Seaplane Rescues Injured Sailors On Burning Boat

Flyers Arrive in Nick of Time to Prevent Tragedy—Two are Severely Burned

SAN DIEGO, (AP) - A big seaplane swooped down onto the sea near here Thursday evening to rescue five injured men from a burning fishing boat, the Niassini, and sped back with them to the North Island naval air station, where their burns were treated. Shortly after the men were picked up by the plane, the boat, which was crowded to the water's edge, sank from sight.

The seaplane landed on the burning boat as soon as the fire was reported by a scout plane from the fleet. The planes were from the air squadrons of the Pacific fleet.

The captain and one of the crew were burned severely.

RAIN IS HARD ON GROWING WHEAT

Weather Helps and Hinders the Grain Crop at Various Localities, Says Report

WASHINGTON, (AP) - Rain which proved the farmers' friend in some parts of the country was his foe in other sections during the week ending Tuesday, the weather bureau reported through its weekly weather and crop report.

Harvesting and threshing of grain was retarded by rains in the northern states and more grain was lost to considerable lodging due to rain and wind. Harvesting of winter wheat generally went along satisfactorily in central and northern sections of the belt, except in eastern Kansas, and the threshing made good progress in the southern portion and was started in the central section. The quality and yield of such wheat was reported as having been hurt by premature ripening in Missouri and the lower Ohio valley.

Dakota Wheat Aided Additional moisture combined with cold weather, however, aided the crop in small sections. More rain is needed in the more western states, the review asserted, adding that the crop was suffering greatly in central and northern sections of the belt, where not irrigated, and in Utah and Montana.

Dry weather was reported as doing great damage to the crops generally throughout the whole region where that crop is grown.

The rains proved of great benefit to the corn crop, except in eastern Iowa and Missouri, northern Illinois and parts of the southeast, according to reports to the bureau.

NO ACTION TAKEN

PITTSBURGH, Kan. (AP) - Action of supporters of Alexander Howel in voting to return to work in the Kansas mines immediately taken at a meeting in Franklin Wednesday night, had no effect on the situation in the Kansas mining field Thursday. The meeting voted that each former local union should name a committee to the operators to work on a re-organization to return to work.

STRIKERS STILL ARE IN CONTROL OF WHOLE TOWN

Adjutant General After Personal Investigation Will Report to Governor on Situation at Slater, Mo.

SLATER, Mo. (AP) - Adjutant General William Ruff of Missouri spent two hours here Thursday night and then left for Jefferson, Mo. There he will confer with Governor Elyse and make recommendations as to the handling of the local situation, where striking shopmen have closed down the Chicago and Alton shops and have been in virtual control of the town for the last 36 hours.

Adjutant Ruff declined to announce what his recommendations would include but said that he had talked to Sheriff John Logsdon in Marshall and that Sheriff Logsdon had stated to him that he, the sheriff, was unable to control the local situation and was inclined to appeal special deputies. Adjutant Ruff also talked to Sheriff Logsdon in writing and the sheriff said he would write the governor Thursday night. In Slater General Ruff, chairman of J. Murquett and other Alton officials and also to Leo Wink, talker of the shepherds unions here, who promised there would be no violence.

No Faith in Sheriff. The adjutant general told a correspondent of the Associated Press that he believed the situation here was not able to handle. He added that he was convinced Sheriff Logsdon had made no effort to handle it, and would not do so.

SAN FRANCISCO, (AP) - The steamer Brunswick, carrying the rescued crew of the steam schooner Arctic, put into Port Bragg, Calif., late Thursday and reported that the Arctic, which was built in 1905, took up with her owner, power, back at noon Thursday at Araco, according to advices reaching here.

The Brunswick, owned by O. B. calls said out by the Arctic at daylight when she was filling with water just after backing off the reef.

TAKE FIRST STEP FOR SETTLEMENT

Northern Pacific Officials Hold Conference with Strikers as to Terms

ST. PAUL, (AP) - First negotiations looking toward a settlement of the strike in the Twin Falls, Idaho, region, took place Thursday at a conference between union men and officials of the Northern Pacific railway.

