ASSURE CHANGE FOR ACTION ON FARM AID BILL

Administration Leaders Announce Intentions of Bringing Relief Measure to Attention Before Adjournment.

WASHINGTON, May 8 (AP)—Formal assurance was given tonight to the senate by administration leaders that opportunity would be given for adequate consideration of "some farm relief measure" before congress adjourns.

The decision of a recent republican party conference that a farm relief measure would be taken up immediately after the revenue bill, Senator Wayne, republican, Indiana, said had not been altered.

Senator Smoot, republican, Utah, one of the republican spokesmen, whose views were sought during discussion of the subject, declared, however, he saw little indication that the session would be concluded about the first of June. "A date is desired by several senators to have been agreed upon."

Delay Adjournment
The declaration of the administration spokesmen were made when Senator Norris, republican, Nebraska, suggested that definite assurance be given those interested in farm relief legislation that adjournment would not be taken until some one of several measures already presented had been considered.

Discussion arose out of notice by Senator Norbeck, republican, South Dakota, that he would make upon opportunity to bring up the McNary-Haugen bill as an addition to the revenue measure, solely for the purpose of getting it before this body.

FIGHT ENDS IN FATALITY

SANTA FE, N. M., May 8 (AP)—George Cole, signal maintenance operator on the Santa Fe railroad, is dead and Audrey Tipton, railroad agent at Gloria, N. M., is in a serious condition as a result of a fight which broke out last night between the two men. Cole is said to have attacked Tipton with a hammer in the station at Gloria and following the attack to have thrown himself under the wheels of a passing freight train.

Both men were brought to a hospital here, Cole dying a few minutes after his arrival.

PROJECT REPORT DELAYED

WASHINGTON, May 8 (AP)—A report on the feasibility of the proposed Columbia river basin irrigation project, under investigation by a special committee of the interior department, will not be submitted to congress until the December session, it was announced yesterday at the department. Necessity of additional field surveys and a revision of data already gathered were said to have caused a delay.

Will Use Airplanes in New Search for Missing U. S. Fliers

Extensive Efforts to Begin Within Two Weeks, Report Says; Martin's Comrades Continuing on Journey.

SEATTLE, Wash., May 8 (AP)—A search by airplane for Major Frederick L. Martin, missing world flight commander of the United States navy, will begin at Chignik, Alaska, in about two weeks, according to plans revealed here tonight.

Meanwhile the latest advice indicated that three fliers of the army had taken the air from Vika island in the Aleutian islands today on their way around the earth.

Plans were developed complete for the survey of the Alaskan peninsula and waters adjacent to it for a clue to the whereabouts of the flier.

As soon as the cutter Bear of the United States coast guard, which will on her way from San Francisco winter quarters to Puget Sound today, on the beginning of her annual cruise to the "Arctic," can be made ready to leave Seattle, she will proceed to Chignik, whence Major Martin and Staff Sergeant Alvin Harvey departed a week ago yesterday. The Bear is to carry a plane in which the search will be made.

CAMP PROPERTY SOLD.
SALT LAKE, May 8 (AP)—Announcement of the sale of the Yellowstone Park Camp property to Carson Goodwin, Los Angeles hotel man, was made here today by Daniel S. Spencer, general manager of the Oregon Short Line company. The consideration was not made public.

IDAHO WEATHER.
Friday: Fair and continued warm.

Wooden Key Used by Walsh Making Break from Jail

Montana. Slayer Tells How He Gained Liberty From Prison at Boulder

JEFFERSON CITY, Mo., May 8 (AP)—Ray Walsh, slayer of a woman who escaped in a mysterious manner from the county jail at Boulder, Mont., last October while under sentence of death for the killing of a man in a holdup, has related in the Missouri penitentiary how he managed his escape.

The chief factor that aided him in his jail break was a wooden key fashioned surreptitiously in his cell in the basement of the Boulder jail. Outside his cell door a guard was constantly on duty, he said. Once the guard went away for a moment and Walsh unlocked the door with his wooden key, Walsh slipped out of his cell, Walsh escaped with the date of his liberation only eight days away.

SMALLER WHEAT CROP PREDICTED

Government Forecasts Lightest Yield Since 1917; Conditions 48 Per Cent of Normal.

WASHINGTON, May 8 (AP)—The smallest crop of winter wheat since 1917 was forecast today by the department of agriculture. The production indicated, as estimated from May 1 condition, is 555,013,000 bushels, or 50 per cent less than the 1917 crop. The rice crop forecast at 67,739,000 bushels, also is smaller than last year's 1,254,000 bushels.

The winter wheat crop was forecast at 555,013,000 bushels, or 50 per cent less than the 1917 crop. The rice crop forecast at 67,739,000 bushels, also is smaller than last year's 1,254,000 bushels.

California's acreage is 54 per cent less than last year's. Mississippi's 50 per cent less; Georgia's 40 per cent less and Kentucky and Alabama more than 52 per cent less.

The condition of the crop on May 1, which was 48.8 per cent of normal, was better than a year ago, but below the ten-year average. Kansas and Nebraska showed a markedly better condition than last year. Kansas, with more than a million acres more than last year, produced a crop of 134,025,000 bushels, or 50,413,000 bushels more than produced last year.

BARNES ELECTED TO FILL OFFICE FOR THIRD TIME

CLEVELAND, O., May 8 (AP)—The chamber of commerce of the United States in the final session of its twelfth annual convention here today pledged the whole-hearted support of organized business to efforts to bring about through friendly negotiations "the most amicable understanding" with Japan upon the question of immigration.

President Julius H. Barnes, Duluth, Minn., grain merchant and wartime director of the United States corporation, was selected for the third time by the board of directors to lead the chamber. Because of the pressure of private business, it was explained, Mr. Barnes desires to relinquish the post, but will not pending further action by the board. He has served two full terms.

OPPOSE EXCLUSION DATE

WASHINGTON, May 8 (AP)—Approval by Senate and house conference at the request of President Coolidge of a new section to the immigration act to alter the date of Japanese exclusion from July 1 to March 1 next, that opportunity may be given for diplomatic negotiations to abrogate the "gentlemen's agreement" was subjected to severe criticism today during a two hour debate in the senate.

