

WAKE ISLAND ON WAKE ISLAND

WASHINGTON, Dec. 23 (UP)—Japanese forces have effected a landing at Wake island in the mid-Pacific, but the American defending forces have scored initial successes in the big battle of the Philippines, official advices said today.

The navy disclosed the Wake landing in communique No. 16, which said that several enemy planes were shot down when the garrison beat off a strong air attack the afternoon of Dec. 22 (Wake time). The landing was effected Dec. 23.

The communique contained no reference to the fate of the heroic marine defenders of the tiny island stepping-stone or whether they were successful in preventing the invaders from overrunning the island.

The navy communique followed by only a few hours one from the war department which told of a great battle raging about 150 miles north of Manila. Japanese landing operations at Luzon, Philippine island on which Manila is located, are continuing "supported by increasing numbers of bombing and attack planes."

The marine garrison's defense of Wake against repeated bombing attacks has been the object of widespread praise. Observers predict that the defense of the island—hundreds of miles from any other U. S. base and apparently beyond the reach of support—will go down in history.

The garrison was credited with having destroyed a Japanese light cruiser and destroyer during the first four attacks, which were reported in navy com-

munique No. 2, issued Dec. 11.

Today's communique said of Wake: "Wake island sustained another strong air attack in the forenoon of the 22nd. Several enemy planes were shot down. An enemy force effected a landing on Wake the morning of the 23rd."

The communique also noted that two U. S. merchant ships were attacked by enemy submarines off the Pacific coast but did not identify the vessels. Dispatches from San Francisco reported that Japanese submarines attacked their fifth U. S. ship early today.

Japanese claims of having seized a large number of U. S. merchant vessels were described by the communique as "without foundation." It said the only ship known to have been seized was the S. S. Pres-

ident Harrison, captured off the China coast.

Text of the communique: "Atlantic theater—There are no new developments to report.

"Pacific theater—Two U. S. merchant ships were attacked by enemy submarines off the Pacific coast. Both attacks were unsuccessful.

"Central Pacific—Wake island sustained another strong air attack in the forenoon of the 22nd. Several enemy planes were shot down. An enemy force effected a landing on Wake the morning of the 23rd.

"Far east—Japanese claims of seizure of a large number of American merchant vessels are without foundation. The only U. S. merchant vessel known to have been seized by the Japanese is the S. S. President Harrison."

Weather Forecast

Occasional snows today and tonight. Colder in west portion. High yesterday 31, low 21. Low this morning, 21.

FDR CALLS ALLIED WAR MEET

Tough Yankee, Filipino Troops Hold Back Japs

By FRANK HEWLETT

MANILA, Dec. 23 (UP)—Jungle-toughened American and Filipino troops fought on even terms or better today against a massive Japanese attack on Luzon island and unofficial reports said at least three Japanese transports, crammed with thousands of invaders, have been sunk in Lingayen Gulf.

The Japanese attackers used air power in an attempt to take the Lingayen coast 195 to 150 miles north of Manila.

THE BLACK FLAG FLIES

The attack on the Embassy was heard for miles up and down Katero bay—and also in San Jose, four miles inland.

The 41st traffic death in Magic Valley for 1941 occurred Sunday afternoon as a result of a Lincoln county accident.

Barclay, as new chief, will also take over the local defense duties which Gillie, together with Coleman, had been directing since the appointment, a routine matter, at the next regular session on Monday evening.

ON THE LINGAYEN FRONT: By Telephone to Manila, 5:30 P. M. (3:30 A. M. EST) Dec. 23 (UP)—American planes and tanks are blasting at the Japanese invaders only a quarter of a mile from the spot from which I am telephoning this first dispatch from the Philippines fighting front back to Manila.

Yule Party Brings Uncle Sam \$27,125

Uncle Sam's "Christmas party" in Twin Falls Monday today was termed a "landslide" by those in charge and official figures, released this afternoon, show total defense bond and stamp sales coming to \$27,125.

Churchill on Hand For Conference on Defense of World

WASHINGTON, Dec. 23 (UP)—President Roosevelt today called a meeting of the "United States-Great Britain war council" in the White House cabinet room for 5 p. m. EST.

The meeting will mark the first formal gathering of the joint council—so described by the White House—under the direction of Mr. Roosevelt and British Prime Minister Winston Churchill, who arrived last night on the executive passenger liner.

EVERY AVAILABLE PLANE ORDERED TO HAWAII; NORTHWEST DEFENSE LAGS

WASHINGTON, Dec. 23 (Special)—Every airplane that can possibly be spared from its fixed post in the United States has been ordered to Hawaii, where several hundred bombers and interceptors were destroyed by the Japanese at Pearl Harbor. This reinforcement is causing delay in building up the anti-aircraft defense in Idaho, which are an integral part of the defense system of the Pacific northwest.

ALLIED COUNCIL MEET UNDERWAY

(From Page One) House, although the fact that Maj. General Edwin M. Watson, the President of the council, had not yet arrived at the visitor arrived to put on a gayer uniform, was tip enough that there was a dinner party at the President's home last night.

