PRESIDENT ASKS \$5,985,000,000 MORE FOR LEASE PROGRAM

Once Again Veterans of World War I March in Huge Parade

At Milwaukee, Wis., thousands of American Legionnaires joined in the fun and frolic which each year marks the great Legion parade. While onlookers crowded sidewalks, veterans of 1917 marched in a three-mile long parade during their 23rd annual national convention.

America Engaged in Greatest Production War, Legion Is Told

MILWAUKEE, Wis., Sept. 18 (AP)—America, "at present," is engaged in the greatest production war in the world, William Green, president of the American Federation of Labor, told the closing session of the American Legion's 23rd national convention today.

"Our great industrial machine is engaged in a desperate race to turn out more and better implements of war than the enemies of democracy can produce," Green said.

"Are We in War?" Past National Commander Harold MacBride sought convention support for a resolution asking the national administration and congress to answer the question: "Are we in the war now?"

The report also called for deportation of Harry Bridges, asked congress for complete restriction of all immigration during the national emergency and denaturalization of all aliens unfriendly to this government.

BRIDGES DEPORTATION The report also called for deportation of Harry Bridges, asked congress for complete restriction of all immigration during the national emergency and denaturalization of all aliens unfriendly to this government.

GERMANS KILL 11 FOES IN BELGIUM BERLIN, Sept. 18 (AP)—Eleven Belgians have been sentenced to death by a German court martial "for assisting the enemy, espionage and reproducing anti-German pamphlets," the German-controlled newspaper Brussels Zeitung announced today.

STOCKHOLM—German occupation authorities continue to arrest Norwegians in Oslo despite their pleading of the best regime of neutral law, it was estimated 100 Norwegian patriots were arrested daily and taken to headquarters of the Gestapo.

BUDAPEST—Hungary—Newspaper photographs from Belgrade said today that 80 Serb "Communists" hostages had been executed in retaliation for the killing of a German soldier.

BERLIN—Authorized German quarters said today a number of children residents in Germany had been arrested. The arrests were in retaliation for the arrest of Germans in Chile, authorized quarters said.

NAZI RAPID ARMY MAKES ADVANCE IN CRIMEA AREA

By JOE ALEX MORRIS United Press Foreign News Editor. German raid troops led by motorcyclists rocketed across the Ukraine were reported today to have cut off the Crimean peninsula, and to have driven by the sea and air against stubborn Russian defenses all around the Black sea.

Important Gains Claimed According to Berlin version, the land campaign already has made important progress, allowing rapidly through the Crimean isthmus to the flat country leading to the Soviet's greatest war industrial centers and apparently encircling some 300,000 enemy troops in lightning advances by tanks and motorcycle units.

In the Black sea, the Italian fleet reported striking at Russian shipping in the Bosphorus and the Black sea, and Russian relations with Bulgaria appeared to be at the breaking point as a result of German operations from a western coast base such as Bulgaria.

STRIKE END NEAR FOR KANSAS CITY

KANSAS CITY, Mo., Sept. 18 (AP)—Union negotiators looking toward settlement of the strike at the Kansas City Power and Light Co. were busy today in the face of a threat of a new walkout.

City T. Shoemaker, vice-president of the company, said steps had been taken looking toward negotiating a settlement of the labor dispute but that until today there had been no meeting between representatives of the company and the International Brotherhood of Electrical Workers.

Late FLASHES BERLIN, Sept. 18 (AP)—German quarters claimed tonight that lightning Nazi paratrooper forces on the central and southern fronts had caught large Russian forces in giant street traps east of Rostovsk and east of St.

LONDON, Sept. 18 (AP)—Radio broadcast asserted today that the Germans had forced the Russians to retreat 10 kilometers, 9.3 miles, in a key sector of the Leningrad front and had inflicted heavy losses on them.

They are dealing blow after blow and the enemy is suffering heavy losses," the Leningrad radio said in a broadcast picked up here by the United Press listening post.

Lots of Attention for Champion Bull

The grand champion bull of the Jerome county fair attracts a lot of attention, as shown by the above picture. The bull is being held by the owner, A. D. Nye, and was entered in the competition by the Nye brothers. Earl Riter, at the left is Anna Mae Burk, queen of the fair. The two girls at the right are (left to right), Gertrude Kornher and Janice Rossman, two of the three members of the girls' 4-H team which set a precedent in winning the grand prize in stock judging. They are from Gooding and the team of which Alice Ross was also a member, scored 100 points out of a possible 100. A Minidoka boy's team was second. The fair will end Friday night.

Children's Day Slated on Friday at Jerome's Fair

JEROME, Sept. 18 (Special)—All Jerome school children will be dismissed from classes Friday afternoon in order that they may attend the Jerome county fair, it was announced today by H. Maine Shoun, superintendent.

Fair officials at the same time announced that any regularly enrolled students, accompanied by their parents, would be admitted to the fairgrounds free Friday afternoon.

The fair will wind up Friday night, concluding the three-day Jerome county fair. The weather has been fine throughout and continued fair weather is anticipated for the closing day.

Everything is "all set" for tonight's annual fall opening style revue, which will be presented at the Radio Rodeo starting at 8 p. m. It was announced this afternoon by Roy Hudson, general chairman in charge.

Approximately 40 models are expected to display the latest in fall styles for men, women and children. The fair has been conducted under the direction of William Spracher, Jr., and the nation will be in charge of the floor show which will feature during the presentation.

FUND WOULD BE USED TO ASSIST BATTLE ON AXIS

By CARL PETERSEN WASHINGTON, Sept. 18 (AP)—President Roosevelt asked congress today to appropriate \$5,985,000,000 to continue lend-lease aid to nations battling the axis through June 30, 1943.

The President's request for funds to be used over the next two years indicated preparations for a possible extension of the lend-lease program. He asked he be left free to provide lend-lease aid to any country whose defense he considers vital to this country's freedom.

The President sent to Speaker Sam Rayburn a breakdown of the proposed expenditures compiled by Budget Director Harold B. Smith. The total amount requested is as follows:

Ordinance and ordinance stores, supplies, spare parts and materials, including armor and ammunition, \$1,100,000,000. Miscellaneous military and naval supplies, spare parts, materials, \$1,100,000,000. Facilities and equipment for production of military and naval supplies, \$1,100,000,000. Agricultural, industrial and other commodities and articles, \$1,100,000,000.

Repairing, reconditioning, etc. of military and naval equipment, \$1,100,000,000. Necessary services and expenses essential to effectuating the original lend-lease program, \$1,100,000,000. Administrative expenses, \$1,100,000,000.

Receivables, \$1,100,000,000. The total of \$5,985,000,000 lend-lease appropriation provided six months ago, \$5,200,000,000 is now available for use. The appropriation is divided into three stages of allocation, obligation, production and delivery.

Although under terms of the authorization proposed in the budget, the President's request would have power to extend lend-lease assistance to Soviet Russia, another clause in Smith's letter apparently was directed specifically at Communist or members of any other organization in the United States which might be considered inimical to the national welfare.

Decline Noted in Idaho Car Deaths BOISE, Sept. 18 (AP)—Jack L. Halstrom, state commissioner of transportation, today announced that 13 persons lost their lives in traffic accidents during August, compared to 17 in the same month last year.

Oddities

FLASHER GASTED SAN FRANCISCO Executives of the Pacific Gas & Electric Co. were flabbergasted to receive letters from Mayor Angelo Rossi asking their support (financial and moral) in a campaign to vote bonds for municipal operation of PGE's San Francisco properties.

RETURN SANTA CRUZ, Calif.—The "old man of Monterey bay" is back again, banking his spotted 4,000 pound weight on the rocks and giving fishermen acute attacks of "honey-jeebies." The "old man" is a mackerel, at least 100 years old (fishermen so describe him)—and he has made his appearance from the depths of Monterey bay in irregular periods for at least 10 years.

