

## WALKOUT OF COAL MINERS POSSIBILITY

President of United Mine Workers Predicts Trouble If Agreement Is Modified.

BLAMES THE COMMISSION FOR PRESENT SITUATION

Declares No Provision Was Made in Award for Men Who Work in Mines But Not Classed as Miners.

By the Associated Press.  
INDIANAPOLIS, Ind., July 24.—Possibility of a general strike of bituminous coal miners through the central competitive field, was regarded in statement given out here tonight by John L. Lewis, president of the United Mine Workers of America, regarding the strike now in progress in the Illinois field.

Any settlement of the Illinois strike which would modify the basic interstate agreement under which the miners of the central field are now working would result in action by the national officers to enforce an immediate shut down of all the bituminous mines, involving a strike of 210,000 men, Mr. Lewis stated.

Lewis Makes Statement.  
Mr. Lewis declined to amplify his statement, declaring that he considered it self-explanatory. His statement follows:

"The present situation in the Illinois coal field is directly chargeable to the lamentable blunder of the United States bituminous coal commission, which in its majority award failed to provide adequate compensation for certain classifications of mine workers. This award was affirmed by President Wilson over the protests of the United Mine Workers and in violation of the pledges of the United States government that justice would be rendered the miners.

Transportation Breaks Down.  
Once the rendition of the reward mine-workers in most of the coal production fields have been employed but a small percentage of full time due to the miserable breakdown of the nation's transportation facilities. In the meantime the operators are charging unprecedented prices for coal and are enthusiastically engaging in what one may term the 'am dance of the profiteers'. In sections coal is selling at the outrageous and indefensible price of from \$11 to \$13 per ton. In the American public is being snatched by these daring commercial vandals who stagger beneath their loot. When the basic wage agreement between the miners and operators was consummated on March 21, the representatives of the mine workers at that time attempted to secure the acquiescence of the operators in an arrangement which would give justice to the day workers and monthly men. Their efforts were repulsed by the coal operators. The operators of the United Mine Workers have in every way assumed the obligations of the wage agreement to which the Illinois operators are a party. The publicly expressed desire of the Illinois operators for 'no' was not officially transmitted to the progress of the national union, which has supervision over such matters.

"If a settlement is made in Illinois which modifies the basic interstate agreement, prompt action will be taken by this office to force an immediate shut down of all mines operating in the central competitive field, involving some 210,000 men, until similar modifications are made with other improvements arranged for in the other coal producing states."

General Strike Not Discussed.  
Mr. Lewis would not discuss the possibility of a general strike. He said that he was in no position to negotiate a separate agreement with the operators of the state, immediately following the announcement of the agreement between the operators and mine workers.

## Polish Women Practice With Machine Gun

"Battalion of Death" aims to fight the Bolsheviks in defense of the little Polish republic.

## INMATES OF STATE INSTITUTION FIGHT

Race Riot Starts and Develops Into Battle of Considerable Importance. Police Called Out.

By the Associated Press.  
BEDFORD, N. Y., July 24.—Inmates of the state reformatory for women engaged in a serious race riot today, which started in the laundry and quickly spread to all cottages at the institution.

About 150 girls took part. The negroes were outnumbered 5 to 1, but they held off the opponents with handkerchiefs for a mask, stood on a bank overlooking the road and at the point of the rifle compelled one of the stage passengers to alight and flee. A man among the other passengers, each was ordered to empty his pockets. The robber declined watches and jewelry.

Following the robbery the bandit disappeared on foot. The stage held up was three of the line between the robber and the passengers. The scene of the hold-up was in the mountains a short distance outside the park boundaries and about 15 miles from Yosemite postoffice in the valley of that name.

TO TELL WATKINS.  
LINCOLN, Neb., July 24.—Arrest of a woman, prohibition nominee for the presidency, will be officially notified of his nomination Aug. 11 at his home at Germantown, Ohio. This was decided at the final meeting of the national committee here.

NOW MOUNTAIN TIME.  
In conformity with the action taken at the meeting held in the chambers of "combustible" rooms Friday night, the local committee of the city of Twin Falls, in most cases it is thought, advanced one hour, starting at 11:00 this morning.

Those who have voiced the sentiment that objects to the change being made this morning, at least, are: Rev. R. A. G. Bennett, first Baptist church; the Rev. A. H. Smith, first Presbyterian church; the Rev. W. A. Deane, senior Harding street, and the Rev. J. H. Smith, first Baptist church.

## MASKED BANDIT ROBS TOURISTS

Four Automobile Stages Going to Yosemite Park Held Up. Driver Held \$350.

By the Associated Press.  
MERCED, Calif., July 24.—A masked bandit armed with a rifle robbed four automobile stages en route to Yosemite National park about 1 o'clock today and obtained \$350 in money, according to a special dispatch to the Fresno Republican from Merced, Calif.

The robbery occurred between Cedar Brook and Miami lodge. The bandit, who wore a suit of blue overalls, a miner's shirt and a white handkerchief for a mask, stood on a bank overlooking the road and at the point of the rifle compelled one of the stage passengers to alight and flee. A man among the other passengers, each was ordered to empty his pockets. The robber declined watches and jewelry.

Following the robbery the bandit disappeared on foot. The stage held up was three of the line between the robber and the passengers. The scene of the hold-up was in the mountains a short distance outside the park boundaries and about 15 miles from Yosemite postoffice in the valley of that name.

## M'CULLUM IS NOW ORGANIZED TOWN

Objecting to Being Absorbed by Buhl. Citizens Decide to Have Their Own Village.

Twin Falls county welcomes a new village, incorporated yesterday afternoon, and validated by resolution adopted by the county commissioners. The new village is McCullum, formerly Buhl, and is located on the north side of the city of Buhl, the citizens of McCullum decided to incorporate a village for themselves, and yesterday took the final action which makes of that thirty little residential community a village-incorporated.

For some time Buhl city had been working on a plan to add this addition to the metropolis of the west. Public sentiment within the corporation limits of Buhl favored this idea, but for reasons of their own the residents of the suburb opposed the idea, and remonstrated. The conflict has been waged for some time, and, fearing that council Buhl would extend the corporation line to embrace them, citizens of McCullum addition employed counsel, with the result that articles of incorporation were prepared and submitted to the county commissioners. Yesterday Attorney Taylor, of Buhl, acting for the petitioners, presented a resolution to the commissioners. The advice of the county attorney was obtained, and acting upon this assurance that everything was in this form, the commissioners agreed the resolution upon the minutes, thus endorsing the new village and barring the way to action by the Buhl city fathers.

MAY CHANGE LOCATION  
NOTIFICATION MEETING  
DAYTON, O., July 24.—A change in the place for notification of Governor Cox of his nomination for the presidency by the democrats was taken up today by the governor's local in-laws. The event may be transferred from the candidate's home at Trailhead, five miles outside of Dayton, to the Montgomery county fair ground on the edge of the city. Facilities for the crowds expected August 1 but for notification ceremonies were the money for the proposed change. The fairgrounds, besides a grandstand seating several thousand, has street car service lacking at Trailhead. The governor also doubts whether the local armistice at Trailhead would enable all visitors to hear him. A local arrangements committee is working out details, and after further conference with Governor Cox's definite announcement is expected early next week.

