

JAPS RENEW DRIVE ON BURMA

U. S., Jap Units Engage in Bataan Artillery Conflict

WASHINGTON, Feb. 14 (Special)—If the government had its way (meaning the treasury, social security board, etc.) 10 per cent will be taken off the payroll for taxes—four per cent from the employer and six per cent from the employee. In addition, there may be another payroll tax ranging from five to 15 per cent as a "withholding tax"—compulsory savings.

KELLY

This proposal has been under consideration by the wise men of the treasury department in their search for a source to raise 27 billion dollars a year for war activities.

The worker now has one percent taken from his pay check for old age assistance. This, according to the plan, would be applied to three per cent. For this additional tax the worker would receive hospitalization, which is not provided for in the present one per cent tax. Then aside from the three per cent for old age assistance, the worker is to pay another one per cent for unemployment insurance. Heretofore employees have not contributed to the fund to float them along for several weeks while they are out of a job, this burden falling exclusively upon the employer. With the increased social security tax and the unemployment tax the worker is faced with four percent knocked off his salary.

The boss would have to match the old-age tax of his employee which will, under the program proposed, be three per cent. He will also pay three per cent into the unemployment compensation fund. Total payroll tax for the boss, six per cent.

These increased taxes are calculated to bring in two billion dollars of new money a year. In his budget message to congress this is the sum the President proposed from this source. Returns from last year on the current rates produced about one billion dollars. All the money from these payroll taxes is deposited with the treasury in a special fund. The treasury puts it in its I. O. U. in the form of a special security drawing 25 per cent and takes out the money to meet appropriations made by congress to carry on war work. The greater the sum collected from payroll taxes the more the treasury can borrow from the fund with its I. O. U. as collateral.

ENEMY AIRCRAFT BOMB DEFENSES ON WIDE FRONT

By MACK JOHNSON

WASHINGTON, Feb. 14 (U.P.)—

Japanese and American forces in Bataan duelled with heavy artillery and engaged in "aggressive infantry skirmishes" during the past 24 hours, the war department reported today.

"The enemy was active in the air on all parts of our front," a war department communiqué added.

No change in position of the lines was reported, however, and the communiqué said that in some sections of the Bataan front "enemy troops are entrenching their positions."

The department, outlining reports received up to 9:30 a. m. EWT, in communiqué No. 106, did not discuss significance of the increased Japanese activity but it appeared likely that it was part of an effort to "soften up" MacArthur's forces preparatory to the anticipated all-out Japanese effort to conquer them.

Fire on Forts

Japanese batteries on the Cavite shore of Manila bay again fired on the harbor defenses—Fort Mills on Corregidor island, and Forts Drum, Hughes and Frank on smaller islands. No major damage was inflicted, the department said.

Reports of the increasing Japanese activity coincided with assertions by military experts that the only way of reinforcing MacArthur would be with a large naval convoy from Hawaii.

They Admitted that such a project would involve the risk of a major "navy battle" with the Japanese and doubted that the United States high command was prepared to take such a chance at this time.

The situation was further aggravated by the threat of the quick loss of Singapore and the possibility of a Japanese thrust soon at the last important Dutch Indies naval base at Soerabaja on the island of Java.

Major Setback

They said that the loss of either or both Singapore or Soerabaja would be a major setback to the already slim chance of reinforcing MacArthur.

Hawaii is 5,000 miles from Manila and any attempt to send troops and supplies over such a long supply line would almost certainly precipitate an outright test of U. S. naval strength with Japan.

Thus MacArthur's heroic meff, holding out on the jungle-like and mountainous Bataan peninsula against at least 10 to one odds, faced the prospect of probably fighting on indefinitely without large-scale aid.

CHURCHILL FACES CABINET BATTLE

LONDON, Feb. 14 (U.P.)—Prime Minister Winston Churchill, fighting for the life of his cabinet, intends to defend himself before the house of commons next week against a mounting tide of bitter criticism.

The escape of a German fleet past the English coast within range of shore guns, plus the desperate situation at Singapore, brought even the ultra-conservative Times into the chorus demanding the scalps of members of Churchill's government, if not that of Churchill himself.

So bitter was the criticism that some thought Churchill would have to make a vigorous defense to assure even himself of the continued confidence of the house of commons.

But the general demand was for a merciless shakeup in the cabinet, to weed out the weak men and especially those who had any remaining taint of appeasement, and for Churchill to delegate real authority, especially in matters of military and naval strategy, to subordinates.

For months Churchill, largely out of loyalty to his colleagues, had resisted demands for a cabinet reconstruction. It appeared now that he must give in.

Notice to Readers

Because of transatlantic phases involved in consolidation of the Times and News Munday, Feb. 16, delivery of the Times-News may be delayed in some cases. Twin Falls city readers who do not receive their papers by 6 p. m. Monday are asked to telephone the circulation department, numbers 32 or 34.

If duplications occur by mail or carrier in other parts of Maylo Valley, such readers are asked to notify the circulation department by postal card.

Faces Prison

LAURA INGALLS

Ingalls Faces \$1,000 Fine, Term in Jail

WASHINGTON, Feb. 14 (U.P.)—Stunt flier Laura Ingalls today faced a possible maximum penalty of eight to 24 months in prison and \$1,000 fine for selling her propaganda services to the German government and failing to report them to the state department.

The diminutive, bob-haired flier, who gives her age as 38, was convicted by a district court jury of day of willful failure to register as a German agent. Justice James W. Morris revoked her \$7,500 bail and remanded her to district jail pending sentence, for which no date was set.

"Mata Hari" she said the jury she saw herself as "a sort of Mata Hari, an international spy," received the verdict with outward calm—which was in contrast with her emotional demeanor on the witness stand, and at counsel table during the five-day trial.

She stood erect as the jury filed in after one hour and 25 minutes of deliberation and gazed toward the jury box as the clerk's poll brought 12 "replies of 'guilty'." She smiled slightly and clenched her hands.

A few minutes later, before she was taken to jail, she remarked: "Well, it's Friday the 13th."

Received \$400

The government had charged that Miss Ingalls received \$400 from Baron Ulrich von Gienanth, second secretary of the German embassy and chief of gestapo agents in the United States, for making anti-British, isolationist speeches at America's first committee rallies.

The defense admitted as much but insisted that the flier had been engaged in private counter-espionage work against the Germans, impelled by the fact that she had been three times turned down when she sought a job with the federal bureau of investigation.

Reilly in his summation called his client "a bit of a crackpot" whose only ambition was to serve her country. Special Prosecutor M. Neil Andrews called her "a charming German agent," "this Miss Mata Hari," whose real aim was to pave the way for Adolf Hitler and become "Mrs. Gauleiter of the United States."

6 RESCUED FROM PACIFIC ISLANDS

HONOLULU, Feb. 14 (U.P.)—A United States destroyer, in a brave if bloodless exploit, has rescued six hungry, thirsty and almost naked Americans from tiny Howland and Baker islands, 2,140 miles south of Honolulu, it was revealed today.

There were eight men on the islands, all department of interior employees, when the war began. They were the entire population. "They heard the news by radio.

Soon the Japanese were bombing, machine gunning and shelling the defenseless islets in airplane and destroyer attack, and they killed two men—Joseph Keillihannan and Richard Whaley—of the four on Howland.

The survivors are Thomas Bederman, radio man, and Elvin Matson, assistant weather observer, of Howland, and Walter Burke, radio man, and Elmer Makun, James Coyne and James Pease, weather observers, of Baker.

The American destroyer, whose crew did not know whether they were heading into Japanese gun fire, steamed up to the islands on New Year's eve, and rescued the survivors, some of whom had to swim through the shark infested surf.

GERMANS' SHIP ESCAPE POINTS TO SEA BATTLE

By SANDOR S. KLEIN

WASHINGTON, Feb. 14 (U.P.)—

Naval strategists said today that the successful dash of three German war vessels through Dover straits suggested the possibility of a new Nazi spring offensive in the battle of the Atlantic.

These ships—the 26,000-ton battleships Scharnhorst and Gneisenau and the 10,000-ton cruiser Prinz Eugen—probably returned to a German port for refitting or repair prior to joining other powerful fleet units in a campaign against Britain's Atlantic life-line, they believed.

Potent Sea Force

The Germans will have a potent sea force, they said, if those three ships are able to join the battleship Tirpitz, a sister ship of the Scharnhorst, two pocket battleships, the Luetzow and Admiral Scheer, five or six 6-inch and 8-inch gun cruisers, the 19,000-ton aircraft carrier Graf Zeppelin, and possibly a brand new carrier.

The experts said the Nazis followed an old pattern in setting the preliminaries for the race from Brest to German waters. That involves repeated circulation of rumors by the Germans that they are about to strike in a certain direction until repetition discredits their credence and then suddenly striking at that very objective.

Many times in recent months these observers said, there have been reports that the German vessels were about to leave Brest.

According to these experts, it was known that one of the three German ships had been damaged in the repeated British raids on them. It was conceivable, they said, that repairs could be made in a German naval yard.

Safer Run

Apparently the Germans felt that the run home might be safer through the English channel and the Dover straits under certain conditions than over the longer northern route, around Ireland and down the Norwegian coast, it was said. The Germans must have known that the heavier, more powerful British warships were concentrated along the northern route.

Another factor probably was the availability of land-based Nazi fighter planes and bombers, operating from airfields in France to provide an air canopy for the squadron.

ALLIED AIRPLANES BOMB JAP CRAFT

MELBOURNE, Feb. 14 (U.P.)—Grounded Japanese aircraft and shipping at Gasmata, on the southern coast of New Britain island, were bombed and machine-gunned again today by royal Australian air force fliers, the air ministry said today.

The announcement did not state the time of the raid, but it presumably was last night. Previously this week RAAF planes bombed one ship and fired another at Gasmata. On the latest attack enemy interceptors met the Australian planes, but they broke through, pressed home their attack and returned safely. A large fire was started at the port.

F. M. Forde, war minister, said in Sydney that no further word had been received from the beleaguered Australian garrison at Rabaul, on the northeastern side of New Britain.

NAZIS CHALLENGE POWER ON OCEAN

LONDON, Feb. 14 (U.P.)—Former War Secretary Leslie Hore-Belisha today declared Germany has challenged Britain's traditional sea power and peril is closing around the empire.

Speaking at Keyham in Devonport, Hore-Belisha described the escape of a German battle fleet through the Dover strait as "the most significant event of the war" because: "We know now that our own coastal waters are not inviolable and that our traditional sea-power is inclusively challenged."

In a speech at Staines, in Middlesex, Edgar Louis Granville, Liberal National party, urged that a new cabinet of "national union" be formed, composed of "ruthless men."

"Nothing else," he said, "will restore world confidence. We want the best leaders the empire can produce. We need men like Sir Stafford Cripps (former Laborite ambassador to Russia) who should take their place now in such a cabinet."

CIVILIAN PILOTS BARRED

BOISE, Feb. 14 (U.P.)—A. G. Witter, civil aeronautics authority inspector, announced today Idaho civilian pilots will be barred from airports which are not designated as civilian landing areas.

The order becomes effective at midnight tonight.

WAR BULLETINS

NEW YORK, Feb. 14 (U.P.)—The

Australian radio, heard by CBS, reported today that Australian and other British imperial troops had landed at Batavia, Netherlands East Indies, and were taking up positions for the defense of Java.

TOKYO, Feb. 14 (Official broadcast recorded by UP in San Francisco)—A dispatch from Singapore island today said British forces had mustered about 30 ships in the port of Singapore and an additional number at a point near the city to attempt another "so-called strategic retreat," but that two-thirds of the vessels already had been sunk by Japanese aerial attack.

U. S. Tanks in Bataan Score Win Over Foe

By FRANK HEWLETT

WITH GEN. MAC ARTHUR'S
ARMY IN THE PHILIPPINES, Feb.

