

UTAH AND IDAHO COMPETE TODAY

On Mormon City Field Inter-mountain Elevens Will Do Battle

SALT LAKE CITY, (AP)—University of Utah and University of Idaho gridiron football teams will clash here today in what is expected to be one of the hardest fought games of the season. Although Idaho may defeat a week ago at the hands of the University of Oregon, they reached here last night confident of retaining to Moscow the victors.

CHICAGO, (AP)—Both teams slightly weakened by accidents, the University of Chicago and Northwestern University football elevens lined up at Stagg field here today for a contest that was to decide whether Chicago was to continue in the race for western conference honors. Northwestern was eliminated last week by Wisconsin. Chicago was picked as the victor in today's game, but it was expected the margin would be slight.

URBANA, ILL., (AP)—Illinois and Wisconsin met in a game here today that would put one of the football elevens out of the running for the "big ten" conference championship. Illinois' hopes were raised when it was ruled that Jack Cronk, 195 pound fullback, was eligible, but so closely did the teams appear to be matched that no one would hazard a guess as to the final score. The Illinois elevens in its previous games this season humiliated two conference opponents. The Wisconsin was victor in its only previous conference contest.

MINNEAPOLIS, MINN., (AP)—The University of Michigan football team was out for revenge in its annual clash with Iowa here today. Last year Iowa scored its only victory over Minnesota and the Gophers were determined to make up for the defeat. A heavy rain yesterday made the field heavy today.

ANN ARBOR, MICH., (AP)—Ohio State and Michigan, two of the five western conference football teams which went into today's contests unbeaten, clashed here in what was considered by many to be the most important "big ten" game of the day. A defeat for either team meant virtual elimination from the conference championship race. Ohio state was determined for her first victory over the Wolverines who have downed the Buckeyes thirteen times and been held to a tie twice in fifteen years.

PRINCETON, N. J., (AP)—Colgate came here today with one of the fastest and smoothest working football machines in the east. In addition to this Princeton elevens entered the contest confident in their ability to pull out a victory. Coach Hoper said his team had made great improvement during the week and that it would give a good account of itself against the Maroon elevens.

WEST POINT, N. Y., (AP)—The army will face Boston college on the football gridiron here this afternoon. The cadets are out with one effort will be spared to down the Bostonians who are admitted to have a strong team.

BERKELEY, CAL., (AP)—The University of California elevens was matched here today with the Washington State college football team, which includes five of last year's powerful Fire Island marine elevens.

CORVALLIS, ORE., (AP)—Stanford university playing an American football to meet the Oregon Agricultural college football team here today on the "Aggies" home grounds. A special train brought Stanford alumni from northwestern cities.

DENVER, COL., (AP)—Colorado college vs. the University of Colorado at Boulder and Denver university vs. the University of Wyoming at Laramie are the Rocky Mountain conference football games scheduled for Colorado and Wyoming this afternoon. The Colorado School of Mines will play the University of New Mexico at Albuquerque.

KRENGEL'S BAD FOZZLE SETS BACK BRUINS FOR 4TH DEFEAT OF YEAR

Twin Falls Sub Quarterback Kicks When He Should Have Passed, and Buhl Wins Stern Contest 13-6—Bad Sportsmanship is Charged Against Westenders

Losing the game on an off kick by Krengel a few seconds before the whistle blew for the end of the third quarter, the team from Twin Falls high school went down to defeat before Buhl at the west end town yesterday afternoon for the fourth consecutive defeat of the season. The score at the end of the game was 13-6. The score was on the verge of being evened up when, with the ball less than 10 yards from the Buhl goal, Quarterback Krengel made a pass which caused the loss of the game.

Stage Fight Again?
The contest opened inauspiciously for the Bruins anyway. Buhl put over two touchdowns in the first ten minutes of play and was unable to hold the Grizzlies, and King went back in the second quarter and assumed the offensive, sending King over the Buhl goal for its lone score. King failed to kick and shortly afterwards the whistle blew.

Twin Falls kicked off to Buhl at the outset of the third quarter and gained yardage, but it was unable to hold the Grizzlies, and King went back in the second quarter and assumed the offensive, sending King over the Buhl goal for its lone score. King failed to kick and shortly afterwards the whistle blew.

Buhl Hits Line Hard
The fourth quarter was all Buhl's. Her men crashed through the Twin Falls line time and again and when the final whistle blew the ball was on Twin Falls' 15-yard line.

Twin Falls was good on tackling, but its weakness on passing was a great disadvantage. Buhl also had a weakness in passing which was apparent. Complaints have been made by those Twin Falls people visiting Buhl yesterday and by members of the team against the Buhl type of sportsmanship. As the Twin Falls men left the field for the high school, it is reported they were hooted and jeered at by the Buhl crowd. A fist fight which showed promise of developing into a free-for-all was stopped quickly by Coach Demman when one Twin Falls player engaged a Buhl roofer.

Lineups

STROBACH	STROBACH	MCQUOWN
DENTON	LG	CARLSON
PUTZNER	RG	BYRMIER
KUHNY	LT	BARKEE
A. BALJOY	RT	BARRIGER
NEWMAN	LE	HOBSON
HASENBALG	RE	J. LOW
EPER	RHB	DAU
R. KING	CHB	CLINTON
PHIPPS	CB	ANGELOW
KRENGEL	QB	F. LOW

Substitutions
Buhl—Baymiller for McQuown; Gorney for Baymiller; Hart for Barker.
Twin Falls—None.

