

MANY MILLIONS FOR THE DESERT

Secretary Lane to Urge Passage of Irrigation Bill

WILL PROPOSE BOND ISSUE FOR \$200,000,000.

The Governor of the State of Utah brings good news for the West from Washington.

Government bonds issues aggregating \$100,000,000, or a federal and co-operative bond issue of \$200,000,000, is expected to be the ultimate outcome of the conference of western state representatives to be held in Denver April 9 in response to the call of Franklin K. Lane, secretary of the interior.

Governor Spry of Utah has just returned home from a visit to Washington. While in the national capital, in conference with Secretary Lane, he got the impression that the authorities would favor a combined federal and state bond issue of \$200,000,000 for the reclamation of lands in the western states.

This is scheduled to be the chief topic for discussion at the conference of governors and other representatives of the western states in Denver next month, and the definite and tangible plan for the reclamation of the arid lands of the west is expected to be the definite outcome of the meeting.

Secretary Lane has been in correspondence with Governor Haines, of Idaho, common with the other western governors, on the subject of the conference. He is urging all the western states to send representatives to this meeting.

He insists that co-operation among the western states is absolutely essential. A government bond issue of \$100,000,000 and an aggregate issue of the same amount by the western states directly affected is to be the central idea of a bill that Secretary Lane proposes to have enacted here in Washington.

What is new in the query of us all, well there are not drapery almost classic in the beauty of their lines, with just the right touch of modernism given by the color and the texture.

For the government will place upon a leasing basis the western resources with which it has been dealing. It has an increased fund for the continuance of this work and an increased assurance of the return of its advances. Just as it is to be made Alaska pay in the end out of her own resources for a liberal advance made to her for the opening of the government of her territory, so should we aim to make these lands of the west bring into being the latent values of the west.

With a little thought and co-operation transform coal and oil, phosphate and timber, into great fields and electric power.

Railroads and power plants, street railways and waterworks, are built with 50-year bonds, which rest upon the foundation of their probable earnings.

It is not without precedent in principle or in fact for the United States to improve its own property and to advance itself a mortgage upon the wealth it creates, and in one-half of 50 years we would regain our capital and add to it the interest on the loan.

Co-operation of the federal government with the state is the suggestion made by the state is not made any more forward with confidence to a more intimate relationship between the states and the federal government in undertaking the work of developing the west. The mass of the people are sympathetic with the purpose of the movement. They regard with pride the great engineering works of this service, which stand as monuments to the interest of the nation in their development.

So cordial, indeed, is the spirit of the west toward this work that within a few months the federal government through the reclamation service, have become partners in several projects of irrigation plans, one involving no less

SPRING STYLE SHOWINGS

Remarkable Displays in Twin Falls Stores This Week.

Occasions of words might be written concerning the spring styles in women and children. In fact it is difficult to condense the information to small space. To really know "what is what" in the matter of spring fashions, all the local stores should be visited.

Twin Falls merchants have made extensive preparations for a big style event during this week. You out-of-town people should come and spend at least one day in this city. The guests of our local merchants, they and all are, are justly enthusiastic about spring business.

While there exists that desirable competitive spirit which is the life of good business, they are all desirous of serving you well.

No one merchant has the best of everything, but they all have a host of good things waiting for your inspection. To small space, to really know "what is what" in the matter of spring fashions, all the local stores should be visited.

Concealing Styles. In these days of the slender silhouette and clinging draperies the stout girl has a hard time of it. A plain against the favoritism that dame fashion is bestowing on her sister of slight proportions.

Choice of fabrics is an extremely important point to the woman who is striving to achieve a slender appearance. There are certain colors and textures that intend to magnify the figure, while others have the opposite effect.

Rough surfaces should be avoided by large women. Brilliant colors can be used successfully only in very small amounts. Certain colors are generally known to apparently diminish the size, among them black, navy blue, and the extremely dark shades.

White and light colors are apt to be expansive. Dark greys are admirable for the large woman. Ladies who are inclined to roundness will do well to study their needs along with the merchants long experience in such matters.

What is new in the query of us all, well there are not drapery almost classic in the beauty of their lines, with just the right touch of modernism given by the color and the texture.

For the government will place upon a leasing basis the western resources with which it has been dealing. It has an increased fund for the continuance of this work and an increased assurance of the return of its advances.