ANOTHER HOME RUN.  
NEW YORK, July 24.—"Babe" Ruth, baseball star, today brought his home run record for the season up to 34, in the fourth inning of the game with Cleveland. He hit the home run off "Philly" Naylor, driving the ball into the right field fence. The pole prevented it from going over the grandstand.

REPORTER FINDS BABY.  
OMAHA, July 24.—Two infants, about two days old, were found at the bottom of an abandoned chicken house today. Doctors say both will live. The mother later was discovered by a reporter an hour after night-birds hauled out the first one.

HEAVY PRIMARY VOTE.  
DAYTON, O., July 24.—A poll taken at 7 o'clock tonight was believed that time of the largest vote on record had been set today for the democratic primary in which Eugene C. Debs, prohibition nominee for the presidency, was the leading candidate.

Continued On Page Four.

## BAILEY IS LEADING IN TEXAS PRIMARY

DALLAS, Tex., July 24.—At 10:30 o'clock tonight an unofficial tabulation of 48,730 votes from 135 cities and towns gave Joseph W. Bailey, former United States senator from Texas a lead of 1,847 votes over his closest opponent for the democratic gubernatorial nomination, P. N. Saff, former U. S. congressman from the same district. The returns were not complete.

The returns were not complete in political observers said, and did not give basis for a prediction as to the possible leader, nor change the expectation that a runoff primary August 24 would be necessary.

In the early returns, the contests for lieutenant governor, the other state offices, and congressmen from the six contested districts were ignored.

On the so-called "homebody" amendment, only one county reported a vote, 54 for re-submission to the thirty-seventh legislature, and 23 against.

SINGLES CHAMPION.  
By the Associated Press.  
MINNEAPOLIS, July 24.—Joe Armstrong, St. Paul, today became singles champion of the Northwestern Tennis association by defeating Paul Hingston, of Minneapolis, in the final of the association's annual tournament at Deephaven courts. The scores were 7-5, 7-5, 4-6, 6-0.

## CANDIDATE DISCLOSES RELATIONS

Farmer-Labor Leader Alleges There Are Secret Pacts Between U. S. and Poland.

WAR MUNITIONS SOLD; TAKE PAYMENT IN NOTES

Calls on Harding to Acquaint Country With Alleged Peril of United States-Polish-Russian Policy.

By the Associated Press.  
SALT LAKE CITY, Utah, July 24.—Charles D. Christensen, farmer-labor candidate for president, tonight disclosed what he said were "secret relations" between the United States and Poland whereby millions of dollars worth of war material had been delivered to Poland. This material, he said, was delivered to Poland for use against the Russian government, in exchange for long term Polish notes bearing five percent interest.

The statements were made by Mr. Christensen in a telegram to Senator Harding, republican senator from Utah, calling on him to "employ your powerful position to acquaint the country with the immensely grave possibilities to America of a continuation of the administration's 'Polish-Russian policy'." He was encouraged to make the request, he said, by a statement recently printed in a New York newspaper quoting the senator as saying, "it is no business of ours what form of government the Russian people choose to install."

Christensen's Message.  
The telegram, in part, follows: "You are undoubtedly aware that the administration has concealed from the people the facts of the immense financial loans to Poland and knowledge of its delivery of huge war stores to the Polish armies. If you are not, I can inform you that the war department has provided the armaments carrying on an offensive campaign against Russia with 4,000 freight cars, 3,500,000 pounds of corned beef, 5,000,000 pounds of oleomargarine and \$50,000,000 worth of miscellaneous military equipment."

He also disclosed that the administration has delivered to Poland large quantities of material for use in the Polish attack on Russia. Insolent refusal by Secretary Daniels to divulge a word or fact has provoked requests for information from these transactions.

"The Polish legation at Washington has audaciously demanded a statement of American moral support of the Polish position, and the extension of further credit facilities to Poland, to the detriment of the rest of the world. In the event of a general European imperialist alliance behind Poland and against the Russian government, this republic, involved as it already is and more deeply involved as the administration policy intends it to be in the fate of the Polish imperialist adventure, must needs face the question of transporting an American army to be slaughtered in a merciless and insane eastern European conflict."

He also disclosed that the administration has delivered to Poland large quantities of material for use in the Polish attack on Russia. Insolent refusal by Secretary Daniels to divulge a word or fact has provoked requests for information from these transactions.

## PJT RACE OFF UNTIL MONDAY

Bad Weather Causes Postponement of Great Yacht Race—Crewed Is Disappointed.

By the Associated Press.  
SANDY HOOK, N. J., July 24.—Possession of the sloop America's famous yachting trophy still hung in the balance tonight, the fifth and deciding race of the 1920 regatta between defender Resolute and the British challenger Shamrock IV, having been called off today in the face of a 25-mile southwest wind. The final race will be held Monday if weather permits.

Today's postponement came as a bitter surprise to a great holiday crowd that had gone out to the mark at Ambrose channel lightship aboard every conceivable type of craft. But the skippers of the shapely racers obviously considered that diversion was the better part of valor, for neither boat any time in signalling "no" in response to an inquiry from the committee boat whether there was any objection to a postponement.

### SECOND POSTPONEMENT

Today's was the second postponement.

## Will Pay

Three or four months rent in advance and take excellent care of well furnished, all modern bungalow in good location. Will furnish own linens, silverware and dishes. Will give satisfactory references. No children.

## Thirsty "Tourists" Flock to Maine

This is the "Line House" where thirsty "tourists" gather nightly. They enter "dry" from over to the "wet" side and come out the "dry" side satisfied.

ment because of heavy weather in the history of the contests for the American cup. The first was in 1903 when Shamrock, III objected to racing in a northeast gale.

Reliance was willing to make the attempt.

All other postponements have been due to lack of wind.

Monday's race will be run over the course that had been set for today—15 mile head to windward and a 15 mile run before the wind.

In the five actual starts to date one of which ended in "no race" because of insufficient breeze to take either

contender around the course in six hours. Resolute showing a marked superiority in windward work.

She had taken a commanding lead in the 15 mile windward beat of the first race Thursday, July 15, when an accident to her rigging forced her to concede Shamrock's victory. The second meet last Saturday, ended in "no race" and Shamrock IV's second victory was won last Tuesday after a triangular course on which Resolute was robbed of a windward leg by a shift in the wind.

In the third race, over a two leg course, Resolute gained enough on the windward beat to enable her to win by her time allowance in a dead heat with Shamrock IV.

She evened the score yesterday on the triangular course, outlasting the challenger on the windward beat and the broad reach home, and making 40 seconds as good time as did Shamrock on the second leg, which was close.

CHICAGO, July 16.—A 14-year-old girl was killed and probably 50 per

cent were injured in automobile accidents resulting from congestion caused by an unexpected strike of 192 power house electricians which seriously crippled the street car lines. The elevated lines were not affected.

The girl was killed when a motor truck carrying 40 persons to work crashed into a telegraph pole.

The strike affects 3,000 workers, according to union officials, but the company declares that it can maintain partial service with non-union employees.

Street car officials said that 10 cars were running on the principal lines this morning and that more would be added through the day.