The White House announced simply that Churchill had arrived and that Mr. Roosevelt had met him at the plane. And there was this announcement of intentions:

"There is, of course, one primary objective in the conversations to be held during the next few days between the President and the British prime minister and the respective staffs of the two countries. That purpose is the defeat of Hitlerism throughout the world."

"It should be remembered that many other nations are engaged in this common task. Therefore, the present conference in Washington should be regarded as preliminary to further conferences which will officially include Russia, China, the Netherlands and Denmark. It is expected that there will thus be evolved an overall unity in the conduct of the war, and other nations will be asked to participate to the best of their ability in the overall objective."

"It is probable that no further announcements will be made until the end of the present conference. But, it may be assumed that the other interested nations will be kept in close touch with this preliminary planning."

There had more secrecy and precaution accompanied the arrival here of a distinguished visitor. It was made up of the Washington and going of troop transports in World War I. Not even the June, 1939, visit of King George and Queen Elizabeth compared with the importance of yesterday's arrival of the heavy jeweled Englishman who rallies his blood, sweat and tears.

The royal visit was a good will mission topped by a garden party in the afternoon. Churchill has come on a mission of life and death. With his arrival at the White House, a single word should be responsible for the fate of the world for generations to come.

Stalin No. 4 The British prime minister and the president met with in 48 hours of the announcement that Adolf Hitler, had assumed direct command of the Nazi legions, which smashed all before them until they challenged the Soviet Union.

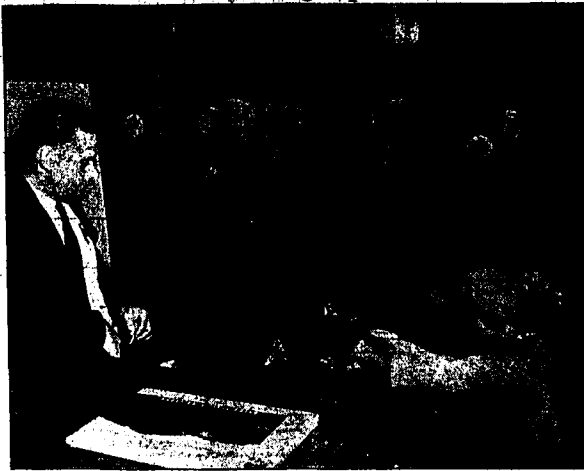

The fourth man is Joseph Stalin. He had major responsibility for the defense of Hitler on the continent of Europe.

The White House conferees are dividing the world for battle, actually forming a league of nations against the axis league. They began their discussions last night. They will continue today and the prime minister's visit here as "guest of the President" will continue for a few days. He may be far at sea or in the air or back in London before it is announced that he has left Washington.

Four Theaters The four theaters of war expected to be agreed upon probably will be assigned variously to the control of major members of the anti-axis league. They are expected to be:

- 1. Europe.
2. Middle east and north Africa.
3. The North Atlantic.
4. The Pacific and far east.

Defense Blood Donor Signup Starts With Rush

Registration of prospective blood donors in Twin Falls began swiftly this morning, and volunteer women helpers at the Chamber of Commerce were kept busy. REPORTER TELLS OF ISLAND FIGHT

(From Page One) can and Filipino. Their morale is high and they are meeting the enemy eagerly.

The Japanese, after getting ashore in 100-man barges from their transports off Lingsayen gulf, infiltrated this area, I learned, evidently guided by some one who knows this territory well.

The battle along this line started yesterday and our forces gave a good account of themselves. Only two hours ago Japanese planes attacked a village near this point. Their bombs killed some civilians and wounded others.

(The Washington communique today reported that "increasing numbers of bombing and attack planes" are supporting the Japanese attack.

As I made my way up to the front from Manila, I watched one Japanese bombing attack less than half a mile away. The planes were blasting a nearby American fort from an altitude of 25,000 feet.

Waves of Bombers One wave of Japanese bombers, the rising sun emblem gleaming on their wings, came over to attack at 10:35 a. m. A second wave of six bombers appeared 15 minutes later.

The Japanese attack was useless, however. Their bomb salvos landed in the vicinity of an air field but I could see that none of them hit the landing field itself.

American ground defenses at the airfield defending the Philippines are increasingly effective. One air corps officer told me that in the first seven days of the war the batteries at one field alone accounted for at least 14 Japanese attackers.

As I made my way northward, I saw Filipino farmers in their fields. They were working calmly, harvesting their crops and carrying out their planting as though there was no war within 1,000 miles of them.

IDAHO TO FIGHT RAIL RATE BOOST

BOISE, Dec. 23 (UP)—The Idaho public utilities commission will oppose blanket rail freight rate increases of 10 per cent as discriminatory to western farm interests.

He estimated the increased rates being sought by railroads would boost by \$2,000,000 annually the amount being paid Idaho farmers to market their crops.

Ingraham said western states will present a united front against the rate increases when the interstate commerce commission opens a hearing on the new schedules in Chicago on Jan. 5.

J. G. Bruce, transportation chief for the commission, said a 10 per cent increase in rates on Idaho shipments would place a discriminatory burden on Idaho shippers and growers.

The blanket increase of 10 per cent proposed by the railroads would destroy present market relationships throughout the country, Bruce said.