AN OPERA HOUSE PROMISED CITY

Twenty-Five Thousand Dollar Building Contemplated

E. C. LAVERING PUTS PROPOSITION UP TO CITIZENS.

Seeds for First Night Eagerly Subscribed For by the Business Men.

A new and modern fire-proof opera house is now promised Twin Falls through the enterprise of E. C. Lavington, of the Lavington Furture company. For some time Mr. Lavington has had the plan of building an opera house in mind, and he has been at the point of making the attempt only to have the matter set back by some similar move on the part of some other booster.

Yesterday, however, after fully canvassing the situation he arrived at the decision to build. As a guaranty of support from the public, Mr. Lavington has put the matter up to the citizens, and he has been at the point of making the attempt only to have the matter set back by some similar move on the part of some other booster.

The stage will be taken months ahead of the opening night next September. Mr. Lavington stated to the Times that his plan will be to take a third floor building, 60x120, with fire exits on both sides as well as at the front. The main floor, built of concrete, will be made solid and will be furnished with modern opera chairs for seven hundred people. Boxes will be put in at once and the building constructed.

The stage will be taken months ahead of the opening night next September. Mr. Lavington stated to the Times that his plan will be to take a third floor building, 60x120, with fire exits on both sides as well as at the front. STATE AND CITY UPLIFT MOVE

Idaho Falls Expert Deals With Local Problems

INTERESTING ADDRESS GIVEN IN HIGH SCHOOL BUILDING.

C. S. THOMAS GIVES PRACTICAL SUGGESTIONS FOR BETTER UNDERSTANDING OF COMMUNITY INTEREST.

At the high school auditorium last night a number of the citizens heard Mr. C. S. Thomas, editor and publisher of the Idaho Falls Daily Post and a well known community booster, give an admirable address on the duty of the citizen to the community and of the whole population of the community.

Mr. Thomas dealt not only with the duty of the citizen to the community and of the whole population of the community, but also with the duty of the community to the citizen and of the whole population of the community.

GREETINGS TO BUCKEYES

Ohio Society of New York Send Great Greetings to Buckeyes of Twin Falls.

The following letter and the reply by the president of the society, Dr. J. F. Shepherd, will be of interest to the members of the Ohio society of the Twin Falls tract.

New York, Feb. 28, 1914.
Dear John F. Shepherd, President, Ohio Society of Twin Falls, Idaho:—
The Ohio Society of New York have learned with much pride and pleasure of the organization of the Ohio Society of Twin Falls, Idaho, with a membership of one hundred strong.

We wish to congratulate you and extend to you our best wishes for your future growth and prosperity, and also extend to any of your members, who may visit our city, the courtesy of our rooms at the Waldorf-Astoria.

Very cordially,
MILTON P. JACKSON, Secretary, Ohio Society of New York.
My Dear Mr. Jackson: Your letter of greetings to the Ohio Society of Twin Falls is received. Permit me, on behalf of the Society, of which I have the honor to be president, to thank you for your splendid greetings and for your offer of the courtesy of your rooms in the Waldorf-Astoria to members of our society who may be so fortunate as to visit your city.

We would reciprocate by inviting any of your number who may visit this greatest irrigation project in the nation where everything of cereals, vegetables and fruit is raised in profusion, surpassing in quality and yield other lands where the climate is salubrious, the scenery sublimely grand and the city as fine as any in America, to visit any of our members in their homes and prove that here we have the culture, the energy, the moral stamina and the hospitality of the best people of the east, and especially of the state of Ohio, starting from Hay, Clark, McKinley, Taft and thousands in private walks as good as they.

Very sincerely,
J. F. SHEPHERD, President, Ohio Society of New York.

STAGE OFFICE ROBBED

Sum of Money Taken From Perrine Stage Office Last Saturday Evening.

Last Saturday evening when the Perrine stage arrived from Jerome, the driver, Dr. Scoville, handed the agent in this city, J. C. Moore, the way bill and a sum of money. Mr. Moore, a man, took the pouch in the office, which is located in the Hotel Perrine, on the corner of the street.

At that time a gentleman came in the office and the man was busy with other work. A few moments later both went out into the lobby of the hotel. Nothing more was thought about the pouch until yesterday morning when Dr. Scoville came to look for it and it could not be found.

He then reported the matter to Chief of Police Thompson and to Constable R. A. Graham together on the street in conversation about a conversation with the driver of the Perrine stage, who had been in the office, in fact the boy last Saturday evening, attempted to buy a revolver at one of the hardware stores and had been seen by the police.

