Ex-Emperor Charles Dies In Exile On Madeira Isle

ENDS EFFORTS TO RESTORE THRONE

Head of House of Hapsburg Passes Last Days as International Prisoner; A Modern Napoleon

FUNGUAL, MADEIRA. (AP)—FORMER EMPEROR CHARLES OF AUSTRIA-HUNGARY DIED HERE TODAY.

Buried From Pneumonia Charles was taken ill slightly more than a week ago. He was first said to be suffering from fever, but direct advice from London on March 28 announced that his malady was bronchial pneumonia and later it was stated that he was suffering from pneumonia with cerebral complications. His condition became so serious Wednesday that extremeunction was administered.

Sympathy is Widespread

The illness of the ex-ruler created widespread sympathy among monarchists in both Vienna and Budapest. One of the former court physicians started from Vienna in the hope of reaching Funchal and attending the ex-emperor, a subscription of several million-crowns being raised to defray the expenses, while in Budapest it was reported that Count-Fulva Andrássy had sold a famous Rembrandt for 200,000 francs to assist the exile.

Former Emperor Charles of Austria-Hungary and his wife, Zita, were sent into exile by the entente allies after he had made two spectacular attempts to regain the throne of either Austria-Hungary. Thereafter he was kept in a remote place on Madeira, 400 miles off the African coast.

Lived in Exile

Although his situation in exile there resembled in some respects that of Napoleon at St. Helena, Charles and Zita occupied a much more comfortable position for they were given a pleasant home in the beautiful city of Funchal, whose residents treated them with friendly consideration.

Ex-Emperor Zita and left her children in Switzerland and when one of them was taken ill the allied governments permitted her to return to that country and visit them.

Plots for Throne

After the establishment of the Austrian republic on November 12, 1918, Charles, who was then in London, sought permission to remain in that country, but he was asked to leave after it was found he was plotting for his resumption of power. He left with his family late in March, 1919, and rented a house on the banks of Lake Geneva at Prangins, where he resided for some months.

Refuses to Abdicate

During this time reports of his alleged plotting leaked out and brought forth a categorical statement from the entente that the restoration of the house of Hapsburg would not be permitted. Charles had steadfastly refused to abdicate, although he was requested to do so at various times.

Efforts are Vain

On March 29, 1921, he suddenly appeared in Vienna, but his overtly repudiated by the Austrian authorities. He went to Budapest, where he applied without success to take over a Hungarian government from Admiral Horthy, Hungarian regent. Although disappointed by the lack of support, the former emperor refused to leave the country, pleading illness. Later he offered to renounce all his titles, something as a sharp criticism.

Switzerland Receives Him

Switzerland, meanwhile, insisted at various points of his treatment not to leave the country, was reported as unwilling again to receive him. The members of the little entente, Jugoslavia, Czech-Slovakia and Rumania, saw an ultimatum to Hungary demanding his rejection and on April 6 he returned to Switzerland, which received him near Weggis. The Swiss increased their guard over him, but on October 22 he reached Bâle, Hungary, having crossed the Swiss frontier in an airplane. He formed a political cabinet.

Escapes in Airship

He was ordered to remove his residence from near the border to the central part of Switzerland and did so to near Weggis. The Swiss increased their guard over him, but on October 22 he reached Bâle, Hungary, having crossed the Swiss frontier in an airplane. He formed a political cabinet.

The Swiss increased their guard over him, but on October 22 he reached Bâle, Hungary, having crossed the Swiss frontier in an airplane. He formed a political cabinet.

FORMER EMPEROR CHARLES

DEATH Ends the Perseverant Efforts of Former Emperor Charles of Austria-Hungary to Regain His Throne and Re-Establish the Rule of the House of Hapsburg.

Oregon's Lone Buggy Leads Merchants to Search of the State

Unusual Demand for Horse Drawn Vehicle Shows Why Has Passed Its Day

MEDFORD, Ore., (AP)—The only new buggy in Oregon, so far as a leading vehicle house of Portland was able to discern, has just been sold at the little town of Central Point, near here. A man at Central, Ore., wanted to purchase a buggy and sent his order to a firm in Portland. The firm reported it had none in stock. He was insistent however and wrote the firm to get him a buggy if possible. A search of Portland vehicle houses was made unsuccessfully and then inquiries were sent in vain to Salem, Eugene, Pendleton, this city and other points. Finally a traveling salesman remembered having seen a buggy at a store at Central Point.

Offers \$25 Apiece for Visits of Stork

CHICAGO, (AP)—Harry I. Dalbey, who is building a 33-foot building with a perambulator stall for each apartment, has announced that each tenant who receives a call from Dr. Stork will get a cash present of \$25. Should twins be left he'll make it \$50. He makes no promise as to triplets.

Men Burn to Death in a Bunkhouse Fire

FRESNO, Cal., (AP)—Two men were burned to death, two others suffered burns from which they may die and another was severely injured when fire destroyed a bunkhouse of the Valley Alfalfa Land company, near Colusa, last night. The room burst into flames when some one buried a can of coal oil at a fireplace.

Russians Hold Many Foreigners Hostages

LONDON, (AP)—A Central News Dispatch from Riga today quotes the Russian newspaper Rul as saying the Petrograd police have arrested a number of foreigners as hostages to insure the safety of the Russian soviet delegates to the Genoa conference.

DYNAMITE DIPPING VATS

CROSSFET, Ark., (AP)—Cattle owners in this vicinity have offered a \$500 reward for the arrest of any one found dynamiting dipping vats following a series of such occurrences.

LIARD WEATHER

MAN HUNT NETS 2 BANDITS WHO PILLAGED BANK

Eight Day Chase on Olympic Peninsula Ends in Revolver Battle in Which One of Robbers is Wounded

PORT TOWNSEND, Wash., (AP)—Eight days of man hunting in the Olympic peninsula resulted this morning in the capture of two men said by Sheriff Ethel Case to be the robbers of the State bank at Sequim and the pair that held up a logging company and killed a logger. Robber is Wounded.

PORT TOWNSEND, Wash., (AP)

—Eight days of man hunting in the Olympic peninsula resulted this morning in the capture of two men said by Sheriff Ethel Case to be the robbers of the State bank at Sequim and the pair that held up a logging company and killed a logger. Robber is Wounded.

