MOORE SQUARELY BEHIND COOLIDGE HE TELLS LEGION

Test Day Plans of President Backed by Idaho Governor in Speech at Annual Meeting of Ex-Service Men.

POCATELLO, Idaho, Aug. 8 (AP)—Governor C. C. Moore was the principal speaker at the morning session of the department convention of the American Legion. He was introduced by State Commander Paul Davis as "the friend of the service man."

Governor Moore stated that he stood "fairly, squarely and unconditionally behind President Coolidge" in his plan to get aside a day for the instruction of citizens in their rights, and to show the world that the American people stood ready at all times to defend their rights. The governor scored the opponents of national "test day" and issued a warning against the work of the pacifists and radicals who, he said, were distributing their propaganda in schools, shops and other gathering places.

The report of James H. Bacon of Pocatello, Americanization officer, was another feature of today's convention. The report outlined the work the legion has accomplished in the promotion of better citizenship by means of essay contests in the schools, proper observance of Memorial and Armistice days, national week and American constitution week.

ALL DOCTORS IN THE GERMAN DELEGATION

LONDON, August 8 (AP)—The echoes in the corridors of the Ritz hotel these days, with the pages shouting Dr. Marx Dr. Stresemann, Dr. Luther and Dr. Ba and Dr. So, down to the humblest attaché of the delegation of 40 German representation conference delegates quartered here, fall somewhat strangely on the ears of foreigners from countries where the university degree is not so strongly accented as in the German realm.

One of the London newspapers says there are only three persons in the German official party without a doctor's degree, three being women stenographers who have not yet completed their university work.

LABOR FEDERATION OFFICIAL RESIGNS

ATLANTIC CITY, N. J., Aug. 8 (AP)—Joseph Valentine, former president of the International Molders' union and present vice president of the American Federation of Labor, resigned today and his resignation was accepted by the executive council of the federation.

Stocks of Coal in State Very Low Is Commission Report

Public Utilities Body Urges Idahoans to Fill Bins Early to Avoid Possible Scarcity Later.

BOISE, Aug. 8 (AP)—Idahoans are urged to get in their winter's supply of coal early and avoid a car or coal shortage, in a statement issued by the public utilities commission today. The mines are ready to fill orders, the statement says, and the railroads have ample equipment to "move" the coal. The statement follows:

"Reports in this department show that stocks of coal in this state are very low; that prices are at a low level with prospect of sharp advances as demands increase."

"The mines are now in a position to fill orders promptly and the railroads have ample equipment for transportation."

"Very shortly the movement of grain, fruit, vegetables, sugar beets and other commodities will begin and then the supply of cars and other shipping facilities will be limited."

"The people of Idaho are urged to cooperate in this matter by laying in their coal supply now in order that they may not encounter a car or coal shortage at a time when serious results might follow."

MILLIONAIRE FATHER OF FRANKS' SLAYER

NATHAN LEOPOLD SR., millionaire manufacturer of Chicago, refused to believe that his son, Nathan Leopold Jr., had a part with Richard Loeb, son of another millionaire, in kidnapping and murdering Robert Franks.

WORLD FLIGHT MAY HAVE TO BE GIVEN UP

Worst Ice Conditions in 20 Years Off Greenland Coast Causes Serious Concern to American Fliers.

REYKJAVIK, Iceland, Aug. 8 (AP)—The world-flight of the American army aviators, who already have completed 21,000 miles in their effort to put a circle about the earth, seemed in danger of being abandoned today owing to the ice conditions off Greenland which are declared to be the worst in 20 years.

Lieutenant Lowell H. Smith, who is in command of the flight, and Major Clarence of the American army air service, were called into consultation by Rear Admiral Thomas P. Magruder on board the cruiser Richmond to consider calling off the flight for this season. Both Lieutenant Smith and Major Clarence argued that there still were hopes of completing the project of flying from Iceland to Greenland and thence to Labrador.

Order Cruiser Out.

The result of the conference was an order to the cruiser Richmond to proceed to Greenland waters and explore the coast for a possible landing place for the planes of Lieutenant Smith and Lieutenant Nelson, south of Angmagalik, which was picked out in making up the itinerary as the first stopping place in Greenland.

The aircraft Gertrude Hawk, with supplies on board for the aviators and which is icebound 15 miles from Angmagalik, reported today by wireless that there had been no change in the ice conditions. Admiral Magruder then is said to have decided to call off the flight unless there were imperative reasons for continuing.