MORALE SAN JOSE, Calif.—At these critical times, morale must be maintained in the army as Sgt. Martin Clyde Kornblatt, 24, of the 4th Co., Moffett field base, is well aware. Sgt. Kornblatt petitioned superior officers to change his assignment to "Kern." Recruits, he said, referred to him as "Sergeant Kornblatt" and such conduct was "inimical to maintaining discipline and is a source of embarrassment to me."

TOUGH CHICAGO—Drink from one in eight die off whiskey, wine, beer, rubbing alcohol, shaving lotion, "dettol," cannot heat, vanilla extract or shoe polish. Keep it up for three to five years. Your store the air still has a better than even chance of looking pretty good, two Chicago suppliers reported in the American Medical Association journal today. However, the doctors don't recommend it, they advise didn't show what such indulgence would do to other organs.

WAY CLEARED TO OPEN DAM WORK BOISE, Sept. 18 (AP)—Right of way difficulties delaying start of work on Cascade dam today appeared to have been settled by court action.

Federal Judge C. O. Cavanagh granted right of possession proceeding for relocation of 14 miles of railroad north of Cascade, first step in condemnation proceeding to open the Cascade dam project in Valley county.

NAZI TANKS CAPTURED CAIRO, Sept. 18 (AP)—Mechanized South African and British forces captured 100 German tanks and 100 German soldiers with enemy equipment which crossed into Egypt from Libya in August, British troops reported today.

STAMP PROGRAM PUSHES FORWARD

(From Page One)
On their programs to explain the details of the campaign.
"All organizations," Mr. Toffey said, "are reminded that the county-wide setup includes a speaker's bureau headed by Marshall Stewart and which is directed in charge of city organizations, Mr. Perry, who likewise provides speakers."

He indicated that there seems to be some confusion as to the fundamental difference between the stamps and bonds.

Buy-as-Can Method
The stamps merely provide a buy-as-you-can method, eventually to amount to a bond. In other words, the stamps—after an album has been filled to a certain denomination—may be converted into a bond. It should be borne in mind that the stamps are not registered and that they accrue to the collector, as cash. They draw no interest until they are converted into bonds.

While the lowest bond available is that of the \$25 denomination, purchased with \$18.75 worth of stamps, there nevertheless is the 10-cent stamp card which really provides a means of savings for those unable to fill the 25-cent albums. A 10-cent stamp card, eventually \$2.50. Then this can either be kept and additional 10-cent cards can be filled out, or the lower priced stamps can be exchanged for the 25-cent kind."

Always Negotiable
In buying the stamps, the county chairman said, the public "need have no hesitations regarding any purchase of stamps, as they are always negotiable. It is possible to continue purchase of the stamps for the reason that the stamps, if necessary, can always be exchanged for cash at face value."

Keep the White Flag of Safety Flying

Now four days without a fatal traffic accident in our Magic Valley.

TEACHERS SLATE OCTOBER SESSION

Dates on which approximately 600 to 1,000 teachers and school leaders will convene here for the annual "Institute" are Oct. 24 and 25, the Chamber of Commerce was advised today by Miss Mary D. Jones, Jerome, secretary-treasurer of the South Central Idaho Education association.

Schools of the Magic Valley area, listed as district four, will close Oct. 24, which is a Friday, to attend facilities to attend the annual gathering here.

Program including several well-known educators is now being drawn up.

PROGRAM READY FOR CITY PICNIC

Complete program, which will be observed during the city employment picnic to be held at the Pler fair grounds starting Sunday at 1 p. m., was announced this afternoon by O. H. Coleman, city councilman and chairman in charge of arrangements.

All employees and members of their families planning to attend are asked to meet at the city hall at noon Sunday. A caravan will be formed at that time and will proceed to Pler.

Initial point on the program will be a brief talk by a speaker discussing national defense stamps and bonds.

Following the talk a picnic lunch will be served with the major portion of the food, including sandwiches, coffee, milk, soda pop, salad and meat being furnished.

Following the picnic, various athletic contests will be staged with both "oldsters" and youngsters participating, according to Judge J. C. Humphrey. A softball game will be played with employees of the various departments—

participants and participants, including a sack race, three-legged race and fast race, will be held for both boys and girls. Cash and merchandise awards will be given. Volley ball games will also be staged as will horseshoe pitching contests, the latter for the adults. It is expected that 300 persons will attend.

CLUB HEARS TWO YOUNG SPEAKERS

The younger generation talked to the elders at the Twin Falls Rotary club meeting Wednesday—with no pleases pulled.

Two youthful speakers, Miss Julia McBride and Gene Hull, were featured on the program.

Miss McBride is a senior at Twin Falls high school; Hull was graduated last spring and plans to attend University of Chicago this year.

Football Guests
Other school figures who were guests of the Rotary included Hank Powers, football coach who announced the inaugural game for Friday night against Oakley, and Mel Hulbers and Glen Terry, two youths who are expected to be backfield stalwarts on the Bruin grid team.

Miss McBride told the Rotarians that the adult generation should pay more attention to developing proper recreational facilities to keep youth away from pool halls and beer parlors.

She asserted candidly that such places are operated by adults to attract youth. The fault, she said, lies more with the adults than with the young people.

Urges Continuous Boosting
The girl student asserted that continuous efforts to expand the community and to keep it busy are the best guarantee that diverse occupations and jobs will be available.

Hull also takes advantage of the Rotary assurance that forthright talk was wanted, declared that the business and professional leaders of the city have often been "too busy" with their own affairs to accord youth enough attention.

He said that Twin Falls, although possessing ideal potentialities for a full life, sadly needs a municipal auditorium and a municipal gymnasium.

Civic Not Social
Civic endeavors, the young man told his older listeners, ought to take precedence over strictly social interests.

"Youth was not responsible for the present war," he said, "yet youth must help to fight it, must endure the troubled reconstruction period certain to follow, and must in general clean up the chaos."

Miss McBride and Hull were introduced by John E. Hayes.

Rotary meeting next Wednesday will be an evening session, officers announced. Arthur L. Swin will be in charge of the program. Mr. Swin is chairman of the international relations committee.

The club accepted L. M. Beerup, Union Pacific traveling freight and passenger agent, as a new member.

SOCIETY WOMAN TAKES OWN LIFE

DENVER, Sept. 13 (AP)—Glad in a negligee, Mrs. Anna Lou Boettcher, 37½ wife of Charles Boettcher, Jr., Denver broker, was found dead in the bedroom of their fashionable home yesterday afternoon.

Coroner Gus Economy said she committed suicide.

She shot herself in the head with a .38 caliber revolver which the family had kept in the house since Boettcher was kidnaped Feb. 12, 1932, and held for \$50,000 ransom.

Members of the family blamed dependency over ill health for the suicide of the socially prominent wife of one of Colorado's leading industrialists.

Nazi Drive Apparently Aims At Shortcut Through Crimea

By LOUIS F. KEEBLE

Of The United Press War Desk
A German drive for the oil fields of the Caucasus much earlier than had been expected, by means of a short cut through the Crimean peninsula is suggested by today's war developments in the Ukraine.

If the German push maintains its present rate of progress and is not stopped by a determined Russian rally, the fall of the Crimea appears not unlikely.

The peninsula, scene of the ill-starred British-Bulgarian attack on Russia in 1918, is only four miles from the shore of the Caucasus region. It is bordered on the east by the sea of Azov, which is connected with the Black sea by the strait of Yankalek.

The Germans' having broken through to the Black sea and surrounded Odessa to the northwest, are within striking distance of the Crimea. They already are reported to have reached the Perekop isthmus which connects the Crimea with the Russian mainland.