Department of agriculture estimates show that 50 per cent of the national farm income is earned by half the farms. The other half of the farms earn the remaining 11 per cent.

Jap "Fun-Makers" Gone From Novelty Markets of America

WASHINGTON, Dec. 23 (UP)—Our local cut-ups and hot sketches are about out of exploding cigars and rubber chewing gum.

For the Japanese, those cute little practical jokes who wrap up dive bombers and peace envoys in the same parcel, are cut off from their best market—except in Nippon—for the big laughs that come for only a dime, ten cents, no more.

Washington has a number of tourist shops where these joke-splitting devices have been on sale for years. Without exception, so far as could be learned, the ones marked "made in Japan" have

either been junked or buried in the basement. It is a little embarrassing to report that some of them, 100 per cent U. S. A. manufactured—where they were invented in the first place—are still available at but slightly higher than Jap-stuff prices.

The Japanese version of the comic travelling joke may also reappear in a new and better twist. In the old days, you recall, you annoyed your friends and caused a barrel of laughs with what was apparently a travelling on your sleeve; but one which in reality

had its roots in a land of exploded cigars.

Gone, for the time being, are Japanese brand exploding cigars and the Japanese "chewing gum" which caused a pack on your boss's head.

Gone also are the Jap "fun-makers" who wrap up dive bombers and peace envoys in the same parcel, are cut off from their best market—except in Nippon—for the big laughs that come for only a dime, ten cents, no more.

Dinner, Dance Fete Red Knights Alumni

As a gala welcome home to their college alumni, and in honor of other former members of the club, the Red Knights will be hosts at the annual alumni ball at Radio Rodeo today at 9 p. m., the club shield, augmenting the Christmas decorations, to twinkle out a cheery greeting to the dancers. Maintaining a tradition started many years ago, a stage dinner for alumni and club members will be served at 8:30 p. m. today at the Park hotel, decorations featuring red and gold, the club colors.

Tom Cartney, president of the club, will introduce the alumni, all of whom will be called upon for brief remarks. Bob Jones is in charge of banquet arrangements.

Guests Costume For Traditional Yuletide Supper

Hilarious among the pre-Christmas events was the party at which members of a student night supper club entertained their friends Sunday evening at the home of Mrs. and Mrs. B. P. Magel. A seafood supper was served.

Adding interest to the traditional event, all of the guests attended the party in costume, and the games and carol-singing figured in the entertainment.

Mr. Magel, in the role of Santa Claus, distributed gifts from an illuminated Christmas tree, and seasonal decorations were featured elsewhere about the room.

Dinner was served at two large tables, gay with holiday appointments. Present were Mrs. Magel, Mr. and Mrs. J. Paul Thomas, Mr. and Mrs. E. E. Ostrander, Mr. and Mrs. G. A. Bailey, Mr. and Mrs. R. F. Parry and Mr. and Mrs. Magel.

Shipman Home Scene of Shower On Mrs. R. Moore

Charming among the events of the holiday season was the post-nuptial shower at which Mrs. C. R. Shipman entertained yesterday afternoon in honor of Mrs. R. Moore of Los Angeles, formerly Miss Betty Lou Locke.

During the tea hour, Mrs. J. J. Locke, Shoshone, mother of the honoree, and Mrs. Moore presided at the service. The recent bride is a one-time resident of Twin Falls. Mrs. Moore is a holiday guest of her parents at Shoshone.

Thirty-three Shoshone and Twin Falls friends of Mrs. Moore attended the courtesy. Miss Mary Jean Shipman, home from the University of Idaho, distributed the gifts from an illuminated Christmas tree.

Mistletoe, sent from the south by an aunt of the honoree, was featured in the decorative scheme. Electric candelabra, banked with huckleberry, glowed on the tea table.

Maxine Doss Engaged To Marry C. Mullins

The approaching marriage of Miss Maxine Doss, Twin Falls, and Clayton Mullins, Salt Lake City, was announced in clever fashion at the Mon-Con Bridge club's Christmas party last evening. Mrs. Waulter Doss was hostess to the group at the home of Mrs. Artell Kelly.

A "whispering campaign," started by Mrs. Tom F. Alworth, was launched and Miss Doss was the last one to receive the message. She was obliged to repeat aloud what she heard.

In this manner, the club was informed that she would be married Sunday afternoon, Dec. 28, at 2 p. m. at the Christian church.

Miss Doss is the youngest daughter of Mrs. Lora Doss, Twin Falls. Mr. Mullins is the son of Mr. and Mrs. James Mullins, Twin Falls.

Following Sunday's ceremony, the couple will leave for Salt Lake City, where Mr. Mullins is employed.

Both Miss Doss and Mr. Mullins are graduates of the Twin Falls high school. Miss Doss also attended the University of Idaho, southern branch, Pocatello.

Miss Marjorie Jane Halpin will be maid of honor, and Miss Mullins, two articles Christmas trees and Santa Claus favors formed the decorations and the refreshments were in green and red.

Mrs. Kelly won the high score award and Mrs. Tom White received the traveling prize. Club members voted to give U. S. defense stamps as future prizes.