No concrete proposals were advanced at the conference, which was held in the office of J. M. Rapelli, general manager of the Northern Pacific.

Baldwin, the various locals of the union here can effect a settlement without reference to action of union officials.

Union leaders, headed by E. A. Honing, general chairman of the Northwest district, declared that such action would be assumed but did not decline to have full consideration to the suggestions.

Mr. Rapelli asserted that his chief purpose was to ascertain what the local union would make a separate settlement.

Union officials here claimed that the strike in the Twin Falls was about 90 per cent effective.

Mystery Surrounds Identity of Man in Charge of Car Bearing License 17-870

BAILEM, Ore. (AP) - An automobile hurtled into the woods at 17-870, was smashed to bits late Thursday here by a Southern Pacific motor car, but apparently the driver escaped out of the wreckage unharmed.

He could not be found later and this identity was not ascertained. The accident was witnessed only by a small boy.

SCHOOL DIRECTORS LOSE IN BATTLE WITH TEACHER

Director's Failure to Report Marriage Bottled in Her Favor after a Long Fight

MILLWALKE, (AP) - Mrs. Edna Diehl of Thompson Thursday triumphed over the board of school directors following a year's fight. The board granted her petition for a permanent writ of mandamus ordering the board to reinstate her as a teacher in the public school, and to permit her salary accrued since her dismissal on September 5, 1927.

She was dismissed at that time for failure to report her marriage to the school board.

STRIKERS JEER ANNOUCEMENT

Sacrifice of Priority Rights Accepted with Cat Calls by Union Pacific Employes

OMAHA, (AP) - Announcement by the Union Pacific railroad that pension rights of striking employes would be forfeited unless the men returned to work Saturday was greeted with jeers and cat-calls at a meeting of 1,500 shopmen here Thursday. Similar announcements by the Burlington and Northwestern lines were booed and derided by the striking shopmen.

A plea that the strikers maintain order and avoid violence was made by A. M. Gibson, chairman of the Union Pacific employes' union. Gibson's statement that he had heard a report that the Union Pacific had annulled seven strikes as a result of the strike was later denied by an official of the road. Train service, according to this official, has been interrupted with the exception of a few trains on the Salt Lake line, where the men went out in larger numbers, than elsewhere.

HUNDREDS ARE INJURED IN WILD STAMPEDE FOLLOWING PANIC IN NEW YORK SUBWAY

HEROIC ACTION BY POLICE OFFICER AVERTS EVEN GREATER CALAMITY

Minor Blaze in Motorman's Control Box with Noxious Fumes from Use of Chemical Fire Extinguisher Converts the Passengers into Frenzied Mob—Three Expected to Die

NEW YORK, (AP) - Trapped in a dark subway tunnel 75 feet below the street and reeking with gas fumes and smoke, nearly five hundred men, women and children, passengers on an east side train of the later-borough Rapid Transit company, Thursday were converted into a frenzied shrieking mob. Almost a third of its members were overcome before they could fight their way to safety.

Three probably will die. Police officials said it was a miracle many were not trampled to death.

A worst spot for such an accident secretly could have been picked than Lexington avenue at Sixty-first street, where the train came to its sudden halt. The tunnel between Grand Central terminal, at Forty-second street and 89th street. The express tracks are three tiers down from the level of the 3, B, E, and the cross-tunnel of the Brooklyn Rapid Transit company, and the only exits are narrow little spiral staircases, one rising to Sixty-eighth and Sixty-third streets. These were jammed with fugitives from the scene below.

GREWS EAGERLY WAIT CHANGE TO JOIN RISH ARMY

City of Dublin Gradually is Emerging from Grip of War - Banks and Stock Exchange Re-open for Business

DUBLIN, (AP) - There was a great response Thursday to the provisional government's call to arms said at the Wellington, Portobello and Baggin's bay barracks, as well as at the city hall, "O'Connell street" waiting to join. The men are being segregated into their own areas.

Besides members of the volunteer fighting forces, there were large numbers of ordinary citizens for recruitment in the volunteer force as well as to transfer to the actual service list.

