Netherlands Indies Open Triple Counter-Offensive

DUTCH TROOPERS, PLANES ENTER IN 3-POINT ATTACK

By JOHN R. MORRIS
BATAVIA, Jan. 14 (U.P.)—Netherlands East Indies air and land forces opened a triple counter-offensive against the Japanese in the south seas today as Gen. Sir Archibald Wavell, united nations commander in chief in the far Pacific, arrived in the Indies to establish his headquarters.

Dutch planes bombed the Japanese invasion forces on Tarakan island off the Borneo coast and attacked an enemy base in the southern Philippines, an army communiqué announced.

At the same time Dutch troops went into action against Japanese invaders on the Sarawak border, on the opposite side of Borneo from Tarakan, in support of the British forces there.

Triple Blow

Thus, the Netherlands forces, in a gesture of a completely unified Netherlands-United States-British empire defense, were operating at once against the Japanese on Netherlands, American and British protectorate territory.

As the offensive commenced, it was announced officially that Gen. Wavell had arrived from India to establish the headquarters from which he will direct united nations defensive and offensive land operations in the far Pacific.

His entire staff came with him. A competent Netherlands source said in London that "allied sea strategy was to form a barrier, with indistinguishable lines, roughly embracing the entire Netherlands East Indies Archipelago, against the Japanese invasion."

Await Jap Thrust

(He asserted that allied warships were waiting for the Japanese and said the Japanese would learn what it meant to try to send ships through the Netherlands East Indies waters, adding that Surabaya, at the east end of Java, was a good naval base and that Netherlands Indies waters had been mined extensively.)

(He forecast that the Japanese would be held as they advanced more deeply into the Netherlands Indies.) Netherlands Indies authorities appealed for immediate allied reinforcements to stem the Japanese who had taken Tarakan island, off the northeast Borneo coast, and were believed threatening their way into Celebes from the Kinabassan area at the northeast end of that island.

RELEASE SLATED FOR 650,000 CARS

WASHINGTON, Jan. 14 (U.P.)—Price Administrator Henderson today disclosed plans to release from \$14,000 to \$14,000 new cars for sale by dealers under a rationing plan similar to that in operation for tires and tubes.

The plan, he said, has been presented for approval to the supply priorities and allocations board—upon to be reorganized—but he did not say when it might be put into effect.

Henderson made the statement in testimony before the special house committee investigating the impact of the industrial war effort on small business.

Henderson said that between 550,000 and 600,000 new cars, now frozen by government orders, will be subject to rationing. A share of the 204,000 cars to be produced by the industry during January will be placed in the same category.

Of the January production, Henderson said, the plan contemplates freezing from 130,000 to 140,000 for about a year to provide a stockpile for future needs.

Henderson said he expected a maximum price to be placed on rationed cars, to be determined by what he called "formula A."

**One Hour Advance
In U. S. Time Seen**
WASHINGTON, Jan. 14 (U.P.)—Senate and house conferees on the daylight savings time bill were reported today to have accepted the house version of the measure, providing mandatory advancing of clocks one hour for duration of the war.

The senate measure would have granted the President authority to advance or retard clocks for any time period up to two hours, and in any section of the country.

"Fast" time has been urged by administration leaders to conserve power needed for defense production.

Farmers, City Dwellers Asked To Plant Own War Gardens

Because you won't be able to "go down to the grocery store and buy it," Uncle Sam called today on Twin Falls county farmers (and city folk, too) to plant a "war garden" this year.

Formation of the war garden committee for Twin Falls county was announced by E. R. Bennett, extension horticulturist, who is formulating the program in Idaho. Twelve community leaders were appointed in addition to an executive committee of four members.

Six Counties Organized
Mr. Bennett said the farm garden campaign is nationwide. Full compliance is expected in Magio Valley, and six counties already have been organized. They are Cassia, Minidoka, Lincoln, Gooding, Elmore and Twin Falls. Organization is expected soon in Jerome, Blaine and Camas.

"The war department has asked us

to see that every farmer in Idaho has a farm garden this year," the extension expert said. "City residents who have sufficient space also are asked to join in the program. Primarily, however, it is a farm movement."

Blunt Warning

Bluntly, Mr. Bennett warned that the garden program is not just another place of defense enthusiasm. "We are at war," he said, "and the full realization of that fact hasn't arrived yet. If these gardens are not planted, we probably won't get the commodities."

Bennett explained that canned produce will probably be under a rationing program—the U. S. army and navy first, then European allies, then defense centers. After those, the civilian.

"That means there will be a shortage, as far as the average civilian

goes, of the type of vegetables usually canned and available anytime on grocery shelves. So we are asking everyone who can reasonably have a successful garden to take care of his own garden wants."

"We are not asking that people give anybody anything, or that they grow garden foodstuffs in a commercial way. Just grow it for themselves."

Nutrition Too

The war garden program throughout the nation is based not only on the need for the foods involved, Mr. Bennett said, but also on the U. S. nutrition program. Nutrition committees in every corner of the nation are mobilizing to ask Americans to eat more vegetables and more of the things they need. Physical deficiencies revealed by the army draft provided the spur for this program.

TROPICAL RAINS HELP IMPERIALS IN MALAY AREAS

By HAROLD GUARD

SINGAPORE, Jan. 14 (U.P.)—A torrential tropical storm came to the aid of the imperial army today as a powerful Australian force was reported prepared for big scale action against big Japanese plane fleets, which rained bombs throughout southern Malaya.

Rain which started at noon yesterday turned into a terrific deluge during the night in which sheet rain was combined with thunder and lightning.

The storm was so heavy it practically immobilized offensive operations to the north, where the imperial forces were withdrawing slowly and stubbornly destroying everything useable as they retired, before the relentless Japanese attack.

Prepare Defense

The rain gave the imperial forces, preparing for a final fight in Johore province immediately north of Singapore island, precious hours in which to prepare their defense, and it gave the men at the front hours in which to complete demolitions and disengaging themselves from the thrusting Japanese advanced forces, to prepare a stiffer defense line.

Today's Malaya command communiqué made no reference to land fighting but said:

"The enemy air force which raided Singapore yesterday consisted of approximately 50 heavy bombers escorted by 20 naval fighters."

Formation Intercepted

"The formation, which approached at high altitude, was intercepted by our fighters, which destroyed one enemy aircraft. Three more probably were destroyed and several others were damaged."

"Reports now received show that damage was small and that casualties in killed and wounded were about 55."

"There was an alert in Singapore this morning. So far no reports have been received that bombs were dropped."

OPM WILL HALT RADIO PRODUCING

WASHINGTON, Jan. 14 (U.P.)—The office of production management is planning to stop all civilian radio production in a couple of months and to place new controls over private home construction, it was learned today.

OPM officials said radio production would be cut approximately 50 per cent soon and that output would cease entirely shortly thereafter. The drastic curtailment order will be issued by OPM's civilian supply division.

Restrictions and ultimate elimination of civilian radio production, officials said, will not result in hardships because an estimated \$7,000,000 sets already are in private homes, large stocks are held by dealers, and an adequate supply of repair and maintenance parts will be made available.

An order also is under discussion by the OPM's priorities division. It was disclosed, which will limit the amount of metal available for construction in private homes. Priority assistance now is given to those homes costing less than \$8,000 or renting for less than \$50 a month, but there are no restrictions on use of metals.

After his graduation in 1911 he became a chemical engineer for Sears, Roebuck and company, a job that led ultimately to the position he held before the government called him in 1940 to become coordinator of defense purchasing for the national defense advisory commission. With Sears, Roebuck Nelson was executive vice-president, chairman of the executive committee and a member of the board of directors.

Nelson's government jobs have been purchasing director for the office of production management, OPM priorities director and executive director of the supply priorities and allocations board.

Nelson, a Democrat and considered a New Dealer, had been reported as President Roosevelt's first choice as wage-hour head when that division first was organized. When he came to Washington as a 31-year man, he was making approximately \$70,000 at Sears, Roebuck.

Nelson's home is at Glencoe, Ill. He worked his way through college.

Nelson May Head Allied Supply Unit

By JOHN D. GONZALES

WASHINGTON, Jan. 14 (U.P.)—Selection of Donald M. Nelson as generalissimo of the "arsenal of democracy"—answerable only to President Roosevelt for America's war production program—today indicated quick establishment of a supreme allied supply council to coordinate war deliveries to the armies of the united nations.

Nelson, former Chicago mail order house executive who rose to the top of the war production setup in 18 months, and Lord Beaverbrook, Great Britain's minister of supply, presumably would be the most important members of that council.

President Roosevelt announced last night that Nelson will be named chairman and responsible director of "this decisions... will be final" of a new U. S. war production board which will be set up soon to replace the present supply priorities, and allocations board which took the top defense production spot from the office of production management last August.

That is the biggest and most spectacular position given a civilian by a war president since Woodrow Wilson made Herbert C. Hoover food administrator during World war I. The war production board parallels creation of the World War industries board which was headed by Bernard M. Baruch.

Nelson's new job will place him in a position comparable to the one held by Beaverbrook. Some sources said the grant of power contemplated for the new production chief would make him a virtual minister of supply and place him "head and shoulders" above any other official in the government except Mr. Roosevelt.

It was believed in many quarters that Nelson might be made the head of the new allied supply council—even over Beaverbrook. That speculation was based on belief that an American would be chosen to head such an organization because

DONALD M. NELSON

of the United States' dominant place in the war production picture.

The choice of Nelson for the production job ends many months of criticism of Mr. Roosevelt's production setup. Demands for a one-man production chief extended far beyond the ranks of people who frequently have criticized the administration.

Hopes Climb to Get Argentina in Accord

By EVERETT R. HOLLES

RIO DE JANEIRO, Jan. 14 (U.P.)—Hopes rose among delegates to the third consecutive conference of American foreign ministers today that Argentina would join the solid anti-axis bloc of American nations by agreeing to sever diplomatic relations with Germany, Italy and Japan.

Argentina, whose foreign minister, Enrique Ruiz Guinazu, was expected to arrive by plane today, is alone among the 21 nations in opposing a unanimous break with the axis. Guinazu had insisted that his government would undertake no further "pre-belligerence engagements" and there had been reports that he planned to walk out of the conference if it insisted on a joint rupture.

