

# TWIN FALLS CHRONICLE

VOLUME 9, NUMBER 61

TWIN FALLS, IDAHO, SUNDAY MORNING, JUNE 8, 1919.

PRICE FIVE CENTS

## TWIN FALLS MADE PROMISES FOR THOSE WHO WILL NEVER RETURN

The telegraph wires tell us that our boys are coming home. Hearts thrill. We are jubilant. We would speed the hour of their coming.

But some who went will not return. They sleep beneath little heaped-up mounds of clay in a land torn with shell and lashed with a mad world's fury.

Those who gave them and who saw them depart but a short time ago will be with us to welcome the boys who survive.

Now hear this story: Some months ago there was a big meeting in Twin Falls—a convention of representatives of all our organizations and societies. It was held in high school auditorium.

That meeting was called to determine upon a fitting memorial for our soldier boys. Speeches were made and applauded. Promises were given.

Conclusion was reached for a memorial park at Shoshone falls, to be connected with Twin Falls by a boulevard. The state was asked to help. The state lantic even now. They will soon know whether the shouts with which we acclaim them on their return are more than words.

And deep down in their hearts they will know how we feel to those who went out with them—and stayed.

Twin Falls men—you who promised—wake up. YOU will make answer to deeds. Will we make good?

Something else will not now do. You made this pledge and the state has done its part. It is now up to YOU.

### CALL IS MADE FOR WALKOUT OF OPERATORS

Konenkamp Issues Call For Telephone and Telegraph Strike.

UNION MEN ARE TO QUIT WEDNESDAY

President of Western Union Says Service Will In No Way Be Impaired.

By the Associated Press. CHICAGO, June 7.—A nation-wide strike of telegraph and telephone operators who are members of the Commercial Telegraphers' Union of America, was ordered today to take effect next Wednesday morning at 8 a. m. standard time. The order was issued at general headquarters of the union here on telegraphic instructions from S. J. Konekamp, international president, who was in Pittsburgh on his way to Chicago.

The strike order is declared effective against the employees of the Western Union Telegraph company, the American Telephone and Telegraph company and the Postal Telegraph and Cable company with its associated institutions.

It was estimated at headquarters here that the strike would affect between 67,000 and 100,000 individuals of whom nearly 45,000 were said to be members of the union. Outside of the union ranks, it was said, many wire workers had pledged themselves to support a strike.

### Summary of International Situation

By the Associated Press. Peace conference commissioners and council continue their work of hastening completion of the reply to the German counter proposals. Indications are lacking, however, as to when the answer will be ready. No date for handling the reply to the Germans has been set, although it was reported earlier in the week that Monday would see the reply transmitted.

The council of four has again considered the German counter proposals, especially the western frontier of Poland. The frontier as outlined in the peace terms was the cause of strong protests from the Germans.

Count von Brockdorff-Rantzau, head of the German delegation, is at Cologne. One report is that his visit has to do with the situation in the Rhineland brought about by the proclamation of a Rhenish republic. The Berlin government is attempting to counter the republican movement by the appointment of East Prussian-born a count, and a resident of the Rhineland, as regional president.

By the Associated Press. NEW YORK, June 7.—The single tax party will place a presidential ticket in the field in the national election of 1920, it was announced at its headquarters here today.

A report through Paris says the German national assembly met in Berlin Saturday to consider the peace terms and reports from the German plenipotentiaries. Another report is that the assembly has been called to meet in Berlin late next week.

Dr. Renner, chairman of the Austrian delegation, has returned to St. Germain after conferring with fellow members of the Austrian government at Field-Krieg. The Austrian national assembly was expected to meet Saturday to consider the treaty.

There are signs of political discontent in Germany. The radicals have seized upon the alleged mistakes of the government to begin another campaign. In Bavaria, disorders have broken out in Munich as a protest by the radicals against the execution of the Bavarian communist leader, Leo-vic Mises. A general strike has been called in Berlin and strikes have occurred in several cities in Bavaria.

### AMERICAN FIRMS GET CONTRACTS

By the Associated Press. PARIS, June 7.—Contracts for reconstruction work, aggregating 500,000,000 francs, covering the rebuilding of the destroyed area of Rheims, Nancy and Soissons, have been awarded to American firms, according to an announcement here today. The official representatives of the chief companies in civil contracts are now on their way to the United States.

By the Associated Press. NEW YORK, June 7.—More than 35,000 persons from every state in the union attended the Roosevelt memorial exhibition at Columbia University which opened May 3 and closed today.

### CARMEN LOSE CHARTER FOR WINNIPEG ROW

Affiliated Unions Take a Hand in Canadian I. W. W. Row.

ONE BIG UNION PLAN IS TABOO

The American Federation of Labor Announces Action of Carmen's President.

WASHINGTON, July 7.—Martin F. Ryan, president of the Brotherhood of Railroad Carmen, has revoked the charter of two local unions of that order at Winnipeg and a third at Edmonton, Canada. It was announced at American Federation of Labor headquarters, on the ground that action of their members in appropriating money for organizing the "one big union" which has led to strikes now progressing in western Canada is a disregard of union law. Other heads of international unions are said of preparing similar orders affecting their crafts.

The revocation, President Ryan said, was only incidentally based on the general strike. Otherwise, he said, had been sent into Canada to begin reorganizing new locals of the brotherhood in place of those abolished. It was also said at federation headquarters.

### York Marries Sweetheart Of Boyhood Days

PALL MALL, Tenn., June 7.—Sergeant Alvin C. York, hero of the Argonne, was married here today to Miss Orville Williams, his boyhood sweetheart. The ceremony, conducted by Governor Roberts of Tennessee, was in an open-air amphitheater on the York farm, before 3,000 of his mountaineer neighbors, many army comrades and visitors who had traveled long distances. Sergeant York's bride is a cabinet-maker in accordance with the title conferred upon him since his return by Governor Roberts.

### CAPTURE BOOZE; OWNERS ESCAPE

Forty-five Quarts of Whiskey Thrown from Flying Car by Occupants.

Forty-five quarts of booze were thrown from a flying automobile late last night when members of the police force and sheriff's office fired several shots at the car. The occupants of the car escaped although the sheriff's force has a good idea who they are and at a late hour this morning were trailing the couple.

### PRESIDENT OF PARAGUA DEAD OF HEART DISEASE

By the Associated Press. BUENOS AIRES, June 7.—Dr. Manuel Franco, president of Paraguay, died Thursday night from heart disease. It was announced by the Paraguayan legation here.

### TWIN FALLS TO HONOR ITS COMPANY 'D'

Reception Also Planned For All Returned Men at Same Time.

COMMITTEE MAY BE SENT TO CHEYENNE

Suggestion Is Made That Party Meet Artillerymen on Arrival at Cheyenne.

Twin Falls will honor its heroes of returning soldiers.

Plans began to mature yesterday for a reception to members of old-company "D" on their return here.

Following the inauguration of these plans the suggestion was made that at the time of the arrival in Twin Falls of the 146th that Twin Falls citizens should extend a reception to all returning soldiers.

Celebrate Day 146th Arrives. The day of the arrival here of the former national guard will be the occasion of the welcome if present plans are carried.

In order that this reception be carried out it will be necessary that the boys in the 146th be discharged at this time. Already the matter has been brought to the attention of Congressman Addison T. Smith by C. D. ... and O. D. ... Ask Council to Aid ... On Monday ... has been ... sending ... the ...

