

ARGES MAKING COMMUNICATION WITH EAST EASY

California Publisher Tells Congressional Committee British and Japanese Control of Cables Prejudice U. S.

WASHINGTON, (AP)—American interests in the Far East have been protected by British and Japanese control of news in the Orient, V. S. McClatchy, publisher of the Sacramento Spoke, told the House merchant cable committee Friday. He urged enactment of pending legislation authorizing the use of the navy's wireless systems as a way to place the cable in order to insure an adequate Pacific news service.

News Prevents Misunderstanding

"Daily interchange of news," said McClatchy, "is the most effective perhaps the only way of preventing misunderstandings, which will seriously injure American interests and lead to grave complications."

British and Japanese propaganda in the Far East before and during the war, he continued, so seriously injured American interests that the United States government went into wireless business as a way to place the cable before the Orient. The government distributed a daily news report navy wireless in Guam, Manila, Singapore, Peking and Vladivostok, he said, and since the cable was cut last July 1, the report has been continued through co-operation of the Associated Press. The report, however, is not satisfactory.

"The American government went into the news business because it found material interests were being damaged," declared Mr. McClatchy, "and report of facts served as an antidote for the poison spread throughout the Far East."

American Report Sought

Mr. McClatchy said that without a meager American service, the news in the Far East would be controlled by Reuters, a British agency, Kokusai, the Japanese national agency.

Several diplomatic representatives in the Far East want an American report, Mr. McClatchy asserted, but a government report would be confidence because of accusations of bias.

Representative Curry, California, author of the legislation authorizing use of the naval radio systems for commercial business, said the measure would fit both the present and commercial houses, but would not result in a wireless monopoly.

Naval officers in charge of the radio systems were being operated at about half of their capacity, that the increase to the maximum would involve practically no additional cost.

WANTS JAPAN WOULD GAIN BY GIVING UP SHANTUNG

Former American Minister to China Gives Views on Situation in East

OKIO, (AP)—Before going on board steamship Venezuela on which he will make a voyage to San Francisco, Paul S. Reinsch, former United States minister to China, denied Friday a report that he had been recruited by China as political adviser in Washington. He said he was going to Washington to practice law, and he might probably act as legal adviser for China.

Discussing conditions in China, Dr. Reinsch declared Americans in that country were not anti-Japanese, but that the Chinese political situation in the peninsula that the restoration of sovereignty to China by Japan would be the return of the "shell."

He believed Japan holds a trump if she will only play it," he concluded. "That is to return everything from China by Germany and to give only the privilege of entering into an equal terms with the rest of the world."

Advertising serves the people. It is not interesting, of itself, to those who rarely buy anything. It is not merely interesting vital to the buyers for the homes. It is a guide and a service to them.

QUESTIONS SINCERITY OF FOSTER REFORMATION

Senator Pomeroy Calls Strikers' Secretary an Autocrat and Advocate of Direct Action

WASHINGTON, (AP)—After the senate committee investigating the steel strike had adjourned, W. Z. Foster, secretary of the steel workers committee, was attacked in the senate by Senator Pomeroy, democrat, Ohio, as an "autocrat" whose laboring men should be warned against. Foster, the senator said, was an advocate of "direct action" and a syndicalist.

"And yet this man with that record," he added, "is parading himself as one of the friends of labor. God help labor when it gets into the clutches of men of that type."

Saying he understood that Samuel Gompers had told the labor committee that Foster was an "I. W. W. and syndicalist, but had reformed," Senator Pomeroy read a published report to the effect that the Chicago federal district attorney had an article written by Foster in 1911 in which the strike leader urged the I. W. W. to work through the American Federation of Labor and "make it a revolutionary organization."

TITTONI GIVES REASON FOR REFUSING PIUMI

ROME, (AP)—Tommaso Tittoni, foreign minister, declared during the meeting of the crown council Thursday that the peace conference would not permit Italy to annex Fiume, because such action would authorize the Czechs Slavs to occupy Teschen; the Jugoslavs to move forces into Klagenfurt; the Greeks to claim Thrace and the Rumanians to annex Banat.

JOHNSON MAKES MOTIVE DEFENSE

California Senator Believes the People will Demand Safeguard of Interests

WASHINGTON, (AP)—Senator Johnson, Republican of California, speaking in the senate Friday, sharply retracted a statement by Senator William Democrat, of Springfield, that he was returning to California to continue his attack on the president and to mend his political fences.

"I understand that the senator from Mississippi is unable to comprehend adequate political motives," Senator Johnson declared. "But I am going to California and all the other states I can reach, not to mend political fences, but because this is a great opportunity I have in the common people of this land and the certainty that when they hear the story of the league of nations they will respond as Americans and demand that it safeguard their interests."

Senator Johnson said he was going to California, Nevada, Oregon, Washington, Utah and Colorado if he had time.

Senator Johnson asked why Great Britain should insist on having six votes and said his amendment would not deny votes to the British colonies.

"It gives them their votes in the assembly," he explained. "It only says that not only Canada or Australia or the others shall be deprived of a vote, but that America is big enough, rich enough, powerful enough, and good enough to have as many votes as the British empire."