CONDEMNED MEN TO HANG

NEW ORLEANS, May 7 (AP)—George Ullrich, leading counsel for the six men sentenced to hang Friday for the murder of a man, announced tonight he had given up all hope of obtaining a stay of execution for five of them, and that no attempt would be made to appeal to the United States supreme court for intervention.

FOREST FIRE IS RAGING

DOUGLAS, Ariz., May 8 (AP)—A long fire is raging in the Grand Canyon east of Light 45 miles north-east of here. Forest Supervisor Hugh Calkins has left Tucson by automobile for the scene. Troops at Camp Jones, and held in readiness by Major Townsend to leave immediately for the scene if assistance is asked by the forest service.

FRIENDSHIP OF TWO NATIONS PLEDGED ANEW

Addresses of President and British Ambassador Emphasize Amicable Relations; News Men Get Picture

WASHINGTON, May 8 (AP)—The traditional friendship of the American and Canadian peoples was pledged anew by President Coolidge and Sir Esmé Howard the British ambassador, in addresses delivered tonight on the occasion of the presentation by the Vancouver, B. C., Sun to the newspapermen of the United States of a painting entitled "President Harding in Canada."

The painting, which is to be hung in one of the press galleries of congress, was presented by Ambassador Howard on behalf of the Vancouver Sun and the Canadian government and people, and accepted by President Coolidge on behalf of the Washington newspapermen and the American people.

The ceremonies of presentation and acceptance were held at the national press club.

Ambassador Howard, in addition to speaking his own earnest hope for continuation of the more than century-long friendship between Canada and the United States, read a message from Mackenzie King, prime minister of Canada, who declared he was "glad to express his earnest desire that the opportunity which marks this occasion may tend to promote and develop these feelings of mutual confidence and good will between the two peoples which it is ever my fervent wish to foster and maintain."

PREDICTS BIGGER MARKET

NEW YORK, May 8 (AP)—Predicting that the New York stock exchange soon would be called on to facilitate a continual export of surplus American capital abroad by the marketing of foreign securities, Seymour L. Greenwald, retiring president of the exchange, declared in his address to members yesterday that America's leading securities market was coming to its maturity as a part of a genuine international center of credit.

Senator Lodge Offers New Plan for World Court to be Convened at Call of Coolidge

\$12,000 Enough for Pocket Money, Says George Bernard Shaw

Desires Only a Little Flat and a Pleasant Country Place—and Couple of Cars.

LONDON, May 8 (AP)—"I am an old comforted," declared George Bernard Shaw last night at a Norwich meeting of labor men. "My wants," he continued, "are very few—I desire little flat in the west end of London, a pleasant country house not too far from London, a couple of motor cars, 2,000 pounds or 3,000 pounds of pocket money, and there is no more I desire. I am a contented man in England than Bernard Shaw, Multimillionaires describe me as a poor devil, but I get along very comfortably."

DEBATE REVENUE MEASURES

WASHINGTON, May 8 (AP)—Continuing its program of night sessions, the senate tonight proceeded with consideration of the final phases of the revenue revision bill, but last minute hopes of completing consideration of the measure before adjournment were dimmed by lengthy debate and a private announcement by Senator Norbeck, republican, South Dakota, that he intended to propose the McNary-Haugen bill as an amendment.

Confronted with this situation leaders of both parties endeavored to reach an agreement whereby a final vote on the tax measure could be taken tomorrow afternoon. Consideration of finance committee amendments was completed today and then the way was opened for voting upon individual amendments.

REDUCE COOLIDGE LEAD

SAN FRANCISCO, May 8 (AP)—An additional 87 precincts reported late today in Tuesday's presidential primary election which accounts for all except 145 of the state's 654 precincts. The new precincts reduced slightly the lead of the Coolidge delegation over the Johnson delegation. The lead of the McAdoo delegation on the democratic ticket was increased several hundred by the addition of the additional precincts.

The vote now stands, with 5659 precincts accounted for: Johnson 232,400; Coolidge 300,150; majority for Coolidge, 66,750; no preference 118,348.

THE PERFECT BROADCASTING STATION.

EXEMPT BEAUTY PARLOR FROM BARBER LICENSE

Judge Gives Final Decision in Case Brought by Union Men to Force Payment of State Fee.

PORTLAND, Ore., May 8 (AP)—A decision that beauty parlors need not pay the state barber license fee so long as women do not get shaved or have the head trimmed in such establishments was handed down by District Judge Hawkins in the action brought by Ray Neer, secretary of the barbers' union to force Miss Mildred Jensen, manager of a local beauty parlor, to pay a state license fee.

The complaint against Miss Jensen charged that in cutting women's hair she was doing a barber's business without obtaining a license.

QUESTION RIGHT OF JURISDICTION

Short Line Attorney Holds Teton Hearing Is Case for Interstate Commission

BOISE, May 8 (AP)—Testimony questioning the jurisdiction of the Idaho public utilities commission in the Teton Coal company-Oregon Short Line railroad company case was introduced late today by the attorney who has been in progress before the commission since Monday. The coal company is seeking a commission order requiring the railroad company to rehabilitate the branch line from Teton to the company's mines, a distance of about 10 miles.

H. V. Platt, general manager of the railroad company, was called to the stand late Thursday evening and in his testimony brought out by questioning of H. B. Thompson, railroad attorney, showed that the railroad is engaged in interstate business and contended that the question now before the commission is not for the interstate commerce commission. Adjournment was taken until 9 o'clock Friday morning.

Questions by members of the commission and attorney for the coal company sought to disprove this contention.

WOULD CREATE HIGH TRIBUNAL TO HEAR CASES

Silence is Only Reaction at White House to Latest Proposal; Time of Final Action on Plan Is Indefinite.

WASHINGTON, May 8 (AP)—Senator Henry Cabot Lodge today laid before the senate and the country a new world court plan of his own.

It provides for the reconvening of The Hague conference at the call of President Coolidge and creation by it of a permanent court to which the nations could submit their disputes for final adjudication.

The resolution of the foreign relations committee chairman made no direct mention of the international court already set up under the auspices of the league of nations and commended to the senate by Presidents Harding and Coolidge as an institution worthy of American support.

Instead it proposed to "build a tribunal about framework reared at The Hague years ago, with the judges selected much after manner of those in the court sponsored by the league, except that the league itself would have no part in the procedure which the United States would not with Great Britain, France, Italy and Japan through a special committee having a veto power over elections."