The amount of the money was \$15.00, which was missing, \$14.50 was found, as also was the pouch. The boy on being questioned, claimed he found the pouch in a barrel of rubbish, back of the Hotel Perrine and that the money was his for finding. The money was a collection which had been made by the stage driver for some flowers sent by the Twin Falls Floral company to Jerome.

THE PRINCESS BONNIE

High School Auditorium, Thursday Evening, March 12, 1914.

Those who enjoy a comic opera, should not forget that the Princess Bonnie will be given at the high school auditorium, Thursday evening, March 12. The members and faculty of the Twin Falls Conservatory of Music, assisted by the best local talent in the city, are working hard to make this opera the greatest musical success of the season.

WORK PROGRESSING ON BRIDGE

Steel Work on Bridge South of City Will be Completed in a Few Days.

Work on the steel bridge across Crook Creek, south of the city, is progressing in a satisfactory manner and the steel work will soon be in place. The concrete work is well advanced and the work will be commenced soon. The bridge is about four hundred feet long and will be a great improvement to the road across the canyon.

ENFORCE CAREY ACT CONTRACTS

Decision Important to Settlers Rendered by Supreme Court

MAKES NO DIFFERENCE IF TITLE IS STILL VESTED IN THE U. S.

Basin of Action a Water Contract With Which the Government is Not Concerned.

Carey-act irrigation companies have the power to enforce the terms of their water contracts with settlers, even when the title to the land is still in the United States and the United States cannot be made a party to the suit.

This point is emphasized and made clear in a decision handed down in the state supreme court on Saturday in the case of the Idaho Irrigation company against the United States. In a voluminous opinion written by Justice Sullivan and concurred in by the other members of the court, the right of the irrigation company to enforce the terms of its contract with Dill is upheld.

Incidentally Judge Carl A. Davis, sitting on the bench of the Fourth judicial district when this case was tried there, is reversed. He sustained a demurrer holding that the United States must be made a party to the suit in that it still held the title to the land. The plaintiff was given 10 days in which to amend its complaint in this respect.

This company refused to do so and the case was taken to the supreme court. It is held by the supreme court that the title to the land is not a party to the suit, since the title to the land is not a party to the suit, since the title to the land is not a party to the suit.

The conclusion of the supreme court is that the judgment of the trial court must be reversed and the case remanded to the district court with instructions to overrule the demurrer and permit the defendant to answer. The costs of the appeal are awarded to the irrigation company—Stateman.

STORAGE POTATOES MOVING

Heavy Shipments Being Made From Twin Falls to Eastern Market.

Storage potatoes are being shipped to the eastern markets as fast as they can be gotten to the railroad. In a conversation with the Oregon Shortland and Interpacific yesterday, the Times was informed that more potatoes were being loaded that day than for all the month of February. Several cars were being loaded from each station on the branch. The prices had taken a tumble in the past few days and they were only bringing fifty cents per hundred.

MOOSE ELECT OFFICERS

Officers Elected by Order to Guide Distances for the Evening Year.

The Loyal Order of Moose, No. 612, of this city, elected the following officers for the ensuing year at their meeting Monday evening, March 9. The officers were: President, J. C. Moore; Secretary, P. J. Grossman; Treasurer, A. D. Hughes; and so on.

Physicians—Dr. Alexander, Pitts and Morgan.
Hart Randall was elected delegate to the National Council. A. W. Smith, alternate.

ADVERTISING OF VALUE

Returns from Potato Breakfast Worth While.

As an aftermath of the fourth annual potato breakfast Secretary McMillan is going to make a report on the results from the sample potatoes sent out to the growers of the big hotels.

Together with an invitation to attend the breakfast, the potatoes were sent out to the growers of the big hotels. The potatoes have been ordered from local commission men directly traced to the novel advertising for the breakfast.

The breakfast was held at the Hotel Newcomb at Quincy, Ill., and the results of the breakfast are being reported to the growers of the big hotels.

Quincy, Ill., March 6th, 1914.
Twin Falls Commercial Club, Twin Falls, Idaho.

Gentlemen:—I am in receipt of your unique menu, also the big potato. In this case your product has had more than enough to advance itself and its fame is known to us before your excellent advertising reached us.

