

TWIN FALLS DAILY NEWS

VOL. 2, NO. 203

TWIN FALLS, IDAHO, THURSDAY, DECEMBER 4, 1919

PRICE FIVE CENTS

DESTRUCTIVE BLAZE SWEEPS OVER FILER

Department Store Burns with Loss of \$35,000 while Adjoining Buildings and Contents worth \$100,000 are Endangered; Fire Fighters of Buhl and Twin Falls Respond to Appeal for Assistance of Volunteer Department

Fire, of unknown origin, at noon today had destroyed the Filer Department Store with stock, and was threatening a number of tributary buildings. Three fire fighting forces are battling the blaze this afternoon. Damage thus far wrought is estimated at \$35,000, but property and store stocks valued at not less than \$100,000 are threatened with destruction.

PEACE ENVOYS PREPARE PLAN FOR ADRIATIC

Representatives of America, France and England Reach Agreement for Submission to Italy on Question

ITALIAN REGULARS TO OCCUPY FIUME REGION

D'Annunzio's Volunteer-Forces to Withdraw Under Terms of Result of Negotiations Between London and Paris

LONDON, (AP)—An agreement which it is hoped will solve the Adriatic question has been prepared in Paris by the American, French and British peace representatives for submission to Italy, according to private dispatches today. Frank L. Polk, under-secretary of state, and Premier Clemenceau are declared already to have signed the agreement.

It is understood Great Britain is prepared to sign, upon which the agreement will be handed over to the Italian plenipotentiary in Paris.

The nature of the proposal is not stated, but they are said to have been framed with a view to satisfying the Italian people.

GOVERNMENT ABANDONS SUGAR CONTROL EFFORT

Justice Department Course Gives Full Leeway to Rise in Prices

WASHINGTON, (AP)—Abandonment of the government's effort to control the distribution and sale of sugar was announced today by Attorney General Palmer.

Determination of the department of justice to abandon its program was said to give full leeway for a rise in sugar prices. The federal agency will continue to watch closely for profiteering officials said prosecutions necessarily would be limited to punishment of dealers whose transactions are within the United States.

GROSVENOR MURDER CASE NEARS FINISH

Testimony in Important Bull Action Should Be Concluded This Afternoon

Character witness principally were called yesterday afternoon and this morning in the state's case against Henry F. Grosvenor, ditch-riider, accused in the murder of George E. Van Riper, the victim.

At noon testimony was not complete in the case, some time having been lost in discussion and arguments of the attorneys. The federal agency used and a deputy sheriff. The defense argued on a motion to strike certain testimony from the records. This motion was overruled. The jury was dismissed from the courtroom during the debate.

It is expected that both the state and defense will conclude their arguments this afternoon, and that the case will go to the jury before night.

SENATE DELAY IS NO EXCUSE FOR GERMANY

Head of United States Delegation to Peace Conference Makes Matter Plain to Kurt von Lersner

COUNCIL FRAMES REPLY ON SCAPA FLOW QUESTION

Indications Point to Strong Representations as to Consequences of Further Resistance

PARIS, (AP)—Frank L. Polk, head of the United States delegation to the peace conference, summoned Kurt von Lersner, chief of the German representative at Versailles on Monday and told him that Germany should not interpret as being in her favor any delay that might be encountered in ratifying the Versailles treaty at Washington, according to newspapers here.

"If there can be in the United States a general feeling of understanding the treaty," Mr. Polk is quoted as telling Herr Lersner "there are not two ways of understanding the obligations incumbent upon Germany nor the objection to the United States and her allies."

The supreme council spent part of today's session discussing the attitude of Germany towards the signing of the proposed putting the peace treaty into effect, Germany's representatives having declared they could not sign it in its present form, including its provisions for reparation for the German warships sunk at Scapa Flow, and with other features objectionable to them.

The form of a note to Germany on this question was considered by the council but no final decision was taken. It is anticipated in this connection that the reply to the German note regarding the Scapa Flow question will contain strong representations as to the consequences of further resistance.

The council today decided to give the small powers which possess sea coasts a few of the smaller German torpedo boats.

COAL MINE OPERATORS FACING INVESTIGATION

Judge Anderson Orders Probe of Alleged Violations of Lever Act and Anti-Trust Law by Employers

MINE WORKERS' CHIEFS SURRENDER TO OFFICIAL HOLDING CAPIASES

INDIANAPOLIS, Ind., (AP)—Judge A. B. Anderson, of the United States district court, has summoned the federal grand jury to appear here next Monday morning at ten o'clock to take up the investigation of alleged violations of the Lever act and the criminal provisions of the anti-trust acts by the coal operators.

This information was given out today in a statement by L. B. Rice, federal grand jury clerk, and Dan W. Simms, special assistant attorney general in charge of the proceedings in the coal strike.

The determination to summon the grand jury, it was said, came as a result of disclosures in the proceedings against the officials of the United Mine Workers of America, which the statement said showed that the coal operators, as well as the mine union officials were engaged in a conspiracy to violate the Lever act.

It was said the investigations of the grand jury will be conducted by the grand jury of the Lever act on the part of the defendants in the injunction suit brought against the mine officials as well as on the part of the coal operators.

What the investigation is to disclose finally, the statement says, is whether "the government of this country rules, or whether lawless people shall have their way—whether it is a government of law or of a group of men."

MINE WORKERS OFFICIALS COMEPLY WITH COURT ORDER

INDIANAPOLIS, Ind., (AP)—Headed by Mining President John L. Lewis, six general and district officials of the United Mine Workers of America, appeared at the federal building shortly before noon today and submitted to United States Marshal Mark Stone, who held capias for their arrest on information filed yesterday, charges of contempt of court.

Besides Lewis, those who appeared today are William Green, secretary-treasurer of the international organization of district officials of the miners journal, the official publication of the union; Percy Tellow, a district official; Edward Stewart, president of the district of bituminous coal miners of the No. 11.

The men provided bonds of \$10,000 each, which were furnished by a surety company. The hearing will be held at 10 o'clock this morning.

The other men named in the formation which was prepared by United States District Attorney L. E. Slack and Dan Simms, special assistant attorney general, were without the jurisdiction of the local federal court and proceedings will be started at once to bring them into court.

The men are charged with violations of the injunction, issued by Judge Anderson, which ordered the rescinding of the strike order and restrained the miners from encouraging or furthering the strike of bituminous coal miners of the country.

NO IMMEDIATE RELIEF IN GOAL STRIKE SIGHTED

Continuance of Dipping into the Rapidly Dwindling Fuel Reserves Adds to Disruption of Industry

CHICAGO, (AP)—Another day of dipping into the rapidly dwindling national coal reserve added its bit to the disruption of industry today. No immediate relief through a return to work of bituminous miners who went on strike 34 days ago is in sight.

Some of the larger cities today for the first time since the outbreak felt the stress of the situation. From cities and towns of the west and southwest, some of them entirely without fuel, came reports of actual suffering.

State executives continued energetic action to obtain immediately enough coal to prevent or reduce suffering, having sent out a number of coal posts and our cars were being burned.

State executives continued energetic action to obtain immediately enough coal to prevent or reduce suffering, having sent out a number of coal posts and our cars were being burned.

A new wage scale for mine workers, agreed upon by representatives of all the larger coal mining corporations, today is to be submitted to the fuel administration at Washington for ratification. It embodied a little more than fourteen per cent increase suggested by Fuel Administrator Garfield and received approval from the miners.

As to what effect it would have on the strike, no predictions were made. Neither was there official comment on the action of the federal court, a state court in giving 84 general and district officials of the United Mine Workers of America for contempt of the order calling off the strike. The mine workers officials will be given a hearing Tuesday.

West Virginia Leads Despairingly to trouble in the New River fields, West Virginia, today continued to be the nation's chief producer of soft coal.

