.

Mrs. W. A. Randolph, Gooding, was named chairman of the publicity committee, taking the place of Mrs. Hazel McCoy, who left last month for Richfield, O. Mrs. Randolph also served as secretary pro tem.

Next meeting will be held Sept. 22 in Wendell.

IT'S FUN TO COOK WITH A Westinghouse "Captain" ELECTRIC RANGE

Ever watch a pan of popovers puff up into rows of golden shells? Or pale dough turn into beautiful pastry? You can—with this Westinghouse "Captain" model. The "look-in" door and oven light let you see foods browning without opening the oven door. It's FUN to cook this modern electrical way because it's FAST and EASY and CLEAN as electric light. See ALL the features of this range and you'll see why VITAMIZED COOKING with a Westinghouse "Captain" is so much fun.

Murtaugh School Enrollment Told

MURTAUGH, Aug. 30 (Special)—Hubert Ewing, superintendent, announces the school enrollment as 70 in high school, 70 in junior high and 83 in grade school.

Because of the resignation of Clark Kleinkopf, two new teachers were hired. Herbert Thorne has been switched to grade principal.

The new teachers to take positions Monday are Mrs. Emma Lou Weller and Mrs. Kathryn Syverseth.

I'M USING MORE Electric Service NOW!

...IT'S THE BIGGEST BARGAIN IN TOWN!

"Almost everything I buy costs me more money now than it used to, with one exception—ELECTRICITY. I've found that it has actually gone down in price, instead of going up like everything else. Believe me, it's a bargain, and I'm certainly making the most of it!"

Rising prices may make living costs higher, but the cost of electric service is going the opposite way. Since 1936 there have been nine reductions in electric rates in the Snake River Valley, and today electricity is your greatest household bargain. Use it freely in your home, and let it bring you more and more better living, at low cost!

Think how much more you could enjoy your electric service. Every day that passes makes it more of a bargain, when you compare it with the cost of the other things you buy. No matter what way you look at it, there's no place you can invest so little and get so much for it these days than by using more cheap electric service in your home.

WARD AND ABBOTT PLAY FOR AMATEUR TITLE

Spokane Ace Guns For Second Crown In National Meet

By JOSEPH F. HEARST
FIELD CLUB, OMAHA, Neb., Aug. 30 (UP)—Marvin H. (Bud) Ward, long driving specialist from Spokane, Wash., and Pat Abbott, unemployed, Pacific Palisades, Calif., actor, meet today for the national amateur golf championship.

The role is familiar to both. Ward, executive secretary of the Spokane Round Table club, won the national amateur title in 1936, went to the finals of the national amateur in 1938, losing to Willie Turnesa at Oakland.

The meetings is the second for them in national amateur tournaments. They tangled last year at Montecito, N. Y., in the quarter finals and Ward won, 3 and 2.

Ward is rated favorite to win. But he is not the favorite of the galleries which yearly crowd the handsome Abbott beat Ted Bishop of Auburn, Mass., 1 and 1.

The semi-finals were played in a 90-minute wind that blew drives off the green and bothered both players. The day was fair, however, and 2,500 fans, testing second field club's 6,745 yards, watched Abbott make the greatest shot of the week on the 11th hole, a par five, 467-yards into a blind green.

Great Shot
He was 1 up when he lashed his drive into the rough. The lie was bad, and his second kicked along to the rough, 60 or 70 yards, leaving him another bad lie and still 220 yards from the pin. But the next shot, with a No. 4 wood, he took that distance to four feet, for Abbott faced the ball straight to the pin and got the putt for a winning birdie four.

He will need shots of this sort today, too, for Ward has played throughout the year with the same methodical steadiness that he used to cut down Robert Riegel of Houston, Tex., 9 and 9, in the semi-finals.

