ARBUCKLE DENIES HE HURT GIRL

Film Comedian on Stand in Own Defense, Relates Circumstances Attending Party Preceding Miss Rappe's Death.

ONLY GAVE ASSISTANCE TO ACTRESS, HE AVERS

Crime Charged Actor Says He Found Alleged Victim Slain on Bath Room Floor and Placed Her on Bed

SAN FRANCISCO, Cal. (AP)—Rocco G. (Pat) Arbuckle told the stand today in the manslaughter case against him.

Arbuckle said he came to San Francisco from Los Angeles September 3 and stayed at the Hotel St. Francis. He named the guests at the party in which he is alleged to have fatally injured Virginia Rappe, saying that he had invited an one to the party but Mrs. Mary T. Delmont.

Had Previous Engagement. Arbuckle said he had an engagement to go out with Mrs. Taula a few minutes after Miss Rappe is alleged to have been found.

Found Miss Rappe in my room. She was on the bathroom floor very sick. I assisted her.

She was holding her abdomen and I gave her some water. "I helped her into the bed," Arbuckle continued. "She said she had dizzy spells often. Then I went back to the bathroom. When I returned Miss Rappe was on the floor rolling and moaning. I placed her on the bed again."

"While I assisted her, Miss Prevost and others occupied the room. I went into another room and when I came back Miss Rappe was on the bed holding her abdomen."

Arbuckle said he was dressed in bathrobe and underclothing. The bathrobe was introduced and he identified it.

"Mrs. Delmont, a guest of the party, told me to leave Miss Rappe," Arbuckle testified. "I told Mrs. Delmont to take up the bed and I would look her out of the window."

Arbuckle told of taking Miss Rappe from the room and into another room, with the assistance of Harry Boyle, assistant manager of the hotel.

The door leading from his room to the corridor and a window of the room were closed, he said.

"I did not hear Miss Rappe say 'he hurt me' or say anything that could be so understood," he testified.

Denies Using Force. He denied having forced Miss Rappe to have a drink of champagne. He denied testimony by James J. North, janitor of the Oliver Hotel, that he saw a picture of Miss Rappe in a newspaper and a sum of money for the key to Miss Rappe's room.

His direct examination was finished at 11:00 a. m.

Lars Flanagan's Testimony. Arbuckle's testimony followed a "live" attempt by the defense to have the testimony of Ignatius H. McCarthy, janitor of the Oliver Hotel, read.

Arbuckle said he did not know Mrs. Delmont previous to September 1, the date of the party in which Miss Rappe is alleged to have sustained her injury. During the party, Miss Rappe telephoned to a Mrs. Sprickles, he said. This is believed to be Mrs. Edith Sprickles, widow of John D. Sprickles, Jr.

Arbuckle never saw Alice Blake, a guest of the party, in his life before the affair, he said. Miss Zoy Frevall, another guest, also was a waitress to him, he said.

Unsubstantiated. "I had no idea that Miss Rappe, Miss Prevost, Mrs. Delmont or Miss Prevost were coming to the party until they actually arrived," he said.

There were bottles of whiskey, gin water and orange juice on a table in the room. The guests were, he said, Fred Frevall, his roommate, supplied the liquor, he said.

Arbuckle testified in a loud, clear voice and seemed at ease in every way. He denied knowledge of the source of the liquor other than that it was procured by Frevall. He was eating breakfast when the guests arrived, he said.

Calls for Murders. The witness said he drank some "black balls" after breakfast. Miss Rappe asked that a piano be brought in, but later a phonograph was produced.

Chief of Chiefs is Name Crow Indians Give Marshal Foch

Signal Honor is Paid to Commander of Allied Armies by American Bedmen

BILLINGS, Mont. (AP)—As way to honor the late Marshal Ferdinand Foch, in which the Crow Indians into whom tribe he was inducted at an elaborate ceremony at the Indian reservation near here today. The name means "Chief of Chiefs" and was bestowed upon the French marshal by Chief Plenty Coops of the Crow. A drizzle of rain did not prevent the martial from taking part in the ceremony nor visiting the Crow battlefield.

On route to Billings, a brief stop also will be made at Eagan, from Billings to Eagan, from Eagan to St. Martin, Idaho, which will be reached Tuesday, and thence to Spokane, Wash.

NEW HAVEN, Conn. (AP)—Three lives were lost and 10 persons were more or less seriously injured when fire broke out in the Biograph picture theater here last night. It is possible that further search will reveal the cause of the fire.

Forty-eight persons were burned or trampled during the presentation of Oriental Play is coroner's explanation for origin of fire.

Conference Gives Concession Asked by Chinese Delegation

ITALY AND JAPAN JOIN WITH FRANCE ENDORSING PRESIDENT'S PROPOSAL

Chorus of Approval for Suggestion Continuing Series of Conferences to Examine World Problems Finds Opposition in Attitude of Senator Borah Who Says It Would Be "Old League of Nations Under Another Name"; British Press is Cordial

WASHINGTON, D. C. (AP)—Spoken for by other of the participating powers, Senator Schaefer for Italy, whose delegation he heads, and Vice Foreign Minister Hanhara, for Japan, and joined today with Ben Franklin, head of the French delegation in endorsing President Harding's informal suggestion that present conferences be for a continuing series of conferences to examine world problems.

Senator Schaefer expressed the conviction that adoption of the plan would "represent the greatest and most beneficial result of the Washington conference, while Mr. Hanhara said he believed the plan was the only way to take part in any future conference with the great objective of maintaining a harmonious co-operation of the powers and world peace."

British Objects. A voice in opposition to the "proposed association of nations" was raised, simultaneously by Senator Borah, Republican, Idaho, who declared it would be the "old league of nations under another name."

LONDON NEWSPAPERS GIVE PROMINENCE TO SUGGESTION. LONDON, (AP)—President Harding's proposal for a continuing series of international conferences, the conclusions of which would be observed under a "gentleman's agreement" in the American view, found little support in the British press.

Assurances that the American calculation as to existing Japanese naval strength has been found to be accurate in the American view, found little support in the British press.

WASHINGTON, D. C. (AP)—American naval experts presented to the Japanese and British delegations today detailed answers to questions presented last week as to the American naval reduction program. The full membership of the formal conference of the four conference was not in session.

Makes No Changes. The extensive examination of figures of all three powers as to existing naval strength of each country has not resulted in any change of the original figures in Secretary Hughes' proposal. It is assumed that during the week possibly in a meeting, the naval reduction program will be formally returned to the conference for action.

Will Stand Firm. Assurances that the American calculation as to existing Japanese naval strength has been found to be accurate in the American view, found little support in the British press.

POWERS AGREE TO WITHDRAWAL OF POSTOFFICES

Japanese Alone Hold Out, Asking for Time to Communicate with Their Government; Defer Railway Question

WASHINGTON, D. C. (AP)—A resolution declaring for relinquishment of foreign privileges in China was adopted today by the nine powers sitting as a committee on Pacific and Far Eastern questions.

Japanese Ask Time. The date of January 1, 1922, was set for the abandonment of foreign post-offices and this was agreed to by all the powers except Japan, whose representatives asked for time to hear from their government.

The Japanese delegates, it was said, did not object to January 1, the date set for abandoning their post-offices, but felt that they did not have the authority to agree to that date without referring the matter to Tokyo.

Defer Other Questions. The nine powers committee deferred final action until tomorrow on the question of extra territorial rights in China. The principle of giving foreign courts in China, it was said, was agreed to but consideration of the formal resolution went over.

Chinese representatives at today's meeting brought up the demands for control of Chinese railways. The question, however, went over for consideration at another meeting of the full nine powers tomorrow morning.