Little Reaction.
The immediate reaction of the White House and state department to the plan of the republican senate leader was absolute silence. If President Coolidge or Secretary Hughes ever heard of the proposal before it was brought forth upon the senate floor, officials close to them gave no sign.

On the contrary, there was a plain indication that Mr. Coolidge remained steadfast in his recently repeated adherence to the existing court of international justice at the most practical tribunal yet devised, and that Mr. Hughes had not lost hope that despite the attitude of Senator Lodge, the foreign relations committee might report out the subcommittee plan originally drawn up by the administration under President Harding.

Mr. Lodge himself made no explanation when he sent the resolution to the desk of the senate secretary. He would not indicate what plans he might have for bringing the proposal up for action. But some of his republican colleagues upon the committee suggested many different world court proposals now are pending there that it might be difficult to get action on any of them at this session of congress.

Financier Silent as to His Part in Reparations Loan

Morgan Refuses to Comment on Rumor of Action on Gigantic Loan Proposed in Report of Dawes Commission.

NEW YORK, May 8 (AP)—Wall street reports that J. P. Morgan was returning from Europe with the \$100,000,000 German reparations loan contract in his pocket, were neither affirmed nor denied by the financier when he arrived today on the Homeric. Accompanying Mrs. Morgan home, after a two month's sojourn abroad, the financier emerged from his customary reticence to discuss at length the subject with which his name had been prominently linked since the Dawes committee recommended an \$100,000,000 loan of \$200,000,000 as the foundation of its reparations plan.

He declined to corroborate the Wall street report point blank. He would not discuss the possibility of raising the \$75,000,000 share of the loan the Dawes committee allotted to England and the \$25,000,000 it was proposed to raise among continental European nations.

"If I had the American \$100,000,000 contract in my pocket, as they say, I could not possibly discuss its contents at this time, before I have had the opportunity to confer with my associates," he said. Mr. Morgan appeared frowningly intent upon a bit of wool as he was knitting. He seemed to smile, however, when his husband, exclaiming, "Goodness, gracious, how's a whole procession of newspaper men to see me," addressed the throng in the corridor outside his stateroom with "Well, boys, we've had a perfectly wonderful time."

ANOTHER BIG SELLING EVENT

BOOTH MERCANTILE CO.

Marked Reductions on Ready-to-Wear Coats, Suits, Dresses

Suits Reduced

Every suit in stock is in red marks. Mannish models in mannish cloths—tailored boyish effects in hair-line stripes and mixtures. Sale includes all fancies.

\$29.75 to \$49.75

One Cape Suit.....\$19.75
One Three-Piece Fancy Suit.....\$39.75

BOSTON TRIMS SENATORS, 4-2

Red Sox Go into Second Place; Sisler Wins for Browns; Rain Stops Scheduled Games.

BOSTON, May 8 (AP)—John Collins' triple off Walter Johnson in the first inning scored two Boston runs and was the outstanding feature of the Red Sox 4 to 2 victory over Washington today. While Johnson struck out eight he walked three and hit two and all three of the players who were passed eventually scored.

The score: R. H. E.
Washington 2 5 0
Boston 4 6 2
Batteries—Johnson and Ruel; Embree and O'Neill.

SISLER WINS FOR ST. LOUIS. CLEVELAND, May 8 (AP)—St. Louis made it three out of four from Cleveland today, winning 4 to 1. Wingard, college recruit, held Cleveland to six scattered hits. Manager Sisler won for the Browns. With two out in the first inning he singled and stole second, scoring on McManus' single. In the fifth with two out, he hit his first home run of the season, scoring Elbert ahead of him.

The score: R. H. E.
St. Louis 4 8 0
Cleveland 1 6 0

Philadelphia at New York postponed; wet grounds.
Detroit at Chicago postponed; rain.

CARNATION SALE PLANS COMPLETE

War Mothers Launch Organized Effort to Extend Observance of Mother's Day.

The war mothers publicity committee for the Mothers' day carnation sale announced Thursday evening that plans are complete for the successful presentation of an organized effort to make of Mothers' day a time of grateful remembrance, when for one moment in the busiest life, each one may gaze within that secret and silent chamber, wherein are enshrined his memories of childhood and all those intimate experiences connected with home and mother.

The committee has been successful in placing carnations in reach of the people in most of the nearby towns. They will be handled in Kimberly, Hansen and Rock Creek through the Kimberly auxiliary to the legion, Mrs. John Babek. At Murtough Mrs. T. J. Fahey undertakes what she calls a "pleasant task to handle carnations and do her bit." Mrs. Karis, chairman of committee on organization, accompanied by Mrs. C. C. Higgins and Mrs. David Brown, attended on Monday at Filipe meeting of the Filipe auxiliary and enlisted the services of members to further and complete arrangements for the sale in their city.

The Twin Falls auxiliary, Mrs. R. Morse, president, will assist in various ways, through individual members of the organization.

The Campfire girls and various other groups, have graciously consented to sell the flowers on the streets from four supply booths. Each five or six girls will be in charge of a chaparrone who will keep in close touch with them to assist in various ways.

Having previously secured permission from the city fathers to conduct this sale, the publicity chairman went on Saturday to see what the Boy Scout mayor and council thought about the matter.

The visitor was kindly but gravely

IDAHO GOVERNOR ISSUES CALL FOR MOTHER'S DAY

Recommends Observance of Occasion With Tribute to Departed Mothers and Reverence to Those Living.

Following is the text of the proclamation issued Tuesday by Governor Moore, designating Sunday next as Mothers' day and recommending appropriate observance of the occasion by "paying tribute to the memory of the departed mothers and doing reverence to those still in our midst."

As the incidents of life come and go we are daily reminded of the great sacrificial love of our mothers which has guided through the early days and still abides through later years. This is the love most nearly approaching that spark of divinity, pointing the way to a better life and higher achievement.

Our most loving care and tender, grateful appreciation for the declining years can but partially recompense the maternal solicitude and actual sacrifice for us in our youth. No material wealth can repay the love, which, regardless of poverty or riches, grief or happiness, disquiet or honor, follows us all the days of our lives. It is, therefore, appropriate that we set apart a day to show our honor and reverence to the mothers of the commonwealth of Idaho.