Refered—Paul Amos of Buhl, Linesman, Taylor and Balloy, Twin Falls. The men winning their letter by playing in the Buhl game are Watson, Newman, Strobeck, Phipps and King. The Bruins have four more games to play on the 1919 schedule. Next week Hopper will play on the local level, the following week Phipps will play at Burley. The third game will be played at Gooding and the final, a contest with Buhl, will be staged on Lincoln lot.

WILLIE HOPPE LEADS GUESTS IN TOURNEY

Chicago Billiard Wonder Continues to Win Against the Challengers

NEW YORK, (AP)—Yesterday was high score day at the national 10.5 ball line championship billiard tournament. Welker Cochran of Detroit won two games yesterday, in the first of which he defeated the veteran, George Stinson, of Boston, finishing the game in the tenth inning with a new world's record run of 205.

In last night's game Cochran defeated Jake Schaefer by 400 to 257. In doing so he left the championship title safe for Willie Hoppe. Incidentally Cochran made another high run last night, his 188 beating by three points the high mark set for the tournament Thursday. Earlier in the day Hoppe won his fifth consecutive victory when he defeated Stinson.

Hoppe	Won	Lost	Pct.
Hoppe	5	0	1.000
Cochran	4	2	.667
Schaefer	3	2	.600
Morningstar	3	2	.600
Yamada	2	3	.400
Button	2	4	.333

Brief Bits of Sport

Anybody want to rent a scrappier?

J. W. Foreman, a lightweight battler of no mean ability, is open for engagements.

This young man formerly a khaki worker for Uncle Sam, is reputed to be some handy chap with his fists, and is anxious to get into the game hereabouts. He did a lot of good work during his period of service activity in Chicago, and was athletic instructor in his concentration camp.

Sim Smiley, agebrush sage, says: "A feller may be all you think he is—an' worse—but 'aint always safe to expound your cherished convictions in his presence."

We haven't much of an opinion of Jack Dempsey, champion pugger of the world, as a first-class fighter, but we do entertain a conviction that if he ever meets Joe Beckett, English champion, the result will be favorably to the Salt Lake.

There's dope and dope—some of it is worth while and some isn't. For instance, there's the dope we peddled before yesterday's game at Buhl.

But why dwell upon it!
The state athletic commission evidently is no stronger for "meal ticket" performers than we are. It has put the ban on the Plostin-Bonomoff match, scheduled to be held in Caldwell.

'Rah for the' commiss!

That's a bunch after our own heart. The commission decided that Bonomoff is only an exhibition wrestler and not a regular athlete. He is getting by on his marvelous physical development, and has worked a number of audiences in this state for good money. Both Boise and Buhl fell for him.

If the commission will now take action against the grapplers who engage in matches with these "meal ticketers" we'll be right tickled.

Eddie Herr, deposed manager of the Salt Lake Beer, tells the scribes in the circuit that he has lined up a job with another club of the Coast league.

Bob Martin, champion heavyweight battler of the inter-alleied armies, is to fight Joe Bonds, in Akron, Ohio, on the night of October 28.

This is called, by eastern writers, Bob's "baptism of fire." Bonds was a fair third-rate fighter ten years ago. Classified Ads are cheap-effective.

BALKAN DEFEATED

SALT LAKE CITY, UTAH, (AP)—Jim Loudos, the Greek wrestler, defeated Dan Petroff the Balkan wrestler last night in a hard fought match. Petroff gained the first fall in nine minutes with a jack knife hold. Loudos won the second after 66 minutes with a flying mare and Petroff also took the third with a toe and reverse body. Loudos surrendered the first fall in a claim filed by the New Orleans club for \$4,000 for Player Waite C. Hoyt. The Boston club had already agreed to pay \$2,500 for the player. A mix-up in telegrams was the cause of the controversy.

BOSTON GETS PITCHER

CINCINNATI, (AP)—The national baseball commission yesterday decided in favor of the Boston American league club in a claim filed by the New Orleans club for \$4,000 for Player Waite C. Hoyt. The Boston club had already agreed to pay \$2,500 for the player. A mix-up in telegrams was the cause of the controversy.

UNIVERSITY TEAMS MEET

OMAHA, NEB., (AP)—The football teams of the University of Nebraska and the University of Oklahoma met here this afternoon. Both squads are about the same weight and a hard fought contest is expected.

BAUM'S RESIGNATION IS FINALLY ACCEPTED

Coast League Now Needs New President—Towns Bid for Places

SAN FRANCISCO, (AP)—The resignation of President Allan T. Baum of the Pacific Coast league of baseball clubs was unanimously accepted at the annual meeting of the league here today, according to an announcement by some of the delegates.

Towns, represented by Dick Egan, former second baseman of the Cincinnati National league club and Vancouver, B. C., are seeking membership in the league, it was announced.

SWIMMING RECORD

MONTREAL, (AP)—Handy of the Detroit Athletic club broke a Canadian record here last night when, in the annual meeting of the league here today, staged by the National A. A. he defeated George Vernon of Montreal in the 100 yards free style event with a time of 57 seconds.

THE UNIVERSAL CAR

There are more than 3,000,000 Ford cars in daily operation in the United States. This is a little better than one-half of all the motor cars used in America. The Ford car is every man's necessity. No matter what his business may be, it solves the problem of the cheapest transportation. We solicit your order now, because production is limited, and we must make it the rule to supply first orders first. Touring Car \$525, Runabout \$500, Coupe \$650, Sedan \$775, Truck Chassis \$550. No responsibility is assumed for the circulation of any newspaper or other contributed matter.

