PARTY WRANGLE RAPIDLY GROWS MORE INTENSE

Senator Glass Explains Democratic Resentment at President's Message; Reed Berates Senate for Long Delays

WASHINGTON, April 15 (AP)—The cross fire of senate controversy that has raged for three days about presidential intervention in the Pinchot-Henry-Mellon wrangle continued unabated today with Senator Glass, of Virginia, delivering what his democratic colleagues hailed as the formal declaration of their resentment at the president's language.

The Virginia senator spoke after careful preparation. He had not been assigned to the task, his party colleagues said; but when he concluded, they crowded about him in congratulation, while Senator Reed, republican, Pennsylvania, was waiting for order that he might make a brief reply.

Explains Attitude

Senator Glass disclaimed any partisan purpose. He voiced respect and admiration for the president and Mr. Mellon; declared himself opposed to the action of the investigation committee in proposing to employ Francis J. Heney at the personal expense of Senator Cozans, republican, Michigan; but added that he could not remain silent in the face of the message that contained the president's "amazing arraignment of the senate of the United States as a menace to orderly government."

Receives Attention

Republicans and democrats alike gave him the closest attention throughout the time and again he pointed with clenched fists over the desks about him to emphasize what he said; but there was no departure from the solemn tone of protest in which he had phrased his address.

Senator Reed berated the senate for delay in action upon the immigration bill which had been two weeks before it, less than half that time being given to debate of the bill, while "hour after hour" the fire of partisan criticism had raged from the democratic side.

Challenges Bourbons

Senator Reed challenged the democrats, with the statement that they knew but did not admit that the country was "fed up" with senatorial investigations, adding that with the exception of the veterans bureau and interior department cases, no useful thing had been accomplished.

WOMAN BLAMED FOR MURDER

LOS ANGELES, April 15 (AP)—A coroner's jury here today investigating the murder of Dr. Benjamin Baldwin last Friday returned a verdict that the gunshot wound that caused the physician's death was inflicted by Mrs. Margaret B. Willis "with intent to kill or murder."

Urge Investigation Of All Land Grants To Northern Pacific

Public Lands Committee Reports Resolution to Lower House Suggesting Action Regarding Forest Property

WASHINGTON, April 15 (AP)—A resolution authorizing investigation by a special congressional committee of all land grants to the Northern Pacific railway company was reported to the house today by the public lands committee.

The resolution would defer until March 4, 1927, any adjustment by the secretary of the interior of the railroad's claim to 3,000,000 acres of national forest land in Montana and Idaho.

Chairman Sargent, in a report stated the committee after extensive hearings to determine whether there was reasonable ground for an investigation, voted unanimously in favor of an investigation.

Hearings were held by the committee after President Coolidge had forwarded to the chairman charges by the secretaries of agriculture and interior that the railroad had forfeited its right to additional land by breach of contract. Those contentions were denied by railroad representatives at the hearing.

President Coolidge To Submit Report of Reclamation Experts

Congress to Be Given Recent Recommendations of Fact-Finders on Irrigation

WASHINGTON, April 15 (AP)—President Coolidge will send to congress within a few days the report recently submitted to him by the department of interior advisory commission on reclamation.

Whether the report will be accompanied by any direct recommendations by the president was not made known today at the White House, but the president is desirous that some sort of reclamation relief legislation should be attempted before the adjournment of congress.

TIGHTEN GUARD AGAINST PLAGUE

Californians Want Meeting of Governors of Western States; Urge Wallace to Help

SACRAMENTO, April 15 (AP)—Industrial, financial and commercial leaders of California, meeting here today, adopted resolutions recommending that Governor Phelan W. Richardson confer with the chief executives of other western states to get them to appoint committees to look after interests of their respective states affected by the foot and mouth disease in California.

The conference also recommended that the governor appoint representatives to look after California's interests affected by the epidemic in Oregon, Washington, Idaho, Nevada, Utah, Colorado, Arizona, New Mexico, Texas and if necessary Montana. Another committee was recommended for Hawaii.

It was also recommended that a committee call on Secretary Wallace of the department of agriculture to obtain his cooperation in combatting the ill effects of the plague. It was also decided to telegraph daily bulletins to newspapers in all western states showing the situation. The bulletins would be signed by state and federal officials.

Although only three new outbreaks of the foot and mouth disease were reported to the state department of agriculture all known infected areas were under quarantine and the vigilance of local authorities had not relaxed. No cases were reported to states north of California.

DARING STUNT PERFORMED BY YOUNG FRENCH WOMAN

PARIS, April 15 (AP)—To prove the possibility of a passenger being safely set down by a low flying airplane without using a special landing ground, Madame Germaine Gruyere, 22 years old, with a special parachute jumped from a speeding plane as it was crossing the Invalides esplanade yesterday to the mingled admiration and apprehension of the crowds there waiting for a last glimpse of the king and queen of Rumania.

A strong wind was blowing and instead of dropping into the esplanade the aviatrice landed on the railway property outside the Invalides terminal, narrowly missing a ducking in the Seine. She was promptly arrested by a policeman who gave her a summons to court for breaking the city's flying regulations. She appeared perfectly content at having proved her point.

SENATE REJECTS COUNSEL

WASHINGTON, April 15 (AP)—The senate today rejected the nomination of Samuel Knight of San Francisco to be special government counsel in prosecuting oil suits involving sections 16 and 36 within the boundaries of naval reserve number two, California.

NOTED ACTRESS ILL

FORT WAYNE, Ind., April 15 (AP)—Clara Kimball Young, famous screen stage actress, was taken suddenly ill while appearing in a local theater tonight and the curtain was lowered in the midst of the second act while physicians were sent for. She was removed to her suite in a local hotel.

The physicians said her condition is regarded as serious, although they refuse to explain the nature of her illness.

PUEBLO LAWYER SLAIN

PUEBLO, Colo., April 15 (AP)—J. H. H. Lowe, prominent Pueblo lawyer, former county judge and at one time district attorney here, was found shot to death in his office late today.

SMITH PICKED AS CANDIDATE OF DEMOCRATS

New York State Convention Goes on Record for Governor; Willing to Accept; Candidacy Is Formally Launched

ALBANY, N. Y., April 15 (AP)—Governor Alfred E. Smith, of New York, was acclaimed as the candidate of his party in the state for the presidential nomination at the democratic state convention here today.

His candidacy was formally launched in two resolutions, one calling upon the state's eight delegates and eight attorneys at large to the democratic national convention to support him "loyally and faithfully as candidate for nomination to the exalted office of president," and the other, the concluding paragraph of the party platform, hailed him as the "type of public official imperatively demanded by the times."

The governor, whose appearance in the convention auditorium was the signal for a vociferous demonstration, told the delegates he did not sought the honor, which they would thrust upon him, but if the necessary vote could be obtained in the national convention, would be "honored beyond power of expression to lead the forces of the party in the next campaign."

"The man who would not have an ambition for that office would have a dead heart," he said.

One holding public office, and using that post as a stepping-stone to greater honor, he declared, was not worthy of the office he occupied. He told the convention his present duties would require his constant attention for months to come and that he would attend to those duties and not seek personal advancement.

JAPAN AGREES TO GIVE FIGURES ON IMMIGRATION

GENEVA, April 15 (AP)—Japan has notified the league of nations that Japan will abide by the decision of the fourth international labor convention asking all nations to send emigration and immigration statistics to the international labor office.

The notification, however, makes reservations as to a special accord to be concluded between states which are members of the league.