In Kansas an appreciable amount of fuel is to be distributed from the surface mines by volunteers working under protection of state and federal troops. Mines in Missouri would be operated by the state, a state attempt the government said, unless the miners returned to work under the terms of a settlement. One company of state soldiers might be benefited by the vicinity of the Missouri surface mines and three additional companies were ordered there. Tonight was the time when it extended the miners to return to work.

Volunteers for work in the mines of nearby states still were registering in Selma, Ala. The federal government is studying feasibility of volunteer mining under troop protection.

MINE OPERATORS OFFER INCREASED WAGE SCALE

Decide to Advance Rates Beyond Suggestion of Fuel Administrator

WASHINGTON, (AP)—An increase in miners wages described as greater than the 14 per cent suggested by Dr. Garfield was agreed upon today by a scale committee of the operators in the central competitive field. The committee's announcement said it had been decided to advance the rates per ton for mining coal to pick and machine miners 11 cents, in the "thin vein" district. This, it was said, would result in giving the machine miners a rate of around 81 cents per ton, and the pick miners a rate of around 77 cents, though it necessarily would vary in all fields.

CURTAILS TRAIN SERVICE

Passenger Traffic Out of Chicago North and West to Be One-Third

CHICAGO, (AP)—All railroad passenger service on north, west and northwest lines running out of Chicago will be cut one third beginning next Monday under an order issued today by T. A. East, chairman of passenger systems in this region.

A similar order will be issued in a few days applying to eastern and southern roads which probably will be effective next Tuesday.

The order directed that the saving made in "train miles" in all parlor, club, lounge and observation sleeping car services were ordered discontinued and no special trains are to be run for either business or pleasure interests.

The order instructed the federal managers of the various roads to eliminate these trains which cut the service to the least convenient and the traveling public. "They are told also not to hesitate to lengthen or change the schedules of remaining trains," it said. "With more care or doing additional work."

FOREIGN EXCHANGE RALLIES

NEW YORK, (AP)—British exchange rallied today in the wake of the dollar. Demand sterling was quoted at \$3.91 1/4 or 3 1/2 cents above yesterday's close. France and lire also were slightly higher. Demand franc was 10.31 to the dollar and the latter at 12.62.

SENATORS DEBATE RESOLUTION ON MEXICO

DANIELS DECLARES NAVY IS READY FOR SERVICE

Denies Published Reports of Unpreparedness and Indicates Strength

WASHINGTON, (AP)—Despite the rapid demobilization of personnel since the Mexican revolution broke out, Secretary Daniels declared today in discussing published reports that the navy would be ready for service at this time.

Announcing that the eight dreadnoughts of the Atlantic fleet and about 100 destroyers, would be ready for service, Cuba, January 8 for winter maneuvers, Mr. Daniels said these ships would be "adequately" manned although their crews would not constitute a war complement. Other battleships of the Atlantic fleet will join the fleet as soon as it was possible to man the personnel of the navy now was 100,000, nearly double that before the war, and that the navy was ready for service was proceeding satisfactorily.

MISSOURI WILL OPERATE MINE

JEFFERSON CITY, (AP)—Striking bituminous coal miners in Missouri do not return to work by noon tomorrow, the state will operate the mines with a view to operating them regardless of all costs and considerations. Governor Frederick F. Gardner, of Missouri, announced today the state would issue a proclamation that day ordering the day.

Hitchcock Would Substitute Expression Pledging Support of Congress to Action Taken by President

COMMITTEE CALLS FOR LANISING'S APPEARANCE

WASHINGTON, (AP)—The United States relations committee before the senate foreign relations committee at a conference which it was said might have an important bearing on the future policy of the American government toward the Carranza regime.

Members of the committee predicted that a proposal in some form regarding a break with Mexico would be given approval today.

WASHINGTON, (AP)—Secretary Lansing will be called before the senate foreign relations committee before action is taken on the resolution of Senator Fall, republican, New Mexico, which would have a beneficial effect on diplomatic relations with Mexico. The committee hopes to have the secretary before it later today.

Henry P. Fletcher, ambassador to Mexico, was before the committee today to give his views on the Mexican situation. The discussion was said to have revealed considerable differences of opinion among committee members.

CABRERA TAKES OCCASION TO CRITICISE NEWSPAPERS

MEXICO CITY, (AP)—Luis Cabrera, secretary of the treasury, speaking to reporters Wednesday, said he believed it would be beneficial to attempt to settle difficulties between Mexico and the United States through a joint international commission. He remarked that the situation in the border was a domestic matter which must be settled in that way and intimated that a one man commission appointed by each country would be beneficial.

Senator Cabrera declared he was personally unacquainted with the nature of Mexico's reply to the last American note, but took occasion to criticize the resolution in the senate, saying: "In this Jenkins affair Jenkins is the least factor. It is really a press scandal originated for the pretext of the case of Jenkins pending between the two countries."

Regarding the best method of protecting American interests in the southern republic.

Republican members of the committee were understood to have favored the resolution, but then joined with the Democrats in preparing for the facts from Secretary Lansing before reporting to the senate.

Senator Hitchcock introduced a substitute resolution in the senate, which would assure the president of the support of congress should he break diplomatic relations with Mexico, and would pledge support of congress to him in any subsequent action he might decide upon.

WORLD NEWS EVENTS

LONDON, (AP)—The British cabinet, according to the Daily News today, has decided to suspend trial by jury for crimes of violence in Ireland and to substitute trial by a commission of three judges.

HAVANA, Cuba, (AP)—Control over all coal supplies throughout the republic was taken over by the government tonight, a presidential decree to that effect having been issued. Coal owned by individuals, companies or societies may not be sold without authority from the government.

ROME, (AP)—The nomination by the king of Tommaso Tittoni, former minister of foreign affairs, as president of the senate was confirmed by that body today. The republican deputies have presented a bill in the chamber of deputies providing for abolition of the law requiring members of the chamber to take the political oath.

PARIS, (AP)—Terms of the tripartite agreement guaranteeing France against unprovoked attack by Germany will be carried out by Great Britain, regardless of whether the United States, the other participant, ratifies the pact, according to newspapers here, which state that negotiations to this end have been almost completed between the French and British governments.

Bad Check Charge; Salisbury Guilty

Dean Salisbury, a painter recently employed at the Cutting Paint shop, was this morning found guilty in the probate court of issuing a false check in liquidation of a restaurant board account. He was fined the amount of the check and costs of the action, in \$100.

Salisbury, according to evidence introduced in the case, recently wrote and presented a check for \$10 to Tom Kato, proprietor of the Twin Falls cafe. The check was returned to the cafe stamped "no funds". Kato in instituting action against Salisbury on a fraud charge.

NITRATE PRODUCERS STRIKE ADDS TO PRICE OF PRODUCT

VALPARAISO, (AP)—Nitrate producers announce an advance in prices in tonnage of six per cent per ton, owing to the increase in wages recently granted, and to higher railroad rates. It is estimated that 200,000 tons will be sold and shipped this season.

NAMPY GRAY AS REGISTER

WASHINGTON, (AP)—President Wilson today set the name of the nomination of Ben E. Gray, Idaho, to be register of land office.

O. V. ALLEN FREE AFTER FIVE YEARS IN PRISON

Pardon Board Gives Freedom to Former State Treasurer Under Sentence

BOISE, (Special)—O. V. Allen, former state treasurer and confessed embezzler of \$93,000 from state funds, was granted a parole Wednesday by the state board of pardons, after five years imprisonment in the Idaho state prison. He entered the prison October 22, 1914, sentenced to serve from five to 10 years. He would have been released automatically January 21, 1923, regardless of his parole, his conditions for good behavior and previous original action by the pardon board.

BECKETT KNOCKED OUT

LONDON, (AP)—George Carpentier, heavyweight champion of France, today won the heavyweight boxing championship of Europe, when he knocked out Joe Beckett, champion of England, in the first round.