Several of the governments expected here, it is said, plan to go to Charleston, S. C., to the governors' conference. It is believed that through their mainly American hosts, they will have many matters to discuss before the governors in general with a view to the unified action of states.

Following the Charleston conference it is probable that some of the western executives, augmented by members of the Western States Reclamation association and representatives of various commercial bodies will proceed to Washington, D. C., in the interest of legislation embodied in the Smith-McNary bill.

SALT LAKE CITY, Utah. (AP)—Governors of several western states gathered with state engineers and others are expected to attend the convention of the Western States Reclamation association to be held here November 29 and 30. The sessions, it is announced, will be devoted largely to organization of the reclamation work for the coming year. The Utah governor, D. W. Davis of Idaho is the president.

DEMANDS MINER CHIEF'S SCALP

Farrington Calls for Removal of International President

Lewis

SPRINGFIELD, Ill. (AP)—Quoting the blundering coal commission award upon which all pay agreements are based, "Butler, Crink, Farrington, of the Illinois Mine Workers, today made public

BETTERMENT IN INDUSTRIES OF FAR WEST SEEN

Lumbering, Mining and Building Share in Benefits of Continued Activity in the Twelfth District

SAN FRANCISCO, (AP)—Greater industrial activity is noted in the twelfth federal reserve district, according to the October report of John Perin, San Francisco, federal reserve agent.

"The improvement discernible during September in the lumber industry continued in October, demand for lumber showing a marked increase over previous months of the year," the report said. "The amount of orders received by 101 reporting mills, 441,821,000 feet, was the largest total booked in any one month since March, 1920."

Lead Mines Active
"In the mining industry the activity of lead producers is noteworthy. The lead mines of Utah and Idaho, which produce approximately fifty per cent of the United States output of lead, are now operating at full capacity."

"With the practical ending of the strike in the San Joaquin valley fields of California, production of petroleum has risen rapidly. As a result of the strike, October production was the lowest of any month in several years and stored stocks were consequently drawn upon to meet the demand."

"Building activity in this district during October passed all records, both in number and value of building permits issued, a continuation of the rapid increase in volume of building operations which began in July of this year. Building permits issued in twenty principal cities of this district during October, 1921, numbered 11,442, with an estimated valuation of \$23,338,741, exceeding the previous record month of September, 1921, by 373 or 3.3 per cent in number and by \$2,188,748, or 10.8 per cent in value."

Power Sales Greater
"Sales of electric power for industrial purposes in California during September, as reported by the eight principal power producers, were 4.5 per cent greater in kilowatt hours than in September, 1920, the outstanding increase being in the San Joaquin valley and in southern California. The total output of electric energy by these companies was 35.7 greater than in September, 1920."

"Increased activity in industrial centers during the month provided sufficient additional employment to offset

the decline noticeable in the rural districts with the end of the harvest season. Employment conditions as a whole in the district are practically unchanged, as compared with those of the preceding month."

Trade Volume Gains
"In the field of business, bank clearings of twenty principal cities, which were 14.1 per cent less than those of October, 1920, the highest point ever reached in the district, indicate that the physical volume of trade in the district is greater than it was a year ago, the percentage of decline in clearings, 14.1 per cent, being less by a considerable margin than the percentage of decline in prices during the year ending October, 1921, which is estimated to have been 37 per cent at wholesale and 50 per cent at retail."

"Reports from 127 wholesalers in 10 lines of business in the district indicate that net sales during the nine months of the year were 10 to 50 per cent less in value than those of the corresponding period in 1920. These percentages of decline roughly approximate the percentage of the decline in prices of their wares reported by these merchants and it is probable that the physical volume of wholesale trade today is not greatly different from that of October, 1920, with the exception of agricultural implements, in which line the reduced purchasing power of rural communities is strongly reflected."

Indicates Price Cuts
"Reports from thirty-five representative department stores indicate that their October sales were 6.3 per cent less in value than the sales of October, 1920. They advise that their prices are from 10 to 50 per cent less than they were a year ago, and it seems fair to conclude that the volume of merchandise passing over their counters is now appreciably greater than it was in October, 1920."

"Easier credit conditions in the district, which became apparent during September, largely as a result of the rapid and heavy marketing of agricultural products, have continued in greater degree during October. Interest rates to customers of banks in two of the largest cities San Francisco and Seattle, are reported to be one-half per cent less and to stand at 6 and 6 1/2 per cent respectively. The rate on prime bills in the acceptance market is now 4-5 as compared with 4-10 per cent a month ago. Advances to member banks by the reserve bank were reduced by 25 per cent during the month ending November 9 and on that date were \$58,000,000, which is the smallest amount advanced at any time since January 23, 1920."

ERZBERGER'S DAUGHTER TAKES VELL IN MURDER
REUTER (AP)—Maria Erzberger, the daughter of the recently murdered German minister of finance, Mathias Erzberger, has taken the veil in the nunnery of Ech, in southern Holland.

The News is read by the permanent earning classes.

CALLS FOREIGN TRADE MEETING

Financial, Manufacturing and Agricultural Interests to Convene

TACOMA, (AP, Special)—That the first annual Pacific Northwest Trade conference will be largely attended is best evidenced by the fact that requests for reservation and information are pouring in from the entire northwest, including Alaska.

"Northwest business men appreciate keenly the vast markets that are possible through the creation of a larger foreign trade," said Edward P. Kemmer, acting secretary-manager of the conference. "If we are to build up a substantial Pacific northwest foreign trade it is to create new outlets for our increasing volume of manufactured and agricultural products, we must have the hearty cooperation of all concerned. For this reason, the two-day conference has been called with a view to discussing every phase of foreign commerce. Everyone attending will have an opportunity of thoroughly analyzing and discussing the immediate problems that confront us and at the same time lend their help in developing a plan for united action to accomplish definite results."

Invitation Is General
The committee in charge has sent invitations broadcast to industrial and commercial houses, exporters and importers, chambers of commerce, financial firms, shipping companies, railroads, port authorities and business firms and individuals of the four northwest states and Alaska. It is hoped that every firm or individual interested in the great possibilities offered by the development of foreign trade will have one or more representatives at the session which will be held Thursday and Friday, December 15 and 16, in the auditorium of the Tacoma Commercial club and Chamber of Commerce. Business men and others interested can secure further information by addressing Edward P. Kemmer, secretary, Tacoma building, Tacoma, Wash.

Covers Wide Range
The program as now planned contains a wide range of topics for discussion. Among the many things that will be discussed are such topics as "Foreign Trade Under the Edge Act," "The China Trade Act," "Future for Markets in China and Japan," "Exploiting Canned Goods in Foreign Markets," "Effect of the American Valuation Clause," "Export Transportation Problems," "Our Growing Fruit Industry in Foreign Trade," "Trade Possibilities with Latin America," "The Necessity for Increased

Imports," "How to Connect the Northwest Producer with the Foreign Market," and many others.

ICEBERGS SINK VESSELS WITH GRAIN FOR RUSSIA

Less Than Half of Provisions for Archangel Is Delivered Because of Wrecks at Sea

ARCHANGEL, (AP)—Rumors have always hovered about the dashes which ships have made through the Kara sea to get the products which the two Siberian rivers, the Ob and Yenisei, carry into ports that can be entered for only a few weeks in summer because of the floating ice in the Arctic and Kara.