Justice Department Expected to Arrest Montana Solon Soon

Attorney-General Stone to Treat Indictment of Wheeler as Any Other Similar Case

WASHINGTON, April 15 (AP)—The department of justice can see no reason for delay in proceeding with the case in which Senator Wheeler, democrat, Montana, has been indicted by a federal grand jury at Great Falls, Montana, and his arrest on the indictment is expected by officials within the next few days.

It was said today at the department of justice that Attorney General Stone expected to treat the case as any other indictment and arrest and it was indicated that if Wheeler's delay should occur, Mr. Stone would make inquiries to ascertain the reasons.

JAPAN WANTS MORE PLANES

Nippon to Seek Removal of Restrictions on Aerial Program; Delegate Announces

SAN FRANCISCO, April 15 (AP)—Japan will ask the league of nations conference in Brussels July 23 to approve removal of restrictions on construction of airplanes and a new international immigration pact, Count K. Kawamura, member of the Japanese house of peers and one of five delegates from that country to the Brussels conference, declared here today.

The count, with two other Japanese delegates, Prince Takatsukasa, chairman of the Japanese delegation, and Viscount Nishikawa, arrived here today. The two other delegates have not left Japan.

While reticent as to Japan's motive, Count Kawamura did not disguise the fact that Japan's primary objective at the Brussels conference will be equalization of the agreement limiting aerial armament of members of the league.

Second, Japan will support an internationally made and enforced immigration agreement barring from each country the "lower classes" of other nations, but freely admitting the "higher classes," Kawamura said.

Party Can Face Campaign Without Fear of Scandal Mongers, Hughes Declares

Secretary of State Invites Appraisal of Past Achievements and Expresses Confidence in Chief Executive; Coolidge's Character and Policies Only Platform Needed, He Says

COMMANDER OF WORLD FLIGHT FORCED DOWN

CHIGNIK, Alaska, April 15 (AP) (By wireless to Cuneen)—Major Frederick L. Martin, commander of the United States army around the world flight and pilot of the air cruiser Seattle, was forced down en route here from Seward, today, according to information given out here tonight by Lieutenant H. Nelson, pilot of the cruiser New Orleans, who assumed temporary command of the squadron on leaving Seward, on the arrival of three of the world planes.

Major Martin was last seen headed west of Cape Igvak, the western entrance to Portage or Kanatuk bay, west of Kodiak island.

FIRE IN EARLY MORNING EVICTS FILER FAMILY

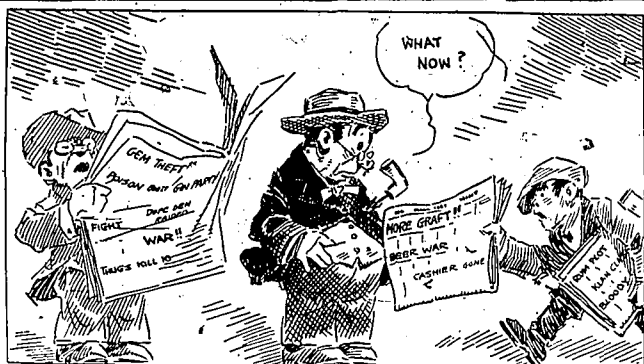

Mrs. C. E. Hudson and Children Awakened from Sleep by Flames Escaped from Burning Dwelling

FILER, April 15 (Special to The News)—Fire at 2 o'clock this morning destroyed the residence occupied by C. E. Hudson and family, and wiped out practically all of the household goods. Mrs. Hudson and four children narrowly escaped in safety from the burning building, and were received into homes of neighbors and friends, having gone sometime ago to Bend, Oregon. The family came here some years ago from Hollister. Mr. Hudson's grocery store here was destroyed by fire about a year ago.

TO BRING BODIES TO U. S.

NAPLES, April 15 (AP)—The bodies of Robert L. Coleman of San Francisco and George B. DeLong of New York, the two Americans murdered by bandits in Albania, arrived here this afternoon on board a destroyer from Durazzo. The coffins were taken ashore and placed in the mortuary chapel at the arsenal to await removal to the United States.

WE CAN'T HELP ENTERTAINING THE WISH—

THAT CURRENT EVENTS, WHICH SEEM TO PERSIST IN RUNNING TO HEADLINES LIKE THIS—

WOULD TAKE A TURN AND REVERT TO HEADLINES LIKE THIS

NEW YORK, April 15 (AP)—Inviting a candid appraisal of past achievements and expressing confidence in the leadership of President Coolidge, Secretary of State Charles E. Hughes told New York republicans tonight that their party could look forward to the presidential campaign undismayed by "scandal mongers" and "tale-bearers."

"You will search in vain for a more ideal executive than President Coolidge," said the secretary in a keynote address before the state convention in Town Hall. "The American people have already indicated their determination to keep him where he is. He is his own platform. His first message was a comprehensive survey of conditions, requirements and purposes which has charted the course of the republican party and commanded the approval of the country. No other platform is needed."

Experiments Not Needed.

The secretary also paid tribute to Secretary Mellon for his conduct of past war government financing, recounted the increase in foreign trade that has resulted under the new republican tariff; contrasted present industrial conditions with those of 1921; recalled the agreements reached at the Washington arms conference; asserted that the country's international relations had been improved in Latin America and the Far East and reaffirmed the policy of helpfulness toward Europe unshaken by political entanglements.

Mentions Dawes Report.

Only a passing reference was made to the report of the Dawes reparations commission. Without touching on the world's financial problems, the secretary said the service of American private citizens in the enterprise had demonstrated again the willingness of American ability to help a stricken world.

Mr. Hughes plunged directly into the

senior investigations at the outset of his speech, declaring the republican confession had been stated by President Coolidge in his announcement that he would not be swayed by partisanship in his efforts to punish wrongdoing.

Guilty Must Be Punished.

"Let it be understood that we do not condone wrongs, we estimate no crime," said the secretary. "We would bring to the bar of justice every dishonest official and every perverter of administration in or out of office. This is a duty which can be and will be competently discharged by the appropriate agencies without any sacrifice of constitutional procedure."

"Neither political party has a monopoly of virtue or of sin. Let wrongs be exposed and punished, but no partisan pettifish should effect a 'holier than thou' attitude. The corrupting corruption may be found in democratic satchels. Guilt is personal and corruption knows no party."

"Today's counsel of eminent ability

Europe Believed On Road Toward War Settlement

Britain and Germany Decide to Accept Experts' Report Complete; Many Are Sure France Will Take Favorable Action

LONDON, April 15 (AP)—As a result of Premier MacDonald's announcement of Great Britain's acceptance of the reparations experts' report as an "indivisible whole," coupled with a similar decision by the Berlin cabinet, Europe tonight is back on the road which the British labor government believes should lead straight to a long overdue settlement between the victors and the vanquished in the world war.

France still remains to be heard, but in announcing the British decision to the house of commons this afternoon Premier MacDonald stressed the unanimity of the reparations commission in accepting the experts' recommendations which is interpreted as indicating the certainty of the French government acceptance of the Dawes report when the reparations commission formally requests opinions of the allied powers.

SENATE VOTES FOR EXCLUSION OF ORIENTALS

Immigration Bill Passed Over Protests of Secretary Hughes and Japanese Ambassador; Coolidge May Veto

WASHINGTON, April 15 (AP)—Japan's exclusion bill today by the senate over the protest of both Secretary Hughes and the Japanese ambassador. The very same bill will not debate on the exclusion amendment, action on which came unexpectedly late today. Only a few more than a score of senators were present.

