

SONORANS WIN JUAREZ IN BLOODLESS REVOLT

CITIZENS SHOW PLEASURE BY BIG PARADE

Calles and La Huerta to Take Charge of Northern Chihuahua City Today.

"VIVA OBREGON" SHOUTS THE PLEASED POPULACE

Promise That No Shots Will Be Fired Into El Paso. Safety Is Assured to Americans.

By the Associated Press.
JUAREZ, Mex., May 3.—General Urbalejo, enemy of Obregon and Commander of the federal troops at Casas Grandes arrived in Juarez at 9 o'clock tonight and immediately went into conference with General J. G. Escobar, commander of the Juarez garrison. Obregonists here earlier in the evening expressed the fear that Urbalejo's hatred for Obregon might cause him to attack Juarez with his Indian troops.

Following the conference it was announced that General Urbalejo and his troops at Casas Grandes had joined the revolution.

El PASO, Tex., May 3.—Juarez tonight is in the hands of the Sonoran revolutionists. The revolution was peacefully led by an anarchist by General J. G. Escobar was accompanied by a popular celebration. The Obregon Junta from El Paso crossed to Juarez tonight.

General Elias P. Calles and Governor Adolfo de la Huerta of Sonora expected here tomorrow to take charge of the situation. Earlier in the day it had been announced that the Juarez revolt had no connection with the Sonora movement, but this was denied tonight.

Tonight Juarez is quiet and under military rule.

OKLAHOMA TORNADO CLAIMS 51 VICTIMS

By the Associated Press.
EUREKA, Kan., May 3.—Six persons were seriously injured and 15 others received lesser injuries late today when a tornado passed through the northern part of this town. The high school building and 15 residences were badly damaged.

MUSKOGEE, Okla., May 3.—Fifty-one persons were killed and approximately 100 injured by a tornado which swept away Pegg, Okla., a small town in Cherokee county Sunday night, according to reports here tonight by relief workers. Many of the injured are seriously hurt, the reports said.

Relief parties searched all day in the mud and tangled wreckage for victims.

ATTEMPT MADE TO KILL ANARCHIST PROSECUTOR

NEW YORK, May 3.—An attempt to assassinate Captain Harold Contant, former assistant United States Attorney, who prosecuted Alexander Berkman and Emma Goldman, deported anarchists, was made Saturday night, it became known tonight. Four shots were fired at him as he neared his home.

None of the shots took effect and the two men who fired them occupied Captain Contant, who served with the 24th division in France, in lame from wounds received in action.

CLAIM I.T.U. CENSORS ANTI-UNION STORIES

Buffalo Publisher Tells Congressional Committee Gary's Testimony Is Cut Out.

By the Associated Press.
WASHINGTON, May 3.—The charge that the International Typographical union censored a story which appeared in the Buffalo News, was made before the senate subcommittee today by E. J. McCone, general manager of the Buffalo Commercial.

Called on for a specific instance in support of his charge, Mr. McCone declared only four "news" items last October printed certain parts of Elbert H. Gary's testimony before the senate investigating committee, and that the Buffalo News, after putting the story in type, was forced to change it, under pressure from the union's attorney.

The witnesses said that the Commercial and the New York Times were the only papers in the east that printed the Gary criticism of organized labor, as given the committee. Although the witnesses stated only four newspapers were free of union censorship he did not give the names, nor did the members of the committee ask for them.

WOOD BEATS HI JOHNSON IN MARYLAND

Irish Food Strikers Go to Hospital

Eighty-eight Sinn Feiners, most of them political prisoners, are in Mountjoy prison, Dublin, and have gone on hunger strike against British rule. An armored tank and scores of soldiers guard the prison where great crowds have gathered. Some of the prisoners (one of them last here) have become so weak from lack of food they have been removed to the Mater Misericordiae hospital.

GENERAL HAS 2 TO 1 LEAD OVER SENATOR

Utah Sends Uninstructed Delegation—California to Vote Today.

HOOVER FIGHTS FOR CONTROL OF STATE

Indiana to Select Men Who Will Chose Representatives at Chicago and San Francisco.

By the Associated Press.
BALTIMORE, May 3.—Complete returns from Baltimore and practically complete returns from the counties of the state in today's presidential preference primary say Gov. Leonard Wood 15,000 votes to 8,000 for Senator Hiram Johnson, a majority of 7,041 for the former.

According to the returns, Wood will have 110 of the 120 votes to the state convention which will select 16 delegates to the Chicago convention.

All of those will be instructed to vote for him as long as they "conscientiously believe" he has a chance of being nominated in accordance with the state primary election law.

The following incumbent congressmen were re-nominated: Democrats: Carlisle D. Benson, second district; Charles P. Coady, third district; J. Charles Lintleum, fourth district.

Republicans: William N. Andrews, first district; Sydney E. Mudd, fifth district; and Frederick N. Zihlman, sixth district.

UTAH UNINSTRUCTED.
—SALT LAKE, Utah, May 3.—Republicans of Utah in convention here today elected eight uninstructed delegates, four to have votes and four alternates to the national convention to be held at Chicago in June.

The election of two women, Mrs. Hyde an delegate, at large and Mrs. Waterhouse an alternate delegate in addition to the Republicans, was never before have women been named delegates from Utah to a national convention.

Resolutions adopted by the convention declared for ratification of the peace treaty with the Lodge reservations; for an immediate declaration of peace with the nation against whom the United States fought and for a stronger Mexican policy. "So that the lives and property of American citizens may be given better protection."

CALIFORNIA VOTES TODAY.
SAN FRANCISCO, May 3.—California voters will go to the polls tomorrow at the presidential primary election to register their choices for delegates to the republican, democratic and prohibition parties national conventions.

Notice to Advertisers

Exceptionally heavy runs of the Chronicle all this week have rendered it necessary that the forms go to the press earlier than usual. Next week is the big Chronicle Auto Show, and part of the plan for its publicity makes heavy demands for copies of the Chronicle. For this reason we ask all our advertisers to please co-operate with us in giving us copy for ads at the earliest possible moment. Reservations for space in the Sunday edition must be made early.

WALLACE, IDAHO, WOMEN AMONG WATSON'S VICTIMS

By the Associated Press.
LO ANGELES, May 3.—Walter Andrew Watson, alias James H. Hunt, alleged bigamist and murderer, was reported eager tonight to lead a search in the sandy wastes between Imperial and San Diego counties for the body of Nina Lee Delaney, who, according to confessions officers said he had made, was one of five women he had killed.