One of the robbers was badly wounded as he drew a pistol when commanded to halt by the sheriff, and a posse. He was slightly crossing a bridge near Quiltena.

Carry Two Look

The coats of both men were stuffed with diamond rings, jewelry, bonds and bank notes, according to the officers, who said this was part of the \$25,000 lost taken from the Sequim bank.

AMBASSADOR TO GERMANY AND BELGIUM TAKE LEAVE

NEW YORK, (AP)—Alanson B. Houghton, newly appointed ambassador to Germany with his wife and two daughters, were passengers aboard the Olympic, sailing today for England. Ambassador Houghton will proceed immediately to Berlin to take up his duties.

Other passengers were Henry P. Fletcher, ambassador to Belgium and a delegate, did today after an operation. Note, who was a colonel in the Belgian army before becoming an opera singer, sang in the Paris and New York grand opera companies.

BEER FOREIGN LOANS

WASHINGTON, (AP)—Authority for the ministry of finance of Czech-Slovakia to negotiate foreign loan with specific authorization to conclude a loan of 10,000,000 pounds in England has been voted by the chamber of deputies.

FAMOUS SINGER DIES

BRUSSELS, (AP)—Jean Note, Belgian baritone, died today after an operation. Note, who was a colonel in the Belgian army before becoming an opera singer, sang in the Paris and New York grand opera companies.

WALTON SEEKS TO PROSECUTE CITY OFFICERS

Charges Mayor and Councilmen Liable to Heavy Fine and Jail Sentence for Failure to Boost City Tax Levies

E. F. Walton has called upon Prosecuting Attorney Frank L. Stephan to institute criminal proceedings against Mayor P. W. McRoberts and the board of councilmen composed of C. H. Kronig, C. P. Bowles, W. E. Sanger and Craig T. Arcken.

Situation Not Clear

Mr. Stephan today said that he had not made a study of the law and facts involved sufficient to justify any action by the office at this time. Walton was today to return to the prosecuting attorney's office for the reply to his demand which was made Thursday afternoon.

Immediately after the demand was made, the prosecuting attorney called Taylor Gunnings, city attorney, in conference.

Mr. Stephan today indicated that in his opinion the provisions of the ordinance under which the levy in question is alleged to have been made mandatory upon the council, was null and void.

Records of the city indicate that no levy for this purpose has ever been made by any council.

Alternative Provisions

It is contended in some quarters that payment into the waterworks sinking fund might have been made either from the proceeds of tax levy or from receipts of the waterworks office.

Twin Falls' city tax levy last year, outside of levies for special improvements, was \$250 against each \$100 of valuation. The total valuation was \$4,197,438.91, and the amount of taxes raised by this levy was \$173,517.89.

In addition \$129,320.23 was to be raised by special assessments levied by the city for that year.

Economy May Prove Undoing

Mayor McRoberts today said that the question of provision for the waterworks sinking fund had been brought to the attention of the council some months after the budget for the year had been adopted and the levies made. Because of the fact that the city treasury was without funds and because of a desire to save every dollar possible to Twin Falls taxpayers Mayor McRoberts said, the present administration is not prepared to recommend it advisable to put the city to an expense of several hundred dollars for an audit which would have shown the status of the waterworks sinking fund as a salaried in the office of the city treasurer, the outgoing incumbent in the city in the preparation of the budget.

Some officials in the city are in action as to budget and tax levies by the recommendations of the city treasurer and this assistant.

Walton, who makes the complaint in this matter, is the instigator of ouster actions which resulted in the removal of the first board of Twin Falls high school trustees and the removal of three members of the board of education of the Twin Falls school district. He is credited by Homer C. Mills, chairman of the commission form committee, with planning all of the details of the commission form campaign including the bringing of suit against the Warren Construction company for the removal of the city engineer in addition to reimbursement of all the money paid or to be paid for pavement and curbing, but here by the construction company in 1920.

Some officials here today indicated their belief that Walton's present move is designed to intimidate the city council and to bring about a change in the council.

COAL MINES CLOSED BY GENERAL STRIKE ORDER

FRENCH ARE WILLING THAT UNITED STATES MAY BE REIMBURSED

WASHINGTON, (AP)—The French government "never had any intention of contesting the rights of the United States to be as completely reimbursed for their army costs as the other governments with troops on the Rhine," says the reply of the French government to the American note in relation to army costs made public today at the State department.

40 ARMED MEN HOLD UP TRAIN FROM BELFAST

Seize All Mail Pouches While Crew is Covered by Guns—Irish Disorders Are on the Increase

BELFAST, (AP)—A train from Belfast to Dublin was held up at Dunster, County Linn, today by 40 armed men wearing trench coats, leggings and caps. The men entered the mail coach and removed all letters and parcels from Belfast. During the raid the train crew and the Dunster station staff were covered by rifles.

Toll is Heavy

The roll of fatalities from the factional disorders in Belfast reached a total of 64 for the month of March, the blackest month in Belfast's history.

The last victim of the month was Francis Flynn, who died last night from the effects of injuries received in a recent bombing outbreak.

An unsuccessful attempt was made last evening to set fire to a large engineering establishment on the east side of Belfast. Two unexploded bombs were found on the premises.

Police Fight Soldiers

A fierce fight between a part of police and members of the Irish republicans took place near Cookstown, Tyrone county, Ulster, at midnight last night.

The police were patrolling the district, when it was announced, when they came upon a large body of soldiers drilling. The patrol took cover and in the ensuing battle the police commander, A. G. Adams, was wounded and three men lost one killed and several wounded.

Penn Kill Child

A laborer, named Donnelly was seated at the fireseat last night reading the terms of the London peace pact to his wife from a newspaper when a bomb was thrown which killed his three-year-old child and wounded two other children and Donnelly himself.

Donnelly had just remarked to his wife that the troubles in Belfast were over when the bomb was hurled. The child was sleeping in his baby chair.

Fire shots were fired without effect at Mrs. Donnelly, who was nursing an infant.

TO MOBILIZE ARMY

LONDON, (AP)—The Dublin brigade of the Irish republicans today had been mobilized for parade tomorrow morning to take up new oath of allegiance, or an oath with new implications, says a statement issued from the army headquarters in Beggar's Bush barracks, as telegraphed by the Daily Mail correspondent.