A high conference official said today, however, that there was a "greater feeling of confidence than there was 24 hours ago and we believe a satisfactory solution will be worked out on all major issues."

The issues facing the conference when it convenes tomorrow, were understood to involve not only the Argentina question, but the efforts of Ecuador to inject its century-old boundary dispute with Peru—which flared into actual hostilities last summer—into the agenda.

High on the agenda will be a plan offered by Colombia for a series of interlocking pacts among the Pan-American nations to protect the peace of the hemisphere after the war, an unimpeachable authority said. The plan, supported by a majority of the delegates and drafted after consultation with the United States calls for the establishment of a technical congress—probably in Washington—to have peace measures ready as soon as the war ends.

Dutchman Tells of 22 Nights In Water-Filled Raid Shelter

SAN FRANCISCO, Jan. 14 (U.P.)—Twenty-two miserable nights spent in hip-deep water of a dug-out on Midway island were described today by Roelof A. Schotman, 44, president of the union of planters of The Netherlands East Indies.

Japanese aircraft and warcraft made many attacks on the mid-Pacific outpost, but "prompt action" by the small marinearrison saved Midway from the fate that befell Wake and Guam, Schotman said.

His companions in misery were the personnel of the Pan-American Airways hotel, Malayan boys and many of the 1,600 construction workers who were building

a navy airbase when war broke out.

Schotman related his story to day upon his return to San Francisco after flying 10,000 miles in a futile attempt to reach his home.

The surface of Midway island stands only a few feet above the Pacific. If you dig three feet, you hit sea water, Schotman said.

The first attack on the island was made at 10 p. m. Dec. 7, Schotman said.

"I looked out my hotel window when the first bomb fell. The sky was red," he said. "The attack continued for a half-hour."

The construction workers began

Pincer Movement Starts to Close On German Army

By ROBERT DOWSON

LONDON, Jan. 14 (U.P.)—Military reports indicated today that the Red army was starting to close the jaws of a gigantic pincer movement on the Moscow front as other Russian forces ripped into the Germans in the Leningrad area and the Crimea, at the opposite end of a 1,100 mile line.

Russian victories were reported in five key sectors of the 450 mile front between Leningrad and the Vyazma-Bryansk railroad.

At the same time, the Russians on three great fronts, Leningrad, Moscow and the Crimea, were driving relentlessly against the Germans. There were unconfirmed reports here that on the fourth front, in the Ukraine, the Russians were but 12 miles from the industrial center of Kharkov in the Donets river basin.

See Nazi Reverses

Experts said here that, on the 40th day of the Russian counter-offensive, the Germans were faced with a situation before Leningrad and Moscow and in the Crimea which would add to the enormity of the reverses they had already suffered.

Deep Russian penetration was reported in the Lake Imer area south of Leningrad. Novgorod, key town in this area, was reported endangered in a serious threat to the communications of the entire German army on the Leningrad front.

Full railroad communication has been re-established with Leningrad from the east and it was possible for men and weapons to pour into the old capital for a real counter-drive.

Radio Leningrad reported that food trains were now reaching Leningrad from Tikhvin over the railroad which extends westward through Volokkala, 50 miles east of there.

WAR BULLETINS

CLAYMONT, Del., Jan. 14 (U.P.)—A major fire raged through the refining and branch storage plant of the Texas company today and officials said there were "a number of casualties."

CHONGKING, Jan. 14 (U.P.)—Official broadcast recorded by United Press in San Francisco—Chinese forces struck at Japanese invaders along a broad front in central China today, inflicting heavy losses on the enemy, a war communiqué reported.

The report also told of a Japanese attack on Chinese west of Canton in south China. It said the Chinese were putting up stout resistance along their lines near the junction of the west and north rivers. It was estimated 3,000 Japanese troops were participating in the attack.

WASHINGTON, Jan. 14 (U.P.)—Donald M. Nelson, America's new war production and procurement chief, declared today that his aim is to produce enough war weapons to whip Germany and Japan "in the shortest possible time."

In letters to OPM Director General William S. Knudson, undersecretary of War Robert E. Patterson and Undersecretary of Navy James V. Forrestal, Nelson said any organizational changes needed to "kick Hitler and the Japs" will be made.

The present defense production setup "must and will evolve into the most effective possible instrument to do it," he said.

LONDON, Jan. 14 (U.P.)—A big Red army offensive was reported threatening the Germans "winter line" at Orel, Kharkov, Kursk and Moshensk, today with Orel particularly in imminent danger.

WARPLANES SINK 2 OF JAPANESE ATTACKING SHIPS

By HARRISON SALISBURY

WASHINGTON, Jan. 14 (U.P.)—Gen. Douglas MacArthur's men have beaten off two more "determined" Japanese attacks in Bataan, the war department reported today, and U. S. warplanes have sunk two Japanese lighters in operations for defense of the Dutch East Indies.

It was the first time the war department had officially confirmed that American air power has joined the Dutch in combined efforts to beat off the Japanese offensive against the oil and rubber rich Indies.

The American planes—the communiqué said three participated in the operation—attacked Japanese landing forces at Tarakan, the rich oil island adjacent to the northeast Borneo coast, and sank two lighters which were putting Japanese troops ashore on the island.

On Luzon, where MacArthur is fighting to turn his Bataan-Corregidor into an American "Dobut," the Japanese launched two more heavy assaults against his Bataan line.

Both these attacks were beaten off. The Americans were said to have inflicted heavy losses on the Japanese forces which attempted to assault the U. S. lines despite the failure of their artillery preparations of the day previous.

The war department characterized the Japanese operations in Bataan as "reconnaissance in force" indicating that the Japanese pressed forward in an attempt to find weak spots in the U. S. lines against which the main assault could be delivered.

"These attacks were well supported by artillery and aircraft," the communiqué said. "Both were repulsed by our troops, with the Japanese suffering heavy losses. American and Philippine casualties were comparatively small."

Again, the Japanese air force was employed entirely in support of group operations and new attacks were made on American fortifications, including the rugged rock island of Corregidor.

The war department reported that information from Mindanao and Jolo islands in the Philippines indicated the Japanese are rapidly establishing bases there for the support of their operations against the Dutch Indies and Malaya.

Large Island

Mindanao is the southernmost large Philippine island where the Japanese have set up an important base at Davao. Jolo is a small island southwest of Mindanao in the Sulu archipelago close to the northeast Borneo coast. It is about 100 miles southwest of Zamboanga.

The U. S. air attack on the Japanese landing operations at Tarakan was carried out in unfavorable weather, the communiqué said, which made it difficult to determine the effectiveness of the attack. The

REGISTERING SET JAN. 21 IN IDAHO

BOISE, Ida., Jan. 14 (U.P.)—Gov. Chase A. Clark today designated Wednesday, Jan. 21, as the date for starting registration of Idaho citizens for volunteer civilian defense work.

All persons over the age of 18 were urged to register. A total of 300,000 enrollment blanks have been printed for the purpose.

"Blanks for this privileged registration are being sent to all chairmen of county civilian defense councils," the governor stated. "These organizations have instructions for the registration of applicants and will make plans for all above the designated age to fill out the blanks as they are sent."

The plan contemplates freezing from 130,000 to 140,000 for about a year to provide a stockpile for future needs.

Henderson said he expected a maximum price to be placed on rationed cars, to be determined by what he called "formula A."

When the registration is completed, county groups will send one of the enrollment forms to state defense headquarters and will retain a duplicate. Registrants will be assigned to duty as air raid wardens, first aid workers, ambulance drivers, aircraft spotters and other defense posts on the basis of information contained in the questionnaire.

LA GUARDIA MAY QUIT EITHER OCD OR N. Y. MAYORALTY POST

GOTHAM LEADER WOULD LIKE TO GET INTO ARMY

WASHINGTON, Jan. 14 (AP)—Fiorello H. La Guardia told a house committee today that as soon as congress disposes of civilian defense legislation he will make a choice between retaining his job as mayor of New York or the post of director of the office of civilian defense.

La Guardia testified before the house military labor committee, along with Mrs. Franklin D. Roosevelt, assistant OGD director, on the progress of the civilian defense program.

Asked by Rep. John Sparkman, D., Ala., what he had to say about the house action in approving legislation to turn civilian defense over to the war department, La Guardia said:

"Regardless of what they say, I know we've done a good job. But at the end of the day I get a little tired."

"When this civilian defense bill is disposed of and another bill to compensate injured air raid wardens which is now being drafted, I will have one of three choices to make."

Other choices "I can give up the mayorality and stay on at the office of civilian defense, if that is the President's wish. I can give up the OCD, return to New York, and mind my own business and criticize everything that goes on in Washington."

"Or I can do what I did in the last war, if I can get by."

La Guardia was a major in the army air corps in the first World War. He has said before that he might seek active army duty in this war.

La Guardia, 69, is far beyond the usual limits for former army officers to return to active duty.

The house, overriding administration and war department objections, recently voted to transfer OCD functions to the army, on grounds that the New York mayorality and the OCD directorship are too much for one man.

The house bill, authorizing \$100,000,000 for the OCD and civilian defense supplies, is now in conference with the senate.

Landis Named Executive Following criticism of La Guardia, President Roosevelt appointed Dean James M. Landis of Harvard university law school, age 41,000-a-year, full-time executive officer of the OCD. La Guardia receives no pay for his services.

Administration leaders have been hopeful that Landis' appointment would make it possible for the house and senate conferees to agree on a bill leaving the OCD a civilian organization. It was felt that La Guardia's willingness to continue in only one of his jobs would strengthen the administration's hand.

La Guardia said the greatest difficulty faced by the office of civilian defense is the inability to deal directly with state and local governments regarding problems in the nation's great industrial centers, all of which, he said, are targets for air attack.

"I want to fight Italians and Germans," he said. "I don't want to fight sheriffs and governors."

Cruelty Charged In Divorce Plea

Divorce complaint charging cruelty has been filed in district court by Richard P. Shaffer against Mrs. Dona Shaffer, whom he married July 27, 1939 at Berkeley. The couple has an 18-month-old daughter.

Shaffer claimed his wife was cruel, was interested in another man and last Dec. 20 removed her husband's belongings from their trailer home, thereafter refusing to let him enter.

Edward Babcock and George M. Paulson are counsel for the husband.

