TORNADOES SWEEP SOUTH AND MIDDLE WESTERN

German Regular Army Troops Enter Ruhr District

DANIELS SLOW TO LEARN NEED FOR SUBMARINE

Two Years' Propaganda Required to Convince Department of Necessities, Admiral Grant Testifies

SUBMERSIBLES FORCES ENTIRELY INADEQUATE

Witness Relates Experiences in Attempt to Send Ferry Fleet Abroad; Out of Four Makes Trip

WASHINGTON, (AP)—The navy's submarine force was entirely inadequate to meet the demands of war against Germany, Rear Admiral A. W. Grant, formerly in command of the Atlantic fleet submarine force, testified today before the senate committee investigating the navy's conduct of the war. The submersibles, he said, were few, small, of widely different types, of small radius of vision, inadequately armed and poorly designed as to engines.

"It took nearly two years of propaganda to get the navy department to view the importance of building submarines capable of combating the 800-ton German U-boats," the witness declared.

Admiral Grant said that soon after the United States entered the war he was instructed to prepare and send fifteen submarines abroad. He told the department he believed that if such an expedition were organized and sent to sea, it would have a very good chance of capturing at least one of the U-boats as they had been since they were commissioned.

Twelve Marks First Trip. Four submarines of the "K" type finally started overseas, the admiral said, although one had to be towed because its engine would not run. He read the log of the trip to show the continued engine troubles and minor casualties that characterized the voyage.

When the submersibles reached the Azores the K-1 was entirely disabled, the officer said; the K-2 was available for limited service; the K-3 slightly better off and the K-6 entirely ready for duty.

Most of the opposition to his plan for larger submarine bases came from the navy general board, the officer said. His recommendations for building larger submarines was made in 1916, the admiral said.

NEAR AGREEMENT ON MINE WAGES

Union Executive Denies Suspension of Work in Contemplation

NEW YORK, (AP)—The scale committee of the bituminous operators and mine workers in a joint conference here today afternoon, agreed to make the monetary provisions contained in the award of the bituminous coal commission as affirmed by the president, become effective on April 1, and that the mine continue in operation pending the working out of a new agreement. The award provided for a wage increase of 27 per cent.

GIRL GOES TO TRIAL FOR MURDER OF STEP-FATHER

ST. LOUIS, Mo., (AP)—Ursula Brodick, 19 years old, who killed her father in 1918, today stood on trial in juvenile court here on a charge of first degree murder for killing her step-father, Joseph F. Woodcock, April 16, last.

EBERT GOVERNMENT ACTS WITHOUT ALLIES' CONSENT

News from Rhineland and Westphalia Permits Conclusion that Order Is Gradually Restored

PARIS, (AP)—Absolute confirmation of the entrance of regular German army troops into the Ruhr district, on the edge of the allied zone of occupation, without any permission from the allies, has been received by the French foreign office, it was declared today.

The subject, it was stated, will probably come up before the supreme council in London. The French say they can find no excuse whatever for the sending of troops into this section.

Socialists Turn On Muelheim Faction

BERLIN, (AP)—The news from the Ruhr industrial district, the Rhineland in general, and from Westphalia, permits the conclusion that order will be gradually restored in those regions where rebellious forces of workingmen have been operating, it was declared today.

At a meeting held Sunday at Hagen, Westphalia, the three socialist parties decided to withdraw from the Muelheim headquarters, the seat of the rebel coalition, and if necessary to fight the Muelheim faction under republican leadership, Hagen dispatches said. The behavior of this faction, characterized as "anarchistic," it was declared, is being used by socialists as constituting a danger to the industrial region.

Energetic measures to restore order and to protect the German people from "illegal acts" will be taken by the government against communist forces operating in the Ruhr region, said a manifesto issued by the government Sunday.

The following stipulations are laid down as conditions upon which the government will refrain from taking drastic steps to punish those who have opposed its authority:

Restoration of official civilian and police services providing they have not been implicated in the movements supporting the reactionary regime set up by Dr. Wolfgang Kapp on March 13. Immediate release of prisoners. If these conditions are accepted the government will be satisfied, but if they are not, General von Watter, commanding government troops in the Ruhr district, will receive full powers to proceed.

Communist Leader Gives Up Fight

ESSEN, (AP)—A conference held in Essen Sunday between representatives of the Berlin government and the communists in the Ruhr region, heard Paul Levy, of Frankfurt, president of the communist party of Germany, declare his party could not win its fight under the present conditions.

"We want to break off this fight as soon as we can," were Herr Levy's words. "We cannot fight single-handed against the rest of Germany."

The spokesman for the communists declared what his faction objected to was militarism.

Herr Levy insisted that the outcome of the present conditions in the Ruhr might have been different if the men had not kept their enthusiasm in general strike.

IDAHO WEATHER. Tonight and Tuesday fair.

PAGERS FACE SHUTDOWNS AS STRIKE RESULT

Walkout of Workers of Union Stockyards and Stockyards Company Endangers Employment of Fifty Thousand

CHICAGO, (AP)—Nearly 50,000 employees of packing companies here will be thrown out of work if the workers of the Union Stockyards and Transit company, who went on strike Saturday at midnight, remain out, packing company officials said today.

"We have enough livestock on hand for today," said an official of Armour & Company. "After that we must gradually close down if the strike continues and a week will see all departments of the plant closed."

The Chicago Junction railroad has notified ranches here that no livestock for the Chicago market, other than horses will be accepted. Stock in transit to Chicago will be handled as conditions permit.

Officials of the stockyards company admit that all the men are out. There are 700 employees, who number less than 900, they say, are striking for an increase of \$30 to \$45 per month and the elimination of the bonus system.

MEXICAN RAIL STRIKE LOOMS

AGUA PRIETA, Sonora, Mex., (AP)—Unless demands presented by the railroad workers of Mexico are granted by April 2 a general strike on all lines of the Southern Pacific de Mexico will take place on that day, Governor de La Huerta stated in a telegram today to railroad officials here.

The strike order includes the Canaca, Sonora and Sinaloa divisions from Nogales, Sonora, all the way down the west coast.

Object to the demands presented to the superintendent of the Mexican roads, the railroaders ask for an increase in wages and the recognition of eight hours a day's work with extra pay for overtime. It is reported that the management is not disposed to recognize the union in which its employees are enrolled.