Adoption of the amendment which is almost identical with that approved last week by the house, was nothing more than a formality, as senate approval was made certain yesterday by the refusal of that body to sanction by law the "gentlemen's agreement" with Japan on the immigration question.

There has been no indication from the White House as to President Coolidge's attitude with regard to the exclusion question, but there were intimations in some administration quarters today that he might veto the immigration bill because of the Japanese provision.

Congressional leaders appear confident, however, that the executive will attach his signature to the measure. Should he veto it, the little doubt that the necessary two-thirds majority for its passage could be obtained in both house and senate.

Conference Scheduled

Ambassador Hanabara plans to confer with Mr. Hughes upon his return to the city tomorrow, and meantime officials of the Japanese embassy decline to make any statement regarding the ambassador's letter or the action of congress.

Tokyo dispatches carrying an announcement by the newspapers there that "new important instructions" were being sent to Ambassador Hanabara after a meeting of the Japanese cabinet were received in official and legislative circles here with considerable interest.

Each dispatches have been forwarded the Japanese embassy has not yet received them according to embassy officials.

INSTRUCTIONS NOT GIVEN

TOKIO, April 15 (AP)—Foreign Minister Matsui, replying to questions by the Associated Press, declared this afternoon that no new instructions had been sent to Ambassador Hanabara at Washington relative to any future action on the immigration bill. The foreign minister said that although Ambassador Hanabara had written his letter April 11, urging congress not to pass the Japanese exclusion legislation, without specific instructions from Tokyo, he nevertheless had full authority to act on his own discretion.

The foreign minister was emphatic in stating that the action of Ambassador Hanabara had the full approval of the foreign office.

Minister Matsui declined, however, to amplify the much discussed "grave consequences" phrase contained in the Hanabara letter.

The cabinet, the foreign minister said, had discussed immigration at a meeting this morning but arrived at no decision.

DAUGHERTY TO BE COUNSEL IN STAR'S DAMAGE SUIT

ARREVILLE, N. C., April 15 (AP)—Harry M. Daugherty, the former attorney-general, announced here Monday that he will appear as one of the counsel for the Marion Star in its libel suit against Frank A. Vandertie growing out of the senate investigation of Teapot Dome. He declined to discuss the subject further than to say that he will confer with other attorneys in the case in a short while.

BERRY STARTS CAMPAIGN

SEATTLE, April 15 (AP)—Major George L. Berry of Tennessee, a candidate for the democratic nomination for vice president, fired the opening gun in his campaign on the Pacific coast last night at meeting here of the King County Democratic club. He declared President Coolidge must defend all acts of the Harding-Coolidge administration and explain why he had not protected the acts of former Secretaries Fall and Denby and former Attorney-General Daugherty.

MRS. HAYES PLEADS GUILTY

NEW YORK, April 15 (AP)—Mrs. Myrtle Bowman Hayes, business woman of Boston and Brookline, Mass., unexpectedly ended her trial for the alleged forgery of Charles M. Schwab's name to a \$25,000 note when she entered a plea of guilty yesterday to a charge of attempted third degree forgery.

ASTHMA

No cure is it, but welcome relief is often brought by VICKS VAPORUB

The Day in Washington

The equalizer bonus bill was reported to the senate.

The senate adopted a Japanese exclusion amendment to the immigration bill.

President Coolidge spoke at the unveiling of Arizona's stone in the Washington monument.

The house committee investigating the shipping board questioned Commissioner Plummer of the board.

The house adopted a senate resolution for \$1,000,000 to drought-stricken New Mexico farmers.

The senate rejected the nomination of Samuel Knight of California to be special government counsel in oil suits.

Howard Manning, friend of former Attorney-General Daugherty, refused to appear before the Daugherty investigating committee.

The senate and house went into court with a brief declaring void the famous packers' consent decree with the government.

The senate oil committee devoted a day to running down reports of an oil deal at the Chicago republican convention of 1920.

The democratic assault on President Coolidge's message relating to investigations was renewed in the senate and met with a defense from republicans.

Julius H. Barnes, president of the Chamber of Commerce of the United States, opposed changes for the present in the transportation act before the senate commerce committee.

EDEN

EDEN—Mrs. Julia Faddis was a business visitor here Monday.

Mrs. Ed Colbert returned Wednesday from Boise, where she recently underwent an operation.

The Eden Civic club met Wednesday evening at the club rooms. Election of officers for this ensuing year was the first business to come before the meeting. The officers-elect are:

President, Mrs. Carl Emerson; vice-president, Mrs. Frank Fulton; secretary, Miss Gladys Hong; treasurer, Mrs. Hattie Lyons; librarian, Mrs. A. M. Shafer. Mrs. W. B. Summers had charge of the program for the evening.

Mrs. Wesley Bargaine of Falls City spent last week here visiting her parents, Mr. and Mrs. Bloomquist.

Mrs. Edna Saunders of Richfield is here visiting her parents, Mr. and Mrs. John T. Jackson.

Glenn Malloy motored to Hatley Saturday and spent Sunday with his parents, Mr. and Mrs. L. L. Moloney.

Mr. and Mrs. Gordon MacQuivey and Alonzo MacQuivey of Wendell were Sunday guests of Mr. and Mrs. M. C. MacQuivey.

Mr. and Mrs. J. C. Knott and Mr. and Mrs. Curtis Metcalf with their families visited Sunday at Twin Falls with Mr. and Mrs. H. O. Cappa.

Messrs. A. M. Shaffer, Floyd Brown, C. E. Summers, E. M. Patterson, C. P. Smith and Dr. W. P. Berger attended Masonic lodge at Jerome Wednesday evening.

The Eden grade teachers were given a visiting day Friday. The day was spent visiting in the Twin Falls schools.

The Eden grade school will give an Arbor Day program Friday afternoon, April 18.

The next meeting of the Eden P. T. A. will be held Friday evening, April 25. This is to be a candy social. The teachers are also arranging to have their annual exhibition of school work the same evening. This will be the last meeting of the year and all parents were urged to attend.

Mr. Gossett, district manager of the Gem State Lumber company, was a business visitor here one day this week.

Gus Peterson and W. A. McGee are grading the streets this week.

J. L. Cox was a business visitor in Twin Falls Saturday.

Mr. and Mrs. Allan Gordon were Twin Falls visitors Friday.

The News is read by the permanent earning classes.

CINCINNATI BEAUTY WINS OHIO CHAMPIONSHIP

MISS ROSE SCHNEIDER

MISS ROSE SCHNEIDER, of Cincinnati, has been crowned as Queen of Beauty of the state of Ohio, winning out over 500 other contestants and receiving a diamond tiara in token of her triumph. She is 18 years old and has been besieged with stage and film offers.

MOTORISTS ATTEMPT TO RUN EPIDEMIC BLOCKADE

PHOENIX, Ariz., April 15 (AP)—

Quiet prevailed near Yuma on the California-Arizona boundary following an attempt by about 70 motorists Sunday night to dash across the Colorado river bridge into Arizona in defiance of the state's orders prohibiting California vehicular traffic as a measure to prevent spread of the foot and mouth disease.

The attempt to run the quarantine block was forestalled by armed deputy sheriffs who patrolled the bridge and ordered the motorists back.

The motorists broke chains barring the road across the Indian territory in California eight miles from the boundary, swept past inspectors and dashed for the bridge, according to reports reaching the governor's office. They returned peacefully.

