

VOL. XXIV, NO. 239—5 CENTS. TWIN FALLS, IDAHO, WEDNESDAY, SEPTEMBER 24, 1941. OFFICIAL CITY NEWSPAPER

San Francisco's Screen of Safety—Pursuit Planes Patrol Sea Approaches

In this spectacular picture, two flights of sleek P-40 pursuit ships patrol the jagged California coastline near San Francisco in rehearsal for things to come if bombers ever attack the city. The ships, based at Hamilton field, hold weekly maneuvers over sea approaches to San Francisco bay.

U. S. Awaits Plans On Post-War Aim

LONDON, Sept. 24 (UP)—The United States "stands ready at the appropriate time to consider" the extent to which it can cooperate in post-war plans for European relief, Foreign Secretary Anthony Eden disclosed today at the first meeting of an Inter-Allied conference.

Eden, speaking from the United States government after the conference of 10 governments, most of them in exile, had endorsed the eight-point peace aims stated by President Roosevelt and Prime Minister Churchill and appealed for full British-American aid after the war to prevent future German aggression.

FOR PREPARED TO TAKE OVER SHIPS

WASHINGTON, Sept. 24 (UP)—An official high in the administration indicated today President Roosevelt is prepared to take over all ships held by a seaman's strike, if necessary, to keep commerce moving.

This source said the President would not act unless he is forced to. Indicating the President still hopes for settlement of the strike, which has tied up 21 vessels in Atlantic, Gulf and Pacific ports, this official said, however, Mr. Roosevelt was absolutely determined the strike should not paralyze American commerce.

110-MILE WINDS BUFFET HOUSTON

HOUSTON, Tex., Sept. 24 (UP)—Coastal gales today were inundated and Houston, center of Texas' most populous metropolitan district, was buffeted by winds and rain today as a tropical hurricane of 110-mile-an-hour intensity swept inland from the Gulf of Mexico.

The hurricane was spending its life as it moved northward but it left behind at least four dead and damage to property and rice and cotton crops estimated in the millions of dollars.

Woman Killed in Highway Accident

REXBURG, Ida., Sept. 24 (UP)—Madison county sheriff's officers reported Mrs. Jay McArthur, Sugar City, was killed when her car struck an auto she was driving alongside.

Three other persons, Mrs. Floyd McArthur, her one-year-old child and Olo Cooper, were seriously injured in the accident which occurred about 10 miles north of Sugar City. Hunter, 18, driver of the truck, escaped injury.

WORKERS BALLOT TO GO ON STRIKE

SAN DIEGO, Calif., Sept. 24 (UP)—The AFL-Unionist Association of Machinists threatened today to strike at the huge Consolidated Aircraft corporation, building \$70,000,000 worth of bombers for the United States and Britain, and checked their wage dispute to the national defense mediation board.

George Castleman, general vice-president of the union, said 93.9 percent of the more than 14,000 production employees voted for the strike to enforce their request for a 10-cent-an-hour wage increase to bring the consolidated pay scale to 73 cents-an-hour, the equivalent of most other west coast airplane factories.

THUNDER OF WAR

LONDON—Two allied governments fighting the axis hold first inter-allied conference, endorse Roosevelt-Churchill Atlantic agreement, and plan to speed aid to Red army. Admiralty reports British RAF planes and pilots in action against German bombers in Mediterranean, Italian supply vessel and mine layer and damaged a schooner.

Court Orders Hospital to Release Mother and Baby

A mother and her new-born infant were ordered released from Twin Falls county general hospital today by court order.

Judge J. W. Porter, at conclusion of a habeas corpus hearing this afternoon on petition of Warren Cox, Twin Falls, granted the writ and ordered Mrs. Martha Cox and her four-day-old infant, Francis Marie Cox, released from the hospital, whether or not the complete bill is paid.

Probe Opens on Mexico Shooting

MEXICO CITY, Sept. 24 (UP)—Mexican authorities were reported today to be investigating "a suspicious case" of a man being shot in front of President Manuel Avila Camacho's home during which three killed or wounded at least 20 striking workers.

It was learned authorities were inquiring into possibility axis elements might have been involved in inciting the demonstration that led to the bloodshed.

GERMANS REPORT Red Armies Destroyed

BERLIN, Sept. 24 (UP)—Official German sources asserted today their troops had captured a fairly large town outside Leningrad "after hard house-to-house and street fighting" and the high command said that east of Kiev additional isolated Russian forces had been destroyed.

The high command added that other Russian troops east of Kiev had been "crushed together in two tightly closed pockets."

Soviet Armies in Counter-Attack

Nazis Report Red Armies Destroyed

LATE FLASHES

WASHINGTON, Sept. 24 (UP)—Secretary of Treasury Henry Morgenthau Jr. declaring this country "is going to have much more stringent laws affecting excess profits," recommended all corporations be allowed only a six per cent return on their invested capital.

All above this return should be subject to 100 per cent taxation. Morgenthau said the house banking committee during hearings on the price control bill.

Armed American Merchant Vessels Ply Trade Lanes

WASHINGTON, Sept. 24 (UP)—Armed, American-owned merchant vessels already are in the British life line and approximately 125 of them can be equipped with guns without changing the neutrality act, it was learned today, as President Roosevelt contemplated asking congress to repeal that legislation.

These 125 ships sail under the Panamanian flag but are owned by Americans—45 of them by the United States government. Not all of them, however, are presently plying to British ports.

Oddities

HOLIDAY
SEATTLE—A hundred Yellow Cab drivers "went flaking" today as a means of gaining a \$1 daily wage increase. They "went flaking" or "ore" "ate" because their contract with the Yellow Cab company forbids a strike and the drivers, members of an AFL teamsters union affiliate, thought negotiations had dawdled along.

PROBE OPENS ON MEXICO SHOOTING

MEXICO CITY, Sept. 24 (UP)—Mexican authorities were reported today to be investigating "a suspicious case" of a man being shot in front of President Manuel Avila Camacho's home during which three killed or wounded at least 20 striking workers.

SCHOOL HOUSING PLANS APPROVED

BOISE, Sept. 24 (UP)—O. E. Roberts, state superintendent of public instruction, today disclosed applications for construction of a school for children of the army contingent of the Henry's lake army contingent has been approved.

Roberts said the U. S. department of education has approved construction of a two-room school house in the area this year. Next year, he said, the department planned to provide school facilities for 1,000 pupils at the proposed \$200,000-odd air training base.

FIRE SWEEPS BIG GASOLINE PLANT

WHITING, Ind., Sept. 24 (UP)—Flames and smoke billowed half a mile high and big gasoline drums exploded one after another with reverberating booms today as fire swept a portion of the Standard Oil company of Indiana's 700-acre plant, killing one worker and injuring at least five.

GERMANS REPORT LENINGRAD GAINS

BERLIN, Sept. 24 (UP)—An authorized German military spokesman said today that German troops were in the "suburbs of Leningrad" after cracking the city's defense ring and "lighting a hose around the city perimeter."

No estimate of how many available immediately but unofficial sources said it would be considerable. Many gas and oil trucks, independent suppliers were trapped and burned.

LIST COMPLETED TO ASK U.S. AID

BOISE, Sept. 24 (UP)—Allen G. Merritt, state public works commissioner, today compiled a list of defense, housing and relief projects for which the state would like to ask the federal government for aid.

Merritt will leave for Washington today to meet with the state's representatives at the convention of the American Red Cross in Washington, D. C., where he will urge the state's case for aid.

MORGENTHAU APPROVES ACTION TO HALT INFLATION TREND

OPPOSES BAN ON PAY BOOSTS FOR LABORING CLASS

WASHINGTON, Sept. 24 (AP)—Secretary of Treasury Henry Morgenthau, Jr. today called on congress to take "bold and effective action" to halt a quickening trend toward inflation.

He testified before the house banking committee in support of a bill to control prices.

Morgenthau said he thought price control authority should be set up by congress immediately, but that the administration-sponsored bill had one major defect in its specific restriction of the price control administration over farm prices.

"I strongly recommend this inflexibility be removed," Morgenthau said, "in interests of the attack upon inflation, in the interests of the standard of living of our people and in the long-run interest of farmers as well."

Farm Prices

The pending bill, which has been before the committee for two months, would not permit prices of farm products to be set at less than 110 per cent of parity or at less than the levels of July 28. Members of the farm bloc have talked of trying to raise the limit to 120 per cent of parity.

Morgenthau testified only a few hours after the federal reserve board, with treasury approval, had taken another anti-inflation action in ordering reserve member banks to hold a larger amount of their deposits aside as reserves.

Morgenthau opposed suggestions the price control bill include control over wages.

Labor Not Commodity

"In free countries labor is not a commodity," he said, "human beings are not property, and they should not be treated as such."

"I appreciate that wages affect the cost of production and the general level of prices," Morgenthau said, "however, I feel definitely that if we can on the one hand keep the cost of living from rising, and on the other hand impose adequate taxes on excessive profits, then we will have removed the major causes for demands for general wage increases."

News in Brief

Daughter Visits

Mrs. Clara Quirk, Los Angeles, has been visiting her mother, Mrs. Lucy Moore, 145 Ninth avenue east. She expects to return to her home Thursday.

In Hole

Among Twin Falls residents who transacted business in Boise this week were Mr. and Mrs. A. H. Murphy, D. Shipley, Clarence Ford, Ralph Hill and M. E. Dossert.

Foreign Visitor

Private Tracy Wilson, stationed with the 14th Infantry Division of the U. S. army, is here from Fort Lewis, Wash., for a 15-day furlough visit with his parents, Mr. and Mrs. Fred Wilson.

Legionnaire Returns

Harry Benoit, Twin Falls attorney and chairman of the national constitution and by-laws committee of the American Legion, returned recently from Milwaukee, where he attended the national convention.

At Officials' Meeting

Commissioner Ernest V. Molander and Clerk-Auditor-Receptor Walter C. Mungane are at Couer d'Alene today attending an annual meeting of the Idaho Association of County Commissioners and Clerks.

Returns to Utah

Mrs. Erma Lundberg, Salt Lake City, returned to her home after a few days visit with Mr. and Mrs. Guy L. Kinney, and also a visit at night to her home in Twin Falls.

P. T. A. Leader Returns

Mrs. John E. Hayes returned this week from Chicago where she attended the annual fall meeting of the National Congress of Parents and Teachers, and Mrs. Dora Myers, Twin Falls.

Sweetly to Speak

Everett M. Sweetley, county prosecutor and firearms expert, will be featured speaker during the annual Boy Scout court of honor which will be held at the district court rooms starting at 8 p. m. in honor of the announced today, City, county and state policemen will present awards to the Scouts.

Credit Organization

Establishment of a merchants credit grantors' bureau management organization in Idaho will be perfected Oct. 19 and 20 at Boise, according to Mrs. J. M. Thompson, manager of the Twin Falls Credit association, who just returned from the capital city where she assisted in making preliminary plans for the meeting. Thomas McCormick, Boise business man, will be acting chairman, she said.

News of Record

Marriage Licenses

SEPT. 24
Howard Barker, 24, Montebello, Calif., and June Claypool, 11, Castleton.

SEPT. 23
Earle Wynn, Rummelfield and Kathryn Shelton Hatch, both of Boise.

William A. Brooks, 21, Twin Falls, and Irene Ethors Thompson, 19, Hagerman.

Richard Craner, 10, and Mariene Collins, 18, both of Twin Falls.

Wayne Mort, 18, and Betty Craner, 17, both of Twin Falls.