# Fashions

The children's hour—held for the first time Friday morning at the Twin Falls library was a success. There were over thirty little tots there.

At the last board meeting of Twin Falls public library Miss Jessie Frazier brought the bean pot plan before the members. It was agreed that a genuine Boston bean-pot should be procured and installed in the reading room.

Miss Hamlin, who has been instrumental in bringing this plan before the board, was appointed as a committee of one to procure the pot and oversee its installation in the library.

The next meeting of the Salmon Social club will be at the home of Mrs. J. D. Wheeler Thursday afternoon.

The Twin Falls Post American Legion will give a dance next Friday evening. The affair bids fair to be one of the most delightful of the year.

The M. T. club will meet at the home of Mrs. Pratt for a picnic Wednesday the 13th.

## Making Ends Meet—and Lap Over

By Mrs. Edith Nell Nichols—A Briton who day I asked one of my neighbors why she didn't keep household accounts. Her reply was the name that millions of American women gave. She said she couldn't keep track of every cent she spent, so she stopped trying to keep accounts.

I didn't try to keep a record of how I spent every cent. If at the end of the week I had spent 5 cents for something I could not account for, I placed the expenditure in my account book under the head of miscellaneous. I forgot to weep about it.

To me the household account book is a history of past expenditures which will guide me in my future purchases and in making my budget.

In my account book the following expenditures were listed: Food, fuel, rent, clothing, education, investment, insurance, laundry savings transportation taxes, and miscellaneous. Under food I had the following subheads: Meats, groceries, ice, dairy products, fruits and vegetables.

At the end of every month I added all my expenditures together so I could tell at a glance how much I had spent for food, clothing or any item during the month.

## Trimly Smart This Taffeta

Very chic is this tactfully draped dove gray taffeta frock for all occasions, the well cut bodice revealing a gridle of silver cloth beneath, and a touch of black velvet ribbon on the front panel. Embroidered organza collar and cuffs add a crisp touch.

BY BETTY BROWN.

## DRINK HOT WATER IF YOU DESIRE A ROSY COMPLEXION

Says we can't help but look better and feel better after an inside bath.

To look on's best and feel one's best to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisons before it is able to enter the pores of the skin when it burns, leaves behind a certain amount of indigestible material in the form of acids, so the food and drink taken each day leave in the alimentary canal a certain amount of indigestible material, which if not eliminated, forms toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver and kidneys, thus cleaning, assisting and purifying the entire alimentary tract.

before putting more food into the stomach.

Men and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spots, acid stomach or constipation should begin this phosphated hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs, and always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

## NO CIVILIAN TRAINING CAMPS

By the Associated Press.

WASHINGTON, June 7.—There will be no training camps for civilians and reserve officers during the summer, the war department today advised Charles B. Pike, chairman of the Military Training Camps Association following lack of funds as the reason.

Mr. and Mrs. C. E. Booth, who have been in Halley for the past week, returned to Twin Falls Friday morning. Mr. Booth returned today from a short business trip at Jaridge.

## APPROVE GRADUAL DISCHARGE OF YEOUWOMEN FROM NAVY

WASHINGTON, June 7.—Gradual civil service examinations and obtain discharge from the navy department a permanent appointment.

Chairman Butler declared that in effectual duties during the war, his opinion the women should be recommended by Secretary Daniels to retain their positions but

that the rank of yeowomen should be taken from them together with the extra pay and allotments.

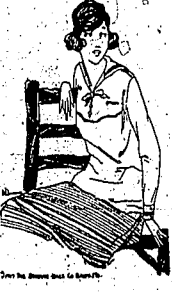

GOES TO CALIFORNIA. Mrs. Chapman, accompanied by her daughter, Miss Olivia, left last evening for California where they will visit relatives for the next six weeks.

## ROBINSONS

### SMOCKS

Perhaps no one thing in woman's wear is more in favor at the present time than this new and useful garment.

They are being worn very extensively in the larger cities, and as they are peculiarly adapted to this section, with its cool mornings and evenings, they should meet with ready sale here. Those shown here are smart looking and come in a wide range of colorings and styles, priced from \$3.50 to \$8.50.

### MIDDIES

When I say that you will find Jack Tar Togs here, it means Middies and Dressés made of good quality material, full cut, well made, and in styles most in demand. I need hardly add that the prices are right.

## Children's Wash Dresses

I wish I could fully describe to you the wonderfully clever line of children's dresses, carried in this store. From the daintiest and quaintest dainties and swisses to the smartest things in gingham, pongees and other materials, takes one over a long range, and it is worth one's time to look them over even if a purchase is not contemplated. I want you to feel free to come and look. Perhaps you have material and would like some ideas. Come and look just the same.

## WASH DRESSES

This season is undoubtedly the greatest one for all kinds of wash dresses for both street and house wear that has ever been known, and in keeping with the policy of this store of having the newest and best, the stock of gingham and percale dresses that are being shown here combine style, variety, good quality and fit, and with prices that are reasonable, ranging from \$2.69 to \$6.48.

## WOMEN'S HOUSE DRESSES

I may be pardoned for saying that the sale of house dresses in this store is such as to lead me to think that I carry a stock better suited to the needs of the trade hereabouts than other stores.

Every consideration is given when making selections to see that quality, style and workmanship is combined in each and every garment.

The BARMON house dresses combine all the features mentioned above with the added features of adjustable waist-band, arm shields and adjustable bottom hem.

Prices are so reasonable on house dresses in this store that it hardly pays one to buy material and make them.

Edward Robinson

P. S.—A splendid line of Driving, Auto and Street Gloves, including Biplane, Limp and Folding Cuff Styles.

## Wedding Bells Ring a Week for Newlyweds in Armenia

By Prof. A. Der Hagopian.

Member of the Armenian National Delegation to the Paris peace conference; professor for many years at Fagross; American Robert College, Constantinople.

Getting married is a much different matter in Armenia than in America. I'm told you can rush out and get it over with in 16 minutes in the United States.

Not so in Armenia. It takes a week or so to get married successfully. Armenians make a great fuss over weddings. The festivities begin at the bride's home two or three days before the wedding. After the preliminary feasting and relating the bride's back to the bride yellow, starts for the nearest church. The guests generally sit on foot, following along the road

behind the bride and groom.

After the religious ceremony of the marriage; the pre-canon leaves the church for the home of the bridegroom—the groom taking his bride to his own home only after the ceremony—where the festivities are continued.

Upon reaching the groom's home the bride always has well and there is more feasting, dancing, singing and dancing—the young men of the neighborhood frequently drinking to excess at wedding celebrations.

Jokes are played by the newly married couple in America. After the ceremony at the procession draws up to the groom's home there is always a crowd of boys and girls waiting. They know that not only rice and wheat but also small crops will be thrown at the newly weds, and they

are ready for the "scramble" for these coins.

The gay lute at the groom's home lasts for two or three days, the whole celebration extending over a week.

Devoutly religious and holding much of eastern mysticism, the Armenians pay much attention to funerals.

There is always a service at the house followed by a polemn, often long march to the church, with sermons there and other rites at the grave.