TEXAS TIGHTENS QUARANTINE

AUSTIN, Texas, April 15 (AP)—

Further quarantine of Texas against California in an effort to keep the foot and mouth disease out of this state has been proclaimed by Governor Scott. His grain, straw or similar fodder, and trees, shrubs, vines, plants and flowers are prohibited from coming into Texas from California.

Reinforce Glands To Keep Young Says Scientist

DR. ARNOLD LORAND, of Austria, says in his book, "Old Age Deferred," in speaking of the glands: "We must insist upon the reinforcement of their functions if changed by age or disease by means of extracts obtained from the similar organs of healthy young animals."

Such a treatment is now offered in the new scientific discovery, Glandogen, which combines the important elements of the vital glands with other efficacious ingredients. Hundreds of men and women who are weak, worn-out and run-down are taking Glandogen to awaken the devitalized glands, so they may continue their normal function of supplying the vital glands secretions so necessary to physical energy and perfect health. Glandogen is prepared in two different forms—one for men and one for women. Glandogen is obtainable at Schramm-Johnson Drug Co.—adv.

BETTER HEALTH SERVICE

Public Health Is Public Wealth

Issued by the Public Health League of Idaho

HAVE YOU ENGINE TROUBLE?

Like the automobile engine, the heart has four cylinders, or chambers, all working harmoniously together; dependent on the blood, which may be compared to the oil and gasoline, for its force and nourishment. It is supplied with nerves, which regulate its action, just as the engine is supplied with electric wires and currents which control its action, and like the automobile engine, it is the most common seat of trouble.

We are quick to inspect or repair the automobile engine. We should be even quicker to have the life engine inspected by an expert. Heart trouble should be recognized early. Shortness of breath, pain in the region of the heart, a thumping rapid or irregular heart should cause one to seek a thorough examination. These symptoms do not necessarily indicate disease of the heart; but when they are present one should be on guard.

Sometimes a heart murmur is disclosed by examination. That does not need to excite undue alarm, for a heart murmur does not always mean a diseased heart. A great many people have heart murmurs in perfectly normal hearts.

Three causes of chief importance may cause heart trouble: First, local infection such as rheumatism, repeated attacks of tonsillitis, bad teeth, etc.; second, syphilis; third, degenerative change of middle life. To control heart disease we must attempt to remove these causes.

Infections must be removed. Diseased tonsils and infected teeth should be attended to. Then go to bed early, plenty of fresh air but do not expose yourself to the extremes of heat and cold. Eat plain food. Keep the bowels regular. Watch the teeth—keep acquainted with the tooth brush. These are important rules in the avoidance of infection.

The person who does not work in the open spaces, who hugs a desk the day through, and does not exercise enough brings weakness to the heart and other organs. The heart is a muscle, and while it beats the life through, it can be made to function more rapidly during bodily exercise. In this way, under normal conditions, strength is developed. The heart, however, must not be subjected to a sudden strain, and if there is weakness there any system or plan of exercise should be under the supervision of a physi-

cian. The person with heart disease should lead a normal life. He must realize he is under a handicap to a limited extent. Any exercise that brings on shortness of breath should be avoided. Situations likely to produce emotional stress must also be avoided. They temporarily disturb heart action, and in a damaged heart may cause permanent injury.

STATES MUST RETAIN THEIR SOVEREIGNTY

Coolidge Recites Policies Necessary for Continued Unity of Government; Urges More Interest in Public Affairs

WASHINGTON, April 15 (AP)—Recognition of sovereignty by the states is essential to maintenance of the founding principles of the nation and its government, President Coolidge declared in an address today at the unveiling of the Arizona memorial stone in the Washington monument.

"If we are to maintain the nation and its government institutions with a fair semblance of the principles on which they were founded, two policies always must be supported," the president said.

"First, the principle of local self-government in harmony with the needs of each state. This means that in general the states should not surrender, but retain their own sovereignty and keep control of their own government. Second, a policy of local reflection of nationwide public opinion. Each state must shape its course to conform to the generally accepted sanctions of society and to the needs of the nation. It must provide a workable similarity of economic and industrial relations. It must protect the health and provide for the education of its own citizens. This policy is already well recognized in the association of the states for the promotion and adoption of uniform laws. Unless this policy be adopted by the states, interference by the nation cannot be resisted.

Urges High Standards
"Throughout our whole nation there is an irresistible urge for the maintenance of the highest possible standards of government and society. Unless this sentiment is heeded and observed by appropriate state action there always is grave danger of encroachment upon the states by the national government. But it must always be realized that such encroachment is a hazardous undertaking and should be adopted only as a last resort.

"The true course to be followed is the maintenance of the integrity of each state by local laws and social customs which will place it in comparative harmony with all the others. By such a method, which can only be the result of great effort constantly exerted, it will be possible to maintain an indestructible union of indestructible states."

The president's address was a part of a ceremony attending the unveiling of the Arizona stone, a block from the petrified forests of that state. The ceremony was held at the 320 foot building in the monument.

"FUMIGATE" TRAMPS TO STOP SPREAD OF CATTLE DISEASE

SALT LAKE, April 15 (AP)—In order that tramps on their post-winter exodus from California may not carry the foot and mouth disease into Utah, A. A. Hinckley, commissioner of agriculture, yesterday asked officials of the Union Pacific, Southern Pacific and Western Pacific railroads to have all trains stopped at the Nevada-California line so that the train-servants might be subjected to disinfection.

The request will be taken up formally with general officials of the roads, it was said.

FORM COOLIDGE CLUB

PLYMOUTH, Vermont, April 15 (AP)—To further the presidential campaign of Calvin Coolidge as the "Vermont farmer boy," the Home Town Coolidge club of Plymouth was formed here yesterday by the president's boyhood friends with the co-operation of national and state party officials.

FILER

FILER—Funeral services were conducted at the Methodist church here Wednesday for J. F. Blakely, aged 62, pioneer of this country, whose death was sudden and unexpected on Monday morning while undergoing an operation at the county hospital. Several years ago he was bereaved by his wife while at Lava Hot Springs. He later married Mrs. Curtis, who with her two grown children survive him. Burial was made in the I. O. O. F. cemetery under the auspices of the Masonic order. The funeral sermon was preached by the Rev. C. E. Deal of Gooding, former pastor of the Methodist church here, of which Mr. Blakely was member.

Mrs. H. H. Schildman was elected president of the Filer Women's club at their last meeting. Other officers chosen were Mrs. A. N. Holmes, first vice president; Mrs. H. E. Hammer, second vice president; Mrs. George Denman, corresponding secretary, and Mrs. A. A. Newberry, treasurer.

W. A. Shear is Filer new postmaster, succeeding W. P. Shinn, who held the position over nine years. Mr. Shear took this position on Tuesday of last week and is assisted by Mrs. R. L. Macaw, who has served as assistant for the past five years.

Mrs. J. W. Thorpe left Sunday morning for Brigham City, Utah, where she will join Mr. Thorpe, who is assisting his father there.

Leslie Annan, who is attending the school at Albion, spent the weekend here with his family. He was accompanied to Albion Sunday by his parents, Mr. and Mrs. Annan.

Mrs. H. Brackbury is seriously ill, suffering from an attack of quinsy. Mrs. Claude Brown spent the week

end in Kimberly with Miss Hazel Gardner.

Mr. and Mrs. Homer Holcomb of Spokane spent last week with Mr. and Mrs. Murray, parents of Mrs. Holcomb.

The officers of the local Eastern Star chapter held a silver tea Saturday afternoon at the Masonic hall.

