RELIQUA PUEZZED BY AMERICAN POLIOSES

BRUSSELS, Oct. 27 (AP)—The American attitude toward the question of international debts, which is termed here as "vaguos," is regarded in financial circles as an obstacle to the success of the conference unless, as some suggest, the United States simply wishes to leave the Anglo-American debt settlement undisturbed and later secure more favorable treatment to its other debtors.

He said that if any anti-klan law is passed by this "Klan" house, it will have been written at Atlanta, or other place which will have the approval of the grand dragon.

PARIS, Oct. 27 (AP)—The French government is awaiting the decision of the British cabinet on the proposed reparations commission, which is to be placed in the hands of a commission of experts under the supervision of the reparations commission. It is understood that Premier Poincare's acceptance of the British proposal was in pursuance of a verbal agreement reached when the British minister, Stanley Baldwin, was in Paris.

Talks War Debt

At the same time stress was laid by Mr. Hughes, in his reply to Lord Curzon, on the desire of the American government to deal in all fairness with the problem in arranging for the refunding of the loans due to the United States. In that connection, he said: "It may be added that the establishment of a sound condition of the serious reduction of military outlays and the reconstruction of a disposition of European peoples to accept the burden of the war debt, peace and justice will not fail to have their proper influence upon American thought and purpose in connection with such adjustments."

LINDSEY COMES TO DEFENSE OF BIRTH CONTROL

Denver's Far-Famed Juvenile Judge Announces Alternative in Case City Does Not Support New Law

DENVER, Oct. 27 (AP)—Ben B. Lindsey, judge of Denver's juvenile court, in a signed statement issued here to-night, announced that he will establish a birth control clinic in connection with his court if the city of Denver does not make an appropriation for the carrying out of the maternity law, passed by the last legislature.

Judge Lindsey appeared before the county grand jury this week and declined to give any information about physicians who have performed illegal operations, declaring he would not break the confidence of women and girls who had come to his court and told of their experiences.

His statement says in part: "In view of the lawlessness of the city, that is causing more illegal operations than any of the illegal operators, I wish to announce now that if it continues, I am going to establish a birth control clinic in connection with the domestic relations department of the juvenile court after the first of the year, for the proper instruction of married women in which is popularly known as birth control."

"All married women who do not want children, or who cannot care for them if they come, may in confidence come to this clinic for instruction."

Two physicians alleged to have performed illegal operations recently, were prosecuted by the city of Denver at a cost of approximately \$3000, enough to care for a dozen live babies. The physicians were found not guilty."

ENGLAND IS OPPOSED TO SEPARATIST MOVEMENT

LONDON, Oct. 27 (AP)—England will view with disapproval any attempt to set up an independent government by the followers of Joseph P. Mates, Rhineland separatist leader, in the Cologne area which is held by British forces. It was stated in authoritative circles today.

The British government feels that any such movement would not only be in contravention of the Versailles treaty, but would interfere with the present orderly and lawful conditions in the Cologne area for which the British army as an occupying force holds itself responsible.

NAVY MEN TESTIFY AT HEARING ON OIL LEASE

Secretary Denby Among Those on the Stand in Teapot Dome Inquiry; Defends Departmental Policies

WASHINGTON, Oct. 27 (AP)—Secretary Denby of the navy was recalled by the senate public lands committee today for further examination in connection with the Teapot Dome oil reserve lease to the Sinclair Oil interests. Other witnesses before the committee were naval officers summoned to give their views on the soundness of the policy of transferring the administration of the three naval reserves to the interior department.

Senator Walsh, democrat, Montana, read into the record several letters written by Captain John H. Haggan, Jr., who until recently was connected with the engineering experiment station at the Annapolis naval academy. These letters, addressed to the secretary of the navy, presented the opposition of Captain Haggan to the leasing of the reserves.