The isthmus is only three-to-four miles wide, which would enable a German Russian concentration for defense. Whether strong defense works were set up there in the past is not known, but it is possible.

Extent of Russian strength in the Crimea also is not known.

If the Russian defense has been centered in Marshal Budenny's army of the Ukraine, it is possible no great reserve of troops was kept idle in Crimea.

The peninsula, which has a population of only about 700,000, is 210 miles long and 110 miles wide. It is well adapted to winter fighting with a mild climate and almost no snow except sometimes in the mountain range which divides the northern part from the south.

A Russian drive on the Caucasus road to the middle east, apparently would be two-pronged. It is indicated by present maneuvers. One would be by the back door through Crimea. The other would be through the southern Ukraine past Rostov and the Don river.

To the north, the Germans already have pushed to within 150 miles of Nikitovka, which is the northern terminus of the long pipeline from the Bakou oil fields. When and if they get that far, Russia's main oil supply would be severed automatically.

On the southern route, if the Germans actually are at the Perekop isthmus, the only way the Russians could get reinforcements and supplies into Crimea would be by water, across the sea of Azov from Rostov.

Nixie! Nixie!! You wouldn't buy Chops by the Bunch

Thick lamb chops... thin ones... nice ones... others not so nice... gathered in bunches and priced by the bunch?

Ever stop to think that maybe buying beets and carrots and turnips by the bunch isn't so much different from buying a bunch of chops?

No two beets are alike. No two carrots. More important, bunches in one store are a different size from bunches in another store. But a pound of carrots... each carrot picked out by you and weighed with the tops cut off... is the same amount of good eating every time you buy it.

That's why we at Safeway now price all our fruits and vegetables this full-value way. We price all produce by weight... rather than by the piece, the bunch, or the dozen.

There are many advantages to you in buying green food and fruits by weight. Come in to your Safeway's produce department and make your own comparisons. Then you'll see why we call it the FULL-VALUE WAY to buy.

Many prominent women tell us they would like every store in town to price all fruits and vegetables by weight. Then you could get just the amount you want, just the sizes you like, and full value for your money every time. Wherever you trade, why don't you ask your store man about it?

SOLOON SAYS U. S. ONLY NATION TO MATCH NAZI ARMY

SENATOR STATES FRENCH, BRITISH ARE WRONG TYPE

By GEORGE E. REDDY, Jr.
WASHINGTON, Sept. 18 (Special)—Sen. Albert D. Thomas, D. Utah, a member of the senate military affairs committee, said today he believed the United States was the only country capable of matching the type of modern warfare developed by Germany.

He referred to the training of German soldiers in many armies, and to the fact that the type of the German army is an ally.

"I do not think the British or the French or the Russians can match this type of training," Thomas said. "But America, with their background of ingenuity and self-reliance, can probably outstrip even the Germans."

Not Caught up
"The American army has not caught up with the German army. Organization of the latter represents a revolutionary change in methods of modern warfare which I believe can only be matched by the United States."

The U. S. army, he said, should be able to find at least 60,000 men "who are definitely officer material" and who are drafted annually. He called for action which would give these 60,000 men the same training as sent to officers training camps.

He proposed many of the army's present officers should be retired, and more officers be taken from the ranks. He said Germany, during the period after the last war when its army was restricted to 100,000 men, trained all of its officers to the point where each could have become a brigadier general, if necessary.

From Ground up
"I believe we should build our army from the ground up," Thomas said. "If our soldiers come up from the ranks we will have an army composed of young officers and we will have a thoroughly democratic army. I believe this action would go far to promote the morale our officials are always talking about."

"From a military standpoint, the army is getting the cream of our youth, today. The selective service act guarantees procurement of men of education and intelligence and it is safe to assume that among the 900,000 who may legally be drafted there are at least 80,000 who are definitely officer material."

"Under present circumstances, the army has enough officers for more than 3,000,000 men while its actual strength is about 1,000,000. Many of these officers should and could be weeded out."

China Will Fight Until Manchuria Returns to Fold

CHUNGKING, China, Sept. 18 (Special)—Generalissimo Chiang Kai-shek broadcasting to his nation on the eve of the anniversary of Japan's attack on Manchuria in 1931, said last night China would never stop fighting Japan until Manchuria is recovered.

He said he is convinced the powers opposed to Japan would eventually "lightening and strengthening the horizon around her."

"I believe the final collapse of Japan as an aggressor is about to begin," he said. "We shall continue to fight until we have set ourselves."

Mrs. Howard Leads Song Fest at C. E.

Buhl, Sept. 18 (Special)—Rev. and Mrs. J. A. Howard attended the district Christian meet at Harrison, today, Sunday, and report an attendance of over 100 representing societies of the Christian and Presbyterian churches from Rupert, Eden, Burley, Twin Falls, Buhl, Jerome, Wendell, Rogerson and Hollister.

A pot luck dinner was enjoyed under the trees at 2:30 p. m. Mr. and Mrs. Gerald Wallace, Twin Falls, as social chairman, of the Christian Endeavor, supervised the games played during the afternoon.

They were sounded at the close of the recreational hour and the assembly gathered at the vesper altar for services. A portable organ was played by Mrs. Wallace and Mrs. Howard directed the singing.

Others attending from Buhl were Rev. and Mrs. Merl Jones and Ella Radford, the Christian church; Elizabeth and James Webber, Jane and Barbara Gibb, Jean Radford, Dale Erverson and Johnny Erickson, of the Presbyterian church.

The freshman reception, given by the senior class, was held Friday at the Heyburn Hotel. Given by Jeanne Nelson as the ideal freshman girl, and to Billy Drew as the ideal freshman boy.

The Heyburn team will play 11-man football with Declo Friday. The game will be played at Heyburn.

Many Activities at Paul CCC Camp

PAUL, Sept. 18 (Special)—Events at CCC Camp Paul BR-55 are transpiring with great rapidity as the complete camp program moves into the autumn months. Each day finds progress in all phases of camp activity and on the work project where the utility of the Mideola irrigation project is being improved.

Within camp Paul itself many improvements are under way and when they are complete the camp will rank second to none insofar as beauty and equipment are concerned. The kitchen receives a complete renovation with electrical equipment throughout. Educational facilities are of the best with a library of 1,000 books, every conceivable kind of wood-working equipment, complete photography equipment for both still pictures and movies.

In addition to this, the Pocatello District Clerical school is held at the camp and enrollees are trained for duty as clerks in companies throughout the Pocatello district. Also, college credit courses are offered to enrollees who desire to take college work. Vocational training is offered through job training and practical work experience.

Young men of Idaho who are desirous of securing enrollment at Camp Paul should apply in the commanding officer of that camp or to their local employment office. All applicants must be between the ages of 17 and 24 years, and in need of employment. An enrollment is for six months and may be accomplished at any time.

Gooding-Fairfield Meeting Planned

GOODING, Sept. 18 (Special)—Senior citizens of Commerce met Tuesday night at Flynn's banquet room with Adam Schubert presiding. 26 members attending.

It was announced by William MacKnight that no speaker had been obtained to date for the Gooding-Fairfield meeting, which is scheduled to be held at Fairfield the latter part of the month. Mr. MacKnight will be in charge of publicity and program for the event and Leo Rice is chairman of arrangements for the dinner.

Ram Sullivan reported on the meeting of Southern Idaho, Inc., which was held in Shoshone Monday evening. He named the list of officers for the organization which were nominated at the meeting.

A letter was read from the Twin Falls radio station extending an invitation for all Chamber of Commerce members to attend their open house which is being held this week. The need for a descriptive folder telling of this community and the immediate vicinity was discussed and the matter was turned over to Mr. MacKnight.