Mrs. Harold Moore and small son of Seattle, Washington, are visiting relatives here.

Mr. and Mrs. Charles Reynolds of Buhl, spent Sunday here with relatives.

Mr. and Mrs. John Blass and Mrs. C. D. McKinley and children spent Saturday in Twin Falls.

OFFERS 1000 PAIRS

BURSON IN GLOS

Full Fashioned Hose and **SILK**

\$1 You'll hardly be able to believe your eyes when you see this stocking! For it is made of glistening, finely woven Glos and Japan Silk—clear to the knee.

When have you ever bought such a beautiful full-fashioned stocking for \$1? It's sheer and dainty—of a weight just between a chiffon and a medium weight stocking. And you'll find it in the most fashionable new hosiery shades!

For years hosiery manufacturers have been trying to perfect such a full-fashioned stocking that could be sold for \$1. The great Burson Mills have succeeded—and the Idaho Department Store was chosen as the largest and leading store in which this hosiery should be sold!

\$1

\$1.00	IN THESE FASHIONABLE COLORS:		\$1.00

\$1.00	BEIGE	BLACK	\$1.00
	NUDE	THURSH	
	CINNAMON	POLO	

This is Hosiery that will stand close inspection

We want you to examine this hosiery closely. Note the fine texture of material. Run your hand down the whole lovely length of one of these stockings. Note the clear flawlessness. Place one down flat on the counter and see how perfectly it is made to fit—how daintily it narrows at the ankle, how gracefully it widens toward the top. See how it's reinforced—how the reinforcement is arranged so it doesn't show above the shoe.

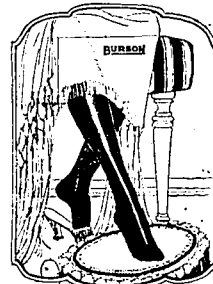

BURSON

\$1.00	The Wearing Qualities	\$1.00
PER PAIR	This stocking is woven from fine threads, each consisting of imported English Glos twisted with pure Japanese quality Silk—the result is a stocking of beautiful, lustrous appearance and exceptional strength.	PER PAIR

How the Burson Stocking Is Made

THE TOE is fashioned to fit by the "Vee Weave" without knots and without a seam across the top.

THE SOLE, made of long wearing mercerized lisle yarn, is perfectly smooth inside and out, without a welt or seam anywhere, giving absolute foot comfort to the wearer.

THE HEEL is strongly reinforced for protection from the shoe, but for the sake of smarter appearance is not carried unnecessarily high.

THE LEG, gradually tapered in the knitting to nature's lines, conforms to the one infallible test of all full-fashioned stockings.

THE TOP is made of strong mercerized lisle yarn, doubled to withstand the strain of garter clasps.

\$1.00	AN EVENT LIKE THIS 4 DAYS BEFORE EASTER SUNDAY, THE REAL DRESS-UP DAY OF THE ENTIRE YEAR. 1000 PAIRS.	\$1.00

LOCAL SUPPORT IS NEEDED FOR LEAGUE SCHEME

Chamber of Commerce Approves Solicitation of Funds for Baseball Organization; Material Said to Be Plentiful

Organization of a six-town league of semi-professional baseball to include Twin Falls took a step forward Tuesday when the Twin Falls Chamber of Commerce approved solicitation of funds. C. P. Coggriff will act as manager of the 1924 ball club, according to information received Tuesday.

Ruhl already has significant intention of joining the league and as yet the schedule including other towns is only a matter of suggestion, although no difficulty will be experienced, it is thought, in obtaining a full lineup.

Barboul hope, which is getting more and more plentiful, has it that infield material here will be in abundance. In addition to Whitzell, Stivers and Klockner, two University of Idaho stars, and Jim Seilly, Denver university player, "Polly" Lecher, captain of the Portacello Tech ball club, and shortstop for the past season on the Jerome ball club, are understood to be available for the Twin Falls team.

"Spud" Morely, a pitcher who has occupied a prominent place in Twin Falls baseball in the past, has signified his intention of finding employment in Twin Falls for the summer. He with "Lefty" Oliver should be a decided asset and with Richardson behind the bat Twin Falls will have the nucleus of a crack ball club.

TRACK CONTEST IS POSTPONED

Weather Prevents Scheduled Meet; Rupert Trackmen Coming Here Next Week

Wind, dust, snow and more wind conspired against the local high school athletic program to the extent of forcing the Wendell-Twin Falls track meet to be postponed until a future date Tuesday afternoon.

With this field is comparatively poor condition and many of the stellar performers in anything but perfect condition, Coach Evans decided against risking the danger of damaging the team with a meet under the handicap of local weather conditions.

Next week the Rupert trackmen will travel to Lincoln for a meet with the blue and white team. Last year the two schools tied for honors at the Elmer meet last year with 31 1/2 points to their credit.

Rupert has a strong collection of track men with an exceptionally fast relay team and speedy runners as their chief attractions. Long of Rupert easily swept the borders in the sprint last year in every meet in which he competed and the contest between this star and Timm would be an affair worth watching inasmuch as Timm has already shown a world of speed in previous meets. Stone and Nelson are other Rupert runners of ability. Stone taking the 440 last year in the district meet in good time.

PIRATES LOSE OPENING GAME

Reds Take 6 to 5 Victory; Giants Lose to Brooklyn, 3 to 2; Cards Beat Cubs

CINCINNATI, April 15 (AP)—Before a record breaking crowd, Cincinnati defeated Pittsburgh today, 6 to 5. Morrison has hit freely and his infield support was somewhat ragged. Donahue allowed only one hit in five innings, but was pounded hard in the sixth, when the visitors bunched four clean singles and a triple by Bigbee for four earned runs. Sheehan finished the game in good form. The Reds tied the score in the eighth on Hargrave's second triple and Bohne's sacrifice fly and won off Meadows in the ninth on Roush's sacrifice fly. Hargrave was the batting leader with two triples and two singles out of four times up. The actual paid attendance was 35,747, the largest number ever at a ball game at Redland field.

The score: R. H. E. Pittsburgh 5 8 3
Cincinnati 6 9 2
Batteries—Morrison, Meadows and Schmidt; Donahue, Sheehan and Hargrave.

GIANTS 2, DODGERS 3.
NEW YORK, April 15 (AP)—Playing a strong game behind Dutch Ruether's efficient pitching, the Brooklyn Dodgers defeated the New York Giants in the opening game today, 3 to 2, before a crowd of 44,000, the greatest that ever saw a National league opening in New York.

Ruether had complete control for the

first six innings, yielding only one hit. New York rallied in the seventh and scored two runs, but Southworth was retired with the bases full.

Brooklyn made all its hits and runs off Ryan in the early innings. Two left-handers, Geary and Nehf, held Brooklyn hitless during the last five innings. Mayor Hylan threw out the first ball, while the Giants raised the National league pennant of 1923.

The score: R. H. E. Brooklyn 2 7 1
Batteries—Ruether and Deberry. Ryan, Geary, Nehf and Snyder, Gowdy.

ST. LOUIS WINS.

ST. LOUIS, April 15 (AP)—The St. Louis Cardinals defeated the Chicago Cubs, 6 to 3, today in the first 1924 National league game here. A crowd of about 15,000 attended the game.

A ninth inning rally with the score 3 to 3 in favor of the Cubs, turned the tide from defeat for victory for the Cardinals. Baseball Commissioner Landis pitched the first ball with Mayor Henry Kiel of St. Louis receiving.