LIBERAL FORMS CABINET.

ROME, May 3.—Queen Helena today received Robert Underwood Johnson, the American ambassador, and Mrs. Johnson.

LIGHTNING KILLS TWO.

DENNING, Neb., May 3.—Ruth Taylor, aged 8, and Ruby Moyer, aged 7, school girls, were struck by lightning and killed this afternoon at a school house in the country near here. The school building was demolished, but none of the other occupants were injured.

STRIKING SWITCHMEN LOSE ALL SENIORITY RIGHTS

By the Associated Press.
CHICAGO, May 3.—Railroads will no longer restore seniority rights of striking switchmen or re-employ any strikers they consider undesirable, railroad managers said today at a conference with Colonel William N. Pelouse, president of the Illinois Manufacturers' association, which has been making efforts to end the walkout.

UNION FIREMEN ORDERED TO QUIT THEIR PLACES

NEW BEDFORD, Mass., May 3.—The strike of operatives in 27 cotton mills here today was followed by the issuance of orders from union headquarters tonight to all union firemen to quit work tomorrow. Union leaders said many firemen reported for work today through a misunderstanding.

PANNIE HURST MARRIED; KEEPS IT SECRET FIVE YEARS

By the Associated Press.
NEW YORK, May 3.—Pannier Hurst, author, today announced her secret marriage five years ago to J. B. Danielson, a pianist. Under a prenuptial agreement with her husband, she said, they have lived apart since their wedding, so as not to interfere with each other's career. They intend to continue that plan, she added.

RECEIVES U. S. AMBASSADOR.

By the Associated Press.
ROME, May 3.—Queen Helena today received Robert Underwood Johnson, the American ambassador, and Mrs. Johnson.

OPEN AIR DANCING ON ROOF OF BUILDING IS NEW FEATURE OF THE AUTOMOBILE SHOW

and most practical way to illuminate their display home. So today and tomorrow the builders will be busy with calculating the fringes of the walls and ceiling for those who desire.

Dancing on the Roof.

Interest was added to the undertaking by the announcement that dancing would be permitted on the roof. Here the Whosever Jazz orchestra of six pieces will provide the music for those who care to dance in the open air.

This orchestra has already won its way to the hearts of the dancing public in Twin Falls and on this occasion it promises to make all former efforts.

Will Be Modern Roof Garden.

Seats will be provided about the roof, lights will be strung and the whole given the appearance of a modern city roof garden. Order will be maintained, and after the program of the evening is completed in the Auto Show, the crowd will be permitted to ascend to the roof garden, and there enjoy the dance.

The selection of the orchestra was made with particular reference to the demands of the dancing public, and with consideration of the fact that the function will be in the open air. Since the first announcement of the plans for an Auto Show, the young people of the community have made incessant demand for a place to dance. The first requests asked permission to dance up and down the great corridors

between the lines of display booths, but this the management of the show refused to permit, because of the fact that it would not only interfere with the display of cars to prospective customers, but would create more or less dust which would in course settle on the displays. For this reason dancing was barred from the show rooms. Then came request for the use of the roof, and this has been granted.

The roof floor is not of wood. It is smooth concrete. It will be treated with a preparation which will improve its surface. The moon will shine, and so will the electric globe; the great blue canopy will be ordered, the music will be supreme and a good time awaits all.

ABEL DIES; MURDER IS NOW CHARGE

Altercation Over Water Rights Results in the Death of One

John Abel, farmer who was shot in the leg by R. F. Ramsey, died at the county hospital yesterday morning. The shooting in the shooting fray was preceded by an argument over water rights, it is alleged. The shooting incident was the outcome of a long standing trouble said to have arisen concerning water privileges. Last Wednesday, near a ditch, altercation started about the water passing to the Abel farm. Shortly after the affair, Abel is alleged to have approached Ramsey with a shovel, making open lion in a hostile manner. It was then that Ramsey is said by the authorities to have drawn a revolver and shot Abel, causing a bullet in the right thigh of his leg.

The bullet passed through his leg and it was feared that blood poisoning would set in. Abel was taken to the hospital and Ramsey was placed under arrest, charged with assault with a dangerous weapon.

A new charge that of first degree murder, will be filed against Ramsey.

Local Briefs

Mr. and Mrs. Lynne W. Elm, after spending the past two weeks in Canada, Washington and Oregon cities, returned to Twin Falls Sunday afternoon. Mr. and Mrs. Elm will shortly make their home in the Colonial apartments. Mrs. Elm, nee Miss Suzanne Taylor, is the talented young daughter of Mr. and Mrs. W. O. Taylor.

Miss Fernand Jane French, dean of women of the University of Idaho, will arrive in Twin Falls, tomorrow for a brief stay. While here, Miss French will be entertained by the alumni and former students of the University.

BUHL WILL STAGE MAMMOTH CARNIVAL

Plans for Post-Hall Grandeur Much Entertainment for People of Twin Falls Tract.

Buhl, Idaho, May 2.—A mammoth carnival with the most ingenious attractions which have ever been offered in the west and in which the objectionable features of a traveling organization will be noticeable because of their absence, will be staged here under the auspices of the Buhl Chamber of Commerce on Thursday, May 26.

Every feature which it has been possible to provide for the multitude of visitors anticipated has been elaborated for the big celebration. The Buhl-Barker Amusement Corporation will be in charge of the carnival.

Mr. J. H. Bollenberger, the opportunity to visitors to ride with Lieutenant Barker, the daring aviator, has been arranged to test his fragile craft to the limit in performing all of the tricks known to his profession.

The celebration will begin its frolic at 10 o'clock in the morning with a big parade in which 35 merchants have already signified their intention to enter Buhl. The float section of the parade will contain a rival of the float section of Portland. Elaborate preparations are being made among the ladies of Buhl to have their car take the float section which has been offered by the float chairman of the parade committee. A lodge, labor union, boy scouts, and school children, together with the city officials and members of the chamber of commerce will also be present in the lineup. A comic section with clowns and grotesquely decorated floats is sure to please the children and amuse the old folks.

Following the parade the crowd will be entertained in the city park where contests in the municipal swimming pool will be conducted.

Lunch will be served in the park. The visitors have been requested to bring their own baskets, but coffee and sandwiches will be on sale on the grounds.

At 4:30 the big parade of athletic contests will be staged on the Midway. The events range from 50 yard dashes for boys to ball driving contests for the ladies, with polo-contests known as far west.

