EL PASO, Texas, May 5.—

President Carranza was sched-
uled to leave Mexico City for
Vera Cruz sometime today, ac-
cording to a telegram received
from Nogales, Ariz., tonight by
La Patria, a Spanish language
newspaper published here.

MAY GO TO VERA CRUZ.

WASHINGTON, May 5.—Con-
centration by Carranza of troops at
Mexico City caused rebel representa-
tives here and some American army
officers to believe today it might in-
dicate the president's determination
to gather about him a force sufficient
strong to enable him to transfer his
seat of government.

The obvious purpose of such co-
centration, it was explained, would
be the defense of the capital, according
to military experts, Mexico City is
difficult to defend that Carranza
might be expected to employ the
same tactics he did when Villa gained
the ascendancy in 1914, and again
up his capital at Vera Cruz.

Use Small Force.

Revolutionary agents here agree
it would be possible for Carranza
to utilize a comparatively small force
loyal troops for a stand somewhere
outside the capital, and that it might
even be possible for him to force his
way to his old temporary capital,
Vera Cruz, and from there direct
counter movement.

It would be possible for Carranza
to take with him to Vera Cruz or
some other point the officials of the
supreme court and a considerable
quantity of supplies and money, the
observers asserted his position would
then be no stronger than that of Villa
or any other leader conducting inde-
pendent operations.

The possible success of such tac-
tics, they declared, depended wholly
upon a radical change in popular
opinion.

TO KEEP PRESIDENCY.

MEXICO CITY, May 5.—Re-
fusal to abandon the presidency
in face of the menace of rebellion
featured a manifest issued yester-
day on the occasion of the
national holiday by President
Carranza.

The president announced that he
would fight to a finish to put down
the rebellion, and that he would not
turn over the presidency to any one
except a legally elected successor.
He enunciated the principle of the
elimination of the coup d'etat from
Mexican politics, asserting that the
presidency must not be a price for
military leaders.

Abandons Election Plans

In the manifesto President
Carranza declared it would be
impossible to hold the presiden-
tial elections which had been set
for July 4. Also he traced the
events in Mexico which he
charged represented a plot by the
followers of General Obregon to
gain the presidency by means of
violence.

FACING FAMINE.

EL PASO, Tex., May 5.—Facing
famine in his capital city, President
Venustiano Carranza has sought to
effect a compromise with the revolu-
tionary forces, according to state-
ments issued today by T. R. Beltran,
commercial agent for the liberal con-
stitutional party at El Paso.

"The shortage in necessities has
reached a serious stage in the cap-
ital," one of the statements said.
"The discomforts being experienced
by the population are so intense that
a number of labor bodies have ad-
dressed themselves to Carranza asking
him to take steps to remedy the sit-

NO MATURE PLANS FOR WHEAT TRADING

Board of Trade Wants Government Assurance That Foreign Pool Will Be Quashed.

By the Associated Press.
CHICAGO, May 6.—Plans for the establishment of an open market for wheat following expiration of the present guaranty act on June 1 will be discussed here tomorrow at a meeting of representatives of boards of trade, country and terminal elevator associations, grain buyers, exporters and bankers, called by Julius H. Packer, wheat dealer.

The open market, including trading futures, was suspended early in the year at the request of Herbert Hoover, who has never been restored as the government guaranteed price for wheat remains in effect until June 1. The Chicago board of trade and other exchanges throughout the country are anxious to resume trading wheat futures, but want assurances from the government to safeguard their position.

They are particularly anxious for governmental protection against the sale of foreign governments, which have been buying grain for export.

Present exchange rules forbid a corner in grain in this country, but under the government will give its support to the exchange men any there is to prevent foreign governments from manipulating the market and depressing prices at the expense of the American farmers.

The only way this can be prevented, the boards of trade will tell Mr. Packer, is for the United States to notify the foreign governments that the embargo section of the Lever act will be invoked if necessary and that contracts executed in violation of American laws will be nullified.

CAMPBELL WILL URGE A RECLAMATION PLAN

By the Associated Press.
PHOENIX, Ariz., May 6.—As a member of the national advisory council of the republican party, Governor Campbell of Arizona, president of the league of the southwest, declared in an address at St. David, Ariz., today he would recommend a plank reviving the reclamation program and calling for immediate construction of feasible projects in the arid west, according to a dispatch from St. David to the Arizona Republican.