FIRM OPENS AS CHRYSLER AGENT

Formal opening of the DeCroft-Wood Motor company at 321 Main avenue east, the agency which will handle Chrysler and Plymouth cars in Twin Falls, took place today.

Partners in the new firm are Ned DeCroft, who has been in the automobile business here the past year, and one-half and Harry F. Wood, Salt Lake City, who was associated with DeCroft before the former came here. Wood's wife and son have joined him here and they will make their home in Twin Falls.

The motor company's new location is modern in every respect. The building is 125 by 125 feet with the showrooms being 36 by 75 feet. A large repair department and storage area are located in the rear of the building.

Products of the Utah Oil company will be featured and complete servicing for all makes of cars, in addition to the Chrysler-Plymouth line, will be available.

A used car lot will be located next to the garage building on the west side.

Mr. DeCroft announced today that Les Hendricks, expert on Chrysler products, will be in charge of the service department while J. B. White and W. B. Jacobs will be members of the sales staff.

Conference Plans Made by Writers

BURLEY, Sept. 18 (Special)—Burley chapter of the Idaho Writers' League held the first meeting of the fall season Tuesday evening at the home of Mrs. T. D. Yeaman, with Miss Olive Farrell as assistant hostess.

Ten members attended and plans were made for attendance at the state convention to be held in Twin Falls Oct. 17 and 18. A committee composed of Mrs. Alma Sigmond, Mrs. J. E. Myers, and Mrs. Iva Andrews was named to outline program for the year.

Mrs. Olga Drex read a chapter from a children's story she is writing, and Mrs. May Anita Johnson read parts of a pageant she prepared this fall at the "Three meetings."

Mrs. Cora Rhode Brady reported that two of her poems had been published in a collection of modern poetry.

Refreshments were served, and the next meeting was announced to be held at the home of Mrs. Ernest Steinhilth Tuesday, Oct. 14.

STORAGE POINTS WHEAT CUT NEED

Difficulties encountered throughout Idaho in storing all of the 1941 wheat crop should emphasize to farmers the need for smaller wheat acreages in 1942, Walter Reese, chairman of the Twin Falls AAA committee, said today.

"Wheat has backed up from terminal markets and overflowed even the expanded facilities of elevators and warehouses in many parts of the state," he declared.

"This harvest season has seen probably the greatest wheat storage building program Idaho has ever known, and still in some localities the 1941 crop is going to be hard to get completely under cover. Many farmers over the state have constructed new farm granaries and repaired and rebuilt old buildings for wheat storage, but practically every foot of storage space will be occupied by the time the grain crops are in."

Department of agriculture figures, he asserted, indicate a carryover on July 1, 1942 of 340,000,000 bushels of wheat, practically equal to the estimated 1942 production, and together the carryover and the 1942 crop will be about double the estimated domestic utilization for 1942, the committee pointed out.

Carryover of wheat on July 1, 1942, in the four major exporting countries is expected to total more than a billion and a half bushels, probably three times a long-time average carryover. Exports of U. S. wheat have declined from 115,000,000 bushels in the 1938-39 marketing year to 40,000,000 in the 1940-41 marketing year under war conditions.

"Average allotments in 1942 larger than the minimum national average provided by the Triple-A act," Mr. Reese said, "would only increase our wheat surplus problem, put an added load on the price-supporting features of the farm program and waste soil fertility that can be used to help these days to produce the crops and products that really are needed by folks in our nation and the defenders of democracy abroad."

FORGERY HEARING PUT OFF TO OCT. 1

Because material witnesses are now absent from the state, preliminary hearing of Bruce Martin on charges of forging a check signature had been postponed today until 10 a. m. Oct. 1.

Continuance was granted by Judge C. A. Bailey in probate court on request of Prosecutor Everett M. Swelby and an affidavit by Deputy Sheriff Virgil R. Borden.

Forgery complaint, signed by Henry Standler, alleges that Martin forged the signature "H. Standler" Aug. 2 on a \$15 check made out to the complainant and signed by H. G. Wilson.

Non-support charges against Martin, a Twin Falls and Shoshone laborer, were dismissed in district court last week. He still faces, however, a probable federal action for violation of U. S. district court prohibition.

PATRIOT

ROISE, Sept. 18 (AP)—Even prison walls can't shut out the patriotic urge to fight for one's fatherland.

Henry Washtewski, sentenced in Bear Lake county April 24, 1940, to serve five to 16 years for robbery, attached this note to his application for a pardon from Idaho prison:

"I am very proud of my fatherland and for this reason I would like to try to get the opportunity of joining the Polish-Canadian army to fight for my fatherland inasmuch as I am a native of Poland."

Ronald Higley, Burley, and LaVon Souder, Declo, were united in marriage on Sept. 15 by Bishop Earl Oliverason, with Cora Higley and Anna J. Wardle witnessing the ceremony.

CLARK REJECTS WILKIE CLAIMS

WASHINGTON, Sept. 18 (AP)—Chairman D. Worth Clark, D. Minn., of the senate subcommittee investigating the movie industry, today denied contention of film producers that "truth" is justification for producing anti-Nazi pictures.

Wendell L. Wilkie, counsel for the movie industry, has stated repeatedly since the hearings began Sept. 9 that Hollywood is frankly anti-Nazi and is depicting, accurately and conscientiously, conditions which Hitler has created in Europe.

"We all know murder and rapes are truths, too," Clark said, "but that does not justify them. Truth does not answer this problem. Murderers sometimes incite lynchings, which are never justified, and public portrayal of these things can be dangerous."

The Clark committee is in recess until next Tuesday when it is scheduled to question Nicholas Schenck, president of Loew's, Inc., parent company of Metro-Goldwyn-Mayer.

'REDS' RETREAT IN ARMY GAMES

By United Press

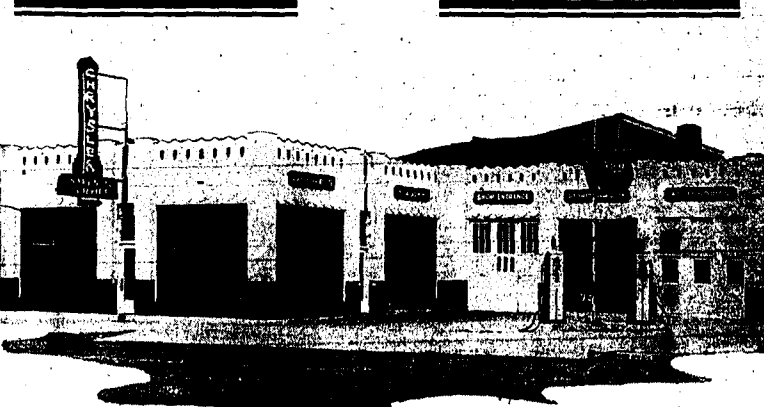

The Red forces of Gen. Ben Lear's second army apparently were in serious jeopardy today as the general's staff moved its headquarters further back from the maneuver front and reorganized its forces to meet the threatening Blue attack.

The Reds, who for the three days since the Louisiana war games began have been occupying hundreds of square miles of territory originally held by Gen. Walter Krueger's Blue third army, apparently have found their smaller forces are unable to consolidate the gains.

They have admitted Blue infiltration through their lines, establishment by Blue forces of bridgeheads on the Red river, and some disruption of operations behind the lines by Blue parachute troops.

Krueger brought his parachute troops into action yesterday when he dropped 120 of them over the enemy lines. Although fate of all was not reported, there was evidence they had succeeded in their mission of harassing the enemy.

A. Hansen, Scout committee; Mrs. Robert Green, Mrs. Maude Haysler, Mrs. June Garrett and Mrs. Hoops. Bee Hive teachers.

Ben Luke and Mrs. Whitehead were in charge. Mrs. Leah Teeple was music director; Miss Owen Helreich was organist, and Earl Freese was master of ceremonies.

