MEMBER AUDIT BUREAU OF CIRCULATIONS

FIFTEEN CENTS

MELLON FINDS BREWER CHARGE IS UNFOUNDED

Integrity of Public Debt Undisturbed, Secretary Says, by Allegations of Duplication of U. S. Bonds

WASHINGTON, Feb. 14 (AP)—Charges brought by Charles B. Brewer, department of justice attorney, of bond duplication in the bureau of engraving, were answered "once and for all" today by Secretary Mellon, who in a letter to the president asserted the accusations were unfounded and the integrity of the public debt undisturbed.

The letter to the chief executive was "a clear statement of facts," and the secretary said that any public uneasiness may be dissipated.

In making public the letter to Mr. Coolidge, the treasury secretary also announced that Major Wallace W. Kirby, of the army engineers, would take charge as acting director of the bureau immediately, relieving Louis A. Hill, the director named when President Harding ousted James L. Wilmoth and 27 other officials of the plant in 1922. Hill's resignation was tendered some weeks ago, upon announcement of the treasury decision to restore ousted members to their places, but acceptance was withheld until his successor could be selected.

Retains Commission

In making known the selection of the new acting director, Mr. Mellon made public a statement by the president, which explained that Major Kirby would retain his commission in the army and that when the bureau is put once more in good working order a permanent director will be appointed. Mellon's letter to the president dealing with the conditions in the bureau related to details of the investigation conducted by the treasury in running down each charge presented by Mr. Brewer. Most of these, the secretary said, concerned affairs of the bureau under previous administrations and related to the great war-time issue of federal securities. The treasury agents went back to check over these also, Mr. Mellon said, and advised that the treasury's record of guarding against fraud in the handling of securities "invites the fullest inspection."

He recalled that Secretary Houston expressed a similar view of charges made by J. W. McCarter, of South Dakota, in 1920, after an inquiry into bureau affairs.

Based on Misinformation

The charges then, as now, in Mr. Mellon's opinion were based largely on "misinformation and misunderstanding" and the secretary declared emphatically there was no evidence at any time to substantiate the charges of fraudulent issuance of bonds.

Mr. Mellon said the Brewer charges, in fact, related principally to the temporary issues of securities, nearly all of which were exchanged into permanent bonds as rapidly as conditions permitted. That exchange, in the secretary's opinion, provided a good check

"Lyd" Hutchinson's Love for Idaho Not Hurt by Trip East

Still Prefers Open Spaces of the West to Wide, Open Places of New York; Gets Team Ready for Derby

IDAHO FALLS, Idaho, Feb. 14 (AP)—"They asked me in the east if I preferred the wide open spaces of the west or the wide open places of the east, and I told them 'No, I love the west in everything'."

So spoke Lyd Hutchinson, famous driver of the American dog derby, when seen Wednesday morning on her way to Ashton, where she will contend for Canadian honors on behalf of the Montreal Sports committee. "If you were to ask me," said "Lyd," "what scared me the most and gave me the thrill that lasted longest, I would say it was when our train shot under the Hudson river, then like a flash we were switched onto a sub-train and then into an elevator."

"The east is all right for a short visit, but I prefer the west and dear old Idaho," she said.

"The dogs I am to drive are just like young calves and all savage to a degree. They are the ferocious Banff animals and are as strong as mules

(Continued on Page 4, Col. 4.)

WOMEN BANDITS TAKE FUR COATS AND CASH

Proprietor of Style Shop Remains in His Chair "Like a Nice Man" as Fair Robbers Get Away

NEW YORK, Feb. 14 (AP)—Emulating Brooklyn's Bobbied girl bandit, two armed women with clipped forelocks today robbed the proprietor of the Paris fur shop of \$375 and walked off with an expensive fur coat piece.

"Now, you sit right down in that chair like a nice man and remain quiet for at least ten minutes, for we want to make a clean getaway," the bandits are reported by Max Cooper, their victim, to have instructed him as they strolled away.

Cooper sat quietly—and when he finally mustered up enough courage to call the police, the pair was out of sight.

G. O. P. NOT TO ALTER DECISION

Party Has No Intention of Changing Convention City; Hotel Rates Big Problem

WASHINGTON, Feb. 14 (AP)—Returning today from a conference at Chicago with party leaders, John T. Adams, chairman of the republican national committee, disposed of reports that some dissatisfaction with local contracts for the national convention at Cleveland might cause the committee to reconsider its selection of that city.

No such move is in contemplation, Mr. Adams said, adding that the Cleveland convention arrangements were progressing most satisfactorily and that he and David W. Malvane of Kansas, chairman of the arrangements committee, were both satisfied with the hotel situation.

There have been some complaints, Chairman Adams explained, of some Cleveland hotel demands for six-day contracts for rooms, as many delegates believe the convention may last only three or four days. The hotel managers on the other hand have pointed out that they must clear their rooms for the entire convention week and should be accorded six contracts at no advance in rates in order to avoid losses.

The question has not been settled finally, Mr. Adams said, but he expressed confidence that the arrangements as worked out would meet with general satisfaction.

HOUSE STAYS DEBATE ON TAX REVISION BILL

Arguments Must End at 4 p. m. Monday; Partisan Speeches Provoke Exchanges; Insurgents Side with Democrats

WASHINGTON, Feb. 14 (AP)—The fight over the tax bill, centering on the revision of income taxes, today reached the floor of the house. General debate was begun on the measure, which substantially carries out the recommendations of Secretary Mellon, under an agreement for its termination at 4 p. m. Monday. Thereafter amendments will be in order, with the income tax section expected to be disposed of first.

Members of the ways and means committee, which framed the measure, occupied the floor today. After Chairman Green of Iowa, had explained the general provisions of the bill, Representatives Garner of Texas, ranking democrat on the committee, and Mills, republican, New York, whom Mr. Garner singled out as the "spokesman of the administration," opened the debate in partisan speeches provoking many personal exchanges.

Warns Democrats

Mr. Mills, who is a staunch advocate of the Mellon tax rates, said he expected that "about 20 or 30 men, elected as republicans" would join the democrats "when the critical sections of the bill" were reached and granted that the minority will then be the majority. He declared, however, that according to treasury estimates the democratic tax reduction plan would result in a loss in revenue of \$600,000,000 annually against an estimated surplus annually under the present system of \$320,000,000. He warned the democrats that they would be charged with responsibility, if their plan was accepted, for raising sufficient revenue to operate the government.

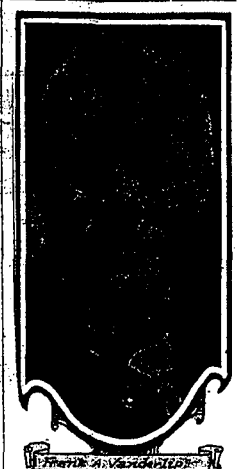

Criticism Coolidge Address

Representative Garner charged the public had never been given an opportunity to study the democratic tax reduction plan proposing lower normal income rates and higher surtaxes than the Mellon scheme because of "extensive propaganda for the Mellon plan." He also criticized the address of President Coolidge at New York Tuesday as "unprecedented and humiliating to members of congress" in its

(Continued on Page 4, Col. 4.)

Charge of Million Dollar Oil Slush Fund Enters Inquiry

VANDERLIP CALLED IN OIL CASE

FRANK A. VANDERLIP will testify before the senate oil investigation committee Friday as to his implications of irregularities in the sale of the Marion Star, the newspaper formerly owned by the late President Harding. Mr. Vanderlip was to have been heard Thursday but the committee's crowded program prevented his appearance.

COOLIDGE WINS PLEDGE OF DAKOTA REPUBLICANS

BISMARCK, N. D., Feb. 14 (AP)—"Unbounded faith" in President Coolidge was expressed in resolutions adopted at the republican state convention here today.

Referring further to President Coolidge, the resolution said: "We have confidence in his integrity to bring to justice those public officials of whatever party who, investigation may disclose, have prostituted their office to private gain and thus betrayed the confidence reposed in them."

Claim Men in High Places Were to Share in Big Sum

Prominent Persons Summoned to Assist Committee in Sifting Latest Rumor in Lease Shake-up; Vanderlip Unable to Testify; Chicagoan Tells of Fortune Paid to Fall

WASHINGTON, Feb. 14 (AP)—Out of another day of lightning developments in the oil scandal there emerged tonight a definite determination by the investigation committee to go to the bottom of a rumor that a \$1,000,000 oil slush fund had been deposited in Washington for distribution among men in high places.

Edward B. McLean, publisher of the Washington Post, was summoned for questioning regarding the slush fund report and committee members said Otto H. Kuhn, of Kuhn, Loeb and Company, and Benjamin F. Yonkman, retired president of a western railroad, would be called later.