Reference to a strike in an endeavor to give pressure toward bringing about their demands the men have called on Governor de La Huerta soliciting his aid, to which end his excellent speech at a conference at Remedillo with the superintendent of the lines.

BOLSHEVIKI WIN MANY DENIKINE VOLUNTEERS

NOVOROSHIK, Russia, (AP)—Occupation of this city by Bolsheviki forces occurred Saturday morning at ten o'clock. Thousands of General Denikine's volunteer soldiers were over the socialist side, and most of the remainder went on board ship and departed for Crimea with Denikine.

The only ships which resisted occupation of the city by the Bolsheviki were Russian, which fired a few shells at the soviet forces. The United States cruiser Cruiser was the last warship to leave the harbor and was not fired upon, although British and French warships were under fire from Bolsheviki machine guns while departing.

SCORES LOSE LIVES AS THOUSANDS ARE HOME

CHICAGO AND SUBURBS SHOW GREAT TOLL OF MANY CASUALTIES IN NEIGHBORING STATES

CHICAGO, (AP)—With wire communications restored with the various sections of the state which were swept by tornado yesterday, it was placed at ninety-three in Illinois and thirty-three in Ohio indicated twenty-six lives were lost while twenty-seven and Michigan nine.

CHICAGO, (AP)—Reports today from the tornado swept states in the middle west yesterday indicate 93 persons lost their lives, while thousands were rendered homeless and millions of dollars worth of damage done.

Chicago Electric System. The most forbidding rumors early today were from the southern Michigan peninsula and the state districts of Indiana and Ohio. In these states wires were prostrated in every direction and it was said it might be days before some of the community were heard from.

The Chicago district, with 25 deaths, was the heaviest sufferer, according to reports early today. The remainder of the known deaths list follows:

West Liberty, Ind., 7; Fenton, Mich., 7; Zula, Ind., 5; Nashville, Ohio, 3; Greenville, Ohio, 3; Sylvania, Ohio, 3; Geneva, Ohio, 3; Toledo, O., 2; Mansfield, Ohio, 2; Geneva, Ind., 2; one each at Monteville, Ind., Hart, Mich., East Troy, Wis., Cleveland, O., and St. Louis, Mo.

Elgin, Ill., thirty miles west of Chicago, where eight persons were killed, suffered approximately \$500,000 damage, when the tornado wrecked a large portion of the business quarter and pulled out with the extent of the damage.

Military law was declared in Elgin and former service men volunteered to preserve order and prevent looting. Guardmen Called Out.

From Elgin the tornado swept north across a second Chicago, smashing through Melrose park, Evanston, Wilmette and other suburbs with a trail of wreckage and deaths. Soldiers of a national guard regiment which was called out when the extent of the damage became known also assumed control at Melrose park and Wilmette.

The twisters which swept through Michigan and Ohio and Indiana apparently were distinct from the Illinois storm.

In each instance, however, it was the same type—wrecked houses, prostration of wire communication and a death list.

A dozen or more Michigan cities were cut off from the rest of the world and it was reported they were in places of the storm which swept north-eastward across the state from Lake Michigan. The storm was said to have been particularly severe in the vicinity of Michigan, Erie, Pa., and Lansing, Bay City and Saginaw.

DEATH LIST SOUTHERN STATES

Demoralized Hinder Gathering of Tornado Victims in Georgia and

ATLANTA, Ga., (AP)—Reports received here Sunday indicated the death toll from the tornado sweeping across the southern states was continuing to rise. The death toll in Georgia was reported as follows:

At least 100 lives were lost in the state, it was reported. The property estimated at \$400,000. The damage to the crops and livestock was reported as heavy.

Reports came from both Georgia and Alabama that heavy downpours of rain which followed the tornadoes had caused their roofs to blow down and to be uprooted and have generally been blown down.

PRESIDENT WILL VISIT SUMMER ON

Wilson to Occasion Summer Session of the Massachusetts General Court

The president, accompanied by Wilson and Beas Admiral Grant, probably will visit Massachusetts, near Martha's Vineyard, in the summer. It was said today at the White House.

The president, accompanied by Wilson and Beas Admiral Grant, probably will visit Massachusetts, near Martha's Vineyard, in the summer. It was said today at the White House.

World News Events

COPENHAGEN, (AP)—The progressive parties of Denmark will reply to the king's dissolution of the cabinet today by proclaiming a republic, the Koebenhavn says it is rumored. The cabinet of O. T. Zahle, premier and minister of justice, resigned today. The ministry was formed on June 21, 1913.

LONDON, (AP)—The mine workers delegates in conference here decided today upon a ballot of the men as to whether the government's offer of a twenty per cent increase on gross earnings should be accepted or a strike called for the three shillings minimum increase demanded.

LONDON, (AP)—The reason persons deported from Ireland are not brought to trial is because it is "impossible to get the necessary evidence," as the result of terrorism and intimidations in Ireland, Premier Lloyd George declared in the house of commons today in answer to a question. The premier said the government would not promise to cease deportations from Ireland during the discussions of the Irish home rule bill.

BORAH RENEWS ATTACK ON CAMPAIGN EXPENSE

Idaho Senator Retestifies Charges of Excessive Disbursements in Interests of Wood Caudill

WASHINGTON, (AP)—Retestifying his charges of excessive expenditures in the interest of Major General Leonard Wood's candidacy for the republican presidential nomination, Senator Borah, republican Idaho, telegraphed General Wood today declaring that unless the practices of the Wood campaign were corrected they would bring disgrace upon your name, upon your party and upon your country.

Workmen's Revolt is Losing Support

COPENHAGEN, (AP)—Many of the majority socialists who have been in the ranks of the rebellious workmen in the Ruhr district of Germany have quit the fighting front and are now being followed in their action by the independent socialists, according to a telegram from Muenster today.

The manager of the Krupp plant in Essen denies that the plant is manufacturing munitions for the insurgents. The executive council of the Essen working men has withdrawn its order permitting the seizure of food in private houses, the message adds, because the privilege has been made a pretext for the plundering of the better class houses for valuables.