Now, therefore, in conformity with an act of the legislature providing for the second Sunday in May as "Mothers' Day," I, C. C. Moore, governor of the

received and after thoroughly looking into the matter the mayor gave his consent, which follows:

To War Mothers:
I do hereby give my consent to the War Mothers to have a carnation sale on the Saturday before Mothers' day.

RICHARD ROBERTSON, Mayor.

state of Idaho, do hereby designate and set apart Sunday, May 11, 1924, as Mothers' day.

Upon that day I recommend that the people of this state, the religious denominations and the fraternal bodies arrange to insure its appropriate observance, by paying tribute to the memory of the departed mothers and doing reverence to those still in our midst.

TWO ENTER GUILT PLEAS

James Martin Admits Theft of Wrecked Auto and George Jasper Confesses Violating Liquor Laws.

James Martin, 21, pleaded guilty in district court here Thursday to charge of grand larceny in connection with his appropriation last Saturday evening of the Essex car owned by O. J. Johnson, which was wrecked when he attempted to round the corner on the highway north of Kimberly at a high rate of speed. Martin, equipped with slight injuries. He told the officers he had made use of the car to take a party of young people to a dance.

George Jasper in district court, also pleaded guilty to illegal possession of liquor involving ownership of much said to have contained alcohol. Jasper was arrested by operatives of the sheriff's office.

Judge W. A. Hubbeck set Saturday next as the time for pronouncing judgment in both cases.

Do Your Children's Clothes Soil Quickly?

THERE is a new starch discovery that will keep your children's dainty wash clothes looking like new.

Just ask your grocer for Linit—the new and different starch which makes even ordinary cotton goods look and feel like linen.

Because Linit eliminates lint, your children's clothes will stay clean much longer.

Linit is nothing like old-fashioned starches. It never clots or smears on the surface of fabrics. To the contrary, the Linit mixture is thin and free-running like water and penetrates each thread of the material—strengthens the fabric and makes it wear longer.

You will find Linit to be the economical starch. A little goes much farther than a similar amount of old-fashioned starches.

Linit costs 10c at all Grocers. Get a package and begin the modern way of starching your fabrics. You will never go back to the old-fashioned starching.

LOCALS LOSE NAMPA GAME

Evans Men Drop Another One; Score, 6 to 2; Mussel Gets Double, Two Singles.

NAMPA, May 8 (AP)—Nampa high school baseball team defeated Twin Falls high school here this afternoon on the high school grounds by a score of 6 to 2. Gray was the only man on the Nampa team that failed to get a hit. Durge, for Nampa, got two two-baggers and a single. Mussel, Twin Falls catcher, got a double and two singles.

Twin Falls remained scoreless until the seventh inning, when the two runs were brought in. In the first inning Nampa scored three runs. In the third Nampa scored again, and the last two were brought home in the sixth.

The game was well attended.

Score: R. H. E.
Twin Falls 6 12 2
Nampa 2 6 12
Batteries: Garritty, Martin and Mussel; and Waddy.

Summary
Strikeouts—Kolly 12; Garritty 2; Martin 6. Three-base hits—Jamison. Two-base hits—Mussel, Durge (2), Smith and Waddy.

HANSEN TEAM TO MEET SUGAR FACTORY NINE

Initial game of the Hansen ball club will be played Saturday afternoon at the Hansen park when Twin Falls Sugar company squad will cross bats with the Hansen club. The Hansen club was recently organized under the management of William Sanderson and coached by L. R. Carter. Several games are said to be on the Hansen club's schedule, which is being carried out with all games being played on Saturday.

The Hansen club has been organized with the community church program and is captained by Burton Hill. Full equipment and preparations for a hard season have been made by the Hansen team.

Squires heads the Sugar factory nine which is in first class condition to meet any team of the district, it is said.

DRY LEADERS JOIN IN ATTACK ON RUM SHEME

WASHINGTON, May 8 (AP)—Evils which they believe would attend the legalization of 2.5 per cent beer, as proposed by a number of pending bills, were discussed in fulsome testimony today by dry leaders at hearing before the House Judiciary committee.

A committee of five from the general conference of the Methodist Episcopal church, now meeting at Springfield, Miss., Wayne H. Wheeler, general counsel of the Anti-Saloon league, and Mrs. Ella A. Boole, representing the Women's Christian Temperance Union, joined in an attack on the proposed bills to legalize the prohibition laws.

After presenting a statement from the Methodist conference in which it was declared to be the belief of that body that the proposal to nullify the constitutional amendment by licensing the sale of wine and beer is an appeal from orderly legislation to law defiance and anarchy, members of the delegation further presented their personal views.

IDAHO BEATS OREGON.

BUGENE, Ore., May 8 (AP)—Idaho battered four Oregon pitchers for a total of 15 hits, four of them home runs, and won today's game with Oregon, 17 to 4.

HARVESTER PROFITS BIG.

CHICAGO, May 8 (AP)—The annual report of the International Harvester company shows net profits of \$10,274,376.53 for 1923, as compared with \$5,549,747.93 in 1922.

And Why Not?

The next day after she becomes engaged a girl begins to wonder whether her happiness will last until she is married.

Dickens of a Situation.

At a lecture, if one is struggling to suppress a cough, he misses some of the lecture and if he doesn't struggle, somebody else misses it.

We Wonder!

What causes the majority of women to be so little touched by friendship is that it is inspired when they have once tasted love.

\$100.00 Reward

We, the undersigned, will pay a cash reward of \$100.00 for information leading to the arrest and conviction of anyone over the age of 16 caught stealing, picking or destroying flowers, shrubbery, trees, or other property at our homes or at any other homes in the City of Twin Falls.

The reward will be paid without question to any peace officer or citizen under the conditions mentioned.

The penalty fixed by law is a fine of \$300.00, six months in the county jail, or both.

(Signed):

ORDERS WATER DELIVERY MADE

Judge T. Bailey Lee Requires Salmon River Canal Co. to Serve Diebolt and Caldwell.