Great crowds Thursday visited the scene of the fighting, but a vordon was drawn to prevent approach to the building. Hundreds of men were standing and which are in danger of falling at any moment. From the ruins from time to time an explosion is heard, which is usually abandoned by the insurgents.

The banks reopened Thursday and the stock exchange will open again Saturday by announcement. The hand will leave Thursday night with almost normal cargoes.

FIRE EXTINGUISHER BLAMED

A little fire extinguisher, whose contents were turned on a tiny blaze in a motor car, was held responsible for the clouds of poisonous fumes and smoke, sent swirling through the tunnel.

More than three score of those overcome were in such condition as to require hospital treatment. While the ambulance service was being organized, the emergency hospital was placed at about 100.

The train car was jammed with passengers, many of whom were crushed along its length. The train stopped at about 100.

Patrolman Fred Norman, who was riding in the train, seized a fire extinguisher, rushed to the compartment, and shot the contents of it on the flames, which were eating the insulation from the control box wires. The extinguisher, containing a chemical, failed to spread the flames and in a moment the car and soon the entire tunnel were choked with smoke and fumes.

Patrolman Leads Way. Patrolman Norman set a woman who had been overcome by the smoke down into the darkness of the tunnel and commanded other passengers to follow him.

The train was jammed with his burden to Fifty-ninth street and led the refugees up a long winding emergency stairway to the street.

Men, women and children dropped in their tracks at the station, the smoke and the excitement overcame them. Others picked them up and dragged them along to safety.

Volunteers Aid in Rescue. Police, firemen and volunteers plunged into the subway and brought out the victims. Many were overcome by the smoke and the excitement overcame them. Others picked them up and dragged them along to safety.

Patrolmen Freely Used. Patrolmen were rushed to the scene, and at one time fourteen patrolmen were being used to free prostrate forms on the sidewalk.

Blame for the heroism of the action was placed on the fire extinguisher or by Captain Thomas Rust of Engine Company 39, which was the first to reach the scene.

A formal investigation will be held to determine the cause of the accident. It is expected that the fire extinguisher was the cause of the accident.

Denial By Report. President Frank Hooley, of the U. S. National Fire Protection Association, denied a preliminary investigation indicated that the "noxious fumes" were caused partly by the burning of the extinguisher.

# PRESIDENT SUN DEMANDS CHINA REINSTATE HIM

Deposed Executive Will Take No Part in the Efforts for a Re-United Country Until Point is Settled

CANTON, China, (AP)—Sun Yat Sen, deposed president of South China, Thursday refused General Chen Chung-Ming's proposal that he lead a delegation from the eight southern provinces to negotiate with the Peking government for the restoration of China, unless he first is restored to the southern presidency, from which Chen drove him.

General Chen's proposal to Sun, which would mean offering to bring the two southern leaders together once again, was in the form of a telegram from Chen's headquarters at Waichow, 50 miles from Canton.

The message was addressed to W. K. Chung, vice president of the Canton Christian college. It suggested that Sun proceed to Hanoi, Indochina, to call a conference of eight southern and central provinces of China for the purpose of selecting a delegate to carry on negotiations with Peking.

In the telegram, Chen asked that Sun be assured that the conference would select the former southern president as its representative to open the negotiations and that he would have the undivided backing of the eight provinces.

Sun Yat Sen's reply was a flat refusal to undertake the outlined program until he is reestablished as president of the Cantonese government.

Sun has not yet replied to the invitation of President Li Yuan-hung that he go to Peking for a conference.

## PROCEEDINGS OF CO. COMMISSIONERS

Twin Falls, Idaho, May 1, 1922. 10 A. M. Regular April Session.  
The Board convened at this time pursuant to the call of the chairman, with all members and the clerk present.

In the Matter of the Resignation of George M. Maxwell, Superintendent of County Hospital.  
In this matter, the resignation of George Maxwell, an superintendent of the County Hospital, having been received and filed by the clerk, the chairman stated that the meeting had been called for the consideration of said resignation. After discussion of the matter it was decided to accept said resignation; but also to request Miss Maxwell to retain her position until the arrival of a new superintendent.

