TWIN FALLS DAILY NEWS

VOL. 2. NO. 115. TWIN FALLS, IDAHO, THURSDAY, AUGUST 21, 1919. PRICE FIVE CENTS

WILSON REPLIES TO FALL QUERIES ON PEACE PACT

Disclaims Power to Declare Peace by Proclamation or Inclination to Take Such Course before Ratification

PROMISES LOWER COSTS WITH TREATY ACCEPTED

Says Agreement Conveys No Title to German Possessions But Entrusts Disposition to Allies' Decision

WASHINGTON, (AP) — President Wilson has not the power to declare peace by proclamation, nor could he consent in any circumstances to take such a course prior to the ratification of a formal treaty of peace by the senate. The president so wrote Senator Fall today in answer to one of the 20 written questions the senator presented at the White House conference Tuesday.

More Than Three Needed

Replying to another question, the president said the provision of the treaty that it should come into force after ratification by Germany and three of the principal associated powers operated merely to establish peace between those ratifying powers and that it was "questionable whether it can be said that the league of nations is in any true sense created by the association of only three of the allied and associated governments."

Promises Reduced Costs

As to the question of when normal conditions might be restored, the president said he could only express the confident opinion that immediate ratification of the treaty and acceptance of the covenant of the league as written would "certainly within the near future reduce the cost of living," both in this country and abroad through the restoration of production and commerce to normal.

Conveys No Title

To Senator Fall's questions relating to the disposition of Germany's possessions, the president said the arrangement in the treaty conveyed no title to the allied or associated powers, but merely "intrusts disposition of the territory in question to their decision."

"Germany's renunciation in favor of the principal allied and associated powers," the president continued, "of her rights and titles to her overseas possessions is meant similarly to operate as vesting in those powers a trusteeship with respect of their final disposition and government."

TREATY FIGHT CHIEFS PARLEY

Date for Vote of Senator Pittman's Reservations is Indefinite

WASHINGTON, (AP)—Leaders on both sides in the treaty fight in the senate were in doubt today as to when a vote would be had on the resolution of Senator Pittman of Nevada, a democrat of the foreign relations committee proposing reservations to the league of nations covenant separate from the resolution of ratification.

On the republican side it was said that if the administration wanted a vote the move would be welcomed, but that the ordinary course would be for the resolution to go first to the foreign relations committee. Senator Hitchcock, the administration leader, indicated there would be no effort on his part to bring immediate action.

Seeks to Get Action.

Senator Pittman made it clear that in presenting the resolution he simply was carrying out his own desire to get action along the line suggested by the president in the White House conference Tuesday.

While the group of republican reservationists led by Senator McNary of Oregon indicated they would stand together for reservations in the final ratification resolution, some of them were not sure that in the meantime they would not favor the Pittman plan as a step in the right direction.

Committee on Shantung

Meantime the foreign relations committee occupied itself with the Shantung provision of the treaty.

Dr. J. C. Ferguson, adviser to the president of China, continuing his testimony, told the committee that while there was a difference between the Chinese text of the Lansing-Ishii agreement as made public in Peking by the Japanese and American legations, he attached "no importance" to the circumstance because the English text was recognized as the official one. He said that while the English text recognized Japan's "special interest", in China, the Japanese translation gave the idea also of a "special influence."

The witness expressed belief that the guaranties of "regional understandings" in the league of nations covenant might involve "an indirect endorsement" of the Lansing-Ishii agreement by the senate.

Reward Offered for Apprehension of Champion Liar

City Will Pay $50.00 for Name of Person Who Said He Saw Body Taken from Water

THE CITY of Twin Falls will pay a reward of $50.00 for information leading to the apprehension of the person who made the statement that he saw the body of the late J. J. Richmond taken from the city waterworks plant.

This announcement was made by Councilmen Ostrander and Breckenridge this morning. Each stated that if it were found that the city could not legally pay such award the two would personally contribute the sum.

That one certain person made this statement in two or three different places of business in Twin Falls is now pretty well established. The identity of the person is still enshrouded in mystery. The reward is offered in the hope of bringing to an end an era of reckless and criminal defilement of the fair name of the city of Twin Falls through the starting and spreading of the most vicious and utterly unfounded story ever credited to gossip.

Higher Costs of Living Threaten To Disrupt Navy

Acting Secretary Roosevelt to Ask Increased Pay for Officers and Men

WASHINGTON, (AP)—With the resignations of more than 300 permanent officers of the regular navy already submitted to the department and more arriving daily, Acting Secretary Roosevelt today began work on proposed legislation to be submitted to congress suggesting substantial pay increase for officers and enlisted men of the navy and marine corps.

High ranking officers believe the efficiency of the navy is seriously threatened. Most of the resignations have come from the younger officers in the lower grades. These officers, receiving from $1,700 to $3,000 a year, most of them Annapolis graduates capable of earning much higher salaries in civilian life, say they find it impossible to support their families on their pay. In this connection one rear admiral called attention to the many classes of ordinary labor in civilian life who earn larger salaries than do naval officers.

More resignations are now on file than had been received from the entire regular navy in the last thirty years. Since 1789 the average has been seven a year. Among resignations now awaiting action are those of more than seventy-five officers of the line, 101 doctors, 25 chaplains, a score of supply officers and nine naval constructors.

IDAHO WEATHER

Tonight and Friday fair, except possibly thunder showers in the high mountains; not so warm Friday.

JAIL AND FINES PRESCRIPTION FOR PROFITEER

House Agricultural Committee Reports Favorably on Legislation Proposed by Attorney General Palmer

TO MAKE EXHORBITANT PROFIT TAKING FELONY

Terms of Act to Include Among List of Necessities Wearing Apparel, Fuel Oil and Natural Gas

WASHINGTON (AP) — Amendments to the food control act imposing a $5,000 fine and imprisonment of two years for profiteering were ordered favorably reported today by the house agriculture committee.

The legislation was proposed by Attorney General Palmer and extends the terms of the act to include among the list of necessities "wearing apparel, containers of food, feed or fertilizers fuel oil, and natural gas."

Price Fixing Eliminated.

The amendment granting price fixing power to President Wilson was eliminated upon the suggestion of the attorney general, who told the committee yesterday that such power was "inapplicable in the present fight against high prices."

Retailers, previously exempted under the act, now are liable to prosecution for violations, but farmers and farmers cooperative associations are exempted.

The amendment probably will be considered by the house tomorrow.

Labor Asks Slow-Down

President Wilson is asked in a resolution introduced today by Representative Carss, of Minnesota, to furnish such information as may be in the possession of the federal trade commission which will identify the proportion that labor cost forms in the total cost of production of coal, steel, copper, meat, canned goods and other necessities.

The resolution was introduced at the request of the national federation of federal employes, which announced that the information would "effectually dispose of the vicious fallacy that labor costs represent the chief item in the increased cost of living."

WOULD SACRIFICE PRICE LEVELS TO REDUCE COSTS

PARIS, (AP)—Congressman Oscar E. Bland of Indiana, a member of the expenditures investigating commission, which is here pertaining to the liquidation of affairs of the American army in France, said yesterday that he felt it was more important to lower the cost of living for the American public than to endeavor to protect market prices.

Mr. Bland said the pressure brought

PURSUIT OF MEXICAN BANDITS GOES ON WITH TWO CAPTIVES NOW IN NET

MEXICAN AMBASSADOR INSTRUCTED TO PROTEST AGAINST SENDING U. S. TROOPS ACROSS BORDER

WASHINGTON, (AP)—The Mexican ambassador here has been instructed by his government to protest to the state department against the dispatch of American troops to the border and to request their withdrawal, according to a statement issued at Mexico City yesterday.

The statement as given out today said:

"Two aviators of the United States, through error, so they state, flew over our territory, landing approximately 112 kilometers to the south of the frontier, where they were captured by a band of twenty bandits. They have now been liberated.

"Some troops of the eighth cavalry of the United States crossed the frontier in pursuit of the outlaws. The department of foreign relations gave instructions at once to our embassy in Washington to make appropriate representations, protesting and requesting the immediate withdrawal of the invading troops."

Protests against the entry of American troops in Mexico, in search of bandits who held two American army officers for ransom together with a request that they be withdrawn immediately was made to the state department today by the Mexican ambassador.

The ambassador acted on instructions from his government. It was announced at the state department that no answer to the protest would be made today.

While no announcement regarding the movement of the American forces was made there were indications that the Mexican protest would not hasten their withdrawal. The troops went in on a "hot trail" and were not expected to return until the bandits either had been captured or the trail had become cold.

U. S.-MEXICAN LIAISON FIXED

Pruneda is Directed to Continue Co-operation with Punitive Expedition

MARFA, TEXAS, (AP) Colonel Langhorne, American army commander in the Big Bend district, today suggested to Cosme Beugocechea, Mexican consul at Presidio, Texas, that the consul communicate with General Pruneda, Mexican commander, who now is near Cuchillo Parado and suggest to Pruneda that American and Mexican troops co-operate in pursuing the bandits who captured Aviators Davis and Peterson.

Langhorne informed the consul that it was easier for American troops to pursue the bandits than for the Mexican troops, because of an early start and the availability of greater facilities.

The Mexican consul assured the American commander that he desired to continue the liaison between American and Mexican troops that was started yesterday when an American airplane carried a message from the consul to General Pruneda while the latter was on the march to Cuchillo Parado.

The conference was conducted over field telephone.

Benegocha told Langhorne he had a report today that Villa rebels had been seen near Palomas, southeast of Ojinaga.

PRODUCERS NOT FOR REGULATION

Livestock Growers Object to Kenyon Bill for Federal Control of Packers

WASHINGTON, (AP)—Live stock producers object to legislation proposing strict regulation of the packing industry, Henry W. Lynch, representing California and Arizona stockmen, told the senate agricultural committee today.

"We feel that the packing industry is the marketing end of our business," he said, "and that the Kenyon bill would tend to demoralize and hamper it. The bill is entirely destructive and at present, with prices falling on our steers, it will cripple us further."

"Suppose evidence here showed that during the last year they hoarded hides for higher prices. Would you think then they needed regulation?" asked Senator Smits, democrat, Georgia.

"I don't know much about that."

"Well, supose it appeared that the five had combined to control the price paid for livestock. Would you want them regulated?"

"Yes, certainly," Lynch said. He added that the idea in the Kenyon bill seemed to be to build up the small independents at the expense of the larger packers, which, he said, would be bad because the larger concerns, by utilizing by-products, could pay more for live cattle and yet sell meat cheaper.

"But do they do so?" asked Senator Wadsworth, republican, New York.

"Yes, on the coast."

Lewis H. Harvey, of Jacksonville, Fla., representing the Southern Wholesale Grocers association, appeared in behalf of the Kenyon bill. He said the dominance of the five big packers was founded on their "possession of certain economic advantages, not their efficiency and service."

Attacks Government Trend

An attack on governmental tendency toward assuming control of business

ASSAILANTS OF SAILORS TAKEN

Mexican General Reports Capture of Seven Bandits of Tampico Affair

GALVESTON, Tex., (AP)—Seven of the Mexican bandits who robbed sailors from the U. S. cruiser Cheyenne off Tampico last month have been apprehended and put to death by the Carranza authorities, according to an official report from General Pueblo Gonzalez to Mexican Consul Meade Fierro here, made public today. The report states the bandits had property of the sailors in their possession.