22 NIGHTS SPENT IN RAID SHELTER

(From Page One) digging shallow bomb shelters in a patch of shrub growth near the hotel. Schotman spent the next 22 nights in a shelter. "We stood in salt water up to our hips," he said.

Schotman was a delegate to the international labor conference in New York last October. When he sought to arrange transportation to the East Indies he found he could not obtain a passport until March.

Then the Dutch ministry at Washington arranged for him to fly in a PB-1 bomber being delivered to the NEI. There were many delays, but the craft left Dec. 3 and reached Honolulu the next day. It landed at Midway Dec. 5.

The bomber left Midway early Dec. 7 for Wake island. Two hours later when it had passed the international dateline there came a radio message: "Turn back, at once, land at Midway."

The first attack came that night. Schotman went to the lagoon to look at the bomber that had brought him. It was riddled with holes, but no vital parts were injured. It immediately was commandeered by the navy and within six hours was put into action.

"Now I go to Washington," said Schotman. "If I cannot get home I hope they will give me a job, a desk, a place to work, so I can help beat those damned Japs. I know we will beat them. I know my people and I know the United States. I met your President. He's a BIG boss."

DEATH SUMMONS GOODING WOMAN

GOODING, Jan. 14 (Special)—Mrs. Caroline Hubbard, 81, died this morning at the home of her daughter, Mrs. Ida Wennstrom, Gooding. She had made her home with her daughter for the past seven years, and had been active until the past two months.

Mrs. Hubbard was born Dec. 30, 1860, in Bureau county, Ill. Her husband, William Hubbard, died in 1929. Surviving are the daughter; a son, Clarence Hubbard, Louisville, Ky., seven grandchildren and one great-grandchild.

Mrs. Wennstrom will take the body to Mendota, Ill., Thursday for funeral services and burial.

BURGLAR DRAWS 5-MONTHS TERM

Penitentiary sentence commuted to a county jail term was ordered today for Leonard Kellom, 20, Twin Falls, who pleaded guilty Tuesday to second degree burglary charges.

District Judge J. W. Porter sentenced Kellom to one-to-five years in state prison, then commuted this to five months. The youth receives credit for approximately 47 days served already since his incarceration. He committed the burglary offense Nov. 28 at the station of the United Oil company of Idaho, located on Kimberly road east of Twin Falls.

Kellom was arraigned as Leonard Kellom but he advised the court that this is not his correct name. Attorney named by the court for Kellom was J. H. Blandford.

Not guilty plea submitted this morning by William Leland Pickard, 28, Tallor from Elsa, Tex., assured one jury trial on the criminal calendar for the January term. Judge Porter immediately set 10 a. m. Monday, Jan. 26, as time of Pickard's trial.

The Texan is accused of first degree burglary at the Union Pacific passenger depot Nov. 9. He has retained W. L. Dunn as his attorney.

PARTY HONORS DR. TOWNSEND

Honoring the 75th birthday anniversary of Dr. Francis E. Townsend, founder of the Townsend movement, 60 members of Townsend clubs No. 1 and 4 attended a birthday dinner party at the Farmers' Auto Insurance company auditorium last evening.

Rev. H. J. Reynolds and G. P. Rauch were the speakers, and violin and guitar music was presented by Charles Crane and Leland Carson. Two birthday cakes were presented by Mrs. Reynolds and Mrs. John Rodman.

Rev. Reynolds gave the principal address, quoting from the Bill of Rights, and comparing the Townsend philosophy with the teachings of Christ. Mr. Rauch spoke on the people of the Central American republics.

COUNTY OFFICES LIST FEE TOTALS

Two quarterly fee reports by county offices had been approved today by the board of commissioners.

Sheriff Warren W. Lowery reported revenues reaching \$9,407.41 for the final three months of 1941. Fees were collected in 125 cases.

Probate Judge O. A. Bailey reported a collection aggregating \$1,515.40, divided \$893.40 from criminal cases, \$290 from estates, \$125 from civil cases, \$70 from marriages, \$3 from adoptions, \$42 from guardianships.

Ketchum's Snow Nearly Two Feet

Although there was a slight increase in snow depth at Ketchum and Halley, totals in the Sawtooth resort country as of 48 hours ago were about the same as a week ago, according to the report received here from Charles I. Daugherty, Sawtooth national forest supervisor.

Halley showed 17 inches Monday; Ketchum 23. Galena and the Old Baldy snow-measuring stations registered 43, 32, 33 and 46 inches.

Most impressive snow increase during the week was in the Fairfield and Camas country. Fairfield itself had 24 inches Monday compared with 18 a week ago. Soldier ranger station was 31 compared with 27 on Jan. 5.

Cumulative figures at Halley since Oct. 1 show this year to Jan. 5 is outstripping both the average and last season.

Not guilty plea submitted this morning by William Leland Pickard, 28, Tallor from Elsa, Tex., assured one jury trial on the criminal calendar for the January term. Judge Porter immediately set 10 a. m. Monday, Jan. 26, as time of Pickard's trial.

The Texan is accused of first degree burglary at the Union Pacific passenger depot Nov. 9. He has retained W. L. Dunn as his attorney.

PARTY HONORS DR. TOWNSEND

Honoring the 75th birthday anniversary of Dr. Francis E. Townsend, founder of the Townsend movement, 60 members of Townsend clubs No. 1 and 4 attended a birthday dinner party at the Farmers' Auto Insurance company auditorium last evening.

Rev. H. J. Reynolds and G. P. Rauch were the speakers, and violin and guitar music was presented by Charles Crane and Leland Carson. Two birthday cakes were presented by Mrs. Reynolds and Mrs. John Rodman.

Rev. Reynolds gave the principal address, quoting from the Bill of Rights, and comparing the Townsend philosophy with the teachings of Christ. Mr. Rauch spoke on the people of the Central American republics.

COUNTY OFFICES LIST FEE TOTALS

Two quarterly fee reports by county offices had been approved today by the board of commissioners.

Sheriff Warren W. Lowery reported revenues reaching \$9,407.41 for the final three months of 1941. Fees were collected in 125 cases.

Probate Judge O. A. Bailey reported a collection aggregating \$1,515.40, divided \$893.40 from criminal cases, \$290 from estates, \$125 from civil cases, \$70 from marriages, \$3 from adoptions, \$42 from guardianships.

Ketchum's Snow Nearly Two Feet

Although there was a slight increase in snow depth at Ketchum and Halley, totals in the Sawtooth resort country as of 48 hours ago were about the same as a week ago, according to the report received here from Charles I. Daugherty, Sawtooth national forest supervisor.

Halley showed 17 inches Monday; Ketchum 23. Galena and the Old Baldy snow-measuring stations registered 43, 32, 33 and 46 inches.

Most impressive snow increase during the week was in the Fairfield and Camas country. Fairfield itself had 24 inches Monday compared with 18 a week ago. Soldier ranger station was 31 compared with 27 on Jan. 5.

Cumulative figures at Halley since Oct. 1 show this year to Jan. 5 is outstripping both the average and last season.

MAYOR ENDORSES 'POLIO' CAMPAIGN

Endorsement of the infantile paralysis fund campaign, now underway here, will be given by Mayor Joe Koehler as he speaks over the local radio station at 9:30 p. m. today.

This afternoon, Mayor Koehler said "I pledge my complete support and cooperation for this fight against infantile paralysis. I am sure that I echo the sentiment of all of our citizens, young and old."

In his talk tonight he will tell of the "warfare" now being carried on against this disease and will give a general review of the history of the ailment.

"It does not move in a straight line or spread in any kind of a pattern," Koehler said today. "Frequently it jumps hundreds of miles, or the entire length of the continent. It is apparent that there is only one way to be ready for infantile paralysis anywhere, and that is to be ready for it everywhere."

THE HOSPITAL

Twin Falls county general hospital had no beds available at 12:30 p. m. today.

ADMITTED Mrs. Ed Vance, Roy Smith, Mrs. Velma Foster, Martin Jensen, Mrs. Alice Fuller and David Flora, Twin Falls; Mrs. Ella Palmer, Buhl, and Marvin Hoffman, Eden.

DISMISSED Mrs. Grace Ryan, Mrs. Frank Potter, Twin Falls; Roy Young, Mrs. I. Towle and son, Jerome; Mrs. Ivan Connolly, Castleford; Mrs. Myrtle Lish, Glenns Ferry; Mrs. Orr McKee, Piler.

PIONEER LOCAL RESIDENT DIES

John W. Woodard, resident of Twin Falls for 33 years, died this morning, after a long illness, at the home of Joseph H. LeClair, 803 Main avenue east, where he had resided the past four years.

Mr. Woodard was born in Moone county, Ind., Feb. 11, 1854. Surviving are two brothers, Logue E. Woodard, Indiana, and Frank Woodard, Texas.

He was a member of the Christian church and a former member of the Masonic and Odd Fellows lodges. Interment will be in Twin Falls cemetery beside the grave of his wife, who died Aug. 4, 1927.

Funeral services are pending word from relatives. The body rests at the Twin Falls mortuary.

FATHERS WON'T GET COLOR CALL

WASHINGTON, Jan. 14 (U.P.)—Fathers probably will not be drafted for military service until the army has 7,000,000 or 8,000,000 men, Brig. Gen. Lewis B. Hershey, selective service director, told the conference of U. S. mayors.

Hershey said the United States probably was not capable of producing more than 10,000,000 men fit for military service. To do that, he said, "obviously we were going to have to reduce many of our physical requirements."

No Student Deferments
He did not refer specially to married men without children, but the policy in those cases has been to decide them in favor of deferment where the wives do not support themselves.

Students, even though they might graduate in one year or less, will not be deferred more than 60 days hereafter, provided they meet other requirements for service, Hershey said.

The college man owes not what the average man owes but a little more, he said. "I do not believe we can justify deferring a student for no other reason than that it interferes with his plan of life."

Registering to Start
Many states probably will begin registering the estimated 10,000,000 unregistered men between the ages of 20 and 44, inclusive, for military service a day or two before the officially proclaimed day of Feb. 16, selective service authorities said today.

Some will be registered on Saturday, Feb. 14, and others on the day following to avoid, wherever possible, interruption of production and to facilitate the work of the 6,400 local registration boards.