The company was given practically no warning of the strike. Union officials said the men were demanding increases in pay of about 13 per cent. The strike was authorized for 5 a. m. at a series of meetings, but the men walked out an hour earlier.

The strikers also express dissatisfaction over working conditions and declare that non-union men have been employed by the company.

### MISS TAYLOR NAMED VICE COUNTY CHAIRMAN

Miss Julia Taylor has been chosen by chairman Harry Isenhardt to be county chairman of the Young People's Republican club. Chairman Isenhardt has named the following precinct men from No. 4 and the lot of town precincts will be named later.

No. 1, P. H. Taylor; No. 2, E. A. (Tim) No. 3, J. W. Haller; No. 4, A. Wilton Dick; No. 5, Ray E. Brown; No. 7, J. G. Thorpe. The committee men will be named later.

Miss Taylor will announce the vice precinct committeemen, who will be young women, later.

### WILD WEST OMALIA.

OMALIA, July 20.—A youth who gave his name as Harry Sarathian, aged 19, and his address as Chicago, was held by police today in connection with the holdup and robbery of a downtown cafe here early today.

While two of three youths "covered" ten guests of the cafe with pistols, the other robbed the cash register of \$142.55.

### OPPOSE USE OF TOBACCO.

DENVER, July 20.—Colorado's delegates to the national prohibition convention will carry a plank calling for prohibition of the manufacture and sale of tobacco products. No state ticket will be put in the field if this is decided at the state convention here today. The state is entitled to 13 delegates at the national convention, but Edgar Wikensan of Delta was the only person who could attend and he was named.

### CLEARING HOUSE STATEMENTS.

NEW YORK, July 14.—The actual condition of clearing house banks and trust companies for the week shows that the reserve held is \$4,277,520 below legal requirements. This is a decrease of \$22,312,630.

Highest cash price paid for poultry, Independent Market, Twin Falls. Tu. Th. Sat.

## SAVES MONEY FOR YANKEE TRADERS

American High Commissioner Looks Out for Interests of His Fellow Citizens.

BUDAPEST, July 20.—U. Grant-Smith, the American high commissioner in Budapest, has succeeded in saving about 50,000,000 crowns to Americans who recently opened accounts for trading purposes.

The Hungarian government issued in March a decree requiring the stamping of notes of the Austro-Hungarian bank circulating in Hungary, to relieve its financial embarrassment and ordered one-half of the money presented for stamping to be withheld and converted into a compulsory state loan. Some of the bankers saw a good opportunity of loading their inevitable losses on the shoulders of their American clients.

Although the Americans had only current or drawing accounts some of the bankers of Budapest attempted to treat them as actual money depositors, pose off their ready money as the American deposits, get it stamped and write a letter to their clients stating henceforth they could only dispose of one-half of their deposit. As for the other half the depositors were in several cases notified they had participated in a compulsory Hungarian state loan, the bonds of which are non-transferable and non-negotiable but valid for the payment of taxes.

The scheme was frustrated by the intervention of Mr. Grant-Smith, who made representations to the Hungarian government that no money trans-

action of the government could involve financial losses to citizens of the United States. As the rightfulness of this principle was acknowledged by the Hungarian government, the bankers were outwitted. This incident, as Mr. Grant-Smith remarked, answers the question: "Does efficient diplomatic service pay?"

### RADICALS ARE DEPORTED.

NEW YORK, July 24.—Thirty-five of the party of 63 aliens brought to Ellis Island from western and middle western cities are to be deported because of their radical activities. The deportees were brought here Immigration Commissioner P. A. Wall. In special cars from San Francisco, he announced tonight. Four of them, Seattle, Kansas City, Chicago and he said, were rushed to an outbound other western cities.

vessel and sent to their native land. Referring to the remaining "undesirables," Commissioner Wall said he planned "to make a little work of the western cities are to be deported because of their radical activities. The deportees were brought here Immigration Commissioner P. A. Wall. In special cars from San Francisco, he announced tonight. Four of them, Seattle, Kansas City, Chicago and he said, were rushed to an outbound other western cities."

## BOY PLAYGROUND BUILDERS

The value of public playgrounds for children is quite generally recognized in communities all over the country. Many cities, however, are hampered in their playground development by the cost of labor and materials for laying out and equipping the grounds.

From one middle-western town of about 12,000 population comes word of a possible solution to this problem of expense. Playground patrons, the boys of the neighborhood, have been doing a good deal of the work of preparation. They have cleared off weeds and grass from the play area and have laid out their own baseball diamond, croquet park and tennis courts. Needless to say, it has been fun and recreation of a wholly satisfactory nature. Boys are happiest when actively engaged upon some enterprise which appears to them important. That sometimes their activities lead to juvenile court proceedings is usually not the boys' fault, but the fault of parents and a community which have failed to offer them the proper outlet for their boundless energy.

Letting the boys of a neighborhood help with the construction of a playground does not mean exploitation. Granted a vacant lot on which they were permitted to play, they would lay out a baseball diamond before their mothers had finished spring housecleaning. Under proper supervision, so that no boy does work which is too heavy for his strength or keeps at a given task too long for health and comfort, working on the playground is an excellent occupation. And once a playground is ready for play, every boy that put in a few hours fixing it up is going to feel the keenest interest in keeping it in good condition and in maintaining a fine spirit of comradeship and co-operation.

## A MANUFACTURERS' STRIKE?

It is reckoned that the industrial strikes in this country last year were equivalent to a full month's idleness for 4,800,000 men. Those responsible have been severely criticized, as having contributed directly to the grievous shortage of necessary commodities.

Recently the larger manufacturer of woolen cloth in America has been shutting down mills and laying off tens of thousands of workers. The president of the company explains this action as due to a lack of orders for goods. The explanation is contradicted by the employees, and also by the clothing trade. The trade insists that the demand warrants steadily continued operation. Dealers are already announcing increased prices for next fall and winter, as a result of the curtailment in production.

It is charged that the manufacturers are engaged in a deliberate plan to limit production for the sake of keeping up prices. This shut-down is called by the New York World an "outlaw strike" on the part of capital as indefensible as labor's more braver outlaw strikes. Is there any difference?

## DIRTY MONEY.

Another odd result of the war is dirty money. Bank notes, especially those of small denominations, are older, thinner and filthier than usual. It is of little use to ask for crisp, new bills. The banks have not got them, and can not get them. The demand for bills of small denominations has far exceeded the supply. Paper and ink are scarce, and the money-printing factories are handicapped as other factories are.

Paper money has been circulating for some time almost to the exclusion of silver and gold, even in the West, where paper used to be scarce. As silver disappeared, because of its increased bullion value and other reasons, the banknotes had to circulate more continuously, and so wore out and became soiled more quickly. The situation is now improving a little, because more silver is coming into circulation, but it will be a long time before people who like

to handle clean money can gratify their wish.

Surely, though, something might be done about laundering the soiled money, or at least sterilizing it occasionally, so that discriminating persons would feel less squeamish about handling it, and so that its possibilities of communicating disease would be minimized. Why can not bales of these filthy, frayed dollar and two-dollar bills be baked or boiled or fried or something by some one?

