PRICE FIVE CENTS

HUNS TO SIGN TREATY THURSDAY OR FRIDAY

Short Note of Acceptance Is Sent to the Paris Conference

GERMANS AVER THEIR HONOR UNSULLIED

Yields to Superior Force Alone, Declares von Haniel—Unable to Defend Themselves.

By the Associated Press. PARIS, June 23.—The signing of the peace treaty is not likely to take place before Thursday, possibly not until Friday. This announcement was made tonight by Premier Clemenceau and Secretary Dulac.

OPPOSITION IS OVERCOME

WEIMAR, June 23, 8:16 p. m.—The national assembly this afternoon voted to sign the peace terms unconditionally, the government having succeeded in overcoming the opposition of those who insisted on two conditions.

FORCED TO SIGN

PARIS, June 23.—In declaring its intention to accept and sign the peace terms the government of the German republic has met the following note to M. Clemenceau, president of the peace conference, through Dr. Haniel, von Hanielhaus:

"The minister of foreign affairs has instructed me to communicate to your excellency the following:

"It appears to the government of the German republic, in consternation at the last communication of the allied and associated governments, that these governments have decided upon two conditions for the signing of the peace conditions, even those which, without prejudging any material significance aim at divesting the German people of their honor.

Honor is Unsullied.

"No act of violence can touch the honor of the German people. The German people, after frightful sufferings in their history, have no means of defending themselves by external action.

"Yielding to superior force, and without renouncing in the meantime its own view of the unchangeable justice of the peace conditions, the government of the German republic declares that it is ready to accept and sign the peace conditions imposed.

"Please accept, Mr. President, assurances of my highest consideration. (Signed) Von Haniel."

PARIS GUNS BOOM

PARIS, June 23.—When it became known officially this afternoon that the Germans had decided to sign the peace treaty unconditionally gun booms from the forts around Paris. There was great rejoicing in the crowded crowds in the Champs Elysees.

ARE QUICKLY TRANSLATED.

PARIS, June 23. (Havas).—The German note accepting the allied peace conditions without reservation made only one typographical error. Paul-Dutus, secretary general of the peace conference, had the note translated as soon as he received it and sent copies of the translation to Premier Clemenceau, Premier Lloyd George and President Wilson.

HELPER TO SWISS.

BERNE, June 23.—The decision of the national assembly at Weimar to sign the peace terms was greeted with relief throughout Switzerland. German exchange soared from 40 to 51 francs for 100 marks.

IRISH PRESIDENT THROWS OFF MASK

Do Valera Emerges in New York and Declares Ho Is to Speak for New Nation.

By the Associated Press. NEW YORK, June 23.—Edward (Dan) Do Valera, president of the Irish Free State, emerged dramatically tonight from the seclusion in which he had kept himself since his arrival in the United States. In a statement to the press at the Waldorf Astoria hotel, where he was greeted by wildly enthusiastic followers, he declared he had come to America to "speak for the Irish nation."

Mr. Do Valera, a tall smooth-faced, clear-eyed young Irishman, was born in New York in 1882, but said he "resounded" his American citizenship when he became an Irish soldier. He declined to tell how he contrived to reach America, but said he came here from Boston several days ago. It was noted that during his stay in New York he has been living at the Carmelite Priory in East 93rd street.

His secretary, H. J. Boland, said that while in Boston, Do Valera endeavored to arrange an audience with Cardinal O'Sullivan, but did not see him. Prior to that he said, he was in Philadelphia, where he saw Michael J. Ryan, who was a member of the Irish peace delegation, and Dr. Patrick J. McCarran. He declared Do Valera had visited Baltimore, where he saw Cardinal Gibbons and Washington, where he met several United States senators. He said that he also paid a visit to his mother in Rochester, N. Y.

WILL CALL OUT LOCALS

By the Associated Press. SAN FRANCISCO, Cal., June 23.—Distributors of telephone operators in California and Nevada and elsewhere here today served notice that they expected to call out the locals of the northwest in an effort to speedily settle their differences in the event the telephone company did not grant their demands.

BOURDETTE BOYS ARE LAID TO REST

Funeral Services Over Remains of Victims of Snake Held Sunday and Monday.