14 (U.P.)—American tanks have met and defeated Japanese tanks in the Bataan peninsula in the first battle of tanks against tanks alone in United States history.

It was a little fight and it took place on New Year's eve, but the story which came out today showed that it was a clear cut victory.

Ten light, American tanks were covering the withdrawal of Gen. Douglas MacArthur's men to their present strong line when First Lieut. William Gentry, Kentucky national guard, of Harrodsburg, Ky., sighted a force of eight Japanese tanks, only a few hundred yards away, and flashed the news to other tanks over his radio.

Stops 6 Jap Tanks

First Lieut. Harold Collins, LaGrange, O., moved up in support and the two American platoons went into action with the guns of their 10 little tanks splitting death.

They fought a fierce fight, sometimes at less than 30-foot range, and destroyed six of the eight Japanese tanks without losing a tank themselves.

Lieut. Gentry told me the story today at the field hospital where he is recuperating—not from battle wounds but from an attack of fever which felled him after his hard-fighting tank platoon had been brought to the rear for a deserved rest.

Two Flee

It was just before dark, and by nightfall six Japanese tanks had been knocked out and the other two had fled to safer pastures.

It was a hot, short fight, right in the streets of the town, and Gentry (Continued on Page 2, Column 3)

China Reports U. S. Air Units in Java

CHUNGKING, Feb. 14 (Official

Chinese broadcast recorded at San Francisco by United Press)—A commentator speaking in English said the Chinese people "are happy tonight" at the news that American units are in Java.

The Chinese also were cheered by news that the new allied naval commander-in-chief in the southern Pacific "has expressed great confidence in the ability of the increasing naval forces under his command to soon be out attacking the thin lines of communication of the enemy in the south seas."

Honesty Is Swell, This 4-Year-Old Boy Opines

Bobby Goeckner, four years old, was positive today that honesty is by all odds the very finest of polities.

Bobby had five silver dollars to bolster his belief.

He got the \$5 by finding no less than 10,000 cigarettes (\$50 worth). They were in a carton which belonged off an Orange Transportation company truck recently. The five silver dollars formed Bobby's unexpected reward from the company.

Said Bobby, grinning at his handful of silver:

"Gosh, I can buy anything with this."

The youngster, son of Mr. and Mrs. Ted Goeckner, 200 Ninth avenue east, saw a carton on the street at the intersection of Ninth avenue east and Third street east. He wanted that box for his kiddy. So, under the watchful eyes of his mother, Bobby went out to get the carton.

"This box is too heavy," he

shouted to Mrs. Goeckner.

His mother got the carton, removed the cigarettes and the box was empty. Bobby and News classified advertisement in the lost and found section, and telephoned the trucking company.

Bobby's father is merchant patrolman for the downtown district.

U. S. AIR POWER CAN WIN BATTLE, AUSSIES REPORT

By FREDERICK SMITH

CANBERRA, Feb. 14 (U.P.)—

United States air power can and will win the battle of the Pacific because the battle for Australia may very well decide the battle for America, Premier John Curtin predicted today in an exclusive interview with the United Press.

Curtin, who has campaigned for independent Australian air strength and deplored complete dependence on the British to defend Singapore and the south, always believed that war for the very existence of the "down under" continent was inevitable.

Today, with Japanese pressing on to Singapore and Japanese troops and planes in the Netherlands East Indies, less than 500 miles away, Curtin is placing great hope in the aid he expects from the United States.

Major Pacific Power

"When I said that Australia looks to America I meant that America was the major allied power in the Pacific," he said. "Whatever America does in the Pacific war is America's affair, but I do point out that the battle for America may very well be won or lost by the way the battle for Australia goes."

"American planes and guns will save America if Australia is saved," Curtin, 57, was an editor and a reform advocate before he entered parliament 14 years ago. As a union organizer he knows the rough and tumble side of life both as a labor leader and a politician.

He was out of the house for three years and when he returned in 1934 he was firmly convinced that geographical and strategic factors made air power Australia's only hope against invasion.

Low Air Strength

"Now, after 10 years fighting for air power I have come to the head of the Australian government and I find myself with an alarmingly low air strength at my command," he said. "I fully realize the magnitude of America's difficulties and the Australian would dare to presume to tell America what she should do anywhere in the whole world. What she has done has earned the undying gratitude of democratic people of the whole world. What she will do in the future will be the overwhelming factor in the war."

"Anzac—American air power can save Australia and by that immense strength strengthen America's position, not only in the Pacific but the Atlantic, too," he continued. "You Americans know about our Anzacs. There is no need for me to praise them, what they have done speaks for itself."

SUGAR RATIONING AT COURTHOUSES

BOISE, Feb. 14 (U.P.)—Idaho county courthouses today were designated by Gov. Chase A. Clark as headquarters for receipt and disbursement of necessary material for the forthcoming sugar rationing.

The governor also requested that each county clerk serve in the capacity of consignee for the printed material which will be distributed in connection with the rationing program. Organization of the rationing set-up on a county basis was requested by Frank Bane, director of the sugar rationing system.

Under a special order, state gov-

ernors were authorized to open registration places in advance of the official date—Feb. 16—and nearly every state is doing so, making it possible for men working in industries to sign the dotted line during their time off.

Most such workers may expect occupational deferments from active service, but Brig. Gen. Lewis B. Hershey, selective service director, revealed last night that the armed forces, "like great business undertakings," need skilled workers, too, and probably will be forced to recruit some of them through selective service.

Hershey told a meeting of the greater Cleveland safety council that "enough of these men may be available to lighten the early levies, but to the extent that many new divisions are unequipped with trained specialists we must hold those divisions out of the front line until they are properly equipped, or send in an improperly organized force."

Wool Men Facing Shortage in Sacks

BOISE, Feb. 14 (U.P.)—Idaho wool growers still lack a sufficient supply of burlap bags to market the spring clip, now well underway. M. C. Olan, secretary of the Idaho Wool Growers' association, reported today.

He expressed belief that progress was being made toward obtaining a larger supply and declared that "officials in Washington have admitted for the first time that getting wool to market is essential and that some type of bags or containers is important."

Supplies of burlap must be released by the quartermasters corps of the army, he said.

REUNITED

PARANA, Argentina, Feb. 14 (U.P.)—Gregorio Bolla, 71, entering the old folks' home, found among the inmates his mother, Greguella Bolla, 101, whom he had not heard of for many years.

Singapore City Garrison Still Battles Enemy

By JOE ALEX MORRIS

United Press Foreign Editor

The united nations waged stubborn battles today against Japan's intensified attack on Singapore city, a renewed onslaught in Burma and a big-scale parachute attack designed to open an all-out offensive against the main Dutch East Indies defense bases.

The Japanese offensive appeared to be attempting to muster the enemy's last ounce of power in a gigantic gamble to break through the allied lines in the southwestern Pacific before reinforcements—a ready arriving—could bring their drive to a halt.

Late dispatches showed:

BATAVIA—Japanese paratroops landed from more than 100 transport planes and apparently numbering several thousand were dropped on Sumatra island near the oil centers of Palembang and Pladju, where they were successfully attacked and suffered many casualties in battle with the Dutch defense forces who appeared to be successful in the first phase of fighting.

Western Aim

The Palembang attack was the western prong of a pincers aimed at the allied supreme headquarters on Java and the Soerabaja naval base. The eastern prong apparently had taken the south Borneo port of Sandjerman and both ends of the pincers were now about 250 to 300 miles from their goal.

SINGAPORE—British imperials still were fighting a last man battle in defense of Singapore town, throwing back furious Japanese air, tank and artillery attacks. The Tokyo radio reported again that the Japanese had entered Singapore and were pushing toward the harbor in heavy hand to hand fighting while artillery shelled the town, but the Singapore radio still broadcast its defiance.

BUKMA—Dispatches reported

strong allied reinforcements, including hundreds of RAF planes and some flying fortresses, as well as Chinese soldiers, have joined in the defense of Burma, where renewed Japanese attacks had broken across the Salween river at Paan as well as at Martaban.

British Front Holds

The latest Rangoon communiqué indicated that the British front was holding at Paan after heavy fighting and that the Japanese had suffered severe casualties. RAF planes heavily bombed the Japanese near Moulmein elsewhere.

Arrival of reinforcements at the vital sectors of the far eastern front was indicated in several dispatches. An Australian broadcast reported that the defense of that island, Chungking, radio reported that American forces also were on the island, though Washington described them as part of the previously announced aerial units rather than an expeditionary force.

A United Press dispatch from Kunning said the British were concentrating large air forces in Burma and that trucks and trains had been taken over to move reinforcements, presumably including Chinese, to the fighting fronts.

Situation Grave

The situation in Java, however, was acknowledged as grave although "dozens" of Japanese paratroops were killed in the first Sumatra attack.

In London, the government of Prime Minister Winston Churchill was in grave danger as a result of the setback at Singapore and the successful dash of a German battle fleet through the strait of Dover, but developments were expected to await a speech by the prime minister in the house of commons next week.

In Russia there was no definite

new development in connection with the Red army drive that pushed into the Russian, but military sources said the German positions at Smolensk appeared to be more seriously menaced.

DRIVE BACK NAZIS

CAIRO, Feb. 14 (U.P.)—British air forces and mobile columns drove back enemy mechanized forces in patrol action west of El Gazala in the Libya desert, a communiqué said today.

COLORADO YOUTH KILLED BY TRAIN

NAMPA, Feb. 14 (U.P.)—Seventeen-year-old Wallace Bannister of Denver, Colo., was killed last night when a Union Pacific passenger train struck the truck in which he was riding at a crossing about 20 miles west of here.

Lloyd Curtis, 20, Nampa, suffered severe bruises in the crash, and the driver, James Curtis, also of Nampa, jumped to safety. Curtis told officers he did not see the approaching train until his truck motor stalled as the vehicle was crossing the tracks. The three-ton truck was tossed 65 feet by the westbound Portland Road.

Bannister came here about two weeks ago to work for his uncle. He was the son of Mr. and Mrs. Rex E. Bannister of Denver.

VISITS

CARROLLTON, Mo., Feb. 14 (U.P.)—James Miles and his wife decided to visit their married daughter in Riverside, Calif.

"We won't tell them anything about it, we'll just surprise them," Miles said, and they started out.

Today, the daughter, Mrs. Ode Sheehan and her husband, are wondering if, next time the family decides to visit, it wouldn't be better to write first. They just drove in from Riverside "to surprise the folks."

"I guess dad and mom are having a fine time seeing the sights in California," she said.

GALET SUCCEEDS

FOCATTELO, Feb. 14 (U.P.)—Federal services will be held Monday for Edward G. Galet, 70, former secretary of the Idaho public utility commission and former state auditor.

COUNTY'S BUDGET GIVEN APPROVAL

Approval of the final 1942 budget for Twin Falls county was granted Friday evening by the board of commissioners, which left the tentative budget practically unchanged.

The final total is \$516,951.64. Preliminary list of appropriations had totaled \$519,033.64 but a \$2,082 amount was removed from the treasurer's department to make that authorized outlay \$13,553 instead of \$15,635.

Increases in direct relief (which the state no longer handles) and in the hospital appropriation, plus an \$11,000 item necessary this year for election expenses, accounted for bulk of the increase over the 1941 final budget of \$449,900.

A provisional item for \$200,000 is included in the 1942 final budget for hospital construction — but no levy will be set for this and no action will be taken unless taxpayers themselves institute and approve a bond issue. Commissioners assured the west end that the county itself will not build a new hospital without taxpayer action.

No citizens appeared for the budget hearing this week. Opportunity for hearing preceded the final approval, as stipulated in Idaho law.

Leth Loses Plea To Reverse Jury

District Judge J. W. Porter today denied and overruled George C. Leth's motion for judgment in his favor notwithstanding a jury verdict which granted \$880 damages to Harvey S. Hale, former county agent.

Arguments on the motion for judgment on behalf of the defendant were heard in court this morning.

