Daugherty Explains His Side of Investigation Question; Places Senators Under Charges of Being Traitors

COLUMBUS, O., April 23 (AP)—Harry M. Daugherty told an audience of friends and neighbors tonight that he had given up his cabinet post rather than "contribute to a treasonable cause."

"Files of the department of justice," he said, contained "abundant proof of the plans, purposes and hellish designs of the communist international."

"Bear in mind," he continued, "that the files which I refused to deliver to the Wheeler investigating committee at the time my resignation was requested were demanded by Brookhart and Wheeler, two United States senators who spent last summer in Russia with their soviet friends—these same soviet and communist leaders who preach destruction of constitutional government, destruction even of human life."

"I preferred to permit my integrity to be questioned and my honor to hang in the balance, for the time being, rather than surrender the files in the keeping of the department of justice. I gladly gave up a post of honor rather than contribute to a treasonable cause."

Suspects Senators

Daugherty charged that pilgrimages to Moscow by United States senators had been arranged for by the communist authorities after their efforts to capture American labor organizations had failed.

"There (in Russia) no doubt, no inspirations were advanced," he continued, "as to what steps should be taken to cripple the government of the United States rather than crumble the columns that support it."

PINCHOT BEATEN.

PHILADELPHIA, April 23 (AP)—Returns from yesterday's state primary convention to infer the lead today of Ralph Beaver Strasburger over Governor Gifford Pinchot for election as delegate at large to the republican national convention. Figures from 6234 out of 8119 districts in the state gave Strasburger a lead of 214,417. The figures were: Strasburger 432,787; Pinchot 218,370.

Giant Balloons Set
Out To Establish
Endurance Records

Seven Contestants in Crews of Two Men Each Take Off from San Antonio; Expect to Reach Ohio Thursday.

SAN ANTONIO, Texas, April 23 (AP)—Seven giant gas bags took off here today in the national elimination balloon race, and tonight, with their two-man crews, were drifting northward seeking new marks of endurance and speed.

The balloonists expect to be over Indiana or Ohio tomorrow morning if all goes well.

The balloons got away easily, rising in a gentle breeze that swept Kelly field, the starting point, from the south.

The pilot balloon rose in the air at 4:43 p. m. and headed off slightly west of north.

HALVES CLAIM FOR WAGES

A jury in probate court Wednesday returned a verdict awarding \$95 to Peter Harrison on his claim for wages amounting to about \$100 against Joe Smith, Twin Falls district farmer. Defendant Smith testified at the trial that he had discharged Harrison when farm work ended in the fall but that Harrison asked to remain and that he previously had "played during the winter at the Smith farm receiving only board and room as compensation for help with chores. Two other witnesses testified that Harrison had told them he had done no work on the Smith farm during the period for which he claimed wages.

Notice of appeal to the district court from the jury's award and bond for the return of the judgment on the verdict were filed Wednesday by Homer C. Mills, attorney for Smith. Attorney E. V. Larson appeared as counsel for Harrison.

Carrie Chapman Catt
Mentioned for Chair
at Bourbon Conclave

Choice of Woman for Temporary Presiding Officer Reported Under Consideration

NEW YORK, April 23 (AP)—The choice of a woman for temporary presiding officer and keynote spokesman for the national democratic convention here in June was reliably reported today to have been taken under consideration by the sub-committee on convention arrangements.

In this connection, it was said, the sub-committee which was suggested that a woman be assigned this responsibility also put forward the name of Carrie Chapman Catt as a likely candidate.

IDAHO SCHOOLS'
CLAIMS URGED

Dean J. G. Eldridge Addresses Rotarians in Interests of University

While there are 106 pupils at the University of Idaho from Twin Falls county, this is but 46 percent of all the Idaho young men and women who are attending colleges or universities.

Dean J. G. Eldridge on Wednesday told the Twin Falls Rotary club at the regular weekly meeting.

The dean spoke briefly on the subject of the university, stressing the fact that its credits were accepted at par in all the leading educational institutions of the country and that the atmosphere surrounding the entire plant was one of democratic friendliness, shared in by both students and faculty.

Dean Eldridge is engaged this week inviting a number of Idaho towns in the interests of the university. He freely admits that in many cases there are good and sufficient reasons for Idaho parents sending their boys and girls to colleges and universities outside the state, but pleads for an increase in the percentage given above, which, he says, places Idaho fourth from the bottom of all state universities in the matter of attendance from the state in which they are located.

John Salisbury, deputy state game warden, at present serving as game warden in this district, was also a guest of the club. Mr. Salisbury made a strong plea for conservation of fish and game and closed with a reference to Fire Protection week, urging his hearers to observe due caution with fires at all times when in the woods in the interests of forest and timber protection.

Scout Executive Douglas Hawley was also present and took occasion to strongly endorse the remarks of both the preceding speakers.

FLIES HALTED.

CORDOVA, Alaska, April 23 (AP)—Strong west winds and heavy seas prevented Major Frederick L. Martin, commanding a group of four United States army cruisers encircling the globe, from taking off in Portage bay at Kanatak early today, for a 250 mile flight to Dutch Harbor, Unalakleet, where he will join his other three companions according to a wireless.

WOULD FIGHT GRAFTERS

SAN FRANCISCO, April 23 (AP)—Promising that if he were elected president he would "drive all the grafters and corruptionists out of Washington and into the jails of the United States," William G. McAdoo in an address here last night asked support for a delegation to the democratic national convention pledged to seek his nomination.

OLSON PLAYERS RETURNING

Arrangements have been made whereby the Moroni Olson Players will give at least one performance in Twin Falls next season, and possibly more. The opening engagement will be sponsored by the Twin Falls Business Women's club, the intention being to sell a sufficient number of tickets in advance to guarantee the success of the affair from a financial standpoint.

If the support accorded this splendid company for the first performance warrants, arrangements for two later engagements may be entered into. The project has attracted quite a little attention among local theatergoers and is particularly welcomed by those who witnessed the Jan. 14 performance of last season nor anxious for the success of a return engagement.

FIRE AT INDIAN SCHOOL

POCATELLO, April 23 (AP)—The large dairy barn at the Fort Hall Indian agency school was burned to the ground shortly after midnight and damage will amount to approximately \$10,000. The fire which started from an unknown cause, had gained considerable headway before discovery.

COOLIDGE TO BE
TOLD OF STOCK
PLAGUE STATUS

California's Plight Because of Epizootic Spread to Be Placed Again Before President by Senator Shortridge

WASHINGTON, April 23 (AP)—California's plight because of the foot and mouth disease and embargoes of western states against products of her soil will be placed again before President Coolidge, who recently telegraphed governors of ten western states suggesting an immediate conference and modification of the state embargoes.

Senator Shortridge of California was authorized by the state's congressional delegation today to confer with the president and C. C. Tague, chairman of the committee on federal authorities, also has an engagement with the president tomorrow.

The fight against the disease itself is being waged vigorously by the department of agriculture. Secretary Wallace was ready tonight to have his officials assume full charge of the fight in California upon receipt of Governor Richardson's formal, unqualified request.

Messages are ready for dispatch to Dr. U. G. Honeck of the department of agriculture, ordering him to take supreme command of the state's forces and unify control of the federal and state officers, with headquarters at Sacramento.

BODIES FOUND

BEND, Ore., April 23 (AP)—The bodies of Henry Morris, Edward Nichols and Roy Wilson, three trappers, missing since about January 15, were found tonight in Little Lava lake near here by deputy sheriffs who dragged the lake, according to a telephone message received here tonight. All three men had been shot in the head.

SLAYED AT BAY.

LUBBOCK, Texas, April 23 (AP)—A man believed to be a maine and the unidentified slayer of Dr. S. H. Windham, Monday night, killed a second man this morning shortly after daybreak. He is reported to be surrounded in an abandoned house several miles from Brownfield, Texas, and a citizen's posse of more than 300 men is making an effort to get him.

Fifty More Federal
Veterinarians Sent
to Combat Disease

Steps Taken to Augment Forces Now Fighting Scourge Situation in California

WASHINGTON, April 23 (AP)—Fifty additional federal veterinarians are being dispatched by the bureau of animal industry to California to augment the forces of the government now there battling the foot and mouth disease among cattle.

Thirty-five men are now en route from New York, North Carolina and other states, four were given orders today and 11 more are being selected from the government's forces in various parts of the country.

MONTANA SOLON
ISSUES REPLY

Wheeler Intimates Further Revelations in Senate Inquiry May Be Expected

WASHINGTON, April 23 (AP)—Replying to recent criticism by former Attorney General Daugherty of the senate investigation, Senator Wheeler, democrat, Montana, prosecutor of the Daugherty committee, declared in a statement tonight that "the evidence thus far adduced before the committee is but a drop in the bucket."