After being in the water for more than a week, the body of Herbert Bourdette was to the surface, and drifted to shore Sunday morning. It was sighted at 8:15 by a fisherman below the falls and drifted in shore within about eight feet of where the remains of Harold Bourdette, the son of your old dad, came to the surface of its own volition Saturday afternoon. No dynamite had been used since Wednesday and but little hope was entertained that the bodies of the youths would be recovered.

Funeral services for the younger lad were held from Dr. Willet's undertaking parlors Sunday afternoon and from the same place yesterday services for the older boy were held. Rev. W. A. Moore conducted both services.

Herbert Bourdette was the son of H. W. Bourdette and a brother of G. O. Bourdette, the father of the younger lad. The boys went over the falls when attempting to cross the river a short distance above. No one saw the accident but when the lads did not appear, it was believed that they met their death in the water. For several days searching parties were at the water continually.

Summary of the International Situation

By the Associated Press. Germany is also negotiating the peace treaty of the allied and associated powers.

Although the Germans had pleaded that the treaty provisions acknowledging Germany's responsibility for the war and calling for the trial of Kaiser Emperor William for "a supreme offense against morality and the sanctity of treaties" be stricken out, the will of the allies that these remain in the document is to prevail.

Likewise a request for an extension of the time allowed for acknowledgment by the Germans of their willingness to meet the allied terms was preemptorily refused.

After having promised to meet the allied demands, the spirit of recalcitrancy apparently prevailed for a time in the new government of Herr Bamber, but this seemingly later was overcome and now everything points to the signing of the treaty at Versailles during the present week.

An indication that the peace congress will not defer much later than Thursday a meeting with the German plenipotentiaries for final action is obtained from a report from Paris that the steamer "George Washington," on which President Wilson has traveled to and from Europe, will be expected to arrive in London on Thursday. The report, however, does not assert that the steamer will sail on that date.

In their pleas the Germans requested the allied powers to consider the conditions imposed were impossible of fulfillment and to make concessions. Declining responsibility should Germany be unable to meet the requirements of the allies.

It is asserted in Paris that, notwithstanding the fall of the Italian cabinet, headed by Premier Orlando, the Italian peace delegates now in the French capital have been authorized to sign the peace treaty.

GERMAN OFFICERS FIRE ON SAILORS

Halt Movement of Men to Close Cockles and Save Ship Off the British Coast.

By the Associated Press. THURSO, Scotland, June 23.—German sailors were shot by their own officers when they attempted to obey the commands of the British officers to return to their ships and shut the sea cocks. This statement was made by Lieutenant Nuttall of the steamer Alouette who reached here today from Scapa Flow, where the German ships were sunk.

"I pulled alongside a German destroyer when I saw a ship begin to rattle," said Lieutenant Nuttall, "and ordered the Germans back to close the sea cocks. Four or five of them turned back, whereas the German officers shot three of them dead. We then opened fire on the officers and several of them dropped.

"Directly the first red flag and German ensign were hoisted on the sailing ship headed 'the German admiral' put out in a motor boat' portside to the British air station ashore. He stated the ships were striking and requested assistance for the crew. The admiral was arrested."

WILL BE COURT MARTIALED

LONDON, June 23.—Admiral von Reuter in command of the German fleet, scuttled and sunk in the Scapa Flow, will be court martialed for having broken the armistice conditions, says the Daily Mail today.

The newspaper adds that the details of the trial will be arranged by the allied council in Paris.

DENIAL IS MADE

LONDON, June 23.—The German admiralty denies a rumor in circulation today in several newspapers that the Germans had sunk the remainder of their warships in German harbors.

FIRE FIGHTERS HALT BLAZE

IN COLORADO'S BIG FORESTS

PUEBLO, Colo., June 23.—The fire fighters who have struggled without rest for the last 48 hours to prevent a further spread of fire in the Big Hole national forest, 25 miles west of Pueblo, have succeeded in extinguishing the fire, according to announcement of A. G. Hamel, forest supervisor tonight, and unless a high wind comes up again, the danger of the fire's getting beyond control is small.

So far the area of burned land does not exceed 2,000 acres, according to Mr. Hamel. The blaze is still burning fiercely and can be plainly seen from Pueblo.

Many Hurt By Bomb Thrown On Streetcar

By the Associated Press.