In winter, from October to April, conding and sleighing are popular. "Cats" with a large ball may be seen, but the nearest thing to American baseball is a game played with small blocks or sticks as balls and with bats—something like a cross between American baseball and the "whiffny."

# MICHIGAN IS EASY WINNER IN BIG MEET

### Distances Rival Schools in Closing Athletic Events.

## JOHNSON IS STAR IN FOUR EFFORTS

### Wins Every Event He Enters and Breaks Records With All Ease.

CHICAGO, June 7.—Scoring in 11 of 16 events, the University of Wisconsin track and field team today won the annual games of the western intercollegiate conference athletes association, totaling 44 1/2 points. The University of Chicago was second with 34 points and Illinois third with 22, just one point ahead of the aggregation from Notre Dame university.

Overshadowing all team performances, however, was the work of C. E. Johnson of Michigan. This athlete started in four events, won all of them and in the high and broad jumps set new conference records. Only in the high jump was he pushed. W. J. Faigle of Ames cleared the bar at 5 feet 8 inch, forcing the big Michigan athlete to take two inches higher to win. The previous record was 5 feet 7 1/2 inches and was made by Robert Wahl of Wisconsin in 1914.

In the broad jump Johnson distinguished all his competitors on his first attempt, but he took two more trials and cleared 24 feet and one inch, bettering the conference record of 23 feet 1 1/2 inches which he himself established last year. In the hurdles he won his heats and finals with ridiculous ease.

The twenty points garnered by Johnson made the high point winner of the day but there were notable performances also. By W. Faigle of Notre Dame, who ran the century in 1:45, tying the eastern and western college records and then sprouted away from his field in the furious dash. He ran on a track softened a bit by yesterday's rain and in the "fast" of a quarter mile.

Defeat in the two mile and failure to finish better than third in the relay virtually killed Chicago's chances of winning the meet. McMahon, the big Nebraska quarter-mile was reappointed to the relay and he took the baton for the last lap a good 30 yards behind Speer of Chicago, and ran the latter of his foot. McMahon's finish made up in a measure for his defeat early in the afternoon in the 440-yard dash.

McMahon was pocketed at the start of that event and Curtiss of Chicago, jumping to the pole, opened up an eight yard gap that he held to the finish, with One of Minnesota staying off McMahon's sturdy rush for second place.

## SALTS IF BACKACHE AND KIDNEYS HURT

Stop Eating Meat for a While If Your Backache is Troubling You.

When you wake up with backache and dull misery in the kidney region, it generally means you have been eating too much meat, says a well known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and lazy. When your kidneys get sluggish and clog you must relieve them. Like you relieve your bowels removing all the body "waste" waste, also you have backache, sick headache, dizzy spells, your stomach sour, your tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water holds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Food Salts, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then set fine. This famous salt is made from the acid of grapes and lemon juice combined with bicarbonate and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weaknesses. Food Salts is a life saving, for regular salt "cures" it. It is inexpensive, colorless and makes a delightful effervescent lithia-water drink.

## THE GREAT AMERICAN HOME

## GIVEN HEAVY FINE BY POLICE JUDGE

### Man Hauling Funds For Melon Feast For Soldiers, Goes to Jail.

Seymour Fairchild of Buhl was yesterday assessed a fine of \$100 by Police Judge W. A. Babcock after Judge Minnick had declared him guilty of a vagrancy charge. The man was sent to jail because of his inability to pay the fine.

Fairchild has been circulating petitions in Twin Falls the past several days to secure a fund of \$500 with which to plant a 40-acre melon patch for the use of returned soldiers. Complaint was made by police officers that he man could not account for funds that had been secured and that he was soliciting without a permit.

After assessing the fine, Judge Minnick stated Fairchild, who has been a resident of this section for the past 12 years, would not provide sufficient for his family and that he thought the man should be assessed the fine and sent to jail because he could not pay it until an investigation was made.

Fairchild declared that he is being assisted by a returned soldier. In the collecting of the funds. He said that he had not aside 40 acres of his 160 acre farm at Buhl for this purpose, giving the rest of his farm to his sons who have just returned from France.

The petition which has been circulated by Fairchild reads: To the loyal citizens of Twin Falls county—whereas, Mr. Seymour Fairchild of Buhl, Idaho, has a generous disposition and a just appreciation of the sacrifice made by the Twin Falls county boys and girls who entered the service of their country, both overseas and at home. Mr. Seymour Fairchild, has planned to plant forty acres of melons to be used in part at a melon celebration, with music, speeches and telling of thrilling tales to our soldier boys. To this end, we the undersigned citizens of Twin Falls county, subscribe in cash the amount set opposite our names, to assist said Seymour Fairchild in bringing this grand celebration to a successful finish. It is further agreed that should any one thus subscribing not be satisfied on December 1, 1919, with the celebration, and feels that his funds have been spent in vain, it is agreed that he shall have his donation back at that time. The gross sum needed is not to exceed the sum of five hundred (\$500) dollars.

STIFF FINE ON BOOZE CHARGE. Arthur J. Datzell, who entered a plea of guilty to a charge of having liquor in his possession was yesterday sentenced to 30 days in jail and to pay a fine of \$100 by Judge W. A. Babcock. The court ordered that giving the rest of his farm to his sons who have just returned from France.

JUDGMENT SUSPENDED. Judge W. A. Babcock yesterday suspended judgment against Leonard Eden who pleaded guilty to burglary. The judgment will remain in abeyance providing Eden spends three years in the army.

CASES ARE SET BY COURT. At a call of the calendar yesterday morning Judge W. A. Babcock set the following cases: June 10, 9:30 a. m.—Mitchell Johns vs. J. Lyman vs. W. A. Babcock.

LAD FACES FELONY CHARGE. Merl Smith, on whose complaint John Don Dayis was arrested, charged with theft, found himself in the law's toils yesterday. The lad, who is 17 years old, faces a felony charge of forgery. A check for \$25 made payable to himself was cashed by the lad. The check was signed with the name of John Smith. Similarity between this signature and the indorsement made by young Smith is what led to his arrest.

TWO COUPLES ARE GIVEN MARRIAGE LICENSES HERE. June, the month of brides and roses, promises to maintain its reputation as far as brides are concerned in Twin Falls county. Two licenses were issued by the county recorder yesterday. One was to James Frederick Arnold, 21, of Detroit, Mich., and Gladys Margaret Smith, 20, of Hansen. The other was given to Orino Nelson 24, and Mildred E. Stone, 21, both of Rupert.

Old "Foster" of Buhl was in Twin Falls yesterday for a short business trip. Mrs. A. A. Timms of Ellet was in Twin Falls yesterday for a day's shopping.

per vs. W. B. Smith et al; J. H. Boyd & Co. vs. F. M. Towne.

June 11, 9:30 a. m.—Susan Chase vs. John G. Zolman; William Hathaway vs. John J. Gray; J. C. Fancher et al. vs. Peter Aml.

SIMS CASE MONDAY. The case of the state against Harold M. Sims will be called in the district court Monday morning.

ANSWER FILED BY BEED CO. An answer filed in the district court yesterday by the Alfred J. Brown Feed company to the suit brought against it and W. R. Clevenger by J. H. Detweiler. The answer denies that the plaintiff held a lien on a crop grown last year by Clevenger but declares that Clevenger planted \$400 worth of Pennil pod black wax "beed seed" for the seed company.