As the guests were assembling, musical numbers were played by Dean Freeman, violinist, and Miss Helreich, pianist.

The program included: Opening prayer, Mrs. Robert Green, director; Miss Dorothy Earl and Miss Jane McNeely; theme, introduced by Robert Cameron, Boy Scout; hymn, "Lead Me, O Thou Great God," instrumental solo, C. L. Luke, accompanied by Miss Betty Ruth Luke.

Dancing Party
Floor show, which included: "In Triple Time," Dean and Faye Jewett; "Military Mood," Vernalis Strong; "Down South American," Carol May Wilson, Hansen; "A Pair of Educated Feet," Dolores Cardwell; "The Colonel," Shirley Thomas and Lucile Langdon; and "Rumba Tap" as an encore.

Floor lamps, furniture and baskets of flowers were on an interesting background for the program.

Dancing to music by Glen Eaters orchestra completed the evening. Punch was served from a table furnished by the members and green candles in brass holders.

Girl Reserves Attend 'Old Cowhand's' Party

"I'm an Old Cowhand"—that's how the G. R.'s of Twin Falls high school, met and conducted the first social of the year. The "round up" at the Y rooms started the new year off with a bang—over 100 girls attended.

They came dressed in cowgirl and cowboy outfits—leather, denim skirts, blouses, hats, neckerchiefs, tan-gaiters and every description of boots.

Western songs with a song-fest of western songs, among them: "The Old Cowhand," "She'll Be Comin' Round the Mountain When She Comes," "You Ain't My Sunshine," "Singing was led by Dorothy Hudson and Virginia McBride and accompanied by Midge Roper.

Mrs. Frank Wells, new Y. W. C. A. secretary for Twin Falls, who was in charge of the party, announced a novel arrangement of "Old King Cole" for the evening.

Barbara Randall won the prize for best dressed girl of the evening. Julia Miller and Doris Hunt shared the prizes for the "Miss of the bunch" and the "Fighting Spirit" respectively in their special presentation of three great events in our American history, which were Mrs. Eber's farewell to his mother, Cutler's last stand and the "Portrait of the Great American Indian." The stunt was won by Mrs. Eber.

Other stunts were: "Style show," announced by Marian Origen for the Bar Y ranch; the Virginia Reed, called off by the Circle O by Betty Jackle; Lay Y's portrayal of a western scene.

Cowboys were given paper and pencils and instructed to illustrate what they saw at the rodeo; the prize for the best drawing went to Grace Bradley.

Styles Echo War of 1914-17

Under the critical gaze of fashion experts, this model displays Hattie Carnegie's sequin-and-silken gown in purple and red, brilliant as a neon sign. Carnegie went all-out for color, playing up the theme as strongly as any American designer in the current style procession.

Nurses Finish Plans For State Convention

Final plans for the state convention of the Idaho Nurses' association here Oct. 13 and 14, were made at a meeting of the First District Nurses' association last evening at the home of Mrs. Allyn Dingler.

Sessions will be held at the Park hotel, and Mrs. Rosemary Reynolds is convention chairman.

Several of the educational films, shown last evening by Eric Jones-Pompeo-Grange leader, will also be displayed during the convention, it was determined.

Mrs. Jane Wiroching presided. Delegates were appointed during the business session.

Mrs. W. W. Thomas, a guest, presented James M. Barrie's "Alice-Silvia-by-the-Fire," a reading which she has given on several occasions.

Hostesses last evening were Mrs. Dingler, Mrs. C. J. Silger, Mrs. Mildred Butler, Mrs. Lucile Beasley, Mrs. Reynolds, Mrs. Jerry Packer and Mrs. Myrtle Steadley.

Those whose guests have announced during these two months, are asked to notify Mrs. Dorothy Kieffner, chairman, in advance, phone 1830.

Other members of Mrs. Kieffner's committee are Mrs. Rose Campbell, Mrs. Bally Davis and Mrs. Blanche Clark.

WICAKA OCAWASIN
Members of Wicaka Ocawasin Camp Fire group met Tuesday for their monthly meeting at the home of Patty and Eileen Timbers, where an outdoor meal was prepared. Bread-baking was done and refreshments were roasted. Games were played and the next meeting was planned to be held at Union school.

KODATAHI
Officers were elected at a meeting of the Kodatani Camp Fire group last evening at the home of Lois Steneberger. The group named Ruth Van Engelen, president; Mrs. E. C. Johnson, secretary; Norma Finks, treasurer, and Blanche Mary Leopold, scribe.

Officers were made for a council fire this fall and for letters to be given on the history of Camp Fire. Refreshments were served. Next meeting will be held at the home of Miss Avant.

Speaker Deplores Dying of Maples
Mrs. Hanley Payne, introducing a new feature of the Twin Falls Garden club's program this year, presented "A timely topic" at a meeting of the group Tuesday afternoon at the home of Mrs. F. R. Lawson.

She suggested that the women drive through the city and note the great number of maple trees which are dying, and pointed out that if people must still plant this tree they should choose the rock maple, which is the only one recommended by the University of Idaho extension office for use in this area because of soil conditions.

At each meeting, some "timely topic," a three-to-five minute talk, will be presented by a member of the club.

Surprise feature of the day was the presentation of a choice while Barbara Schroeder to each member by Mrs. Dorothy Ellsworth, who spoke for the occasion.

Frank Giese Honored Before Joining Army

Frank T. Giese, who is leaving Sept. 25 for induction into the United States army at Salt Lake City, was guest of honor at a buffet dinner last evening at the home of Mr. and Mrs. C. C. Haynie, 311 Eighth avenue north.

Members of the office personnel of the Southern Idaho Production Credit association were guests. Mr. Giese has been loan analyst for the organization. Mr. Haynie is the association secretary.

A. L. Hanks, Burley, association president, and Mrs. Hanks, were invited, but were unable to be present.

Special guests were Mr. and Mrs. E. A. Giese, parents of the honoree, and Mrs. John Anderson and Mrs. C. I. Mink, wives of two employees of the credit association.

Guests were received in the garden, and were taken to explore the flowers. Name cards were found on various blooms, and these were matched for dinner partners.

The buffet table was covered with lace cloth. Flowers from the garden decorated the home.

Mr. Giese received a piece of luggage from the group, Hugh Paulsen, assistant secretary of the association, making the presentation.

Southern Idaho Women Attend Club Convention

The Rural Federation of Women's club will send a delegate to the state convention of the Idaho Federation of Women's clubs at Coeur d'Alene Sept. 24-26, but several of the clubs having membership in the group will attend their own delegates.

It was announced by Mrs. R. E. Commons, following a recent meeting of the Rural Federation at Twin Falls, that the Idaho Insurance auditorium.

Marionette Show Scheduled by PTA

GOODING, Sept. 18 (Special)—Gooding Parent-Teacher association will present a marionette show at the school year at the junior high school auditorium Monday evening with Mrs. J. E. Farmer presiding. It was announced that the P. T. A. would sponsor a marionette show Sept. 26 at the junior high school auditorium with a performance to be given at 7:30 p. m.

Supt. M. W. Tate spoke to the group on "Health," citing what had been done in the trading schools and plans for the future. Already being carried out are the hot lunch and milk program, the pre-school health clinic, health examinations, and the physical education class work for boys and girls. Mr. Tate also mentioned making the Gooding health council, and asked for suggestions concerning improving health conditions in the schools.

A violin solo, "An Old-Fashioned Air," was played by Arnold Waterlander, with Miss Meredith Boster accompanying at the piano. Mr. Waterlander also played the piano for community singing.