CARRANZA SECRET POLICE EFFECTS BANDIT CAPTURE

LAREDO, Tex., (AP)—Mexican bandits who robbed the American sailors in a launch from the U. S. S. Cheyenne off Tampico early in July, have been arrested by Carranza secret police in Dona Cecilia, a suburb of Tampico, according to information received here today.

EFFORTS TO FREE DR. GOENAGA UNAVAILING

WASHINGTON, (AP)—The Mexican government has been unable to accomplish anything looking to the release of Dr. A. Goenaga, an American citizen held for ransom by bandits near Mexico City, the state department was advised today by the American embassy at Mexico City.

The embassy said its report was based on information given by the Mexican foreign office.

MASKED BANDITS HOLD UP TRAIN IN TENNESSEE

Four Robbers Send Engine Running Wild After Rifling Mail Car; Passengers Not Molested

NASHVILLE, Tenn. (AP)—Masked bandits held up Louisville and Nashville passenger train No. 7 from Cincinnati to Montgomery, Ala., between Columbia and Pulaski, early today and carried off the mail pouches.

None of the passengers were molested. The robbers, four in number, forced the engineer to cut off the mail car and run some distance with it. Covering the crew, the robbers sent the engine running wild and rifled the mail car. The amount of loot could not be determined.

The locomotive finally ran down at Wales, Tenn. Meantime the bandits made off without molesting the express car. Posses from nearby counties are searching for the robbers who had a long start.

PEARL HARBOR DRYDOCK IS DEDICATED BY DANIELS

HONOLULU, T. H., (AP)—With Mrs. Josephus Daniels, wife of the secretary of the navy, pressing the button that flooded the structure, the great Pearl harbor drydock was dedicated by Secretary Daniels today.

COLUMN PICKS UP HOT TRAIL OF FUGITIVES

Break of Day is Signal for the Troopers to Resume Chase; Airplanes Pick Up Routes and Cavalry Resumes Scouting

MARFA, TEX., (AP)—Captain Leonard Matlack of the Eighth Cavalry has captured two Mexicans, believed to have been implicated in the capture of Aviators Peterson and Davis. This information was brought to the border by an American cavalry sergeant and a guard of enlisted men who returned to the Rio Grande last night.

Take Up Trail at Dawn

As soon as it was sufficiently light this morning to follow the trails the American punitive expedition in Mexico took up the bandit chase for the third day across the border. One column picked up the hot trail of two bandits believed to have been companions of the two bandits captured late yesterday by Captain Leonard Matlack.

According to an unofficial report brought to the Rio Grande last night, the pursuit is continuing over mountain peaks, down steep slopes and through tiny mountain valleys, where springs irrigate little grazing patches of the mountain farmers.

Planes Pick Route

By sunrise airplanes left the ground here for Presidio, 60 miles south, where a flying field base for the expedition has been established.

Landing there and getting gasoline and oil, the airplanes flew across the Rio Grande over Palisades, near Ojinaga, along the Conchos river valley to pick up the trails. The cavalry resumed its work of scouting. Cavalry columns are searching out every canyon which could possibly be the riding place of the bandits.

The work of the aviators is considered extremely dangerous because there are few landing fields in Mexico. It is necessary to fly close to the ground where the bandits may fire on the aviators as they did Tuesday. Fliers returning long after dark last night to headquarters here, reported many narrow escapes.

Aviator Encounters Hail

One aviator had flown down a narrow canyon under a shelving rock to see if the bandits were finding concealment from the aviators under a shelf. Another came in with his face covered by red blotches, caused by driving through a hailstorm in Mexico at high speed, the hail stones bruising him.

Aviators located all American columns in Mexico yesterday. The fliers also found the Mexican federal column under General Antonio Pruneda, near Cuchillo Parado, and reported the location of other small bodies of Carranza troops.

Few landings were made in Mexico. When the troops found a smooth landing place they placed a giant panel-shaped letter "T" on the ground for the guidance of the aviators. The aviators have been dropping orders to cavalry commanders from the air and returning to the Presidio base.

Carry News Bulletins

When the fliers left this morning they carried news bulletins furnished by the Associated Press, which they planned to drop for each cavalry troop operating in Mexico, to give them news of the outside world since they crossed the border.

BUSINESS LOTS VALUED HIGHER

State Equalization Board Requires Ten Per Cent Raise on Commercial Property

BOISE — An increase in the valuation of business lots in Twin Falls city and county of 10 per cent has been ordered by the state board of equalization. Improvements in cities and towns were excepted, as were residence lots.

The 10 per cent valuation increase on business property is applicable to the counties of Bear Lake, Bannock, Bingham, Cassia, Latah, Lincoln, Jerome. Valuations returned on merchandise, timber lands, timber standing and saw logs, have been accepted as a whole.

MEXICAN PAPERS SOUND APPEAL FOR APPRECIATION GRAVE DANGER

MEXICO CITY, (AP)—The newspapers of Mexico City today continued their appeals to the Mexican people "to rouse themselves" to what is called an imminent danger to the country. They print telegrams from the governors of the states of Sinaloa, Nuevo Leon, Queretaro, Yucatan and Tabasco, expressing "unconditional adhesion" to President Carranza.

The senate held a secret session last night and instructed the committee on foreign relations to gather all possible details concerning the international situation and to report. Luis Cabrera, secretary of the treasury, who, it was reported, had resigned, or intended to resign, declared to the newspapers that he had no intention of leaving his post.

WORLD NEWS EVENTS

LONDON, (AP)—The strike of the Yorkshire coal miners, which has been in progress for many weeks, has been settled. All the Yorkshire pits will resume work as soon as practicable.

WASHINGTON, (AP)—President Juan Bautista Quiros, of Costa Rica, successor of Frederico Tinoco, has been notified by the American government that the validity of the Tinoco constitution or any government acting under that constitution would not be recognized by the United States.

ATHENS, (AP)—Greeks and Turks who form the majority of the population in the district of Dedeagatch, according to trustworthy information received here, are aroused over reports that the American peace delegates in Paris are favorable to continuance of Bulgarian rule in the district.

BRUSSELS, (AP)—It was announced in the senate on Wednesday that a settlement had been reached between the government and the railway, postal and telegraph operatives whose demands for a minimum wage of eight francs daily was granted. The strike committee organized by the men has been dissolved.

Japanese Set Limit of Bolshevik Advance

TOKIO, (AP)—The all-Russian government at Omak has transferred its gold reserve and achieves eastward to Irkutsk, according to apparently reliable reports received here. Other information indicates that the Omak government's position is growing weaker because of the advance of the Bolsheviki and the desertion of Siberian troops.

It is believed here that the Japanese army, if it becomes necessary, will attempt to prevent and advance of the Bolsheviki east of Irkutsk.

Approval of Palmer Was Through Error

WASHINGTON, (AP)—Confirmation of A. Mitchell Palmer to be attorney general was made yesterday by the senate through mistake, it was discovered today, and the action may be reconsidered.

When the executive session of the senate began yesterday a long list of nominations of postmasters was sent to the presiding officers desk. A motion that they be approved without reading was adopted. By mistake the nomination of Mr. Palmer was included, but this was not discovered until today.

YANK'S MARCH CALLED ROMAN IN STERNNESS

American Soldiers Following Pershing in Peace Day Celebration Make Decided Impression on London Crowds

LONDON, (Correspondence of The Associated Press.)—The provisional regiment of American soldiers who followed General Pershing in the Peace Day procession was the first sample of American fighting troops to march in London. Other organizations seen here had been on their way to the battlefields, while these men were returning.

"Here were the Americans in steel helmets, marching in companies eight abreast with bayonets fixed," said the Daily Express. "They were as jovial as any when the procession halted, for a time, but while they marched their faces were as serious and as immobile as the gravest of graven images. They made a profound impression on the onlookers. Their marching was Roman in its iron sternness and precision."

Appearance Workmanlike.

"A magnificent regiment it was," said the Daily Telegraph, "young men all of them and the quintessence of the alert and lithe khaki clad in brown steel helmets they looked most workmanlike.

"How magnificently they marched, swinging past in perfect alignment, with a long, easy stride, heads held high and shoulders squared," said the Daily News. They are greeted vociferously with as good cheering as I ever remember having heard in London."

Old Glory Delights

"There was a grim, indomitable look about Pershing's men," said the Daily Sketch, "an effect greatly heightened by their shell helmets, and it made all the more wonderful the burst of clear color which followed as their massed banners came by. Old Glories, along with the rest, held American fashion so that the fabric flew freely and no shred of color was lost. The cheering of the crowd turned at the sight to a great 'Ah', of delight. Except for the passing of the massed colors of the guards with their laurelled staffs, it was the most picturesque moment of the procession.

"Good old Yanks', thus are the Americans affectionately if somewhat familiarly greeted," said the Morning Post in its story of the procession.

AERIAL POLICEMEN FOIL ATTEMPTED CASH SMUGGLING

LONDON, (AP)—A Copenhagen dispatch to the Exchange Telegraph says it is believed that the 20,000,000 marks, an attempt to smuggle which from Berlin to Switzerland was frustrated by policemen in airplanes belonged to the former crown princess. A highly placed person has been arrested in connection with the attempt to take the money from the country.

SALT LAKE BOILERMAKERS STRIKE FOR INCREASED PAY

SALT LAKE CITY, UTAH, (AP)—One hundred boilermakers in many of the contract shops here went on strike Wednesday. The men demanded an increase of $1 a day.

U. S. TRADE WITH ITALY TO REACH BILLION MARK

America Leads Great Britain and Argentine in Point of Sales Made by Wide Margins

ROME, (AP)—From present indications, American trade with Italy this year may reach the billion dollar mark says the Populo Romano. During the first three months of 1919, *American imports into Italy amounted* to approximately $220,000,000, while Italy's exports to America reached $3,000,000. The statement shows that if the present rate of trade be maintained a record of commerce between the two countries will be attained. America is by far the greatest seller to Italy. A poor second is Great Britain with a total of $70,000,000 for the first three months and Argentine next with $65,000,000.

Fruit Growers Man Is Taken in Tow

CLEVELAND, O., (AP)—George W. McWilliams, local representative of the California Fruit Growers association was indicted Wednesday, charged with violation of the state anti-trust law, by the grand jury investigating alleged food price profiteering in Cleveland.

DENIES MOVE TO MAKE UP WILHELM'S LOSSES

BERLIN, (AP)—The Zeitung Am Mittag says the finance ministry has given denial to Die Freiheit's report regarding a bill providing for 170,000,000 marks for the former emperor.

AMERICANS CAUGHT IN RUSSIAN MUTINY FIRE

Experiences of Y. M. C. A. Men in Tulgas Incident Just Made Known

ARCHANGEL, (AP)—Two American Y. M. C. A. men, Howard E. Merrill of Somerville, Mass., and Thomas L. Cotton, of Lingle, Wyo., were caught amid heavy shell fire in a mutiny of Russian troops at Tulgas on the Dvina river sometime ago. Their experiences have just now been told.

Merrill and Cotton who were formerly Dartmouth college athletes, were the only Americans in the village which was garrisoned by Russian troops, with a few British officers. The Russians, fearing that they were about to be cut off and surrounded by the Bolsheviki, determined to mutiny. They escorted the two Americans to a blockhouse which was under fire from Russian artillery.

The blockhouse eventually became too hot for the Russian escorts and they fled leaving the Americans to make their escape to Archangel by rowing 250 miles down the river.