GIVES COURT BAD CHECK. A warrant was sworn out yesterday by Prosecuting Attorney Frank Stophan, Prosecuting Attorney, charging Edmer McKinstry with giving Probate Judge O. P. Dunsell a check for \$5,000 without having sufficient funds in the bank to cover it.

LAD FACES FELONY CHARGE. Merl Smith, on whose complaint John Don Dayis was arrested, charged with theft, found himself in the law's toils yesterday. The lad, who is 17 years old, faces a felony charge of forgery. A check for \$25 made payable to himself was cashed by the lad. The check was signed with the name of John Smith. Similarity between this signature and the indorsement made by young Smith is what led to his arrest.

FINED FOR BEING DRUNK. Clark Griffith, arrested several nights ago on a charge of being drunk, was yesterday assessed a fine of \$10 by Police Judge Minnick.

TWO COUPLES ARE GIVEN MARRIAGE LICENSES HERE. June, the month of brides and roses, promises to maintain its reputation as far as brides are concerned in Twin Falls county. Two licenses were issued by the county recorder yesterday. One was to James Frederick Arnold, 21, of Detroit, Mich., and Gladys Margaret Smith, 20, of Hansen. The other was given to Orino Nelson 24, and Mildred E. Stone, 21, both of Rupert.

OLD "FOSTER" OF BUHL WAS IN TWIN FALLS YESTERDAY FOR A SHORT BUSINESS TRIP. Mrs. A. A. Timms of Ellet was in Twin Falls yesterday for a day's shopping.

Mrs. A. A. Timms of Ellet was in Twin Falls yesterday for a day's shopping.

## HOUSE CUTS CHUNK OFF NAVY'S QUOTA

### Will Reduce Naval Force To Less Than Number Ordered by Department Heads.

By the Associated Press WASHINGTON, June 7.—The house naval affairs committee today agreed to meet Secretary Daniels half way on the size of the navy.

In framing the 1920 appropriation bill the committee approved the secretary's recommendations that the enlisted personnel be fixed at 250,000 until October 1. From that date to January 1, Mr. Daniels wanted 235,000 men. The committee voted to put the maximum for that period at 200,000, and 175,000 thereafter; as against 200,000 thereafter, the number asked by the department.

Chairman Butler said the committee was determined to have economy and that it would eliminate or greatly reduce all items not regarded as absolutely essential as a high degree of efficiency. Members estimated that the reduction in personnel meant a saving of \$155,000,000.

### GOES TO MOSCOW FOR IMPORTANT MEETING

J. A. Kooser of Twin Falls, president of the state board of education, has gone to Moscow to attend a meeting of the board. Several important matters are to be discussed at this meeting including the awarding of a contract for the construction of a new administration building at the Lewiston normal. A selection of faculties at the four major educational institutions of the state will also be considered together with salaries and the budget for the ensuing year. The adoption of new text books, readers, civics and physiology for the period of six years will be decided at this meeting.

### UNABLE TO PROVIDE R. O. T. C. AT PRESENT

Hal G. Blue, superintendent of schools, yesterday received a letter from Lieutenant Colonel Elmer Hunt, of the general staff of the army who is in charge of training and inspection stalling at present it will be impossible to provide a Junior R. O. T. C. for the Twin Falls high school. The letter states that "pending congressional determination of the future military policy, including expansion of the R. O. T. C. system, the approval of the Junior R. O. T. C. units in educational institutions are suspended.

BABYLONIAN AUSTRIA.

In considering the German peace terms, the world almost overlooks those imposed on Austria, her partner in crime. The Austrian treaty seems to be regarded as little more than a parenthetical detail in the big task of settlement.

It was commonly said, when the Austro-Hungarian group of conspirators plunged Europe into war, that it would be the end of the historic empire. Through long years that result remained doubtful.

The nations so long oppressed are liberated. Czechs, Slovaks, Slovenes, Serbs, Roumanians, Poles and the rest, all are released to adhere to the bulk of their race represented in other governments.

There remains only the two centers of Hapsburg domination, Austria proper and Hungary proper, stripped of all the inhabitants they found in each other.

The royal family has vanished. The imperial tradition is turned to disgrace. Honor is gone, prosperity is gone, the manhood of the nation is gone.

And it is a just fate, because that remnant was the inspiration and support of the greatest crime in history.

An Irishman who calls himself "Envoy of the Provisional Government of Ireland" says that the Irish republic will welcome the aid of "the free men of the Russian socialist federal soviet republic."

Most of the returned soldiers who have no jobs are out of work because they won't take the jobs offered them. It's natural and creditable to want a good job, but it's thrifty and sensible to take whatever job offered while waiting for a better one to turn up.

BOY SCOUTS.

In view of the coming celebration of Boy Scout week, June 8 to 14, it is interesting to get this sidelight on boy scout training from an American army chaplain. He says:

"I find in my work overseas that many of our boys who are making the cleanest kind of a fight have had boy scout training."

Here is a bit of practical evidence of the value of starting a boy in the way he should go.

The Boy Scout movement is undoubtedly the finest thing which has been undertaken on a big scale for the young boys of the world. No boy can be truly interested in it and not be better off.

The celebration of Boy Scout week should arouse the interest of everyone who has the welfare of the country at heart, for America will be what American boys become.

HIS GARDEN PAID.

One successful young boy gardener has combined bookkeeping with his labors in the garden, and finds that both the gardening and the bookkeeping paid.

He kept a record of all expense of plowing, planting and tending; of the time he spent at his work and of the money he received from the sale of his produce, fresh and canned.

He did not give up all his youthful pleasures for the sake of his garden, either, nor was it allowed to interfere with his school work.

To keep a garden successfully from spring until fall means a good many hours' labor, even though the work is conducted so as to be little burden, and it is safe to say that this young gardener had a tidy sum stored away in the bank by the time summer was done.

Secretary Baker says that the government is four months ahead of its troop return schedule, and that the acceleration of troop movement to this country has saved about \$300,000,000.

Von Hindenburg has applied for a permit to become a resident and citizen of Switzerland. The Swiss are much embarrassed at the proposal and hesitate to consent.

Congress needs a time-budget worse than anything else, to assure that it will not waste in wrangling over the peace treaty time which should be spent for domestic reconstruction legislation.

After all, the signing of that treaty is a mere technicality. Nobody imagines that the Huns' signature is worth anything without allied armies enforcing what it subscribes to.

It is rather curious, when you come to think of it, that congress finds it necessary to protect the poor from a "luxury tax."

Bombs Are Anarchists' Propaganda of the Deed

"VIVE L'ANARCHIE" CRIES THE BOMB HURLER

By E. C. HODGKINS.
Throwing of bombs and planting infernal machines, any anarchist will tell you, is the "propaganda of the deed."

For a thousand years anarchism was propagated by peaceful methods by word of mouth and by writing. Then Mikhail Bakunin, Russian agitator, founded militant anarchism in 1862.

Anarchy's bomb career really started September 21, 1892, at Barcelona, Spain, where an anarchist hurled a bomb into a crowd at a military parade.

"Vive l'anarchie!" cried the bomb hurler just before the gullotine blade severed his head from his body.

By the next summer Italian anarchists were bomb mad. Over 2000 of them were thrown into prison.

On May 1, 1919, bombs were founded in the New York postoffice addressed to prominent Americans.