Elgin Digging Out of Storm Wreckage

ELGIN, Ill., (AP)—Elgin today began digging itself out from the wreckage of yesterday's disastrous tornado, which tossed eight lives, injured more than 100 and did damage to property estimated at \$4,000,000. Merchants and professional men joined hundreds of laborers in clearing the streets today. Many guardmen and soldiers on patrol last night laid aside their rifles at dawn and with picks and shovels attacked the heaps of brick, timber and shattered glass.

Scores of blocks of the business district where the damage was greatest remain roped off this morning, while workmen prepared to raise the tottering wrecks which sway in the wind in the imminent danger of catapulting into the streets.

BLOOM REIGNS OVER OUTLOOK FOR AUSTRIA

VIENNA, (AP)—A wave of pessimism has swept over the country since Baron Koryay, minister of finance, and the food controller returned from Paris with empty hands except for some small food credits. Newspapers express regrets at the delay of the hoped for American loan and publish warnings of approaching exhaustion of food supplies and of another crisis.

Depression pervades business circles. Manufacturers declare that these dribbles of loans for food purchase are futile and that only credits sufficiently large to enable business to get on its feet, by the purchase of coal and steel materials will postpone the complete breakdown of Austria.

Coal Lack Vital

One of the basic causes of the country's paralysis is lack of coal. The failure of the coal-mining countries to live up to their agreements. For this reason industries lie idle.

Austria's natural and logical coal supply lies in Bohemia and France, or Upper Silesia. Present arrangements for coal is secured, what there is of it, under agreements between state governments; and upon arrival here is distributed by government, official. The supply is so small that virtually all of it is needed for limited railway operation, the gas and electric plants and limited private domestic use.

None remains for industries and no factories except those producing the necessities of life are in constant operation. For instance, the great Floridsdorf locomotive works, with a capacity of 250 locomotives a year, have been idle for four weeks.

Efforts are being made to speed up the cry for railway motive power. The demand for freight cars is insistent and yet the Graz car factory with a potential capacity of 100 cars a month produces less than fifty while coal is not to be had and consequently they cannot secure wheels, axles and structural iron for bodies.

Factories Lie Idle

Vienna is surrounded by a forest of factory stacks, but smoke issues from few of them. This has been true ever since the revolution fifteen months ago. Manufacturers say that if coal can be secured in sufficient quantities they will manage to find raw materials enough to start with and slowly build up credits for more.

Commission after commission has failed to try to obtain the coal for which contracts were made with Czechoslovakia. The reason for this failure is unknown here. One expert says that unless Austria is allowed to buy coal from the Upper Silesia fields, whence has always come the bulk of Austria's supply, her population must be deported or the country will perish under starvation and anarchy. This solution, he says, lies in the hands of the powers.

Staunch Fighters in Woman Suffrage Victory

Ratification of woman's suffrage by the various states and its federal passage in Congress did not come without a fight. This photo is of the people who helped direct that fight. They are, left to right: Former Speaker Champ Clark; Miss Anita Pollitzer of Charleston, S. C., secretary of the legislative committee; Senator Kenneth McKellar of Tennessee; Mrs. Lawrence Lewis of Philadelphia, Pa.; Simon D. Pess, chairman national Republican congressional committee, and Senator Charles Culp of Kansas.

NEW MEXICO STOCKMEN MEETING IN CONVENTION

Experts Scheduled for Discussion of Topics of Interest to Live-stock Industry.

BOSWELL, N. M., (AP)—The annual convention of the New Mexico Cattle and Horsegrowers' association opened here today with an attendance of cattle men from New Mexico, eastern Arizona and western Texas.

The program for today, following the usual opening preliminaries, included an address by John T. Atwood, special assistant to Attorney General Palmer, on "The Packers' Dilemma," and an address by T. W. Tomlinson, secretary of the American National Livestock association.

Tomorrow George R. Remmel, chief of the animal husbandry division department of agriculture, Washington, D. C., will speak on "Prospects of Exports"; Dwight B. Hoard of Phoenix, Ariz., will talk on "A Square Deal for the People in the Packing Industry"; and S. E. Piper, assistant biologist, is to deliver an address on "Predatory Animal and Rodent Control."

Wednesday, the last day, will be devoted to the election of officers and selection of the next convention city. Wednesday night there will be a smoker and boxing contest at the armory.

STRETCHES DUTY OF WATER

Utah State Engineer Points to Growing Area Under Irrigation.

SALT LAKE CITY, Utah, (AP)—Approximately 950,000 acres of irrigated lands are under cultivation in Utah, according to statistics compiled by George P. McGonagle, state engineer. Mr. McGonagle estimates stringent conservation of the entire water resources of the state will make possible the irrigation of between 1,500,000 and 2,000,000 acres.

This is in contrast, he declares, with estimates made when western irrigation was young that no more than 200,000 acres of Utah lands ever would be irrigable.

CALIFORNIA UNIVERSITIES EXCHANGE WITH BELGIANS

STANFORD UNIVERSITY, (AP)—Two graduates from Stanford university and two from the University of California will be afforded an opportunity to attend a Belgian university or technical school next year while two Belgians will attend each of these institutions, as the result of a system of exchange fellowships just announced by the Commission for the Relief of Belgium. Yale, Harvard and Princeton are also included in the scheme.

The Belgium universities included in the exchange system are: the University of Brussels, the University of Ghent, the University of Liege, the University of Louvain, and the School of Mines at Mons. Necessary traveling expenses and \$1000 or equivalent will be paid to students receiving the fellowships.

DEATH SENTENCE METED TO DEFAULtering POLICE OFFICER

WABSAW, (AP)—Lieutenant Stanislaw Zebrowski of the Polish army, tried by court martial and found guilty of a charge of having misappropriated 10,000 marks belonging to his regiment has been sentenced to be shot, it was announced recently. At the present rate of exchange, 10,000 marks is the equivalent of about \$63 in American money. The prosecution contended at the hearing that Zebrowski had lost the money betting on horse races.

Any reasonably-priced house or apartment may be rented—through an inexpensive classified advertising campaign. Test the matter. The "risk" involved is so small that few people would dignify it by that name.