WELCH VICTIMS RECOVERING

PORT WORTH, Tex., (AP)—The fifty-six persons injured when a Fort Worth and Denver passenger train was derailed last night at here and who are in local hospitals, will recover, it was announced here today.

NEW CHARGES OF CZECHO-SLOVAKS UNAPPRECIATIVE

Inhabitants of City Under Hungarian Rule for Thousand Years Do Not Take Kindly to Changed Conditions

BRATISLAVA, Slovakia, (AP)—It is only on Czecho-Slovakian maps that this ancient Hungarian city of Pressburg can be located by its new name. Ruled by Hungarians for a thousand years it passed under the control of the new Czecho-Slovakian republic by the decision of the peace conference and a large part of its inhabitants do not take kindly to the new order of things. Its people are dominantly Germanic or Hungarian.

Replacing Old Signs

The street signs are in German and Hungarian characters and now there is being introduced Czech. The old postal and telephone employes have been replaced by Czechs and Czech high officers installed in the government. Slovak regiments on duty have been replaced by purely Czech soldiers. In a city so old and conservative and routine as this, drifting through the centuries undisturbed in its social customs, these things have made feeling run rather high in certain social strata. Persons, regardless of sex, who have not acquired legal residence are being expelled. One man told the Associated Press he had lived and done business here for forty years and was expelled a few days ago. The list of those cited for expulsion is said to contain names of dead persons.

Hungarians Vent Opinions

Some Hungarians do not hesitate to express their resentment over the employment of Czechs in government positions here formerly occupied by the Hungarians. Czechs and many Slovaks of the educated classes who hold office under the government, say this feeling is due to Hungarian and German propaganda and has no real strength or extent. Also they admit the necessity of Czech officialdom as Slovakia has little or no educated class from which to draw executives of ability.

It is hard to upset rapidly the traditions of ten centuries and talks with many persons, both in official and unofficial circles, would indicate that the antagonism displayed toward the Czechs in a natural condition of this period of transition and not deeply rooted. Probably it is stronger here in Pressburg than in the other parts of Slovakia where the change is not so apparent.

School Question Prominent

The school question plays a very prominent part in the situation here. The government has abolished the German and Hungarian languages in the schools and this means a general ousting of teachers and reaction in households.

Many Slovaks and Germans now

AMERICAN DELEGATION IN PARIS WILL RETURN

Ambassador to Be Left Task of Closing Up Affairs with the Peace Council

PARIS, (AP)—The American delegation to the peace conference with most of its personnel, will sail for the United States from Brest next week. The day has not been fixed. The question whether one delegate shall remain to continue participation in the work of the supreme council rests, it was said, entirely with the state department at Washington.

At the state department in Washington yesterday it was indicated that the present plans are that the entire American delegation would leave Paris on Dec. 9, leaving Ambassador Wallace to take up the task of closing up any affairs remaining unsettled.

LOUISVILLE BOARD OF TRADE TO BUILD HOMES

Considers Setting Aside Million Dollars for Erection of Model Cottages for Workers

LOUISVILLE, Ky., (AP)—The setting aside of a million dollars by the city for erection of model cottages to be sold to workmen at reasonable rates, is being considered by the Louisville Board of Trade. The board recently received a report from a committee which suggested the plan adopted in St. Louis to relieve the house shortage.

The St. Louis plan, similar to the Los Angeles plan, was devised by the St. Louis Chamber of Commerce, and nearly \$2,000,000 worth of stock in the new Home and Housing association has been sold. Construction of model homes in groups of twenty or fifty will be started soon, according to the committee.

POLICE TO CENSOR FILMS

RIO DE JANEIRO, (AP)—Moving pictures exhibited in this city hereafter must be approved by a police censor. A circular was sent to all moving picture companies today warning them not to exhibit films not previously passed by the police authorities.

They speak ostentatiously in Hungarian as do the peasants of this immediate vicinity as a sign of the feelings. A political speaker alluding to this development said that the Czechs had accomplished in six months what Hungary had tried to do for fifty years. Well informed Slovaks, however, do not feel that the racial question will result in any serious developments. They say that Slovakia must hold to the republic and with new elections and an elected, instead of a nominated, national assembly such as the present one, a more liberal Slovak representation in office and the stabilization of the economic situation, conditions will improve. As a last argument they point out that Slovakia cannot exist as an independent state and there is no other country than the Czecho-Slovak republic to which she can ally herself.

GOVERNMENT OF FRANCE URGES TOURIST VISIT

American Travelers Expected to Bring Large Sums that Will Help to Rebuild War Torn Nation

PARIS, (AP)—American tourists are being urged by the government to come to France. Hundreds of thousands of them, possibly a million, are expected to bring here millions of dollars that will help to rebuild France. Aside from the idea of cementing the two nations' friendship through acquaintance, the tourist movement is regarded by those interested as a great new business enterprise immediately and immensely profitable as one that will grow. Incidentally, it is said, the coming of Americans who can afford European travel at its present cost will aid in the various forms of foreign financial aid France is seeking.

New Department Formed. A government department called the national office of touring was established recently to engineer a publicity campaign for foreign visitors and to supervise service bureaus to make travel pleasant and to prevent overcharging. An unofficial corporation supported by railroads, hotels, travel agencies and others who profit by touring has been organized. It is the French Touring company. Through it agents are being sent to the United States and elsewhere. Americans will be offered French railroads tickets, travel programs and similar information.

Newspapers have not been enthusiastic over the plan. The Excelsior said "the public fears the economic disturbance their coming might cause" in referring to the proposed visit of the much talked of "million Americans." It explains that "everything is already beyond reach in price and there is no room in the hotels. What will conditions be when it becomes necessary to lodge and feed these new guests who do not look at the cost of things?"

To Reserve Rooms

To remedy such conditions, the government agency suggests that when heavy travel begins in April conditions will be more nearly normal. A definite plan to reserve rooms for coming tourists has been inaugurated already. All hotels in France, numbering about 25,000, have been asked to submit their rates and to pledge themselves not to charge more in the case of the government-conducted travel era. The lodging difficulties and the high cost of everything is recognized by all but it is believed a great flood of travel will come in spite of the cost. The government's aim is to see that travelers are not charged more than the information agencies estimate and that they are given benefit of advice and aid in making their stay in France entertaining.

RELIEF WORKER TAKES OVER DICTATOR'S CAR

Red Cross Representative Sits at Desk of Russian Terrorist Leader

WASHINGTON, (AP)—Occupying the former private car of the Bolshevik dictator, Rakovsky, Captain Josia Alkire, of New Mexico, American Red Cross worker in Southern Russia, now sits at the desk from which the Red terrorist leader once issued death warrants and with Rakovsky's pen signs requisitions for relief supplies.

The car was captured by Denkinke in its advance some time ago on Klov and was turned over to the Red Cross to aid its distribution of medical supplies in the Caucasus. Flying the American flag, the hearty reception given the car wherever it goes, the report said, affords a striking contrast to that of a few months previous when its appearance was signalized by silence and fear.

LADIES, DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody Will Know

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that thin, limp, faded, streaked appearance, wonderful effect.

But knowing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wych's Sage and Sulphur Compound" you will get this famous old preparation, improved by the addition of other in-

\$8,000 for 80 Acres!

"Fifty bushels wheat to the acre," "best crop tomatoes I ever raised," are some of the reports of former Twin Falls people now farming in the Goose Lake Valley, Southern Oregon. Crops climate, soil, water, have far exceeded predictions. A very small payment, balance 20 years, secures your own home.