Ward is a 1936 national amateur champion. He has won the title in 1936, 1937, 1938, 1939, 1940, 1941, 1942, 1943, 1944, 1945, 1946, 1947, 1948, 1949, 1950, 1951, 1952, 1953, 1954, 1955, 1956, 1957, 1958, 1959, 1960, 1961, 1962, 1963, 1964, 1965, 1966, 1967, 1968, 1969, 1970, 1971, 1972, 1973, 1974, 1975, 1976, 1977, 1978, 1979, 1980, 1981, 1982, 1983, 1984, 1985, 1986, 1987, 1988, 1989, 1990, 1991, 1992, 1993, 1994, 1995, 1996, 1997, 1998, 1999, 2000.

NEW YORK YANKS SET SALE OF WORLD SERIES TICKETS

SHOSHONE TRIPS JEROME, 2-0

Cowboys Lose Close Tilt to Russetts, 6-5

IDAHO FALLS, Aug. 30 (Special)—The Russetts and the Cowboys square off here tonight in the final tilt of a three-game series with the score standing at 1-1 for the engagement.

Last night the Russetts put on a four-run rally in the first inning and the Cowboys were never quite able to catch them from there on in, with the score coming 6-5.

Tonight the Wranglers will send Con Ramussen to the mound, while for the home club, Fred Bradley will be doing the pitching.

Russetts Hit Hard
Last night both clubs did more scoring than usual, but the ankle benders hit the offerings of Gerry Bohman hard and often, getting 14 runs during the engagement. Twin Falls got only seven.

Twin Falls scored one in the first on Harold Burton's walk, a single and an outfield error.

But the Russetts pushed across four in the same frame on two errors, three singles and a double. They came back two in the fourth on a walk and successive singles by Ted Kerr and Vic Oelner, and then got one in the last of the fourth and another in the last of the eighth.

Cowboy Rally
Going into the ninth with the count 6-3 against them, the Twin Falls club put on a rally that fell only one run short of tying the score. Burton walked and Reynolds also drew a free ticket. Then Kerr and Al Kiermanner hit singles to send two scores across, but that ended the game.

Play in Finals
Ward is rated favorite to win. But he is not the favorite of the galleries which yearly crowd the handsome Abbott beat Ted Bishop of Auburn, Mass., 1 and 1.

Stand up There, Rover

Handling beagles at show is difficult, especially when the dog is young and the handler not much older. Mackie Prickett, 8, of St. Mathews, S. C., handler of prize-winners, is still having trouble.

Golf Course Prepares For "Free Play" Day

Free play and lunch and drinks for all golfers or would-be golfers is the offer at the Twin Falls municipal golf course for Sunday.

With an "open house" and "get acquainted" campaign under way, Parks Commissioner Carl Ritchey today pointed out that the new course was "built for the people, and we're hoping to get as many as possible into the habit of using it."

All day tomorrow—weather permitting—play will be free for one and all, free lunch will be served at the club house from 11 a. m. to 2 p. m., according to Fred Stone, course starter and club house concessionaire.

With the new grass green lay-out, increasing numbers have been touring the course daily, with the all-time record set last Sunday, when 104 customers made the rounds.

Regulation green fee is 40 cents for Sunday and holiday play, with 35 cents for week days.

Lead Grows to 17 1/2 Games; Dodgers Edge Giants by 5-4 Score

NEW YORK, Aug. 30 (UP)—Maybe the Dodgers and the Cardinals can't make up their minds, but the Yankees can. Defying all baseball's traditional jinxes and hoodoos, Cousin Ed Barrow, president of the New York Yankees, announced today that the club would start taking world series reservations Tuesday, Sept. 2.

The Yankees haven't clinched the pennant yet but Barrow isn't afraid. Do you blame him with a 17 1/2 game lead and only 24 games left on the schedule? Nevertheless, some of baseball's conservative old timers shook their heads and muttered, "I don't like it, this counting your chickens before they hatch. Maybe it won't hurt the Yanks in the pennant race but it might put the shooing on 'em in the world series. It's not the thing to do."

But the actual clinching of the pennant can't be far off. The Yanks picked up another half game yesterday without donning a uniform or swinging a bat. The Browns did for them by knocking off the White Sox, 5-2.

