Discipline Tops School Necessities, Says Speaker

ANNUAL SESSION OF INSTRUCTORS UNDER WAY HERE

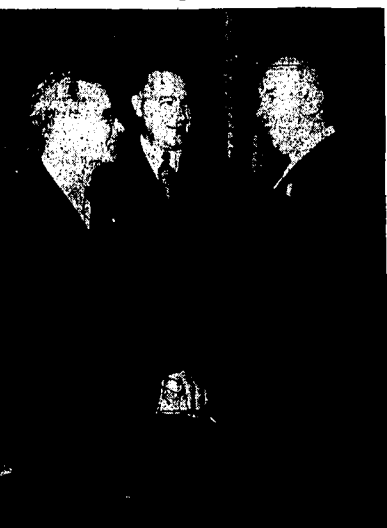

By O. A. KELLER
Discipline and the personally
traits it connotes come
first—and "tool" learning is
only second in the list of
qualities making for success
"in this time of peak employ-
ment opportunities in our
country," Dr. Vierling Kersey,
Los Angeles superintendent
of schools, told as-
sembled educators of Magic
Valley here today.

Kersey was a principal speaker
at both morning and afternoon
sessions of the annual conven-
tion of the South Central Idaho Education
association which runs through Sat-
urday. In addition to his two major
addresses today, he also spoke briefly
at the formal schoolmasters' lunch-
eon held today at the Park hotel
with Edward Rogel, local high school
principal, as chairman.

With the initial session in the
high school auditorium getting
underway at 9:30 a. m., teachers
and principals present in addi-
tion to Dr. Kersey, Loyd L. Perry,
Twin Falls banker, speaking on the
defense stamp and bond setup, and
C. E. Roberts, state superintendent
of public instruction.

Freighting at both the morning
and afternoon sessions at the high school
was H. Maine Shoun, Jerome school
superintendent and president of the
association.

Talking It Over

Three leaders taking active roles in the South Central Idaho Education association convention now underway here were discussing teaching problems when the above picture was taken at the high school this morning. The leaders (from the left) are Sept. A. W. Morgan, Twin Falls, chairman in charge of convention arrangements; H. Maine Shoun, Jerome, superintendent of schools and association president; and Dr. Vierling Kersey, Los Angeles city school superintendent, a featured evening speaker. (Times Photo and Copying)

Senate Leaders Agree to Action On Ship Arming

WASHINGTON, Oct. 24 (UP)—Senate leaders were reported today to have agreed on an attempt to broaden the pending ship-arming bill to authorize American merchant ships to carry cargoes into belligerent ports and through combat zones.

There was no official confirmation of this move. Chairman Tom Connally, D., Tex., of the senate foreign relations committee indicated a definite statement might be delayed until tomorrow, when the committee is scheduled to vote on the house-approved ship-arming measure.

A survey of senate sentiment reportedly showed a minimum of 58 votes in favor of such a plan with a possible maximum of about 60. The survey indicated seven Republicans would vote for the measure. Connally and Senate Democratic Leader Alben W. Barkley of Kentucky conferred last night. Both insisted that no final decision be made.

Opposition Testimony
Meanwhile the committee heard more opposition testimony during its last day of secret hearings on the armed ship bill. Witnesses scheduled were Lincoln Colonel, Bearport, Me.; Charles Clayton Morrison, Chicago, editor of the Christian Century; and Prof. Maynard Krueger, professor of economics at the University of Chicago, who was also named candidate for vice-president.

Krueger, in a great statement, condemned the bill to arm merchant ships as "the method of the Roosevelt administration to provide armaments for American seamen."

"The arming of merchant ships will not sink submarines," Krueger said. "It will prevent the sinking of merchant ships. It will undoubtedly increase such sinkings and increase the loss of life."

The ship-arming resolution would amend section 6 of the neutrality act, which prohibits such action. Authority for U. S. vessels to take a service in the war would be achieved through repeal of sections 2 and 3.

It has become obvious the move will be made if the administration's congressional leaders believe they can get the vote for approval of an enlarged bill. President Roosevelt and Secretary of State Cordell Hull have given points of invitation to the senate committee to take up action.

NAFLES RAIDED
ROME, Oct. 24 (UP)—British planes raided Naples during the night for a second time in three days, a high command communique said today.

SOVIETS CHANGE COMMANDERS ON GERMANS' FRONT

By HENRY SHAPIRO
KUIBYSHEV, Russia, Oct. 24 (UP)—Chief War Spokesman S. A. Lozovsky, announcing a new reshuffle in the high command, asserted today the Germans had lost hundreds of thousands of men in their attack on Moscow while Russia was expediting great new armies to be prepared to fight for years to certain victory.

Lozovsky announced Marshals Kliment Voroshilov and Semyon Budenny, commanding the Leningrad fronts, had been relieved of their commands and that Marshal Semyon Timoshenko, formerly on the central front, had taken over Budenny's command.

Lozovsky said Timoshenko was shifted "for internal military reasons."

He disclosed Voroshilov and Budenny, two heroes of the early days of the Soviet, were organizing new armies.

In one of the firmest Russian statements of the entire war he said Adolf Hitler had failed of his main objective, that he would surround them, that Russia was supremely confident of victory and that if this was not the last great German offensive it was one of the last.

Lozovsky asserted the Germans had been thrown back in several sectors of the Leningrad front where they had now concentrated their main strength on the Moscow front. He asserted the greatest German drive on Moscow, from the west and southwest in the Kashalok-Mogilev sector, had been decisively checked; that the north of the East Prussia held half of Kalinin, 160 miles from Moscow, and that it no longer held the German line 90 miles from the capital. Main fighting was now centered at Kalinin, he said.

Lozovsky said Moscow definitely remained the capital; that removal of the diplomatic corps and part of the government to Kuibyshev was (Continued on Page 2, Column 1)

Giant Ship Rushed for Fleet

Here's the first picture of the U. S. S. Indiana, one of the four giant battleships of the class under construction at Newport News Shipbuilding company for launching about December. Note impressive depth of hull, swarting the incomplete superstructure. (UPI Photo)

No Inquest Planned In Death of Couple

(Pictures on page five)
No inquest will be held in the death of two pioneer Twin Falls county residents who were instantly killed Thursday afternoon when the sedan in which they were riding was involved in a crash with a gravel truck some mile north of Hansen.

Killed in the traffic crash were Oren Dolen, 71, Kimberly, and his wife, Martha Ellen Dolen, 64. Driver of the gravel truck, Teddy G. Childs, 31, Filer, was not injured. Both machines were badly damaged.

Fact that no inquest would be held was announced this afternoon by Dr. A. A. Newberry, county coroner, after completion of an investigation as to the cause of the crash. Dr. Newberry, coroner, and investigating officers Deputy Sheriff Edward Hall and State Policeman W. E. Barron, said the sedan, believed to have been driven by Mr. Dolen, ran a stop sign when entering the paved road from gravel road at that point and drove directly in front of the gravel truck, which was traveling north.

The deaths attributed to 29 the number of persons killed in the Magic Valley as a result of traffic accidents since the first of the year.

Members of the crew landed here were reluctant to discuss the sinking of the vessel or their own experiences and reactions. One said, however, that the sinking was "part of our job, the same as any other war."

German Loss in Moscow Attacks Reported Heavy

By JOE ALEX MORRIS
United Press Foreign News Editor
The Red army reported today that fresh German drives had been repulsed with heavy losses in the mud and snow all along the eastern front and there were mounting indications that the Soviets had won the first round of the battle for Moscow.

German dispatches acknowledged that unfavorable weather had slowed down operations in the industrial Ukraine as well as along a fiercely contested Moscow front. They publicly emphasized the bitter war behind the front by execution of 50 more French hostages in retaliation for the slaying of a Nazi major at Bordeaux.

The guns of the German firing squads brought the total of executions to 100 in connection with assassinations at Bordeaux and Nantes but execution of another 100 hostages was postponed until next week.

The French government said a plea by Marshal Henri Philippe Pétain had postponed the deadline for execution of the second 100 hostages to be sent to the killing yard. The government urged Frenchmen to aid in the search.

Trouble in Africa
The French government also reported trouble in its east African colony of Somalia, where it was asserted officially that French forces had started an offensive. London sources doubted the report and Gen. Charles de Gaulle's headquarters denied it.

The fighting on the eastern front appeared to be most serious for the Russians in the Ukraine, where Marshal Semyon Timoshenko had taken command of the defense of Rostov, Kharkov and Orsk and was reported heading back repeated German drive.

The Russians said they had suffered losses of several hundred men in the Ukraine. German armies were being organized in the rear by the Soviets to carry on the war for years.