FORMER VICE CHANCELLOR IS TO BE MADE DEFENDANT

BERLIN, (AP)—The ministry of justice has received instructions to examine into the evidence obtained against the former vice chancellor, Dr. Karl Kelffreich, with a view to prosecuting him.

BIG FRENCH AIRPLANE IS GIVEN UP AS LOST

Attempted Flight from Mogador, Morocco, to Dakar is Relieved Failure

PARIS, (AP)—The French airplane Goliath, which has been missing since it left Mogador, Morocco, for Dakar last Saturday morning, generally was given up as lost in aviation circles today. It carried eight passengers.

The Goliath left an airdrome near Versailles on August 11 and arrived at Casa Blanca, a distance of 1,200 miles, the same day. It was commanded by Lieutenant Bossoutrot. After taking on machine guns, revolvers and rifles to be used against savage tribes, if necessary, it left Casa Blanca on August 14 for Dakar, a distance of 1,600 miles. It was forced to land at Mogador after crossing the Sahara. Since it left Mogador the only word received from it was a wireless message last Saturday indicating that it was within sixty miles of Dakar.

POLISH SITUATION BETTER

BERLIN, (AP)—Chancellor Bauer, addressing the assembly at Weimar on the upper Silesia-Polish revolt, says the situation was better than had been reported. The Polish government, he asserted, was in no way connected with the revolt and no regular Polish troops had been employed or encountered on German territory.

The Germans were masters of the situation, Doctor Bauer added.

POINCAIRE GIVES CROSS OF LEGION OF HONOR TO CITY

PARIS, (AP)—The cross of the Legion of Honor was presented to the city of Strasbourg, capital of Alsace by President Poincare today. Later he was to present the cross to Phalsburg, northwest of Strasbourg. Tomorrow a similar ceremony will take place at Bitsch.

The classified columns solve a wide range of selling problems for you.

GERMAN ASSEMBLY HAS PROPOSED A NEW CREDIT

WEIMAR, (AP)—Minister of Finance Erzberger announced Tuesday that the budget committee of the national assembly had proposed a new credit of nine billion marks.

A window placard, "For Rent," does not cost much—as a card. But to rely upon it to find you a tenant may be a very costly policy.

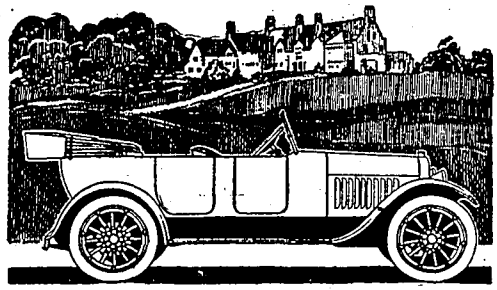
A HOT SPOT Chalmers Never Says "No"



YOU never hear a groan or a whimper of complaint from this present day Chalmers.

It does what you ask of it. It takes a command like a willing servant and responds like a thoroughbred.

And it wears well; not only in its "inner works," but in a way that you never grow tired of.

(So many persons want a new car every other year!) The more it runs, the gentler, the easier it seems to get over ground.

You will find the underlying cause in Hot Spot and Rams-horn, two devices which have advanced Chalmers two years ahead of other cars in engineering.

They "crack up" and condition the raw gas in a way that produces terrific power with pussy-like gentleness. You obtain a brand new sense of driving ease, and when you want to "let loose" in a quagmire road or on a tortuous hill your Chalmers never says "No."

You'll find it to be, as so many others have discovered in recent months, one of the few great cars of the world.

Today's Sporting News

Brief Sport Bits

The Salt Lake Bees are winning occasionally, while Vernon and Los Angeles win pretty regularly.

So what's the chance for the Bees to catch up?

The Phillies yesterday left the club house door open when they had a good chance to win two games from Chicago. The score in the ninth inning of the second contest was 5-4 for the Phils. Merkle of the Cubs doubled. Deal cracked the ball thru the gate scoring Merkle. The umpire, on a ground rule, decided Deal's hit a homer. So the game went to the Cubs on a fluke homer.

Either "Phat" Willie Meehan, of San Francisco, is a bloomer as fighter, or Ole Anderson, Tacoma heavyweight, has a look-in for the Dempsey crown.

This pair battled four rounds in Seattle last night and at the end the referee called it a draw. The fans said Anderson had a shade which guaranteed him the decision.

Joe Wilhoit cracked yesterday. The champion hitter for consecutive games missed yesterday. He had hit safely in 69 games in a row, thus setting up a mark that is far ahead of all others for this style of artistry with the stick.

It might be well to insert here that Wilhoit's actual batting average for the season is .505 which fact recalls a boner pulled by Bill Clymer, as manager of the Seattle club this year.

Dignified Bill had Wilhoit on his staff and because the player did not hit on all six in the early season he canned him. The minute Joe got away —biff! bang!

The man of the big stick goes to the Boston Americans next month.

According to A. P. despatches Francis Ouimet won the golfing championship when he defeated Charles Evans on the Pittsburgh links yesterday.

We merely mention this in passing, and without desire to let the item pass as a sports note.

Sim Smiley, sagebrush sage, says: "Polygamy may be all right but seems ter me it sets up the maskerline section o' th' human race as a passel o' fewls!"

Headline in a Capitol City daily—"Plestina and Freberg rehearse their parts."

Being as how the parties to the first and second parts are "wranslers" we must concur that "rehearse" is right.

With the pennant virtually out of reach now, the sports writers in Salt Lake sit complacently back and urge Eddie Herr to go in and win all he can from this on, anyhow.

Since it is our bounden duty to attend all meetings of the city council we shall be mighty glad when the government offers that hour of daylight in rebate.

Gooding now is a regular town. An athletic association has been formed and will pull off boxing matches and grappling bouts. The first bill will be staged tomorrow night, with Joe Mains and Jack Ryan featuring in a boxing bout.

The Greys will saunter to Buhl Sunday for a conflict with the near-tailenders of the Southern Idaho league.

Catcher Patton has been formally released by the home outfit and has caught on with the Buhl club.

If this season were billed to last much longer we wouldn're commend the sale of Rube Evans to the highest bidder, or tie a mill stone about his neck and cast him into a sink hole.

Grand Circuit Races

POUGHKEEPSIE, N. Y., (AP)Thomas W. Murphy signalized the opening day of the 1919 grand circuit meeting in Poughkeepsie here today by driving home three winners in the four events in which he had entries. The Poughkeepsie reinsman piloted Royal Mac and Direct C. Burnett to easy straight heat victories in "the Knickerbocker", 2:06 trot and "the Hudson Valley" 2:06 pace, and topped off his afternoon's work by taking the 2:20 trot with Doctor Nick. Considering the track, which was still heavy from recent rains, time performances were creditable.

The third event on the program, the 2:12 trot, went to Peter Worthy after a hard battle with Labe Riddell. Prince S. captured the 2:15 trot for amateur drivers.

MULLEN URGES MEN TO FIGHT

New Manager of Seattle Club Paradoxically Wants Scrap and Harmony

SEATTLE, (AP)—Charley Mullen, who has been picked to lead the Seattle team out of the cellar wilderness of the Pacific Coast baseball league, won favor with the Seattle fans by piloting the Rainiers to victory in his first series, Seattle taking five out of the eight games with Portland.

Mullen is thirty years of age, the youngest manager in the league. He is a Seattle boy, having attended high school and the University of Washington here. While in school his diamond work attracted Comiskey's attention and he went to the big leagues without going through the minors. During the war Mullen won a lieutenant's commission in the army.

"Harmony" is Mullen's watchword. "If I can get the boys to fighting and fighting together, we will finish somewhere else than in last place," he said when he took over Bill Clymer's job as manager.

HUSKERS HAVE A PEEVE

KANSAS CITY, (AP)—University of Nebraska yesterday withdraw from the Missouri valley conference following refusal of the board governing intercollegiate sports in the middle west to grant Nebraska's request to play a football game in Omaha.

People Who Neglect Their Teeth Soon Have No Teeth to Neglect

By DR. PARKER

Founder and Executive Head of the E. R. Parker System

DR. PARKER

DECAY is the thing that kills. People die because some part of the body decays and gives out.

The only one who can stop tooth decay is a dentist, and the more a dentist knows, the better advice he can give and the better work he can do.

The knowledge of one dentist is limited, but the knowledge of several dentists put together amounts to a great deal.

That is the advantage offered you by offices using the E. R. Parker System, where a number of dentists combine their knowledge and skill and work together.

You can come and have your teeth examined free.

You can find out if some of your teeth are decaying and if disease is establishing itself in your mouth.

It ought to be worth your while to learn exactly what condition your teeth are in, particularly as it costs nothing to find out.

God gives us all but one set of permanent teeth, and it is little short of a crime to neglect them.

WHY?

WHY?

The Public and the Company

A COMMUNITY always welcomes the establishing of an institution that fills a recognized community need; unfortunately it doesn't always manifest a lively interest in the health of such an institution after it is established.

It is one thing to establish industries; it is quite another thing to build up, develop and maintain them.

An industry can be established by the investment of capital; its development and maintenance depend upon the attitude of the public toward the enterprise and toward the product.

Likewise, the permanency of an institution depends upon the willingness of its customers to pay a sufficient price for its product to enable it to continue strong and healthy financially.

The Mountain States Telephone and Telegraph Company's system of wires, furnishing the means of communication over mountains, plains and desert, is a tremendous factor in the development of the West.

Telephone service is a "home product" of every community in the mountain states, and is woven into the very warp and woof of commercial and social life. The permanency and adequacy of telephone service depend upon the same factors as are involved in the security and permanency of every other established industry.

With very, very few exceptions the people of the West recognize these principles and pursue a "live and let live" policy toward all legitimate business institutions.

STABILIZED TIME

Repeal of the "daylight savings" act, which requires us to set the hands of the clock one hour ahead from March to October, brought about by the senate vote sustaining the house in passing the repeal measure over President Wilson's veto, is perhaps not so much of a defeat for the president, as it is a victory for farmers, labor unions, mothers' clubs, rural school authorities and many other interests which have come out against the law.

With the assurance given now that when the clocks are turned back to normal in October next they will remain in that condition, the farmer will count on getting an extra hour's work next summer that he was deprived of this year; mothers will expect their children to be healthier and happier as a result of an extra hour's sleep in the morning which the kiddies absolutely refuse to make up in the daylight evening hours under the present plan, and the wives of workingmen will be relieved of the necessity of rising before daylight to prepare breakfasts by artificial light.

It is difficult to see where anybody is going to suffer through a return to natural divisions of time.

THAT RANSOM MONEY

It had occurred to a good many people, before they were advised in this respect through official mediums, that it was impossible until the bandits were overtaken and captured by American troops to carry out Major General Joseph T. Dickman's order instructing officers to pay the bandits the balance of the ransom which Captain Leonard F. Matlock brought back after having tricked the outlaws into releasing Lieutenant Davis without paying the full amount.

It occurs now that the money in the hands of the bandits after they have been so captured can do them but very little good.

Today's Markets

Omaha Livestock

OMAHA, (AP)—(U. S. bureau of markets)—Hog receipts 7,500; market 15 to 30c lower; top $20; bulk $19.35 to 19.75; heavy weight $19.50 to 19.80; light weight $19.70 to 20; heavy packing sows, smooth $19.30 to 19.50; packing sows, rough $19 to 19.30; pigs $18 to 19.45.