"The achievements of the department of justice" of which Mr. Daugherty boasts, he added, "cannot be fully revealed until the Ohio gang, known at Columbus as 'his boys,' and numbering almost a dozen high officials in the department, is ousted."

"Daugherty complains he has had an opportunity of cross-examining witnesses. This is false. His counsel have been allowed to examine every witness who finished direct testimony. In the case of Miss Roxie Stinson they complained for days in the press of not being allowed to cross-examine, but when given opportunity, their questions were trivial and they were glad to stop in five minutes."

"The 'attack upon dead men' referred to by Mr. Daugherty results from the fact that Jess Smith was his room-mate and constant companion. Jess Smith was honest before he came to Washington with Daugherty. If he then became corrupt, it was as Daugherty's agent, his buffer."

GOVERNOR MOORE FIRM
FOR CONTINUANCE OF
PRESENT QUARANTINE

TWIN FALLS MAN MAY BE NAMED TO GET FACTS ON MALADY SITUATION

Idaho's Chief Executive and Other Officials, Livestock Men and Bankers Confer with California Representatives Regarding Foot and Mouth Disease; Smith-Questions Delegates

BOISE, April 23 (AP)—Idaho's quarantine against California for foot and mouth disease will not be modified, it was announced today by Governor C. C. Moore, following a conference with four California representatives and 35 Idaho officials, livestock men, bankers and business men.

BANK ASSERTS ITS CLAIM

Kimberly Institution Sues to Establish Interest in Property Bid in by Its Reputed Debtor

Bank of Kimberly filed in district court here Wednesday an amended complaint in its suit against M. E. Finch, sheriff, William S. Martin and the Gem State Lumber company, in which the bank claims a proprietary interest in certain real estate obtained by Martin under foreclosure proceedings on a mortgage executed to Martin by L. Finley.

Suit is instituted at this time for an injunction restraining issuance of a sheriff's deed to the property, or, as an alternative in the event sheriff's deed is issued, that the bank be recognized as a possessor of interest in the property to the extent of \$2804.25.

The bank's complaint alleges that prior to August, 1922, Martin was indebted to it in the sum of \$2300 and that at that time he assigned to the bank the Finley notes and mortgage. Soon afterward, according to the complaint, Martin obtained permission of the bank to foreclose the Finley mortgage giving assurance to the bank that its interest would be protected.

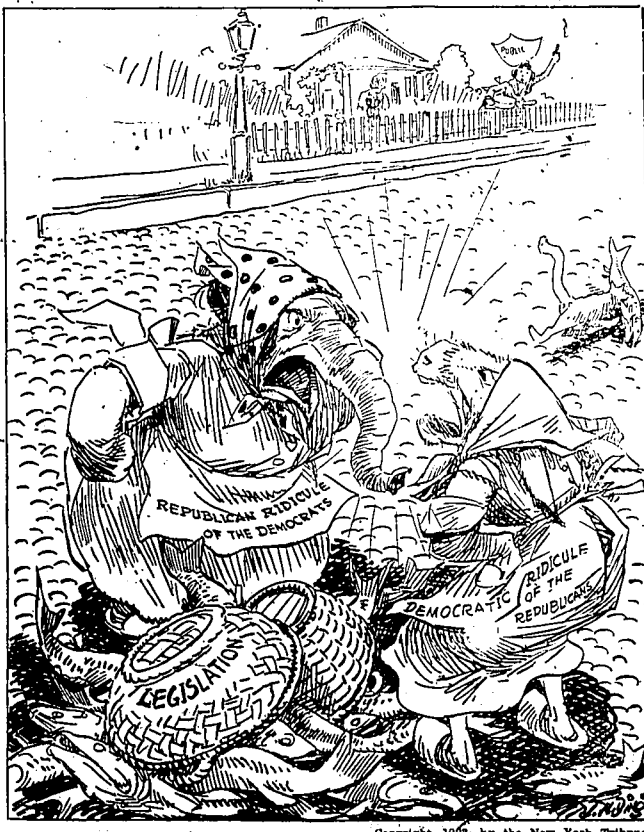

At sale of the property under foreclosure, the following December, the complaint states, Martin bid in the property, but has not made good the promise to the bank.

The complaint was filed by Attorney E. A. Walters and R. P. Parry.

President Issues
Call for Outdoor
Recreation Confab

National Conference to Meet at Washington on May 22 to 24; Purpose Is to Assist in Drafting Policy

WASHINGTON, April 23 (AP)—Call was issued today by President Coolidge for a national conference on outdoor recreation to meet May 22 to 24 in Washington.

Announcement of the conference was made at the White House in a formal statement issued by the president after he had conferred with Secretaries Weeks, Work and Hoover and Assistant Secretary Roosevelt, whom the chief executive recently designated as members of a committee to draft a national outdoor recreation policy. The purpose of the conference will be to assist the committee in forming a national program, and Secretary Roosevelt, who today was designated as executive chairman of the conference, was instructed to send out invitations for the meeting.

JURY FINDS FOR McLEAN

Denies Claim of R. S. Whittington for Wages and Accepts Defendant's View of Case

Claim of R. S. Whittington against Donald McLean for \$63.75 wages and \$407 penalty under the state was denied by a jury which returned its verdict in district court here Wednesday morning. Whittington sued for compensation for work in connection with hauling and sorting potatoes. It was argued in defense that the liability for payment of Whittington's claim did not rest upon McLean, but if any claim existed, it had been incurred by a sub-contractor by whom Whittington was employed.

SEEK FEDERAL CONTROL OVER PLAGUE DRIVE

California Governor Extends Scope of Original Request to Government; Four New Cases Found in Merced Area

SACRAMENTO, April 22 (AP)—Government supervision and control of the campaign to wipe out the foot and mouth disease that has raged in California for almost two months is expected to follow Governor Richardson's telegram to Secretary Wallace of the United States department of agriculture today asking the government to assume full control. The governor sent a telegram yesterday asking that the government take control, but this request was considered as not asking the government to take full control.

Representatives of the city, county, state and private interests at Los Angeles declared government control was necessary to centralize and increase the effectiveness of the campaign. Los Angeles county is spending \$10,000 a day to combat the epidemic. One of the county supervisors urged that troops be called if necessary to enforce the authority of the county guards and prevent motorists from evading the quarantine regulations.

Four new cases of the disease involving about 500 animals in the Merced area were reported. Fishermen and campers are to be kept out of Calaveras county, according to an ordinance of the supervisors which makes it unlawful to carry camping or fishing equipment in the county.

Washington state made its embargo against California products more strict by prohibiting the entrance of all raw fruits and vegetables with the exception of citrus fruits from California counties infected with the disease. Products from the uninfected counties will be admitted after fumigation and inspection.

COOLIDGE GETS BIG VOTE

NEWARK, N. J., April 23 (AP)—President Coolidge swept New Jersey in yesterday's presidential primary, winning all of the state's 31 republican convention delegates. President Coolidge polled 105,558 preference votes against Senator Hiram W. Johnson's 12,076, with only a small rural vote missing.

OLD FAVORITE STORIES IN PICTURE AT IDAHO PLEASE AUDIENCES

A startling drama of divorce, which leads to considerable thought on the question is "Let Not Man Put Asunder," the current offering at the Idaho theatre. It is a strongly emotional play, exceptionally well played by two of the screen's greatest emotional actors. Because there are three distinct stories told in the telling of the one, the continuity and coherence of the drama are not always of the best, the action skipping from story to story in the simultaneous narration of the three.

Pauline Frederick long ago won her crown as an emotional artist, but in "Let Not Man Put Asunder" she adds another bright star to the crown. She portrays an intensely human woman suffering through her own pride, in her role of Petrina Vassal. As dramatically emotional and human is Len Torgeson, who plays the opposite role of Dick Mechem. The supporting cast of these two stars is a well chosen and capable one, including such players as Helena d'Algy, Leslie Auston and Maurice Costello.

The general theme of the picture is that love that was always is, and no matter if a man and woman are divorced by law, they are still married in their hearts. In support of the theory, the lives of the three couples, their happiness and their tragedies, are depicted in a gripping manner.

MANY PRIZE BEAUTIES

In the ballroom and bathing pool sequences of "Flaming Youth," at the Orpheum theatre, are at least a dozen beautiful girls who became motion picture actresses through the winning of beauty contests. To film "Flaming Youth," First National virtually cornered the famous Hollywood beauty market.

The Busy Bee.

In order to store up a kilogram (two and one-fifth pounds) of honey, bees have to visit at least 6,000,000 heads of red clover, according to computations based on observations of their work by Dr. L. Armbruster of Berlin. Clover honey requires the most work. Fewer visits to other honey-producing plants are required, as low as 80,000 in the case of peas.