ARMY TENTS FOR PEGGS

CLAREMORE, Okla., May 6.—Six regulation army tents and 30 cots were sent to Peggs, Okla., the little town virtually destroyed by a tornado last Sunday night, by truck from the Oklahoma military academy here today. Captain C. J. Matthews, United States army, who has charge of the military tactics of the school, was ordered by the government to report at Peggs for duty.

RHODE ISLAND DEMOCRATS HIT ARTICLE 10

Favor Self-Determination for Small Nations, Particularly Ireland.

MISSOURI AND COLORADO G. O. P. UNINSTRUCTED

Bitter Contest Develops in Latter State Over Selection of National Committeeman.

By the Associated Press.
PROVIDENCE, R. I., May 6.—Disapproval of Article X of the covenant of the league of nations as submitted by President Wilson to the senate, but approval of a league of nations that would conform to the principle of self-determination for small nations was expressed by the democratic party of Rhode Island in a resolution adopted at the state convention here today.

Another resolution commended Senator Peter G. Gerry for his stand in behalf of Ireland as expressed in the resolution bearing his name that was adopted by the senate on March 15, last. The resolutions directed the delegates from this state, to the national convention at San Francisco, "to do everything in their power to the end that the Irish republic be recognized by the government of the United States."

The convention also expressed its approval of President Wilson and his administration.

Discuss 18th Amendment.
The platform discussed the 18th amendment briefly, confining its recommendations to urging an amendment to the federal constitution that would provide for ratification of amendments in the future by popular votes in the states.

MISSOURI UNINSTRUCTED.

KANSAS CITY, Mo., May 6.—Eight delegates at large to the republican national convention, uninstructed as to presidential preference, were elected by the republican state convention which adjourned late today after having been in session since yesterday.

Resolutions adopted by the convention included sections condemning the league of nations covenant without reservations; denouncing the national laws, be strictly enforced.

Two delegates at large are women. In addition, eight alternates, all women, were named. Two presidential electors at large and 16 district electors also were elected.

COLORADO G. O. P. BATTLE.

PUEBLO, Colo., May 6.—The state republican convention, meeting here today, elected four uninstructed delegates at large to the national convention, elected John F. Vivian of Golden, national committeeman at large, and Dr. Hubert Work of Pueblo, and adjourned after adopting resolutions endorsing the state administration and the work of the Colorado republicans in congress.

A bitter contest was waged in the national committeeman contest. Charges being hurled back and forth by a half dozen speakers. Efforts to bring a third man before the convention failed. Herbert S. Hadley, former governor of Missouri, and Judge George H. Bradford of Greeley, were suggested but their names were withdrawn. The vote was 540 to 378.

In the delegates contest, efforts to upset the state and name a woman to one of the places failed.

WOOD GETS ONE OF BIG 4.

COLUMBUS, Ohio, May 6.—Major General Leonard Wood will have one of Ohio's "big four" delegates to the federal results of the recent primary announced this evening by the secretary of state, show William H. Boyd, Wood candidate, to have been elected by a plurality of 189 votes over Harry M. Daugherty, Senator Warren C. Harding's national campaign manager.

General Wood thus will receive one of Ohio's 48 delegates, the others going to Senator Harding.

MICHIGAN DEMOCRATS MEET

DETROIT, Mich., May 6.—Democratic conventions were held throughout the state today.

HEALY SAYS PALMER FABRICATED MAY PLOT

By the Associated Press.
WASHINGTON, May 6.—Attorney General Palmer's writing of threatened May day violence and announcement of steps taken to prevent it were annulled before the railroad labor board today by Timothy Healey, president of the Brotherhood of Stationary Firemen and others as part of what he characterized as a "disposable propaganda against labor."

Such propaganda, Mr. Healey said, was started within less than 24 hours after the signing of the annulment and was designed "to poison the minds of the people to such an extent that the profiteers could still further increase prices and place the blame on labor."

While not naming the "Attorney General directly," Mr. Healey said, he heard that the "rumors" of a "high governmental official" against railroads was "undoubtedly for the purpose of adding to the campaign against certain employees of the country to secure laws establishing involuntary servitude." He referred to legislation laws proposed in congress and said that while framed "ostensibly to eradicate Bolshevism and anarchy," they would have the effect "hand and foot."