Cattle receipts 6,500; corn fed beef and butcher cattle slow; yearlings active and higher; best grass beef and butcher stock slow to steady; others weak; stockers and feeders slow and lower; beef steers, medium and heavy weight, choice and prime $10.25 to 18; common $12 to 13.25; heifers $8.25 to 13.50; cows $7.25 to 12.75; canners and cutters $5.50 to 7.25; veal calves $13 to 14.50; feeder steers $10 to 14.25; stocker steers $7.50 to 11.

Sheep receipts 27,000; killing classes slow and weak; feeders steady to strong; lambs, 84 pounds down $15.75 to 17; culls and common $10.25 to 14; springs not quoted; yearling wethers $11 to 12; ewes, medium and choice $7.50 to 9.25; culls and common $3 to 7.50.

Chicago Livestock

CHICAGO, (AP)—Hog receipts 13,000; mostly 45 to 50c higher; top $21.45; heavy weight $18.85 to 21.25; light weight $19.10 to 21.45; heavy packing sows, smooth $18 to 18.75; packing sows, rough $17 to 17.75; pigs $17.50 to 19.

Cattle receipts 9,500; steers mostly 25c higher; beef steers, medium and heavy weight $10.25 to 12.75; cows $7.50 to 13.75; canners and cutters $6.25 to 7.50; veal calves $19.50 to 21; feeder steers $8 to 13.75; stocker steers $7.25 to 11; western range, steers $9.50 to 16.50; cows and heifers $9.75 to 13.

Sheep receipts 29,000; lambs 25c lower; sheep slow to lower; lambs 84 pounds down $14.75 and 18; culls and common $10 to 14.25; yearling wethers $10.50 to 13; ewes, medium, good and choice $7.75 to 9.50; culls and common $3 to 7.25.

Grains and Provisions

CHICAGO, (AP)—The corn market started today with mixed sentiment early selling being offset by fair support on the declines. Prices kept within narrow limits and many traders apparently awaited developments before entering the market. The September delivery showed the greatest relative strength at the start. Opening prices ranged from 3-8 lower to 5-8 higher with September at 1.84 1-2 to 1.84 7-8 and December 1.43 1-2 to 1.44. The opening was followed by a slight sag which carried September to about year's closing point.

Subsequently the corn market underwent a decline but offerings were absorbed and the rally carried prices well away from the low levels. The close was strong 1-4 to 1 3-4c net higher with September at $1.84 3-4 to 1.85 and December $1.45 to 1.45 1-8.

Oats followed the course of corn though exhibiting greater firmness. Opening prices were 1-8c higher to 3-8c lower with September 73 to 73 1-8c. Later prices advanced fractionally, limited offerings being readily absorbed.

Provisions were generally firmer with advanced live hog figures. Opening prices were from 3 to 20 cents higher.

Provisions were firm throughout the session, higher live hog prices being a continuing factor. Closing prices were from 25 to 55c net higher.

Cash Quotations

CHICAGO, (AP)—Corn No. 2 mixed $1.98 to 1.99; No. 2 yellow $1.99 to 2.

Oats No. 2 white 74 to 75c; No. 3 white 72 1-4 to 77c.

Rye No. 2 $1.56 1-2 to 1.56 3-4.

Barley $1.36 to 1.41.

Timothy $9 to 11.90.

Clover nominal.

Pork nominal.

Lard $20.27.

Ribs $23.50 to 25.50.

Chicago Produce

CHICAGO, (AP) — Butter continued steady, creamery 48 to 53 1-2c; eggs lower; receipts 12,432 cases; firsts 41 to 41 3-4c; ordinary firsts 36 1-2 to 37 1-2c; at mark, cases included 38 to 41c; storage pack firsts 42 to 42 1-2c; poultry unchanged.

Potatoes

CHICAGO, (AP)—Potatoes slightly weaker; arrivals 84 cars; Minnesota Early Ohios, sacked, carlots $2.85 to 3 cwt.; Irish Cobblers, New Jersey, sacked, carlots $4.10 to 4.15 cwt.; California Long Whites, sacked, carlots $4.25 to 4.50 cwt.

Liberty Bonds

NEW YORK, (AP)—Final prices on Liberty bonds today were: 3 1-2's $99.76; first 4's $94; second 4's $93.74; first 4 1-4's $94.20; second 4 1-4's $93.98; third 4 1-4's $94.80; fourth 4 1-4's $93.14; Victory 3 3-4's $99.00; Victory 4 3-4's $99.60.

MARRIED AT BUHL

Records filed at the office of the county clerk today show that on August 19, A. M. Stangle and Pearl G. Shoemaker, both of Buhl, were married at that place. J. C. Gates, justice of the peace, performed the nuptial rite.

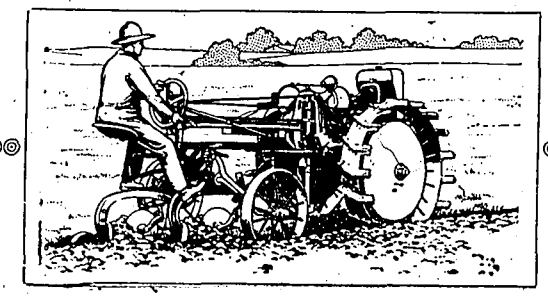
First National Bank Bldg. Twin Falls

DO YOUR FALL PLOWING

With A

Moline Universal Tractor



IT SOLVES THE FARM HELP PROBLEM

With two 14-inch bottoms, under average plowing conditions, the new Moline Universal Tractor, Model D, plows nine acres in ten hours, as much as ordinary 3-plow machine. The superior efficiency of the Moline Universal is due to its higher speed, 3 1-2 miles an hour, two bottoms at 3 1-2 miles giving the same number of plow-miles as three bottoms at 2 1-4 miles.

Plowing at 3 1-2 miles an hour gives ideal results, the ground being pulverized more thoroughly than at slower speeds, with less air space. Tough sod that cannot be turned at all at 2 1-2 miles an hour is plowed with ease.

Perfect work is assured with the Moline Universal through the advantageous position of the operator, who sits on the implement where he must sit in order to do good work. The Moline Universal is easily handled, turns short, and backs as readily as it goes forward.

Waste of time in the field is eliminated and the tractor kept at productive work a maximum number of hours a day through a complete electric starting and lighting system. The Moline Universal is the only tractor thus regularly equipped.

The secret of the speed and power of the Moline Universal lies in its perfected overhead-valve engine and two-wheel construction. The engine develops 18 horsepower at the belt, and 9 at the drawbar, every ounce of which is available for pull. There are no dead wheels to drag along that only carry weight and steer.

For plowing in extremely soft ground, the Moline Universal is equipped with a differential lock that enables the two drive wheels to be locked together, doubling their pulling power.

When plowing the land wheel is raised so that the tractor is level. The wheel is very easily and quickly raised or lowered.

The light weight of the Moline Universal, 3380 pounds, and its high clearance, 29 1-2 inches, make it adapted for all other field work, besides plowing. With it one man can plant 40 acres a day, cultivate 20 acres a day, harvest 25 acres a day, or do any other work with equal speed. It is the ideal tractor for any sized farm, practically eliminating horses and solving the farm help problem.

CALL AND LET US SHOW YOU THIS REMARKABLE MACHINE. GIVE US YOUR ORDER EARLY TO AVOID DELAY IN GETTING A TRACTOR.

REYNOLDS BROS. CO., Inc.

IT PAYS TO TRADE AT THE BIG WHITE STORE

MARKET MAN DEFENDS THE PRESENT PRICES

C. E. Pickett in Letter to News Says Quotations on Produce Not Too High

Editor Daily News:

Replying to the article "Market Men Are Accused", I am selling on the Public Market, and resent that accusation. If the "well known business man" or any one else believes any one selling at the Public Market to be guilty of profiteering, let him openly accuse that one and give him a chance to answer, and not brand the whole bunch, as profiteers. I challenge that man or any one else to prove that I am selling any article at the Public Market for more than a fair and legitimate price, after considering the present high cost of production.

The people of Twin Falls know very well that they can buy home grown produce for much less now than they were paying the stores before the market opened.

In fixing prices on our produce, we must consider cost of production and not the present prices for which the stores may be selling.

Will the editor of the News please give this statement as wide publicity as the article in which I was accused?

C. E. PICKETT.

NOTICE!

If you are interested in taxidermist work, watch for open season on animals and birds and bring your good specimens to me. Satisfaction guaranteed on all work in that line. Jake Schlund, Route 1, Filer, Ida. adv.

FILER BALL CLUB DEAD FOR GOOD

Punitive Attempt to Resurrect Team for Play Fails—Games Forfeited

An attempt to revive the Filer baseball club and start it going so as to finish the season has failed. A meeting of enthusiasts was held in Twin Falls last night, but there was a lack of support for the plan, and the team will stay interred the rest of the year.

In consequence of this all games scheduled with the Filer club will be formally defaulted and awarded to the team scheduled to oppose that outfit.

The Twin Falls Greys will go to Buhl Sunday for a game, and may pick up a first class pitcher for the event. Manager George Hart is now conducting telephonic and telegraphic negotiations for a good man. It is probable that La Chance will catch, with Neumann on first base and Eubanks in some other important position.

TO LOWER SERVICE FLAG

During the morning service of worship next Sunday, the "service" flag at the Methodist Episcopal church, bearing 107 stars, will be lowered and placed in the safekeeping of the custodian of records of the church. Believing that the men whose names are upon the flag will wish it to be so, the service of lowering the flag will be both brief and simple. All service men are invited to be present.

ASSAULT CASE BEING HEARD

Alleging that Fred Millar assaulted him and struck him with mud, St. John Skinner has brought an action in the probate court. The case was up for hearing this morning before a jury of six men. Both parties to the case have small places on the edge of town. The assault is said to have occurred yesterday after a word war over water.

PRODUCERS NOT FOR REGULATION

(Continued from page one)

enterprises, with especial reference to proposed legislation for supervision of the packing industry, was made today by Senator Fernald of Maine, speaking in the senate. Stamping the Kenyon and Kendrick bills, vehicles of the packer regulation now under discussion, as examples of "stifling, throttling legislation," he declared his opposition to them, said they were extensions of the policy which had failed in the transportation and communication industries, and predicted that the public would suffer from higher costs and poorer service should they be enacted.

Defending the packers, Senator Fernald said their business had to be conducted in large units in order to be economical. Their development of refrigerator cars and ownership of stockyards, like their utilization of animal by-products, constituted valuable service.

Giant Orders Shoes Didn't Get to Wear

"And there were giants in those days."

About a year ago a show came to Twin Falls. It was a good show and had all sorts of attractions.

But this has not to do with the attractions in particular; it is merely a brief recital of an incident coming out of the presence of the show in Twin Falls recalled by a pair of shoes.

While the show in question was in this city a great big fellow, standing as high as a house and of twice the average man's girth, darkened with his shadow the haberdashery of the Idaho Department store. He wanted a pair of shoes, and was referred to the boot and shoe section of the shop. There measurements were taken and plans and specifications drawn for construction of as big a pair of footwear as has ever been seen in Twin Falls.

The feet of this customer reached a distance of about 15 inches in length as they sprawled on the carpeted floor, and spread sideways nearly six inches. The show was billed for a lengthy stay here, and while the big chap awaited the filling of the footwear order he up and died.

The shoes are kept as a sort of souvenir at the Idaho Department store, but a sale might be coaxed if the business manager of the shoe section were properly approached by a person who could use the gear.

