U.S. IN ALL-OUT WAR

Hitler Guarantees First Blow Against America Japanese Losses Heavy in Attack On Isle of Luzon

By JOE ALEX MORRIS
Unit of Press Foreign Editor

Germany and Italy formally joined Japan in war against the United States today and Adolf Hitler shouted that the axis would "always strike the first blow."

American diplomats in Berlin and Rome were handed their passports as the formal declarations of war were announced—completing the line-up of major powers in a world war that has now carried hostilities to every quarter of the globe on a scale never before known in history.

Hitler and Fascist Premier Benito Mussolini completed the mobilization of total light strength against the allied powers by speeches at Berlin and Rome declaring that Europe is "impregnable" and that they will go forward to victory—not over Japan alone but over the axis and all of its works. Churchill said:

BLACKOUTS CUT DOWN AIRPLANE WORK ON COAST

Southern California's defense industry, including aircraft plants, building \$1,000,000 worth of warplanes, sought today to bolster defense precautions to prevent costly shutdowns during air raid alarms.

Four aircraft plants were closed last night, their production of vital planes and parts halted because of a three-hour air raid alarm during which the army said an enemy plane was overhead.

Consolidated Aircraft, building \$750,000,000 worth of heavy bombers, Ryan aeronautical and Solar Aircraft, building training planes, and Rohr aircraft, manufacturer of equipment, were told by the army to order their 17,000 night shift workers home because their plants could not be completely blacked out.

Shipyards, with most activity in or out of docks, also were hampered by the blackouts and production was approaching and immediate diurnal blackouts are necessitated.

Winter Hits Axis Troops in Russia

LONDON, Dec. 11 (UP)—German soldiers "cry like children" and Italian troops "die by the thousands" on the Russian front, Radio Moscow said today.

Describing winter's effect on axis troops, the broadcast said: "They tremble. Their teeth chatter. They sit down and cry. It is not pity because they have no blankets. They are cold. They are hungry. They are tired. They are dying."

German soldiers, more resistant than the Italians, sometimes joke about "General Winter," it added. "But for how long will they go on joking?"

Can't Live on Two-Bit Wage, Pickets Claim

"We're on strike because we can't live on two-bits an hour," declared Frances Tomlinson, picket at the Parlan plant. She was one of six women pickets who were on duty early this morning outside the plant.

"We," countered Cora Crane, her companion, "it's not the money. It's the principle of the thing."

"Hey, there," chimed in Golda Boyd, "don't omit the money. We all know no one can live on 20 cents a week, and that's what some of us are making."

Inside offices at Parlan, M. E. Toliver, president of the plant, countered "What strike?" when asked how operations were proceeding.

"Take a look at the plant," he offered. "Look in there. Does that look like a strike? I say we're offering full bling."

Misunderstanding

"Sure, about eight laundry workers failed to show up, but I feel it must be a misunderstanding. Personally, I'm sorry we had trouble."

(Continued on Page 3, Column 2)

Japan Again Strikes at Philippines

Mapped here are developments of war with Japan, showing where bombers bearing the Rising Sun struck most heavily on the Philippines.

Beet Men Ask Price High Enough for Defense Boost

"It will be necessary that no price ceilings be set on sugar or on beets that will not adequately support domestic producers and provide an incentive to produce a sufficient supply in the national emergency," the Beet Growers' association asserted today in a general convention.

The assertion came as a portion of one of 11 resolutions adopted by growers from nine western states, who will conclude their annual meeting tonight with a 5:30 p. m. banquet in the Radio Room.

E. T. Taylor, Coeur d'Alene, master of the Idaho State Orange, will be the main speaker, and guests will include Gov. Chase A. Clark, and J. B. Newport, Idaho commissioner of agriculture.

Electron of officers will be held at an executive meeting of the board of directors commencing at 1:30 p. m. today. Charles M. Kearney, Merrill, Neb., has served nine one-year terms as president.

Other resolutions stated growers (1) favored the sugar bill, (2) would seek to stabilize the position of producer, labor, processors and consumers, (3) urged cessing on wages (4) a ceiling is set on farm products, (5) urged that the Cuban sugar tariff be maintained at present rate, (6) pledged all-out production of sugar, providing equipment is available, (8) urged development of labor-saving machinery to harvest crops because manpower will be low in wartime, (7) that states should have general jurisdiction over, and inherent right in water rights.

(8) Oppose a senate bill establishing wages for agricultural workers, (9) regret the death of Sen. Alva B. Adams, Colorado, a sponsor of the new sugar bill, (10) paid tribute to the late E. K. Warwick, Santa Bluff, Neb. grower, and (11) opposed punitive taxes designed to destroy or obstruct channels of distribution.

SIGNS

SAN FRANCISCO, Dec. 11 (UP)—There are the warning signals the union negotiator commended in the event enemy aircraft approach:

Yellow—Enemy planes somewhere in the area.

Red—Enemy planes overhead.

Blue—All clear.

Labor Troubles Hit Twin Falls As Strikers Picket Laundries

WPA officers were picketed here and at Coeur d'Alene.

Second instance of picketing occurred Saturday morning—lasting only three hours—at the Idaho packing company plant outside Twin Falls. This strike was called at 11 a. m. and agreement was reached by 11 a. m. The picketing plant operators, however, carried no banners such as today's pickets were displaying in their slow march before the laundry establishments.

Classroom at Coeur d'Alene.

The laundry strike does not affect cleaning workers or office staff.

"At a meeting held in union hall last night," declared H. H. Freeland, A. F. L. volunteer organizer, "approximately 80 union members assembled to listen to reports of attempts that had been made by the owners and their lawyer, August Hovstad, to conclude a tentative agreement with the owners of the three laundries."

"A vote was taken which called for a strike of the laundry workers and everyone present consented to do so on strike."

M. E. Toliver, president of Parlan, said this morning: "The first I knew of a strike was last night. A lady phoned me at 10 p. m. and said there would be no sleep up at the plant."

Statement Friday

Mr. Toliver said he expected issuance of a joint statement Friday by himself and George Sandhoffs.

Declaration of Battle Traded With Italy, Nazis

Army Planes Destroy Big Battlecraft

WASHINGTON, Dec. 11 (UP)—The navy announced today the defending marine garrison on Wake island has sunk one Japanese light cruiser and one destroyer by air action.

The garrison has defended the island in the south Pacific against four separate attacks in the last 48 hours by enemy aircraft and one by light naval units.

The Japanese were expected to resume the attack and attempt a landing.

The report on the Wake island situation, issued in navy department communique No. 2, was based on information received up to noon today.

The communique did not give the names of the sunken Japanese vessels.

Its only reference to the sinking of the cruiser and destroyer was made in these words:

"Despite the loss of part of the defending planes and the damage to material and personnel, the defending garrison succeeded in sinking one light cruiser and one destroyer of the enemy forces by air action."

WASHINGTON, Dec. 11 (UP)—Secretary of War Henry L. Stimson today confirmed the sinking of the 29,000-ton Japanese battleship Haruma off the northern coast of Luzon yesterday by U. S. army bombers.

MANILA, Dec. 11 (UP)—An army communique announced today a United States bombing plane had set fire to a 29,000-ton Japanese battleship and asserted the situation was completely in hand in the fight against a Japanese attempt to invade the Philippines.

Loans Asked for Shelter Building

SAN FRANCISCO, Dec. 11 (UP)—The bank of America announced today that it had received four applications for loans to construct bomb shelters.

The first bomb shelter reported here was constructed by a business firm which re-entrusted, they steel roof of its basement, installed ventilation equipment, and piled sandbags around the walls.

U. S. FILMS OUT

TOKYO, Dec. 11 (UP)—Hollywood films disappeared from Japan today.

The Tokyo offices of Paramount Metro-Goldwyn Mayer, Warner Brothers, Columbia, RKO, United Artists, Twentieth Century Fox and Universal, have been closed.

(Continued on Page 2, Column 2)

WASHINGTON, Dec. 11 (UP)—The United States today went to war against Germany and Italy, making it an all-out battle against the axis, including Japan.

President Roosevelt sent to congress his second war message within 70 hours and the legislators snapped through resolutions recognizing existence of hostilities with Germany and Italy.

Notification of German and Italian declarations of war against the United States reached the state department, respectively, at 9:25 and 9:50 a. m. EST, today.

Congress received Mr. Roosevelt's message at 12:24 p. m., and adopted appropriate war resolutions by 1:04 p. m.

"The long known and the long expected has thus taken place," the President told congress in a message read separately by clerks in each house.

"The forces endeavoring to enslave the entire world are now moving toward this hemisphere."

First move in the Atlantic may be a race for seizure of neutral islands which Germany or Italy would use as bases for aerial attack against the richest and most populous seaboard in the world—the Atlantic coast of the United States.

The formalities to be completed after action by congress include only signature of the resolutions by Speaker Sam Rayburn and Vice-President Henry A. Wallace before submitting them to the White House for Mr. Roosevelt to sign.

But the war wheels were moving with the first word from abroad that Germany and Italy had come in to help Japan.

We went to war unanimously this time. There were no dissenting votes to either war resolution, although Rep. Jeanette Rankin, R., Mont., voted "present" instead of "yes" or "nay." She voted against the Japanese war resolution on Dec. 8.

The senate jig-timed the German resolution through 88-0 and voted 90-0 for war with Italy. The house vote on Germany was 393-0, with Miss Rankin voting "present." On Italy, the house voted 399-0, with Miss Rankin again "present."

Immediately after disposing of the war resolutions the senate voted—unanimously again—to remove restrictions against sending citizen soldiers outside the western hemisphere.

The "alert" along the Atlantic seaboard defense line was intensified as the army and navy continued their preparations for any contingency which the new war front may bring.

Life as it had been for 22 years of continuous peace was no more.

The President, in his war message had said that "never before has there been a greater challenge to life, liberty and civilization."

(Continued on Page 10, Column 1)

LATE FLASHES

TOKYO, Dec. 11 (UP)—Japan asserted officially today its forces had destroyed 197 United States planes in two days' operations in the Philippines and had sunk an American destroyer, a submarine and a special service ship in operations off the Hawaiian Islands.

SINGAPORE, Dec. 11 (UP)—British headquarters reported tonight that their forces fought off Japanese patrols in the Kedah area of extreme northeast Malaya today.

The Japanese apparently were moving down to the Malaya frontier from Thailand.

In the Kuantan area, the communique reported, British forces continue to hold their original frontier lines and in northern Malaya there was little to report.

WASHINGTON, Dec. 11 (UP)—The state department announced today it has received word that American correspondents in Germany are held in custody in a villa at Wannsee, a suburb of Berlin.

(This point is the closest to which the Japanese had come to Manila in their invasion attempt, which previously had been reported as continuing farther north on the west coast and on the north coast. Langyuan, an important trade center, is located there.)

LONDON, Dec. 11 (UP)—The admiralty reported today that 2,000 British officers and men have been rescued from the United States.

PRICE OF WHEAT AND RYE

NAZIS GUARANTEE TO HIT 1ST BLOW

(From Page One)

A short time after Churchill's speech, the Berlin and Rome radio were carrying the speeches of Hitler and Mussolini. The Nazi radio's speech "nothing will be talked of" listening post was so interpreted with an English text explaining what he had to say. It was reported, skillfully prepared to achieve the greatest possible propaganda effect in England and America.

Mussolini's speech was a brief pat on the back for Japan and a declaration that the axis would "conquer" but Hitler made one of his customary long harangues in which he sought to put the blame for the war on the United States and especially on President Roosevelt.

Reminiscence of his first declarations that he wanted no new territory in Europe, the Nazi leader said he had always attempted to maintain friendly relations with America and that Germany had no hostile intentions toward the western hemisphere.

He charged that Russia was preparing to attack Germany last spring and said that when spring comes Hitler will be ready to stop the German armies in Russia, but he acknowledged British victories in north Africa for the present.

Germany, Hitler insisted, never had any ill will toward the United States. Germany had no colonies and never interfered in American affairs; had added the United States in winning its war of independence.

He said the United States went to war in 1917 for "reasons wholly spurious." Hitler went into a lengthy contract that he would not interfere with the world war service. "I shared my life with millions. Roosevelt shares his fate with the upper class of the 10,000."

"Roosevelt went on earning money. Hitler remained in a hospital." He said Germany put its population back to work through his efforts while Roosevelt failed to solve the American unemployment problem.

Germany, Hitler assured his audience, has the power and foresight to take all necessary measures for the world conflict. "We will always strike first," he said. "We will always lead the first blow."

Germany, Italy and Japan, he revealed, have bound themselves in a formal alliance of four articles. They agree: "To carry on to final victory the war against Britain and the United States. We will always strike first."

Not to conclude a separate peace or armistice. To maintain the closest collaboration and to establish a new and lasting order along the lines of the tripartite agreement. To effectuate the pact immediately.

"After peace has been won," said Hitler, "the three countries will proceed in close collaboration to guarantee a lasting peace."

"Our patience," he shouted, "has come to the straining point. We had always tried to prevent a break with the United States."

NEWS IN BRIEF

Condition Fair
Condition of Claude B. Randall, Twin Falls artist, was "fair" early this afternoon, Twin Falls county general hospital attacks reported.

Farleigh Ends
Henry Vincent Hays, Pler, has concluded a furious visit here and returned to Los Angeles, Calif., after training station at San Diego, Calif.

To Pocatello
Ernest Exeter and family are moving to Pocatello next Monday to join Mr. Exeter, who left for the city about several days ago.

Spd Coast Visit
Mr. and Mrs. Asher B. Wilson returned Tuesday from a mid-winter excursion trip to Los Angeles and San Francisco. They also visited their son, Asher B. Wilson, Jr., senior at Stanford University. Mrs. William H. Sibley, Atlanta, Ga., daughter of the Wilsons, joined them in California, and returned Sunday morning to the north.

Attending Funeral
Mr. and Mrs. A. K. Keller left early this morning for Sacramento, Calif., where they will join members of Mr. Keller's family and relatives for the funeral of their son, David P. Keller, who has been engaged in defense work on Midway Island since July 1941. Mr. Keller was formerly with the American army in Russia, but he acknowledged British victories in north Africa for the present.