Whereupon the Board, by a unanimous vote delegated the chairman to get in touch with some suitable person to take the position as superintendent and empowered him to act for the Board in the engagement of such new superintendent.

Proposition accepted by the chairman, and there being no further business to come before the Board at this time, recess was taken subject to call of the chairman.  
W. W. PARISH, Chairman.  
Attest: C. C. SIGGINS, Clerk.

Twin Falls, Idaho, May 13, 1922. 10 A. M. Regular April Session.  
The Board convened at this time pursuant to the call of the chairman, with all members and the clerk present.

In the Matter of Employing a New Superintendent for the County Hospital.  
In this matter, the chairman stated that he had called the meeting for the purpose of reporting progress in the matter of employing a superintendent for the County Hospital. Stating that upon good recommendation he had opened negotiations with one Miss Selma Johnson, of Brooklyn, N. Y., and read the following telegrams between himself and said Miss Johnson.

Twin Falls, May 11.  
Selma A. Johnson, c/o O. C. Peck Memorial Hospital, Brooklyn, N. Y.  
Will you consider a position as superintendent of County Hospital at salary of \$1800.00 a year, beginning June 1st? Answer our expense.  
W. W. PARISH, Chairman, Board of County Commissioners.  
To which following answer was received:

Brooklyn, N. Y., May 12, 1922. County Commissioners, Twin Falls, Idaho. Will consider position at \$1800.00. Can't there a raise in salary later? Cannot be in Twin Falls, until June 8.

BEILMA JOHANSON, To which the chairman replied as follows:  
Twin Falls, Idaho, May 13, 1922. Selma A. Johnson, c/o Peck Memorial Hospital, Brooklyn, N. Y.  
Holding position for you in salary depends on success. Confirm by wire.  
W. W. PARISH, Chairman.  
The chairman further stated that he had not received a reply from Miss Johnson, but that there had hardly been time for an answer to his last telegram.

W. W. PARISH, Chairman.  
Attest: C. C. SIGGINS, Clerk.  
Twin Falls, Idaho, May 17, 1922. 10 A. M. Regular April Session.  
The Board convened at this time pursuant to recess. Present all members and the clerk.

In the Matter of Employing a New Superintendent for the County Hospital.  
In this matter, the chairman informed the Board that, under the authority given him, May 1st, he had completed negotiations with Miss Selma Johnson, and had employed her as Superintendent of the County Hospital, at a salary of \$1500.00 per month. Service to commence June 8th.

There being no further business to come before the Board at this time, recess was taken subject to the call of the chairman.  
W. W. PARISH, Chairman.

Twin Falls, Idaho, June 10, 1922. 10 A. M. Regular April Session.  
The Board convened at this time pursuant to call of the chairman. Present all members and the clerk.

In the Matter of Appropriation Made by the Board to T. F. Highway Commission for road work South of Kimberly.  
This meeting was provoked by a report from the Twin Falls Highway Commission, stating that the road work south of Kimberly had been completed and that the appropriation made by the Board at a regular meeting of October 14, 1921, was now due to said Highway Commission.

The Board, after taking the matter into consideration, find the above statement to be correct, and order, that upon the filing by said Highway Commission of abstract of expenditure in the sum of \$1500.00 in payment of appropriation on the road between Kimberley and Rock Creek.

In the Matter of Approving Surety Bond of Bank of Eggenston.  
In this matter, Surety Bond of the Bank of Eggenston, for the sum of \$5,000.00 was presented to the Board, and said bond being in the regular form, was duly approved and treasurer advised of said action.

There being no further business to come before the Board at this time, a recess was taken until June 20th, when the Board will convene as a Board of Equalization and the clerk instructed to post the customary notices of such meeting.  
W. W. PARISH, Chairman.  
Attest: C. C. SIGGINS, Clerk.