If no harbor is found available as a haven for the planes in Greenland, the alternative of refueling them from the Raleigh on the open sea will be considered, although the fleet regard this a desperate expedient.

CALLED HOME FROM RUMANIA FOR TALK ON TRADE PROBLEM

American Minister at Bucharest Will Tell State Department Officials Country's Parliament Action.

WASHINGTON, Aug. 8 (AP)—American Minister Jay at Bucharest, is coming home for conferences at the state department which may have an important bearing on further relations between the United States and Rumania.

The subject of the discussions will be the recent act of the Rumanian parliament covering mining and oil exploration and development in that country in a way that is held here to affect adversely American interests.

The date of Mr. Jay's return to his post may depend on the success of further American efforts to have the new law modified.

The matter already has been the subject of representations to the Rumanian government but so far as can be learned the sections of the legislation objected to have been corrected.

FRENCH GO HOME FOR CONFERENCE ON RUHR PLANS

Three Delegates Leave for Paris When Evacuation Causes Disagreement at Reparations Meeting.

LONDON, Aug. 8 (AP)—Premier Herriot, War Minister General Nollet and Finance Minister Clementel, will go to Paris tomorrow afternoon for a cabinet conference and negotiations of the international conference here will be virtually suspended until they return.

Action by the French cabinet was necessitated by the fact that the question of evacuation of the Ruhr is the chief obstacle to any final agreement of the conference and also because Mr. Herriot and General Nollet are reported to be in disagreement on this important matter.

Return Monday.

The French premier promises to return to the British capital Monday morning. It is expected Mr. Herriot will confer with the members of his cabinet regarding the final stand the French delegates to the conference should take on the Ruhr evacuation question and on the question of the maintenance of the Franco-Belgian railroad men in the Rhineland system.

There will be no meeting of the "big fourteen" tomorrow, but the two committees will meet. Prime Minister MacDonald will leave either tomorrow night or Sunday morning for Eastbourne, while many of the other delegates are planning Sunday excursions preparatory to the resumption of the battle between the French and the German delegates on Monday.

Private Meetings Help.

The real work of something out the difference between the French and the Germans is being done in private meetings rather than in conference sessions and the efforts both sides have been making to retain as many weapons as possible for trading purposes have been greatly exaggerated their differences considerably.

Optimism is general in Allied circles over the ultimate outcome of the conference, but the probable date of the agreement is now put at about August 14 by many of the delegates.

TO PRESIDE AT MEETING

PARIS, Aug. 8 (AP)—President Doumergue is coming back to Paris from France's summer "white house" at Compiègne to preside Sunday over a special council of the ministers, which is to be held this afternoon had been an entirely unforeseen contingency in connection with the international conference in London.

LABOR WILL SEE CALLES SEATED

American Federation Votes to Accept Invitation to Mexican Inauguration December 1.

ATLANTIC CITY, N. J., Aug. 8 (AP)—At the personally extended invitation of President-elect Calles of Mexico, during a secretly-arranged journey here from New York, the executive council of the American Federation of Labor voted today to attend the inauguration of General Calles at Mexico City, next December 1.

General Calles and his party were here only three and a half hours, returning this afternoon to New York, whence the president-elect will sail shortly for a pre-inaugural vacation in Europe.

With him today were Salomon de la Selva, who recently helped conduct for the Pan-American Federation of Labor, a survey of political and economic conditions in Nicaragua, Manuel C. Teller, Mexican minister to Washington, and Carlos A. Vargas, Spanish language secretary of the Pan-American federation.

General Calles, his party and the executive council were guests of Samuel Gompers, president at luncheon at the hotel Ambassador.

Former Ambassador to Russia is Dead

NORTH PORT, Mich., Aug. 8 (AP)—Henry M. Pindel, 62 years old, former United States ambassador to Russia, died at his summer home here tonight of heart disease. He had been ill only 48 hours. He was owner of several Peoria, Ill., newspapers.

His wife and daughter were with him when death came.

Lack of Water in Idaho Streams Is Killing Many Fish

Thousands of Trout Dying, Reports to Forest Service Officials Say; Game Driven From Hills.

BOISE, Aug. 8 (AP)—Lack of water in Idaho streams is killing thousands of fish, according to reports to the United States forest service. Many of the best trout streams are entirely dry and will have to be restocked. Game animals are being driven from the hills by water shortage, and deer are reported in numbers near Atlanta.