Men registered previously will not be required to register again. Men between 45 and 64 will be registered later.

County Increases Defense Measure

GOODING, Jan. 14 (Special)—Gooding county defense stamp and bond committee, of which Adam Schubert is chairman, was increased to war strength this past week by the addition of 24 new members. The original committee met to discuss ways of providing more stamp purchases and the new members were named.

Mr. Schubert, M. A. Williams and Francis Brehman attended a meeting of the district defense savings chairman held in Twin Falls, Thursday evening, where the payroll allotment plan was discussed. The local committee now await material from Boise to proceed with the plan.

New members of the county committee are banking and finance, Otto Jellin, Gooding, and Austin Shouwer, Wendell; education, William Dierling, Wendell; Mrs. Florence Hughes, Gooding; J. Hansen, Hagerman; and Donald Dufco, Bliss; industry, Milo Anderson, Sam Sullivan and Alva Thompson, all of Gooding; women's organizations, Mrs. Gus Conrad, Hagerman; and Mrs. Jay Outright, Bliss; agriculture, Joel Brummett and James Farmer, Gooding; William Ullman, sr., Tuttle, Clyde Edgerton, Wendell, Roy Smith, Wendell, Earl Hansen, Elbert and Ed Bell, Gooding; trade, Francis Brehman, Leo Riser and Al Williams, all of Gooding; American Legion, Ernie Billard, Hagerman.

People contemplating work on defense projects should immediately start getting a birth certificate or other satisfactory proof of citizenship. This is absolutely necessary.

DECISION CLEARS WALLY BLUNDON

JEROME, Jan. 14 (Special)—Dismissed because of insufficient evidence, involuntary manslaughter charges against Wallace Blundon, 20, Kimberly, had been eased from the probate court records here today.

Ruling which dismissed the accusation against Blundon was made Tuesday afternoon by Judge William G. Comstock. The magistrate had taken the matter under advisement after preliminary hearing Tuesday morning.

Several witnesses appeared at the hearing Tuesday morning. Among them were Estella Vest, 19, Jerome; Earl Henage, Jerome, and State Policeman Milton Kohl, also of Jerome.
The charges grew out of the death of Jeannie Brady, 19, Twin Falls, a passenger in Blundon's car at the time of a wreck near Jerome on Nov. 30, 1941. She died a few days later in the Twin Falls county general hospital.

Frank L. Stephan, Twin Falls attorney, represented Blundon at the hearing.

IDAHO LEADS IN TRUCK INVENTORY

BOISE, Jan. 14 (U.P.)—Idaho leads the nation in its truck and bus inventory conducted for national defense planning with 69 per cent of the returns completed. Dean Miller, state WPA administrator, announced today.

Purpose of the inventory was to set up detailed central and regional records for all trucks, freight trailers and buses. This information will be for use in emergencies in organizing highway transportation for more effective service in the assembly of defense industry material, delivery of military and civilian supplies, relief of dock and terminal congestion and movement of passenger traffic, Miller said.

A complete inventory of the state's trucking facilities was nearly complete with only about one per cent unrecorded, Miller declared. Only percentage figures were available for publication, actual numbers of vehicles registered in the state being reserved for the war department.

Poisoned Bait Kills Horses

JEROME, Jan. 14 (Special)—Sheriff's authorities have issued a warning to all farmers in Jerome county to be "very careful" about allowing their livestock to run at large in rural areas because of the large amounts of rabbit poisoning which are being placed about as bait. It was reported today by Deputy Sheriff Paul M. Jensen.

Two stray horses which had wandered onto the Walter Shawyer farm nine miles northeast of town were destroyed Monday morning when they apparently became violently ill from eating the rabbit poisoning. The two work horses had strayed onto the farm last Friday morning and when found they were unable to rise off the ground. A veterinarian was called and following examination, he reported it was his opinion the two animals had been poisoned from rabbit bait.

A third animal, a black mare weighing approximately 1,200 pounds, about seven years old, was with the two other horses. The mare is not ill from the poison. There are no identification marks on her, but there are tug marks on both sides indicating that she has worked recently. A wire out is visible above the mare's left hind hock.

If anyone knows the owner or owners of these animals he is asked to communicate with sheriff's authorities immediately.

CASSIA APPROVES 3 TIRE PERMITS

BURLEY, Jan. 14 (Special)—Tire and tube rationing really got under way here Monday with three permits issued from the police office, headquarters for the tire rationing board.

On the board are N. O. Slinger, chairman, Jarvis Lowe and Police Judge C. L. Barclay.

Permits went to Dr. C. A. Terhune for medical use; to L. E. Daugherty for two tractor tires; and to Wilmer Rigby for one tire and one tube for mail delivery.

Kimberly Begins First Aid Work

KIMBERLY, Jan. 14 (Special)—First aid classes will start this evening under the direction of Dr. Harry Lasin.

Fifteen men of the local defense and 10 firemen will comprise the first class. The meeting will be held at 7:30 in the basement of Dr. Lasin's office building, Friday evening, Jan. 16, the first aid class for women will begin with Miss Maude Laycock and Miss Dorothy Wafel as instructors. About 30 women are expected to be signed.

Miss Laycock and Miss Wafel have been conducting classes in Hansen and Excelsior. Classes in home nursing, under the direction of Miss Brennan, public health nurse, will start the afternoon of Jan. 29. Those wishing to sign for this class should notify Mrs. Glen Whitney or Mrs. Arlene McRobert.

Ray Baker is in charge of first aid classes for the school faculty. Meeting will be in session on Monday and Wednesday evenings for the next five weeks.

War Relief Sum High in Lincoln

SHOSHONE, Jan. 14 (Special)—A. W. Hansen, chairman of Lincoln county Red Cross war relief funds has reported that of the quota of \$1,250 allocated to this county, all but \$20 has now been raised, as \$1,230 in contributions has been received to date.

It is possible the fund will be over-subscribed as voluntary contributions are still being received at all banks in Lincoln county, at the Richfield pharmacy and at the railroad station in Dietrich.

MOTORIST FINED ON DRINK CLAIM

JEROME, Jan. 14 (Special)—Cecil Metcalf, 21, Wendell resident, was arrested last week-end and brought before Probate Judge William G. Comstock to answer charges of drunken driving. He pleaded guilty to the offense, was assessed a fine of \$100, plus court costs of \$5.40 and was given four months' jail sentence.

Judge Comstock said that sentence would be suspended against Metcalf upon receipt of payment of the fine and court costs.

Bond of \$500 was furnished and Metcalf was allowed release, with promise to arrange to pay fine within a short time.

Arresting officer was State Patrolman Milton G. Kohl.

RECIPE

WASHINGTON, Jan. 14 (U.P.)—Malcolm MacDonald, British high commissioner to Canada, today offered the United States conference of mayors a recipe for an air raid as composed by a "little old Scottish lady."

"When the air raid warning sounds, I take the Bible from the shelf and read the 23rd psalm where it says, 'though I walk through the valley of the shadow of death I will fear no evil for thou art with me.'"

"Then I put up a wee bit prayer. Then I take a wee drop of whisky to steady my nerves. Then I get into bed and pull up the covers."

"And then I tell Hitler to go to hell."

Transport Unit Signs For Nutrition Course

Swinging into line with other women's groups in making themselves more efficient Americans through educational courses, members of the Women's Motor Transport association will take a Red Cross course in nutrition, as a unit—as soon as the text books arrive.

It was this same group that went on record last year as being the first Women's Motor Transport association in the country to take a Red Cross first aid course as a group.

Nutrition Talk
The association, meeting last evening at the Idaho Power company auditorium, heard a discussion on nutrition by Mrs. Russell Miller, president of the Twin Falls Home Economics association.

Mrs. Miller outlined the material that would be covered in the Red Cross course on nutrition and the benefits to the individual, her family and others, that might be gained from such a course.

Mrs. W. Young discussed United States defense bonds and Mrs. Winterholler received the "U. S. defense stamp gift." Each member brought a 10 cent defense stamp and Mrs. Winterholler was judged the winner. This will be a feature of each meeting.

Many of the members brought their Red Cross knitting. Several members of the association are taking knitting lessons Tuesday and Friday of each week at the Lincoln school.

Contest Launched
A membership campaign was outlined, and Mrs. K. H. Babcock, president, and Mrs. Ed Skinner, vice-president, were named as captains of the teams, the losers to entertain the winners at the end of the contest in May.

Refreshments were served by Mrs. John Huddleston, Mrs. Verne Hulbert, Mrs. Carl Hult and Miss Lillian Hills.

USWV Auxiliary Installs Leaders

Mrs. Fannie A. Clark was installed as president of the United Spanish War Veterans auxiliary Monday evening at the American Legion Memorial hall, with Mrs. Lucy M. Carver as installing officer. Mrs. Maude B. Dygert, retiring president, conducted the business session, and Mrs. Bertha Horn, Rupert, was reinstated.

The members of General Lawton camp, U. S. W. V., who installed officers at a separate session, joined the auxiliary for a refreshment hour, in charge of Mrs. Elizabeth M. Essex. Other officers of the auxiliary are:

Mrs. Hazel B. Sweeley, junior vice-president; Mrs. Matilda Southern, patriotic instructor; Mrs. Lillie M. Wilson, conductor; Miss Nola Carver, assistant conductor; Mrs. Essex, guard; Mrs. Alice D. McNeely, chaplain; Mrs. Lalla B. Little, secretary; Mrs. Dygert, musician and reporter.

Officers, who were unable to be present for the installation Monday, will be installed at a later date. Included are Mrs. Maude W. McRoberts, senior vice-president; Mrs. Arabelle Kelly, treasurer; Mrs. Ethel M. Sturgeon, historian; Mrs. Elsie H. Morehouse, assistant guard.

MUSIC, READINGS
ON O. E. S. PROGRAM
Musical selections and readings were featured at a meeting of the Twin Falls chapter, Order of the Eastern Star, Tuesday evening at the Masonic temple. F. H. Shilick, accompanied by his wife, sang "Absence" and "House by the Side of the Road." Mrs. John Perrine gave a reading, "Life of an American Citizen." The group sang "God Bless America."