On Oct. 23, the Soviets said they had repulsed new attacks on the Moshak and Maloyaroslavets fronts. German forces claimed to be within 50 and 37 miles of the capital, while new Nazi attempts to break through on the Kalinin front had been repulsed. They reported thrown back with heavy losses.

The indications of at least a temporary Soviet success in the battle for Moscow were revealed in a dispatch from Moscow which said because of a critical Nazi breakthrough.

Another "Exclusive" For You!

It's a dizzy whirl at Washington... Just what does it mean in terms of Idaho and the Pacific Northwest? To bring it readers that alert—which can't be gotten anywhere else... The Evening Times has secured a special service for you... Kelly, famed Washington columnist, who focuses his inside facts directly for Idaho, Oregon and Washington.

Former noted writer for the Oregonian, Kelly knows the Northwest. He will interpret Washington for you in those words and in addition he can give you a brief, breezy information with keen analysis of what's going on behind the scenes.

It's another "Exclusive" Times service to Magic Valley. Start Monday... watch for it!

GUN SMUGGLING CLAIM HITS WIFE

JEROME, Oct. 24 (Special)—Mrs. Arvin Johnson, 29, whose husband is behind bars for that of six weeks of the Jerome county jail, was arrested yesterday at the Henry maternity home and was taken to the jail where she will face a charge of having attempted to smuggle a .38 caliber pistol into the jail for her husband at Boise last Sunday. He was being held for Jerome county police authorities at the time.

Mrs. Johnson, a husky built woman who has used many aliases, had fled to the capital city last Sunday after Johnson broke from the women's ward of the Jerome county jail when he forced release of his wife from the St. Valentine's hospital in Wendell. The two were arrested with Carl Cleber, Wendell resident, to Boise. They were arrested later and Mrs. Johnson was held. Her husband was placed in the jail to await police from this county.

During his stay in jail in Boise, Mrs. Johnson assertedly made the unsuccessful attempt to smuggle the gun to him.

Mrs. Johnson, a husky built woman, came here only six weeks ago with her husband from Oklahoma. She was returned to Boise today, charged with a conspiracy to smuggle a .38 caliber pistol into the jail. She was arrested Monday here by Probate Judge William O. Cornstock, where she was held in the jail.

THE BLACK FLAG FLIES

The 28th and 29th traffic deaths in Magic Valley for 1941 occurred Oct. 23 in Twin Falls county.

As the car and truck crossed the gravel road, the gravel truck, which was traveling north, struck the sedan from behind. The sedan was thrown over once by the gravel truck.

ROOSEVELT WILL ORDER BOOST IN TANK PRODUCTION

WASHINGTON, Oct. 24 (UP)—President Roosevelt disclosed today that he shortly will step up American tank production to double its present level as the first move in a long-range plan to provide a reservoir of American machines and materials to combat the German blitz.

The President said the tank expansion program now could be disclosed, along with development and production of a new tank program, in view of senate and house passage of the new \$2,985,000,000 tank bill.

For U. S. Armed Forces
He emphasized, however, that the tank program was being developed primarily for America's own defense forces rather than to meet lend-lease demands.

He said that although no figures may be given, the program goes even beyond the expansion figures outlined in a report by Gen. Director William S. Knudsen, who envisioned an increase of medium tank production from 1,000 to 2,000 a month.

The President made clear that tank expansion was only part of a new program. Studies have been going on for two or three months to estimate as accurately as possible how many machines and materials will be needed, he said, and he expects to place this program before congress late this fall or at least early next year.

It might even go to congress in his annual message immediately after the first of the year, he said.

It might even go to congress in his annual message immediately after the first of the year, he said.

SHIP SURVIVORS LAND IN AFRICA

BATHURST, British West Africa, Oct. 24 (UP)—Twenty-two survivors of the American freighter Lehigh, including two injured men and four Spanish stowaways, have been landed from a destroyer at this port.

The survivors, whose ship was torpedoed and sunk in the Atlantic last Sunday morning, said that sinkings from a destroyer at this port. The prompt action of engineers in cutting off steam and dousing fires under the boiler room prevented explosions. The engineers also were credited with closing bulkheads despite the heavy rain of water.

The Lehigh has been landed at Freeport, British Sierra Leone. All but one of the crew were rescued. Members of the crew landed here were reluctant to discuss the sinking of the vessel or their own experiences and reactions. One said, however, that the sinking was "part of our job, the same as any other war."

Retail Business Retains Advance

NEW YORK, Oct. 24 (UP)—Retail trade activity continued at a brisk pace this week, with a steady volume of sales maintaining an estimated year-to-year gain of 12 to 16 percent, according to Bradstreet, Inc., retail index.

Except for foodstuffs and some home furnishings, buying in most retail lines was reported to have leveled off substantially below recent peak levels.

DISGUSTED FIRST-TIME HUNTER SELLS HIS GUN

PITTSBURGH, Kan., Oct. 24 (UP)—Fred Palmer has torn up his hunting license and sold his new gun. He went hunting once but he doesn't intend to go again, he said.

The way it was, Palmer said, his friends talked to him about hunting. He said he would buy a gun. With two weeks he had a gun. With two weeks he had a gun. With two weeks he had a gun.

He said he would buy a gun. With two weeks he had a gun. With two weeks he had a gun.

LATE FLASHES

VICHY, Oct. 24 (UP)—A rumor swept Vichy tonight without official confirmation that Marshal Henri Philippe Pétain will cross the French demarcation line and surrender himself as a hostage to the Germans if they execute any more French citizens as hostages in reprisal for anti-Nazi acts.

LIBRON, Oct. 24 (UP)—Clement Attlee, lord party leader in the British government, has urged the labor party, and considered second only to Winston Churchill in the British government, to let the New York Times publish its report on the League of Nations, which opens there Monday.

Japanese Metals Shortage Serious

WASHINGTON, Oct. 24 (UP)—Japan's raw material shortage is so grave that the Japanese government is urged to raise rationing of metals. The government is urged to raise rationing of metals.

The government is urged to raise rationing of metals.

APOSTLE COMING TO LDS SESSION

Attending the L. D. S. quarterly conference here Saturday and Sunday at the Twin Falls stake tabernacle will be Elder Charles Callin...

Will Face Charge Kenneth Rudolph, Twin Falls, charged with speeding within the city limits, was appearing in municipal court this afternoon to answer to the charge. Police records show Rudolph, records show, was arrested for local dollars yesterday afternoon.

Stolen Car Hunted Highway authorities had requested Twin Falls police and city officers today to watch for a 1936 Oldsmobile Buick sedan stolen at the city jail last night. The car is light tan in color and has a new paint job. It carries a California license.

Leave Hospital Mrs. Burrell Pajen and son, Herbert, from the Twin Falls county general hospital.

REDS CLAIM NAZI DRIVES REPULSED through of Moscow defense lines which occurred nine days ago in the Moshak sector.

Carroll made it clear that the Russians feared that the Germans might sweep up to the capital and, in consequence, rushed foreigners out of the city.

The fears, however, were not justified. Hasty repatriation of Soviet troops, sharp counter-attacks and continuing resistance of the Moscow defenders to retrieve the situation and repair the damage.

In this, it seemed plain, the Russians have been aided by increasingly bad weather which is slowly but steadily committing the Germans on the central front. This was admitted by Nazi spokesmen in Berlin who frankly said that the weather "is very bad" and that they "no hope for a military success on the Moscow front until the snow, rain and fog return."

It is possible the snow, rain and wind will continue with little interruption until next spring.

RUSSIANS SHAKE UP COMMANDERS solely a sign of Russian determination to fight without compromise to victory.

"It stands for war to the end by government and people," he said. "Nothing can shake them from their German objectives will never be realized. We are resolved to fight until the last German is thrown out of Russia and their only German success means nothing. We do not for one moment doubt our final victory."

"The Germans will soon be convinced our reserves are far from exhausted," Loozsky said. "We can resist for several years longer and it remains to be seen how much longer the Germans can stand the war."

ENDEAVOR GROUP MEETS AT CABIN

Christian Endeavor society of the Twin Falls Presbyterian church will attend an afternoon meeting next Sunday, Oct. 25, at the Boy Scout cabin at Harrington forks.

The meeting will be under the direction of Mrs. F. W. Goff, who were elected earlier this month.

Miss Vera Goodwin, vice-president; Dick Salladay, secretary; Miss Betty Edmondson, treasurer, and Miss Joan Lindeman, news clipper.

Plans were also made to attend the state Christian Endeavor meeting Oct. 30 to Nov. 2 at Durley.

GOODING-PIONEER SUCCUMBS AT 79

GOODING, Oct. 24 (Special)—Clyde B. Marlett, 79, died at 6 p. m. Thursday at the home of his son, L. F. Marlett, who was born Dec. 6, 1861, in Indiana.