The score: R. H. E. St. Louis 6 13 1
Chicago 3 11 3
Batteries—Aldridge and O'Fargall; Stuart, North, Donk, Pfeffer and Vick, Holm.

ELEVEN-INNING TIE.

PHILADELPHIA, April 15 (AP)—Philadelphia and Boston engaged in an 11-inning deadlock in the first game of the 1924 season, the score standing at 6 runs each, when the game was called by darkness. Twice the locals came from behind to tie the count but lacked the punch to win.

In the ninth inning Jess Barnes went into the box with the bases loaded and scored and retired the side with only one run crossing the plate. This run, however, gave the Phillies a tie. The usual opening exercises preceded the game.

The score: R. H. E. Philadelphia 6 13 3
Boston 6 18 3
Batteries—Grenwich, Lucas, Barnes and O'Neill; Ring, Cough and Heinline.

STIFF GAME AHEAD FOR BRUINS' BASEBALL TEAM

With the weather prediction reading "fair and warmer" today the blue and white baseball team will get under way for their meeting Friday and Saturday with the Portacello pill whacker.

Portacello still has "Bob" Jackson, shortstop, as a mainstay and in a practice game last Friday with the Portacello Indians which won 11 innings they took a 10-11 victory. This week they expect to repeat the performance in a return game with the Indians before making their trip to Twin Falls, which will open the regular season for the red and blue ball club.

Twin Falls will be materially strengthened this week in all departments following many shifts in the lineup. The infield will probably be lined out with a collection of veterans, with Slim Hammond once more taking the initial sack, "Doc" Jarman at third, with Laval Jarman occupying short stop unless the oldest head of the game is called upon to pitch. Mossell, as usual, will undoubtedly be found behind the bat. In the outfield Swin is practically sure of the right-hand position, Martin the center and left will remain a matter of section, as will the rest of the positions. Garrity, Hodgins,

WORLD CHAMPS TRIM RED SOX

Yanks Beat Boston, 2 to 1; St. Louis Wins from Chicago; Johnson Segres Shutout

BOSTON, April 15 (AP)—Twenty-five thousand enthusiasts saw the world champion Yankees defeat the Red Sox, 2 to one in the opening game of the season here today. The winners made both their runs in the ninth when Ruth and Ward singled, Pipp sacrificed and Wambagans made two errors on ground balls. The single Boston run resulted from Shanks' single, Lee's bunt and Ethmer's single.

Shawkey held Boston to two hits in seven innings and then Hoy pitched hitless ball. Mayor Curley threw out the first ball to President Johnson of the Red Sox. President Johnson of the American league attended the game.

The score: R. H. E. Boston 1 2 3
New York 2 5 0
Batteries: Shawkey, Hoyt and Schang; Ethmer and O'Neill.

SISLER IS BACK

CHICAGO, April 15 (AP)—George Harold Sisler, outstanding star of the 1922 American league season, came back to the game today after a year's absence due to impaired vision and making his debut as manager of the

Jarman and Anderson are all prospective opening pitchers.

Following the showing made Friday with Buld the Bruins have had little opportunity to get in any real practice on account of the winds which have prevailed for the past two days.

St. Louis Browns, contributed largely to the team's 7 to 3 victory over Chicago by napping out two hits in four attempts.

Sisler, back in his old position at first base, fiddled perfectly with 15 putouts and no errors, drove in the first run and the run which broke the tie in the fifth. To finished with a .500 average at bat, although he did not score.

Urban Shocker, who quarreled with the Braves' management most of the winter, pitched in midseason form, holding the Sox to six hits, only two of them bunched.

The Sox were without the leadership of Frank Chance, who is confined to a hospital pending recovery from a cold. Johnny Evers, acting manager, was on the sidelines.

The game drew an attendance of about 28,000.

The score: R. H. E. St. Louis 7 11 1
Chicago 3 6 3
Batteries: Shocker and Severoid; Robertson, Connolly and Schalk.

COOLIDGE ATTENDS GAME

WASHINGTON, April 15 (AP)—Walter Johnson, ace of the Washington team, opened his nineteenth campaign today in the American league today with a shutout victory over Philadelphia, 4 to 0. The veteran was in great form, allowing only four hits and issuing but two passes.

President Coolidge officially opened the season by tossing out the first ball. The president was accompanied by Mrs. Coolidge and an official party. Secretary Wilbur of the navy led the parade of the two teams to the flagpole in deep center field where the flag was raised prior to the opening of the game.

It was the 101st shutout victory for Johnson and by striking out eight of the visitors he increased his total in this line to more than 3,000. Judge, Rice, Ruel and Goslin supplied the hits that gave Washington its runs.

A crowd of more than 25,000 witnessed the opening.

The score: R. H. E. Washington 4 10 0
Philadelphia 0 4 0
Batteries: Johnson and Egan; Egan and O'Neill; Ring, Cough and Heinline.

WOOD OPPOSES INDEPENDENCE OF FILIPINOS

Governor-General Believes Abandonment of the Islands Would Be Serious Blow to Principles of Civilization

WASHINGTON, April 15 (AP)—Immediate independence of the Philippine islands, sought by special commissions to the United States, would be a serious "blow to western civilization" and a "heartless betrayal of our trust," Governor-General Leonard Wood said today in a report made public by Secretary Weeks.

"I sympathize deeply with the desire of the Filipino people for independence," General Wood said, "but know they are not yet prepared to assume its responsibility, either from the standpoint of instructed public opinion, preparation for defense, a common language, or economic resources. I am convinced that the president's letter to Speaker Roxas voices the true interest of the Filipino people and indicates the sound, sane, humane policy which should be followed. The present organic act, with certain amendments, is adequate to carry out this policy until such time as the final relations which are to exist between the United States and the people of the Philippine islands may be determined."

Predicts Disorders

"To grant immediate independence would be a heartless betrayal of our trust and result in turning over the 12,000,000 people in these islands to strife and disorder in the near future, for it would result in almost immediate serious clashes between the Moros and Christian Filipinos, the former being a unit against independence and desiring the continuance of American sovereignty. It would defeat the true independence both economically and politically, ruin the sugar and the tobacco industries, destroy confidence in investments with resulting wrecking of the finances of the islands with attendant idleness and disorder. It would be a serious blow to western civilization—and to the Christian effort in the far east, and render unavailing or destroy much of our work here."

TAX HELD PRIOR LIEN ON RECLAMATION LAND

WASHINGTON—By dismissing a writ of error for want of jurisdiction, and denying a petition for writ of certiorari in the case of the Continental and Commercial Trust company vs. Wilhelm Werner and Gooding county, the United States supreme court Monday in effect made final a decision of the supreme court of Idaho, holding that a lien for taxes levied under state law is prior and superior to a reclamation lien attaching under Carey act.

The suit involves land on the Twin Falls North Side project, reclamation lands on which, to the amount of five million dollars, are now held by the trust company. The entryman, Werner, failed to pay her taxes for 1915 and 1916, whereupon Gooding county set up a claim to the land.

The claim was made by the trust company that a tax sale could only extend to the entryman's equity in lands, and could not displace the priority of the reclamation lien. The supreme court of Idaho held that a lien for reclamation taxes is subordinate to tax liens of the various taxing units in which the lands are situated and as the supreme court refuses to review that decision, the state court's decision becomes final. O. O. Hagg of Boise and E. A. Walters of Twin Falls argued this case for the trust company.