Write of mandate requiring the Salmon River Canal company to deliver water to two tracts of land outside the patented area of the Salmon River project were issued Thursday in district court here by Judge T. Bailey Lee in suits instituted by J. H. Diebolt and A. E. Caldwell against the canal company. Under the court order the canal company is required to furnish water to Diebolt for 75 acres and to Caldwell for 80 acres of land. Both Diebolt and Caldwell are holders of canal stock for water for these lands. They are represented by Attorney C. C. Hall.

Appeal will be taken in these cases to the state supreme court, G. M. Hall, president of the Salmon River Canal company, stated Thursday evening.

Issues involved in these actions were raised about four years ago in a suit instituted by Thomas Sanderson against the Salmon River canal company, which was appealed by the company of the United States supreme court after the state supreme court, assuming original jurisdiction, issued a writ of mandate requiring the delivery of water. The question was not passed upon by the supreme court because Sanderson entered into a settlement agreement with the Salmon River bondholders committee before it was brought to hearing.

QUESTIONS ARISE IN OUT.

Authentication, for including in the area of the Salmon River project made because of insufficiency of water supply for the larger area, is called in question in the case of A. E. Caldwell against the Salmon River company, which will be tried today before Judge Lee in district court here. In this action Caldwell seeks to require the company to deliver water for 75 acres which was eliminated from the project area because of alleged roughness and inaccessibility.

W. G. Wells, representative of the department of the interior, and W. C. Whitfin of Caldwell, author of the celebratory Whiffin act, in accordance with which the project area was reduced, have been summoned as witnesses for the defense.

HAZELTON

HAZELTON.—Mrs. Willard Wardell returned home Sunday from Burley where she and the babies have been visiting Mrs. Wardell's sister, Mrs. Van Bremer. Little Ruth Wardell is reported to be improving nicely after a serious attack of measles at Burley.

N. P. Griffith moved his furniture to Boise where he expects to make his home.

Fred Holmsette is improving very slowly from a siege of the spotted fever.

Mr. and Mrs. Willard Lindley expect to leave within the next few days for Oregon. They are making the journey overland.

Hazelton's new minister, the Rev. Glen Morton, and family from Moscow arrived in Hazelton last week. A reception was given Friday evening in honor of the minister and his family.

Mrs. George Lattimore who returned home last week from the Twin Falls county general hospital, is reported to be improving rapidly from an operation.

SOCIETY

Edited by Mrs. E. A. Williams

Telephone 386

Complimenting Mrs. H. W. Sawyer of Fallon, Nevada, Mrs. C. D. Dimes and Mrs. Morlin Batley entertained with a delightful luncheon at the home of the former on Monday evening, Thursday at 1 o'clock. The guests were seated at one large and four small tables. The large table had for a centerpiece a beautiful bouquet of spring flowers and the small tables were decorated with a crystal candlestick holding tapers in a different pastel shade for each table, these were tied with maling bows in the same colors. Bridge followed the luncheon. Mrs. Sawyer receiving a guest favor and prize for high score being won by Mrs. P. J. Costello. Consolation was awarded to Mrs. Harry C. Alexander.

Mrs. Alan P. Senior and Mrs. F. C. Beebe entertained with four tables of bridge Thursday afternoon at the home of the former on Sixth avenue east. The rooms were attractive with quantities of beautiful tulle. Mrs. Fred R. Walker won first prize and Mrs. Wise Evans second. At the conclusion of the games daily refreshments were served. Mrs. Senior and Mrs. Beebe entertained with a second charming party last evening, closing a series of four.

Mrs. Greta Van Hemert and Mrs. George Davidson entertained at bridge Thursday afternoon at the home of Mrs. Van Hemert on Tenth avenue north. There were seven tables of players, high score being won by Mrs. Jacob Simons and low by Mrs. J. F. Johnston. A profusion of tulips in various shades decorated the rooms. After the games delicious refreshments were served, the hostesses being assisted by Mrs. W. L. McFarland and Miss Dorothy Kenworthy.

On Wednesday evening Mrs. Ernest White and Mrs. Arthur Osborn entertained with the second of a series of parties which they are giving. Laid in a variety of colors was used artistically about the rooms. Bridge was the diversion, Mrs. E. M. Sweeley winning first prize, Mrs. J. Paul Johnston second, and Mrs. Frank Baldwin consolation. At the conclusion of the games the hostesses were assisted in serving a two-course luncheon by Mrs. H. P. Burger and Mrs. E. B. Bole.

The guests list included Mesdames T. J. Woods, Leonard Smith, Lawrence Hodgins, E. M. Sweeley, H. P. Burger, B. E. Coughlin, A. E. Shifer, J. A. Campbell, W. T. Kelley, J. C. Moore, A. Alexander, Charles Macaulay, Kynyon Greene, L. E. Balladry, T. F. Murray, R. E. Bobier, J. Paul Johnston, Dickerson, Bule C. Sawyer, Frank Baldwin, Hardy, Peter Ericson, E. Hollingsworth, A. B. Colwell, Jay Logan, Hal Bieler and Geneva Lewis. Out-of-town guests were Mrs. Ernest Claudin of Lews Beach, Cal.; and Mesdames W. A. L. Stowe, Shepherd, A. J. Wilson, Frank Henry, H. G. Wilson and Glenn Whitney, all of Kimberly.

The Woman's Home-Missionary society of the Methodist church met in the church parlors Thursday afternoon. Mrs. C. H. Stinson led the devotional service. It was requested that everyone bring their milk boxes to the June meeting. Mrs. Frank Davis, the national field worker, gave a helpful and instructive talk on the work of the so-

ciety. Mrs. C. E. Winning sang "O, Dry Those Tears," and "Mother Macrae," and Edna Stover sang two solos accompanied by Irene Parrott. Mrs. M. F. Wright's division served daily refreshments.

The Wayside club met at the home of Mrs. Henry Champlin Wednesday afternoon with Mrs. L. G. Jones assisting hostess. After the transaction of business Mrs. Champlin read a paper on landscape gardening, and Mrs. Violet Strong gave a reading. Mrs. Carl Benson returned two instrumental selections which were thoroughly enjoyed. A social hour followed during which the hostesses served refreshments to 18 members and two guests. The next meeting will be guest day at the home of Mrs. Morgan.