JAIL AND FINE PERSCRIPTION FOR PROFITEERS

(Continued from page one)

to bear by American dealers and manufacturers in an effort to prevent the return of war supplies from France to America were objectionable to him, adding that "when Americans so badly need shoes it seems strange that so many good army shoes should be sold at low prices to Belgium and other European countries, American working men in the meantime being forced to pay higher prices in the United States." He said the same was true as to trucks and motor cars needed in America.

UTAH'S GOVERNOR CALLS FOR PROFITEER PROVISION

SALT LAKE CITY, Utah, (AP)—Governor Bamberger Wednesday instructed the attorney general to begin prosecutions against any combination, trust, corporation or individual who is hoarding foodstuffs, limiting the production, controlling prices or otherwise contributing to the high cost of living. The attorney general stated there are ample laws by which the profiteer and hoarder can be prosecuted, but no provision was made for their enforcement.

"If they can be prosecuted under existing laws, whether there is money available or not, I want them to go to it," said the governor. "I have been told there is no money to enforce the laws dealing with profiteers. But I want the laws enforced just the same and I will guarantee that the costs will be paid."

The governor announced that at a probable extra session of the state legislature in October he would recommend adequate and drastic measures to aid in dealing with profiteering and hoarding.

ACCOUNTING IS ASKED OF INSURANCE AFFAIRS

C. F. Myers Declares There Is Money Due Him from G. H. Brown

Declaring that G. H. Brown, a former partner, has collected money belonging to him, C. F. Myers has filed an application in the district court asking an accounting of the business.

In the bill of particulars Myers recounts that in October 1917 he entered into an agreement with Brown to act as agent for the writing of policies in the Northern Life Insurance company of Seattle, his territory being in Twin Falls and district. On December of the same year the co-partnership was by mutual consent dissolved.

The plaintiff now charges that Brown has collected commissions due him amounting to $345, and of this amount only $71.10 has been paid to Myers. For this reason, according to the complaint, the accounting is desired.

UNION MEETINGS CONTINUE

The union meetings conducted by the Baptist and Christian churches continue with large attendance and deep interest. Beginning tonight the meeting place is changed to the Christian church. The Rev. Conrad L. Owen, pastor of the Baptist church, speaks tonight on "A New Testament Church", and W. A. Moore, pastor of the Christian church speaks on "Christians but Not Denominational."

ATTEND RAM SALE

E. F. Rinehart, state animal husbandman of the state bureau of animal industry, with Ray W. Felton, field editor of the Idaho Farmer and Gem State Rural, arrived in Twin Falls this morning from Boise, on their way to Filer where they will attend the ram sale.

Advertise it in the Classified columns.

MARTIAL LAW IN FORCE THROUGHOUT HUNGARY

Quarrel in Dance Hall Involving Americans at Root of the Disorders

COPENHAGEN, (AP)—Martial law has been proclaimed throughout Hungary, says a Budapest dispatch dated Wednesday.

The disorders grew out of a quarrel in a dance hall Monday night, according to these dispatches. Americans involved in the disturbance which was continued in the streets after the sailors left the dance hall, returned to their ship, the destroyer Wale.

On Tuesday seamen on leave from the German cruiser Frankfort came to blows with American sailors and it is said civilians also attacked the Americans.

The Americans, supported by French seamen from the destroyer Claymore, charged the crowds. Shots are said to have been fired from the Claymore, wounding four Germans slightly.

Frontier guards dispersed the crowds and the Americans and the French returned to their ships.

LEG BROKEN IN ACCIDENT

Ray Vanderpool, a rancher of Hansen, was brought to Twin Falls in the DeWitt ambulance this morning and is at a local hospital for surgical treatment. Vanderpool is suffering from a broken leg, sustained when he was thrown from a horse. The accident happened yesterday.

GETS THREE BUILDING PERMITS

J. S. Kimes has taken out three permits to construct residences in Elm Park addition. Each building will be 26 by 36 feet and is planned to cost $3200.

Grand Jury Gets Information on Shoemakers' Wage

BOSTON, MASS., (AP)—Inquiry into the high cost of shoes by the county grand jury developed that some shoe workers had been earning $120 a week. These instances were few but it was testified that many made $60 a week, while the average was about $40.

It was said that a pair of shoes sold by a manufacturer for $5.50 was displayed in a store 400 yards from the factory marked $12.

Hart's

Ready-to-wear

Very smart coats for women

---nifty fall models

There is an air of gracefulness and at the same time an air of sweet dignity about the new autumn coats for women. As to materials to choose from you will find a great variety, including silvertone, velour, bolivia, broadcloth, kersey, and with their usual popularity the plush family.

Seal Plush
$62.50

Smart loose back model of seal plush and tipped with convertible racoon collar. Fully lined and is belted. A very dressy coat.

Kersey Cloth
$42.50

Heavy street or motor coat made on dressy lines, loose back folds and Raglin sleeves. This model is trimmed with leather.

There she goes

up the street in an Idaho Department Store suit box—the *"Michaels Stern"* suit.

Going straight into some home to spread sunshine and radiate the warmth and wealth of mind that comes from knowing you are ***rightly*** dressed without tormenting your soul with the thought of extravagance.

Every dollar you put into "Michaels Stern" clothes comes out on ***your back*** in good, hard, solid wear.

Every desirable thing about a high grade garment is yours—even to the last touch of custom tailoring—***without*** the customary custom ***touch.***

Do your Jams and Jellies ever "Candy"?

Many women have been so discouraged by this trouble that they have almost stopped putting up fruit.

Yet, there is an easy, simple way to avoid it. Use ½ Karo (*Red Label*) and ½ sugar in your preserving syrup, instead of sugar alone.

Karo is a fine, clear syrup, with a natural affinity for the juices of the fruit.

It blends the sugar with the fruit juice—brings out all the "fruity" flavor.

You, too, will obtain perfect results this summer if you will use ½ Karo (*Red Label*) and ½ sugar instead of all sugar for preserving.

You will find your jelly clear and firm—your preserves rich with heavy syrup—your jams deliciously mellow and "fruity". Not a sign of "candying".

For Cooking, Baking and Candy-Making Karo (*Red Label*) is used in millions of homes. In all cooking and baking recipes use Karo instead of sugar. It is sweet, of delicate flavor, and brings out the natural flavor of the food.

Use ½ Karo (red label) and ½ sugar

Makes perfect jams, jellies and preserves.

FREE A real cook book including recipes for sure results in preserving everybody appreciates. Sixty-eight pages handsomely illustrated. Write us today. The book is free.

ORDINANCE NO. 266.

An ordinance establishing local sewer Improvement District No. 31, in the City of Twin Falls, for the purpose of constructing a sewer in certain portions of said city, defining the boundaries of said improvement district and providing for the payment of the expense of such improvement by special assessment against the fronting, abutting, contiguous and tributary property, and providing that said assessment against the property in said district shall be levied and collected as separate taxes in addition to the taxes for general revenue purposes, to be placed on the tax roll for collection, subject to the same penalties in collection, and in the same manner as other city taxes.

Be it ordained by the Mayor and Council of the City of Twin Falls, State of Idaho, as follows:

Section 1. That there be, and there is hereby established Local Sewer Improvement District No. 31, in the City of Twin Falls, for the purpose of constructing sewers in certain portions of said city hereinafter described, of such material and in such manner, and under such specifications as may be adopted by said city.

Section 2. That the general character of the improvement to be made within said district is the building of lateral sewers along and upon the routes hereinafter designated, to be of such size and to be laid at such depth and at such places as to furnish and provide an adequate outlet for sewage for each lot, tract and parcel of land in said district, and to be so laid and constructed as to provide sufficient gravity fall to permit the free flow of sewage into the trunk sewers of sub-sewers hereto-fore constructed or to be constructed in said city, and to be provided with proper and necessary flush tanks, manholes and other accessories to furnish a complete sewer system for all the territory embraced within the boundaries of said district.

Section 3. The specific boundaries of said Local Sewer Improvement District No. 31 shall be co-terminous with the boundary lines of the following lots, blocks, divisions, sub-divisions and additions to the City of Twin Falls, Idaho, as shown on the recorded plats thereof, and shall include all the blocks, lots, pieces and parcels of land embraced therein:

All of White and Callahan's Golden Rule Addition;

All of Bartlett's Subdivision of Lot No. 1 in Block No. 1 of Jones' Addition, and the remainder of said Block No. 1 of Jones' Addition, and Block No. 2 of Jones' Addition;

All of Eastlawn Subdivision;

All of Murtaugh Orchard Addition;

All of Murtaugh Addition;

All of Sylvester Newton Subdivision of Murtaugh Addition;

All of Bickel Addition;

Lots One (1) to Seven (7), both inclusive, in Surtee's Subdivision;

Lots Two (2) to Nine (9), both inclusive, in Block One (1), and Lots One (1) to Six (6), both inclusive, in Block Two (2), in Ashton Addition;

All of New School Addition;

All of Lincoln School Addition No. 1;

All of Nare Addition;

Blocks Three (3), Ten (10), Eleven (11) and Twelve (12) in Moorman First Addition.

Section 4. The termini of the several lateral sewers to be constructed in said Local Sewer Improvement District No. 31 are described and situate as follows:

Lateral Sewer No. 1, commencing at a flush tank in the alley in Blocks No. 1 and 2, about 32 feet north from the south line of Lots No. 12 and 24, in Block No. 2 in Golden Rule Addition; thence north on the center line of said alley to a manhole in the main trunk sewer to be constructed.

Lateral Sewer No. 2, commencing at a flush tank in the alley in Blocks No. 3 and 4, about 32 feet north of the south line of Lots 12 and 24 in Block No. 4 of Golden Rule Addition, thence north on the center line of said alley to a manhole in main trunk sewer to be constructed.

Lateral Sewer No. 3, commencing at a flush tank in the alley in Blocks No. 5 and 6 in Golden Rule Addition, about 32 feet north of the south line of Lots 12 and 24, in Block No. 6, in Golden Rule Addition, thence north to a manhole in the main trunk sewer to be constructed.

Lateral Sewer No. 4, commencing at a flush tank in the alley in Blocks No. 7 and 8 of Golden Rule Addition, 32 feet north of the south line of Lots 12 and 24, in Block No. 8, of Golden Rule Addition, thence north on the center line of said alley to a manhole in the main trunk sewer to be constructed.

Lateral Sewer No. 5, commencing at a flush tank on the east line of Blue Lakes Boulevard opposite the alley between Lots A, B, C, D, and E of Bartlett's Subdivision of Lot No. 1 in Block No. 1, of Jones' Addition, and Lots No. 5 and 7, in Block No. 1, of Jones' Addition, thence east on the center line of said alley to the point of the line between Lots No. 2 and 8 in Block No. 1 of Jones' Addition to Twin Falls, thence east on the line between Lots No. 2 and 8, 3 and 9, and 4 and 10, in said Block No. 1 of Jones' Addition, thence across Elm Street to the point of the line between Lots No. 1 and 6, thence east on the line between Lots No. 1 and 6, 2 and 7, 3 and 8, 4 and 9, and 10, in Block No. 2, Jones' Addition, to a manhole in the main trunk sewer located in Locust Street.

Lateral Sewer No. 6, commencing at a flush tank in the east line of Elm Street, opposite the alley in Block No. 1, East Lawn Subdivision, thence east on the center line of said alley to a manhole in the main trunk sewer in Locust Street.

Lateral Sewer No. 7, commencing at a flush tank in the east line of Elm Street opposite the alley in Block No. 2, Eastlawn Subdivision, thence east on the center line of said alley to a manhole in the main trunk sewer, located in Locust Street.