Condition Improves

Condition of A. L. Swinn was reported as being "good" early this afternoon, according to Twin Falls county hospital authorities.

Leaves Hospital

T. B. Bandy has been dismissed from the Twin Falls county general hospital, and is convalescing at his home, 427 Fourth avenue east.

In Hospital

Hardy Hopkins, Kimberly, who was admitted to the Twin Falls county general hospital Tuesday for treatment, was "fair" today, according to word received by friends.

Relatives Here

William H. Harns, Minneapolis, Minn., has been visiting his sister, Mrs. Lucy Moore. Her nephew and niece, Albert Cravath and his wife, Imperial Valley, Calif., have also been visiting Mrs. Moore.

Back to College

Mr. and Mrs. Virgil Telford left this afternoon for the University of Idaho at Brigham Young university. They were accompanied by Miss Virginia Adams, who will enroll as a freshman.

Burgeon Convalescing

Dr. John F. Coughlin, Twin Falls physician and surgeon, is convalescing at the Mayo clinic, Rochester, Minn., following an abdominal operation, according to word received here. Mrs. Coughlin is with him.

Social Planned

A social will be given at the Kimberly Christian church Thursday afternoon. The program will be given by the pastor, Rev. Roy L. Titus, and members of his family. All church members as well as Twin Falls friends were invited to attend.

Bicycle Missing

Alvin Jenkins, 313 Main avenue west, last night reported to police that his Excelsior bicycle was stolen from a parking place in front of a local theater. The theft, he said, occurred between 7 and 10 p. m. The bicycle was painted red. It did not have a city license.

New Cases

Five Employees of Union Motor company, as well as Grant Padgett, manager, returned today from Salt Lake City where they attended a conference which featured first showing of the new Ford cars. Those making the trip, in addition to Padgett, were L. W. Polson, Bill Bradley, Charles Hepler, Enoch Schiffer, Marvin Mayo and Bill Courtney.

POST-WAR AIMS AWAITED BY U. S.

(From Page One)

have one main task—to mobilize all economic and military resources of freedom-loving people in order to attain the speedy emancipation of the nations which are growing under the oppression of the Hitlerite horde.

Represented at the conference were Belgium, the British empire, Czechoslovakia, Greece, Luxembourg, The Netherlands, Norway, Poland, the Soviet union and Yugoslavia, and a representative of France which, it was reported in reliable quarters, the British government was about to recognize as the de facto government of those French colonial territories it holds.

Eden Presides

Anthony Eden, British foreign secretary, presided.

Russian Ambassador Malyski, in his statement made what seemed an implicit charge that socialist Russia would support any subversive activities in other countries.

"The Soviet Union defends the right of every nation to determine its own territorial integrity of its country, and its right to establish such social order and choose such form of government as seem to it opportune and necessary for the better promotion of its economic and cultural prosperity."

Possibly alluding to Japan, Malyski said Russia desired peaceful neighborly relations with all countries which respect its territory and inviolability of its borders.

Holland Preservation

He promised Russia would be ready to give up any claims on peoples who are the victims of aggression.

Foreign Minister E. N. van Kieften, in his declaration, made one reservation in Holland's endorsement of the Atlantic charter, point four, which calls for access of all nations to raw materials and trade.

The Polish-Czech joint declaration promised support of the Roosevelt-Churchill Atlantic charter, with special reference to security against another great war and to the economic prosperity of the world.

Complete elimination of these forces in a few days may be expected with "In Kronstadt bay Soviet achieved full but hits on Bukov battleships and one destroyer. In the White sea coast, a Russian air force group destroyed a large power plant. The air force directed offensive night attacks against military objectives at Leningrad and Moscow."

DNB said German aviators had observed the Russian battleship October Revolution in an unidentified Finnish bay with its bows under water following two full bomb hits inflicted Sept. 21. The agency said also the Russian battleship Marat had been bombed by German planes and partly sinking condition in a Finnish bay.

Cable Broken; Chance of Oil Undetermined

Whether the well being drilled on the John Zurawak property is a water well, gas well or oil well—or all three—was still undecided today.

The Zurawak place is located two miles south and two miles west of South Park and earlier this week when a water well drilling outfit reached a depth of about 70 feet, strong gas and oil fumes poured from the hole.

Today, however, the matter was still undecided. Foreman was that the gas on the well drilled had broken and workmen were attempting to get the drill out, according to Zurawak.

The well is located behind the Zurawak home and also at the rear of a service station he operates. Some are of the opinion the service station gasoline tank leaked enough to saturate a spot of ground where the well digger is at work but this remains to be seen.

Meanwhile the well is causing no ill effects among law-abiding people and country dwellers alike who drive out to the place to "take a look." The owner says that the gas and oil fumes in the air today were "not as strong" as they had been in the past.

Marion W. E. Maxwell and George M. Johnson, two oil well experts, continue to study the matter but as yet have reached no conclusion. Both men in early 1941, following an intensive survey, had indicated that the well was "not as strong" as they had been in the past.

DEATH SUMMONS MRS. HANCOCK, 84

JEROME, Sept. 24 (Special)—Mrs. Virginia C. Hancock, 84, a resident of this northern section for the past 20 years, died early this morning at the home of her son, H. C. Hancock, Appleton district.

Funeral services will be held Thursday at 2 p. m. at the Jerome Methodist church with burial in the Twin Falls cemetery under the direction of the Wiley Funeral home. Rev. Albert E. Martin, Methodist minister, will have charge of the services.

Mrs. Hancock, whose husband preceded her in death, was born Feb. 10, 1857.

Aside from the son at whose home she was residing at the time of her death, other survivors include another son, C. H. Hancock, Reno, Nev.; two daughters, Mrs. Ivy Lane, Morning Hill, Calif., and Miss Mary Hancock, Huntington, Del.; two sisters, Mrs. Molly Huret, Marshall, Mo., and Mrs. Clara Guthrie, also of Marshall.

Bond Approved

Bail bond of \$500 for release of Floyd Mills, Twin Falls, pending appearance in district court was approved today by Probator Ewell M. Sweveler and payment of \$3 in costs. The matter of the bond bill at the Blue Bird cafe, Hilar, had been settled.

ASSEMBLY HELD AT JUNIOR HIGH

Regular weekly student assembly for Twin Falls junior high school was given today in the high school auditorium, under the direction of Miss Mary Smith.

Prizes to the tag, led by John Hood, opened the program, followed by group singing, led by Richard Smith. A tap dance, "Gloom" as the boys, was presented by Betty June Tarr.

Barbara Baymer gave a piano solo, "Allergo-Don-Molo." Songs, Op. 51, Beethoven, Bert Christensen, high school band instructor, played "Emile and Maria" from Les saxesophone solo, accompanied by Ferd Harada.

Safety patrol members were introduced by Tom Adams, sponsor, and Mrs. Vera C. O'Leary made an announcement concerning sale of student activity tickets.

Kathryn Graves, editor of the Club News, junior high newspaper, made an announcement about the publication, which will appear next week for the first time this fall.

Filer Girl Dies at Home of Parents

Arlene Cressler, Filer, two years and nine months old, died at 9:30 a. m. today at the home of her parents, Mr. and Mrs. Wayne Cressler. She was born Jan. 1, 1939, in Twin Falls.

Also surviving are several brothers, Farrell, Seattle, Wash., Gordon, Toledo, O., Wendell, Ronald, Donald, Larry and Dale, Filer, and one sister, Ellen, Filer; and her grandparents, Fred Cressler, Filer, and M. J. Carmichael, McKinville, Ore.

The body rests at the Twin Falls mortuary, pending funeral arrangements.

CHOICE

Changed with parading on local streets, Homer C. Johnson, 38, a transient, was to appear before Municipal Judge J. O. Pumphrey this afternoon, police records show.

The man was arrested last night and court records today indicated that at the afternoon hearing he was going to be given his choice of spending a term in jail or leaving the community.

Seen Today

One pedestrian stopping another fellow to ask him where his teeth are, and getting reply: "In my pocket." Significant sign now appearing on side doors of state-owned motor cars: Official Use Only. Lynn Stewart and Clyde Williams leaving on lunch counter as they talk on Main avenue. Auto parked at garage across from public station, suddenly starting to coast across street and ending up by ramming rear of client's machine. Man, in cell No. 4 at city jail, emitting sounds very similar to decided hiccup. And young fellow in grocery-service station at Five Points being placed orange in his pocket and walking out unknown by owner—but not uncovered Seen Today witnessed the affair.

DEATH SUMMONS P. G. HAYNES, 67

P. G. Haynes, 67, Twin Falls barber, resident of 412 Maurice avenue, died at 10:30 a. m. today at the Twin Falls county general hospital.

A surgical patient, Mr. Haynes had been admitted the day before he died.

The body rests at the White mortuary, pending funeral arrangements.

Charge Dismissed

Probate court complaint against Robert Tucker and Marion Tucker, charging them with fraudulent procurement of \$18.00 in bond, was dismissed today by Judge C. A. Bailey on motion of Prosecutor Ewell M. Sweveler and payment of \$3 in costs. The matter of the bond bill at the Blue Bird cafe, Hilar, had been settled.

Circle Will Meet

JEROME, Sept. 24 (Special)—Funeral services were being completed today for Betty Lou Tansil, daughter of Mr. and Mrs. Frank Tansil, who died at a local hospital yesterday after a short illness. She was a pupil at the Miller grade school.

Betty Lou was born March 8, 1930, at Ivy, Nev.

Betty Lou besides the parents, are a brother, Francis James, and four sisters, Bonnie Jo, Violet Ellen, Bessie Marie and Yvonne Jean, and the grandparents, Mr. and Mrs. J. Bertram Preston, Nev., and Frank Tansil, Hanna, Wyo.

The body rests at the Burial funeral home.

UTAH STORM DAMAGE ESTIMATES CONTINUE TO GAIN

CROPS AND TREE LOSSES BIG FOR NORTHERN AREA

SALT LAKE CITY, Sept. 24 (AP)—Authorities today were still attempting to determine the full extent of damage caused by the northern Utah chills, jamies, utility lines and orchards by Monday morning's record windstorm.

Estimates ranged from \$100,000 to more than \$1,000,000.

Property damage already listed totaled more than \$300,000 in such cities as Ogden and Logan. Utility companies, still patching lines broken by the wind and falling trees, put their losses in the hundreds of thousands of dollars—with replacement materials hard to get.

Damage to orchards and fields was placed by some agricultural experts at \$500,000. Some orchards at the mouths of valleys had strips through them where every tree was blown down.

Frail still on the trees was knocked off. Farmers, merchants and ordinary citizens pitched in in many places to pick up the debris or to cut or preserve it before it spoiled. However, the damage was great, particularly since the crop in general is small.

The estimates of monetary damage did not include the loss in accounts suffered when whole rows of trees, many nearly 100 years old, were bowled over.

Takes Several Months

Reconstruction work will take several months—with homes and stores to be repaired, lines to be replaced and sidewalks to be rebuilt, where they were torn up as trees went down and their roots under the surface came up.

Weather conditions were the best today they have been in a week or more. Skies were clear and the winds were westerly. Forecasters predicted these better conditions would continue at least a few days.

DECEMBER START SEEN AT AIRPORT

Mayor Joe Koehler, in a telegram received from Great Falls today, told the Evening Times he is "expecting" actual work to begin on the local airport "during the first part of December."