He came with his parents to Idaho in 1880 and was a pioneer of the Gooding community since 1907.

Funeral services will be held Saturday at 10:30 a. m. at the home of his son, L. F. Marlett, and interment will be in Elmwood cemetery.

He operated a cannery and orange station here for a number of years. For the past nine years he had made his home with his son and daughter-in-law, Mrs. F. W. Goff.

Also surviving are two grandsons, Arthur and four brothers and one sister.

TRINITY TO HAVE MISSION SUNDAY

CLOVER, Oct. 24 (Special)—Trinity Lutheran church of Clover will observe its annual mission-day next Sunday.

The morning service, beginning at 10:30 a. m., will be conducted by Rev. M. H. Zegel, Twin Falls. In the afternoon service, at 2:30 o'clock, Pastor George Hoffman of Rupert will be the speaker.

A large attendance is anticipated and guests will be accommodated for the noon meal in the homes of the members of the church.

The day will be used chiefly for missions, particularly in the states of Idaho, Washington and Oregon, according to Rev. W. F. Dannenfeldt, pastor of the Trinity Lutheran church.

KNOX PREDICTS 'TIFF WITH JAPAN

WASHINGTON, Oct. 24 (AP)—Secretary of the Navy Frank Knox said today he does not believe Japan intends to abandon its expansionist program and that his program will lead to a "collision" with the United States.

Knox' opinion was expressed to a group of 14 ordnance manufacturers and officers of seven naval establishments who gathered in his office to receive "E" pennants.

"The situation out in the far east is extremely strained," Knox said.

Now a Major

Promotion from captain to major in the 183rd field artillery at Fort Bragg, N. C., was given Fred Vandergraft, Gooding, above. He started as a private in the national guard in 1921.

Two casts of seniors at the Twin Falls high school will present a hilarious three act comedy, Fred Ballard's "Ladies of the Jury," at the high school auditorium on Thursday and Friday evenings, Dec. 4 and 5.

Members of the cast of the senior class play will be named in the near future, according to Miss Florence Reed, dramatics coach at the high school. Try-outs have been staged this week.

Members of the cast of the senior class play will be named in the near future, according to Miss Florence Reed, dramatics coach at the high school. Try-outs have been staged this week.

LEAP

HARVEY, Ill., Oct. 24 (AP)—A man laden with 85 pounds of scientific instruments and parachutes dropped seven miles today to a new world record for a delayed opening parachute jump.

Arthur H. Starnes, 35, seeking data for military and scientific authorities, made the leap. He left his plane at 33,000 feet and tumbled 33,000 feet through space before he opened his two parachutes.

It took two hours for the plane to spiral to the atmosphere but Starnes' boots scraped the ground about eight minutes after he plunged from the plane.

CHURCH TO HEAR ISLE MISSIONARY

Miss Grace Williams, Los Angeles, who recently returned from a five-year mission 500 miles in the interior of the Philippine Islands, will speak at the First Pentecostal church Sunday at 11 a. m. and 8 p. m., according to Rev. Ellis Seaman, pastor.

She has brought back with her various items of interest to show to the public. She worked among both civilized and the uncivilized residents of the islands, and was the only white missionary in her section.

Miss Williams is the sister of Mrs. F. E. Yedon, Kimberly. The public is invited to hear Miss Williams.

Choir Ready for Concert Tonight

For the S. C. I. E. A. convention attendees, and free to the general public, the Twin Falls high school a cappella choir, under the direction of Miss Marjorie Albertson will present this evening at the high school auditorium, its first concert of the year, an All-American arrangement, with "Ballad for Americans" as its title.

Miss Albertson will sing the baritone solo throughout the ballad, with the choir offering the background accompaniment, and the program will feature a variety of vocal solos, ensembles, sextet and a whistling arrangement.

Others for the event are Dorothy Flynn, Vera Goodman, Betty Jacky, Julia McBride, Dorothy Hudson, Clara Wilson, Charlotte Thompson, Dorothy Halpin, Betty June Gambrel and Anna Marie Krick.

The pep band will present the singing of the hymn, "Some of These Days," "A Beautiful Lady in Blue," "Here's My Heart," "I Hear a Rhapsody" and "Hallelujah." Bert Christianson, instructor, will direct the band.

RED CROSS GETS OUTLINE FOR '41

Outline of procedure for the roll call membership drive of the Twin Falls county chapter, American Red Cross, which will follow closing of the current Community Chest campaign, took place at the home of Mrs. R. W. Carpenter, 1841 roll call chairman, last evening.

The drive will open Armistice day, Nov. 11, and continue through Nov. 30. Every effort will be made to reach those in rural areas, as well as urban territories, according to Mrs. Carpenter.

National requirement is to double last year's quota or enroll 10 per cent of the population so that full support may be given to Red Cross activities for soldiers and sailors of the armed forces and also to training the civilian population to meet extraordinary emergencies which may occur.

NO INQUEST SET IN DEATH OF TWO

(From Page One) A private inquest continued down the road for a considerable distance before coming to a stop. It did not overturn. The bodies of both persons killed were badly mangled.

Members of the family said that the bodies of the two men were taken to the mortuary at 1004 and that in 1900 they were taken to Kimberly, residing there since that time.

Both were members of the Kimberly Christian church and Mr. Dolan was a member of the L. D. S. O. F. lodge. At the time of their death they resided a mile west and a quarter of a mile south of Kimberly.

Aide from a son, Bruce Dolan, Kimberly, other survivors include Mrs. Dolan, Mrs. J. C. Stone, Springfield, Ore.; Mrs. T. R. Oliver, Kimberly, and Mrs. P. Pillsbury, Clenden, Wash. Mrs. Dolan is survived by a sister, Mrs. Susan C. Boyd, Kansas City, Mo.

ACCIDENT VICTIM DIES AT RUPERT

RUPERT, Oct. 24 (Special)—The body of Mrs. Vera Clark Sullivan, who died at the Rupert general hospital Tuesday night, will be taken by the Goodman mortuary to Grace Saturday. Funeral services will be conducted here late today.

Mrs. Sullivan, accompanied by her sister-in-law, Mrs. Minnie S. Hasbun, is expected here late today on Goodman ambulance from Georgetown and placed in the local hospital Monday morning. She died there Tuesday night from pulmonary embolus which followed injuries received in a motor accident near Grace Oct. 27.

Mrs. Sullivan is survived by her husband, Walter S. Sullivan; son, Dale Sullivan, 18, and a daughter, Gladys Sullivan, 16, both of Grace, Idaho; father, Bishop Wilford Woodruff Clark, Montpelier; a sister, Mrs. Leland G. Larden, Latah City; and eight brothers, Woodruff B. Clark, Salt Lake City; William O. Clark, Provo, Utah; Royce, Buhl; Montpelier; Howard Clark, Idaho Falls; Elmer Clark, Oakland, Calif.; Homer Clark and LeGrande Clark, Georgetown; and Dr. Russell Clark, Chicago.

The body rests at the Goodman mortuary.

BITES HELD FOR MRS. ANNA HATCH

Mrs. Anna M. Hatch was paid final tribute this morning at the Twin Falls mortuary chapel.

The body was taken to Port Ocol, Colo., this afternoon for burial, accompanied by Mrs. Anna Hatch, daughter of Mrs. Hatch, with whom she had made her home for a number of years.

Rev. G. L. Clark, pastor of the Presbyterian church, officiated. Mrs. Nellie Ostrom sang "When My Feet Shall Touch the Shore."

GUN SMUGGLING CLAIM HITS WIFE

(From Page One) any hearing Date of his district court hearing has not been set.

ARRAIGNED TODAY

JOHNSON, Oct. 24 (AP)—Eldon Johnson, wife of Alvin Johnson who escaped from the Jerome county jail last Saturday, was to be arraigned in justice court here late today on charges of carrying a gun to a prisoner to aid his escape.

Mrs. Johnson allegedly took the gun to her husband in the Asen county jail where he was taken after being captured for the escape from the Jerome jail, Sheriff Don Hendrick said.

Rites for Baby

JEROME, Oct. 24 (Special)—Funeral services for Jeannine Oiles, who was fatally injured in an automobile accident last Wednesday morning near Wells, Nev., will be held at 2 p. m. Sunday afternoon at the L. D. S. church in Jerome. Bishop A. Leo Olsen officiating.

She is the daughter of Mr. and Mrs. Reed Oiles, Jerome.

SALVATION ARMY HAS WIDE SCOPE

Work carried on by the local unit of the Salvation Army, one of the organizations benefited by Community Chest funds, covers a wide field. Adl. W. Rowvall said here this afternoon.

The Community Chest drive is now in progress under the direction of Carl N. Anderson.