"There is no more reason for giving Canada or the other British colonies a vote each than there would be for giving New York state a vote."

TWIN FALLS, IDAHO

FEW SPOILS OF WARFARE LEFT TO BOLSHIEVIKI

Much Property is Destroyed or Removed by Siberians Before Territory is Given Over to Soviet Forces

OMSK, (AP)—Ninety per cent of the railroad rolling stock in the Perm, Ekaterinburg and Cheliabinsk districts was destroyed before the territory was given over to the Bolshieviki, according to General Jack of the inter-allied technical committee, who assisted in the evacuation. Over 30,000 freight cars and approximately 600 locomotives were saved.

Bridge is Wrecked

The railroad bridge over the Kama at Perm, 270 yards long, was put out of commission by the Siberian military before leaving. It is not so seriously damaged, however, that it cannot be easily repaired. One complete span was dumped into the river.

The Kama fleet, thirty-nine vessels, several of which had been converted into gunboats but later dismantled, was accidently burned. General Jack before the Bolshieviki shells began to fall in the town. With him came Otto P. Glaman, American vice consul, who had been asked by the Russian authorities to remain at his post as late as possible for the moral effect of his presence on the population during the days of evacuation. General Jack was in his praises of Glaman for valuable assistance rendered him in keeping trains moving.

Peasants Join Flight

The peasant population, as well as the bourgeoisie fled before the Bolshieviki advance. Families loaded their possessions onto carts or box cars and took the road east. Every country road leading out was filled with these carts moving in caravans, leading cows and horses, often carrying pigs and fowls. It was not unusual to find a family of four or five crowded into a box car with all their domestic animals and household goods, bound eastward with no fixed destination.

Practically no stocks of merchandise were moved. The railway machine shops were left intact as were factories of all sorts, no effort having been made to destroy them as would probably have been the case if evacuating to a foreign foe.

GARY ACCEPTS INVITATION

WASHINGTON, (AP)—Judge Elmer H. Gary, chairman of the board of directors of the United States Steel corporation, has wired his acceptance of President Wilson's invitation to participate in the industrial conference here October 6.

JAPANESE DISPUTE OVER JAPAN'S CHINESE CLAIM

Viscount Kato Attacks Viscount Uchida for Conceding in Response to Pressure from Wilson

TOKIO, (AP)—Speaking at Nagoya Friday, Viscount Kato former minister for foreign affairs and the man generally considered responsible for the treaty in 1915 with China, declared Japan would never consent to abandon her preferential rights in Manchuria and Mongolia. Viscount Kato, who is leader of the opposition party, said his organization also believed Japan's rights in Shantung were based on the treaties and agreements which he excluded from the proposed consortium in which the United States, Great Britain, France and Japan would participate.

Viscount Kato attacked Viscount Uchida, foreign minister for agreeing to substitute an international for an exclusively Japanese settlement of the Shantung question, charging that the latter had conceded in this respect was made in response to "pressure from President Wilson."

RAIL WORKERS DISPUTE OVER REPRESENTATION

Brotherhoods Claim for All Delegates Contested by Other Organizations

WASHINGTON, (AP)—Dispute has arisen between the four railroad brotherhoods and the 14 other unions of railroad employes as to representation in the industrial conference called by President Wilson for October 6.

The president instructed Director General Hines to have the railroad unions represented by four men and Mr. Hines transmitted the instructions to all the unions. The four brotherhoods accepted the four men without regard to the appointment of other delegates to the conference of the American Federation of Labor, with which the 14 railroad unions are affiliated.

D'ANNUNZIO DECLARES FUME ITALIAN QUESTION

ROME, (AP)—In a proclamation issued by Gabriele D'Annunzio to the people of Dalmatia, the post-commander of Fiume declared:

"The fate of the Adriatic must be decided only by Italians. Any other power would be intruders. We refuse to allow them to prevail."

A message from Fiume states that an American officer, Henry Fox, has arrived here and offered his services to D'Annunzio. It also is declared that an American naval officer had volunteered to help D'Annunzio defend the city.

RED FANS KIDDING THEMSELVES TODAY

Rhineland Goes Nutty Because Team Won a Bag—Have a Street Pageant

CINCINNATI, O. (AP)—Today is one of justification for the Cincinnati National league baseball team and the present "victory" program is being set out with a parade of five divisions headed by Mayor Galvin and other city officials, President August Herzog of the Cincinnati club, and owners of the club. Tonight a banquet will be given in honor of the Reds at which speeches will be made by Governor Cox and Mayor Galvin.

BRIEF SPORT BITS

They've clipped Ben John's win, to some degree, anyway.

An injunction has been issued against the president of the American league restraining him from using any portion of the league's sinking fund for his defense in the Carl Mays case.

In that circumstance said action should drop pronto, for Bannie is not known to be much of a spender—of his own money, anyway.

Sim Smiley, sagacious sage, says: "We kin forgive the angels but when a baseball writer calls the Browns the Cardinals, and the Athletics the Phillies, our patience gets groggy."