The mayor, who had been on the coast conferring with CAA officials regarding the local project, said that total long-range cost of the completed field, including four runways, would be approximately \$750,000, including WPA, CAA and city funds. That long-range program, however, will be carried out by portions.

Koehler, who is in charge of the airport director, had approved the report here and added: "I have signed letters to this effect."

The mayor also said that a "few minor changes" are being made on the master plans which the city submitted for approval of the Seattle officials but that Mr. Morris said that the plans would be approved.

Two bids from local firms will arrive in Twin Falls early next week, probably on Monday, to inspect the field. The bids will be for Howard Helfert, air carrier inspector, and R. T. Puckey, associate regional airport engineer. Also participating in the inspection are Lewis Roberts, state WPA director of operations, and Robert W. Hampton, district WPA head.

The mayor said that he expected to return to Twin Falls Thursday night.

AROUND THE WORLD

ROME—The axis will take counter measures if American merchant ships are armed, Virginia Gayden, often a Fascist spokesman, said today in the newspaper Giornale d'Italia.

ANKARA, Turkey—Bulgaria's entry into the axis was agreed. Russia was regarded as inevitable in diplomatic circles today, and reliable informants said roads leading north toward the Danube river were choked with Bulgarian troops.

BUENOS AIRES—Acting President Ramon B. Castillo announced today that a subversive military movement, said by the press to have been inspired by Nazi sympathizers, had been "crushed in the bud."

SOFIA, Bulgaria—The ministry of transport today ordered all district chiefs to prepare within three days a list of all railway workers holding membership in the Communist party. Such workers must be dismissed under the law, the ministry said.

WITH THE RED ARMY ON THE EASTERN FRONT—Lieut. Gen. Vasily Sokolov, a representative Russian commander, said today that the Germans were digging in on a large part of the front, that they were on the defensive in many sectors and that trench warfare, mud and the merciless Russian winter lay ahead of them.

MOSCOW—The Red army was reported in war dispatches to have killed 2,500 Germans in an advance on the Divya river sector of the central front today.

MEXICO CITY—A semi-official source charged today "some hidden forces" was behind the carnage in front of the home of President Manuel Avila Camacho, in which troops fired into a crowd of striking workers killing at least 14 and wounding approximately 15. It was hinted axis agents might have stirred up the trouble.

QUILKNE, Wash.—Forest rangers reached the wreckage of a twin motorized army bomber on the slopes of 7,777-foot Mount Constance today and reported by radio that all six occupants were dead—a fact supported since the Douglas B-1 disappeared Sept. 9 while on a routine night training flight.

Operator of Club Paid Last Tribute

KEOTUHUM, Sept. 24 (Special)—Earl O. Fagan, 65, well-known operator of the Rogers club, Bellevue, was buried at Bellevue, Wash., apparently driving alone, planned by the embankment of the Ridenbaugh canal, near Bula, last week. The accident was witnessed by several people.

Mr. Fagan traveled at the rate of about 100,000 miles an hour.

Idaho 4-H Dairy Team to Memphis

Idaho will be represented in the fifth national 4-H dairy production demonstration contest at the National Dairy show, Memphis, Tenn., Oct. 11-18, by Alvin Hanson (left), and Wesley Mangham, both 16, of Lava Hot Springs, Bannock county. In dairy feed demonstration the Idaho team will be Betty King and Lydia Reiser, both of Brad.

Husband's Plea For Mae West's Money Rejected

SAN BERNARDINO, Calif., Sept. 24 (AP)—Mae West was vindicated today of a charge of being "forgotten" husband wrong, if anything, the judge ruled, she was a victim of wrong doing.

Superior Judge Charles L. Allison denied her estranged husband, Frank Wallace, temporary alimony of \$1,000 a month, because the wife seeks equity must come clean herself.

Wallace, a former vaudeville hoofer, accused Miss West of co-sinistering with underworld characters and scandalous conduct with her, business manager, James Timony.

"Notwithstanding this," declared the judge, "she says: 'I don't want a divorce. I want her money.'"

Miss West testified the owed Wallace nothing, that she was broke after her sinking account was overdrawn, and she had not worked for a year and had to obtain advances on annuities in order to live.

Delegates Return From Conference

GOODING, Sept. 24 (Special)—Rev. and Mrs. G. L. Colman and Mrs. Margaret Longweh, Gooding, accompanied by Marian and Gertrude DeBer, Fairfield, returned last week from Minneapolis, Minn., where they attended the general assembly of the Assembly of God churches. Miss Virgie Mae Webster, evangelist from Atlanta, Ga., made the return trip with them. Miss Webster will make an extended visit here.

Fifteen ministers and delegates from this part of Idaho attended the council meeting, including Rev. and Mrs. Carl R. Radford, Buhl; Rev. and Mrs. Oren Hodges, Wendell; and Rev. and Mrs. John C. Cox, Hansen. More than 6,000 attended the meetings.

Since the last conference two years ago 33 new churches were established in the United States and over a million dollars were given to foreign missions, according to report of Rev. Colman. Theme of the meeting was the place of the church in the present world crisis.

ROADS PLANNING MAY BE SHIFTED

BOISE, Sept. 24 (AP)—Gov. Chase A. Clark said today work of the Idaho highway planning survey may be transferred to the state highway department.

Elimination of the bureau, which would save the state about \$100,000, was possible because roads are often completed before the survey bureau releases its reports on advisability of construction, the governor remarked.

Clark said he wanted to find out if the work could be done by the established highway department engineering force.

The young of the eagle is known as an eaglet.

C. L. LUKE OPENS FUNERAL CHAPEL

Opening of the Luke Memorial chapel, 302 Main avenue, was announced this afternoon by C. L. Luke, manager.

In announcing the formal opening, Mr. Luke said that the chapel would be open for public inspection for the balance of this week.

Assuming the managers will be E. L. Egan, formerly of Salt Lake City, an embalmer who holds licenses in Utah, Idaho and Nevada. At one time Mr. Egan owned his own chapel in Blackfoot and Salt Lake City.

Mr. Luke will assist her husband in chapel services and members of the Luke family will be available for song services, all being talented.

Mr. Luke has been a resident of the Magic Valley since 1928 when he moved into this section from Idaho Falls. Until he entered the present business he had engaged in school work. He is a graduate of the San Francisco College of Embalming and a member of the conference of embalmers' examining boards of the United States. He passed the state board examination for Idaho.

The chapel building has been completely renovated and remodeled. The exterior is in rose combination and the chapel proper will be known as the "rose room." The exterior of the structure is white. Display room is located at the rear of the chapel as is the preparation room. The garage is located on the south side of the building. Surrounding grounds will be entirely landscaped.

Mr. Luke is widely known in the eight counties of the Magic Valley.

Town Hall Books Expert Who Knows Africa's Role in War

With the first lecture scheduled Thursday evening in the form of an expert discussion of America's general role in the world crisis, the Twin Falls Town Hall club had completed arrangements today to bring as its second offering an authoritative commentator on Africa—the next focal point in American defense.

The second speaker for the year will be Carvelth Wells, noted Africanist. He comes Oct. 27 to discuss "Africa and the Battle of the Atlantic."

Since Africa—and especially the port of Dakar—looms large in U. S. defense, Town Hall leaders said today that Mr. Wells was scheduled in early season so Magic Valley would receive first-hand data on a little known but vital area.

Wilson Here Thursday

First Town Hall speaker will be Hugh Wilson, former U. S. ambassador to Germany under the Hitler regime.

Wells, the second lecturer, has been considered No. 1 authority on Africa for many years. He is the author of "In Coldest Africa," a standard book on central Africa, and has been translated into several foreign languages. He has addressed the Royal Geographical society in London on his African explorations and is well qualified to discuss the international questions involved, from the economic, political and strategic standpoints.

CCC Training Gets Employment for 2

PAUL, Sept. 24 (Special)—C.C.C. training has marked the difference between success and failure for two former members of Company 5489 according to reports that have come back to Camp Paul, E. 54. These men have secured employment with private industry during the past six weeks and are making good on their respective positions.

On Aug. 18, Joe Bradish, technical service clerk, received his discharge for the purpose of accepting a position in bureau of reclamation office in Burley. After spending a month on this job Bradish stepped out and secured a high pay position with the Vanadium corporation in California. In an interview with Mr. Bradish he stated that his experience and training in the C.C.C. were chief factors contributing to his success in civilian positions.

On Sept. 1, Arvil Watson, leading caterpillar operator at Camp Paul, went to Mountain Home where he secured a position as caterpillar operator on the huge Anderson dam construction project. When Watson visited Camp Paul Sept. 13 he stated that because he was a C.C.C. trained caterpillar operator he had one of the leading positions on the construction of a dam. He added that he would receive a civil service classification with the bureau of reclamation within a short time.

Mr. Wells has traveled for many years in Africa, including Morocco, Algeria, Egypt, the Sudan, Kenya, Tanganyika and the Belgian Congo. He has led expeditions for the Chicago Geographic society and has been a member of the staff of the Milwaukee museum, to the heart of central equatorial Africa, where he climbed the famous Mountains of the Moon.

To Malays First

Born in England and trained at the University of London as a civil engineer, Wells was sent out to the Malay peninsula some 30 years ago by the British government to survey a route for the east coast railway. Those years proved to be a prelude to adventure and exploration all over the world.

His next expedition was to Arctia Lapland for the Swedish government and the American Museum of Natural History. Then, he traveled through Morocco, Syria, Palestine and Egypt. One of his most famous exploits was leadership of the Massee expedition to the Mountain of the Moon.

SOLON 'AIDS' FDR KEEP HIS PLEDGE

SEATTLE, Wash., Sept. 24 (AP)—Sen. Burton K. Wheeler, Montana isolationist, is "helping President Roosevelt keep his promise to the American people," he told an overflowed audience last night during a speech sponsored by the America first committee.

Wheeler lashed at "one-man government" and said he opposed that form as much as he opposed Fascism, Nazism, Communism and imperialism.

"War will bring inflation and nobody knows where it will stop," said Wheeler. "Unless we stay out of war and quit our wild spending, the country will go to disaster."

Wheeler spoke at the Metropolitan theater after the Fraternal Order of Eagles refused him use of its auditorium on orders from national headquarters.

He was en route to the San Francisco bay area today for speeches tomorrow in San Francisco and Oakland.

Bohemian Club
EXPORT LAGER BEER

Lend me a Minute and I'll give you back 15 seconds

Says PAUL DOUGLAS, well-known radio announcer

Somebody whistles a few bars of a catchy tune. Others pick it up. Soon the whole country's whistling it. It's a hit.

Somebody lights up a cigarette. Likes it. Passes the word along. Soon the whole country's smoking it. It's a hit. IT'S CHESTERFIELD.

The big thing that's pushing Chesterfield ahead is the approval of smokers like yourself. Chesterfields are definitely Milder, Cooler-Smoking and Better-Tasting. They're made of the world's best cigarette tobaccos. Blended just right to give you more smoking pleasure.

But even these facts wouldn't count if smokers didn't just naturally like them. Once a smoker finds out from Chesterfield what real smoking pleasure is, nothing else will do. Yes, fellow smokers, IT'S YOUR APPROVAL THAT'S PUSHING CHESTERFIELD AHEAD.