POLITICAL PRISONERS ARE BEING RELEASED

BERLIN, Aug. 8 (AP)—In connection with the London conference decisions on amnesty in the Ruhr and Rhineland, it is learned here on high authority that the reciprocal lease of German, French and Belgian prisoners is proceeding rapidly. All political prisoners in the hands of the French and Belgians in the Rhineland palatinate and the Ruhr are also being released.

COLLEGE BOYS TAKE STAND IN YOUTHS' TRIAL

Eight Students Testify in Hearing of Loeb and Leopold for Murdering Franks Boy; Fourth Alienist Called.

CHICAGO, Aug. 8 (AP)—A procession of eight college boys, finally giving way to Dr. Harold S. Hulbert, fourth of the defense's mental specialists, took the witness stand today before Judge John H. Vaneer, to give evidence in the sentencing of Nathan J. Leopold, Jr., and Richard Loeb, for the kidnapping and murdering of Robert Franks.

The university students, mostly friends of Loeb, testified as to their observations of the youths' peculiar mannerisms and mental mechanisms as revealed to them on campus and in a fraternity house. They occupied the entire morning session, except for four minutes when Dr. Robert Bruce Armstrong of Champaign, Ill., gave evidence regarding a slight accident to Loeb in 1922.

From Cradle Up.

Dr. Hulbert going over the lives of the defendants from cradle days, concluded that Loeb is "mentally diseased," and had not reached his conclusions as to Leopold when court was adjourned until tomorrow, after he had been stood for two hours.

Dr. Hulbert corroborated the testimony of Dr. Bernard Glueck to New York that Loeb was the actual slayer of the Franks boy. That Loeb had discussed the Franks murder with his mother, "getting quite a kick out of it," also was testified by the psychologist. He revealed that Loeb was the funeral of his victim and felt a bit uncomfortable but not remorseful when he saw Bobby's lay friends carry his coffin from the Franks home.

Books Defect Cause.

Dr. Hulbert delved into the realm of parental influence in seeking cause for various defects that his 13 examinations of the youth revealed to him. He testified he had learned that Leopold's mother suffered from a physical ailment before his birth, remained an invalid and died 17 years later and that Loeb's mother, just before his birth, was sickly and also suffered from several acute infections.

GOVERNOR MAILS OUT LIST OF DEFENSE DAY CHAIRMEN SELECTED

BOISE, Aug. 8 (AP)—Letters officially informing the 45 vice chairmen in Idaho's counties of their appointment to last defense day test plans in their respective counties, have been prepared by Governor C. C. Moore and will be forwarded to the chairmen before the end of the week, it was announced at his office today.

The county chairmen, together with members of a state-wide committee, were named by Governor Moore Tuesday evening and in the letter he is asking their acceptance of the position promptly in order to get the remaining information for the day out as soon as possible.

SEVEN GET SENTENCES

WAILUKU, Island of Maui, T. H., Aug. 8 (AP)—Seven Filipinos today were sentenced to serve one year sentences in jail on charges of vagrancy and rioting growing out of labor troubles on the sugar plantations here.

TERRIFIC STORMS IN MIDWEST CAUSE DEATH AND MUCH DAMAGE

Property Loss Estimated at More Than \$2,000,000; 16 Dead During Week in Wisconsin; Three States Hit; Destroys Crops, Homes and Is Followed by Heavy Rains; Many Injured.

CHICAGO, Aug. 8 (AP)—More than half a dozen persons are dead, a score injured and property damage estimated at upwards of \$2,000,000 caused as the result of terrific storms last night and today in Wisconsin, Iowa and Illinois. Wisconsin, which was hardest hit, reported 32 deaths while the loss of life in that state from storms throughout the week amounted to 14.

The heavy rains in some sections were accompanied by high winds that reached the proportions of tornadoes. Damage \$1,000,000.

Three central west counties of Wisconsin were hit the hardest in last night's and today's storms. Damage there is estimated at upwards of \$1,000,000, while loss of life was experienced in this section and many were injured. Hundreds of farmers were left practically destitute, the avalanche of water destroying crops, flooding homes, forcing streams to flood, the rippling down of rain and wind coming in from the west, and more than 200 bridges in the state. The Red Cross today took steps to aid the needy and destitute there.