Principals at Sigma Delta Psi Crystal Ball

Centering the picture are Bill Dinsley, president of the Sigma Delta Psi club, and Miss Grace Wegener who led the grand march at the 11th annual Crystal Ball of the club last evening at Radio Rodeo.

Teen-Age Set Starts Holiday Dance Series

Casting a shimmering pattern upon the ceiling as it slowly revolved on a deep purple pedestal, a huge crystal ball was the focal point of interest for the 11th annual Crystal Ball of the Sigma Delta Psi club last evening at Radio Rodeo. White streamers and a decorated archway trimmed with mistletoe and arranged in front of the crystal ball also figured in the striking decorative scheme.

Illuminated Christmas trees on the orchestra platform, flanked by larger ones on either side, and quantities of vari-colored balloons completed the setting. Dance programs were in the shape of crystal balls, bearing gold lettering. The club's insignia was projected onto the wall above the orchestra stand from the balcony on the opposite side of the pavilion.

Lead Grand March
Leading the 500 dancers in the grand march were Bill Dinsley, president, and Miss Grace Wegener, who was master of ceremonies for the intermission program.

Five dollars worth of United States defense savings stamps were distributed as prizes to several members of the dancing party.

Officers of the host club, and staff members of the Red Knights and the Psi Zeta clubs were introduced at intermission.

Honoring Alumni
Last night's event, arranged in honor of Sigma Delta Psi alumni, was the first of a number of holiday dances, planned by teen-age groups. Voy Hudson is club sponsor. Will Wright's orchestra played the dance music.

Rodney B. Hopkins Weds Californian

Mr. and Mrs. R. E. Pierce, 204 Washington street, today announced the marriage of their son, Technical Sgt. Rodney B. Hopkins, to Miss Ardeth Ardel Valentine.

The bride is the daughter of Mr. and Mrs. Harold Valentine, San Francisco, formerly of Twin Falls. The couple was married Dec. 6 at Reno, Nev.

Sgt. Hopkins is stationed with headquarters III army corps at the Presidio, Monterey, Calif., where they will make their home.

Friendship Calendar Is a Beautiful Thought

Gifts from Friends

Friends Present Gift of Crystal To Bride-Elect

Mrs. Elwood Botler and Mrs. Don Blodgett were co-hostesses at a bridal courtesy for Miss Norma Jean Anderson last evening at the home of the former bride.

Twenty-five friends of the honoree presented her a gift of etched Fostoria crystalware, six sherberts and six goblets.

Mrs. Ruth Evertson, mother of Miss Anderson, and a guest at the party, gave her two double candleholders, a bowl and a vase in the same pattern.

The courtesy was arranged as a surprise to the honoree, who will be married soon to Robert Norris, son of Mr. and Mrs. Quincy Norris.

Mrs. Ed Rubert won the prize at Michigan, and Mrs. Charles Norris received the prize for a game, "Ivys in the Bag."

Refreshments in the holiday theme were served. An illuminated Christmas tree, and Mrs. E. L. Sims made the home attractive.

Zephyr Club to Give US Stamps As Card Prizes

Mr. and Mrs. Vere Pulton entertained the Zephyr Exchange club last evening. A gift exchange, in the form of a fun pond, was conducted, and pinocle was played.

The prizes, United States defense savings stamps, were presented by Mr. and Mrs. Jerry Adams, Mr. and Mrs. Ralph Gillette and Hart Lintz.

The club voted to give defense stamps as prizes at future meetings. Miniature pinocle tables marked each place when refreshments were served. Mrs. and Mrs. Charles will be hosts to the club in January.

Yule Observance For Mentor Club

Mentor club members entertained their families at the annual Christmas party last week at the Curry school house, a pot-luck dinner preceding the program. Mrs. Arch Colner was chairman of arrangements.

Seventy-five guests joined in singing Christmas carols and "God Bless America."

Program numbers included a piano duet, Gladys and Jack Huffman; reading, Joyce Swartzley; vocal trio, "Santa Claus Express," by Jack, Gladys and Iva June Huffman; and a reading, "A Brave Girl," Deanna Dunn.

"Christmas Greeting," a reading, Jeanette Brann; piano solo, Ellen Collins; poem, "School Days," Doris Wallis; saxophone and clarinet duet, Robert and John Farrah; reading, "When Daddy Trims the Christmas Tree," Mary Virginia Bailey; harmonica duet, Don and Doris Wallis.

Following the program, Santa Claus distributed treats.

CHRISTMAS IN EUROPE—1941
By Ruthann Hayes

The spirit that reigned on Christmas day
A few short years ago,
Is gone from the village, the city, the town.
But the memories are not yet trampled down.
The memories of great cathedral bells
Tolling on Christmas morn.
The memories of voices swelling loud,
Hundreds of heads reverently bowed;
All of these memories linger still,
As a matter of fact, they always will—
They won't be trampled down...

(Things enduring—such as the significance of Christmas—are called to the attention of the reader in this poem by Ruthann Hayes, Twin Falls high school English student of Miss Eva Dunnagan. It is one of several noteworthy poems of holiday theme written by the class member. Miss Hayes is the daughter of Mr. and Mrs. John E. Hayes.)