This department is strong for a Commercial club in Twin Falls so long as it does not presume to promote "rasmiling" mania.

Walt Brant, sporting authority of the Salt Lake, is howling the lack of good pitchers on the Bees staff, announces with a lot of presumption, that the Salt Lake club would have won the coast league pennant had they had a pitcher as good as provided with better hurling talent.

Aye, aye, lall and Sim Smiley would be a millionaire if he had the money.

But at that the Bees have passed through a particularly oragious-season and have accrued a lot of credit unto themselves.

Connie Mack has set a new pace. The gaffer of the Athletics, having failed to gather himself a pennant winning bunch since he disposed of all his old stars several years ago, has finally hit upon the expedient of purchasing an entire pennant winning club in a big minor league. He has bought out the entire human assets of the New Orleans club in the Southern association.

That sure is one way to heat the game. And there's a chance that it will be a winner. Now the Pelicans can take the present Athletics and start building up another machine.

While admitting that three clubs in the Southern Idaho Baseball league, during the late lamented season, possessed class B ball clubs, as far as playing ability is concerned, we are not inclined to believe a class B league could be maintained in this section next year.

Some of the teams in the league had all the talent, anyway, while the others did not have a look-in on a class X league.

Let's be conservative and talk about nothing higher than a class C league, and make it a state affair, instead of a locality circuit.

Baseball league classes are fixed by the population of the circuit they serve, and while any limit may be placed on the salary, it is quite customary to make the salaries of players commensurate with the receipts at the gate.

HARD SCHEDULE FOR GRID MEN

Caliber of Idaho Eleven Will Be Severely Tested in Utah Game

UNIVERSITY OF IDAHO, MOSCOW (AP)—Gridiron experts will be enabled to compare accurately the caliber of football played in the Pacific northwest with that which regulates enthusiasts of the Rocky Mountain region when the University of Idaho eleven meets Utah University at Salt Lake October 25. If early season form means anything, the Utah team will find it a hard fight to pick.

In Tillman Gortough and Roy Thompson of Boise, Neil Irving of Rupert and Ralph Broshars of Caldwell, Coach Blinnmaster has a powerful back field, and the Idaho line, while it may not average more than 190 pounds from tackle to tackle, should offer stern resistance to conventional plunging tactics.

The Utah and Idaho managements signed a two-year contract under which the 1920 game will be played in Boise. University alumni in southern Idaho already have agreed to handle the financing of next year's contest.

Coach Blinnmaster and his assistant mentor, E. F. Hutchinson, are devoting their principal attention to hammering the Idaho squad into condition for the season's opening encounter, an affair with Oregon scheduled for October 18. The Eugene contest is to be the Eugene eleven is composed largely of veterans, but Idaho zealots believe that Huntington's outfit is beatable.

Following is the complete Idaho schedule: October 18, Oregon at Moscow. October 25, Utah at Salt Lake. November 1, W. S. C. at Pullman. November 8, Montana at Moscow. November 15, Whitman at Walla Walla.

Table with columns: Styles, Mays and Hoffmann, Ruel, At Chicago, Detroit, Chicago.

REDLAND FIELD ACCOMMODATES MULTITUDE OF BASEBALL FANS

Capacity at Cincinnati Ball Park is Being Increased to Provide Seats for Throngs Daily Clamoring for World Series Tickets

CINCINNATI, (AP)—The home grounds of the Cincinnati nationals, winners of the National League pennant, which is known as Redland Field, will seat approximately 27,000 persons, and accommodate about 30,000 when the local team plays the Chicago White Sox, winners of the American League race for world's series championship honors.

The permanent stands seat 22,000, but by the time the first game of the world's series is begun, new seats for 5,000 more persons will have been erected. In addition fans who are not fortunate enough to obtain coupon tickets for seats will find space for about 6,000 persons.

Early in August, when Cincinnati played the New York Giants in what was considered by many baseball followers as the crucial game in the pennant race, slightly more than 31,000 persons were on the ball grounds. From this it can be seen that there will be no difficulty for at least 33,000 finding vantage places to view the games.

Close Streets, Too

New seats in left and center fields extend over the sidewalk on Western avenue and along York street and the new box seats are along the first and third base lines. Cincinnati city council, elated over the Reds winning the pennant, gave the club management permission to erect stands in the sidewalks of Western avenue and York street, closing the latter street to traffic for forty days. The playing field will be approached upon in left and center field to the extent of possibly 18 feet and about the same distance behind the catcher's position and along the first and third base lines. This will contract the playing field somewhat, but it will be possible to drive out legitimate three-base hits in left field and home runs in right.

Redland Field is considered the last

EXIT BASEBALL; ENTER FOOTBALL

Today Big Colleges Start Kicking Pigskin About—Games Are On

NEW YORK (AP)—With the baseball season on the wane, intercollegiate football made its initial bow to the sporting public today on a pre-war basis on nearly thirty gridiron throughout the country. This season marks the fiftieth anniversary of the game in America.