San Francisco, Cal., (AP)—When an audience gathered here yesterday to hear the San Francisco symphony orchestra it was the only time that the orchestra would be in the city for the festival concert program given under the baton of Alfred Heriz, for seven years the conductor. It had been announced that the concert would be given by the orchestra of the city of San Francisco.

SHOOTING OCCURS IN SOUTH ILLINOIS

All Union Fields Idle, with No Disorders Except in Spasmodic Flashes—Non-Union Men a Puzzle

(By the Associated Press)

For the first time in the history of the coal industry both bituminous and anthracite coal mines virtually were idle today as the result of the cessation of work by 600,000 miners effective at midnight last night.

Union officials asserted that 100,000 non-union miners were included in the walkout and that 6,000 of the 7,000 mines in the country were shut down.

First day of the nation-wide suspension fell on the anniversary of the adoption of the eight hour day, April 1, 1898. As the day has been generally observed as a holiday in normal times, estimates of the completeness of the suspension were not regarded as final. The administration in Washington continued to observe a hands-off policy.

President Lewis of the United Mine Workers planned to leave Indianapolis tonight for Washington to "lay the miners' case before the house labor committees in detail on Monday."

Operators in the Morgantown district of West Virginia announced they would reopen on Monday on an open shop basis.

In some fields railroads serving the mines laid off large forces.

BENTON, Ill., (AP)—Spasmodic shooting occurred today in various sections of southern Illinois, where the miners' strike is reported as 100 per cent complete. Jesse Henson, night chief of police of Duquoin, was shot and wounded seriously and Patteman Walter Seneca was wounded slightly by Harry Reid, a miner, early today.

OBSERVATION IS COMPLETE

INDIANAPOLIS, Ind., (AP)—Complete observation of a picket line by union miners was accomplished today, the first of their nation-wide suspension of work. The suspension was orderly everywhere, according to union reports.

Reports to headquarters here of the United Mine Workers of America showed an effective picket line with the only uncertainty the number of non-union miners who had joined the walkout. President John L. Lewis, the union leader, estimates that 600,000 were on strike and that no change was to be expected on Monday on account of today—the anniversary of the establishment of the eight-hour work day in 1898. He said that general observance as a holiday among miners. Some operators, however, said the extent of the suspension would be less on Monday, apparently expecting some men to return to work then.

Union Men Pleaded

No direct reports from union agents among the non-union miners had reached headquarters here at noon. The complete tie-up of the anthracite fields where almost half of the men are not members of the union was gratifying to the union, which said this situation would continue until a settlement was reached in the wage controversy.

Lowly production of 1,500,000 tons daily of bituminous coal, and approximately 2,000,000 in wages, was estimated by union officials to have resulted from the suspension, while in the anthracite fields, the loss was 300,000 tons of coal and \$500,000 in wages.

Holiday is Observed

The holiday of the miners in celebration of the anniversary of the eight-hour day was observed by the 600,000 union miners in Kentucky, who are to continue to work because their contracts with the operators have neither been to quit. Mr. Lewis said he expected the Kentucky men to be back at work Monday. Various celebrations of the eight-hour day were reported as being held in day-mining camps throughout the country. The union's war chest was enriched by \$20,000 today through the action of Federal Judge A. B. Anderson, who accepted the personal recognition of Mr. Lewis and William Green, secretary-treasurer of the union, in place of the \$100,000 bond which was debarred by the union's deposit of cash. The bonds for \$100,000 each were returned.

Trembling Voice of Woman Raises Orchestra's Funds

SAN FRANCISCO, Cal., (AP)—When an audience gathered here yesterday to hear the San Francisco symphony orchestra it was the only time that the orchestra would be in the city for the festival concert program given under the baton of Alfred Heriz, for seven years the conductor. It had been announced that the concert would be given by the orchestra of the city of San Francisco.

made her way to the stage, and huddling nervously in a voice that barely reached the galleries, asked San Francisco music lovers if they were going to permit the dissolution of the festival concert program given under the baton of Alfred Heriz, for seven years the conductor. It had been announced that the concert would be given by the orchestra of the city of San Francisco.

Twin Falls Theatrical Attractions

COMEDY AND BURLESQUE

At the Leading Feature on the Bill at the Orpheum Theater on Monday.

The La Vines are the headline attraction in the act different appearing as comedy acrobats, consisting of hand and head balancing acts showing marvelous strength and ability, the female being the understanding catching the male member through the air by one hand.

Lewis, Ja Vatte and Davis will furnish their share of laughter with their comical offering "A Hubbs Review," replete with songs and comely patter that will keep you in good humor.

Dancing Hagena, a terpsichorean novelty offering called "Smiles and Whirls," doing everything that is known in the dancing line with no equals.

Ray Deuta, is a high class character-singer in character and descriptive songs. An elaborate feature picture is added to this all star bill, entitled "Made in Heaven," a Gaiety-special.

AT THE IDAHO MONDAY AND TUESDAY

Scene from THE FOUR HORSEMEN OF THE APOCALYPSE

THE FOUR HORSEMEN

AT KIMBERLY, SUNDAY

"The Four Horsemen of the Apocalypse" is coming to the Star theater, Kimberly, for Sunday night only. This is the Rex Ingram production that cost Metro \$1,000,000 to make and that the New Yorks paid \$10 a seat to see when it opened its record-breaking run in the metropolis. The artistic results are priceless, indications of the screen's progress have been given in memorable productions of other years, but not until "The Four Horsemen" has there been a photodrama that has completely filled the promise of epic relief.

It is in this sense of recording, mighty events that the screen's superiority over the stage was recognized by critics after the first showing of "The Four Horsemen." Some of them harked back to the days of Shakespeare and the Elizabethan revival for a parallel in the theater to the Rex Ingram production. They recognized the grandeur of the great war had here been visualized as a lasting memorial.

HEBBE'S THE OBGIN 'HAM' ACTORS

It is his natural that when a thousand live boys are used for atmosphere in a motion picture production the small talk among the human players would contain several puns about "ham" actors. Norma Talmadge heard many of them when the final scenes of her latest production, "The Wonderful Thing," the associated First National Pictures attraction, which will be at the Orpheum theater for two days this week were being filmed on the Bradley-Harbold hog ranch, the largest in America, and it prompted her to comment:

"I wonder what first caused incompetent actors to be referred to as 'hams'?"