Mr. Healey concluded with the statement, Bert M. Jewell, president of the railway department of the American Federation of Labor, presented the wage demand of the railroad shop workers. He furnished statistics on the increased cost of living and asked the board to grant such an advance in pay as would enable the shop men to live at the accepted American standard.

DELAWARE HOUSE FAILS TO VOTE ON SUFFRAGE

By the Associated Press.
DOVER, Del., May 6.—Despite the efforts of anti-suffragists to force a vote in the lower house of the Delaware legislature, today on the resolution to ratify the federal suffrage amendment adjournment was taken until May 17 without any action on the measure. Suffrage leaders admitted they lacked at least three votes to pass the measure in the house at this time.

The record of the senate, which yesterday passed the measure, was brought to the house and the presentation of a concurrent resolution from the upper branch calling for a ten day recess created one of the most spirited fights of the session. Suffrage leaders made that the delay was for "no other reason than to buy, bribe and cajole members of the house into voting for suffrage."

The charges were made by Representative McNamara, of Wilmington, who declared that he knew of at least one member of the house who had been approached.

SOLDIER RELIEF BILL DEAD FOR THIS SESSION

By the Associated Press.
WASHINGTON, May 6.—After a series of informal conferences, democratic and republican members of the house agreed today there was no prospect of enactment of soldier relief legislation before the forthcoming recess for the political conventions.

Representative Knutson, of Minnesota, the republican whip said that many members felt that the whole question should go over until after the November election so as to avoid the possible infection of partisanship in its consideration.

Representative Garner of Texas, democratic whip and member of the ways and means committee which conducted extensive hearings on relief legislation, declared "sentiment was rapidly changing" and that a majority of the democratic members of the committee were "willing to let the bill continue to sleep in committee."

Much of the change in sentiment, members said, was due to the large number of protests against increasing the soldiers' bonus and the possible effect on the cost of living.

STARTERS BULLET KILLS MOTHER OF YOUNG ATHLETE

DOLING GREEN, O., May 6.—While attending a school field meet in which her son was a participant, Mrs. F. Mahl, mother of three children, was instantly killed when a bullet said to have been fired from a starter's pistol struck her in the chest. Death at this time thought due to heart disease.

OPPOSE EXCESS PROFITS TAX IN PRESENT FORM

DALLAS, May 6.—The Southern Wholesale Drygoods association today went on record as opposing the excess profits tax in the present form, declaring the tax the "primary cause of the current high cost of living."

Opposition to soldier bonus legislation also was expressed in a resolution.

PREPARATIONS FOR BIG SHOW BEING PUSHED

Force of Decorators Is Increased to Finish Work by Tomorrow.

AIRPLANE FLIGHT TO ADVERTISE BIG EVENT

North Side Coming Strong. Roads Are Reported to Be in the Best of Condition.

Unhated and with energy, work of preparing the Mabel building for the Auto Show continued yesterday. The force of decorators was increased yesterday, so that by noon tomorrow the great building will have its colors.

The heating radiators were placed on the second floor yesterday. There have been no additions to the installation of the elevator.

Last night arrangements were made for the airplane which is to carry advertising matter for the show over the cities and towns to the east and west of Twin Falls.

To Make Two Trips.

Monday morning the ship, with Pilot Huch Barker at the wheel, will make the advertising trip. He will first go either east or west as weather conditions warrant, and follow that trip by the second. Hurley, Rupert, Edson and Hazen are included, with Kimberly, Hansen and Marquand, on one of the trips. On the other circuit will include Thull, Piler, Jerome and other towns are included. As nearly as possible an hour will be fixed for the flight over each city, so that the people may gather about and witness the flight, receiving the Auto Show advertising matter.

The big show will open Monday afternoon, which is opening day. Crowds are expected from the start, and will no doubt be on hand. M. C. Stott, writing from Jerome, says that every man and his grandson will be over, while P. O. Bethune says that he knows of no one in Jerome who has not said he would be over for the Auto Show. The grand at Blue Lakes is in good condition, and the drivers say the roadway from the rimrock to Jerome is splendid. From Jerome to Wendell, the road is in good shape, as it is from Jerome to Shoshone. The old trailroad across the rock from Wendell to Gooding is in the best condition it has been in for a year. Reports on road conditions will be received daily by the show management, which will be until the end of the show. This will be for the purpose of advising the public as to conditions.