The \$880 verdict was returned by a district court jury last Saturday afternoon after 10 hours deliberation. Hale had sued Leth, west end rancher and president of the Twin Falls County Livestock Marketing association, for \$25,000 on claim of malicious prosecution. Leth was signer of the complaint which brought trial of Hale. In 1939 on claim of embezzling \$550 from association funds. The former county agent was acquitted by a jury in June, 1939.

Fisher Rites Set

BURLEY, Feb. 14 (Special)—Funeral services for Fredrick Thomas Fisher, 65, farmer here since 1905, will be held Tuesday at 2 p. m. at the Burley Old Fellows hall, west end. Rev. Alvin L. Kleinfield of the Christian church conducting the services. Interment will be in Burley cemetery under the direction of the Payne mortuary.

News of Record

MARRIAGE LICENSES
Feb. 14.—Albert M. Young, 38, Gooding, and Marjorie Metcalf, 22, Wendell; Paul Mai, 33, Filer, and Dorothy Larsen, 30, Kimberly; Feb. 13.—William John Wilson, 21, and Betty Marie Busby, 19, both of Twin Falls; Thelma Probasco, 20, and Viola Outehalis, 19, both of Buhl; Goss Eldon Gordon, 20, Eden, and Josephine Carolyn Shelton, 19, Boise.

BIRTHS
To Mr. and Mrs. Russell Tucker, Hansen, a girl, yesterday at the Twin Falls county general hospital maternally home; to Mr. and Mrs. Wilbur Matthews Tuesday, a boy, at their home, 151 Ramalge.

FUNERALS
READ—Funeral services for Mrs. Julia R. Read, widow of H. D. Read, former Twin Falls police judge, will be held Monday at 2:30 p. m. in the White mortuary chapel. Rev. H. G. McCallister, Methodist minister, will officiate and interment will be in Twin Falls cemetery. Rites of the Order of the Eastern Star will be conducted by officers of Twin Falls chapter. Friends may view the body today, tomorrow and Monday at the mortuary. The casket will not be opened at the services.

SMITH—Funeral services for Mrs. Olive May Smith, 51, wife of Lloyd G. Smith, and resident of Twin Falls since 1908, will be held Monday at 2 p. m. in the Twin Falls mortuary chapel. Rev. Mark O. Cronenberger, Christian church minister, officiating. Interment will be in Sunset memorial park.

Keep the White Flag of Safety Flying

Now 29 days without a traffic death in our Magic Valley.

News in Brief

In Boise
Franklin Thymann, Twin Falls, transacted business in Boise this week.

Song Evangelists
Prof. and Mrs. Clyde Dilley, Caldwell, song evangelists, will sing at the Kibler Church of the Nazarene Sunday at 11 a. m. and at 7:45 p. m.

From Convention
Rev. L. D. Smith and Rev. Mackey J. Brown have returned from Nampa, where they attended the Idaho-Oregon-Utah district preachers' conference.

Good Ice at Lake
Wilson lake has a surface of between four and five acres of good ice, and southern Idaho skating enthusiasts are urged to take advantage of it Sunday, according to Bert Haven, Hazelton.

Utah Bishop Speaks
Rev. A. W. Moulton, bishop of Utah, will be guest preacher Sunday at 11:15 a. m. at the Church of the Ascension, Episcopal. Rev. Leale Rols, vicar, announced today. Ash Wednesday services will be held next Wednesday at 10:30 a. m. at the church.

Ministerial Meet
Snake River Valley Ministerial association will meet Monday, Feb. 16, at 12:30 for a pot-luck luncheon and program at the Hazelton Presbyterian church. Reports will be given on the Intermountain Inter-Denominational conference held recently in Salt Lake City and the preaching mission, conducted last week at Boise. Wives of members will be guests.

Nazarene Revival
Rev. D. C. Stout, Houston, Tex., well-known Nazarene evangelist, assisted by Mrs. Stout, will begin a two weeks' revival campaign at the Twin Falls Nazarene church Sunday. Services will be held at 11 a. m. and 7:30 p. m. Sunday and at 7:45 p. m. through the week except Sunday. Rev. L. D. Smith is pastor.

Guest Speakers
Dr. Royal J. Dye, former medical missionary in the African Congo, will speak Sunday at 10:45 a. m. at the Christian church, and Miss Genevieve Brown, superintendent of missionary education of the Disciples of Christ, Indianapolis, Ind., Sunday, according to Rev. Mark O. Cronenberger, pastor. Officers and teachers of the Bible school will meet with Miss Brown at the parsonage Monday at 8 p. m. for a conference.

Recreation Aid
Recreation association is willing to cooperate with any organization in helping to present parties or programs. Miss Emma Gold, city recreation supervisor, announced today. The recreation center staff consists of six trained recreation leaders, who are offering their services through the federal government and the Twin Falls recreation center. Those desiring this aid are asked to telephone 2154 for information.

Four Couples Defy 13th and Get Licenses

Not just one couple but four, no less, flouted the Friday the 13th jinx yesterday by securing marriage licenses.

After elderly Harvey D. Farris and Charlotte W. Parker, Jarbidge, started the parade in the morning three other pairs walked into the recorder's office before closing time at 5 p. m. They were William John Wilson and Betty Marie Busby, Twin Falls; Thelma Probasco and Viola Outehalis, both of Buhl; Goss Eldon Gordon, Eden, and Josephine Carolyn Shelton, Boise.

Hasty checkup of past records indicated that amount of "business" topped any Friday the 13th in recent years.

U. S. Tanks in Bataan Score Win Over Foe

(From Page One)

had no time in which to observe many details. In plain to observe "I'd like to see the tanks lead an immediate drive out of Bataan," he said. "Most of us tank men believe that one of our battalions could break through the Japanese lines and fight their way north faster than we retreated."

Second Lieut. Preston, also of Harrodsburg, Ky., like Gentry favors the use of tanks in open rather than wooded or jungle areas when possible.

"When a tank smashes through a grove of bamboo trees," he told me, "the trees spring back straight up. The result is that we don't only fail to see where we're going but we don't know where we've been."

Probate Judge O. A. Bailey presided this morning at a marriage service uniting Albert M. Young, Gooding, and Marjorie Metcalf, Wendell. Witnesses were John A. Brown and Mrs. Pearl Metcalf.

Membership Chairman
Tom Sine has been named chairman of the Twin Falls Junior Chamber of Commerce membership drive. President Loyd I. Perry said today. He replaces Max B. Miller, who withdrew as chairman because of personal business.

Presbyterian Services
Gerald Wallace will conduct the International relations service at the Presbyterian church Sunday at 7:30 p. m. Rev. G. L. Clark, announced today. Rev. E. L. Ikenberry, pastor of the Church of the Brethren, will address the group Sunday, Feb. 22.

Answer Alarm
Firemen this morning responded to an alarm at 214 Second street south where an overheated stove had set fire to a wall. Damage was relatively small. The house is owned by Frank Sabala, fire records show, and the alarm was turned in about 9:50 a. m.

To Join Navy
Boyd Allison Garrison, 17, Eden, today had been tentatively accepted for duty with the United States navy through the local recruiting office. C. A. Edmonson, head recruiter, announced. He will receive final entrance tests at Salt Lake City in the immediate future.

BURLEY, JEROME WIN MEET TILTS

MORNING RESULTS
Burley Elks 50, Pocatello 42.
Jerome 41, Gooding 30.
Haley forfeited to Shoshone.

GOODING, Feb. 14 (Special)—Gooding's 17th annual outlaw tournament moved into the quarter finals here today after three teams had scored victories this morning and two clubs had been sent to the sidelines for keeps—leaving four clubs still in the running for the championship.

At 2 p. m. today Jerome and American Falls, two undefeated clubs, tangled in the first afternoon game and at 3:10 Burley and Gooding, each with one defeat, met in an elimination contest.

At 4:20, Shoshone was slated to meet the loser of the Jerome-American Falls battle.

Tonight at 8 p. m. the semi-finals will be played, with the championship game set to start at 9:30.

This morning the Burley Elks showed a burst of scoring power to thump the Pocatello All-Stars by a score of 56-42. Sagas topped the losers with 18 points, while Turner got 19 and Anderson 16 for the winners.

Jerome trimmed Gooding by a 41-30 count. Saunders led the losers in scoring with 13 points, while John Norby topped Jerome with nine.

Haley forfeited to Shoshone to send the Redskins another step nearer the finals.

FEDERAL TAX ON ALL "CABARETS"

All places coming under the heading of "cabaret" are subject to a government tax amounting to five percent of their gross receipts, local internal revenue officials announced today.

Under the definition of a "cabaret" any beer parlor having a space where customers can dance to the music of a phonograph, radio or any entertainers will fall into this category. Likewise it covers places where beer might not be sold but where provisions are made for customers to dance.

A regular dance hall is subject to the regular admission tax. Ruling on a cabaret has just been received here and operators of such places should seek further particulars by contacting the revenue agents in the Twin Falls postoffice.

FIVE PELTS STOLEN
Five sheep pelts were stolen from the Mark McCall ranch north of the county fairgrounds at Filer, according to a report submitted to the sheriff's office. The theft occurred Thursday night.

HALL PLANS FOR GOP ORGANIZING

Howard Hall, who yesterday at Boise was named executive director of the state Republican party, today announced that his work will consist only of party organization, and that he will "refrain from any attempt to influence party primary selections."

Who is also president of the Idaho Young Republicans, was elected to the post by the party executive and administrative committee and was empowered to organize the party for the coming election campaigns.

He has taken the directorship on a temporary basis and next week will establish offices in Boise. His insurance business in Twin Falls, however, will be carried on by his wife until his return.

A statement issued by Mr. Hall this afternoon follows:

"In a conference with the seven members of the executive committee of the state central committee, who chose me as executive director, it was decided my duties should consist of party organization work with particular emphasis on a firm 'grass-roots' organization. Our party offices will be located in the Owyhee hotel at Boise.

"It will, of course, be necessary that I do considerable traveling throughout the state contacting various county organizations and party workers for the purpose of perfecting an executive organization which will be ready to function as such immediately after the primaries, and the candidates and new state committee has been selected. At this time my duties will cease and I will again give all my attention to the insurance business in Twin Falls. In the meantime, Mrs. Hall will take my place in the insurance work of the C. A. Robinson agency.

"I wish to emphasize the fact that my work will consist only of party organization, and that I will carefully refrain from any attempt to influence party primary selections."

DISMISSAL ENDS FIVE-YEAR SUIT

After five years of litigation, suit in district court between the Troy-Parishian Laundry and Detweiler Bros., Inc., came to an abrupt end here yesterday as motion for dismissal was granted.

The suit grew out of an assertedly defective stoker installation at the laundry plant. The laundry sought to recover approximately \$2,500 and costs.

Motion for dismissal, made by attorneys for the laundry concern, was not resisted but terms of the settlement were not announced. Judge James W. Porter dismissed members of the jury until Monday.

REPORT

Figuratively speaking, the police blotter was "filled" with reports from W. A. Van Engelen last night. He only used one telephone call, however, to make two reports.

He first reported that a bicycle belonging to his daughter Ruth had been stolen. The wheel was a Road Master painted blue.

Secondly he reported that his daughter Dorothy was driving a car and was involved in a crash with another machine being operated by Deputy Sheriff John Leiser shortly before 8:30 p. m. The mishap occurred at the corner of Shoshone street and Second avenue east and damages were slight.

Burley Man Dead In Naval Action

BURLEY, Feb. 14 (Special)—Charles White of the U. S. navy, member of the ship's band of the late U. S. S. Arizona, has been killed in action, the navy department has informed his wife, a resident of Burley.

The Arizona was sunk Dec. 7 at Pearl harbor. Previously, Mr. White had been reported as missing. Entire personnel of the ship's band now is listed as lost.

Mrs. White, formerly Miss Myriene Richins, is the daughter of Mr. and Mrs. W. A. Richins, Burley.