That's the Main Trick.

Blackstone alone can teach you how to practice law, but many, many books are necessary to teach you how to dodge it.—Duluth Herald.

Indian Recorded by War Department as Dead Returns Home

Memory Affected; Sioux Tribesman Wandered While He Was Being "Baried"

OMAHA, April 22 (AP)—Officially dead and buried so far as government records are concerned, Arthur Frazier a Sioux Indian, is now regaining his health at the home of his parents at Winner, S. D. While American Legion officials are trying to convince the war department that he is alive. Opening a grave at Niobrara, Neb., where the body of a man supposedly Frazier was buried in September, 1921, with military honors, has been ordered.

Last November Frazier was found in Oklahoma, his memory almost completely gone. Although his parents identified him by childhood scars, the war department has not been convinced of his identity.

SENATE FACING BITTER BATTLE

Tax Reduction Proposal to Come Up in Upper House Thursday for Discussion

WASHINGTON, April 23 (AP)—The tax reduction bill was made the unfinished business of the senate today within five minutes after the passage of the soldier bonus measure.

After two hours given over to the consideration of minor measures the senate will plunge tomorrow into what is destined to be the bitter legislative battle of the session. The Mellon income tax rates will be the center of the controversy.

Chairman Smoot, of the finance committee, in moving to take up the revenue measure, predicted that a minimum of two weeks would be required for its disposition. Other leaders, however, are less optimistic.

EXCELSIOR

EXCELSIOR—Mr. and Mrs. J. M. Grove spent Sunday with their daughter, Mrs. Cutler of Hazelton.

Mrs. C. E. Sweet and family and Mrs. C. J. Donahoe of Twin Falls, and Mr. and Mrs. C. L. Stark and family of Paul visited at the home of their parents, Mr. and Mrs. Peter Mai, Sunday.

A surprise party was given in honor of Bertha Newman Saturday night at the home of her parents, Mr. and Mrs. Peter Newman. Those present were: Grace and Fay Donahoe, Lillie Hall, Ted Pomeroy, Paul Weaver, Willard Mintun and Arthur and Edith Lott.

The Pleasant Valley boys expect to play a game of ball with the Excelsior boys at Excelsior Friday.

Miss Hughes and Miss Durham spent the week end visiting the George Lick family near Twin Falls.

The annual school meeting was held Saturday and W. H. Haines was re-elected as chairman of the board of directors.

Eric Newman, Willard Teater, Charles Hall and George Lucas went camping up in the hills Saturday, returning Sunday.

Adam Link and sister, Mrs. Arnold, left for St. Louis Tuesday morning, where Mr. Link expects to make his future home.

Mr. and Mrs. Teater and Peter Mai and family went to Twin Falls Saturday.

Mr. and Mrs. Robert Shankel of Twin Falls were guests at Mrs. Shankel's parents, Mr. and Mrs. Charley Cline Sunday.

Marie and Lela Teater spent an enjoyable Easter at their aunt's home, Mrs. Jones of Kimberly.

Misses Bertha Newman, Fay Donahoe and Lillie Hall spent the week-end with relatives and friends in this vicinity.

OFFICERS SELECTED AT A. P. ANNUAL MEETING

NEW YORK, April 23 (AP)—Five directors were re-elected at the annual meeting of the Associated Press yesterday. Two directors were chosen to fill vacancies caused by resignations from the board, which has 15 members.

The following were re-elected for three years:

Victor F. Lawson, Chicago (Illinois)

Daily News.

W. H. Cowles, Spokane (Wash.)

Spokesman-Review.

Frank P. MacLennan, Topeka (Kansas)

State Journal.

E. Lansing Ray, St. Louis (Mo.)

Globe-Democrat.

Frederick T. Thompson, Birmingham, (Ala.) Herald.

To fill the vacancy caused by the resignation of V. S. McClatchey, Sacramento (Cal.) Bee, whose term would have expired next year, J. R. Knowland, Oakland (Cal.) Tribune, was elected.

To fill the vacancy caused by the resignation of W. L. McLean, Philadelphia Bulletin, whose term would have expired in 1925, Robert McLean, Philadelphia Bulletin, was elected.

As a special tribute to Mr. Lawson, he was re-elected by acclamation.

SENATE GIVES APPROVAL TO SOLDIER BONUS

Insurance Bill Wins by Majority Sufficient to Carry It Over Veto; Democrats Demand Change Later

WASHINGTON, April 23 (AP)—The senate, following in the footsteps of the house, passed the soldiers' bonus insurance bill today by a majority sufficient to carry it over a presidential veto. The vote was 67 to 17.

President Coolidge has declared against a bonus, but proponents of this particular kind of adjusted compensation legislation are hopeful that it will meet with his approval. Before the bill reaches him, however, it must go to conference for adjustment of minor differences with the house.

Assured by republican leaders that they would vote to override a veto of this bill, but would support a veto of a cash bonus measure, the senate rejected all efforts to add a cash option.

Reject Copeland Plan

The test on this question came with the rejection, 47 to 38 of an amendment by Senator Copeland democrat, New York which would have left the former service men the choice of full payments or the insurance certificate provided for in both the senate and house bills.

Many democratic senators who voted for the measure in its present form denounced it as a "miserable minko-shit," and a "gold brick" and formal notice was given that at some future time efforts would be made to amend it so as to enable the veterans to get cash.

On the final vote on the bill, nine

MR. COHEN FEARS MR. ZIMMER

STOLE HIS CLOTHING STORE

LOS ANGELES, April 23 (AP)—Sidney Zimmer is in the city jail today, charged with stealing a clothing store. Max Cohen, proprietor of the establishment, asked police assistance yesterday when he returned from a week-end trip and found his store building vacant.

Officers discovered the contents at a freight depot about to be shipped to Cleveland, Ohio, and Zimmer, who had been Cohen's clerk, was supervising the shipment, they said.

democrats including King of Utah, and eight republicans, including Board of Idaho and Smoot of Utah, opposed it, while 33 republicans including Gooding of Idaho, 32 democrats and the two farmer-labor senators supported it.

Favor Cash Payment.

Six senators who voted against the bill voted in favor of the cash option feature. They were Borah, republican, and Dial, Glass, King, Swanson and Underwood, democrats.

There is no difference between the senate and house on the main features of the bill. Each has approved the major provisions, which are:

Cash payment to veterans whose adjusted compensation would not exceed \$50.

Twenty year endowment insurance policies based on adjusted pay at the rate of \$1 a day for domestic service and \$1.25 a day for overseas service.

Provision is made in the insurance feature under which the veteran after a period of two years from the date of the issue of his certificate could obtain loans from banks up to 90 per cent of the current cash value of the certificate.

SKELETONS FOUND.

CORVALLIS, Ore., April 23 (AP)—

Two supposedly prehistoric elephant skeletons have been found on the Willamette river, about 15 miles above Corvallis. The shape of the remains is well preserved, although they are fra-

gile. The discovery was reported to Dr. John B. Horner, professor of history and director of Oregon historical research at the Oregon Agricultural college.

PROBERS HEAR TESTIMONY IN WHEELER CASE

Former Counsel for Client of Montana Senator Relates His Story; Borah Demands Submission of Letter

WASHINGTON, April 23 (AP)—Further evidence as to Senator Burton K. Wheeler's legal services for Gordon Campbell, a Montana oil operator client, was heard today by the senate special committee investigating circumstances surrounding Senator Wheeler's indictment by a Montana federal grand jury on charges that he had represented Campbell in federal matters. The session was brief and the only witness heard was L. V. Beaulieu of Los Angeles, formerly Campbell's chief attorney.

Beaulieu said he had no knowledge that Wheeler had ever represented Campbell in any way but as the interior or any other government department.

On the contrary, he testified, the senator had told him emphatically that he could not do any federal business for Campbell when Beaulieu mentioned to him the matter of federal land permits.

FEAR TOWNS DEMOLISHED

MANILA, April 23 (AP)—Possibility that the submarine earthquake reported April 14, about 150 miles from Manila, caused serious damage in Davao province, is indicated in dispatches received here. Three towns have not been heard from since the earthquake.

Messages received by the Philippine constabulary states they believe the town of Mati, Davao province, sunk two feet after the earthquake. A tidal wave it was said, swept over the village of Luanvanga a mile west of Mati. No loss of life has been reported.

The Day in Washington

The senate passed the soldier bonus bill.

The senate oil committee heard testimony as to the effect of drainage on naval oil reserves.

President Coolidge transmitted to the senate correspondence with foreign governments concerning oil concessions.

The state department was advised that a peace conference had been arranged between the contending forces in Honduras.

A group of Lutherans opposed the Sterling-Ford bill for a department of education before the house education committee.