Howard Treadwell, who claims to be 60 years old, but acts and appears as if he was in the early forties, and who has the role of the hog king in "The Wonderful Thing," the associated First National Pictures attraction, which will be at the Orpheum theater for two days this week were being filmed on the Bradley-Harbold hog ranch, the largest in America, and it prompted her to comment:

GRAND JURY CONVENES IN BURLEY BANK PROBE

Charges of Law Violation in Connection with Failures to Be Investigated

BURLEY, Idaho.—The first grand jury called in Cassia county in a generation convened here Friday pursuant to call issued by District Judge T. Halley Lee upon affidavits of citizens of the county tending to support claims of alleged law violations in connection with the closing of banks here.

Affidavits charging that the Burley State bank accepted deposits after the bank was below its legal cash reserve and was insolvent, and that the bank's officers knew it was insolvent, were sworn by R. W. Turner, Barlow Gray and A. C. Fouts. Similar affidavits as to the Commercial State bank were filed by Anthony Peterson and A. W. Long. A letter sent out by D. B. Lauglois just prior to the closing of the Commercial State bank is attached as a misrepresentation of the condition of the bank at that time and is made a part of the complaint in one of the affidavits.

The grand jury, composed of 16 citizens, will be assisted in its deliberations by Judge Lee and Prosecuting Attorney T. M. Merris.

SAYS LOBBYISTS ARE AT WORK

WASHINGTON, D. C., (AP)—Charges that "paid lobbyists" of the anti-slavery league were working among the senators in behalf of the bill to create 18 more federal judges were made in the senate today by Senator Shields, Democrat, Tennessee.

READ THE CLASSIFIED ADS.

Cards One Thousand Years Old

The statement, often repeated and apparently very generally believed, that playing cards were invented and first used to distract the melancholy Charles VI of France is not correct; there is a pack in the British museum known to be more than 1,000 years old and there were undoubtedly Japanese and Chinese cards in the Twelfth century.

Deer's Skin Valuable

Not only is the reindeer prized highly for its flesh, but the skins are valuable for glove-making. Tanned with the hair on, they are very light and robes made from the soft tanned skins with the hair on are for weight probably by far the warmest covering known. These might become extremely useful as automobile robes for winter in colder parts of the country.

Exide BATTERIES

"LISTEN IN"

That's the present craze. Already several demonstrations have been given in your home town and just recently at the Bergerson hotel and the High School, with wireless telephony.

To meet these demands, the Exide Radio Battery has been built. The splendid results obtained with the Exide Radio Battery can be definitely attributed to the long experience behind it. For thirty-four years that Exide Batteries have been built for every purpose, much has been learned that was applied in designing a battery specifically for Radio work.

Happenings of a Day In Sports

BASEBALL TRAINING IS HARD HIT BY WEATHER

Rain interferes with Work in Camps where Teams Are Bounded to Form

CINCINNATI, O.—The Cincinnati National league baseball team split today, Ivy Wingo taking the second team to Evansville for games with Columbus, the regulars going to Springfield, Mo., to take on the Western Association team Saturday and Sunday.

For the third day in succession the Reds were stopped yesterday by rain and cold.

No word had been received from Boush in reply to Wingo's invitation to confer with the Cincinnati catcher at Evansville, dispatches last night said.

INDIANS ARE SPLIT.

CLEVELAND, O.—The Cleveland Indians split into two divisions today, to play their first games on their way north. The first team was in Oklahoma City and the second in Wichita, Kan., where they are scheduled for contests today and tomorrow.

Manager Speaker remained with James C. Dunn, president of the Cleveland club, who is ill in Dallas, but is expected to leave for Oklahoma City tonight.

READY FOR FRAY.

ST. LOUIS, Mo.—The Cardinals and Browns, St. Louis representatives in the National and American league pennant races today face each other at New Orleans in the first game of a two game exhibition series. The other game will be played Sunday.

TO MEET AUGUSTA.

DETROIT, Mich.—The Detroit Americans today were scheduled to play the last game of practice at their Augusta, Ga., training camp, meeting the Augusta South Atlantic league team. Yesterday's contest was called off on account of rain. Monday the Tigers begin their northern journey.

ERR ON OUTSIDE.

PARIS, Texas.—Dick Kerr today confirmed the report that he will play with the City Hall semi-profes-

sional club of Chicago this season. He had been awaiting the outcome of a proposed deal whereby he would have gone to Cleveland, which club is willing to meet his terms. This trade having fallen through, Kerr leaves Tuesday for Chicago to join the City Hall club.

MUST ANNOUNCE PITCHERS.

SAN FRANCISCO, (P)—Managers of clubs of the Pacific Coast baseball league which opens its season Tuesday have been asked by President W. H. McCarthy San Francisco to announce their pitchers half an hour before the games start. Such a rule is enforced in the American and National leagues.

To block gamblers who might be helped by early knowledge of battery selection, McCarthy will ask managers to supply an newspaper men to keep the selections secret until just before the games start.

RAIN INTERFERES.

PITTSBURGH, Pa.—The Pittsburgh National league first string players arrived in Kansas City last night from Little Rock, Ark., being unable to play the University of Arkansas at Fayetteville as scheduled on account of rain.

Two games are scheduled with Kansas City, the Pirates remaining over Sunday for the second contest.

Sunday night the team will depart for Independence, Kan.

GRIFFITH SUSPENDS BUSH.

WASHINGTON, D. C.—President Griffith of the Washington club has served a suspension on Donnie Bush, the former Tiger shortstop whom the Nationals intended to carry as a utility infielder this year because of his failure to report for spring training with the team at Tampa, Fla. Griffith said he was convinced that Donnie was trying to get out of the training ground.

Griffith has withdrawn Bush's contract, which he had not signed, although he had agreed to terms.

The Nationals line-up for their seventh game with the Boston Braves today at Tampa.

TRAIN UNDER DIFFICULTIES.

CHICAGO, (P)—The Chicago American league baseball team, after an all night ride over flooded lands to Merilina, Miss., yesterday defeated the Cotton states league club of that city, 6 to 3.