Secretary Denby told the committee he had not decided whether he would make reply to the criticism of Captain Haggan, but he said he wanted to enter emphatic denial of any intimation that the present policy of the navy department with regard to navy oil reserves would not result in more oil being made available for the navy than would have been recovered had the reserves been indefinitely drained by private wells upon adjacent lands. Investigations, he said, have definitely disclosed that draining had been more serious than originally suspected.

W. S. C. LOSES TO CALIFORNIA

Cougars Drop Game, 9 to 0; U. S. C. Beats Stanford; Harvard Is Defeated

PORTLAND, Ore., Oct. 27 (AP)—The University of California defeated Washington State college here today 8 to 0. A drop kick by Witter from the 20 yard line from the end of the first quarter and a blocked kick in the fourth, which fell on back of the Cougar goal line, was the extent of the scoring. California made its only drive in the fourth, but lost the ball on a fumble when within one-half yard of the goal line.

MINNESOTA TIED MADISON, Wis., Oct. 27 (AP)—Wisconsin was unable to overcome the stubborn defense of Minnesota and fought the North men to a 9-0 tie in a hard-played football game at Madison today. Neither team showed the dash that would have led to scoring.

HARVARD LOSES CAMBRIDGE, Mass., Oct. 27 (AP)—For the first time in 12 years and the third time in the history of football the Green of Dartmouth waved a triumph tonight over the Crimson of Harvard. A crowd of 35,000 today saw a powerful Dartmouth eleven crush the undefeated Harvard machine 16 to 0 in the stadium here. When the Green also smashed an attack with a versatility that bewildered the Harvard defense and sent the Dartmouth coach twice over the goal line for touchdowns in the first half. Just as the third period ended Harvard missed its first chance to score when Hammond's kick from the 22 yard line went wide again. On the fourth period opened, a 25 yard forward pass, Hammond to Hill, over the Dartmouth goal line was broken up.

NOTRE DAME WINS NOTRE DAME, Ind., Oct. 27 (AP)—The fighting Notre Dame eleven, conqueror of Army and Princeton, scored its third inter-sectional victory within three weeks today by defeating Georgia Tech, 35 to 7, before a crowd of 25,000 spectators. The Southerners fought a stiff uphill fight, but fell before sheer superiority and a superbly executed brand of football.

VANDALS HOLD OREGON TO TIE

Idaho's Line Holds Firm at Critical Moments and Neither Team is Able to Score

EUGENE, Ore., Oct. 27 (AP)—The University of Oregon and the University of Idaho battled to a scoreless tie here today. This is the third time these universities have fought to a tie. All other contests between them have been won by Oregon. It was a hard, grueling contest. Oregon nearly scored at the end of the first half, but was unable to get the ball across from Idaho's one-yard line.

Both teams resorted to aerial attacks, Oregon making a good share of her yardage in this way. Oregon made two nearly successful heart-breaking attempts to put the ball over, and each time reached the one-yard line, once near the close of the second period and again in the third. Each time the ball was lost on downs. The Lemon Yellow squad also reached the Idaho eight-yard line in the first but were held there. The Vandals threatened in the fourth when they reached the five-yard line, but Terjeson threw Davis for a seven-yard loss and an Idaho penalty brought the ball back out of the danger zone.

For Oregon the entire back field performed in great style. Bivens, the Vandal quarter, was the outstanding star for the visitors. He played brilliantly throughout the game and handled his team with machine-like precision.

Oregon played the entire game except the last two minutes without substitution. Idaho substituted three times.

CUBS SCHEDULE CONTEST

Junior High School Grid Team to Travel to Castledorf for Clash Against Newcomers in Game

The Cubs have another game. Tuesday afternoon they travel to Castledorf to meet the Grid team there. The junior high is coming right along, and all predictions are that they will return from the west end with the large end of the score.

Coch Anderson's team is a husky aggregation and for weight will compare with more than one high school team in this part of the state. Furthermore they play the "Swann" style of football and that seems to be the style this year.

Especially the same lineup will be used against Castledorf as defeated the Jerome seconds last week.