A call for a national conference of outdoor recreation was issued by President Coolidge to meet in Washington May 22 to 24.

Arguments were concluded in the district court of appeals in the effort to set aside the packers' consent decree.

A sustained assault on the Ford bid was made by a group who appeared before the senate agricultural committee considering the Muscle Shoals questions.

The senate committee investigating the indictment of Senator Wheeler, democrat, Montana, questioned V. B. Beaulieu, western attorney, about Wheeler's law practices.

Vice Chairman Plummer, of the shipping board, was questioned by a house investigation committee about the activities of Senator Pepper, republican, Pennsylvania, as unofficial referee in a claims case.

PAPER SUPPLY IS AMPLE

NEW YORK, April 23 (AP)—The American Newspaper Publishers' association, opening its annual convention today, was assured by officers and committee heads that there would be plenty of news print available during the next year; that prices probably would remain at the present level; and that the outlook was for excellent transportation service.

A committee report which summarized a canvass of daily newspapers made during February and March disclosed that 945 were running strictly union composing rooms, 158 non-union, and 480 open shop; 820 pressrooms were on the open shop basis and 745 union; 739 stereotype rooms were operating nonunion or open shop and 752 were union.

The report indicated further that there were 480 plants running all departments open shop, 722 all union and 150 non-union.

Lakes of Killarney. The Lakes of Killarney in Ireland are owned by the earl of Kinnaree, who has preserved his heritage from commercial encroachment.

Mrs. Bowberry Entertains Harmony Club

Mrs. Thomas Bowberry entertained the Harmony club with a 1 o'clock luncheon on Wednesday at her home on Addison avenue. Covers were laid for eight at a beautifully appointed table waiting for a centerpiece on East coast of no other candy flowers. The place cards were in floral designs. The usual game of bridge was played, Mrs. A. Alexander winning the favor for highest score.

M. B. S. Club Members Meet

The M. B. S. club met with Mrs. A. J. Regus Wednesday afternoon. The meeting was opened with the singing of "America" and roll call was answered with household thoughts and humorous verse. A note of thanks from the P. T. A. for the contribution of the club was read.

This being the first meeting after the annual election of officers the following chairmen of committees were appointed: Ways and means, Mrs. C. H. Eldred; community service, Mrs. A. J. Regus; social, Mrs. W. W. Parish; home economics, Mrs. Schubert; music, Mrs. Guy Sturgeon; coadjutors, Mrs. C. L. Bowlsby.

Mrs. C. W. Griggs was in charge of the program which consisted of community singing; a paper by Mrs. Jamerson on "Home and Home Making"; a poem, "The Home," by Mrs. Caldwell; a paper by Mrs. Arthur Eldred entitled "The Heart of the Household"; a poem by Mrs. Schubert, "Where the Old Banks River Flows," and a vocal duet by Mrs. Sturgeon and Mrs. W. W. Parish.

A large number of visitors were present. These included Mesdames Brown, Tucker and Conover from the Maroon club; Mesdames Long, Ling, Ross and Alexander from the Kimberly Road club. Other guests were Mesdames Romans, Wright, Daniels and Mrs. May McGilness. At the close of the meeting delicious refreshments were served by the hostess, assisted by Mrs. C. W. Griggs and Mrs. C. H. Eldred.

Mrs. Esley Hostess to Bridge Club.

Mrs. George Esley entertained the royal entertainment.

Wednesday Bridge club this week. The meeting was in the nature of a compliment to Mrs. V. H. Ormsby, one of the club members who leaves next week for St. Petersburg, Florida, where Mr. Ormsby is now located.

Favor for high score in the bridge games was won by Mrs. L. F. Morse, president, and the guest of honor was presented with a remembrance. Late in the afternoon daily refreshments were served.

Mentor Club In Session

The Mentor club met in regular session Wednesday at the home of Mrs. E. N. Gish with Mrs. Pellant as hostess. Eleven members responded to roll call with a verse or a favorite song. Mrs. Glingrich was a guest. A paper on the national education bill was read by Mrs. Gish.

The following officers were elected for the coming year: President, Mrs. W. B. Chase; vice president, Mrs. F. W. Bertsch; secretary, Mrs. Walter Miller; treasurer, Mrs. Nina Cowham; reporter, Mrs. H. A. Giese; directors for the federation, Mrs. J. E. Winans and Mrs. Cora Bowen; alternates, Mrs. A. N. Bailey and Mrs. E. N. Gish.

The next meeting will be with Mrs. Austin Grinn on May 7 roll call to be answered with a quotation on Mothers' day.

Social Hour Enjoyed

After the regular lodge meeting of the P. T. A. Sisters Tuesday evening a delightful social hour was enjoyed in charge of Mrs. C. H. Eldred, Mrs. A. C. Zacharias and Mrs. Arthur Fildred. Miss Riggs and Miss Dorothy Barger gave splendid readings.

A flower guessing contest furnished amusement, first prize being won by Mrs. Albert Pustler and consolation by Mrs. C. N. Anderson. This was followed by a clever aquarium guessing game, Mrs. Ira Westfall winning first prize and Mrs. W. B. Griffin consolation. The evening closed with an auction sale, mock fashion show and refreshments. There was a large attendance and all were agreed that it was a royal entertainment.

LOCALS TRIM NORTH SIDE TRACK STARS

Twin Falls Men Forge Ahead and Take Honors by Score of 68 to 63; Timm High Point Man with 3 Firsts, 3 Seconds

Twin Falls, crippled by the loss of four men, forged ahead in the last three events Wednesday, tied and then defeated Rupert high school in their dual track meet on Lincoln field with a score of 68-63.

Timm, placing first in the shot put, discus and broad jump and second by inches to Long in the sprints, was the high point man of the meet with 21 points to his credit. Long, Rupert's crack sprinter, topped over the line in the hundred a few inches ahead of Timm in the feature event of the day for the remarkable time of 10 seconds. He was second high point with 15 credits. Burgher, all around man for Rupert, took third scoring honors by a first in the javelin, a second in the high jump and a third in the 50 yard dash.

A fairly large crowd stalked through the dust storm which added the thrills in several events and handicapped the entries in others.

Rupert Takes Early Lead
The purple and gold athletes sported a lead from the start and captured first in every one of the first six events. Starting off with the 50 yard dash, which Long took from Timm by inches, they continued in the high jump when both Hyde and Burgher cleared the bar at 5 feet 5 inches, allowing Garri third place, and Hockaday stepped out with the first time 2:15.5 in the half mile with Howe close behind for Twin Falls. The blue and white again trailed behind in the pole vault and Huggins, the only Rupert entry, cleared the bar for first with 9 feet 8 inches. The jinx stayed with the locals in the high hurdles when Fenton nosed out Simpson for a sixth consecutive first place for the victors.

With the score 36-18 for Rupert, Twin Falls slipped up for their first important scoring when Timm and Burgher tied at 105 feet for first place in the discus throw. After a short consultation it was decided that an extra throw for each should determine the event and Timm outdistanced the Rupert weight man and took first for the blue and white.

440 Won on Foot.
Witham entered the 440-yard dash for Twin Falls against Rupert's crack quarter-mile Stone. The whole distance was a nip and tuck affair to the home stretch with Stone leading slightly in the second lap. Witham took the pole for the home stretch and bestrode the Rupert star within 50 yards of the finish. Stone displayed questionable sportsmanship at this point by crowding Witham off of the track, crossing from his lane in to the blue and white man's lane and planting his elbow in Witham's chest repeatedly. The judges awarded Witham first in this event and disqualified Stone. This brought the locals within eight points of the purple and gold score, but the javelin again placed Rupert ahead when Burgher tossed out the willow 134 feet 4 inches. Twin Falls was handicapped by the loss of Murray in this event and Jenkins placed second with a 127-foot toss. The javelin was broken, accounting for the poor showing. Long, running neck and neck with Timm, also increased the Rupert lead in the 220, when he skipped over the tape in 23 3/5 seconds. Simpson pushed up the count for Twin Falls slightly in the low hurdles when he barely nosed out Fenton, and Lenz, the other blue and white entry in an extremely close race.

Make Clean Sweep of Shot Put.
The blue and white was dragging nine points behind with the meet more than half gone when Timm, Jenkins and Humphrey gave the local school all three points in the shot put and tied the score, 54-54. Timm's toss was 40 feet 11 1/2 inches, a scant inch and a half ahead of Jenkins.