HOW LONG WILL YOUR TIRES LAST?

Thousands of extra miles of tire life can go to waste on your car if these things are wrong:

Wheels Unbalanced
Wheels & Steering Out of Alignment
Brakes Out of Adjustment

You can save money and make your tires last longer with our Emergency TIRE-SAVING PLAN! First, we test your front wheels, axle, steering alignment (and brakes) FREE. Then, according to what is needed to reduce tire wear, we will gladly re-align your wheels, adjust steering, correct front wheel "toe-in," and equalize brakes.

You still have time to cut tire waste—so drive in today.

IMPORTANT: There are several ways of increasing tire life that won't cost you a penny! Drop in today for full details.

Remember — A COMPLETE SCIENTIFIC WHEEL-ALIGNMENT TEST FREE, WITHOUT OBLIGATION.

MERCURY LINCOLN ZEPHYR

Wanted: Evacuee From Wake Island To Report on Kin

Was anyone evacuated from Wake Island after the Japanese attacks started Dec. 7?

The Chamber of Commerce is inclined to think there wasn't any way of leaving the ill-fated isle after the siege began, but Miss Clara Manson, 7301 Zimple avenue, New Orleans, La., asked the chamber yesterday to put her in contact with any Wake survivors that can be found.

Miss Manson said her brother was a surveyor on the island and she can't trace him now.

She wrote to Twin Falls because she read that Lewis Adamson, local carpenter, was killed while assisting in defense of Wake.

The New Orleans letter will be referred to Morrison-Knudsen company, Boise.

COUNTY SET FOR 20-44 REGISTER

Every man between the ages of 20 and 44 years, both inclusive, who has not registered under previous selective service registrations will be registered Monday and all preparations to do just this had been completed today, officials of Twin Falls county board number one said this afternoon.

"We're all ready to go," a board member said, "and even men who fall into this age group but who happen to be in the hospital, in jail or in like places will be registered."

Most men will report to the Legion hall in Twin Falls between the hours of 7 a. m. and 6 p. m. In other communities in this jurisdiction registrations will be made at the Grange hall at Hansen, the postoffice at Milner and the high schools at Kimberly and Murtaugh.

At the American Legion hall in Twin Falls provisions have been made for serving lunch and proceeds will go into the local fund of the state guard, officials said.

Gas Lack May Cut Summer Vacations

WASHINGTON, Feb. 14 (AP)—If it becomes necessary to ration gasoline, Sunday afternoon drives into the country and vacation trips next summer will be the first to be curtailed, war production board officials said today.

Price Administrator Leon Henderson told a press conference yesterday that he has no plan for rationing gasoline now but that he would be ready "when petroleum day comes."

Another ray of hope for civilians awaiting a threatened rationing of fuel for the family car was the fact that petroleum consumption has dropped as much as seven to 11 percent since the rationing of tires and automobiles began. That may relieve the pressure on oil supplies in some areas.

Top Price Paid on County Hog Pool

Highest gross top per hundred-weight since last Sept. 12 was paid yesterday for the hog pool sold by the Twin Falls County Livestock Marketing association.

The tops brought \$12.05, according to County Agent Bert Bollingbroke. The figure Sept. 12 was \$12.20.

Friday's pooled shipment, sold to J. Rube Larsen, San Francisco, brings net receipts of \$7,747.89 to participating growers. There were 293 hogs in the pool. Aggregate weight was 67,360 pounds.

UTES ARRANGED FOR MRS. TOLBY

Funeral services for Mrs. Wesley Ann Tolby, 76, Hansen, resident of Twin Falls county for 33 years, will be held Tuesday at 2:30 p. m. at the White mortuary chapel. Rev. W. E. Harmon, pastor of the Jerome Christian church, officiating. Interment will be in Twin Falls cemetery.

Mrs. Tolby had been a patient at the hospital since Jan. 8. She was born March 28, 1865, in Schuyler county, Illinois, and came with her husband to Idaho in 1909. They lived at Kallispell, Mont., before settling in Twin Falls county. John Edward Tolby, her husband, died in 1915.

Mrs. Tolby was a member of the Christian church, and Hansen circle of the Ladies of the Grand Army of the Republic. The circle will hold rites for Mrs. Tolby Tuesday afternoon.

Surviving are two sons, Charles Wesley Tolby and William Tolby, and a daughter, Mrs. Carl Hughes, and two grandchildren, all of Hansen.

Third Defendant Named in Charge Of Robbery Here

A third defendant was accused of robbery in new probate court charges filed Friday afternoon to replace a complaint which originally named only John Bohrn, 21, miner, and Kenneth DeVaney, 21, truck driver, both of Twin Falls.

The added defendant is Samuel David Cooper, 30, 210 Sidney street, Twin Falls. He is a painter and cement worker.

All three are now charged with robbing Louis Redlin last Feb. 4, allegedly taking \$8 in cash, a 15-jewel Waltham watch and a sheep-lined leather jacket.

Arraigned before Probate Judge C. A. Bailey, the three prisoners demanded preliminary hearing. That was set for 10 a. m. Tuesday, Feb. 17. Bond was fixed at \$500 for each man and the trio was taken back to county jail for lack of the bail money.

W. L. Dunn is counsel for Bohrn and DeVaney. O. C. Hall is attorney for Cooper.

CAMP FIRE GIRLS

TANANKIA

Tanankia group of the Camp Fire Girls met at the home of their guardian, Mrs. C. N. Rosa. Street blocks were assigned to the girls who are assisting in the civilian defense program. The girls went later to the home of Mrs. Al Russell to enjoy a surprise Valentine party in honor of Betty Ann Russell, Beverly Hisky, Ruby Southerland and Elvora Martin. Birthday cakes were baked by Shirley and Elvora Martin. Refreshments were served by Mrs. Russell. Homemade Valentines were made by the girls. Prize winners were Joan Cox and Barbara Gilkey.

CRUISER COMMISSIONED

NEW YORK, Feb. 14 (AP)—The light cruiser Juneau, named for the capital of the Territory of Alaska, was commissioned at the Brooklyn navy yard today.

Seen Today

Recapping establishment doing mishing business as ration nears on that industry too... Three small boys climbing up giant haystack at livestock yards... Sailor dropping into police station to ask location of highway going west... expert doing much measuring and pondering to prepare for complete new lighting system in Times-News editorial rooms... Fellow with six fairly new tires, doing lot of gesturing as he declaims about the difficulties the rationing program will get him into when his four tubes wear out... Chief Ken Barolay and Assistant Chief Lee McCracken signing up for the draft in advance (rest of city police doing ditto sometime today)...

Brunette dressed in slacks but also wearing very spiffy fur coat... And two California produce haulers marching into ration office with sad tale of woe after blowing out two tires on their truck.

\$3 Parking Fine Paid by Buhl Man

J. H. Shurley, Buhl attorney today was fined \$3 in Twin Falls municipal court on an overtime parking charge which was placed against him last year.

Police records show that he was issued a ticket for overtime parking on a Twin Falls street on Sept. 24, 1941. A warrant for his arrest was issued Oct. 7, 1941 after he failed to appear to answer to the ticket summons.

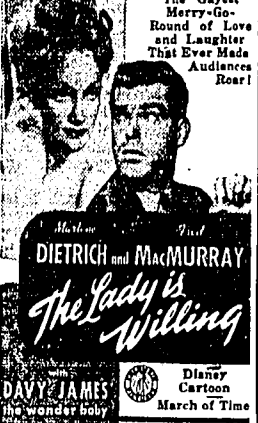

He was "picked up" on the warrant yesterday and the result was the \$3 fine.

POT SHOTS

WITH
The Gentleman in
the Third Row

HOW TO KNOCK A REPORTER INTO A DAZE!

The cashier lady in the Eventimes front office was dashing off the paychecks on the special machine she's got.

Something went momentarily wrong.

Out came a paycheck for one Orville Augustus Keller, Eventimes reporter-photog.

If that paycheck had ever reached Orville A. K., we doubt survival of Orville's heart.

His paycheck as it came out of the machine read as follows:

\$99,999,999.99.

HOW TO FOOL THE JAPS, OR IS IT?

Dear Pots:

Go out past the Salmon tract in some isolated area and put up posts in squares to correspond to city blocks. Make 30 or 40 blocks. Each post would have a little light on it all controlled by one switch. When Twin Falls blacks out, those would be turned on and from the air they would look just like a real street lighting system. If enemy airmen wanted to drop their bombs on it, it wouldn't hurt anything and would detract from all communities over this whole section where only a few scattered lights might be showing.

—Gusto

WE DEMAND A RATION

Pot Shots is going to ask Supt. Al Morgan to take one extra little chore onto his teachers when they take over the sugar ration card affair.

As long as the teachers are to handle the sugar cards, we'd like to have them take over the plan we have formulated to protect one of the Pot Shots possessions. In short, we wish them to assume jurisdiction over the Ration Plan for the Pot Shots Box of Matches.

We keep the box of matches in the drawer because we smoke a pipe while working. Five years ago some Valentine's day some viper discovered where we keep our matches. Ever since then our box has suffered regular onslaughts that would make Singapore look like a tea party. Once in a while one of the match purloiners buys a box with the assertion that this makes him even with us.

Then for two years thereafter the generous one proceeds to take matches out of our drawer.

We've given up any effort at all-out protection of our box of matches. What we want now is a darned strict rationing.

See to it, will you, A1?

UNCONSCIOUS WINECRACK

Dear Pot Shots:

This was unconscious but not too bad. The 20-30 club boys were talking about the new "victory suits" and one hubberdasher gent said he didn't think these would come right away because people's taste in clothing won't change fast enough.

"Why," said he, "if Hart, Schaffner and Marx started making suits without cuffs or vests and with short coats, the company would lose their pants."

The pants part came out without thinking. We were asked not to quote anybody on this but there's no taboo on "said," so-o-o-Dick Hepler was the one who said it.

—Jo-Jo the Jaint

OUR BULLETIN BOARD

Hairly Harry, general delivery, Filer—We don't like your smart crack in that postscript. As far as we're concerned, we'll step on anybody's toes . . . from yours to the President's. But your contrib didn't get in because it wasn't funny, had no other appeal and apparently was intended solely as a personal crack at the fellow you named. We don't promote private grudges for anybody.

ANENT THE FIGURATIVELY BUSTED BUTTONS

In case any of you people notice a bunch of guys striding around with the top button on their vests unbuttoned, this serves due warning that you're to recognize a member of the "Button Buster" club.

It's a new organization sponsored in these parts by the Lions club gents. As we get it, the Button Busters are open to any puppy who has a son in the armed services.

And the mystic symbolism behind the unbuttoned top of the vest is that the soldier or sailor dad "in the line" is so proud of his son he's swelling out his chest and busting off a button.

Fellow who proposed the Lions sponsorship is Bill Folsom the elder. Bill the elder, you know, is mighty proud (and rightly) of Bill the younger, who's only been in the navy for less than a month and is already recruiting petty officer in charge of about 142 other guys.

HUMOR UNCONSCIOUS

Scanning the public prints, Pot Shots finds a blurb from a college professor who swears up and down that the Nazis and Herr Hitler have absolutely no sense of humor.

We think it's the professor who has no sense of humor.

Can you imagine anything funnier than Hitler's grandiose communique that he'd take Moscow in three months?

FAMOUS LAST LINE
" . . . Huh—I should be big valentine for a 50-cent box of candy!"

THE GENTLEMAN IN THE THIRD ROW

"Nation of Dollar-Chasers"

With Kelly at Washington

(From Page One)

It should be remembered that the payroll tax (four per cent of the yearly income of the worker) cannot be deducted from the income tax.

The payroll tax is in addition. This applies, also, to the employer. National income will probably attain an all-time high in 1942 because of the large number of people working, plus the substantial wages being paid by war industries.

But the old-age and unemployment compensation taxes will not take enough money from the people. More must be extracted if the evils of inflation are to be checked.