Everywhere you go

MAN-MADE NEW ECONOMY AID IN THIS OIL

BRINGS RECORD LONG LIFE TO A SINGLE 5-QUART FULL

Daring Death Valley Destruction Test gives you plain proof—CERTIFIED

Some modern food processing, you know, destroys many of Nature's best life-givers—vitamins that you need for life. But making up the worst loss today are vitamin synthetics... man-made! Similarly, the latest oil refining removes some of Nature's best life-givers. But effectively taking their place today is a new synthetic... a man-made economy aid that you give your engine by changing to

CONOCO N# MOTOR OIL—Popular Product

Know what you're getting to get out of it! For in Death Valley's pitiless desert this oil was measured up impartially against 5 other representative big-name oils. Each got the same fair chance to go the limit on one 5-quart fill, without an added drop. Each brand was locked up by the Official Referee, in the crankcase of a new everyday car—all alike. All had the same 87-mile run, over the same desert, on the same day, in heat that would scorch you out of touching the hood—or fenders! And all were failed to finish the one 5-quart fill... to die of oil starvation, with engine split open like a loaded cigar.

— and the only proved NOT the same

Conoco N# oil lasted a whole 5,083 miles after the next best oil in the test dried up with the engine good for scrap. And all 5 others in the test averaged 5,000 miles less than Conoco N#, with its man-made new economy aid known as Thioblene inhibitor... Conoco Patent No. 2,318,132.

Now no laborer is to keep a thing in check. And the explanation is any engine can't help causing fuel burnovers that must be properly kept in check—or they will make your oil "boiler" and pass out too soon. But that dies a different Conoco N# in Death Valley. It stood up better... by as much as 101%... Certified.

You may say you'll never put your engine through extreme oil-mileage tests, because you have it checked and re-filled exactly according to the recommendations of qualified authorities. And you're exactly right.

But you certainly like all the safety factor your oil can assure—and the safe engine in the Imperial Death Valley destruction test lived on Conoco N# oil. And you certainly like it every time the man puts the gauge-stick back in without putting in a quart! Because to Conoco N# today and count the miles till your next quart. Conoco N# Oil Company—Pioneers in Bettering America's Oil with Synthetics.

CERTIFIED I hereby certify that the Death Valley Test and related work were thoroughly and fairly conducted. Engine Destruction occurred in each case at the mileage stated.

H. H. Juddell
Consulting Engineer, 316 North Broadway, Twin Falls, Idaho

CONOCO N# MOTOR OIL

DEATH WATCH ON THE DESERT

Imperial Official Observes that Conoco N# oil lasted a whole 5,083 miles after the next best oil in the test dried up with the engine good for scrap. TRADE SLOW IN SHEEP SELLING

CODDEN, Utah, Sept. 24 (UP)—Country purchasing of feeder lambs and sheep was only moderately active over most of the western range country last week, the U. S. agricultural marketing service reported today.

Utah supplies were relatively small but trading was slowed by uneven terminal markets and firm asking prices. However, most country transactions were on a steady to firm basis.

Feeder lambs prices ranged from small lots of feeder lambs at \$10.25 to mostly \$10.50-75 per hundredweight, while \$11 per hundredweight was received in southeastern and northwestern Wyoming and for delivered-to-feed lots at a few Utah and Idaho points.

Woolface ewe lambs ranged at \$11-11.50 per hundredweight, with selected lots up to \$12. Yearling ewes sold at \$11 per head upwards, some reaching \$12. Short-term breeding ewes reached \$8.50 per head and down.

Rotary at Buhl Hears Trip Story

BUHL, Sept. 24 (Special)—Fred Parish, president of Rotary, gave an interesting account of a trip taken with Mrs. Parish and daughter, Bernice, this summer through 33 states and three provinces in Canada, covering in all 10,000 miles, at the regular meeting of Rotary at the Aurora cafe.

The following matters received attention at the business session: Thanks were extended Jack Tingey for furnishing the fish at the inter-city meet held at Clear lakes.

It was decided to continue the courtesy extended senior boys of previous years, namely, inviting two or three to be their guests at luncheon each week.

J. H. Barker gave the eulogy for W. Herman, past president of Rotary, who died at his home in Buhl Sept. 4. At the time of his death he was serving on the student loan committee. Fred Harting was appointed to serve on this committee.

W. C. Hearst, newspaper publisher of Whitewater, Wis., was Jack Frost's guest at the luncheon.

Four Killed When Fire Burns Home

COALINGA, Calif., Sept. 24 (UP)—Four persons, three of them members of one family, were burned to death Tuesday, and two others were critically burned in a fire which broke out in a home here.

The dead: Jean Allen, 15; Linge Jimmy Allen, 11; Irene Allen, 6, and Sherman Gentry, 3.

Parents of the Allen children, Z. C. Allen, 41, and Lou Allen, 36, suffered third degree burns.

Allen said the fire apparently started from an accumulation of gas beneath the house.

The national park service administrators approximately 12,000 acres of land in the District of Columbia.

Special Program Will Boost Idaho Potatoes in East

BOISE, Ida., Sept. 24 (UP)—A list of major mid-western and eastern cities where defense payrolls assure purchasing power was approved by the Idaho advertising commission today for a special program to merchandise Gem state potatoes and onions.

Burton Purkee, commission advertising counselor, said conditions have improved for sale of Idaho potatoes in eastern markets.

Gooding Girl Will Lead 'U' Women

UNIVERSITY OF IDAHO, Sept. 24 (Special)—Miss Marjorie Thompson, Gooding, is acting president of the Associated Women's Students at the University of Idaho.

She was named vice-president last spring and ascended to the acting presidency this fall when Miss Isabel Ayres, Casper, Wyo., failed to return to school.

Miss Thompson will be installed as president soon and an election held to choose a new vice-president.

RURAL ELECTRIC LEVIES FLEXIBLE

BOISE, Ida., Sept. 24 (UP)—Attorney General Bert H. Miller today declared flexibility of Idaho laws governing taxation of state rural electrification associations makes it "impossible" to determine a general rule as to which are subject to taxes.

Some REA projects are taxable, but others, due to methods of organization are considered exempt, Miller declared in an opinion sought by H. L. Hansen, Bonneville county assessor.

"Certain organizations now existing in Idaho and receiving financial assistance from the rural electrification administration may have set up their association in such a manner so as to have their organization

taxable. Mrs. Kuhns won the white elephant. Mrs. Loughmiller joined the club. Next meeting will be at the home of Mrs. George Larsen.

Sugar City Boy Named by Frosh

UNIVERSITY OF IDAHO, Sept. 24 (Special)—University of Idaho freshmen elected Frank Jacobs, Sugar City, class president for the first semester at an assembly Saturday morning. Other class officers chosen were Dick Green, St. Maries, vice-president; Gloria Stewart, Payette, secretary; and Condie Short, Moscow, treasurer.

Paul Girl Named Women's Editor

UNIVERSITY OF IDAHO, Sept. 24 (Special)—Miss Francis Hardin, Paul, a senior majoring in Journal-

ism, was appointed women's editor of the Idaho Argonaut, student newspaper, for the school year. Miss Hardin was feature editor of the Argonaut last year. Editor of the Argonaut is Bob Leeright, Rupert.

Paul Girl Named Women's Editor

UNIVERSITY OF IDAHO, Sept. 24 (Special)—Miss Francis Hardin, Paul, a senior majoring in Journal-

ism, was appointed women's editor of the Idaho Argonaut, student newspaper, for the school year. Miss Hardin was feature editor of the Argonaut last year. Editor of the Argonaut is Bob Leeright, Rupert.

FOR AMERICA'S DEFENSE

Announcing three new STUDEBAKERS FOR 1942 now on display

Strikingly original styling! Money-saving new performance! Highest quality materials and workmanship!

STUDEBAKER today proudly introduces the three finest new models in Studebaker history.

Led by a distinctive new Studebaker President Eight, this new Studebaker line for 1942 includes a new Studebaker Commander—and, in the lowest price field, a sensationally economical new Studebaker Champion.

Thanks to the resourcefulness of Studebaker's brilliant engineers and production executives, these are the highest quality cars that Studebaker has ever manufactured—and they are priced with traditional Studebaker moderation. Come in today and go for a trial drive. Use your present car as part payment on any 1942 Studebaker. C. I. T. terms.

Turbo-Matic Drive

NO CLUTCH-PEDAL. NO GREEP. NO CLASS.

Fluid coupling with controls & gear selection and automatic overdrive—greatly simplifies car operation. Available at added cost on all 1942 Presidents and Commanders.

YOU'LL SAVE 10% BY BUYING BEFORE OCTOBER 1st

NOTE: New federal regulations, effecting the price of all home appliances, will go into effect October 1st. New taxes have been created which in most cases will increase the cost of home appliances by ten per cent. This is not an attempt on our part to alarm the buying public. We feel that it is our duty to inform you of price raises that are sure to come. If you are contemplating the purchase of this type of merchandise and can conveniently do so at this time... it is definitely to your advantage to buy before October 1st. Terms are available.

NOTE: Immediate delivery and in most cases present prices apply only to the floor stock now in our showrooms. Government priorities are making serious inroads in the production of private manufacturers. This naturally will be a deciding factor in establishing future prices. In some instances we have been able to prepare for this condition and consequently have good stocks on hand... but in most cases the stock is limited and we have no assurance of future delivery dates.

New Regulations Will Soon Effect the Price You Must Pay For These Popular Products!

"Everything to Make Living More Pleasant"

Courtesy at Jerome Fetes Miss Driscoll

Gifts for her kitchen, placed on a large wooden tray, centered with rosebuds, were presented to Miss Marjorie Driscoll at a shower last evening at the home of Mrs. Wayne Barclay, Jerome.

Bridge was played in connection with the kitchen shower, and Miss Eleanor Hollingsworth, Miss Annabelle Zug and Mrs. Dudley Driscoll won prizes.

A late supper was served. Floral decorations were rosebuds and nasturtiums.

Guests in addition to the honoree were her mother, Mrs. Driscoll, Mrs. L. W. Kohler, mother of the hostess; Mrs. Don Barclay, Mrs. Richard Duval, Mrs. Ivan Skinner, Mrs. Bernice Keane, Miss Hollingsworth, Miss Betty Humphrey, Miss Dorothy Reed, Miss Kay Thompson and Miss Frances Thompson, Twin Falls. Mrs. Charles Golder, Jr., Hansen, Miss Helen Painter and Miss Zug, Jerome.

We-- The Women

By RUTH MILETT
(NEA Service)

If you want to get a taste of what it would be like to live in Nazi Germany, there anything you say or do is likely to be used against you. Get a job as a teacher in any typical small town in America. You'll get a rough idea.

It won't take you long to discover that there is an unofficial gagtap at work, whose self-appointed task it is to scoop up all the information possible about the private doings of new teachers, who, to be good enough for their new jobs, must have none of the faults of the ordinary members of the community.

You'll find that to smoke a cigarette you have to quit yourself up in your own room and draw the blinds. Even then, if your landlady is a gossamer agent, news will eventually reach the school board, whose members make the most of their power to hire and fire.

Of course, if you take one cocktail-even at a party where a goodly number of your friends will be present-you'll find yourself on the list of those who are being watched.

You'll know what it is to have the man you date looked over and judged, for suitability, if they are attracted enough to make the other women in town jealous of you.

If they are man's boys or slightly absurd old bachelors, that no one else is interested in it will be all right for you to date them occasionally. If you are a "ladylike" and "becoming" a teacher.

If you think this is an exaggerated picture in the year 1941, get a job as a school teacher in a small town-10,000 population or under-and see for yourself.

Don't forget to pull down the blinds and open the windows before you light a cigarette.