The Midway features have been given special consideration. A dozen shows each presenting some amusement of high class will be offered, together with the side-show attractions known as far west.

clothes should be brought to light, cleaned, pressed and shown to the campus once more. "Don't buy anything you don't have to have," says President Lindley. "Let go to it and beat the H. C. L. like college men and women. Meet in squares and act accordingly."

According to a report read in the last S. T. L. meeting Idaho is going to have a book store on the campus. Each student is to have a membership in the store and will get a rebate on his purchases. A board of seven directors will be chosen—five to be students in two, to be from the faculty. The building is to be erected at the beginning of next year, the manager to be the job in November and the store to be opened January 1, 1931.

The students are voluntarily the plan to show one way to save a few pennies.

The chamber of commerce is making a determined effort to raise sufficient funds to erect a men's dormitory. The first trust and a Savings Bank of Moscow has subscribed \$10,000. A campaign is now on for the remaining \$55,000.

LOCAL MAN FOR DISTRICT TEAM

Army Recruiters Fighting Ball Squad Will Play Here This Summer.

That he may play on the army district recruiting officers baseball team this summer, Claude E. Wiley of the city is in training on the Salt Lake, Utah grounds. He recalled a few months ago and has been stationed at Fort Douglas, since arriving at that city. The team is now being organized and practice is under way. They expect to have contests with local organizations this summer. Different ball clubs will be on the schedule including clubs in Utah, and Idaho, as far as Idaho, it is said.

A week membership expected for the recruiters and to date they have some fine material getting back into form. Three of the players are former league men. One played with the Pacific Coast league for two seasons, it is asserted, and their work in the field gives every promise of returning to their proper form.

Uniform and equipment was furnished by the war department. With Captain A. R. Emery, commanding officer of this district, managing the

squad, the sphere twirlers are said to be grasping life shape.

The first game of the season will be played with the University of Utah. It is said that match games will be requested of teams in sub-stations towns especially. Three subs will accompany the S. L. district aggregation.

The Life Insurance Man says: If you find it hard to make ends meet how do you suppose your wife was married alone. —Adv.

TWO PERMITS GRANTED. Building permits were granted yesterday for the purpose of erecting two houses. Thomas Cawender was issued one to build in South Park addition, lot 19, block 5, a one-story frame structure size 14x16 at an estimated cost of \$200.

One lot 16, block 3, on Elm Park addition, Walnut avenue. C. B. Everett was given permission to put up a chicken house also 14x16. The approximate cost to be \$25.

PINED FOR DRUNKENNESS. A. L. Stevens was fined \$25 in the city court yesterday morning on the charge of drunkenness. He was arrested Saturday night by Chief of Police Taylor.

STUDENTS ONE DOLLAR. Many students can hear. Stenard, the great cellist. Student price—\$1.00. Hear him, May 4th—Adv.

LOCAL TENNIS FANS MAY BUILD COURTS

Interest in Club Revived—Talk Tournament—To Meet This Week.

Twin Falls will have a tennis club this year. Interest in the tennis club has been revived during the past few days.

Nothing is lacking now except the lot on which to build the courts and all members have their eyes open for available spots. Several have been suggested but so far nothing definite has been done.

A call will be issued this week for the tennis enthusiasts to meet, and at the time the question of location of courts will come before the association.

Twin Falls has many star players. Many cups both state and college, are sitting around on mantle edges, forgotten for the time being. There are a few cups from the University of Idaho, and it is hoped that some pep will be shown this year.

Inquiry has been made by other towns concerning the possibilities of tournaments. This should interest many and may prove the inducement needed to arouse enthusiasm to make the club a live wire of the city.

Methodist church at 2 o'clock Wednesday afternoon. The Kimberly road Cleepe club of which Mrs. Stearns was a member, will have charge of the services.

VALUABLE SUGAR STORED AT NOGALES, ARIZONA

By the Associated Press. NOGALES, ARIZ., April 30.—Sugar valued at \$136,500 is stored in local warehouses under bond for ultimate sale in the United States. The lot consists of 7,000 sacks valued at \$19.50 each which were shipped from Arizona to Nogales, Sonora, and brought here in mule drawn wagons during the railway strike from across the border.

CLOVER APHIS BE PREVALENT IS CLAIM

Entomologist Says Pest Will Become Active During Latter Part of June.

"The indications are at present that the clover aphid will affect the clover crop during the present summer in about the same degree that it did last year's crop," is the forecast of Associate Entomologist Ralph H. Smith. "The aphids may be expected to become numerous and injurious during the latter half of June and July, doing most damage during July and the first part of August. An unusually wet or hot summer will probably tend to hold them in control."

Aphis clover should be started growing early and forced into bloom during the latter half of June in order to bring it to maturity before the aphids become destructive. Care should be taken not to produce a rank, tall growth since this seems to favor the rapid development of the aphids and necessarily, delays the bloom period.

"If the aphids are found to be numerous in red clover at the time the hay crop is cut, they may be destroyed and prevented from doing serious damage to the seed crop by closely grazing the stubble. The field should be thoroughly irrigated immediately afterwards and the plants forced into bloom during the latter part of July or the first week of August. This method of controlling the clover aphid has given satisfactory results in a number of trials."

HIGH SCHOOL BOYS STUDY POULTRY

Given Inside Information On Culling Of Birds By Specialist From Moore.

Students in the animal husbandry class at the high school were taken on a short journey yesterday morning to various small ranches and under the guidance of Fern Moore, specialist on poultry, informed of many of the birds' eccentricities. He taught the class how to distinguish between the laying and non-laying hen.

After explaining to them various characteristics, three hens were brought back to the biology room at the school and dressed. The hens were selected because of the qualities he named and after they were dressed in the school room it was seen that all his statements regarding the cull was in strict accordance with the hen's internal organs.

The afternoon was taken up in discussion concerning the differences in various hens, and students now, if

served with the Red Cross. Mrs. Hill, who arrived yesterday from Texas, funeral services will be held this afternoon at the Methodist church.

THE LABOR DEFICIT.

America is short 4,000,000 workers, says the president of the Inter-Racial Council. This is urged as a reason for the encouragement of immigration, and for taking proper measures to care for the unskilled immigrant when he gets here.

The old immigration tests were faulty enough, and there is no question about the fact that in the past we have handled the Americanization matter very badly. "But if the immigrant now here is determined to go back—as he has been doing recently with an average of \$2000 in his jeans, at the rate of 6000 a week—and the potential immigrant on the other side is sufficiently encouraged by his own government to stay where he is, there is one possible other solution for the present difficulty.