EASTERN REPRESENTATIVES... George E. David Co., Inc., 171 Michigan...

MEMBER OF ASSOCIATED PRESS... The Associated Press is exclusively entitled to the use for publication of all news dispatches credited to it...

CONFLICTING ROLES... Distribution, under the frank of a United States senator, of an official document containing statements of certain witnesses before the senate-

foreign relations committee pertaining to the Czechoslovak republic in relation to the claims of Hungary indicates a new departure in the field of American affairs, and one beset with danger and difficulties.

The question, strictly from an American standpoint, in this instance and in others similar to it, is not as to the righteousness of the views of the Czechoslovak representatives or as to the justice of the claims of the Hungarians.

The problem presented is—what can America do in these premises? Citizenship of the United States is composed both of Czechoslovaks and Hungarians, along with the many other nationalities here cast into the world's gigantic melting pot.

Horrorful American political considerations have had to do with internal affairs and when international questions were involved it was as between America and another nation or nations.

In such a situation it is but natural that representatives of these nationalities should make secondary whatever disposition he may have had toward merely American institutions and remember first that he is a national of one of the nations involved in the dispute.

For a notable exemplification of this fact it is only necessary to refer to the situation in America prior to American entrance into the war, as between natives of Germany and the nations upon which she was warring.

It is rather likely, so long as the existing order obtains in reference to man's spiritual development, that the interests and, perhaps, even the preservation of American nationality will require a retraction in some degree from the idealistic standards we are setting for ourselves in international affairs; and is perhaps just as well that a path closer to the ground should be adopted, because it is not to be denied that America has well served the world in its capacity as melting pot, moulding and uniting diverse nationalities in appreciation of higher standards of human rights and liberty than have existed heretofore.

It is very possible that America, in pursuance of her course heretofore, has rendered a larger measure of service to the world than she can possibly render in an attempt to sit in judgment in the dispute of foreign nations; and it is a very serious question whether America...

diversity of the elements entering into her citizenship, to discharge successfully the duties of an international arbitrator.

REVOLUTION IN MEXICO IS DECLARED FAILURE

Leader of Government Minority Says Overtun Made by Ambitious Men

WASHINGTON, (AP)—Deputy Martines Del Rio, leader of the government minority in the Mexican chamber of deputies, admitted during a recent debate that the revolution that brought the present government into power was a failure, according to a statement he made in Washington today. The debate occurred at one of the stormiest sessions ever known in a Mexican congress when the session, it was said, broke up in disorder with numerous men being known to have questioned the withdrawal from President Carranza the "extraordinary powers" under which he has decreed numerous laws known as the "laws of the revolution."

AERIAL RACE CONTINUES UNDER BAD CONDITIONS

Seven Aviators Take Air Today in Effort to Complete Contest

CHICAGO, (AP)—Twelve on the second lap of the twice trans-continental air plane endurance and reliability race again today faced bad flying conditions and little more flying than yesterday, when only one of the 112 miles before the weather forced him down, was in prospect. The number of racers attempting to complete the 3,492 mile course today was raised to seven when it was announced that Lieutenant W. C. B. Brown planned to take the air in a new machine from Birmingham. The machine, which had been wrecked near Reno, Nev., last night, was flying east, was today the only pilot nearer his home than yesterday. He progressed from Sidney, Neb., to North Platte, Neb., yesterday despite the adverse flying conditions. He was 1,491 miles from his journey's end when he had for over eight hours.

LANE SUPPORTS PLAN FOR NEW CONFERENCE

Advices President of Recommendation for Industrial Peace

WASHINGTON, (AP)—Secretary Lane, who was chairman of the national industrial conference, reports today that President Wilson is supporting the recommendation of the public group that a new conference be constituted at once to carry on the work for which the original conference was called.

RADICALS' TALK HURTS UNIONS

Reports of Red Activities in the Steel Strike Exaggerated Says Witness

WASHINGTON, (AP)—Reports of "red" activities in the steel strike have been exaggerated, the senate committee investigating the strike was told today by W. A. Hattenburg, a striker from Gary, Ind. "All of this weight has been put on talk about radicals to hurt us," he said. "This is an American Federation of Labor strike."

Defends Organization "We can't protect ourselves unless we have organization," he explained. "The wages now are paid on a basic eight-hour rate. If the hours were reduced the pay would come down. We wanted to negotiate that question."

Mistakenly Cause Unrest The committee's attention was shifted from Gary to Pittsburgh, when Sheriff Wm. S. Haddock, of Allegheny county, Pennsylvania, appeared with a statement that 5,000 deputies had been sworn in since the strike began in his jurisdiction.

Quits Job for Appearance Bernard Moyo, a striker who served as chairman of the plant collective bargaining system at Bethlehem, said he quit both his job and the chairmanship because the company's policy toward the shop committee made it appear that he was being misled to riot instead of enforcing the demands of the men.

Merchants buy in the best markets that they may best serve your interests. The ad.

KNIGHTS TEMPLAR, ATTENTION!

A Special Conclave of Twin Falls Commandery No. 10 will be held Monday October 27, 1919, for the purpose of conferring the Order of the Temple upon several candidates. The work will commence promptly at nine o'clock in the morning (new time) and continue throughout the day. Lunch will be served at the hall at twelve o'clock, and dinner at the hall at six-thirty. All knights are earnestly requested to be present at nine o'clock sharp (new time).