California Pair United at Rites

Mrs. Alice Abbe and C. C. Bailey, Whittier, Calif., were united in marriage here yesterday. They were attended by Mrs. Minnie Wirt, Twin Falls, mother of the bride, and Harold R. Abbe, Whittier, son of the bride.

Marian Martin Pattern

Pattern 9767 may be ordered only by mail and costs \$1.00. It is a 34" bust, 36" waist and 42" length. It features a wrap front, a full skirt and a matching jacket. It is made of rayon crepe.

Pattern 9767 may be ordered only by mail and costs \$1.00. It is a 34" bust, 36" waist and 42" length. It features a wrap front, a full skirt and a matching jacket. It is made of rayon crepe.

Lovely Latin

This is Genelia Maria Teresa Escalante, daughter of Don Diego Escalante, Venezuelan ambassador to the U. S. Just in passing, she'll be crowned Queen Nicols VIII by Assistant War Secretary Robert Patterson during the Nicols festival at La Plata, Sept. 28-27.

Emanon club will meet at the home of Mrs. C. E. Grieve Friday afternoon. Roll call responses will be read. Statements concerning vacation trips. Mrs. J. T. Anderson will be leader. Members are requested to bring canned fruit for the Children's home at Boise.

Ed Benoit Heads Argonaut Benefit

UNIVERSITY OF IDAHO, Sept. 24 (Special)-Ed Benoit, Twin Falls, has chosen head and committee to arrange a dance to send subscriptions of the Idaho Argonaut, student newspaper, to the front. The students who have been drafted into the army.

W.S.C.S. Circles Of Buhl Assemble

BUHL, Sept. 24 (Special)-Four circles of the W. S. C. S. of the Methodist church met Thursday. Sunshine circle met with Mrs. Robert Stewart for a one o'clock pot-luck dinner.

Mrs. W. H. Wright and Mrs. C. M. Merrick were hostesses to the Harmony circle at the Wright home at luncheon.

Mrs. Ralph Moore entertained the Progress circle at 8 p. m. at a luncheon. Mrs. Minnie Mousel, Nebraska, was a guest.

The Bithen and Chatter club met in the church basement. Mrs. Jim Tolin and Mrs. Freda Johnson were hostesses. After a social meeting the members adjourned to decorate the recreation hall for the teachers' reception.

The meeting of the Loyal circle was postponed to meet this Thursday, Sept. 25, with Mrs. Bryan Rogers, Mrs. Brown Whitlow assisting.

"UNITED ORDER"
TOPIC FOR U. E. CAMP
The meeting of the U. E. Camp in the lesson subject, "Living Under the United Order," presented this week at a meeting of Camp Em-Ar-El, Daughters of the Umo, Pioneer, at the home of Mrs. Bertha Miller. Mrs. Blanche Blanton, captain, presided, and the lesson was in charge of Mrs. Minnie Blaser.

St. Edward's P. T. A. Announces Chairmen

Executive board of St. Edward's Parent-Teacher association met last evening at the home of Mrs. Mary Kleffner, president. Committee chairmen were announced, and plans were made to have an "open house" ten and reception, and a window display in observance of American Education week in November.

Beta Sigma Phi Organizer Here

Mrs. Anita Thomas, of the field staff, has been named as organizer of the Beta Sigma Phi, a non-academic educational and social organization for young women, with headquarters in Kansas City, Mo. It is a Twin Falls chapter of the organization. Details of a charter rounder chapter to be established here. There are eight chapters in Idaho.

Beta Sigma Phi is a non-academic sorority designed for the purpose of giving young women, interested in participating in a constructive, cultural program, an opportunity to further develop themselves culturally and socially, according to Mrs. Thomas.

The study program outlines are outlined for all members by the international offices. In addition to the study and social activities the organization sponsors creative activities in the field of short story writing, poetry writing, cover designing and in composing the music words for songs.

The organization, only a little more than 10 years old, is now the largest fraternal organization in the world in point of chapters, having 1,200 chapters in the United States and Canada and one in England, with an active membership of 24,000 young women, Mrs. Thomas pointed out.

Castleford WSCS Honors Teachers

CASTLEFORD, Sept. 24 (Special)-A large crowd attended the annual reception for the teachers at the Methodist church Thursday evening, sponsored by the W. S. C. S. The meeting opened with group singing of "God Bless America," led by Mrs. George L. Anderson, of Methodist church, yesterday afternoon in the church parlors.

Mrs. Alfred Kramer extended a welcome to the ladies who hosted. Mrs. LeRoy Black conducted devotional. Plans were made for the annual Harvest Festival, sponsored by the W. S. C. S. The festival will be held on Oct. 10, a dessert luncheon was served by Mrs. Albert prior to the harvest session.

Hobbies, Antiques Are Club Topics

GOODING, Sept. 24 (Special)-Rebekah club met Friday at the home of Mrs. H. C. Byram with 10 members present. Mrs. Carl Schreiber presided for a business meeting during which the club voted to accept the invitation to meet Oct. 17 with Mrs. Ed Adams, formerly of Gooding and now living near Jerome.

Hobbies and antiques were the roll call topic, and many interesting articles were displayed. Mrs. Olive Robinson displayed a man's pocket knife which had been in her family for 150 years; Mrs. Pearl Perkins showed a daguerrotype of a young woman which has been in her family for many years; Miss Evadine Cochran exhibited her scrapbook of notes and letters from her home town of her hobbies and Mrs. Byram invited the club to visit her byram room which contains her home and her collection of 112 salt and pepper shakers.

Former Teacher Weds at Tacoma

MURTAUGH, Sept. 24 (Special)-Mrs. LeRoy Lee has received an announcement of the marriage of Miss Kathryn Jones Anthony Knutson, vice, Sept. 5 at Tacoma, Wash. Mrs. Knutson is a lieutenant in the U. S. Army. Mrs. Knutson was an instructor in the Murtaugh high school the past year.

Murtaugh M. I. A. Conducts Social

MURTAUGH, Sept. 24 (Special)-The opening social of the M. I. A. of the L. D. S. church was held at the recreation hall, with the new officers presiding. Mrs. M. I. A. officers are: Mrs. Kenia Barber, president; Mrs. Anna Perkins and Mrs. Thora Christoferson, counselors.

After community singing, a harvest dinner was served with Mrs. Egbert, Mrs. Clifford Tolman, Mrs. Mel Walker and Ivy Christoferson in charge of tables and Mrs. Peg Perkins, Mrs. Mel Walker and Mrs. Clifford Tolman committee on refreshments.

The program committee, Clyde Perkins, Norris Goodman, Mrs. Janice Clawson and Mrs. Ivy Christoferson, then presented the following program:

Reading, Doris Egbert; vocal solo, Grant Bales; dance, live five girls (directed by Ben Kemper, Alice Earl and Jeanie Pickett); piano solo, Miss Jordan; talk, food for thought; Knutson; Dr. A. H. directed by Norris Goodman; clarinet solo, Joyce Goodman.

There were about 100 present.

Van Engelens

Stairlets are sprouting wings-on their heads, not angel-fashion. Here's former model, now actress, George Carroll, in her new West Coast-designed fall bonnet, a neat deep aqua felt turban with a bow over the eye and a winged aqua bird pointing to the high heavens.

MARRIAGE LICENSE

BURLEY, Sept. 24 (Special)-Miss Beulah Lovelace, 18, Burley, secured a marriage license at Salt Lake City yesterday to wed Don Jesse Nelson, 20, Jerome.

Rhubarb belongs to the buckwheat family.

Wings Are "Tops" O. E. S. Dinner Served By Job's Daughters

Annual pot-luck dinner for Twin Falls chapter, Order of the Eastern Star, was served last evening at the Masonic temple, preceding the business session and program, with 125 guests attending. Mrs. Ronald Graves played background music, and several members of Twin Falls Bethel, Job's Daughters, served.

Committee on arrangements was Mrs. Christine Peterson, Mr. and Mrs. Harry Eaton, Reese Williams, Mrs. Frank Baldwin, Mrs. C. O. Jellison, Mrs. John C. Harvey, Mrs. W. B. Brooks, Mrs. H. A. Salisbury and Mrs. Carl Boyd.

Waitresses were Miss Barbara Randall, Miss Marjorie Robertson, Miss Vera Goodman, Miss Donalce Smith, Miss Janet Harper, Miss Mary Gene Ostrander, Miss Patty Campbell and Miss Hilma Sweet.

Announcement was made that the annual home fund card party will be held the evening of Oct. 14, when all Masons, Eastern Stars, their husbands, wives and escorts are invited. Program highlight was a collection of "North, South, East and West" songs in appropriate costumes, presented by the Business and Professional Women's club quartet.

Mrs. Catherine Patten in colonial costume, sang "Sweet Genevieve"; Miss Beulah Carlson as a Bowersky tough, sang "East Side, West Side"; Mrs. A. F. Coland, as a southern mammy, sang "Shortenin' Bread"; and Mrs. Marion Dunn, as a cowboy, sang "Home on the Range."

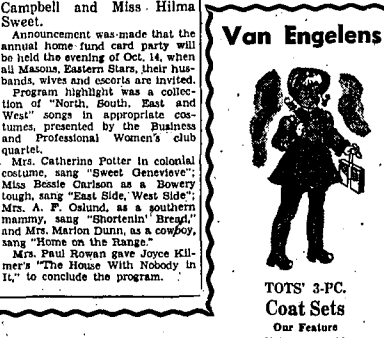

Mrs. Paul Roman gave Joyce Killmer's "The House With Noody in It," to conclude the program.

I. O. O. F. Donates To Soldiers' Fund

Company E, 11th engineers, headquartered at Fort Lewis, Wash., will receive \$10 more for their recreational fund, Twin Falls I. O. O. F. lodge announced today. Contribution was voted at a recent meeting. This will be added to the fund of more than \$600 which has already been raised to help equip recreational rooms for use of the soldiers. Junior Odd Fellows Lodge No. 11 will meet this evening at the hall to confer the honorary degree upon several candidates. It was announced.

SPECIAL Boxed Sets Pillow Cases

98c

Last February, our New York buying office urged us to purchase boxed pillow cases; and to cover our needs for the rest of the year. They are now in stock. Here is a rare opportunity to select your Christmas needs (and at the old price). Many styles to select from: His and Her... and Mrs. ... colorful embroideries... colored borders, as well as solid colors... Then won't last long-so hurry.

Pre-Shrunk

This fine North Star Blanket was washed at the mill for over two hours. It is pre-shrunk. The mill says-we know that it will wash it properly handled.

Finest Wool

This North Star Blanket is the new "brushed" type-only the better wool blankets can be brushed, and still give years of abnormally service. We believe that the North Star name means the "utmost" in fine blankets.

Opportune Savings

The quantity is strictly limited. When these are add-we will have no more of this number at any price for the rest of this year. Act quickly. The lay away plan is available.

Relieves Distress from MONTHLY FEMALE WEARNESS

Lady E. Pinkham's Vegetable Compound not only helps regulate monthly cycle, but also relieves all distressing conditions connected with the female system.

JAYCEES WILL DO SKI AREA WORK

Local Junior Chamber of Commerce members will have to climb out of bed early Sunday morning, Tuesday and Wednesday to be ready today for volunteers to aid in digging a trench for the laying of 700 feet of water pipe at the site of the ski shelter at the base of Magic Mountain, up Rock creek. All the volunteers were asked at yesterday's Jaycee session to meet at the shelter in the city park at 8 a. m., after which the trip will be made to the mountain area.