Mrs. William Fisher was hostess to the Kimberly Round club Wednesday afternoon. Mrs. W. B. Hoag was in charge of the program and was assisted by Mrs. Harry Alexander and Mrs. Jero Long who both had fine papers on "Home" and a general discussion followed. The paper went out on "Federal Reserve Banks" by the Rural Federation was also read and enjoyed. Late in the afternoon the hostess served daily refreshments to the eleven members present.

The Highland View club met with Mrs. Joe Mansford Wednesday afternoon with the president, Mrs. Floyd Bandy, presiding. Each member answered to roll call with a question on Mothers' day. clever guessing games furnished amusement for the afternoon; prizes being won by Mrs. E. Smiler and Mrs. Bandy. A reading was given by Mrs. M. F. Wright. After which refreshments were served. Fifteen members and two guests were in attendance. The next meeting will be with Mrs. Woodko on May 31.

The Woman's Council of the Christian church met at the home of Mrs. T. S. Wasson Thursday afternoon. Mrs. H. W. Farar had charge of the program the subject for which was "American Mothers." Mrs. Bowen read a splendid paper on "Mothers in Education and Mrs. H. E. Dells an interesting paper entitled "Mothers." Mrs. Harris, wife of the new pastor, sang "Mother Macrae" and "Spring is a Lovely Lady." Miss Ruth Tolliver played two numbers on the flute. Delicious refreshments were served by division No. 1 to about 35 ladies.

Twenty three members of the Country Women's club and six guests, met Wednesday afternoon at the home of Mrs. Winar on Blue Lakes boulevard, and enjoyed a splendid program of readings and quotations on "Mother's Day," conducted by Mrs. McClain. Mrs. McClain read two especially interesting articles, one about Whistler's painting of "Mothers" and the other about the mothers' pension bill, how it started and what a splendid thing it has been. Mrs. Loper read a fine book review written by herself, on "Mother Cary's Children" by Kate Douglas Wiggin. The new president of the club, Mrs. Rose Allen, had charge of the business session which included much interesting discussion. New committees were appointed, also delegates to the Federation.

Dainty refreshments, all in zink and

white, were served by Mrs. Winar assisted by Mrs. Miller, Mrs. Gott and Mrs. Kenworthy. The next regular meeting will be held at the home of Mrs. Maud Kenworthy.

REDUCED ONE-PASSE RATES.

Via Union Pacific system, daily, effective: May 13th, Idaho to points in Nevada, Arizona, New Mexico and California. Twin Falls to Los Angeles \$30.49; same fare back. Other points proportionate. A. M. Smith, ticket agent, Twin Falls.—adv.

FARMERS BUSY WITH SHOVELS

Lack of Precipitation Causes Heavy Demand for Water; Farm Work Well in Hand.

BOISE, May 8.—Lack of precipitation is causing heavy demand for water and farmers throughout southwest Idaho are busy irrigating, making good progress with reasonable farm work, which generally is well in hand, according to a summary of weather and crop conditions in Idaho for the week ending Tuesday, May 7, issued by Clinton E. Norquest, meteorologist for the federal weather bureau. Summary conditions in southwest Idaho says:

Moderate temperatures obtained during the first part of the week. Exceptionally warm weather for the season followed on Friday and Saturday, which gave way to a rapid change to much cooler weather on Sunday and Monday with freezing temperatures in many localities Monday night. Except for a moderate fall of rain and snow in the higher regions, the week passed without precipitation. There was abundant sunshine. Drying winds during the week made further inroads on the rapidly dwindling supply of soil moisture and dry grass pastures in many localities Monday night. Generally there was enough soil moisture to bring up the early sown grains and wheat, barley, and oats are mostly up to a good stand. Late sown grain is not starting so evenly. Apple and peach orchards are coming into full bloom in the Boise valley. Apple growers report only slight damage from the frost of Tuesday morning. Almonds and early potatoes were frosted in some localities.

Southeast Idaho: Moderate temperatures prevailed most of the week, but frosts were reported in the higher sections. There was an abundance of sunshine and high drying winds prevailed. The showers that occurred were too light to afford much benefit. Winter wheat is doing well generally but was badly winter killed in the higher section of Fremont county. Spring grains and sugar beets are about all planted. Beets are coming up well in places. Oats and wheat are slow on account of dry weather. The ranges are dry and making slow growth.

PERMIT SYSTEM SLOWS DOWN LIVESTOCK TRADE

Ogden and North Salt Lake Markets Suffer "In Consequence of Outrigger Shipments to Coast."

SALT LAKE, May 8.—Trading on the Ogden and North Salt Lake livestock markets has been a rather dull affair the past week ending Tuesday. Shipments to coast markets have been curtailed owing to the permit system in effect regarding shipments to Los Angeles county. In order to secure transportation for the livestock, shippers must first obtain a permit from the livestock control committee in Los Angeles and these have been almost impossible to get this week. As a result only a small number of cars was moved this week. Shipments that originate in California are given preference over shipments from outside the state. With the restricted outlet for cattle and hogs, marketward movement of these two classes has been dropping off quite rapidly of late, permits are as yet not required for shipments to markets other than Los Angeles. All stock must be consigned either to commission men or packers and is to be slaughtered within 48 hours after it is unloaded in the yard chutes.

There were no outbreaks reported this week of the foot and mouth disease, although there were several new infections discovered within the quarantined area. The situation seems to be well in hand now under the supervision of the federal bureau of animal industry. The force of federal and state men now combating the disease totals 200 scientific workers. Arrangements have been completed to allow the movement of cattle and sheep from the free areas into the national forests for summer grazing. It is estimated that approximately 300,000 cattle and 650,000 sheep will be grazed on the forest ranges this season. A force of 18 veterinarians has been assigned to inspect the stock before it is allowed to pass within the borders of the national forest.

Many Telephone Wires Telephone wires in some of the States, if placed in the ground, are sufficient to run street circuits from the

BABY WEEK

Saturday will be the end of Baby Week. We have had special display and special prices prevailing on wearables for the baby.

BATH SETS

Towel sets consisting of one large towel, two small ones, one big wash cloth. An ideal gift for the new arrival. \$2.50

NOVELTIES

A big assortment of novelties for one to give the expectant mother or for the baby, just arrived. You will find them inexpensive.

FREE

Until the present supply is gone we will give free to every mother who brings her baby to the store one pair of rubber pants.