"So in this year, when famine swept the Volga area, it is not strange that the Russian food commissariat turned its eyes toward the months of the Yenisei and Ob, started a fleet through the icebergs in search of bread. Many small ships were commissioned. Some of them made the trip safely, but four ships, the Ob, Yenisei, Ila and Sanki met the fate of the Titanic. The Yenisei and Ila each carried 200 tons of grain to the bottom of the ocean. The Ob and Sanki had only very small cargoes. The crews escaped over the running ice and were picked up by icebreakers."

In all, 12,000 tons of supplies were gathered in the ice-bound ports, but less than half this amount is reported to have reached Archangel, where there is cruel disappointment among the population so badly in need of bread and other raw materials.

ACHES AND PAINS—SLOAN'S GETS 'EM!

Avoid the misery of racking pain.
Have a bottle of Sloan's Liniment handy and apply when you first feel the ache or pain. It quickly eases the pain and sends a feeling of warmth through the aching part. Sloan's Liniment penetrates without rubbing. Fine, too, for rheumatism, neuralgia, sciatica, sprains and strains, stiff joints, lame back and sore muscles. For forty years pain's enemy. Ask your neighbor. At all druggists—35c, 70c, \$1.40.

Sloan's Liniment
Clean Your Conscience of rheumatism, sciatica, sprains and strains, stiff joints, lame back and sore muscles. One of Dr. Hobson's Eczema Ointment.

JEROME FARM BUREAU IS TO BE RE-ESTABLISHED

Commissioners and University Representative Back Conclusion Concerning Department

JEROME, Idaho (Special).—Arrangements have been made for re-establishing the county farm bureau department for Jerome county. The office was abolished by order of the county commissioners some weeks ago, but decision was reached last week to reinstate the position. This agreement was reached when W. E. Kjosness, representing the extension department of the state university, conferred with the county commissioners. Besides a county farm agent employment of a club leader has been authorized.

HOME EDUCATOR PROMINENT AT STATE MEETING

ARBuckle DENIES HE HURT GIRL

Miss Fisher's Part at Boise Conclave is Impressive— Mitchell on Committees.

That Miss Mary Ruth Fisher of the Twin Falls high school, as chairman of the vocational department during the annual session of the Idaho State Teachers' association, held in Boise last week, had one of the most complete and well-balanced programs of the convention, is a fact attested by all delegates attending from this district. Miss Fisher's program is said to have been the best worked out of any departmental schedule presented throughout the entire meeting.

Delegates from this city and section returned to Twin Falls Sunday, following conclusion of the annual gathering on Saturday. The conclave lasted three days. M. C. Mitchell, superintendent of the Twin Falls district schools, a member of the association, presiding committee during the year, was appointed on the resolutions committee at a superintendents' luncheon held on Saturday afternoon.

On the afternoon of the last day of the convention, the constitution of the Idaho State Inter-Scholastic Athletic association was adopted and an advisory board of three was selected to have control of high school athletics in the state. Proposal has been made for all high schools of the state to join the association and be governed by its regulations. A form of constitution was submitted by Superintendent Bloom of the Blackfoot schools, and placed in the hands of a special committee for consideration. This committee was composed of W. B. Siders of Pocatello, E. L. Cherry of St. Maries and M. C. Mitchell of Twin Falls. The committee made some revisions, before submitting the constitution for adoption. R. H. Snyder of Idaho Falls, and M. C. Mitchell of Twin Falls, were elected to positions on the athletic advisory board for one-year periods. E. L. Cherry of St. Maries was elected for three years. George E. Demman of Elmer was chairman of the meeting.

CASES TO BE APPEALED.
Notice of appeal has been filed in the district court in the Walton actions against G. W. Bire, D. F. Clark and W. W. Bire, former members of the school board of Independent School district No. 1. The cases involve ouster and damages, judgment having been found last August for the plaintiff.

GIRL LOSES REASON IN JOURNEY FROM EUROPE

Mary Beggs, Coming from Australia to Minidoka County Relative, is Found Insane Upon Arrival.

RUPERT, Idaho (Special).—Upon arrival here after making the trip from Bristol, Australia, Miss Mary Beggs, 20, was found to have lost her reason. Worries incident to the long journey are believed to have caused the dementia. The young woman came to make her home with her brother, Martin Beggs of Project pool hall. She is with the brother's family now being cared for. Physicians believe that complete rest will cure the trouble in a few weeks.

CORNWALL IS APPOINTED PERMANENT POSTMASTER

Congressman Smith Advises Report Authorities of Selection to Fill Federal Office.

RUPERT, Idaho (Special).—Congressman Addison T. Smith has advised business men here of the appointment of Chester Cornell to the position of permanent postmaster. Recommendation of the appointment was made to Postmaster General Will Hays by the Idaho congressman. Naming of Mr. Cornwall to the office meets with general approval throughout Minidoka county.

SLAYER SUSPECT PROVES INNOCENCE OF CHARGES

Man Held in Iowa in Connection with Death of South Dakota Priest Does Not Answer Descriptions.

DURHAM, Ia. (AP)—Sullivan Baker held at the F. K. Baker, Ia., all since Friday in connection with the slaying of Father A. B. Bolnap at Lead, S. D., was released this morning upon orders of County Attorney Walter Eichenbach after pictures and descriptions from Deadwood, S. D., arrived and failed to tally with the man held.

EAST DISTRICT FARMERS RECEIVE PAY FOR BEETS

Super. Producers Get \$183,848 from the Sugar Company for Product of the Fields This Season.

RUPERT, Idaho (Special).—Cash paid Minidoka county farmers by the Amalgamated Sugar company for beets grown this year amounts to \$183,848. A total area of 1800 acres yielded 20,000 tons of sugar beets, for an average of 11 2/3 tons to the acre. The factory closed the year's slicing operations last Thursday.

LODGE GEORGE BUYS PART OF LORD ASHMOKE'S ESTATE

LONDON, (AP)—Premier Lloyd George has purchased from Lord Ashcombe a portion of the Shute estate, which lies about five miles from Farnham, in Surrey, and 40 miles from London. It is situated in the midst of the most beautiful part of a heavily wooded district. At least two golf courses are situated at convenient places.

SNOW AND JOE BLANKET COVERS NEW ENGLAND STATES

BOSTON, Mass. (AP)—New England was glazed over or melting out today and its transportation and wire services were interrupted after a two-day storm of sleet, snow and rain. There was a snowfall of 15 inches at Portsmouth, N. H.

MEXICAN MINISTER IN BERLIN

BERLIN, (AP)—Dr. Alfredo Calles, newly appointed Mexican minister to Germany, has arrived here.

Today's Markets

WHEAT PRICES ADVANCE

Unfavorable Crop Reports and Out in Surplus Estimates Cause Upturns.

CHICAGO, (AP)—Reports that the condition of the Kansas winter crop is the least over known for November had a bullish effect on the wheat market today in the early dealings. Prospects of a liberal reduction of the visible supply total tended also to lift values.

Use. (Boulder, notice) continued to be taken of the smallness of the Japanese rice crop. Initial quotations, which ranged from 3 1/2 to 4 1/2 cents, with December \$1.15 3/4 to 1 1/8 and May \$1.10 to 1 1/8 1/2, were followed by a moderate reaction and then by upturns higher than before.

Subsequently a cut of 20,000,000 bushels in the estimated Australian surplus led to much more active buying and to a further advance in prices. One close was unsettled, 3 1/8 to 3 1/4 not higher, with December \$1.14 1/2 to 1 1/4 5/8 and May \$1.17 3/4 to 1 1/7 3/8.

Assertions that the close of navigation would bring about a stoppage of export business in corn gave some advance to be heard in the corn market. After opening 1 1/4 lower to a like advance, with May at 54 3/4 to 55 1/4, prices underwent a general ass.