Censored Cable Arrives
Mrs. Rose Fix has received a cablegram from her son, David P. Keller, who has been engaged in defense work on Midway Island since July 1941. The message read, "Safe, well and happy. Don't worry." Mrs. Fix said that the telegraph worker stated that it took one hour and 15 minutes for the message to reach here after it was released by censors. It was not learned where the censors are located or where the cablegram was filed.

News of Record Births
To Mr. and Mrs. M. R. Atkinson, Twin Falls, a girl, at the Twin Falls county general hospital maternity home.

To Mr. and Mrs. C. E. Hess, Pler, a boy this morning at the Twin Falls county general hospital maternity home. Mrs. Hess was formerly Miss Jean Mary Whitney, Kimberley.

To Mr. and Mrs. Verna Billington, Wyand, Mo., a boy, today at the Twin Falls county general hospital maternity home.

Divorces Granted
YANOVEY — Ray Lillard Yanovey from Mrs. Regina Louise Yanovey, on his cross-complaint after her petition filed at Mountain View, Idaho. The husband won decree on grounds of desertion and was given custody of the child and a new child born to Mrs. Yanovey in a previous marriage. The Yanoveys wed Aug. 21, 1938, in Twin Falls.

HOME AID OFFER MADE BY LEGION
Twin Falls American Legion post... already designated as the state-wide agency for home guard troops when such an organization is effected. The Twin Falls post submitted to Sheriff Warren W. Lowery and Police Chief Howard C. Lewis a comprehensive offer to serve in any capacities designated by authorities. Sheriff Lowery and the Legion is preparing a complete list of its personnel, and a supplementary list of its members who would be available for full-time guard duty.

STRIKERS PICKET LAUNDRIES HERE

(From Page One)

proprietor of the Troy and the National Laundry was in the hospital today suffering from a broken leg. He sustained the injury in a fall yesterday.

No comment was available at the Troy offices pending the expected statement Friday.

"My plant is working full blast," declared Tolver, estimating that eight regular laundry workers failed to report for work today.

"Do you want a closed shop?" was the question put to Harley Gray who complained he worked 12 hours a day.

"Closed shop? That's funny! This shop is closed up tighter'n a drum right now," commented Craig.

"The union is not a threat to the laundry," said Tolver, "but it is a threat to the laundry workers' welfare."

GROUP VOTES TO GIVE WAR HELP

America is receiving the support of Technology, Inc. It was announced by the group members W. C. Davis, Twin Falls organizer, announced today.

He quoted from a telegram sent to President Roosevelt by Howard Scott, director-in-chief, as follows: "The declaration of war by Japan on the United States on Dec. 8, 1941, automatically compels me to place at your disposition as completely in-chief of the United States the entire personnel and equipment of Technology, Inc., on the Pacific American continent."

The unequivocal loyalty of the membership of Technology as our country in its armed conflict against the fascist aggressor nations of the world.

"The Technology seriously requests that you further commit national unity in your coming message to Congress by requesting that the United States declare war against one and all of the entire 13 national groups in the Asia pact of Fascism," said Scott.

L. D. S. Presents One-Act Dramas
Twin Falls first and second ward presentations presented one-act plays last evening at the Twin Falls state recreation hall.

Appearing in "Romance of the Poets" were Mrs. M. G. L. B. Church, Mrs. Wheeler, Mrs. M. G. L. B. Church, Mrs. Wheeler, Mrs. M. G. L. B. Church, Mrs. Wheeler.

Floral tributes were handled by the Relief society of the second ward, under the direction of Mrs. Edna Wood and Mrs. Beth Bean.

Musical selections included "I Need Thee Every Hour" sung by Mrs. Edith Corless and Mrs. Florence Kirkman; "Face to Face," sung by Mrs. Corless; "In a Garden," sung by Mrs. Corless and Mrs. G. L. B. Church; "Trauerlied," by Charles Shirley. Mrs. R. K. Dibble was accompanied by Mrs. G. L. B. Church.

Relatives attending the funeral included a brother, Sam Outer, Grady, Calif.; and four sisters, Mrs. W. Henderson, Logan; Mrs. Eljah Robinson, Providence, Utah; and Mrs. Pete Davis and Mrs. Ed McOwain, both of Grady.

Plans Ready for Isle Evacuations
WASHINGTON, Dec. 11 (AP) — Plans have been completed to evacuate 60,000 civilians from the city of Honolulu if it is threatened with sea or air attack, officials here revealed today.

Samuel W. King, Hawaii's representative in Congress, said today that the evacuation program, which provides for the movement of 40,000 civilians to camp sites scattered over the island of Oahu, and another 20,000 to small villages on the lee side of the island.

These figures are only for the evacuees, he added. Other evacuees, such as drivers, dry cleaners, mechanics, janitors and office workers are not connected with this plan.

SCHOOLS WARNED OF BOMB CHANCE

Because Idaho is only a short distance from the Pacific coast by air and could conceivably be bombed — schools were urged today to give special attention to fire drills and safety as result of the war emergency.

The proposal came from J. M. Lyle, Jr., assistant state superintendent of public instruction, to Mrs. Doris Stradley and A. W. Morgan, county and city superintendents respectively. Leaders in the state in other Magic Valley communities received the same warning.

Lyle's communication said: "Our emergency has passed—we are now confronted with the actual problem of preservation of lives and our attention in the face of any and all eventualities."

"The commander of the Disabled Veterans of the World was in cooperation with this department is asking that you give special attention to the matter of fire drills and use of public instruction. To Mrs. Doris Stradley and A. W. Morgan, county and city superintendents respectively. Leaders in the state in other Magic Valley communities received the same warning.

POT SHOTS

WITH
The Gentleman in the Third Row

SPELLING DEPT.
We glimpsed the following address on a letter to County Clerk-Auditor-Recorder's Department from Pomona, Mo.

CIRCUIT CLERK
TWIN FALLS
IDAHO

SAY, WHAT ARE WE-A CIVIC BEHAVIOR BUREAU?
Dear Pot Shots:
If the merchant are sincere about "putting the Christ in Christmas" and I think they are—here's an idea of how they can do more real joy and significance to their carol-playing.

Maybe I'm wrong—but it interests that the music plays at the intersection of Main and Broadway until late Saturday evening.

Now wouldn't it be possible to top off some time on Saturday and apply that to Sunday morning playing?

What an inspiration it would be for children going to Sunday school between 8 and 10 a. m. on a Sunday morning to hear those carol playing!

And it might not do the oldsters a bit of good to have the music chiming out between 11 and 1 p. m. when they are leaving morning services.

Wouldn't you get this information to the proper authorities?

It would be appreciated by pastors, parents and parishioners as well as children. I'm sure.

—Homer W. Hannah

● SERIAL STORY
LADY BY REQUEST
BY HELEN R. WOODWARD

TRIP STORY: The climax of the trip story, which began last week, is that the man, who is really a woman, has been found. She is the woman who was buried in the desert, and she is now in the hands of the man who was buried with her.

The president of the airways company called to tell Diana of her sympathy and regret. The President of the United States sent a message of condolence. The music was overruled by reporters, syndicate representatives, and radio officials. Diana sent in the last column which had written the story. She was in a daze, edging the words in black. The whole country seemed to regret the passing of a great and brilliant man.

But Diana, alone in her room, told herself again and again, that Stephen could not be dead. She was sure that she would find all the hard, unhappy days, Diana kept that assurance in her heart, until at last she came to believe that she was right. When she died, Stephen Curt would never be dead to her.

"I WON'T BELIEVE IT!"
CHAPTER XX
ON the fourth day after the disappearance of Stephen's plane, the broadcast said, "Bits of floating debris picked up 20 miles west of Cristobal indicate that the lost plane of the Pan-American Airways cracked up somewhere in the vicinity. Hope has been abandoned that Pilot Smith might have found his way down to some secluded cove to await better weather."

Diana stood up, her face as white as death, her whole body trembling. "Excuse me," she called out, and she ran to her door. She never knew how she got into her wraps, but suddenly she found herself walking through the night, directly toward the destination her plan. The pounding of her heart was echoed in the pounding of her footsteps. "It isn't true, it isn't true!" The words beat themselves into her brain, until they became the refrain of her breathing. Stephen couldn't be dead. The news was a lie. It was a lie between them. Unfinished, incomplete. "It isn't true. I know it isn't true!"

Diana claimed her at last and stepped up to find herself in the vicinity of old Ellen Curt's apartment. After a moment's hesitation, she went up to the fourth floor. She found old Ellen crouched by the radio, tears streaming down her cheeks. She looked up as Diana entered and gasped. "What in heaven's name was that?" she asked. "Don't!" cried Diana harshly.

HOLD EVERYTHING

HERE ARE SOME REVERBERATIONS FROM THAT CALIFORNIA 'QUAKE'

By PAUL HARRISON
NEA Service

HOLLYWOOD—The minute I turn my back on Hollywood, I pick up a few wacky vacation things begin happening.

This time there was a terrific quake. In Beverly Hills, a earth quake hit from her bedroom into the comforting arms of a man who was standing in the living room, and it wasn't until a couple of minutes later that she discovered he was a burglar.

At Citrus, Betty Grable and George Raft were doing a shumba, and the quake imparted to their wriggling a sort of fourth-dimensional flip which brought a burst of applause from other customers. After a late conference at his home, the omnipotent Cecil B. DeMille had just completed a business deal with another man and had said solemnly, "Okay, shake on it." The whole house shook.

At another mansion, various moviemakers were engaged in the last, bewildering phases of a dice game. A prominent producer with a stack of rolled luck came for a stake of several thousand dollars, and the cubes came up three. As the other players were reaching for the dice, the earthquake dislodged one of the dice from his balance on a folded table. He was so shocked that he fell. The argument is still going on.

Lake Mead
Veronica Lake, who in four bit roles and two starring parts has gone kinside, finally got herself soundly boxed by Robert Preston in "This Gun for Hire".

Powell, who heretofore has been as safe as May Robinson from the discomfiting effects of the earthquake with the Hayes office over the brevity of short work in "It Takes Two to Tango" and "The Sign of the Cross" invented for laughs, sprang up between John Barrymore and Priscilla Lane.

Other odd and history-making developments occurred. Out at Repeating scintillators on Roy Rogers' new film "The Man From Cheyenne" thought up a truly new twist: the lead cattle rustler is beautiful Lynn Currier. And in the big picture "The Sign of the Cross" the beautiful, burnt Greta Garbo...
Tate Davis, now a cowboy comic, has made himself unpopular with horse-people producers by proposing that Supleay in westerns be reduced to a mule.

The Bill of Rights

Has man, simply as a human being, any rights in the world merely by virtue of being born into it?

We Americans say, yes. The whole core of our political and social belief revolves around the thought that the individual is sacred—that there is something in each man or woman, simply as men and women, which no governments, not social organizations, not monarchs, Caesars, nor dictators may molest or dilute.

The whole colonial history of North America, from its earliest days, is starred with declarations of rights. Government has always been limited. The people have always felt that it existed for them, not they for the government. Always, in a score of solemn declarations, Americans were asserting, "I am a man. I can be persuaded, but I cannot be pushed."

When the present American government was organized, these ringing assertions of the rights of men were strongly in American minds. Assurance was demanded that the new government would not infringe on rights pretty generally conceded to be basic. On Dec. 16, 1791, about three years after the constitution went into effect, the first 10 amendments became effective. They are called the Bill of Rights.

There was nothing new about them. Practically speaking, they were part of the original constitution, since adoption was secured on the understanding that they would be included. They simply froze into basic law certain things often asserted before and generally agreed on as fundamental—the right of freedom of worship, of expression, of peaceable assembly and petition for redress of grievances, security against persecutory searches and seizures, of fair trial, of security against loss of private property without fair compensation. All simple things; all things we take too much for granted.

President Roosevelt has done well to call attention to this Anniversary, asking that citizens observe Bill of Rights day on Dec. 15. Whole peoples have not only had these elementary rights snatched from them, but, more terrible still, some have even been persuaded that such rights do not exist at all.

The fundamental rights of man can never be permanently taken from him by force. More invidious, more dangerous by far, is the effort to lull man into forgetfulness of his essential dignity and integrity. It is against this danger, as well as the concrete danger from without, that the President has summoned the American people.

It is good to take part in the observances of Bill of Rights day. It is better still to read that list of rights itself, carefully and thoughtfully, and then to ask oneself, "What would life be worth without them?"

SO NOW THEY KNOW!

Pot Shots gleaned the following squib off the United Press teletype.

LONDON, Dec. 10 (UP)—(BBC)—The Japanese made, chief of ritual customs, officially notified his associates today that Japan was at war with the United States, and that the Japanese emperor, a fine bunch of gods, if you ask us. (Yeah, the Japs think the emperor is a deity.)

They also notified his associates that they had abandoned forgotten to tell them now for a couple of weeks.

REVOLUTION LOOMS AMONG THE LADIES!

Dear Sirs:
Paragraph you can tell all you want comma my dear Pot Shots comma about defense bringing higher taxes comma the Japanese made, chief of usual comma priorities and all the rest period

Paragraph but except for higher prices comma you associate your average woman tells the whole thing aside blithely over her head comma paying more for the same goods comma bridge club than to defense period

Paragraph you know comma however comma I think were finally going to make the difference comma and once you do that only Heaven knows that will happen period I refer to the bobby company and the bobby pin comma it is inevitable period

Paragraph you can take their men and their money but when you take the beauty comma you are already beauty performers comma look out for danger exclamation point

—Ress

ANYBODY WANT TO ANALYZE A C. CLARK REMARK?

Dear Third Row:
C. Clark says that this explanation for reduction of traveling expense from 45 to 35 percent for state employees, raising a man five dollars a day for expenses makes staying away from home attractive and matrimony suffers. I don't know whether it is divorce by making it cheaper to cut the road trips short.

Why don't you have your reader Mr. Third Row, try analyzing what Gov. Clark meant by this, as did the November issue of the magazine, "The Woman" which has a neat 100 liberal allowance paid to divorce by tempting a traveler to stay away from home from the spouse. 2. A \$5 daily allowance plus 100 many temptations within the means of the traveler. 3. The person gets too much money in his pocket less the desire to stay married.

—Hilbert

P. S.—The answer is No. 1.

HUMOR WHICH AIN'T

Some "humor," think we, is not very funny.

In which classification we put the wise folk who inquired with the Santa Claus phone calls Tuesday night.