We Suggest for Mothers' Day

GLOVES—Mother always appreciates something practical. We suggest Van Raalte suede finish fabric gloves. 75c up

HOSE—A fine pair of silk hose will please. We suggest Gotham Gold Stripe for they give the utmost wear; all colors. \$1.95

GLOVES—We call your attention especially to Van Raalte silk gloves. They are superior in quality and style. \$1 up

GRADUATION

CORO PEARLS

Coro pearls are warranted indestructible. They are warranted not to peel or discolor. 24-inch strand of graduated pearls sells at the very low price of \$2.50

SWIMMING GIRLS

Ask for those clever swimming girls to stick on your wind shield. They are free for the asking.

Wright's

A GOOD PLACE TO TRADE

Substantial Reductions in Our Ready-to-Wear Department

SUITS Had you in mind a suit this Spring; this is your opportunity. Right now, almost the beginning of the season we are reducing the price of our suits. Every suit in stock goes in one of the following groups. This is not just a small reduction, but a radical one and at these prices, every suit in stock should move right out. It will pay you to come in early.

\$12.50

In this group go suits that have been selling from \$16.95 to \$22.50. In the lot you will find some tweeds, and some poret twills. Every one is an ideal suit for your summer outing, in fact for most any occasion. Just one \$12.50

\$19.50

You will find some very desirable suits in this group. In the lot are suits selling regularly up to \$29.50 and among them are three sweater suits selling formerly to \$37.50. A good range of sizes. \$19.50

Children's Coats Less 20%

Just 18 children's coats in stock. Sizes from 4 to 14. Former price range from \$5.95 to \$13.50. The entire assortment without reservation go on sale Saturday at a 20% discount. An early selection insures no disappointment. 20% LESS

COATS AT \$13.50

There are 10 coats left from our remarkable sale at \$15. They are in the plain grays and browns. One or two plaids. They are fully lined and were out of the ordinary values at \$15. Take your choice of \$13.50

DRESSES \$15

Another lot of those Roshanara dresses have arrived. Sizes to 44. A special purchase makes possible the selling of these dresses at less than half their former value. \$15

\$24.75

In this group are most of the new Spring pin stripe suits, some Woolltex tweeds and other very exceptional values, selling formerly to \$37.50. A fair range of sizes. Not many suits but values \$24.75 are remarkable.

\$34.75

Just think of buying suits that this Spring have been selling up to \$52.50. Not one suit in the group has been selling for less than \$42.50. Some large sizes. Some Woolltex among them. An early selection is the best. \$34.75

Capes

Less 20%

Just a few very desirable new spring capes in bolivia and silk. Some of them trimmed with the new summer fur. Capes are in the best of style and are becoming to the majority of people. LESS 20%

FIBER SILK SWEATERS

Sleeveless fiber silk sweaters are in big favor this Spring. They are being worn with plaid skirts. High collars are most popular. Another shipment has brought some clever numbers \$3.95

NELLIE DON DRESSES

Last Friday and Saturday we sold approximately \$1000.00 worth of Nellie Don dresses. The public is the best judge of values and such a sale demonstrates what the public thinks of Nellie Don dresses. Lots of attractive styles.

\$1.95 to \$9.50

The Dish Sale Ends This Week

We suggest that those values should be taken advantage of. Only a large and special purchase makes possible such prices.

33-PIECE WHITE

A complete serving of white semi-porcelain ware for 6 people, 6 cups and saucers, 6 plates, 6 salad, 6 fruit, one platter, 1 bowl, 1 napkin; the set \$2.98

Cooked Food Sale

Saturday the Catholic Club of the High School will hold a cooked food sale in our bar. Gain center. A good assortment of home-cooked foods.

Glorious Hair-

In 90 Days or Money Back

Women who wish to stimulate the growth of their hair should use Van's Liquid Scalp Massage. A glorious head of strong vigorous hair awaits you. Follow the instructions, and consistent use is easy because Van's-Ess comes fitted with a patent rubber applicator that feeds the treatment directly to the roots of the hair, eliminating messy massaging with the fingers. And the flexible tip of the applicator brings a healthy circulation of blood to feed the hair roots. Buy your Van's in 90-day treatment plan. Money back if it is not successful.

MAJESTIC PHARMACY
TWIN FALLS

BEAN TAKE ACTION UNDER LICENSE PLAN

Meeting of Growers, Shippers and Bankers Here Approves Regulations for Government Warehouses.

Bean growers, shippers, warehouse operators and bankers of this district, at an all-day session here Thursday, heard officials of the United States department of agriculture explain provisions for government licensing of bean warehouses, indicated their approval of this measure, and reached an agreement as to basis for bean grades soon to be promulgated by the United States department of agriculture.

The session for the hearing which was held at the hotel here, was the first of its kind in this district since the extension of provisions of the warehouse act, authorized by congress in 1922, to include bean production.

Keen Interest Shown

Troubled regulations, and procedure under which already established warehouses may be licensed by the federal government and operate under provisions of the warehouse act, were explained at length at this hearing by H. R. Yoho, in charge of the warehouse division of the department of agriculture, assisted by Paul M. Williams, also of the warehouse division.

Keen interest was indicated on the part of participants in the hearing and was given by the officials in charge of the hearing covering many phases of the subject.

Plans for Idaho bean grades agreed upon by participants in the hearing received the approval of the federal officials, who stated that while grading is essential to operation of government licensed warehouses, no federal bean grades have been established.

Idaho Grades

Question of grades was introduced into the hearing by A. G. Schultz, federal supervisor of inspection, co-operating with the Idaho department, and M. L. Dean, director of the Idaho bureau of plant industry. Suggested Idaho bean grades suggested at this meeting, Mr. Dean stated, conform closely to bean grades already established in New York and Michigan, and with California and Idaho, comprise the principal bean-producing states. The meeting gave its approval to four suggested grades for Idaho beans, namely: Choice hand-picked, Number 1 hand-picked; choice released, and Number 1 released.

In opening the hearing which was held in the postoffice building, Mr. Yoho stated that the hearing here was arranged at the instance of Representative Addison T. Smith, who had pointed out to department of agriculture officials the growing importance of Idaho bean production.

Tells of Advantages.

In explanation of the advantages expected to result from extension of the provisions of the warehouse act to bean warehouses, Mr. Yoho said:

"To encourage proper storage of agricultural products and to develop a warehouse receipt, which will be acceptable to bankers generally as security for loans on agricultural products, congress passed the United States warehouse act in 1916.