PEACE FOLLOWS ILLINOIS FEUD

Faction Rule in Bloody Williamson County Giving Way to Law Enforcement

HERMISTON, Ill., Feb. 14 (AP)—All troops in Williamson county with the exception of one battalion of the 130th regiment under command of Colonel A. L. Culbertson have been ordered to leave the county tomorrow morning. The order was issued by Major General Milton J. Foreman at 8 o'clock tonight.

Blind and iron rule of factionalism in Williamson county is waning again in the face of an increased assurance that civil authorities, backed by the support of the substantial, unprejudiced elements of the community can control the situation.

Here in the "hot" of the county government, leaders are preparing the way for the displacement of factional strife between the Ku Klux Klan and anti-klan groups by nonpartisan, neutral control of affairs. In this move military authorities are lending their aid.

Business men, professional men, bankers, farmers, mine workers and officials, unaffiliated with the two warring factions of the county, today through a committee declared that unchecked rule of illegal forces must be supplanted by the return of regularly constituted civil control.

In a statement they said late today that they mean by this that "the illegal resort shall not return, that a clean, open and above board enforcement of laws shall be executed by the means and through the channels provided by the laws of the land and not by unauthorized persons who assumed to take it upon themselves to carry out their personal grievances in their own manner and by no authority except authority of force and numbers."

The Williamson county board meets tomorrow to consider the question of law enforcement and means to reestablish a strong civil government. All admit that the county has been without a regular civil government since the outbreak of last Friday when a klansman was killed and a member of the other faction was wounded.

CLAIM REBELS LOSE 300

MEXICO CITY, Feb. 14 (AP)—Further details of the engagement at Palo Verde show that it lasted eight hours, the rebels losing about 300 dead and a large number of prisoners, while the federal losses were 40 dead and 109 wounded. General Gonzalo Escobar discovered by scouting that the rebels were at that point, commanded only by Enrique Estrada, Escobar having taken another road to reach Ocotlán.

HEARST'S BID FOR ARMY JOB IS TURNED DOWN

WASHINGTON, Feb. 14 (AP)—The war department has rejected, because of the age limit, an application from William B. Hearst for a lieutenant colonel's commission in the military intelligence branch of the officers reserve corps.

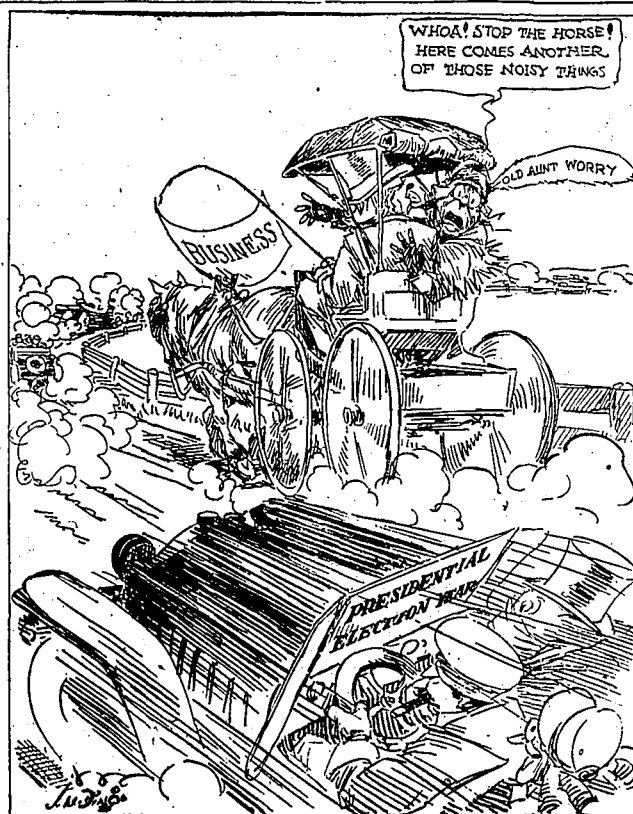

"SPECIALIST" ARRESTED.

SAN FRANCISCO, Feb. 14 (AP)—Francis Eugene Glavin, known locally as a government specialist, was under arrest here tonight on a charge of practicing medicine without a license.

PRICE RANGE ON GRAIN FIGURES IN COURT CASE

Harvester Company Counsel Outlines Declines in 1921; Government Reopens Dissolution Action

CHICAGO, Feb. 14 (AP)—While the price of wheat at a Minnesota point in 1921 dropped 65-75 per cent below the 1919 figure the price of oats dropped 83-1-3 per cent and that of corn 83-1-2 per cent, according to testimony introduced by counsel for the International Harvester company at federal hearings which were resumed today.

The government has reopened an investigation to show whether the agreement of the dissolution of the company has had the desired effect. The respondent sought to show that reductions in the prices of its agricultural implements were not in danger of competition, but made necessary by agricultural market conditions.

The figures for farm products in 1919 and 1920 were given by L. W. Campbell of Montevideo, Minn., who said he had got them from stock buyers and from the local elevator company at Montevideo. His figures showed a decrease for flax of 60 per cent, for cattle of 60-3-8 per cent and for hogs of 60 per cent.

Object to Testimony
Counsel for the government objected to the introduction of subsequent testimony by H. B. Beal of Columbus, Ohio, relative to agricultural depression since the fall of 1920, contending that the matter was not disputed by the government. Counsel for the company retorted that the government had not admitted it until the company had introduced a number of witnesses to prove it.

Allege Combine
Counsel for the government devoted cross-examination chiefly to an attempt to show that the harvester lines dominated the market. This point counsel for the corporation sought to disprove.

J. Godfrey, of Waupaca, Wis., implement dealer, said that his sales business had fallen about half. He said there was an increase, however, in the sale of tractors, in which the International Harvester company had stiff competition from a Detroit manufacturer.

Navy Men to Prepare for Dirigible Trip to Northern Region
Advance Party to Over Part of Arctic Air Journey as Preliminary Test

SEATTLE, Feb. 14 (AP)—A party of officers and men of the United States navy arrived here today enroute to Alaska to prepare for the flight of the dirigible Shenandoah over polar regions next summer.

The advance party will leave Saturday for Nenana or Fairbanks, in the interior of Alaska. From Nenana, its chief, Lieutenant B. H. Wyatt, accompanied by two men, will fly by airplane to Nome, several hundred miles. This flight will be under severe conditions as the temperature is expected to be 40 degrees below zero.

Others of the party are to maul with dog teams from Nenana, or Fairbanks, 700 miles and should arrive at the end of March. Wyatt's party will establish a weather forecasting station at Nome, select a site for a 160-foot mooring mast, and do other things in preparation for the flight of the Shenandoah.

The Expert Knockor.
"An expert knockor," said Uncle Eben, "is symphonious in a way that simply calls attention to the fact that somebody is in hard luck and it serves him right."

Astounding Prevalence

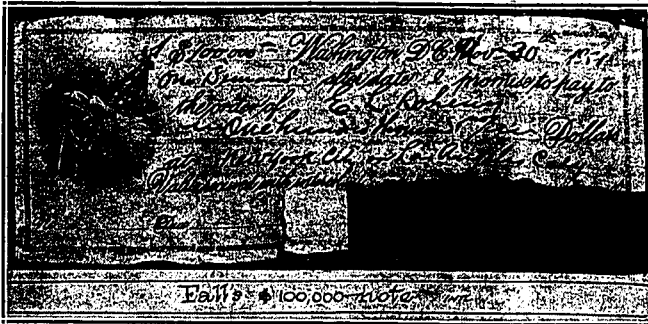

IT IS appalling to realize that probably 70% of the adult population suffers with Piles or some other form of Colon trouble.

Yes, I GUARANTEE to cure any case of Piles by my non-surgical method or refund the money.

On or about March first my skilled operations of rectal operations will be resumed in my own way building at 8th & Main. I am personally supervised by the Court House, Portland, Oregon. Send today for my FREE illustrated book.

Fall's Mutilated Note to Doheny

This is the mutilated note for \$100,000 which E. L. Doheny, multi-millionaire oil magnate, produced before a senatorial investigating committee as the one given him by Albert B. Fall, ex-secretary of the interior. The signature was torn off, Doheny swore, so that in the event of his death his executors would not give Fall trouble in paying it. Doheny failed to produce the signature.

LABOR POLICY IS ACCEPTED

English Government Criticised in House; MacDonald Wins Many Points

LONDON, Feb. 14 (AP)—The government in the house of commons today was subjected to a rapid fire of criticism and questions in every conceivable subject, most of which the ministers were inclined to parry. But when debate concluded tonight no decision had been taken. Thus Premier MacDonald's declaration of policy was accepted without challenge.

The prime minister made two important statements, the first with respect to national defense when he declared emphatically that he wished to avoid any policy calculated to increase armaments and that the government was inquiring into the whole problem of the object of preventing the growth of war conditions, and, second, that as the country had rejected the idea of a capital levy, it could not be enacted in the present parliament.