I am enclosing you two of our menu cards on which the credit is given to your state for this excellent product. Our guests have been delighted with them and many have asked for a sample potato to take home.

Very truly yours,
D. CALVIN, Chairman of the Educational Committee of the International Stewards' association.

MUSICAL BOXING BOUT

Something Really New at the Orpheum for First Three Nights of Week.

The management of the Orpheum theatre is offering something new for the first three nights of this week. The line of vaudeville will be seen Deane and Moore, a feature attraction, introducing comedy, singing and music. The program will be a boxing bout, something new and up-to-date. In motion pictures can be seen "The Great Train Robbery" and "The Last Days of Pompeii". A feature in two parts. A farce comedy, entitled, "Won at Last," for laughing purposes only, also another film comedy called "The Tractor Man."

GOOD SHOW AT LYRIC

Valmore's Comedians Will be Attraction All of This Week.

Valmore's Comedians opened their engagement last night to a crowded house. They put on three clean novel comedies, and a very good piano solo. Harry Hart did some tricks on the black wire that is now the public favorite. He certainly is a wonder in his line. Jack & Dixie closed the show with songs, music and imitation. This was a very clever act and should be heard to be appreciated.

Scandinavian Social.
The Twin Falls Scandinavian Social club will give a social at the Lyric theatre at Twin Falls, Wednesday evening, March 11th, at 7:30. All Scandinavians are cordially invited to attend. The program will be a very good one and a very good time will be had. Ad-13.

Popular Potato Planter at a Popular Price

The Keystone Hand-Drop Planter

Reliable—well made and finished. Does splendid work—simple—moderate priced. Will plant from four to five acres per day. Price within reach of farmers who plant but a few acres and could not afford a more expensive machine.

Opens the furrow to the proper depth, drops the potatoes, covers them uniformly. The open faced adjustable wheel that follows the runner presses the earth in just the proper manner to hold the moisture and insure best results in sprouting. Depth of planting perfectly regulated. Easy to operate, no complicated mechanism to get out of order.

It Does Not Bruise the Potatoes and you can be sure every piece containing an "eye" will sprout. No waste of expensive seed of high priced land with this machine. Its work always pleases the user. Secure catalog for complete description and testimonials.

PORTLAND MARKET REPORT

North Portland, Ore., Mar. 6, 1914.
Receipts for the week:
Cattle—202; calves, 26;
hogs, 188; sheep, 40.

Cattle.—Monday was the largest day in the history of the yards, 2700 head being received. Price was eased off but demand remained strong. Formerly legal steers, the receipts for the latter part of the week were light. Steers selling throughout the week at 2.25 and remain steady at this price.

Hogs.—Swine liquidation was also large, choice light stuff clearing at slightly less than last week. Tops dropped to \$5.50 and \$6.00 Monday in bulk with these loads at \$5.75. Week's range averaged \$5.00, which is about ten cents under February level.

Sheep.—Sheep large activity was limited by a short run and the trans-shipment everything in sight, especially both wool and shorn stuff was offering with prime fat wool lambs selling around \$6.80, wethers \$5.75, yearlings \$5.00 and ewes \$4.00. A differential of 50 cents was made for shorn stuff. Sheep market has a decidedly upward trend.

The following rates are representative:

No.	Weight.	Price.
44 Steers	1037	\$7.65
27	1095	7.50
92	1131	7.35
89	1402	7.15

Grand Spring Opening

Starts Tuesday, March 10th

Our exhibit of spring styles is important to the woman who wants to know what to wear—but it is of even greater importance to the woman who wants to know what to pay.

We have been as careful in our values as in our styles. We know that neither can be beaten, and we doubt if you can see their equals anywhere else.

This is especially true of the glorious styles and colors shown in our Wooltex and Redfern Coats, Suits and Skirts, and in the exquisite dresses in serge, linen, cotton weaves and silk.

The woman who buys a Wooltex or Redfern garment gets a combination of style and value impossible to duplicate, nothing better can be made—tailors don't know how to improve those garments.

Fabrics are all pure wool, styles distinctive and pleasing, wear guaranteed for at least two seasons, and with all this—Wooltex and Redfern garments cost no more than the ordinary run of tailor-made garments.

All of which—and more in detail—is magnificently demonstrated in the carefully selected garments in our present showing.

This is an exposition of the true, approved styles in women's wear, shown in moderately priced garments—notably in the famous Wooltex and Redfern Coats, suits and Skirts.