RELIEF FROM OBLIGATION TO FORMER WIFE ASKED

T. W. Godfrey Declares Present Husband Able to Provide for Needs of His Divorced Spouse

—Stating that his former wife, from whom he was divorced last July, has since remarried and that her present husband is well able to support her, T. W. Godfrey filed petition in district court here Tuesday for modification of the provisions under which he is required to pay \$50 monthly to his former wife, now Mrs. Ada Vignea. Hearing on the petition was set by Judge Babcock for April 25. The petition was filed for Godfrey by Attorneys J. R. Bothwell and W. Orr Chapman.

PARTY NEED NOT FEAR SCANDALS IN CAMPAIGN

(Continued from Page One)

and unimpeachable integrity selected from both great parties by a republican president, are taking appropriate legal proceedings by which all the questions which have been raised as to loss of public domain will be thrashed out, every public interest will be safeguarded and every guilty person punished. These cases are in the courts where they belong and the courts will decide.

Public Trust Judge.

"While the American people detect crookedness and corruption, they are not fond of scandal-mongers. Through-out this favored country our people are dealing directly with the credibility of witnesses with the exhibition of the grudges and personal animosities of false witnesses, and they know the difference between evidence and hearsay, between good and malicious reports, between truth and falsehood, and sustained character. They do not wish the guilty to escape, but they know that there is no security for life or liberty or character if the standards of justice are ignored and guilt is assumed before it is established."

Pearls in U. S. Rivers

Through scientific propagation of fresh water mussels in the rivers of America, experts in the United States bureau of fisheries say it will be possible in time to make the rivers of the country yield fabulous harvests in pearls. Even now pearl fishing is conducted in some rivers of the United States, and during the last year more than \$15,000,000 worth of pearls were found in the mussel shells at the bottom of the Mississippi, Black and White rivers alone.

Some Difficulty

A very stout and portly gentleman was once asked why he did not play golf, and this was his reason: "I did try it once, but I found that when I put the ball where I could see it I could not reach it; and when I put it where I could reach it I could not see it."

He Knows Them.

Find your taste in Coffee and stick to it

THERE is just one coffee-taste that just suits you. Strong or mild or half-way. M-J-B can help you find it. For the flavor of M-J-B is always in the cup. The strength is up to you. Make the test and see!

Everything for QUALITY —nothing for show

THAT'S OUR IDEA in making CAMELS—the Quality Cigarette.

Why, just buy Camels and look at the package! It's the best packing science has devised to keep cigarettes fresh and full flavored for your taste. Heavy paper outside—secure foil wrapping inside and the revenue stamp over the end to seal the package and keep it air-tight.

And note this! There's nothing flashy about the Camel package. No extra wrappings that do not improve the smoke. Not a cent of needless expense that must come out of the quality of the tobacco.

Camels wonderful and exclusive Quality wins on merit alone.

Because, men smoke Camels who want the taste and fragrance of the finest tobaccos, expertly blended. Men smoke Camels for Camels smooth, refreshing mildness and their freedom from cigarette aftertaste.

Camels are made for men who think for themselves.

COMMERCE BODY FOR IMPROVING JARBIDGE ROAD

Directors Commit Organization to Program for Facilitating Travel to Nevada Gold Mining Center

Twin Falls, Idaho, Chamber of Commerce was constituted by action of its directors at a meeting Tuesday evening, to a program of improving the road between Twin Falls and Jarbidge, Nev., in gold mining district, and decided to be reached to begin active work on this project in the immediate future.

Assistance of interests outside the chamber of commerce will be enlisted in the undertaking, it was announced. Decision of the chamber of commerce directors in this regard was an outgrowth of general appreciation of the importance of the Nevada gold mining district, and of development in the future for the district in connection with the exploitation of lately discovered deposits of mineral wealth in that region.

Endorsement of the action of the Idaho Automobile association in establishing tourist route stations at Yellowstone national park and Green River, Wyoming, was voted by the directors, and action toward putting the Twin Falls tourist park into commission for the requirements of the coming season were taken with the employment of Colonel J. W. C. Deake as touring park superintendent. Colonel Deake served for several months in this capacity last year.

Approval of the chamber of commerce was not an effort of the local baseball enthusiasts to provide baseball during the summer months here, and authorization was granted for solicitation for funds for roofing the grandstand and otherwise improving the local grounds.

Decision as to whether Twin Falls shall celebrate the Fourth of July was referred by the directors to the merchants' department, headed by Kenneth Beach.

Resignation of Curtis Turner as treasurer, director and head of the tourist park department, submitted with an explanation that lack of time prevented service in this capacity, was accepted by the directors. R. C. Lesh was elected to fill the vacancies.

Right of Way Fund Reported. Report of the railroad right of way committee showing contributions in the sum of \$16,906.25 to the fund was submitted to the directors and arrangements were made for a meeting of the committee to be held Thursday afternoon.

Resolutions expressing appreciation of services of the Business and Professional Women's association in connection with the right of way campaign were adopted.

PUTS ARTICLES ON RECORD

Articles of incorporation of the Western States Securities corporation, organized last January under Utah laws by W. J. Allen and associates, were filed Tuesday in the office of the county recorder here. The corporation is capitalized at \$250,000 of which \$150,000 has been subscribed, the remaining shares being designated as treasury stock. Principal stockholders are Mr. and Mrs. W. J. Allen, former residents of Twin Falls and now of Salt Lake. Mr. Allen maintains headquarters in Salt Lake. C. B. Wright, Twin Falls, is vice president, and O. C. Allen, Twin Falls, is secretary and treasurer. Other stockholders who with the officers, constitute the board of directors, are William A. Flower, Twin Falls, and Henry D. Staley, Salt Lake. Purposes for which the corporation is formed, according to its articles, include lending of money and negotiating loans; forming, promoting and subsidizing companies, syndicates and partnerships and execution of trusts.

WOMEN WATCH SHERIFF POUR OUT ILLICIT DRINK

In the presence of a committee of members of the Women's Christian Temperance Union, Sheriff M. E. Finch Tuesday directed destruction of about 35 gallons of confiscated alcoholic beverages. The work of destruction was accomplished by pouring the liquor into the sewer at the court house.

Approximately 10 gallons of illicit decoctions were retained for use at the county general hospital where, after passing through processes in the laboratory, it is used externally in treatment of patients.

TWIN SPRINGS RESORT TO BE REOPENED AS HOSTELRY

The resort at Twin Springs, Nevada, at one time owned and operated by the late William Burgin, is to be reopened as a hotel in the immediate future by Mr. and Mrs. Paul Dawson, proprietors of the Weaver rooms here, it was announced Tuesday. The property is situated in the vicinity of the Rogerson-Wells line right of way.

State Makes Offer For Live Pheasant

South Idaho Fish and Game Association Co-operating in Conservation Work

Idaho's fish and game department wanted two or three male Chinese pheasants and will pay one dollar each for birds delivered alive and unharmed, according to announcement Tuesday through the Southern Idaho Fish and Game association.

The department receives numerous calls for these birds for other parts of the state, and it is its wish to stock the entire state. The Southern Idaho association is co-operating with the state department in its conservation and propagation program, and W. H. Briche, Twin Falls, president of the association, has been commissioned to represent the department in this work in its relation to the pheasants. Effort is being directed toward recovery of pheasant eggs likely to be destroyed by farming operations, and applicants are urged to report the location of such eggs to the department, and deliver them either to Mr. Briche or the game warden. Eggs should not be disturbed except those that would be destroyed by farming operations unless removed.