PAUL BOY HURT BY HIT-RUN CAR

PAUL, Dec. 23 (Special)—Dicky Bauer, six-year-old son of Mr. and Mrs. Dan Bauer, was injured when he was struck by a "hit and run" driver as he was on his way home from the drug store with his older brother, Myron.

The boys were crossing the street south of the Burke house, when a black Chevrolet sedan, going at a fast rate of speed on the highway south through Paul, made a quick turn to the east, as the boys started to cross the road. Myron grabbed Dicky and pulled him back—which was the only thing that saved his life.

He was struck by the car, and was picked up by some CCC boys, and taken to his home at the Du-drop Inn. He was then taken at once to the Rupert hospital, where it was found he had a broken rib, and a sprained neck.

It was feared he had internal injuries, and he was kept under ob-

CURFEW MAY BE ABANDONED HERE

Possibility existed today that in the interests of national defense the 9 p. m. curfew here may cease sounding in the immediate future. Talking of this step was discussed at a councilman's meeting in regular session last night but action was deferred until full particulars regarding national standards for air raid warnings could be obtained from Judge James Bothwell, chairman of the civilian defense committee for this county.

Although police still enforce the curfew, so far as minors are concerned, one councilman said that suspending it would "not hurt anything because nowadays that's when the kids are just starting out."

It was pointed out that if air raid signals would be confusing because of the nightly curfew then the curfew must be set aside at least for the duration of the war.

However, O. H. Coleman, police and fire commissioner, said action would be postponed until full particulars of air raid warning setups are received here.

Other national and local defense setups were discussed by councilmen last night. Councilman Loren A. Dean, finance commissioner, presided instead of Mayor Joe Koehlig, who is ill at his home.

LINCOLN SEEKING RED CROSS CASH

SHOSHONE, Dec. 23 (Special)—A large representation of Lincoln county residents gathered at the Legion Memorial building there last week to formulate plans for raising the sum of \$1,250, this being the amount allocated by the National Red Cross to be raised in Lincoln county for the war emergency crisis.

Representatives came from Richfield, Dietrich and North Shoshone, Shoshone, from the rural communities and from various organized civic bodies throughout Lincoln county.

Adkins Presides

The meeting which was presided over by Howard Adkins, chairman of the Lincoln county chapter of the Red Cross, opened with the singing of a solo "Angels of Mercy" by Miss Iris Hickman, accompanied by Mrs. J. D. Crawford. This song which has recently been adopted as the theme song of the Red Cross was sung for the first time publicly at this meeting.

A. W. Hansen, Shoshone, was elected chairman to launch the drive for raising the war quota in Lincoln county. Mr. Hansen immediately organized a set-up which will function throughout the county. Assisting in the drive at Dietrich will be Mrs. John Grivie, Mrs. Joe Miller and Mrs. Carl Westell; at Richfield Mrs. Elmer Swatman and George W. Schwane and in North Shoshone Fred Winter and Harry Hogue.

Campaign Launched

In Shoshone voluntary contributions are being received at the Lincoln county bank and the First Security bank and a corps of workers will be organized to solicit from the residential area and the business district.

At the meeting a number of civic organizations gave contributions or pledged amounts. Among these were the Shoshone Rotary club \$10, Shoshone Rod and Gun club \$10, American Legion 45, American Legion Auxiliary 45, Shoshone Women's Democratic club \$4.15.

EAGLE RANK FOR SCOUT AT BURLEY

Don Worthington, member of Boy Scout troop 21, Burley district, today had received final approval on application made for advancement to Eagle rank. It was announced this afternoon by Gordon A. Day, executive of the Snake river area council. Examiner for the examination given Worthington prior to his advancement was W. W. Palmer while Scoutmaster of his troop is Harvey J. Steel.

Other awards approved include the following:

Merit badges in hog and pork production and dairying to Wallace Stocking of troop 15, Burley; advancement to Life rank to Boyd Freeman, troop 46, Jerome district.

Students Relate Stories of Flags

RUPERT, Dec. 23 (Special)—A group of local high school students enlisted members of the Rupert Rotary club Wednesday at the noon luncheon meeting in the Caledonian hotel.

Zoanna Renfro, Mae Kump, Betty Jean McKenzie and George Whalar, under the direction of Miss Martha D. Allen, head of the dramatics department of the high school, told stories of the flags of several countries.

Miss Orlean Bolosabel, accompanied at the piano by Miss Shirley Griffin, gave a vocal selection. One new member, Tom Bell, local contractor, was added to the membership of the club.

A cash contribution was voted to the Minidoka county chapter American Red Cross for the war emergency fund. Plans were completed for the club's Christmas activities and the meeting concluded with a flag salute and group singing of "The Star Spangled Banner." A. G. DeMary was in charge of the program and the club president, Dr. A. E. Johnson, presided at this session.

The Shoshone soldiers are all at Schofield barracks, Honolulu.

RED CROSS WILL OPEN DRIVE SOON

War relief campaign of the Twin Falls chapter, American Red Cross, will start the first week in January, Dr. Charles R. Scott, general chairman, announced this afternoon.