The second-place White Sox have 23 games left to play and if they should win them all the Yanks would have to win only 8 out of 24 to win the pennant. Or if the Yanks lost all their remaining 24 games (even Barrow couldn't bring on such calamity as that) the White Sox would have to capture 19 out of their remaining 25 games to nose out New York.

The Dodgers moved a little closer to making it an all-New York world series by squeezing through to a 5-4 triumph over the Giants. A live-run rally in the fifth, which knocked Hank Schumacher off the mound won the game.

California Girl Retains National Junior Net Title

PHILADELPHIA, Aug. 30 (UP)—Louise Brough, Beverly Hills, Calif., retained national junior girls tennis championship today and shared with a fellow-Californian the double.

Practically 18-year-old Miss Brough steadily cannon-balled her way to victory in the finals yesterday at the annual U.S. Open tennis tournament in Miami, southern women's champion.

Her doubles partner, however, Miss Brough and her teammate, Gertrude Moran, Manila, Mo., had to give up their championship to Hart and Nellie Sliker, Miami Beach, Fla., 2-1.

PHILADELPHIA, Aug. 30 (UP)—The field in the 1941 Hershey open golf tournament set up in pursuit of little Benny Hogan of Texas in the final round today. The sub-par rounds behind him, Hogan's midway total as he started out today was 136, 10 under par.

His nearest rival was Slim Lloyd Mangrum of Monterey, Calif., who had 68 yesterday for a half-way total of 138. Five other back nines in the 20,000 customers who gathered to see the thoroughbred goodbye for another year were ready to concede to Hogan or to...

Whitney Entries Hold Spotlight In Hopeful Stakes

SARATOGA SPRINGS, N. Y., Aug. 30 (UP)—The 37th running of the Hopeful Stakes, second richest juvenile race in America, staged up strictly a family affair today as five of the eight designated starters headed postward amidst the sizzle of one or another of the turf's many Whitneys.

All four branches of the famous racing family were present as the small field met for the \$40,000 purse on the gateway day program of the summer Saratoga meeting and the Louisa News was almost ready to 20,000 customers who gathered to see the thoroughbred goodbye for another year were ready to concede to Hogan or to...

Ted Williams Keeps Batting Mark at .407

NEW YORK, Aug. 30 (UP)—Ted Williams, slugging Red Sox outfielder, continues to breeze along atop the American league batting list, but he is having hard fight to keep his average above the golden .400 mark, which no major leaguer has achieved for a full season in 10 years.

Williams is hitting .407, according to figures released today, including Thursday's game. This is far above his nearest rival, Cecil Travis of Washington, who has .384, but is a seven-point below Williams' figure of last week.

In the National League, Johnny Hoop, Cardinal outfielder, leads for the third straight week. He has a four-point margin over Nick Etten of the Phillies.

Howard Krick, rookie right-hander of the Cardinals, continues to pace National circuit pitchers with a perfect record of nine straight victories. Meanwhile, in the American league, Lefty Gomez, Yankee veteran, took over the lead. His come-back campaign has netted 12 victories against four defeats.

Leads in other departments follow:
Runs—(A)—DiMaggio, Yankees, 11; (B) Hack, Cubs, 93.
Hits—(A)—Travis, Senators, 17; (B) Hack, Cubs, 134.

Pilots Boost Lead as Reds Split 2 Games

By United Press
The Boise Pilots were another half game ahead of the Reds in the struggle for the league pennant Saturday, and all because of two runs scored in the eighth and the ninth frame Friday night. Then, too, the Reds did their part by remaining even—they traded wins with Portland's Cards in a twin bill.

The game stood 4-5 for the Bees at the end of the seventh. Both teams were scoreless in the eighth but the Pilots put two across to win in the ninth, 6-5.

Portland smashed the Reds, 7-1, in the first game, but the Oregon club belted seven across in the first frame of the nightcap, clinching the game. Final score was 8-5.

Twin Falls Cowboys, meanwhile, took a 6-5 shading from Idaho Falls Sunday. The Bees accounted for 14 hits and played errorless ball.