You know, any kid in Twin Falls can telephone Santa by just asking the operator for him. Hundreds of youngsters are already wide-eyed over this little matter arranged by Haneser today.

Don't you know your's keeping some little child from talking to Santa Claus?

—Ress

FAMOUS LAST LINE

"... And the defense stamps please?"

THE GENTLEMAN IN THE THIRD ROW

PHIL was priceless help during the search for the missing plane, keeping the curious away from Adela and Diana, attending to countless troublesome details for them, all the while his eyes shadowed with genuine sadness.

Adela kept to her room in the company of Aunt Christie, for which Diana were devoutly thankful. She felt that later she might be more able to cope with Adela.

Her father had come to Diana as soon as he got the news. They sat for a long time talking about Stephen Curt.

"I guess you've often wondered why I changed my mind so suddenly about the wedding," Diana said. "Mr. Tucker said, 'But after I talked to Stephen, I knew everything was all right. I knew it was a long time talking about Stephen Curt.'

"I guess you've often wondered why I changed my mind so suddenly about the wedding," Diana said. "Mr. Tucker said, 'But after I talked to Stephen, I knew everything was all right. I knew it was a long time talking about Stephen Curt.'

"What? Oh, tell me!"

"He said, 'Maybe it won't be a make-believe marriage after all, Mr. Tucker. I'll try my best to make it real. And so I always hoped.'"

One morning Larkin summoned Diana to the library where a visitor awaited her.

"If an agent of the insurance company," said the tall man who rose at her entrance. "I have come to make arrangements with you over your late husband's insurance."

Diana was startled. It was the first time the thought of insurance had ever crossed her mind.

"Who—whom is it made out?" she questioned, this aspect of the matter bringing to her mind

CHURCHILL SAYS ALLIES TO FIGHT "ON TO VICTORY"

By Edward W. Beattie
LONDON, Dec. 11 (UP)—Prime Minister Winston Churchill, addressing the House of Commons, said as Germany and Italy declared war on the United States, said the British empire, America, Russia and the United States are "allies to victory—not over Japan alone but over the Axis and all its works."

Our foes are bound by their ambitions and their crimes, implacably, to the destruction of the English-speaking world and all it stands for," Churchill said.

Expect Punishment
"It may well be that we shall have to suffer very considerable punishment everywhere with the utmost vigor and close cooperation with the United States and the British Empire."

"I know I speak for the United States as well as for the British Empire," Churchill said. "It would indeed bring shame on our generation if we did not teach our children that the names of the forgotten in the records of a thousand years."

In a well-known review of the war Churchill said Adolf Hitler in attacking Russia had made one of the outstanding blunders of history that the German and Italian forces in eastern Russia fared destruction and in the battle of the Atlantic shipping losses had increased.

"Outstanding Blunder"

"We can already see after six months of fighting in Russia that Hitler has made one of the outstanding blunders of history. The result so far realized constitutes events of cardinal importance in the final decision of the war," he said.

"Hitler everywhere (in Russia) has been brought to a standstill. The result so far realized constitutes events of cardinal importance in the final decision of the war," he said.

Winter, guerrilla, the stubborn, unyielding resistance of the people have initiated on the German armies and the German navy.

7-Day Union Plan For Copper Mines

WASHINGTON, Dec. 11 (UP)—The OPM has announced that a 7-day union plan for copper mines.

HILLMAN announced today that a union plan calling for a seven-day, three-shift operation of the nation's copper mines.

The industry would be presented to supply priorities and allocations.

The OPM has announced that a 7-day union plan for copper mines.

Daughter Born to Connie Bennett

HOLLYWOOD, Dec. 11 (UP)—Connie Bennett, blond film star, and her baby, born yesterday, were reported in excellent condition.

The child, Christina, was born at the home of Miss Bennett and her husband, Charles Bennett.

Arrival was unaccompanied by any news to take the actress to a hospital.

Hold on to Your Hat!

Since the war started, the cost of living in the United States has gone up 11 per cent. It is rising about 1 1/2 per cent a month, and by spring it will have risen 20 per cent.

That's Leon Henderson, federal price administrator, speaking. He ought to know. Prices are his business.

Putting the statement in reverse, it means that people whose income is fixed will have suffered a virtual 20 per cent cut in income by spring, because their fixed income will chop by just that much less. The cut will probably be even greater because next year taxes are almost certain to increase.

No clearer demonstration could be given of the necessity that congress grab hold of this problem with firm hands, and put every curb on inflation that ingenuity can contrive and firmness enforce.

HISTORY OF Twin Falls City & County 15 YEARS AGO

As Gleaned from Files of The Times

DEC. 11, 1926
Mrs. A. W. Hillier left Friday morning on a visit to her son, Ward Husted, who lives in St. Joseph, Mo.

Mrs. Doris Nelson, Vogue proprietor, left Sunday for New York where she will spend the holidays as the guest of her mother, Mrs. J. H. Nelson, who is taking winter there, after which Mrs. Nelson will buy stock. She will return about Feb. 1.

Paul Bieler has been made manager of the Gooding laundry. He left Saturday for that place.

27 YEARS AGO
DEC. 11, 1914
GOODING, Dec. 11, 1914—The city of Gooding has not yet reached the end of its troubles over the location of the county seat. A certificate was prepared and spread upon the minds of the voters of the county, and missionaries certifying that Gooding had been elected as the permanent seat of county government and the county seat of the county.

They themselves that their troubles were over, but yesterday the village of Hildale, in the county seat, filed a complaint in the district court of Gooding county against the city of Gooding, the board of county commissioners, and against various citizens, of Gooding 500 numbers to maintain, who are designated as committees having charge of the county seat location fight on Hildale.

The purpose of this complaint is to contest the election between Wendell and Gooding for the permanent county seat of Gooding county, Gooding was elected by a vote of 300 majority over Wendell. The purpose of this complaint is to contest the election between Wendell and Gooding for the permanent county seat of Gooding county.

DEFENSE COSTS IN IDAHO LISTED

BOISE, Dec. 11 (UP)—State WPA Administrator Dean Miller said today that \$2,500,000 was expended on Idaho defense projects in Idaho during the year.

Of the total, \$771,000 was furnished by local and federal sponsors, and the balance of \$1,729,000 was supplied by WPA funds was spent directly for labor.

Important construction led expenditures with a total of \$1,800,000.

Miller announced work will be accelerated on certified defense projects and that they will be completed in excess of standard hours to complete the program.

Officer Tells Of Attack on Wake Island

SAN FRANCISCO, Dec. 11 (UP)—Japanese naval forces shelled Wake Island to open facilities on the island for the landing of troops.

The clipper, his 11 planes each attacked Wake while his ship opened fire on the island. The first flights started the concentration operations at the island.

The Wise Old Elk

Push the slow-blinking owl down off his perch as a symbol of wisdom and see if there's a room up there for an elk. Owl, ornithologists agree, aren't nearly as smart as people have given them credit for, which is one more fruit of a solemn and pontifical manner. But the elk—

Out in Colorado, around Ouray, the hunting season is on, full blast. Armed hunters with that grim, earnest look, poured out of Ouray seeking elk. But the elk just poured into Ouray, where the hunters found them feeding in the streets when they returned on a day-long but fruitless chase.

The owl has been completely out-foxed by the elk, and the horse on the hunters.

When people make guests feel at home when they were.

20-30 WILL HELP HOME DEFENSES

Unanimously voting full cooperation in home defense needs, the Twin Falls 20-30 club on record today as offering its services as a unit and individually to city officials.

The offer, approved at the club meeting Tuesday evening at the Park hotel, includes "any service in the national emergency that the club or individual members might render."

Convention Report

Report of the district convention at Pocatello last week-end was given by Bert Sweet and J. C. Williams, president-elect. Other delegates who attended the district conv. were Eric Cook, president Joe Donohue and Bob Williams.

News of the Japanese attack came while the convention was in session, the delegates said, and National Trustee Bob Rodman, Salt Lake City, immediately declared that assets of the association would be frozen until war is over.

Helect Award Nominee Dick Heppner and Paul Hardisty were appointed on a committee to choose a candidate for the community service award for 1941. Plans were discussed for sending Christmas packages to Twin Falls 20-30 members who are now in the armed forces.

It was announced that the Twin Falls club received special mention at the convention for the numerous projects the club has successfully completed within the past six months. These included the defense aluminum drive, magazine and book drive for soldiers, banding and attendance promotion contest (won by the club), and the Safety Sally project.

ONSLAUGHT SEEN AS UNITY FACTOR

Japan's attack on the United States will unify America, soldiers at Washington told Mrs. John E. Hayes who passed that word along to the Twin Falls Rotary club Wednesday at the Park hotel.

FARM FAMILIES TERMED LARGEST

WASHINGTON, Dec. 11 (UP)—The average size of families is larger in the rural areas of the United States than in the cities, according to the 1940 census.

The average size of families, as shown by the 1940 census, both city and country, was 3.6 persons. The average family in rural areas was 4.0, while in cities it was 3.6. The general average of 3.6 persons per family was approximately one-third of a person less than in 1930.

Every census has shown a constantly decreasing average size per family.

Size of families varies in the various sections of the country. City families in New England and the South Atlantic states equaled the national average of 3.6. City families in the Pacific states were small—3.1.

In the rural territory in the South Atlantic states the average size of families was 4.1, and in the West the average size of rural families in the Pacific states was 3.6.

The popular and dependable Waterman and Esterbrook fountain pens and pencils at Cioe Book Store.—Adv.

SET OUT WINE when guests "drop in!" It's a hospitable custom that will win you compliments—especially nowadays when folks are so tight on money. The wine which evening refreshment is served in California is the most delicious.

Jap Nationals in Idaho Permitted To Leave Houses

BOISE, Dec. 11 (UP)—Japanese nationals in Idaho were permitted to leave their homes today but were required to carry identification papers from their employers.

SNOW ON BALDY WELL OVER 1940

First snow report from the Sawtooth national forest watershed showed today that the top levels of Old Baldy had 22 inches of snow Monday; the middle areas 16 inches and Old Baldy No. 1 eight inches.

The report from the forest supervisor at Halley, Hite Galena snow depth at 16 inches compared with only 11 inches at the same time in 1940.

Preparing a topographic sketch in the resort area is comparative analysis showing that 12 months ago the Baldy mountain totals ranged only from nine inches to two inches.

Ketchum itself had five inches of snow Monday and Halley two inches. Both towns were bare of any snow covering at the same time a year ago.

Fairfield on the Malad drainage area has five inches of snow compared to zero last year; Soldier ranger station has six (none last fall at this time).

Snow blank quite as heavy in the Salmon river country thus far, the forest report shows. Williams ranch had four inches Monday; the depth was five at this time in 1940. Cumulative snowfall at Halley since Oct. 1 is four times as great as in 1940 for the same period. Aggregate now is 4.80 inches; a year ago it was only 1.30 inches; average however, is 14.11 inches over a 10-year period.

Farm Equipment Gets Preference

BOISE, Dec. 11 (UP)—Priorities for farm equipment was announced here today by Director W. T. Lockwood of the office of government reports.

Lockwood was informed by Ralph E. Bristol, Salt Lake City, district manager of the priorities field for OPM, that farm equipment for private irrigation, such as pumps, would get a high rating; and that equipment for other farm use, bakeries, laundries and cleaning establishments would also rate high.

STIMSON LAUDS GEN. MACARTHUR

WASHINGTON, Dec. 11 (UP)—Secretary of War Henry L. Stimson today lauded Gen. Douglas MacArthur, commander of the U. S. Far Eastern Forces, congratulating him for his leadership in the Japanese battleship Haruna.

The Haruna, a vessel of 29,330 tons, was built in 1919, carried a normal complement of 990 and three aircraft and was designed by a British architect.

Stimson stressed the ultimate triumph of the United States cause over the "autocratic" powers. He said there was a "heavy loss" placed in Hawaii as a result of Sunday's surprise raid, but said it "can and is being made good at the present moment."

Stimson told newsmen we must accept the blame for the attack on Pearl Harbor and not the first that shot. He said the American people should be careful never to underestimate ability of the Japanese sea-men because "I've seen enough of them in the far east to know," Stimson said.

LINE-UP

By United Press Today it is a real World war. The lineup: America, Great Britain, the Soviet Union, China and the refugee governments of Europe for the allies.

Germany, Italy, Japan and axis-dominated governments for the axis. Adolf Hitler and Benito Mussolini formally extended the war to five continents by joining Japan in the contest against the United States, mobilizing the total axis strength for a final fight and leaving only South America under an uneasy peace.

Even as the detactors spoke at Berlin and Rome, the millions of men who will fight and die before peace comes again were in action on the frozen hills before Moscow, along the dusty ramparts of the Leningrad defense, in the steaming jungles of Malaya and along the beaches of the Philippines.

From opposing leaders of the armed forces came almost simultaneous declarations that they were prepared for a long, hard struggle but confident of victory.

REGISTERING SEEN FOR MEN UP TO 64

WASHINGTON, Dec. 11 (UP)—Brie Gen. Lewis B. Hersey, director of selective service, said today it might be desirable eventually to register all men between the ages of 18 and 64, inclusive, for military service, civilian defense and other purposes.

WHY THEY FLOAT

The reason a bad egg floats on water is that gas was formed inside because of decomposition. These make it lighter than a good egg containing white and yolk only.

At a press conference in which he discussed what he said would be "inevitable" demands from the army and navy for greater manpower, Hersey said: "The selective service act has been for a dual purpose—training and service. Hereafter the emphasis has been on training. Now we have come to the place where the emphasis is going to be on service."

WHY THEY FLOAT

The reason a bad egg floats on water is that gas was formed inside because of decomposition. These make it lighter than a good egg containing white and yolk only.

V. F. W. PROFFERS SWIFT SERVICES

Reaffirming the state Veterans of Foreign Wars offer to mobilize within four hours for any defense emergency duty, the Twin Falls V. F. W. post last night extended its services to the city police and county sheriff's departments.

WHY THEY FLOAT

The reason a bad egg floats on water is that gas was formed inside because of decomposition. These make it lighter than a good egg containing white and yolk only.

Mrs. Melba Judge Named for Idaho's Evacuation Group

BOISE, Dec. 11 (UP)—Mrs. Melba Judge today had been named Idaho representative of the civilian defense organization for evacuation of children from coastal areas.