At Information Booth.

During the show this information may be had at the information booth, where polite clerks will be on hand to be of help to the patrons of the show. As the hours draw near for the show, it becomes more and more evident that the attraction will draw people from all the surrounding country, and that Twin Falls will have the busiest occasion in her history.

METHODISTS WOULD LIMIT BISHOPS' POWER

DES MOINES, Ia., May 6.—An effort will be made at the general conference of the Methodist Episcopal church in session here to limit the powers of the bishops of the church by requiring them to nominate candidates for district superintendent in each district of the church, and allow the annual conference to confirm the appointment, it became known today.

In case the annual conference should refuse to confirm, the bishop would then have to nominate another person. This matter is receiving spirited discussions in the committee on itinerancy, and will probably be reported out of committee within a few days. The committee met this afternoon.

HUNS TO CULTIVATE THEIR WASTE LANDS IN PRUSSIA

BERLIN, May 6.—The Prussian diet has passed a bill for the cultivation of waste lands by the formation of associations for improvement of the people of the land and the growth of food.

IG AGAINST BRITS

Associated Press.
LONDON, May 6.—Denying any feeling against the British Admiral William B. Dore, before the senate sitting committee today, seven days a grave injustice to Admiral Sims' record was said. The committee only said he could not be in his final instructions. Sims had said, "British pull the wool over our eyes as soon as the Germans," but he had used such language for the purpose of inducing the admiral that the staff was neutral.

He told the committee only cautioned Admiral Dore on two occasions but twice during the war he had been unfairly influenced him.

AUTOS WILL CONVEY MOTHERS TO CHURCH

Medicine's Plan to Call for Infant Mothers to Mother's Day—Several Mothers Ready.

Mother's day will be celebrated Sunday in all churches at the morning services. At the First Methodist church, the pastor announced that all infant mothers who cannot get to the church will be called for in an automobile. The church will have a special service at 11 o'clock.

Several mothers will be in readiness and available on that morning. It is said, and all convalesced with the plan of William H. Hager. The mothers who will be unable to attend for any physical reason will be called for in time to have them present at the service. It is said.

STUDENTS READY FOR COMEDY PLAY

Senior Seniors Selected for Cost—Will Be Under Direction of Prof. H. S. Under Director.

Under the supervision of Miss L. Brown, teacher of oral and public speaking, Twin Falls senior class will stage a four act comedy, "Miles and Miles," in the Evening theater, Tuesday night, May 11. The comedy is by Mark Twain. The students who have been selected for the cast are: Lewis Herriman, Theodore Schwarz, Dwight Kuhns, Harry Willis, Carl Edwards, Victor Strohbeck, Nat Williams, Prosselin Munson, Helen Brown, Dorothy Kowarsky, Edna Ling, Crystal Kelly, Marcelle Griffin, Eleanor Finch, Helen Ling and Florence Dellin.

Rehearsals have been held every afternoon at the close of the school sessions and the participants are excellently suited for the various parts. It was announced.

TENNIS FANS WILL HAVE COURT AT BICKEL SCHOOL.

Twin Falls tennis enthusiasts secured permission yesterday afternoon to build two or three courts on the Bickel school play grounds. Work will be begun on them today and it is hoped that games can be played within a week.

There will be two courts finished at once and if the necessary arises more will be built. This is the culmination of the efforts of members of Twin Falls who have been interested in tennis during the past few years. Leaders in the club are Frank Bromm, H. J. Robinson, James Mee and C. A. Dalley.

VOCATIONAL TRAINING TO BEGIN

Vocational training has been approved by the federal board for David H. Turnipseed. It was announced at the first cross rooms yesterday afternoon. He will go to Portland and enter Danahy's polytechnic school for two months. While there he will be given an opportunity to select some special line of work. It is said, then a regular course of training will be given in the choice he prefers.

COMMENCEMENT DAY ADDRESS SCHEDULED FOR MAY 15

President Taylor R. Frader of the Idaho Technical Institute will give the commencement day address of the Twin Falls high school at the Evening theater Thursday evening at 8 o'clock, May 13, it was announced.