There seems to be nothing in Damascus they cannot turn into a sword of some kind. The accessories of Damascus are famous; they are really cunningly made. As the climate is hot, every form of plum, apricot, peach, melon, grape, strawberries and nut grows. These are soaked in sugar preparations, and when served they are most delicious. Put in this or better they last for four days; but when freshly made they are perfectly delicious, especially the walnuts. For packing, foam cushioned wooden boxes are used, equally stenciled in Arabic design, and these boxes of dried fruit are sent all over the world, but of course nothing is ever so good when it has been packed as it is when it is freshly made.

Money saving UNITED STORES stores

## ADVANTAGES

Everybody has to eat. Some buy freely, but many more are buying carefully, comparing quality in relation to price more than ever before. It pays to consider well the character and methods of the store that is to be favored with your patronage. It is well to bear in mind that our meats and groceries are all of good quality, that our "overhead" expenses are lower than other stores, that the combined buying power of our stores enables us to buy large amounts at a time and consequently at a lower price, and that we are content with a very small margin of profit. There is a decided advantage accruing to all regular customers of our stores.

## WILLARD NEEDS SOME TIME YET

Manager of Former Champ Declares Match Before October Impossible

LOS ANGELES, (AP)—Jess Willard, former heavyweight champion, will not be ready for a return match with Jack Dempsey, manager, before October 15, as was declared Thursday by Gene Doyle, who is looking after Willard's local interests, upon reading a Wichita Dispatch article stating that Willard's manager, Ray Archer, had announced that a Dempsey-Willard bout was practically assured before October 7.

Doyle said Willard also received a telegram from Archer, stating "the big thing" concerning the match had been practically agreed upon, but there were a few minor details to be settled before articles could be signed and a definite date set for them.

"Willard cannot get into condition for a bout with Dempsey Labor day," said Doyle. "That's only two months away. In fact, Willard is not intending to meet the present champion before October 15. He is satisfied his He does not care where the match is held as long as it is held. The location is up to Tex Rickard, the promoter."

### LOCAL ANAESTHESIA BOON TO MEDICAL PROFESSION

Pacific Northwest Medical Association Convention Delegates Hear Addresses

SPokane, (AP)—Declaring that it means the saving of many lives annually, Dr. L. J. Hirschman, professor of surgery at the Medical College of Washington and surgeon, addressed the afternoon session of the Pacific Northwest Medical Association convention here on Thursday on "The Present Status of Local Anesthesia in Proctology."

"The nerve blocking system," said Dr. Hirschman, "relieves the patient of the necessity of recovering from general anesthetics; it gives the surgeon the cooperation of the patient and the facility of a local anesthetic."

Dr. Robert H. Millwee of Dallas, Texas, addressed the convention Thursday evening on "Deep-Rooting Therapeutics."

Dr. J. H. Milroy of Seattle and Dr. Frederick E. Diemer of Portland, Oregon, Dr. F. E. Sampson of Creation, Iowa, also spoke before the evening session on "The Distribution and Delivery of Medical Service," following which a general discussion was opened by W. D. Read of Tacoma.

## JOHNNY DUNDEE BEATS SHARKEY

Forces Fighting From First Round and Easily Earns Decision

NEW YORK, (AP)—Johnny Dundee earned the judges' decision over Jack Sharkey in a four-round Thursday night. Dundee weighed 120 pounds and Sharkey 127.

Sharkey fought along with occasional rallies until the fourth round. Dundee did the leading after a cautious first round but at times found it difficult to reach Sharkey who often walked away with his back turned.

During several rounds, Sharkey did little except cover up and with both hands Dundee shattered him continually.

After landing often in the second and third, Dundee shot a left to the head in the opening of the fourth that sent Sharkey to his knees for a short count.

Sharkey came out of his shell for a brief rally in the fifth and took a knock out in the sixth. Then Dundee drew blood from a cut over Sharkey's left eye.

Sharkey's unwillingness to mix it with a show of boss from the crowd at the finish.

## DEMPSEY OFFER IS SUBSTANTIAL

Champion's Manager Has Opportunity to Match His Man for Labor Day Bout

CHICAGO, (AP)—Jack Kearns, manager for Jack Dempsey, heavyweight champion, announced Thursday he had received an offer of \$100,000 with a provision for 50 per cent of the gate receipts for a match between Dempsey and Clem, light heavyweight, at Pittsburgh, Labor day.