MANILA, P. I., June 23.—Seven persons, including two American sailors, were seriously injured today by a bomb which had been placed aboard a crowded street car and which exploded after the motorman had kicked it into the street. All of the injured, two of whom were said to be dying, were pedestrians.

A strike of street car employees is in progress.

A man declared to be responsible for the crime was captured by the constabulary.

WATER IS PROBLEM FOR CITY COUNCIL

Many Claims for Damages Submitted—Will Codify the City's Ordinances.

Problems surrounding the city's water system occupied most of the time of the city council last evening.

Attorney Shad Hodgins appeared before the board in behalf of two applicants with claims for damages resulting from the breaking of the water main two weeks ago. Mr. Hodgins stated that it was the desire of his clients to avoid litigation with the city, and that the circumstances were such as to make it necessary for prompt action.

Mr. Hodgins stated that the pipe which broke was the one which was laid by the city and which was not covered by the city.

RAILROADERS SEEK A. F. L. CHARTERS

Cheers Greet Announcement by Congress at Atlantic City Convention—Will Back Government Control.

By the Associated Press.

ATLANTIC CITY, N. J., June 23.—Samuel Gompers, president of the American Federation of Labor, was greeted with a roar of cheers late today when he announced three of the four great brotherhoods—the United Mine, conductors and trainmen—had applied for charters in the federation.

The fourth brotherhood—the firemen—he said, was considering a similar application. It is the first time that affiliates the ranks of the federation will be increased by 500,000 men.

Delegated were of the opinion that with the entry of the brotherhoods the federation will back the demand of the railway men for government ownership and control of the roads.

The convention also pledged its support to the striking commercial telegraph operators and appointed a committee to confer with Postmaster General Burdett in the hope of obtaining for the telegraphers the same concessions which have been granted to electrical and telephone workers.

WILLISTAS TIRED AND DISAPPOINTED

Reach Cases Grandeur Much Disappointed as Result of Clash With Yank Cavalry.

By the Associated Press.

DOUGLASS, Ariz., June 23.—Commander Villistas reached Casa Grande last Saturday, according to word reaching Agua Prieta late today. Whether Villa was with the forces could not be ascertained.

Up to the time of the departure of the messenger from the clubhouse, the forces of the Villistas had been defeated by the Villistas toward the Mexican colonies of that district.

The Villistas appeared tired and depressed over the result of their struggle with American troops at Douglas at a time when they considered the battle against the federal garrison there was all but won. Among the arrivals were several slightly wounded men, the message stated.

- 8.—Votes cannot be purchased. Every cent accepted through the contest department must represent a subscription.
- 9.—Votes are not transferable. Candidates cannot withdraw in favor of another candidate. Should a candidate withdraw from the race his or her votes will be cancelled. Neither will it be permissible for candidates to give, or transfer subscriptions to another candidate. Votes on such transferred subscriptions will be subject to disqualification at the discretion of the management.

- 17.—There will be several big prizes awarded, besides a twenty per cent cash commission to all ACTIVE non-prize winners, but it is distinctly understood that in the event ANY candidate becomes INACTIVE, failing to make a weekly cash report, he or she will, at the discretion of the management, become disqualified and thereby forfeit all right to a prize or a commission.
- 18.—To insure absolute fairness in the awarding of prizes, the race will be brought to a close under a "sealed ballot box" system, and will be under the personal supervision of two or more judges selected from the Advisory Board. During the entire last week of the contest, the box—locked and sealed—will repose in the vaults of a local bank where candidates and their friends will deposit their final collections and reserve votes. And, until the race has been declared closed, will the seals be broken, the box unlocked, and the judges begin the final count. In this way no one, not even the campaign manager, can possibly know the voting strength of the respective candidates, which precludes any possibility of favoritism and insures fairness to the minutest degree.
- 19.—The Chronicle reserves the right to amend the rules of this contest, if necessary, for the protection of both the interests of the candidates and this newspaper.

The Plan

The object of this big prize distribution is to give to the subscribers of The Twin Falls Daily Chronicle, to collect and award prizes to you, and at the same time to afford our subscribers a big way, through their subscriptions, to the ultimate good of all concerned. In order to gain this end quickly and advantageously, a local newspaper in this section of Idaho participates most heartily. Ambition and energy are invited to participate in this contest. The plan adopted is the fairest and most liberal prize given or any other inducements whatever long-term subscriptions accepted. The plan of this contest is set forth in this announcement. Let it be understood at the very outset that this is a genuine competitive proposition for enterprising men of chance enters. One feature of this contest is...