## THE SHORT, FAT BOTTLE.

One of the magazines that deals with business methods has a department which prints letters from readers telling what they would do if they were in some other business.

One long-suffering man saw that department the other day and burst forth as to what he would do if he ran all the businesses that put things up in bottles. "I would never use any of those foolish, long, narrow bottles," he said. "I would use all short, fat bottles." And wasn't he right?

In that man's office one of the standard duplicating machines is used, which requires type-written stencils. A proprietary fluid has to be used to moisten the stencil. Will the bottles holding that fluid stand in the normal desk drawer? They will not. Of the four people using that fluid in that office one has a desk drawer which will hold the bottle and close with it standing there. It is an inconvenient bottom drawer, and the bottle has to come out to the top of the desk for use. On the three other desks the bottle remains on top, awkward and unsightly. A bottle an inch and a half shorter, and fatter in proportion, would be better in every possible way. It could live in a drawer, as a paste-pot can, it would be more stable, and the brush would never get sticky up to the handle.

Consider the average bottle of catsup or salad dressing. Will its mouth admit a tablespoon? It will not. Most of them will not even admit a teaspoon. Could anything more inconvenient and wasteful be devised? And think of the superfluous amount of glass used in making such narrow bottles, and the loss due to the contents adhering to their inside.

The business man's wife added that inasmuch as these firms will not take the empty bottles back, and they accumulate rather swiftly, the short, wide-mouthed bottle would also be much better for her to use for jam and peach butter. Will the bottle people wisely take this hint?

## ROYAL CANADIAN JUSTICE.

Far up in Hudson Bay territory, near Chesterfield Inlet, Kewadin, an Eskimo named Ouangwak is alleged to have murdered a man in order to get his wife. Sergeant Douglas of the royal Canadian mounted police trailed him and finally caught him, and brought him to Ottawa, where he has been confined.

Very soon Sergeant Douglas, together with a white man's judge, is to go with him to the district where the crime was committed, there to hold the murder trial. The idea in taking the man "home" for trial is that the natives of that region may be impressed with the fact that Canadian justice must obtain among them, and to prove that, as usual, "the northwestern mounted policeman never loses his man."

In contrast to this, any American citizen may set down in his mind the murders committed in his locality in the past few years. How many of the criminals were caught? How many were punished? How many were allowed to escape with no respect for the law or civilized institutions of defense?

Lynching and mobs have no excuse in any community. But they are a natural outgrowth, none the less, of official laxity. A little jacking up all along the line among those entrusted with preventing crime, and catching and punishing the criminal, would help abolish lynchings and might succeed, in time, in inspiring a respect for American justice comparable with that obtaining all over the world for the British variety.

If all the disappointed candidates were literally "eating crow," it might ease the shortage in the ordinary food supply.

It isn't fair of Mrs. O. H. P. Belmont to go and start a women's party. Don't the men have a hard enough time as it is?

Pretty soon, it appears, there will be a convention held to organize a fourth party.

## OUTBURSTS OF EVERETT TRUE

## WALKOUT OF COAL MINERS POSSIBLE

(Continued from page one.)

miners' officials last March, which agreement was made on the basis of the coal strike settlement commission. There were sporadic strikes of company men or day men throughout the central competitive field. These men perform the labor incidental to mining of coal. They declared that they were not given increases commensurate with those granted the other workers in the mines.

IOWA OPERATORS TO MEET DEN MINERS, Iowa, July 24.—Iowa coal operators will meet Thursday or Friday of next week to consider the demand of Iowa miners that a new wage contract for this district be entered into. D. F. Cushing, president of the operators' association, announced yesterday.

Mr. Cushing issued a statement in answer to the assertion of J. C. Lewis, president of district No. 13, of the United Mine Workers of America, that increases in living costs since April, when the present contract was drawn, made necessary a new wage scale.

"We have felt some shortage of labor," said Mr. Cushing, "but not enough to be embarrassing. In the meantime, our production has been as great as during the best year we ever had."

As to Mr. Lewis' contention that the cost of living has increased materially since April, his opinion seems to differ fundamentally from the government reports.

The operators' president said his association would probably consent to a conference with the miners.

## UTAH FARMER-LABOR PARTY HOLDS CONVENTION

By the Associated Press. SALT LAKE CITY, July 24.—Various labor bodies of Utah cities and counties, the labor party of the state of Utah, the committee of 48 organizations in this state and a number of representatives of farming interests early tonight completed organization of the farmer-labor party of Utah, which then proceeded to hold its first state convention here. Utah socialists refused to amalgamate with the new party.

The socialists stand was that they could not consistently join with any political group unless the members of that group joined the socialist party. The other elements declined to do this and, after considerable discussion, the socialist representatives withdrew from the meeting and held a convention of their own.

Both the socialist group and the farmer-labor party adopted platforms and the socialists in addition named a state ticket.

The farmer-labor platform was devoted almost wholly to an endorsement of the national platform adopted by the new third party in its Chicago convention.

The farmer-labor group received shortly before 4 o'clock without having named a state ticket but with plans made to name one before adjourning.

CELEBRATE ANNIVERSARY. SALT LAKE CITY, July 24.—Today, the seventy-third anniversary of the coming of Brigham Young and the first party of settlers to the valley of

church temple. The exercises here were under the auspices of the Daughters of the Veterans and of the Daughters of the Mormon Battalion. The day was one of recollection of history and honor to those who made it. In this connection, the march of the "Mormon Battalion" from a point a little above Omaha to San Diego, during and after the Mexican war, was recalled vividly by some of the men who had had the story from the lips of fathers or grandfathers who made the march.

An additional phase of the celebration, and one not held most years, is religious exercises to take place tomorrow. The quarterly conference of the "Pioneer Blakes" of Salt Lake City is set for tomorrow, and, as this is the day following Pioneer Day, arrangements were made for the holding of exercises by Sunday-school children, members of the "Mormon" faith, to aid in implanting in them a knowledge of their state's history and the early history of their church.

## A QUIET WEDDING.

A quiet wedding occurred at the Catholic church at 4:30 last evening when Miss Dorrie Teaster, daughter of Mr. and Mrs. T. Teaster, was married to Harry McGrew, the Rev. Father Rens S. Keyser performing the ceremony.

The young couple was attended by Mr. and Mrs. Harvey Teaster. Only the immediate relatives were present at the ceremony. The young couple will shortly be at home to their friends in Twin Falls.

## CASHED BAD CHECKS, CHARGE?

A man giving his name as Wright was taken into custody last night by the police, charged with having written checks without having sufficient funds to cover them. It is alleged that he was in town last Saturday and issued checks which were worthless and that he repeated the stunt last night.

## NO COUNCIL MEETING.

The members of the city council have taken a vacation this week with the result that none of them will be in the city Monday night, and no council meeting will be held. If any urgent matters came up for immediate consideration, they will be submitted to informal discussion before the mayor and city clerk.

## ANNOUNCEMENT.

Dr. C. V. Baker announces the reopening of his dental office in the Idaho Department store building. Dr. G. L. Weir, formerly of Chicago, will handle the practice until Dr. Baker is able to use the arm injured in an automobile accident several weeks ago.