Later the market rallied owing to wheat strength. The close was steady at the same as Saturday's finish to 1 1/8 higher, with May at 54 3/4 to 7 3/8 to 54 7/8.

On 1 1/4 were easy with corn, starting unchanged to 1 1/4 off, May 38 1/2 to 38 5/8, and then declining all around. Provisions developed strength as a result of absence of offerings.

Chicago Produce

CHICAGO, (AP)—Butter—Lower; creamery extras 45c; firsts 36 to 44c; seconds 33 to 35c; standards 32c.

Eggs—Higher—Receipts 2,208 cases; firsts 80 to 83c; ordinary firsts 40 to 47c; miscellaneous 50 to 52c; refrigerator extras 35 1/2 to 36c; refrigerator firsts 37 to 38c.

Poultry—Alive, unsettled; fowls 14 to 15c; spring chickens 18c; turkeys 30c; roosters 15c.

Kansas City Produce

KANSAS CITY, (AP)—Eggs—Unchanged; firsts 41c; seconds 31c.

Butter—Unchanged; creamery 44c; packing 23c.

Poultry—Unchanged; hens 15 to 18c; spring 18 to 21c; turkeys 32c.

Omaha Livestock

OMAHA, Neb. (AP)—Hogs—Receipts 7,000; steady to 10c lower; bulk, medium and light butchers, \$6.40 to \$6.50; top \$6.55; bulk, average weights and mixed grades, \$6 to \$6.35.

Cattle—Receipts 7,500; beef steers, unsettled; steady to 25c higher; top 1,500 pound beefs, 80c; steer stock, bulls and veals, stockers and feeders, range to 15c higher.

Sheep—Receipts 10,000; killing class steady; bulk lambs \$6 to \$6.25; top \$6.25; yearlings \$7 1/2 to \$8.25; bulls \$6.25; feeders \$5 1/2 to \$6 1/2; higher, top feeding lambs \$8 1/2.

Chicago Livestock

CHICAGO, (AP)—Cattle—Receipts \$2,000; few early sales; beef steers steady to higher; top yearlings \$12.00; bulk beef steers \$8.25 to \$9; steer stock, bulls and calves strong; stockers and feeders steady to higher; bulk yearlings \$6.50.

Hogs—Receipts 20,000; active, mostly steady to stronger than Saturday's average; few early sales; top light hogs and butchers, practical top, \$7.15; bulk \$6.85 to \$7.10; pigs steady to 10c higher; bulk desirable \$7.15 to \$7.25.

Sheep—Receipts 30,000; generally steady; choice native and fed western lambs and sheep to packers \$10; bulk fat lambs \$9.50 to \$10; bulk native weaners \$8 to \$8.75; no heavy-weight westerns sold; early feeders nominally steady.

New York Stock Market.

NEW YORK, (AP)—Railroad and equipment issues led the active list to higher levels today but pressure against specialties and, occasional, profit-taking caused moderate reversals. Sales approximated \$59,000 shares.

Last week's demand for railway shares was resumed in moderate degree at the outset of today's stock market session, the remainder of the list showing no decided trend. American, Chicago and Northwestern, Great Northern, Northern Pacific and St. Paul preferred made fractional gains. The only conspicuous feature in the industrial group was the sale of 44,500 shares of United States Steel at the maximum quotation of \$4 1/8, this representing a small fractional advance. Mexican Petroleum rose one point and Crude Steel, Mercantile Marine, preferred, Utah Copper, Associated Dry Goods and Union Bag also were firm. American Best Sugar preferred and American Linseed common and preferred reacted to selling pressure.

Potatoes

CHICAGO, (AP)—Potatoes steady; receipts 61 cars; total U. S. shipments 433 Wisconsin Round White, bulk \$1.00 to 1.10 cwt; seed \$1.00 to 1.10 cwt; Minnesota and Michigan Round White, sacked and bulk \$1.00 to 1.10 cwt; Minnesota and North Dakota Red River \$1.25 to 1.40 cwt.

CANNERS ASSAIL PACKER DECREE

Heavy Loss to Western Fruit
Growers Attributed to the
Court Decision

WASHINGTON, (AP)—Judicialization of the canner decree under which the so-called "big five" packers agreed to their separation from unrelated industries was urged today before a special government commission by Vernon B. Campbell, general manager of the California Co-operative Cannery association. Characterizing the decree as an economic mistake without legal foundation, Mr. Campbell said: "Our markets were taken away over night resulting in an actual loss of millions of dollars and potential damage that is hard to estimate. The decree was a mistake. Mr. Campbell charged that the department of justice, before agreeing to the decree made no investigation as to the rights of fruit growers and canners. He asserted that the decree had inaugurated a campaign of "coercion against canners who favored a modification of the decree."

DAWSON CHARGE CHANGED NAMING HIGHER OFFENSE

Booming House Landlady Said
to Have Been Convicted
Twice in Bore Cases

Alleging that the defendant in the case has twice been convicted of the same offense of intoxicating liquor, the state, represented by Prosecuting Attorney Frank L. Stephan and Assistant C. A. North, this morning changed the charge lodged against Mrs. Jane Dawson and proceeded to try her on a felony charge. W. Orr Chapman, of Bothwell & Chapman, is defending.

Mrs. Dawson is proprietor of the Weaver Rooming House on East Main avenue and was recently arrested by police and county authorities when she was found in possession of liquor. She will probably occupy the greater part of the afternoon.

Mrs. Dawson came to Twin Falls a little more than a year ago from Idaho Falls. It is reported she was convicted on an illegal possession charge obtained in that city.

PETTY LARCENY CHARGE IS ADMITTED IN COURT

After pleading guilty to charge involving theft of oil from the Allen Oil company several rights ago Frank Lewis, of this morning admitted the charge. The young man was arraigned in the probate court, Judge Duvall presiding. Defendant declared he took the oil to replace the household oil can. His partner in the offense, H. S. Allen, aged 21, is serving a short term in the county jail.

MANY TAXPAYERS MAKE PEACE WITH TREASURER

Forming a human group that extended to the lobby of the county treasurer's office of the court house county taxpayers this morning besieged the office of the county treasurer. This is the last day allowed for liquidation of personal taxes. The treasurer's office had an audience which has been gratifyingly large.

Social Notes

Engaging themselves with needlework and conversation the A. K. club met at the home of Mrs. K. H. Lewis on Tuesday evening last. After a short business meeting (disposal of matters of interest to the club, and the hostess served refreshments to the ten members in attendance.

Complimenting Mrs. L. L. Skaggs of Porterville, who is in Twin Falls for a visit with friends, Mrs. A. L. Edwards entertained Saturday afternoon at her home in the Reed apartments. Violin music by Mrs. D. Levy, accompanied by Mrs. L. L. Skaggs, and the courtesy of Mrs. Riley. The hostess served refreshments at the close of the afternoon. Those present were the Mrs. Edwards, Alexander, Riley, C. B. Skaggs, J. B. Williams, J. E. Lewis, J. Schag of Jerome, M. L. House, L. L. Skaggs, W. H. Budd and the Misses A. Kolman, Eula Ripley, Berdie Pink and Peggy Ripley.

Mrs. H. H. Kayler and Mrs. A. F. Mann will be hostesses at the home of the former on Wednesday of this week.

Mr. and Mrs. C. H. Eldred announce the marriage of their daughter Dorra to Floyd R. Clark of Boise, the wedding taking place at the Baptist church in Boise on Saturday evening, November 22. Mrs. Clark is the second daughter of Mr. and Mrs. Eldred, who live near Twin Falls, and having spent several years in the Twin Falls schools. She will be known to many Twin Falls people. She has been in Boise for the past year where she has been employed in business. The marriage was a surprise to Twin Falls friends.