Mrs. Paul Rowan was program chairman. Mrs. Bert Sweet presided at the chapter session for the first time as worthy matron. Refreshments were served by Mrs. Herman Schuriger, chairman, Mrs. R. L. Graves, Mrs. Harold Hoover, Mrs. M. E. Showell, Mrs. George C. Halley, Mrs. Fern Isot and Mrs. C. A. Emes.

A gold Valentine tree, covered with red hearts, centered the lace-covered table, and red hearts were scattered over the cloth. Red tapers in gold holders completed the table setting.

Norma Haynes Is Wedded at Boise
PAUL, Jan. 14 (Special)—Mr. and Mrs. Earl Haynes this week announced the marriage of their daughter, Norma, to Clifford Gardner, Clearcreek, Ida., which took place Jan. 5 in Boise.

The bride is teaching school at Clearcreek, where she met Mr. Gardner. She will continue her school work the rest of the season, and the newly wedded couple will make their home at Clearcreek.

Miss Haynes attended the Paul school and was a graduate with the class of 1937. She then attended the Albion State Normal school and graduated with the class of 1940.

Lend-A-Hand club officials today announced that all meetings had been postponed indefinitely.

MOBILIZING OF WOMANPOWER OBJECT OF BPW MASTER FILE

Cooperating in the widened scope of endeavor of the National Federation of Business and Professional Women's clubs, under the "Mobilize for Victory" banner, several members of the local B. P. W. club this week sent credentials to New York for the Master File of the association.

The project, started several months ago, was speeded up by the January appeal of the national president, Dr. Minnie L. Maffett, and of the state president, Mrs. Minnie Davenport. Mrs. Marion Dunn was in charge of the local compilation of data.

Explaining the significance of the Master File, Dr. Maffett said, in the January issue of "Independent Woman," the federation publication, "We may be in for a long, hard war. More and more we may need to bring special skills from far and wide to the places where they are required. The Master File which we are building at headquarters of

Drawings and oil paintings, completed by members during the past year were displayed. A winter scene decorated the luncheon table. An exchange of Valentines was announced for the next meeting at the home of Mrs. Tom Ballard. The program, under the direction of Mrs. M. Swike, will be on antiques and Indian relics.

Tri-Color Theme for Unity Club Luncheon

Annual January luncheon of the Unity club, with past presidents and charter members as special guests, was arranged at the Rogerson hotel private dining room today, a patriotic motif being employed in decorations.

Program highlights were a talk on "Well Balanced Meals for Busy Women in a World at War," Mrs. Margaret Hill Carter, district home demonstration agent; a comprehensive review of a play by Mrs. W. W. Thomas, and musical selections by Mrs. Juliet Hayden Boone, accompanied by Mrs. O. P. Duval.

Mrs. Ben O'Harrow, president of the club, led in the flag salute, and the group sang "God Bless America." Mrs. L. B. Billington led in the singing of the club song, words of which were written by Mrs. Frank Holman.

Program committee included: Mrs. Roy J. Evans and Mrs. Stella Burt. Committee on arrangements was Mrs. Ray Armstrong, Mrs. Carl Boyd and Mrs. E. E. Neizer.

Nut cups and place cards were in the patriotic motif. The candles were in red, white and blue, and clusters of American flags centered the tables, arranged in the form of a U for Unity club.

Dangers to Home Enumerated for Class Members
Present dangers to the establishment of a permanent home include hasty marriage and lack of preparation for marriage; self centeredness and selfishness on the part of the principals in marriage; and the restlessness brought about by the more than a million dwellers in trailer houses throughout the United States.

These facts were enumerated by Mrs. M. O. Kuykendall, in charge of the program at yesterday's meeting of the Mary-Martha class of the Baptist church. Session was held at the home of Mrs. Forrest Salisbury.

Mrs. Kuykendall in her talk on the American home, contrasted the home of today with that of 40 or 50 years ago.

Mrs. J. B. Wakem, offering the opening prayer, following singing of the class song, Mrs. Ida Sweet and Mrs. Emma Kuka, assistant hostesses, and Mrs. Salisbury served refreshments.

Tylers Observe 50th Anniversary
Mr. and Mrs. R. B. Tyler, residents of Twin Falls for 15 years, celebrated their golden wedding anniversary Sunday with a family dinner, arranged by the children of the couple who live in Twin Falls.

Mr. and Mrs. Tyler were married Jan. 10, 1892, in Arkansas. A three-tiered wedding cake, bearing the slogan "Happy Anniversary, Mom and Dad" in gold, centered the table, which was decorated with roses and lighted tapers.

Eight of their 10 living children and their families were present. Lyman Tyler, Hollywood, who is on a mission for the L. D. S. church, and Mrs. John Johnson, Attica, Ark., were unable to attend. There are also 38 grandchildren and 13 great-grandchildren.

Daughters present were Mrs. Lloyd Mulleneaux, Los Angeles, and her husband and two children; Mrs. Porter Hughes, Boise; Mrs. Dale Parker and husband and daughter and Mrs. Alvin Isaacs and son, Idaho.

Helen Peterson And K. Gwin Wed
BUHL, Jan. 14 (Special)—Mr. and Mrs. August Peterson, Buhl, announce the marriage of their daughter, Helen, to Kenneth Gwin, Jan. 5, at Olympia, Wash.

Mr. Gwin is stationed at Fort Lewis and is the son of Mr. and Mrs. L. L. Gwin, Glens Ferry, who recently moved there from Castleford. Mrs. Gwin is employed at the Idaho First National Bank, Buhl branch. She plans to stay in Buhl, and keep her position at the bank.

Attending the wedding were the bride's mother, Mrs. August Peterson and brother, Carl Peterson.

Mrs. R. Bonnett Feted at Shower

Twin Falls Junior high school teachers entertained at a surprise miscellaneous shower yesterday afternoon at the home of Mrs. Robert K. Bonnett, Jr., who was Miss Mary Dillon Smith, prior to her recent marriage at Las Vegas, Nev. A member of the Junior high school faculty, she will complete the semester before going to Nevada to make her home.

The courtesy was arranged by Mrs. Pearl L. McKean, Mrs. Vera C. O'Leary, Miss Dorothy Evans and Miss Bonnie M. Lange. Abidden to "come and have a piece of cake," the honoree was greeted with strains of "Here Comes the Bride" when she entered the home economics room.

Umbrellas of many kinds and colors decorated the dining room, and the shower gifts were drawn into the room in a pink and white-decorated wagon by Little George McKean, dressed as a minister, and who carried an oversized umbrella over his head and wore rubber boots.

Pink and white cup cakes were served from a refreshment table, decorated in a patriotic motif. An informal program of songs and readings was arranged. Members of the sixth period home economics class assisted in the kitchen.

All members of the first ward Relief society of the L. D. S. church will meet Thursday at 10 a. m. for a special work session, followed by a pot-luck luncheon at noon. At 2 p. m. a demonstration on darning and re-fooling of stockings will be made, and members are asked to bring stockings to be darned. A lesson on hosiery will be given.

Red Cross Talk For P. T. A. Unit

Summary of the various volunteer services of the American Red Cross was given by Mrs. W. H. McDonald, executive secretary of Twin Falls chapter, at a meeting of the Washington Parent-Teacher association Monday afternoon at the school auditorium. She gave the history of the organization, and answered questions following the address.

Mrs. M. E. Shotwell discussed "The Nation's Children," emphasizing the fact that defense at home begins with teaching children to care for themselves, and commented that the first line of defense is a health child.

Mrs. Earl Walker, vice-president, conducted the business meeting. Australia is closer to Canada than to England by direct line.

LOUIS ENTERS U. S. ARMY AT CAMP UPTON

Morale Division Will Get Champ After Training

CAMP UPTON, N. Y., Jan. 14 (U.P.)—Here, in the land of barracks and tents, Joe Louis joins the army today. The million-dollar mauler enters a camp far different from those in which he spent much of the last eight years as he begins a 48-hour ordeal that will make him a full-fledged private.

Discipline descends upon the dusky dynamite as he passes the sentries at the post entrance after a 70-mile drive out Long Island from midtown, Manhattan. There he leaves his world, heavy-weight crown and becomes plain Joe Louis Barrow. There, he leaves his entourage of reporters, cameramen and handlers, including Uncle Mike Jacobs.

Different Camp
The camp is different indeed from those presided over by Trainer Jack Blackburn. Lieut.-Col. H. E. Brenner is commanding officer here, and he is a strict disciplinarian. The word went out last night that Louis must undergo the induction steps today and tomorrow just like any other draftee or enlisted man. Alone, moreover, his press and movie outfit were advised that their men could not even meet the champion outside the post entrance unless they carried army credentials.

Joe bought a tailor-made uniform to accommodate his ultra-broad shoulders, but he won't put it on today. Donning his new type of fighting togs come tomorrow. The only exception promised in the induction of Joe Louis Barrow is a pass permitting him to leave the post tonight to make a couple of radio appearances in New York. But he'll have to be back with his mates early tomorrow.

Induction Preliminaries
After Joe slows away grub in the mess hall today, he begins the preliminaries of induction. These may last until dusk, or may be over sooner, depending upon how speedily his particular company moves through the various steps. Finger printing (again), mental test, lecture on articles of war, lecture on sex morality, and lectures on post regulations and military courtesy, including how to tell the various denominations of officers.

There will be no physical examination. Joe went through that, with great fanfare, at Governor's Island Monday. Tomorrow he moves through the "processing line" which includes an interview for the record, classification as to ability, receiving the army uniform and equipment (but no gun), and medical inoculations. Most inductees remain in this reception camp for at least another day after their inoculations, but Joe is expected to go to Governor's Island, in New York bay, Friday for six weeks of compulsory training before beginning work with the army's morale division. His work probably will include sparring exhibitions at camps from coast to coast and title defenses for army relief funds.

Bierman, Hanley Ready for Duty With Marine Unit

WASHINGTON, Jan. 14 (U.P.)—Two college football coaches—Bernie Bierman of Minnesota and Pat Hanley of Boston university—were ready for active marine corps duty today.

They and 24 other reserve officers who had requested duty were called yesterday. Both Bierman and Hanley are reserve corps majors.

Play Starts In King Hill Outlaw Meet

KING HILL, Jan. 14 (Special)—First of the annual outlaw tournaments in southern Idaho gets underway here tonight with the King Hill meet slated to commence at 7 p. m.