Kearns said he had not closed the contract with Floyd Fitzsimmons, the Chicago City, Ill., promoter, for Dempsey to meet Bill Brennan or some other heavyweight at Michigan City on Labor day. He added that the offer was being accepted, however.

"Dempsey and Fitzsimmons are personal friends and it has been understood that Dempsey was anxious to appear at Michigan City."

Greg, the Pittsburgh light heavyweight, has a referee's decision over Tom Gibbons to his credit and has previously fought Clem, light heavyweight, many of Dempsey's regular matches.

Dempsey, Kearns and Arvid Hayes, Dempsey's secretary, arrived here Thursday night from Wichita, Kan., where Dempsey will stage an exhibition.

## DEMPSEY IS WILLING TO GO

Champion Declares He Is Anxious for Chance at Willard or Anybody Else

WICHITA, Kansas, (AP)—"I am willing to fight on Wednesday night and at any place which can be agreed upon," Jack Dempsey, world's champion boxer, declared after a boxing exhibition here Thursday night. "I will take on any man in the world, of any color, who thinks he is capable of making the most interesting fight."

Ray Archer, of Kansas City, Willard's manager, Thursday announced that a bout to be staged within the next few days between Dempsey and his man virtually was assured. Archer talked over the proposed match with Jack Kearns, Dempsey's manager, and a representative of Tex Rickard, New York promoter, last night.

## WINS BIG FEATURE RACE

Nedda, Driven by H. Fleming, Carries Off First Money on Grand Circuit

NORTH RANDALL, CLEVELAND, (AP)—Trotting one of the greatest heat ever witnessed at the North Randall track, owned by the Hiltz family, Mansfield, N. Y., and driven by H. Fleming, won the trotting two-horse race for 2:05 trotters, the feature of the Grand Circuit meeting here Thursday. Several very close finishes marked the day's racing.

Getting away to a bad start in the first heat, Nedda generally out of it overtook her field, one of the fastest in training, and trotted the distance in 2:02 3/4, three seconds faster than the time for the best win. She trotted the last three-quarters in 1:20 1/2, the last half in 59 1/2, and the last quarter in 29 1/2 seconds.

The official time for the heat, 2:03 3/4, is taken from the first horse to start and the first to finish, while Nedda's time is that in which she negotiated the mile, after being length behind at the start.

Nedda got away in front in the second heat and held the lead all the way, withstanding the challenge of the field, which was well bunched from the start, and won it and the race easily. The time for the race was the fast one trotted this season.

# RAID ON BLUE LAKES BOULEVARD BREW AND SEND WOMAN TO JAIL

## Raid on Blue Lakes Boulevard Residence Results in Discov- ery of Six Bottles and Charg- es Against Young Matron

Mrs. Eva Raymond, who is, according to the police, the mother of two children and wife of a former service man under treatment at the public health service hospital at Boise, was Thursday afternoon committed to the county jail after police in a raid at her home on upper Blue Lakes boulevard discovered six bottles of what they said was home-brewed beer in a kitchen cupboard.

Mrs. Raymond was committed to jail by Kennedy Pashar, police magistrate, in his capacity as justice of the peace in default of \$100 bond to secure her appearance in court on charges of illegal possession of liquor prepared by Chief of Police George M. Eckhart, who conducted the raid in company with a special officer.

Through the office of Probation Officer John H. Aull, arrangements were made whereby a younger sister of Mrs. Raymond was to take care of the children during the mother's enforced absence.

## Cadman Praises Art of Stearns-Hellekson Trio Noted Composer Says Their Interpretation is One of the Best He Has Heard.

That a musical program of real worth is scheduled for Chautauqua when the Stearns-Hellekson Trio appears on the afternoon and evening of the second day, is shown from an interesting telegram from Charles Wakefield Cadman, noted composer, to Miss Ethel Stearns, manager of the company. "The advice I note in your program for your concert tour. I consider your interpretation one of the best I have heard so far. I wish you great success." It is a remarkable tribute when one considers the fact that Cadman has been practically all of the country's leading chamber music groups.