Varied Service
Adjutant Rowvall, telling of the Salvation Army activities, said that nature of its work here includes the field of religion, character building, local and transient relief, social service, youth work, education and recreation. Work also is carried on in the care of mothers and in the Christmas field.

During the period from August, 1940, to August, 1941, a total of 666 meetings was held. These attracted an attendance of 28,700.

The religious work carried on by the Army includes study of the Bible and religious training. Sunday school sessions are held regularly as are street meetings and personal visitations. Youth meetings held during the past year numbered 258 and attendance 4,518.

Social service work consisted of community service, personal dealing with home and family maladjustment and care of expectant, unwed mothers.

Mothers
Classes for mothers provided religious training, instruction in proper care of the family, instruction in sewing and other projects, practical help in economic instruction in personal and family hygiene, re-making discarded garments, and also recreational activities.

In the transient aid field during the past year beds were provided for 1,080 and garments and shoes were provided for 1,188.

SALT LAKE FIRE COSTS \$250,000

SALT LAKE CITY, Oct. 24 (AP)—Firemen today estimated at \$250,000 or more the damage caused by a fire last night that gutted the Arthur Frank men's clothing store and nearby establishments by a fire last night that required four hours to bring under control.

The fire completely gutted the Arthur Frank men's store, Smoke and water damaged twelve other adjacent business establishments, bank and a hotel.

The flames broke out from under the flooring of the Frank store while workmen were tearing out a partition to a new addition. What started them was not known. Dense clouds of smoke hampered the control efforts of every fireman and every piece of fire fighting apparatus in the city.

Twenty firemen—including Chief Lavere Hanson—were injured while combating the fire, none seriously. The owners of the store said their stock, including new winter and Christmas shipments, was a total loss.

Hog Shipment

JEROME, Oct. 24 (Special)—There were some 412 hogs shipped from the Jerome County Livestock Marketing association to the Luer Packing company, Los Angeles, in the shipment of Oct. 19, a report from the office of County Extension agent, Eugene W. Whitman shows.

A top price of \$10 was paid. Fifty-one growers will divide \$2,841.20 gross received from the shipment, according to the report. There were 220 hogs which were loaded at the Jerome station and 182 being loaded at the Eden station.

(Times Photos and Engravings)

The Pictures

(Story on page one)

Two Kimberly residents, an elderly man and his wife, met death yesterday afternoon in a gravel truck-crash one mile north of Hansen. Scenes of the fatal crash are shown in the accompanying pictures. The two persons killed were Mr. and Mrs. Owen Dolan, pioneers of the Kimberly area. Mr. Dolan was 71 years old and his wife was 64.

In the top picture (left to right) Deputy Sheriff Ed Hall, Ambulance Driver James Reynolds and State Policeman V. K. Barron are shown removing a blanket from the body of Mr. Dolan, preparatory to wrapping it in a sheet and placing it in the ambulance. The body of Mrs. Dolan had already been placed in the vehicle on the movable stretcher seen inside the ambulance covered by a sheet.

At the lower left is the car in which the two persons were riding and which was apparently driven by the man. At the right is shown a portion of the gravel truck which was driven by Teddy G. Childs, 31, Filer, Willard McHester, who was standing in his farm home corral and saw the crash, told officers the Dolan machine failed to observe a stop sign and ran onto the oiled road in front of the truck.

LEND-LEASE BILL PASSES SENATE

WASHINGTON, Oct. 24 (AP)—The senate late yesterday passed the second lend-lease appropriation bill, 59 to 13. The measure, carrying \$5,985,000,000 to produce war materials for nations fighting the axis, increased to almost \$13,000,000,000 the sum which has been voted by congress for this purpose.

The first lend-lease appropriation was approved eight months ago today by a vote of 87 to 9.

VITAMINS

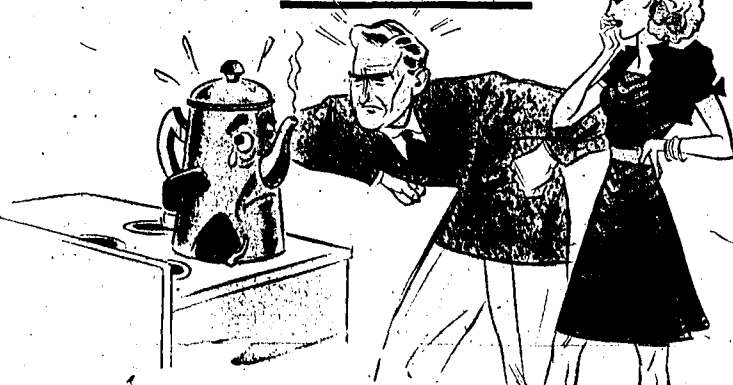

CHICAGO, Oct. 24 (AP)—Eat a balanced diet and forget "shotgun vitamin pills." The Journal of the American Medical association advised today in an editorial effort to

stem "the vitamin (pill) gold rush of 1941." "These are lush profits in the vitamin business," the Journal said in its lead editorial. "Enterprising manufacturers of all kinds are climbing on the wagon and taking to the trail . . . in a vitamin gold

rush of 1941, making the California trek of 1848 pale by comparison." The editorial criticized "the unwarranted claims" being made by manufacturers promoting the sale of vitamins to the public and suggested: "If daily consumption of a good

serving of ham, a green vegetable, a glass of milk, a slice of brown bread, an orange and other constituents of a suitable diet will not maintain the body in a proper state of nutrition, a medical study is needed more than a shotgun pill of vitamins."

IS YOUR COFFEE-MAKER REALLY GUILTY?

Has it been "FALLING DOWN" on its important job?

Stop and Think! Is it the coffee-maker that stopped making uniform coffee—or is it the coffee? Have you checked—lately? A coffee-problem is a puzzler sometimes but GOLDEN WEST can solve it for you quickly, flavorfully and permanently! For its deeply mellow richness, its fragrant freshness (sealed in vacuum) is the same yesterday—today—and tomorrow.

"To get exceptional flavor into the cup—put exceptional 'flavor coffee' into the maker."

Regular or Siles grind are as close as your grocery store.

Imitators of "Stars" Win Costume Prizes

Mrs. Howard McKay's interpretation of Lillian Russell stage celebrity of the past century, and Mrs. George Wallace's imitation of Pop Eye, hero of the animated cartoons of this era, won the prizes at the Halloween party last evening, sponsored by the Catholic Women's league.

Guests were members of St. Edward's parish. The event, a costume party, took place at the parish hall. Mrs. Walter Reid, who judged the costumes, also gave the Marx Brothers honorable mentions.

All-School Event Staged at Gym For 125 Couples

With special invitations issued to members of the faculty and to parents of students, the first all-school event of this year was held last night at the Twin Falls high school gymnasium, with the Halloween motif being carried out through the decorations and the decorations.

One hundred and twenty-five couples attended the event sponsored by student council. A huge pumpkin head was suspended from the center of the room and black cats and owls with glowing eyes were placed about the walls and balcony edges.

Miss Lucile Thomas, assisted by Miss Hilma Sweet, Miss Joan Lindeman and Miss Julia McBride, was in charge of the intermission, which was presented in rhyme with Bob Jones, student body president, master of ceremonies.

Miss Olive Wells opened the program with her song "Shine on Harvest Moon," requested when Mel Hubert asked her to sing about the harvest moon.

Miss Hilma Sweet, at the request of Dick Galladay, gave a reading about the old witch with her broom, Lois Olson, in Halloween costumes and Miss Margaret Detweiler, at the request of Dick Galladay, gave a reading about the old witch with her broom.

PTA Units Adopt Many "Services for Defense"

Unique feature of the meeting of the local PTA units was the adoption of many "services for defense" which will be followed by all local P.T.A. units, according to Mrs. Alice Smith, president of the local PTA unit.

Possible Services "To give guidance to our membership, now assuming an increasingly important role in national defense, the following activities are suggested as possible services which local units may render:

MORALE—Increase the spiritual value to life of American youth. Emphasize through programs and study clubs the necessity for unity and loyalty in national emergency.

HEALTH—Know the healthy activities of established agencies in the community. Cooperate in public health programs. Follow-up in school and home of every child in need of medical or dental care.

SAFETY—Assume individual personal responsibility for safety of self and associates. Know and observe the basic rules of skillful driving. Know and observe the basic rules for safe walking.

DEFENSE BONDS AND SAVINGS—Encourage purchase of defense bonds for saving for future education of children. Encourage purchase of defense bonds for saving for future education of children.

EDUCATION—Urge that adequate school budget be maintained to prevent overcrowding of classes or curtailment of curriculum.

SAFETY—Assume individual personal responsibility for safety of self and associates. Know and observe the basic rules of skillful driving.