Among the more important games on today's schedule were: Harvard vs. Bates at Cambridge. Pennsylvania vs. Bucknell at Philadelphia. Dartmouth vs. Springfield at Hanover.

Army vs. Middlebury at West Point. Brown vs. Rhode Island State at Providence.

Associated Ads are cheap—effective.

Box seats extend along the entire front of both floors of the grand stand proper. The press box is on the upper deck of the grand stand, but it was not considered large enough to accommodate all of the newspaper men and telegraph operators reporting the world's series games; no extra seats with a temporary covering have been built on the roof of the stand for the working newspaper men.

Five street cars are routed by way of the ball park, while there is another a square away. The ball park can be reached in 20 minutes by street car from the heart of the city.

The playing field is the pride of Garry Hermann, president of the club and chairman of the National Baseball Commission. It lies about eight feet below the stands with a slight embankment along the left field extending to the fence enclosure. Left field in the sun field and many players have found it difficult to judge flies batted in that direction.

General admission and prices fixed by the National Baseball Commission will prevail at the world series games. The Cincinnati club management had announced a scheme for distribution of the 10,000 reserved tickets for public sale that virtually is a plan of placing the names of applicants in some sort of a receptacle and then drawing them out until all 10,000 had been drawn.

VALER BEATS BROOK

CLEVELAND, O. (AP)—Benney Valger of New York won the newspaper decision over Matt Brock of Cleveland in a 10 round bout last night.

SKATING CHAMP DEAD

MILWAUKEE, (AP)—Charles Fisher, nationally known ice skating champion, died yesterday. He was 35 years old and prominent as a skater for the past 16 years.

Grand Circuit Race

COLUMBUS, O. (AP)—First who were again enjoying favor yester. Roy Gratten in the 2:03 pace had trouble whatever in disposing of field. He had to stop no faster 2:04 3/4 to handle the field.

In the 2:06 trot, Prince Loree, plus to win, did not get to going until third heat, finally triumphing over heat winners, Wilkes Brower, Charley Rex, in a fourth mile, time 2:05 1/4.

The Western Horseman Futurity 3-year-old pacers, purse \$2,498.10, won by Goldie King. Signal Boy the middle heat when Goldie made break. This unexpected victory in heat paid \$64.80 in the mutuels on ticket. Best time 2:10 3/4. Louis Gratton had the 2:06 paces at hot mercy and took a new record 2:03 1/4 in the first heat.

DISTRICT SHIPMENTS OF APPLES INCREASE

Twin Falls Orchard to Send Five Hundred Cars to the Eastern Market

Apple movement from the Twin Falls district is now fully under way and it is estimated that from four to five hundred cars will be shipped this season. The fruit is generally of good quality and is expected to run heavily to the extra fancy grade now packed.

With a total movement of approximately 200 cars, consisting of both barrel and boxed apples, that of the latter shows an increase of something like one-third of those of last week on eastern markets.

Most of the eastern markets report a fairly active movement for the week, with western boxed stock mostly of California Belleflower variety selling at a general range of from \$2.75-2.85 in the middle western markets.

It was also reported that sales of northwestern boxed apples were made in the producing sections last week on the following basis: Extra fancy Jonathan \$2.40-2.45; Bomes \$2.35-2.45; Delicious \$3.40-3.75.

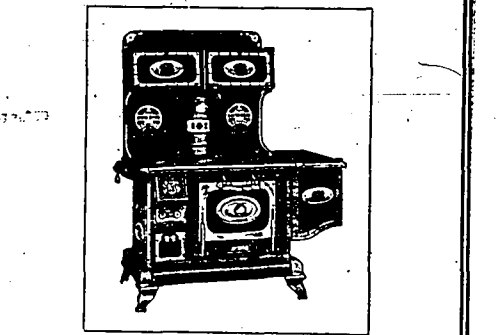

NOTICE Milkmen applying for Milk License must furnish veterinarian's tuberculin test of cows.

Clerk of said city in the Water Works building at the corner of Second Avenue North and Second Street North in said City, will receive sealed bids and proposals from contractors for the construction and completion of an inverted truss steel bridge, thirty (30) feet in width over all and four hundred thirty-two (432) feet in length, consisting of seven (7) spans of forty-eight (48) feet in length, across Rock Creek upon Shoshone street at or about the location of the present bridge across said stream upon said Shoshone Street in the City of Twin Falls, Idaho. Plans and specifications of said bridge, prepared by J. H. Murray, consulting engineer, of Billings, Montana, are now on file in the office of the City Clerk in the building hereinbefore described. Copies of said plans and specifications can be obtained from the said City Clerk upon application therefor and the depositing of the sum of Fifteen (\$15.00) Dollars, which amount will be refunded upon the return to the City Clerk of the copies of said plans and specifications so obtained. In the performance of said work the present bridge crossing said Rock Creek upon said Shoshone Street must not be closed for a length of time greater than three weeks at any one period. The cost of the construction of said bridge must not exceed Fifty Thousand (\$50,000.00) Dollars.