KING LEAVES FOR WEST POINT BY HYDROPLANE

NEW YORK, (AP)—King Albert of Belgium, accompanied by Count Guy D'Oultremont and Special Agent J. M. Nye of the state department, left in a hydro-airplane for the West Point military academy at 8:45 o'clock this morning. Prince Leopold and other members of the Belgian royal party departed by train for the same point shortly before 8 o'clock.

Today's Markets

Omaha Livestock... Market 10 to 25c lower; top \$13.10; bulk \$12.35 to 12.75; heavy weight \$12.60 to 13; light weight \$12.55 to 13; heavy packing, smooth \$12.35 to 12.60; packing, rough \$11.75 to 12.35; pigs \$12 to 13. Cattle receipts 1,600; compared with week ago, good and choice steers steady to 25c lower; canners and cutters 15 to 20c lower; bulls steady; veals steady to 40c lower; choice feeders 25c lower; others and stockers 50 to \$1 lower. Sheep receipts 2,000; compared with week ago, lambs 25 to 50c lower; sheep and yearlings 25c higher; breeders and feeders steady.

Chicago Produce... CHICAGO, (AP)—Bitter higher; creamery 50 to 60c; eggs unsettled; receipts 2,770 cases; first 56 to 57c; ordinary first 49 to 51c; at mark cases included 51 to 55c; storage packed first 59 1/2 to 60c; poultry alive first; springs 22c; variety 16 to 28c.

Chicago Livestock... CHICAGO, (AP)—Hog receipts 5,000; strong; bulk \$12.55 to 13.25; top \$13.35; heavy \$12.75 to 13.25; light \$12.60 to 13.25; heavy packing, smooth \$12 to 12.50; packing, rough \$11.75 to 12; pigs \$12 to 13. Cattle receipts 3,000; compared with week ago, prime steers steady; others unevenly 50c to \$1 lower; she-stock and bestologna and butcher bull 25 to 50c higher; feeders steady; best western steers steady; common grades 25c lower; best western she-stock big quarter higher. Sheep receipts 2,000; compared with a week ago, fat lambs steady; yearlings mostly 50c higher; feeding sheep strong to 25c higher; breeding ewes strong to 50c higher; feeding lambs 50 to 75c higher.

Grain and Produce... CHICAGO, (AP)—Traders in corn advised a waiting attitude today, and refrained as much as practicable from incurring any new risks. The uncertainty of the industrial outlook was chiefly responsible for the caution shown. Price changes were narrow as a result of the small volume of trade. Opening quotations, which varied from 1 1/2c decline to 3/8c advance, with December \$1.25 1/4 to 1.23 1/2 and May \$1.23 1-8 to 1.23 5-8, were followed by a slight general setback. No aggressiveness developed in the

Chicago Produce... Liberty Bonds... NEW YORK, (AP)—Final prices on Liberty bonds were: 1-1/2's \$100.72; first 4-1/4's \$95.30; second 4-1/4's \$95.50; third 4-1/4's \$95.30; fourth 4-1/4's \$95.70; Victory 3-1/4's \$99.00; Victory 4-1/4's \$99.00.

80 Acres on Sucker Flat... Perfect laying eighty acres on Sucker Flat, in good state of fertility. Fenced with woven wire, good four room house, stable, garage, chicken house, cave, deep well. 12 acres in alfalfa. 40 acres, two crops from alfalfa. 10 acres, one crop from alfalfa. Small family orchard. Balance bean ground. \$310.00 per acre—\$7,000.00 cash and easy terms on balance. This is a good buy and you must get busy right away if you want it.

Social Notes

Mrs. Jay P. Green, of Oklahoma City and Mrs. Paul Haag, of Sandpoint, Idaho, were the honored guests at a party Wednesday afternoon at the home of Mrs. J. Green...

Miss Bernice Robinson, little daughter of Mr. and Mrs. C. A. Robinson, entertained thirteen little girls at a Halloween party last evening.

Mrs. E. P. Duapl entertained the Addison avenue club yesterday. It was decided to accept the invitation of the Brevitts Century club to participate in a host and experience day on November 4.

In honor of L. L. Young, who soon leaves Twin Falls for Boise, and as welcome to Hal G. Blevins, new teacher of the men's Bible class of the Methodist Episcopal church, a banquet and social evening was enjoyed in the church last night.

Judge and Mrs. E. A. Walters entertained at a delightful supper after the theater last evening. The guests were Messrs. and Mrs. J. L. Woods, Leonard Smith, J. S. Bussell and Miss Mildred Baragona of Shoshone.

PHYSICIAN DISAPPROVES OF DEMANDS ON WILSON

WASHINGTON, (AP)—"President Wilson is slowly gaining in strength," said a bulletin issued today by his physicians, Rear Admiral Grayson, and Stitt and Dr. Sterling Ruffin of this city.

Dr. Grayson said he did not approve of the president being bothered with business cares today and this was taken to mean that the prohibition enforcement bill would not be placed before him until next week.

Postmaster General Burleson presented to Dr. Grayson today several matters he desired brought to the president's attention.