Today's Sporting News

CORNELL'S STAR LEADS ALL GRID MEN OF SEASON

Eddie Kaw, Brilliant Fullback,
Nosed Out Yale Man in
Scoring Points

NEW YORK, (AP)—Leadership of college players of the east in individual scoring for the season goes to Eddie Kaw, the brilliant Cornell back, whose sensational finish against Pennsylvania last Thursday was just enough to nose out Malcolm Aldrich of Yale.

The Yale captain, however, carried off the honors in field goal kicking with five to his credit. Hanson of Cornell leads by a big margin in goals kicked from touchdowns, having made 37 accurate kicks from the 10-yard mark.

Cornell led in scoring by a wide margin, completing its campaign with a total of 229 points in eight games. Lafayette, which was second in scoring, totaled 214 points.

Kaw scored 90 points and Aldrich 84.

PUBLICISTIC FRATERNITY MOVES IN ON TWIN FALLS

Indications Point to Real
Revival of Boxing Game with
Holiday Bill

With Frankie Reagan, and his manager "Doc" Williams in town, and Eddie Welty making the assertion that Twin Falls looks good to him, indications point to a real boxing revival here.

Reagan has his family with him and has rented a home on Fifth avenue east. Welty has come for his wife, and is looking for a house.

Frankie Reagan left for Porterville, Cal., on Tuesday to get "Bugs" Meyer of that city to come here and mix with Reagan. This should be a landmark, as both boys are fast. "Bugs" is the best of the best 135-pound man in the state, while Reagan, through his manager, states that he will meet 135-pound men in the world.

If an opponent can be found for Welty, a grand double holiday bill will be featured. "Cub" says that if everything goes as he thinks it will, next boxing bout will be held here on Christmas eve.

Reinstatement of Players is Asked by Mesaba League

Minnesota Circuit to Rejoin Or-
ganized Baseball Upon One
Condition

VIRGINIA, Minn., (AP)—Mesaba League baseball club is asking to be reinstated to organized baseball, providing the players are reinstated by the National Association of Professional Minor Baseball Leagues at its meeting in Detroit next month.

Secretary John Farrell of the national association has asked the circuit to send a delegate to the meeting.

Should the players be reinstated, Chisholm, Evelevet, and Hibbing will remain in baseball and Virginia will drop out. A league will be formed with Duluth, Winnipeg, Chisholm, Evelevet, Hibbing and Port-Franc International Falls, according to present plans.

CADDICK GETS MATCH COLUMBUS, O., (AP)—Earl Caddick of Des Moines, world's champion light-heavyweight wrestler, will meet George Columbus, in a one fall match here tonight.

NEUMAN FACTOR IN SUCCESS OF "TROSP" ELEVEN

Twin Falls Athlete is Outstanding
Star with Varsity Jun-
ior Pitchers

UNIVERSITY OF IDAHO, Moscow, (Special)—The fresh football season, just closed, is by far the most successful in many years, according to a retrospective by Coach McMillan. The fresh players, cream of high school teams from all parts of the state, made an enviable record, piling up large scores on every opponent, but the Cougar Cubs, who dominated them in the first game of the season. The fresh players played "tarsally" but in every sense of the word, and some great material will be handed over to Coach Kelley to fill the gaps in his next year's starting.

Outstanding among the fresh players is "Ole" Neuman of Twin Falls, premier passer and punter. Neuman has a best which may be duplicated in the "trosp" state. Idaho, losing the spectacular Irving this year, will need a good punter for next season and at present Neuman is considered a likely candidate.

Other stars of the season are: center, captain of the fresh squad, Noah Hayes, the fighting No. 2, Percy Indian from Lapwai, and the McMillan brother, of Coeur d'Alene, were the center figures in this year's eleven.

FOR POOL CHAMPIONSHIP

NEW YORK, (AP)—Ralph Greenleaf, who won the world's pocket billiard championship for the third successive time in the recent tournament at Philadelphia, will defend his title in a challenge match here, December 22 and 23, against Arthur Woods of Minneapolis.

TO DEFEND TITLE

NEW YORK, (AP)—Stanislaus Zyzanski, world's heavyweight wrestling champion, will defend his title here tonight in a two fall three fall match with Ed (Strangler) Lewis, Zyzanski, who is more than 40 years old, won the title from Lewis last spring.

PUNTS AND PASSES

(By FULLBACK.)
With the Boise-Porterville game coming up next Saturday, it can't hurt to review a few facts concerning the football situation in Idaho this season.

First of all, what right has Porterville to play Boise for the championship? And what right has Boise to play Porterville for the championship? None.

Porterville was defeated Thanksgiving day by Blackfoot, Idaho Falls, Blackfoot, and Porterville beat Hinko Falls. Who won the championship of northwestern Idaho? Porterville, Idaho Falls or Blackfoot?

What is the state coming to? Is it going to be a question of the largest town in the state having the most say? If so, then Boise will be champs for a long time to come. If a championship is to be decided on its merits then every high school will have a chance.

Now, how about the south central division, where Twin Falls is located? Twin Falls was every game they played with members of the south central division, and became undisputed champions of this section. Thus it is seen that Twin Falls is the only team in the state that really DID win the championship in its district. And yet these coaches along with the statement that Porterville will play there for the state championship.

What is the state coming to? Is it going to be a question of the largest town in the state having the most say? If so, then Boise will be champs for a long time to come. If a championship is to be decided on its merits then every high school will have a chance.

Bo's papers Friday came out withering headlines that Boise had won the state title. It is to be regretted that sports writers should allow erroneous statements to go through, and thus mislead people, who in turn, rely upon the newspapers to give them unbiased accounts of all that happen. A few minutes with the dope book would have avoided all this mixup.

Twin Falls doesn't want the best of it, but having won, their games in this section, why aren't they entitled to a crack at the state title?

Twin Falls record is an enviable one. In the last two seasons but one touchdown has been scored against them, and that touchdown was the result of a fumble. What other team in the state boasts of such a record?

Twin Falls does not claim the state title, but they do claim the title to the championship of this division. Can Nampa, Caldwell, Nampa, Porterville, Idaho Falls or Blackfoot do the same in their respective sections? They can't, as each team has lost a game to a member of their division.

So after it is all figured out, what right has Boise or any other team to play the title?

The only way that the title could be established, would be for the northwestern and the northwestern divisions to play their schedules over again.

What honor is there in winning a so-called championship, when deep in their hearts they KNOW that they are not even contenders? It surely is a muddled up affair, and the best thing for everybody concerned, would be to forget the title this year, and hope that next year finds a real champion.

As far as Twin Falls is concerned, any team in the state can claim the title. Twin Falls has always been noted for its game spirit, and good players, and this column does not intend to alibi for the school team. What it does want is fair play, and let the best team be proclaimed champs, which

brings back the rusty question: Which school has the best team?

Coch Evans is to be congratulated on the wonderful showing he has made this year, with the material given him. With but two letter men, he whipped up a team that showed down every team in this section. One of his letter men, Cliff Fy, was injured early in the Flier game, and has been unable to do anything since. Of course, he had "Turk" Seilly to fall back on for a quarter, but "Turk" is not a backfield man. He belongs on the end, and it is to be regretted that the fans of Twin Falls were unable to see him perform in his regular position. But "Turk" has played some football all season, and in the tougher games he rose to heights rarely attained in high school games. His wonderful punting has been a great factor in the school's success this year.

Cliff Fy leaves school this year, and his place will be a hard one to fill. Cliff was a real general when it came to giving signals, and the hardest punter in this section.