One extra half-hour per day of productive labor, performed by the 50,000,000 people in this country old enough to work, would almost make up for the labor of the absent 4,000,000 at the rate of 44 hours per week.

The same result might be accomplished by the people who are now slacking on five-day weeks, or merely loafing on their present jobs. There are too many people drawing pay for 44 hours a week who have not put in anything like that number of honest hours of labor. They have done everything as slowly and wastefully as they could, under the mistaken impression that they are putting something over on capital by so acting. If they could but learn that their own comfort and happiness, now and in the future, depends upon honest production, the country could get along very comfortably without unskilled laborers from abroad.

If the immigrants want to come, we can use them. But if they do not, it might be worth while to put in that extra working time, or speed up on the present time.

THE NEW BONUS PLAN.

The program of republican members of the ways and means committee for the soldier relief legislation includes five plans from which the service men may choose.

First—a cash bonus of \$1.25 a day for each day of service.

Second, aid in buying farm land, to be reclaimed by the government.

Third, aid in buying city homes.

Fourth, aid in education.

Fifth, paid-up insurance, its value to increase annually by compound interest on which loans can be obtained at any post-office.

This sounds more sensible than giving the cash bonus to every man, with the consequent tendency to encourage him to "blow it in" in a way that would be of no

lasting benefit. Moreover, if the choice falls somewhere nearly equally among the five plans, there will be less immediate drain on the taxpaying ability of the nation than if all cash were required at once. The soldiers, too, will really get more in the long run by choosing land, houses, education or insurance, especially since for the last four plans, the reckoning will be made on a basis of \$1.75 per day, instead of the \$1.25 per day of the cash bonus.

PRICES COTTON.

The cotton growers, acting through the American Cotton association, proposes to demand 60 cents a pound for their cotton.

Possibly they can get away with it, if they hang together—provided they are able to steer clear of federal "conspiracy" laws. There is always the practical difficulty that success in any such scheme of exploitation requires a tight, monopolistic organization; and when the organization becomes tight and monopolistic enough to work, the federal authorities are apt to get after it.

Granting, however, that the cotton men can do it, why not other producers, too? Cotton sold, usually, before the war boom came, at about 10 cents a pound. The price asked, then, means an increase of 500 per cent.

Very well. Suppose the wheat growers get together and demand \$6 a bushel for their wheat. Suppose farmers hold their corn crop at \$3.50 to \$4 a bushel, their hay at \$65 a ton, their hogs at \$45 a hundred, their beef cattle at \$40 a hundred, etc. Suppose poultrymen demand \$1.80 a dozen for eggs, and dairymen \$1.70 a pound for butter. Suppose apple growers insist on \$7 to \$10 a box. All these prices would be in pretty close proportion to the prices the cotton men are asking. And remember they would not be the prices asked of the consumer. They would be producer's rates; the consumer would have to pay a great deal more.

All this would naturally enough lead to wage demands averaging six times what workmen were getting before the war, and thus by natural processes to the multiplication by six of the pre-war prices of manufactured articles.

The cost of living is estimated to have risen, on an average, about 100 per cent. That is, it has about doubled. The cotton men's plan, if put into general practice, would multiply the pre-war cost of living by six, making it three times as high as it is now.

Germany wanted permission to keep a large standing army to scare herself into being good. But from now on the allies will provide armies for that purpose, and Germany can just be good anyhow.

The New York state assembly has passed a bill favoring 2.75 per cent beer, and now all that is necessary to make the measure entirely practical is for New York to secede from the Union.

It is announced that all European nations are pleased by the Turkish treaty. Few laymen knew there was enough of Turkey to please them all.

OUTBURSTS OF EVERETT TRUE

COMMITTS SUICIDE IN HOME SUNDAY

Ill Health Given As Cause for Rash Deed—Family Visiting Friends.

James Richard Chandler, aged 17 years, son of Mr. and Mrs. James R. Chandler, committed suicide Sunday noon at his home about six and a half miles from Tuhl with a gun. Ill health was given as the cause.

The family left home in the forenoon to visit for the day. When they returned home in the evening they found their son dead.

Brother Grosman was notified and went to Tuhl for the purpose of inquiring into the cause of death. An inquest was held and the verdict given that he committed suicide. It was announced.

GENERAL HAS 2 TO 1 LEAD OVER SENATOR

Continued From Page One.

Indiana, the fight being centered around the republican presidential nomination. There are four men in the race—Senator Hiram Johnson, California; Maj. Gen. Leonard Wood; Senator W. G. Harding, Ohio; and Governor Frank O. Lowden, Illinois. There are no democratic candidates on the ballot.

Delegates elected to the state conventions of both parties in turn will name national delegates. These selections will be made on the eve of the state conventions to be held later in the month. No delegates either to the democratic or republican national conventions from Indiana will be selected.

Unusual interest is attached to the race for nomination for governor on both sides. There are three republican and four democratic candidates.

TEXAS DEMOCRATS MEET. DALLAS, Texas, May 3.—Texas democrats will meet in county conventions in some 250 counties tomorrow to select delegates to the state democratic convention to be held at Dallas on May 25.

The unofficial return from last Saturday's precinct conventions, with

more than 100 precincts missing, gave the democratic forces favorable to the present national administration 1,120 of the 1,400 votes of the state convention.

EDWARDS OPENS OFFICES.

CHICAGO, May 3.—The National Freedom League, which is supporting the candidacy of Governor Edwards of New Jersey for the democratic nomination for president, announced today offices of the midwest division of the organization would be opened in Chicago Thursday. State branches will be organized.

STOVES COAL ADVANCES.

By the Associated Press. MONTREAL, May 3.—The price of stove coal was advanced today by coal dealers here to \$18 a ton, an increase of \$1. Dealers claimed the advance was necessary because of higher freight rates and increased wages of miners.

HERE IN INTEREST OF SAWTOOTH FOREST

C. M. Mangum Here to Show Attractive Features of Play Ground.

In charge of the recreational development work on the Sawtooth national forest, C. M. Mangum is visiting in this city in the interest of the aforementioned work. A collection of forest pictures was brought along and are on display in the window of a local pharmacy. They are placed for the purpose of attracting the attention of passersby, calling to mind the great possibilities for recreation in that and other national forests.

Several cabins, camp tables and other articles which silently speak of comfort in forests were erected at Sawtooth last year for the numerous visitors, and it is the intention to continue the work this year.

An automobile road has been built to Camp Emley and the new grade over Gaticum summit is but partly finished thought the expectations are that it will be ready for the tourists by the latter part of July.