"Originally the law applied only to cotton, grain, wool and hides. Growers of other products saw the benefits which growers of the four products mentioned secured. They saw how the cotton grower, the wool grower and the grain grower secured hundreds of millions of dollars of loans through the use of the warehouse receipt which a warehouseman who operates under the federal law must issue. The result was that financial centers at great distances from heavy producing centers sent large amounts of money into the agricultural area.

"Seeing this economic change, growers in agricultural areas producing crops other than cotton, wool, grain and tobacco, began to file requests with congress to extend the law to other products. In answer to this demand congress in February, 1923, authorized the

LOCOMOTIVE'S MISHAP HOLDS UP PASSENGERS

Passengers on the eastbound passenger train Thursday evening remained in Kimberly for more than four hours until after 10 o'clock awaiting the arrival of a wrecking outfit from Pocatello to lift a freight engine with broken axle off the tracks at the switch, about 100 yards east of the station at Kimberly. Breaking the axle under the locomotive tank occurred while the freight engine was employed in switching in the Kimberly yards, shortly before the arrival of the passenger train. The engine broke when the axle broke on the main line in such a manner as to prohibit traffic until its removal after the arrival of the wrecker. The accident, according to O. R. Chalmers, Oregon Short Line trainmaster, with headquarters in Pocatello, who was a passenger on the eastbound train, involved slight damage and was serious only in regard to inconvenience caused by delay to the passengers.

YOUTH HURT AS TRAIN HITS CAR

Ralph Newberry of Filer Severely Injured in Smashup on Short Line Tracks.

Ralph Newberry, 19, son of Mr. and Mrs. H. O. Newberry, Filer, a student of the Filer high school, was severely injured Thursday evening when the eastbound passenger train struck the Ford truck in which he was attempting to cross the tracks at a short distance west of the station at Kimberly. The boy was on his way home northwest of Filer from school and was alone in the car. He is believed to have been thrown clear of the wrecked machine.

Examination of his injuries made last evening at the county general hospital indicated that there had been no fracture of bones and that he was suffering from possible internal injuries together with severe lacerations about the head, face, back and thigh. He was reported to be resting comfortably in the hospital.

The injured lad was taken aboard the train and with Dr. A. Newberry of Filer, in attendance, was brought to Twin Falls, where Dr. H. N. Loefer, Oregon Short Line physician, examined him and participated in the examination at the hospital.

Parents of the lad were communicated with immediately after the accident, and the mother returning to him last night, Mr. Newberry returning to his duties at home after learning the results of the examination.

Secretary of agriculture to extend the law to such products as he might consider properly shippable.

"Among the first request for an extension of the law to other products was one to extend it to beans. The department of agriculture in answer to the demand, has drafted proposed regulations for licensing of bean warehouses, before actually putting the regulations into effect the department decided it should first discuss the regulations and offer any suggestions they may desire."

Mr. Yoho and Mr. Williams left Thursday evening for San Francisco where a hearing is to be held May 12, and the series of five hearings will be scheduled May 15 at Los Angeles. Hearings prior to the one held here were held at Rochester, New York; Lansing, Michigan, and Denver, Colo.

Participants in Hearing.

Representatives of this region were represented at the hearing here by T. H. Baird and Dr. L. H. Griffin, officials of the Southern Idaho Grain Growers' Association. Bankers in attendance included J. M. Maxwell of the First National bank, Twin Falls, and L. T. Wright of the Twin Falls bank and Trust company. Warehouse operators who participated in the hearing included Wilfred Olson and O. J. Childs of Filer; E. D. Kinney, C. T. Givens, W. T. Leal, J. H. Seaver, Alvin Harbour, Ralph Pink, of Twin Falls.

COUNTY BOARD MAKES CUT IN OFFICIALS' PAY

Salaries of Eight Elective Officers Trimmed \$1800 by Action of Commissioners; Auditor Raises Question.

Twin Falls county commissioners Thursday fixed salaries of elective county officials for the two-year period beginning January, 1925, ordering reductions ranging from 10 to 50 per cent and effecting an annual saving in the aggregate of \$1800 on account of salaries paid to eight county officials.

Protest was made by C. C. Siggins, clerk of the district court and county auditor and recorder against the commissioners' order for reduction in his salary from \$2000 to \$1800 a year. Mr. Siggins argued that he had been elected two years ago for four-year term and that the commissioners could not legally change the salary before the expiration of the term. The commissioners stated that they would seek legal advice and invited Mr. Siggins to present his protest again next Saturday.

Outgoing Officials Not Affected.

Terms of all other county officials will expire at the close of the salary schedule becomes effective. Salaries of commissioners and of the county attorney being fixed by statute, were not considered by the commissioners in fixing the other salaries.

The present schedule of annual salaries which was fixed four years ago and the new schedule for each office as fixed Thursday by the commissioners are as follows:

	Present.	New.
Auditor	\$2000	\$1800
Recorder	2000	1800
Sherriff	2000	1800
Assessor	2000	1800
Prosecutor	2000	1500
County judge	2000	1500
Sup't. of schools	1800	1500
Coroner	200	100
Surveyor	200	100

Members of the board of commissioners stated that they had been actuated in reducing salaries of county officials by consideration of economic depression prevailing particularly in the farm industry. Each of the three members of the board prepared a suggested schedule of salaries, the final action representing the consensus of the board's opinion on the subject.

Commissioners' Pay Fixed.

Twin Falls county commissioners have received annual salaries of \$4000 each since the county was reduced from first to second class by the 1921 session of the state legislature, commissioners' salaries being fixed by statute in accordance with the grade of the county. Effort was made following the election of the present board of commissioners, to restore the county in the last legislative session, but was defeated. Under first class rating the county commissioners would receive annual salaries of \$1500 each.

DAIRYMEN IN LONG SESSION

County-Wide Co-operative Association Leaders Spend Day With Detailed Plans for Beginning Operations.

Directors of the recently organized Twin Falls County Co-operative Dairyman's association, with control over marketing of 40,000 pounds of butterfat each month, spent all day Thursday in session in the court house working out plans for completing financial arrangements and putting the association into active operation in the immediate future.