See me on phone for interview. PHONE 547. GEO. H. DABROW 156 5th Ave. N., Twin Falls

redients, which can be depended upon to restore natural color and beauty to the hair. A well known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

INCREASING NUMBERS OF AMERICAN VESSELS PLY

RIO DE JANEIRO, (AP)—Great increase in the number of American vessels plying between United States and Brazilian ports was shown when, in October, 33 vessels flying the American flag entered the port of Rio de Janeiro. Statistics show that during the entire year of 1914 only 26 American vessels arrived in Rio.

I own and offer for sale the following property: Eighty (80) acres of land three miles from Twin Falls, and in a desirable neighborhood. Forty (40) acres of it is orchard that yielded net returns of \$100.00 per acre this year. There is no better land on the Twin Falls Tract. Fifty (50) acres three miles from town on state highway, all in splendid stand of alfalfa. Small improvements. C. A. ROBINSON TWIN FALLS, IDAHO

The House of Kuppenheimer Clothes

Kuppenheimer Clothes are Worth Waiting for

WE simply can't get enough Kuppenheimer suits and overcoats to supply the tremendous demand this season. When we do get them, they go out before we can build up the variety that we should like to maintain.

The reason they are so much in demand is obvious. When men pay the price that is necessary now-a-days, they want to be sure that they're getting full value for every dollar. They know that they can depend on full value in Kuppenheimer clothes.

We may have just the right Kuppenheimer suit or overcoat here for you now. If so, you'd better come after it. If we haven't, you'll surely agree that they're worth waiting for a little while.

MUNITIONS REACH REBELS

EL PASO, Tex., (AP)—Shipment of machine rifles and machine guns are reaching the rebel forces in Mexico, according to reports that reached the border today. After a band of insurgents had been routed near Tochimitlan, Puebla, recently, the rebels left behind a small cannon and two machine guns, all three of modern type and presumably sent from the United States, it is said. General Pilar E. Sanchez, federal commander of operations in Puebla, has made a report of the matter to the Mexican secretary of war, according to the advices received here.

GHOST IN CHIMNEY PROVES TO BE WOULD-BE SUICIDE

NEW YORK, (AP)—Occupants of a Ridge Street tenement house were almost correct when they reported to the police that the groans of a "ghost" had been annoying them for two days. Detectives, aided by firemen, dug a hole in a chimney on the house and extracted David Cohen, a pushcart peddler, who informed them that business being bad, he had decided to end his life by jumping down the five-story chimney Monday morning. He was taken to a hospital suffering chiefly from hunger and exhaustion.

MEXICO RECEIVES NOTE

WASHINGTON, (AP)—The American note to Mexico renewing the request that William O. Jenkins, American consular officer at Puebla be released, was delivered to the Mexican foreign office on December 1, the state department was advised Wednesday by the American embassy at Mexico City. The Mexican foreign office announced late Monday night that it had not received the note. The department also was advised that the Mexican government had ordered an investigation of the killing of James Wallace, an American oil man near Tampico.

WOODEN BOATS OFFERED ON UNRESPONSIVE MARKET

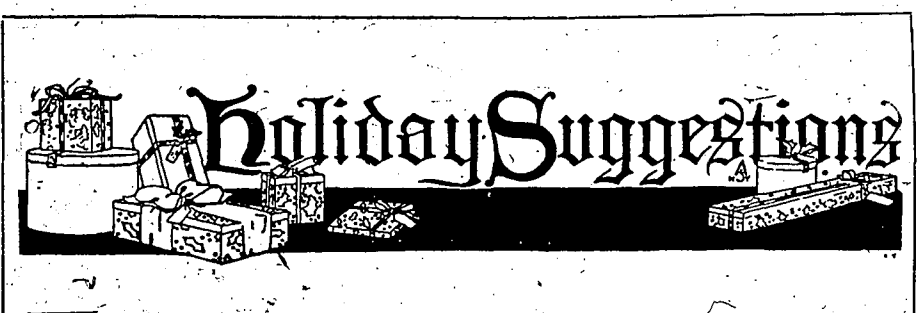

LONDON, (AP)—It is reported in shipping circles that the endeavor made by the United States shipping board to dispose in Europe of small or wooden steamers, which were built during the war, is not having much success. Purchasers cannot be found in England and although offers are reported to have been made to sell the boats to Germany and Greece at prices below the rate for much older British boats, very little business is said to have resulted. Plane Taming—S. G. Hull. Phone 84, Rogerson Hotel.

EXPLAINS EXCHANGE BREA

LONDON, (AP)—The break in American exchange to \$3.88, while considered serious from a trade viewpoint, is due to the same conditions previously prevailing—the huge indebtedness of England to the United States and the large amount of cotton still to come from that country. No official action has been taken to meet the situation and in market circles the opinion is expressed that the rate will go still lower. Wednesday's decline unsettled continental exchanges which moved against this country.

STRIKING FREIGHT HANDLERS DISREGARD UNION VOTE

ST. JOHN, N. B., (AP)—Striking freight handlers failed to return to work Wednesday, although they had voted to accept a wage increase offered by the Canadian Pacific railroad. Union officers said the offer had been misunderstood. Grain elevator men returned to work. WELL, WELL! HOW COME? OAKLAND, Cal., (AP)—"Gutboat" Smith and Carl Morris of Oklahoma, heavyweight, boxed a four round draw here last night.

With Christmas but a few weeks ahead, everyone of our great offerings should prove of special interest to the economical and useful gift buyer. Our plans began long in advance that preparations may be complete to furnish a service in every division of business as nearly perfect as human ingenuity and modern methods can make. Every advertisement will contain gift merchandise of the kind that will not only prove acceptable as gifts, but will still reflect credit on the donor and the store when tested by use and service.

Ribbons

suitable for making dainty gifts. Novelties made of ribbons will win the approval of all women—Caps, vanity bags, garters, camisoles, baby sets, pillow boys, rosettes, boudoir slippers, sachets, coat hangers, and many more, too numerous to mention, can be made up prettily from our large stock of fancy ribbons, and while pretty, still inexpensive, priced at—35c, 45c, 49c, 55c and 65c.

Silk Underwear

—as a Christmas Gift is beloved by all femininity, and here are assortments that afford you UNUSUALLY gratifying choice. Those UNDER-THINGS, fashioned of quality silk, bespeak good taste and refinement.

GOWNS

—in Georgette crepe, Crepe de Chine, lace and ribbon trimmed, in flesh color, at \$5.49, \$6.98.

SILK "UNION SUIT" JERSEY SILK

—In flesh color with bodice top at \$6.29.

SILK "KNICKERS"

—Jersey silk, wash satins, flesh plain and lace trimmed at \$2.98, \$3.98, \$4.98.

JERSEY SILK VESTS

—Bodice style, ribbon trimmed, flesh color, at \$3.50.

Neckwear

Gifts are welcomed by all women, because of their practicability and daintiness. And here is a most inviting assortment to choose from, embodying those styles so greatly favored by the smart dresser.

COLLARS — COLLAR and CUFF SETS

In lace, net, georgette crepe, white ecru, for round or square dresses, plain and embroidered at 65c, 89c, \$1.15, \$1.23, \$1.29, \$1.49, \$1.89, \$1.98.

FOOLING THE PEOPLE

It is a fairly general custom among the retail stores in Twin Falls and throughout the country to quote comparative values in their advertising. This practice was first inaugurated to furnish more information to inject more enthusiasm and pulling power to the advertising and to merit quicker response from the readers of the announcements.

While the legitimate use of comparative values can be defended and is well within bounds of honest business management, ITS MALPRACTICE, ITS ILL ABUSE, ITS ERRONEOUS USAGE within the last few years by merchants who have forgotten the IMPORTANCE of the PLAIN TRUTH, has prompted the better merchants of the country to eliminate comparative prices from their advertising.

"FOOLING THE PUBLIC" with misquoted values is a practice associated only with the retailer who lives under the theory that all people are inferior in mental capacity than he is himself. TODAY THE PUBLIC KNOWS THE VALUE OF MERCHANDISE and THE UNITED STORES has UTMOST confidence that the omission of comparative values from their advertisements will in no way weaken their force, or under pressure of local circumstances, lessen their information.