DEFENSE BONDS AND SAVINGS—Encourage purchase of defense bonds for saving for future education of children. Encourage purchase of defense bonds for saving for future education of children.

EDUCATION—Urge that adequate school budget be maintained to prevent overcrowding of classes or curtailment of curriculum.

SAFETY—Assume individual personal responsibility for safety of self and associates. Know and observe the basic rules of skillful driving.

DEFENSE BONDS AND SAVINGS—Encourage purchase of defense bonds for saving for future education of children. Encourage purchase of defense bonds for saving for future education of children.

EDUCATION—Urge that adequate school budget be maintained to prevent overcrowding of classes or curtailment of curriculum.

CHINESE TREASURES SHOWN AT BUHL B. P. W. MEETING

BUHL, Oct. 24 (Special) — Mrs. Gordon Bennett added much local color to the study topic on China at the Business and Professional Women's club meeting Monday evening at the home of the president, Mrs. Elva Mason.

Her husband's family first went to China in 1840 and had been engaged in the import and export trade there over a period of 75-80 years.

Mrs. Bennett realistically recounted their observations and experiences in the import and export trade of the common people in China, comparing their mode of living with that of the Japanese, pointing out that the Chinese built their homes of durable stone while the Japanese preferred paper composition.

She further noted the changes brought about by the influx of occidental civilization, remarking that modern marriages were first taking precedence over the pre-arranged matches enforced upon the children by their parents at an early age.

Mrs. Bennett had made 11 trips to the Orient and had brought back many treasured souvenirs which she displayed at this time. The most striking exhibit was a complete solid silver tea set, carved in the old dragon pattern, which had been in the family 100 years.

Among the small group of friends and relatives who were present when the single table service was read were Mrs. Joe Joehner, and Mr. and Mrs. Newbury, son-in-law and daughter of the bride.

Calendar

Camp Em-Ar-El, Daughters of the Utah Pioneers, will meet at the home of Mrs. Adrian Woodley, Monday, Oct. 27, at 2 p. m.

Junior unit of the American Legion auxiliary will meet Saturday at 10 a. m. at the home of Miss Margaret Barron, 338 Seventh avenue east.

Frontier Riding club members will meet at the Dennis riding academy Sunday at 11 a. m. and go to the Blue lakes canyon on an outing. Members are asked to bring their own lunches.

New Camp of the Daughters of the Utah Pioneers will meet Monday at 7:30 p. m. at the home of Mrs. Beverly Hickok, Second avenue west. Members are urged to attend and to bring any interested.

Tri-C Alumnae association will meet Tuesday, Oct. 28, at 7:30 p. m. at the Rogerson hotel for a dinner supper, followed by bridge. All members who have not been called are asked to make reservations by telephoning Mrs. Martha Holmes, 1505-J; Mrs. Will Wright, 184-J, or Mrs. Clyde Kouta, 181-W, members of the hostess committee, by this evening.

Dr. F. F. McAtee and his office. ANNOUNCE the removal of their offices to 115 Third Avenue West.

Humorous Song Sung by L. D. S.

Members of the L. D. S. first ward Relief society met yesterday. Discussion of humor in life and literature was led by Mrs. Mary Wright, assisted by Mrs. Theima Chance, Mrs. Bertha Miller, Mrs. Jennie Crowley, Miss Nettie Montgomery and Mrs. Leah Kirk.

A humorous song written by the group, 22 members attending, also a vocal solo by Mrs. Christie Robertson, afforded much amusement.

Announcement was made that dues are to be paid by Nov. 15. The group will meet next Thursday for the social service lesson under the direction of Mrs. Christie Robertson.

87,500 TO SEE MINNESOTA-MICHIGAN SCRAP

SPORTS

USC Favored to Win Over Bears; Washington-Stanford Tilt Even

Gophers Rated as High Favorites In Top-Notch Tilt

By JACK GUENTHER

NEW YORK, Oct. 24 (U.P.)—The familiar strains of an old college favorite—"Little Brown Jug How I Love Thee"—drift from the midlands today as mighty Minnesota carries a battle for the western conference title into Michigan territory in the banner game of football's fifth big week-end while a dozen more unbeaten teams gamble their records in other sections.

The collision of the two middle-western giants is expected to attract an overflow throng of 87,500 spectators to Ann Arbor, curious to see if the Golden Gophers can haul off the jug for the eighth straight year.

Michigan hasn't come close since a scoreless tie in 1933 and things aren't looking up. The bettors quote the Wolverines as decided underdogs, in some cases 2-1.

Biggest Game

This is tomorrow's biggest game but fans in other sections have other big ones. For instance, just a few hundred miles away Nebraska will meet Missouri in a Big Six clash and undefeated Ohio State will meet against a beaten but smoldering Northwestern team capable of giving almost anyone a good sound shellacking.

In the east, Fordham's Rams show their bowl hopes against Texas Christian in an intercollegiate contest and the revitalized service clubs, Army and Navy go back to the west against Columbia and Harvard in engagements rated top-ups. Another perfect record squad, Penn draws a comparative weaker foe in Maryland.

Huskie vs. Indiana

In the far west the big dish is Washington versus Stanford. In the southwest the Texas U. lumberjacks is rolling against Rice and in the deep south beat but undefeated Tulane continues its comeback assault on the field at Mississippi.

Meanwhile, two other nationally prominent squads face intercollegiate opponents. Notre Dame, rolling along on four straight triumphs, engages great Illinois. The Blue Devils of Duke, pointing at a perfect season, go against hapless Pitt.

East—Only One Unbeaten Squad, aside from the aforementioned, will go into action—Vanderbilt, which opposes bigger Syracuse and its variable center but one among beaten squads of Boston college and Georgetown; Cornell and Colgate; Dartmouth and Yale; Holy Cross and New York U.; Brown and Lafayette; and Penn State and Lehigh.

Vanderbilt vs. Princeton

The south—the southeastern leader, Vanderbilt, entertains Princeton while within the conference Georgia Tech meets Auburn; L. S. U. opposes Florida and Alabama. Face Georgia, Tennessee, Mississippi and Kentucky and North Carolina State meet Cincinnati, Union, West Virginia and Newberry. In the southwest, the Texas Aggies meet unbeaten Baylor.

The middle-west, behind the two big clashes come Indiana's attempt to win two straight, this one over Wisconsin, and Purdue's engagement with Iowa in the fourth Big Nine conference contest.

Jerome Rod and Gun Club Banquet Slated Tonight

JEROME, Oct. 24 (Special)—The biggest banquet of the Jerome Rod and Gun Club's season is scheduled here tonight when 150 southern Idaho sportsmen gather at Wood's cafe.

With the ticket sale already completed, the banquet will get underway at 7 p. m. with sports notices from throughout the area in attendance. Invitations have been sent to Sun Valley to have any visiting sportsmen at that institution in attendance. It is expected that several out-of-state visitors from the Twin Falls section also will be in attendance.

Sam Stewart, Jerome, will act as toastmaster and the meeting will be presided over by Harry Forbes, Hazelton, president.

One of the special features of the evening's program will be a 30-minute moving picture furnished by the Idaho state fish and game department.

Russell M. Short, who is handling publicity for the affair, states that all 150 tickets for the banquet already have been sold.

Short talks will be given by visiting fish and game notables.

"Break up the Bears" Cry Pro Grid Backers

BY HARRY FERGUSON

NEW YORK, Oct. 24 (U.P.)—Chicago Bears 173, opponents 48. There are you have a bear! A short, sweet story of the sweetest football team now operating anywhere in these United States. You take the Carlisle Indians, the four horsemen of Notre Dame and Michigan's point-to-point team. You'll take those babies in Chicago who run from the T formation and roll up scores that make you think they are playing basketball.

All this is supposed of the fact that the howl of "break up the Bears" is being heard in the pro grid circles. It now has become apparent nobody can offer serious competition to the Bears, not even the best clubs in the New England area—the fastest football circuit in the country.

Four games the Bears have piled up 173 points to their opponents' 48. They have been undefeated in only one game, the season opener against the Green Bay Packers which found the Bears on top 20 to 13. Since then they have beaten Cleveland, 44 to 21; blasted the Chicago Cardinals, 33 to 7; and murdered the Detroit Lions 48 to 0. On Sunday they will take the Pittsburgh Steelers over the hordes—and you can count on it.

The cry of "break up the Bears" is not coming entirely from the men who own and control the other side in the pro league. The job is not to break up the Bears but to build up to them. It's quite a job and it's not something you can do overnight. George Halas and his assistants didn't build the Bears overnight and they are not going to let them disintegrate quickly either.

This is nothing new in the realm of professional sports. It is the oldest organization that is unbeatable. It happened in baseball a

Postponements Cut Into Grid Schedule

Harvest vacations cut a wide swath in gridiron circles over the week-end, with the result that the smallest football slate since the opening week of the schedule was played.