Principles Accepted by I. W. W. Anarchistic elements in the United States are largely represented in the Industrial Workers of the World.

"The question of 'right' and 'wrong' does not concern us. Anarchism has no binding program. Each member is allowed to do what he pleases in 'anarchistic' circles.

PEACE TANGLE IS MENACE TO EBERT'S RULE
Spartan Uprising Feared as Outgrowth of Series of Events.

Socialists and Reds Play Upon Treaty Demands to Arouse Class Hatred.

BERLIN, Friday, June 6.—The political debacle of the Bavarian cabinet in permitting the execution of Louis Nissen, a leader of the Bavarian movement, it became apparent today.

The Spartacus movement has been in course of preparation for the past several weeks on account of the continuance of the trials of the slayers of Dr. Liebknecht and Rosa Luxemburg.

The political disaffection has extended to the majority socialists and working men's councils.

Today the flurry had hardly reached its peak when the German view-point is expected to prove an effective counter irritant to the maneuvers of the independent socialists.

VIADIVOSTOK, Thursday, June 5.—Although the American guarded railroad sector of the maritime province has not been disturbed since the Anarchists inflicted severe punishment on the Bolsheviks on March 25, the adjoining sectors, guarded by Japan-

can, have experienced many disturbances. Trains have been fired on and wrecked while stations have been attacked by Bolshevik bands in an attempt to interrupt traffic.

More than a hundred Japanese soldiers are reported to have been killed or injured yesterday in a wreck on the Vladivostok-Khabarovsk line.

Escalated Bolshevik disturbances in the far eastern provinces are increasing, giving evidence that they are being directed by a single committee.

With the world's championship as the prize for the winner, the women's bucking contest promises to be one of the big features of the Elks roundup here July 3, 4 and 5.

The women's relay race is another leading event on the program which has been formulated. The only difference in the rules governing this and the men's relay race will be that the horses will be added at the start.

In the men's bucking contest each cowboy will furnish his own saddle and riding rein and will ride as many horses as the judges think necessary.

SAINTLESS PAULS PLAY HERE TODAY

Fast End Team to Perform on Local Diamond Against the Merceries.

Paul Patton, the Twin Falls star catcher, will not later the Twin Falls team from putting up a stellar contest with Paul today. This announcement was made last night by Manager Mercer, after a review of the situation.

REUTHER PITCHES AIRTIGHT ARTICLE

Given Brilliant Support He Turns in Winner for Reds—St. Louis Hosts Philadelphia.

By the Associated Press. CINCINNATI, June 7.—Reuther pitched airtight ball for the Reds today and received brilliant support, especially from Kopf, at the short field. Sherrill Smith also pitched well. Cincinnati scored the only run of the game in the sixth on singles by Reuther, Groh and Housh.

ST. LOUIS 8, PHILADELPHIA 2. ST. LOUIS, June 7.—St. Louis moved out of last place by nailing out Philadelphia in today's game, 8 to 2. The locals won the game in the fourth when they drove their former teammates, Packard and Watson, from the box, scoring four runs.

TIGERS BAT OUT LOPSIDED WINNING

Hurl Lams' One to Right, Field Bleachers Where Boy Catches It.—American League Games.

BOSTON, June 7.—Dereot hit Caldwell and Wins hard in the early innings today and defeated Boston, 10 to 6. With two on in the fifth Ruth hit the first ball pitched into the right field bleachers where a boy stood up and caught it. Before the game Players Bush, Chas Young and Manager Jennings of Detroit were suspended indefinitely by President Johnson.

ST. LOUIS 8, WASHINGTON 0. WASHINGTON, June 7.—St. Louis won easily from Washington today, 8 to 0. Harper was driven from the box in the third inning after the visitors had piled up a total of six runs. Thompson, who relieved him, held them fairly well.

STICKUP CASHIER; ESCAPE WITH CASH

Robbers Loot Bank in Suburb of Sioux City, and Get Away in Automobile.

By the Associated Press. SIOUX CITY, Ia., June 7.—Bank robbers secured \$26,000 in cash and liberty bonds in a raid on the Leeds bank in Leeds, a suburb of Sioux City today. The robbers overtook \$12,000 in liberty bonds. The men made their escape in an automobile. Three bandits entered the bank at noon and at the point of revolvers locked M. R. Blum, the cashier, and T. A. Poppe, a customer in the vault.

LEGION COMPLETES PLANS FOR DANCE

Committee Settle on Final Arrangements—Anticipate Large Crowd—Much Interest Shown.

Final arrangements were made yesterday by the various committees having in charge the preparations for the dance of the Twin Falls post, American Legion. From now on the service men will devote their time to boosting the "big show." A large crowd is anticipated.

Delegates and alternates to the state convention to be held in Boise June 25 are actively studying problems that the state organization will be called upon to consider. In addition to those elected to represent the post at Boise it is anticipated that a large number of others will go. All have the right of having a voice in the proceedings. It is believed that with a large representation present from here that it will not be hard to land the next gathering of service men.

# BLOODY FEUD LEADS VILLA INTO COMBAT

## Slaughters All of Herrera Family Except One Small Son.

### FULFILLS HIS OATH BY EASTER MURDERS

### Break Over Support of Carranza Leads to Personal Bitterness and to Death.

JUAREZ, Mexico, June 7.—When old Jose de la Villa Herrera and his two sons trudged out to the Parral cemetery before the Villa firing squad in the dawn of Easter morning, a Mexican feud more bloody than any of the Kentucky mountains came to a climax.

Melchor Madro's call to the mountains in the Chihuahua in the fall of 1910 brought Villa from his brigand rendezvous in the Sierra Madre, Coahuila from the San Andres llanos and the Herrera brothers from the copper mines of Parral. Together they fought the revolution of 1911 and together they marched into Mexico City in the triumphal entry. "Pancho," Movavio and Luis all wore the tri-color of the revolutionary army.

**Fought Together.**  
When Madro was killed and the constitutional revolution started, the Herreras and Villa again took up arms against the Huerta federals. But the inevitable break between Carranza and Villa, the hand that occurred, "All of Villa's old friends and followers remained with him but the Herreras father and five sons. They joined Carranza against Villa. A quarrel on the station platform at Juarez during which Villa's men and dogs were hurled at Villa by Melchor Herrera was said to have been the prime factor in breaking this long friendship between Villa and the Herrera family.

Melchor, the dead, and Luis, the lame, joined Carranza as generals of the fight. Old Jose was in the (crown of the Light), the father went back to Parral and became mayor—Melchor moved to Juarez and became a martyr. Villa led his host to defeat against Obregon, fighting under Carranza's banner. To his Golden One Villa swore an oath he would exterminate the entire Herrera family. Later Madro was killed by a concealed machine gun as he crossed the border to join Carranza's forces. The report said it was a case of mistaken identity.

Villa Springs Surprise.  
Christmas week, 1917, Villa spring a surprise attack on Juarez, commercial capital of the rich, Laguna district. Luis Herrera was the Carranza commander. He was captured, tortured and mutilated, then hanged to a telegraph pole with a picture of Carranza suspended from the body.

Two years elapsed and Villa rode into Parral at the head of his troops on Easter morning, 1919. The Defiance Society on horse guards had surrendered. Jose was in Luis Herrera, Melchor, Herrera and Zofitiano Herrera were conspirators in this organization. Villa disarmed and pardoned all but the three Herreras. The other officers interceded for them.