Jenkins and Company are sole agents for these splendid garments, also for the incomparable "Justrite" Corsets so essential to a perfect figure.

WILL BOND DISTRICT

Hagerman Valley Strong for State Highway

The mass meeting held in the opera house last Tuesday evening was probably the largest attended and most enthusiastic meeting ever held in the Hagerman valley. The meeting was called to order by John H. Jensen, chairman of our district committee. H. A. Stroud was unanimously elected president and Frank Tarnung secretary. The meeting was addressed by Frank Mariner, H. A. Stroud, E. M. Bell, John Curran, Edward Sherman and others. The purpose of the meeting was to learn the expression and desires of the people of the valley as to whether or not bonds should be voted in this highway district, to construct together with the state, the state highway through this section. A standing vote was taken which resulted unanimously in favor of a bond issue. The people of Hagerman valley expressed themselves very clearly on this important matter, and passed a resolution asking the highway commission to call on decision to vote on a \$20,000 bond issue. There is no doubt as to the Hagerman district voting hands for the construction of the state highway, as the people of this valley have always been enthusiastic over the Oregon Trail route. The Oregon Trail association is a strong organization and the heaviest taxpayers of the Hagerman Valley are members of this association. Hagerman Valley Ban.

Mr. and Mrs. Shively of Vernal, Colorado, arrived in Hagerman, Saturday, and are now visiting Mrs. Shively's brother, Mr. Scherupp. Mr. Shively expects to make Idaho their future home.

Mrs. August Wallner was taken seriously ill Tuesday with pneumonia. Mr. and Mrs. Frank Hughes left Monday for the North Side where they have rented a ranch.

Saturday Twin Falls callers were as follows: Mesars. Louis Klingemann, C. E. Haskel, P. E. Foreman, T. J. Autry, Mesars. Mrs. E. L. Bush, Mr. and Mrs. Ed Smith, Mr. and Mrs. Otto Bailey, Mr. and Mrs. Samuel Hull and Mrs. E. H. Butler.

Mr. Baker of Twin Falls, was in Hagerman on business Friday.

Mr. Nellie Snow loaded an immigrant car enroute to Oregon. The family will leave soon to make Oregon their future home.

WE HAVE FAITH IN THIS STOMACH REMEDY

"A woman customer said to us the other day, 'Say, you ought to tell everyone in town about Hezall Dyspepsia Tablets. I would myself if I could.' That set us to thinking. So many people have used them and have so enthusiastically sounded their praises both to us and their friends, that we had our idea you all knew that some of you who suffer from indigestion, heartburn, dyspepsia, or some other stomach complaint, don't know about them—we are writing this.

They contain Bismuth and Pepsin, two of the greatest digestive aids known to medical science. They soothe and comfort the stomach, promote the secretion of gastric juice, help to quickly digest the food and convert it into rich, red blood—and improve the action of the bowels. We believe them to be the best remedy made for indigestion and dyspepsia. We certainly wouldn't offer them to you, unless we were sure that we felt sure they would do you a lot of good."

If Hezall Dyspepsia Tablets do not restore your indigestion, check the heartburn, and make it possible for you to eat what you like whenever you like, come back and get your money.

Sold only at the more than 2,000 Rexall Stores, and in this town only at our store—Three alleys, 25c, 50c, and \$1.00. Skeels-Drugg-Drugg Co., Perrine Corner, Twin Falls, Idaho.—Adv.

HANSEN, IDAHO.

Hansen, Ida, March 9, 1914

Mrs. John McCullough returned Friday from Hansen, Iowa, where she has been visiting relatives and friends for the past two months.

Mr. C. F. Zumwalt moved his family to his residence in Hansen Wednesday.

Mrs. Roy Durk visited with Mrs. Searle Berkhalter Tuesday.

Mrs. P. E. Foreman is seriously ill at the Twin Falls hospital.

Mr. William Warfield and Miss Mary Wilson, were united in holy matrimony Wednesday. The young couple left Sunday for Walla Walla, Washington to make their future home at that place.

Several from Hansen attended the dance at Bickel Friday night.

The women were in Hansen this week extending the electric line to M. B. Provost's new dwelling in the east part of town.

Mr. and Mrs. Shively of Vernal, Colorado, arrived in Hansen, Saturday, and are now visiting Mrs. Shively's brother, Mr. Scherupp. Mr. Shively expects to make Idaho their future home.