Rupert entered the race in the mile all of them setting a fast pace, which Lawrence Hall and Harrison failed to follow, preferring to run their own race. By the time the fourth lap had been passed Hall was fully 25 yards in advance of his nearest rival and Harrison in a remarkable sprint forged ahead of three purple and gold runners, placing second. This gave Twin Falls the lead for the first time of the day with the broad jump and half mile relay yet to be run. Long, winner of the broad jump at Flier last year, decided to save himself for the relay and did not enter the broad jump. Timm easily took first in this event with a leap of an even 20 feet. Hyde of Rupert placed second and "Moose" Garri took third. For the locals in a last trial jump, which decided the meet for Twin Falls, which

YANKEES TAKE EASY VICTORY

Champs Make 15 Hits for 31 Bases Against Boston; Browns Break Losing Streak

NEW YORK, April 23 (AP)—The New York Yankees opened the American league season here today with an easy victory from Boston by a score of 13 to 4. Pennock had no difficulty in holding the Red Sox in check, while the Yanks knocked out Ehmske in three innings and continued to pile up runs on Fehr and Hovey, his successors. The champions made 15 hits for 31 bases, Ruth leading with a homer, double and single.

The game was attended by Mayor Hylan, Commissioner Landis and a military detachment from Governors Island, which sailed in the harbor, which was started on its way in Chicago a week ago. The Yanks raised the American league pennant and Commissioner Landis presented each of the New York world's champions diamond-studded watches.

The score: R. H. E.
Boston 4 13 2
New York 13 15 0
Batteries: Ehmske, Fehr, Howe and O'Neill; Pennock and Bengough.

INDIANS BEAT DETROIT
CLEVELAND, April 23 (AP)—Cleveland defeated Detroit six to five in a thrilling 10-inning opening game of the American league season here today. The Indians bunched four hits after two were out in the ninth, tying the score.

Detroit took the lead again in the tenth on a double by Rigney and Haddock's single, Cleveland winning on singles by Stephenson and Burns and Speaker's double.

One of the largest opening-day crowds saw the battle.

The score: R. H. E.
Detroit 5 12 0
Cleveland 6 13 0
Batteries: Cole, Fillette and Bass.

was now leading by 10 points.

The Rupert relay team, identical to the one which defeated Twin Falls by inches last year, with the exception of Burgher who is running in place of Nelson for the first lap, trimmed the blue and white combination by 59 yards. Twin Falls was without the aid of Alford and Timm. The final score was 68-63.

Summary.
The summary of events is as follows, names being in order of the way in which they finished:

50-yard dash: Long, Rupert; Timm, Twin Falls; Burgher, Rupert. Time, 5 3/5 seconds.

High jump: Hyde, Rupert; Burgher, Rupert; Garri, Twin Falls. Height, 5 feet 5 inches. (Both Hyde and Burgher cleared the bar at this height.)

Half-mile run: Hockaday, Rupert; Rosa, Twin Falls; Neilson, Rupert. Time, 2 minutes 13 3/5 seconds.

Pole vault: Huggins, Rupert; Martyn, Twin Falls; Ashdown, Twin Falls. Height, 9 feet 8 inches.

100-yard dash: Long, Rupert; Timm, Twin Falls; Thomas, Rupert. Time, 10 seconds.

120-yard high hurdles: Fenton, Rupert; Simpson, Twin Falls; Lenz, Twin Falls. Time, 10 seconds. (Only nine hurdles were used and the course was 110 yards long.)

Discus throw: Timm, Twin Falls; Burgher, Rupert; Jenkins, Twin Falls. Distance, 105 feet. (Timm and Burgher tied, but Timm was given first on a deciding throw which was agreed to by both teams.)

440-yard dash: Witham, Twin Falls; Johnson, Twin Falls; Roberts, Rupert. Time, 58 seconds. (Stone finished first but was disqualified.)

220-yard dash: Long, Rupert, Timm, Twin Falls; Thomas, Rupert. Time 23 3/5 seconds.

Javelin throw: Burgher, Rupert; Jenkins, Twin Falls; Harrison, Twin Falls. Distance 134 feet 4 inches.

Shot put: Timm, Jenkins, Humphrey, all of Twin Falls. Distance 40 feet 11 1/2 inches.

220-yard low hurdles: Simpson, Twin Falls; Fenton, Rupert, Lenz, Twin Falls. Time, 30 3/5 seconds.

Mile run: L. Hall, Twin Falls; Harrison, Twin Falls; A. Hall, Rupert. Time, 6 minutes 11 1/5 seconds.

Broad jump: Timm, Twin Falls; Hyde, Rupert; Garri, Twin Falls. Distance, 20 feet.

Half-mile relay: Rupert team first, composed of Burgher, Hockaday, Stone, Long. Time, 1 minute 42 2/5 seconds. Twin Falls team, Rosa, Jenkins, Witham, Martyn.

Starters: Charles Brown.
Judges: J. L. Hodgins, L. Stewart, E. Cook.

for Uhle and L. Sewell.

SIX TO FOUR VICTORY
PHILADELPHIA, April 23 (AP)—The Philadelphia Americans opened their home season today with a six to four victory over Washington. The game was a pitchers' battle until the seventh, when Marberry weakened and the locals scored all six of their runs.

Harris relieved Holmache in the ninth after the Senators had scored three runs.

A home-run by Haisner with Strand on first was the feature of the game.

The score: R. H. E.
Washington 4 9 5
Philadelphia 6 11 0
Batteries: Marberry, Speece and Ruel; Hargrave; Holmache, Harris and Perkins.

BREAK LOSING STREAK
ST. LOUIS, April 23 (AP)—The Browns broke their losing streak today by winning from the Chicago White Sox 9 to 5 in their first home game of the season. Approximately 15,000 saw

Hoppe and Schaefer Look Back on Interesting Careers; Will Be Here Tuesday

Two of the greatest billiardists of all time are Willie Hoppe and Young Jake Schaefer, who will be seen here Tuesday night in a special exhibition at the Elks club rooms under auspices of the Elks lodge. Hoppe has been a headliner before the public for more than 20 years, while the name of Schaefer has been familiar to followers of sports for the past 40 years. Jake Schaefer, fondly known as the Wizard, brought the name of Schaefer before the public in the early thirties, and Young Jake, son of the Wizard, is even surpassing the feats of his clever father. Young Jake has established records for high runs and grand averages that far surpass any of the sensational performances of his father.

Hoppe learned much of his billiards from Schaefer, son and later had the opportunity to impart some of this billiards to Jake, Junior. Then it developed that Young Jake turned out to be the only player in recent years able to dethrone Hoppe. Here we have the two master cueists, the world's greatest at billiards meeting in special exhibition. The fact that such famous stars agreed to make a tour, forget their reputations and to give the public the best that they have is a wonderful thing for billiards and a wonderful thing for billiards lovers.

It was with much effort that the two were brought together, for after Schaefer dethroned Hoppe and Hoppe came back the following year and regained his championship the breach widened between them and it was not until recently that a friend finally prevailed upon them to bury their differences and to let the public have the benefit of their exhibitions.

Youth needs but to hear a new tune twice to know it by heart. Elderly folks have to hear it 20 times to more fully identify it by its name.

Literature a Fine Art.
Proper place to call a spade a spade is in a technical, scientific or medical work. Literature is really one of the fine arts, and has 400,000 words to make it so.

Human Ingenuity.
Most of the human ingenuity is devoted to making more machinery; very little to thinking out a method to lessen crime.

CHICAGO CUBS TRIM ST. LOUIS

Windy City Nine Scores 12 Runs, 13 Hits; Boston Wins Hot Session with Phillies

CHICAGO, April 23 (AP)—Chicago inaugurated the National league season here today by defeating St. Louis 12 to 1. The Cubs were in a batting mood, driving out five doubles and a brace of homers in the collection of hits. "Big" Jeff Pfeffer was unable to withstand the attack and retired after the second inning.

Vickon for the Cubs pitched a steady game, allowing but three hits until the ninth, when Bottomley's double and Frigan's single saved the visitors from a shutout.

The score: R. H. E.
St. Louis 1 5 1
Chicago 12 13 2
Batteries: Pfeffer, North, Stuart and Vick; Koen and Hartnett.

BOSTON WINS, 3 TO 2
BOSTON, April 23 (AP)—Singles by O'Neil, Stryker and Bancroft in the last of the 15th with none out scored the run which gave Boston a 3 to 2 victory over Philadelphia in the opening game of the National league season here. Stryker pitched the last seven innings, held the visitors to two singles, no runs, and made two hits himself. Stengel's triple and Padgett's infield single tied it for Boston in the ninth. Couch pitched the full game for Philadelphia. Before the game a wreath was placed at third base in memory of the late Norman "Tony" Buckel, and Mayor Curley gave a short memorial address.

The score: R. H. E.
Philadelphia 2 9 2
Boston 3 12 0
Batteries: Couch and O'Neil; McNamara, Stryker and O'Neil.

No other National games scheduled.