While such teams as Burley, Rupert and Oakley were recalled for work vacations, other games that were scheduled were called off at the last minute.

Kimberly, slated to invade Glenns Ferry, postponed its game to Nov. 14 at the request of the Bulldog management.

No Game at Richfield

Shoshone was scheduled to meet Richfield yesterday, but the game was shifted to Nov. 7 because of the Richfield harvest vacation.

Last week Buhl and Gooding called off a game for the same reason—because the football boys were working in the fields.

When practice resumes Monday, many coaches are going to have to start over again after layoffs that have lasted as much as three weeks.

Rupert, boasting an undefeated Big Seven conference record, will be able to get in four days of practice before tackling Stokko Pavkov's American Falls club and the same will be on tap for Coach Fulton Judge at Burley, before he takes on the defensive minded Buhl Indians.

Oakley Meets Filer

Oakley's riders will return to school and on Friday face the Filer Wildcats.

This week all south central Idaho school games were pushed ahead one day to allow teachers and coaches to attend the district teachers' convention here today and Saturday.

Only exception is the Twin Falls Filer club which left this morning for Caldwell to play the Caldwell Cougars in a Big Six conference engagement this evening.

Funny Business

"No, no, McMillan, don't take that 'Fight, Team, Fight!' stuff so seriously!"

Filer, Buhl Fight To Scoreless Tie

FILER, Oct. 24 (Special)—Opportunity nearly pounded down the doors for Buhl Indians here yesterday, but they couldn't capitalize once on all their golden chances and the result was that they were held to an 0-0 draw by the fighting Filer Wildcats in the annual renewal of their traditional battle.

While Coach Ralph Villers, who used to play football for

49 during the game. However, they picked up 15 yards on Buhl penalties, one of which gave them a first down.

It was in passing that the two clubs were evenly matched.

Each club gained a net of two yards, with Filer completing one out of five attempts, and Buhl got one out of eight, with two of the Indian tosses being intercepted.

Indians Threaten

Buhl threatened seriously in the first quarter by marching down the field on power plays for four consecutive first downs. But on the fourth down on the Filer eight, a pass over the goal line was incomplete. That was the only major play in the first half.

In the third stanza, the Indians worked a power drive down the field, with their two-yard pass putting the ball on the five-yard stripe. But the Filer boys refused to hudge on five attempts, and took the ball on downs.

With about four minutes to go, the Indians again pounded down the field—this time to the six. There

They advanced 40 yards and lost

of present season starts tomorrow in Idaho counties and game officials predict the largest crop in a decade. The season on Hungarian partridge opens tomorrow in Ada, Canyon, Owyhee, Adams, Boise, Gem, Payette, Washington, Valley and Elmore counties.

Boys' and girls' also will start after tomorrow in Ada, Canyon, Elmore, Gem, Owyhee, Payette and Washington counties.

This will be the last week-end of the general trout season in the state and the state game department predicted fishermen still will make good catches before the closing date Nov. 7.

Slated the special hunts for big game, hunters will be able to go after deer, elk, mountain goat and bear in hunting areas throughout the state.

Because of the large number of sportsmen expected to be in the field, state game officials have urged hunters to exercise extraordinary precautions in handling firearms to avoid the state's record of "no hunting accidents" intact.

GRID RESULTS

- Jerome 20, Gooding 10
- Buhl 0, Filer 0
- Hagerman 20, Hatley 6
- Wendell 13, Fairfield 6
- Albion 11, More 6
- Shoshone at Richfield postponed to Nov. 7
- Kimberly at Glenns Ferry postponed to Nov. 14
- Wilder 15, Homedaff 0
- Marsing 11, Melba 13
- Fernis 15, Vada 0
- St. Teresa's (Hells) 34, Star 7
- Mordland 20, Payette 6
- Franklin 24, Ada 0
- Waller 25, Ontario, Ore., 0
- Kimmel 23, Nyasa, Ore., 0

Vandals Tackle Undefeated Willamette

UNIVERSITY OF IDAHO, Oct. 24 (Special)—An undefeated, untied Willamette university team with several "All-American" athletes standing its lineup will meet the vastly improved Vandals Saturday in the feature attraction of the annual Dad's day celebration. The Beavercreek goal line has been crossed only once this year—last week-end by the Whitier Pacific Willamette team 33-7.

Willamette boasts the strongest team in the little Salem, Ore., school's history. Several Pacific coast players declared ineligible last year by Edwin K. Atherton, the czar of the Coast conference, are playing for the Beavercreek. The Oregon school has powered over all its opponents, winning every game by at least four touchdowns.

Earl Clark, Idaho right halfback who was injured in the Gonzaga game, may return to the lineup Saturday in his regular position, which was handled by Earl Chandler and Bob Vanderrah against the Utah State Aggies. Clark suffered two cracked ribs, but is the only Idaho man on the injured list.

Vandal Coach Francis Schmidt, disappointed with the weak blocking and tackling shown by the Idahoans last Saturday, drilled the Vandals on several tricky offensive plays this week and stressed lateral, passing and man-to-man.

Big Bill Mickelsh, 194-pound plunging fullback who is tied with Oregon's Tommy Bahler for 32nd honors in the Pacific Coast loop, is expected to bear the brunt of the Vandals' offense. Mickelsh has scored 30 of the Vandals' 51 points this year. Milo Anderson, place kicking and, has added half that many with one touch-down, six conversions and a field goal.

WSC Plays Oregon State on Home Field, Oregon Meets UCLA

SAN FRANCISCO, Oct. 24 (U.P.)—It should not be overlooked in all the attention Oregon, Oregon State, Washington and Stanford are getting that University of Southern California still must be considered in the Pacific Coast conference football title chase.

El Trojan, despite terrific smearing at hands of Ohio State, has so far a conference record as good as any of the

lamette; Montana plays Montana State; Santa Clara takes on Oklahoma at Norman, Okla.; St. Mary's engages Loyola Sunday at Los Angeles; Portland plays at Gonzaga the same day; and University of San Francisco entertains Brigham Young tonight.

Albion Rally Beats Malta

MALTA, Oct. 24 (Special)—Albion, high school football aggregation, which has dominated the Rat River clubs for many years, got a good scare here yesterday—but recovered sufficiently to size out a narrow 12-6 victory over the local boys.

The Malta attack got under way in the first quarter and pushed across a touchdown to take a 6-0 lead at the end of the initial frame. However, Albion came back in the second stanza to knock the count at 6-all at the half-time intermission.

In the third quarter the visitors counted the second and deciding touchdown. Malta advanced to the eight-yard line as the third quarter ended, but the home team's counter the necessary strength to pound over into pay-dirt.

Bowling Schedule

- FRIDAY, OCT. 24**
- Merchant League—Alley 1-2, Troy-National vs. Star 3-4, Leys 3-4, Truck Insurance vs. News-Times.
- They had three tries to go two yards for a first down. But again the strong Filer defense held and the Wildcats kicked out of danger.
- Starting Lineups**

Jerome Scores Upset Victory Over Gooding

GOODING, Oct. 24 (Special)—Coach Mack Saunders, who is undergoing his first year of football coaching, is getting his bumps.

Not that the new Senator mentor hasn't done a good job on the Gooding club, because he has. But, just the same, the hard-playing Gooding boys and the earnest and hard-working coach haven't been quite able to get very successfully into the winning column.

For example, last night the Gooding club met the supposedly weak Jerome Tigers—a game the Senators were heavily favored to win. The result was a 26-0 victory for the invaders. Which just goes to show that comparative scores don't mean a thing.

Wendell Stays In Unbeaten Gridiron Rank

WENDELL, Oct. 24 (Special)—The powerful Wendell Trojans stayed on the victory path here yesterday—but only after getting a good stiff scare from the invading Fairfield Bluffers.

The final score was 13-8, but the home club played in a 6-8 deadlock for most of the game and didn't come through with the winning counter until five minutes before the end of the contest.

Coach C. D. Merrill's Bluffers pushed across a counter in the opening moments of the game on a center smash from the four-yard line to take a 6-0 lead.

Wendell came back in the second stanza to even the count with Beverly edge scoring on an off-tackle play. But from there on down to the final minutes of play it was a nip-and-tuck battle with neither club being able to score.

With only five minutes of the final quarter left, the Trojans got into scoring position again and then French went clear to play-dirt on an end run to clinch the contest. He dropped back to drop-kick the extra point and make the final count 13-6.

The home club counted twice by receiving Jerome fumbles. One score came when the Tigers fumbled a Gooding kick-off in the first quarter. The other was in the third stanza when the Trojans scored on their own 25 and Gooding again capitalized.