Illinois and Iowa, already soaked by heavy rains earlier in the week were visited by a heavy downpour today that added to the damage already done.

BEGIN REPAIR TASK

DEN MOINES, Ia., Aug. 8 (AP)—Iowa cities and towns tonight face the task of repairing the damage done by one of the most severe wind and rain storms of the season. Virtually every county in Iowa and southern Iowa was hit by the storm early this morning and in its wake reaped damage property, crippled communication lines, flattened grain fields, and one fatality.

Reports received by the Iowa weather and crop bureau today indicated that the damage to crops and property was extensive, although director Chas. D. Reed, has had to place an estimate on the damage.

Mrs. Ray Little, wife of a farmer near Grainger, was killed when the storm wrecked her home.

3.15 Inches of Rain

At Pocatello, rain fell of 3.15 inches was reported.

The windstorm attained proportions of a tornado at Colfax and the damage was estimated near \$100,000.

Hundreds of acres of corn and other grain were reported crushed by the heavy rains. In some localities a light hail fell.

BRITAIN SIGNS SOVIET TREATY

Representatives of Russia and England Place Signatures on Trade Agreements.

LONDON, Aug. 8 (AP)—British and Soviet representatives signed the Anglo-Soviet trade and transit agreement at six o'clock tonight at the foreign office. There was no ceremony, and only a few officials were present.

Premier MacDonald and Christian Rakovsky, the Russian charge d'affaires at London, spoke briefly, both expressing gratification that the negotiations had resulted in what they regarded as a decided step forward in the relations between the British and Russian soviet governments.

Premier MacDonald and Arthur Ponsonby, undersecretary for foreign affairs, affixed their signatures for Great Britain while Mr. Rakovsky, Adolph Joffe, Mr. Tomski and Slesiecki signed for the soviet.

Much discussion has been provoked by the fact that the name of the king is absent from the treaty but tonight the likelihood was pointed out of the king's signing the treaty if it is preferred, as the constitution requires that this be done.

JURY CLEARS FALLON

OF SHERIFF CHARGE

NEW YORK, Aug. 8 (AP)—The jury in the case of William J. Fallon, criminal lawyer, who has been on trial here charged with bribing a juror, returned a verdict of not guilty at 11:05 today.

SHENANDOAH ANCHORED IN NARRAGANSETT BAY

NEWPORT, R. I., Aug. 8 (AP)—The navy dirigible Shenandoah was moored to the special mooring mast on the U. S. S. Patoka at 6 o'clock in Narragansett bay. She will undergo a test of the mobile anchorage tonight.

CHINESE RIVER OUT OF BANKS 57 KNOWN DEAD

Thousands Homeless and Hundreds of Villages Inundated by Floods; Casualty List Expected to Grow.

TOKIO, Aug. 8 (AP)—Seventy-three persons are known to be dead and 57 missing as a result of the overflowing of the Tsanmi river in northern Formosa, according to advices received here today. Approximately 40,000 houses were inundated, of which 3,000 were destroyed, while thousands have been rendered homeless, including 7,000 in the city of Taihoku. It is expected that the casualty list will grow when complete reports are received from the districts of Taihoku and Giran, which were the chief sufferers. The government is organizing relief.

VILLAGES INUNDAED

PEKING, Aug. 8 (AP)—Hundreds of villages in northern China have been inundated by floods, which have swept on to the lowlands, under the urge of the excessive rains of the past two weeks.

Much suffering has resulted, though the loss of life has been small, it is believed, adequate warning having been given the population in most cases. In most sections subject to periodical floods, the villages are built on higher ground, and in these instances, as in others, escaped serious damage. Growing crops, however, have been ruined in many localities.

The city of Taihau, menaced for a time by the rising waters of the Hsiao Hsiao river, was saved from possible damage by the breaking of the river's banks about seven miles west of the city. The waters overflowed all the adjacent territory.

NO DEFENSE OFFERED IN TRIAL OF MUTINY

MANILA, Aug. 8 (AP)—No defense was offered to the charges of joining a mutiny on trial 509 Philippine scouts have been on trial for nine days when the prosecution rested today.

Instead, counsel for the defense moved dismissal of the charges. The court-martial took the motion under advisement, adjourning until next Monday.

Testimony of the prosecution had dealt with refusal of the 200 recruits in question to drill when ordered to do so. The upposed ring-leaders in the alleged mutiny are awaiting court-martial trial on the more serious charge of inciting a mutiny.