NEW YORK BEATS ARMY
WEST POINT, April 23 (AP)—The New York Nationals defeated Army 10 to 3 in an exhibition baseball game here today.

VANDALS READY FOR OPENERS

W. S. C. to Be Idaho's Opposition in First Baseball Games; Kleffner Is Third-Sacker

UNIVERSITY OF IDAHO, Moscow, April 23 (Special to The News)—With seven lettermen back in uniform and a record of smooth and snappy baseball in practice games, the Idaho Vandals open their 1924 schedule with two games against Washington State college, April 25 and 26. The first game will be played at Pullman and the second on MacLean field in Moscow.

The pitching lineup includes "Bung" Snow of Boise, veteran Idaho monad, man, Arthur Golden of Boise, also a letterman, and Walter Fields of Caldwell, seasonal twirler from last year's freshman team. Bob Fitzke, one of Idaho's most promising pitchers, will not be able to do any twirling until late in the season, owing to an injured shoulder hurt in football last fall.

Frank Klinton of Payette has the catching position pretty well accounted for, although "Flip" Guerinella, letterman from last year, is a strong contender. Oren Campbell of Portland, Ore., has perhaps the preference at first base while William Landon of Boise and "Bung" Snow of Boise are capable of filling in on short notice. Guy Wicks of Moscow will probably hold down second while Guerinella will alternate between this position and catching.

The third sack job is being handled by "Sib" Kleffner of Twin Falls, although Charles Lawson of Wilder, who held down third last year, can step into the position on a moment's notice. Lawson is being used regularly at right field. Captain "Skip" Stivers of Moscow is at his old position at shortstop. Stivers' fast field work and keen batting eye will be a decided asset to the team.

Candidates for "gardeners jobs" in the outfield besides the two position men, Fitzke and Lawson, are Russell Melin of Bonanza Ferry, Victor Cameron of Boise and John Vesser of Coeur d'Alene. Vesser is a letterman from last year, and Melin starred on the freshman team.

Owing to the lack of many professional games, very little dope is available on comparative ratings of the conference teams. W. S. C. defeated Cheney Normal easily in a two-game series last week, and the Idaho squad has been making some fine practice showings lately, so a battle royal is expected when the two teams meet in the opening games of the conference season.

PACIFIC COAST LEAGUE.

Scope of Scout Week Activities Widened

Junior Citizens to Elect County as Well as City Officials in Coming Election

It is the plan of those assisting in the preparations for boy scout week which is to be observed in Twin Falls beginning next Sunday, to each year widen the scope a trifle, thus making the week each year a little more helpful to the boys, according to the committee in charge, which Wednesday evening gave out the following statement: The plan this year includes a partial county election, the boys electing, in addition to the city officials, a probate judge, assessor, treasurer and superintendent of schools.

All registered boy scouts in Buhl, Twin Falls, Elmer and Kimberly will be eligible to cast their votes for these officers, and it is understood that some of the candidates will be from Buhl and if elected will come to Twin Falls to take their office on administration day. Arrangements for the various troops to attend church next Sunday have been completed each troop making its own selection.

In commenting on the boys attending church in troops next Sunday one man said he thought he would go to church himself just to see the boys come in. "Come right along; I am going to talk especially to the boys, and I think you might be able to understand it."

There is something inspiring in the sight of a group of earnest, sincere boys and it will be worth while to anyone to attend church next Sunday "just to see the boys come in."

The "Traveler's Tree."—From the leaf-branches of the "traveler's tree" of Madagascar a pure and cool supply of water is obtained.

Easter Island. Explorers and scientists believe that Easter Island was once a part of a now submerged continent.

Sure Sign. If a bride isn't homesick for her family in six weeks after marriage it's a sign she married the right man.

President Pitches First Ball

PRESIDENT COOLIDGE pitched the first ball in the opening game between Washington and Philadelphia, of the American league, played in Washington. If the umpire had called it, it would have been "ball one" by a mile. The president was summarily retired from the mound and Walter Johnson rushed in to win by 4 to 0, his 10th shutout victory in the big league. Mrs. Coolidge is shown beside the president.

GOVERNOR MOORE FIRM FOR PRESENT QUARANTINE

(Continued from page one)

tion, of Twin Falls, will be selected for the mission.

Members of the California commission were: F. B. McKevitt, fruit man of Sacramento, chairman; C. N. Hawkins, cattle man and president of the California Livestock show, of Hollister; Harry W. Lewis, walnut grower of Santa Ana, and "Joachim" Shedd, of San Francisco banker.

Announce Claims

The commission claimed: California livestock is faced with starvation because of the driest season in 40 years. On top of this comes the foot and mouth disease. "The disease itself is not so bad because all slaughtered stock is paid for. Ruin to California will result in ruin to other states. California business men appropriated \$2,000,000 to combat the disease. Utmost protection to Idaho with least possible damage to California is urged. Idaho commission is to visit California and see what is being done, see the infected areas and leave one man there to continue the study and report.

List Objectives

This commission, the Californians urged, would accomplish three things: Idaho people would know the facts as they exist from information gathered by Idaho representatives. Getting the information first handed would dispel all fear and alarm from Idaho people.

A study of the disease would better equip Idaho to fight it, should an outbreak occur here.

Smith Asks Questions. Doctor Smith asked many specific questions of the four delegates concerning the steps California people themselves were using to prevent the spread of the mainly, and also called to their attention repeated violations of the uniform quarantine adopted at Salt Lake March 31 by all western states, including California. The delegates admitted that in the beginning sufficient care was not exercised by

the people and the result was the spread of the disease. They said they knew nothing of the specific violations to which Dr. Smith called their attention but desired a list so they might stop the leaks when they returned home.

Assurances of loyal support of a drastic embargo on California goods in connection with the foot and mouth disease was yesterday telegraphed from Twin Falls to Boise as representatives of the settlement of the Potato Growers' association, the Potato Growers' association, the Gurnsey Cattle club, Jersey-Cattle club, the Twin Falls Chamber of Commerce and Rotary club, besides a number of private wires urging against any abatement of the present embargo and favoring an even stricter enforcement of its provisions in the interests of prevention of the spread of the epidemic into Idaho.

FUNERALS

NEAR—Funeral services for George H. Near, whose death occurred late Tuesday at his home here, will be held at 2:30 o'clock this afternoon in the Grossman chapel, and will be conducted by the Rev. A. G. Pearson of the Presbyterian church. Members of the Masonic and Elks lodges will serve as pallbearers.

Still, It's Golden.

There is too much praise of silence. Cultivation of silence would make of the world a conversational Sahara.

THE MARKETS

BASE DOWNTOWN IN WHEAT PRICES ON CROP OUTLOOK

Market Undergoes Moderate Setback; Earlier Part of Session Shows No Change; Corn Values Weakened

CHICAGO, April 23 (AP)—Influenced to some extent by the present favorable crop outlook and by an estimate that 105,000,000 bushels of domestic wheat would be carried over into the next crop season, the wheat market today underwent a moderate setback. Closing prices were unsettled 1-2 to 3-4c net lower, May \$1.04 1/2 to 1.05, and July 1.04 1/2 to 1.04 5/8 to 3-4. Corn finished 1-8 to 3-8c down, oats at 1-8c off to a shade advance and provisions varying from 2 cents decline to 5 cents gain.

Most of the downturn in wheat values came during the last half of the hour of trade session, the market in the first part of the day showing no material change. The bulk of the current transactions consisted of adjusting of open accounts, substituting May delivery for July. Meanwhile neither sellers nor buyers were apparently willing to take any determined new stands. Later, however, crop reports and the carry over prospect had an evident bearish effect and so did the announcement that large amounts of wheat were being put into store here for delivery on May contracts. Nevertheless, the declines which followed were due more to absence of demand than to any special attack from the selling side.

Corn weakened as a result of scattered selling based on the slowness of shipping call from the east and reports that corn planting was making fair progress as far north as the Kansas-Nebraska line.

Oats held within narrow limits, the distant deliveries acting a little firmer. Seeding was reported as nearing completion.

Provisions were easy; hog values being 5 to 10c lower.

	Open	High	Low	Close
Wheat	103 1/2	103 3/4	103 1/2	103 1/2
May	103 1/2	103 3/4	103 1/2	103 1/2
Sept.	103 1/2	103 3/4	103 1/2	103 1/2
July	103 1/2	103 3/4	103 1/2	103 1/2
Sept.	103 1/2	103 3/4	103 1/2	103 1/2

TWIN FALLS MARKETS

Three prices are obtained daily at 4 o'clock in the afternoon and are intended to cover only the average of prices. Where certain dealers for short periods offer more than the quoted price on effort is made to include such quotation. Quotations are offered merely as a guide to producers and should not be interpreted as reflecting extremes of either high or low prices.