Mrs. Priluek Wins Women's Title at Buhl

BUHL, Aug. 30 (Special)—Mrs. Helen Priluek today held the women's golf championship of the Clear Lake Country club course here yesterday after defeating defending champion Mrs. Mae Cox, 4 and 3.

Mrs. Cox, medalist, gave Mrs. Priluek stiff competition, but the new champion topped the 36 holes in near-par figures to win the title. She spent the entire day tournament is slated for Monday, beginning at 9 a. m. with both men and women competing. Players are to be matched at the tee and each two-somes will play one ball.

A men's tournament is slated to start Sept. 7.

Other results in yesterday's female tournament follow:
Mrs. Selma Thigley won from Mrs. Melba Wilkinson, 4 and 2; Mrs. Ethel Wall won from Mrs. Iris Averett, 7 and 2; Mrs. Ethel Fickler won from Mrs. Edna Tomlinson, 6 and 2; Mrs. Lillian Vueller won from Miss Inby Priluek, one up.

Hogan Leads Field In Hershey Open

PHILADELPHIA, Aug. 30 (UP)—The field in the 1941 Hershey open golf tournament set up in pursuit of little Benny Hogan of Texas in the final round today. The sub-par rounds behind him, Hogan's midway total as he started out today was 136, 10 under par.

His nearest rival was Slim Lloyd Mangrum of Monterey, Calif., who had 68 yesterday for a half-way total of 138. Five other back nines in the 20,000 customers who gathered to see the thoroughbred goodbye for another year were ready to concede to Hogan or to...

Solons' Lead Dwindles; Rainiers Split

SACRAMENTO, Aug. 30 (UP)—The Solons' lead in the Pacific Coast league was down to five games again today, and San Diego was challenging for second place.

The Solons dropped another to San Diego as the second half of the league's split week opened, while second place Seattle split a double with Portland. San Diego is now six games off the lead.

The Padres handed the league leaders a 7-1 beating, getting a four-run lead in the first two innings. Manager Pepper Martin was so disgusted with the hurling of Nubs Kline and Bill Caplinger he took over the mound himself in the eighth and held the Padres hitless.

Portland beat Seattle, 2-1, in the third and Durston lifted a homer over the left field wall to give the Oaks a two-run lead they never lost.

40 Drivers to Compete in Oakland Race

OAKLAND, Calif., Aug. 30 (UP)—Forty race drivers compete at Oakland speedway today in the time trials to determine 33 starters for the fourth annual 500-mile race at the speedway Monday.

More than \$500,000 worth of racing fans are expected to see the trials. Among the drivers entered were Reg Jack, Rex Bray, Bob France, Slim Mathis, Hal Cole, Ho Anderson, Paul Wright, and Fred Aschbacher, Berkeley.

San Francisco gambled in for eight runs in the second inning and went on to wallop Hollywood, 19-4. It was the fifth straight win for the Soaks.

Portland and Seattle split a double with Portland. San Diego is now six games off the lead.

The Padres handed the league leaders a 7-1 beating, getting a four-run lead in the first two innings. Manager Pepper Martin was so disgusted with the hurling of Nubs Kline and Bill Caplinger he took over the mound himself in the eighth and held the Padres hitless.

NAMES in the NEWS

BURLEY CARAVAN ADVERTISES FAIR

Cassia county's fair was well advertised throughout this section of Idaho today and reason was a caravan which visited Twin Falls and other communities yesterday afternoon.

Of course 28 or 30 Burley girls, dressed in cowgirl outfits, did their part to attract attention on the tour. Among the girls was Miss Barbara Boden, queen of the fair. With her were her attendants, Miss Amy Lou Skiles, Miss Rozell Sohn and Miss Rada Matthews.

Playing musical instruments during the stop in Twin Falls were members of the Burley high school band. The caravan was led by State Patrolman Milton Reeves and Seth Harper, chairman in charge.

The Cassia county fair and Oregon Trail stampede will be held at Burley Sept. 3, 4 and 5.

FIVE KILLED AS 3 PLANES CRASH

MARCH FIELD, Calif., Aug. 30 (AP)—Army air corps inspectors today investigated the crashes of three military airplanes, in which five men were killed and two seriously injured.