BRITISH ARE WELCOMED BY AFRICANS AS RULERS

Sir Horace Byatt to Open Headquarters in Former German East Africa Under Mandate

LONDON, (AP)—Sir Horace Byatt, administrator of what was formerly German East Africa, soon will leave England for Dar-es-Salaam, which will be the new headquarters of the government under the mandate of the league of nations.

Meantime it is reported all is going smoothly. The old German native army has melted away and the country is now governed by three battalions of the King's African Rifles from the neighboring colonies.

TO TAKE BACK GIRL

Bert Empey, a deputy sheriff of Idaho Falls, with Mrs. Empey, socially defunct for this occasion, reached Twin Falls yesterday to take charge of Thelma Miller, 15 years old, who was arrested here yesterday by an attempt of the sheriff's force.

APPEAL IS TAKEN

In the action brought by F. M. Duffield against Joseph Okawon, where judgment was returned in the district court against the defendant for \$1312.40, with \$21.40 costs, notice of appeal to the state supreme court has been filed.

TRAMPING A BEAT AGAIN

Robert Graham, of the Twin Falls police force, has returned from Lavo Hot Springs, where he spent the past ten days on vacation.

Deaths

Funeral services for Mrs. Mary Wallace, were conducted this afternoon by the Rev. Father Romy Kayser, in St. Edwards' church. Burial was in the Twin Falls cemetery.

Funeral services for Mrs. Wallace, wife of James Wallace, who survives, was 69 years of age. She died Thursday morning. Burial arrangements were directed by P. J. Grossman.

BUCKWHEAT PROFITABLE WHEN OTHER CROPS FAIL

Federal Department Tells of Advantage in Culture of the New Crop

Buckwheat has a definite place in American agriculture, limited when compared to the staple crops, but none the less important in a large area of the country. While less exacting as to soil than almost any other crop, it is more exacting as to climate. Therefore, its principal production is confined to the northeastern portion of the country and to high altitudes farther south. However, buckwheat can be grown with at least fair success over a much wider range, according to Farmers' Bulletin recently issued by the United States Department of Agriculture.

Buckwheat, according to the bulletin, is in general the best grain crop for poor, thin land, and succeeds well on acid soils, climatic conditions being favorable. It is a good crop on new land and on old soil land being again brought under the plow. It loosens and makes friable even the hardest soil, and therefore is a good crop preceding potatoes. Because it makes such a dense growth as to keep the soil completely shaded, it is valuable as a destroyer of quack grass and weeds. It has considerable value as a soil renovator, being able to use insoluble phosphorus and potassium to better advantage than other grain crops. It is useful also, as a summer cover or green manure crop and as a source of honey for bees. These benefits are, of course, in addition to its value as human food and stock feed.

Buckwheat is less frequently used in rotations than most other crops, but it is pointed out that good rotations may be devised for soil that is too poor for most accepted rotations. One of the suggested rotations is as follows: clover, seed preparation, time of sowing, methods and rate of sowing, fertilizers needed, diseases and insect enemies, harvesting, threshing, milling, and uses.

URGES MODERATION IN EXCHANGE SPECULATION

Italian Representative at International Trade Conference Discusses Financial Problems

ATLANTIC CITY, N. J., (AP)—Moderation of speculation in foreign exchange through inter-allied understandings was recommended to the international trade conference Friday by Senator Donnell. (Special to the Daily News.)

Senator Donnell, in his capacity as representative in the United States of the financial problems of the country. The two principal measures upon which the settlement of Italy's exchange problem depends, he said, are the payment of interest and principal on foreign war debts to be made at a convenient time following the cessation of hostilities and the granting of long-term credits on reasonable terms for the payment of imports. Unless the exchange rate is stabilized in Italy, he continued, it will be forced to make her purchases in Germany and Austria.

"If steps are taken to restrain the vicious practices of hoarding and profiteering in order to reduce to a minimum the price of foodstuffs and other commodities, why leave in the hands of speculators, almost uncontrolled, the rate of exchange which is the supreme regulator of prices?"

Italy's external debt, he declared, was \$3,800,000,000, of which she owes England \$2,000,000,000, the United States \$1,800,000,000 and other nations \$200,000,000.

WOMAN FOR PARLIAMENT INTERESTS NEWSPAPERS

LONDON, (AP)—All London newspapers comment on the probable candidacy for the house of commons of Viscountess Astor, the belief being general that she will accept the nomination and that she will be a popular candidate.

"Her ladyship," says the Daily Mail, "is reported to hold advanced views on some subjects, especially prohibition. The labor element probably will wish to know her ideas on this subject before deciding upon its attitude in the campaign."

At a meeting of the local labor association of Plymouth Friday it was unanimously decided to recommend that a contest be made for the seat in the house but so far as known, no labor candidate has been chosen. The liberal party is not strong in the Plymouth constituency and it is unknown whether it will place a candidate in the field.

NOVEMBER FIFTH SET FOR WOMEN'S SHOW

Ladies of Catholic Church Plan Fete Occasion for the Coming Month

A home talent play to be given by the Catholic Ladies' League, under the direction of Mrs. Wilfred McKay Olson, is announced for November 5 in the Levering theater.

The play selected is "The Young Mrs. Winthrop," which deals with the divorce problem. There will be attractive specialties between the acts. Raleigh Drake, a cellist, and pupil of Hans Hess of Chicago, will give several numbers, and the Balabridge orchestra will play.

The cast, in which will be a number of Twin Falls artists, will be announced later.