LOCAL COUPLE MARRIED BY METHODIST PASTOR

A marriage license was issued to Harlan Behnhart, and Miss Clara L. Johnson, both of Jerome. The latter couple were married by Probate Judge O. P. Duvall. Witnesses for the ceremony were the bride's sister, Miss Mildred Johnson and her court, George Johnson.

Herholden, yesterday by the county recorder. The couple was married by the Rev. Alexander G. Bennett at the Methodist church. They were attended by Misses E. L. McVicker, C. R. McMartin and P. A. Warner. The couple are well known to Twin Falls and have lived here for many years. As they forgot the fact that witnesses were required before the ceremony could be legitimately performed, the Rev. Bennett used the church telephone and the forementioned while the minutes were being performed.

WILL ERECT SMALL GARAGE: A building permit was issued at the city court yesterday to H. S. Prioleau to erect a garage on East Lawn addition, lot 14 block 2. The size was given as 12x18 and will be completed at an estimated cost of \$300.

Concerning Clothing

Today more than ever in the history of the Clothing Industry this fact is driven home:

"You Get What You Pay For"

The higher prices in men's clothing today are due principally to the high cost of production, and does not depend, as in former years on the high cost of raw materials.

There are several reasons for this. Formerly all tailors in high grade clothing factories worked by the piece. Today they work shorter hours, are paid by the week, and receive from three to five times as much as they did in previous times. As a result, we have about a sixty per cent production at an increase of about six hundred per cent in the cost of production alone.

In cheaper clothing, the difference is not so great, as the cheaper grade of machine made clothing is not made by tailors, but by the very cheapest of labor, often inexperienced.

We could go to the market today and buy thousands of these suits to sell at from twenty to thirty dollars, but we would not wear these suits. Neither would you.

We think too much of our reputation as a store of dependable merchandise, to try to sell such inferior clothes. No matter which store you are in, you can get a better value for your money.

We still have the best of the best in the world. We have the best of the best in the world. We have the best of the best in the world. We have the best of the best in the world.

BIG EVENTS FOR INTERCLASS DAY

Seniors Defeated in Flag Contest— Freshmen Losers in Annual Pull On Highgate Field.

Twin Falls high school sophomore won the annual tug of war which was staged at Lincoln field yesterday morning with the freshmen. The interclass was a notable event this year and those participating in the "scrum" claim the rounds of competition were thoroughly enjoyed, even if they were feeling of a rough character. In the 150 foot field five feet was given to each class. That contest consisted of a side pulling over the steel line at opponent and retaining him until time was called.

Later, the juniors and seniors engaged in a flag defending stunt. The seniors raised their flag and attempted to keep the juniors from drawing it down. As the seniors were outmanned the decision was given the juniors.

nation by establishing bakeries where bread may be bought cheap.

"The attitude of the working classes is threatening and grave disorders are expected at any moment."

President Carranza was reported as having held conferences with Hobsbs Dominguez, leader of the opposition in an effort to reconcile the revolutionists. The results of the negotiations, however, were not known here.

VILLA IS BARRED.
DOUGLAS, Ariz., May 6.—The Sonora revolutionists will not in any circumstances accept the co-operation of Francisco Villa nor give him even the consideration of a conference, according to a statement made at Agua Prieta today by General P. Elias Calles, commander in chief.

"We cannot even entertain the thought of accepting the service of

Villa or those he can muster as his followers," the general said. "We would be repudiating our declaration of principles and the guilt of it grave affront to the people of the United States, were we to make any terms with one who is regarded as an international outlaw."

CROSSES THROUGH PULPITO.
AGUA PRIETA, Sonora, May 6.—An advance guard under command of several members of the staff of General P. Elias Calles, commander of the troops in northern Sonora, has gone through Pulpito pass and is preparing a camp site on the other side of the mountains to Chihuahua for the 2,000 Sonora troops which began leaving here today.

MAY EVACUATE CAPITAL.
WASHINGTON, May 6.—Rebel agents here tonight announced receipt of a telegram from Mexico City saying the president of the municipality was organizing a civilian guard "for the purpose of protecting the city in the event of its evacuation."