The Chicago Nationals get in only four innings with the San Francisco

Soles when rain chased the players indoors.

Both teams are badly in need of practice, according to word sent back to their followers, due to the bad weather which out to both the White Sox and the Cubs.

MYERS GETS DECISION

POCATELLO, Idaho.—Spug Myers, local lightweight champion, last San Francisco after 12 rounds of boxing during which the 'Prize lad made an excellent showing. Myers was worried out fought faster than at any time during his career and outpointed his opponent. Handley had not a scratch on him.

NEITHER WINS FALL.

MILWAUKEE, Wis.—Stanislaus Zbyrsko and Armos Lallitico wrestled 12 eight-minute rounds here last night in a contest billed for the Grace-Roman championship of the world. Neither won a fall.

HERMAN BEATS BRADY.

NEW YORK, (P)—Babe Herman, San Francisco featherweight boxer, won from Eddie Brady of Brooklyn in 12 rounds here last night. Herman floored his opponent for the count of eight in the third round.

HALL TEAM SAILS.

SEATTLE, Wash.—The baseball team of the University of Indiana sailed from here today for Japan aboard the liner Keystone State. Indiana will compete with Japanese baseball teams while in the Far East.

DOWNNEY TO MEET O'DOWD.

CLEVELAND, O.—Bryan Downey, Cleveland middleweight, has been matched to box 12 rounds with Mike O'Dowd, former title holder at Columbus on May 15, according to an announcement made here.

LEWIS DEFEATS HILL.

APPLETON, Wis.—Ed 'Strangler' Lewis, heavyweight champion, defeated George Hill of Appleton last night in straight falls. Both falls were won with headlocks.

CAMBRIDGE WINS RACE.

PUTNEY, England.—Cambridge won the annual boat race with Oxford today over the Putney-to-Mortlake course on the Thames.

MISSION WORKERS MEET

District Convention of Methodist Women's Organization Held at Burley

BURLEY—The first annual district convention of the Women's Home Missionary society of the Methodist church, closed a two days' meeting Thursday at Burley. The Reverend C. O. Heath and Mrs. J. W. Dow delivered addresses of welcome to which Mrs. C. E. Deal of Filer responded. "Our field" was the basis of the program given Wednesday afternoon and evening and on Thursday "Our Resources" was studied. Illustrated lectures, given by the Reverend J. E. Baker, district super-

intendent, Gooding, and the talks by President C. W. Tenney of Gooding College, and conference president Mrs. Frank E. Grier of Boise equitributed toward making the program a success. A pageant was given by the Queen Esther circle on Wednesday evening. The delegates were the dinner guests of the Burley Methodist church the evening of the first day. The local auxiliary entertained at noon on Thursday.

Officers of the district were elected as follows: President, Mrs. C. E. Deal; vice-president, Mrs. A. C. Coleman, Burley; corresponding secretary,

Mrs. C. Iven Price, Twin Falls; recording secretary, Mrs. J. G. Rickers, Filer; treasurer, Mrs. John Hubbard, Idaho Falls; secretary young people work, Mrs. William Baker, Twin Falls; secretary life service work, Mrs. G. W. Barnes, Rupert; secretary children's work, Mrs. J. E. Officer, Blackfoot. The state meeting of this progressive organization will be held in Boise the last week in June.

The new year means new letter and invoice files. We have them. Close Hook Store.—adv.

MONDAY - TUESDAY Night Prices—25c, 50c (Including War Tax)

SPECIAL MATINEE Starts 4 p. m. sharp—Students of High School and Grade Schools come to matinee for 15c.

AN ASTOUNDING WORK OF GENIUS.

SINCE VICTOR HUGO, there has been no more striking literary figure than Vicente Blasco Ibañez, whose famous book has reached its 161st edition here. The multifarious thrills, the perfection of this masterpiece, have been presented masterfully in

METRO'S PICTURIZATION OF

The FOUR HORSEMEN of the APOCALYPSE

By VICENTE BLASCO IBAÑEZ

A REX INGRAM PRODUCTION

Translated to the screen from the internationally famous novel that has been read by ten million persons in the United States alone. Interpreted by a cast of 50 principals and an ensemble of 12,500. Produced at a cost of A MILLION DOLLARS, it is the greatest feat ever performed by makers of motion pictures.

Adapted by JUNE MATHIS
Photographed by JOHN F. SEITZ

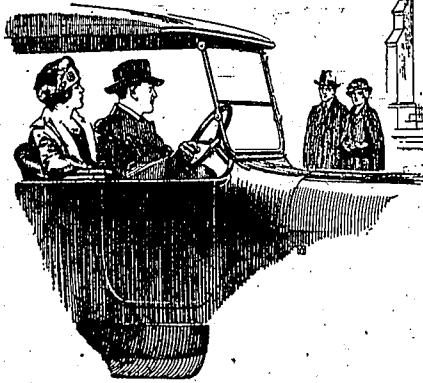

This colossal spectacle-drama has turned thousands away from the doors of every theatre in which it is shown.

When this picture played Twin Falls last November tickets were \$1.65. It will not be shown anywhere in the country this year for less than 60c.

First show starts promptly at 7:20 p. m. We urge you to come early. Students coming to the matinee are requested to be prompt as the length of the show makes it impossible to repeat any. It starts at 4 p. m.

COAL MINES CLOSED

(Continued from Page One)

by the union officials several months ago after their indictment in the federal court on charges of conspiracy with operators to control production and price.

OUT IN PENNSYLVANIA

WILKESBARRE, Pa., (AP)—Operation in the anthracite coal fields were at a standstill today under the suspension order of the United Mine Workers of America. Reports from all districts were that the 56 companies operating 260 collieries and employing approximately 150,000 men and boys were idle. It was the first general suspension in the anthracite fields since 1912 when a new wage scale was struck April 25 and was ordered by the union pending the negotiation of a wage contract to take the place of the one which expired yesterday.

Tip-Up Is General

Operators and officials of the union alike, agreed that the tip-up would be 100 per cent effective. Only such man as are needed for the maintenance of the equipment and the protection of property approximately 2000 will remain at work, it was stated.

Plan Long Siege

The operators, preparing for the shutdown, it is understood, planned for a six weeks to two months period of violence. Supplies of coal stored at the various collieries to operate the pumps and engines were to be sufficient for that length of time.