Youthful Riding Habit for Fall

Of all seasons of the year autumn is the most alluring to the woman or girl who rides horseback; cool, bright days, without the fickleness of spring or the heat of summer, a world arrayed in gorgeous colors and air that stimulates and caresses, make it a joyous time for horse and rider.

Some of the riding habits for fall seem to interpret the season in their colors and texture. The browns and browns of oak leaves are translated into warm, rough fabrics that give a sense of comfort for frosty mornings. A youthful model in the picture above, in fall is shown in the picture above. It is made of a heavy, rough-surfaced cloth, tweed apparently, in a brown check. The coat sets snugly with a flaring skirt that is quite full in the back and is shorter than usual. It has deep pockets and fastens with three buttons at the front below narrow revers. The riding breeches that button below the knee do not reflect any change in style. A tan skirt with soft collar, and a brilliant-hued, four-in-hand, and the contribute their share to a costume that is beyond reproach. The soft felt hat has a high crown and brim that rolls upward. Brown leather boots and heavy kid gloves in the same color are items that put the finishing touches to this well-turned-out habit.

There are several wools in sturdy weaves that are represented in each season's showings of habits. For older women plain cloths make the best choice, and covert cloths or whipcord always prove reliable. Brown and dark blue are favored colors. Black and white in small checks always has a following in spring and summer and makes a snappy outfit with black boots and hat. But when one has a single habit that must serve the year round a plain dark color is altogether better than anything else.

Julius D. Stanley

HOME OF PRESIDENT OF FRANCE RAZED BY WAR

Retiring Executive Must Join Throng of House Hunters at End of Term

PARIS, (AP)—When President Poincare leaves the Elysee Palace, the French White four months hence to make way for a new chief executive of the republic he will, like a great many more ordinary citizens, be obliged to grapple with the difficult lodging problem.

When he was elected president he had four domiciles, his apartment in Paris which he gave up at once, his villa at Sainpierre, the old family homestead at Nubercourt and a small house at Bar le Duc. The Sainpierre villa was completely wrecked by the German artillery firing from the camp of the Romans near Saint Mithiel, the homestead at Nubercourt was demolished by the explosion of an army motor truck loaded with gasoline while a bomb from a German airplane fell into the center of the house at Bar le Duc and left nothing standing but ragged walls.

Consequently the next ex-President will have to go house hunting along with thousands of other citizens, running the same small chance of finding a suitable abiding place.

WOULD GET ABIDE ISLAND FOR GOVERNMENT ENEMIES

WASHINGTON, (AP)—One of the Philippine islands would be an anarchists' penal colony to which persons convicted of attempting to overthrow the government would be deported, under a bill presented Friday by Senator McKellar, democrat, Tennessee, a member of the senate committee investigating the steel strike.

Senator McKellar introduced another bill providing for deportation of aliens within five years unless they became naturalized.

AMERICANIZATION LAWS FAVORED BY COMMITTEE

WASHINGTON, (AP)—Legislation designed to bring about Americanization of alien residents was agreed upon Thursday by the senate labor committee which is investigating the steel strike.

Under the new bill, which will be a substitute for pending Americanization measures, \$15,000,000 would be appropriated annually for allocation among the states to assist in the education of foreigners. The states would be required to contribute an equal amount.

RED CROSS SOLICITS AID FOR FLAGSHIP STRIKER POLICE

WASHINGTON, (AP)—Typhus is widespread among the refugees and peasants in the villages near the trans-Siberian railway, according to a dispatch to the state department from Dr. Toulser, in charge of American Red Cross work in Siberia. Dr. Toulser appealed for aid, saying the Red Cross stores were running very low and that the people had practically no resources with which to meet their needs.

READ THE DAILY NEWS.

COUNTERFEIT COINS OF ZINC-PASS IN BRUSSELS

Brussels, (AP)—Small counterfeit coins made of zinc are being passed at face value in the Belgian capital. Much of the current coin especially the pieces from five to fifty centimes is made of this metal owing to the scarcity of nickel. Zinc evidently is being used in counterfeiting for there is in circulation much unauthorised money made of this metal. The government is said to be aware of the practice and when nickel becomes cheaper new coins may be made to take the place of the bad ones.

REYNOLDS WINS CEDAR RAPIDS, IOWA

COMMUNITY CLUB MADE WORKING ORGANIZATION

Cedar Draw People Form Society for General Bettering of Conditions

With J. H. Musser, assistant county agent, leader and the entire personnel of the Twin Falls County Farm Bureau present a permanent community club organization was effected at Cedar Draw last night. The organization meeting was well attended and greatly enjoyed. About 100 persons were present.

With William Hicks in charge the Cedar Draw Community club will start active community betterment activities immediately. Mr. Hicks was regularly chosen head of the club last night, and was vested with authority to appoint a treasurer, secretary and such other officers as are deemed essentially necessary to the promotion of the club and community interests.

Several projects, considered vital to the betterment and welfare of the community, were given profound consideration at last night's meeting, some of the projects being regularly adopted as a part of the community's improvement activities. Among these projects was the control of certain pests, including chiefly the Mongolian, or Chinese pheasant. A drive to curtail the poisonous activity of the inmates of these birds is contemplated, to take place as soon as the shooting season is open.

In addition the club adopted a clover seed and a putty betterment plan, which will be carried out during the season.

During the evening Messrs. Black and Robinson, blind men, provided a musical program, one being playing the violin, the other on the piano. This part of the program was greatly enjoyed, and a liberal collection was donated to the performers. The ladies of the community served cake, sandwiches and coffee.