Work Underway

Installation of the line will provide the shelter with running water, according to Ray Robbins, chairman of the Jaycee winter sports committee who called for the volunteers. The amount of work to be done under contract for construction of the shelter has been let by the forest service in Butte and that at the present time the construction has been completed and the studding and rafters are up. Robbins said that transportation will be provided those who have no means of reaching the ski shelter site. He added that shovels for the digging work would also be provided but urged those having shovels to bring them along.

Also announced at the session was plans for the quarterly state convention which will be held here, Sunday, Oct. 19. A dance for Jaycee members and their wives will be held at the Park hotel the night preceding the date of the convention, Howard Wiseman, chairman of the committee in charge, announced.

Teacher Dance

Plans were also discussed for a dance which will serve to entertain those attending the district Idaho Education Institute which will be held here Oct. 24. Walter Craig is in charge.

Speaker at yesterday's session was Wilton Peck who had defense stamps and bonds as his topic. He urged purchase of both the stamps and bonds described them as the "best assurance to dispel a national hazard, the threat of unemployment."

H. S. BOYS' UNITS SELECT LEADERS

Election of officers of sophomore, junior and senior units of the Boy Scout club of Twin Falls high school was featured yesterday afternoon when unit meetings were held.

Puller was elected president of the senior class; Don Kotzra is secretary, Juniors elected Puller as president and Jim Williams as secretary, Lyle Pearson was chosen president of the sophomore boys' group; Carl Higgins, secretary, and Bill Robinson, program chairman.

Peanut sellers and program sellers also were chosen from each of the groups. Program committees were named in the junior and senior groups.

Clarence R. Wallace, sophomore sponsor, spoke to that class on the individual personality rating files kept for all students of the school.

Paul A. Jones, junior sponsor, explained to his group their theme for the year, "Character and Personality Development."

In connection with the senior units theme for the year, "Occupations," John D. Felt, sponsor, spoke about plans for securing speakers on subjects of most interest to the boys. At this meeting, Ted Bechter played a trumpet solo, and Carlton McMullen sang "Drink to Me Only With Thine Eyes."

4 Earn Position Of Company Clerk

PAUL, Sept. 24 (Special).—When the second Pocatello district company clerks' school, at camp Paul HI-50, ended Sept. 20 four enrollees returned to their companies ready to take over the position of company clerk. With five weeks of practical experience in the army office the student clerks touched upon almost every phase of the paper work incident to the administration of a CGO company.

Those who successfully completed the clerical training course were Johnnie I. Dunham, company 2511, Jackson, Wyo.; Walter R. Page and Clyde B. Price, company 4450, Camp Paul; and Robert H. Wilson, company 459, Sitka, Alaska. These graduates all received certificates of completion signed by the district commander. Because they showed exceptional aptitude during the first week of the school, Enrollees Bernard V. Burt and Warren H. Seichter were sent to district headquarters for the purpose of serving as headquarters clerks. Enrollee Aaron Deas was transferred to company 1007 to fill a clerical vacancy after the first 10 days of the school.

Another clerical school will be conducted at Camp Paul starting Oct. 1. The school will be under the supervision of Educational Adviser (EAD) Enke and approximately 10 students will be enrolled. At the next school of instruction will be given through actual job training, lecture and exercise on practical problems.

Kimberly Completes Full Program for Big Festival

Complete program for the fifth annual Harvest festival which will be held at Kimberly Monday and Saturday of this week was announced today by officials in charge of the event.

Opening of the festival will be in the form of a rodeo on the high school athletic field under the lights, starting at 8 p. m. Friday. Stock for the rodeo is from the Hillside string and will be under the direction of Bill Anderson. Deeds "The 'doging' on the opening night will conclude with a harvest dance at the old Wilson school building.

Parade Saturday

Saturday at 1:30 p. m. the downtown parade will be staged with the second showing of the rodeo at 2:30 p. m. Another dance will be staged that evening.

Feature event of the rodeo program will be the introduction of the wild Brahma bull riding contests. A Kimberly merchant, selected by drawing numbers from a hat, will ride a Texas steer as the opening feature of Friday night. After 30-20 star drawing, another merchant will ride the steer again at the Saturday afternoon presentation.

The Kimberly high school band will furnish music for both rodeos under the direction of Harold W. Deed. Also appearing at the rodeo will be Tom Parks, secretary-manager of the Twin Falls county fair, and Doc McCarty, Kluge, S. J.

Plenty of Stock

Officials pointed out that plenty of stock will be on hand for the two shows. Among the animals will be

AIR MANEUVERS SET FOR OCT. 2-5

An additional day for army air maneuvers in this section of Idaho had been added to the schedule which will see six B-1's, A bombers and 200 men "invade" Gooding and Twin Falls, army officials had announced today in the city.

The planes and men will come here from the Boise air base Oct. 2 and will remain through Oct. 5. First announcement yesterday called for the maneuvers to take place Oct. 2 through Oct. 4.

Word that date for the maneuvers had been officially set was received by W. W. Franz, local American Legion post commander in the form of a telegram from Maj. C. P. Olinger, Gowan field, Boise. Two army fliers inspected local facilities yesterday and the American Legion hall will be used to house the soldiers while they are in this section.

EX-ARMY YOUTH HUNTS FOR JOB

BOISE, Ida., Sept. 24 (Special).—Twenty-two-year-old Elmer Harris, Eagle, was unemployed today and members of three draft agencies were hard at work to find him a job.

State selective service headquarters, the Ada county draft board, and county reemployment committees were concerned over Harris' future because he was the first Idaho draftee to apply for reemployment aid under terms of the national selective service act.

Harris served seven months in the army and was released because of dependents. He is trained in stenographic work.

Harris made out his application for employment at state draft headquarters. It was referred to the Ada county draft board and subsequently went to J. W. Kalliger, Ada county employment committee chairman. His job duty it will be to track down a job for the youth.

Booster Night to Be Held Sept. 30

HANSEN, Sept. 24 (Special).—Booster night, Tuesday, Sept. 30, will be observed by the Hansen Grange, as it is by the many Grangers of the nation, with an open meeting. This meeting will feature one of the state officers as guest speaker if plans, being made by the lecturer, Mrs. D. Dietz, materialize. Each member is urged to contact and invite prospective members as well as other members to attend.

During the Thursday evening meeting of the Grange, Master Bill Wiseman, who acted as general chairman of the community exhibit at the Twin Falls county fair, gave a report on the exhibit as well as the results of the exhibit.

Pomona arranged the program which included the reading of a page on "Beautiful Crops," by Mrs. Charles Prior, and one on "Home Spin Fun," by Mrs. Dietz. L. J. Prior gave a talk on "The Proper Storage of Eggs." A letter to Governor Chase Clark, protesting the low cost of chickens, as written by Charles Prior, was read by Bill Wiseman. A question and answer game was enjoyed by the group.

On the business committee were Mrs. Charles Prior and Mrs. Stuart Scott.

5 CITIES SENDING 20-30 DELEGATES

Delegates from five communities are expected to attend the sub-district convention of 20-30 clubs which will be held here Saturday and Sunday, Oct. 4 and 5.

Communities to be represented will include, aside from Twin Falls, Boise, Nampa, Idaho Falls, and Pocatello. Among officials attending will be Karl Hale, Idaho Falls, Utah-Idaho district governor.

The Donahue, president of the local club, last night appointed J. C. Williams to arrange for a social event in connection with the conference and Dick Hepler to assist in welcoming visiting clubmen.

Attending a local bus meeting last night for the final time was Frank Olcese, who will leave Thursday for selective service assignment.

It's Roundup Time At Big Ranch, Last Piece of Old West

Just about the most authentic vestige of the old west that still survives in the intermountain country was swinging into roundup time today.

In other words, big shipments of cattle and sheep will be made into the Deane S. Shipman ranch in Nevada. Archie W. Bowman, Twin Falls, is general manager.

The ranch is 58 miles south of Twin Falls.

Cars Damaged in Crash on Highway

JEROME, Sept. 24 (Special).—An automobile accident occurred here last night, Wednesday, which damaged two cars and injured one person.

The mishap occurred on highway No. 26 when a car being driven by Wm. F. Price, Wendell, which was traveling east, sideswiped another car being operated by David Boring, Gooding.

Boring, according to Sheriff Johnson, was accompanied by five passengers. They were all returning from a football game which had been played earlier that evening at Rupert. Price was traveling east when the accident occurred.

Fair Awards At Jerome

Following is the completed list of Jerome county fair specialty exhibit awards for individual display of fruit or vegetables, grain or other crops:

Falls City Grange—Third prize for sweet potatoes; Grandview club—second prize for sweet potatoes; Grandview club—first prize, sweet potatoes; Grandview club—second prize, sweet potatoes; Grandview club—third prize, sweet potatoes; Grandview club—fourth prize, sweet potatoes; Grandview club—fifth prize, sweet potatoes; Grandview club—sixth prize, sweet potatoes; Grandview club—seventh prize, sweet potatoes; Grandview club—eighth prize, sweet potatoes; Grandview club—ninth prize, sweet potatoes; Grandview club—tenth prize, sweet potatoes.

Students to See Science Program

A program of scientific demonstrations by Glenn L. Morris, scientist, will be presented as a pay assembly at the Twin Falls high school auditorium Thursday at 11 a. m.

The program is expected to prove entertaining to the entire audience, rather than only to those who have had scientific training.

The demonstrations will include experiments with electricity at high pressures, stereoscopic illusions, in which the audience "see" things that do not happen; induction demonstrations, revealing the flexibility of electricity; the earth-indicator compass used in air navigation; illustrations showing the tremendous possibilities of the electric eye; radio transmitting at 2 1/2 m., which is being presented by the Cronlund singers, Los Angeles, Mt. Doering is urging patrons of the community to attend. Prices will be the same as for students.

Hansen Program

HANSEN, Sept. 24 (Special).—Announcement of the first of a series of eight programs which will be held at the Hansen school throughout the school year, has been released by Supt. H. J. Doering, to take place starting at 2 p. m., and which is being presented by the Cronlund singers, Los Angeles, Mt. Doering is urging patrons of the community to attend. Prices will be the same as for students.

Jerome School Officers Named

JEROME, Sept. 24 (Special).—Jerome high school student body named new officers for the ensuing semester at its class officers' election held recently. Seniors named Jack Lewis as president of their class; vice-president is Melville Spencer; secretary-treasurer, Helen Jean Terry; Dale Hurd and Margaret Warren are council members.

Junior class officers named are Gladys Tross, president; Margaret Halbert, vice-president; Fleta Williams, secretary-treasurer. Council members are Joe Madash and Vernon Hall.

Sophomores named Dick Callen president; Edgar Coupe, vice-president; James Mann, secretary-treasurer; Elaine Smith and Earl Arnold, council members.

James Humphreys is president of the freshman group; Ellis Sawyer, vice-president; Billy Studvink, secretary-treasurer, and Ruthie Diefendorf and Phyllis Hurd, council members.

Murtaugh Frosh Group Initiated

MURTAUGH, Sept. 24 (Special).—Friday was initiation day for Murtaugh freshmen. They came to school garbed in various costumes from Negroes to ballet dancers.

They attended the football game in the afternoon, presenting a skill between the halves. They also presented a skill for student body pep rally.

They completed the day with a party in the evening, enjoying dancing and a watermelon "bust."