"No, this is not a personal matter," Villa said.  
Old Man Herrera advanced, matted and offered his hand. Villa refused it. Realizing his fate was sealed the head of the Herrera house denounced Villa as "the greatest traitor, and worst enemy Mexico had ever known."

Orders Thru Slaughtered.  
"Take them out to the Comproanito," Villa ordered, and to the dead march of the drums they were led out and executed on Easter morning. All died bravely, without any handkerchiefs and facing the firing squad squarely. This done Villa announced that his oath had been fulfilled, his grudge

established and that the younger Herrera boy would be spared.  
All the Herreras were famous in Mexico. It was Melchor who charged and captured a machine gun at the battle of Torreon in 1914 when general of a division under Villa. Luis Herrera was one of the first of Madro's commanders to be wounded.  
Herrera, the father, was credited with capturing Frank Thompson from assassination at the hands of a mob at Parral during the Villa chase.  
Melchor, as mayor of Juarez, was always friendly to the Americans and saved many Americans from deaths before the firing squad. The mother of the Herreras is dead and only the boy survives Villa's hatred and then only by grace of Villa's pardon.

# CAR STRIKE MAKES SHOW FOLKS WALK

## Temp in Detroit Comes When City Refuses to Permit Parade

By the Associated Press.  
DETROIT, June 7.—Street car service in Detroit came to a sudden halt at 10 o'clock tonight when motorman and conductors of the Detroit United Railways company struck to enforce their demands for increased pay.  
The action was taken on the recommendation of W. H. Malton, president of the Amalgamated Association of Street and Electric Railway Employees, who was informed by President Frank W. Brooks of the traction company that a higher schedule of fares, upon which increased pay for the men was contingent, had been refused by the city council.

Hundreds of Saturday night theater goers and shoppers were marooned in the downtown district. It previously had been announced the strike it called off was not being effective at 8 p. m. Sunday.

More than 2,000 men are involved. The situation is unique in that the city council, rather than the traction company, is responsible for the walkout. The most noted officials declared, are not resentful of the company's position and the company will make no effort to operate the city council.

Hundreds of Saturday night theater goers and shoppers were marooned in the downtown district. It previously had been announced the strike it called off was not being effective at 8 p. m. Sunday.

By the Associated Press.  
LONDON, June 7.—The commission connected with the world's cotton conference to be held at New Orleans has interpreted the decision of the BRITISH GOVERNMENT to send delegates as British official recognition of the conference.

Who accepted the officials have taken on this action particularly in view of the misgivings British traders at first had toward the conference. Walker Parkes of New Orleans, said to the Associated Press today.  
The commission will leave for the continent tonight.

# RAIN HEADS OFF WORK OF BATTLEERS

Willard and Dempsey Put in Day of Helplessness, Few Complains of Bad Wind.

By the Associated Press.  
TOLDO, June 7.—Several hundred people who visited the training camp of Jack Dempsey and Jess Willard today in anticipation of seeing some glove performances were disappointed because a severe, rain storm breaking in Willard was about to start his workout, prevented exhibitions in both camps.

Dempsey was more disappointed than any of the spectators, as he had been loafing since Monday and was eager to resume training. He wanted to see his partners in his living quarters, but Manager Keenan told him to wait until tomorrow. If the day is pleasant both boxes will play to capacity houses as they plan to double their efforts after missing today.

Willard complained today that he is finding the change in climate from California a hardship. He said that when he left Los Angeles ten days ago his wind was in excellent condition, but the conditions here have affected his breathing. Other members of the champion's entourage who accompanied him from the coast made similar complaints.

"Now that the weather is getting cooler, I think I will be able to work faster but it will be a week before I will be able to go at top speed," Willard said. "I expect that my breathing will be alright as quickly as I become accustomed to climatic conditions."

most park race course today, over a track that was lightning fast. J. G. Wilson's five year old gelding Corn Tassel, by Bantol-Cornfield, won the classic suburban at one mile and a quarter. The value of the stake was \$5,000 and the gelding, after a driving finish all through the final furlong, just nosed out W. R. Coe's three year old colt Sweep-On with Commander. J. C. H. Rose finished third; a commander.

The winner's time 2:02 1-5, is really a record for this race as the official time of 2:02 flat credited to Whisk Broom II, when he won this event in 1914, generally was not accepted by horsemen as correct.

The showing made by Sweep-On which under the scale was giving 140 pounds to winner, was an excellent performance. Sweep-On and his table mate Over There, were the public choice at 14 to 5, while 10 to 5 was the closing quotations made by the lawyers against Corn Tassel's chances for first honors.

The scratches of Vindex, Princess and Star Clean the field to eight starters.

War Cloud finished fourth, Exterminator fifth, Over There sixth and Papp, which sulked was left at the post, seventh, having passed the tired Lantia, which finished last.

Mr. and Mrs. A. A. Stocumb of Duhl were in Twin Falls yesterday for a brief time.

10 TO 1 SHOT WINS LATONIA CLASSIC  
De Frank Outrains and Outgambes Big Field of Best Western Three-Year-Olds.

LATONIA, Ky., June 7.—The colored of G. M. Garrison of New York finished under the wire first here today in the thirty-second Latonia derby when he entry De Frank, well handled by Jockey D. Kummer outran and outgambled what is considered by horsemen to be the aristocracy of western three-year-old thoroughbreds.

The son of Sir John Johnson, out of Ambiance, really had little trouble in disposing of his field when called upon and two lengths of daylight showed him and Ommond, who finished second. The contest for the second place was more spirited, for Regalo, who had been well up during the entire mile and a half journey fought out nobly but lost at the very end and was beaten a half length. Vulcanite was fourth and saved his entrance money for his owner.

De Frank was one of the two eastern horses to start. Eternal from the stable of J. M. McClelland, ridden by a Jockey, Schuttlinger, being the other. While six western entries faced the barrier, Eternal for a time looked to be winner. He assumed the lead at the rise of the barrier and it was not until after the mile pole had been reached that De Frank and Regalo, ridden by Murphy, managed to poke their noses in front of him. Front there on Eternal dropped back. Thurber on Ommond wags down Regalo and not until De Frank could not let out a wrap on his spout and Ommond could not reduce the distance, Regalo came again and Thurber had to ride just as hard to stall of Murphy's mount.

In capturing the event De Frank won \$15,150 for his owner. Ommond's share was \$2,000; Regalo's \$800, while Vulcanite obtained \$300 for finishing fourth.

De Frank's chances were not well thought of by betting public and the pari-mutuels machines showed that he paid slightly more than 10 to 1 to win. Ommond finished fifth, Eternal sixth, Pastoreaux seventh and St. Bernard last.

NEW CLUB FORMED BY YOUNG FARMERS

Sixteen attend First Meeting at Home of Mrs. A. S. Martin Who Will Be Leader. At a meeting of sixteen boys and girls at the home of Mrs. A. S. Martin, Friday afternoon a new club was added to the list of Twin Falls county's active young farmers organizations. The club was launched by A. J. O'Reilly, boys' and girls' club leader. It was decided by those present to carry on projects in garden, corn, poultry and sewing. The following were elected officers of the club: Carl Drury, president; Mildred Berisch, vice president; Mrs. A. S. Martin, local club leader. The next meeting will be held at the home of Mrs. A. Clark on June 27.