Roll call pictures were won by Miss Judith Jones, first prize, for grade school, and Eugene Gibbons, fifth; Miss Lona Praedrich, third; Miss Lona Quivey, seventh, and Miss Ida Pratum, eighth. All had an equal number for junior high school. Each room will have the picture for one week during the next month.

Hostess committee, Miss Ida Pratum, Miss Lona Quivey and Mrs. Farmer, served refreshments.

To prevent ice sticking in the pan while cooking, first grease the pan with butter. The same method will prevent chocolate sticking to a pan while being melted.

Other members of Mrs. Kieffner's committee are Mrs. Rose Campbell, Mrs. Bally Davis and Mrs. Blanche Clark.

We - The Women

By RUTH MILLETT (NEA Service)

"I wish I had started getting Mary ready for 18 when she was 12, or younger, the heartiest mother of a high school wallflower confessed to me the other day.

There had been a dance the night before to which the girls were supposed to invite the boys, and her young daughter, a high school junior, had come to her for advice to invite a boy to the dance.

Flinkey Excuse
And when her brother invited one for her, the boy made a flimsy excuse—and Mary and her brother both knew he just didn't want to be tied down to a girl he knew he would be stuck with for a whole evening.

Mary cried all evening and her mother could have cried for her, but she didn't. Instead she sat down and tried to figure out what was wrong with the girl, and where she had failed her.

She decided that Mary had got off the wrong foot with the kind of her age when she was only 10, and much too fat. Though her weight had later on, seen that her weight was brought down to normal.

Mary had already become a fat, unattractive girl in the minds of the boys and girls in her class.

Let us start at the beginning. Mary was left out of things at the start. Her mother was so busy that she had no time to do anything about it when Mary was just a child of 10.

JAPANESE PLAN TO FORGE AHEAD

TOKYO, Sept. 18 (AP)—A war office spokesman asserted today, the 10th anniversary of Japan's march into Manchuria, that "now is the time we Japanese should force ahead, smashing whatever obstacles may lie in our path."

The spokesman was Maj. Kamekato Tomioka, of the war office press bureau. Writing in the foreign office subsidized Japan Times and Advertiser, he said Japan was determined to fight the Chinese war to finish and get support from the Netherlands East Indies, despite foreign opposition.

He charged an aggressive "pressure" circle in Japan. The "aggression line" Maj. Tomioka said is formed by the United States, Britain, China and The Netherlands East Indies.

Newspapers, whose tone has been restrained in recent days, were somewhat more aggressive in view of the anniversary.

Public Forum

URGES SYSTEMATIC STEPS TO CLEAR TRAFFIC PROBLEM Editor, Evening Times: During the short talk before the chief of police of Twin Falls and myself, shortly following the appearance of the Public Forum, a paper on Tuesday of this week, I presented to the police chief several instances of traffic tie-ups in Twin Falls.

To the majority of those problems, answers comparable to the following example were offered: Upon my inquiry as to an explanation of the traffic tie-up at the intersection of Main and 1st streets, I was told that the traffic tie-up was caused by a car lawfully parked in a two-hour parking zone for 7 1/2 hours. I was told that this particular problem had been reported to the attention of the police department during the day, and the reason no action was taken, was that this particular city official had previously been assessed numerous fines for traffic violations, and that he had always paid them, which was quite expensive; and that furthermore, there exists a code of public relations between the city officials which had to be taken into consideration.

Be that as it may, the point I wish to bring out is if the two-hour parking zone had been properly patrolled during the day, the car in question should have been notified by an officer, who could have notified the owner, or, perhaps, have properly parked the vehicle.

To clear up any doubt concerning the motive behind my comment on the traffic problem, may I refer you to a Public Forum letter, signed by myself, appearing in the Aug. 18, 1939 issue of your paper. In this letter, written in response to the invitation extended by your paper in an editorial article in the Aug. 11, 1939 issue, I set forth a challenge to the people of Twin Falls, and the law-enforcement department to take hold of the fast growing traffic problem in our city.

Again, may I call attention to the parking meter poll conducted by your paper, from August 10 to August 27, 1939, in which you encouraged the public to voice its opinion upon the question of the parking meter which then existed.

A renewed article on the results of that poll appeared on Aug. 31, showed that the general public opinion in the matter, as voiced by those offering com-

ment on the ballots, was that a stricter enforcement of existing laws was needed by the city officials. I again repeat, a serious traffic problem exists in Twin Falls, and I firmly believe it can be cleared up by a number of simple systematic steps.

To illustrate, I contend the following problems are responsible for traffic tie-ups in the business section: Double parking, left turns against oncoming lanes of traffic, at main intersections; jay-walking; pedestrians' disregard of traffic lights; and cars driven at an exceptionally slow rate of speed in heavy traffic. I sincerely believe all of these problems can be easily remedied by proper traffic direction on busy days; appeal to public cooperation; a systematic program of public instruction and education regarding these problems; and proper measures to care for those few who will persist in disregarding instructions.

Consequently, I rest the matter in the hands of those directly responsible with but the least comment. That I believe the public will laud speedy steps to bring RESULTS to correct the problems which now exist.

Sincerely, HAROLD MOLENKAMP, Twin Falls, Sept. 17.

FDR PUTS OKAY ON WATER MAIN

Approval of a WPA project calling for construction of a two-mile steel water main between the city limits and the flatter plant, south of the city, has been given by President Roosevelt. Mayor Joe Koehler had announced today after receipt of word to this effect from Sen. D. Worth Clark.

The WPA project calls for an expenditure of \$22,588 with matching funds provided by the city. Mayor Koehler said that immediate steps would be taken to provide the matching funds and that construction should get underway this fall. Upon completion, the city will be provided with two main lines from the plant to town.

The project application was given a priority rating and R. W. Hampton, Public Works WPA official, said that because of this there should be no difficulty in securing the steel pipe.

Boise Bans "Loose" Women Near Camp

BOISE, Sept. 18 (AP)—Chief of Police George Haskins issued an order for all Boise rooming houses harboring prostitutes to close by midnight tonight.

The cleanup order came after the U. S. department of public health requested city officials to carry out provisions of the May act, prohibiting prostitution within a reasonable distance of military or naval bases.

Haskins was instructed by the city council to enforce the federal regulations which will be effective until May 15, 1945.

SOLDIER, HURT IN CRASH, RECOVERS

Quentin Chapman, 21, a soldier who was injured in an auto crash on "Dead Man's" curve near Piler last night today was receiving general hospital attention to be in "good condition."

Chapman, who was on route from Michigan to Oregon, after a transfer in army location, suffered an injured shoulder. Four passengers in the car, also soldiers, were all unhurt at the time of the mishap and escaped injury. They were Richard McClintock, Harold Miller, Theodore Marcus and Chester Caswell. All were en route to Ft. Stevens, Ore.

The crash, which occurred about 11 p. m., occurred as the car left the road after failing to make the turn, according to Sheriff W. W. Lowery, who investigated. After traveling 250 feet it overturned and struck an embankment. It was badly damaged.

CAREY

Albert Albrethsen, Boise, spent last week in Carey with his sons, Alfred, Alce, Norman and William, and their families, and with other relatives in Picoabo and Halley.

Mr. and Mrs. Louis O'Leary and children of Ball Lake City; Mrs. Clint Palmer and son, Jack; Mrs. Roland Palmer and three daughters of Ruhl and Mrs. Rosemary Palmer and daughter, LeAnne, Hagerman, spent the week-end at the homes of Jack and Leo O'Leary near Carey.

Mr. and Mrs. Thomas Newman, Jerome, were guest speakers at the L. D. S. church here Sunday evening.