WHY THEY FLOAT

The reason a bad egg floats on water is that gas was formed inside because of decomposition. These make it lighter than a good egg containing white and yolk only.

CANCELLED

WASHINGTON, Dec. 11 (UP)—The national theater has cancelled three scheduled performances of Gilbert and Sullivan's "The Mikado" as an opera at the court of a Japanese emperor.

WHY THEY FLOAT

The reason a bad egg floats on water is that gas was formed inside because of decomposition. These make it lighter than a good egg containing white and yolk only.

FDR ASKS 'STATE OF WAR' ON AXIS

WASHINGTON, Dec. 11 (AP)—The text of President Roosevelt's message to congress today: "To the congress of the United States: On the morning of December 11th the government of Great Britain, pursuing its course of world conquest, declared war against the United States. "The long known and long expected has thus taken place. The forces endeavoring to enslave the entire world now are moving towards this hemisphere. "Never before has there been a greater challenge to life, liberty and civilization. "Delay invites greater danger, rapid and united effort by all of the peoples of the world who are determined to remain free will ensure a world victory of the forces of justice and righteousness over the forces of savagery and barbarism. "Italy also has declared war against the United States. "I therefore request the congress to recognize a state of war between the United States and Germany, and between the United States and Italy."

Washington, Dec. 11 (AP)—The senate finance committee, concluding hearings on the Palmer sugar bill late yesterday, announced a vote will be taken Friday. The committee received letters from the secretaries of state, agriculture, and interior strongly opposing the measure. It would increase the domestic quota for sugar production by 4 per cent. Sen. Joseph O'Mahoney, D., Wyoming, author of the smaller version of the Palmer bill said the conflict in the Pacific makes it necessary to encourage maximum sugar production on the mainland to avert a shortage. Secretary of State Hull opposed the measure because it would reduce Cuba's quota by 50,000 tons, which would greatly interfere with the good "hot" policy, Hull said. Sen. Alben W. Barkley, D., Ky., majority leader, questioning O'Mahoney said it would be "monstrous" to cut Cuba's quota just after Cuba had declared war on Japan in sympathy with the United States.

SUGAR MEASURE HEARINGS ENDED

WASHINGTON, Dec. 11 (AP)—The senate finance committee, concluding hearings on the Palmer sugar bill late yesterday, announced a vote will be taken Friday. The committee received letters from the secretaries of state, agriculture, and interior strongly opposing the measure. It would increase the domestic quota for sugar production by 4 per cent. Sen. Joseph O'Mahoney, D., Wyoming, author of the smaller version of the Palmer bill said the conflict in the Pacific makes it necessary to encourage maximum sugar production on the mainland to avert a shortage. Secretary of State Hull opposed the measure because it would reduce Cuba's quota by 50,000 tons, which would greatly interfere with the good "hot" policy, Hull said. Sen. Alben W. Barkley, D., Ky., majority leader, questioning O'Mahoney said it would be "monstrous" to cut Cuba's quota just after Cuba had declared war on Japan in sympathy with the United States.

300-500 of Enemy Allens Still Free

WASHINGTON, Dec. 11 (AP)—Officials estimated today that between 300 and 500 enemy aliens were "underground" when the war with Japan started and remained to be rounded up. The FBI was said to be confident of finding the fugitives soon. Japanese General Franco Biddle announced yesterday 2,750 nationals of Japan, Germany and Italy who were considered dangerous to the peace and security of the United States had been seized. There were 1,281 Japanese, 855 Germans and 167 Italians.

Canadian production of leather footwear during the first six months of 1940 totaled 12,749,000 pairs.

Priorities May Delay Television Advances

Joan Edwards, network star, is a regular performer on WUBW, the New York television station of the Columbia Broadcasting system. The man in the foreground handles the camera daily that rings the cameraman into the position desired by the program director. The director is connected to cameraman and dolly-man by telephone.

(By NEA Service) NEW YORK—If you have been looking forward to the day when you can relax in the comfort of your own home at any point in the United States to enjoy television broadcasts, you had better perch the television set on a limb when it seeks replacement parts for the many complicated gadgets used in broadcasting. If the war drags out very long, it may not only stunt the advancement of television, but eventually even stop broadcasts temporarily for their heels just at a time when television is about ready to wear its first pair of long pants.

NO RATIONING OF FOOD SET IN U.S.

WASHINGTON, Dec. 11 (AP)—There probably will be no rationing of food supplies in the United States at least for another year and then only in 1943 crops are short. Food will cost more—prices already are higher. Officials said "proper measures" are being prepared to prevent profiteering and control speculation. They said they will with whatever belt-lightening the average citizen is called upon to do, he is expected to be "wastily better off than the average citizen in axis or axis-occupied countries."

lack of necessary replacement equipment. It would be an especially tough blow to the people who have been working slave hours to nourish their "babies." After a number of false starts during the past 11 years or so, preceded by honored predictions, television is finally a concrete reality that experts now feel is destined to become one of the truly great post-war industries. Some of the daily programs now on the air are eye-opening and opportunity seems to be limitless. Already some of the programs are sponsored by advertisers. The new wave of television, however, is a full-color broadcast developed by the Columbia Broadcasting System which experts feel it can pick up all the kinks of the rainbow.

Diaries and desk calendars for 1942 are ready at the Cline Book Store—Adv.

Kids Ask Santa for BB Guns to Shoot Japanese

The kids are asking BB guns so they can "shoot Jap planes," Santa Claus reported today after his second full evening of telephone conversations with Twin Falls youngsters. Santa, submitting his report through Mayor Joe Koehler, who arranged the telephone calls, talked to 300 kids Wednesday evening from 8 p. m. to 11:15 p. m. The children just asked the operator for Santa Claus—and got him if the line wasn't busy. The telephone company was swamped with calls Tuesday and Wednesday evening. Superintendent said no count was maintained, but on the basis of the signals received by a selected group of children who tried to reach Santa, the unofficial total of successful and unsuccessful calls was estimated today at 1,000 for Tuesday and about 1,100 for Wednesday. Aside from the peril of Japanese bombing of Santa Claus, many youngsters seem worried about Santa's health up in the cold north pole country. Said one eleven-year-old girl who heard the door slam at Santa's house and then Kris Kringle answering: "You must keep out of drafts, Santa Claus, or you'll catch cold and get sick and can't come to see me." Youngsters are honest these days, the phone calls indicated. No less than three small boys, who told Santa they were three, four and five years old, admitted they'd been naughty this year "but were awful good now."

Germany Executed Eleven Frenchmen
VICHY, Dec. 11 (AP)—German authorities at Vichy, occupied France, have executed 11 Frenchmen for illegal possession of arms. The executions bring to a total of 198 the number of persons executed in occupied France in reprisal for French activities. They were the first by the Germans since two persons faced a firing squad at Nancy Nov. 27 for illegal possession of arms.

Show Caravans Hit the "Red, White and Blue" Camp Circuit

By RALPH MARTIN (NEA Service)

NEW YORK—A bubbly breath of Broadway's boisterousness to soldiers, sailors and marines of Uncle Sam's armed forces. It is expected to diaphanize in a large measure the fog of boredom and monotony that plagues some men in army camps and naval stations.

Just launched is a series of 33 Broadway hits and gay Hollywood girl shows, each of which is expected to be shown in 200 camps, posts and naval stations over the nation before the current 22-week season is closed.

Camps and naval stations make up the newly formed "Red, White and Blue" circuit that circles and crisscrosses the country. The stage productions will be brought to the boys in blue and khaki by Camp Shows, Inc., with the united service organization paying the freight to a total of \$85,000 for the season. Eddie Dowling, veteran showman, is president of Camp Shows, Inc.

Officials of Camp Shows, Inc., and Broadway producers, engaged to direct the productions, have just launched the first of the series with the usual theatrical superlatives on their lips—though "worry-writes" frown their brows like corrugations on a washboard.

Primary objective of the series is to provide for active men "the shows"—the personal touch of real stage productions—with emphasis on hosts of pretty girls clad in the eye-catching brief costumes of the Broadway stage.

And yet the shows must be so utterly circumspect that they will not offend the most strait-laced of the boys' home-folks. A tough task, it is official.

Entire series is conducted among the men in armed service revealed that less than 20 per cent of them have ever seen a legitimate Broadway hit. Camp Shows, Inc., expects to provide at least one such show in each camp or station every two weeks. Moreover, the boys will be admitted for a price of 20 cents a ticket—instead of Broadway prices ranging up to \$5 or more.

Entire series is conducted among the men in armed service revealed that less than 20 per cent of them have ever seen a legitimate Broadway hit. Camp Shows, Inc., expects to provide at least one such show in each camp or station every two weeks. Moreover, the boys will be admitted for a price of 20 cents a ticket—instead of Broadway prices ranging up to \$5 or more.

The shows and entire casts of several big Broadway hits have been engaged outright for the season. Rights-of-production for all other shows have been bought and all professional stars engaged to them. Operating dates for 11 of the series have been set, and the shows are in motion over the initial circuit of 60 camps.

The premiere was staged in Camp Claiborne, near Alexandria, La., Nov. 27, with "Pollyanna" the Crow's streamlined musical comedy with a line of chorus girls and several top-flight vaudeville comedians.

"Puss n' a Bear," another comedy, opened the following night at naval station, Norfolk, Va. The next night curtains rose on "The Beachcombers of 1942," at U. S. Naval Station, Bremerton, Wash., and "Ade Laemont and Her All-American Girl Revue," musical comedy with a girl band, opening at Pine Camp, N. C.

Other scheduled openings are: "Pammy Pazzie," with a line of girls, Camp Bartley, Abilene, Tex.; "Happy Go Lucky," musical show featuring comedians, supplemented by chorus girls, Fort Dix, N. J.; "Thumbs up," vaudeville show, Fort Bliss, El Paso, Tex.

"Hollywood Hit Parade," top-flight

PLAN AN OLD-FASHIONED Christmas

Paper bells and popcorn strings; colored candles and holy wreaths; golden brown turkey and hot mince pie... the secrets and surprises of an old-fashioned Christmas can be such fun when you PLAN for it. Let us help on the food part... your Safeway is loaded with all your Christmas needs... delicacies from the far corners of the earth, solid foods to satisfy healthy young appetites.

- HOW TO BRIGHTEN YOUR Christmas**
Have a delightful little and big for ever them dressed up this way
- POPCORN BALLS**
An old-time delight but give them a new look with colorful candies as they'll look like marshmallows—apples, pears, cherries—or your pet's party!
- STICK CANDY & APPLES**
Put these old, old favorites together with beer for a stunning but edible Christmas tree decorations, or use them in a row for a nautical decoration.
- PLUM PUDDINGS**
No fuss or feathers in this day and age—first call for delicious, never-fail pudding in 15 minutes. With a healthy and candied cherry garnish and festive hard sauce that home-made look will be achieved.

HOLIDAY CALLERS?
Have salted nuts, clusters or seedless raisins, and hard candy on hand, in holiday trays. (And you can get your own nuts—save them in your heavy frying pan, sprinkle with salt and drain on sheets of absorbent paper!)

LET'S EAT BEFORE WE GO!
What better on a cold or rainy night than hot buttered popcorn, chilled cherry apples, home of nippy cheese to nibble on and a steaming cup of hot chocolate. Serve before an open fireplace and pure!

CIDER & SWEET BISCUITS!
That's really going way, way back for an idea. Hot mulled cider (sued) made with sick cinnamon and whole cloves, thickened or buttered wafers. For callers or bedtime snacks—any time.

A GO-WITH'ER
Moisten cream cheese, pimiento cheese and ricotta cheese with cream and season with minced onion and green pepper, and Worcestershire sauce—dip potato chips or crackers in it to go with tomato juice or other beverages. Keep this in mind for your holiday parties, too!

PRESIDENT TELLS OF HEALTH NEEDS

Although called back from the infantile paralysis at Warm Springs, Ga., by the critical Japanese situation, President Roosevelt, said that he still felt it is vitally essential to be concerned with the health of children, and important that special groups hold the attention of the public to child health.

He gave this challenge to approximately 55 men and women, attendees at the conference on the National Foundation for Infantile Paralysis when he received them in his office at the White House last Tuesday, Dec. 2 according to Mrs. John E. Hayes.

Returns From Washington Mrs. Hayes, Idaho chairman of the National Foundation for Infantile Paralysis, Inc., conducted the celebration of the President's birthday returned Tuesday from Washington, D. C., where she attended conference sessions at the Carlton hotel. Every state in the union, the District of Columbia, the Hawaiian Islands and Panama were represented at the conference, she said.

The national committee has appointed motion picture chairmen in each state, and J. H. Harris, Burley, is the appointee in Idaho. Mrs. Hayes announced.

Several of the state chairmen are parents of young people who have been stricken, she commented. Conference attendees discussed ways for carrying on the campaign, and determined that greater emphasis will this year be placed on sports and athletic benefits.

How to Finance "If one per cent of all sports receipts in the United States were devoted to the infantile paralysis program, it could be financed," Bob Conditine, sports counselor for the infantile paralysis committee, declared.

Thas O'Connor, New York attorney, was speaker at the banquet which concluded the conference. He is president of the Infantile Paralysis Foundation.

Dress ornaments for women and lapel ornaments for the men contributing to the fund, will be featured in this year's campaign.

Dorothy Duca, national chairman of the women's activities, announced a plan whereby scrolls will be offered to all women's clubs. Women affixing their names to these scrolls will pay 25 cents each, and the scrolls will be sent to the foundation president, to be turned over to President Roosevelt.

The coin collectors this year will be in the form of wishing wells, according to Mrs. Hayes. The president's birthday "March of Dimes" cards will be special campaign features, and the campaign will conclude with the diamond Jubilee President's balls to be staged Jan. 30 throughout the United States.

At the conference it was emphasized that the last three years have been the worst in the history of the disease, infantile paralysis. During 1941, 28,000 patients were receiving treatment for the malady in the United States.

It is estimated that the cost for the first year's treatment of an infantile paralysis patient is \$1,000, according to Mrs. Hayes.

Rites Arranged For Mrs. G. Hawk RUPERT, Dec. 11 (Special)—Funeral services for Mrs. George Hawk, who died at the Rupert general hospital Monday evening, will be held at 2 p. m. Friday at the local Methodist church.