This leaves us with first year men to look after, and although there were some new faces, as a whole played remarkable ball.

At center, C. Scott looked good and was a willing worker. At tackle, he had a tendency to become cranky, but this was always short lived. Turkey made a good substitute for Craven Scott, and next year should be a useful factor at guard. His great fault this year was in passing the ball to throw.

At guard, Evans was blessed with the two best in the state, in John Leiser and "Pat" Flynn. Both these boys were like a stone wall, and many the time they were through the opposing line to get their share.

The tackle were there, too, Putner on one side and Bob Nicholson on the other. These two laid were the surest tacklers on the team (barring Seilly) and they were always the first to reach the enemy on a kick. Both boys finished school this year, which leaves two more holes that will be hard to fill.

At end Jamison and Thomsen did the honors, and although not the fastest ends in the state, gave a good account of themselves. Gene Thomsen was a bear on catching forward passes and many a yard was made through his ability to get the oval. Puckett who played end at different times, showed the making of a star.

In the backfield, "Son" Lyon proved a tower of strength to the team with his terrific line plunges. Houghton was a consistent ground gainer, and hit the line hard. Lou Scott at fullback played the game at all times and his breaking up of forward passes was a distinct feature of the team. Robinson, who filled in at fullback, proved to be a clever lad, and a hard-plunger. Great things are expected of "Blew" next year.

"Turk" Seilly, who is an end, but started in to play at halfback, and finally wound up at quarter owing to Fy's injury, played the most consistent game of his brilliant career.

"Turk" made his opponents groggy with his snake-like maneuvers, and his return of punts was a revelation. His deadly tackling when he came broke through saved many a touchdown.

Of the members of the squad it

looks as if Coach Evans will have F. Putner, L. Scott, C. Scott, Nicholson, Houghton and possibly Seilly.

This column wishes to thank Manager Eddie Hedges for the service rendered during the season.

And now let us turn our attention to the greatest of all indoor sports, basketball, which season will be full-blown in a very short time.

SHOOTING DISRUPTS DANCE

Rivalry for Affections of Girl May Be
Said in Deaths of Two Men

CHICAGO, (AP)—Rivalry for the affections of pretty Rose Durante ended in disruption of a dance last night when Rose was left weeping in the hall, friends carried out her father, Victor Durante, president of an Italian society, and her fiancé, John Trotter, both probably fatally wounded. Nicolo Ciro, who was jealous of Trotter, was captured by some of the dancers.

Daylight Movies are Promised by Inventor

DAVENPORT, Iowa, (AP)—F. Vi for Davenport has announced he, that he has invented two machines, exhibit motion pictures, and stereoscopes view in full daylight.

His invention, according to Mr. Vi, reverses the usual process and projects the light from behind the screen. Victor declared he had experimented ten years in an effort to develop daylight movies.

FOREIGN TRADE

Development of foreign trade, since the generally satisfactory experience in this field incident to the war, has come to be regarded as a very desirable thing by American industries as a whole. Farmers, manufacturers and financiers pretty generally are inclined to see in this direction a very important if not, perhaps, the only avenue of relief from existing problems of American industry.

During the war there was no foreign trade problem so far as America was concerned. It came as a windfall, when the stern exigencies of the conflict demanded all the facilities of those who are now competitors of American industry in the foreign field.

How to meet this competition successfully, to retain and, in many cases, to regain foreign markets that turned to America during the war is a problem which American industry has set before itself to solve.

It is no easy problem and there is little in past experience to serve as a guide. There are apt to be many costly mistakes and vast wastage of effort but these can be reduced to a minimum in the light of broad guesswork survey of the situation and the various factors entering into it.

For this reason importance attaches to undertakings such as the Pacific Northwest Trade Conference to be held at Tacoma next month.

It is to be expected that a great deal of beneficial information will be derived from this conference.

If it does nothing more than to bring about a better defined and more general appreciation of the community of interests of all the industries of the Northwest it will have been well worth while.

MAIL BABY

The approaching holiday season is heralded by the usual request of the postoffice department that the public do what it can to aid in the prompt handling of mail matter which will be increasing in volume each day from now until Christmas.

In sending gift packages two things are important if disappointment is not to be invited—careful wrapping, and mailing as soon as possible. Holiday package mail may be marked to indicate it is not to be opened until Christmas, and this permission should result in an increase in early mailing.

It is a mistake for any person to feel that the small amount of mail which he sends does not delay the transmission of mails, but the aggregate of mail matter in a community like Twin Falls severely tests the facilities of the postoffice force at each holiday season.

Even if an individual does not take the broader view of making his contribution toward the handling of mail, he should think of the personal advantages in obtaining the best results in his own shipments by turning them over to the postal force early enough to avoid the inevitable rush of the holiday season, thereby having reasonable assurance of prompt delivery.

Masterly Economy

President Harding's accomplishments in the way of reducing government expenditure are beginning to take a shape in which the figures speak for themselves. Critics of the administration have been saying that the reduction for which credit has been given to Congress was a reduction on paper only—meaning that cuts in the appropriation bills would be offset later by deficiency allowances. They would have had to be offset this year to a considerable extent, undoubtedly, but for the President's determination to restrain the spenders.

The estimates for 1921-22 were prepared by the Wilson administration. There was no budget law in effect then, and spendthrifts like Mr. Baker and Mr. Daniels still had a free hand. Secretary Houston asked Congress for appropriations totalling \$3,329,000,000. Congress granted much less, the appropriations made amounting to a little more than \$3,800,000,000.

But many hold-over obligations had to be assumed by the treasury along with a few new obligations—namely a charge of \$120,000,000 for the better care of the disabled veterans. Secretary Mellon reported on August 5 that the expenditures for 1921-22 would run as high as \$4,524,000,000.

At this point Mr. Harding and General Davis stepped in. They told the department and bureau chiefs that operating costs must be scaled down. On August 10 it was announced that the government would find a way to save \$250,000,000, bringing the outlay for the year down to \$4,374,000,000. Sending in the deficiency estimates for 1921-22 last Thursday the President announced that a further saving of \$84,000,000 would be made, reducing the 1921-22 total to \$4,290,000,000. Since Congress appropriated \$3,800,000,000 and is now asked to grant deficiencies of \$187,000,000, expenditure for the year will be within the appropriations.

This is an extraordinary record in retrenchment. For 1921-22 the government will spend \$1,210,000,000 less than Secretary Houston thought it would be possible for it to get along on—New York Tribune.

More Truth Than Poetry

THE MONEY-MAKER
By S. E. KISER

He never heard of Homer, and he doesn't know that Troy was laid in other ruin for a lady who went wrong;
He doesn't know Achilles was the Greek's bulwark;
He has no eye for beauty and he has no soul for song;
He never has disturbed himself concerning Newton's law,
But in drawing dividends that I would like to draw.

He doesn't know an adverb from a pronoun or a noun;
His manners are atrocious, and his spelling is a crime;
He couldn't tell you how it was that Caesar spurned a crown;
He has no time for praising what is lovely or sublime;
His neck is thick, his hands are fat, with coarse hair overgrown,
But he travels in a limousine that I would like to own.

He couldn't name a dozen of this country's presidents;
He thinks that Franklin heads the list, but he's very sure;
One day a bookman offered him "Poor Richard" for ten cents;
The price, he said, was probably what made "Poor Richard" poor;
He has no sense of splendor and no spirit for romance,
But he can make big profits where I wouldn't have a chance.

HE DECLINES TO TAKE THE HINT
Every little while England proposes to cancel the debts that other nations owe her, if not Uncle Sam never comes along with the cancelling clause.