Mrs. August Wallner was taken seriously ill Tuesday with pneumonia. Mr. and Mrs. Frank Hughes left Monday for the North Side where they have rented a ranch.

Saturday Twin Falls callers were as follows: Mesars. Louis Klingemann, C. E. Haskel, P. E. Foreman, T. J. Autry, Mesars. Mrs. E. L. Bush, Mr. and Mrs. Ed Smith, Mr. and Mrs. Otto Bailey, Mr. and Mrs. Samuel Hull and Mrs. E. H. Butler.

Mr. Baker of Twin Falls, was in Hagerman on business Friday.

Mr. Nellie Snow loaded an immigrant car enroute to Oregon. The family will leave soon to make Oregon their future home.

ROCK CREEK.

Rock Creek, Ida, March 4, 1914.

John P. Hanson, J. R. Hartley, Ed Tilley and W. E. Tilley were attending to business in Twin Falls last Friday.

Mr. and Mrs. James A. Walker are in Twin Falls this week on legal business.

Mrs. D. P. Albee entertained the Cemetery Association at her home last Thursday.

The Rock Creek Ladies club will meet with Mrs. Q. J. Domrose next Friday.

The Mothers' club met last Thursday with Mrs. J. I. Dean. A number of members were present and a very interesting meeting was held. Mrs. Dean was the leader. Next meeting will be with Mrs. J. E. Burke on Thursday, March 26th.

D. P. Albee returned last night from a trip to Idaho Falls, where he has been on business connected with The Idaho Honey Producers.

Little Ruby Hansen is sick this week with cold.

Thomas Iverson entertained a number of his little friends at dinner last

Sunday in honor of his twelfth birthday.

Mrs. W. R. Presnell is reported improving from her recent illness.

Mrs. J. P. Larson and Mrs. Wm. J. Kitch entertained the J. P. club at the hall on Saturday night last. A good crowd attended and report a very enjoyable time. Delightful refreshments were served by the hostesses. Harold Tilley will give a free wedding dance at the hall Friday night, the 14th.

Mrs. A. P. Murray is confined to her bed again.

Carl P. Harnisch came in from Jerome to visit his family here.

Mrs. R. H. Vanstrom is with her daughters in Twin Falls this week.

MI-O-NA QUICKLY ENDS INDIGESTION

Do not continue to suffer with indigestion or dyspepsia causing heartburn, flatulency, after-dinner distress, headache, biliousness, pain in the bowels, or sour and gassy stomach. Get effective and lasting relief at once. Buy from Skeels-Drugg Co. to avoid fifty cent box of Mi-O-Na Tablets. They quickly and surely end stomach misery—are pleasant to take and perfectly harmless.

Mi-O-Na is one of the most dependable remedies for disordered stomach. It heals the sore and inflamed membranes and is not only a digestive and stomach giving prompt and effective relief, but is a tonic that tones up and strengthens the entire digestive system—then the food is properly digested and assimilated—you enjoy robust health.

Do not delay—get a box of Mi-O-Na at once. If you are not entirely satisfied with results—Money refunded—Adv.

A Style Review of
Society Brand Clothes

Our Clothes Service for Idaho Young Men

OUR YOUNG MEN'S DEPARTMENT TRULY A GREAT STORE

You will find here the most complete assortment of young men's and men's clothing in Society and Kuppenheimer Brands.

Our one aim is to give you the greatest value for your purchase, whether it be large or small. We do not ask more for these clothes because they have a high reputation. We do not influence you to buy anything you do not fancy.

Rather, we aim to treat you as you like to be treated in service, in value and lowest prices. It is your advantage to trade here. You'll obtain a higher degree of satisfaction than you've ever experienced in buying clothes before.

We feel a justifiable pride in being able to offer to you young men and men of Southern Idaho the matchless quality and style of these two brands. Their marked individuality, their unique points of superiority in cut and design, their drape and swing, makes them fastidiously

correct (never before approached in any garments intended for men's ready service.

We show these wear-worthy garments in the popular chalk and pin stripes, greens, shepherd checks, blues and whites, blacker and whiter, in all the smartest fabrics, including many beautiful foreign designs.

This is an unequalled opportunity to see the newest and latest style ideas from the fashion centers of the world.

We attribute the remarkable growth of our men's clothing business to the incomparable quality of our clothing.