THEREFORE, IN CONTINUANCE OF AN IRON-CLAD POLICY TO USE NO PLAN OR SYSTEM IN CONDUCTING THE UNITED STORES WHICH WILL NOT WITHSTAND THE MOST RIGID INVESTIGATION — THE UNITED STORES WILL DISCONTINUE THE USE OF COMPARATIVE VALUES IN THEIR ADVERTISING.

P. S.—This change of policy will not affect our selling GOOD, DEPENDABLE merchandise at prices LOWER than its actual value, as we have done in the past. Quite the contrary—IT WILL MOVE US TO FURTHER ENDEAVORS IN OFFERING MORE EXTENDED VALUES AND PRICE REDUCTIONS to our manifold patrons. We have faith that our patrons today KNOW the value of merchandise without being told.

THE IDEAL SHOPPING PLACE

FOR MEN AND BOYS

HERE'S A BOYS' STORE

That Fully Realizes Its Responsibilities.

Most boys' stores operate on the theory that boys' clothes are pretty much like men's. They seem to feel that a boy is as careful of his clothes as men.

But this store never did, and we realize that boys' clothes have to undergo a lot of mighty rough usage and that most boys are "hard on their clothes."

If you could see the rigid specifications we require our manufacturer to fulfill, and if you knew the great offerings our boys' clothing represent, you'd fully appreciate our service to boys all the more.

We demand fabrics that wear—we insist on pants taped, and reinforced seams. Close stitched and most of all—that our clothes are made in safe and sanitary shops.

Smart models, in all sizes, from the tiny tot to the big ones, in velvet, cashmere, serge, and fancy wools, at \$4.98, \$6.49, \$7.98, \$8.99, \$10.00 up to \$15.75.

Social Notes

Mr. and Mrs. Charles L. Hart an-
nounce the engagement of their daugh-
ter, Miss Agnes Josephine Hart, to
Richard Hagan Wilson of Olympia,
Wash. The wedding will take place
some time in January.

Mrs. T. F. Warner was host to the
Winodansi club yesterday. The after-
noon was spent with sewing and a so-
cial time. A delicious two course
luncheon was served to the following
members: Meadames Jennison, Spack-
man, Mann, Will Young, Scott, H. W.
Wilson, McMartin and Breckowidge.

Mrs. F. R. Cox entertained the
Hoover bridge club yesterday after-
noon at her home on Eighth avenue
north. A delicious two course lunch-
eon was served at one o'clock, after
which bridge was enjoyed. Eleven
members were present and Mrs. M. C.
Putnam was a guest of the club.

Chapter "D" P. E. O. met at the
home of Miss Eula Fox Tuesday eve-
ning with Miss Fox and Mrs. G. M. Mc-
Elwain, hosts. After the business
meeting a very interesting program
was given on "Child Welfare" led by
Mrs. T. F. Warner. Miss M. Cathor-
ine Gates gave an interesting talk on
the juvenile court work in Chicago and
San Francisco. About twenty mem-
bers enjoyed the meeting and dainty
refreshments were served.

Mrs. J. P. Johnston entertained the
M. B. C. club at her home on Ninth
avenue north yesterday afternoon. The
afternoon was spent with cards, Mrs.
Mary Kelly winning the honors for
high score, a dainty embroidered hand-
kerchief. Those present were Mrs.
James P. Erickson, F. Ramsey, J.
Shrout, W. Hance, Sr., John Costello,
and M. Kelly. Mrs. Herman Deiss was
a guest of the club, substituting for
Mrs. T. Reed who was unable to be
present.

Mrs. L. C. Snyder entertained the
Morningside club at her country home
yesterday afternoon. In honor of the
approach of the Christmas season each
member took a gift which was wrapped
and had a string attached. These were
all placed in a basket behind a col-
onade and each lady drew a name and
received her gift. This gave a deligh-
tful air of mystery as no one knew
what they were receiving until the par-
cel was opened. After a social hour
delicious refreshments were served to
the twenty ladies present.

The members of the Entro Nous club
entertained their husbands at dinner
at the Hotel Rogerson last evening.
The table was most attractive with
decorations of chrysanthemums, and
place-cards to match. After dinner
the party moved to the home of Mr.
and Mrs. B. A. Heitler where bridge
was played for the remainder of the
evening. Mrs. Hunsaker carried off
the honors for high score for the ladies
and Mr. Wise Evans for the gentle-
men. Those present were Mr. and Mrs.
F. W. Bronaugh, Mr. and Mrs. A. L.
Stango, Mr. and Mrs. Wise Evans, Mr.
and Mrs. T. Moore, Mr. and Mrs.
A. H. Corbett, Mr. and Mrs. Dumka,
Mr. and Mrs. Hunsaker and Mr. and
Mrs. B. A. Heitler.

Mrs. R. A. Read entertained at
luncheon yesterday complimenting
Mrs. Fred T. Dubois of Washington,
D. C., who is the house guest of Mr.
and Mrs. Charles L. Hart. Pink roses
were used for decorations on the
tables and in the rooms with pink
place cards and nut baskets in the
same shade. The invited guests were
Meadames H. F. Conaway, W. H. Green-
how, T. C. Bacon, C. H. Robbins, C. A.
Robinson, C. Beatty, C. E. Booth, L.
Clos, T. Cummins, G. L. Hart, Morgan,
Keap, B. Holgin, W. E. Hill, N. J.
Keefer, R. B. King, E. S. Barnard, F.
P. McAtee, J. M. Maxwell, W. R.
Friebe, Leonard Smith, M. J. Sweeney,
G. B. Engley, E. A. Winters, A. B. Wil-
son, T. J. Woods, L. T. Wright, E. J.
Ostrander, A. J. Peavey and I. B. Por-
rine and Miss Mildred Barger.

The Twentieth Century club met in
the parlors of the Old Fellows hall
Tuesday with Mrs. J. B. Conway, pre-
siding. Mrs. Fred T. Dubois of Wash-
ington, D. C., gave an interesting talk
on "The Problems of Reconstruction."
Several of the prominent business men
of the city were asked to speak on
the following subject: "How the wom-
en can help improve local conditions."
C. E. Booth, pioneer merchant, was the
first speaker and suggested that all
improvements in the way of beauti-
fying our city was a help and among
other things suggested the planting of
evergreen trees. George F. Sprague
spoke of the need of adjusting our-
selves to the present day problems of
living as readily and efficiently as we
could to those of the early days in Twin
Falls. Burton E. Morse spoke of the
help the ladies could give in seeing
that the small triangle parks are made
beautiful, helping with the swimming
pool, the need of Sunday afternoon en-
tertainments, and playgrounds for the
children. R. A. Read was to have
spoken on highways and camping
grounds but was called to Filer on
business. W. F. Mikesell gave two

delightful vocal solos, "A Son of the
Desert Am I?" and "The Magic of
Your Eyes". Mrs. Walter F. Piko had
the program in charge and at the close
of the meeting a singing vote of thanks
was given to all who helped to make
the afternoon such an enjoyable one.

ANOTHER HOT TRAIL
In view of larger claims upon atten-
tion as to charges that the Mexican
government is actively promoting the
dissemination of anarchistic propagan-
da in this country, the case of the Amer-
ican consul imprisoned by Mexican
authorities fades into relative insignifi-
cance in consideration of the causes
contributing to present strained rela-
tions between the United States and
Mexico.
It was to be expected that representa-
tives of the Mexican government would
deny these charges, and that the
whole matter would resolve itself into
a question of fact to be verified or dis-
proven by unalterable facts.
What seems to be important evidence
in this connection is the production of
a book written by an Australian named
Thomson, which, it is alleged, has been
given wide circulation through the of-
fices of the Mexican government.
Argument is offered in Thomson's
book, it is charged, to support the po-
sition that Mexico has every right to
declare all property of a public nature,
"lands, mills, mines, oil and other min-
eral deposits" subject to "nationaliza-
tion or socialization, and the right of
foreigners owning property to protest
is ridiculed.
Interests to be served by dissemina-
tion of such matter must necessarily be
considered in passing judgment in this
case, and it must be admitted that re-
cent course of events in Mexico does
not bespeak adequate denial of respon-
sibility on the part of the Mexican ad-
ministration.

day.