Castledorf has lost every game they have played this season and should prove to be a good match for the Cubs, unless the Cubs are able to convince them that they need bigger teams to conquer.

HARD WORK AHEAD FOR GAME WITH EAST HIGH

Reopening of School Seen as Advantage to Bruins in Preparation for Clash with Salt Lake Leopards

With school beginning next week the Bruins will have more of a chance to get ready for East High. Regular practice will be held every night at 6 o'clock and the squad will have a chance to rest after their labors of the past two weeks.

The line will probably come in for a lot of charging practice although they were charging a lot better last Thursday, they still can stand improvement.

The backfield will have a lot of work to do and will need to improve their defense for passes. All in all it looks like a hard week of practice for the whole squad.

Jenkins will not be able to take active part in the first few practices, but may be able to be in a suit the whole of the week. Jenkins gets around in good shape now but his ankle is still weak and he may not be able to participate in the East high game.

The line gained considerable strength and weight in the return of Franzello last week and he will be a big help in defeating the Leopards next Saturday.

RICHARDS STAR PLAYER

PROVO, Utah, Oct. 27 (AP)—In a thrilling game played here today the University of Utah defeated Brigham Young University, 19 to 0. Lee Richards, Utah's punting fullback, furnished the single thrill of the game when at the start of the third quarter he caught the kicking on his own 10-yard line and tore his way through the entire 49 yards of the Brigham Young defense.

DEBT PROPOSAL DRAWS INTEREST

(Continued from page one.)

Whatever specific form the expert commission plan may take, the majority of its duties held by the Washington government was clearly indicated by Mr. Hughes in his reply to Lord Curzon. In stating the American willingness to join officially in the international conference he used language which without doubt applies equally to the unofficial participation by American experts in the advisory commission alternative to the conference suggestion. He said:

"Such a conference should be advisory, not for the purpose of binding governments who would naturally be unwilling to pledge their acceptance in advance, but to assure appropriate recommendations by thoroughly informed and impartial body intent upon the solution of the difficult pending problems on their merits."

The time was nicely spent with games and refreshments were served. The guests were Janet Felt, Jean Seville, Esther Jaskyn, Ruth Reed, Betty Lou Peavoy, Jane Wright, Ruth Taylor Clara May Bowles, Margaret Magel, Margaret McCully, Lois Allen, Frances Murray, Irene Parrott, Mary Frisbe, Virginia Smith, Margaret Reynolds, Betty McClure, Margaret and Helen Smith and Marjorie Hayward.

The teachers and officers of the Episcopal Sunday school gave two lovely parties on Friday for the pupils of the school in the Parish hall. In the afternoon the children in the first two classes were guests, and in the evening the pupils of the more advanced classes were entertained. On both occasions games were enjoyed followed by delicious refreshments. The afternoon party was particularly attractive with Halloween devices, witches, black cats, pumpkins and other "spooks" being in evidence. The evening party was in the form of a masquerade.

The A. A. K. club met Friday afternoon with Mrs. L. C. Evans on Addison avenue. There was a short business session with Mrs. J. W. Young, president. The remainder of the afternoon was devoted to sewing and a general social time. The hostess served delicious refreshments at the close of the afternoon. Mrs. Isabel Lawrence, and Mrs. T. J. Douglis were guests, and ten members were in attendance.

The Business and Professional Women will celebrate with an old time Halloween party in their club rooms on Monday evening. Halloween decorations will be used in profusion and stunts and games appropriate to the season will add to the festivity. On Tuesday the regular luncheon will be served at the noon hour.

Mrs. W. H. Eldridge and Mrs. A. P. Colwell entertained at bridge Saturday afternoon in the Business Women's club rooms, which were handsomely decorated with pumpkins, corn stalks, black cats and other Halloween devices. Three prizes were given and were won by Mrs. T. A. Reed, first; Mrs. Wilbur Hill, second, and Mrs. Oliver Harstad, third. The daily refreshments served after the game carried out the Halloween idea. One hundred and eight invitations were issued.