Theory of the fiscal sharps is that the less money the people have the less they can spend for non-essentials. At this point the treasury suggests that a withholding tax be applied to payrolls, which would be in addition to the other payroll taxes. The range proposed is anywhere between five and 15 per cent. After the war the withheld taxes will be available to the contributors in some manner not yet figured out. This tax would be compulsory, or involuntary savings. It, too, would be borrowed by the treasury, making additional billings available for carrying on the war.

Farmers and agricultural workers, heretofore not under the social security act, will be embraced in the new set-up, and this would apply to the family-sized farm where the father, mother and children work the farm. Domestic servants, now exempt, will be included, likewise employers of non-profit organizations, charitable institutions, and employees of state and local governments.

It is estimated that at least 20 million new people will be on social security rolls. Trick in this is that in taking in these millions of people will provide more payroll taxes to enable the treasury to have access to more money.

People who conduct their own business, such as dentists, physicians, lawyers, pawnbrokers, cobblers, the one-man grocery, garage or bake shop, will also be covered by the social security blanket; pay their payroll and unemployment tax and feel that when they are jobless or briefless they will be cared for a time and later receive old-age pensions. Government plans to include practically everyone and get that much more payroll taxes for borrowing purposes.

The war is getting down to such things as nail polish remover, used by women when they wish to dispose of the old polish and apply a new coating. The remover contains chemicals required for explosives. The fad for red finger nails is on its way out.

KNOLL

The Knoll Mission Circle met at the home of Mrs. Albert Cedersburg Thursday for an all-day meeting, spent in sewing for the Red Cross.

Mrs. Roy Holloway, Gooding, was guest.

A call meeting of the Knoll Grange was held Thursday evening to make further plans for the Grange auction to be held for the benefit of the Red Cross.

Mr. and Mrs. Roy Holloway, Gooding, are visiting at the home of Hugh Holloway.

Mr. Theodore Hayer is in the St. Luke's hospital, Boise, where he underwent a major operation.

Mr. and Mrs. F. W. Neale and Mr. and Mrs. L. M. Baird attended the Lincoln's day banquet at Boise.

Mr. and Mrs. H. Standley and son, Jim, have returned from California where they have been visiting the past few months.

Attack on Pearl Harbor Is "Equalized" by Island Raid

WASHINGTON, Feb. 14 (AP)—Comparative damage done by the American raid on the Marshall and Gilbert Islands and the Japanese attack on Pearl harbor, as revealed by navy communiques.

JAPANESE LOSSES
Sixteen ships destroyed, including five warships:
17,000-ton converted aircraft carrier.
1 light cruiser.
1 destroyer.
2 submarines.
3 cargo vessels.
3 large fleet tankers.
3 smaller ships.

Several ships badly damaged. Forty-one planes destroyed. Two large seaplanes, 15 fighter planes, 11 scout bombers, 10 other bombers and three patrol planes.
Six hangars destroyed.
Two anti-aircraft batteries.

AMERICAN LOSSES, PEARL HARBOR
Battleship Arizona and destroyers Cassin, Shaw and Downes destroyed.
Target ship Utah destroyed.
Mine layer Oglala destroyed.
Battleship Oklahoma capsized, but being repaired.

"Intensive damage to the army's land-based planes" and "some damage" to hangars.
(The navy said Japanese losses at Pearl harbor were three submarines and 41 aircraft.)

GOODING CASSIA COUNTY

"TOP" IN SHEEP
BURLEY, Feb. 14 (Special)—According to a summary published recently by E. F. Rinehart, extension animal husbandman, Cassia county marketed more pooled farm lambs in 1941 than any other county in the state, with a total of 11,757 head as compared with 11,139 for Twin Falls county, and 10,239 for Bonneville county.

There were 18 active county pools in the state during the year. Pooling of lambs began in April and ended in December, with 91 per cent of lambs in April, 99 per cent in May, 88 per cent in June, 74 per cent in July, 65 per cent in August, and 57 per cent in September. As the season went on from May, the percentage of feeders and cull lambs increased. Lambs became lighter in weight also and prices were generally lower.

"This is the reason that now it will pay big to feed your lambs well so they may be marketed reasonable early. Lambs should be kept coming from birth and marketed when they reach their bloom stage, the report pointed out.

"The cheapest gain that you can put on lambs is when they are young because they make a lot of growth for the amount of feed given them."

Palmer reports that nearly everyone uses a lamb creep and it pays to keep in it a creep good palatable grains, hay, and perhaps pulp.

The average weight of pool lambs for the state was 84 pounds, compared with 68 for range lambs. This included both fatts and feeders. Fat range lambs averaged 87 pounds, compared with 85 pounds for farm lambs.

The past year was a very favorable season for feed, and range lambs brought an average price of 11.19 cents per pound, as compared with 10.98 cents per pound for farm lambs.

Physicians Speak On Food Values
RUPERT, Feb. 14 (Special)—Dr. F. H. Kenagy and Dr. Earl C. Jensen, local physicians and surgeons, spoke Wednesday before members of the Rupert Rotary club who met in a noon luncheon session at the Caledonian hotel.

Dr. Kenagy spoke on the importance of nutrition and emphasized the importance of observing Nutrition week Feb. 9-15. With "The Adventures of a Ham Sandwich" as his topic, Dr. Jensen, a guest of the club, also spoke on nutrition.

Group singing with Mrs. Edna Sinclair, at the piano completed the program which was in charge of John Remsburg, club president, Dr. A. E. Johnson, presided.

P-T-A. Speaker
HEYBURN, Feb. 14 (Special)—Mrs. O. A. Moellmer was the principal speaker at the P-T-A. meeting Wednesday night. Members of the faculty presented the program.

Jerome Highway District Now Works on Cash Basis

The Jerome highway district is now operating on a cash basis, and substantial balances of cash on hand are shown, an official said here this afternoon.

The official, S. L. Thorne, clerk, said that this is the first period in the 21-year existence of the district where it had no outstanding registered warrant indebtedness. This fact was revealed only recently following a detailed audit of the district's records. Total current assets for the district were listed at \$53,844.63.

County Will Be Clear
The audit disclosed that Jerome county will not require any further portion of the motor vehicle license funds or motor fuels tax funds after this year. All county road bonds will be retired early in 1943. This will mean, the official pointed out, that Jerome highway district as well as other highway districts in the county will receive proportionately, all of these funds in the future.

Records also show that the present highway board has reduced district levies for the past two consecutive years about 15 per cent. Further reductions will be made as warranted, Thorne said.

During the past four years the district has reconstructed and constructed some 55 miles of its highways, with an additional 15 miles planned for 1942. The present board contemplates a consistent road rebuilding and maintenance program spread over the next four or five years. The program calls for a "pay as you go" plan.

Thorne said that it is hoped that in the near future some of the main feeder farm to market roads can be oiled, thereby cutting down maintenance costs and giving a good year around roads over which the heaviest traffic can roll. The first objective is to get all of the principal roads oiled.

No 1942 Curtailment
War conditions, it was pointed out, make it necessary for the board to curtail some of its program until after the emergency ends. However, it is not indicated at present that curtailment will be necessary in 1942 since the district does not contemplate the use of any large amount of strategic metals or products essential to the war effort.

One big problem of the district during the irrigation season is the careless flooding of roads with irrigation water.

"More drastic action will be taken with violators in 1942 than in past years," Thorne said, "as a few hours later on a road base can do thousands of dollars in damage."

HISTORY Of Twin Falls City & County
As Gleaned from Files of The Times

15 YEARS AGO

FEB. 14, 1927
The junior high school will have an assembly in the auditorium tomorrow morning. Lawrence Turner, Pocatello, will give musical numbers, accompanied by his sister.

Attending the Lincoln day banquet from Twin Falls were Judge and Mrs. O. P. Duvall, Dr. and Mrs. J. R. Morgan, Attorney and Mrs. T. K. Hackman, Chairman John W. Graham and Attorney Harry J. Benoit.

Walter Carter returned Saturday from Logan where he attended a conference of agriculturists, beet growers and factory officials.

27 YEARS AGO

FEB. 14, 1915
Miss Grace Barger has issued invitations to the Kappa Delta Sigma sorority and their gentlemen friends for Saturday evening.

Miss Jessie Fraser, who has been in Salt Lake City, returned to Twin Falls the last of the week.

John L. Peters, Amsterdam, on the Salmon tract, was a business visitor in the county seat for several days of the week.

MURTAUGH

Two more members of the home nursing class recently have passed examinations and will receive certificates. They are Mrs. Leta Hogue and Mrs. Mildred Perkins.

Mrs. A. L. Egbert is visiting at the home of her daughter, Mrs. Melroy Larson in Preston.

Mrs. and Mrs. Hans Anderson entertained a few guests Wednesday evening as a courtesy to Mrs. F. H. Winsler who is leaving soon to visit friends in Portland, Ore.

Heyburn Hot Lunches
HEYBURN, Feb. 14 (Special)—During the first 42 days of the hot lunch project, 8,922 lunches have been served. That is a daily average of 213 students served.

FINALS TONIGHT IN GOODING OUTLAW MEET

Seven Teams Still In Running for 17th Championship

By HAL WOOD
Evening Times Sports Editor
GOODING, Feb. 14 (Special) — They'll be crowning the champion of the 17th annual Gooding outlaw tournament here tonight.

But at noon today anybody's guess on which clubs would be in the finals was as good as the next man's.

Seven clubs still under consideration—with the goddess of fate holding the key—were Gooding Lions, Jerome Jaycees, American Falls Damsiters, Shoshone Redskins, Hailey Triumph Miners, Burley Elks and Pocatello All-Stars.

Of these, three teams—Gooding, Jerome and American Falls (all members of the Southern Idaho Outlaw Cage League)—were undefeated. The other four clubs each had one loss already plastered on their record.

However, sideline observers listed Jerome, American Falls and Pocatello as the three best teams in the meet and predicted that the two finalists would come from this trio.

Yesterday's results:
Hailey Miners 35, Boise Reddy Kilowatts 21 (eliminated).
Shoshone Redskins 31, Bliss 28 (eliminated).
American Falls Damsiters 55, Pocatello All-Stars 53.

Boise Reddy Kilowatts 36, Boise Junior college Boosters 32 (eliminated).

Gooding Lions 39, Hailey Miners 29.
Jerome Jaycees 59, Burley Elks 55 (overtime).

Bliss 30, Wendell 32 (eliminated).
Shoshone Redskins 51, Fairfield 38 (eliminated).

American Falls 76, Reddy Kilowatts 50.

Pocatello 55, Boise Junior college Boosters 44.

Play got underway this morning at 9 a. m. In the first contest, Burley Elks and the Pocatello All-Stars tangled. At 10:10, Gooding and Jerome, a pair of undefeated clubs, met, and at 11:20, Shoshone and Hailey tangled in another elimination battle.

There were three games slated this afternoon—the first starting at 2 p. m. and putting the winner of the Gooding-Jerome fray against American Falls, which drew a quarter-final bye.

Semi-Finals
Semi-finals are slated to commence at 8 p. m., with a championship tilt scheduled to start at 9:30. Between the two games the Gooding high school band will stage a marching demonstration.

The team that stole the hearts of the fans in the bleachers last night was the Pocatello All-Stars, made up of young athletes from the University of Idaho, southern branch.

All small, in comparison with most of the top-ranking athletes of the meet, the collegians staged a fighting game before going down to the towering American Falls quintet, 55 to 53.

Pocatello led at the half-time, 27-25, but the Damsiters took a big lead in the last half with four minutes to go and the youngsters couldn't quite overcome the gap.

Scoring honors went to Belz, the former Rupert flash, who collected 22 points. Williams topped the losers with 18.

Redskins Edge Bliss
Again led by Buck Anderson, the Shoshone Redskins edged the Bliss quintet by a 31-28 score after holding a 16-8 advantage in the first half. Hamilton of Bliss was high point man with 12 counters, while Anderson got 11 for the winners.