Berry Will Head Jerome Teachers

JEROME, Sept. 24 (Special).—At a meeting of the Jerome teachers of independent district No. 23, Tuesday evening, the following were named to head the teachers' association for the ensuing school year: President, Byron Berry, B. B. Brigham and Vera Romaine.

BROOKS WEAR PENNANT AS ST. LOUIS SPLITS

Dodgers Take on Boston as Cards Tackle Pirates

NEW YORK, Sept. 24 (AP)—Pennant-winning possibilities were all on the Brooklyn Dodgers' side today in their battle with the St. Louis Cardinals for the National league pennant.

The odds shifted sharply in support of the Dodgers when Curt Davis blanked the Phillies Monday and reversed even more when the Cardinals split with the Pittsburgh Pirates in a doubleheader yesterday.

If Brooklyn wins the first game of a two-game set with the Boston Braves and St. Louis loses to Pittsburgh today, the Durocher men can clinch the flag tomorrow with a triumph over the Hub club.

Play Today

Both have four games to play. The Cardinals play in Pittsburgh today and tomorrow, have an open date Friday and move to Chicago for windup games on Saturday and Sunday.

The Dodgers play in Boston today and tomorrow, are idle Friday and return to Ebbets field for games with Philadelphia Saturday and Sunday.

If Brooklyn wins three of their remaining games, the Cards could not win the pennant even if they swept their four remaining contests.

St. Louis struck a snag yesterday by swapping shutouts with the Pirates. A combination of good pitching by Pittsburgh's Ken Heintzelman and a miserable day afield for the Cards, gave the Pirates the first game, 4-0. Heintzelman allowed only six hits.

Max Lanier went the distance for the Cardinals in the second game, allowing eight hits for a 9-0 triumph.

The New York Giants dropped with the Philadelphia Phillies, divided by the Chicago Cubs, and winning the nightcap, 8-6.

Bill Lee registered his first victory in the second game, as the Cubs defeated the Reds, 9-1.

In the American, Detroit moved into a tie for third place with the Chicago White Sox, by beating the St. Louis Browns, 4-1, in 10 innings.

Red Ruffing and Joe DiMaggio clouded homers for the Yankees in the Athletics' second over two runs in the ninth to win, 9-3.

Washington edged the Red Sox, 4-3.

Trainer Denies Brown Bomber Is But 'Shell'

GREENWOOD LAKE, N. Y., Sept. 24 (AP)—The dressing room reverberated with the last week's report Joe Blackburn laughed down reports Joe Louis will be a shell for himself when he meets heavyweight title against Lou Nova Monday night.

"I never heard such nonsense," Blackburn said. "People who think Joe is alpinist are either blind or crazy. He is just as good a fighter as any man who ever lived. He ought to know."

Yes, Jack should know. The elder Blackburn has trained Brown Bomber for his 54 professional fights. Jack was a great scrapper, himself, in the old days, but he has served more notice by his masterful handling of Louis.

Blackburn said Joe isn't at all ragged. He has made his last week's training routine by his masterful shape quicker than expected, despite his rest after the Conn fight June 18. He said the champion has been taking things easy the last week to prevent getting too fine. Jack emphasized Joe was too fine for Conn, at 109½ pounds, but this time he'll come into the ring at about 202½. Had he weighed for the June fight, he would have said "Conn wouldn't have lasted five rounds."

Two-Year-Old Colt Boosts 1941 Winnings

NEW YORK, Sept. 24 (AP)—A trim brown colt who has run his \$100 purchase price into dividends of \$89,100 has boosted his 1941 winnings to \$100,000.

Alab, a two-year-old class today and the boys who like to look into the future are pasting his picture in their handbooks as the horse to beat in the Kentucky derby of 1942.

He is Alab and is known around the track as "another Whiteaway." A crowd of more than 22,000 turned out at Belmont park yesterday for his main and untrifled first race opponent, the juvenile champion known as the juvenile champ of the east.

Alab roared across the finish line far ahead and just a fifth of a second away of the world record for six and a half furlongs and backed his local mark.

With careful practice, anyone with vocal cords in normal condition can master the ventriloquist's art.

Here's the Proof that Dodger Fans Are Whacky

By HARRY VERGUNSON
NEW YORK, Sept. 24 (AP)—Well, sir, it appears the St. Louis Cardinals missed the boat in Pittsburgh yesterday, so today would be a fine time to settle a couple of questions that seem to be bothering plenty of people:

1. Will the Dodger fans treat Ebbets field in the event the Beloved Bums win the world series?

2. Are the Dodger fans really grade-A screwballs or is that just a question of sports writers' imagination?

On question No. 1, the answer is: Undoubtedly.

On question No. 2, I will present evidence and then rest my case. You can be judge and jury.

On Aug. 15, Edouard Gurevich went to Ebbets field at 10 a. m. to try to get a blower clean. They were all taken. He decided to get a drink and try to slip into the park. At the top of the yard he slipped, fell and broke a leg. He was taken to a hospital and the nurse asked him whether he had any special request. He replied: "Yes, turn on the radio so I can listen to the Dodgers' game."

Robert T. Anderson was drafted last April. He had seen several "specimen" games of the Dodgers for nine years. Eight days before the season opened on April 15 he filled out form with his local draft board asserting he had conscientious scruples against military service. "The automobile field up his induction into the army and he saw the opening game. Anderson went home from the ball game and untrifled his draft board that he had overcome his conscientious scruples.

In supreme court at White Plains, N. Y., yesterday, Justice Leo Parsons Davis was hearing a negligence action. An airplane landed into court and wiped out something to the judge. The trial was adjourned. The second game the Cardinals had lost—the first game to the Pirates.

Inter-Conference Games Feature H. S. Grid Schedule

Albion Lineup Shifted to Bolster Club

ALBION, Sept. 24 (Special)—Coach Orville Hull today worked diligently to iron out some of the wrinkles that result from the Panthers dropping their opening game of the season—20-0—to the College of Idaho club.

Before journeying to LaGrande on Saturday to tackle the Eastern Oregon college of education club, Coach Hull wants to:

- 1—Develop more speed in the backfield.
- 2—Get better (and more) timely blocking in the line, backfield and down the field.
- 3—Need Better Offense.

The center position, which is being filled by completely green, inexperienced men has proven to be very strong on defense but better offensive play must be obtained. Tackling is decidedly weak with better blocking and form the big problem in this department.

The injury flinx has already struck with Bill Price, stellar first string end and Bob Albertson, tackle, on the inactive list as a result of a wrenched knee and broken finger received in the College of Idaho tilt.

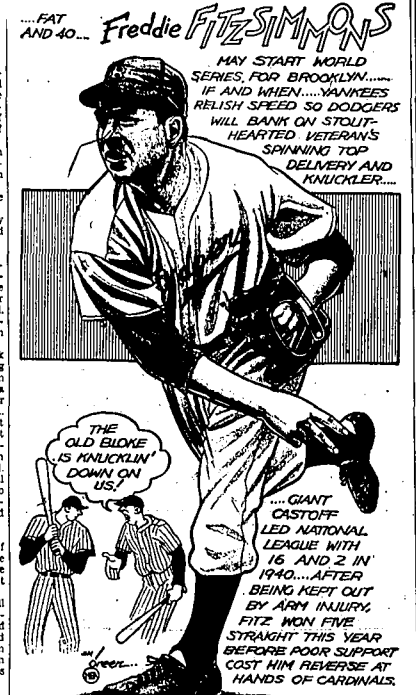

In an effort to plug the gaps left by these two injuries, Coach Hull is moving Bob Kimbrough, 180-pound center who played six-man football at Castleford, to right end, James Eames, regular halfback, will be moved to left half in order to make room for Ferris Freestone, regular in that position last year and who just enrolled in college.

Louis Canine, versatile left half from Buhl, will be assigned to the tailback spot to bolster Ernie Kane and Max Johnson, regulars in that position.

Steve Stonebreaker, fullback, will be placed at left end in order to relieve Ernie Millard, regular, and utilize his speed on end-around plays.

Boise, winning the pennant, says against future injuries, every man on the team must learn two sets of plays.

Foxy Old Fellow

Southern Idaho GRID SCHEDULE

THURSDAY CLASS B
Fairfield at Kimberly (night game)
Buhl seconds at Richfield

FRIDAY CLASS A
Gooding at Twin Falls (night game)
Shoshone at Jerome
Glenns Ferry at Buhl
Rupert at Piler
Burley at Oakley

CLASS B (11-Man)
Albion at Heyburn
Declo at Hagerman
Wendell at Halley

CLASS B (8-Man)
Murlough at Edger
Hazelton at Arden
Mountain Home at King Hill
Dietrich at Paul

Shoshone Club Takes On Jerome; Glenns Ferry Tackles Buhl

"There'll be a mingling of the 'classes' when the grid teams of south central Idaho kick off on Friday—probably the last inter-conference games of the season in most cases.

And from all appearances, some of the higher classification clubs will find that names are nothing before the day is over.

First and foremost among the inter-conference schedules is the Shoshone-Jerome tilt on the Tigers home field. Jerome, champions of the Big Seven for the past two years, has a new team—playing its first game.

Shoshone Favored

Shoshone, for years a top-ranking Class B aggregation, is reputed to have a club that will stand up against most Class A teams in the state this year. It gave Jerome a thrashing to come last week when it used the "T" formation to perfection in facing Piler by a 22-0 count.

The Indians will be favored to win this traditional game this year—somewhat averting the narrow defeat handed out last year by the bigger Class A school.

In another inter-conference tilt for Friday, Buhl will take on Glenns Ferry from the Class B ranks—and the chances are that Coach Ralph Wilber, new to the Big Seven coaching ranks, will find that he has his hands full before the day is over. Coach Kenneth Barrett has been putting out strong clubs year after year and the River Pilot aggregation of 1941 is expected to be no exception.

Another inter-league clash, Twin Falls of the Big Six, usually considered the top-ranking conference in the state, takes on the Gooding Senators in a night game on the Twin Falls field.

The Senators, under Coach Mack Saunders, new to the grid game in this area, put up a good battle before bowing to Burley last week on the Cassin field. However, the Bruins will be favored to win after their triumph over Oakley in their opening game.

Thursday Games

Play in two cities will start a day early this week. At Kimberly, the Bulldogs tackle the invading Fairfield Mustangs in a night game on Thursday, slated to commence at 7:30 p. m. The game was moved up from Friday to make way for the annual Kimberly Harvest Festival which will feature a rodeo Friday night and Saturday on the football field.

The game is the last regularly-scheduled contest of the year on home field for the Bulldogs and they will get a severe test from the big and rough Camas county high school gang.

In Richfield, Thursday contest is between the Buhl seconds and Richfield on the latter's home field—an afternoon tilt.

In registration Class A Big Seven conference games, Rupert tackles

Attendance for Pioneer Loop Takes Big Cut

POCATELLO, Sept. 24 (AP)—Attendance marks in the Pioneer league—as in nearly every other minor league in the country— took a tumble during the 1941 season, according to figures released yesterday by President Jack Hall.

Largest decline was noted at Salt Lake City where the Bees played to only 10,000 fans in 1941, down from 19,000 in 1940. Of course, the big drop resulted from the Bees finishing in third place last year in the country with first in the previous season.

Total attendance for the loop was 39,028 in 1941, compared with 41,000,000 and 37,000,000 less than the 1939 season, the first of the league.

Boise, winning the pennant, says to 86,922 compared with the 94,000 they drew last year for finishing second in the league.