All bids and proposals must be accompanied by a certified check upon some reliable bank in an amount equal to ten (10 per cent) of the amount of the entire bid and proposal, which check shall be made payable to the City of Twin Falls, or order. Said check, in case of a failure of default of the successful bidder to enter into a contract for the construction and completion of said bridge in compliance with the terms of said bid and proposal and the terms of this notice, shall be forfeited to the City of Twin Falls and shall become its property.

At the time of entering into the contract for the construction and completion of the said bridge, and before the delivery of this contract, the contractor shall furnish and deliver to the City of Twin Falls, Idaho, bond in an amount equal to sixty (60 per cent) per cent. of the amount to be paid him under the said contract, conditioned for the faithful performance of the terms and conditions of the

Choice Farm For Sale!
142 acres, 3-4 mile east of Hansen, on State Highway, all good land, fenced and cross fenced with woven wire; in high state of cultivation; all in pasture and alfalfa except forty acres; no wild oats. GOOD TERMS TO THE RIGHT PARTY
SAMPSON BROS.
HANSEN, IDAHO

said contract and conditioned for the faithful performance of the terms and conditions of the statutes of the State of Idaho in such case made and provided. Immediately upon being awarded the contract the successful bidder shall enter into a written contract with the said City of Twin Falls for the construction and completion of said bridge which contract shall be delivered to the said contractor upon furnishing the bond hereinbefore provided.

Work shall commence under the said contract within ten (10) days after the delivery of the contract and the work of constructing the said bridge shall be diligently pursued without cessation until completion and the work of construction shall be completed on or before six (6) months after commencing work.

For the work performed and the material furnished under the contract the contractor will be paid in cash as follows: Ninety (90 per cent.) per cent. of the amount earned thereof, upon the estimate of the engineer in charge, during the month prior to the first Monday in each month shall be paid to the contractor on the first Tuesday after the first Monday in each month and so on until completion. The ten (10 per cent.) per cent. earned during any such month shall be retained by the city until the completion and acceptance of the work at which time the total amount earned under the contract will be paid.

The City Engineer of said City will be paid on the 1st Tuesday after the 1st Monday of the following month, and so on until the work is completed. Ten (10) per cent withheld each month will be retained until which time the whole amount due will be paid.

ATTEST: W. A. MINNICK, City Clerk.

NOTICE TO CONTRACTORS

Notice is hereby given that the Mayor and City Council of the City of Twin Falls, Idaho, will, on the 29th day of September, 1919, at the hour of 8 o'clock P. M., of said day, at the office of the City Clerk of said City in the waterworks building at the corner of Second Avenue North and Second Street North in the said City of Twin Falls, Idaho, receive sealed bids and proposals for the work of performing the labor and furnishing the material for the construction of a five foot in width concrete sidewalk, upon the sidewalk space in front of the lots embraced in Local Improvement District No. 36 of the said City of Twin

The Mayor and Council reserve the right to reject any and all bids. E. J. OSTRANDER, Acting Mayor. Attest: W. A. MINNICK, City Clerk.

DOINGS OF THE VAN LOONS

COMMERCE CLUB TAKEN ON FORMAL

Mass Meeting is Unanimous for Formation of Booster Association Here

Immediate formation of a commercial club for Twin Falls was urged at a meeting of business men, held at the Johnson Auto Sales rooms last night. The session was well attended, with the sentiment unanimously favorable to the organization project.

A president of the meeting J. S. Russell was called to the chair bringing the session to order shortly after 8 o'clock. Mr. Russell explained in detail all the purposes of the proposed organization, and named many of the anticipated advantages the club would derive from such a booster institution. Discussions and debates growing out of the statements of the chairman developed unimpaired of feeling for the club, together with a pledge of united and steady support.

Select Important Committee. One of the most important first steps toward the perfection of the Twin Falls Commercial club undertaking was the selection of an organization committee, which was given the burden of responsibility for drafting a scheme of organization. This committee is to render a report to a meeting to be held on Monday. The members are: R. H. Stevenson, chairman; S. L. Hodgkin, L. H. Dreck, J. S. Keel and L. E. Balladay.

Another committee, known as the membership committee, was chosen with W. B. Ambary its chairman. The purpose of this committee is to make a canvass of the local situation for the purpose of procuring members. It is to be made up of the commercial club. Associated with this committee are: G. E. McMartin, Asher B. Wilson, W. R. Peabody, Bert Mathis, G. W. Shroyer, Allan Fisher, E. B. Johnson, John A. Barrett, Samuel Hart, Clarence Beatty, H. R. Grant, J. S. Russell, W. H. Weaver, E. C. Lavering, A. R. Anderson, W. C. Hollingsworth, William Warberg, V. H. Ormsby, Hal G. Blue, Edward A. Borden, Burton E. Moore, D. L. Alexander, A. G. Bennett.

Membership Drive Planned. This committee will be organized for a membership drive. It is to take some further necessary preliminary steps toward perfecting the scheme of operation and deciding upon the functions of the club have been made. The members of the committee propose to occupy all of the time intervening until the next meeting, October 30, canvassing the general situation locally with a view to strengthening the proposition so that when final plans are perfected there can be no suggestion of failure through apathy.