What shall I give HIM for Christmas
NECKTIES
A man can never have too many ties. How they brighten up his entire outfit, especially if you choose one of the handsome Foulard patterns, so popular today.
Yes, we have many different ones—a few in the window you may see, but just step inside and look over the dozens displayed for your benefit.
Many well groomed men are enthusiasts on the subject of nifty ties—perhaps "your man" is, then get him some new ones this Christmas.
—Silk Shirts,
—Silk Hose,
—Handkerchiefs.

"Another Package From Booth's"

BOOTH MERCANTILE COMPANY

Today's Sporting News

HARVARD MEN WILL PERFORM ON THE COAST

Champion Football Eleven is to Play in Pasadena on New Year's Day

CAMBRIDGE, Mass., (AP)—The Harvard university football eleven which will invade the coast to play a league Pacific coast eleven at Pasadena on New Year's day will be virtually the same as that which went through the season without a defeat in connection with the announcement of Harvard's acceptance of the invitation to play at the Carnival of Roses celebration, it was said today that 23 players would be taken on the trip. A caucus of the Crimson players who won their letters against Princeton and Yale, and leading substitutes showed that almost all were available. One or two may be lost because of recently developed academic difficulties and two others said they might wish to join Christmas with their families, having been in the army service for the last two Christmas seasons. The team will include Captain Murray, the Crimson quarterback, Eddie Tully, the crack half who usually plays open field running, forward pass reception and defensive play gave him high place among eastern players, and the Brown center, a player whom, Ralph, kicks far and true for field goals. One substitute will be carried for each position except quarterback, for which there will be two. Head Coach Robert T. Fisher will have several assistants, including Eddie Malun, Crimson captain in 1916, who is familiar with western styles of play through a season at coach at University of Southern California. The start for the west will be made made December 28 when a two weeks' rest for the holidays begins at Harvard. Until that time the crimson team will be kept busy with a reconditioning process. The players broke training after the Yale game two weeks ago, which Harvard won, 10 to 3, but Coach Fisher said he had no doubt it would be possible to bring them into top form and give them a week for acclimation and practice in California that it would be ready to play its best game on New Year's day. Active practice will begin on Christmas day will be held in the stadium when possible and probably in an armory in Boston when weather conditions make outdoor work impracticable.

VETERAN ENDURANCE MEN GO AHEAD IN LONG RACE

Goulet and Madden Lead Pluggers in Gotham's Freak Racing Tourney

NEW YORK, (AP)—Goulet and Madden with a pair of new dice, at midnight last night, the 72nd hour of the race, led the field with six day cyclists, McNamara and Magin tied with Hill and Drobach, for second place with a total of 116 points, Big and Dupuy 139 points, and Eaton and Kaiser with 116 points led the others. Up to midnight, the contestants had covered 1,341 miles and three laps with the exception of Tibergheim and Charbon who are still in the race. The record for 72 hours is 1,408 miles and five laps made by Cameron and Kaiser in 1914.

LOOKS LIKE FAKE

NOTE DAME, Ind., (AP)—No word of cancellation of the football game between Notre Dame and Oregon Agricultural college eleven scheduled for Christmas day at Portland, had been received here other than that contained in the Associated Press dispatch, it was stated last night. Coach Rockne of Notre Dame indicated that when official notice of the cancellation is received, negotiations for a game at Pasadena, Cal., on Christmas day, may be started.

MAY BE WORTH IT

NEW YORK, (AP)—Word was received today from London that John Sanford of Amsterdam, N. Y., turf and steward of the Jockey club, paid \$30,000 for the seven-year-old brood mare Dark Flight at the Newmarket sales of thoroughbreds last Tuesday.

BECKETT MADE FAVORITE OVER G. CARPENTIER

Briton Given Edge Over Frenchman in European Heavy Weight Bout

LONDON, (AP) (Via Montreal)—Joe Beckett, champion of England, ruled a slight favorite today in the betting on tonight's match for the heavy-weight championship of Europe, in which he will meet Georges Carpentier of France in a twenty-round bout. The fight is to begin at 9:15 o'clock. Incidentally, the contest may bring forward an opponent for Jack Dempsey, in a contest for the heavyweight championship of the world. Beckett, who is the English champion, will have an advantage of five pounds in weight over Carpentier, scaling at about 184 pounds. Also, his reach is two inches longer than that of his French opponent. Otherwise, the contest is practically equal, regarding age, height and measurements. While the Englishman is regarded as a fighter, Carpentier is credited as being the more scientific because of his greater boxing skill. Both men are said to be in perfect condition. Beckett numbers among his victims in the ring, Bombarier Wells, from whom he won the heavyweight championship of Great Britain; Frank Goddard and Eddie McGoorty, the American fighter, who, last September, he knocked out in the seventeenth round of a 20 round contest. Carpentier has been fighting for several years and has held the French welter and middleweight championships in addition to the crown of champion of the heavies. He twice has knocked out Bombarier Wells. He is also credit with a victory over Gilbert Smith of America on a foul. In 1914, Joe Jeannette, the American heavyweight, outpointed Carpentier in a bout in Paris.

Brief Bits of Sport

Just as the thirty ones in the southland pursued parched pairs of lips in anticipation of a deep draught of nectar along comes a court injunction and dithers the cup that cheers.

Ain't this life of anticipation one—! after another!

Jack Dempsey, impresario of Jack Dempsey, denies his man is slated to meet the winner of the Beckett-Carpentier bout.

But why the denial? Jack will have brandy.

By the way Dempsey has started his business—it's a taxi line, for the operation of which the Salt Lake city commission this week granted a license.

We note a prevailing tendency on the part of moving picture directors to oblige the fan's wish.

Filming the fan's fun again.

Nim Smiley, vagabond sage, says: 'We saved Paris 'm th' Germans an' then opened the gates to th' great American shimmy kings, who know tough stuff only as a fine art, b'gosh.'

Salt Lake is pulling frequent boxing shows; Pocatello is going to, Buhl has adopted the man art as a sport entertainment and Boise is hitting on a couple of boxing cylinders occasionally.

Why not us, we ask?

The leading batter of the National league this season was Eddie J. Roush of the Redlegs. His closest rival was Roger Hornsby of St. Louis, Roush officially batted .321, with Hornsby three points to the rear.

The greatest number of single-base hits made in the National league was 211, Hornsby, of St. Louis, Stock of the same team and Hoike of Boston each hitting the mark.

Cravath of Philadelphia led the older league in the matter of homers, compiling 12 during the year; he also led the league in extra base clouts.

ORDINANCE NO. 280

An Ordinance declaring the intention of the City Council of the City of Twin Falls, Idaho, to grade, pave, curb and surface certain streets and parts of streets and alleys within said city; and to assess the costs and expense thereof by special assessment levied against the lots and parcels of land fronting, abutting, contiguous, or tributary to such streets and alleys to be improved; to pay the expenses of said improvements by the City, and declaring its intention to create for that purpose local improvement districts, No. 25, in said City, including all the property fronting, abutting, contiguous, or tributary to the portion of the streets and alleys to be improved between the points named, fixing the time when protests will be received and heard against said proposed improvement; and ordering the publication of said ordinance.