Rev. Albert B. Parrett, pastor of the church, will be in charge of the ceremony. Interment, under the direction of the Goodman mortuary, will be in the Rupert cemetery.

Santa Talks to Kids via Phone

Old Santa Claus really puts in a shift in Twin Falls these nights as he accepts telephone calls from just as many youngsters as he can talk to in a three-hour period. He will be available by telephone every night this week from 6 to 9 p. m. Children simply pick up the telephone and say "Give me Santa." In the photo above, Santa puffs on his pipe as he listens to the request from one youngster.

Here's Some Background on That Idaho Treasure Search

By CHARLES G. SUMNER KETCHUM, Dec. 11 (Special)—Digging in a lake in the region of Hamer is destined to uncover a buried treasure. This is recalled by local parties who witnessed enthusiastic searching in that locality as long ago as 30 years, when there were not so many lakes and small running streams, of which Camas creek is principal. The lakes undoubtedly were formed by seepage water from the irrigated Egin bench, near Rexburg. These waters are gradually working toward the Birch creek and Lost river sinks, in western Clark county.

Years ago adventurous fellows who primarily dropped off at the station at Mud lake to enjoy the marvelous duck shooting of that section, took time out from snapping caps and pushed a shovel. As the story went at that time benefits making their getaway after a train robbery had buried \$40,000 somewhere in the sands.

Value "Increases The yarn took various angles in later periods, until the last reported buried gold became allegedly twice the original value. The first story cited three bandits, all of whom were reported captured and placed in the Idaho state penitentiary. The fate of the other two was never quite cleared up.

Anyhow, duck hunters often paused to note the eagerness with which the boys returned the long stretches of sand and sought for the buried treasure. As shovel experts they would have made great WPA bosses today. The spaded area reached fairly wide areas, still in treasure.

Then it was rumored the raised band had returned to the locality and departed with the swag. If he originally reported, amounted to \$40,000 in gold the weight of approximately 185 pounds would not be a burden. Gold was then worth \$20 an ounce. At any rate, digging waned until recently.

Old Dusty The Turmans were then operating a store and hotel at the little camp, it is now quite a village. The name was at that time changed to Hamer in honor of Col. Thomas Hamer, one time congressman from the second district. Duck hunting flourished and now gold hunting has resumed, and it is noted that a party, under direction of Mansford Turman and four associates, is sinking in the ooze and slime of one of the lakes. As the tale now goes the loot is in gold dust, but did not score. Should the diggers prove fortunate enough to find the body of a long gone day, there are a great many who will treasure the haul.

Should the diggers prove fortunate enough to find the body of a long gone day, there are a great many who will treasure the haul. It recalls that a similar yarn regarding a bandit cache in the Arco section gained currency some years ago, but up to date no one has been accused of spending it.

These buried treasure episodes make good conversational and theoretical topics, and in fact, could easily be verified, for those were roily days when communication was retarded, stations minus and bad eggs "roosted" of Wyoming and Utah, and in the vast lava hideouts of Idaho, near Rexburg. These waters are gradually working toward the Birch creek and Lost river sinks, in western Clark county.

to stop the bandit, the incident occurring many years ago. The Whitney brothers eventually made it out of the country, and it was pretty well ascertained that they landed in South America.

Seldom is there a vestige of the old wild and woolly chronicled in the peaceful locality these days. In a former era it was plenty active. Hamer is not far from what was once the town of Camas, a stopping point on the old cattle trail between Montana and Oregon. The burg once boasted of seven saloons and many other institutions, and the air—unsettled a good many arguments. But no more. Today hardly a rotted timber can be found on the site, as the frontier town passed more than a half century ago.

Pioneer Family Attends Rites CASTLEFORD, Dec. 11 (Special)—The death of Eugene La Motte, Gerlach, Nev., on Dec. 4 from a heart attack came as a shock to his friends here.

Mr. La Motte is the son-in-law of Mr. and Mrs. Clarence Ward, Castleford, pioneer residents of this community. He is survived by his wife, Mildred Ward LaMott, and two small

M. I. A. Presents Jerome Service JEROME, Dec. 11 (Special)—Sunday evening services at the Latter Day Saints church this week were conducted under the direction of the M. I. A.

Miss La Dean Parry conducted the session, and organ prelude was played by Mrs. Elisha Walker. Opening prayer was offered by Bishop A. Leo Olsen.

Katherine Crouch gave the scripture reading. Topic of the evening was "Jesus the Christ." A re-told story "Magi" was given by Miss E. E. French, and a duet, "Silent Night" was sung by Miss Lorna Emma and Dora Walker.

"Ode Taken on Human Life" was the talk given by Thomas Newman, recently returned missionary in Hawaii. The accomplishments of the Improvement Era were told by Ernest Clarkson, and benediction was given by Merritt Hepworth.

sons as well as by relatives in the central states. The funeral was held Monday afternoon at Reno, Nev. Those attending there were Mrs. and Mrs. Clarence Ward, Mr. and Mrs. Roger Erb, J. F. Houghtaling and Mrs. Darrel Phillips.

Olives and Peace Early barbarians considered olive oil so valuable that defeated tribes sent an olive tree to the opposition to signal a truce. In later times, just an olive branch was sent.

Wellington bombers have a range of 3,200 miles at 180 miles an hour.

BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention.

The kidneys are nature's chief way of taking excess acids and poisons out of the blood. They help most people pass about 3 pints of the 15 million of kidney tubes and filter out the waste products of the body.

Backache, leg pains, rheumatic pain, headache, loss of energy, irritability, dizziness, swelling, puffiness under the eyes, headache and dizziness, frequent urination, are signs of kidney trouble. Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help you get rid of kidney tube, fish and potatoe waste from the blood. Get Doan's Pills.

RESEARCH SHOWS WONDERFUL VALUE OF LISTERINE TREATMENT FOR INFECTIOUS DANDRUFF! Recent study supports widely held view as to the infectious nature of many dandruff cases—in which germs, including the stubborn "Bottle Bacillus," play an important role. Rabbits and humans with dandruff symptoms showed quick improvement with Listerine and massage in large majority of test cases. IF you have the slightest evidence of scales, flakes, irritation, it starts now with Listerine Antiseptic and Massage! These symptoms may mean that your dandruff is of the infectious type... What Listerine Does... 1. Kills millions of invading germs... 2. Loosens and helps remove those ugly flakes and scales... 3. Alleviates irritation and inflammation... The Tested Treatment... Remember, the Listerine treatment is the new antiseptic treatment, the tested treatment that has helped thousands... In a series of tests experimentally infected rabbits were treated once a day on the side only with Listerine... In a series of tests, 76% of the group which used the Listerine treatment twice a day showed complete disappearance of, or marked improvement in, the symptoms within a month... Listerine Antiseptic and Massage... Listerine Antiseptic and Massage... Listerine Antiseptic and Massage...

DAIRYMEN, BREEDERS, CO-OP COUNCIL MEET AT BURLEY

Defense Production Tops Themes at State Parleys

BY CASILDA STEELSMITH
BURLEY, Dec. 11 (Special)—Eleventh annual meeting of the Idaho Cooperative Council opened here today as the prelude to a gathering of dairymen and breeders from all parts of Idaho.

Major themes dominating the sessions will be cooperation in defense production of dairy products.

Legs Gives Report
The co-op council meeting opened at 10 a. m. at the National hotel where registration was carried out. The members then moved to the ball room at 10:30 with Albert H. Jagels, Duhl, giving the president's message. The legislative committee, composed of George L. York, Bennett, chairman, W. J. Holman, Boise, Earl H. Brockman, Caldwell, and E. S. Frank, Idaho Falls, gave the report of the co-op council for the year.

At the afternoon session will continue with a report of the auditing committee, and report of nominating committee. Officers of the organization are: Idaho State Dairymen's association, W. L. Hendrix, Boise, president; H. Jagels, Boise, vice-president; and G. C. Anderson, Boise, acting secretary-treasurer.

Idaho State Holstein-Friesian association: L. J. Tencknick, Twin Falls, president; E. H. Evans, Weiser, vice president, and G. W. Robinson, Nampa, secretary-treasurer. Idaho State Guernsey Cattle Club: Frank Caldwell, Boise, president; Dwight Dismore, Idaho Falls, vice president, and Harold Steele, Gooding, secretary-treasurer.

Idaho State Jersey Cattle club: William E. Welsh, Boise, president; W. W. Dowdle, Nampa, vice president, and H. O. Myers, Boise, secretary-treasurer. Idaho Creamery Operators' association: L. A. McBride, Caldwell, president; W. W. Dowdle, Nampa, vice-president, and D. R. Theophilus, Moscow, secretary-treasurer.

Idaho Dairy Producers' association: W. L. Carter, Weiser, president; and Mrs. Nona Crawford, Richfield, secretary-treasurer. Defense Paramount
The meetings all bring their programs on national defense, and their importance has become more appreciably engaged in war.

The 18th annual meeting of the Idaho Creamery Operators' association, Dec. 12, at the Odd Fellows hall here, will be called to order by President L. A. McBride, manager Swift and company, Caldwell. John L. Harvey, chief, western district, food and drug administration, will speak on "Milk Products and the Food Administration." Dr. E. L. Berry, state department of public health director, will discuss "Necessity of Improving the Quality of Milk and its Products in Idaho." and W. V. Leonard will talk on "Proposed Plans in the Department of Public Health in Improving the Quality of Dairy Products."

At the afternoon session, beginning at 1:30, Dr. D. R. Theophilus, head of the Department of Dairy Husbandry, University of Idaho, will speak on "Suggestions for Improving the Quality of Idaho Dairy Products." C. O. Youngstrom, extension economist, will on "Increased Production of Milk Products for National Defense and the Responsibility of the Dairy Producer." "Extension Service and the Dairy Products Quality Improvement Program," by G. C. Anderson, extension agent, will be followed by the business meeting. Following the annual banquet at the Methodist church in the evening, the "yellow dog" initiation will be held.

Saturday
All State Dairymen's association meetings, Saturday, Dec. 13, will be held at the Burley high school auditorium. Sessions begin at 9:30 a. m. and 1:15 p. m.

Officers of various breed associations will meet at 9:30 a. m. for business meetings at the National hotel. At the noon luncheon, the Idaho Dairymen's association will speak on "The Correlation of Type and Production." Dr. G. C. Holm will speak on "Reproductive Disturbances," and G. C. Anderson will report on the progress of ball stud associations. The meetings will reconvene at 2:30 to complete the day's sessions. At the banquet at 7:30 p. m. at the National hotel, Dean E. J. Anderson will speak on "Dairying and National Defense."

MORE NAMES ISSUED IN HAWAII CASUALTY LISTS

WASHINGTON, Dec. 11 (Special)—Here are more names in the U. S. casualty list from Pearl Harbor, Hawaii, and other supplies, previously announced. War casualties will be found as compiled and verified by the war department.

Chicago, Private William P. Blane, Arizona.
Fox, Private Jack W. Culver City, California.
Luak, Private Howard N. Lynwood, California.
Roberts, Corporal Thomas E. Westminister, California.
Verduk, Private Edward P. San Francisco, California.
Fischer, 2nd Lt. William Gower, Nerdles, California.
Anderson, Private Garland C. Orange, Georgia.
Garrison, H. Sergeant George K. Savannah, Georgia.
Pritchfield, Private Malcolm W. Chicago, Illinois.
Schick, 1st Lieutenant William R. Chicago, Illinois.
Chapman, Private Donald V. Wheeler, Illinois.
Defenbaugh, Private Russell C. Peoria, Illinois.
Harriet, Corporal Robert R. (Caleburg), Illinois.
Johnson, Private James H. Jacksonville, Illinois.
Smith, Private Harry E. Harvey, Illinois.
Disher, Private Joseph R. East Chicago, Indiana.
Peritz, Tech. Sergeant Homer E. Patoka, Indiana.
Kostawa, Private Conrad, Hammond, Indiana.
Offutt, Private William H. Connersville, Indiana.
Smith, Private Elmer W. Indianapolis, Indiana.
Hoff, Private Julian C. Zionsville, Indiana.
Kaine, Private William J. Kansas City, Kansas.
Dyer, Tech. Sergeant Daniel A. King, Kansas.
Kling, Private Marion E. Jr., Hunter, Kansas.
Frankamora, Sergeant Both J. Kintlin, Kansas.
Welles, Private James I. Browder, Kentucky.
Perry, Private Hal H. Jr., Newellton, Louisiana.
Hoyt, Private Arthur P. Lowell, Massachusetts.
Brown, Private Robert S. Clinton, Massachusetts.
Candler, Private Stuart H. North Quincy, Massachusetts.
Lyons, Private Lawrence P. Jr. Chelsea, Massachusetts.

Moran, Private George A. Southerville, Massachusetts.
Zappala, Private Joseph B. Roundville, Massachusetts.

"If your girl prefers a nickel juke box in a cheap barbecue to an evening in a night club, I'd say she was not only sensible but serious!"

CHEESE PLANTS' OUTPUT CLIMBS

BOISE, Dec. 11 (Special)—Idaho cheese factories are doing their part to meet demands of the food-for-defense program. Curtis Lovetts, state director of dairying, reported.

Idaho has been assured to increase cheese and butter production by eight per cent to meet the new food demands of the nation and for the aid-to-Britain program.

One cheese factory operated by the Kraft corporation has sent nearly 500,000 pounds of cheese to Britain, he said. Dozens of smaller factories in the state have also sent large shipments to Britain.

"This demand for cheese for Britain is the highest in the state's production figures for the first nine months of 1941," Lovetts declared. "During the period we produced 11,664,113 pounds of cheese, while in the same 1940 period, the production total was 10,465,509. This was a 15 per cent increase over last year's normal daily increase of six per cent."

These factories were scheduled to establish a new production record this year, he said. Every recent month has shown greater production than any similar month on record.

Castleford Has Student Concert

CASTLEFORD, Dec. 11 (Special)—A concert by the senior school band and high school girls chorus was given in the auditorium Friday evening under the direction of Elmer Oakey, musical director.