Four army fliers were killed late yesterday when two PT-17 primary training planes locked wings on a routine training maneuver, crashed into a field and burned.

The victims were Second Lieut. John A. Mitchell, Peavine, Okla., and technical Sgt. Richard E. Stafford, Nashville, Tenn., who were in one plane; and Second Lieut. Edward A. Rose, Grass Valley, Calif., and Pvt. James D. Glenn, Fort Worth, Tex., who were in the other.

Radio man James Knight, 24, Manhattan Beach, Calif., was burned to death earlier when a North American B-25 attack bomber, being tested for delivery to the air corps, side slipped during a landing, crashed and burned in a field adjoining Los Angeles municipal airport.

Pilot W. D. Wild, 37, Los Angeles, and Paul Penrose, 23, a visiting pilot from the North American plant in Dallas, Tex., were dragged from the flaming wreckage, but they were seriously injured.

Tenckinck's Herd Sets High Mark

Four quarts of milk daily for 88 families throughout an entire year—the production record of 24 registered Holstein cows owned by L. J. Tenckinck, prominent Twin Falls dairyman.

Yearly results, as listed by the Holstein-Friesian association, showed today that the herd average was 112.2 pounds of butterfat from 11,442 pounds of milk per cow.

This butterfat average is more than three times as much as the country's average daily cow, using U. S. department of agriculture statistics as the basis of comparison. The herd was on a two-time-daily milking schedule.

The highest producer in the herd was Colinda Fabe Kohle, a 7-year-old that produced 541.6 pounds of butterfat from 18,146 pounds of milk in 350 days.

The production records obtained by Mr. Tenckinck will be useful in planning a breeding program for the further improvement of the herd.

Christian Science Lecturer Coming

The Christian Science department to defame will form the topic for a free lecture to be given in Twin Falls at 8 p. m. on Sept. 1, at the Biakel school auditorium. He appears under auspices of the First Church of Christ, Scientist, of Twin Falls.

MICKLE SCHOOL NEAR

HANSEN OPENS SEPT. 1
HANSEN, Aug. 30 (Special)—The official opening of the Mickle school is set for Monday morning, Sept. 1, with a half holiday in the afternoon, Tuesday, Sept. 2.

The teacher is Mrs. Frank Stetter, advised that they must have transportation for the children until the new school bus, which is being purchased, arrives. It is expected about Sept. 10.

Roasting Ears, Cradled In Ice, Head for Coast

California this year will know what a treat it is to eat Idaho corn on the cob (roasting ears). If you want to know how to do it, here is the reason can be traced to the activities of seven farmers in the Twin Falls-Buhl section who, through H. B. Long, are shipping tons and tons of corn to the California market, especially the San Francisco, Sacramento and Stockton areas.

Yesterday an Evening Times reporter visited the scene of the packing operations on the eastern city limits and found that the job is a real one.

Loaded Fifth Car
At that time the fifth railroad car of corn was being loaded for shipment and before the season is over in about two weeks the number will have reached 15 or 20—perhaps even 25.

Each acre holds 500 crates of corn. Each crate holds approximately 77,000 ears in all. The corn is husked here in a machine that has a conveyor belt to a nearby packing house.

John Crowe, manager of the packing house, said that the corn is

Bridge Road Job Goes to Cavanagh; Starts Soon

A long-awaited event—start of construction on a new road from the city to the new-to-be bridge—was scheduled to get underway the first part of next week.

This was announced today by Dan J. Cavanagh, local contractor who was successful bidder on the job. The bids were opened at Boise yesterday afternoon.

Opening Next Spring
Cavanagh said that the "work gets underway" as soon as heavy equipment can be moved into position. Because of the late season the rolling operations cannot start until next spring but by that time the contractor hopes to have everything else ready and waiting for the fall. Under contract terms the work is to be completed within 180 days, with time extensions available in case of bad weather.