Work will be started on an auto road to Alturas lake soon as weather is favorable for construction purposes. It is said, and the road will bring to view several summer homes, camping and community sites.

They. Scout organizations, churches and others have already sent in application for permits to use the grounds as summer camp sites.

In some instances summer homes, community lodges and club houses will be erected for exclusive use, it is said. Certain tracts may be leased from the government for a small annual rentage, the tracts ranging from one-half to five acres.

Mr. Mangum will leave for Burley this morning to create more of an interest in the national playground and in the interest of forest tourists.

TO EVICT "STRIKING" CHICAGO TENANTS TODAY

CHICAGO, May 3.—Eviction of tenants who "struck" against rent increases and refusal to move will be started tomorrow, according to D. J. Egan, landlord of the municipal court. Five hundred suits to evict tenants were filed today by landlords.

MYSTERY SURROUNDS FIRE.

By the Associated Press. SAN ANTONIO, Texas, May 3.—The cause of a fire which destroyed an ordinance department warehouse at Camp Travis yesterday still was undetermined today, according to Maj. Gen. J. G. Harbord. He said published statements placing the loss at \$50,000 were excessive. He actually denied reports that the fire was connected with reported May day activities of radical elements.

DETROIT BREAKS ITS LONG LOSING STRING

Scores 5 to 1 Victory With Dutch Leonard Twirling in Out Time Stage.

HOW THEY STAND

	W.	L.	Pct.
Chicago	10	2	.833
Boston	11	4	.733
Cleveland	10	4	.714
Washington	9	5	.643
New York	6	8	.429
St. Louis	5	7	.417
Philadelphia	4	9	.304
Detroit	1	12	.077

DETROIT, Mich., May 3.—Excellent pitching and bunched hits when they were needed broke Detroit's long losing streak today and the Tigers won from Cleveland, 5 to 1. In the first seven innings Leonard, twirling for Detroit, yielded but one soft hit. Cleveland used three pitchers.

Score: R. H. E.
Cleveland 1 4 2
Detroit 5 9 1

Batteries: Morison, Murphree, Faeth and O'Neil; Leonard and Armstrong.

SENATORS 11; ATHLETICS 6.
WASHINGTON, May 3.—Washington knocked Martin and Hasty from the box in the first inning, winning easily from Philadelphia, 11 to 6. "Gentle" for the locals, also was forced out in the second, but Snyder, who succeeded him, held the visitors thereafter.

Score: R. H. E.
Philadelphia 6 9 1
Washington 11 12 2

Batteries: Martin, Hasty, Rummel and Perkins; Courtney, Snyder and Pfeiffer.

BOSTON 3; NEW YORK 1.
NEW YORK, May 3.—Allan Russell, a Yankee pitcher discarded, defeated New York today, the Boston Americans winning the fourth game of the

Prohibition Pilgrims Invade Europe

Boston	5	6	.455
Chicago	1	9	.100
St. Louis	6	8	.429
New York	3	9	.250

By the Associated Press.
BOSTON, May 3.—Boston and Brooklyn went into the 10th inning today before a Hockel's single scored Sullivan with the run which gave Boston a 2 to 1 victory. Pilling and Smith pitched all the way and honors were practically even until Smith weakened in the 10th.

Today's game, following the 26 innings between Brooklyn and Boston Saturday and Brooklyn's 13 inning game with Philadelphia yesterday, gave Brooklyn the new major league record of 58 innings played in three consecutive games. The previous record was 46 innings, played by Pitts,burgh and Brooklyn in 1917.

The game today was a duplicate of Saturday's contest up to the final inning, Brooklyn again scoring one run in the fifth and Boston tying in the sixth. Up to this point Brooklyn out pitched Brooklyn's Smith. Smith was effective. As the game progressed Pilling proved invincible and Smith gradually lost effectiveness.

Smith came out brilliantly, except in the fifth when O'Neil's wild throw to third proved costly to the Braves. With one down Smith and Olson singled. Nels hit in front of the plate and Smith was safe at third on O'Neil's throw. Smith scored on Johnson's single.

Thence to Powell and Pick and Mann's single filled the bases for Boston on the sixth. Powell was forced at the plate on Sullivan's tap to Johnson, but Pick scored on Holken's sacrifice fly.

In the thirteenth with one out, Sullivan singled, went to third on Hockel's single and scored when Hockel hit the first ball pitched to right. Johnston's fielding at third was noteworthy.

Score: R. H. E.
Brooklyn 1 12 1
Boston 2 12 2

Batteries: Smith and Miller; Pilling and O'Neil.

PHILADELPHIA 4; GIANTS 3.
PHILADELPHIA, Pa., May 3.—Philadelphia pounded Nels for 21 hits today winning easily from New York the third straight game of the series and the locals fifth straight victory. The score was 4 to 3. Meusel was the leading batter.

Score: R. H. E.
New York 3 9 1
Philadelphia 4 21 1

Batteries: Nels and E. Smith; Meusel and Truesdell.

CUBS BEAT REDS TWICE.
CINCINNATI, O., May 3.—Chicago won both games of the first double header of the season here today, 2 to 1, and 5 to 0. Cincinnati secured only one run off Vaughn who also drove in

HIGH SCHOOL WRESTLERS OFF FOR TUPERT MEET

Wrestlers of the high school will leave today for Tupert to give a return match to those mat men, it was announced yesterday afternoon. It will be for the purpose of finishing the wrestling season and incidentally return victors. The last event that was staged here the local lads gained a decided victory and hopes are prevalent this match will not be different. Those who expect to go are: Irwin, Nicholson, Hogg, Kerr, Hodges, Surges, Mcatee and Rydahl.

ternoon in Lincoln field and expect to leave this spot this evening carrying the winners signal. Another game is scheduled with Tupert tomorrow.

HUN BETTORS ACTIVE

By the Associated Press.
BERLIN, May 3.—Brilliant weather attended the horse racing at Gwaltal yesterday and enormous crowds were present. Betting was carried on freely, the betting machine showing that the turnover at the track reached 6,000,000 marks. Betting in the town is declared to have totalled an additional 3,000,000 marks.

CHAMBERLAIN CARRIES ALL HIS PROPOSALS FOR DUPONT

By the Associated Press.
LONDON, April 28.—Austin Chamberlain, chancellor of the exchequer, has carried the whole of his budget proposals. Motions for the rejection of an increase in the excess profits duty and the corporation tax were defeated in the house of commons to-night by a vote of 287 to 75.