Dr. Scott said preliminary organization is now nearing completion, and names of committee members will be announced soon. Branch units have been organized in some nearby communities and similar organizations will be completed in the near future in the other towns within the Twin Falls chapter jurisdiction.

Ideals of Christ

The general chairman, calling for widespread support of the war relief drive, pointed out that the United States is now fighting a war to uphold ideals based on the teachings of Christ.

"Today our nation is fighting a great war," he said, "to protect the American way of life — and the American way of life is based upon the Christian principles. At this particular season we are celebrating the birth of Him from whose teachings came our way of life."

One of his greatest lessons to us was in the story of the Good Samaritan. In these days of destruction and sacrifice and war wounds and deaths, our only opportunity to apply our strong desires to act as the Good Samaritan is through some agency at the sites of suffering and demolation. The agent recognized the world over for kindly efficiency and welcomed by our government and its armed forces is the American Red Cross.

Urges Generosity

"Let us not stifle our generous impulses but rather give largely to the war relief fund soon to be gathered by the Red Cross."

Dr. Scott said the "opening gun" in the drive would be a radio broadcast in Twin Falls from 10:30 to 11 p. m. Sunday. An unusual "action call" will be held over the local station and radio announcements will give details during the week.

RUPERT AND BUHL TOP HERD TESTS

Rupert and Buhl cows led the way in the Twin Falls-Mini-Casta Dairy Herd Improvement association for November. Supervisor Bernard Law reported here today.

The same two communities topped the rankings for herd leadership.

No. 1 cow of the month was "Salby," registered Holstein owned by Joe Glaser, Rupert. Next was "Lulu," registered Jersey belonging to Harry McCauley, Buhl. Carl Harder, Buhl, owns the third highest cow, Thomas Blucker, Rupert, the fourth.

Herd leaders as announced by Supervisor Law were:

Over 20 cows—Carl Harder, Buhl, 22 registered and grade Guernseys; second, L. A. Hansen, Twin Falls, 28 registered and grade Jerseys.

10 to 20 cows—Charles Hager, Rupert, 10 registered Holsteins; Horst May, Rupert, second, 12 grade Jerseys.

Under 10 cows—Thomas Maberly, Rupert, three registered Holsteins; Edwin Ames, Hiley, second, seven registered and grade Jerseys.

Mr. Law said the No. 1 cow of the month showed an extremely impressive production record. The total was 2,529 pounds of milk test 4.2; 106.4 pounds of fat. Forty-two herds were tested, in November, showing total milk at 417,471 pounds and butterfat at 18,042 pounds. There were 111 cows producing 40 pounds or more of butterfat.

Program Given at Methodist Church

MURTAUGH, Dec. 23 (Special)—Methodist church observed Christmas season with a program Sunday. The church service featured special numbers: Songs by the choir, a vocal solo by Miss Laurel Trus, accompanied by Mrs. J. H. Coulter; a vocal duet by Mrs. J. H. Coulter and Harold Manner, accompanied by Laurel Trus. Following the church service the junior department presented the following program, announced by Rosalie Butner:

Scripture reading, Betty Lou Carlson; song, beginners; scripture reading, Betty Jo Kees; song, the Junior department; reading, Miss Brown; song, Richard Butner; recitation, Robert Butner; vocal solo, Tina Mae Trus; prayer, Mrs. Bieri; and the group singing, Miss Lois Mohr accompanied. Following the Junior program, Betty Jane Beasler played piano solo, after which Mark Moorman gave a talk.

Christmas Program For Filer Grangers

FILER, Dec. 23 (Special)—A Christmas program was presented Friday evening following a regular meeting of Filer Grange, attended by 100 guests.

The program included group singing; the reading of a Christmas story from the Bible by Mrs. George R. Johnson; a vocal duet, Marjory R. Johnson and Shirley Spencer with April Spencer at the piano; two numbers by a quartet, Leo Bania, Clifford Thomas, R. J. Baska and Don Spencer with Mrs. Enis at the piano; a tabernacle, "The Parable of the Sower," followed with Santa Claus appearing in the last number with treats for everyone. There was also a gift exchange.

Let It Be a Prayer for Peace and Good Will

Notice anything unusual about the above picture in its portrayal of the Christmas spirit? It's not the customary, old-fashioned picture with sleigh, reindeer, jingle bells and all that, nor is it exactly modern, although the automobile is a comparatively new model.

There will be less merry-making and laughter, more sobriety and meditation. We will realize that if ever there was a need for "Peace and Good Will," now is the time.

As you have already guessed, the appeal that is particularly impressive is the quiet and peacefulness of this picture.

Yes, this year, when practically all the world is torn by war, Christmas is something infinitely more significant than an occasion for gaiety and festive celebration. It brings us to a pause with a timely warning of the grave need for a vast Reawakening of Humanity.

What a blessing it would be if with Christmas of 1941 could come the comforting stillness of peace, bringing with it an end to all our present world-wide confusion.

Let this Christmas be a prayer for a return of peace and good will throughout the world.

*In All Sincerity,
We Express Our
Appreciation....*

This Christmas affords all of us an opportunity for serious thought—a greater appreciation for all of those things that are really worth while. Upon friendship alone could be placed perhaps the very highest value, measured by any method of appraisal.