How to Enter the Contest

The first step, in order to become a candidate and compete for a prize, is to clip the nomination coupon appearing in this issue; fill in your name and address and mail or deliver to the campaign department of The Daily Chronicle, Twin Falls, Idaho. This coupon entitles you, or the person whom you might nominate, to 1000 FREE votes. These votes are given you as a starter; and speed you on your way to win. Only one such nomination coupon will be accepted for each candidate entered. The next step is to call on or write the campaign department for a free working outfit (consisting of a special receipt book, sample copies of the paper and other information relative to launching an active campaign). Then equipped, you have but to see your friends and neighbors, relatives and acquaintances and have them clip the free coupons from their papers, and pay up a subscription to The Chronicle through you. THAT'S ALL THERE IS TO IT. However, you will never win anything unless you make the start; and, while it will not be a very difficult matter to capture one of the big prizes, nevertheless it will be no child's game. You must plan out your campaign the same as any successful business man plans out his work for a season, and, above everything else, let no one discourage you, but stick to the finish. Anything worth having is worth striving for. Six short weeks and you may be riding in your own automobile.

How Votes Are Secured

It takes votes to win, and votes are secured in two ways: First, by clipping the coupons appearing in each issue of The Chronicle. Begin gathering them NOW. After next week these coupons will be reduced to a lesser number of votes. The only attention placed on voting these coupons is that they must be deposited at the campaign department of The Chronicle on or before the expiration date printed thereon. Get your friends to saving these coupons for you—they'll count. The other, and faster way, to get votes is by securing new and renewal subscriptions to The Chronicle. On each subscription turned in a certain number of votes are issued, the number varying according to the amount paid and during which "period" same are received at the campaign department (see schedule of votes below). So, you see, the more subscriptions you secure the more votes you get and the better your chances are to capture the grand capital prize.

Early Start Means Easy Finish

The advantages of an early start are manifest. Not only do you have the FULL SIX WEEKS in which to secure the winning votes, but now and up to and including Monday, July 22nd, you will receive the maximum schedule of votes on subscriptions. Then, too, the first in the field will undoubtedly get the "cream" of votes and subscriptions, while those who put off entering until a later date will have to take what is left. Don't lose valuable time waiting to "see what the other fellow is going to do" but pitch right in and show the "other fellow" how to do it.

Advisory Board

It is the sincere aim of this newspaper to conduct this contest, from start to finish, in a fair, honorable and impartial manner. Every precaution has been taken to safeguard the interests of participants, and absolute honesty in all dealing is guaranteed. However, not all wisdom lies with any one man or institution, and for that reason an Advisory Board has been decided upon, whose functions shall be to decide any question of sufficient moment that might happen to arise during the competition and from which a committee shall be selected to act as judges and count the votes the last night of the contest. The personnel of this board is as follows: W. H. ELDRIDGE, Mayor Twin Falls; LEO F. BROCKEN, Cashier Idaho State Bank, Twin Falls; A. BROOKVELL, Dentist, Twin Falls; E. J. OSTRANDER, City Comptroller, Twin Falls; J. M. SHANK, County Probate Judge and Attorney, Dubbi; W. F. SHINN, Postmaster, Filer; W. H. TURNER, Banker, Kimberly; HON. J. H. SEAVEL, State Senator, Castletown; R. E. MOOREHOUSE, Postmaster, Hollister. All of these gentlemen are well known to everyone in Twin Falls and surrounding territory, and the final results, as given out by them, will be beyond dispute.

FIRST PERIOD	SECOND PERIOD	THIRD PERIOD
Embracing the first few weeks (terminating July 21) the following number of votes will be issued on subscriptions:	Embracing the next 10 days (terminating Aug. 2) the following number of votes will be issued on subscriptions:	Embracing the last week (terminating Aug. 9) the following number of votes will be issued on subscriptions:
Six months — \$ 2.25 — 6,000	Six months — \$ 2.25 — 4,000	Six months — \$ 2.25 — 3,000
One year — 5.00 — 16,000	One year — 5.00 — 12,000	One year — 5.00 — 10,000
Two years — 12.00 — 40,000	Two years — 12.00 — 32,000	Two years — 12.00 — 25,000

The above schedule of votes, which is on a declining scale basis, positively will be changed during the competition. A special ballot good for 10,000 votes, will be issued on every "club" of 250 turned in. This schedule, there will be no extra votes offered, extra prizes given, or any other inducements whatever throughout this campaign. Remember this and lay your plans accordingly.