Mr. Chamberlain, defending his proposals, said it was his duty to make a real effort while trade was prospering to reduce the vast load of debt which was a potential danger to the country's credit. Nothing was more important at this moment, with British dependence on overseas supplies of food and raw materials than that Great Britain's international credit should stand high, especially with the United States.

Notice to Property Owners

Improvement Districts Numbers 34, 35 and 37
Your attention is called to the fact that the assessment roll for improvements in these districts has been spread and property owners have right to pay cash between April 29th, 1920, and June 2nd, 1920. You can save 7% interest on your assessment, which on different property frontage would be as follows: On an assessment running 7 years (average life of bonds), at 7% plus charge of County Treasurer Office of 1 1/2% per annum for collection would equal on:

A \$200.00 Assessment	\$81.12
A 300.00 Assessment	121.68
A 400.00 Assessment	162.24
A 500.00 Assessment	202.80
A 600.00 Assessment	243.36
A 700.00 Assessment	283.92
An 800.00 Assessment	324.48
A 900.00 Assessment	365.04
A 1000.00 Assessment	405.56
A 2000.00 Assessment	911.12

If paid in ten annual installments, you would pay:
\$281.12 instead of \$200.00
421.68 instead of 300.00
562.24 instead of 400.00
702.80 instead of 500.00
843.36 instead of 600.00
983.92 instead of 700.00
1124.48 instead of 800.00
1265.04 instead of 900.00
1405.56 instead of 1000.00
2911.12 instead of 2000.00
You do not have to pay NOW—

BUT
As a business proposition, by paying cash prior to June 2nd, 1920, you will save this interest.

DOINGS OF THE DUFFS

BY ALLMAN

Market News

Live Stock

CHICAGO, May 3.—Cattle—Receipts 17,000; heavy steers slow and steady to weaker; top \$14; others and light stock steady to a shade higher; top yearlings \$13.50; bulk \$12.50; calves steady to 2¢ lower; bulk vealers \$12.50; stockers and feeders, strong to 2¢ higher.

Hogs—receipts 45,000; market steady to the higher early on light and light butchers; others 10¢ to 15¢ lower; all grades closed weak and 10¢ lower than early; top 15.00; bulk 11.00; 155 pound pigs \$14.00.

Sheep—Receipts 18,000; steady to 10¢ higher; best shorn lambs \$14.50; prime, woolled lambs \$20.00; 200 \$20.50; fair Texas shorn wethers \$12.

Grain

CHICAGO, May 3.—Grain prices jumped to record heights today. The confusion in regard to the late news of the 1920 crop together with statements by trade leaders calling attention to shortage of farm labor and of world supplies were largely responsible. Corn closed nervous at 2 1/4 to 4 1/8¢ net advance, with July 148 1/4 to 165 1/2 and September 160 1/2 to 160 7/8. Oats gained 1 1/4 to 4 1/4¢ net. In provisions the outcome varied from 20¢ decline to a rise of 7 1/2¢. Urgent buying on the part of shorts began to bid the corn market as soon as trading opened, and there was at no time any important reaction. Hogs had been so thoroughly washed out of late that they did not dare to sell in view of existing railway traffic conditions, with not enough grain arriving here to meet the ordinary demand to month demand. The May delivery led to upward at first, but later there was free covering by shorts in July and September as well. Much of the demand, it was said, came from eastern stock traders. For the time being, apparently, financial conditions were ignored as far as the grain markets were concerned.

Oats responded to the same influences governing the corn market. Demand for provisions was confined almost entirely to lard.

CASH GRAIN.

CHICAGO, May 3.—Butter—Receipts 46,000; 61 1/2¢. Eggs lower; receipts, 44,188 cases; firms 61 1/2 to 62¢; ordinary firms 58 to 60¢; at mark, cases included, 59 to 61¢.

Poultry, alive, steady; springs 36¢; fowls 35¢.

Potatoes—Receipts 45 cases; Northern round, white, sacked and bulk \$5.00; Minnesota and Wisconsin mixed red, sacked \$5.00 to 5.25; New Florida double-labeled barrel \$5.00; Idaho Rose, No. 1, \$2.50; No. 2, \$2.00.

Finance

NEW YORK, May 3.—Final prices of liberty bonds were: 1-4 1/2 \$84.50; first 4 1/2 \$84.50; second 4 1/2 \$84.50; first 4 1/4 \$85.70; second 4 1/4 \$85.10; third 4 1/4 \$85.72; fourth 4 1/4 \$85.80; Victory 3 3/4 \$95.19; Victory 4 3/4 \$95.46.

HARD COAL MINERS RETURN TO ARBITRATION

By the Associated Press.
NEW YORK, April 28.—Representatives of the anthracite mine workers have notified the operators that their counter offer of a 10 per cent increase approximately 15 per cent in the proposed arbitration, according to a statement issued here tonight by the subcommittee appointed to negotiate a new wage agreement for the hard coal workers.

The plan of arbitration, submitted by the mine owners, it was learned, proposed that the subcommittee select President Wilson to name three individuals representing the public to sit with the committee and attempt to arbitrate the differences.

CARNEGIE MEDAL AWARDS ARE MADE

Five Are Dead—Compensation Is Given to Two Disblish.

PITTSBURGH, May 3.—One silver medal and 11 bronze medals were awarded today by the Carnegie hero fund commission, in recognition of noteworthy by men and women who sought to help others at their own peril. Five died, while two were disabled. To these last the commission gave \$2,000 and \$80 a month in one case and \$1,000 in the other. The commission also awarded \$5,000 for other worthy causes.

The "five" who lost their lives were: R. William Dunlap, Philadelphia, drowned while trying to save a young man from death in Elk river at Town Point, Maryland, August 23, 1919; David M. Prince, Goldsboro, N. C., drowned while trying to rescue a boy from a flooded road near his home July 2, 1919; J. Stuart East, 1904 Walton avenue, Spokane, Wash., drowned while trying to save a child from the North branch of the Crow river at Kingswood, Minn., July 23, 1919; Paul K. Benedict, 14, drowned while trying to save a younger boy from a creek at Hampton, Penna., June 26, 1919; William P. Carroll, Brooklyn, N. Y., drowned while trying to rescue another boy September 21, 1919.

The silver medal went to Frank J. Roberts, chief engineer of the Muncie home at Elizabethtown, Penna., who saved three girls who, while wading, had got into deep water and were drowning.