## FIRE SITUATION STILL SERIOUS

## Lack of Men to Fight Flames Results in Rapid Spread of Destruction

SEATTLE, (AP)—The forest fire situation in the Northwest continues on Tuesday.  
In Washington, one county, Grays Harbor, Thursday reported an improved situation, all fires in that region being under control. There were 15 fires in Stevens, Spokane and Ferry counties, several of them being beyond control. Only three of the seven fires in Stevens county are being fought, there being an men available to combat the others.

In Oregon, serious fires have spread into large timber at the crest of the coast range in Tillamook county and large forces of men were rushed into that section Thursday to fight the flames.  
In British Columbia, including the Vancouver Island districts, 2000 men are fighting fires. Prospect of rain Friday is the most hopeful factor in the situation there.

ASSERTS CLAIM TO CERTIFICATE FOR SOUTH LINE

Engineering Company Asks Interstate Commerce Commission to Cancel and Re-Issue Permit for New Road

Claim to the possession of a certificate of necessity and convenience issued Aug. 1, 1921, by the interstate commerce commission to the Idaho Central Railroad company for construction of a connecting line from Rogers, Idaho to Wells, Nevada, is asserted by the Idaho-Nevada-California engineering construction company, which Earl J. Ahern, Twin Falls, is president.

World Build Road. This claim is set forth in an affidavit submitted July 3 to the interstate commerce commission and made public here today. In this affidavit the engineering company prays that it may come forward at this time and present a prior claim to the possession of the certificate, and that it be granted the permission to revert to its original undertaking, that of financing the Idaho-Nevada and Tidewater railroad, and at the proper time present proof of the capacity to construct the railroad between Rogers, Idaho, and Wells, Nevada; and have the certificate now held by the Idaho Central Railroad company canceled and returned to said Idaho, Nevada and Tidewater railroad.

Claim Property Used. The engineering company bases its claim to possession of the certificate on grounds set forth in the affidavit that the late George E. Davis, who at the time of his tragic death was president of the Idaho Central company, was at the time of the organization of the engineering company, and prior thereto, vice president of the engineering company. Claim is made that Davis obtained the certificate for the Idaho Central company, and that his argumentative evidence of necessity of the tonnage statistics, maps, cost of operation, good will and bonus offer of \$500,000 by the Idaho Central company to the Northern Nevada, and the influence of said citizens, all of which were the exclusive results and property created by the engineering company in its five-year effort to construct a rail road from Rogers to Wells, and which neither Davis or the Idaho Central company had authority to give or either through purchase or violation by the engineering company.

Charges Neglect. The engineering company, the affidavit says, has deferred until this time taking legal action or in any way continuing the company's business in Idaho. In its financial correspondence because of difficulties confronting the enterprise and the intense desire of Idaho and Nevada citizens for the road.

Freight Issue to Fore. Possibility of co-operation by the Twin Falls Chamber of Commerce railroad bureau and the Idaho-Nevada-California engineering company in the presentation of arguments for revision of class and commodity freight rates between Idaho points before the interstate public utilities commission at Boise next month, will be considered at a meeting of members of the bureau with Leonard Wags, secretary of the traffic committee of the bureau, at 8:30 o'clock Friday evening at the chamber of commerce offices.

BRINGS SUIT ON LIEN AGAINST MILNER LANDS

Court Hears Opposing Claims Under Contract for Canal Construction

Suit instituted by John R. Butler against the Milner-Wellis Falls Land and Water company, to establish and foreclose a lien against lands, rights of way, canals, franchises and water rights by virtue of a contract for \$2,277,541, reached the stage in district court here Thursday where it remains open for the plaintiffs' attorneys to present their arguments before the court.

The controversy arises out of conflicting interpretations of a contract under which Butler performed certain labor in construction of the irrigation system. The defendant company claims that under the contract Butler was entitled to \$18,869.01, and that he has been paid \$17,075.57, leaving a balance due him in the sum of \$1,793.44. Witnesses in the trial of the case Thursday included E. W. Berg and J. C. Porterfield, as civil engineers.