BOBACH TAKES HAND

WASHINGTON, D. C., (AP)—Government operation of the coal mines was suggested in a statement today by Senator Bobach, republican, Idaho, chairman of the senate labor committee, after conferring with representatives of miners and operators. The senator said this was the alternative if the coal industry was not reorganized.

THE COAL WAS MINED TODAY, THE FIRST DAY OF THE NATION-WIDE COAL STRIKE. THIS, HOWEVER, WAS NOT AN ABSOLUTE INDICATION OF THE RESULT OF THE STRIKE ORDER, BOTH OPERATORS AND MINERS SAID TODAY.

The real test of strength would come Monday, it was stated. George L. Peck, provisional president of the district, refused to comment on the court order, except to state that he was not in a position to call off the strike, as any rewording order would have to come from the international union. He predicted a complete walkout. In Oklahoma, Arkansas and Texas were reported idle today, but as here, the real test was not expected until Monday.

STOKES ABE LARGH

ST. PAUL, Minn., (AP)—If probably would be two months before coal users of the northwest would feel the full effect of the coal miners' strike, it was asserted by fuel dealers here today. More than 3,000,000 tons are piled up at docks at Duluth and Superior, railroads have about 15,000,000 tons scattered along their lines and several hundred thousand tons of coke are available for emergency use in this vicinity it was said.

AT WORK IN UTAH

SALT LAKE CITY, (AP)—Miners employed in the coal fields in Carbon county reported for work as usual today, according to word received here from Mr. M. C. McGraw, superintendent of the United States Fuel company, said that there was no indication of a strike in the coal fields and that the work would continue until unforeseen developments occurred. This statement was generally confirmed by the superintendents of the mines of other companies in the coal producing area.

BOBACH TAKES HAND

WASHINGTON, D. C., (AP)—Government operation of the coal mines was suggested in a statement today by Senator Bobach, republican, Idaho, chairman of the senate labor committee, after conferring with representatives of miners and operators. The senator said this was the alternative if the coal industry was not reorganized.

WAY MAKES PROPOSALS TO NAMPA AND CALDWELL

Traffic Export Offers to Place Services at Disposal of the Boise Valley Towns

NAMPA, Idaho.—Leonard Way, secretary of the Southern Idaho Traffic association with headquarters at Twin Falls, Tuesday evening proposed to business men here the establishment of a coal line from Nampa. He offered to put an office in Nampa for \$3000 a year or to give merchants here the benefit of the service of the Twin Falls office for \$1000 a year. A committee was named to investigate the proposal. Substantially the same proposal was made by Mr. Way in Caldwell except that it was not proposed to establish an office there. Financing of the proposition seems to be the stumbling block in both Caldwell and Nampa, it was said Thursday. Way has been here for some days appointing for the week beginning Monday. He is in opposition to the Oregon Short Line's proposal to reduce passenger train service on several branches in Idaho.

OBJECTS TO AGE LIMIT

NEW YORK, (AP)—Just because a man is 81 years old, he should not be retired from city service, contends Henry S. Kanak, a lawyer, who has been placed on pension by the board of estimates. Mr. Kanak in a protest maintained the limit should be at least 90.

WEATHER FOR WEEK

WASHINGTON, D. C., (AP)—Weather outlook for the week beginning Monday: Northern Rocky Mountain and Plateau regions: Generally fair and normal temperatures except for rains or snows Wednesday and Thursday. Pacific states: Considerable cloudiness, normal temperatures.

SEE Kinney Wholesale Co. for Montana White or Great Northern beans.—adv.

READ THE DAILY NEWS.

EX-EMPEROR CHARLES

(Continued from Page One)

inset at Raab and re-marched on Budapest with an army of 19,000 men. The Hungarian government sent loyal troops against him and he was finally captured with his wife near Komorn and confined in the castle at Buda. Zita survives until the entire alliance determined that he should not again have an opportunity to attempt a coup d'etat, sent him to Madeira.

Dethroned by State

Charles still refused to abdicate and the Hungarian government, on demand of the allies, passed a bill in the national assembly dethroning him and permanently ousting the Hapsburgs from the throne. A few days later he and Zita were conveyed by a British warship to Funchal, where they arrived November 10, 1921.

Emperor Charles I of Austria, King of Hungary, was an unpromising major in an Austrian infantry regiment when the shot of the assassin who killed the Archduke Francis Ferdinand on June 28, 1914, made him the heir apparent to the throne in the "Hawk's Castle" on the banks of the River Aar.

Record of Bloodshed

Two hundred or more monarchs of this historic house of Hapsburg ruled for centuries the land of Magyar, Slav and Teuton—countries of bloodshed, tyranny and aggression—and along their last sleep in the wonderful crypt of the Capuchin Church in Vienna. Charles I was born August 17, 1887, the son of the late Archduke Otto of Saxony. He married the Princess Zita of the Bourbon house of Parma (Italian) in 1911.

TWIN FALLS LAD SCORES IN UNIVERSITIES' DEBATE

Phillip Buck of Two Man Team Represents Boise State Against Chicago Debaters

University of Idaho's debate team which lost by vote of three to two, in a debate against the University of Chicago two-man team here Friday evening was composed of Walter Greer, house of Hoise, and Phillip Buck, former Twin Falls high school student. "Phil Buck, youthful 'arguer,'" of Twin Falls, says the Idaho Statesman, worked with a more spectacular mode of delivery than his teammates, capturing his confidence, engaging manner, with an engaging smile in a natural manner. This mannerism was noticeably lacking in the presence of any of the other speakers. His points, in the opening speech for the negative, were clear cut and self-evident, and his logic was sound.

The question for the debate was: Resolved, That Congress should Enact Legislation Compelling Arbitration in All Labor Disputes of Public Service Corporations. Governor D. W. Davis of Idaho presided and the judges were Chief Justice Rice, Justice Bridge of the state supreme court and Judge P. B. Dietrich of the federal district court.

First Baptist Church

Social Notes

Edited by Mrs. E. B. Williams—Telephone 396.