ATTEND WELFARE MEETING.

Mrs. Edna Ludwig, women's demonstration agent, Mrs. Burton Morse and Mrs. C. H. Brown, drove to Gooding yesterday to attend a meeting, conducted by Dr. Olson of Elk Lake. Dr. Olson spoke on child welfare problems.

### HOBBY URGES MORE TROOPS ON FRONTIER

Secretary of War Baker to Use the Texas Cavalry.

### WAR DEPARTMENT STARTS INQUIRY

Yaquis and Bandits Lead Revolt Spreading Over the Northern States.

By the Associated Press. WASHINGTON, June 7.—Declaring that the Mexican situation is so critical that a larger force of troops on the border is necessary, Governor Hobby today has urged Secretary Baker to call into the federal service the first and second brigades of Texas cavalry.

### DETECT FROM CARRANZA.

WASHINGTON, June 7.—General Casdido Aguilar, governor of the state of Vera Cruz, and son-in-law of President Carranza, reached here today from Mexico on a mission, the nature of which was not explained.

### Governor Is Anxious to Reorganize Texas Cavalry.

The Mexican situation appears to be at the most "uncertain" moment, requiring a larger force of troops on the border to protect lives and property of citizens than are at present available. I appreciate that for border duty cavalry is the most effective arm of the service and I also appreciate that this regular army is the best of cavalry. Therefore I respectfully urge and recommend that the first and second brigades of cavalry, national guard of Texas, be called into the federal service. I urge that the call include brigade commanders and brigade headquarters detachments so that the cavalry organizations may get into the command of two brigade commanders. I also suggest mobilization be fixed for definite date not less than 20 days from date to call in order to give ample time to arrange personal affairs and such officers and men who have dependents and for other satisfactory reasons may be discharged and their places filled with others who will be anxious to go into the service. This mobilization will also provide time to arrange details for transportation and camp. I suggest Camp Mabry at Austin as a mobilization camp. My anxiety that lives and property of citizens are in jeopardy and in view of knowledge of conservatism and efficiency of officers and men of Texas cavalry brigades prompt this suggestion.

### Asks for Information.

The assistant's telegram to the southern department commander was as follows: "The governor of Texas wired the department that the Mexican situation appears to be critical that an emergency force be sent at the most urgent moment requiring a larger force of troops on the border to protect lives and property of citizens than are at present available. Your views and any connection bearing upon the situation are desired by this command." Confidential reports reaching the war department within the last week regarding the situation in northern Mexico contained no information. It was said, this would lead army officials to believe the opinion expressed by Governor Hobby. The border is at present exceeds 20,000 troops, including cavalry, infantry, field artillery, air squadrons and engineer units distributed from Yuma, Ariz., to south of El Paso. The first point is headquarters of the fourth United States Cavalry. Behind this is an even larger force at the mobilization camps or enroute. Major General De Rosy C. Cahill, in command of a Mexican border district has been ordered to dispose the American troops as he thinks best to protect lives and property.

### ISSUES LUNATION AGAINST WILLYS-OVERLAND STRIKE

TOLEDO, O., June 7.—Declaring the industry has been obstructed by

"hostile" and "disorderly conduct and intimidation," John M. Killip, judge of the district court here today issued a temporary injunction restraining the Auto Trades council, machinists' local, their members and labor leaders, from interfering with workers or in any way hampering operations of the Willys-Overland plant of the Willys-Overland company. The injunction is effective at 1:30 p. m. Tuesday, June 10, at which time it is believed the plant will be reopened under armed guard and a reduced number of labor pickets.

### CALL IS MADE

The decision to call a nation-wide strike was reached by President Koenekamp after spending several days of the week in conference with a number of union employees in ten southern states. The strike followed a strike of telephone workers in Atlanta where telephone workers were said to have been discharged because of union membership in the Southern Bell Telephone company. The strike order was as follows: "All telegraph and telephone employees."

A strike is hereby declared to affect Wednesday, June 11, 1919, at 8 a. m., standard time, against the Western Union Telegraph company, the American Telegraph and Telephone company, the Postal Telegraph and Cable company with its associated branches including the Mackay and North American companies, and against all telephone companies where our members are employed.

"International protest." Accompanying the strike order were lengthy instructions to members in which members employed by concern not affected by the order were instructed to aid in making the strike effective. This, it was explained, was done as a result of passage of a resolution at the recent convention of the order of railway telegraphers in St. Louis, declaring that such business would be banned by employees of the organization in the event of a strike.

In Chicago, it was said at union headquarters, more than 4,000 workers would be affected. The Central Telegraphers' union, which has 122 chapters in 17 states, jumped ahead two weeks ago that Postmaster General Burleson, who had taken over control of the wire systems, refused to grant the employees increases in wages demanded and that unless the union was recognized and the men given relief from the high cost of living a strike would be inevitable. Mr. Koenekamp will return tomorrow to direct the strike.

### PHONE OPERATORS INVOLVED.

PITTSBURGH, June 7.—Telephone operators throughout the United States and electrical workers who are members of the International Brotherhood of Electrical Workers of America will go on strike June 16, in cooperation with the strike of telegraph operators ordered for next Wednesday, according to an announcement by R. J. Koenekamp, president of the Western Union Telegraph company. When informed that the official strike orders for telegraphers had been issued from Chicago, Mr. Koenekamp said, "We will win the fight."

"The strike will determine whether we are to have our standing as a union protected by force," he continued. "Peaceful means of adjusting our grievances have been sought for nearly a year, but we were told by certain government agencies in Washington that we could not get justice because our situation was not sufficiently acute."

"Mr. Burleson has said no union worker should be discriminated against when we complain of discrimination. Mr. Burleson was a lot of agitators and he wrote the words of the telegraph officials for it."

Mr. Koenekamp said that the postmaster general had acknowledged that he was "undecided" but he charged that Mr. Burleson has "reduced our earnings" by lengthening the hours of night duty and abolishing time and a half for Sunday overtime. He also charged that the men discharged by Burleson are being recruited by the Western Union for membership in the union. He has not been reinstated as promised by Mr. Burleson. "Now Mr. Burleson turns 'manangement' of the Western Union back to Mr. Carlton, who has these men discharged because they are all waiting for Burleson to keep his word," the president said.

### Canadian members of the union will stop communication with the union.

When the strike order becomes effective, railroad telegraphers in this country will stop handling commercial business. Mr. Koenekamp said and it will be determined later when leased

wire and broker operators will be called out.

### WILL NOT EFFECT SERVICE.

WASHINGTON, June 7.—The nation-wide strike of telegraphers and telephone operators ordered by R. J. Koenekamp, international president of the Commercial Telegraphers' union, will not affect service according to a statement tonight by Newcomb Carlton, head of the Western Union Telegraph company. "The Western Union" would like to see the public this strike will be no effect in handling their messages," said Mr. Carlton. "We will maintain a full force at all our offices and the small number of union employees who obey the strike call will not affect the character of our service or its continuity."

Regarding the south and south-west, where he said only 300 of 12,000 employees were on strike, Mr. Carlton declared extension of the walkout to the West coast would bring few results to the ranks of the strikers. Mr. Carlton said the company had questioned all its employees as to whether they would obey the strike call and that 147 out of the 23,000 in the territory to which the strike would be extended had replied they would walk out. These had been discharged Mr. Carlton said, not because they were union men, but because they said they would quit when directed to do so by Koenekamp.