Another item to be considered is staking of agreements with various farmers for removal of irrigation ditches. The ditches would be moved to new locations, Cavanagh said approximately two miles of large lateral must be removed and several miles of smaller ditches must be shifted. Under schedule, telephone

lines and power lines are to be removed by the telephone and power company while Cavanagh must remove 86 trees and 50 stumps. All this must be accomplished before grading work can start.

The road will run from the Washington school corner at which point it will be 43 1/2 feet wide. At Heavens avenue it will be 42 feet wide and will continue at that width to the bridge.

Fulfillment
Construction of the road comes as the fulfillment of a campaign promise by Gov. Chase A. Clark. The governor, speaking here before his election, promised to rebuild the road, pointing out it was so rough that when he drove into the city he "nearly lost his teeth."

The bid-opening climaxed sustained efforts of the Twin Falls Chamber of Commerce, the highway district, and the mayor's advisory committee to assure construction of a road meeting the specifications of the governor's pledge.

Mr. Cavanagh's bid was \$72,735. Second lowest was Hoops Construction company, also of Twin Falls, \$72,808. J. C. Compton, McMinville, Ore., bid \$98,448.

U. S., Rich in Food, Is Poorly Fed Nation, Dairy Show Told

By A. HARVESTER
DAIRY PALACE, Flier, Aug. 30 (Special)—Again asserting that the United States, with an abundance of food is poorly fed, Mrs. Margaret Hill Carter, speaker of the national milk and its products in her talk last night at the dairy show.

The home demonstration agent called on her hearers to adopt the "protective aid" of milk to make up a strong nation at this critical time.

Mrs. Carter termed milk the cheapest source of the vitamins and the most perfect food that man can obtain. She no doubt surrounded her hearers with statement that 70 per cent of the school children in

Non-Costumers May 'Get' That Electrical Desk

For those who fail to don western garb to aid in advertising the county fair which starts Sept. 1 and continues through Sept. 21, Sheriff W. W. Lowery has "graciously" consented to donate a famous electric desk for use of the vigilante committee in convincing non-believers that costumers should be worn. E. C. Van Ausden announced this afternoon.

Van Ausden, contact man for the law, has said the old "hole in the wall" and the "devil's slide" in Rock creek canyon have been "brushed up" to aid in "giving a workout" to those failing to comply with the request that western outfits are worn from now until the time the fair is over.

"And sliding down that slide in ordinary pants will be something," Van Ausden commented. "Levis are the only pants you can do it in and not damage the anatomy."

The contact man thanked those who have put on the western garb but urged more cooperation on the part of local merchants in "dolling up" their clerks in appropriate costumes.

"The vigilante committee is ready to slide, if need be," Van Ausden said. "And brother, when we ride those who are not in western getup will know about it."

He also pointed out that the opening day at the fair will be Twin Falls day and that local merchants will cooperate by closing stores at noon or 1 p. m. at the latest in order that all employees may attend the fair.

Scouts Guests at Dad-Son Banquet

Plans had been completed today for the annual father-son banquet of the Kiwanis club at which time Boy Scouts of the Kiwanis troop will be guests.

Announcement that the banquet would be held next Thursday night was made at the hot Kiwanis section, 5th and 4th at the station was Bill Powers, Flier coach.

Records show that visiting Kiwanis clubs include U. S. Gentry, I. E. Stansell and J. L. Greiler, Lansdale, Penn. Guest of the club will be E. M. Magdeloff, Kansas City, Mo.

Trail to the tune of "The Chisholm Trail," with a band on the chemurgio boys and their program. (Bill don't see why they want to dance with the fat sheep's milk when we don't have enough milk to drink).

Show Wins Fame
Worthy Olds, daddy of the dairy show from California. Mr. Olds said, Mr. Olds pointed out that already we are receiving much publicity and notoriety from the unique demonstration that is being carried on at the show. Two cars of people from California. Mr. Olds said, had stopped here on the way to Yellowstone park, having heard about the show while in southern Utah.

Mr. Stansell called attention to the chemurgio display on the wall of the dairy palace. Lucene was the host Orange and a crowd of 120 or more was present. Howwell and Falls City were the guest Orange, and the other Orange was the one set up. In addition to Master Howman and his wife of Howwell were present. Mr. Albert Prenderick also were present.