That opinion favorable to the establishment of a Twin Falls Commercial Club is practically unanimous in this city is manifest in the number of business men who have signed pledges for the support of such an institution. Those signing the petitions circulated are: Signatories: F. T. Keenley, H. L. Maxwell, E. E. Booth, J. A. Keefer, J. P. Johnson, E. H. Sizor, E. G. Brad, N. J. Kofer, Charles L. Hart, P. D. Brown, Ross L. Douglas, J. S. Russell, C. H. Mull, H. R. Grant, T. A. Harrison, Edw. A. Wilson, L. T. Wright, W. O. Taylor, W. B. Ambary, W. E. B. Murray, J. E. DeWitt, Geo. R. Esley, G. D. Aiken, L. E. Smith, Chas. F. Clift, C. M. Smith, Jno. R. Taylor, F. W. Damske, Richard Hensing, Thos. M. Robertson, E. F. Walton, B. Marsh. Hal G. Blue, R. C. Letch, Edw. S. Johnson, L. E. Balladay, W. E. Nixon, E. H. Brown, A. L. Beckenridge, G. F. Hahn, N. P. Puttello, Charles A. North, E. M. Wolfe, Wm. Baker, Don Lyman, A. L. Swain, F. F. McAtee, J. E. White, Samuel Hart, George F. Egan, W. J. Williams, E. R. Egan, E. G. Wagoner, Burton Morse, Straus & Glicker, C. V. Parks, Enoch Wall, W. O. Weyer, off, Charles E. Bewell, G. P. Duval, George M. Dow, L. V. Moore, J. S. Moore, J. S. Moore, R. H. Stevenson, T. C. Hackman, C. S. McMartin, A. J. Myers, J. A. Barrett, R. T. Logan, Stuart H. Taylor, R. E. Anderson, E. Brad, W. Williams, C. E. Lind, L. Clow, P. H. Smith, T. J. Woods, F. C. Dawson, D. D. Alford, B. M. Spargur, C. A. Ames, Arthur Hill, W. E. Decker, F. E. Varney, Ed Tolbert, H. S. Cowling, Arthur J. Peavy, A. B. Colwell, Robert H. Lutz, Morgan G. Hoop, Charles H. Robbins, E. M. Cook, L. P. Erickson, F. C. Smith, R. E. Persinger, E. Walters, L. Rasmussen, H. L. Dinkelacker.

PERMITS TO BUILD. The following building permits were issued yesterday afternoon and this morning by the city clerk: To E. E. Kall, one story frame dwelling, lots 21 and 22, block 20, to cost \$2000; to R. P. Payne, dwelling in Murtagh Orchards addition, 32 by 36 feet, to cost \$4000; to R. P. Payne, dwelling in Murtagh Orchards addition, 26 by 36 feet, one story frame, to cost \$3000; to R. P. Payne, dwelling in Murtagh Orchards addition, 32 by 36, one story frame, to cost \$4000.

ACTION DENIED. The action brought in the probate court by J. E. Doughty against D. S. Reynolds involving an account alleged to have had an account of \$239.40 for work, was this morning dismissed in the probate on motion of the plaintiff. The latter assumes all costs incurred in the trial of the case. A counter-complaint has been filed by D. S. Reynolds in this case alleging damages to the extent of \$500 against Doughty.

DIVORCE IS GRANTED. Yesterday evening, in the district court, Judge W. A. Babcock presiding, W. H. Emanuel was granted a divorce from a default appearance, from Mrs. Erickson. The charge was desertion.

REPORTS ONE STRIKE IN MINE AT CONTACT

Manager Gray, of Mammoth Property, Tells of Finding Copper Body

Most momentous news emanating within the past decade from the Con. Nevada, copper mining district, is the one brought today of the strike in the Mammoth property of 15 feet of low grade copper ore. Distinguished from other strikes of recent years in this district, the ore body opened up in the Mammoth property is encountered at a considerable depth which is the condition most desired by the operators. A tunnel had been driven into the property two months ago under a distance of 1,400 feet. It is stated that the company is perfecting plans to install its own power plant and to start the property for the development of the wealth revealed by the strike.

SPUDS MARKET FALLS UNDER BIG RECEIPTS

Shipments to Eastern Markets Appreciably Affect Selling Price

With total shipments reaching 5280 cars for the week as compared with 3588 cars last week, a gain of 1692 cars is shown and, as a result of which, supplies on the principal consuming markets were generally shown in liberal supply, and to which it is presumed the losses of the early part of the week are due. The chief feature of the Chicago market was the marked decline of \$1 Monday for U. S. No. 1 Idaho Rusals, when one car sold for \$2.85, and on Tuesday Minnesota Rusals were down to the low level of \$2.20-2.30. However, there appeared an improvement on Wednesday and a slight gain was shown for that day, with a further advance for Thursday at sales ranging as follows: Minnesota Rusals No. 1 sacked and bulk \$2.40-2.50 per cwt. and Idaho Rusals of fair quality and condition were reported at \$2.80-2.90.