Lineups: Gooding—Stanley RE, Adamsom RB, Ambrose RO, Schmitts LG, Anderson LG, Kerby QB, Hill LG, Kilbourn LT, Thompson LT, Davis QB, Wolfe LE, Hunt LB, Stanger LB, Eubanks RB, Goodrich HB, Meeker HB, Miller HB, Crocker HB, Holloway FB, Trees T.

Score by periods: Jerome 6 14 6 0-26, Gooding 0 0 13 0-13.

South Carolina Tips Clemson

COLUMBIA, S. C., Oct. 24 (UP)—The Battle of the Palmetto fell from the ranks of the unbeaten today, losing to South Carolina, 18-0, in their annual grudge game before a capacity crowd of 24,000.

It was the first time since 1933 South Carolina had beaten Clemson, and the Tigers had been heavy favorites again this time.

Six Blases, sophomore star whose running and passing upset North Carolina three weeks ago, again did most of the ground gaining for South Carolina.

Fred Hutchinson Faces Induction In Army by Nov. 3

SEATTLE, Wash., Oct. 24 (UP)—Freddie Hutchinson, voted the most valuable player in the International Baseball league this year, will be inducted into the army Nov. 3 unless he joins some other branch of the service, draft board officials said today.

Officials said Hutchinson indicated he may join the navy before his induction date. The former Seattle and Detroit pitcher, who starred for Buffalo this year, is working at Todd-Seattle drydock.

New Owner Buys Bull Association

BEROME, Oct. 24 (Special)—According to a record report in the offices of county extension agent, Eugene W. Whitman, Elmer J. Oliver, Hazelton, has purchased the Eden-Hazelton stud bull association from E. J. McNea, Eden, who has operated the service since its beginning in 1927.

With the addition of a new Holstein bull recently purchased from the V. W. Garson herd at Gooding, McNea is now prepared to take care of the service request for both Guernsey and Holstein breeding.

4,000 Expected to Participate in Big Selway Hunt

BOISE, Oct. 24 (UP)—Walter Pilsch, chairman of the state fish and game commission, predicted today that nearly 4,000 deer hunters will enter the Selway game preserve for deer and elk before the season closed Nov. 10.

He reported 1,661 hunters were checked into the area at the Sulez creek checking station, one of three in the area. Out of the group checked in, 760 elk were killed and 380 deer. May Korman, special officer in charge of the checking station, estimated that a 75 per cent kill will be recorded in the Selway district.

Plans was here to confer with state game department officers before the regular meeting of the fish and game commission tomorrow.

Simon Undergoes Appendicectomy

NEW YORK, Oct. 24 (UP)—Abe Simon, gigantic Long Island heavyweight fighter, came through an operation for removal of his appendix very nicely, his doctor, Maurice Weiss, said today.

Simon's manager, Jimmy Johnston, explained Simon had complained of pains in his abdomen before the fight was knocked out by Negro Len Franklin at Cleveland Monday night. Since then his condition became worse and the operation was deemed necessary.

Hagerman Club Turns Back Hailey, 20-6

HAGERMAN, Oct. 24 (Special)—The strong Hagerman Pirates yesterday turned back the invading Hailey Wolverines by a score of 20-6 in a well-played contest.

The home club featured a deceptive attack that brought touchdowns in the first, third and fourth stanzas, with Jimmy Parrott scoring two of the counters and Eddie Glor the other.

The lone Hailey counter came in the fourth frame when a 30-yard run resulted in the score.

Hard tackling resulted in several injuries during the encounter, the most serious of which was that to Joe Arizuna of the Hailey club. He tackled Glor and injured his head so severely that he was taken to the hospital. However, he recovered sufficiently to be released by nightfall.

Improved riding comfort is obtained by the use of longer, slower-setting springs in the 1941 Mercury. In combination with new double-acting adjustable hydraulic absorbers, they smooth the roads with a gentle, easy ride—Adv.

Japanese Ask for Call of Special Parliament Session

APPROPRIATIONS LOOM AS REASON FOR CONFERENCE

By ROBERT BELLAIRE
 TOKYO, Oct. 24 (AP)—The new cabinet decided today to ask Emperor Hirohito to call a special five-day session of parliament, beginning Nov. 15, and observers believed the purpose was to obtain approval of additional large military appropriations.

It was a foregone conclusion the emperor would convene the session, and the information board said the request was requested "to obtain approval of additional budget plans and legislative bills urgent to meet the current situation and, at the same time, to express the firm determination of the present cabinet regarding the prosecution of national policies, and, further, have the nation understand it."

Other Plans
 Because of frequent government and press charges that the United States was leading an American-British-Chinese "encirclement" of Japan, it was considered possible the members would take advantage of the session to urge the government to publish former Premier Fumimaro Konoye's message to President Roosevelt, the progress of present negotiations, and the attitude of the cabinet of new Premier Eki Tojo toward the United States.

On the other hand, it was said, such questions might be brought up, but the press is incompatible with the allegedly unprecedented situation confronting Japan.

Would Ease Situation
 Koki Ichi, official spokesman, said he had not received official confirmation that the United States had stopped sending ships to Vladivostok with war supplies and that "if it is true, we would be satisfied, because it would ease the situation between Japan and the United States."

He added Russian ships taking shipments of oil and high octane gasoline to Japan, and that Washington was negotiating with Vladivostok were pressing.

EMVOY MAY LEAVE
 WASHINGTON—Admiral Kichijiro Nomura, Japanese ambassador to the United States, may return to Tokyo for consultations with the new cabinet on U. S.-Japanese relations, it was learned today.

If it is decided the present situation in the Pacific is too tense to permit his absence from Washington, it is expected the embassy counselor, Sadao Uchida, will go.

It was understood Nomura feels keenly the state of public opinion in the United States regarding Japanese moves and Japan's possible future in a war with Japan would have unquestioned public support in the United States and that the prevailing view here is that a victory over Japan could be achieved without great effort.

Contributed to the Twin Falls Community Chest, driven by the Evening Times and Fred Harman, who draws "Red Hyder."

CASSIA TO HAVE NUTRITION GROUP

BURLEY, Oct. 24 (Special)—A Cassia county nutritional committee was formally organized at a meeting of representatives of various organizations held Tuesday at the court house.

Similar committees are being established throughout the United States for the purpose of encouraging better nutritional habits among all of the population, states County Agent W. W. Palmer.

The committee has been established, and in Idaho Miss Marion Hopworth, state home demonstration leader, is chairman and Miss Harriet Telf, Adison State Normal school, is a member of the committee.

Mrs. Julia M. Harrison, adult life coordinator for the state board of vocational education, attended the meeting here Tuesday to assist with the organization.

Approximately 100 attended the meeting from all parts of the county and a committee of seven was selected to establish a full committee in the county. These were Mrs. Isabel Sizemore, Burley; chairman; Mrs. Florence D. Hagitt, county superintendent, secretary; Mrs. Van Hook, Burley; Mrs. Ida Parks, Burley; Mrs. Perry Trout, Burley; Mrs. T. H. Hunt, Declo, and Mrs. A. D. Pierce, Malta.

This committee plans to establish a larger committee for the state board of vocational education, at the district county level. Its work will consist mainly of conducting educational campaigns to establish better food habits, more home gardens, more food preservation and better physical care.

The committee will cooperate with the state committee, and may, if work conditions become more serious in this country, have considerable to do with a home food program.

OPM Starts Plan for Small Industry 'Adoption' Program

CHICAGO, Oct. 24 (AP)—Floyd B. Odum, director of contract distribution of the office of production management, today announced a plan whereby prime defense contractors "adopt" small industries "for the duration."

Odum said the "adoption" plan is not merely a resume mission for little business but is a vital part of the defense program.

"We do not have time to work plant by plant, in subcontracting defense orders," Odum said, "we must work in whole communities and whole industries."

"We are endeavoring to get the aviation industry to 'adopt' the aluminum wire manufacturers. The Curtis-Wright Aluminite Co. has agreed to let us bring them two hard-hat units of the aluminum wire industry in order to have them make parts for planes under subcontract."

"We are working on the same plan for manufacturers of automobile parts and accessories and for smaller units in the rubber industry, the stone industry, the jewelry and other."

"The main idea is for the manufacturers and for communities to work as pools, not as individuals."

Gooding Quota Six

GOODING, Oct. 24 (Special)—Gooding county's quota of selective service draftees who are to report to the Salt Lake induction station Nov. 5 is six, according to announcement by Mrs. Ruby Massey, clerk of the board. Those who have been named to fill this quota are John Asplund, Gooding; Tony Ascuena, Gooding; Charles Dunn, Hagerman; Felix Maderita, Hagerman; Paul Malone, Wendell, and R. Dean Hawks, Wendell. Five of the men sent from the county on the October call were accepted at the induction station.