With regard to Russia, the prime minister reiterated that the government had been assured that Russia, far from trying to repudiate her obligations, was anxious now to meet the wishes of the British government in all outstanding questions, and further concerning the suggestions that Italy had got the advantage of England in this respect. Mr. MacDonald thought it not indelicate to express the belief that the British government would get the same terms, or terms of equivalent

value to those of any other power recognizing the soviet government.

The prime minister repeated and enlarged on his well known views aiming at improved foreign relations as a means of enabling economy in the cost of defensive service but not to the extent of endangering the nation's safety.

The chancellor of the exchequer, Philip Snowden, stated that the committee on inquiry on the national debt would probably be confined to nine or ten men, but none of them members of

parliament. Premier MacDonald, in the course of his speech, contended that some reduction of the burden of the national debt was inevitable if the nation was again to be in a position to compete in the world markets.

THE GUMPS—THE WELL POISONER

Civil Service Commission is Called upon to Answer Scores of Amusing Letters

Inquiries Concern Everything from Bonus to Lost Merchandise; One Man Wanted to Get Buffalo Nickel

WASHINGTON, Feb. 14.—The federal civil service commission is supposed to be omniscient. It receives inquiries from all parts of the country concerning matters not at all related to its work.

The latest is a request for information as to the "names of all the important advertising firms in the United States."

The commission informed the inquirer, a woman in the middle west, that if she intended to ask for a list of all the important firms in the United States that advertise, and if by "firms" she meant mercantile establishments, it may be said that every important firm in the United States advises; that if it did not advertise it promptly would not be important. She was also told how she could obtain a list of advertising agencies.

Wanted a Nickel. When the buffalo nickel was first circulated, a letter came to the office of the commission asking for the names of the members of the supreme court of the United States, "and will you please send me one of the new buffalo nickel?" The names of the supreme court members, of course, were given to the inquirer, and she was informed that she could obtain one of the nickels at her bank.

"If you cannot assist me to a government position, please hand this letter to some kind, righteous, wealthy maid or widow who is matrimonially inclined and who would marry an honest, poor man who has brains and character," wrote an applicant for examination. In this instance the commission admits that it failed miserably.

From way down south came an inquiry concerning a matter that is very much in the public prints at this time. The writer of the letter said: "I am writing for some information concerning of this bone or money. I would be glad to find out about it. This is my real No."

"Where is the national museum?" "In what internal revenue district is Providence?" "Can you tell me the congressional district that includes my

home town?" "In what government office in Washington is Mary Jones from Smithville, Illinois, working?" These are some of the questions which bombard the Information Bureau of the commission every day.

Virginia Man Complains. A man in Virginia wrote, stating that he had sent money to a certain advertiser for the purchase of his goods, but that after several months of correspondence he had been unable to secure the goods. The commission referred the letter to the national vigilance committee of the Associated Advertising Clubs of the World, which committee informed the commission, in due time that the complainant, through the effort of the committee, had received the goods and had reported them as being satisfactory. The Civil Service commission impresses upon its employees that the taxpayers of the country are their employers and that they are expected to serve them to the limit of their ability.

LONGWORTH WANTS DEBATES CONTINUED AT NIGHT

WASHINGTON, Feb. 14 (AP).—Representative Longworth, the republican leader, has announced a determination to resort to a "gas light" or night schedule if debate which lately has been covering about every subject under the sun continues to delay votes on important measures.

Is a Gland Operation Necessary?

By a new discovery the life giving gland substance which is sometimes administered by expensive operations may now be supplied in tablet form. This treatment is highly recommended by European and American scientists, who have proved that the internal administration of gland extracts has a very marked effect upon the corresponding glands of the human body, often rebuilding them to normal activity.

Such a treatment is now offered to the public in the form of Glandogen, a highly concentrated glandular tonic, in convenient tablet form, prepared from the glands of healthy young animals and compounded with other valuable ingredients. Glandogen is obtainable at Schramm-Johnson Drug company, adv.

SPLENDID PROGRESS IS INDICATED BY STATEMENT

Record of Montana Life Since Its Incorporation a Few Years Ago Shows Rapid and Steady Growth

A real romance of business lies behind the abstract of the annual statement for 1923 of the Montana Life Insurance company of Helena in which a number of local citizens are substantial stockholders and many are policyholders.

Twelve years ago Harry R. Cunningham resigned the position of commissioner of insurance of Montana to become manager of the year-old company. It had at that time a capital and surplus of half a million dollars and its insurance in force consisted of policies written almost exclusively on the lives of its stockholders, approximately \$2,500,000. Its quarters consisted of three rooms and its personnel of two and four clerks.

December 31, 1923, its admitted assets totaled more than five and a quarter million dollars, of which a million consists of surplus to policyholders. In the intervening 12 years it has become one of the strongest financial institutions of its kind, for its size and age, in the United States. In the ratio of policyholders' surplus to insurance in force, it is one of the leading life insurance companies of the country.

In its home office at Helena it has 57 employees and now may it will move into a large and thoroughly modern three-story business structure of its own. Its field has steadily grown and it is now writing insurance in 12 states. At the close of 1923 it had more than \$35,250,000 in force.

Notwithstanding a world-wide upheaval occasioned by war and the subsequent depression, aggravated in the principal territory where the company then did business by unprecedented drought and ensuing unfavorable business conditions, under the supervision of Mr. Cunningham the Montana Life has made progress conservative, but so substantial that it is rated as one of the strongest companies of its kind, in proportion to volume of business, that is found in the United States.

The company's loan department has made several large loans on the Twin Falls tract and through the supervision of their general agent, S. W. Davidson, have many satisfied policyholders.

Pleasant View ladies will have a cooked food sale Saturday at Closter, adv.

LOAN BOARD IS IN FAVOR OF FARM MARKETING PLAN

Diversification of Crops Also Urged by Federal Farm Body; Statement Shows Work of U. S. Land Banks

WASHINGTON, Feb. 14 (AP).—A detailed statement of governmental aid to the farming industry through the federal land banks and the intermediate credit banks during 1923, was given congress today by the federal farm loan board in its annual report on operations.

The board said it hoped especially for greater use of co-operative organizations in order that facilities of the credit banks might be employed to a larger extent. Wheat and wool producers thus far have failed to organize extensively and the board has sent emissaries among them to encourage co-operative associations. It was expressed that the wool co-operatives would be prepared to take care of the 1924 clip.

The report also discussed efforts being made by the board through its various subsidiaries to encourage crop diversification. In the areas where the one crop method has long been in practice land and credit bank officials have suggested resort to use of the dairy herd as a certain income producer and production of less important commodities.

Satisfaction was expressed with the operation of the 12 land banks during the year. They made a total of 60,100 loans amounting to \$192,083,000, divided in number and amount in each district as follows:

Springfield, 2413, and \$8,179,440; Baltimore, 4401, and \$19,046,601; Catlin, 3955, and \$7,882,224; Louisville, 6053, and \$19,329,600; New Orleans, 10,152, and \$21,938,000; St. Louis, 3429, and \$9,242,800; St. Paul, 6511, and \$27,373,000; Omaha, 3808, and \$23,632,300;

CUTS-SORES
Cleanse thoroughly—then, without rubbing apply
VICKS
VAPORUB
Over 17 Million Jars Used Yearly

Wichita, 4791, and \$17,045,200; Houston, 8103, and \$22,239,100; Berkeley, 2150, and \$7,730,600; Spokane, 4331, and \$15,422,650.

During the year the 12 land banks also retired treasury stock to the amount of \$1,830,485. Treasury stock in the banks at Omaha, St. Paul, Houston and Spokane, was entirely paid off and these banks had remaining substantial surpluses, indicating, it was said, that the business had been soundly administered and that the banks are now permanent institutions and assets to the national life.

Similar conclusions were reached as to prospects for the credit banks which began actual loaning operations less than a year ago.

HAZELTON

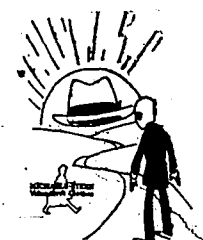

HAZELTON.—The 15-month-old baby of Mr. and Mrs. Elmer Harding died last Saturday after an illness of about ten days. Funeral services were held in Hazelton Sunday morning and interment was made in the Filer cemetery.

Miss Marian Leahy left for Puente Saturday to enter the Donatello general hospital for nurses training. Little Geneva Lockridge, daughter of Mr. and Mrs. Morgan Lockridge, is nursing a stage of the mumps. Mrs. Harper of Seattle, arrived Tuesday to visit her sister, Mrs. Roy Baker, and her mother, Mrs. Maxwell. Mrs. Maxwell, who has been sick for the past week is much improved.