STOCK PRICES MOVE UP

Advance Takes Place Under Impetus of Broad Covering Movement; Short Interest Held Largest in History

Total stock sales 252,100 shares. Twenty industrial averages 91.45; previous day, 90.28. High, 1924, 101.24; low, 90.28.

Twenty railroads averaged 81.87; previous day, 81.58. High, 1924, 86.32; low, 81.

NEW YORK, April 23 (AP)—Stock prices moved up briskly today under the impetus of broad covering movement which apparently was based on the realization that the short interest was becoming unwieldy as indicated by the unusually large number of stocks loaning "flat" at a premium. Not gains of 1 to 2 points were quite common at the close with sugars, oils and most of the best demonstration of group strength.

While sentiment is still divided as to the immediate trend of prices, opinion of traders was quite general that the so-called short interests in the market is one of the largest in history. Several brokers reported that the size of the "loan crowd" demanding stock to make delivery on short contracts this morning was the largest in their experience, the unprecedented number of 34

DUMB BELLS

issues loaning "flat," that is, without payment of interest to the borrower. French and British exchanges moved up to new high levels for the year on what was described here as short covering by European speculators, particularly in the London and Amsterdam markets. French francs crossed 6.80 cents and sterling sold above \$4.40.

Call money again held at 4 per cent all day. Time money and commercial paper markets were quiet with no change in rates.

GOVERNMENT BONDS.

NEW YORK, April 23 (AP)—Liberty bonds closed:

3 1/2s	99.9
First 4 1/4s	100
Third 4 1/4s	99.31
Fourth 4 1/4s	100.8
U. S. Government 4 1/4s	101.17

SUGAR.

NEW YORK, April 23 (AP)—Influenced by greater activity in refined sugar a better inquiry was reported in the local raw sugar market today and prices showed further gains of 1.8 to 3.4 cents. Sales included 12,000 bags of Cuban and 20,000 bags of Porto Ricans for prompt and early May shipment at 6.40, duty paid, and 30,000 bags of Cuban for late May shipment at 6.47.

Reflecting the improvement in both the raw and refined markets raw sugar futures advanced on covering and renewed buying for trade and outside account. Final prices were a few points off from the best and 12 to 18 points net higher. May-closed 4.65, July 4.87, September 4.92, and December 4.85.

Refined sugar was unchanged to 10 points higher, although list price still ranged from \$9.00 to \$2.55 for fine granulated.

BOSTON WOOL MARKET.

BOSTON, April 23 (AP)—Wool prices in general are good. The principal inquiry for the last two days has been for the finer wool, more especially Australian lines. The market for worsted goods remains on about the same basis as sales of yarns for special lines of men's wear being about the only activity.

Power Line of 400 Miles

There is in operation in southern California an electrical power line approximately 400 miles long. It has its source high up in the mountains near the town of Bishop, and extends to El Centro, in the Imperial valley. The line is capable of carrying 10,000 horsepower, and its year was required to build it. For a long time engineers thought that 200 miles was the maximum distance that electricity could be conveyed over a power line, and therefore the completion of this 400-mile line and its success have elicited considerable interest. The engineer is employed to supply several small towns and many ranches in this fertile valley, but the largest part of it is utilized for pumping water on the desert. It is distributed from four substations—Banning, Coachella, Calipatria and El Centro. The valley grows some local crops, and the year development of the country necessitated an increase of the supply from some big plant outside.

"Low Down" on the Lion

Lord Dower, an enthusiastic big game hunter, delights to tell the story of a Manchester business man who paid a visit to a planter friend in Uganda who was a keen sportsman. Ever without considerable musing, the visitor allowed himself to be prevailed upon to go lion hunting. His first night in the jungle was a sleepless one. Next morning the two friends started out early and had gone but a short distance when they came upon fresh tracks which the enthusiastic sportsman called the tracks of a "fat grown lion." "Tell you what we had better do," said the Manchester man, brightly. "You go ahead and see where he went, and I'll go back and see where he came from"—Argonaut.

Rabbit Minus Ears Hears

A rabbit without ears has been born in the animal house of the state department of health laboratories at the University of Pennsylvania. The mother rabbit seems normal in every other respect. John Whalen, keeper of the house, has tested him and found that he can hear. Both of the rabbit's parents have excellent pairs of ears and veterinarians who have examined the youngster are unable to explain the freak. The head of the baby resembles a potato. On the left side of its forehead there is a tiny budlike bit of flesh, which it is believed may develop eventually into an ear. There is no indication of an ear on the other side. —New York World.

Butterflies are Bred in Southern France

What must surely be one of the most fascinating industries in the world is carried on in southern France, where special butterfly farms have been established. Here, under scientific guidance, hundreds of beautiful specimens are bred.

Cross-breeding has been tried, and numerous experiments are conducted to obtain brilliant and original markings on the wings of these insects, which are afterwards sold to collectors or for the adornment of women's hats and dresses.

The farms are provided with special leafy trees and plants on which the eggs are hatched. Directly the young appear the larvae are cut and taken to a specially ventilated room, where they are placed in vases of water.

As soon as the tiny caterpillars have taken to this supply of leaves fresh specimens are provided. Having been in an even temperature for about two weeks the young caterpillars are taken out into the open, where they are placed on plants that are protected from blights by long nets.

When they have become fully grown this protective net is removed, and soon they retire into cocoons or roll themselves up into leaves. These are collected and stored in specially ventilated boxes, where, in a very short time, butterflies of wonderful hues are evolved.

URGES SALMON LAND RETURN TO PUBLIC DOMAIN

Idaho Reclamation Commissioner Argues for Acceptance of State's Relinquishment of Area Covered by Settlement

Warren G. Swendsen, Idaho reclamation commissioner, has recommended restoration to the public domain of lands excluded from the Salmon River project by reason of deficient water supply and upon which settlement has been made between the Salmon River landholders and the entrymen, and has suggested to the commissioner of the general land office that such restoration might properly be made without in any way jeopardizing the interests of the project, the government or the state.

Word to this effect is contained in a communication, copy of which was received here today, from Mr. Swendsen to Representative Addison T. Smith, acknowledging receipt of a letter addressed by the general land office commissioner which states that acceptance of the relinquishment of these lands has been caused by lack of information as to the status of litigation involving relinquished lands on which settlement has not been made.

Settlement Answers Objection.
"The honorable commissioner, according to my understanding," Mr. Swendsen says in his letter to Representative Smith, "has failed to accept this relinquishment of all lands excluded from the Salmon River project and restore the lands to entry for four of the riparian interests of the project and the settlers on the patented area, and upon the theory that if and when said relinquishment is accepted and the entrymen occupying and possessing rights to the lands on which they have settled, they may then be in a position, by reason of their land ownership, to demand a delivery of a proportionate part of the water supply available to the project, and because of their water right contracts made in connection with their entry act filings."

This objection would not apply in the case of lands on which settlement has been made, Mr. Swendsen says, because "in all cases where a settlement has been made with entrymen on excluded areas, the entryman has relinquished or conveyed all of his right to water from the project to the landholders' committee, which, in turn, under the terms of the agreement and settlement, is obligated to dedicate the said additional water to lands within the patented area."

Litigation Brings Problem.
With regard to litigation involving excluded lands on which no settlement has been made, Mr. Swendsen says: "Two persons, Messrs. Diebolt and Caldwell, entrymen on excluded lands, with whom the committee was unable to make an agreeable settlement, instituted notices in court which, according to my information are now pending before the United States supreme court. The outcome thereof might have a considerable bearing on the advisability of accepting the relinquishment and restoring the lands as settlement has not been made; but I cannot see how this case, no matter what its outcome may be, can in any way affect the lands or water rights dedicated thereto upon which settlement has been made."

The landholders' committee reports to the state, Mr. Swendsen says, that it is making diligent effort to obtain settlement with the remaining entrymen but is retarded in its progress by reason of inability to locate many of the entrymen, thus making it necessary to quiet title by foreclosure or court action.

COUNTY SUES FOR TAXES.
Hull Publishing company of Buhl is the defendant in a suit instituted Wednesday in district court here by Twin Falls county to collect personal taxes assessed for the years 1921 to 1924, inclusive and amounting to \$1017.50. Affidavit for writ of attachment was filed with the complaint, which was signed by S. Claud Stewart, county assessor, and filed by J. W. Taylor, prosecuting attorney.

Annual Missionary Meeting Scheduled

Attractive Program Arranged for Pocatello District Convention Here Today

The annual district meeting of the Pocatello district will be held in the Methodist church today. Sessions will be held at 10 a. m. and at 1:30 p. m. and in the evening beginning at 7:45 o'clock. Mrs. Adridge of Buhl will preside.