An Open Invitation

Consider this a personal invitation from the publisher to enter this competition and share in the distribution of awards Saturday night, August 9.

The prizes have been all arranged for, and it only remains for the ambitious and enterprising men and women of this community to get in the game and get their share of the good things offered.

This is positively the greatest and most liberal prize offering ever made the newspaper reading public of Twin Falls and Twin Falls county; an opportunity that may never come your way again. Grasp it!

BOXING

DEMPESEY CUTS OUT HIS JOGGING PART

Guided by Criticisms He Wallows His Sparring Partners in Merciless Fashion.

By the Associated Press. TOLEDO, June 23.—Stung by the criticism that his sparring partners had been able to hit him with disconcerting frequency, Jack Dempsey today knocked out former Bill Tate, negro, while the crowd that packed his training camp gasped in amazement over the power of his punches.

Dempsey boxed six rounds, two with Tate, two with the Jamaica Kid and two with Jack Malomo, the St. Paul welterweight, taking them on in rotation. Tate was fairly successful in stopping Dempsey's driving attack in the first round, but in the third, Dempsey smothered him under a hurricane of punches. The second after the round opened, Dempsey dug a right hand punch into Tate's stomach, shifted and caught him on the rim of the chin with a left hook. Tate sank to his haunches and got up at the count of six. Then Dempsey landed a right hander to the chin and the negro dropped to the canvas completely knocked out.

Tate said that it was the first time in three years he had been "knocked off his feet" and he has fought a score of heavyweights, including twenty-two rounds with Sam Langford. Willard did no training today. Tex Rickard, promoter of the match, announced to night the seat sale had reached \$100,000, but that the huge arena, according to plans now completed, would have a seating capacity to accommodate enough spectators to swell the total gate receipts to \$1,000,000.

REPORTER TELLS BASIS FOR STORY

Fort-Tribune Cases Entered 10 Seventh Week in Court—Hearing to Line.

By the Associated Press. MOUNT CLEMENS, Mich., June 23.—Testimony in the Fort-Chicago Daily Tribune libel suit hewed closely to the line today, which ushered in the seventh week of the hearing. Testimony was given by W. P. Williams, correspondent of the Tribune at Detroit, who sent out news dispatch on which the alleged libelous editorial was based. Williams, by request of the Tribune, endeavored to ascertain the policy of the Fort Motor company toward employees while absent with the colors and called up General Manager Klingensmith of the Ford company. Williams testified that in effect Klingensmith told him that salaries would not be paid, jobs would not be held open, nor would dependents be cared for. This conversation took place on June 21, 1916, the witness said. He telegraphed the story to the Tribune which printed it June 22.

25,000 People Witness Opening of Inter-Allied Field Events in Pershing Stadium.

By the Associated Press. PERSHING STADIUM, Paris, June 23.—With a baseball victory over the Canadian nine and the placing of three men in the finals of the 100 and 115 meter dashes, the American team got away to a good start on the first day of the inter-allied games held in Pershing stadium. An international crowd of 25,000 persons watched the contests. R. Athletes from the British dominions shared the honors of the day with the Americans by winning two of the four principal races.

In the 100 meters dash, Edward Treacher, Lawrence, Mass.; Ed Einar, Hutchinson, Kans.; and C. W. Paddock, Pasadena, Cal., all won their heats while Private J. Howard, Canada and Lindsey of New Zealand captured their heats in the same event.

In the baseball game W. B. Fuller, formerly of the Washington American league team, shut out the Canadians 6 to 0.

CHICAGO, June 23.—Peace news today made the corn market ascend to the highest prices yet in this season. Closing quotations were firm, at 1/2c to cent advance, with July \$1.83 to \$1.82 1/2 and September \$1.74 1/2 to \$1.73 1/2. Oats finished 1/2c off to 1/4c up, and provisions down to \$1.65.