Mrs. H. Thorton has been on the sick list the past week.

Mrs. Clara Price is confined to her bed at present with a bad case of influenza.

Miss Betty Buckley is reported to have been on the sick list the past few days.

BOISE LOSES FIRSTSTONE TO EVANS' SQUAD

Local Hoopsters Battle Their Way to 36-34 Victory Over Braves in Furious Cage Contest Here

Battling to wipe out a double defeat at the hands of the Boise high school basketball squad two weeks ago, the local hoop team took their first game of a two-game series last evening in a thrilling contest by a 34-30 score.

Both teams were evenly matched and played a wonderful game before a comfortable crowd of fans which was kept in an uproar for the most of the game by the spectacularly brilliant playing of both teams.

Boise took the lead on the tipoff and maintained it consistently throughout the first half which ended in favor of Boise with a 21-19 score. The first part of the half was close, with Boise leading for the most part, until Cole, center for the locals, tied the score and Navin put the Twin Falls team ahead.

Boyer, stellar Brave forward, soon scored the only basket, however, with three field goals in quick succession, but put Boise once more in the lead. Jenkins with a whirlwind display, soon managed to even the count up again before the end of the half with two baskets, and Silverthorne made the count read 21-19 in Boise's favor as the half ended.

Second Half.

The second half started out with Robinson, Boise guard, looping a long shot from the center of the floor and the Twin Falls squad halting for a conference. Coach Evans' sending Cron, last year's captain, who has been ineligible for the past month, and but recently reinstated. Boise's captain, Navin. The stands roared when the red-headed forward took his place. With perfect teamwork between Cron, and Cole the Magic City five soon scored and made the count 23-22, when Robinson, Boise guard, looping a long shot from the center of the floor, made a field goal. Boise's captain, Navin, and a short conference was held after which the Capital city quintet scored seven points in quick succession making the score read 30-24. Swin fouled Robinson and was replaced by Navin. It was then that Boise started that was at length broken up when Cole broke through and scored. The count was even for a few moments until Robinson fouled for the fourth time and was replaced by Allenbaugh.

Boyer Makes Long Shot.

Boyer made the sensational play of the game at this point when he looped a basket from two-thirds the length of the floor, making the count 32-24. Twin Falls gradually overcame the lead until the score stood 34-33 and then with a few moments to go both teams set a killing pace, playing the fastest basketball that has been witnessed for the season in the Twin Falls gym.

Thum, blue and white guard, whirled through the Boise defense attempting a long shot from the center of the floor. A perfect follow up play by Jenkins, stellar forward for the locals, set the rotors howling and gave Twin Falls a one-point lead, which was increased a point a second later when Cron converted a free throw. With a minute left to go the teams battled fiercely, Twin Falls stalling for time and Boise keeping the ball under their own basket for the most part with Navin finally settling the matter by a wild throw to the Twin Falls end of the floor, which saved the blue and white from having the score tied.

Huddleston, referee of the game, and T. Robinson of Boise, and Swin of Twin Falls, were both removed on personal fouls. Boise had 12 fouls called and Twin Falls nine. Cole, Twin Falls captain, was the high scorer for the game with seven field goals and two free throws. He was closely followed by Boyer of the visiting quintet, who had six field goals in his credit.

RED CROSS GAINS.

WASHINGTON, Feb. 14 (AP)—With an estimated net gain in national membership of 62,348, enrollment in the American Red Cross was brought up to the highest figure, since the close of the war during the seventh annual roll call last fall.

TIMES UPSETS SHEIK SQUAD

Printers Take Their Customary Two Out of Three from the Shoe Market

Comparatively good scores featured the wind-up of the week on the bowling alleys Thursday night when the Times quintet came up to expectations with a two and one defeat over the Shoe Market Shikhs in their regular three-game series.

The games were the same old story of the winner taking the first game, the loser coming back strong in the second and copping that while, the winners live up to their name in the final engagement and win the series. The totals were 2476-2391 in the print shop's favor.

High man for the evening was Buchanan, who topped the mighty Larson by 19 pins, his score being 567 to the latter's count of 548. Five men got above the 500 mark and Chix King bowled decidedly out of form and managed to get a 389 score and was promptly awarded the crocheted towel by those present.

bowed, decidedly out of form, and was

JACKSON IS IN JAIL; JUDGE SAYS HE LIED

Former Outfielder for Chicago Americans Ordered to Cell in Connection with His Former Testimony

MILWAUKEE, Feb. 14 (AP)—Joe Jackson, former outfielder of the Chicago club of the American league, and plaintiff in a suit for \$10,000 for alleged breach of contract, was placed under arrest by order of Judge John J. Gregory, in circuit court here shortly after 6 p. m. today.

Judge Gregory's action was taken shortly after the jury which had heard the testimony in the suit retired to consider the evidence. The bailiff had just turned the key in the door of the jury room when the court rapped for order and asked Jackson to come to the witness stand.

"Mr. Jackson," the court said, "you are guilty of perjury, rank perjury, and I order you placed under arrest and fix your bail at \$5,000."

"Sheriff," he said, turning to a deputy, "escort this man to jail."

Two deputy sheriffs took Jackson from the witness stand, but before he left, the court-room Judge Gregory called the court to order again and explained his action.

"I commit Jackson to jail for perjury in this court in connection with the testimony he gave under oath before the Chicago grand jury. When the jury reports I shall have something more to say in connection with this case."

Jackson's arrest is the second on a perjury charge since the hearing of the case against the White Sox club began. Oscar (Happy) Felsch, a former team-mate of Jackson and a witness for the plaintiff, was arrested following his testimony he gave before Judge Gregory, and is at liberty under \$2,000 cash bail.

Immediately following his arrest Jackson refused to discuss the matter and was arranging with his attorney, Ray Cannon, for bail.

HOPPE LOSES TO SCHAEFER

World's Billiard Champion Meets Defeat at Hands of Californian in Exhibition Match

NEW YORK, Feb. 14 (AP)—Jake Schaefer of Los Angeles, here tonight defeated William F. Hoppe, world's 18.2 ball cue billiard champion, in the last halck of an exhibition match of 2000 points played in two daily blocks of 400 points each. The final score was 3,200 to 3,103. Schaefer's high runs were 232 and 200 Hoppe's 286 and 181. Schaefer's average was 35 50-90; Hoppe's 34 9-91.

SPED SKATERS WIN

SARASOTA, Fla., Feb. 14 (AP)—Alfred Nukhar of Sarasota Springs won the 220-yard and Paul Foreman of New York the one-mile event in the opening here today of the national amateur speed skating championships. The ice of Pontiac rink was in ideal condition, and the zero weather and lack of wind combined to aid fast work. The races will be continued Friday and Saturday as a feature of the midwinter carnival.

FISHER TO COACH HARVARD

CAMBRIDGE, Mass., Feb. 14 (AP)—Appointment of Robert T. Fisher as head football coach at Harvard was authorized tonight by the Harvard athletic committee. The committee acted on the unanimous recommendation of the graduate football advisory committee of which Percy D. Haughton, head coach at Columbia, is a member.

BROTHERS DIE IN DUEL

WHITESBURG, Ky., Feb. 14 (AP)—Bob Bates, 32, and Sam Bates, Jr., 17, brothers, sons of the late Bob Bates, of Rockhouse creek, met on a lonely path on Troublesome creek on the Letcher county border today and fought a duel. Both are dead.

WOMAN GETS EVEN WITH DENTIST FOR TREATMENT

PORTLAND, Ore., Feb. 14 (AP)—Mrs. Elizabeth Raschke told a jury in the circuit court today that when she confessed to Dr. A. D. Stephano, a dentist, that she had not the money wherewith to pay for bridge work which he had just installed for her the dentist threw her on the floor and forcibly bore her out the door. The jury awarded her \$4000 damages.

HOUSE STARTS DEBATE ON TAX REVISION

(Continued from Page One)

appeal for the public "to let congress know its wishes on tax reduction."

The debate attracted a large attendance on the floor and the galleries were filled as the bill, providing for a complete revision of the income taxes, was taken up after two months consideration in committee. Applause was frequent on the floor as speakers gave home their points.

Insurgents Swing.

The solid democratic opposition to the income rates action of the bill, brought about a party caucus vote, was joined today by some of the members of the republican insurgent group, leaders of which announced after a meeting, that they would support the proposal of Representative Frear, republican, Wisconsin, and if this bill fails, vote for the democratic plan.

Mr. Frear will submit an amendment to cut the normal income taxes 50 per cent and lower the surtax maximum 50 per cent. Democrats want the maximum surtax cut to 44 per cent, whereas the Mellon plan provides for a maximum rate of 25 per cent.

Despite the stand of the democrats, Representative Bogg, republican, Ohio, who has conducted a poll of the republican delegates, predicted to take up the bill that the republicans would agree upon a surtax rate lower than that proposed by the minority.