In Salt Lake City a special celebration was held on the grounds of the 7-21-K-7-27.

## TO DEVISE PLANS FOR MARKETING

Farmers' Federation Selects Committee to Investigate Co-Operative Marketing Methods.

By the Associated Press.  
CHICAGO, July 24.—Appointment of committees to devise plans for the co-operative marketing of grain and livestock was determined upon at the final session today of the American Farm Bureau Federation. The livestock proposal was unanimously approved when the association's committee on that industry recommended it. This action came a few hours after the plan of the grain committee had been received favorably by a majority of the convention.

The grain committee, which will be appointed in the near future by J. R. Howard, president of the federation, will be a permanent body with headquarters in Chicago. It will investigate existing plans of co-operative marketing as well as suggest new plans. Members of the committee will comprise leading grain producers, grain elevator men and others.

Cars to Move Crops.  
A resolution was adopted directing that efforts be made by the farm bureau to obtain cars to move crops. It also was recommended that freight problems be referred to the federation to obtain uniform freight rates and equal facilities for all farmers. The federal trade commission was congratulated for "its substantial work in the east" and the support

of the federation was pledged to that organization. Another resolution urged deep waterway projects.  
Efforts of the federation to obtain freight cars were reported by Mr. Howard. "In January the federation sent a delegation to Washington to learn whether we could obtain more cars," he said. "We have advised that there existed a shortage of approximately 100,000 cars of normal equipment."  
Representatives of the United States Grain Growers association and of the National Board of Farm Organization, who attended the meeting here announced that conventions of those organizations would be held at Columbus, Ohio, probably in August.

The committee to study plans for the co-operative marketing of grain was named tonight. Its members are James Plumb, Kansas; J. G. Brown, Indiana; James Clemmings, Wisconsin; H. R. Mumford, Illinois; and C. P. Hubbard, Nebraska.  
The program, when it is drafted, will be submitted to the federation for final action.

### GREEKS MAKE PROGRESS.

By the Associated Press.

ATHENS, July 24.—Under a brilliant sun tempered by Aegean breezes, the last detachments of Greek troops are landing at the Greek fleet. The movement is covered by the Greek fleet. It is expected that the Hellenic coast, which is already making 20 miles a day, will attack Lake Burgas, and if successful, cut behind Jafar Tatar Bey, the Bulgarian commander at Kilkis, and prevent the escape of his regular troops over the Bulgarian frontier. The Greeks foresee quick victory, but wish to capture Jafar Tatar, who however, declares that he will not surrender.

Another column is proceeding to Keshan to support the frontal attack by the main body of troops along the Maritsa river against Adrianople. It is hardly believed that the morale of the Turks is such as to duplicate the five months stand against the Bulgarians in 1912 when the defense of the city built by the Germans were in good condition. Today they are partly demolished, and there is a general lack of supplies. It is known, however, that the national commander has laid in large food supplies.

The Greeks do not wish to bombard the city, which they still maintain a large number of Greeks. While thus far there is little evidence of ill-treatment of the Greeks in Adrianople by Jafar Tatar Bey, this assertion that many of them have been forced to do so as soldiers and villages have been obliged to pay indemnities when the men were not taken as soldiers.

A demand has been made on the Bulgarian government that it disarm and also deliver over any of the Bulgarian troops if they retreat over the frontier.

### BELFAST IS BURYING VICTIMS OF RIOTING

By the Associated Press.

BELFAST, July 24.—Belfast spent Saturday night, which was considered the most critical one in the present crisis, in ineffectual attempts to bury the victims of three nights of rioting, in burying their dead and, in some affected districts, in preparing for another night of disorder.

The funerals of six of the victims passed without untoward event. This was due to the common sense attitude of all concerned. While crowds turned out, there was no display of flags or other emblems and the police and military kept discreetly in the background.

From the residences of the victims to Milltown cemetery the streets were lined with people and the atmosphere was charged with tension, but the spark which might set the city ablaze was not forthcoming. Local branches of the United Irish league and the Irish Nationalists Veterans' association took a prominent part.

The funeral of Mrs. Noade, only woman victim, was marked by the attendance of a hundred women, while a couple of hundred young men escorted the procession.

Inquests on 11 of the victims produced no new details and were adjourned without verdict.

Virtually every house and shop in the section which suffered most severely from the stone throwers and looters prominently displayed Union Jacks as evidence of the community's sympathy. St. Michael's chapel, which was attacked Thursday night, had flags draped over the gates, behind which stood soldiers with fixed bayonets.

In a few side streets where Catholics are predominant, no flags were flying but the agents were protected by the military who had thrown big wire entanglements across them to prevent the rival parties from coming to close quarters. In other streets children were found gathering stones into heaps as ammunition for the elders should the anticipated clash occur. There is hardly a saloon in the city and those which escaped the rioters show signs of being out of the street much trouble to repair.

## WHEATON IS SENT TO HIGHER COURT

Arraigned Before Judge Duval and Held to District Court Bond Fixed At \$1500.

L. A. Wheaton, charged with issuing checks when he did not have funds in the bank to cover the drafts, was arraigned in Judge Duval's court and was remanded to the district court for trial. His bond was fixed at \$1,500. Wheaton was a painting contractor in this city for some time and is alleged to have written checks aggregating \$700 which proved to be worthless because of the lack of funds in the bank. He went to Salt Lake City and was arrested there at the instigation of Sheriff Sprague. Deputy Sheriff Brown went to Salt Lake City and escorted Wheaton to Twin Falls.

### Personal

Among the out of town shoppers yesterday were Mrs. W. S. Wood, Mrs. W. L. Clifford, Mrs. A. W. Alwood and Mr. and Mrs. Charles Kline of Jerome. Mrs. In Hupper of Ellettsburg in Twin Falls yesterday afternoon shopping and visiting friends.

Chicago	25	32	.438
Boston	24	33	.420
Philadelphia	20	39	.340

ST. LOUIS, July 24.—St. Louis won from Boston in the tenth inning today. Dillhoefer's triple and Smith's single brought in the needed tally. Boston hit North hard in the first and seventh. Dillhoefer led the attack on Scott with four hits out of five times at bat, securing two runs and driving in two.

Score: R. H. E.  
Boston 6 10 0  
St. Louis 7 13 2  
Batteries: Scott and O'Neill; North, Shorrel and Dillhoefer.

EVEN THE SERIES.  
CINCINNATI, July 24.—The champions evened their series with the Giants today by winning the fourth game, 5 to 3, after a seven-inning contest. Both teams hit freely. Roush's home run to left in the second was the first four-bagger made in that direction on the local field for several seasons.

Score: R. H. E.  
New York 2 10 1  
Cincinnati 5 7 3  
Batteries: Neft and Smith; Eller and Allen.

SHOULD ASSIMILATE JAPS.  
People ought to assimilate the Japanese who live in this country, first socially, and then by inter-marriage, in the opinion of Junzo Sasamor, general secretary of the Central Japanese association of Southern California, expressed here in testifying before King Swept of Kentucky and J. Will Taylor, members of the house of representatives committee on immigration and naturalization.

## FELSCH'S HITTING IS GREAT FEATURE

Player's Hitting Played Prominent Part In Chicago's Victory Over Boston—Ball Over Fence.