Slump of \$200,000 Reported In Fund Of Idaho In July

\$3,758,020.45 at Beginning of Month Says Report and at Close, Balance Was \$3,551,604.25.

BOISE, Aug. 8 (AP)—Money in the state treasury slumped more than \$200,000 during July, according to the state treasurer's report, issued today by D. F. Banks, treasurer. At the beginning of the month there was \$3,758,020.45 in the treasury, and at the close of business July 31, there was \$3,551,604.25.

Earnings of the office from interest received income from all state funds on deposit in banks of Idaho and also funds on deposit in a New York bank. Interest desired also from funds invested in registered state and county warrants and liberty bonds. At the close of the month the treasurer had \$100 invested in liberty bonds and about \$117,500 in state and county warrants.

Receipts in all funds for the month totaled \$2,437,868.15, in the state treasury \$2,437,868.15, and in the county treasuries \$0.00.

FARMER BUYING POWER IS INCREASED \$960,000,000

Roger W. Babson Estimates Effect of Recent Price Rise in Corn, Cotton and Wheat.

BABSON PARK, Mass., Aug. 8. (Special to The News.)—Recent rises in the prices of farm products have been discussed much as to their economic and political effect. Many have wondered just how much of this increase would actually get to the farmers who produce these crops. Roger W. Babson's first estimate of increase in the farmers' purchasing powers made public today is, therefore, of unusual interest.

"It is difficult to get exact figures on what the farmer receives for his crop," says the statistician, "because of differences in locality, freight rates, and time of actual marketing. A reliable estimate can, however, be made by applying the recent increases to the actual prices being paid to farmers this last spring. Corn, for instance, was netting the farmer around 74 cents a bushel in January of this year. Cotton brought the grower about 25 cents per pound in March. While wheat was selling from 95 cents to 99 cents in the middle of April. These data represent approximate lows since the beginning of 1924.

Big Corn Rise.
"Corn has since seen a rise of 48 per cent, cotton an increase of 27 per cent and wheat has advanced approximately 30 per cent. The latest crop estimates by the government forecast a corn crop of 2,515,000,000 bushels; a cotton crop of 1,234,000 bales and a wheat production of 740,000,000 bushels. Corn growers are now receiving over 111 instead of the 74 cents a bushel prevailing earlier in the year and on this expected production their purchasing power is thereby increased over \$960,000,000. Much corn is of course fed to hogs and not marketed directly. Hog prices have also risen about 40 per cent so that the advantage holds either way. Cotton planters are set to gain around 30 cents instead of 27.5 cents per pound and thereby profit to the extent of more than \$135,000,000. The wheat farmer who has certainly had his troubles these last few years is receiving \$1.20 instead of 96 cents and on the basis of government estimate his political purchasing power is increased by \$175,000,000. On these three crops alone the recent strengthening in prices has added \$960,000,000 to the purchasing power of the farmers.

Crop Decrease.
"If we compare these crop estimates with the crop estimates of last year we find a decrease of 17 per cent in the probable production of corn despite larger acreage. The price rise offsets this shrinkage, however, and leaves the corn farmer with an income at least equal to a year ago. Present forecasts on the cotton crop meantime indicate a yield of 18 per cent ahead of last year. The South will not only receive a high price per pound, if present prices continue, but will have almost one-fifth again as much cotton to sell. Wheat estimates at present indicate a shrinkage of 3 per cent in production compared with 1923, but the present rate of price increase should rapidly offset this discrepancy. The total income of the wheat farmer should be between 25 per cent and 50 per cent greater than last year. Continued drought and the possibilities of early frost may cut into these expected yields but such losses in volume should be compensated for by increased prices.

Political Aid.
"The political significance of this increase in prosperity has already been commented upon. If the trend holds until election time the third party should fare poorly. Unrest and radicalism have a way of evaporating in the sunshine of increased prosperity.

"The agricultural sections themselves are already benefiting materially. Frozen credits carried by country banks are being liquidated and farm buying is increasing both with local merchants and with mail order houses. Great permanent benefit will result if the farmer continues to follow his present policy which serves to tend toward paying his debts, buying much-needed equipment, and improving his working equipment instead of the reckless spending and land speculation that characterized his last season of prosperity.

Long Overdue.
"This welcome readjustment in farm prices has been long overdue," concluded Mr. Babson, "and it is hoped that the general level of agricultural prices and industrial commodity prices may come into even closer relationship. It is only on the basis of equitable purchasing power for all sections and classes that any real or lasting prosperity can be built.