The efforts to fit our customers becomingly and the reasonable prices we ask. You know we never have half-price sales at any time of year—we couldn't conscientiously do so—else the early buyers would have to suffer. We believe in a fair and square deal all the year round.

TWIN FALLS AND BURLEY

RAILROAD DEVELOPMENT IN IDAHO

Approved Northwestern and Hill System Will Build Gilmore & Pittsburg.

New Meadows, March 7.—The Chicago & Northwestern and the Hill system will jointly build and use the new road to be built down the Big Salmon river as an extension of the Gilmore & Pittsburg from Salmon City to Lewiston.

The Village Blacksmith Shop

Kimberly, Idaho

Auto/livery—all kinds of repairs—first class vulcanizing—gasoline and oils—all work guaranteed.

Prices Reasonable

then be extended north from New Meadows down the Little Salmon river to the junction of the Big and Little Salmon rivers at Bigdams, a distance of 42 miles. The "Pittsburg" road will be extended from its southern terminus at Weiser to Boise, where it will be connected with the Western Pacific, which is to be built to Boise from Winnemucca, Nev.

The foregoing is the status of the railroad situation in Idaho, according to information obtained from an unusually authentic source.

There is now enough heavy steel rail for main line construction, piled up in the yards of the Gilmore & Pittsburg at Salmon City, to extend the railroad all the way down the Big Salmon river.

There no longer is any doubt among those in a position to know that the P. & N. in reality is a Hill project and will be taken over by Hill when the latter is ready to make public his latest plan of connecting up with the "Pitt" road and extending it to the Pacific coast.

Active preparations are being made by contractors for the construction of the Northwestern extension from Lander to Idaho Falls, for delivery of material in Lander at an early date, according to information received yesterday from a reliable source.

The report reached here this morning that 38 carloads of ties were on the way from Harlow to this city, for preliminary work in the Lander yards. The ties used in constructing the extension will be taken from the Northwestern tie camp at Dubois.

Lander is to be made a division of the Northwestern coast line, it is said, with shops equipped for locomotive and car repairs. The yards, it is stated, will be extended to further "Wyo" to provide adequate divisional and shop facilities.

The financial department of the Northwestern has made application to the Illinois commission for permission to issue \$25,000,000 in bonds to finance the construction.

"According to reports from Seattle, the Northwestern has agents in the field there attempting for the purchase of a vast tract for a terminal on Puget Sound."

For years, by those three great systems.

Corroboration of the report received by local railroad men that the Northwestern and the Burlington are racing for the South Pass in the continental divide to enter eastern Idaho has been received from another report from Lander, Wyo., which is at present the center of activity. It is contained in the "Wind River" Mountainier of that place, which says:

"Active preparations are being made by contractors for the construction of the Northwestern extension from Lander to Idaho Falls, for delivery of material in Lander at an early date, according to information received yesterday from a reliable source."

The report reached here this morning that 38 carloads of ties were on the way from Harlow to this city, for preliminary work in the Lander yards.

The ties used in constructing the extension will be taken from the Northwestern tie camp at Dubois.

Lander is to be made a division of the Northwestern coast line, it is said, with shops equipped for locomotive and car repairs. The yards, it is stated, will be extended to further "Wyo" to provide adequate divisional and shop facilities.

The financial department of the Northwestern has made application to the Illinois commission for permission to issue \$25,000,000 in bonds to finance the construction.

"According to reports from Seattle, the Northwestern has agents in the field there attempting for the purchase of a vast tract for a terminal on Puget Sound."

way across the Tetons and right-of-way agents have just obtained the land.

"Burlington surveyors are in the field at Wahalla, running a line to the South Pass mining district, it is said, and on through into Utah and Idaho, to compete with the proposed extension of the Northwestern from Lander to Idaho Falls. A spur will be surveyed into Lander by the Burlington, it is stated on good authority. There was filed in the land office at this place plans of a right-of-way filed by the Burlington from the mouth of the canyon across the Wind River reservation to a point a short distance north of Riverton. This would bring their right-of-way to or near to Wahalla from which point they are now said to be surveying south to the mines.

"Maps show that the right-of-way crosses the river and Northwestern tracks, about 12 miles north of Riverton, near the mouth of Moskrat and Horse Thief gulch." Capital News.

Card of Thanks.
We desire to thank heartily all those kind friends who so warmly sympathized with us in the loss of our husband and father and who helped so willingly in that bereavement.