Denver remained steady and unchanged throughout the week at the following prices, with sales in small lots to retailers: Colorado Rusals No. 1 sacked \$2.75-2.90; Colorado Rusals No. 2 sacked \$2.65-2.85; Round Whites and Triumphs sacked, \$2.75-3.00; Greeley District—Whites sacked \$2.80-3.00; Whites sacked \$2.75-3.00; Idaho Rusals U. S. No. 1 sacked \$3.00-3.25. Idaho Rusals of U. S. Grade No. 1 were selling Monday at \$2.50-3.00, and on Tuesday at \$2.50-3.00. The Omaha market, with Thursday's sales at \$3.10-3.25, and St. Louis reported sales at \$3.10-3.35 Monday, with Thursday's sales around \$3.10 on a steady market.

FILER BREEDER WINS AWARDS

L. S. Otto Prominently Mentioned in Exhibits of Price Swine

BOISE—(Special)—L. S. Otto, of Filer, was one of the principle winners of the swine awarded in the Furber Jersey swine class at the state fair. His winnings are: Junior champion boar—L. S. Otto on Ace of Kings. Boar, 1 year and under 13 months—Second, L. S. Otto. Boar, 6 months and under 1 year—First, L. S. Otto. Boar, under 6 months—First L. S. Otto. Sow, under 6 months—Second, third, sixth and seventh, L. S. Otto. Boar and three sows under 1 year—First and third, L. S. Otto. Boar and three sows under 1 year, bred by exhibitor—First L. S. Otto. Four animals, any age, either sex, get at 1 year—First, third and fifth, L. S. Otto. Four animals, any age, either sex, produce of one sow—First, third and fourth, L. S. Otto.

Deaths

Funeral services for Mrs. Edith G. Purdy, wife of Frank Purdy of Jerome, who died at 10:30 o'clock Friday morning at a local hospital following an operation, will be held at 10 o'clock Saturday morning at the residence of the deceased. The date to be determined upon receipt of advice from relatives elsewhere. Mrs. Purdy was well known in Rogerson, where she had a home for many years after coming to Idaho 10 years ago, residing later in Jerome and during the past year in Twin Falls. She leaves besides her husband, one son, James E. Purdy, 14, two brothers, James F. Cole of Twin Falls, and Perry S. Cole of Corning, New York, and one sister, Miss Hattie Cole of Chicago, who is here.

TWO RACING HALLOONS ARE STILL IN AIR. ST. LOUIS, MO. (AP)—The first of the five balloons that left last night in the army-navy halloon race, came to earth four and a half hours after the start, in St. Louis county at 10:30 o'clock last night. The other two of the five starters were still in the air, and the judges believe to be still in the air, are the army-navy balloon, the one owned by Capt. E. P. Phillips and pilot, Byron T. Burt, and the navy halloon from Washington, D. C., piloted by Lieut. R. Emerson and Ensign P. L. Stoen.

ENTIRE COUNTRY FACES FAMINE OF SUGAR—RATIONING IS URGED

Granulated Stocks in Twin Falls about Depleted with Nothing in Sight to Relieve Situation before Middle of October—Government Supervision Demanded

The first of the new crop of beet sugar will not reach the local market for two weeks. In the meantime there is practically no granulated sugar in stock in Twin Falls. This week's granulated sugar has been delivered in excess amounts of granulated sugar for table use. They are not serving cubes, or loaf sugar. What little of the former sort they have on hand is to be used for cooking, such as cake baking. Distributors urge with emphasis re-employment of sugar consumption in Twin Falls, not only in restaurants, bakeries and such places where large amounts of granulated sugar is largely consumed, but in all households.

Some Specials Available. There is a fair supply of "bread" sugar for coarse baking, and also considerable special sugar, such as powdered and cube, in stock here, but of the variety that can be used in cooking is restricted to a very few bags. Cane sugar will not be on the market before the middle of January, or the first of February. According to one prominent local distributor the prospects of a sugar famine next year are grave. He predicts early rationing, and expects that restrictions to be as rigid as during the war.

Dry Weather Didn't Hurt These Farms

WHILE many north side ranchers may have failed to reap big harvests this year there are many others who report good crops of both wheat and corn. C. L. Donohue, whose place is one mile south from Fall City, yesterday reported having sold his wheat yield from 32 acres for \$4400. The total yield was 2200 bushels. He also took two cuttings of alfalfa from his hay lands. O. C. Chandler, living two and one half miles southwest of Jerome, reports a yield of 3000 bushels of wheat from 50 acres, the patch yielding 60 bushels per acre. Al White, who reported to be of fine quality.

YOUNG MAN ARRESTED ON BAD CHECK CHARGE

Reynold Cox Again in Grip of Law's Strong Arm—Felony Accusation

Reynold Cox, aged 21, was arrested at noon today by Sheriff A. N. Sprague, on a charge of fraudulently obtaining money on a check. Cox, according to Juvenile Officer John R. Smith, has operated in various parts of the country during his brief career, and on several occasions has been arrested here on misdemeanor charges. His operations extend into Iowa and Idaho, according to the young man was reared in this vicinity. Wilson Brothers, merchants of Kimberly, have been victimized and so has the local firm of Straus and Glicker, as well as others.