The band played seven numbers, at the beginning of the program they during intermission, "Chick Webb sang two comedy numbers. The girls chorus sang "By the River," "Smoky (Cats in Your Eyes)," "The Bosory," the girls sextet, Pauline Jones, Eleanor Stetum, Della Brabb, Marcelle Smith, Edna Todd and Mildred Norma Jean Darrow sang "Prayer" and "From Taps to Revelation."

"The musical director of the high school school, Robert Shewbeck was a soloist in the band for one number. The band played "Band Boys" as a salute to its past members, Sammy Brookfield, one of their favorite players, who is ill in the Twin Falls county hospital.

A group of Christmas carols followed by the audience and the singing of "God Bless America" accompanied by the band, was the concluding number. Dorothy Brown was accompanist for vocal numbers.

RELIGION ONLY OBJECTOR ALIBI

BOISE, Dec. 11 (Special)—Religious training and belief rather than political objections, are the only factors considered in classifying registrants as conscientious objectors, according to information received today from Brig. Gen. H. G. McConnell, state director of selective service.

"Explaining that the Selective Training and Service Act of 1940 makes ample provision for registrants who are conscientious objectors to military service because of religious principles, Gen. McConnell said:

"While the selective service system has given a liberal construction to the words 'religious training and belief' it has at all times maintained the requirement that the registrant prove his objection to be one primarily based upon such 'training and belief'; therefore, where a registrant's objection is based primarily upon political concepts rather than religious principles, he falls, for that reason, to meet the requirements of the statute. He must, therefore, take his place in the armed forces if he meets the other qualifications."

Except for the type of work performed, conscientious objectors are subject to much the same regulations as the selectees. Director McConnell declared. They must serve a "substantial period of time and following their service in work camps, they are assigned to a reserve force and are liable for additional work camp duty, just as selectees are assigned to the military reserve upon completion of their military training.

"However," Gen. McConnell pointed out, "men assigned to work camps are not eligible for the reemployment benefits given to selectees after they have completed their training."

Red Cross Gains Over 1940 Drive

SHOSHONE, Dec. 11 (Special)—Mrs. Sidney Smith, Lincoln county chairman of the annual Red Cross roll call report, completed returns are now in from the various leaders in the county, showing a membership of 380 members, this being a substantial gain over last year's membership. Other than membership \$2385 was received in contributions.

Membership campaign at Dietrich was under the leadership of Mrs. Carrie Weasel, at Richfield Mrs. Charles McKay was in charge. In North Shoshone Mrs. Harry Hogue was assisted by Mrs. E. J. White. Mrs. Smith was assisted in the Shoshone community by a large number of co-workers.

FDR Listens As Reporter Tells 'Gripe'

By JOSEPH L. MYLER
WASHINGTON, Dec. 11 (UP)—For nearly 10 minutes a newspaper reporter lectured the President of the United States on the distribution of army and navy officers.

"Mr. President," he said, "we're getting the rumor around at the army and navy offices."

Once the President mildly interposed to suggest the reporter consider the psychological condition of army and navy officers.

"What about our psychological condition?" the reporter replied. "Nothing happened. No lightning struck. No bury men in uniform descended on the reporter and bore him to a concentration camp."

Nothing happened — except that the President of the United States, commander-in-chief of the army and navy, leaned back in his chair, opened his mouth and laughed long and heartily.

Dr. Paul Joseph Goebbels, Nazi propaganda minister, probably would have dropped dead if he had witnessed it. It seems safe to say it could have happened in no other belligerent nation on earth, and in few non-belligerent nations.

The incident occurred at the President's regular press conference. The reporter was Raymond P. (Pete) Brandt of the St. Louis Post-Dispatch.

It took some courage to ask the questions he asked. But calmly, seriously he presented the reporter's side of the case.

WAKE UP YOUR LIVER BILE

Without Calomel—And You'll Jump Out of Bed in the Morning Ready to Go
The liver cleanses your system of bile salts and toxins every day. If bile salts are not flowing freely, your food may not digest properly. You feel tired in the morning. You get constipated. You feel dull and the next day looks poor.

It takes three good, old Carter's Little Liver Pills to get these bile salts flowing. It takes three good, old Carter's Little Liver Pills to get these bile salts flowing. It takes three good, old Carter's Little Liver Pills to get these bile salts flowing.

TWO HARD-HITTING FIELDERS GO TO DODGERS

Don Padgett and Johnny Rizzo Added to Staff

CHICAGO, Dec. 11 (UP)—Larry MacPhail has started to strengthen the Brooklyn Dodgers for defense of their National league championship by picking up two distance hitting outfielders.

The boss of the Beloved Bums executed two cash transactions that brought Don Padgett from the St. Louis Cardinals and Johnny Rizzo from the Philadelphia Phillies. Padgett, obtained for a reported price of \$30,000, may be used in turn for those dangerous Dan Litwiler from the Phillies despite protestations of Manager Hans Lohr that he won't peddle his handful of stars.

The Dodgers also sold Pitcher Mace Brown to the Boston Red Sox. A Brooklyn farm team in Montreal, purchased infielder Emmett Mueller from Philadelphia and sold Pitcher Kemp Wicker and infielder Jack Bertram to Sacramento of the Pacific Coast league.

Washington shipped Pitcher Vern Kennedy to Cleveland for cash, first acquisition by Manager Lou Duvall, who is desperate for pitchers since the naval enlistment of Bob Feller.

Duquesne Offers To Play Texas Or Gopher Club

PITTSBURGH, Dec. 11 (UP)—Duquesne accepted the offer to play in the Washington "Benefit" bowl game in the nation's capital on New Year's day. The stipulation was that the opposition must be furnished by either

Heyburn and Paul Slate Double Bills

HEYBURN, Dec. 11 (Special)—Two double-header basketball games for teams of this sector will be played this week-end with the tourists from Weston and Franklin in southeastern Idaho furnishing the opposition.

The first double-header will be staged at Heyburn on Friday night with Heyburn meeting Weston and Paul Slate meeting Franklin. On Saturday all four teams move to Paul with the Heyburn Panthers tangling with Franklin and the Paul Panthers meeting Weston.

Last week two teams from this sector journeyed to the southeast and came home with victories. Heyburn beat Weston 18-14 and Franklin 35-21.

At Estevan, Paul edged Franklin 20-18 in an overtime and then beat Weston 20-19 in another thriller. Coach Dick Stevens of the Heyburn outfit has been working hard on his new crop of youngsters who appear to be showing signs of improvement.

Stevens let from last year's outstanding team such stars as Burt Berlin, Eugene Fisher, Keith Bertram (who transferred to Rupert), Dale McCombs and Wilbur King.

Returning lettermen are Delbert Benich, Jack Warr, Jimmie Boone, Don Holmes and Dewey Simpson. Other prospects for the club are Glen Badger, Steve Heiner, Dick Blincoe, George Fullman, Floyd Peterson and Eugene Price.

Stevens is of the opinion that he will have another "fair" club—and barring injury the Panthers should win a full share of their ball games.

Mel Ott Will Bring Giants Back Into Popular Ranks of Ball Clubs

By WILLIAM TUCKER
NEW YORK, Dec. 11 (UP)—When the Giants trek back to the Polo Grounds next spring, the fans won't need any introduction to their new manager.

For 16 years, since he came up as a green kid from Gretna, La., to earn a major league outfield berth at the tender age of 16, Mel Ott has been with the team. During all his stretch, first under the late John McGraw and since 1922 under Bill Terry, Ott never has lost his popularity.

What kind of a manager will be? McGraw regarded him as one of the brainiest players he ever tutored and one of the little Napoleons' last requests was that Ott be kept in the Giants organization along with Squelchie Rubeck as long as there was such an organization.

Until this past season, when he played in 148 games and hit .286, Ott's lifetime batting average was .313. Four times he either led or tied for the national league home run crown and in his 15 years has earned national league player in history.

When President Horace Stoneham kicked Terry upstairs as general manager and made the ever-popular Ott field manager it was the biggest appeasement move since 1930, and Henry Armstrong, 1940.

Joe Louis Chosen Fighter of Year

PECK PROMISES LOU BORDREAU "FRONT OFFICE" REIGN

Youthful Manager Will Be Allowed To Choose Coaches

CLEVELAND, O., Dec. 11 (UP)—There'll be no "front office" interference with the Cleveland Indians when Lou Bordreau, youngest man ever to manage a major league baseball club, takes over the reins this season and attempts to inject a little of the "old college try" into the Tribe's ever-fighting spirit.

Vice-President Roger Peckinpaugh says the old crew usually associated with the Indians will not arise; certainly, that he will not be the cause of it. Baseball observers contend that Peckinpaugh may not be able to give every chance to the 24-year-old shortstop.

Peckinpaugh believes the "front office" cry is overemphasized and denies it vehemently.

Will Aid Him

"Why anybody should think for a moment that I would not do everything in my power to aid a fine young man like Lou Bordreau I can't understand," Peckinpaugh says.

"A winning club is to our mutual advantage," he continued. "I know Bordreau will enough to be certain there will be nothing but the most cordial and beneficial relationship between us."

Neither Peckinpaugh nor Bordreau is letting friendships stand in the way of their coaching problems with the Indians. Evidence to that effect was shown in the release of Earl Whitfield as coach and the return of Coach Dutch Zwilling to scouting duties. Whitfield is one of Peckinpaugh's best friends and has been a constant booster for Bordreau.

To Pick Own Coaches

But Bordreau now can take his own choice of coaches for the coming season, "men with experience" who will fit into his scheme of organization.

Neither Bordreau nor Peckinpaugh will take about possible trades. Neither do they hint at what players will be traded.

"We'll talk about that later," Peckinpaugh said. "Looking over the records, the manager and the year was the hitting. You can't trade away hitting slumps."

There appears little doubt, however, that one or two trades will go. Prominently mentioned for the axe are Ruttle Hemeny and Roy Weatherly as coach and the return of Coach Dutch Zwilling to scouting duties. Whitfield is one of Peckinpaugh's best friends and has been a constant booster for Bordreau.

Drop Shot

Towering John Mandic, Oregon State's six-foot, four-inch basketball star, looks the part as he tips a shot basketball.

Three Horses Pay off Big On Race Track

By CHARLES MORSE

NEW YORK, Dec. 11 (UP)—Every one has related getting a lot for a little—and this applies in particular to the people of the race tracks who spend most the days in the year trying to run a couple of dollars into thousands.

At least three of them—all owners—hit the jackpot in 1941. There has been many a lucrative purchase made in the bargain basement in years past, but few compare with those of Alab, Market Wise and Fair Call—who were bought for a total of \$200 and already have repaid \$220,680.

The story of Alab is a familiar one now. Albert Sobath plucked him out of the 1940 State annual yearling sales for \$700. To date he has won 15 races, earned \$110,610 and set a new record for the certain future book favorite of the Kentucky Derby of 1942.

Alab Sets Record

In doing this Alab ran six and a half furlongs at Belmont Park in 1:16, only a fifth of a second above the world record. The following week he set a track and a mile in 1:35 2/5, fastest time ever hung up at the distance by a two-year-old horse and only a second shy of the record set by the one who has offered Mrs. Sabbath \$150,000 for this son of Good Goods, but needless to say she turned down the bid.

The tale of Market Wise is very similar. This ragamuffin was cast off twice before Louis Tufano, a Manhattan, N. Y. contractor, bought him for \$1,000 from the Brookmeade stable and then watched him ring up \$17,710 on the cash register and write a new American record into the books by reeling off two miles in 2:44 while defeating Whirlaway—the horse of the year.

Fair Call Cheapest

Market Wise won the \$20,000 Wood Memorial, finished third in the Derby and closed out the season with a bang by scoring in the Edgemoore and Gallant Fox handicaps before winning the Pimlico special and setting a new track record in the Governor Bowls handicap at the same track.

Fair Call didn't cut quite as fancy a figure as the other two, but this colt came the cheapest of all. Whirlaway, Long Land, and Market Wise were bought for \$500 each, but they paid for a five-year-old automobile. To date, he has earned \$11,335, a fairly good dividend on the \$200.

Oregon State Favored to Cop Northern Division Cage Title Looks the Part

By BURTON BENJAMIN (NEA service)

Pacific coast basketball timber, towering like giant redwoods over players of other sections, should have a hotly contested battle for honors this season.

Defending champions in both divisions will be hard pressed to retain titles.

In the northern division: Defending champion—Washington State. Favorite—Oregon State. Contender—Oregon.

Darkhorse—Washington. In the southern division: Defending champion—Stanford. Favorite—Southern California. Contender—Stanford. Darkhorse—U. C. L. A.

Sirong Hoop League

The northern division of the Pacific Coast conference, which throughout represented the United States in the Olympic games in Berlin. Three years ago, Oregon won the N. C. A. A. title. Last year, Washington State dropped the final game of this tournament to Wisconsin at Kansas.

Washington State lost four of last season's regulars. Three were all-conference stars—Paul Lindeman, Ray Sandquist and Vern Butts. Capt. Kirk Gebert and football star Dale Gentry are back along with a good sophomore crew and strong reserves, but Jack Friel's lads will be hard-pressed by veteran squads.

Oregon will be heavily favored with five seniors—John Mandic, Paul Valenti, Jack Mulder, Sam Demet and George Mitchell—unwilling to add basketball laurels to the Beavers' football fame.

Mandic, six-foot four-inch, 195-pound all-conference holdover, is a national star. Big, loose-jointed and unusually fast for his size, he was second in conference scoring last season with 182 points.

Oregon State has tremendous height. There is one six-foot-seven and another six-foot-eight in the team, covering six-four and two in the six-three bracket.

Don Durand, the left-handed and right-handed, is the outstanding talent because of Ross bowl activities.

Plenty of Length

Oregon lost all-America Vic Thompson, conference scoring leader last season, and Wally Dorvick, six-foot eight and one-half-inch senior, who was injured in an automobile accident.

Coach Howard Robson can put an all-veteran squad on the floor, however, with forward Warren Taylor (6-5) and Rolph Furman (6-3), center Archie Marshall (6-7), guards George Hedges, Andrew (6-7), Don Birch (6-7) and Paul Jackson (6-7) and Lloyd Jackson (6-7) is a promising sophomore.

In the southern division, Stanford lost seven of the nine lettermen who won the sectional title last year. Stan Williams, Fordy Anderson and Steve Johnson, Stanford's top scorers, all have departed. The outgoing leaders last season, received diplomas in June.