### STANDING OF THE CLUBS.

American League.			
	W.	L.	Pct.
Cleveland	29	21	.578
New York	21	23	.479
Chicago	25	25	.500
Washington	21	24	.467
St. Louis	23	24	.488
Detroit	20	25	.444
Philadelphia	22	25	.467

BOSTON, July 24.—Felsch's hitting played a prominent part in Chicago's 7 to 4 victory over Boston today. He doubled around two runs in the fifth and he knocked the ball over the left field fence in the seventh, with Jackson on first. Harper made a homer late the eighth field stands in the seventh. The game was interrupted twice by rain.

Score: R. H. E.  
Chicago 7 13 2  
Boston 4 8 2  
Batteries: Chatte and Schatz; Bush, Karr and Walters.

UNABLE TO WIN.  
WASHINGTON, July 24.—St. Louis was unable to win a game in the series of three played here, today's contest being called on account of rain at the end of the fifth with the score 1 to 1.

Score: R. H. E.  
St. Louis 1 3 0  
Washington 1 3 0  
Batteries: Davis and Seward; Courtney and Gharity.

FIRST PLACE AGAIN.  
NEW YORK, July 24.—Cleveland went back into first place in the American league today, defeating New York, 4 to 2, in 11 innings. Bagby and Quinn pitched in fine form, but the latter retired in favor of Morgan in the ninth.

Score: R. H. E.  
Cleveland 4 8 0  
New York 2 6 2  
Batteries: Bagby and O'Shea; Quinn, Morehead and Ruel.

SIXTH DELAYS GAME.  
PHILADELPHIA, July 24.—Detroit defeated Philadelphia 5 to 0 today. No visitor reached first until the sixth inning when Perry gave the western team its first run by passing Shriver with the bases full. The start of the game was delayed by a heavy storm.

Score: R. H. E.  
Detroit 5 7 0  
Philadelphia 0 2 4  
Batteries: Elmsko and Stange; Perry and Perkins.

GIVEN ONE MEAL DAILY BY AMERICAN RELIEF.

WARSAW.—It is estimated that 100,000 refugees who have fled from districts invaded by the bolsheviks are being fed one meal daily by the American Relief association.

majority of the regions the relief association is co-operating with the Polish Red Cross.

Thousands of refugees are arriving daily. They are being distributed through Poland by the relief association. Most of them come from the typhus districts. The Polish government has appointed Col. Harry L. Gilsch of the United States medical corps to take charge of the points where the refugees are assembled.

Six bathing and disinfecting trains and a force of American medical officers, will leave Sunday for Lwow, Poland, and other towns to thoroughly sanitize the refugees before they are permitted to board trains for Poland.

GRAND JURY FINDS NEGRO WAS INNOCENT.

DELAWARE, Minn., July 20.—The special county grand jury investigation of the lynching of three negroes here on June 15 last, declared in its final report, made public that Isaac McGhie, one of the negroes hanged, had no part in the attack on a white girl, which brought about the trouble. Recently brought before it convinced the jury, the report said, that McGhie was wrongly held by the police as an important witness.

DOCTORS ON A TRAIN.  
TOKYO, July 20.—Japan will take on a progressive step by maintaining a doctor and proper medical facilities on all the principal trains leaving Tokyo.

"This plan has been contemplated for nearly six years," said Mr. Morimoto, chief of the sanitation section in the railway department. "But has so far been neglected for want of necessary funds. Judging from past experience, patients found in trains born on long journeys often number above 40 and some are frequently in such a condition as to require immediate medical assistance."

TO HELP DEAF CHILDREN.  
WASHINGTON.—Medical associations of the United States have inaugurated a nation-wide campaign for the treatment and education of children who are deaf or dumb or both.

A joint committee including members from each organization has been appointed to draw up plans.

Assistance of state medical societies, state boards of health and from congress will be sought in order that the campaign may be made quickly effective. It is planned to let all children suffering from defective oral or auditory organs, to establish day

schools throughout the country for the instruction of these special pupils and finally, to standardize the course of instruction, according to the most modern methods.

KVALE DISQUALIFIED.

HENSON, Minn., July 20.—Rev. O. J. Kvale of Henson is disqualified in the republican candidate for congress in the seventh Minnesota district in a decision filed here today by District Judge Albert Johnson, who heard the suit contesting Kvale's nomination.

Congressman A. J. Volstead, author of the prohibition enforcement act, who was defeated by Kvale in the June 21 primary, is declared in the decision to be the "specially nominated" candidate of the republican party.

Mr. Kvale was endorsed by the Non-partisan league.

FUNERAL NOTICES.  
Funeral services for Owen Owens, which will be held at the Presbyterian church this afternoon, the Rev. Asa H. Brand officiating, will be held at 2 o'clock, old time.

Highest cash price paid for poultry, Independent Market, Twin Falls, Tu. Th. Sat.

# CLASSIFIED ADS

A classification that can be used advantageously by economists. The classification of accounts presented in this bulletin is adopted with intent as adequate basis for correct operating and financial information which will be uniform from year to year, thus enabling comparisons of operating efficiency.

The bulletin has been prepared by experts in accordance with the bureau of markets after a careful study of the methods pursued at a number of creameries, and should prove of valuable assistance to creameries in recording their costs and the financial activities of their business comprehensively and simply.

The bulletin can be had upon application to the United States Department of Agriculture, Washington, D. C.

### HIGHER EXPRESS RATES UNDER CONSIDERATION

By The Associated Press. WASHINGTON, July 23.—A further increase of 15 per cent in express rates will be necessary to meet the expected wage award to express employees by the railway labor board.

By The Associated Press. WASHINGTON, July 23.—A further increase of 15 per cent in express rates will be necessary to meet the expected wage award to express employees by the railway labor board.

### TAR AND FEATHER RUSTLERS

ALLIANCE, Neb., July 20.—Members of a vigilance committee of rustlers, assisted by their wives, have put a stop to cattle rustling in the vicinity of Billwheat, Neb., by applying a coat of tar and feathers to an alleged rustler, according to a report received here.

### HIT DURING DEMONSTRATION

DES MOINES, Iowa, July 20.—During a demonstration in favor of United States Senator A. B. Cummings at the republican state convention today, Louis Kuris of Des Moines had an arm broken, and Gilbert Hagen of the Third district, and C. W. Hamner of the Sixth district were injured by a fall to the cement floor of the coliseum from the back of the stage. All three were taken to a hospital.

### MARTHA LOSTS RUDDER

## THE GREAT AMERICAN HOME

AFTER THE PICNIC

THE GREAT AMERICAN HOME

## FARM BOYS MAKE A GREAT RECORD

Remarkable Showing Made in the Raising of Dickweed Wheat—It Tested Nearly Perfect.

The members of the farm bureau junior boys' club have established a record in this community that is to be considered remarkable. That record is that 12 boys each raised a field of Dickweed wheat and each passed the test of 99 per cent pure Dickweed wheat.

The requirements of the members were that each boy raise at least one acre of wheat, and 12 boys entered the contest with a total of 120 acres, worked under the supervision of A. I. O'Reilly, leader of the farm bureau juniors.