KEITH'S ANSWER
Jesse Willard, the former pugilist champion, has recently made over \$200,000 in oil. Now he will not have to look anybody in order to get himself surrounded by admirers.

Tests of Pine-Product Disinfectants Interest Bacteriologists and Chemists

The disinfectant action, method of production, and chemical properties of pine oil and pine distillate product emulsions are reported in United States department of agriculture bulletin No. 989, by the bureau of chemistry and the insecticide and fungicide board, as the result of a bacteriological and chemical study of these products.

The work was undertaken for the purpose of determining the physical, chemical and disinfectant properties of pine oil and other pine distillate products in order to secure data to assist in the detection of the adulteration of commercial products, as well as to determine the relative disinfectant value of the pine oil disinfectant and its peculiar behavior against certain pathogenic organisms.

Will Help Those Who Use Disinfectants The results reported in this bulletin will be of interest to those who use disinfectants, to bacteriologists and chemists who are concerned with testing pine oil and pine distillate product emulsions and to hospital authorities, dentists, sanitarians, and others who use these products as disinfectants. The investigators found that three products, white creosote, creosote, and creosote, are not effective against *B. aureus* and *B. anthracis* and should not, therefore, be used for general disinfecting purposes.

When using pine oil emulsions against *B. typhosus* it is safer for practical purposes, according to the report, to employ a solution five times the strength capable of killing the organism in five minutes. Thus, a product showing by the hygienic laboratory method a killing power of one five-hundredths should be used in a one

VERBERG BREAKS SILENCE AFTER 7 YEARS' ABSENCE

Former Heyburn Farmer, Long Beloved Dead, Writes Son from Australia

BURLEY, Idaho (Special).—After seven years' absence he has received from the wilderness of Ed Verberg, who mysteriously disappeared from his home in Heyburn. Verberg is in Australia and is said to own a ranch of 1000 acres. He has written his son asking the latter to join him in the antipodes. The young man has signified intention of going to his father. Verberg left home without saying word concerning his plans. His wife and son mourned him as dead. He now writes that when he departed he went for the better to his old home in Holland where he visited a short time. He then went to Australia and filed on government land, which he has improved and placed under irrigation.

DEMANDS INQUIRY INTO ATTACK ON ENGLISHMAN

Whipping of British Subject in Florida Subject of Parliamentary Discussion

LONDON, (AP)—Colonel Wedgwood, member of parliament asked the under-secretary of state for foreign affairs in the house of commons recently whether his attention had been drawn to the flogging of George Dity, a British subject at Miami, Fla. Colonel Wedgwood said that the whipping was "a disgraceful and a disgraceful case" and that he had been forced to leave America. He said he had been forced to leave America because of the whipping. He said he had been forced to leave America because of the whipping. He said he had been forced to leave America because of the whipping.

IF KIDNEYS AND BLADDER BOTHER

Take Salts to Flush Kidneys and Neutralize Irritating Acids

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it out to the bladder, where it often remains to irritate and inflame, causing a burning, stinging sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a stinging sensation and is very profuse; again there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made of lemon juice and lemon pulp, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is a powerful for kidneys and causes no bad effects whatever.

Here you have a pleasant, effective, harmless water which quickly relieves bladder trouble—adv.

theatre

(By FIRST NIGHTER.)

For the first three days of this week the Idaho will show "Forbidden Fruit," a Cecil B. DeMille picture that is said to be one of the best. Every one knows the story of Cinderella, and the French Godmother. And now it can be seen in a modern version. Gorgeous setting, splendid direction and a superb cast make it one of the season's best. Included in the cast, are Agnes Ayres in the leading role, Clarence Brown, Theodore Roberts, Kathryn Williams, Theodore LaRoff and Paul Stanley. A comedy, and a late Pathe News round-out an exceptionally clever bill.

The New Orpheum for the first three days of this week has booked "The Child Who Gave Me," and from all advance notices, it promises to be a picture well worth while. The picture is a highly dramatic one, with terrific suspense throughout. Unlike the usual picture which ends with wedding bells, "The Child Who Gave Me" starts with the wedding. Buster Keaton in his very latest "The Playhouse," will keep the movie fans in a constant up-and-down, twist-and-turn roller coaster. The bill looks like a real winner.

Vivian Martin will amuse the movie fans at the Lexington this evening in her latest picture, "Pardon My French." Vivian is responsible for the final version of the photoplay. The famous humorist has seen it, and that the titles are as funny as the picture, which is a comedy of the new-lych and full of laughable situations. Vivian Martin plays the role of an actress who, out of a sudden, finds a position as mail to a famous millionaire whose money has come all of a sudden and whose wife had an itch to be in society with a big S. A combination of Vivian Martin and Vivian Cobb certainly ought to be the goods. A two part comedy is also shown.

Take Yeast Vitamin Tablets To Put On "Stay-There" Flesh

AND INCREASE YOUR ENERGY QUICKLY, EASILY AND SURELY AT SMALL COST

This or run-down folks will find this simple test will work wonders: First weigh yourself and measure yourself. Then take Martin's VITAMON—two tablets with every meal. Then weigh and measure yourself again each week and continue taking Martin's VITAMON regularly until you are satisfied with your gain in weight and energy. Martin's VITAMON contains highly concentrated yeast-vitamins as well as the two other still more important vitamins (Fat Soluble A and Water Soluble C). All of which Science says you must have to be strong, well and fully developed. It is now being used by thousands who appreciate its convenience, economy and quick results. IMPORTANT! While the amazing health-building value of Martin's VITAMON has been clearly and positively demonstrated in cases of lack of energy, nervous troubles, anemia, indigestion, constipation, skin eruptions, poor complexion and a general feeling of being run-down, it should not be used by anyone with OBJECTS to having their weight increased to normal. Do not accept imitations or substitutes. You can get Martin's VITAMON tablets in all good drug stores.

CHALLENGE OF JURORS OVERRULED BY COURT

City Taxpayers Eligible to Hear
Evidence in Actions Against
Municipality

In the district court this morning trial of the damage brought by the Elmer Mulberry company and E. F. Walton against the city of Twin Falls was opened. The case is being presented jointly by attorneys from the city of Twin Falls and the understanding that separate verdicts are to be rendered.

The actions were opened at 9:30 this morning with Judge T. Bailey Lee, of Butte presiding over the court. An effort was made by counsel for the plaintiffs to have all jurors called from the office of the lawyers from the city of Twin Falls declared ineligible to serve in these cases. The court ruled against the challenge.

RED CROSS HEADQUARTERS SCENE OF MUCH ACTIVITY

Clean-up Squad and Leaders in
Seal Campaign Share
Accommodations

Red Cross headquarters is the scene of many diverse activities this week. The veterans' bureau "clean-up squad" has made this its headquarters for the past few days. The work has been found for the squad, among the cases not presented during the first visit. Dr. E. W. White conducted examinations at the office of Dr. H. B. Bledsoe, while others of the committee met all cases at the Red Cross room in the Power building.

The preliminary work for the sale of Christmas seals is being conducted from this center, though this is not a Red Cross activity, but under the direction of the Anti-Tuberculosis association of the state. The seals are leading aid in the preliminary work of placing posters and advertising material.

FIGHT AGAINST RODENT SCOURGE IS SUCCEEDING

Farmers' Campaign on Mice Is
Getting Results, Says R.
E. Brossard

"We are making progress against the rodent pest throughout the county and hope to proclaim victory soon," said R. E. Brossard, county farm agent, speaking of the campaign for the extermination of mice. Mr. Brossard conducted a well attended meeting of farmers representing the surrounding districts around 8:30 Saturday evening. During the session poison was so heavy that the supply of strychnine, basis of the formula, was exhausted. Tomorrow night Mr. Brossard will conduct a similar session at Caldwell in an effort to work out cooperative measures for destroying the pest. A schedule of other sessions will be announced for the remainder of the week.