Mr. and Mrs. T. S. Patterson and Mr. and Mrs. Don Patterson and Andrew Douglas, Hagerman, drove to Boise Sunday to attend the state I. O. G. A. meeting and banquet and to visit relatives in Ontario before returning to Carey the first part of this week. With them was Mrs. Nathan Coakley who went to visit her daughter, Bernice, who is attending school in Boise.

Frances Hutton and Beulah Loomis, formerly of Carey but now employed in Boise, spent the week-end in Carey where Frances visited her parents, Mr. and Mrs. Lionel Hutton and Beulah was the guest of her grandmother, Mrs. Martha Harris.

Mrs. Thomas Stanger and his daughter of Blackfoot are visiting this week with Mr. Stanger's parents, Mr. and Mrs. Forrest Edgerline here.

Frank Durfee, Almo, arrived last week-end to spend the winter months with his son, Orin, who has purchased the Charles Nixon ranch, formerly the home of the Elmer Bennett family.

Louis Lethargic in Early Training; Timing Is Poor

By JACK CUDDY
GREENWOOD LAKE, N. Y., Sept. 18 (U.P.)—Joe Louis lacks the sharpness one would expect in a champion who is to defend his crown against rugged Lou Nova 11 days hence.

Not only is Bomber Joe lethargic in his sparring sessions, but he is dull in execution—off in his timing and judgment of distance. Never before has he missed so frequently with left hooks and jabs.

This inaccuracy is surprising because the septa sharp shooter always has been able "to thread a needle with his fist."

Observers at Joe's boxing drill Tuesday and Wednesday were puzzled by the strange combination of a champion off form yet coating through his prep rounds. It was particularly puzzling because Louis had been allowed to extra training days so he could get in shape, causing a postponement of the fight and a shift from Yankee stadium to the Polo grounds.

Handers Not Alarmed
However, handers are not alarmed. They explain Joe usually gets a bit lazy when the weather is hot. Manager, Max Baer, says: "I don't want him to pare off too fat. Concerning his inaccuracy, Co-Manager Julian Black says, 'don't be worrying about Joe. He'll be as sharp as a razor on the night of the fight. Besides, he's trying some new things—more footwork, more weaving and body-fencing. Louis still may be the world's best fighter. We'll find out about that on the 29th. But he's no longer the great warrior who belted out Max Evmenko in less than a round. Even Co-Manager Black admits that."

Ones Back 20 Per Cent
Black says, "We figure Joe has gone back 20 per cent since his last fighting fight. However, Black insists Joe can punch as hard as ever. Many experts disagree with this point of view. Jolting Joe's nonchalance in the Lakeland arena is in sharp contrast to the attitude of Nova. The "new" challenger at Pomona Lake is on edge like a racehorse waiting for the barrier to be sprung. It's a job to keep him under wraps."

Gain Noted in Population of Idaho Bear
BOISE, Sept. 18 (U.P.)—Big game hunters who walk softly this fall may come home with a bear.

The Idaho bear population has increased about 25 per cent in the last few years due to favorable winters and feeding conditions. Game warden and game department reported.

Each southern Idaho hunter is entitled to bag one bear any time during the year. In northern Idaho the bear season is open from Sept. 1 to Nov. 30.

Here's the Tale of Casey Boy To Dodger Fans a Mighty Joy!
By HARRY FERGUSON
NEW YORK, Sept. 18 (U.P.)—News item: "Hugh Casey has appeared as a relief pitcher for the Brooklyn Dodgers five times in six days."

Once Mudville had a Casey who struck out in the clutch. And with the howling, shouting fans put himself in Dutch. Now Brooklyn has a Casey who always saves the day.

Oh, there ain't no joy in Mudville, but Brooklyn feels okay.

When it's tied up in the ninth with men on first and third, Durocher signals to the pen and Casey gets the word. Then Higbe, Wyatt or Hamlin are washed up for the day.

Oh, there ain't no joy in Mudville, but Brooklyn feels okay.

Casey walks in slowly, two hundred pounds in size. One man his size will not sit on the bench. Casey gets the signal so there won't be no delay.

Oh, there ain't no joy in Mudville, but Brooklyn feels okay.

The Cardinals look at Casey like you look at a hearse. And thirty thousand Dodger fans give out in one big yawn. Durocher tells the outfield to back up all the way.

Oh, there ain't no joy in Mudville, but Brooklyn feels okay.

Mighty Casey looks as fat as then he looks at third.

The fans out in the bleachers give Johnny Miss the word. Mighty Casey gets the signal to hit on the way.

Oh, there ain't no joy in Mudville, but Brooklyn feels okay.

The ball comes straight at Johnny; it's gonna hit his head. He hits the dirt—but then, the umpire said.

Mighty Casey waved oh; oh, happy golfer day.

Oh, there ain't no joy in Mudville, but Brooklyn feels okay.

Brown on third. Hopp on first—each takes a lead off base. Two out, and a row of eight in at Johnny Miss's feet. He grips the mighty war club after brushing sweat away.

Oh, there ain't no joy in Mudville, but Brooklyn feels okay.

The thirty thousand Dodger fans start tearing up the ferns as Casey throws and the umpire's fingers upward point. It's at the two on Johnny Miss, and the Dodger fans make hay.

Oh, there ain't no joy in Mudville, but Brooklyn feels okay.

Casey takes his wind-up and the ball streaks toward the plate. And Johnny reads the air with a surprise, full swing. Men dance in the aisles, gale clap and yell "light-bag."

Oh, there ain't no joy in Mudville, but Brooklyn feels okay.

Now, the Clankle clan of Mitty, the son of Larry Green. But the talk through the fish stands around the red-hot stove. It's about the mighty Casey who pitched nearly every day. And brother, this guy Casey shakes Brooklyn feel okay!

Ketchum Guide Opposes Early Open Deer Season

KETCHUM, Sept. 18 (Special)—In the German basin and other locations, and reported the fishing above par throughout the season.

There appears some difference of opinion regarding the special open season on deer shooting in the middle fork section a favorite hunting ground near Ketchum. The special shot opened Sept. 15.

John Bowman, who is prominent sportsman and guide of this part of the state, has already made several trips to the famed hunting and fishing district, directing large parties of sportsmen and tourists, and has observed that the bucks will not come down to the lower levels this early in the year. Does and fawns will fall to the hunters, he claims, and the sportsmen's excitement in reducing the deer of the area, a condition that has been noted for years.

Bucks Stay High
This reduction, obviously, will extend over a long period. He has consulted with many parties who state the best action to be early season in this particular section. The condition has been watched for at least 15 years, and the bucks do not come out of the high hills until long after the does and fawns appear.

He also emphasized that drastic action should be taken against the position of trout streams by de-luxury rife and commented the rumor that the state's attorney general will shortly institute a thorough survey of the many reported abuses. It being a known fact that some of the nearby streams have been rolled by slight placer workings for more than 20 days at a time during the past summer.

Favors Beaver Dams
In referring to the beaver situation he expressed favor of the beaver dams as creating harbors for trout, though his contention was disputed by many other competent fishermen, who cited that the impounded waters contained a good many large fish, but were poor places into which to introduce fish, a theory that federal hatcheries also uphold. But, where the dams are so numerous as to encroach private property and roads, Balmann admitted he heartily approved of destroying the number of beaver, as they might be classified as predatory when they become destructive. Drapping or removal to other locations was figured as a remedy.

He stated that several important areas have been marked for outfitting this fall and will shortly be opening. The well known guide has spent most of the summer

GERMANS PREDICT "BIG SCALE SUCCESSES" ARE IN MAKING

RAPID ADVANCES REPORTED UNDER WAY IN UKRAINE

By FREDERICK C. OCHSNER
 BERLIN, Sept. 18 (AP)—German quarters today predicted that Nazi successes "on the biggest scale" are in the making with terrific advances by panzer and rapid troops hurrying "step by step" deep across the Ukraine north and south of Kiev and of the fast-developing Crimean front.