Lateral Sewer No. 8, commencing at a flush tank in the east line of Elm Street, opposite the alley in Block No. 3, Eastlawn Subdivision, thence east on the center line of said alley to a manhole in the main trunk sewer located in Locust Street.

Lateral Sewer No. 9, commencing at a flush tank in the north line of Eighth Avenue East, opposite the alley between Lots W and X, Y and Z, and between *Lots No. 6 and 7, 5 and 8, and 4 and 9* in Murtaugh Orchard Addition, thence north to a flush tank in the south line of Ninth Avenue East.

Lateral Sewer No. 10, commencing at a manhole at the west end of the alley between Lot No. 7 and Lots V and W, in Murtaugh Orchard Addition, thence east on the north line of said *alley to the west line of Lot A in Mur*taugh Orchard Addition, thence east on a line between Lots A, B, C, D, E, F and G, in Murtaugh Orchard Addition, and Lots No. 5 and 6, in Block No. 7, and Lots No. 7 and 8 in Block No. 8, Murtaugh Orchard Addition, to the west end of the alley in Block No. 8 8-2 of Murtaugh Addition, thence east on the center line of said alley to a manhole in the main trunk sewer in Locust Street.

Lateral Sewer No. 11, commencing at a manhole in the alley in Block No. 7, Murtaugh Orchard Addition, at a point about 25 feet south of the north line of Lots No. 1 and 10, in said Block No. 7, thence south on the center line of said alley to the north line of Lot C, in Murtaugh Orchard Addition.

Lateral Sewer No. 12, commencing at a manhole in the alley in Block No. 8 Murtaugh Orchard Addition, at a point about 25 feet south of the north line of Lots No. 1 and 10 in said Block No. 8, thence south on the center line of said alley to the north line of Lot F, in Murtaugh Orchard Addition.

Lateral Sewer No. 13, commencing at a manhole in the alley in Block No. 8 1-2 of Murtaugh Orchard Addition, about 25 feet south of the north line *of Lots No. 9 and 10 in said Block No.* 8 1-2, thence south on the center line of said alley to the south end of said alley.

Lateral Sewer No. 14, commencing at a flush tank in the west line of Locust Street at the line between Lots No. 13 and 19, in Block 4 of Murtaugh Addition, according to the amended plat thereof, thence west on the line between Lots No. 13 and 19, 12 and 18, 11 and 17, 10 and 16, 9 and 15, 8 and 14, in said Block No. 4 of *Murtaugh Addition, to the west line* of Lots No. 8 and 14, in said Block No. 4 of Murtaugh Addition, thence across Ash Street to a point in the line between Lots No. 2 and 3, in Block No. 2, Murtaugh Addition, according to the amended plat thereof, thence west on the line between Lots 2 and 3 of Block No. 2, of said Murtaugh Addition, and across Blue Lakes Boulevard to a flush tank in the alley between Seventh and Eighth Avenues East.

Lateral Sewer No. 15, commencing at a flush tank in the west line of Locust Street, in the alley in Sylvester Newton Subdivision of Murtaugh Addition, thence west in said alley to a manhole in the alley in Talbert's Subdivision of Lots No. 5, 6, and 7, in Block No. 3, in Murtaugh's Addition to Twin Falls.

Lateral Sewer No. 16, commencing at a manhole at the junction of Main Avenue East and West, with Blue Lakes Boulevard and Kimberly Road, thence east on the south line of Kimberly Road to a manhole in Locust Street.

Lateral Sewer No. 17, commencing at a flush tank on the south side of Kimberly Road opposite the alley in Blocks One (1), Two (2), and Three (3), in Bickel Addition to Twin Falls, thence north across said Kimberly Road and in said alley to a junction with the sewer running east and west through Blocks One (1), Four (4), Seven (7) and Ten (10), in Bickel Addition to Twin Falls.

Lateral Sewer No. 18, commencing at a flush tank on the south side of Kimberly Road opposite the alley in Blocks Four (4), Five (5) and Six (6), in Bickel Addition to Twin Falls, thence north across said Kimberly Road and in said alley to the north line of said Bickel Addition.

Lateral Sewer No. 19, commencing at a flush tank on the south side of Kimberly Road opposite the alley in Blocks Seven (7), Eight (8) and Nine (9) in Bickel Addition to Twin Falls, thence north across said Kimberly Road and in said alley to the north line of said Bickel Addition.

Lateral Sewer No. 20, commencing at a flush tank on the south side of Kimberly Road opposite the alley in Blocks Ten (10), Eleven (11) and Twelve (12) in Bickel Addition to Twin Falls, thence north across said Kimberly Road and in said alley to the north line of said Bickel Addition.

Lateral Sewer No. 21, commencing at a manhole in the alley running north and south in Block No. Ten (10), in Bickel Addition to Twin Falls, opposite the line between Lots Two (2), and Three (3) in said Block No. Ten (10), thence west to a junction with the lateral sewer in the alley between Third Avenue East and Fourth Avenue East of the original Townsite of Twin Falls.

Lateral Sewer No. 22, commencing at a manhole in the north line of Lot No. One (1), in Ashton Addition to Twin Falls opposite the north and south center line of Lots No. Two (2), Three (3), Four (4), Five (5), Six (6), Seven (7), Eight (8), and Nine (9), of said Ashton Addition, thence north on said center line to a manhole in the main trunk sewer.

Lateral Sewer No. 23, commencing at a flush tank on the east side of Elm Street at a point where the north line of Lots No. One (1), Two (2) and Three (3), in Block No. Two (2), of Ashton Addition to Twin Falls intersect the said east line of Elm Street, thence east on said line to a manhole in the main trunk sewer.

Lateral Sewer No. 24, commencing at the west end of the alley running east and west through Blocks No. One (1), Two (2), Three (3) and Four (4), of New School Addition of Blocks No. One (1), and Nine (9) of Moorman First Addition to Twin Falls, Idaho, thence east in said alley to the east line of said New School Addition.

Lateral Sewer No. 25, commencing at a flush tank in the alley running east and west through Block No. One (1) in New School Addition, opposite the alley running north and south in said Block No. One (1), of said New School Addition, thence north in said last named alley and in the continuation of said alley running north and south through Block No. One (1) in Lincoln School Addition No. 1, and running further on a line which would be a continuation of said alley to and in the alley running north and south through Block One (1) of Nare Addition, and thence to a manhole in the main trunk sewer immediately to the north of the city limits of Twin Falls.

Lateral Sewer No. 26, commencing at a flush tank in the alley running east and west through Block No. Two (2) in New School Addition, opposite the alley running north and south in said Block No. Two (2) of said New School Addition thence north in said last named alley and in the continuation of said alley running north and south *through Block No. Two (2) in Lincoln* School Addition No. 1, and running further on a line which would be a continuation of said alley to and in the alley running north and south through Block No. Two (2) of Nare Addition, and thence to a manhole in the main trunk sewer immediately to the north of the city limits of Twin Falls.

Lateral Sewer No. 27, commencing at a flush tank in the alley running east and west through Block No. Three (3), in New School Addition, opposite the alley running north and south in said Block No. Three (3) of said New School Addition, thence north in said last named alley and on a line which would be a continuation of said last named alley through Blocks No. Ten (10), Eleven (11), and Twelve (12) of Moorman First Addition to a manhole in the main trunk sewer immediately to the north of the city limits of Twin Falls.

Lateral Sewer No. 28, commencing at a flush tank in the alley running east and west through Block No. Four (4), in New School Addition, opposite the alley running north and south in said Block No. Four (4), of said New School Addition, thence, north in said last named alley, and on a line which would be a continuation of said last named alley through Blocks No. Ten (10), Eleven (11), and Twelve (12) of Moorman First Addition to a manhole in the main trunk sewer immedi*ately to the north of the city limits* of Twin Falls.

Section 5. The assessment as well as all costs for the construction of the sewer system to be constructed in the said local sewer improvement district No. 31 shall be assessed upon all the lots or parcels of land fronting on all highways, streets, avenues or alleys included within said local sewer improvement district No. 31, as well as all lots or parcels of land being separately assessed for the full benefit of such improvement in proportion to the benefits to the property to be benefitted, sufficient to cover the total expense of the work and the construction of said sewer system in said local sewer improvement district No. 31; provided, however, that the total expenses of the said sewerage improvements made in the spaces formed by the junction or intersection of streets and avenues and in the spaces opposite alleys in the said local sewer improvement district No. 31, shall be borne by the property abutting upon, contiguous or tributary to said intersections, and shall be a lien upon said property the same as any other assessment against said property in said district. The assessment roll shall contain the assessment of such costs and expenses against all of said property accordingly.

Section 6. All such assessments shall be known as special assessments for sewerage improvements, and shall become a lien upon such land and lots or parcels of land and shall be levied and collected as separate taxes in addition to the taxes for general revenue purposes, to be placed on the tax roll for collection, subject to the same penalties in collection, and collected in the same manner as other city taxes.

Section 7. The estimated costs of such sewerage improvement, as shown *by the city engineer's estimate for the* same, is the sum of Thirty-Six Thousand ($36,000.00) Dollars.

Section 8. Upon the passage of this ordinance the committee on streets, together with the city engineer, shall make out an assessment roll according to the provisions of this ordinance and shall certify the same to the council of the said city.

Section 9. Upon the receipt and filing of said assessment roll, the clerk of said city shall give notice by two (2) consecutive publications in the official newspaper of the city that said assessment roll is on file in his office, the date of filing the same, and shall specify in said notice the time and place at which the council will hear and consider objections to said assessment roll by the parties or any party aggrieved by such assessment.

Passed by the City Council of the City of Twin Falls, Idaho, this 19th day of August, A. D. 1919.

Approved by the Mayor of the City of Twin Falls, Idaho, this 19th day of August, A. D. 1919.

E. J. OSTRANDER,
President of Council, Acting Mayor.
Attest:
W. A. MINNICK,
City Clerk. (Seal)

ORDINANCE NO. 267.

An Ordinance declaring the intention of the City of Twin Falls, State of Idaho, to construct sidewalks in certain territory in said City, to be designated as local Sidewalk Improvement District Number 36, defining the boundaries of such proposed improvement district, and stating the estimate of cost of such proposed improvements, and that such cost is to assessed against all the property included in said district and benefitted thereby.

Be it ordained by the Mayor and Council of the City of Twin Falls, State of Idaho, as follows:

Section 1. That the City of Twin Falls hereby declares its intention to construct certain sidewalks in certain territory within the corporate limits of said City, hereinafter specified, and for the purpose to establish a local improvement district to be designated as Local Sidewalk Improvement District Number 36.

Section 2. The general character of the improvement to be made within said district is the building of cement sidewalks of the width hereinafter mentioned, along the sidewalk space; along the streets, avenues and alleys, and between the points and in front of of the lots hereinafter set forth.

Said sidewalk to be built five feet in width in front of the following lots, to-wit:

Along the sidewalk space upon Fourth Avenue West in front of Lots 17, 18, 19, 20, 21, 22, 23, 24, 25, 26 and 27, and along the side of *Lot 32*, in Block 131.

Along the sidewalk space upon Third Avenue North in front of Lots 4, 5 and 6, in Block 65.

Along the sidewalk space upon Second Avenue East in front of Lots 9, 10, 11, 12, 13, 14, 15 and 16 in Block 78.