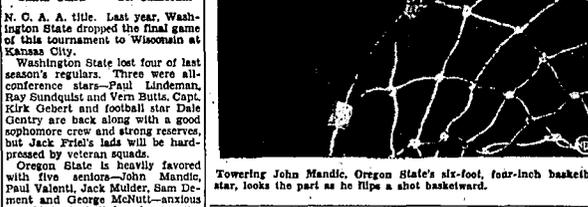

Co-seniors Don Burnes, second in conference scoring last year, and Bill Cowden will be back along with veterans Jack Dana, Fred Linhart and Fred Jones. Sophomore Jim Polanski is the best prospect among such fabulous Hank Luisetti.

Trojans Favored

Southern California, with a seasoned squad, is given a slight edge over Stanford Regulars Bob Ormsby, Alex Ormsby and John Liber. Without Libber, Stanford's top scorer, although Libber has a loyal avian club in February, Bob DeWitt, a Modesto Junior college and basketball star, and among the outgoing leaders last season, received diplomas in June.

U. C. L. A. lost high-scoring Jack Robinson, but is generally considered to be a darkhorse. California is given a little chance for top honors.

Banta Clara, traditionally a power in the West Coast circles, should be weaker than last year among the independents. The Broncos lost several of their top scorers, including sophomore Stan Patrick, Sam Alamo and Carl Johnson. Senior Leo Murphy, only returning recruit, will give the team season.

Towering John Mandic, Oregon State's six-foot, four-inch basketball star, looks the part as he tips a shot basketball.

Vandals Take 2nd in Row From Montana

By LESLIE AVERY

NEW YORK, Dec. 11 (UP)—Coming off the press season is an astounding volume—amounting in its completeness, its accuracy and its devotion of its author to his subject.

The book is Nat Fleischer's All-Time Record of the Prize Ring. Nat was 44 years old a month ago, and he began gathering the material in 1890 when he entered the amateur ring at the age of 12. Editor of the Ring Magazine, this devotee of boxing has collected the most complete library in the world on the subject of fistiana.

Not only an exhaustive bibliography of boxing, Fleischer's All-Time Record will contain the most detailed individual history of boxers themselves ever compiled. The book is divided into three sections—1—record of six old-timers dating from 1719 to the six-light flyweight; 2—record of 900 current fighters; 3—record of foreign fighters.

In addition to the actual results of 200 years of ring battles, Nat has published the dates, referees and weights. He has gone just as far back as is possible in every fighter's career. He started the action work on this volume seven years ago, and for 10 weeks before it entered the book stalls, he labored 10 to 12 hours a day rending it for the publisher.

Loose Money

"I'm sorry I ever started it," Fleischer revealed. "At \$5.00 a copy it is going to be a losing proposition. Exclusive of my own time, and the help of my staff, it will wind up about \$1,000 in the red. I had offers of \$3,000 in advertising, but I didn't want it to look like a catalogue. Any money I see on it, I'll consider my gift to the grandest of them all—boxing."

A chapter on Joe Louis reveals that the heavyweight champion has earned \$2,203,364 since he left the amateur ring in 1934, and here are some of the more interesting tidbits in Fleischer's "facts worth knowing" department:

Shortest bout on record—Willard Brown vs. John E. Sullivan at Houston, Texas, with one punch in 11 seconds, May 12, 1940.

Longest bout on record—Andy Bowen and Jack Burke battled 110 rounds at New Orleans, April 6, 1903, and the referee called "no contest" when neither could come out for the 111th round.

Longest bare-knuckle championship fight—John E. Sullivan defeated Jake Kilrain in 75 rounds at Hightburg, Miss., July 6, 1859.

Last fight on turf—Bob Cunningham, 46, Chicago 21.

Oldest boxer—George H. Jackson, 66, Washington and Jefferson 40.

Washington State 67, Whitman 61.

Snead, Hogan Favored for \$10,000 Open

By JACK WOLSTEN

MIAMI, Fla., Dec. 11 (UP)—One of the nation's biggest golf tournaments—the \$10,000 Miami Open—may develop this year into a bitter fight between two top-flight professionals seeking the P. G. A.'s Henry Vardon trophy.

The four-day tournament, one of the top events on the touring professional's winter swing, got underway at Miami Springs country club today and word is out that the men to watch are Glenn S. Snead, the long-driving West Virginian, and little Ben Hogan, the Hershey, Penn., money-player.

Snead and Hogan are far ahead here for in the last several years, Hogan never has been able to capture the \$2,500 top prize, although he has finished well up with the leaders each year. But during 1941, he has played the best game of his career, and he may climax the year by winning the rich event, which would virtually assure him the Vardon trophy, even if Snead finished second.

Snead and Hogan undoubtedly will draw the largest galleries when the pros start their trek over the palm-lined Miami Springs layout, but at least some of the limelight will fall on Big Byron Nelson, of Toledo, O., the defending champion.

Nelson Has Good Year

"Lord" Nelson has had a good year, too, coming up to the Miami event as third-ranking professional golfer of the year in money won and stroke average. Only Hogan and Snead rank above him in these departments, with Hogan leading the parade.

Hogan's purse total so far this year is \$16,500, compared with \$11,848 for Snead and \$6,812 for Nelson. In 89 rounds of golf, Hogan has produced an 18-hole stroke average of 70.84, Snead playing 92 competitive rounds, had a 70.88 average, while Nelson chipped and putted for a 71.28 in 70 rounds.

Pressing Nelson for third-place honors are Craig Wood, new Miami Beach municipal course professional, and Jimmy Demaret, of Noroton, Conn., who will be among the more than 200 professionals and "amateur purists" expected to tee off in this year's open.

FRIDAY, DEC. 12

Merchants' league—Alley 5-6, Truck Insurance vs. Snowball's; alleys 7-8, Troy-National vs. News Times.

Cronin, Grove, Foxx End Playing Days With Yawkey's Boston Sox

By JACK QUENTHER

NEW YORK, Dec. 11 (UP)—In a little less than 10 days the old guy with the soxie who is known as Father Time has put an end to \$500,000 worth of the hottest, greatest and most expensive attempt to buy a pennant that baseball ever has known—and probably ever will know.

That is the \$4,000,000 noble experiment carried out by Tom Yawkey, the Boston Red Sox owner, the guinea pig. It lasted for six years and technically speaking, it was the most expensive experiment in the history of the American league leader, where Yawkey wanted them.

And now it's all over.

It's over because it just a few days more than a week the three mucksters of the Yawkey experiment have passed out of baseball as active players. One of them is gone for good, another may find a temporary place with some other club and the third will stay in Boston—but as a bench strategist rather than an active player.

For when the Sox take the field for their 1942 opener there will be a new man at first base in place of Jimmy Foxx. Another new player will have been assigned to the short-stop slot while the fans have long been accustomed to watching Joe Cronin. And although he hasn't been officially designated as yet, there'll be a third new man in the pitcher's box to take over the chores of old Moose Chowley.

Boston obviously will regret the passing of these men who are recognized as stars as bright as any the game has produced, but most of the fans have seen it coming because they know that the old guy with the soxie can be a third new man in the pitcher's box always, maybe in the legs, but always somewhere.

That was the idea to go (yawkeys have been asked) and the only one of the three who didn't make the decision voluntarily. He came to Boston six years ago, almost at the same time as Grove and Cronin. He arrived at the end of the 1935 season after Connie Mack had decided to cash in on the last day of Philadelphia winter team, the Foxes cut Yawkey \$100,000 and two players.

Grove preceded Foxx to Boston from the city of brotherly love for two years. He cost around \$125,000—if you exclude the four players he lost in the deal. In 1937 his last six years with the Athletics, he won 152 games while losing only 61 for one of the most remarkable averages ever recorded, but he couldn't carry on for the Sox. Arm trouble prevented him from ever again reaching the peak.

Cronin was bought by Yawkey in between Fox and Grove and he came from Washington instead of Philadelphia. He cost Yawkey \$150,000 and Lou Lary and he was a great player and a good enough manager to be second on the team to top. Cronin has announced he has benched himself.

SOVIET PREPARES ALL-OUT ATTACKS

KUIBYSHEV, Russia, Dec. 11 (AP)—Smashing Russian counterdrives on the Leningrad and Moscow fronts today cleared the way for an all-out Russian offensive in the southeast aimed at routing the Germans from the entire Donets basin.

The Soviet communications confirmed Soviet capture of Yelena on the central front and the railroad city of Tikhvin in the north, official reports from the southeast said a reinforced Red army had launched "blitz" attacks in the Donets basin to regain German-held Stalino and Makeyevka.

It was said unofficially the second major objective in the southeast will be to recapture the strategic city of Kharkov, 405 miles south of Moscow. Official sources were extremely optimistic in view of recent Soviet successes.

Nineteen thousand Germans were killed and wounded in the Tikhvin and Yelena battles which ended in Nazi routs, the official Russian news agency reported.

BAN PLACED ON SALE FOR TIRES

WASHINGTON, Dec. 11 (AP)—The man who tries to buy a new automobile tire today will find a first-hand impression of a nation at war.

No new automobile tires may be sold for 11 days from now. Production of tires will be limited to the amount used by the military and the navy.

General Motors, Chrysler, Ford and other automobile makers have been ordered to stop production of tires for civilian use.

Suspension of tire sales is a forerunner of what is coming in the next few months, officials said. Production of automobiles, light trucks, washing machines, refrigerators, stores, furniture, bicycles, coat hangers and "household necessities" will be curtailed or prohibited under plans being drafted by OPM.

THIS CURIOUS WORLD

CASTOR AND POLIUX, THE TWO STARS KNOWN FOR CENTURIES AS "THE HELM SKULLS," ARE SLOWLY DRIFTING APART.

WAR DIGEST

By United Press
Adolf Hitler today placed German casualties in Russia up to Dec. 1 at 57,415 killed, wounded and missing.

All American newspapermen and press association correspondents in Berlin were arrested at midnight in retaliation for the arrest of German correspondents in the United States. Similar steps were expected in Rome and Paris.

General Lázaro Cardenas, former President of Mexico, has been named commander of that nation's Pacific zone forces from the American border to Guatemala, as troops, planes and gunboats were hastened to the west coast.

A Japanese broadcast suggested that in view of "tremendous Japanese successes" the Netherlands East Indies would soon surrender "to prevent needless sacrifice."

The nation's capital settled down to the grim business of being the general headquarters of the war-officials took the bad news with the good and waited patiently for more news of the next surrender.

The German propaganda agency reported the U. S. aircraft carrier Lexington and the battleship USS West Virginia were sunk off Hawaii, but Tokyo made no definite claim.

2,000 SURVIVORS TAKEN FROM SEA

SINGAPORE, Straits Settlements, Dec. 11 (AP)—More than 2,000 survivors of the battleship Prince of Wales and battle cruiser Repulse, arriving at Singapore today, told how the Great British battle craft had gone down fighting under perils the most ferocious since attack in naval history.

Survivors said more than 60 Japanese planes attacked the 5,000-ton Prince of Wales, pride of the royal navy, for three hours before it went down.

Still in Action
The guns of both ships, they said, were still in action as the crippled ships, hit several times in vital parts, were on the verge of sinking.

It was announced officially more than 2,000 survivors were taken from the (The normal complement of the Prince of Wales is about 1,500 and the normal complement of the Repulse is about 1,200.)

The survivors indicated the Japanese had pulled heavily in places for their attack. A slight breeze blowing from the sea had been blowing down the side to drop into the sea. They were picked up by destroyers from the straits and brought to Singapore.

Cecil Brown, correspondent for Columbia Broadcasting system, was among those rescued from Repulse. Capt. William O. Tennant, commanding officer of the Repulse, was rescued.

TWO TRAPPED IN BLAZE AT MINE

POWHAHAN, O., Dec. 11 (AP)—Fire raged for several hours today in a 100-foot mine of the Powhatan Mining company, near Powhatan, trapping two miners after at least 30 others escaped unhurt.

The fire apparently set off when an electric cable short-circuited, broke out only one day after workers were discovered painted on the walls of the mine.

A 30-year-old Polish miner, taking into "hazardous" custody by Department officials yesterday, said he drew the main emblem "just for fun." He was released and was reported to be in the mine at the time of the fire.

There are no possessions in the Polish language.

CO-OP OIL BOOMS TO NEW RECORD

With business soaring to a new high, the Twin Falls Cooperative Oil company showed volume reaching \$24,000 this year, stockholders met today Wednesday at the annual meeting held at Piler fairgrounds.

Lewis P. Jones, Twin Falls, secretary-auditor of the co-op concern, announced the business report and declared it was \$18,000 higher than the 1940 volume.

Tom Parks, Piler, was reelected for a three-year term as director; C. E. Grive, Twin Falls, was elected to the other post to succeed Ed Pastoor, Amsterdam, Hurschel E. Hager, Buhl, was chosen for one year to complete the term of Anton

Suchan, Buhl, who resigned. Reorganization meeting of hold-over and new directors will be set at a later date. It was announced President this year was J. R. Durk, Kimberly; Mr. Suchan was vice-president; Mr. Jones secretary.

W. R. (Pete) Evans, Pilot, in War Zone

William R. (Pete) Evans, a pilot, stationed at Pearl Harbor, is one of the many former Twin Falls residents now in the Pacific war zone, it was learned today.

He is the brother of Mrs. H. L. Alsworth and E. E. Evans, Twin Falls.

Everett McBride, son of Mrs. Ruth McBride, has been engaged in construction work on one of the islands now under fire. It was also learned. But was chosen for one month ago.

Two-Fold Birthplace of Aviation and the Birthplace of English Civilization in American are on North Carolina's Outer Banks, within easy sight of each other.

A program has been adopted for a subway system in Rome that eventually will include six underground railways serving the entire city.

Santa's Wonderland

Ch. 16—Jumbo Junior Goes to Work!

YOU BET! BUT THEY'RE ALL SOLD! PLEASE STANBY! I'VE GOT SOMETHING WE CAN DO TO HELP OUT!

YOU TOLD JUMBO JUNIOR WHAT I WANT HIM TO DO? I WANT HIM TO GET HOBBY HORSES PRINTED!

THAT'S A QUICK WAY TO GET HOBBY HORSES PRINTED!

YOU BET! BUT THEY'RE ALL SOLD! PLEASE STANBY! I'VE GOT SOMETHING WE CAN DO TO HELP OUT!