### EXPECT NO EFFECT.

CHICAGO, June 7.—A. C. Cronkite, general manager of the Western Union in Chicago, when told of the strike call said it would have no effect on his company. "That won't affect our employees," he said, when told that the union officials said that more than 4,000 men would be affected here, adding, "That's bunk."

### PYTHIAN KNIGHTS NAME OFFICIALS

At a meeting of Knights of Pythias last Friday evening officers for the ensuing term were elected. Those named included: Chancellor commander, James A. Woodhead; vice chancellor, J. A. Burns; secretary, Guy T. Zimmey; master of ceremonies, H. H. Miller; master of exchequer, W. E. Nixon; master at arms, Gladstone E. Woodhead; inner guard, George F. Dunne; outer guard, James L. Tracy, 18.

### CARMEN LOSE

Continued From Page One.

ters that William H. Johnson, president of the union, had taken similar action affecting a local of that order in Vancouver and for the same reason.

### STILL UNABLE TO AGREE.

WINNIPEG, Man., June 7.—Despite terrific pressure from union men representing the Winnipeg general strike, the central strike committee this afternoon declined to call off the sympathetic walkout.

### IT ALSO WAS INTIMATED THAT SUCH ADJUSTMENT WOULD HAVE TO BE ADJUSTMENT OF THE GENERAL LABOR CONTROVERSY.

W. E. Parker, chairman of the consolidation committee of the railroad brotherhood, after two months and two indications years that there would be no settlement before next week. The brotherhood executive outlined reasons from both the metal trades union and the industrial employers, but the employer with the federal provincial and municipal governments holiday behind them, insisted that peace cannot come until the sympathetic strike, termed the leading weapon of the big union promoters had been repudiated.

### SPREADING RAILS CAUSES WRECK ON NORTHWESTERN

By the Associated Press. CANYER, Wyo., June 7.—If, Sheen, the engineer, is reported to have been badly crushed, probably fatally, and many passengers narrowly escaped death in a wreck of Chicago & North-western passenger train No. 403, westward, which was struck by three miles and a half east of here late today. The locomotive plunged down a twenty-foot embankment, dragging its engine baggage and mail car with it. One passenger committed suicide when the others left the rails but remained upright. Spreading rails caused the wreck.

### CLAIM GRAFT IN DISPOSAL OF U. S. GOODS

Army Officer, Millionaire Sportsman, Named in Indictment.

### ALLEGED BIDDING WAS ELIMINATED

Conspiracy Said to Have Been Hatched in April \$30,000,000 Was Involved.

By the Associated Press. DETHOIT, Mich., June 7.—With the arrest here today of four men, one of them an army officer, department of justice agents disclosed an alleged conspiracy to defraud the government in the sale of \$30,000,000 worth of army supplies to be salvaged here. The United States grand jury has returned indictments, it was announced against Captain Stephen Nicholson of Washington, chief of office of the ordnance department for this district, an unnamed army officer recently sent to France in connection with the disposal of excess supplies; Grant Hugh Browne, a millionaire sportsman and race track owner of Detroit, and Fred Collins, vice consul for Greece and president of a local realty company.

All but the officer in France, together with Bert Harris, a bank dealer of New York are held at Fort Wayne, at an army post here, for trial. Harris, who, it is alleged, was to dispose of the material, will be arraigned before the grand jury Tuesday.

The arrests followed an investigation extending over two months and came, department of justice officials said, after the first deal in the alleged plot was put through at Rochester, N. Y., Thursday.

### Sold \$300,000 It Alleged.

The transaction, it is alleged, involved twenty thousand tons of material valued at \$300,000. According to Arthur H. Barker, chief of the bureau of investigation here, Collins, Browne and Harris are charged with conspiracy to eliminate other bidders for the material, the bid being held low despite the highest of the three would be far below the value of the supplies disposed of.

material, the bid being held low despite the highest of the three would be far below the value of the supplies disposed of.

By means of a dictaphone installed in Captain Nicholson's room at a hotel, the federal officers declare, they followed the alleged conspiracy through its conception early in April. The matter was placed in their hands by another officer of the ordnance department, whose name they withheld.

### TWIN FALLS

In line with the reception program has come a suggestion that a delegation from Twin Falls meet the boys at Fort Russell and accompany them home.

C. D. Thomas is one who favors the idea. He suggests that the mayor and council, officers and representatives from the Twin Falls post American Legion executive officers of the Memorial association and a delegation of public spirited citizens go to Cheyenne immediately on receipt of word that the organization has left New York for the east.

### McLober's To Go.

Several relatives of the men in the company have signified their intention of making the trip while Captain F. W. McLober's, who commanded the company until it went into the lines last July also plans going to the Wyoming city.

### GRAVATH LEADING NATIONAL SLOGGER

CHICAGO, June 7.—Gravath, of Philadelphia, although making only ten hits in his last nine games, continued to lead batters of the National league, on the basis of figures released today, which include games of last Wednesday. He is hitting .450.

Burns, New York, has climbed up and tied with Olson, of Brooklyn for honor as a run maker. Each has registered 25 times. Larry Doyle, New York, has taken first honors in total runs. He has scored 10 runs. Young Douglas, 67, is his credit. Williams, Philadelphia, has taken Carvath's place in the home run department, and is tied with Knauer, New York, for the lead. Each has made two circuit

drives.—The Brooklynites, Myers, Mages and Koochey, are tied in sacrifice hits with 11 apiece. Bigbee, Pittsburgh, has leaped into the lead for base stealing with 12 thefts.

Leading batters: Gravath, Philadelphia, .450; Wings, Cincinnati, .375; Cobb, the Detroit slugger, not only refused his lead at the head of the American league batters, but also paced Jackson, Chicago, in total bases. The Georgian is hitting .350 and has 68 bases.

### STARRS WOULD WED WIVES MURDERER

Court Refuses to Permit Marriage to Ruth Garrison As Defense in Felony Cause.

OKONAGON, Wash., June 7.—An offer of marriage made in motion by counsel for D. M. Starrs, on trial in superior court here on a felony charge growing out of his alleged relationship with Ruth Garrison, acquitted recently at Seattle for the murder of Mrs. Starrs on grounds of insanity, was rejected by Superior Judge John B. Juroy today an defense to the charge against Starrs.

Juroy judge held that he lacked jurisdiction to entertain such motion under the circumstances, but said if he did not, he would deny it.

Miss Garrison is an inmate of the state penitentiary at Walla Walla where she was committed following her acquittal.

### SPENDS 21 DAYS IN ARGONNE, IS Gassed

Benjamin A. Stephens was one of the three veterans to file discharge papers with the county recorder yesterday. All of these discharge papers contain interesting little sidelights on the great conflict over there. Stephens' shows that members of the medical department were subjected to the same dangers as the doughboys. His service record, gives him credit for 21 days in the Argonne, entering on October 1 and coming out on October 22 after suffering from gas. Stephens originally enlisted with Company D of the 20th infantry, but was later transferred to the 455 ambulance company. Others who filed papers yesterday were James H. Harvey, who served with an A. E. F. Aero Squadron and John J. Byer.