An exceptionally good program has been arranged, according to announcement. Included on the program will be an address by Mrs. H. W. Parker of Nampa, district president. Reports will be made and officers elected.

A feature of the evening session will be a pageant in charge of the Buhl society. The local church women will provide luncheon for the visitors. About 200 delegates are expected.

SPRING BRINGS ATTENDANCE CUT

High School Honor Roll Shows Effect of Season; Sophomores Hold Lead

With spring days the attendance record at the high school for the past six weeks shows a slight decline. The sophomores with a perfect attendance record stand high with 63 members listed. The seniors follow closely behind with 58, while the juniors are most visibly affected by the spring fever at 42 and number 38 with a perfect record of no absences or tardiness. The honor roll attendance is the senior high school follows:

Seniors.
Raymond Ashdown, Raymond Baldwin, Wallace Caldwell, Joseph Christensen, Martha Farrar, Agnes Herron, Harjorie Knefel, Evelyn McMahon, Stephens, James Tucker, Evelyn Shuman, Pauline Ethel Matlock, George Montooth, Melcher Priebe, Gertrude Ritzley, Mary Louise Bailey, Marshall Barga, Dorothy Ebeling, Vey Gish, Clara Knill, Leora Jack, Helen McDowell, Jernard Martin, Roberta Siver, Hoyt Stephenson, Virginia Victory, Marion Wasson, Milton Moecky, Morris Moore, Anna Reed, Herbert Carter, Jean Emery, Julia Herrington, Iris Plague, Evelyn Konworthy, Mary Marshall, Ada Selck, Neddie Smith, Mark Swan, Dorothy Neely, Eggert DeWitt, George Miller, Hazel Noh, Esther Regna, Healy Rydahl, Ina Campbell.

Juniors.
Janetta Atkins, Edna Carter, Paul Denny, Louisa Ellsworth, Helen Ertter, Helen Regenes, Dorcas Sheldon, Ruth Toller, Edith Williams, Lola Henry, Helen Jain, Donald McGinnis, Susan Blackburn, Hazel Coleman, Irene Frey, Victor Galloway, Helen Portefield, Lawrence Butler, Delmar Shumway, Helen Waite, Ruth Ware, Mabel Williams, Hubert Kuhlman, Raymond Davis, Melvin Eldred, Harry Putzier, Theodore Scott, John Stephens, Ruby Warberg, Audrey Griggs, Newell Hall, Teri Long.

Sophomores.
Merla Holsley, Stella Junker, Millie Kohn, Gordon Laird, Estelle Lange, Elgin, Clinton Evans, Maxine Foren, Gladys Griffith, Bernice Haines, Ruth Harris, Wilma Meier, Spencer Miller.

STORY OF WRECK TOLD IN COURT

Members of Mintun Family Testify in Their Suit for Damages from D. B. Moorman

Story of an automobile collision in which one woman received injuries for which \$5000 damages is sought was told by witnesses for the plaintiff in district court here Wednesday in trial of the suit of J. Elmer Mintun, Twin Falls Civil company employee, of Hansen, against D. B. Moorman, president of the Milner Canal company of Twin Falls.

Testimony of three out of the five persons in the Mintun car at the time of the collision was introduced in evidence Wednesday, the witnesses being Mr. and Mrs. Mintun and their son, Willard Mintun. Others in the car when the crash occurred were a daughter of the Mintuns and their young baby, whom Mrs. Mintun held in her arms, when according to the testimony she was thrown by impact of the collision against the windshield with such force that it was broken and her arm was so severely lacerated as to be permanently injured.

Toll of Danger Foreseen.
The collision occurred on the evening of Thanksgiving Day, 1922, on the Hansen-Creek road about two and one-half miles south of Hansen. The Mintun family were returning from Kimberly, where they had spent the day. The Moorman car in which Mr. and Mrs. Moorman were riding was coming north toward Hansen.

Testimony of the three witnesses for the plaintiff agreed that the Moorman car was pursuing a zig-zag course when it came into sight over a rise, and that the Mintun car was halted at the side of the road before the collision occurred.

Witnesses were closely cross-examined by J. R. Bothwell of Bothwell and Chapman, attorneys for the defendant Moorman. The case for the plaintiff is being conducted by Attorney T. K. Hakman.

Selection of the jury was not completed until afternoon following the return of a special venire ordered for two additional jurors. Members of the panel — George Leopold, R. M. Strohbridge, William Scott, B. W. Magel, Andrew Rogerson, E. Prothero, S. P. Yantis, C. J. Hahn, J. F. Avant, W. E. Reller, L. I. Benoit, H. P. Barger.

REMOVAL NOTICE.
Dr. F. C. Beebe has moved his dental offices from the Baugh building to rooms in the Gem building, Main avenue west, across the street from the Orpheum theater.—adv.

Weiner Roast for Scouts Scheduled

Rotary Club Arranges to Feed Nearly 200 Lads at Field Day Event

One of the features of the field day program of next Tuesday in connection with Boy Scout week which should prove popular with the members is the huge "weiner roast," which will come off after the program at the Lincoln field.

The feed will be engineered by the Rotary club, a committee of the members of which will have charge of the affair. Preparations are being made to feed nearly 200 Boy Scouts on a scale which promises to provide plenty for all hands. It is anticipated that the track meet program will be over at 6 o'clock or a little later, the entertainment to follow immediately.

BREVITIES

Visiting in Burley.—Mrs. D. Westover and children went to Burley Wednesday evening to visit friends a few days.

Loading Cattle Here.—The Utah Construction company will load nine carloads of cattle here today for shipment to San Diego, California, markets.

Inspects Sheep Holdings.—Thomas Hawberry left Wednesday morning for Idaho Falls, where he will spend some time, on business in connection with his sheep flocks in that region.

Visitor Leaves.—H. H. Huston, stockholder in the Home Lumber and Coal company, left Wednesday morning returning to his home in Wichita, Kansas, after a brief business visit here.

Sportsmen to Banquet.—Southern Idaho Fish and Game association members will hold an annual banquet meeting here Monday evening. It was announced Wednesday. Arrangements are being made for accommodation of 125 persons at this affair.

For Sale.—Bicycle tires, tough as old hide, at Gloystein's.—adv.

What is useless to you may be valuable to someone.—adv.

PLAN FOR SCOUT CAMP PUBLISHED

Snake River District Issues Booklet Telling of Arrangements for Summer Outing

Snake River valley scout council will issue this week a 24-page illustrated booklet descriptive of the summer camp to be opened July 5 and continue for six weeks at the Scout cabin in Shoshone basin. Members of scout troops throughout the district which includes Rupert, Burley, Twin Falls and Buhl, will participate in the camp for which a full schedule of activities has been worked out.

Statement to parents of scouts contained in the booklet carries assurance of watching of the lads while in camp and sets forth the objectives of the outing.

Trucks from Twin Falls to the camp will leave each Saturday afternoon during the camp period, returning Sunday morning, and scouts will be transported to and from camp free by this means. Scouts and other persons desiring to visit or use the camp at other times will pay their own transportation expenses.

Religious services will be conducted each Sunday at the scout camp by ministers of the churches within the district.

Four older scouts, one from each of the towns within the district, to be chosen by local camp commissioners, will be detailed to assist a carpenter in erection of a mess hall at the camp immediately prior to the beginning of the camp period, and will receive wages for their work.

During the camp period a number of bunk houses, each accommodating four lads, will be built out of logs. Scouts themselves will build these shelters, and any group of four scouts completing such a building will be credited with the cost of one week's board.

Mercury Slips Back After Setting High

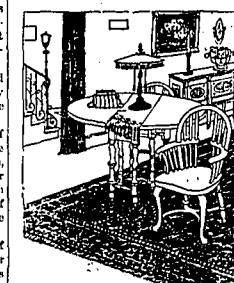

Decline of 10 degrees from the season's warm weather record established Tuesday at 73 above was recorded Wednesday at the government weather observer's station here, maximum temperature for the day being shown at 63 above. Minimum was recorded at 30 above, an advance of seven degrees over the low mark of the preceding day.

ANNOUNCEMENTS.

The K. of P. lodge will meet in regular session Friday evening, April 25. A surprise is in store for the members.

The Socialist local will meet Thursday evening at 8 o'clock at 1242 Kimberly Road.

A "Get-Together" meeting will be held at the Presbyterian church Friday evening at 6:30, beginning with a dinner, to which each family brings a covered dish, sandwiches, silver and dishes for their own service. All members of the congregation are invited. The program following the dinner will be under the direction of Mrs. James S. Hall.

HOME-CREST FLOOR COVERINGS

CERTAIN rugs slip into a room with such a friendly naturalness that there is no questioning their right to be there. Among our many Home-Crest patterns, color harmonies and sizes is the one floor-covering you seek—whatever the room.