INTRODUCES AMERICAN GLASS BOTTLES TO MEXICAN DAIRIES

SAN FRANCISCO, (AP)—Delivery of milk in regular American glass bottles will soon be a competitor in Vera Cruz with the universal Mexican custom of bringing the milk around in large cans to be measured out in miscellaneous receptacles furnished from the customer's household, according to Gonzalo A. Velasco, a Vera Cruz dairyman, who visited California a few days ago. He was so impressed with the milking machines used at the University of California farm that he started home by way of Chicago to lay in a supply for use in his own dairy. He bought two carloads of bottles in San Francisco before his departure.

GREET RETURNING PRINCESSES WITH ANCIENT CEREMONIES

HONOLULU, T. H., (AP)—Princess David Kawannakoa, sister-in-law of Prince Kuhio, Hawaii's delegate in congress, was greeted in ancient island style on her arrival here recently after a two years' absence.

"Lei," or necklaces of brilliant flowers, were placed on the princess' shoulders, the Hawaiian band played at the dock and Hawaiian singers sang the old songs of the land.

MORMON SETTLEMENTS HAVE COMMUNITY IRONING DAY

SNOWFLAKE, Ariz. (AP)—The Mormon communities of Snowflake, Taylor and Shumway have a community ironing day. It is Thursday.

On that day water-power is furnished to make electricity with which to heat the irons of the housewives and all through the colonies the ironing boards and irons and sprinkled clothes make their appearance early in the morning, for the vigorous women of these settlements are "korsanded" at "house-work." On other days electricity is furnished only after "nightfall" and is for lighting purposes.

If you are a little unaccustomed about it, read the ads.

INCREASING NUMBER OF STUDENTS PAY OWN WAY

Twenty-five Percent of Men and 10 Per Cent of Women at Berkeley Are Self-Supporting

BERKELEY, Cal., (AP)—Self-supporting students in University of California are increasing, according to statistics compiled by the employment bureau there. The best available figures give 25 per cent of the men entirely self-supporting and 10 per cent of the women. In addition, 35 per cent of the men and 15 per cent of the women are partially self-supporting.

While the greater part of the endeavors followed by the students are odd jobs such as house and garden work, there are exceptionally good proposition occasions. Applications were received recently for four students to take positions paying about \$125 per month. About 500 students by their own hands this semester, and fully an equal amount have secured jobs through other agencies.

You can sell that lot or plot of ground at a small advertising cost—through the classified.

GAIN FOLLOWS DECLINE IN FOREIGN EXCHANGE

NEW YORK, (AP)—A slight decline in sterling exchange marked the opening of the market here today, demand bills being quoted at \$3.91 1/4, or 2 cents below Saturday's close.

Demand sterling later recovered two and a half cents to \$3.93 3/4, francs checked which opened at 14.92 to the American dollar, off 25 centimes, yielded seven centimes at noon.

German marks sold at 1.84 cents each and the Canadian dollar was quoted here at 91.53 cents.

When the stock market closed, demand sterling was quoted at \$3.92 1/2 and franc checks at 14.90.

I. W. PRISONERS BREAK JAIL IN WASHINGTON

WENATCHEE, Wash., (AP)—E. J. Mara, Leo Ostrom, Thomas McCoy and Edward Calgin, four convicted I. W. sentenced to five to ten years in the penitentiary, escaped from the Chelan county jail last night.

Three other convicted I. W. in the same cage refused to leave the jail.

Today's Markets

New York Exchange. NEW YORK, (AP)—Falls continued their bullish operations in speculative issues today but abandoned their efforts in the later dealings when standard stocks were under pressure. Sales approximated 950,000 shares.

NEW YORK, (AP)—Prices of Liberty Bonds at 2:45 p. m. today were: 3 1/2's \$97.26; 4's \$96.50; second 4's \$96.40; first 4 1/4's \$96.55; second 4 1/4's \$95.80; third 4 1/4's \$92.78; fourth 4 1/4's \$89.78; Victory 3 3/4's \$97.55; Victory 4 3/4's \$97.74.

CHICAGO, (AP)—Higher prices in the corn market resulted today to a considerable extent from scantiness of the stock on hand here and from the fact that receipts this morning averaged 1.4 to 1.6 higher, with May \$1.50 1/4 to 1.50 1/2 and July \$1.50 1/2 to 1.51, were followed by a slight general setback, and then by new upturns.

Continued export demand for rye and wheat was a bullish factor in the last part of the day but was partly offset by lack of foreign call-for-alls. Corn closed unsettled, 3-8c net lower to 40.7 1/2 to 41.1 3/4c; rye, 1-1/2c to 1.15 and July \$1.50 1/2 to \$1.50 1/4.

Oats were firmer with corn. After opening unchanged to 3-8c higher including July at 79. 1/2 to 79 1/4, the market sagged a little, and then hardened again.

Provisions showed strength. Labor difficulties at the stock yards appeared to be in some degree responsible. Cattle the market underwent a material decline as a result of absence of support.

Cash Quotations. CHICAGO, (AP)—Wheat No. 2 hard \$2.25; No. 3 hard \$2.55; No. 2 mixed \$2.50.

Corn No. 2 mixed \$1.63; No. 3 mixed \$1.61 1/2 to 1.63.

MICHAELS-STEMM VALUE-FIRST CLOTHES. Your Son Pines to look Spruce on Easter Morning. New clothes for Easter is an old custom with boys. No matter who else in the family shines, the Son is sure to. For the past ten days our Boys' department has resembled a school room in which all the pupils love their teacher—and the parents of our little friends are well pleased with the clothes and the costs. We are showing the handsomest models in our 17 years in boys' clothing—and the values speak so plainly for themselves that we won't have to here.

The Greater IDAHO DEPARTMENT STORE Ltd. Up to date TWIN FALLS-IDAHO Progressive. ATTENTION LEGION MEMBERS. There will be a meeting at the Parish Hall on Wednesday, March 31, 1920, at 2:30 p. m., for the purpose of organizing a Woman's Auxiliary to the local Post. You are requested to urge your mothers, sisters and wives to attend this meeting. TOM BERRINGTON, Post Commander. PAUL R. TABER, Adjutant.