With eight teams participating in a double elimination tourney, Mountain Home and Bliss tangle in the initial session.

Second encounter brings together Fairfield and King Hill. At 9 p. m. Gooding Lions tackle the Hagerman quintet.

There will be no games Thursday, but play will be resumed on Friday at 7 p. m. with Wendell tackling Glenns Ferry. Winners of the first two Wednesday games clash in the second encounter, while losers of the initial two Wednesday games meet in the 9 p. m. battle.

A trophy goes to the championship club and Wendell is the only one of the competing teams with a leg on the cup. The defending championship club is the Jerome Jaycees—not entered this year.

Hurler Wants To Sign—Also Asks for Job

Business Manager Carl Anderson of the Twin Falls Cowboys had a chance to sign a young pitching prospect yesterday.

But there was a catch in the offer. The youngster wanted a job through the winter months until the baseball season started. And Carl didn't have one right on the tip of his fingers, so the boy isn't signed—as yet.

The ball player's name is Don Standley and he hails from Baker, Ore., where he boasts a fine record. Only 19 years old, he stands six feet, one inch and weighs 185 pounds.

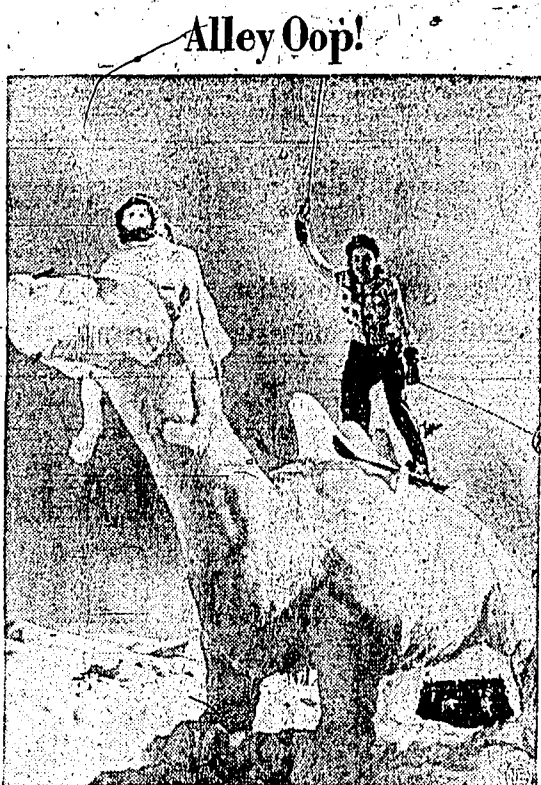

Last year, hurling with Baker, Standley won seven and lost two against semi-pro clubs, including the major traveling nines. However, the best part of his record is the fact that he allowed only three hits per game.

Albion Normal Sweeps Nampa Nazarene Series

ALBION, Jan. 14 (Special)—Coach Orville Hult's Albion Normal Panthers took a day of rest today in preparation for a "vacation" from heavy basketball duties after defeating the visiting Northwest Nazarene college in two successive games played here Monday and Tuesday nights.

Right now the Panthers haven't much in sight because they don't play another college game until Jan. 31 when they go to Rexburg to tackle the Ricks college club. However, Coach Hult is hoping to fill in with some outlaw competition.

The scores last night was 49-38 for the Panthers, just a little better job than the local boys did in winning the first game by a 38-32 count. The game was again featured by the hot-shot basket-tossing of the star Nampa forward, Chalfant. He collected 10 points last evening to add to his total of 17 the night before for a two-game summary of 30 counters.

Nampa scored the first basket in last night's encounter—but that was the last time they were in front. The Panthers pushed the score to 22-18 at the half. However, the visitors made a final bid midway in the last stanza when they closed in and the score was 28-27. Then they started rushing the Albion club and the

home quintet sank setups to clinch the battle.

King Hill Quintet Tops State School
KING HILL, Jan. 14 (Special)—King Hill high school cagers won a hard-fought battle from the invading State School quintet here last night by a score of 19-18.

The visitors led at the first half, 13-11, but a strong King Hill defense held the Staters in check the second half, while the home club scored seven points and clinched the victory.

Morita of the State School was high point man with eight points, while Jesse Woods led the home club with five.

Frazier Heads Jerome's Rod And Gun Club

JEROME, Jan. 14 (Special)—New president of Jerome Rod and Gun club is Le Roy A. Frazier, who succeeds Harry Forbes, Hazelton, retiring head.

Other new officers elected at a meeting Monday night included the following: Harry Messenger, vice-president; secretary-treasurer, William N. Hardwick; directors, Sam Matmaker, A. W. Hart and Delno McMahon; delegates, Russell M. Short, Hal Wallington, and alternates, E. E. La Turner and I. B. Fritzler.

Along with other plans, members of the club are assisting to place at different parts of the state, in conjunction with the state bird farm, a number of magpie traps. It was announced.

Some pheasant feeding is being done.

It was further announced by Russell Short and Delno McMahon that the club will invite members of the Fourth District Sportsmen's clubs to attend a conclave in Jerome, which will be arranged here some time in March or April.

Harry Forbes, outgoing president, pledged the support of members of the east end of the county for the coming year in all the sportsmen's activities. A plan will be worked out for regular meetings with refreshments and entertainment for meetings for the ensuing year, and all members of the club are looking forward to a successful year.

Membership tickets will soon be on sale.

Paul Trounces Hazelton Club

HAZELTON, Jan. 14 (Special)—Coach Melvin Gruwell and his Paul Panthers trounced the Hazelton Badgers here last night by a 58-28 score as they tossed in baskets from all angles, to come near setting an all-time scoring record for the local gym.

The visitors, led by V. Harper, held a 21-14 lead in the first half and were never seriously threatened. Harper scored 12 points for high count honors. Ben Mortenson topped the losers with eight.

Preliminary went to the Paul youngsters by a 13-9 count after the locals trailed 6-7 at the half.

The visitors led at the first half, 13-11, but a strong King Hill defense held the Staters in check the second half, while the home club scored seven points and clinched the victory.

Morita of the State School was high point man with eight points, while Jesse Woods led the home club with five.

TRADE MARK

Birdie on 18th Hole Wins \$4,100 for Ben Hogan

By PAUL SCHEFFELS
NEW YORK, Jan. 14 (U.P.)—Press-box sports-patter:

BASEBALL—The howl that went up from Pittsburgh fans when Arky Vaughan was traded to the Brooklyn Dodgers for four players and cash was heard all the way back here ... but Manager Frankie Frisch, back in circulation after being hospitalized for a foot operation, sticks to his guns and says the quartet of Dodgers he received for Arky is going to help him plenty ... Seems Frisch always wanted Pete Cossarati because Second Baseman Frankie Gusline was on the verge of being drafted ... Fletcher Luke Hamlin's "Gopher" balls will be just long flies in the Pirates' park ... Babe Phelps will be a hefty pinch-hitter and a good catching aid to Al Lopez while Jimmy Wadell is headed for the regular right field job.

Several major athletic programs have suffered some curtailment due to the war but according to President Ray Dumont of the national semi-pro baseball congress, his sport is in for its biggest year.

On May 3—official opening date of the season—Dumont predicts that 70,000 teams, representing nearly a half million players, will begin play ... The semi-pros are prospering because industrial teams make up nearly 50 per cent of their clubs, the army another 20 per cent and only 30 per cent represents the "small town" variety, most likely to suffer from the war.

GOLF—Several thousands of our best links-minded citizens are currently concerned with how to save their supply of golf balls or, at least, make them last longer ... Here's how you can do it—choose a high-grade ball with a durable cover; forget that a new ball is needed after every round; keep the pellet clean but do not soak it and do not use hot water; and do not place golf balls near steam pipes or in direct sunlight in hot weather ... And save your old ones, because it takes only one pound of rubber to recover about 3 1/2 dozen golf balls where it takes all

most four pounds to make the same number of new ones.

FOOTBALL—The nation's armed forces will take more than half of the squad that scored the Sugar bowl victory for Fordham ... Seven players have been accepted by the naval air corps and half a dozen more applied this week ... Another has been accepted by the marines while three more, turned down by the navy's air arm but asked to try again, will take another chance ... Halback Walter Quinn already is in uniform with the air corps while 10-year-old Don Brennan was accepted but deferred until he reaches 21 ... Picking the new Yale coach is the gridiron guessers' chief armchair diversion right now ... So far, Ica, Little, Lon Güner, Frank Murray, Jack Sutherland, Don Faurot, Clarence Munns and Jimmy Conzelmann top the list of prospects reportedly being considered.

TENNIS AS USUAL

NEW YORK, Jan. 14—Eastern Lawn Tennis association officials say that, although there may be a ball shortage, all established tournaments will be played next season.

ACE SHOTMAKER

LOS ANGELES, Jan. 14 (U.P.)—Ben Hogan, a jockey-sized Texan who yields to no man until the last putt is down, started the 1942 golf circuit where he finished in 1941—at the top—with a hard earned victory in the \$10,000 Los Angeles open.

He won the tournament on the 18th hole in a playoff match with big Jimmy Thomson, long-driving professional from Del Monte, Calif. Thomson almost won the tourney on Monday in the final round, but the little man from Dublin, Tex., still had to be reckoned with. Hogan birdied on the 18th to tie Thomson's 282 for the four rounds of play and thereby dimmed the big Californian's chances for first money of \$3,500—for the time being, anyway.

In the 18-hole playoff yesterday, it was the same combination—the last hole and Hogan's birdie—that permanently eclipsed Thomson's hopes. Thomson was on the green, but 12 feet away when Hogan executed a brilliant chip shot which rolled within eight inches of the cup. The score was even, and the pressure on Thomson putted—a \$1,800 shot—and the ball rolled toward the pin. It never reached the cup and stopped two inches from the rim. Hogan sank his for a birdie.

Hogan's share of tournament gold was \$3,500 and 25 per cent of the proceeds of yesterday's extra round, making the total prize about \$4,100. That is a good start for any year, especially for Hogan, who came out atop the professional heap last year without winning a major tournament.

Thomson won \$1,700, plus another 25 per cent of the gate, for a total of \$2,300.