Along the sidewalk space upon Third Street North along the side of Lots 1 and 17 in Block 70; Lots 1 and 17 in Block 56; Lots 1 and 9 in Block 43; Lots 1 and 9 in Block 32; Lots 1 and 9 in Block 23, and Lots 1 and 9 in Block 15; all of said property being in the original Townsite of Twin Falls.

Along the sidewalk space upon Walnut Street in front of Lots 7, 8 and 9, in Block 12, Bickel Addition to Twin Falls.

Along the sidewalk space upon Fourth Avenue East in front of Lots 3 and 4, in Block 5, Elm Park Addition to Twin Falls.

Along the sidewalk space upon Ash Street in front of Lots 1, 2, 3, 4 and 5, in Block 7, Murtaugh Orchard Addition to Twin Falls.

Along the sidewalk space upon Ash Street in front of Lots 1, 2, 3, 4 and 5 in Block 7, Murtaugh Orchard Addition to Twin Falls.

Along the sidewalk space upon Ash Street in front of Lots 7, 8, 9 and 10 in Block 8, Murtaugh Orchard Addition to Twin Falls.

Along the sidewalk space upon Walnut Street in front of Lots 6, 7, 8, 9 and 10, in Block 8, and Lots 10, 11, 12, 13 and 14 in Block 8 1-2, and along the sides of Lots G and H, Murtaugh Orchard Addition to Twin Falls.

Section 3. The boundaries of such proposed Sidewalk Improvement District shall be and include the lots and parcels of land hereinbefore described, and located in said City of Twin Falls, County of Twin Falls, State of Idaho.

Section 4. That the said City of Twin Falls shall pay the expense of the *improvement in the spaces formed by* the intersections of streets, avenues and alleys in said improvement district.

Section 5. The estimated cost of such sidewalk improvement as shown by the city engineer's estimate is the sum of Six Thousand ($6,000.00) Dollars, divided as follows:

Foot Frontage	$5,700.00
Intersections	300.00

Section 6. The cost of making such proposed improvement is to be assessed against the property included within such Sidewalk Improvement District, the said assessment to be made upon lots and parcels of land aforesaid, fronting or abutting upon, or contiguous or tributary to the streets and avenues along which said improvement is to be made, every lot and parcel of land to be separately assessed for the full cost thereof in proportion to the frontage on the streets and avenues so to be improved, and in proportion to the benefits to be derived by said sidewalk improvement.

Section 7. That Monday, the 1st day of September, 1919, at the hour of 8 o'clock p. m., at the regular meeting place of the council, at the city clerk's office in the Water Works Building, at the corner of Second Avenue North and Second Street North, in said City, is hereby designated as the time and place at which the Mayor and Council of said City will meet and consider protests against said proposed improvement. All persons affected by the proposed improvement are hereby notified that protests against said proposed improvement must be filed in the office of the City Clerk of said City on or before that date. Said improvement is an original improvement.

Passed by the City Council of the City of Twin Falls, State of Idaho, this 19th day of August, 1919.

Approved by the Mayor of the said City of Twin Falls, State of Idaho this 19th day of August, 1919.

E. J. OSTRANDER,
President of Council, Acting Mayor.
Attest:
W. A. MINNICK,
City Clerk. (Seal)

ORDINANCE NO. 268

An Ordinance Establishing Local Improvement District No. 35 for the purpose of Grading Paving, Curbing and Surface Draining certain streets and parts of streets within the city of Twin Falls, Idaho; ordering the making of said improvements; providing for the payment of the expense thereof by special assessments to be levied against the abutting, contiguous and tributary property, and defining the duties and powers of the street commissioner in connection therewith.

Be it ordained by the Mayor and Council of the City of Twin Falls, Idaho as follows:

SECTION 1. That there be, and hereby is, established within the City of Twin Falls, State of Idaho, Local Improvement District No. 35, consisting of the streets and parts of streets and alleys in said city as follows, to-wit:

Fourth Avenue East: Beginning at the southeast line of Third Street East, thence southeast a distance of 1750 feet, to the point of intersection of said Fourth Avenue East with the east line of Blue Lakes Boulevard, width 40 feet, with curb.

Fourth Avenue East: Beginning at the east line of Blue Lakes Boulevard, thence east, a distance of 1260 feet, to the west line of Locust Street width 30 feet, with curb.

Second Avenue West: Beginning at the northwest line of Second Street West, thence northwest, a distance of 2840 feet to the east line of Washington Street, width 40 feet, with curb.

Third Avenue West: Beginning at the southeast line of Third Street West, thence northwest, a distance of 2080 feet, to the east line of Washington Street, width 40 feet, with curb.

Sixth Street West: Beginning at the southwest line of Main Avenue West, thence southwest, a distance of 620 feet, to the northeast line of Third Avenue West, width 30 feet, with curb.

Minidoka Street: Beginning at the southeast line of Third Street South, thence southeast, a distance of 300 feet, to the northwest line of Fourth Street South, width 30 feet. No curb.

And including all the property fronting or abutting on, contiguous or tributary to said streets and alleys between the points above specified and to the distance back from such streets and alleys if platted in blocks to the center of the block; if platted in lots to the center of the block if not platted, to the distance of 125 feet.

SECTION 2. That said streets, avenues and alleys in said Local Improvement District No. 35 be graded, paved, curbed and surface drained between the points as hereinbefore specified, the said paving to be done with some suitable pavement, according to the general plans on file in the office of the City Engineer and City Clerk, and the curbing to be done by the construction of a concrete curb along the side of the said portion of the streets as hereinbefore specified where a concrete curb is not already constructed, extending the concrete curbs which are already constructed along the said portion of the said streets downward where they are found to be not deep enough for the purpose of paving, except across roadways or intersecting streets.

All such improvements to be made under the supervision of the City Engineer and City Council of the City of *Twin Falls, and in accordance with the* provisions of Ordinance No. 254, passed by the said City Council of said city on the 9th day of June, 1919, approved by the Mayor of said city on the 9th day of June, 1919, providing for the establishment of said Local Improvement District No. 35, and according to the plans and specifications for said improvement on file in the office of the City Engineer of said city.

SECTION 3. That the said improvements be made and the cost and expense thereof be assessed upon and against the lands and lots within said improvement district.

That upon the passage of the ordinance the Committee on Streets of said city, together with the City Engineer shall make out an assessment roll in accordance with the provisions of said ordinance and with chapter 132 entitled, "General Powers of Municipal Corporations," of Compiled Laws of Idaho, relative to the organization and government and powers of cities and villages and the laws amendatory thereof and supplementary thereto, and shall certify the same to the City Council of said City of Twin Falls.

The said Street Committee shall organize by the selection of a chairman and their deliberations shall be governed by the rules governing the City Council.

Their meetings shall be called by the Chairman and the City Clerk shall act as clerk of the committee and shall keep a record of the proceedings.

SECTION 4. Said Street Committee shall ascertain the total cost of making said proposed improvements and shall make an examination of all the property within said district as aforesaid, and the said assessment shall be in accordance with and in proportion to the front footage abutting, contiguous or tributary to the streets or parts of streets to be improved and included in said improvement district, for said grading paving, curbing and surface draining in proportion to the number of feet fronting thereon and in proportion to the benefits that would accrue to said property so assessed by reason of the proposed grading, paving, curbing and surface draining thereof.

All the property within local improvement district No. 35 shall be as*sessed as aforesaid for the cost of said* improvement herein ordered except that the expense of the improvement in the space formed by the junction of two or more streets or avenues or one main street terminates at or crosses another main street and also necessary street crossings or crosswavs at corners and intersections of streets or avenues and the expense of making and repairing sewers, shall not be included in said assessment but shall be paid for by the City of Twin Falls.

Where any work or improvement is done by virtue of this ordinance on one side of the center line of any street, the property on that side only shall be assessed.

SECTION 5. The said assessment roll prepared by said street committee shall contain, among other things, the names of the property owners affected by the proposed improvement, the description of each piece lot or parcel of land, and the amount assessed against the same. On receiving the assessment roll, the City Clerk shall give notice by three (3) successive publications in the official newspaper of said city of Twin Falls that said assessment roll is on file in his office, the date of filing the same, and said notice shall state the time at which the Council will hear and consider objections to said assessment roll by parties aggrieved by such assessment.

The owner or owners of any property which is assessed in such assessment roll, whether named or not in said roll, may within ten (10) days from the last publication provide herein in file with the Clerk his objections in writing to said assessment.

SECTION 6. That all assessments hereinbefore specified shall be known as special assessments for improvements and shall be levied and collected as separate taxes in addition to the taxes for general revenue purposes, to be placed on the tax roll for collection subject to the same penalties and collected in the same manner as other city taxes.

SECTION 7. That the Mayor and Council of the City of Twin Falls may in their discretion, provide for the payment of the expense of making the improvements herein ordered in installments by the issuance of improvement bonds of said district, said installments being in equal annual payments at not to exceed seven per cent per annum interest and to be payable on or before ten years.

Such bonds shall not be issued in any amount in excess of the contract price of the proposed improvements, except that the installment coupons shall include interest on such installments to maturity thereof. Such bonds may, at the discretion of the Mayor and Council of the City of Twin Falls, be issued to the contractor, who shall construct the proposed improvement, or be sold at not less than their par value net, and the proceeds thereof be paid to the contractor.

The bonds shall be in such denominations as the Mayor and Council shall deem proper.

For the payment of installments on such bonds, the Mayor and Council of the City of Twin Falls, are hereby empowered and they shall levy annually special assessments against the specific *property abutting, contiguous and tri*butary to the proposed improvements as hereinbefore provided, sufficient to redeem the installments of such bonds next thereafter maturing, with interest thereon at not to exceed seven per cent per annum from the date of issuance of such bonds until the date of the installment next thereafter maturing.

SECTION. 8. The owner of any piece of property liable for any special assessment chargeable against his property, may redeem his property from such liability by paying the entire assessment chargeable against his property upon the City Clerks mailing him written or printed notice thirty days before the issuance of the bonds or after the issuance of the bonds by paying all the installments of the assessments which have been levied, and also the amount of unlevied installments with the interest on the-latter at the rate of seven per cent per annum from the date of the issuance of the said bonds to the time of maturity of the last installment.

All such assessments shall be paid to the City Treasurer.

*The funds arising from all assess*ments levied for the redemption of the bonds shall be applied solely toward the redemption of said bonds.

SECTION 9. The bonds herein provided for shall have printed thereon (among other things) substantially the following: "The holder of this bond shall have no claim against the City of Twin Falls, Idaho, in any event, except from the collection of the special assessments made for the improvement for which the same was issued, but his remedy, in case of nonpayment shall be confined to the enforcement of such assessment."

SECTION 10. The procedure for carrying out the provisions of this Ordinance shall be governed by the provisions of Chapter 132, entitled, "General Powers of Municipal Corporations," of Compiled Laws of Idaho, relative to the organization and government and powers of cities and villages and the laws amendatory thereof and supplementary thereto.

Passed by the Council of the City of Twin Falls, Idaho, this 19th day of August, 1919.

Approved by the Mayor of the City of Twin Falls, Idaho, this 19th day of August, 1919.

E. J. OSTRANDER,
President of Council Acting Mayor.

Mr. and Mrs. T. R. Taylor and son of House Creek were shopping in Rogerson Saturday.

Mr. and Mrs. J. W. Langford went to Twin Falls, Sunday, to meet their son, J. B. Langford, who returned from a few weeks' visit in Chicago. Mr. Langford Sr., was taken suddenly ill while in Twin Falls, but is reported better.