Seriously, we wish to express our appreciation to those thousands of friends in Magic Valley, who have made BUTTER-KRUST Bread what it is today—the outstanding favorite in south central Idaho. We are grateful that the results of our conscientious efforts should be so widely recognized.

RIDDLE WINS ALL NATIONAL HURLING HONORS

Youthful Pitcher Tops Averages And Earned Runs

By GEORGE KIRKREY
NEW YORK, Dec. 23 (AP)—Elmer Riddle, the Cincinnati Reds' sophomore from Birmingham, Ala., was the National League "pitcher of the year" for any yardstick, according to the official averages released today.

Riddle started as an unknown member of the Reds' pitching staff and topped the league in earned runs with 2.24 and in percentage with 19 victories and four defeats for an average of .826.

Riddle was nurtured along carefully almost from the start by Deacon Bill McKechnie and hit his stride sensationally when he started an 11-game winning streak on last May 20 and wasn't stopped until July 23.

Riddle replaced his own teammate, Bucko Walters, who led in 1939 and 1940, displaced to fourth the past season with 2.83. White Wyatt, Dodgers' rookie, was runner-up with 2.34 and 2.34, and Ernie White, Cardinals' Johnny, was third with 2.40.

Walters, who was the only pitcher who started a comeback, came fifth with 2.83.

AMERICAN FALLS 23, TWIN FALLS 23
A strong last-night drive gave the Idaho Falls Damsters a 32-23 victory over Twin Falls Oco Coals here last night in the first SI league engagement in this city in many years.

With Bob Williams, former Albion Normal star, setting the pace, the American Falls finished out after the game had seen-sawed through the first half.

At the intermission time, American Falls was in front, 13-12 after the lead had changed hands on every shot after the visitors had taken a 1-0 lead in the opening minute.

Twin Falls stayed right in the game until the final four minutes.

At the intermission, the Red Sox were 17-11 midway in the final stanza when heavy scoring got underway.

Williams poured 13 points through the hoop for high scoring honors during the evening, while Ray Wells got nine and Cory Carlson eight to 1000 home runs.

WYATT LEADS SHOSHONE
White Wyatt, the Dodgers' other big gun, led in shutouts with seven and tied with Higgs for the most victories, each with 22.

OTHER LEADERS WERE:
Most complete games—Bucky Walters, 16, 27.
Most innings pitched—Walters, 302.
Most no-hitters—Walters, 29.
Lost most games—Trust Sewell, Pirates, 17.

Bill Dudley Is No. 1 Choice of Pro Gridders

CHICAGO, Dec. 22 (AP)—Bill Dudley, 19-year-old All-American half-back from the University of Virginia, rated as professional football's first choice among the 1941 collegiate crowd here in the National Football League's annual draft.

The Steelers, who finished last in the league standings, chose Dudley from among 20 of the leading college performers.

Bruce Smith, Minnesota's All-America back and named "player of the year," was the 11th choice of the Green Bay Packers and 11th on the list, because of his anticipated entry into the armed services.

First choice of the other nine professional clubs was Cleveland's Jack Wilson, Baylor back; Philadelphia, Pete Kmetovic, Philadelphia back; Chicago Cardinals, Jack Lach, Duke back; Detroit, Bob Westfall, Michigan back; Washington, Orban Sanders, Texas back; Brooklyn, Bobby Robertson, Southern California back; New York, Merle Hapes, Mississippi back; Green Bay, Brian Odom, Minnesota back; and the champion Chicago Bears, Frank Albert, Stanford quarterback.

Bobby Riggs, Mrs. Cooke Furnish Major "Color" for 1941 Tennis

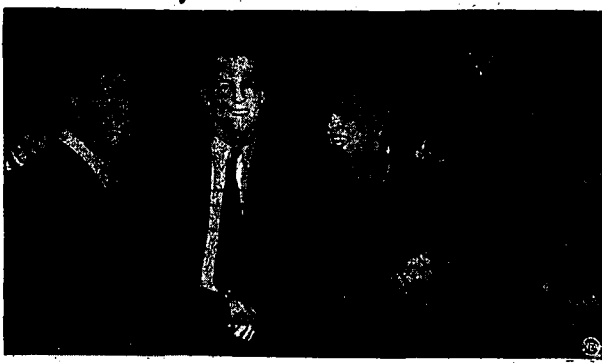

NEW YORK, Dec. 23 (AP)—The return of Bobby Riggs to the men's national championship, coupled with his subsequent abdication for a contest as a professional, and the comeback of Mrs. Cooke's tennis team in women's competition provided all the color offered by the weakest American tennis season in decades.

It was a year in which tournament winners dropped alarmingly and many events were abandoned indefinitely.

When the title he had lost in 1940 by losing to the U.S. Open champion, Don McNeill, of the U.S. Open, was regained by Riggs, it was a year in which tournament winners dropped alarmingly and many events were abandoned indefinitely.

Christmas Present for Boxing Bosses: Man Who Can Lick Louis

By JACK QUENTNER
NEW YORK, Dec. 23 (AP)—This column really shouldn't have been written before Dec. 23 because it contains a Christmas present for every fight manager in the United States—a complete set of blueprints of the boxer who someday will knock the world heavyweight crown from Joe Louis' kinky head.