Whereas, it is deemed necessary and beneficial by the City Council of the City of Twin Falls, Idaho, to grade, pave, curb and surface certain streets and alleys within the corporate limits of said City, hereinafter particularly described, and,

Whereas, the cost of said improvements is to be levied and assessed upon the property benefited, to-wit: on the lots and parcels of land fronting, abutting, contiguous or tributary on such streets and alleys so to be improved and in proportion to the benefits derived therefrom, the expense of all such improvements in the space formed by the junctions of two or more streets, or wherein one main street terminates in or crosses another main street, or wherein one main street crosses another main street, or where one main street crosses another main street, shall be paid by the City of Twin Falls, Idaho, and,

Whereas, the City of Twin Falls, Idaho, on the 01st day of June, 1919, adopted Ordinance No. 254, being an ordinance declaring the intention of the City of Twin Falls, Idaho, to grade, pave, curb and surface certain streets and parts of streets within the City of Twin Falls, and the expense thereof to be paid by special assessment levied against the property fronting, abutting, contiguous, or tributary on such streets proposed to be improved, and establishing for that purpose Local Improvement District No. 35 in said City, and fixing the time when protests would be received against the making of said proposed improvement; and in said ordinance a mistake was made as to the amount of the estimated total cost of said improvement, as it was provided that the sum of seventy thousand dollars (\$70,000.00) was estimated as the total cost to property fronting, abutting, contiguous or tributary on such streets proposed to be improved, and the sum of thirteen thousand dollars (\$13,000) as a total cost of street intersections, and,

Whereas, since the adoption of said Ordinance No. 254, being an ordinance declaring the intention of said City to grade, pave, curb and surface certain streets and parts of streets within the City of Twin Falls, Idaho, hereinafter specified, and for that purpose to create and establish in

said City of Twin Falls, as a part thereof, Local Improvement District No. 35, constituting the streets and alleys or parts of streets and alleys as follows: Fourth Avenue East: Beginning at the Southeast line of Third Street East thence Southeast, a distance of 1,750 feet to the point of intersection of said Fourth Avenue East with the East line of Blue Lakes Boulevard, width 40 feet—with curb.

Fourth Avenue East: Beginning at the East line of Blue Lakes Boulevard thence East a distance of 1,250 feet to the West line of Locust Street, width 30 feet—with curb.

Second Avenue West: Beginning at the Northwest line of Second Street West thence Northwest, a distance of 2,840 feet to the East line of Washington Street, width 40 feet—with curb.

Third Avenue West: Beginning at the Southeast line of Third Street West thence Northwest, a distance of 2,050 feet to the East line of Washington Street, width 40 feet—with curb.

Sixth Street West: Beginning at the Southeast line of Main Avenue West, thence Southwest a distance of 620 feet to the Northwest line of Third Avenue West, width 30 feet—with curb.

Minidoka Street: Beginning at the Southeast line of Third Street South, thence Southeast a distance of 300 feet to a point where the Southwest line of Sixth Street West, width 30 feet—with curb.

SECTION 2. The property to be included in said district and assessed as hereinafter provided, shall include all the property fronting or abutting on, contiguous or tributary to the streets, avenues and alleys to be improved, and between the points herein specified, and to the distance back from such streets and alleys, if platted in blocks to the center of the block; if platted in lots to the center of the lot; and if not platted, to the distance of 125 feet.

SECTION 3. The general character of said improvement shall be grading, surface draining and paving of the roadways, of said streets and alleys, to the width hereinbefore set forth, between the points hereinbefore specified, said paving to consist of concrete pavements according to the general plans now on file in the office of the City Engineer, and the City Clerk, and the construction of a concrete curb along the side of the said portion of the said streets as hereinbefore specified where a concrete curb is not already constructed, extending the concrete curbs which are already constructed, along the side portion of the said streets downward where they are found to be not deep enough for the proposed paving, except across roadways or intersecting streets. Said improvements are original improvements.

Further specifications for said proposed improvements to be filed in the office of the City Clerk of said City on or before the day on which the Mayor and Council will receive protests against making the said proposed improvements.

SECTION 4. The cost and expense of said proposed improvement shall be taxed and assessed upon all property in said improvement district in proportion to the number of feet of such lands and lots fronting thereon, or abutting, contiguous or tributary thereon, and in proportion to the benefits derived by said improvement.

All the property within said improvement district to be assessed as aforesaid for the cost of said proposed improvements except that the expense of the improvement in the space formed by the junction of two streets, or wherein one main street terminates or crosses another main street, and also all street crossing, or crosswalks at inter-

sections of streets, and the expense of making and repairing sewers, shall not be included in said assessment but shall be paid by the City of Twin Falls. When work is done on one side of the street, on one side of the center line, the property on that side only shall be assessed. The total cost and expense of said improvement, according to the estimate returned by the City Engineer, is the sum of Ninety-nine thousand Two Hundred Fifty-three and Ninety-eight (99,253.98) Dollars, (\$99,253.98), divided as follows:

Front footage of property owners \$82,932.36
Twin Falls street intersections 16,921.62
Total \$99,253.98

Therefore, be it ordained by the Mayor and Council of the City of Twin Falls, Idaho, as follows:

Section 1. The City of Twin Falls, Idaho, does hereby declare its intention to grade, pave, curb and surface certain streets and parts of streets and alleys within the City of Twin Falls, Idaho, hereinafter specified, and for that purpose to create and establish in

said City of Twin Falls, as a part thereof, Local Improvement District No. 35, constituting the streets and alleys or parts of streets and alleys as follows:

Fourth Avenue East: Beginning at the Southeast line of Third Street East thence Southeast, a distance of 1,750 feet to the point of intersection of said Fourth Avenue East with the East line of Blue Lakes Boulevard, width 40 feet—with curb.

Fourth Avenue East: Beginning at the East line of Blue Lakes Boulevard thence East a distance of 1,250 feet to the West line of Locust Street, width 30 feet—with curb.

Second Avenue West: Beginning at the Northwest line of Second Street West thence Northwest, a distance of 2,840 feet to the East line of Washington Street, width 40 feet—with curb.

Third Avenue West: Beginning at the Southeast line of Third Street West thence Northwest, a distance of 2,050 feet to the East line of Washington Street, width 40 feet—with curb.

Sixth Street West: Beginning at the Southeast line of Main Avenue West, thence Southwest a distance of 620 feet to the Northwest line of Third Avenue West, width 30 feet—with curb.

Minidoka Street: Beginning at the Southeast line of Third Street South, thence Southeast a distance of 300 feet to a point where the Southwest line of Sixth Street West, width 30 feet—with curb.

SECTION 2. The property to be included in said district and assessed as hereinafter provided, shall include all the property fronting or abutting on, contiguous or tributary to the streets, avenues and alleys to be improved, and between the points herein specified, and to the distance back from such streets and alleys, if platted in blocks to the center of the block; if platted in lots to the center of the lot; and if not platted, to the distance of 125 feet.

SECTION 3. The general character of said improvement shall be grading, surface draining and paving of the roadways, of said streets and alleys, to the width hereinbefore set forth, between the points hereinbefore specified, said paving to consist of concrete pavements according to the general plans now on file in the office of the City Engineer, and the City Clerk, and the construction of a concrete curb along the side of the said portion of the said streets as hereinbefore specified where a concrete curb is not already constructed, extending the concrete curbs which are already constructed, along the side portion of the said streets downward where they are found to be not deep enough for the proposed paving, except across roadways or intersecting streets. Said improvements are original improvements.

Further specifications for said proposed improvements to be filed in the office of the City Clerk of said City on or before the day on which the Mayor and Council will receive protests against making the said proposed improvements.

SECTION 4. The cost and expense of said proposed improvement shall be taxed and assessed upon all property in said improvement district in proportion to the number of feet of such lands and lots fronting thereon, or abutting, contiguous or tributary thereon, and in proportion to the benefits derived by said improvement.