Others to whom bronze medals were given were: Miss Lorton C. Hallett, 18, school teacher of Dorchester, Mass., who saved another teacher from drowning at Silver Beach, Mass., August 21, 1916; Daniel H. Fanna, Elwood City, Pa., who saved two little girls from drowning at Zelienople, Pa., August 12, 1918; Robert Franklin Post, of Dancy, Kentucky, who rescued a little girl from her burning home in Chaska, Tenn., November 24, 1916; Walter Ross of West Spencer, N. C., who stopped a runaway horse and saved the occupants of a buggy (George E. Peters, Columbus, Ohio, who attempted to save a fellow workman who had come in contact with all electric wire at Groveport, Ohio, March 31, 1918.

Romance resulted from the efforts of Miss Hilda M. Clark of Baltimore, to save the life of J. Pitch King, a student of Haron, Ohio, September 7, 1918. King was seized with a cramp while swimming in Lake Erie and was rescued by Miss Clark, whose name now appears as "Mrs. J. Pitch King."

THE BOYS IN THE OTHER CAR

GUN DISCHARGED; LAD IS KILLED

Brother Was Also Wounded—Accident Happened Near Home at Murtatung.

Frankie Pickett, age 12, is dead and his brother, Leon Pickett, age 12, is in the County hospital suffering from a shattered right hand. They were victims of an accidental shooting which happened Sunday. They are sons of Mr. and Mrs. Hyrum Pickett of Murtatung.

According to Leon, he and his brother took a gun from the house without the consent of their parents and decided to shoot birds. The weapon was loaded and when Leon aimed the gun at a bird, his brother stepped in front of it.

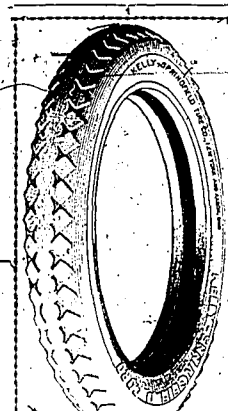

While he was pushing Frankie out of harm's way, he said the gun was held in his right hand by the muzzle, push, the gun, which pointed downward, exploded and the shot passed through Leon's hand and entered his brother's groin.

An automobile was passing at the time and because of the confusion the passengers rushed to the gate and, seeing the tragedy that had been enacted they placed the boys in the machine and raced to this city and out to the county hospital.

Frankie died directly after reaching the institution. He may still be taken to Murtatung today for funeral services.

A most enjoyable dinner party was given by the Pler school board to the members of the eighth grade domestic science class at the Pler hotel last evening. Mrs. George Patton, instructor, was honored at the table. The centerpiece was a large target of orchard blossoms tied with pink tulle. This class has during the past eight and a half months served 3,500 extra lunches at the school to the students, at a cost of 10 cents and have made it self-sustaining, with the exception of one jack-of-all-fruits brought by the board. The girls divided into two shifts have planned all of the meals and taken care of the class. It is in appreciation of their work that the banquet was given. The girls present were: Elizabeth Hickey, Dorothy Orr, Mary Munk, Opal Williams, Edwina Chandler, Grace Peterson, Leona Lee, Mary Giffen, Laura Smith, Doris Taylor, Melba Davis, Ruth Wacker, Irene Hansen, Mildred Noh, Maecel Reeman, Theresa Williams, Valerita Macaw, Maude Orr, Della Papp and Gonda Walters.

It is a significant fact that the finest cars in America are equipped with RELAY-SPRINGED TIRES.

COUNCIL ACCEPTS ARCADIAN POLES

New Lighting System to Be Installed—City Flags Going Up for Auto Week.

Council matured plans for installation of the new lighting system. The state manager of the Idaho Power and Light company was present and explained plans for installation. Each pole will cost \$22.75 delivered and the city will pay to the expense of installing wiring and electric lines, bringing the total cost of each pole to \$150. They are to be of Arcadian design.

To make the garbage and ash collection for the city easier, the city council has accepted the plan of the Idaho Power and Light company to install a new lighting system. The city flags will be up for auto week.

The yearbook of the Twin Falls public library was read at the meeting by W. A. Dixon of the library board and it was decided advisable to keep open during the summer months. The reading will not comprise additional expense to the city and will add pleasure and comfort to the reading majority.

During the Chronicle Automobile Show which will start May 10 and continue throughout the week an application was made to the council that city flags be floated for the entire week. Council unanimously voted to permit the street department to arrange them on the stated dates.

A plea was made for the erection of a garage for the city street sprinkling auto. As it would have to be stored during cold weather it was decided to secure a place in some of the local garages for the storing of it and this is to be gotten for its keep, but the driver-mechanic will take care of the upkeep.

The city engineer was authorized to order 1400 feet of pipe for the city ditches. In the meantime the ditch will necessarily remain open, though no longer than 30 days, it was announced. The material is expected to arrive within two weeks.

Remarks were entered concerning the water meter and it was said that according to a reading for 20 days at the commissioners office the meter noted \$64, while for the entire month the amount was marked on it for \$24.

Council asked that the matter be remedied and air meter systems will be adopted. Mayor Hildreth recommended W. A. Hoag for city engineer. Council unanimously approved the selection. Mr. Hoag is an old resident of this city and formerly owned and operated the Waveley hotel.

MEAT INJURIOUS TO THE KIDNEYS

Take a Table-Spoonful of Salts If Back Hurts—Bladder Sufferer.

We are a nation of meat eaters and our blood is filled with uric acid, says a well known authority, who warns us to keep constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative process slows and then the waste is retained in the blood, poisons the entire system.

When your kidneys ache and feel like lumps of lead, and you have aching pains in the back of the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headache, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a table-spoonful in a glass of water before breakfast each morning, and in a few days your kidneys will act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in the system so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effort-freeing lithinogenic drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Adv.

FAMOUS SCULPTOR DIES
NEW YORK, May 3.—The death of Augustus Michel Louis Tonnelli, a widely known sculptor, was announced today. He was born in Paris April 7, 1863, and came to America in 1899. He did work on the fountain at the Chicago world's fair, the Brooklyn arch, New York's entrance house, the New York public library and collaborated with St. Gaudens in work at the congressional library at Washington.

AMERICA LEGION POST WILL MEET TONIGHT

Twin Falls American Legion will meet tonight at the Elks' hall. Notices of the meeting were sent out Sunday and indications point to a large attendance.

Several pertinent questions are to be brought up for discussion. Developments in congress for adjusted compensation, including home and farm aid, are two of the matters to be receiving much consideration among service men and it is believed that these will result in discussion tonight. Entertainment will be provided.