Although business in the corn pit was quiet and before the fact was published that the peace conference had received formal notice Germany would sign traders as a rule had assumed throughout the day that word of such action was assured. From the opening of business knowledge was widespread that an extension of time had been flatly refused to the Germans. Active buying resulted and no other influence than the peace news cut much figure. Reactions were therefore not of a lasting order, and this became relatively weak owing to an increase in the visible supply to the seaboard demand.

Raids Result In Taking Of Much Red Literature

By the Associated Press.
NEW YORK, June 23.—Nearly a ton of printed and written matter, in which the Luak legislative committee investigating Bolshevism hopes to find much valuable data on radical organization and methods, was seized here today by police and state troops in simultaneous raids on headquarters of three radical organizations. The places raided were the New York headquarters of the Industrial Workers of the World, the offices of the New York Communist, a newspaper edited by John Reed, which is the official organ of the left wing socialists, and Hand School of Social Science.

Radical sympathizers were found at all three places, but they offered no resistance and no arrests were made. The raiders attached much importance to a book listing contributors to the "left wing" movement.

A poster on the wall of the office appealed for contributions to the Communist in America; enclosures to the Communist principles and whole-heartedly supports the Bolsheviks of Russia and the Spartacists of Germany.

Pamphlets addressed by Nikolai Lenin to his "comrades" also were found.

THREE LOGGING CAMPS ARE DESTROYED BY FOREST FIRE
MISSOULA, Mont., June 23.—Three logging camps and several million feet of lumber near Haugen, in western Montana, were destroyed last night by fire in the Lolo forest which continued to burn fiercely today, according to reports received at district headquarters here.

Despite efforts of a crew of 175 fire fighters the flames were said to be spreading rapidly. More than 1,600 acres had been burned over up to now.

The other fires in the forest were reported to have covered an aggregate of 300 acres but it was believed they soon would be checked.

STORM TAKES 44 LIVES IN MINNESOTA

Civilian Committees are Appointed to Provide Relief.

MANY HOMELESS AS TORNADO'S RESULT

Soldiers on Patrol in Ruined District Guard Property in the Wrecked Buildings.

PERDUE FALLS, Minn., June 23.—Civilian committees appointed at mass meetings today under the leadership of Governor J. A. Burnquist late tonight had provided shelter for the 1600 people made homeless by Sunday's tornado. A proclamation was issued by the governor calling on all citizens of Minnesota to raise funds for relief work.

The death list tonight stood at forty-four and ten or fifteen were missing. Adjutant General W. F. Rhinow listed 67 injured in various hospitals.

Restore Train Service.
Train service was restored this afternoon.

Soldiers were issued tonight to the soldiers on patrol in the ruined district to guard property in partially wrecked homes, and buildings.

Two more bodies were taken out of the ruins of the Grand Hotel late today, one being still alive. Soldiers late tonight had not yet reached the basement of the hotel into which the lobby collapsed during the tornado.

Search for Missing.
Some of the missing may be buried there, it is believed.
Early estimates that the property damage will reach a million and a half dollars are being revised upward as the extent of the damage is ascertained.

Buildings Wrecked Wholesale.
The upper story of the court house and jail was blown off but court officials and prisoners in the jail escaped injury.

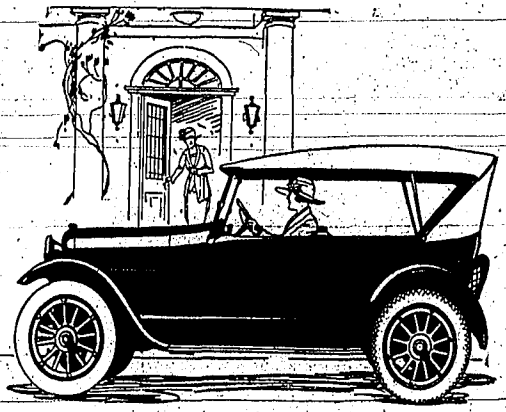

Every church in the city was blown down. The postoffice and library were badly damaged. The Great Northern station and freight house were demolished. The Northwestern college buildings also suffered severe damage. An elevator of the Ceres Milling company was entirely swept away. The Ferguson Brewery company building is only a mass of ruins, and the Ferguson Pulp and Paper factory suffered the same fate. George H. Woodhouse of Esterville, Iowa, arrived here only a few minutes before the tornado struck, to take charge of the Grand Hotel, which he owned. He was killed under its ruins. More than twenty large business buildings were entirely ruined and virtually every building in the downtown business district suffered severe damage.