The test as to the purity of the wheat was made by C. B. Ahlsen of Baker, assistant to the state seed commissioner, who is in this vicinity for the purpose of certifying wheat. According to information received, the field must pass a test of 99 per cent pure to be certified. This is the test that the local boys' club had to pass to obtain 100 per cent grade.

Mr. Ahlsen, it is said, declared the wheat grown by the boys to be the finest that he has ever seen, standing well up to an average man's shoulder and as thick that one has to virtually fight his way through it. The heads are large and the yield will be heavy. The estimate that was placed on the best fields is that they will yield 50 bushels of wheat to the acre, whereas the poorest fields were judged to produce 25 bushels to the acre.

## At the Churches

The Salvation Army will hold their morning service in the Salvation Army hall at 11 o'clock. Sunday school at 2 p. m. Evening services in hall at 8 o'clock. On Tuesday, Thursday and Saturday evenings open air services will be held at 7:30, and on the same evenings services will be held in the hall at 8 o'clock.

At the First Church of Christ, Science Sunday services will be held at 11 a. m. at Pariah hall. Subject, "Truth." Sunday school at Pariah hall at 10 a. m. For the present Christian Science literature may be obtained at the home of the church, Mrs. S. A. Shober, 245 Third avenue east. The Wednesday testimonial meeting will be held in Pariah hall at 8 p. m.

Services at the Presbyterian church, where H. Brand, pastor, will officiate with morning worship at 11 o'clock. "The Symphony of Jesus, Our High Priest." Evening worship at 7:30 o'clock in the city park. The music for the services will be provided by the Presbyterian choir. Bible school at 9:45 o'clock. Y. P. S. C. meeting at 6 o'clock.

Morning prayer at the Assempment church, corner Third and Second streets north, will open at 11 o'clock. The Rev. John C. Donnell of Newark, N. J., assisted by Assempment Howard Sny, will conduct the services in the local Episcopal church this morning. No Sunday school during the month of July and August.

Services will be held at the Lutheran church today as follows: Sunday school at 9:30 o'clock; services at 10:30 o'clock. Beginning today evening services will be held at 7:30 o'clock. The address for the evening will be based on Luke 12:24-30; "The Closed Door." The Y. P. S. C. meets next Wednesday at 8 p. m.

**PRIMITY HOME WEDDING**  
A pretty wedding took place at 8 o'clock Saturday night when Miss Wanda Duke of Hotchkiss, Kan., and Ralph Elliot were united in marriage by the Rev. Arthur H. Brand of the First Presbyterian church. The wedding took place in the attractive new home just erected by the groom for his bride, at 129 Jackson street.

Those present were Mr. and Mrs. W. J. F. Elliott, father and mother of the groom, and Mr. and Mrs. Clarence Elliott, brother and sister-in-law of the groom. After the ceremony dainty refreshments were served. The bride and groom will take a short wedding journey and on their return make their home in the house which has just been completed. Mr. Elliott is connected with the Western Auto company.

Write the Co-Op Store, Caldwell, for price list Standard Blending Twine. Quality, Length and Strength guaranteed. Bale \$10, ball \$1. Five lined ball \$2.45; white beans 7-1-2 size soap, 100 bars, \$5; pitchforks \$1.35.

**LEAVES FOR OHIO.**  
C. B. Shaw left yesterday for New Lexington, Ohio, where he was called by the serious illness of a relative.

## WENDELL AND TWIN FALLS PLAY TODAY

Championed Sure They Will Defeat Home Team; Confidence in Twin Falls Tushken.

The Wendell baseball team, champions of the Wood river league, are here today to those with Twin Falls for the honors of taking home the bacon. Wendell is acknowledged to have a good aggregation, but the locals have aspirations of turning the tables. Assiduous practice has been taken to speak louder than words in the announcement of Twin Falls representatives' determination to defeat the invader.

Wendell, piloted by Ted Patton, has had success in seasons to be sure. It has a long string of scalps to hang on the feteen pole at the end of the season, while Twin Falls has not been so successful. On the other hand, Twin Falls is not without a claim of retaining its title, and it is evidently intended to do so. There is really no number of comparison between the two except by reputation, and the fight will show that the proof of the pudding is in the eating. The Twin Falls Indians, under the leadership of "Red" Hatt, are going to do their best to uphold this city's reputation as a "going" town.

The batteries as announced are: Oliver and Kieffner for Twin Falls; Cummings and Patton for Wendell. The line-up follows:  
Twin Falls—R. Oliver, pitcher; P. Kieffner, catcher; O. Neuman, first base; L. Oliver, second base; S. Kieffner, shortstop; Watson, third base; Dell, left field; Murphy, center field; White, right field.  
Wendell—Jackson, second base; Hury, shortstop; Clegg, third base; Grutchfield, right field; Graves, first base; Burdett, left field; Markle, center field; Allison, catcher; Cummings, pitcher.

## At the Hotels

Among those who registered at the local hotels yesterday were:  
Ferrine—C. C. Taylor, Hotel; E. C. Allen, Rooming; Mr. and Mrs. G. J. Story, King Hill; J. M. Mayer, Twin Falls; T. B. Sanderson; H. L. Gooding, Shoshone.

Togerson—Miss Julia Finch, Miss Carol Mason, Hotel; G. E. Bennett, E. L. Mills, Hotel; V. E. Parker, Rupert; Miss Cecil Cook, Burley.

## REV. C. L. OWEN

MISSESS PASTORATE

Owing to ill health, the Rev. C. L. Owen, for several years pastor of the Twin Falls First Baptist church, has resigned the pastorate. His resignation was to have taken effect on Aug. 1, but his health became such that he was forced to leave this city on July 26, with his eldest son accompanying him.

Mr. Owen has been in ill health for some time, past, and several months ago he went to his farm at Colville, Wash., where he stayed for a time. The climatic conditions apparently benefited him, and after a time he was returned to this city to resume his ministerial duties.

Until a permanent pastor is chosen for the local pastorate, the pulpit will be supplied with ministers that are available for the work. The Rev. Mr. Mills of Boise will be here to conduct the services today.

## CONDITION OF MR. RITCHIE

REPORTED AS SATISFACTORY

According to information received last night, the condition of Charles Ritchie, aged 27, who is at the Boyd hospital suffering from injuries received in a runaway accident yesterday, is quite satisfactory and hopes is entertained that he may recover.

Ritchie, according to reports, left the Heinicke Construction company

early yesterday morning, driving a heavy draft team attached to a large wagon. This morning, as they were being driven through an alley at the rear of the barn became frightened at something unknown and ran. One of the front wheels of the wagon struck a utility pole, and Ritchie was thrown from his seat and injured. He was hustled in an unconscious condition to the Boyd hospital where it was found that he was suffering from a fracture of the skull.

It was thought in the afternoon that the patient would be unable to save the man's life, but, according to latest reports, this action was not thought necessary as the patient seems to be in an improved condition.

**Society**  
The ladies who belong to the Twin Falls Club of Long Beach entertained yesterday afternoon at a surprise birthday party in honor of Mrs. O'Hara. The party was given at the home of Mrs. Clonchek. The house was beautifully decorated with California poppies. Those present were the Mesdames H. O. Milner, P. J. Connelley, John Costello, E. E. Hobbie, Mary Kelly, Peter Ericson, Fred Foss, A. H. Vincent, J. C. Vincent, H. W. Clonchek, Near, P. R. Cox, H. H. Johnson and Charles Hart.