Dress-Up for Easter. Clothes of a Tailored-to-Order Appearance. Just as loud as type can talk we wish to impress this fact indelibly: It pays to buy good Clothing. Our message to thousands of men is that quality never was a bigger factor in Clothing than today. In the face of many handicaps Griffon Clothes have held stubbornly to the rigid standards of other years. Today there is considerable pride and satisfaction in knowing that such Clothes are typical of the best worn. Considered fabric for fabric, style for style, fit for fit, and finish for finish, Griffon Clothes express the spirit of present day thrift in its fullest meaning. Analyzed from every point of view, we do not believe values, such as we present, can be equalled elsewhere. TRY SINCLAIR'S FIRST "IT PAYS"

CARVER'S GUILTY

Bliss District Farmer Enters Request for Arraignment for Shooting

In the probable case this morning William G. Carver was arraigned to answer a charge of assault with a deadly weapon. Carver entered a plea of not guilty, but was bound over to the district court for trial. His bonds of \$5,000 were furnished this afternoon.

Carver is a Bliss district farmer who is alleged to have shot a sheep herder on Saturday. The sheep herder is now in Gooding hospital. It is said between the sheep herder and a 22 caliber rifle was fired.

According to testimony introduced at the hearing this morning, Carver last Friday warned the sheep herder not to bring the flock in his care to trespass on Carver's land. It is understood that upon that occasion the herder's language toward the farmer was scolding, but physical violence was not resorted to on that occasion. On Saturday morning, witnesses declare, the sheep were allowed to invade Carver's premises and the herder was again scolding the herder, it is related, making threatening advances. Carver is declared to have gone to his house and returned with a small caliber rifle in his hands to have used to drive off the sheep herder after the latter had advanced threateningly toward him.

Carver is 45 years of age, has a wife and seven children, and has been a resident of the Bliss neighborhood some years. He has a farm of 240 acres with 67 head of cattle and five horses.

Six witnesses testified to circumstances said to have led to the affray of Saturday.

HABEAS CORPUS WRIT CHECKS FLIGHT WEST

Oregon Deputy Falls to Cross State Line with Shelter—Latter Held Prisoner

Another attempt to extradite El I. Shelter for trial in an Oregon court on charges of grand larceny failed, and the writ-drafter is still in the jurisdiction of Idaho. Unsuccessful attempts to cross the state line were made with a view to crossing the state with the prisoner was made by an Oregon deputy sheriff yesterday. Shelter is again in an Idaho jail.

Armed with extradition documents, issued by the secretary of state and duly endorsed by Governor D. W. Davis, a deputy sheriff from Vale, Oregon, took charge of Shelter early yesterday morning for a flight west. The trip was made hastily but was brought to a sudden halt when authorities held up the party at Mountain Home with a warrant in habeas corpus from the district court, issued at the instance of Bothwell and Chapman, attorneys for Shelter. The latter was delivered into the custody of the sheriff at Mountain Home and is now awaiting the posting of bond for his temporary release from custody. Arrangements have been made for a hearing on the writ of habeas corpus at Burley on April 2. Judge W. A. Babcock will preside.

QUARTERLY CONFERENCE DRAWS BIG ATTENDANCE

All sessions of the L. D. S. church quarterly conference, held Saturday afternoon and Sunday, were exceptionally well attended and were the source of splendid enthusiasm displayed in the work and progress of the Mormon church in the Twin Falls district, according to officials who had charge.

Sunday's meeting was particularly well attended and inspiring. I. G. Kirkman, president of Twin Falls stake, officiated at all the sessions, and was ably assisted by local council as well as by church officials from Salt Lake, among whom was Attorney Charles H. Hart. Sermons and addresses were delivered by President Kirkman and others.

Boost our stores to your friends. Let your pride in local enterprise and achievement become contagious.

TO TRY ORGANIZATION OF ALL WHEAT GROWERS

Important Session of Farmers Is Called for Twin Falls One o'clock Tomorrow

Representatives of the Idaho Wheat Growers' association will be in Twin Falls tomorrow for the purpose of taking preliminary steps looking to the organization of this district in a plan to control marketing. The meeting here is one of many similar sessions to be held throughout the state, and is said to be endorsed by the University of Idaho extension division. The meeting will be convened in the quarters of the farm bureau at 1 o'clock p. m. on Tuesday. The president of the Washington Farmers' union and chairman of a general board which is attempting to organize western wheat growers, will have charge of this convention. The proposed plan is modeled after that adopted by the California producers of fruit and foodstuffs for cooperative selling and buying. Mr. Elmore is the speaker.

CHURCH SERVICES

Palson week services are being held in the Methodist church every night at 7:30 o'clock Saturday.

The pastor, Dr. A. G. Bennett, will give a series of short addresses as follows:

"Jeans Disappointed" (Monday).

"A Woman Immortalized" (Tuesday).

"An Angel in the Dark" (Thursday).

"The bargain that brought death" (Wednesday).

"Loving Bearing the Heavy Load" and "Sacrificing of the Lord's Supper" (Friday).

Social Notes

A meeting will be held in the Parish hall Wednesday afternoon at 2:30 o'clock under the auspices of the American legion for the purpose of organizing a women's auxiliary of the American legion. Mothers, wives, daughters and sisters of the members of the American legion and mothers, wives, daughters and sisters of all men and women who were in the military or naval service of the United States at any time between April 6, 1917 and November 11, 1918, and who died in the line of duty or after honorable discharge and prior to November 11, 1920, are all eligible. It is desired that every person eligible attend this meeting as the post here wishes the auxiliary to assist the legion during their state convention which meets here in April.

Mrs. W. E. Aaron was hostess at a birthday party Saturday afternoon in honor of the tenth birthday of her little daughter, Virginia Belle. Violets and jossquils were used to decorate the house, a color scheme of yellow and lavender being used. The afternoon was spent with music, games and dancing and a dainty two-course luncheon was served. Mrs. T. E. Watson and Mrs. Robert Rogerson assisted Mrs. Aaron in serving. Each guest was given a basket of yellow or lavender filled with candies and nut meats. The guests were Mary King,

Lot Wives Places Nor Idaho, Says Sage Sim Smiley

SMILEY, regional secretary, "Idaho," says himself in the "Idaho" column of the "Idaho" newspaper, wrapped one angular knee about the other, and his prominent nose pointed at a new statistic which the western night-light headlines said tonight: "Idaho weather: does pronounce the Idaho weather 'fickle'."

Smiley had just signified the tornadoes were in the vicinity of Missouri, Michigan, Indiana, Ohio, Wisconsin, Georgia and Alabama. One gets about all varieties of weather in this section, but thus far the schedule has not included tornadoes.