Figures Hide Big Ball Seasons by Top-Notch Stars

By PAUL SCHEFFELS
NEW YORK, Jan. 14 (U.P.)—Quite a few pertinent facts about big league baseball players are doomed to obscurity because they are hidden behind a single line of figures in the averages, but today the National league service bureau forwarded belated cheers for Frank McCormick of Cincinnati and Cy Blanton of Philadelphia.

McCormick was the toughest batter in the loop to strike out in 1941. The pitchers of seven other National league clubs managed to fan the Reds' first baseman only 13 times in the entire 1941 season, an average of once every 50.2 trips to the plate.

Plays Full Schedule
Frank did not do any ducking either. Cincinnati played 154 games and so did McCormick. He has not missed a game since he took over the Reds' first base job on opening day in 1938. Last July 23 he was "beamed" in a night game at Crosley field but all it meant was a rest in the hospital until time to take the field for the next game.

The McCormick string of 616 consecutive games is the longest current endurance record in his league, although Frank cannot reach Gus Suhr's all-time league record of 622 until next mid-summer. As the league's "most valuable player" of 1940, McCormick made his endurance record mean more than a mere feat of stamina.

Taking the lead among the hard-to-fan performers last year, McCormick had to vault over Johnny Cooney, Arky Vaughan, Mickey Owen, Ernie Lombardi and Jimmy Brown, batters who rank high in that department every year. McCormick, in 1940 his banner year, fanned 20 times, twice as often as last year, a rate of once every 28 times up.

First Strike-out
He went to bat 45 times last spring before his first strike-out of year was slapped on him by Truett Sewell of Pittsburgh in the sixth inning on April 27. Over a stretch of nearly two months, July 12 to Sept. 7, he struck out only once.

Pitching's hall of fame has always been just around the corner for Blanton. Three times in his semi-pro days he hurled no-hitters down in the Texas-Oklahoma belt. In 1933 he held Joplin hitless in the Western league. In the majors the golden circle has eluded him only by the narrowest margins on several occasions.

His mound career is studded with gems. He set a Western league record of 21 strikeouts and an Eastern league mark of 20, both in regulation nine-inning games. Small-hit mound wins abound on his record sheets but never a major league no-hitter.

Great Year
Back in 1935 when he was earned-run champion of the league in his freshman year with the Pirates, a single by Spud Davis in the second inning was the only hit recorded as Cy blanketed the world champion St. Louis Cardinals. In the spring of '37, he pitched a nine-inning, no-hit game against a major league club but it did not count. The club was Cleveland and the game a pre-season exhibition in New Orleans.

The red-headed Oklahoman was red-hot again last year after some sorry seasons because of arm trouble. Two of his wins for the Phils were over the Pirates, one a brilliant 2-0 shutout.

Heyburn Trips Kimberly by 42 to 33 Score

KIMBERLY, Jan. 14 (Special)—Kimberly Bulldog cagers ran into some tough opposition here last night and took a 42-33 trouncing from the invading Heyburn Panthers.

The visitors took a 10-14 lead in the first half and were never headed, although Coach Ole Prince's club put up a stiff battle all the way.

However, the sharp shooting of Fenton, Heyburn star, was too much for the Bulldogs. Fenton played a standout floor game besides rapping up 25 points. Junior Emerson led the hosts with 14.

Preliminary went to the Kimberly seconds by a 19-14 count after the locals had pushed up a 14-1 lead in the first half. Bob Pollard scored seven counters for the winners—the same number scored by Heiner of the losing quintet.

Fairfield Cage Quintet Edges Bliss, 32-27

BLISS, Jan. 14 (Special)—The strong Fairfield Mushers, recently victors over the Shoshone Indians, state Class B champions, turned back the Bliss high school quintet here last night by a 32-27 score in a hard-fought encounter.

However, Coach Harry Dural's quintet had tough sledding, coming from behind a 9-15 deficit in the first half. Third stanza found the score all tied up at 23-all. In the last frame, the Bliss club was held to four points as Fairfield scored nine.

Hansen Rally Tips Murtaugh

HANSEN, Jan. 14 (Special)—Hansen high school Huskies put on a great last-half rally here last night to defeat the invading Murtaugh Red Devils by a score of 23-22.

The Huskies trailed by four points, 7-11, at the intermission, but led by Farmer, they came back strong in the last two stanzas. Farmer scored 11 points for high honors, compared with seven for Walker, Murtaugh's top point-getter.

Preliminary went to the Hansen seconds by a 34-23 victory over the Murtaugh reserves.

Hagerman Tips Wendell in Two Contests

WENDELL, Jan. 14 (Special)—Visiting Hagerman high school cage squads won a pair of games last night from Trojan clubs.

The varsity boys of Wendell dropped the main contest to the Hagerman boys by a 32-19 count after the first half had seen the clubs battle on even terms. Intermission count was 10-7 for Hagerman.

Schouwer was top scorer for the game with 10 points, while Glone, Bennett and Hendrickson each got eight for the winners.

Preliminary saw the Hagerman girls score a 26-12 victory over the local lassies, leading all the way.

Four Unbeaten In World's Billiard Play

CHICAGO, Jan. 14 (U.P.)—Four favored contenders, including defending champion Willie Hoppe, of New York, led the world's three cushion billiards championship tournament with two victories and no defeats today as third-round play continued.

Hoppe beat Arthur Thurnblad, Kenosha, Wis., 50 to 36, in a 46-inning game yesterday for his second win of the tourney. He shares the lead with Welker Cochrane, San Francisco; Joe Charnock, Mexico City; and Ralph Greenleaf, New York.

Cochrane beat John Fitzpatrick, Los Angeles, 50-42, in 52 innings; Greenleaf defeated Art Rubin, Brooklyn, 50-40, in 51 innings; Otto Reisel, Philadelphia, defeated Earl Lookabaugh, Chicago, 50 to 29, in 34 innings.

Boise Prepares For Pioneer League Session

BOISE, Jan. 14 (Special)—Plans were being arranged here today to entertain the directors of the Pioneer league on Sunday, Jan. 18, following announcement of the annual winter session by President J. K. Halliwell, Pocatello.

The meet was originally called for Idaho Falls, but to attend to some very "urgent" business, Halliwell has requested that the session be shifted to the Idaho capital city.

Included in the business program will be the proposed sale of the Idaho Falls club, a tie-up for Twin Falls with a major or AA team, and the drawing up of the 1942 schedule.

FOUND

ATLANTA, Ga., Jan. 14 (U.P.)—An army barber scraped off 11 years growth of beard Thursday and found Man Mountain Dean underneath.

Thus the wrestler, despite his 50 years and 280 pounds dead-weight, became a soldier once more. He first saw service in World War I.

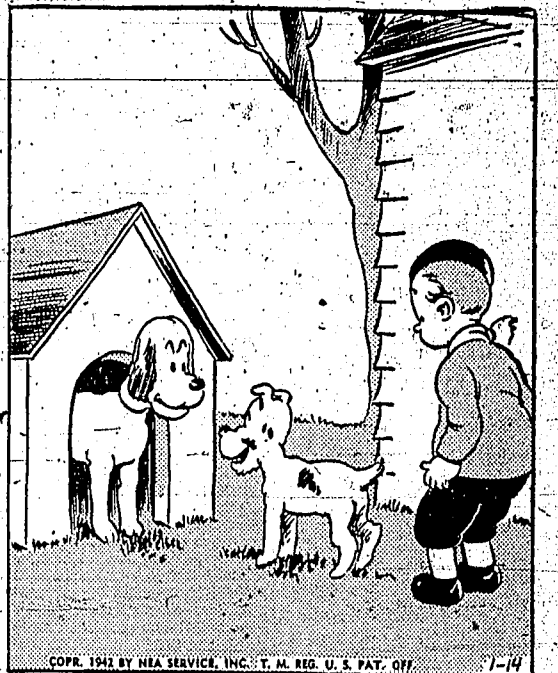

Dean was assigned to the tank corps.

2 ARMY DOCTORS TALK TO JAYCEES

Reports on two completed proj-
ects, on the community service
awards banquet scheduled for Jan.
20 and on Jaycee defense activities
highlighted the business portion of
last night's membership dinner at
the Park hotel.

Guest speakers after the business
meeting were Capt. Robert I. Bump;
president of the army medical ex-
amining board which leaves Twin
Falls tonight, and Lieut. Francis B.
Linne, member of the board. Capt.
Bump and Lieut. Linne are medical
corps members from ninth corps
area headquarters. They spoke "off
the record" concerning selected ex-
aminations, selection, training and
some of their own experiences.

Jay Spracher, program chairman,
introduced the two army physicians
and surgeons.

Blood Project

Jaycee defense activities were out-
lined by President Loyal I. Perry,
with report on the blood donor pro-
ject being offered by Robert H. War-
ner. Total sign-up here has reached
638. Warner said. Registration in
Buhl, Filer and Kimberly is plan-
ned as the next step with sponsor-
ship in those communities proba-
bly to be taken by civic clubs. A
final registration will probably be
staged in Twin Falls to complete or
exceed the anticipated goal of 1,000.

Plans for the community service
awards dinner next Tuesday, Jan.
20, were outlined by J. J. Mullen,
chairman of the banquet committee.
Following the meeting, John Quincy
Adams, ticket sale chairman, re-
ported that one-half of the 110
tickets for the second annual awards
dinner has now been sold. The 120
limit will be maximum attendance.

Other Projects

Roy Babel, reporting for Chair-
man C. A. (Bud) Buffington, out-
lined the Christmas toy project in
detail. Ray Robbins, winter sports
chairman, announced that the
Magic mountain ski shelter project
is now completed and said a plaque
donated by E. E. Jellison will be
created over the fireplace. The
plaque gives the Jaycee dedication
date, shows Junior Chamber of
Commerce sponsorship, and pro-
claims that construction of the shel-
ter was carried out by the U. S. for-
est service in cooperation with the
Jaycees, the Chamber of Commerce
and the Magic Mountain Ski Club.

DEMOLAY FORMS TWIN FALLS UNIT

With Wayne Fuller as master counselor, Twin Falls chapter, Order of Demolay, was formed at the Masonic temple Sunday by members of the Boccia club.

Received into membership were 33 youths. Other chapter officers are James E. DeKlotz, senior counselor, and William Hawkins, junior counselor.

Thirty Gate City youths, accompanied by Charles Kirchner, "dad" of the Bannock county chapter, came to Twin Falls for the occasion in a chartered bus.