Carried Into Lake.
Many of the city's most pretentious homes were built along the shores of Lake Alice and the occupants of some of these are thought to have been carried into the lake with the wreckage of their homes.

A Brandenburg, president of the First State Bank of Perdue Falls, was killed in the Grand Hotel where he had taken refuge from the storm. Charles Alexander, city attorney, died at noon from injuries when he was crushed beneath his home.

The only request for relief not yet made is by Meyer Frank Berg who made newspaper man, to send word out that bread was needed at once.

"The state stands ready and willing to do whatever it can," said Governor J. A. Burnquist, who arrived on the first relief train early today. "The state military has the situation well in hand and the work of recovering the

PAIGE

The Most Beautiful Car in America

To the Public

This is to certify that The Twin Falls Chronicle has this day purchased a new 1919 Lincoln Model Six "59" Five Passenger Paige Touring Car, which is to be awarded in its big voting campaign.

The average five-passenger car is a bit commonplace. The Paige Lincoln, five-passenger model, stands out in the city boulevard or on the country highway, because into its lines go the unerring good taste and style-consciousness of designers who are acknowledged leaders.

With its clean, simple body lines, its new handsets top with grumpy alloy and plate glass rear window, the new Paige Lincoln includes mechanical refinements that make this one of the few cars that can be truly classed as up-to-the-minute in the best engineering practice.

Compact in arrangement, it nevertheless has one of the roomiest five-passenger bodies to be found. No feature which could add to its practical utility has been slighted. It is of light weight, therefore economical to maintain. Its low gasoline consumption and high tire mileage have been a gratifying surprise to thousands of pleased owners.

Remember this—try out a motor car only the serviceability which the manufacturer builds into it. On that basis Paige finally secured you day-in-and-day-out, motor car service.

It is hereby recommended the management of The Chronicle for its liberality in presenting such a magnificent car that we suggest our readers' congratulations to whoever may win it.

The new Paige, known all over the world as the "most beautiful car in America," which has been purchased, carries the regular Paige guarantee, as well as our own.

FALL PLEADS FOR SEPARATE PEACE TREATY

Would Declare War With Germany to Be at End.

SENATE TO DISCUSS PROPOSED ACTION

Adoption of Plan Would Terminate Connection With Allies in the World War.

By the Associated Press.

WASHINGTON, June 23.—So that war conditions may not be prolonged should the peace treaty fail of ratification or its approval be greatly delayed, opponents of the league of nations, presented in the senate today, a proposal to declare a state of peace with Germany and Austria-Hungary.

The declaration was introduced both as an amendment to the pending army bill and as a separate joint resolution by Senator Fall of New Mexico, a republican member of the foreign relations committee. The amendment is expected to come up tomorrow and should it fail the resolution probably will be called up for action Wednesday.

Would Return Yanks.

Both in his amendment and in his resolution Senator Fall proposes that the president be directed to secure the immediate return of all military and naval forces now abroad on duty connected with the war. In addition, the amendment would provide that none of the money appropriated by the army bill would be used for the maintenance of forces on foreign soil except as required by peace conditions.

A joint resolution similar to that presented by Mr. Fall was introduced by Senator Edge, republican, of New Jersey.

It was considered quite probable tonight that the amendment would be rejected on a point of order and that the league opponents then would line up generally behind the Fall resolution.

Storn Followers Calm.

Injection of the peace declaration into the first fight came after promise of a protracted calm already had been dispelled by an announcement by Senator Knox, republican, of Pennsylvania, that he intended to press for action, as soon as the appropriation bills were passed, his resolution against accepting the league covenant as now intertwined with the peace terms.

This announcement was promptly met by predictions from league supporters that the Knox resolution never would be brought to a vote.

Presentation of the peace declaration proposals led to no debate, although issues of the league fight had been discussed earlier. In the day in connection with the insertion of matter relating to it in the senate record, Senator Hale, republican, of Maine, also made an attack on the league covenant in presenting an amendment to the Knox resolution.