All the property within said improvement district to be assessed as aforesaid for the cost of said proposed improvements except that the expense of the improvement in the space formed by the junction of two streets, or wherein one main street terminates or crosses another main street, and also all street crossing, or crosswalks at inter-

sections of streets, and the expense of making and repairing sewers, shall not be included in said assessment but shall be paid by the City of Twin Falls. When work is done on one side of the street, on one side of the center line, the property on that side only shall be assessed. The total cost and expense of said improvement, according to the estimate returned by the City Engineer, is the sum of Ninety-nine thousand Two Hundred Fifty-three and Ninety-eight (99,253.98) Dollars, (\$99,253.98), divided as follows:

Front footage of property owners \$82,932.36
Twin Falls street intersections 16,921.62
Total \$99,253.98

Therefore, be it ordained by the Mayor and Council of the City of Twin Falls, Idaho, as follows:

Section 1. The City of Twin Falls, Idaho, does hereby declare its intention to grade, pave, curb and surface certain streets and parts of streets and alleys within the City of Twin Falls, Idaho, hereinafter specified, and for that purpose to create and establish in

said City of Twin Falls, as a part thereof, Local Improvement District No. 35, constituting the streets and alleys or parts of streets and alleys as follows: Fourth Avenue East: Beginning at the Southeast line of Third Street East thence Southeast, a distance of 1,750 feet to the point of intersection of said Fourth Avenue East with the East line of Blue Lakes Boulevard, width 40 feet—with curb.

ROTARY 'KIDDIES' THRILLED BY INDIAN WAR AND MEXICAN TALES

Major Club Holds Special Session for Juniors, Providing Entertainment of Highly Instructive Nature—Harry Cone Recounts Early and Pioneer Day Adventures

Between 20 and 25 Twin Falls kids ranging in age from 10 to 17 years, were the guests of the Twin Falls Rotary club members at a dinner given in the Rogers cafe last night. Stories of the early day Indian war in Idaho were related by Harry Cone, a life-long friend of D. D. Alvord, while a detailed account of his capture in 1810 by Mexican bandits was narrated by J. Deemer, now a resident of Buhl, who was introduced by R. B. King.

The entertainment was in line with the Rotary program throughout the world, which provides among other annual features for a "fathers and sons" night once a year. Those members without a son falling between the ages of 10 and 17 were given the privilege of inviting someone else's son, and the result was that practically the full membership of the club was on hand, each accompanied by a juvenile guest for the occasion.

Mr. Deemer is now engaged in mining operations in Jarbridge, spending his winters in Buhl. He will be remembered as one of the chief witnesses on Mexican affairs in the Ford Tribune libel suit.

Mr. Cone's arrival in Twin Falls a few days ago was unheralded. He greeted D. D. Alvord after a separation of years, and his presence as a speaker at the banquet followed. D. D. Alvord is one of the comparatively few men in this section who is enabled to claim Idaho as his birthplace, and is the only member of the Twin Falls Rotary club who is a native of the Gem State. The entertainment afforded by the club's two guests was voted one of the best in the history of the institution.

HEART FAILURE CAUSE OF DEATH

Jury in Bowen Mystery Finds Demise Was Due to Natural Causes

Death from failure of the heart to function was the verdict returned by a jury impelled to investigate cause of the death of John D. Bowen, sheep-raiser found dead some miles out of Shoshone late last week.

The inquest was conducted last evening in the undertaking quarters of Coroner P. J. Grossman, the jury being made up of the following: L. M. Dow, R. M. Bumbel, George Washington, Donald McKay, Archie Bowman, Robert Rogerson.

Witnesses called upon for testimony included Henry Lemoin, one of Bowen's employees, who testified to the finding and condition of the body; Dr. H. Hill, O. J. Brannon, undertaker, and Deputy Sheriff Wheeler, all of Shoshone. Evidence tended to show that Bowen had for some years been subject to hear attacks of a more or less violent nature. It was shown also that he left Shoshone last Wednesday night with sheep camp wagon for Glenn's ferry. The outfit was discovered five miles out of Shoshone indicating that death of Bowen must have taken place Wednesday night as he was about to retire. The body was found in the covered camp wagon where the man fell after the proximity. Bowen's employee tended to show that he did not fall on the small stove in the wagon is a circumstance told in the conditions surrounding the interior of the wagon, but he fell so close to it that the clothing on one shoulder was burned through and the flesh scorched.

Bowen had prepared to retire for the night, and had blanketed his team, which was found tied to a wagon. He himself was clad as for bed when the body was found.

Burial was conducted in Twin Falls cemetery this afternoon.

Every census has disclosed the fact there are more men in the United States than women.

Grocer Plays High Cost Tip Before Madame.

An unscrupulous bloke, telling an over-dressed hunch, recently wired the country side with the announcement that the h. e. of I. could be chased through the consumption of corned beef and cabbage.

Proceeding on this which the madame fastened to the grocery to buy her a cabbage.

But the green-grocer (not so verdant as that) had boat her to the hunch thing. A vest-pocket size cabbage had all she could procure for a quarter.

This fact is modestly referred to the butcher about c. h. and c. being a right proper weapon for smiting the h. e. of I.

Madame did not dare to go to the butcher to see about the c. b., even though she might have had a few pence in reserve.

What's this to do with the weather?

Nothing much, except that straws show which way 'as wind blows, is all.

Top yesterday, 37; bottom last night, 15 degrees. Installation will Friday fair, says the "authority."

GREEN MADE HEAD OF MASONIC LODGE

Twin Falls lodge No. 45, A. F. and A. M., last night held its annual election of officers. C. F. Green was selected to the principal chair in the lodge.

Other officers elected were: W. B. Ambury, senior warden; E. H. Sizer, junior warden; J. G. Bradley, treasurer; W. C. Wyckoff, secretary.

C. F. Green succeeds R. A. Parrott as worshipful master, the latter automatically retiring after one year of service. W. B. Ambury and E. H. Sizer were moved up in positions. Mr. Bradley was re-elected treasurer while Mr. Wyckoff succeeds W. A. Minick, an secretary. Mr. Minick holds a position with the municipality demanding practically all of his time.

The lodge has five junior officers to appointment, these appointments to be made by the master. Installation will probably be conducted jointly with the Eastern Star induction next Wednesday night with appropriate ceremonies.

DIVORCE IS ASKED

Alleging cruel and unseemly treatment Nollie L. Paxton, through her attorneys, Sweoley and Sweoley, has instituted proceedings in divorce against John Paxton, in the district court. The complainant tells of having been married to John Paxton in June, 1918, and alleges he has pursued a course of cruelty toward her both in actions and his manner of addressing her. She claims that on one occasion he called her a "fool" and advised her to "jump in the canal and end your existence."

GRADE PUPILS WILL PRESENT FALL FETE

High School Auditorium to Be Scene of Festival on Friday Night

In the high school auditorium tomorrow night, beginning at 8 o'clock interested pupils will present a festival and pageant. The proceeds are to be applied on the Victoria fund.

The program, a sectional affair, is extensive in scope and planned with a view to bringing out the general effects of subjects dealing with the dying year.

Subjects, under general and sub titles, are:

Prélude—Autumn Twilight; Reapers' Song; The Village Fair; Autumn Chant.

Parson as Harvest—Sun Sprites, Grasses, Flower Fairies, Leaves, Corn Harvest—Sowers' Dance, Reapers' Dance.

Parson as Harvest—Apple Tree Wagon Song, Vintage Dance, Dance of the Chestnuts.

Malts Harvest—Acorn Dance, Trochus Corn Dance.

Autumn Fantasia—Flowers, Fireflies, Jack Frost, Rain Fairies, Gnomes, Leaves, Snowflowers.

You can get your message to employers, looking for capable people, through the classified.