METHODISTS GREET BRITISH DELEGATES

Plea Made for Harmonious Cooperation Between People of Two Nations.

By the Associated Press.
DENVER, May 3.—The session of the Methodist Episcopal conference in convention here tonight was given over to a reception to the fraternal delegates from the British Wesleyan and Canadian Methodist church.

Dr. F. Luke Wiseman, of the Methodist mission at Birmingham, England, represented the British Wesleyan church, and delivered an address commending both countries to the mutual friendly feeling existing between them. He said: "There is one country, it is where we live, to be maintained, and with whom we want to stand. We are persuaded that we may look to the United States for the fulfillment of the hope of liberty of the people for whom you have expended on the viceregal field of battle by an early ratification of the satisfactory basis of those provisions of the treaty of Versailles which establish that great instrument for the peace of the world, the league of nations."

Dr. T. Albert Moore, representing the Methodist church of Canada, spoke of the work of his church in Canada and expressed the hope that the great Methodist bodies of America may soon be united under a satisfactory plan. Dr. Moore is secretary of the general conference of the Canadian Methodist church.

During the day, discussion on the matter of unification with the Methodist Episcopal church, south, continued of considerable time, but the commission on unification, which placed before the conference the matter of uniting the two churches on a regional conference plan, with the

REGIONAL BOUNDARIES DETERMINED Geographically Was Presented Without Recommendation.

The report was presented by Dr. A. W. Harris. Judge H. H. Ames, of Pennsylvania and Dr. H. P. Sloan of New Jersey led in the debate to refer the report to the floor of the conference and Judge C. A. Paulson of North Dakota was a leader in favor of referring it to a special committee, for report at an early date.

The committee on episcopacy, through its chairman, Dr. David G. Buchanan of New York, today obtained permission from the general conference to hold its meetings in executive session. It is very probable that this committee will in the near future consider and report on the matter of electing one or more negro bishops for the church.

Delegated representing the 15 general conference districts of Methodist, will hold district meetings on Thursday for the purpose of selecting delegates for the national permanent boards of the church.

TOURIST PARK READY FOR BIG AUTO SHOW

Council Authorizes Necessary Facilities to be Completed—Camping Place East of City.

Twin Falls new tourist park will be completely ready for use during the coming week. The city council has assured last evening when council agreed to provide toilet facilities.

The park is located at the end of Sixth avenue east of a locust grove. Two weeks ago citizens of the city cleared the site, building benches and other facilities, digging water and sewer and in other ways making the place attractive. The city put in four lights, the water and sewer pipes.

Last evening Newton S. Wright, secretary of the chamber of commerce, appeared before council urging that it put in the toilet. He stated that it was anticipated the need for this was greater than ever now, with the auto show coming up next week, when an unusually large number of visitors are expected. Large crowds are also expected here during the visit of the Salt Lake jobbers, while later the "ship-bunch" train from Salt Lake will be here.

Council agreed with this request by authorizing Plumbing Inspector Murray to put in the necessary work.

GOES TO CHINA TO NEGOTIATE BIG LOAN

By the Associated Press.
PEKING, May 3.—Thomas W. J. of the American group of financiers which is in negotiation, together with British, Japanese and French finance, for a loan to China.

He was preparing today to depart for Tokyo. He said China's repudiation of the German loans of Hukam railway bond coupons was a serious obstacle to further loans being made to China. He added that he had impressed upon the Chinese government the likelihood of the impairment of its credit in western markets unless it alters its decision in the matter.

SUFFRAGE "FLYING SQUADRON" INVADING CONNECTICUT

By the Associated Press.
NEW HAVEN, Conn., May 3.—The "flying squadron" women suffrage leaders, opened in "emergency drive" in Connecticut tonight. The party composed of 46 women, representing every state except Texas and Delaware, arrived in Hartford this afternoon.

It is the aim of the suffrage "emergency corps" to demonstrate to Governor Holcomb that a "special emergency" exists which would warrant him to convene the legislature in special session so that Connecticut could be the 36th state to ratify the federal suffrage amendment.

Mrs. M. J. Sweetser of Twin Falls is the Idaho representative of the "squadron."

SIMPSON TO ASYLUM

By the Associated Press.
NEW YORK, May 3.—Thomas W. Simpson, the famous printer who shot and killed James Wright Merfice in St. George's church here a fortnight ago, today was committed to the asylum for the criminally insane at Mattawan, N. Y. A lunacy commission reported he was insane.

PLAYWRIGHT PASSES AWAY

By the Associated Press.
NEW YORK, May 3.—William Thompson Price, 76, well known playwright and author, died today of heart disease. Mr. Price was born in Kentucky and was in early life a newspaper man receiving his training under Colonel Henry Watterson.

DELEGATES UNINSTRUCTED

By the Associated Press.
CHICAGO, Mich., May 3.—Eleventh congressional district republicans in convention today selected two uninstructed national delegates.

SCHUBERT IS VISITOR

A. J. Schubert of Gooding motored to Twin Falls yesterday afternoon on a brief business trip.

The Princeton Republican today will hold their regular meeting this evening at the Odd Fellows' hall.

SUGAR HITS HIGH PRICE LOCALLY

Fact Allotment Not Made for Month—Combined With Run Causes Temporary Shortage.

Sugar sold in Twin Falls yesterday at three pounds for \$1 with only \$1 worth permitted to a customer. A number of stores were without sugar, while others were selling cane sugar. The depletion of the stock, according to information gathered from the sugar factory, jobbers and retailers is due to the fact that the monthly allotment of sugar has not been made by the factory because the price, that will be charged has not yet been set by the head-office of the factory in London.

According to officials of the local sugar factory, approximately 1,500 bags of sugar are used here each month, each jobber being allotted a share of this. For this purpose approximately 18,000 bags of sugar are set aside, each year for use of the Twin Falls community. The sugar factory refined 112,358 bags of sugar last year. It has approximately 2,000 bags on hand now, it is said.

After the allotments are made each month by the sugar factory, the jobbers sell to the retailers. Last month the demand was larger than it has been for several months due to reports of rises in the price, and a consequent "run" on the stores for the products leaving the supply in the jobbers' hands and retail stores short.

"We sell about 600 bags of sugar a month," stated an official of the Kinney wholesale company. "Last month there was a greater demand than usual for the product. This was due to the newspaper reports of the rise in prices and has resulted in the creation of an artificial shortage."

The southern Idaho Wholesale "Tu. Th. Sat."