Tonight Jerome, Cooperative creamery is host to the 411 dairy show. Mr. Olds said that if as many come from other counties as have said they would, the dairy show will be a very successful one. Kids, Kimberly Grange serving the banquet in the crowd and you better get there early.

Introduces Cows

The cows were introduced by S. C. Ward, chairman for the Jerome Cooperative creamery, and the spirit of cooperation is surely evident the way the boys who are identified with the management of the dairy show pinch hit for each other. It was announced that the cow entered by Charles Galt, 411 High boy from Hazelton, had become the property of Leonard brothers of Flier. She is a nice individual and the many Grange friends of Carl Leonard will wish him luck with the new cow. And it might be stated that with the average production of 411 pounds of butterfat for August, as announced for the 10 cows in the show, at the price of 50 cents per pound for the product, 20 cents per cow, \$20.50 per cow or \$208.50 would be realized for the month, a very nice return indeed for 10 cows, at Tom Heilmann, master of Lucerne Grange, was introduced and spoke briefly. He introduced Claude Bowman, owner of the 411 cow, of Grange, one of the guests. Four members of this Grange came about 50 miles to the show. Mr. Ward of the Mountain States Implement company explained the working of the milker. A Harvester sang his own version of "The Dairy Show

Trickled in, another seven and one-half tons of cracked ice as placed on top of and around the ears. It was planned to ship two carloads in addition to the railroad. In addition to the corn to market, 800 crates have gone by truck.

Local Help, Too
In addition to moving this "mass of corn" to the coast market, thousands of pounds are distributed for consumption in this locality. It takes lots of people to make this new "industry" a success. For instance, among the workers necessary are eight pickers, nine women packers, a box maker, a loader, several drivers and several handy men. Three ton and one-half trucks as well as two pickups are used in hauling the corn and ice to the railroad cars.

"GOODBYE, NOW!"

Today . . . Saturday . . . marks the last appearance of the Times & News Hospitality Girl on the streets of Twin Falls . . . another year, another tourist season, may find her back again. But with the approaching Labor Day, tourists are busy wending their way homeward . . . hurried . . . and even the courteous query of the Hospitality Girl can't stop them in their resolve to "get back to the home folks." And so . . . there her job ends.

For three weeks, Harriet Duvall Denton, as the Times & News Hospitality Girl, has been the good will ambassador for our Magic Valley. For three weeks, she has personally greeted tourists, advised, directed them and urged them to come again into our Magic Valley. Without exception, almost, they have appreciated this community service . . . and many of them have taken the time to express in writing their appreciation of the courtesies they enjoyed through the Hospitality Girl's services.

Over a thousand travelers have been met by the Hospitality Girl . . . travelers from almost every state in the union . . . and you may rest assured that the story of the Twin Falls Hospitality Girl will be on the lips of each of them when they return to their homes. And coupled with that story will be tales of the wonders of scenic Idaho. One person's efforts are necessarily limited but the success of the Hospitality

Girl in telling the story of Magic Valley is indicative of what a concerted community effort would do along the same lines. If each merchant, each resident could constitute a committee of one to welcome and greet our visitors, our fame would grow even farther.

That the Hospitality Girl's efforts have been appreciated at home is also borne out by the many commendations she has received from our own citizens from Magic Valley . . . and so she is sure that she has helped awaken our whole community to the benefits which may come from an adequate greeting to travelers with a thorough appreciation on the part of our own citizenry for the scenic attractions with which our communities abound.

As a newspaper we are glad to have sponsored such a popular project in cooperation with the Twin Falls Chamber of Commerce and we sincerely hope that the Times & News Hospitality Girl has done her part in lending support to the program of Tourist Education sponsored by that civic body. And we are deeply grateful to our merchants who have received her in their places of business in their enthusiasm for the program.

The tourist season is over . . . and in the words of Harriet Duvall Denton, the Times & News Hospitality Girl, it's a "Goodbye, now!"