The information, the agents said, was confirmed by them to mean that Carranza had determined to abandon the capital, since the organization of such a force probably would not be undertaken without his consent and certainly not without his knowledge.

SENIOR CLASS ENJOYS BIG DAY; ENDS WITH DANCE

About 80 students from the high school gathered at the breakfast table in the First Methodist church yesterday morning at 7:30 o'clock. Several of the students served at the tables. The day was proclaimed as Senior class day.

Leaving the early morning festive board the students went to the school and pursued studies. During the assembly period a program was given. At noon a parade was staged using a wagon rack.

Throughout the day activities were pronounced and at the close of the school session in the afternoon the student went to their various homes to prepare for the Senior day class dance.

The dance was held in the Parish hall and numerous persons attended the affair.

BACCALAUREATE FOR H. S. GRADUATES

Sermon to Be Preached by the Rev. Bennett in Methodist Church Sunday Evening.

Rev. Alexander G. Bennett will preach the annual baccalaureate sermon before the Twin Falls graduating class Sunday evening in the First Presbyterian church, at 8 o'clock. It will be a union service. At the invitation of Rev. Bennett, pastors of other churches are to take part in the order of worship. The Methodist choir will be led by L. L. Wood. Miss Almendarez will recite solon, and other instrumental numbers will comprise the musical part of the program.

At the service it is expected all seats will be occupied. The church will seat 1,200 persons. All the congregation and friends of the graduates will be expected to be present. Approximately 84 students will be graduated this year from the school.

The sermon announced in "Investment and Revenue." Rev. Bennett declares that a wise farmer in this day and generation carefully calculates possible revenue as he sows the previous seed. The banker, merchant, business man and laborer likewise in their different lines.

"During investment, or conservative, looks to ultimate enrichment through returns. In the wide fields of industry, education, evangelization, however the inspiration be of self-interest or benevolence, the income from investment and devotion are reasonably and seasonably anticipated by sane folks."

"Crop failures, commercial failures, life failures, are not expected in the periods of planning, speculation or consecration. Youth, when confronted

with the immense investments concerning it and challenging it, should be concerned also with the righteous question of revenue—honors, temporal and eternal are involved."

Society

Complimentary to Miss Fernand June French, Dean of Women, of the University of Idaho, the Twin Falls Alumni and Former Student association gave a 6:30 banquet at the Rogers hotel last evening. Fourteen members gathered to hear from Miss French the progress of their Alma Mater, and to tell in turn of their lives since leaving the university. Lester Alberta, secretary of Pageette, department, adjutant, and officer of the Idaho American Legion, was toastmaster. Toasts were responded to by Attorney H. O. McDougall, winner of the D. S. C., an ace in the American aviation corps, of Pocatello, Frank P. Stewart of Salt Lake City, Newell S. Wright, secretary of the chamber of commerce, and Miss French. Miss French in her talk grew enthusiastic over the brilliant future of the university. She gave us the enrollment of the university this year as 1200 students and projected more in the years to come. Miss French complimented the Twin Falls association on its work and spoke at length on what it could and should be.

The long table was graced with a large table filled with flowers, lilies and cherry blossoms, place cards in yellow furthered the university colors of yellow and white.

Covers were laid for Misses French, Beale Newman, Martha Stevenson, McDougall, Frank P. Martin, H. L. Morse, Harry Bennett, and A. G.

Peavey; Messrs. Harry Bennett, Frank Stewart, Ralph Glasgow, R. D. Smith, Ralph Morse, Harry McDougall, Newell S. Light, L. F. Alberta and Frank Martin.

Mrs. George Sprague was hostess yesterday afternoon to the members of the Episcopal guild. The time was spent sewing and planning the final details of the bazaar to be held Saturday afternoon. At a late hour the hostess served refreshments. The home was artistic with its bouquets of beautiful posies.

Mr. W. Z. Iron was the charming hostess yesterday afternoon for the members of the Shamrock club. May Time

in nature is like May-time in life. Youth is glorious, vibrant, sparkling—the future is apt to be unconsidered. No one would want to dampen the ardor of youth or strike a more somber note. But if there can be introduced in it just the necessary touch of responsibility, we have the combination that comple success. So our officers urge the young folks to work and save in the brightness of the present so as to carry that brightness through life.