Yesterday's high mercury mark was 41, which was two degrees lower than on Saturday. Last night's high point was 30, or eight degrees higher than Saturday night. There was a trace of precipitation on both days.

"Tonight and Tuesday fair," the weather man said, and he is due to be right since all the ornery things that ever could happen have already occurred.

Mary Virginia Hart, Patricia Wilson, Ila Mull, Jane Maxwell, Betty Wilson, Evelyn Sheehan, Martin Wasson, Lilian Aaron, Bernice and Lavon, Margaret, Helen Parrott, Julia Hunter, Eleanor Corbett, Helen Warner, Margaret Grouzer, Helen Longieig and Helen Johnson.

Mrs. T. H. Irwin entertained the Addison Avenue Kensington club Friday afternoon at her home on Teenth avenue east. At the close of a pleasant social afternoon a two-course luncheon was served. Those in attendance were Mrs. J. D. Barnhart, Mrs. O. L. Evans, Mrs. E. P. Dunlap, Mrs. C. D. Irwin, Mrs. Ernest Cook and Mrs. Bert Herron.

Mrs. Robert Crawford, who lives three miles west of Twin Falls, was given a delightful surprise party by her neighbors Saturday evening, the occasion being her sixtieth birthday.

Mrs. O. P. Davall was hostess at a Kensington Friday afternoon, complimenting Mrs. J. E. Needham, who is leaving next week for California. Violets in a low bowl were used to decorate the table and a two-course luncheon was served. The guest list included Messieurs H. F. Davis, M. E. Murray, Sanger, M. C. Mitchell, C. P. Bowles, Will Patrick, G. M. Hall, Partridge, T. H. Irwin, Lon Heury, J. H. Morehouse, J. E. Needham and C. A. Fahlgren.

Mrs. G. M. Hall entertained at a one o'clock luncheon Thursday at her home on Teenth avenue east. The guests were Messieurs W. J. Young, Carl Larimore, O. P. Davall, C. A. Fahlgren, Leese and Miss Allmendinger.

Judge Lawrence Hansen celebrated his seventy-fifth anniversary at a banquet at the Rogerson hotel Saturday

evening. Covers were laid for ten and the party was a most enjoyable one. The guests were: Messieurs W. J. Young, Carl Larimore, O. P. Davall, C. A. Fahlgren, Leese and Miss Allmendinger.

Gov. were laid for ten and the party was a most enjoyable one. The guests were: Messieurs W. J. Young, Carl Larimore, O. P. Davall, C. A. Fahlgren, Leese and Miss Allmendinger.

Tuesday, March 28, will be the last regular meeting for the year of the "Twentieth Century" club. A very interesting program has been prepared for the occasion. Those in charge of the program are Mrs. W. T. Herbert, Mrs. E. E. Cox and Mrs. Arthur J. Post. Mrs. E. E. Cox is secretary of the club and Mrs. W. T. Herbert is president. There will be a chamber of commerce, will speak to the club along the lines of civic relation. Mrs. E. A. Landon will address the club on the mental attitude of service to the community. There will be solos by Mrs. McFarland, Mrs. Lydia Keough, Mrs. Logan and Mrs. John B. White. The club meets at the L. O. O. F. hall, program beginning at three o'clock. This will be the last meeting of the rural clubs are cordially invited.

INCREASE IS NOT ALLOWED.

No increase in power rates is granted the Idaho Power company for service to the North Side Pumping company and the High Line pumping company during 1922, according to Judge E. A. Walters, who returned to Boise yesterday where he has been for some days in attendance upon the hearings before the public utilities commission. The decision to compel the power company to stand on the old rates for this year was made public Saturday.

Thousands of Jews Risk Lives In Brave Effort to Reach Palestine

**JUSTICE
 STANDS
 HONORARY
 CHAIRMAN OF
 ZIONIST ORGANIZATION**

Millions of Jews throughout the world are awaiting the word that will permit them to start again another Exodus to the Promised Land. In every quarter of the globe, impatient thousands are waiting with tense eagerness for the great word which will enable them to go to the one land where they believe they will find peace and the spiritual satisfaction of national existence—the Land of Israel. This signal will come with the signing of the treaty of peace with Turkey, establishing a British mandate over Palestine and paving the way for the formation of a Jewish National Homeland where the intense massing of these millions of modern pilgrims will be realized. There is no country in the world without its large groups of Jews waiting with agonized impatience for the time when mass migration will be opened to the Holy Land. The Zionist Organization of America, which is endeavoring to raise \$10,000,000 for carrying on restoration work in Palestine to prepare it to receive this world wide Exodus, reports that its most serious problem is to restrain

**THEODORE
 HERZL
 FOUNDER OF
 ZIONISM**

this mass migration, which threatens at any time to break through and start for the Holy Land. Reports have been received telling of Jewish men and women arriving at Constantinople, Odessa and Trieste, many of whom have trekked across Siberia, Russia, Poland and Austria on foot, in an effort to reach Palestine. Hundreds have risked their lives in small fishing smacks sailing from Odessa or Constantinople, hop-

ing to smuggle their way into Palestine via the Black Sea and the Mediterranean. No one knows how many have been drowned in this mad enterprise.

Plans have been made to handle this world-wide migration through Copenhagen, London and Haifa. Official reports issued by the International Zionist Organization show that organized in this great massing to reach the Holy Land are 1,000,000 Jews in Russia, 500,000 in Poland, 30,000 in Argentina, 40,000 Russian prisoners of war held in Germany, as well as thousands of leading German Jews, 20,000 in Hungary and double that number in Austria, 5,000 engineers of the Czechoslovakian army and over 90 per cent of the entire Jewish population in the East, as well as 9,000 German and Austrian prisoners of war held in Siberia. In addition, there are large groups in Persia and Greece, Algeria, Tunisia, Turkey, Bulgaria, Jugoslavia, Greece, organized to leave, as well as masses, including leading administrative services in establishing the new country, the first 5,000 applicants from this country representing 184 different vocations ranging from laborer to specialist.