Hailey Miners toyed with Boise Junior college Boosters in a 35-21 victory. The Miners took an early 12-1 lead and were never threatened. They led 22-12 at the intermission and stalled most of the latter half of the game. Severe led the winners with eight points, while Chatterton topped the losers with eight.

In afternoon play the feature contest was the 59-55 victory posted by the defending champion Jerome Jaycees over the Burley Elks. The two clubs battled to a 55-all dead lock in the regular playing time. In the extra period the Jaycees clinched the contest. John Norby of the winners and Jack Smith of the losers each collected 18 points.

Gooding Lions ran up an early 20-4 lead in the opening minutes against Hailey and then coasted to a 39-29 victory over the Miners. Hill led the winning quintet with 14 points while Kelly got 10 for Hailey.

Opening contest saw Reddy Kilowatts of Boise down another Boise club—Junior college Boosters, 36-32 in a ragged encounter.

Leading scorers in the tournament to date including games of Friday are as follows:
J. Norby, Jerome 44
Anderson, Shoshone 42
Williams, American Falls 42
Belz, Pocatello 40
Phoenix, American Falls 40
Smith, Burley 39
Turner, Burley 38
Anderson, Burley 37

Murtaugh Defeats Hansen, 36 to 28
MURTAUGH, Feb. 14 (Special)—Leading at the half the Murtaugh Red Devils continued out in front the rest of the way and defeated the Hansen Huskies 36 to 28 in a game here last night.

Murtaugh juniors won the preliminary game 33 to 12.

In the main game Arcton for Murtaugh scored 14 points for high. Leading the Hansen team was Foster with 10.

Tony Zale's Showing Hurts Prestige of Billy Conn

Full Tournament Action

One of the best games of the current Gooding outlaw tournament was the American Falls-Pocatello All-Stars contest last night, which went to the Damsiters, 55-53. The All-Stars came out mostly of former southern Idaho high school stars, weren't very tall but they made up in spirit what they lacked in height. Here two of the youngsters prove it. Leaping high in air for ball is Belz, the former Rupert star, who scored 22 points in the game. At left (No. 11) is Cronkhite, All-Stars, and in background is Leo Aguirre (No. 3), American Falls. (Times Photo and Engraving)

3 Young Pros Lead in Texas Open Golf Meet

By RICHARD M. MOREHEAD
SAN ANTONIO, Tex., Feb. 14 (U.P.)—Three young professionals were pushing old guard golfers for money positions today as the \$5,000 Texas Open tournament went into the second 18-hole rounds at Willow Springs course.

With no standout favorites, it was only a question of whether Chick Harbert, Battle Creek, Mich.; Ernie Ball, Charlottesville, Va., and Jack Grout of West Pittston, Penn., could maintain the par-smashing pace needed to stay in the money.

All carded three-under-par 68s on the tricky greens yesterday and were topped only by the hot 67 turned in the veteran E. J. (Dutch) Harrison, Chicago, winner of the 1939 meet.

Harrison, out to repeat his 1939 performance, went out in 33 and returned in 34. Harbert and Grout made both trips in 34, while Ball shot a 36 on the out-nine and made up for a tough start by carding 33 on the home trip.

Pressing the four leaders was tournament-wise lighthorse Harry Cooper, Minneapolis, who took a 69 in the opening round, four more than the sizzling 65 shot in a warm-up pro-amateur round Thursday. Cooper shared honors with Lloyd Mangrum, Chicago, who also took a 69.

Little Ben Hogan of Hershey, Penn., the leading 1941 money winner, stayed in the running by shooting one stroke under par. With him in the 70 bracket were Joe Brown, Des Moines, Ia.; Leland Gibson, Kansas City, and Tod Menefee of San Antonio.

Johnny Dawson, veteran Hollywood amateur and winner of the Bing Crosby tournament, paced the simon-pures with a par 71. Par golf also was carded by Sam Snead, Hot Springs, Va.; Willie Goggin, White Plains, N. Y.; Henry Ransom, Philadelphia, and Herman Kelsor of Akron, O.

Strong Finish Gives Eden Win
EDEN, Feb. 14 (Special)—Castro's high school basketballers led the local crew for most of the way in a game played here last night but faltered in the last quarter and as a result Eden was able to nose them out 25 to 23.

Castroford was ahead at the first quarter 5 to 4; at the half 11 to 6, and at the third quarter 19 to 10, according to the score book.

Barrhill was high scorer for Eden with eight points while Thomson led the Castroford five with nine counters.

Eden's junior team also won the preliminary contest by a score of 27 to 24.

Paul will invade the local floor Monday night.

Greg Rice Sets New Record
PHILADELPHIA, Feb. 14 (U.P.)—Stocky little Greg Rice of the New York A. C. drew praise today as the outstanding athlete of the fifth annual Penn. A. C. indoor games.

The curly-haired Notre Dame star received the greatest ovation from a crowd of 4,000 at Convention hall last night when he finished far ahead of the field in the fastest indoor two-mile race ever run in Philadelphia. His time of 8:02.7 was one of two new meet records.

Oakley Edges Great Heyburn Quintet, 34-32

HEYBURN, Feb. 14 (Special)—A mighty class B quintet gave the Big Seven Oakley Hornets enough worry for a week last night—but the Hornets managed to scrape through to a 34-32 overtime win against Heyburn's Panthers.

It was about as narrow a squeak as you'll find anywhere in the books. The smooth-working Heyburn, five held the lead at the end of every period until the last 30 seconds of play. Oakley tied the score with less than half a minute to go and then nipped the Panthers in the overtime.

Heyburn was out ahead by 13-6 at the close of the first quarter and bombarded the hoop with a terrific array of shots to make the count 21-9 at the half. From there, however, the Hornets unleashed some of their traditional Oakley fight and pulled up to within three points of a tie as the third quarter closed.

Score then was 23-20 for Heyburn. Leading scorer of the night was Toone, Panther guard, who collected 13 points. Peterson, Oakley center, led the winners with 10. Lineups and scoring:

HEYBURN Pos. OAKLEY
Warr (4) (5) Larson
Stumpson (8) (6) Martin
Benton (7) (10) Peterson
Stones (13) (7) Cannel
Holmes (2) (4) McMurray

Substitutions: Oakley—Stumpson (2), Poulton, Mills, Clark, Stanger, Heyburn—none.

Albion Normal Sharpshooters Win Over BJC

ALBION, Feb. 14—Coach Orville Hill's Albion Normal Panthers overcame Boise Junior college's 20 to 17 halftime lead and downed the Broncos, 40 to 27 here last night.

During the early part of the game Stubb Allison's invaders outscored the local collegians, but the Hultmen took matters into their own hands in the second half and soon put the game on ice.

Tiring toward the end, due to the effects of a hard-fought series with the Vikings of Ricks college, Rexburg, the Broncos were no match for the Panthers as the game wore on.

Millard, with 14, and Matthews, with 13, paced the Albion shooters. Ellis and Dana each garnered seven points to lead the visiting hoopers.

The teams play again tonight.

BOISE J.C. ALBION NORMAL
Ellis (7) (13) Matthews
Collins (5) (7) Cannel
Stones (13) (4) McMurray
Dana (7) (2) G. (2) Gooch
Williamson (2) (10) Peterson
Substitutions: Boise J. C.—Uberuaga, Kendall (2), Breach, Ader, Albion—Price (2), Anderson, Bates, Watson, Neff.

Delegates Chosen To Wildlife Meet in Boise

Four delegates from the Southern Idaho Fish and Game association to the Idaho Wildlife Federation sessions in Boise Sunday and Monday had been selected by club members today.

Those making the trip to the Boise meeting will be Dr. George Scholer, president; Lud Drexler, Andrew Jean and S. Claude Stewart.

They were named as club members met here last night at the Twin Falls city hall.

At last night's session, Drexler, chairman of the fish committee, reported that 19,000 five-inch rainbow trout are ready for planting in this section. They are now at the state fish hatchery in Rock creek canyon. Jack Tingey, Buhl sportsman, gave the trout to the state, Drexler said.

Kimberly Triumphs Over Hazelton Cagers, 43 to 19

HAZELTON, Feb. 14 (Special)—Leading all the way, the invading Kimberly Bulldogs defeated the Hazelton crew 43 to 19 in a basketball contest played here last night.

The Badgers were held scoreless in the first quarter while Kimberly counted four points. At the half Kimberly was leading 18 to 4. The third period ended 28 to 12.

Enerson, Kimberly, had a total of 10 points for high while Ross was high for Hazelton with eight.

Kimberly's juniors won the opening contest 21 to 11.

Carey Cage Quint Nips Dietrich

DIETRICH, Feb. 14 (Special)—It was a thriller all the way but Carey won the night by a 20-16 victory over the Dietrich Blue Devils 22 to 20.

Carey scored first in the thrilling contest but Dietrich moved closer as the game progressed and tied the score at 20-all with but a short time to go.

Then Sparks made his two-point score and the game was won. Arrien had eight points to lead the winners while Bartholomew with six led the Carey players.

In the preliminary game Dietrich junior team was more successful, beating the Carey boys 27 to 16.

Filer Wildcats Edge Jerome In Hot Battle

JEROME, Feb. 14 (Special)—Two longtime rivals staged a hot battle here last night with the Wildcats of Filer high school coming from behind to nose out Jerome's Tigers, 28 to 26, to annex a Big Seven conference victory.

Thrills a plenty were offered the crowd as John Norby's local five went to work at the start and climbed into a 14 to 10 margin at halftime. Thereafter the Filer quintet coached by Bill Powers began to hit the hoop, gradually evening up the score and then edged ahead. The lead seen-sawed in closing minutes.

Garey, Malone and Walker combined talents to pace the Filer scoring. Stanger and Averett led the winners.

In the prelin, Jerome won a 17-13 duel.

Jerome plays its next home game Feb. 24 against Rupert in another conference battle. Lineups and scoring last night:

JEROME FILER
Averett (7) (8) Garey
Freeman (2) (3) Slater
Mezmer (4) (7) Walker
Lewis (4) (2) Blakeslee
Blanger (8) (8) Malone
Substitutions: Jerome—Walters, Messenger; Filer—Shaff, Blastock, Vincent.

Glenns Ferry And Wendell Cagers Divide

GLENN'S FERRY, Feb. 14 (Special)—Wendell Trojans uncorked a scoring drive in the third quarter here last night to overcome an early Glenns Ferry advantage and take a lead that sent the invaders to a 24-12 victory.

The Ferry girls made it an even break for the night by capturing a 17-12 triumph in the opener.

In the featured battle the River Pilots held a narrow edge in the first two periods, winding up with a 6-4 lead at halftime. Wendell's third quarter spurt put the Trojans on the long end of a 16-11 count, and they presented such an airtight defense in the final count that the home crew managed to eke out just one free throw.

Tops for Wendell was Schouweiller, who compiled nine points. Wheeler got exactly half the Ferry total.

In the girls' battle, Wendell couldn't click against the flashy Glenns Ferry lassies during the first half. The home sextet held a 9-5 advantage at mid-time. The two clubs played on approximately even terms in the last two periods.

Then Sparks made his two-point score and the game was won. Arrien had eight points to lead the winners while Bartholomew with six led the Carey players.

In the preliminary game Dietrich junior team was more successful, beating the Carey boys 27 to 16.

Lenahan Captures Golf Championship

MIAMI, Fla., Feb. 14 (U.P.)—Ray Lenahan, Providence, R. I., slitt salesman who pitched briefly for Detroit in 1927, won the baseball players' golf championship yesterday, breezing home with a six stroke lead in the annual 54-hole tournament.

Lenahan finished ahead of defending champion Merv Shea, Detroit coach, with a 218 total. Shea shot a two-under par 70 for a 224 total.

How About Planting in a War-time Year?

America at war is asking for maximum production of certain crops, including dairy products. Increased dairy production means added demand for hay and forage. For dependable crops, plant Northland Brand Seeds.