A father-son banquet, attended by approximately 100 guests, was served that evening in the dining room.

Officers of the advisory council are Ray Sluyter, chairman; Robert A. Burdick, vice-chairman; and Curtis T. Eaton, secretary.

Organization ceremony was under direction of Tom Sahlgren, master counselor of the Pocatello chapter. Twin Falls is the ninth chapter in Idaho.

PROBE OPENS IN TRANSPORT LOSS

WASHINGTON, Jan. 14 (UP)—The war department today was investigating the loss of the 7314-ton army transport Clevedon in Alaskan waters but there was no indication that enemy action was involved.

The department said that the vessel was destroyed "by fire" and that the cause is being investigated. The language did not suggest that Japanese hostile action was responsible for the loss of the vessel, a combination passenger and freight ship, the ship and its cargo were lost but all personnel was safe.

The war department said two weeks ago that Japanese submarines were reported to be operating in Alaskan waters. There was no indication that these reports were linked with the loss of the Clevedon.

William H. Eller Funeral at Paul

PAUL, Jan. 14 (Special)—Funeral services were held Sunday at the Paul Community Methodist church for William Harrison Eller, well-known Paul man, who died last week at the Caribou hospital in Soda Springs, following a major operation.

The body was brought to Rupert, where it lay in state at the Good-man mortuary until services Sunday.

Rev. Albert E. Parrett, pastor of the Rupert and Paul Methodist churches, officiating.

Funeral music was furnished by Mrs. Allen Hardin and Mrs. Don Hardin, who sang "Sweetly Resting" and "Jesus Lover of My Soul," accompanied by Miss Edith Triebel.

Funeral services were held at the Paul cemetery, where the body was laid to rest, beside the grave of his wife, who died at Paul, Dec. 5, 1925.

He was born Jan. 17, 1875, at Purlier, N. Carolina, and died Jan. 7, at the age of 67 years. He joined the Baptist church in youth. In 1905, he became a member of the Masonic lodge, and held membership in the Paul lodge 77.

Mr. Eller was married to Miss Effie Watson, Dec. 17, 1905, at Purlier, N. C.

The family moved to Paul, Idaho, in March, 1918. Mr. Eller is survived by the following children:

Surviving Relatives
Vern and William Eller, Seattle, Wash.; Mrs. Verdie Decker and Ruth Eller, Burley. One daughter, Marie, died in infancy; three grandchildren, three brothers, and one sister.

All the children were present at the funeral. Mr. and Mrs. William Eller and Vern Eller, Seattle, arrived Friday, and left Monday for their homes.

Funeral services for Bruce Martin Vulgamore were held at the Memorial church in Filer at 2:30 p. m. Monday.

Two duels were sung "Rock of Ages" and "Safe in the Arms of Jesus" by Mrs. F. C. Anderson and Mrs. F. S. Kagey, accompanied on the piano by Miss Eva Metcalf.

Interment was in the Filer cemetery under direction of the Evans and Johnson funeral home.

SHOSHONE, Jan. 14 (Special)—Mr. and Mrs. E. W. McRoberts, Shoshone residents, have recently received word of the marriage of their son, James, to Miss Lila Hanks, at Los Angeles Jan. 5, James McRoberts, a former Shoshone resident, now employed at the Lockheed factories in Los Angeles.

Beautiful table lamps were presented the retiring officers, Mrs. Frank Strawser, retiring president; Mrs. Rodney Ewing, secretary-treasurer, and Mrs. John Luntz, vice-president, in appreciation for their year's work.

Mrs. Carl Hendrix and Mrs. Howard Reed will be hostesses to the club at its next meeting Jan. 21, at the community hall.

Family of Three
Hurt in Accident

BURLEY, Jan. 14 (Special)—The three small children of Mr. and Mrs. Orval Hunter, Fairfield, Utah, received cuts about their faces and heads when a car driven by their father collided with the back end of a car owned by Jay Brown about three miles east of Burley, Sunday at 10:30 p. m. The children were brought to the hospital for treatment. Hunter told officers that his car struck the Brown car from the rear when the Brown car was parked on the highway without lights. The rear end of the Brown car and front end of the Hunter car were damaged considerably.

Pacific Islands Topic of Address At Culture Club

BUHL, Jan. 14 (Special)—The Home Culture club met for luncheon at the home of Mrs. A. J. Livingston, Mrs. Sidney Tibbs and Mrs. V. H. Anderson were the assisting hostesses.

Mrs. N. I. Jordan presided business meeting. Mrs. Melvin A. Drake, program chairman, introduced the guest speaker Mrs. George Lakeness. Her paper, "The United States Possessions," which included Alaska, Guam, Wake, Hawaiian, Philippine, Samoan islands and Panama, was most timely.

How Acquired
She told how these various possessions were acquired, the cost, and from whom acquired.

The club voted to sponsor the organization of a community welfare council for Buhl and vicinity, including Cedar Draw, Castleford, and the Lucerne district. Mrs. Fred Harting was appointed organization chairman of the Home Culture club, with instructions to contact the welfare committees of all clubs, service organizations and churches.

A tentative plan was discussed to obtain a room in the business district which could be used as a headquarters where donations of food, clothing, and money could be taken care of and distributed where needed.

This room could also serve as a sewing room and headquarters for all local relief. The whole plan is separate and apart from any local Red Cross work, it was pointed out.

Local Relief-Setup
Heretofore Buhl and vicinity have not had a community welfare organization. Need for it has been most apparent among the children in the primary grades, according to Mrs. Elinor Van Houten, superintendent of the F. H. Buhl building.

Plans were made for the annual party which the club gives to the hundreds of members. It will be held Feb. 4 at 7 p. m. and will be a pot-luck dinner followed by cards.

Next regular meeting of the club will be held at the home of Mrs. O. O. Smithson Feb. 13, with Mrs. P. E. Bartlett and Mrs. Fred Harting as assistant hostesses.

Attorney Tells
OF ALIEN STATUS

Asserting that only a very small percentage of alien enemies in the U. S. are considered dangerous by the department of justice, John A. Carver, United States attorney for Idaho, urged in a radio talk here Monday night that employers and the public refrain from hostile attitude toward such persons.

Carver said the majority of aliens has "already proved their devotion to American institutions and to democratic principles." He asked employers and others not to take a stand which would prevent aliens from finding work.

Any suspensions, the U. S. attorney said, should be communicated to the FBI or local officers and citizens should not take any direct action themselves.

Red Cross Funds
Far Exceed Quota

MURTAUGH, Jan. 14 (Special)—The Red Cross drive for funds in Murtaugh more than doubled the quota set for this area, according to Mrs. E. P. Browning, local chairman.

With a quota of \$135 the community contributed approximately \$310. Mrs. Browning said the response was most heartening and that contributions would still be accepted for another week. If any one wishes to donate they are asked to call Mrs. Browning or give donations to any Red-Cross officer or solicitor.

BURLEY SESSION SET FOR JAN. 15

BURLEY, Jan. 14 (UP)—The second annual convention of the Idaho Farm Bureau federation will convene here Thursday. J. M. Dayley, president, announced today.

Originally the meeting was scheduled for Jan. 10; but the opening date was advanced four days. Speakers will include H. J. King, Rawlins, Wyo., president of the Wyoming farm bureau; Florence Bouvet Reno, Nev., president of the women's auxiliary of the national farm bureau; Selvy Boyer, executive secretary of the Utah group, and Kendall Dayley, Murtaugh.

Contractors Pick
Dan J. Cavanagh

BOISE, Jan. 14 (UP)—New head of the Idaho division of the Associated General Contractors is Dan J. Cavanagh, Twin Falls.

Cavanagh, formerly vice-president, was elected leader of the organization at a meeting here last night.

Other officers named included E. H. Smith, Boise, vice-president; Harry S. Vernon, Boise, secretary-treasurer, and William Hoops, Twin Falls, and Frank Kloepper and Clyde P. Humphrey, Boise, directors.

BAN
BUENOS AIRES, Jan. 14 (UP)—A ban on "annoying noises as well as heated conversations" in public places has been decreed by the provincial police at La Plata.

Speech
SINGAPORE, Jan. 14 (UP)—After the Rockies ride it's a safe bet the nips will be on the receiving end of some ammo, if the divvy says so.

That is the language of the British Imperials.

"Reckles" mean reconnaissance planes.

"Nips" are the Japanese.

"Divvy" is divisional headquarters.

"Ammo"—ammunition.

"Beat a hasty"—withdrawal.

"Disheards"—dispatch riders.

A couple of dechards were leading an ammo gang when nip reckles were gladeyed. They beat a hasty but couldn't find the divvy," is typical conversation.

Boy Scouts Hold
District Election

MURTAUGH, Jan. 13 (Special)—The district election for Kimberly-Hansen-Murtaugh area Boy Scouts of America, was held at the L.D.S. recreation hall in Murtaugh Friday evening, Jan. 9. Ben Potter, Kimberly, was re-elected chairman for the district. William B. Lindaw, Murtaugh, was elected vice-chairman; Henry Rees, camp chairman; Rev. Stanley D. Trefren, Kimberly, secretary and William Slanger, Hansen, commissioner. Appointment of councilmen for the various troops will be made later. Plans were discussed to start Red Cross first aid classes and Dr. Harry Lasin, Kimberly led this discussion and pointed out the virtue of this work.

A plan is underway to interest Senior Scouts in this vital work. D. G. Moyes, present councilman for Murtaugh, stated.

1,140 POUNDS OF
PAPER COLLECTED

Boy Scout troop No. 87, sponsored by the Methodist church, initiated its newspaper collection Saturday afternoon, gathering about 1,140 pounds of paper, it was reported when the group met Monday night at the church.

Reorganization of the troop by patrols was completed, with a new patrol being added, making four units for the ensuing year.

Junior Melain, junior assistant Scoutmaster, was in charge of the meeting. A tenderfoot investiture ceremony was presented by the ram patrol for the initiation of Gene Pickett in to the troop.

The group will collect old paper next Saturday, beginning at 10 a. m. It was announced.

Doer Beer will have charge of the meeting next Monday at 7:30 p. m. The green bar meeting will begin at 7 p. m. Kent Tallock is Scoutmaster.