D. A. Salmon, Lem Chapin and Charles Seizar of Twin Falls passed through Rogerson, Saturday evening, en route to House Creek hunting sage chicken.

E. F. McNew and family of Twin Falls and W. W. Taylor and family of Filer were hunting in Shoshone basin Sunday.

Mrs. C. C. Cardwell and two children are visiting with Mrs. Cardwell's mother, Mrs. Elliot in Twin Falls this week.

Mr. and Mrs. W. A. Van Eaton of House Creek were in Rogerson, Saturday.

CHINESE FACTIONS MEET

Conferences at Shanghai Look Toward Adjustment of Internal Relations

WASHINGTON, (AP)—Conferences at Shanghai looking to an adjustment of relations between north and south China are to be resumed immediately with prospects for an early agreement dispatches to the state department report Wang P. Tong has been appointed head of the delegation from North China.

Other advices received here said Dr. Sun Yat Sen, who was the first president of the Chinese republic and has been one of the leaders of the southern faction at Canton, had resigned his party office because of dissatisfaction with the attitude of the southern faction in the negotiations at Shanghai.

IF YOU'VE DECIDED to buy a home, study the real estate ads with the same interest you would give to any other important problem.

If you own a lot and need some money, find a buyer through the classified.

Real estate must be managed, advertised, if it is to yield you a return on your investment.

NOTICE TO CONTRACTORS.

NOTICE IS HEREBY GIVEN, That the Mayor and City Council of the City of Twin Falls, Idaho, on the behalf of the said City, on the 25th day of August, 1919, at the hour of eight o'clock P. M. of said day, at the office of the City Clerk of said City, in the Water Works Building at the corner of Second Avenue North and Second Street North in said City, will receive sealed bids and proposals from contractors for the construction and completion of a Main Trunk Line Sewer, the location of which and the Plans and Specifications of which is shown and are on file in the office of the City Engineer of the City of Twin Falls, Idaho, which office is located in the building of the water ... above described. Copies of the ... Plans and Specifications, showing ... location of the said sewer, and the ... of its construction and the manner ... out of which it is to be constructed can be obtained at the office of the City Engineer at the place above designated, upon an application therefore and the depositing of the sum of Ten Dollars, which amount will be refunded upon the return to the City Engineer of the copies so obtained.

All bids and proposals must be accompanied by a certified check or draft in an amount equal to ten per cent of the amount of the entire bid and proposal, which check or draft shall be made payable to the City of Twin Falls, Idaho, or order, and which check or draft, in case of the failure to enter fault of the successful bidder to enter into a contract for the construction and completion of said sewer in compliance with the terms of his said bid and the terms of this notice shall be retained by the City of Twin Falls, Idaho, and shall become its property.

At the time of the entering into of the contract for the construction and completion of the said sewer, or within five days thereafter, and before the delivery of the contract, the contractor shall furnish and deliver to the City of Twin Falls, Idaho, a bond in an amount equal to sixty per cent of the amount to be paid him under the said contract, conditioned for the faithful performance of the terms and conditions of the said contract and conditioned for the faithful performance of the statutes of the States of Idaho, in such case made and provided.
State of Idaho, in such case made and provided.

Immediately upon being awarded the contract the successful bidder shall enter into a written contract with the City of Twin Falls for the construction and completion of said sewer, which contract shall be delivered upon the furnishing bond as hereinbefore provided. Work shall commence under said contract within fifteen days after delivery of the contract and the work of constructing the said sewer to completion shall be diligently pursued and without cessation. The terms of payment for the work done and the material furnished under said contract shall be as follows: 90 per cent of the amount earned thereunder during the month prior to the 1st Monday in each month shall be paid the contractor on the 1st Tuesday after the 1st Monday in each month, and the remaining ten per cent earned during said month shall be retained by the City until the final completion and acceptance of the work. The City reserves the right to reject any and all bids.

W. H. ELDRIDGE,
Mayor.

RAM SALE AT FILER IS ATTRACTING ATTENTION

Large Number Visit the Fair Grounds—Visitors on Hand from All Over West

Sheep, domestic and imported, aristocratic animals with pedigrees yards long, short wool and long, sheep of ancient and modern lineage the leaders in their respective walks of life are to be seen in quantity at the Southern Idaho ram show which opened today at 1 o'clock at the Filer fair grounds.

Early indications pointed to a highly successful sale with growers on hand from California, Wyoming and other sheep states as well as a large number of Idaho men. The exhibition feature of the sale is proving a drawing card apart from those on hand solely for buying purposes.

The sale will be continued tomorrow.

MINISTER PENS FAREWELL NOTE

The Rev. L. B. Franck Addresses Message to People—Leaves Sunday

The Rev. L. B. Franck, who for the past four years has been rector of the Ascension Episcopal parish here, has completed arrangements for his departure to his new field in West Virginia. Accompanied by his small son, Stanley, the Rev. Mr. Franck leaves for the east Sunday afternoon. He will go direct to White Sulphur, West Virginia, and take up his new work about September 1.

Today the minister is mailing his farewell pastoral charge to the people of the parish, but the vestry is concelebrate the office of Holy Communion here for the last time. The pastoral is in the form of a brochure, in which he leaves an urgent message for constant labor toward the upbuilding of the home parish.

Ascension church has not yet called a minister who shall assume the work of the parish, but he vestry is conducting negotiations with the diocesan heads with a view to obtaining recommendations. It is expected some months may lapse before the pulpit is finally and regularly filled. Meanwhile lay services, with an occasional clerical office, will be conducted, with music made one of the principal features.

FOR SALE—High grade piano, cheap. Owner leaving town. Inquire F. Cairns, Rogerson Annex. Adv.

STATE RAISES FARM VALUES

Increased Cost of Doing Business Causes Increase in Land Assessment

Twin Falls county officials have been informed by the state department that agricultural land values have been raised in this county for the purpose of assessing tax levies. County Auditor C. C. Siggins yesterday received word from State Assessor Gallet to this effect.

The county auditor is advised that under a recent ruling of the state equalization board the average increase in value of Twin Falls county farms is \$13.75 an acre, or from \$55 to \$68.75, the former being the price fixed by the county assessor. The same ratio of increased assessment is expected to apply to city property, but as yet no information has been received by local authorities on this score.

With the notice of the equalization board's finding comes the statement that the increased cost of carrying on state business has compelled the valuation raise.

NOTICE!

From this time on I will not be responsible for any debts contracted by my wife, Mrs. James B. Steel.
adv. JAMES B. STEEL.

MERCURY HOLDS HIGH

Ninety degrees in the shade was high for yesterday in this immediate district. On the day preceding the mercury got one degree above that mark, or 91 in the shade. Low temperature during the past twenty-four hours has been 47. There has been no precipitation and the barometric conditions give no indication of approaching storms.

The program follows:

1 March, "E Pluribus Unum"....Jewell
2 Overture, "Lutspiel"....Keler Bela
3 Medley, "Southern Memories" .... Foster
4 Song Hits—
a "Cleopatra Had a Jazz Band"
b "Pick, Pick, Pickaninny"
5 Selection, "Robin Hood"..de Koven
6 Waltz, "Kentucky Dream" .... Henry and D...
7 Song Hits—
a "Hindustan"
b "The Rose of No Man's Land"
8 Selection, "Prince of Pilsen" ....
9 March, "Good Old Pals"..........
Star Spangled Banner.

Social Notes

In compliment to their guest, Miss Leah Chapman of Baxter Springs, Kan., Mr. and Mrs. Granville Haight entertained about fifty young people at Blue Lakes last evening. The guests met at the city park and were taken to the lakes in two large auto trucks. After a time spent in visiting they went to "Lover's Retreat" where a large bon-fire had been built around which the guests gathered and roasted "weiners". Coffee and pickles were served with the sandwiches after which the guests enjoyed quantities of watermelon.

Miss Irene Visser entertained at a miscellaneous shower last evening honoring Miss Mattie Coates who will become the bride of C. A. Miller September fourth. A dainty two course luncheon was served, the centerpiece for the table being a kewpie doll dressed as a bride from which ribbons led to the parcels containing the gifts. There were 14 guests present and many beautiful gifts were received.

The Penelope club entertained with a charming four course luncheon at the Rogerson Hotel today, honoring Mrs. Frank Rudolph, who leaves soon for her new home at Pocatello, and Mrs. Hugh Lewis, who is also leaving to spend a year visiting friends in Denver and Milwaukee. Sweet peas in a cut glass bowl formed the centerpiece for the table. Those present were Mesdames Chapin, Foltz, Wick, Burkholder, Dufresne, J. B. White, Faris, Kail, Parsons, Van Hemrt and Stettler. After luncheon the afternoon was spent at the theater.

Miss Sutcliffe was hostess to the Ninth Avenue club yesterday afternoon at the home of Mr. Dr. Weaver. Current events was the topic for the day with an interesting discussion following each event. There were 11 ladies present and delicious refreshments were served at the close of the afternoon.

Honoring Miss Nellie Teasdale who is to be married September 10, Mrs. Allan P. Senior gave a handkerchief shower at her home last evening. There were twelve ladies present. After a delightful evening light refreshments were served.

Dr. and Mrs. W. H. Dwight were dinner guests at the home of Mr. and Mrs. Charles F. Dwight last evening.

The senior class of the Twin Falls high school of 1919 held a reunion Tuesday evening at the country home of George H. Smith. There were about 35 present, many of whom are leaving for college this fall. Dancing and cards were enjoyed and refreshments of punch, sherbet and cake were served.

Mr. and Mrs. W. P. Guthrie and daughter, Miss Iris, left this morning for a visit at Decatur and other points in Illinois. They expect to be away until about September 10.

Mrs. E. J. Ostrander and brother-in-law, Charles Dingler, and little daughter, Doris Dingler, left this morning for La Porte, Indiana, called there by the serious illness of Mrs. Dingler.

Judge and Mrs. J. M. Shank accompanied by Mrs. W. H. Harvey were Twin Falls visitors from their homes at Buhl yesterday. Mr. and Mrs. Harvey and two sons are leaving early in September for Long Beach, Cal., where they will spend the winter.

DOUGLAS FAIRBANKS
—in—
"The Knickerbocker Buckaroo"

Directed by An ARTCRAFT Picture Albert Parker

HANG THE TRACK! GO AHEAD! LET'S GO!

That is "Doug's" policy. If the track's "gone on a bust" or if there is no steam—Let's go anyway. "Damn the torpedoes; go ahead."

"Doug" starts out to do something for somebody in "The Knickerbocker Buckaroo."

Doing it takes him through rip-roaring Arizona, into devil-ridden Mexico, in—and out—of an non-escapable jail.

You know Fairbanks. And the story's as good as the best he ever had.

LAVERING PAVILION

The House of Kuppenheimer Clothes

Big Values in Suits
at
$35

Stetson Hats

Manhattan Shirts

We term them big values because they afford an unusual quality-return for the money—greater than ordinary—greater than elsewhere.

This is the time to buy such clothes. Prices are soaring. The equals of these suits will cost much more next Fall—in fact, radical increases are already going into effect in some places. You can not make a mistake in investing now.

KUPPENHEIMER CLOTHES

Smart waist seam models—the newest ideas; conservative designs for business men and professional men; single and double breasted models. Choice weaves and patterns; tailoring that insures steady service and long wear - - - - - - $35.00