Mr. Musser returned to Boise today but will be in this vicinity again early in November to conduct further work along the lines of community organization.

COMMERCE CLUB BOARD TO PUSH FOR MEMBERS

Initiative "Cleanup" Campaign Will Be Inaugurated Tuesday

Plans have been laid for a roundup meeting of all members of the general canvassing board for the Twin Falls Chamber of Commerce membership campaign at the Hogerson hotel Monday evening. The meeting has been called for 6:30 o'clock, when dinner will be served.

At the Monday session a complete plan of activity for the "cleanup" of membership on Tuesday will be adopted. The board, under direction of General Chairman W. E. Priole will be divided into eight sub-committees, each to be assigned a designated territory for operations on the next day. Every committee will be required to start early operations Tuesday morning, and be ready to make a report on progress at noon.

Up to the present time the campaign for a 300 enrollment in the commercial club has netted about 160 members. The campaigning has begun of a somewhat desultory character, and not under any generally organized program of action. It is now proposed to concentrate effort into one day's intensive push. Members of the executive board are confident success will crown the efforts of the coming Tuesday.

WANTS LOTS RESTORED

C. Vere Parks, through his attorneys, Walters & Hodgins, has initiated an action in the district court against Robert J. Day, for the purpose of establishing a trust in lots 1, 2, 3, 4, 5, 6, 7, 8, 9 and 10, Suburban tract No. 4. Plaintiff alleges that for convenience and certain interests, defendant took title to the lots and conveyed to the plaintiff his rightful interest in the property.

HEARINGS IN SHOSHONE

In the district court at Shoshone Judge H. F. Ensign is considering evidence in actions brought by certain residents of Twin Falls in protest against assessments for city improvements. The allegations made in the complaints charge the city with erroneous certification of assessments before protests were heard. Stipulations were entered into yesterday.

BRUINS WIN 20-0

The Twin Falls high school second football team won over Weadell yesterday by a score of 20 to 0. The local team, while lighter than the opposition, displayed a lot more speed.

Better Weather Looms; Old Sol Smiling Again

Fair and warmer. That is the weather forecaster's prediction for tomorrow. But with old Sol pouring heat rays from a cloudless canopy as he is today no person needing a post-graduate course in climatology to guess it will be warmer.

Yesterday, according to observations made by C. C. Koch, of the home weather station, constituted the coldest day of the entire year. Forty-five degrees Fahrenheit was the low temperature, could be far high. During the nocturnal period 20 above zero was the mark, one degree lower than on the preceding night.

No rain, snow, dew or anything.

HOUR'S TIME LOST LAST SPRING WILL BE FULLY RESTORED SUNDAY

By Setting Back Hands of Clock Sixty Minutes Upon Retiring Tonight Folks Will Get Back Time Stolen in Daylight Saving Early Last Spring

Scores of Twin Falls folks are likely to go to divine worship one hour too early tomorrow.

At least that is the general prediction about town, because a lot of people have not given the close consideration the daylight saving law deserves.

Last spring, when the daylight saving law became effective, clocks were set one hour ahead. By this plan people lost one hour of sleep. By reverting to standard time that hour lost is restored.

In other words, last spring if you retired for the night at 10 o'clock you made the hands of the Big Ben indicate 11 o'clock. Thus you arose when the alarm smote on your ear, at 6 o'clock, which was in reality 5 o'clock by standard time. But you were not supposed to know that. You just

yawned and doffed the pajamas and got into the overalls or business suit while friend wife dashed up the breakfast cereal and fried the bacon and eggs.

Tonight you will retire, perhaps, at 10 o'clock, and this is the chance you have waited for during the half year just past. Upon retiring turn the hands of Big Ben so they will indicate 9 o'clock instead of 10, and there you are. Tomorrow morning you will wake up with the feeling, pervading your breast that it is 7 o'clock and you will stick out on the cold carpet a warm foot. You will look at the clock and find registered thereon that hour the government gyped you out of last spring.

Don't forget to set the clock back an hour when you go to bed tonight.

SERVICES AT CHURCH OF MEMORIAL NATURE

Episcopalians Tomorrow Will Honor Memory of Late Roosevelt

Consistent with the sentiment of the day tomorrow's morning service at the Episcopal church will be dedicated to the memory of the late Theodore Roosevelt.

Music, which during the absence of a pastor, is being made a prime feature of the services at Ascension church, will be of a more or less patriotic nature, with a sermon, read by an appointed layman, along biographical lines. The church choir has been reorganized and is doing better work than ever. Besides the regular hymns, and the canticles, two anthems will be sung.

Wolf Shouldn't Bother Buckley Much This Year

A 70-acre patch has just been threshed and sold by Rolfo Buckley for a net sum of \$16,500.

The Buckley farm is three and a half miles east of Castledo, and is known as one of the best in that fertile and productive section.

Besides the alfalfa seed—Mr. Buckley has harvested abundant crops of a varied nature this year. His alfalfa seed represents probably the most important and valuable single crop of the section.

PAYS HANDSOME PRICE FOR SHORTHORN HEIFER

Caldwell Breeder Pays French & Son \$2200 for 18 Months Old Animal

Setting up a new livestock price record for this district A. A. Stout, of 200 for an 18 months old heifer. The Caldwell, paid W. S. French & Son \$2,200 animal was sold under the hammer at a Shorthorn sale held in Burley yesterday.