H. D. Blackly of Hanson was in Twin Falls yesterday for a brief business trip.

SOCIALISTS WILL CONVENT NATIONAL EMERGENCY MEET

NEW YORK, June 23.—An "emergency" national convention of the socialist party has been called to meet in Chicago on August 30 to consider the reign of the "Yankee" executive committee in cancelling the charters of a number of "left wing" or extreme radical organizations, according to an announcement made here tonight.

The party in the city has been emphasized by the assembling in this city of a "left wing" national convention which is now in session.

COMB SAGE TEA IN FADED OR GRAY HAIR

It Mixed With Sulphur. It Darkens So Naturally Nobody Can Tell.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, simple mixture was applied with wonderful and streaked appearance, the darts of effect. By asking at any drug store for "Wyle's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe. Improves by the addition of other ingredients ready to use at very little cost. This simple remedy can be depended upon to restore natural color to the hair.

A well known down town druggist says everybody uses "Wyle's Sage and Sulphur Compound" now because it darkens so naturally and evenly that nobody can tell it has been applied. It's so easy to use, too. You simply dampen a comb or soft brush and draw it through the hair, taking one strand at a time. By morning the gray hair disappears after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

PAIGE PRIZE EXCITES

That each and every candidate has an equal chance of landing the biggest one on the list in his or her district. It should be understood that all the prizes will be given away right here in Twin Falls and surrounding territory.

The distinctive value and grandness of the endeavor list of prizes and the guarantee of a cash prize to every participant has attracted words of praise from many prominent Twin Falls people in the past two days.

"The beautiful, luxurious 'Paige' machine, high-powered, capable of going anywhere and with capacity of five persons, has been the subject of much favorable comment. No less amount of praise has been heaped upon the two hundred dollar in gold prize, the two free trips and the two one hundred dollars in gold prizes, the two Editions and two hundred dollar-in-gold awards—in fact as one business man expressed it, today "there isn't a cheap prize in the entire lot. And to think that every one will be won by the use of spare moments."

Now is the Time to Get Busy.

Light now is the logical time for candidates to send in their nomination blanks and get busy. The first is the big thing, but once in the election a candidate soon realizes how easy it is to get their votes.

The nomination blank alone is worth 5000 votes. Suppose a candidate spends a few minutes this morning among friends and emerges with a year's subscription to The Chronicle. The subscription is worth 15,000 votes alone, and with the nomination he or she would be started in the election with about 20,000 votes. The little 100-vote coupons printed in The Chronicle each day also contain tremendous possibilities.

The first list of names of candidates will be published soon. Sink sure that you can't catch up by sending in the nomination coupon TODAY. Don't hesitate—do it now! By calling at the Election Headquarters at The Chronicle office, much valuable information can be obtained. If you can't call in person, use the telephone. The number is 316.

But don't wait. START NOW.

PRaises CHRONICLE FOR ENTERPRISE

Business and Professional Men Declare "Everybody Wins" Campaign Profitworthy.

"A truly wonderful opportunity for our people—that the way it looks to me."

This did Frank L. Stephan, county attorney, voice his sentiments concerning The Chronicle's "Everybody Wins" campaign. Continuing Mr. Stephan said:

"The prizes are simply gigantic in value; the 'everybody wins' feature, so unusually liberal and the whole proposition so fair and square that it will undoubtedly prove of marvelous worth in advertising The Chronicle, such enterprise on the part of any institution is to be commended."

Several similar statements were made by prominent business and professional men of Twin Falls yesterday.

E. J. Ostrander, city councilman, is another who spoke in praise of the election. Mr. Ostrander said: "This event shows unusual enterprise on the part of The Chronicle. The prizes are substantial and of exceptional value that anyone should be pleased to win. It will undoubtedly do much to advertise The Chronicle in the entire section for its enterprise." Mr. Ostrander is a member of the advisory board that will act throughout the campaign.

"I want to be first to congratulate the winner," stated Clarence Dillon, assayer auditor and recorder. I mean the biggest winner, for I see that everybody will be a winner in proportion to their efforts. It is the first proposition of this kind that I have ever seen in which a person cannot lose and, taking into consideration the wonderful value of the prizes that are to be given, it looks to me like the best business proposition ever offered Twin Falls. Success to the enterprise and to The Chronicle."