Want Action.

Mr. Garner announced democrats were anxious to expedite passage of the bill and Chairman Green said an agreement would be sought to take up the bill on Tuesday the income rates section, the vital point of the measure.

Representative Longworth, republican floor leader, predicted the measure would be passed within two weeks if the proposed course of procedure was followed. The majority leader also predicted that a poll of the republican delegations had shown that 208 members would approve of a surtax of 35 per cent or ten less than a majority if the 435 members of the house voted.

CHARGE OF \$1,000,000 SLUSH FUND MADE

(Continued from page one)

Daugherty had given an "informal and verbal" opinion upholding the leasing policy, was put into the committee record.

As a result the committee authorized a search of the files of the department of justice. Mr. Daugherty has said he never gave an opinion on the subject.

Oscar Suro, general counsel for the Standard Oil Company of California, testified that he had given his company a formal written opinion against the legality of the proposal, afterwards translated into contracts with the Daugherty interest, to exchange land for oil at Pearl Harbor, Hawaii.

It was disclosed that this opinion had been transmitted to the interior department.

LYD HUTCHINSON STILL FAVORS HOME STATE

FAIR WEATHER FACTOR IN ROAD MEN'S PLANS

Resident Engineer for State Highway Department Says Work West of Filer Awaits One More Sunny Day

Workmen in the employ of the state highway department will be put to work Saturday making passable the mud spot in the state highway west of Filer, provided fair weather continues throughout today, it was stated Thursday evening by S. Watkins, resident engineer.

Effort will be directed first toward shaping up the road by use of a "blake." Mr. Watkins said. He indicated that the state road builders early next spring probably will spread gravel over this portion of the road which extends from the end of the pavement west of Filer to the gravel road in the Buhl highway district, a distance of about two miles.

As a result of striking temperatures and heavy snow, the motor vehicle traffic over this portion of the road has been practically impossible and men with teams in the employ of the state highway department have been stationed there to assist automobile travelers through. Since this portion of the road became impassable, the motor stage operating between Twin Falls and Buhl has moved its terminal to Buhl.

MELLON FINDS BREWER CHARGE UNFOUNDED

(Continued from page one)

upon the integrity of the issue of the temporary bonds and "it furnished a conclusive answer to the charges of duplication." There are now only about \$37,000,000 in temporary bonds still outstanding out of a total of more than fifteen billions issued, the secretary asserted.

Liberty bonds Permanent

"In other words," the letter said, "the Liberty bonds now in the hands of the public are practically permanent bonds, which are not in any way affected by the changes so far that there is no occasion for any public uneasiness in this regard."

Beyond all this, Mr. Mellon asserted there have been periodical audits of paper stocks held by the bureau and on which the securities are printed. These audits, he explained, have covered the entire period since the beginning of the war and no discrepancies that would naturally be expected in transactions involving several hundred million pieces of paper."

What is useless to you may be valuable to others. Advertise it in the classified column.

NEW LAMP BURNS 94% AIR

Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise — no "sooting up," is simple, clean, safe. Burns 94% air and 6% common kerosene (coal oil).

The inventor, W. K. Johnson, 101 North Union Ave., Portland, Ore., is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him a prominent moving picture company, today for full particulars. Also ask him to explain how you can get the agency and, without experience or money, make \$250 to \$500 per month.

WANT BAKERS' PROFIT SHOWN

Excessive Costs on Bread Alleged in Report Submitted to La Follette

WASHINGTON, Feb. 14 (AP)—Recommendation that the senate adopt a resolution directing the secretary of the treasury to report the profits of all baking and milling companies as disclosed by their tax returns from 1918 to the present time, is made in a report submitted today by Basil M. Manly, director of the People's Legislative service, to Senator La Follette of Wisconsin, chairman of the organization.

The report, said to have been submitted also to "other progressive senators and representatives," as outlined in a letter from Mr. Manly to Senator La Follette, charged that as a result of outrageous profiteering the American people are paying more than a million dollars a day too much for their bread.

The report also recommended that there be a "thorough and searching investigation by the appropriate senate committee of the tribute levied by wheat speculators, grain elevators, railroads, millers, jobbers, bakers and retailers from the time the wheat leaves the farm until it reaches the dinner table in the form of bread."

Whereas, the price of wheat on the farm, the report said, had declined to 93 cents a bushel last September, or 55 per cent since 1917, the average retail price of bread of 8.7 cents a pound represented a decline of only 5.4 per cent, the "deflation of wheat being ten times as great" as the deflation of bread.

Labor cost figures were cited to show that high wages were not responsible for the present level of bread prices.

Asserting that as a result of present prices the average per capita consumption of bread in the United States is 44 loaves a year less than it was during pre-war years, the report declared this contributed seriously to farm bankruptcy by reducing wheat consumption.

While the large flour-milling corporations were said to claim their profits were reduced because the "baking combinations demand flour at an unreasonably low price," by effecting this condition through charging high prices to the general public, they, too, the report charged, were "piling up huge profits."

DENIES PROFITEERING.

CHICAGO, Feb. 14 (AP)—Denial that bakers are profiteering in bread or that a bread trust was impending was made in a statement issued tonight by Dr. H. E. Barnard, director of the American Institute of Baking, who termed such charges contained in a report of Basil Manly, director of the Peoples Legislative service, to Senator La Follette today, without foundation.

The average net profit of the 33,000 bakers in America for the past five years, he said, has been less than one-half cent a pound. The baking industry, he declared, has been investigated at least once each year in every large city and these investigations have ended with the conclusion that profits are only a fraction of a cent a pound.

FARM LOAN CORPORATION FORMED FOR SOUTH IDAHO

Subl Men Named as Incorporators of Organization to Facilitate Agricultural Finance

With the purpose to "advance and lend money or procure credit or credit facilities for persons, firms or corporations engaged in production or marketing of agricultural or horticultural products or livestock," the Federated Agricultural Credit Corporation of Southern Idaho has been organized pursuant to decision reached at a recent meeting here of representatives of 21 southern Idaho federal farm loan associations with officials of the federal land bank of Spokane.

The corporation's articles of incorporation were filed Thursday in the office of the county recorder here, showing capital stock of \$25,000, divided into 500 shares of par value of \$5 each. Incorporators named are E. C. Davis, P. L. Atkins and J. G. Adams.

Mr. Davis was elected president of the district organization of farm loan associations formed at the conference here.

WAKELAND WILL TALK ON ALFALFA PEST CONTROL

Claude Wakeland, Parma, University of Idaho station entomologist, will discuss life habits and methods of control of the alfalfa weevil at meetings to be held two days next week at four points in this county, according to announcement made Thursday at the county farm bureau offices.

Mr. Wakeland, in an address before the university farm life institute recently held here, stated that a practical method for control of the weevil had been developed through use of poison spray. He will explain in detail this control method at the meetings here next week.

Mr. Wakeland's schedule in this county includes the following meetings: Murtugah school house, Monday, 1 p. m.

Filer high school, Monday, 8 p. m.

Hansen school house, Tuesday, 1 p. m.

Build Chamber of Commerce rooms Tuesday, 8 p. m.

THIRTY KILLED. MAYENCE, Feb. 14 (AP)—The number of victims in the Miranzen affair is definitely established at 20 killed, of whom 15 were separatists, and 20 wounded, of whom 75 were separatists. The disturbance at Durkheim resulted in seven slightly wounded.

DEATHS

JAMESON—Mrs. Grace Jameson died Thursday evening at the home of her daughter, Mrs. F. W. Bronaugh, 161 Seventh avenue north. Mrs. Jameson had been in ill health during the past year. Services will be held at the Grossman chapel Friday afternoon at 3 o'clock, after which the body will be taken to Rock Springs, Wyo., for burial. Rev. C. Pearson, pastor of the Presbyterian church, will officiate at the services Friday.

NYE—Frank Nye, resident of Twin Falls for about 14 years before leaving two years ago to make his home in California, died Sunday, February 10, at his home in Los Angeles from pneumonia, according to word received here Thursday. Mr. Nye was identified here with the City and Door factory.

BOS—Arie Bos, four-months-old son of Mr. and Mrs. Anko Bos, died suddenly early Thursday morning at the family home, 744 Second avenue west. Funeral services will be held at 2:30 o'clock Saturday afternoon at the home and will be conducted by the Rev. A. C. Pearson.

POE—Funeral services for Grace Poe, five-year-old daughter of Mr. and Mrs. A. A. Poe, whose death occurred Wednesday evening within a few days after the death of her seven-year-old brother, will be held at 2:30 o'clock this afternoon in the J. E. DeWitt chapel, and will be conducted by the Rev. Charles Wianing.