"Good" Big Man Wins Ragged Bout by Wide Margin in New York

By JACK CUDDY
NEW YORK, Feb. 14 (U.P.) — They came in the seventh round—a smashing right to the heart and a tooth-loosening left hook to the mouth—two blows that dropped Billy Conn's stock a thousand per cent and possibly shunted the Pittsburgh phantom out of a return million-dollar fight with Joe Louis in June.

Middleweight Champion Tony Zale landed the historic punches last night during his 12-round non-title fight with Conn, who almost wrested the golden crown from mighty Louis last summer.

Those two blows, more than anything else, transformed the brawl into a "stinkero" and caused Conn to be booted out of the ring for the first time in his career after he had won the unanimous decision over his smaller opponent who wasn't expected to last the distance.

Verge of Knockout
Those twin explosions, landed by the speed little man on the good big man came in the third minute of the seventh round, after Conn had given Zale a savage beating for the first two minutes—a hooking barrage that had Zale lurching about the ring on rubber legs, apparently on the verge of a knockout.

But that straight right and that left hook halted the Conn attack as efficiently as dum-dum bullets. For the rest of the session and throughout the eighth, Conn was slowed to a walk, while the 150-33 fans in Madison Square Garden shook the gliders with their cheers for Zale of Gary, Ind. And brilliant Billy was entirely on the defensive, meanwhile spitting blood over the shoulders of his smaller attacker.

Such were the highlights of a comparatively drab bout in which the world's No. 1 heavyweight contender failed to floor even once a game, hard-hitting, middleweight champion, who had spotted Conn 11½ pounds and advantages in reach and height.

Lacked Punch
Conn had Zale well-rocked and off balance in the ninth and 11th but he no longer possessed the "zing" that featured his seventh-round attack. Zale was hammering away almost on even terms in the final 12th.

Billy-the-Kid won a lopsided decision with the United Press giving Zale eight of the third and seventh rounds and calling the 10th even. But Conn's failure to put his smaller opponent on the deck left a bad taste in the mouths of fans who had paid \$48,000.87 to see the fight.

During most of the bout, Zale—with eyes blazing beneath his mop of brown hair—was the aggressor. Again and again Conn's blows merely bored holes through the air.

Off Form
Perhaps Conn's poor showing was due to his eight-month lay-off and his marriage. Or perhaps it was due to the terrific 13th-round battering he took from Louis—who in army private's uniform, was a well-cheered ringside spectator last night. Whatever the reason, Pittsburgh Billy didn't look like the Conn who fought Louis.

Conn's manager, Johnny Ray, admitted that the former light heavyweight champion was off form. Ray attributed it to a combination of three causes: (1) the lay-off, (2) lack of incentive, and (3) last-minute weight-making.

Promoter Mike Jacobs said Zale's excellent showing would get him a match with Jimmy Webb of Texas, speedy light heavyweight contender, and a victory over Webb would earn a light heavy title shot with Gus Lesnevich.

VANDAL BOXERS WIN
MOSCOW, Feb. 14 (U.P.)—University of Idaho's boxing squad last night defeated the Oregon State college team 5-3 in an exhibition.

Don Hawkins, OSU 155-pounder, scored the evening's only technical knockout, over Farrell Lott of Idaho. Each team forfeited one bout.

JAPANESE PARACHUTISTS DROP NEAR SUMATRA OIL CENTER

MANY INVADERS DIE AS DRIVE ON OIL CITY STARTS

By JOHN L. MORRIS

BATAVIA, Feb. 14 (AP)—The Japanese today opened a large scale air attack on Palembang, important oil center on Sumatra, dropping hundreds of parachute troops, but an official announcement said "dozens" of the invaders were killed and that the "situation was not unfavorable" to the Dutch defenders.

The paratroops, dropped at three places near Palembang, were brought over the island, which lies just across the Malacca strait from Singapore, in more than 100 transport planes, which were accompanied by fighter planes.

"A vigorous resistance was made and dozens of parachutists were killed," the announcement said. "Palembang itself is not threatened. At least there are no indications that parachutists dropped close to or entered the town."

Excellent Work

"Our troops have done excellent work and it may be assumed that the situation is not unfavorable. Further news is expected."

The attack on Palembang, in which the Japanese had been showing increased interest all week, was one of the first officially confirmed use of paratroops in the five-week-old invasion of The Netherlands Indies archipelago. During the early days of the invasion air troops, reportedly were dropped over Medan airport, in north Sumatra, but this proved incorrect.

The Japanese had been sending heavier and heavier formations of planes over Palembang ever since the fall of Singapore seemed imminent, and Monday the town and airfields were bombed and machine gunned. Little damage was done but there were some civilian casualties.

Port Occupied

The opening of this new front on the spreading war lines of the Japanese came as the high command quoted unconfirmed reports that Bandjermasin, the south Borneo port, had been occupied by the enemy. The high command reiterated that everything of value to the Japanese had been destroyed at Bandjermasin.

Japanese bombers also raided Tandjong Padan, capital of the small tin producing island of Billiton, between Sumatra and Borneo, and slightly wounded one civilian. Other attacks occurred "here and there," the communique said. The Japanese reconnaissance flights were continued "at different parts of the archipelago."

5 NEW UNITS FOR FIRST AID STUDY

Start of one standard and four advanced classes in Red Cross first aid was announced here today by W. G. Walstra, chairman of first aid work for the Twin Falls chapter.

Not over 25 persons will be admitted to take the one standard course offered at this time with Ed Berryman, member of the local fire department, as instructor. The rolls for this class are practically filled at the present time, it was pointed out. First study session for this group will be at the city fire hall at 7:30 p. m. next Friday, Feb. 20. It will be for men and women. It will meet each week following the initial session on each Tuesday and Friday night.

Lineup for the advanced classes follow:

Monday, Feb. 16 at the high school with Miss Alma Carson as instructor. Class starts at 7:30 p. m.

Tuesday, Feb. 17 at the high school with Chauncey Abbott as instructor. Class starts at 7:30 p. m.

Monday, Feb. 18 at the fire station with L. H. Hall as instructor. Class starts at 7:30 p. m.

Tuesday, Feb. 17 at the recreation center with L. C. Vanaunder as instructor. Class starts at 8 p. m.

To be eligible for admittance to the advanced course a person must have completed the standard course, Walstra pointed out.

Praise Accorded To Water System

With the possible exception of Salt Lake City, Twin Falls' water system has the best records, plans and maps in Utah and Idaho.

That was the statement which had been made today by Carl Painter, Salt Lake City, member of the Utah state defense council who was one of the speakers at the two-day sanitation conference which ended in Logan, Utah, last night.

The sessions were sponsored by the municipal leagues of the two states, primarily to inform water works men of precautions against sabotage.

Representing Twin Falls at the meet were Mayor Joe Koehler, Truman Greenhalgh, city councilman, Charles P. Larsen, city superintendent of streets and water works, and Art Peters, filter plant operator.

Wages Discussed at School Board Meet

GOODING, Feb. 14 (Special)—Gooding school board in regular session Monday evening discussed the matter of raising salaries of the teachers and concluded that there was no legal method of raising the wages at the present time. However a scale will be arranged for increased wages in the new contracts for next year which will take into consideration the present pay.

The board agreed that work permits would be granted students who are needed to work on farms during the spring months. In much the same way students were allowed to work in the fall harvest. This plan is more satisfactory than holding Saturday classes, it was agreed, and would help take care of any shortage of farm labor.

Gooding Rotary Club Holds Meeting

GOODING, Feb. 14 (Special)—Gooding Rotary club held the regular luncheon meeting Friday with an address by Dr. J. H. Cromwell, past district governor of Rotary and a musical program by members of the State school faculty as the program features.

Dr. Cromwell talked of the four objects of Rotary and also discussed the qualifications of a good Rotarian and his classification in the club.

Mrs. Mildred Ferris, Miss Dorothy Macmillan, Miss Josephine Olson and Miss Dorothy Weaver sang several numbers accompanied by Mrs. Ferris and Miss Julia Lynch on the violin. Mr. Burton Driggs, program chairman introduced the program.

Mr. M. W. Tate won the savings stamps for the meeting. H. C. Byram announced the Gooding Outlaw basketball tournament sponsored by the Lions club Feb. 12 to 15.

CERTIFIED SPUD CONDITIONS TOLD

BURLEY, Feb. 14 (Special)—Any farmer who did not produce certified seed potatoes in 1941, but desires to do so in 1942, must become a member of the Idaho Certified Seed Potato Growers association by March 1, according to the county agent's office, and the cost of becoming a member is \$5.

In addition, the new producers must select or have selected from the potatoes which he is to use for seed stock, approximately 300 tubers about four ounces in size to be sent to the Aberdeen experiment station by March 1, and the grower must pay the transportation charges on this sample. A sample is not necessary from each grower providing someone is sending such a sample; however, the grower when presenting his membership fee must state that his stock is being represented by someone else.

Approximately one-half of the tubers arriving at Aberdeen are sent to the University of Idaho, Moscow, and planted at Lewiston early in March. Disease detection is then possible ahead of planting in the southern part of the state, the other one-half is planted at Aberdeen and watched closely during the summer in various ways for detection of disease, prolificness and for other factors.

A certified grower must plant seed on clean land which has not recently been planted to potatoes, and the plot must be at least 100 feet from any adjoining non-certified seed.

Sorosis Civic Club Meets in Gooding

GOODING, Feb. 14 (Special)—Sorosis civic club met Tuesday afternoon in the club rooms with Mrs. Vern Cargill, president, conducting the business meeting.

Rev. C. H. Northrop, speaker for the program, used as his topic the "Responsibility of the Christian Church in War Time." He was introduced by Mrs. Anson Thompson, program chairman.

It was announced that all civic club members would be asked to register for the national emergency war work and that the cards should be filled out immediately; Mrs. C. A. Reynolds was chairman in charge of registration.

A P-T-A. benefit tea for Saturday afternoon from two to five at the home of Mrs. Fred Barrett, was announced. The first aid class sponsored by the Sorosis club held the last class Tuesday evening.

4 Divorce Suits Filed at Burley

BURLEY, Feb. 14 (Special)—Zetta Drake has filed suit for divorce from Wayne S. Drake on grounds of cruelty, and she asks the custody of two minor children and the household furniture, with \$20 per month support for the children. The couple was married at Logan, June 29, 1933.

Lola Hess filed suit for divorce from Charles Hess Jan. 28, charging the defendant with cruelty. She seeks the custody of two minor children. They were married at Montpellier April 8, 1933.

Another divorce suit was started in district court when Audrey Pruitt sought a divorce from Omer Pruitt whom she married at Bruno, Ark., Sept. 23, 1938. The plaintiff claims desertion and seeks the custody of one minor child.

Feb. 6, Cleona Mae Murphy filed suit for divorce from Harry E. Murphy on grounds of cruelty. She has three children by former marriage and seeks custody of the youngest child, while the two older children are to remain with their father. The couple was married at Rupert last August 8.

North Side Pioneer Dies in North Idaho

JEROME, Feb. 14 (Special)—Friends in Jerome learned this week of the death of Mrs. T. B. Farris, 67, a pioneer woman who succumbed at her home in Bonners Ferry. Funeral services were conducted Monday at the Crouch chapel, Rev. M. R. Gallagher assisted by Rev. Gordon V. Tolleson officiating. Interment was in Bonners Ferry cemetery.

Mrs. Farris was among the earliest pioneers to settle on the north side tract, and she was born Ada Counts, near Lundy, Texas county, Mo., Aug. 15, 1874. She was married April 6, 1893.

Willford Deck, a nephew, Jerome, survives, as well as a number of other relatives.

GOODING SET FOR DRAFT ENROLLING

GOODING, Feb. 14 (Special)—Four registration places have been named in Gooding county where men from ages 20 to 44, inclusive, will register Monday, Feb. 16, according to Mrs. Ruby Massey, clerk of the Gooding county draft board. All registration places will open at 7 a. m. and will remain open until 5 p. m.