Competent Nazi quarters claimed forward thrusts of "truly gigantic scope are underway, and initial announcements of German successes will surprise the world."

Progress "irresistible"

The high command claimed progress of the German forces of the south "irresistible" and claimed that on the Leningrad drive front to the north successes of equal scope are being attained.

Nazi sources said a powerful German column, made up of panzers and speed troops, has slashed across the hinge where the Bliznevsk army and those of Marshal Semenov Tomoshenko join north of Kiev.

This drive and an equally rapid advance south of Kiev, it was said, have created a huge new pocket of encirclement extending east from Kiev in which an estimated 250,000 to 300,000 Russian troops are virtually trapped.

To speed up their movement, Nazi quarters said, the Germans did not bother to take prisoners, concentrating instead upon capture of Soviet staff groups and high Soviet officers thus leaving the body of Russian troops without officers.

COUNTER-ATTACKS RESUMED MOSCOW—Marshal Klement Voroshilov's northern army has resumed vigorous counter-attacks on the Leningrad front, capturing several villages near the city, it was asserted officially today.

It was admitted the Germans had brought up fresh troops and were now attacking Leningrad day and night by land, air and sea in an attempt to break through and win a decisive victory.

All reports said, however, the city was holding firm and the Germans were suffering terrible losses.

Today's first communique admitted the Russians had lost 50,000 men in the Lake Ilmen area, south of Leningrad, during the last month. But the German claim that Russian armies had been knocked out in that area was called "deliberate bragging."

A communique said that in fighting since the Germans tried to reach Bryansk on Sept. 3, the Germans had lost more than 20,000 men killed, wounded and prisoners, plus 500 tanks, 70 armored cars, 1,325 trucks and 146 planes.

BUHL AND BURLEY JOIN TOWN HALL

Town Hall membership in the third day of the 1941-42 campaign now includes seven residents of Buhl and two of Burley, President Loyol Perry announced as the sign-up reached 85 persons. Maximum membership which will be permitted is 400.

Three more students were added to yesterday's list of pupils who have won free season tickets for selling three memberships each. They are Glen Terry, Miss Doris Sherwood and Larry Arnga. One girl, Miss Celestine Balmore, needs only a single "old" membership to win her ticket and one boy, Bob Norton, needs one new enrollment to earn his. The students are all from Twin Falls but the offer is open to any schools in Magic Valley.

First lecture comes Sept. 25, when Hugh Wilson, world-known "last" ambassador to Germany, will be the attraction.

use of Bulgarian bases. A break may come over the Bulgarian request to Turkey for permission for so-called Bulgarian warships to pass through the Dardanelles into the Black sea—a method being used by the axis in an effort to get Italian warships through the straits despite the Montreux treaty ban on use of the Dardanelles by belligerent warships.

The German efforts to supplement the naval units they already had concentrated in Russia are indicated plans for winter sea operations in connection with the Nazi drive through the Ukraine. In these preparations are successful, the Germans presumably would undertake naval and parachute operations against the Caucasian oil fields.

Moscow, however, appeared ready to take drastic action against Bulgaria if necessary and the British were threatening to attack any warships passing through the Dardanelles.

Aimed at Crimea

On the Black sea coast of the Ukraine, the German drive was directed primarily against the Crimea and was reported to have reached the Perekop isthmus, a four-mile-wide stretch of land leading to the peninsula and the Russian naval base at Sebastopol. The action presumably severed Crimea's connections with the Russian mainland.

London indicated today royal air force planes now are operating with the Russians on the Ukraine front. This would indicate the planes came from the middle east. Previous indications were RAF planes had been shipped to Murmansk or Archangel. It is possible planes and pilots are going in both ways in view of the urgency of Soviet needs.

In the occupied countries of Europe the Germans were taking increasingly drastic measures to suppress rebellion. Eleven Belgians were given death sentences, 50 alleged Communists were executed in Helgrade, Norwegians were being arrested at the rate of 100 per day, another Pole was sentenced to death and in France it was learned arrests of alleged Communists by the Vichy government have now reached 2,000.

NEW CARGO SHIP READY FOR USE

WASHINGTON, Sept. 18 (AP)—The navy department today announced perfection of a new type 1,900-ton, armed cargo ship that will challenge the submarine and provide a new bridge from this country to the free nations of the world.

The ship, which was perfected with "the active and instant help" of President Roosevelt, soon will complete its final trials.

The navy said the vessel will mount "a suitable anti-aircraft battery."

The neutrality act now prohibits arming of American merchant vessels, but the administration is considering possibility of seeking repeal of the prohibition. Officials also pointed out the new vessels might be transferred to the British or other foreign flag for operation as armed merchant ships.

The new type ship is light in weight, simple in construction, relatively cheap in cost and upkeep and embodies a novel propulsion arrangement never before used in ocean-going freighters.

Glenns Ferry Polo Game Is Set Saturday

GLENN'S FERRY, Sept. 18 (Special)—One of the first polo games in south central Idaho for a considerable period will be staged here on Saturday at 3:30 p. m. when the crack Boise team invades Glenn's Ferry for a contest as part of the Old Timers festival.

Featuring some of the finest polo stalk in the country—many top-ranking western ponies—the Boiseans will include Walter Conant, Frank Fletcher, Don Jacobs and J. M. Jensen in the regular lineup with Roy Jacobs as extra.

The Glenns Ferry lineup consists of Keith Shrum, Russell Cecil, John Stinger and Bill Loveland.

The polo contest is part of a two-day celebration that will conclude Saturday night. There is a dance slated for the evening.

FEDERAL SCHOOL LEADER IN IDAHO

BOISE, Sept. 18 (AP)—Dr. Leonard Power of the U. S. department of education will arrive tomorrow to confer with C. E. Roberts, state superintendent of public instruction, on school problems resulting from defense.

Before coming here, Dr. Power will talk with Fremont county school officials. The county may face a school facility problem if the army places its proposed 35,000-man ski training base at Henry's lake.

Roberts said Idaho does not yet have any pressing problem resulting from defense but if chosen for further defense sites the influx of families could create an acute school problem.

Roberts also disclosed a booklet outlining a new course known as "American life" has been sent to all Idaho high schools. Prepared by Dr. R. D. Russell, professor of education at the University of Idaho, the course is designed to give high school juniors and seniors "a better understanding and appreciation of the democratic way of life," Roberts said.

In 1938, Ohio ranked third in tur production in the United States, producing almost three times "as much tur as Alaska."

Idaho Asked for Milk, Egg, Meat Production Gain

BOISE, Sept. 18 (AP)—Idaho agricultural defense board members will meet Sept. 29 and 30 to start the state on an all-out program for increased production of farm products under the nationwide food-for-defense plan. Milford J. Vaughn, chairman of the board, announced today.

Vaughn said Idaho farmers will be called upon to produce five per cent more milk, 10 per cent more eggs and "substantially more meat animals in 1942 to meet increased needs for vital farm products."

Bottle Weinhart Beer Was Already 15 Years Old!

85 YEARS OF KNOWING HOW

All the time of the great Chicago fire Henry Weinhart had been brewing fine beer in the Pacific Northwest for 15 years. For almost 10 of those years his brewery had been located in Portland, on exactly the same spot it stands today. Already this beer, brewed from the private recipe of Henry Weinhart from choice Northwest ingredients, had gained a deserved reputation for its unerring goodness.

Today the same private recipe of the founder, the name Weinhart's and the name Weinhart's are used to produce Bitter Weinhart Guaranteed Satisfying Beer. Add to these modern methods, up-to-the-minute equipment and 85 years of brewing experience and you have the reason for Bitter Weinhart's pre-eminent popularity!