Ogden, in the race for the championship all season long and in first place most of the year, drew only 82,000 fans, a decline from the 90,000 in 1940. The second largest in the league. However, that attendance was a gain over the 79,000 paid admissions in 1939 when the club finished fourth.

Pocatello, finishing in fourth position in the cellar, played to 47,000 while the Red Sox drew 42,227 for fifth place.

Twin Falls, finishing the season 20 games in the cellar, played to 21,265—about 2,000 less than in 1940 when the club finished 10 games deep in the basement.

Orofino Athletic Teams Drop Name Of 'Maniacs'

OROFINO, Ida., Sept. 24 (AP)—Orofino high school students today planned to drop their athletic team nickname "Maniacs" after hearing an address by Dr. Ralph M. Wade, acting superintendent of the state mental hospital here.

Students said the action was taken "out of courtesy to the patients, former patients and friends of patients of the state hospital."

JEROME BOWLING ALLEY

JEROME, Sept. 24 (Special)—A five-alley bowling layout has been installed here in the basement of the North Side News building. Roy Kincaide is proprietor of the new establishment, which also has a lunch counter and soda fountain.

Seattle, Sacs Win Initial Play-off Tilts

By United Press

Seattle and Sacramento today were one up on Hollywood and San Diego after the first round of play in the annual Shughartney play-offs for the president's cup.

Seattle trimmed Hollywood 5 to 2, while Sacramento beat their old nemesis, Vanik Terry, and the Padres, 4 to 1, in 11 innings, and thereby advanced to the final league standings.

Dickie Barrett, and Wayne Osborn, Sacramento's pitching duo, pitched against the Stars, who threw away the game by committing five errors.

R. H. E. Sacramento 000 000 100 01-5 9 2
San Diego 010 002 010 00-4 9 2

Seattle trimmed Hollywood 5 to 2

Football Briefs

By United Press

SALT LAKE CITY—Coach the Armstrong said today he would take his University of Utah team to the train at Boise and give them a workout before proceeding to Moscow where the Utes were scheduled to meet the Vandals. He said his team would leave Salt Lake City today, practice in Boise Thursday and arrive there Thursday night.

STANFORD UNIVERSITY

—Loren La Prade, 205 pounds, filled in today at the right guard position on the Stanford varsity squad vacated by Dick Palmer, and Hank Norberg went to left end where Stan Graff held forth last year.

MISSOULA, Mont.—The University of Montana Grizzlies entrain tomorrow for Provo where they meet Brigham Young University Friday night. Coach Don Forsgren apparently had settled on Reagan, Tywand, Jones and Leaphart for his starting backfield combination.

MOSCOW—George Nixon, letterman back, appeared today to have won the starting quarterback assignment on the University of Idaho football team. Coach Frank Schmidt said the Vandals were acquiring polish after two weeks of diligent application to fundaments.

CORVALLIS, Ore.—Leland Gustafson, promising soph left end on the Oregon State team, was out with a leg injury today and he was a doubtful starter against Southern California Saturday.

EUGENE, Ore.—Coach Tex Oliver of Oregon said today he may start Bob Koch at fullback against Hamilton Saturday. Koch had enrolled at Stanford but was "Athenianized."

PULLMAN, Wash.—Coach Babe Hollibaugh of Washington State is en route to Los Angeles today with 31 Cougar football players to meet UCLA in a Friday night contest.

Fight Results

By United Press

NEW YORK, Sept. 24 (AP)—Len Mancini, 134½, New York, outboxed Alf Hoffman, 135, Philadelphia, (8).

NEWARK, N. J.—Jalie Kogon, 128, New York, outboxed technical knockout over Pete Lello, 134, Gary, Ind., (10).

The stealthy terror dog originated in Wales.

On Sept. 7, a Dodger fan showed up for a double-header with the Giants wearing a horrible-looking mask, which he kept on throughout the game. He said it would put a jinx to the Giants.

Murray Weisenburg arrived at Camp Wheeler, Ga., to begin military service, carrying a suitcase with a Brooklyn label on it. An officer asked: "What have you got there, remains of the Dodgers' pennant chances?" Weisenburg, while weeping, replied: "Yes, but don't know just what you don't know me. Call me name. You can put me on K. P. for a week. You can't have the Utah Argus. They were scheduled to meet the San Jose Spartans at San Jose Friday, and he said his team would leave Salt Lake City today, practice in Boise Thursday and arrive there Thursday night.

AN UNIDENTIFIED fan bet \$25 on the first game of a doubleheader. The Dodgers lost and so did he. Then he bet a friend \$25 he would climb over the railing, charge out to the plate umpire and protest his decision in the second game. It got thrown out of the park, but he got even on his bet.

RUPERT TRIBUTE GIVEN WM. WISE

RUPERT, Sept. 24 (Special)—Funeral services were conducted at 10:30 a. m. Monday in the Goodman mortuary chapel for William Wise, who with his best friend, George Barton Montgomery, met death Thursday evening in a motor car accident on highway 25 west Paul Rev. Eugene Stump, pastor of the local Christian church, was in charge of the ceremony.

Music was provided by the Christian church male quartet, comprised of Eugene Stump, William H. Carpenter, Andrew Edward Johnson and L. Angelo French. Accompanied at the piano by Miss Mildred Josephine Paul, they sang "Beautiful Isle of Somewhere" and "The Old Rugged Cross." Flowers were in charge of Evening Star Rebekah lodge.

Palbearers were Mayor E. E. Fisher, A. D. Ash, Kit Andrews, O. J. Waggoner, Charles Lantz and Ed Hunt. Interment under direction of the Goodman mortuary, was in the Rupert cemetery with a brief committal service by Rev. Stump.

Mr. Wise was born Nov. 6, 1886, in Codar Falls, Black Hawk county, Ia. He spent part of his early life in Nebraska and while still in his early youth came west and worked on the Oregon Short Line railroad in Washington and north Idaho. He joined the Minidoka project in 1904, first on a homestead and has lived here ever since. In 1933 in Pullman, Wash. he married Miss Mildred Richardson who died five years later. He is survived by his daughter, Mrs. George W. Hill, of Boise, Idaho, and her two sons, Billy, of National City and Eldred Nelson, an instructor in the city schools of Nampa, Ida. Three brothers also survive. They are C. B. Wise, Wichita, Kan.; H. O. Wise and P. B. Wise, Rupert.

WPA MAPS PLANS FOR JOB TRAINING

SALT LAKE CITY, Sept. 24 (AP)—An intensive program to train men and women of the western states in defense jobs was the principal subject of discussion today at 140 WPA offices in 11 western states gathered here for a conference.

State directors and national WPA officials were meeting to discuss the WPA's part in the defense program. Officials said that the main problem at present was to work out a plan whereby more schools could be opened for the training of men needed badly in defense industries.

During the meeting a number of Washington, D. C. officials will arrive to participate in discussions, among them, Howard O. Hunter, national WPA director.

The conference will last for three days.

Tax Levy Lowered

In Blaine County
 KETCHUM, Sept. 24 (Special)—Blaine county's levy for 1941 will be lower, and the state levy higher, according to the figures of the board of commissioners. The state tax will be 60 cents this year, compared to 43 cents for last year. County tax has been lowered from \$1.45 to \$1.35.

Current expense estimates was cut from 50 to 45 cents, road from 18 to 8 cents, county school from 45 to 40 cents, charity and hospital, was increased from 20 to 30 cents.

Predatory animal fund remains at 80 cents; sheep inspection increased from 15 to 20 cents; abortion eradication and bee inspection remains at 10 cents.

The school districts were changed to a slight extent, district No. 1 having a 30 per cent levy this year, while no levy the year previous. Other districts increased or decreased as the cases warranted.

Mice are not particularly fond of cheese. They eat it only when nothing better is to be had.

GLENN'S FERRY HAS BIG TIME AT U-P DAYS, HARVEST FETE

GLENN'S FERRY, Sept. 24 (Special)—Glenn's Ferry and community can enjoy itself, regardless of circumstances. This was demonstrated as the annual Union Pacific days and Harvest Festival was held, despite a bright, cold wind today.

Sports, under the direction of K. D. Bedford, a big children's parade, supervised by Mrs. Eva Chalkin, a free football game between the Richfield and local high school teams, band concert, under the direction of O. B. Wright, concessions, and exhibits of farm and garden products and work in the homes, kept the large crowd entertained until a late hour Friday.

Grand Parade
 Saturday the festivities opened at 10 a. m. with a list of interesting and amusing sports, which carried up to the noon hour. At 1:30 the parade started, winding its way through the business streets to the applause of the large number of people lining the sidewalks. The parade was headed by the "colors," followed by the local band. The first section of the parade was given over to the individuals and foot entries, followed by the horse-drawn, and the third the mechanical division of floats, carts, etc.

Following the parade, J. L. Balderston, commissioner of law enforcement, and John Churchill, general chairman of the "retailers defense stamp week," both of Boise; Mrs. John C. Larsen of Omaha, general president of the auxiliaries to the Old Times' club; R. R. Rice, president of the local Old Times' club, and Miss E. Barron, president of the local Chamber of Commerce. The various dignitaries greeted the crowd and Mr. Churchill explained the defense stamps movement, which was also a feature of the celebration.

Polo Practice Game
 The Boise polo team, to which O. P. Shrum and Russell Geell of this city belong, put on a fast and interesting practice game at the municipal landing field before a large crowd.

In the evening Mr. and Mrs. George W. Hillbridge, both entertained with their four high school horses and monkey. The festivities that night were terminated by a dance in the Community hall by the Old Times auxiliary.

The exhibits were displayed in two buildings and practically all available space was utilized. H. S. Gault, county agent for Lincoln

county, judged the farm products, and Miss Frances Gallatin, Boise, extension specialist in clothing of the state home economics department, judged the ladies' handwork, baking, canning, etc. The school displays and flowers, because of not being so extensive, were judged by others.

Prizes Given
 Prizes were given in all classes of exhibits and defense stamps were given to those receiving the most stamps. Prizes amounted, in some cases, to \$3, and a grand prize of \$5 in defense stamps to the one securing the most blue ribbons in all departments. The latter went to Terumi Nishizaki, local gardener, with eight firsts and several seconds.

Mrs. E. E. Hibberd was general chairman of the handwork, baking, canning and other departments in the building adjoining the Opera theater, and Henry Jones, King Hill, was chairman of the farm and garden, flowers and other displays in the Jacobson building. A staff of sub-chairmen assisted them and the exhibits were all displayed in an excellent manner.

Other Guests
 Other notable guests attending the celebration besides those mentioned were Mrs. J. L. Balderston, Boise; Mrs. G. W. Taylor, San Gabriel, Calif., chairman of the Junior Red Cross; Mrs. F. W. Reumping, secretary of the auxiliary to the O. T. C. No. 3 at Omaha; Mrs. W. J. Highland, Los Angeles, president of the Los Angeles auxiliary to O. T. C. No. 11, and also chairman of the Red Cross chapter in Los Angeles; Mrs. Walter C. Ewing, Ogden, Utah, general secretary-treasurer of the O. T. C. auxiliaries; and Mrs. L. D. Vandellinder, South Gate, Calif., secretary of the O. T. C. auxiliary at Los Angeles.

MOUNTAIN MOVES
 The Matterhorn, famous mountain peak of the Alps, stands today some 50 miles north of its original position. Folds of rock, pushing and sliding over one another, have carried the mountain along on their crest.

PHONOGRAPHS FOR RENT
 We have a variety of phonographs available for rental by the evening. Suitable for dances. Inquire for rates.