BLACK AND WHITE
 Perhaps these parlor pinkies who sympathize with the I. W. W. and profane think that the organization is a truly patriotic and harmless band of high caliberists imagine they are better leaders of the I. W. W. purpose than "Big Bill" Haywood, the accredited, eyed and authoritative chief of the wobbly clan. "They talk about Russia being the 'what spot,'" said Haywood in a published address at New York Sunday. "The 'what spot' in the world today is America and the brightest and whitest spot of the world is Russia. I think many of us are looking forward to the time when America will take a step forward. They are doing in Germany today." There is the I. W. W. plan and program, as frankly proclaimed by their chief. What the bolsheviks have done to Russia the I. W. W. would do to the United States if they could. On the restraint of law, the fear of law enforcement, withhold them from running wild in the United States as the bolsheviks are now running wild in Germany. Yet here and there befuddled judges, misled by the adroit misrepresentations of cunning I. W. W. lawyers, return acquitting verdicts that are equivalent to a confidence in an organization whose aims, as its official head frankly avows, is to overthrow the government of the United States, destroy republican institutions and set up the bloody tyranny of soviet rule.

REED WRITES OF RECLAMATION ASSOCIATION AND ITS PURPOSE

Past Year's Achievements of Important Land Development Society of Idaho, Together with Present Purposes and Aims for the Future are Exploited in Detailed Letter to Members

Explaining in detail the purpose of the Idaho Reclamation association; telling of its accomplishments in the past and its aims for the future, Fred R. Reed, executive secretary of the association, has indited the following, addressed to members of the association throughout the state: "This association was formed to organize Idaho for reclamation and to promote in an intelligent way the development of irrigation, drainage and the cut-over lands of the state. "Character: The association grinds no axes, backs no particular schemes, represents no special interests or factions. It promotes the progress and prosperity of Idaho by fostering better acquaintance and co-operation between the communities and counties, and is non-political. "Who Pays the Bills: The association is supported solely by its membership fees of \$1.00 per year, contributions from its members, and appropriations by the counties. The above constitute the executive committee and direct the affairs of the association. The managing secretary is the only salaried officer of the organization. "Organization: The association was organized February 21, 1919, at Pocatello and started with 80 members. On

February 21, 1920, the membership was 14,000. We hope to have 50,000 members February 21, 1921. Our office is conducted on business principles and we are endeavoring to perfect an organization that will be of practical assistance to the communities of Idaho in solving their development problems. "Relationships: We are working with our delegation in congress, the department of the interior, the department of agriculture, and the business interests and citizens of Idaho, and endeavoring to co-ordinate all these forces to produce practical construction of reservoirs, irrigation systems, drainage and destampage as soon as possible. "Accomplishments: Prior to its organization except in localities where reclamation is in the topic of conversation in all Idaho. We have carried on a campaign of publicity, and have in scrap books in our office nearly two thousands lines of fact of column-wide publicity that we have secured for Idaho. We participated in the formation of the association of states, and assisted that organization in every way possible. "Big district meetings have been held at Boise, Pocatello, Caldwell and Burley. Twelve counties were represented at Boise, eight at Pocatello, six

at Caldwell and seven at Burley. About 100 smaller meetings were held at other towns. We have tried to bring about a comprehensive understanding of the great purpose of the organization and to call attention to the fact that there are millions of acre feet of water going out of Idaho every spring that, if we had it in reservoirs, would irrigate a tremendous acreage. Therefore, our problem is the storage of water in the arid section and also drainage and destampage where needed. "During the coming year it is the purpose of the association to actively enter into the details of getting facts and figures from every county or district that has a problem of reclamation and reduce it to a report and be ready whenever an opportunity offers to show facts, figures and statistics on any project or section that may be under discussion." Look to the ads for light on your buying problems.

Maryland an Old State
 "Maryland, My Maryland," was one of the thirteen original states. In 1822 Cecilius Calvert, second Lord Baltimore, received from Charles I a charter conferring on him possession of the territory now forming the states of Maryland and Delaware. Thus he became a sort of feudal lord in supreme authority over the colony. Maryland had a long list of proprietary and royal governors before it was organized as a state in 1777.

AN OLD RECIPE TO DARKEN HAIR

Sage Tea and Sulphur Turps Gray, Faded Hair Dark and Glossy

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is tedious and troublesome. Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.—adv.

SHE'S A PEACH.' 'HELLO, TIMMIE, THIS IS DORA SPEAKING' 'WITH HEAVEN' 'WILL YOU CALL YOUR MOTHER TO THE PHONE? MOTHER WANTS TO KNOW HOW TO PUT TOGETHER' 'EARTH'

BOYS BEGIN NEW ENDEAVOR

Society Organizes Club and Devises Scheme of Entertaining Activity

Entering a field that promises much of social and fraternal entertaining, the Twin Falls Masons on Saturday night completed organization of Masonic club. Permanent officers selected and arrangements completed for bringing members of the society into closer fellowship through the medium of club recreational activities.

Officers selected were: Harry M. Smith, president; Elmer H. Graves, secretary; Don J. Henry, treasurer. With these principals at the directorate of the club will be composed of David W. Justice, W. W. Hickey, Dr. H. W. Sawyer, and Herbert B. Grant. E. L. Macfarlane was named chairman of the membership committee with power to enroll workers whose business it will be to procure subscriptions to establish the club on a working basis, and to obtain regular annual membership. The club now has a charter of 28 members.

Twin Falls has set the pace in the state of Idaho in establishing a Masonic club, there being none elsewhere in the borders of the Gem state. This sort of membership in the National League of Masonic clubs will be readily sought.

The purpose of the club is to bring together members in a convenient location, there to function until such time as adequate space is available in the Masonic temple itself. Meetings and social occasions will be a part of the department, with arrangements added from time to time as deemed essential to the social life of the members of the club.

The department will be inclusive to those and is planned to revivify the club life of the order.

That it is the purpose to carry out every schedule of the order in a manner that will bring the order into public eye is exemplified in arrangements already in progress for a next ball to be given as early in the coming month as possible. It is planned to be fair, while under the direction of the Masonic club directors and entertainment committee, will not be solely exclusive, a small invitation to be prepared.

The board of directors will make a survey of the city during the present week in search of rooms for temporary club quarters.