The specifications and dimensions aren't mine. They were drawn up by a man who has been knitting good, bad and indifferent boxes together again for so long he carries sutures in every pocket.

He is Ray Arcel, a lean, gray-haired man with a head that has been twisted a swab stick in his mouth instead of a toothpick and prefers spritzes of ammonia to beer.

He is Ray Arcel, a lean, gray-haired man with a head that has been twisted a swab stick in his mouth instead of a toothpick and prefers spritzes of ammonia to beer.

"That's my man, briefly," Arcel said wistfully. "That's the boy for me. And you know what I'd tell him when I sent him out of the corner? 'I'd say to him, 'Get out there and start punching, Bub, and forget everything in the world except the point of Louis' chin and the imaginary target over his head. And don't stop punching as long as you're on your feet.'"

After studying this blue print at length, I could think of only one man it would fit—the mean, hungry Jack Dempsey of 1927. I mentioned this to Arcel, but he was too smart to be enveloped by an argument which flares every time the boys sit down at a bar and begin dreaming up impossible goals.

"Maybe I'm thinking of Dempsey and maybe I'm not," he grinned. "You guess, I can't compare men who were 20 years apart. Why Buddy Baer had Louis on the floor once and could have knocked him out on Jan. 9. Boxing is funny that way. But I will say I can't see how any man could have whipped the Dempsey of the Flipo or Willard bouts. On the other hand, I can't see anyone beating the Louis of the Carners or second, of course, but brains wouldn't matter if he had enough of the killer instinct."

Carey Basketeers Defeat Bellevue

OAKLEY, Dec. 23 (Special)—Invading Carey Basketeers defeated Bellevue here last night from the Carey high school club.

With Arren leading the way, the locals were in front from the start. The Carey athlete scored 14 points. McCongal made all except two of his visitors' points. At the half-time the score was 9-3.

not turned Alice Marble, who also retired professional, as an idol of the crowd. The tiny Brookline, Mass., matron won the national singles, national doubles and national mixed doubles titles—the latter with Kramer—for a grand slam similar to those scored by Miss Marble in other seasons.

The second best woman player was Pauline Betz, another Californian, who won the ranking as the No. 2 contender to the division. Margaret Osborne of San Francisco was one of the most improved players of the year; she shared the doubles title with Mrs. Cooke and moved up several notches on the ladder. For Osborne, Helen Glavin failed to reach the Forest Hills final.

Among the professionals, Fred Perry returned to greatness after a minor lapse and defeated all comers to regain the world pro title. He prepared to defend his crown against Kovacs and Riggs as the year ended.

stand that Collins would "take" \$3,000 for the franchise. And that's a good price for a club that has yet to make money!

If we recall correctly, a deal was nearly consummated last season, when Collins sold out—but at the last minute the price offered and that wanted took a decided jump, the result there was no sale.

That \$2,000 price tag is quite a spot of cash for a club that owns very few of its own players (the Russes are hooked up with the New York Yankees) and one which faces very uncertain times ahead.

In fact, we believe the Idaho Falls businessmen are downright generous if they give over \$5,000 for the franchise.

And then it is practically a Chamber of Commerce gesture.

Hutchinson Sworn In as Naval Aide To Gene Tunney
GRATTLE, Dec. 23 (AP)—Freddie Hutchinson, the International League's outstanding pitcher for Buffalo last season, was sworn in today as an aide to Commander Gene Tunney in the navy's physical fitness program.

Hutchinson had been scheduled to report to the Detroit Tigers next spring in a third attempt to win a regular major league post.

Yale's Coach Resigns to Enter Army

NEW HAVEN, Conn., Dec. 23 (AP)—Speculation on Yale's new head football coach vied with campus reports of a change in athletic policy today as Director of Athletics Captain Miller announced that the resignation of Dr. Emerson (Bpike) Nelson would not affect continuation of sports at the university.

Nelson, whose 1941 Yale team won only one game while losing seven, was the university's first non-graduate head football coach and his announcement last night that he intends to enter the procurement division of the army engineer corps came as a surprise. Despite his poor season he was popular with students and alumni and had been expected to remain on the job.

He said he had been assisting in this move for a few weeks because of the "uncertain conditions" and general conditions. He will report to Lieut. Col. H. B. Vaughn, Jr., head of the procurement division of Philadelphia Jan. 5. He has ideas in mind of obtaining a commission.

Nelson, who had been assistant coach at Yale, succeeded Raymond (Ducky) Pond when Pond resigned after a disastrous 1940 season.

Seals Lose Chance For Infielder; Army Gets Athlete

SAN FRANCISCO, Dec. 23 (AP)—Joe Gantemalen, the Philadelphia Athletics' outstanding player as pitcher for Buffalo last season, was sworn in today as an aide to Commander Gene Tunney in the navy's physical fitness program.

Gantemalen, 24, was with the Toronto International League club last season in a third attempt to win a regular major league post.

Negotiations between Gantemalen and the Seals were progressing when he was informed he had passed army physical tests.