In Bliss the place designated is the Potter's cafe with Mrs. Florence Potter as chief registrar. Mrs. Potter will be assisted by Mrs. Sam Bishop, Mrs. Harold Stroud and Mrs. A. H. Henderson.

For Hagerman and Tuttle registration will be at the Cady Auto company with Dale Cady as chief registrar. Other registrars there will be Ross Finch, Lyle Potter, Ernest Billiard and James D. Barlogi.

The court room in Gooding has been chosen as the registration place and the chief registrar is Mrs. C. A. Reynolds. Mrs. Harriet Williams, Mrs. Ruth Peterson, Miss Rose Meyer, Mrs. Dan Knight, Mrs. Hope Brown, Mrs. Wilma Almsworth, Mrs. Beatrice Stump, Herbert Clark and Hugh Hunt will assist as registrars.

In Wendell men will register at the town hall with Mrs. Nellie Dyer as chief registrar. Assistants will be Mrs. S. K. Bungum, Mrs. G. C. Weinberg, Mrs. Arthur Byce, Mrs. S. C. Cower, Mrs. Dock Cowan, Mrs. Leslie Lawton, Mrs. Opal Camoron, Mrs. Lavel Parr, Mrs. Alta Huey, Mrs. Harriet Miller and Mrs. Mildred Aldrichson. All registrars have volunteered their services for the day.

Six-Day School

HEYBURN, Feb. 14 (Special)—Heyburn schools are on a six-day school schedule for a period of six weeks. The school hours are from 10 a. m. to 5 p. m. at the present time, but it is possible that in April they will return to the old time of 9 a. m. to 4 p. m.

Heyburn Students Buy Defense Stamps

HEYBURN, Feb. 14 (Special)—Sale of defense stamps in the Heyburn school was launched recently by Mrs. Clara Hansen, county superintendent, and Mr. Basinger. After 10 days the sale amounted to \$60.80. Time is given in each class room every Friday morning for sales of the stamps, and only 10 and 25 cent stamps are handled, as they are in greatest demand by the students.

Adult Council Names Leaders

BUHL, Feb. 14 (Special)—Adult council of the Girl Reserves met Tuesday in the high school home economics room. Mrs. Elvin Noh presided and the following committees were appointed:

Finance, Mrs. J. A. Howard, Mrs. Everett Husted, Mrs. Stanley Weber, Mrs. Luther Howard and Mrs. Elvin Noh; Mrs. Otto Ring, program; Girl Reserve, Mrs. Joseph Kucera and Mrs. R. F. Skinner; membership, Mrs. Luke Sonner and Mrs. Louis Wegener.

The adult council discussed the sponsoring of a show to help raise money for the budget. Miss Potter announced that unless the blanks to be issued the girls working for G. R. rings are obtained at once from Miss Potter or Miss Akers there will not be enough time left before the closing date in the middle of April for the girls to earn rings.

Also discussed were ideas for parties for Girl Reserves.

Boise Man to Speak To School Trustees

GOODING, Feb. 14 (Special)—J. M. Lyle, Jr., Boise, assistant superintendent of public instruction will be the speaker at the annual meeting of the trustees of the Independent and Common school districts of Gooding county. The meeting is scheduled for 1:30 p. m., Tuesday, Feb. 17 in the court room in Gooding. Mr. Lyle will discuss National Defense, farm problems, teacher's salaries and school district budgets.

Minor Crashes

Two minor crashes were noted in Twin Falls yesterday, police records show today.

At 4:38 p. m. cars operated by Mrs. Bertha Pierce and L. C. Davis crashed at Fourth avenue north and Shoshone street. Earlier in the day cars driven by Frances Hansen, route 2, Twin Falls, and Ray Farmer crashed at Fourth street east and Sixth avenue.

Damages were slight in both cases.

PARTY BAN SEEN AS PRESENT NEED

Declaring that constructive criticism is necessary in a democracy but adding that there must be a "journalism of party politics" on all measures, Judge James R. Botwell, county civilian defense chairman, last night spoke at the initial seasonal meeting of the Twin Falls County Young Democratic club.

The session was held in the Idaho Power company auditorium and Charles Ronk, Jr., president of the organization who now resides in Shoshone, presided. He also spoke briefly during the evening.

Bothwell warned that this will probably be a "long, long war" and said that the "people must cooperate to make all war measures effective."

Calling for constructive criticism he pointed out that it shouldn't be on the "obstructionist" side.

President Ronk announced that members of the committee to handle collection of scrap iron in Twin Falls county will be Kermit Allison, chairman; Mrs. Nellie Creed and John Leiser. All money received from sale of the donated scrap iron will be turned over to the county defense council none being retained by the political organization.

Refreshments were served at conclusion of last night's session. On the refreshment committee were Mr. and Mrs. Merrill Puckett, Mrs. John Leiser, Mrs. Creed and Mrs. Ed Hall.

Boise Man to Speak To School Trustees

GOODING, Feb. 14 (Special)—J. M. Lyle, Jr., Boise, assistant superintendent of public instruction will be the speaker at the annual meeting of the trustees of the Independent and Common school districts of Gooding county. The meeting is scheduled for 1:30 p. m., Tuesday, Feb. 17 in the court room in Gooding. Mr. Lyle will discuss National Defense, farm problems, teacher's salaries and school district budgets.

Minor Crashes

Two minor crashes were noted in Twin Falls yesterday, police records show today.

At 4:38 p. m. cars operated by Mrs. Bertha Pierce and L. C. Davis crashed at Fourth avenue north and Shoshone street. Earlier in the day cars driven by Frances Hansen, route 2, Twin Falls, and Ray Farmer crashed at Fourth street east and Sixth avenue.

Damages were slight in both cases.

BONDS

One navy man is going to do his part to be sure he has the weapons with which to fight the Japs.

He is Leland Wilkerson, Twin Falls, who was stationed at Pearl harbor when the attack came on Dec. 7.

Yesterday his parents, Mr. and Mrs. W. M. Wilkerson received \$100 from him. He had saved it out of pay. He told his folks to buy defense bonds with it "if the family didn't need it."

Mr. and Mrs. Wilkerson said the defense bonds would be purchased.

A. A. U. W. Discusses Children's Defense

GOODING, Feb. 14 (Special)—Gooding branch of the American Association of University Women met Monday evening at the home of Mrs. Fred Craig. The defense of children during war time was the program topic. Mrs. Margaret Hill Carter, Twin Falls, district home demonstration agent and member of the Twin Falls A. A. U. W. was guest speaker.

Mrs. Carter spoke on nutrition and led a discussion on menu planning which would include the essential foods for good nutrition. "What we can do for children during war time" was the roll call subject.

Mrs. C. A. Reynolds presided for the business meeting. Reports were given by Mrs. J. H. Cromwell, legislative chairman and Mrs. J. W. Peterson of the committee on economic and legal status of women. Mrs. Reynolds reported on a visit to school.

Miss Rose Meyer, Mrs. A. W. Williams and Mrs. Peterson volunteered to assist Mrs. Reynolds in the draft registration Monday.

Mrs. Reynolds is in charge of the Gooding registration.

A valentine motif was carried out in the refreshments served at quarter tables during the social hour. Miss Bonnie MacQuivey assisted Mrs. Craig.

Exchange Assembly

HEYBURN, Feb. 14 (Special)—Burley student body presented an exchange assembly for the students Wednesday.

CASSIA EXPECTS 1,200 IN SIGNUP

BURLEY, Feb. 14 (Special)—Between 1,200 and 1,300 men between the ages of 21 and 45 years of age are expected to register in Cassia county for selective service in the U. S. army Monday, Feb. 16, between 7 a. m. and 9 p. m., at various registration offices throughout the county.

All male persons born on or after Feb. 17, 1897 and all male persons born on or before Dec. 31, 1921, must register, and the local draft board suggests that they sign up at the place nearest their residence.

Registration places and officials are as follows: Malta, R. E. A. office, Orson Sanders, John Elison, John Powers, R. C. Wake, Vern White, J. Henry Thompson.

Elba: Elba school house, J. Roy Eames, Mrs. Elva Pettigill, Mrs. Verla Adams, Wells Hepworth, Earl Hubbard.

Declo: Declo school house, J. L. Stevens, W. L. Richardson, Wayne Osterhout, William Anderson.

Albion: Albion village office: L. G. Parsons, J. H. Mahoney, C. E. Simonson, Mrs. C. E. Simonson, Mrs. Alice Palmer, Mrs. Florence Buckles, Mrs. Elva Cronkite.

Oakley: Oakley village office, J. R. Fowles, Charles Larson, J. Y. Haight, Mrs. Vivian Baker, Charles Haight, J. S. Holliday, Edward L. Lowell, L. J. Robinson, Jr.

Miner: White's store, Mrs. John H. White and John H. White.

Almo: Elva V. Taylor home with Mrs. Taylor in charge.

Burley: Cassia county court house, I. H. Harris, H. P. Deardorff, Mrs. George E. Deuman, Mrs. Jesse W. Brandt, Mrs. D. O. Christopher, Mrs. W. Leslie Glenn, Mrs. H. O. Hall, Mrs. George Klink, Mrs. E. C. Williams, Mrs. Lorin Lewis, Mrs. M. W. McLaughlin, Mrs. George T. Mitchell, Mrs. J. L. Salmon, Mrs. Curtis E. Price, H. O. Hall, P. E. Ramsey, Mrs. E. W. Pyle, Mrs. L. K. Anderson, Mrs. Frank Schodde, Mrs. James W. Smith.

All registrars will donate their time and services.

Saturday Classes Held at Burley

BURLEY, Feb. 14 (Special)—Burley schools have begun classwork on Saturday in order to provide student farm labor earlier in the spring to assist with the national defense movement. Saturday classes will be held for the next ten weeks for the senior and junior high schools, and the elementary schools will meet on Saturday for the next five weeks. Schools will close May 15, for about two weeks earlier than usual.

Under the new war time, classes began Monday at 8:30 a. m. to 12:30 p. m. and 1:30 p. m. to 4:30 p. m., or all classes one-half hour later than at present. The schools will return to the regular schedule as soon as the days become longer, providing earlier morning light.

Burley school board has purchased ten acres of land adjoining the city, just east of south Overland avenue, to make available additional land for the building of more school rooms, should they become necessary.

Buhl C. E. Society Selects Officers

BUHL, Feb. 14 (Special)—At an election of officers of the Christian Endeavor of the Presbyterian church held Sunday night the following officers were named:

President, Elizabeth Webber; vice-president, Jack Neffger; secretary, Jane Gibb; treasurer, Barbara Gibb; prayer meeting chairman, Janice Webber; social chairman, Vera Mae Ambrose; missionary chairman, Irene Meeks and publicity chairman, Jean Radford.

Plans are being made for the annual father-and-son banquet to be held in March.

Dr. Geo. C. Halley

announces the removal of his offices from 142 Main Avenue South to 129 Fifth Street North.

Office Hours: 11 to 12
2 to 5 by appointment

Eclipse of the Rising Sun!

● CHALLENGED in two hemispheres, America faces a tremendous test. But the fighters and bombers that will blot out the Rising Sun—the tanks and guns that will help smash the Swastika—are pouring off our production lines.

The biggest industrial job in all history is being done because America has the electric rowan for the job!

The electric industry was ready when the crisis came. The business men who manage the nation's electric companies had built up power reserves in advance—and interconnected company systems so that power could be pooled and delivered almost anywhere overnight.

They were ready, too, to meet new demands with new construction. They added enough power in 1941 to light one-fourth of all the homes in the U. S. A.

We're glad that the electric industry has been able to help make Uncle Sam so powerful. We're determined to stick to the job until the blood-red sun has set and a new day follows darkness!

IDAHO POWER

Electricity Does So MUCH Costs So LITTLE!