Miss Bernice Babcock, delightfully entertained a number of friends yesterday afternoon in honor of her house guest, Miss Bernice Harding of Utah. At the close of the afternoon which was spent in social converse, delicious refreshments were served by the hostess. Those present were Mildred Ambery, Margaret Bennett, Frances Ripley, Iris Guthrie, Esther McRoberts, Albertine Bennett, Myrtle Clark, Ethel Kauls, Ruth Deuchamp, Peggy Fields, Beale Newman, Helen Roberts and Mrs. Harry Benoit.

Mr. Frank Baldwin entertained a number of friends at a "50" party Friday afternoon in honor of her house guest, Mrs. Wilbur Stein of Grand Island, Neb.

The R. O. S. club will meet at the home of Mrs. Joe Lauchlin Wednesday afternoon of this week.

## Local Briefs

**Births**—Twin boys were born to Mr. and Mrs. Fred W. Harder yesterday morning at the Boyd hospital. A son was born to Mr. and Mrs. Earl Clonchek, Third avenue west, shortly before 1 o'clock yesterday morning.

**Tour Yellowstone**—Mr. and Mrs. A. O'Reilly and family and Miss Edna M. Ladwig will leave today to tour Yellowstone park as a vacation trip. Mr. O'Reilly is the leader of the farm bureau union, and Miss Ladwig is the farm demonstrator of the farm bureau.

**Operation**—Mrs. Walter Henry of Jerome underwent a major operation at the Boyd hospital, yesterday. Late reports were that the condition of the patient was satisfactory.

**Leaves Hospital**—Mrs. Bill Wolf of Rupert, who has been an inmate of the Boyd hospital for four weeks past, returned to her home yesterday.

**Military**—According to correspondence received at the local recruiting station from headquarters of the western department, there is an opening for 135 men from the western states at the signal corps school at Camp Alfred Vahl, near Newark, New Jersey.

**He Pays Fine**—In the probate court, Louis Ulrich entered a plea of guilty to the charge of taking water illegally from the ditch of the High Line Canal company and was assessed a fine of \$100 by Judge Duval.

**Case Dismissed**—The action filed in the probate court against W. H. Van Eaton was dismissed. He was charged with taking irrigation water to which he was not entitled. The prosecuting attorney on investigation found there were circumstances in connection with the case that were of an extenuating nature and he thought best to drop the prosecution.

## NOTICE

We are authorized to announce the name of R. P. Redman as a candidate for the office of sheriff of Twin Falls county, subject to the will of the republican voters at the primary election to be held Tuesday, August 3, 1920. Mr. Redman is now deputy sheriff of Twin Falls county. —Adv. 7-21-K-3

## RUHL NEWS NOTES

BUHL, July 24.—Miss Couriaska Clinton left Friday morning for Kemmer, Wyo., to visit with her father who is interested in the oil fields. Messrs. Otto Parry, William Parry and D. Shields will make a fishing trip to Thousand Springs. The Mormons of Buyl attended their annual picnic at Clear Lake. About four or five hundred went from here. Crago, Buyl's speedy outfitter, returned from Portland where he made

satisfactory arrangements for a try-out for the Beavers of Portland. It is hoped that Crago will make good with the Beavers outfit.

Mr. and Mrs. Lawrence Van Hiper left for Warfield Hot Springs. They will return about Monday.

J. A. Davis and family are home again after an extended trip to Portland, Oregon.

Mrs. Arthur Johnson left Wednesday morning for a business trip to New York.

Deputy Sheriff E. R. Sherman will make six new quarters this morning over the Citizens State bank. Hewitt share the two-room suite of Jena O. Eastman.

## DISTRICT COURT NOTES

In the case of Atkin vs. Weston a motion filed by the defense to set aside an order of the court for a receiver was argued before Judge Babcock who will take the matter under advisement.

The Western Reserve bank, an Ohio national institution, asks judgment in the district court against H. B. and J. K. Walter for the payment of two promissory notes amounting with interests and costs to \$2652.16.

Mr. and Mrs. Conrad Magel, of the local lumber company and Bert Cluney are defendants in a suit instituted by William G. Reed in the district

court. The amount asked is \$3500 which includes costs and interest. The suit involves the furnishing of material in the construction of a garage.

In the divorce case of Humphrey vs. Humphrey, the plaintiff, D. D. Humphrey, is ordered to pay \$100 attorney's fee. He is also ordered to pay \$25 a month for the maintenance of a minor child if said child is delivered to plaintiff's parents for care.

## OHIO BANKER HERE

J. C. Cummins of Sydney, Ohio, is in Twin Falls the guest of his son, Attorney Taylor Cummins. Mr. Cummins is one of the best known of Ohio bankers. He visited Twin Falls eight years ago. "The changes, all for the better, are unrecognizably changed," he said. "We move more slowly in the older states, and it is hard for us to realize such a permanent and rapid advancement. But Ohio is prosperous; is steadily growing in both population and business, and we are particularly proud of the fact that one of our presidential candidates are Buckeyes."

Permits to wed have been issued to Wanda Duke of Hotchkiss, Kan., and Ralph Elliot of Hotchkiss, Kan., by Albert C. Victor of Twin Falls and being Bond of the same city.

## ROBINSONS

## Facts Regarding My Closing Out Sale

In addition to the goods sold over the counter, paid for and carried away since this sale started, there have been 21 out of town shipments made. These have run from \$50 to over \$400 each and all of them have gone to those who are representative in their lines, that is, first class houses. A shipment of over \$350 that was made one day last week went to one of the most progressive stores in this part of the state, one that enjoys the reputation of selling goods at lower prices than their competitors.

## There Must Be a Reason For This

As evidence of the genuineness of this sale the following actual sales might be noted:

- |                  |                     |
|------------------|---------------------|
| 1 Notion Case    | 1 Doorway Case      |
| 1 Umbrella Case  | 1 Flat Top Desk     |
| 1 Filing Cabinet | 1 Desk Stool        |
| 2 Chairs         | 1 Triplicate Mirror |

## If You Want to Buy Furniture and Fixtures Come In

## All of the Merchandise in This Store Is Being Offered at Liberal Discounts

Much of it is being sold at retail over the counter in quantities to suit the purchaser at less than it can be bought for in large quantities at wholesale.

The following are a few of the many real bargains you can find here:

**WOMEN'S HOSE.** Silk lisle with double heels, toes and soles and wide garter top; 49c at

**WOMEN'S HOSE.** Fashioned foot and ankle; extra wide out size with deep garter top. A good dollar stocking, but closing out 69c at

**WOMEN'S HOSE.** Pure thread silk, made with deep garter top and non ravel feature; a regular \$2.75 stocking for only \$1.98

**MEN'S GARTERS.** Extra quality cable cord elastic. Light and dark colors. A regular 35c supporter, but in this sale they go at 27c

**L. D. S. GARMENTS.** A good time to buy the genuine at a big saving