The Burley sale was conducted by Z. S. Branson, of Twin Falls, as auctioneer, and was the medium through which 40 registered animals were disposed of. C. A. McKeater & Son, who sold a number of Shorthorns in Buhl earlier in the week, disposed of five more animals yesterday, the average being \$841.

As at all other auctions of Shorthorns this week the French Sale attracted wide attention and was well attended. Shorthorn breeders from far and near were present and throughout the bidding was brisk and keen.

During the early portion of January there will be a general Shorthorn roundup sale, conducted by the Shorthorn association of the district.

ORIGINATES UNIQUE TOY FOR CHILDREN

Local School Graduate is Manufacturer of Winsome Rag Dolls

Mrs. Nellie Ruch Cochran of Eagle Butte, South Dakota, a former resident of Twin Falls and graduate of the local high school, is the originator and manufacturer of a most attractive cloth doll. With each doll there is a card containing this clever and original verse:

"The Fabric Doll"
I'm a Karel Kiddle with Klover
Klothes; I will not break, just bump my nose,
I will shine as bright as it does this
minute,
Because there's nothing but sawdust
in it.
Mrs. Cochran is a sister of Mrs. F. T. Koneley of Twin Falls.

The Man that sells you an

"Exide" Starting & Lighting Battery

knows—that he is selling you a battery that will satisfy the demands of your starting and lighting systems for a vital and enduring power supply.

—that the "Exide" has thirty-one years of exclusive storage battery building behind its smallest detail and that not a feature of its construction was incorporated until it had absolutely proved its practical worth.

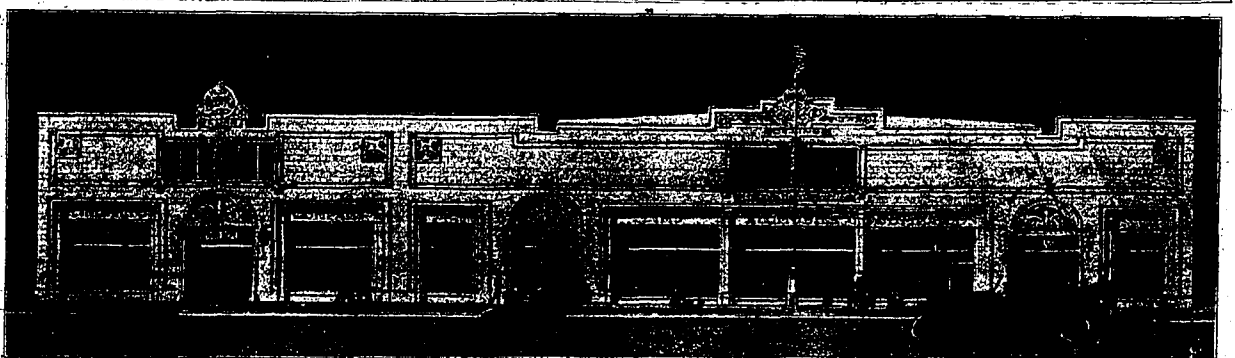

—that it "costs most to make, but least to use" because it is manufactured not to meet the market's competition, but to give real and enduring service to the customer. Every ounce of it is made to stand the gaff—to live and to serve under the roughest conditions.

If you know the "Exide" as well as the man who sells "Exide" knows it, you would be an "Exide" user. It will pay you to know.

D. C. WATSON COMPANY SERVICE STATION

Second Street West TWIN FALLS, IDAHO

THE LIND AUTOMOBILE CO.'S GARAGE as it will appear when the New Addition now under Construction is Finished.

To the Public

We desire herewith to express our sincere gratitude and thanks for the most liberal patronage extended us, especially since the strike of local union machinists. With our place of business picketed and our customers stopped and intimidated, sometimes right in our doors, and told not to trade with us. That this was a scab, scamp and unfair place. With indiscreet pickets even having the audacity to come inside our building and intimidate our men while working until they were forcibly ejected. In spite of all derogatory comment we have made the following sales this past week:

- W. A. Lincoln, Filer, 7-passenger Buick.
 - E. C. Lavering, city, 5-passenger Buick.
 - Lon Lilly, Buhl, 5-passenger Buick.
 - Robert E. Booth, city, 5-passenger Buick.
 - Albert H. Johnson, city, 5-passenger Buick.
 - J. F. Goodwill, Hansen, Dodge Ton and a Half Truck.
 - J. O. Jacoby, Buhl, 5-passenger Buick.
 - Mrs. Emma Bailey, Hansen, 5-passenger Buick.
- The following second-hand Car Sales were also made this week:
- Roy Lyons, Filer, Ford Touring Car.
 - D. F. Sweet, city, Ford Truck.

The above mentioned conditions have special significance to us as we have always had abiding faith in Twin Falls, and Southern Idaho and its people, and this has led us to put every dollar we own in this place. We have always tried to give the best we had in the way of SERVICE and to the appreciation thereof we attribute our growth. When we built our Garage we desired to, in a small way, acknowledge this appreciation by building something of which every man, woman and child who lives in southern Idaho could be proud. The splendid support that the people of this section have given and are giving us makes us feel that AFTER ALL it has been worth THE WHILE.

We are at the present time entirely sold out of New Cars, but last Monday we advised by wire both Dodge Brothers and the Buick Motor Co. of the local situation and they responded by each shipping us a carload of cars besides our regular allotment, making two carloads of each make now in transit.