Announcement also was made through the association that the state department will pay 50 cents each for pheasants hatched by persons recovering eggs, with one dollar additional for the hen which would be shipped with the pheasant chicks on delivery at the age of six or eight weeks. Gathering or destruction of wild duck eggs in violation of law and no permit for this purpose will be issued.

BOY BELIEVED POISON VICTIM

Amoyt Thomas, 14, Castleford Student, Dies from Reputed Effects of Drink

A victim, it is believed, of bootleg liquor, Amoyt Thomas, 14, son of Mr. and Mrs. G. F. Thomas and a student of the Castleford high school, died early Monday morning at his family home three and one-half miles south-west of Castleford, following an illness of two weeks.

The lad became ill while playing ball at school on the afternoon of April 1, but remained in school throughout the day and made his way home on horseback. His condition was so serious when he arrived home that a doctor was called immediately. He continued in a state of delirium most of the time until he expired.

The case was investigated by John R. Ault, probation officer, and Sheriff Finch, who were told by the stricken boy that he had not been well since testing liquor presented in the vicinity of Castleford a few days before he was stricken by the fatal illness.

Death of the lad with attendant circumstances has aroused the entire community, in which the boy was held in high esteem.

Funeral services are to be held at 2 o'clock this afternoon in the Castleford high school auditorium.

CATTLEFORD MAN ACCUSED

Clinton Bowman, Charged with Sale of Liquor to Minor, Denies Guilt; Held for Hearing

Clinton Bowman of Castleford, charged with sale of a pint of liquor to Burt Gillett, a minor, pleaded not guilty on arraignment Tuesday before Judge O. P. Duvall in probate court here, and was admitted to \$500 bond, pending preliminary hearing set for Friday morning. Bowman was represented by Attorney W. P. Guthrie.

He was arrested last Monday at Castleford by members of the sheriff's force.

RIGHT OF WAY FUND GROWING

Sixth Day's Contributions Amount to \$762.20 and Bring Total Up to \$16,906.25

THE FIGURES UP TO 6 P. M. TUESDAY.	
First day's collections	\$ 8,240.77
Second day's collections	2,735.78
Third day's collections	2,664.50
Fourth day's collections	1,288.95
Fifth day's collections	1,853.05
Sixth day's collections	762.20
TOTAL	\$16,906.25

Collections Tuesday amounting to \$762.20 brought the total of the fund for purchase of the Rogerson-Wells line right of way through Utah Construction company lands up to \$16,906.25, according to announcement made by the finance committee, after checking contributions previously received.

Contributions on Tuesday, the sixth day of the campaign which attained its objective on Monday came almost wholly from out-of-town subscribers and included Representative Addison T. Smith's check for \$50 and a check for \$25 from Miller and Velle, Salt Lake. Simpson and company, wholesale grocers, handed in a check for \$100 from M. J. Brando and company, manufacturers of the M. J. B. brand of coffee, of which the Simpson company are distributors in this region.

Increases Contribution.

J. Crocker of Macon, Illinois, who previously had contributed \$100 without knowledge of the purpose of the fund, and became, he said, his friend C. H. Chiswell had been solicited the donation was "for it" advised Mr. Chiswell by telegram Tuesday he had received the letter explaining the purpose of the campaign and increased his subscription to \$250.

It was reported to the finance committee during the day that one contributor upon learning that the campaign objective had been attained directed the bank to stop payment on his check given to the fund. It was the opinion generally of those who learned of this incident that the check was not issued for a large amount.

COUNTY OFFICIALS REPORT

Clerk of Court and Recorder, Probate Judge and Sheriff Make Accounting for Three-Months Period

Earned fees of the office of C. C. Higgins, clerk of the district court, auditor and recorder, for the three months' period ending April 15, amounted to \$404.95, according to quarterly report made to the board of county commissioners. Fees earned as recorder amounted to \$238.55, and as clerk of the court to \$166.45. The full amount, with deductions of \$81 for appeals to the supreme court and \$31.45 for postage and other expense, was turned over to the county treasurer.

Fees earned during the quarter by the probate court amounted to \$250, according to report made by Probate Judge O. P. Duvall. Fees in civil cases amounted to \$921.25; criminal, \$58, estates, \$554; guardianships, \$36.45; adoptions, \$10; marriages, \$10.

Sheriff M. E. Finch reported collection of \$127.10 in fees involved in 267 cases during the quarter. Fees of clerks in each case ranged from 20 cents to \$49.

On Business Trip.—Wallace White left Tuesday for Pocatello on a business trip.

"Exide"
BATTERIES

Why Experiment?

A Battery that seems "cheap" in the beginning may prove the most expensive in a short time. So why experiment? The first cost of an Exide is low and the last cost lowest of all.

SUIT INVOLVING BURNED HORSES GIVEN TO JURY

Trial in Suit of Illinois Dealers Against Piler District Farmer Comes to Close After Three Days

Questions at issue in the suit of S. Metz and Sons, Illinois horse dealers, against E. R. Walz, Piler district farmer, and others, involving the dealers' claim to \$3000 insurance on two horses sold to Walz and later destroyed by fire caused by lightning, were left to the determination of the jury at the conclusion late Tuesday afternoon of a trial that occupied almost three days in district court here. A sealed verdict was to be delivered to the court this morning in the event an agreement was reached before that time.

Debt to the horse dealers on account of the destroyed animals was not denied by Walz, but he denied that the animals had been insured for the benefit of the dealers and made claim to damages based on alleged defects in one of the animals in question.

Two interrogatories were submitted to the jury regarding the liability of the First National bank of Piler to whom the insurance money was delivered by Walz. The first asked whether there was an agreement to insure the animals for the benefit of Metz, and if so, the second interrogatory asked whether the bank had notice of such an agreement.

Trial in the case of J. H. Seaver against W. L. Adams, involving dispute over storage and sale of apples, was set for trial before a jury in court today. In this case Asher B. Wilson and J. Paul Thomas are attorneys for the plaintiff, and Stephan and North for the defendant.

PETITIONS FOR DIVORCE AND CUSTODY OF CHILDREN

Alleging cruelty manifested in fault-finding and jealousy, Jake Sonfleit instituted action in district court here Tuesday for divorce from Frances Pearl Sonfleit, whom he married, according to the bill of particulars, in Shoshone in March, 1916. He asks for custody of three children, a son and two daughters, aged three to eight years. No community property is involved. Papers in the case were filed by Attorney W. P. Guthrie.

Not Consistent.

Happy Boy—Mr. Jean and I have decided that our happiness is the best thing in the world. Father—"You change your mind so often—just yesterday you wanted to marry her!"—Mother.

Leaving for California.—Mr. and Mrs. George Rice have left on an overland trip to California, where they expect to make their home in the future. They will visit relatives in Ogden and Helper, Utah, later joining Mr. and Mrs. Henry Peters on the trip to California.

Returning from Washington.—Judge and Mrs. E. A. Walters are expected to return today from Washington, D. C., where Judge Walters appeared in argument of a legal matter before the supreme court.

Summons to Fight Plague.—B. H. Gustin left Tuesday for Mojave, California, in response to summons of the federal bureau of animal industry to assist in the campaign against foot and mouth disease in that state.

Breaks Arm in Fall.—Richard Robertson, son of T. M. Robertson and student of the Twin Falls high school, fell Monday evening in an attempt to leap over a suspended wire and fractured his left arm just above the wrist.

Summons to Fight Plague.—B. H. Gustin left Tuesday for Mojave, California, in response to summons of the federal bureau of animal industry to assist in the campaign against foot and mouth disease in that state.