CARD OF THANKS. We wish to express our heartfelt thanks to the many friends and Royal Neighbors for their sympathy following the death of our daughter and grand-daughter, and for the many floral offerings.

MR. AND MRS. PERRY KING, Portland.

MRS. OLLIE HARRIS AND FAMILY.

Edited by Mrs. E. B. Williams

The Methodist-Women's Home Missionary society met in the church parlors Thursday afternoon. Mrs. C. A. McMaster led the devotional services and Mrs. T. P. Warner told of the local work in Americanizing the foreign born. Mrs. L. C. Schaefer told of the part that orphan children and Indians took in the national convention.

Mrs. B. N. Rendahl had charge of the program, the topic being "Christian Nurture in the Church Schools." The musical part consisted of a solo and two duets by Mrs. Thompson and Mrs. Jefferson. Mrs. Gagnier's division served daily refreshments suggestive of St. Valentine's day to about 60 members and friends.

Complimentary to their new pastor, the Rev. L. P. Nissen, and Mrs. Nissen, the members of the American Episcopal church gave a reception Wednesday evening at the parish hall. The guests were met at the door by Mrs. C. C. Siggins, who introduced them to the receiving line, composed of the Rev. and Mrs. Nissen, Mr. and Mrs. George F. Sprague, Mrs. W. H. Morehouse and Mrs. Thomas Robertson.

Vocal solos were given by Mrs. O. P. Duval and Mrs. E. J. Wooda, both of whom were accompanied by Mrs. D. L. Alexander. Card tables had been provided for those who wished to play and later refreshments were served. Tea and coffee were poured by Mrs. J. Ostrander and Mrs. John Graham. George Sprague on silver service on a table attractive with a centerpiece of red flowers and red candles in silver candlesticks. About 75 guests were in attendance.

There was a large attendance at the Episcopal guild meeting with Mrs. George Sprague on Thursday afternoon. The meeting was opened with prayer and a brief business session was held during which the president, Mrs. Thomas Robertson, announced the play, "Little Women," to be given by the P. T. A. at the high school on February 22, the proceeds to be used for playground equipment.

Roll call was answered with quotations from St. Matthew. Mrs. George Easley gave an interesting paper on the "Ancient People of Palestine." During the social hour refreshments were served by the hostesses assisted by Mrs. Nelson Hayward and Mrs. Thomas Robertson.

Mr. and Mrs. William Lloyd were successful in winning high score, while the low score was made by Mr. and Mrs. W. O. Victory on Wednesday evening when Mrs. G. R. Halpin and Mrs. A. D. Bellamy entertained at the home of the former the members of the

Telephone 398

Entre Nous bridge club with their husbands. Four tables of players enjoyed the games and Mrs. and Mr. Mark Musser, Mr. and Mrs. Glenn Sturdevant and Mr. and Mrs. W. O. Victory were club guests. At the close of the evening a two-course luncheon was served.

The shamrock club enjoyed a delightful afternoon Thursday with Miss Mae McGinnis as hostess. During the business session plans were completed for the annual oyster supper for the club members and their families to be held in the community church basement on the evening of February 21. Fourteen members were present and Mrs. Hattie McCoy and little daughter, Leah, were visitors. Mrs. Thompson read the paper sent out by the Rural Federation on "Railroads," and a clever contest under the direction of the hostess completed the afternoon's program. Members were present and a delightful luncheon with the national colors beautifully carried out in the menu and decorations. The club will meet with Mrs. E. H. Olmstead on March 6.

Mrs. John Peters was hostess at a delightful 1 o'clock dinner Wednesday with the following ladies: Mrs. C. A. Emes, Mrs. R. C. Wark, Mrs. R. P. Logan, Mrs. Mary McCracken and Mrs. E. O. Spillberg. After dinner the remainder of the afternoon was spent with needlework and conversation.

The Presbyterian Missionary society met in the church parlors Thursday, Mrs. G. M. Hall, presiding. Devotional were led by Mrs. C. E. Rowcliffe. Annual election of officers was held with the following results: President, Mrs. D. P. Sweet; first vice president, Mrs. G. M. Simpson; second vice president, Mrs. T. J. Douglas; recording secretary, Mrs. Charles Dwight; corresponding secretary, Mrs. Schude; treasurer, Mrs. F. P. Bracken; secretary of literature, Mrs. Sam Gumble; secretary of missionary education, Mrs. Goodrich; secretary of young people's work, Mrs. Leo Bracher; superintendent of extension department, Mrs. Wallace; superintendent overseas work, Mrs. D. R. Churchill. Mrs. Charles Jones had charge of the program and conducted a most interesting round table on "plays and recreation for the child."

Mrs. A. F. Oulund and Mrs. C. W. Grimes entertained with a charming three-course luncheon Thursday at the home of the former. The decorations, place cards and menu carried out the Valentine colors and ideas. Covers were laid for Mrs. S. W. Osgood of Hansen, Mrs. Charles P. Larson, Mrs. Almore Broesevan and Mrs. H. H. Hedstrom.

"SCARAMOUCHE"

He was born with the gift of laughter and a sense that the world was mad. So they said of Andre-Louis Moreau, seion of nobility, who became Scaramouche, the clown, whose laugh mocked his enemies and whose madness inflamed the world.

Not in all the pages of fiction is there such a glowing dare-devil character as Rafael Sabatini's creation of "Scaramouche," and not in the history of motion pictures has there been such a production as Rex Ingram's "Scaramouche," the clown, whose laugh mocked his enemies and whose madness inflamed the world.

The southeast Idaho organization is to be affiliated with the egg marketing association which has been in operation for some time with headquarters at Caldwell.

MARION DAVIES STARRED IN LITTLE OLD NEW YORK

Miss Davies is 23 years old, was born in Brooklyn, N. Y., and is the daughter of Judge Bernard Douglas. During her early school education she specialized in dramatic art, French, literature and music.

After a brief stage career in "China" she was in great demand by all producers of musical comedy and was cast in "Oh, Boy!"

Watch this paper for further announcements on "Little Old New York."

EGG SURVEY UNDER WAY

Through the county farm bureau, a survey is being made to determine the county's egg production with a view to including the county's egg producers in an egg marketing association for southern Idaho, which is to establish a testing station in the near future at Pocatello, according to statement Thursday by R. E. Broadard, county agricultural agent. Definite action in this direction is expected to be taken at a conference soon to be called of persons engaged in making the survey.

Rupert Attorney Under Federal Indictment Issues Statement Through Attorneys

One of the sensational developments in connection with the present form of United States district court in Boise was the returning by the grand jury of an indictment against E. R. Damphier, Rupert, attorney and former bank official of that city, charging him on five counts with sending obscene letters through the mails.

According to a statement issued here Thursday by attorneys for Mr. Damphier, the accused man was in Boise attending sessions of the state supreme court and the Lincoln Day banquet when the indictment was returned, and he was placed under arrest at the Owyhee hotel. Mr. Damphier in open court demanded hearing at the earliest possible date and trial was set for February 25.

Expected vindication

Shortly after his arrest Mr. Damphier made the following statement: "My arrest is the result of a conspiracy that has existed against me for the past 11 years. Once before some of the same parties tried to have me indicted on a frame-up charge of misuse of the mails. A serious mistake has been made. I shall demand an immediate hearing and expect complete vindication."

Mr. Damphier will be represented in the case by Attorneys W. G. Black, Shoshone; Homer C. Mills and T. K. Hackman, Twin Falls.

The statement issued by the attorneys stated that Mr. Damphier's arrest is the "elimination of perhaps the most remarkable series of events that have taken place in Idaho for several years, and may be attributed to his political activities in Rupert."

This is the second time that charges of misuse of the mails have been made against him, the statement said, the former attempt to reach him through the postal laws having been made about six years ago and an investigation made at the time resulted in his exoneration.

The basis for the present charges against Mr. Damphier, according to his attorneys, are anonymous typewritten letters on which no handwriting appears.

BOY SCOUTS HOSTS TO PARENTS AT BANQUET

Members of Troop led by W. E. Nixon Entertain at Pleasant and Profitable Social Affair

Members of Boy Scout troop No. 7, of which W. E. Nixon is scoutmaster, entertained for their parents at dinner Thursday evening in the Business Women's club rooms. Covers were laid at the first table for about 75 persons, the hosts, numbering about 30, serving their guests and waiting until later for their own repast.

The guests were welcomed with an address by Scout Tim Robertson, and the program included brief talks in rotation to scouting by A. J. Peavey, deputy scout executive; Dr. W. F. Passer, Twin Falls scout commissioner, and Judge James R. Bothwell. The latter presented on behalf of the parents of troop members, a handsome piano lamp to the troop leader. In vestiture of seven tenderfoot scout members of the troop was an interesting feature of the event, badges being presented by Dr. F. F. McAtos as chairman of the troop committee, named by the Kiwanis club which is sponsor for this scout unit.