The Blue Lakes Boulevard club met Friday afternoon at the home of Mrs. Ben Eldridge, with Mrs. J. W. Young in charge. An interesting program and business meeting was followed by a social hour, and refreshments were served by the hostess.

Mr. and Mrs. Wendell J. Allen and Mr. and Mrs. C. E. Wright were hosts at bridge Friday evening at the home of Mr. and Mrs. Allen on Eighth ave-

nue north. Prize for high score was won by Mr. and Mrs. R. P. Parry; second high by Mr. and Mrs. Dorman Johnson, and consolation by Mr. and Mrs. Kenneth Bena. At the conclusion of the card game a three-course luncheon was served and was followed by dancing until a late hour. The guests were Mesdames and Messrs. Lawrence Hedin, Orlan, Thomas, Kenneth Beach, R. P. Parry, Gled Miller, R. J. Lauterbach, Harry Benoit, Dorman Johnson, Morita Batley and P. H. Stowell; Truman O. Lord and Miss Mary Pringle.

Misses Zola and Irene Bowlsby entertained about 40 of their young friends on Saturday evening with a delightful Halloween party at the country home of their parents, Mr. and Mrs. Charles L. Bowlsby. The rooms were charming with the colors and emblems of the approaching Halloween season. The participants were arrayed in fancy costumes which added much to the gaiety of the evening. Dancing was the principal diversion, music being furnished by the Wault orchestra. At midnight a delicious supper was served.

Mrs. Geneva Lewis entertained the members of the Wednesday Bridge club Friday evening at her home on Eighth avenue north. Mrs. B. A. Hamilton and Mrs. Charles Buller were also guests. Bridge was played, prize for high score being won by Mrs. W. H. Greenhow, and low by Mrs. V. H. Ormsby. The rooms were decorated with yellow chrysanthemums. Refreshments were served after the games, and each guest received a dainty Halloween favor.

Mrs. W. M. Shettel was hostess to the Needlecraft club on Thursday afternoon at her home on Main avenue west. There was a brief business session after which the time was spent with conversation and needlework. The hostess served dainty refreshments before adjournment.

Mrs. A. E. Williams gave her son, Robert, a surprise party Saturday evening in honor of his ninth birthday. The delightful evening was spent with Halloween games and a fortune teller was present to add to the pleasure of the occasion. These present were Robert and Jimmie Ketchum, Rex Stevens, Louis and Kenneth David, Evelyn and Helen Neely, Ellen Jarvis, Irene Louer, Virginia Stanley, George Maxwell, Norris and Ellis Stettler, Mary and Janet Felt and Joyce Williams.

One of the gayest parties of the season was given Friday evening, by the Owasla campfire girls at the home of Elizabeth Lucas in the Reed apartment for the Boy Scouts. The entertainment room was elaborately decorated for the occasion with emblems of the season and brightly colored costumes of the boys and girls contributed to a pretty scene. The Screen

"THE COVERED WAGON"
"The Covered Wagon," greatest of all screen spectacles, begins an engagement for the winter at the Leaning theatre Monday and two performances will be given daily thereafter.

All theatrical history there has never been a motion picture that jumped into popularity so quickly as this epic of the Oregon Trail, adapted from the novel of the same name. The spectacle of the western pioneers on the march starts the pulses of every patriot; the westward trekking of the vast caravans of prairie schooners wending their way slowly over the short grass country through the mountain passes, fording dangerous rivers, and fleeing before the terrifying prairie fires is one not easily forgotten. Many notable characters from early history are seen upon the screen and the gallant and heroic conduct of these hardy and lion-hearted argonauts is depicted with a historical accuracy which cannot be faulted. The honor and take pride in these visionary pioneers who settled the great West.