PRINTING ON THE SPOTS IS FUN, DON'T YOU THINK SO, BILLY?

SURE-- AND AS SOON AS WE FINISH HERE, WE'LL GO TO THE OTHER TOY SHOP!

WHAT SHOT COME FROM AROUND THAT GRAVE YARD?

I DON'T LIKE DIGGING IN A GRAVE, BUNNY!

AIN'T NOBODY IN IT, BUT THERE WILL BE WHEN RED RYDER SHOWS UP!

IS THIS WHERE YOU BURIED THE GOLD COIN YOU FOUND YEARS AGO?

DIG, SISTER! YOU'LL SOON FIND OUT!

WHOOOEE! LITTLE BEANER GET-UP! LOST IN GHOST MINE-- COME OUT IN SPOOK!

HERE'S THE TRUCK! THE DRIVERS GONE! JUMPING BLUE PLACES! HE'S SUCCEEDED IN TAKING EVERY ONE OF HIS BOMBS!

MEANWILE... HERE'S HERMAN! ONLY KLEG'S WANTS IS MISSING!

WE CANNOT WAIT! EVEN NOW I HEAR POLICE SIRENS! HURRY! SIDE ENTRANCE COLLAR BUTTOL DEPARTMENT!

HEY! THE DOOR IS LOCKED! AND ONLY FIVE MINUTES AGO!

PLEASE STANBY! WHERE YOU ARE AND RAISE YOUR HANDS SLOWLY!

TRAPPED! FOR THE STUN! RAITA TA TATTA KAPOW POW!

NOW REMEMBER, DUG-- FROM NOW ON, NO MORE DUGS! TOO MANY AND TOO STRONG, AND...

WELL, HE VERY DEFINITELY WANTS TO STAND ON HIS OWN FEET!

THE YOUNG MAN IS VERY UNBELIEVABLE!

REMARKABLE! UNDER!

DEM'S DE DOCTA WAS MEAN BEFF!

BAH, BUMPKIN! WHAT FOR A SAMPLE, EH?

MY HAT! YOU'VE CUT IT PLUMB HALF IN TWO-- !! x!!

BA BANG BONG CLANG BONG WILLY!

MY POOR OLD BEAUTIFUL HAT-- SOB!

AND, DADDY, WE WEREN'T REALLY VERY FAR WRONG! MILIEU HAS GOT A BOM! TAKE OFF YOUR DARK GLASSES AND SEE WHAT HE DID TO LARD'S EYE!

AM I SUPPOSED TO LOOK AT WHAT HE DID TO YOU, OR ARE YOU SUPPOSED TO LOOK AT WHAT HE DID TO ME!

I SAY, LEADER! HAK-KAFF! WHEN YOU, ER, EMPTIED THE GWEPPER THE OTHER DAY, DID YOU OBSERVE ANY PAPERS IN THE DUST? HAR-RUMPH!

NOPE, UNCLE BULGY! I DIDN'T LOOK VERY CLOSE, BUT DIRT AN' CIGAR ASHES WAS ALL I SAW!

REALY! IS PINNY FOSTER'S BUTT BEEN HOOKED EVERYBODY I BOUGHT IT WITH REWARD MONEY FOR NABBIN' SOME STAGE COACH ROBBERS-- HA-HA!

BY THE WAY, HOW MUCH DID THE PONY COST?

WOULDN'T THINK TO LOCK IN THE RUBBER BARREL!

NO DIFFERENCE.

Women Will Be Drafted for Work In Munitions Plants, Kelly Finds

WASHINGTON, Dec. 11 (Special)—Asserting that no sites have been selected for any of the sites the army nevertheless will probably locate a base (complete or skeletonized) at or near Great Falls, Mont., these being supported by a flying group at Salt Lake City and all under the command of the general headquarters at Sunset field, Spokane. All bases will have runways at least 2,500 feet in length.

Less publicity has been given to the women, but hints have been dropped in the national capital that a later move will be to draft one million women and put them in uniform for war work. The women will be first used in munition plants and will free men to join the colors from powder mills, shell-loading and bay plants. Program is said to be that women from 18 to 30, unmarried, will be drafted and all under the command of selective draft and then will be assigned as needed to various parts of the war effort.

This drafting of women has no connection with civilian defense, which has been urging Idaho women to prepare themselves for such work as arranging lunches, acting as fire wardens, etc. The original plan of which Mrs. Eleanor Roosevelt is vice-chairman.

Within a few days the house committee on banking and currency will report a bill, favorably, by which the Reconstruction Finance corporation will be authorized to issue \$150,000,000 to be used by a government agency to purchase any private power company, lease it to the government, and then, in his capacity as head of the federal loan administration, has appeared before the committee and urged passage of the bill. This is part of the power policy program of the administration and it is expected to pass congress. It will make possible the acquisition of any and all private utilities in the northwest area and bring them into a government-owned grid system.

Three months ago Mr. Jones refused to lend a hand to such a scheme and later he had a clash with his colleague, Secretary Jones of the labor department. Subsequent to which he drafted the bill and it will depart for the senate. When Mr. Jones changed his mind has not been explained, but it is assumed that he heard from the labor department that it was not to be.

To the committee Jones explained that it was not to be a government-owned utility, but a government-operated utility.

On the floor representative Winter of Idaho quickly introduced a government official as declaring that private companies cannot obtain credit to expand facilities for national defense and that it is necessary to obtain priorities for the facilities. This, charged Winter, is using the national emergency act to force socialism on the power industry.

Being the No. 1 state for silver production also the first state in production of antimony and second in lead, Idaho may sit up and take notice if the proposal made to OPM is favored. This is that silver be used as a substitute in many articles now made of copper.

With January will come further restriction on the use of copper for civilian purposes and an additional number of non-working plants will be put out of business for lack of this material. Office of production management has received a letter from the far west suggesting that if the government will give a subsidy of two or three cents a pound more than 100,000 tons of potential copper mines will be opened and operated. These are scattered from southwestern Oregon to properties in Idaho. Assertion is made that enough copper can be produced to ease the shortage and enable small business to continue and furnish non-defense needs.

Department of state is opposed to the suggestion. It would interfere with the "good neighbor" policy and state department prefers importing copper from Latin America, showing the Latin the friendship of the United States rather than meeting the situation by developing domestic copper production.

The other suggestion, presented seriously, is that there is an abundance of silver and no place to put it, and the silver could be used as a substitute in brass faucets, conductors and electricity. In a myriad of articles and in a way, relieve the shortage of copper. In addition to what the government now buys domestically, it last month signed an agreement to purchase \$25,000,000 of silver each year from Mexico.

There are literally thousands of tons of silver bullion now owned by the federal government, and aside from leasing silver certificates—the greenback of commerce—the principal use is in minting the metal into small coins, chiefly dimes to slip into juke boxes. This outlet will be drastically closed, for manufacturers of the juke have been ordered to use substitutes for the half dozen critical metals in the bodies or gills. Materials used in making juke boxes are a military secret, according to the war department but anyone can tear one apart and find out.

These public power-minded residents of Idaho who are so thinking of organizing public utility districts may take a lesson from two PUDs in the state of West Virginia. There is a law which states that the clerk of a federal district court is entitled to one percent of collections and disbursements. One PUD acquired the property of a private utility at a cost of \$6,000. The man in the district went to settle up. It discovered it had to pay the clerk a matter of \$100,000 and was transferring a revenue stream. This was money from the federal judge will receive 1 percent. The clerk is entitled to 1 percent of the collection.

BANDS SCORE IN SCHOOL CONCERT

Seven hundred persons attended last evening the first formal band concert for Twin Falls high and junior high schools and saw and heard the initial demonstration on the school's new Steinway grand piano, which was purchased last month.

First number for the junior band was "Rocket March," by Max Thompson which was followed by a finished performance of "Cardinal Overture," Johnson.

A smooth and polished cornet solo by Russell Fleming made "Arlen Koehler's "Stormy Weather," the junior band's outstanding number of the evening. Other numbers were a concert number, W. Graham's "Bronze Eagle" and "On the Grand Concourse March," Thomson.

Senior Band The senior band presented an excellent interpretation of Bennett's arrangement of "The Legend of Sleepy Hollow" and a medley of typically American melodies by Harold Dodd, director of Kimberley's high school band, commented on the concert, especially the selection of new and better music. "The Legend of Sleepy Hollow" was arranged for band," he said. "It is of excellent quality and shows the appreciation of students."

Good rhythm and intonation marked the senior band's first number, "Invitation" by "Seduction" by King, and "Cavatina," by Raff, featured perfect blending for the woodwind section.

Bill Merritt's piano solos were accompanied by the band and were both very well accepted by the audience. The varied arrangement of "Tchaikovsky's "Concerto in B Flat Minor" followed Rucalosa's "Grasshopper's Dance," whose sparkling quality and character brought enthusiasm from spectators.

In "O Madrid," Trolere, was complete with its use of tambourine, castanets and wood blocks. It was followed by Johnson's "The Three Trumpets" and "The Three Trombones" by Ted Becker, Howard Allen and Renno Tenney, whose blending of tones was noted.

The Students' Prince Overture; Sigmund Romberg, featured clean, clear-cut solos by Bill Stevens, trombone, and Ted Becker, cornet, and proceeded with its use of tambourine, castanets and wood blocks. It was followed by Johnson's "The Three Trumpets" and "The Three Trombones" by Ted Becker, Howard Allen and Renno Tenney, whose blending of tones was noted.

The 154 members of both groups played "Monarch March," by Oliviodi, and "Comet March." This part of the program was composed of 40 clarinets, 20 cornets, 10 baritone, nine French horns, 15 trombones, 15 saxophones, basses, snare drums, four alto clarinets, three bass clarinets, three bassoons, two double flutes and one piccolo. The group was selected from 250 band students of the school.

The concert for the evening was the national anthem, by the entire band.

or as much as the judge will earn in five years. Five other PUDs wish to acquire private companies, but hesitate because of the exorbitant fees which the clerk will collect under the law.

Houses of representatives has requested the fee, but the senate is yet to act, and until the senate takes similar action the rush of PUDs to take over private utilities has been halted. The law applies to every clerk of every federal district court in the country but attracted no attention until the public power district discovered the racket and found they were being stung. When the clerk is revealed, PUDs and if the act is revealed, PUDs will ask congress to make restitution and other PUDs will start suit against the private systems. Dr. Carl Thompson, president of the Public Ownership League, now on Bonanza payroll at \$5,000 a year, has been spending wide war for PUDs in Idaho.

These public power-minded residents of Idaho who are so thinking of organizing public utility districts may take a lesson from two PUDs in the state of West Virginia. There is a law which states that the clerk of a federal district court is entitled to one percent of collections and disbursements. One PUD acquired the property of a private utility at a cost of \$6,000. The man in the district went to settle up. It discovered it had to pay the clerk a matter of \$100,000 and was transferring a revenue stream. This was money from the federal judge will receive 1 percent. The clerk is entitled to 1 percent of the collection.

Red Cross Funds Amount to \$637

GOODING, Dec. 11 (Special)—Gooding county Red Cross roll call for membership amounts to \$637.76 to date according to information from the chapter. Miss Olive Hughes, 533 and compares to complete returns of 450 memberships amounting to \$37.60 for last year. This year's total report is still incomplete.

Community totals are Gooding \$420.55; Wendell \$72.70; Hagerman \$121.51; and Tule \$37.76. Clarence Roberts of Gooding was roll call chairman for this year.

Miss Hughes also reports that seven comfort kits bags have been sent to the station hospital at Fort Lewis to be given as Christmas presents to men there. The Red Cross chapter furnished materials for six of the bags and the other was furnished by the Episcopal guild. Each bag was made of red, green, and blue material and fitted with post cards, envelopes, jack knife, pencil, comb, shaving cream and a sewing kit.

Christmas Motif For Jerome PTA

JEROME, Dec. 11 (Special)—A Christmas theme will prevail in the next program of the Washington school's Parent-Teacher association meeting Monday evening, Dec. 15, in the recreation hall.

"Don't Tell Me It's Christmas" will be the title of the play which will be presented under the direction of Miss Vera Rompage of the music department. Children participating will be third and fourth grade pupils, members of Miss Florence Rooker's third grade class, and the girls from Miss Goldie Heath's class. This grade boys from the school will also take part by presenting a jumping jack number. Washington school orchestra will also play several selections.

Announcement has been made by the president asking that every parent who attends the meeting next week bring a plain white cup for the PTA cup cheer.

Darrah, Meyers Named Directors

SHOSHONE, Dec. 11 (Special)—The annual election of directors for American Falls reservoir district No. 1 were held throughout the district Tuesday when two board members were elected to fill expiring terms of Ben Darrah, Shoshone, and Herbert Meyers, Gooding. Returns from

the precinct voting in Shoshone which included voters from Shoshone, Dietrich and North Shoshone, showed Mr. Darrah and Herbert Meyers, candidates for reelection to be successful in this community. Edgar Culbertson, Dietrich, was a candidate against Mr. Darrah.

There was no filed candidate against Mr. Meyers, however the name of E. L. Hoodenpile, Gooding, was written in on ballots cast.

Returns gave Darrah a total of 20 votes, Culbertson, 85; Meyers, 124 and Hoodenpile, 40. Directors were elected for three-year terms. Mr. Darrah and Mr. Meyers have served as directors since formation of the reservoir district. An unusually large number of voters turned out for the election.

Civilian Defense Leaders Chosen

KETCHUM, Dec. 11 (Special)—The various activities associated with civilian defense work in Blaine county will be looked after by several committees appointed by Mrs. Hassell Blankenship, chairman. She will later be assisted in the work by Mrs. A. L. Venable and Mrs. James Turnbull. The committees are:

Ketchum—Agnes Berry and Paul Aulder; Sun Valley, Mrs. Grant Walker, James Grimm; Halley, Charles Read, Mrs. R. H. Wright, Myrtle Friedman, Charles Daugherty; Bellevue, Paul Jones, Mrs. Conroy Gillespie.

Gannett, Clarence Allred, Mrs. Lawrence Bettis; Plinko, Mrs. Alice York, Buford Kirkland; Muldoon, Mrs. Guy Prunty.

The work will be outlined in future meetings of the committee, to be held soon.