TWIN FALLS ELKS TO START BURLEY NIGHT

Local Lodge Has Honor of Instituting Fraternal Division in Cassia County Seat

Local lodge, E. P. O. E., to be officially installed on Friday, April 16, 1920, number 1884. This number has been assigned the new lodge with a proposition to conduct work in degree and ritual according to word brought to Twin Falls in the last 24 hours. Twin Falls lodge, Elks, has been assigned the honor of instituting the Burley lodge, and plans are already making for a particularly bright and elaborate ceremonial for the occasion. Delegations are promised from Pocatello, Blaine, Lake and Boise, and an effort will be made to have representation before a number greater than any fraternal organization has ever sent out of this city, or any other city of the state, for a like occasion.

Burley, why itself is making preparations extraordinary for the coming event and expects to fully live up to the reputation it established during the recent Mystic Shrine ceremonial.

According to the program of the Elks' affair, installation ceremonies will be conducted during the afternoon. There will also be parades, banquets, dancing and other social festivities during the afternoon and evening, carrying on as late as the visitors desire.

CLASS IS CONFIRMED AT LUTHERAN CHURCH

Confirmation exercises were conducted at the Lutheran church yesterday before a congregation. Friends of the class members in considerable number, witnessed the ceremonies.

The catechumens are: Paul Martens, Ed. Wegener, Victor F. Pelt, Alena Ed Emma Wellhausen, Dora Blippe, Ida Kolb, Lillian Koch, Viola Botchick, Martha Pabel.

After the confirmation rites the entire class, grouped about the church pastor, the Rev. John Gihring, had a photograph taken.

SALT LAKE DRUG COMPANY INVADERS TWIN FALLS; TO OPEN BRANCH HERE

Schramm-Johnson House Takes Over Lease to John McDonnell Building on Main Avenue East—City Marketing Company to Dispose of Stock and Make Delivery of Building Before May 1.

That the Schramm-Johnson Drug company of Salt Lake will enter Twin Falls in the next 60 days is a fact made known here today. The company will open a branch drug store in quarters now occupied by the City Marketing company on Main avenue east. The store is to be in operation June 1.

The Schramm-Johnson Drug company plans were made public this morning with the announcement that the company had purchased the lease to the John McDonnell block, requiring delivery of the premises about April 15. The room will be remodeled and fitted appropriately for the new business which will, it is stated, open with full lines of drugs and auxiliary goods.

Meanwhile the City Marketing company is preparing to dispose of the stock at discount prices in order that the building may be delivered at the stipulated time. Beginning Thursday the company will change many of its established trade customs and has sent out notice requiring all due accounts to be settled by April 1.

G. W. Shroat, one of the company's executives, today stated he would take possession of the new business lines before engaging in any sort of business again, but made it plain that he would not operate a grocery business when he re-enters commercial lines. He also emphatically stated that he would continue to make his home in Twin Falls, but expects to spend a fair proportion of his vacation period at his old home in Kentucky.

BUSINESS MEETING OF IMPORTANCE ORDERED

Chamber of Commerce to Consider Vital Matters at Ottillion Hall Session Tonight

One of the most important business meetings the Twin Falls chamber of commerce has yet had is called for 7:30 tonight in Ottillion hall. The call has been issued to the entire membership of the chamber with an urgent request that all be present.

Secretary Newell S. Wright has lined up an interesting and important program of subjects for consideration at this convention, not the least of which is a committee report on the proposed building of a Twin Falls-Weils, Nevada, railroad.

Other matters scheduled are the special Salt Lake jobbers' train, coming to this district April 23; American legion state convention April 7-9; the decoration of stores and closing for the parade; and a discussion of the questions concerning endorsement of the American plan by the chamber of commerce.

The meeting will be in charge of Secretary Wright, with Asher B. Wilson presiding.

Pretty Things to Make With Your Needle

Do you realize what a world of pretty things can be made with your needle? Here are dozens of dainty articles of wearing apparel—ready-made and stamped for the finishing touches. Our instructor gives free instruction in all stitches.

Shirt Waists, \$2

These Waists are soft, fine White Voile. Very stylish models stamped with tasteful designs and simple to embroider. No. 240 is for Blue and White embroidery and No. 241 is all White embroidery. A paper pattern for cutting any size from 36 to 42 is supplied with each package. Sufficient floss to complete embroidery is included.

Baby Carriage Pillow, \$1

Baby Carriage Robe and Pillow to match are stamped on fine wale Pique. To be embroidered in White and Blue. They are sold in separate packages and working diagrams are supplied in each package. Pillow requires a 14 1/2x17 inch form. The carriage cover is \$2.00

White Nainsook Undergarments

These Undergarments are entirely made up of Royal Society Nainsook which launders and wears with greatest satisfaction. Of the highest class workmanship, they require only the embroidery for which ample floss is included in Pink, Lavender and Green, a dainty color combination. The Gown matches the combination which is a step-in model. Material makes any size.

Combinations \$1.85 Night Gowns \$2.25

Girls' Pique Hat Made Up, \$1.25

Entirely made up of fine wale White Pique and stamped with a dainty design to be embroidered in Blue and White. Every package contains sufficient floss to complete the embroidery.

Baby Bib, 30c

Baby Bib of fine White Pique, stamped with a simple design for pure White embroidery. The Pique in this Bib is of excellent quality that will stand repeated washing and long wear.

Girls' Repp Coat 1 to 3 Years, \$2.50

Entirely made up of fine quality White Repp and stamped for simple embroidery in Pink and White.

Mail Orders Filled Promptly

Mail orders filled the same day as received and postage prepaid. If you live out of town send for booklet showing pictures of all these and many other handsome pieces.

This Pretty Apron, 40c

Tea Aprons, stamped on batiste finish Lawn with a pretty design for embroidering in Blue, Rose and Black. Sufficient floss to complete embroidery and a working diagram included.

Dressing Sacque and Boudoir Cap

This very dainty Sacque and Cap are of fine White Voile for embroidering in Pink, Lavender and Blue. The Boudoir Cap is entirely made up, requiring only the embroidery and trimming. There is sufficient material in Sacque to make any size up to 42. A color chart and working diagram are supplied in each package.

Boudoir Cap 50c Dressing Sacque 1.75

Baby Bibs, 50c

This little Feeding Bib is stamped on a good quality Huck to be embroidered in Rose and Black. The embroidery is simple outlining and a working diagram is supplied with each package.

Child's Hat Made Up, 85c