47-CENT TOP AT BIG WOOL SALES

Highest price for territory wool in the United States since 1925 was paid at Billings, Mont., in one of the series of Merion and Wilkins sales conducted by E. O. Walter, noted fiber auctioneer. It was disclosed here today with returns of the wooler from a wool and ram sale trip.

The top was 47 cents per pound, paid for 600 lbs. of wool, the auctioneer said. It was the highest price for wool since 1925, when it was 31 to 37 cents in the six sales. Walter handled at Denver, Ogden and Billings 24,000 pounds to buyers, topmakers and manufacturers from Boston, Minneapolis, Philadelphia and Chicago.

The wool was sold in one lot for the Merion and Wilkins wool auctions. He has officiated since the big company first began its sales and served once at the nationwide auction in Boston.

The one ram sale handled by the fiber expert on his latest trip was the western slope auction at Montrose, Colo. Top was \$150 paid for a Hampshire yearling.

Col. Walter left today for Pocatello where he will call the Idaho Cattle Growers' annual registered Hereford sale Saturday. He returns over the week-end to act at the annual registered Hereford sale at the Twin Falls State Fair. The livestock company arena Monday, Oct. 27.

ENROLLEES WORK FOR CLERK POST

PAUL, Oct. 24 (Special)—Upon completion of the company clerkship course at the district county clerks' school, located at Camp Paul BR-56, CCC enrollees from various parts of the state will be assigned to their respective companies to qualify for the position of company clerk in their companies and various camps in the district.

The district clerk school is under the supervision of Virgil A. Enke, county educational officer, who has had great deal of experience in administrative and training work in the CCC. Enrollees who graduated from the school were Herbert Post of CCC company 2538, Boise; James Dalton, CCC company 4187, Burns; Charles T. Hurl, Vallet, CCC company 3217, Ontario, Ore.

Both Enrollees Dalton and Valent have had previous experience as clerks while in the Pocatello district, both agree on the fact that the Pocatello district has an excellent system for conducting their paper work, but that they could have not completed this course without the aid of their instructor and company commander, Capt. Howell L. Hodges.

British, U. S. Aid Goes to Reds In Form of Military Supplies

By LOUIS F. KREMLE
 Of the United Press War Desk
 Britain and the United States are working at top speed to offset British aid to the Russian Red Army by attacking Germany in the west. Today's dispatches from London and Washington reveal.

The plan is to pour military and other supplies into Russia and to do it fast. Aside from Russia's urgent immediate needs, the plan looks forward to Russia's future struggle, it is based on the premise that even if Leningrad, Moscow and the remainder of the Ukraine fall, Russia will continue to fight into next year. It does not concede they will fall, however, and the supplies now en route or ready for shipment, it is hoped, will aid the defense of those threatened centers.

Transportation Problem
 The transportation problem is the most difficult, and it is being attacked with energy. The shortest supply routes are through Iran in the south and Archangel in the north. Washington has decided to abandon the long trans-Pacific route through Alaska and Siberia and to use Archangel instead.

Archangel is normally ice-bound by the end of October but ice breakers can certainly keep it open until mid-January and perhaps through the winter. The port is connected by a rail to Moscow, 550 miles away. At Volodga it connects with the trans-Siberian railroad westward to Vladivostok and eastward to Moscow, should the Russians have to retreat from there. Even more important than Archangel is the Iran route. The United States and Britain have agreed to collaborate in increasing the capacity of the railroads across Iran to furnish great quantities of rolling stock. Technical missions will be sent to Iran and Egypt by the United States to strengthen this route.

Come by sea
 Supplies for Russia via Iran come by sea to Bandar Shapur on the Persian gulf. From there the rail runs 866 miles to Bandar Shahr at the southeastern extremity of the Caspian sea. Thence the supplies are ferried 500 miles across the Caspian to Baku, the oil port in the Russian Caucasus. From Baku rail communications are good into Russia proper.

This route would be absolutely vital if the Germans get far enough east to open up a Caucasus front. If for any reason Baku is cut off from the remainder of Russia, supplies can be shipped 600 miles over the Caspian to Astrakhan, on the north shore of the sea.

The Iranian route has been in use for some time, and heavy shipments have been cleared into Russia. For aerial supplies, it is supplemented by the south Atlantic ferry route to Africa.

FARM DEFENSE COOPERATION SURVEY STARTS ON NOV. 3RD

Plans for Twin Falls county farmers' participation in the nationwide 1942 food defense program are complete and the work of obtaining each farmer's assurance to gear his 1942 production to defense needs will begin Nov. 3, Walter Reese, chairman of the county UDDA defense board, announced today.

Reese and other members of the defense board attended a district conference at Jerome at which plans were discussed and plea of cooperation were made by all department of agriculture agencies attending.

Survey First
 "First work of the program will be a survey of farmers' intentions to produce milk, eggs, nursery and vegetables—the 'tools for freedom' needed by defense workers and Great Britain in 1942," Mr. Reese said.

"The survey will be conducted in conjunction with the annual 'Triple A' spring plan sheet survey, which has been moved ahead about three months to coincide with the survey."

"The farm defense program is sponsored by the UDDA defense board, and all agencies will cooperate in getting a hundred per cent sign-up of Twin Falls county farmers," the defense board chairman said.

"We want every farmer to indicate his production intentions whether he is a cooperator in the Triple-A program or not."

Goals Set
 Tentative production goals for the county have been set for milk, eggs, sheep and lamb production, hog marketing and farm slaughter, feed grain, hay, wheat, flax, commercial vegetables, dry bean and potato production and raising of farm gardens.

Reese stressed that while the support has been provided for many of the commodities, the board feels it will not be necessary for farmers to increase their production capabilities by buying cows, building barns and hen houses and otherwise expanding their plants.

By feeding better, taking better care of pig litters and keeping cows and hens longer, we should be able to meet all needs, food and fiber, for beef cattle this is a good time to cull heifers and get in shape for efficient production when the emergency is over—increased marketing will take care of beef needs without live expansion."

SATURDAY HOURS STAY UNCHANGED

Plan by which downtown Twin Falls stores would close Saturdays at 7 p. m. instead of the customary 9 p. m. has been abandoned for the present, Chairman Frank J. Cook of the merchants' bureau said today.

Regular Saturday night hours will remain effective for the time being. In regard to a 9 a. m. opening hour daily as a convenience to store workers, Mr. Cook said that many establishments have instituted this plan and others contemplate doing so.

'Sub' Fired With No Warning, Says Ship Commander

FREETOWN, Oct. 24 (AP)—The captain of the United States merchant ship Lehigh, sunk by a submarine off the coast of Africa last Sunday, told the Press his ship was attacked without warning.

"Nothing was seen of the submarine either before or after the ship was hit," he said.

"The main topmast came down with the explosion, carrying the main radio antenna away. The radio man attempted to send an SOS on the shortwave antenna, but I am certain the call was not transmitted," he added.

The Lehigh, a 4,803-ton vessel owned by the United States line, was struck by a torpedo on the starboard side below the number five hatch, Capt. Vincent P. Arkins, Montreal, N. Y., said.

"The number five hold filled immediately and the ship began to settle rapidly," he added.

"The lifeboats were manned and launched," he continued. "The boats pulled a short distance from the ship at 2:25 a. m. and the ship sank at 10:15 a. m. about 75 miles west of Freetown."

CCC AIDS FARMS IN CROP HARVEST

PAUL, Oct. 24 (Special)—By a variety of shortages in labor by the employment agency at Burley 22 enrollees from Camp Paul BR-56 have been granted leave to help farmers in the harvest of the best crops. In view of the fact that the enrollees were not familiar with the process of "topping beets" the employers agree that the boys have done a good job.

Some of the boys that topped beets claimed that it was pretty hard work, but the majority of them stuck it out and a few are still working in the beet fields and picking spuds.

Ordered to Leave

JEROME, Oct. 24 (Special)—Jack DeLoe, arrested on a charge of intoxication here this week was flung out of the city following his appearance before Police Judge Clark T. Stanton. DeLoe was given a short time to leave the city and was \$10.00 of amount of his fine which was delinquent.

Stanton's Bibby, also arrested this week appeared before Judge Stanton on a vagrancy charge. In default of the amount of his fine he was ordered to leave the city on short notice.

Better than a dozen hankies for opening STUFFY NOSTRILS

What's the use of sniffing so many hankies, trying to blow mucus out of the lousy bill, and remember, a lot of the best blowing only makes your nose more sore, red, watery, and it very often makes the mucus worse.

A more economical and gentler way to relieve congestion in your nostrils due to cold is to insert a little Menthatholam.