Several members were given by the Boy Scout land, members of which were present as guests.

SCOUT LEADERS IN SESSION.

A regular monthly meeting of the executive committee of the Snake river district Boy Scout council was held Wednesday evening at the home of Arthur J. Peavey. Members of the committee present, besides Mr. Peavey, were O. R. Kondali, Burley; Donald McLean and A. Wilton Peck, Twin Falls, and F. Douglas Hawley, district scout executive. T. M. Robertson, president of the Twin Falls scout council; Dr. W. F. Passer, Twin Falls scout commissioner, and W. E. Nixon, attached as guests.

ANNOUNCEMENTS

The W. C. T. U. will meet this afternoon at 2:30 o'clock at the home of Mrs. May Glandon, corner of Fourth and Fourth street north. An interesting program, to be in charge of Mrs. Juanita Sutcliffe, has been prepared and a good attendance is desired. The Rev. W. B. Burks, pastor of the Christian church, will give an address.

PROFIT-TAKING SELLING
IS CAUSE OF REACTION

Wheat Scores Material Upturn in Price But Advantages Lost in Late Developments in Trading

CHICAGO, Feb. 14 (AP)—Wheat scored a material upturn in price today, but profit taking sales led them to a reaction. The advance was due chiefly to buying based on the belief that the United States import duty on wheat would soon be increased 50 per cent. The market closed unsettled at 3-5c lower to 1-4c gain. May \$11.00 5-8 to 3-4 to \$11.30 3-4, and July \$11.00 3-4 to 7-8. Corn, although easing back a little with wheat, finished 1-8 to 1-4c to 3-8c up; oats unchanged to 1-4c higher, and provisions unchanged to a rise of 12 cents.

Highest prices of the day in the wheat market were reached after definite announcement that the federal tariff commission had reported the cost of producing wheat in this country was \$5c to \$10 a bushel compared with \$3 cents in Canada. However, long before the definite figures in the report were available, it was widely known that the findings of the commission were such as almost to guarantee a prompt advance in the wheat tariff. Some buying was also due to crop damage complaints, especially from Illinois and Ohio. On the other hand, the subsequent setback was emphasized by word that Pacific coast offerings of wheat to Atlantic seaboard were at a sharp discount compared with Chicago.

Most receivers of corn reported a decided falling off in the volume of corn offerings to arrive. Besides, opinions were circulated that the peak of the midwinter movement of the crop had been passed and that the end of March would find commercial supplies to be a good deal under the average for that date. Other authorities, however, contended that advance of consignments indicated a big movement yet. Oats were ruled by the action of corn.

Provisions averaged higher in line with hog values and on purchasing credited to foreigners.

TWIN FALLS MARKETS

These prices are obtained daily at 4 o'clock in the afternoon and are intended to cover only the average of prices. When the market is unsettled for short periods offer more than the quoted price no effort is made to include such quotations. Quotations are offered merely as a guide to producers and should not be accepted as reflecting extremes of either high or low prices.

CHICAGO, Feb. 14 (AP)—Cattle—Receipts 9000; beef steers and fat she stock unevenly higher; former class mostly 15 to 25c up; spots more in between grades; top matured steers \$11.05, average weight 1457 pounds; other matured steers \$11.00; best baby beef yearlings mixed steers and heifers \$11.50; numerous loads weight 1000 to 1200; lower grades of fed steers kinds recently druggish at \$7.25 to \$2.50, sharing average; desirable beef heifers 25c up in spots; fat she stock mostly 10 to 15c higher; bulk market; veals mostly 50c lower; bulk to packers \$8.50 to 9.50; few upward to \$12 on orders; stockers and feeders steady; slightly improved action on better grades.

Hogs—Receipts 40,000; opened fairly active; mostly 10 to 15c higher than yesterday's average; closed very bulk with most of early advance lost; bulk good and choice 230 to 325 pound weight \$7.25 to 7.50; 175 to 275 pound weight \$6.50 to 6.75; mixed loads carrying packing sows and lights \$6.25 to 7.20; best grade 250 to 300 pound average mostly \$6.20 to 7.05; packing sows largely \$6 to 6.25; bulk delivered weightly slaughter pigs \$6 to 6.25; estimated holdover 15,000.

Sheep—Receipts 12,000; fat lambs generally strong; spots higher; sheep and yearlings strong to 25c higher; feeding lambs steady; bulk fat yearling lambs \$14.00 to 14.50; top 15c; chester clipped lambs \$12.50; best yearling wethers \$13.25; aged wethers \$10; bulk fat ewes \$8.50 to 9; feeding lambs mostly \$13 to 13.50.

Prices of Stocks Drop to Lower Ground as Result of Bear Rains in Oil, But Season Closes Higher

Total stock sales 982,100 shares. Twenty Industrials averaged 100.45. Oil, 35. High, 1924, 101.24; low, 94.58.

Twenty railroads averaged \$4.41; net gain, 10. High, 1924, \$5.90; low, \$2.74.

NEW YORK, Feb. 14 (AP)—Stock prices slipped to lower ground in the early part of today's stock market as a result of bear rains on the oil shares but the widespread distribution of supporting orders around noon started a rally which continued through the late dealings and made closing quotations irregularly higher.

Growing uneasiness over the senate oil investigation was reported to have inspired much of the early selling, bear traders succeeded in uncovering a number of weakened marginal accounts and forcing Standard Oil of New Jersey and California, Sinclair and the Pan-American issues to new low levels for the year, the extreme losses ranging from 1 to 3 1-2 points.

Strength of the copper share was one of the features of the session, buying of these issues being predicated on the belief that Japan will be a big buyer of the red metal, which is now quoted at 13 cents a pound, up 1-4c, as a result of the recent increase in the foreign and domestic demand.

Analysts of the market crossed 63 for a net gain of more than 100 points, as a net gain, Kennecott, Cerro de Pasco and Utah each closed a point or more above yesterday's final quotations, the last named touching a new 1924 high at 97 3-4.

Large buying of oil shares was influenced by a weekly report of the American Petroleum Institute showing a reduction in both domestic and

FOR RENT—On north side near Murfargo, 100 acres under cultivation; 50 acres in alfalfa; part ready to plow up. Good house, chicken house, etc. Seven barns, cows, machinery, furniture, full equipment. Excellent terms to reliable man. Inquire Hazelton State Bank.

crude oil production and imports for the week ending February 9. Pacific Oil rallied from 51 1-4 to 52 7-8, up 1 1-4; Royal Dutch closed a point higher at 56 1-2 and the early losses in the other issues were materially reduced.

Trading in the foreign exchange was rather quiet. All rates sagged at the opening, but made irregular recovery later. Demand sterling held fairly steady around \$4.50 1-4, and French francs met below 4.00 cents. Belgian francs touched a new record low at 3.79 1-2, but rallied about 3 points later.

Call money and commercial paper markets were quiet with rates unchanged.

GOVERNMENT BONDS.

NEW YORK, Feb. 14 (AP)—Liberty bonds closed:

3 1-2s	\$9.95
First 4s	99.0
First 4 1-4s	99.7
Second 4 1-4s	99.6
Fourth 1-4s	99.9
U. S. Government 4 1-4s	100.5

SUGAR.

NEW YORK, Feb. 14 (AP)—Raw sugar was easier today but demand was light and an actual business developed. Cuban were offered at concessionary 1-8c or on the basis of 7.34c, duty paid.

Renewed liquidation and selling by houses with Wall Street and Cuban connections, prompted by the increased spot offerings, accounted for opening losses of 9 to 12 points in raw sugar futures. The decline brought in considerable covering and commission house support and prices later rallied, regaining nearly all the early losses. Final prices were unchanged to three points net lower. March closed 5.56. May 5.59, July 5.63, September 5.66.

The refined situation was without change. While new business continued light, withdrawals proved quite heavy. Prices were quoted at 8.90 to 9 for fine granulated.

WOOL PRICES STEADY.

CHICAGO, Feb. 14 (AP)—Trading on the local wool market is on about the same basis as for the past several days. Although the volume of business is slightly less prices are unchanged and virtually firm. The lower grades of wool, and top continued to show the better volume of business. The general situation seems to be very healthy and strong on these grades.

OIL PROFITS LARGE.

SAN FRANCISCO, Feb. 14 (AP)—The yearly financial statement of the Union Oil company of California made public today showed that the company earned net profits of \$5,032,640 in 1923. The figure is reached after deducting interest charges, depreciation, federal taxes and inventory losses consequent upon price shrinkage resulting from flush production during the year.

Hot Springs. Hot Springs, Ark., is widely noted for the hot waters that flow from 12 springs, included in a space of ten acres on the west side of Hot Springs mountain. The waters of these springs range in temperature from 70 to 157 degrees F. and are especially beneficial in the treatment of chronic diseases. In 1822 four sections of land were set off by congress as a government reservation. Since that time the government has established on the mountain the Army and Navy General hospital.