The Order of the Eastern Star entertained at cards Friday evening at the Masonic temple. Twenty-one tables were arranged for '800.' Mrs. Howard and Sablin winning high score for the ladies. Frank Baldwin captured the gentlemen's prize, and Harry Eaton was awarded the consolation. There were five tables of bridge, and Mrs. Ernest White won highest score. Four tables enjoyed pinocle, at which Mrs. James Porter was the successful player. Refreshments were served about 10 o'clock, followed by dancing until covered. Mrs. Bula G. Sawyer was chairman of the committee on arrangements for this delightful affair, and was assisted by Mrs. M. L. House, and Mrs. M. C. Mitchell.

Members of the congregation of the Methodist church met in the church parlors last evening and enjoyed a covered dish supper served cafeteria style. An interesting program was then given as follows: Devotion by little Virginia Lawrence; vocal solo, Miss Cowley; vocal solo, Miss Carlson; piano selection, Miss Lavinia Peterson by members of the Epworth league. Moving pictures of life in the Hawaiian Islands, and a talk by the pastor, Rev. E. L. White. A general social then followed. About 350 were in attendance.

The Misses Leonie Higgins and Doreth Cleveland entertained a few friends at a dancing party on Thursday evening at the home of Mr. and Mrs. J. W. Richland. At a late hour a two-course dinner was served from a beautifully appointed table, having for a centerpiece a basket of nasturtiums. Those present were: Della May Brundish, Dorothy Son, Elaine Jarman, Agnes Peterson, Clara Kall, Edgardo Shurtleff, Louisa Jick, Vera Richlin, Howard Smith, John Walters, Wayne Grover, Hector Rydell, Fred Varney, Corral Miss James, William King, Edwin Higgins and Robert Jones.

Mrs. Priscilla Munson entertained with a dancing party at her home on seventh avenue north, Friday evening, for the Kompauntawa Camp Fire circle.

These present were Lucy Munson, Pauline Ware, Marguerite Finch, Ingeborg Emery, Helen Flaker, Lois Smithwick, Audrey Bransole, Minnie Page, Margery Knesel, Mattie McMaster, Margaret Seilly, Doreth Troudard, Helen Grove, Carl Hahn, Julian Boone, George Lincoln, Edward Duke, Albert Fraham, Ralph Conroy, Robert R. Kenneth Kennedy, Stanley Cron, Clarence King, Ross Cook, David Kramer, John Amory, David Ungard, Harwood Stover, the latter from Kimberly. At the conclusion of the evening delicious refreshments were served.

The silver tea given by the Parent-Teachers' association of the Lincoln school Friday for the hot lunch fund was a most successful affair from both a social and financial standpoint. The program consisted of music, playlets and entertainments given by pupils from the different rooms. The hall at the building had been converted to a charming drawing room by the use of rugs, easy chairs and potted plants. Mrs. G. V. Scott and Mrs. P. H. Smith presided at the tea table. Thirty-one dollars was realized which will enable committee to pay their bills and leave some money in the treasury to continue the work in the fall, as this closes the work of serving the hot lunches for this season.

The business and professional women will have an important meeting on Monday evening before the opening of the class in parliamentary law conducted by Mrs. Butler E. Morse.

The Star Social club will meet with Mrs. J. B. Williams in the amusement room of the Beed apartments on Monday, April 3. Assistant hostesses will be Mrs. H. B. Johnson, Mrs. Vera Parks, Mrs. A. E. Siffer and Mrs. F. G. Beebe.

Monday evening before the opening of the class in parliamentary law conducted by Mrs. Butler E. Morse.

FARMERS!

March 28, 1922.

TO OUR FRIENDS: We are informed by the Sugar Company Officials that the farmers on this tract are not signing up beet contracts to any great extent, and that unless an acreage sufficient to operate to capacity is secured, the factory will not run this fall.

We do not know whether or not you are aware of the enormous advantage which the factory is to the community. The Sugar Company distributed locally last year approximately \$700,000.00 in payment for beets and factory payrolls. The factory gives employment to a great many farmers and this employment comes at a time when they otherwise would be idle, in fact, it is the only payroll of any considerable size which we have locally.

The feeding of by-products (pulp and molasses) creates a market for our hay, and enables every beet grower to feed more cheaply dairy stock, cattle and sheep.

The Sugar Company pays locally about \$60,000.00 in taxes yearly which is a considerable advantage to this district. The fact of having a Sugar Factory in our community increases the value of our land, consequently increasing your credit value.

From the above you can readily see that to lose the Sugar Factory would be a calamity.

The tendency this year is to plant an abnormal acreage of potatoes over the entire country. Our freight rate puts us at a disadvantage, and given a normal potato crop we believe that the Idaho potato grower will have difficulty in finding a market and the probable inability of the railroads to provide sufficient cars will necessitate the storing of a large part of our crop.

We believe it would be very much safer farming if part of the acreage intended for potatoes would be planted to beets as diversified farming is invariably more successful.

The Sugar Company informs us that they will arrange to finance the hand labor on the crop.

We would earnestly advise the planting of part of your acreage to sugar beets where good ground is available.

We do not assume to dictate the business of our customers, but hope you will realize the vast importance of retaining the Sugar Company in this community.

Very truly yours, THE TWIN FALLS BANK & TRUST COMPANY THE TWIN FALLS NATIONAL BANK THE FIRST NATIONAL BANK BANK OF MURTAUGH BANK OF KIMBERLY BANK OF HANSEN FARMERS AND MERCHANTS BANK, FILER FIRST NATIONAL BANK, FILER FIRST NATIONAL BANK, BUHL FARMERS NATIONAL BANK, BUHL

LEAVE AMERICA FOR OLD HOMES IN SOVIET LAND

Russians Return for First Time Since End of Autocracy—Bring Machinery

SEBENZ, Russia, (AP)—One hundred and forty-nine Russians from America, 43 of whom are accompanied by their wives and children, comprising the first contingent of more than 2000 from the United States and Canada, who plan to return to their native country, had their first view yesterday of their new promised land under no-velism, which they left during ear-son.

They brought 400 tons of American agricultural implements. They will be given land and it is expected they will organize a soviet wherever the Moscow government decides to send them. They landed at Liban and passed through Latvia.

Classified advertising is the cheapest thing you can buy—measured by the profits it may bring you.