SURE CANAL COMPANY.
Late this afternoon Judge T. Bailey Lee in the district court at Attorney C. K. Mackinnon for James R. Mann and wife and Peter M. Mann, claiming damages amounting to \$23,000 from the Twin Falls Irrigation company. The case was asked to pay for loss of crops, fruit trees and berry bushes alleged to have been caused by reason of the defendant company having allowed canal water to seep on the lands of the plaintiffs, thus destroying the crop raising value of the land. The property is about a mile and a half miles northeast of Twin Falls.

SERVICE WELL ATTENDED.
The evening service at the church of the Resurrection drew an attendance of 20. Special music was provided by a mixed quartet taken from the congregation and good address was given by the Rev. Charles Glenn Baird, priest in charge. The service throughout was marked by enthusiasm.

DOG MEET CALLED OFF.
Due to lack of interest the meeting scheduled to be held in a vacant field by the Dog Day Association, has been cancelled. It is improbable the meet will be conducted for some months. The association is under interest in the regular field tests for next year.

SENTENCE DEFERRED.
Because her attorney was unable to appear, the district court this morning postponed the trial of the case against Mrs. Clara Richardson, found guilty of assault with a deadly weapon, was deferred until next Saturday. B. T. Lowe, attorney for the defendant, was unable to appear. Judge Lee said he would not be able to appear in behalf of his client until Saturday. Sentence was to have been pronounced this morning.

AMERICANISM TO BE BOOSTED IN TWIN FALLS DURING WEEK

Home Schools Will Insert Points on Americanization and Idealism in All Programs During Period Proclaimed by Governor Davis for Furthering Interests of National Education

Pursuant to call issued by Governor D. W. Davis, in form of a proclamation, Americanization and Idealism will be stressed in all school programs conducted in Twin Falls during the week of December 4 to 10. The same subjects will be given place in all other activities of the school rooms wherever they can be made to fit during that week.

This information is provided by M. C. Mitchell, superintendent of district schools, the scheme being consistent with plans adopted jointly by the National Education association and the American Legion's National Americanism commission.

Legion Issues Bulletin.
In a bulletin on this important question Paul Davis, chairman of the Americanism commission, makes the following informative statement:

"The main idea in initiating this campaign is to inculcate in the public the accomplishments and needs of the public schools. Also to secure the co-operation and support of the public in meeting those needs and in teaching and fostering Americanism."

"The national director of the Americanism commission of the Legion has asked Governor Davis to issue a proclamation calling the public's attention to the importance of the school and asking their co-operation. Governor Davis has complied with this request. I am inclosing herewith a copy of the proclamation for your visit. Finally, the work has been found for the squad, among the cases not presented during the first visit. Dr. E. W. White conducted examinations at the office of Dr. H. B. Bledsoe, while others of the committee met all cases at the Red Cross room in the Power building.

The preliminary work for the sale of Christmas seals is being conducted from this center, though this is not a Red Cross activity, but under the direction of the Anti-Tuberculosis association of the state. The seals are leading aid in the preliminary work of placing posters and advertising material.

The Red Cross drive for membership is almost completed, says the chairman of that committee, Mrs. Bessie Sawyer. Partial returns from the drive show a total of \$72 from the first branch, and \$775 from the Twin Falls chapter. Returns from Piper and Hollister are not yet available. Minimum estimates place the amount needed for the conduct of the work at \$1000.

TEACHERS TO ASSIST.
"Principals and teachers in the schools will be asked to give summaries and demonstrations of what is being taught in the schools. The teaching of writing, reading and arithmetic have been revolutionized; how the health and physical development of the pupils are being fostered; how the social sciences are given; how the rights and responsibilities, and how they are trained in the exercise of these rights and in the discharge of their duties through the organization of the school, through class room exercises, and through children's clubs. Parents will be asked to visit the school during the week of December 4 to 10."

The governor's proclamation in this connection, just issued, copy of which has reached school authorities in Twin Falls, reads:

"Whereas The National Education association of the United States and the American Legion have united in purpose of informing the public of the accomplishments and needs of the public schools and to secure the cooperation and support of the public in meeting these needs, with the object of fostering in all whether foreign or native born, good citizenship, understanding, and loyalty to the United States, and to concentrate on this idea a time has been set apart in which to give particular attention to the educational problems and the needs of our schools."

"Now, therefore, I, D. W. Davis, Governor of the State of Idaho, do affirm in the observance of this most noteworthy cause, do hereby proclaim the week of December 4 to 10, 1921, American Education Week, and request the hearty co-operation of the people of this state in the plans being made for the observance of the week by the American Legion and the National Education association, that a greater appreciation be secured for the importance of education as a means for the making of better citizens."

ANNOUNCEMENTS.
The business women's club will meet tonight in its clubhouse. Mrs. Christie will give the second lesson in expression.

On account of the Pilgrim pageant, the meeting of the Women's Auxiliary of the American Legion will be postponed from December 1 to December 8.

The Shamrock club will meet at the home of Mrs. R. A. Graham Thursday, December 1.

BELL AND MURLEY SUED.
Judgment for the sum of \$854.94 was entered by the Idaho Auto & Supply company against C. C. Bell and C. J. Murley in an action filed in the district court. The action is based upon alleged failure of the defendants to liquidate a promissory note for the amount specified.

MRS. JEWETT SEES DIVORCE.
Married in Boise on April 11, 1903, Lydia Jewett is now asking a divorce from Frank Jewett, with whom she has custody of two minor children. The action was filed today and makes merely basis for divorce demand. All right is \$40 is the stipulation for each month.

POISON DOSE FATAL TO DISTRICT MATRON

Distracted by Ill-Health Mrs.
May Lewis Destroys Life
During Night

While suffering from what is believed to have been an attack of mental aberration, Mrs. May Lewis, aged 38, wife of J. L. Lewis, a district farmer, early this morning swallowed a fatal dose of strychnine. Death followed two hours afterwards. The body is held at the DeWitt mortuary chapel, where funeral services will be conducted tomorrow afternoon at 2:30 o'clock under the direction of the Christian Science church.

The Lewis have a farm home three miles west and one mile south of Twin Falls city. It was at this home that the tragedy was committed. The woman is believed to have taken the poison at about 2 o'clock this morning, death ensuing at about 5 o'clock. All health from which Mrs. Lewis is said to have suffered since youth, is believed to have led to the act. Mrs. Lewis is said to have suffered grievously from the effects of a ruptured blood vessel in the head more or less since the birth of a daughter six months ago. She is survived by three children, besides the husband. The two oldest children are boys, aged 12 and 5, respectively.

CONTAGIOUS DISEASES FEW WITHIN THE CITY

County Physician Reports Gratifying Health Condition in Community

That contagious diseases in Twin Falls are well under control, is the announcement made by County Physician C. C. McGinnis today. Dr. McGinnis reports only one new case of scarlet fever in the past week, within the city limits, and existence of only one case of smallpox in town. Outside the city two cases of typhoid fever have been reported. Death Saturday of one diphtheria patient was reported.

Is There a Doubter Present?
The easiest thing in the world is convincing a pretty widow, whose aged husband left her a million, to believe that it was all for the best.

Channel Back from Coast. G. H. Channel has returned to Twin Falls from a visit to Long Beach, California, with the family. He reports improvement in the health of his daughter, Dorothy, in whose behalf the winter is being spent in the southern city.