Forests Moderate Climates. The forest service says that cutting down trees has a decided effect on climate, and that forests tend to prevent extremes of temperature, either hot or cold, and thus moderate climate. They also prevent the washing away of soil, retard and often prevent floods and thus make cultivation of much land possible, land which without trees would be arid waste.

HELP WANTED.

GIRL WANTED at the Poppy. GIRL for greenhouse over 20. Excellent pay, 4 years old, weight 1200; well broke; wagon and harness. Will trade for good car. Ford preferred, 212 Ramsgate street, South Park addition.

WILL ASK BIDS ON WELLS LINE WITHIN A WEEK

Salt Lake Newspaper Quotes President Gray of Union Pacific as Announcing Early Start of Work

Bids for construction of the proposed line from Rogerson, Idaho, to Wells, Nevada, will be requested within the next week, according to Carl H. Gray, president of the Union Pacific railroad, who arrived in Salt Lake Friday, says the Deseret News of Salt Lake on Saturday, February 9.

Mr. Gray enroute from San Francisco to his headquarters in Omaha, is accompanied by H. M. Adams, vice president in charge of traffic; J. L. Haugh, and E. B. Adams, assistants to the president, and his son, C. H. Gray, Jr.

The route for the new branch which will give southern Idaho an outlet to California has been chosen.

Considerable time has been spent in selection of the route although the three proposed routes were not more than four or five miles apart at any point, he said. The line will be 98 miles long.

Mr. Gray announced construction has begun on the 30-mile line from Crane to Burns, Oregon.

This will open up a vast timber area for milling at Burns, he said.

Permission to make another extension of the Union Pacific from Fort Collins, Colorado, northward for 14 miles to tap three natural gas domes is being considered by the interstate commerce commission, according to Mr. Gray. One of the gas wells on Union Pacific property run for several weeks uncontrolled, he said.

Attends Regional Meeting

At San Francisco Mr. Gray attended the regional meeting of the United States Chamber of Commerce.

The decentralization plan is a big advantage to the west in his opinion, as it brings the chamber in closer touch with its members.

This is realized when it is understood there are 13,000 chambers in the United States and more than 700,000 members, he said.

Speaking of business conditions, Mr. Gray was optimistic. "There was a decided slump in business following Christmas holidays," he said. "But three weeks things looked bad. However, the last week in January brought an 18 per cent business increase to the system, which seems to represent a general revival."

In spite of 1924 being election year, Mr. Gray thinks this will be no prosperous year with chances of considerable improvement.

Mr. Gray and party spent the day conferring with local officials. They will leave for Omaha Friday evening.

VOTE WATER TRANSFERS

Canal Company Directors Approve Application of Water to New Lands Subject to Reservoir District O. K.

Subject to the approval of the board of directors of the American Falls reservoir district and also to the payment of all delinquent maintenance charges on the land from which the water is transferred, and subject, also, to the delivery of water to the new land as the system is now constituted directors of the Twin Falls Canal company at their meeting, Tuesday, according to minutes made public Thursday, authorized transfer of water as follows:

Twenty-five shares from lots 4 and 5 on SE 1-4 SW 1-4, 33-17, to the SW 1-4 SW 1-4, 11-11-13.

Forty shares from lots 4 and 5 on NE 1-4 SW 1-4, 33-17, to the SW 1-4 SW 1-4, 11-11-13.

The transfer was authorized on motion of Director Bower, seconded by Director Sharp.

Elks Lodge Adopts Grand Army Post

Veterans of Civil War Become Honorary Members of Fraternity

Twin Falls lodge of Elks Thursday evening welcomed all honorary members of that order all of the members of Dan McCook post, Grand Army of the Republic, Twin Falls, who were in town unable to attend the ceremonial. They wore three in number, representing almost one-half of the total membership of the local organization of the Civil war veterans. They were J. D. Smith, commander; J. M. Bice, adjutant, and W. W. Humphrey, chaplain, of the local post.

A special program arranged for the occasion included music by a fife and drum corps formed by J. G. Thorpe, leader of the band of the 14th field artillery regiment, and singing of Civil war songs by a quartet. The Grand Army men were invited to relate incidents in connection with their experiences in the Civil war. Former service men of the world war in uniform served as escorts for the older veterans during the initiatory ceremony.

LITVIN ADMITS STATE CHARGES

Pleads Guilty to Receiving Stolen Car After Two Juries Fail to Convict; Pays \$800 Fine

David Litvin, formerly a Twin Falls garage operator, whom juries in two trials in district court here failed to convict on charges of receiving stolen automobiles, in district court here Thursday withdrew his previous plea of not guilty, pleaded guilty and was sentenced by Judge W. A. Babcock to pay a fine of \$800 and costs. Litvin paid the fine within a few hours after the sentence was imposed.

Litvin also was charged with violation of the motor vehicle theft act in an indictment on some 15 counts returned by a federal district court grand jury in Boise last September. It is understood here that the charges in federal court will be withdrawn following Litvin's plea of guilty in the court here.

Hears Plea for Leniency

Litvin pleaded guilty to receiving one of a number of cars alleged to have been stolen in Salt Lake and Ogden and delivered to him by J. J. Hannah, Salt Lake, self-confessed automobile thief, who now is serving a term in Leavenworth penitentiary. Hannah appeared as a witness for the state against Litvin in both trials which resulted in failure of the jury to agree upon a verdict.

Before imposing sentence upon Litvin, Judge Babcock heard an appeal for leniency made by Frank L. Stephens of defense counsel. Litvin has sacrificed his business here and hopes to find money in order to raise his patrons to the standing they had before their dealing with him, the attorney said.

VISITING CHILD STAR VIEWS SCENIC BEAUTIES

Baby Marie Osborne Honored Guest of Group of Twin Falls Young People on Sight-Seeing Trip

Baby Marie Osborne, darling of millions of screen fans, was the honored guest Thursday afternoon of a group of Twin Falls young people on a sight-seeing trip to Twin Falls and Shoshone falls. Members of the party, besides the honored guest, were Miss Lucetta Wilson, Miss Jane Maxwell, Miss Barbara Noble, Miss Bess Brown, Miss Betty Wilson, Miss Marjorie Woods, Miss Mary Hart and John Maxwell. "Baby Marie" expressed pleasure over the trip and was enthusiastic about the scenic beauties she had been shown. She will reciprocate with invitations to all of her companions on the trip to a box party Saturday afternoon at the Orpheum, where she is appearing in the course of an 18-month tour of the United States and northwestern Canada.

The winsome screen star was delighted Thursday with word that her governess, Miss Alice Byam, who had remained in Salt Lake upon advice of a physician, had recovered sufficiently from severe cold to resume the tour and will rejoin her either in Twin Falls or Boise where she will go from here. Baby Marie's little sister, Gloria, remained with the governess in Salt Lake. Baby Marie was accompanied here by her faithful nurse.

Appearance of Baby Marie in person on the Orpheum stage attracted capacity houses at both afternoon and evening performances Thursday, the first of her three-day engagement here.

Return From Boise—Attorneys Shad L. Hodgkin and Frank L. Stephens returned Wednesday evening from Boise where they attended sessions of the federal district court and the Lincoln Day banquet. Mr. Hodgkin, who as Twin Falls mayor, is a member of the executive committee of the Southern Idaho Light and Power association, also attended the hearing on power rates in progress before the state public utilities commission.

Attends Federal Court—Attorney Homer C. Mills has returned from Boise, where he attended sessions of federal district court.

Sec'd Man Travels—N. O. Hall, manager of the Alfred J. Brown Seed company, left for Burley Thursday morning on a business trip.

Cattle Going to Market—The U. C. ranch interests will load 14 carloads of fat cattle here today for shipment to market at San Diego, California.

Speaks Before Students—Attorney Harry J. Benoit delivered a eulogy of Abraham Lincoln, speaking Thursday afternoon before the high school assembly.

Returns to School—Miss Margaret Hamilton spent Wednesday night here as the guest of friends and returned Thursday morning to her position in the Hansen schools.

Attorney Suffers Hurt—Attorney John W. Graham was confined to his home Thursday as a result of injury to his back, suffered while assisting in moving a piano at the reception for

BREVITIES

Fair Weather Tends to Better Bad Roads

Continued fair weather Thursday brought further promise of early resumption of motor vehicle traffic over earth streets and roads of the Twin Falls region. Mud became more plastic under the influence of sunshine and rising temperature during the day.

Mercury touched its high point for the 24-hour period at 58 above, an advance of four degrees over the maximum of the preceding day, and was low at 28 above, an advance of one degree, according to records of the government weather observer's station here.