While of unusual interest to the people of the Pacific Northwest, "The Covered Wagon" could not have won supremacy in the amusement field without the highest quality of entertainment. Love story, romance, spectacle, allegory, adventure, tragedy and comedy are a few of its scintillating facts. Of local interest is the announcement that the company will bring its own orchestra.

"HUMAN WRECKAGE"
"Human Wreckage" is the most important motion picture ever made, says the San Francisco Examiner. "It is fascinatingly dramatic." To which "Mrs. Reid has given the public something that is extremely powerful and unusually artistic. It is in a class by itself. . . a most original dramatic hit. It is an entertainment that should be remembered as long as the screen exists." Coming to the IlRaito next Monday.

WARNER IN "ZAZA"
H. B. Warner, film stage star, was specially engaged by Paramount to play the role of Bernard Dufreno opposite Gloria Swanson, star in Allan Dwan's production of "Zaza," which comes to the IlRaito theatre for four days, beginning tomorrow. Mr. Warner, who belongs to a famous English stage family, came to America in 1905 to be leading man

LITTLE ONES RETURN TO RE-ESTABLISHED HOMES

Probation Officer Tells of Instances Where Institution Has Provided Emergency Relief

Five children have been returned recently to their homes here from the Children's Home Finding society institution at Boise, according to statement Saturday of John R. Aull, county probation officer, referring to a brighter side of transactions involving commitment of little folks to the society's home.

The mother of two of the children was recently re-married and a home for the father returned after a long absence and re-established the home, one of the first acts being that of sending the three little ones for whom temporary refuge had been found in the society's home.

In another instance, the probation officer said, a family that had been broken up when the mother was stricken and required hospital treatment, was reunited last week when the father returned after a long absence and re-established the home, one of the first acts being that of sending the three little ones for whom temporary refuge had been found in the society's home.

with Eleanor Robson. His success was instantaneous and it was not long before he was starred in his own right. He gained his greatest popularity in "Alina Jimmy Valentino," which he played in New York and on tour for three years. Mr. Warner heads an excellent supporting cast. The story deals with the love romance of a famous French girl who is played by the actress in every respect and the situations are thrilling and appealing.

SCOUTS EXHIBIT THEIR PROGRESS IN FIELD TESTS

Rally and Field Day Center of Attraction for Twin Falls

Tests of skill and knowledge of scoutcraft as well as of athletic prowess figured in the several events of the Boy Scout rally and field day which brought scores of boys and a number of interested adults together Saturday afternoon on Lincoln field.

The scouts at their rally and field met with every class of the role of hosts to all Twin Falls residents as a Halloween campfire and frolic on Lincoln field next Wednesday evening.

Invitation extended by the scouts brought fully as many lads who are not members to the field as there were scouts participating. Attendance of scouts and their guests were limited considerably by reason of the fact that many of them still are at work in harvest fields and orchards.

Group 7 Takes Honors Scout troop 7 carried off first honors in six events and took second place in the other two events, in which troop No. 3 took premier position.

Unfavorable weather conditions prevented entrants from a climbing contest fulfilling their purpose of lowering the national scout record for the event.

Treat is Promised to Music Lovers

Famous Violinist and Wife Here for Concert, Appreciate Opportunity to Rest

Appreciation of an opportunity for rest, expressed by Axel Skogvarg, violinist, and his wife, Alice Skogvarg Skogvarg, pianist, on their arrival here Saturday to appear in concert Monday evening, under auspices of the Twentieth Century club for the benefit of the scholarship loan fund.

The program was a gay and joyous one, and the music was full of melody," said the critic. "Madam Skogvarg's fingers fairly flew over the keys and her head kept time to the music as she played the selections from the 'Salte Fantasia' by Nicolief and Wieniawski's 'Marinka de Concert'.

Madame Skogvarg's playing was especially pleased with Skogvarg's handling of his bow, and with the grace of his hands. While he played several numbers which particularly showed his splendid technique, he also played some of the more homely selections, negro spirituals and 'Way Down upon the Swannee River,' which particularly appealed.