Report of Pogroms in Siberia Denied

WASHINGTON, (AP)—Reports of pogroms in Siberia were denied in an official dispatch from Ernest L. Harris, American consul general at Omsk, received today at the state department. The message said: "At no time has there been a single pogrom since Kolschak came into power."

SOCIAL REFORM BALE'S SUBJECT

Eminent Lecturer of Ohio Will Appear on Local Platform October 6

The first number on the Twin Falls Lyceum course will be a lecture by Mr. B. Bale, known as the youngest mayor in Ohio. The number will be given on October 6, in the Lyceum theatre. Mr. Bale is an attorney by profession and while practicing this profession he became prosecutor in the juvenile court of Columbus. He served four years in this capacity and won the distinction of handling 1500 cases annually. He gave up this work to enter the campaign against the proposed amendment to license the liquor traffic in Ohio and in 1913 was appointed attorney for the Ohio Anti-Saloon league of the Canton district. His subject deals with the need for reformation, and he tells where and how to begin this labor.

Following the Gale lecture the course numbers will come in the following sequence: Hettie Jane Dunnaway, November 10; Metropolitan Singers, November 20; Maude Willis, December 3; Mark Sullivan, December 10; Artists Trio, December 20; Howard Quintal, December 28; The Mayers, December 28; Bertha Farmer company, February 12; The De Mills Quartet, February 23; Arthur Wayne Evans, March 3; Frank Bohm, March 20; Bertha Tamburini, March 27; The Mayers, Howard Talt, date yet to be announced.

LOCAL INSTITUTIONS VISITED BY THIEVES

Bottling Works and New Building Entered During Night—Small Loss

Two burglaries, decidedly amateur in operation, were committed in Twin Falls last night. One robbery was at the Blue Lakes Bottling Works, corner of Shoshone street and Sixth avenue, south, and the other at a new building being erected in the 300 block on Second avenue west. Nothing of great value was taken from either place, and a couple of pairs of spectacles, belonging to the office force. Entrance was made by climbing over a shed roof. At the building on Second avenue west, being erected by A. A. Moon, the work seems to be that of boys, only light tools and screen door bending being carried off. No trace of the perpetrators has been discovered.

SUIT FOR TAX FOROLOSURE

Grace E. Keith has instituted proceedings in district court on tax foreclosure against Mr. and Mrs. John G. Zollman, G. G. McAllister, Mrs. and Mrs. William G. Evans and Asher B. Wilson. The property involved is described as lot 24 block 129 Twin Falls townsite.

STOLEN CARS, \$25 REWARD. Ford cars, License No. 1466, and 1928 have been stolen. Any person having information that will lead to the recovery of these cars will please report to my office and receive reward.

KNOCKED OFF WHEEL; LAD HAS LEG BROKEN

Jack Sheehan is Run Down by Fred Keller Receiving Serious Injuries

Jack Sheehan, 11-year-old son of Mr. and Mrs. H. F. Sheehan, is at his home nursing a broken leg and has several severe hurts to the other. The injuries resulted from an accident Thursday night. According to the boy's statements he was riding a wheel on Shoshone street about 7:30 Thursday night and had reached a point in front of the Twin Falls Title & Abstract company's office, when a Ford car driven by Fred Keller, of the D. M. Denton Real Estate and Trust company, struck him from the rear, knocking him off the wheel and mauling over both legs. The right leg was broken. Young Sheehan is a newspaper carrier, and had just completed his rounds and was on his way to a moving picture show when the accident occurred. He was taken to his home by Mr. Keller.

TO SAFEGUARD HEALTH OF VARSITY STUDENTS

In Case of Another Epidemic Hospital is to Be Established

UNIVERSITY OF IDAHO, Moscow, (Special)—If influenza again appears on the University of Idaho campus or if some other serious epidemic becomes threatening, payment will at once be suspended on individual claims against the university health fund and the entire amount devoted to the equipping of a hospital or to some other purpose consistent with the welfare of the entire student body, according to an announcement made today by Professor Howard T. Lewis.

JAPANESE NAVY TO BE PUT THROUGH MANEUVER

Mikado to Be in Personal Charge of Naval Evolutions on High Seas for the First Time

TOKYO, (AP)—Coincident with the return of the emperor and empress from Nikko Friday it was announced that extensive naval maneuvers would be carried out by the entire Japanese navy with the exception of ships in distant waters in the Pacific ocean off the southeastern coast of Japan, beginning the middle of October. The maneuvers will be under the personal supervision of the emperor, this being the first time that the emperor has been in charge of evolutions on the high seas. It is understood that Japan will appropriate \$125,000,000 for aviation, the program to extend over four years.

Burmese Marriages

A curious idea among the Burmese is that people born on the same day of the week must not marry. Hence each girl carries a record of her birthday in her name, each day having a letter belonging to it, and all children are called by a name that begins with that letter.