HAZARDS ACTION TOWARD NOTE ON MANAGER PLAN

Court Order Obtained by Commission Form Leader Suspends Proceedings for Second Municipal Election

Registration and all further proceedings toward the holding of a special city election April 18 to determine whether the city manager plan shall be adopted for Twin Falls were today halted by issuance of a writ of prohibition ordered by Judge W. A. Habeck upon application of E. F. Walton as the plaintiff in an action for this purpose instituted Friday afternoon against Mayor P. W. McRoberts, Councilmen W. E. Sanger, Craig H. Bracken, O. H. Kregg and C. P. Bowles and the city of Twin Falls.

The writ was filed morning served by Sheriff E. R. Sherman upon the officials named.

Temporary Suspension. The effect of the order is to restrain and prohibit proceedings as to the election until April 7 and "until the further order of the court." City officials named are required on April 7 to show cause for court why they should not be allowed to retrench and prohibited from any further proceedings in the election in question.

As grounds for his action Walton alleged that the commission form city government, adopted with a margin of 63 votes at a special election March 25, becomes effective for six years from that date. He charges also that 30 of the signers of the petition for the city manager election "did not disclose their qualifications as electors" because they gave their age as being "legal age."

Walton lists 20 names of signers of the city manager plan petition as persons who "did not disclose their qualifications as voters," and suggests that their names be taken from the petition.

CHAMBER OF COMMERCE TO OPPOSE TRAINS CUT

Railroads Bureau Outlines Procedure at Hearing on Short Line Proposal

Plans for the Twin Falls Chamber of Commerce railroad bureau's intervention in behalf of commerce interests to the Boppan branch at a hearing before the state public utility commission here next Tuesday were worked out at a meeting of bureau members Friday afternoon.

The railroad bureau is composed of F. W. Dunne, G. H. Self, E. S. Johnson, F. W. Brough and John R. Taylor.

With the beginning of construction either of the American Falls reservoir project or of the rail line to the south from Twin Falls, the chamber of commerce advertising bureau will launch an intensive advertising campaign, according to advice received at a bureau meeting.

BUREAU ADVISES GROWING BEETS

Farmers' Organization Committee Endorses Contract Offered Growers

Members of the newly elected executive committee of the Twin Falls county farm bureau at their initial meeting Saturday afternoon at the home of E. S. Wood, H. L. Parks, J. B. Waters and T. S. Nicholson, adopted resolutions urging adoption of diversified farming methods and endorsing a contract offered this year to sugar beet growers by the Amalgamated Sugar company.

The committee arranged for a series of meetings to bring the sugar beet situation to the attention of the farmers of the county.

Railroad Builder Will Wait Three Weeks for Snow to Pass

Within the next three weeks snow along the right of way of the proposed Idaho Central railroad from Twin Falls to Tully, Nevada, will have melted so it will be possible to place a corps of engineers in the field to make final surveys preparatory to beginning of actual construction of the road, according to advice received at San Francisco by George L. Davis, president of the railroad company, and by him communicated today to the Twin Falls Chamber of Commerce.

"We desire the roads passable at the Wells summit to enable us to drive through on the line to be traversed by the railroad, or as nearly as possible," Mr. Davis says in this communication, which bears date of March 29.

Mr. Davis' letter is in reply to a request for information as to when he intended coming here recently communicated to him by the chamber of commerce.

His letter follows: "Replying to your favor of March 23, I wish to state that although the snow may be gone in many places, I am advised by parties who are very familiar with the region through which the Idaho Central railroad will pass that there is still plenty of snow on the ground and that the road is very bad."

"We do not wish to place engineers in the field under such conditions. We are also advised that it will perhaps be about three weeks before the roads will be passable. This is to advise you that we desire the roads passable at the Wells summit to enable us to drive through on the line to be traversed by the railroad, or as nearly as is possible."

This is to advise you that we desire the roads passable at the Wells summit to enable us to drive through on the line to be traversed by the railroad, or as nearly as is possible."

Mr. Davis' letter is in reply to a request for information as to when he intended coming here recently communicated to him by the chamber of commerce.

His letter follows: "Replying to your favor of March 23, I wish to state that although the snow may be gone in many places, I am advised by parties who are very familiar with the region through which the Idaho Central railroad will pass that there is still plenty of snow on the ground and that the road is very bad."

"We do not wish to place engineers in the field under such conditions. We are also advised that it will perhaps be about three weeks before the roads will be passable. This is to advise you that we desire the roads passable at the Wells summit to enable us to drive through on the line to be traversed by the railroad, or as nearly as is possible."

Chillier Weather is Seen as Coming With End of Rains

An end of the humid spell that has continued here for several days is at last come into the line of vision of the official weather forecaster for the state who today promises fair weather tomorrow. "Tonight, he says, will be fair and cooler."

Temperature yesterday was high at 49 degrees above zero and again just topped the freezing point with 33 above for low last night, according to records of the government weather observer here.

Unusually yesterday measured .04 of an inch in terms of precipitation as shown by the official weather reports.

PYTHIANS ENJOY EVENT

With a hundred Pythians, wives, sweethearts and guests present last night in Pythian Castle hall, the initial social session under the new order of the supreme lodge was a lively affair. A program of talks, music and dancing was followed by card games. Refreshments consisted in home-made cookies supplied by Pythian Sisters, and fruit punch, an offering of Pythian lodge.

The program was under direction of the Pythian Sisters, and was a rare arrangement. Opening with a series of dainty melodies offered by Mrs. Ball, Mrs. Stanslevat and Mrs. White, and Ball, the crowd was set in harmony for the delights which followed rapidly.

BEST SPELLERS WIN IN CONTEST

Eugene Holler, Clara Maude Ripley and Edna Gehring Capture Awards

Eugene Holler, a pupil of the Sixth B grade of the Bield school; Clara Maude Ripley of the Eighth A grade of the intermediate school, and Edna Gehring of the high school senior class, are the winners of first awards offered by Asher B. Wilson of Twin Falls, in the spelling contest, finals held Friday evening at the high school auditorium, constituting the consummation of special spelling drills which had been going on during the past six weeks in the various building grades and rooms of the Twin Falls school system.

Other Prize Winners

Carol Thompson, of the Lincoln school Sixth A grade; Betty Wilson of the intermediate school Eighth B grade; and Gertrude Hildner of the high school Sophomore