"General business as reflected on the Babson chart has not yet felt the advantage of this more even adjustment. Activity is now 12 per cent below normal, the same as a week ago."

IDAHO.

If you've got the blues and you feel downhearted just go to the Idaho theatre, where Buster Keaton is appearing in "Sherlock Jr." today, and you'll forget all your troubles when you see what Buster is up against as a small-town movie operator. You'll laugh until it aches when you see him as a detective who unravels trouble and is then buried under it himself.

ORPHEUM.

Spectacular diving and underwater swimming stunts performed by a dozen bathing beauties, every one of whom could qualify for a national diving contest, offer an unusual thrill in Thomas B. Ives' new special, "The Chilling Fish," a First National release, which is being shown at the Orpheum theatre.
With Freddie, the trained seal, which plays with remarkable intelligence the title role of the picture, the unique under the leadership of Louise F. Lane do the diving; that is as remarkable as it is beautiful.

J. R. Eby and party are journeying from Salina, Kansas, to Seattle.

COOLIDGE PLANS VACATION AFTER HE IS NOTIFIED

Satisfied With Progress of Campaign, President Will Rest for 10 or 12 Days After Formal Exercises August 14.

WASHINGTON, Aug. 8 (AP)—Satisfied with progress of the republican campaign, President Coolidge decided after receiving a favorable report on the situation today from Chairman Butler of the national committee to take vacation of ten or twelve days shortly after the formal notification exercises to be held here August 14.

Mr. Coolidge plans to go to his father's home at Plymouth, Vermont. Mrs. Coolidge and their son, John, will comprise the remainder of the party. It will be the first time Mr. Coolidge has left the White House for more than two days since he entered office a year ago.

Urged to Rest

Despite his ability to keep going in the intense heat of last week, friends have urged the president to take a rest pointing out the difficulties under which he has worked for the past year coming into the office so suddenly and the strain he and Mrs. Coolidge were under during the recent illness and death of their youngest son, Calvin, Jr.

Mr. Butler announced the republican fight would be carried to the northwestern states considered the stronghold of Senator LaFollette of Wisconsin, independent candidate, in response to the advice of many party leaders who have declared sentiment in that territory is markedly strong for the Coolidge-Dawes ticket.

PLAN OF LAFOLLETTE ACCEPTED BY G. O. P.

Third Party Man Suggests Suggestion of Republican Electors in Wisconsin and Is Thanked by Chairman Butler.

WASHINGTON, Aug. 8 (AP)—Chairman Butler of the republican national committee today accepted the plan of selection of republican electors in Wisconsin as proposed by Robert M. LaFollette, Jr., chairman of the republican state committee in Wisconsin.

In a letter replying to the proposal of Mr. LaFollette to list in the republican column in Wisconsin the electors pledged to Coolidge and Dawes, despite the number of candidates for the LaFollette group, Mr. Butler wrote:

"It will be fair and honorable for those who are described by you as Wisconsin progressives to aid in placing on the republican ticket electors who are stalwart and true to the cause and I feel certain they will do so."

"The fair execution of this plan is the action which will meet the approval."

TEN MORE CANDIDATES TELL CAMPAIGN COSTS

Seven Republicans and Three Democrats File Statements in Compliance With Election Law Provisions.

Ten more candidates for nomination for legislative or county office at the primary elections—seven republicans and three democrats—Friday filed statements of campaign expenses in the office of the county auditor in compliance with Idaho election law provisions requiring filing of such statement by each candidate on or before August 12.

Frank L. Stephan of Twin Falls and E. R. Brooks of Buhl, republican candidates for state representative, filed statements showing that each had limited his campaign expenses to \$25, the amount of the fee for filing nomination papers.

J. W. Taylor, republican candidate for re-election to a second term as prosecuting attorney, spent the filing fee, \$15, and 85 cents for gasoline.

A. E. Klies of Buhl, republican candidate for county commissioner, paid out only the amount of his filing fee, \$9, as did each of the three democratic candidates for commissioner, J. D. Barabart, O. E. Carlson and T. D. Connor, according to their statements.

Mrs. Emma Longley-Warren, republican candidate for re-election as treasurer, spent \$37.45, including \$18 filing fee, in her pre-primary campaign.

J. A. Cron, defeated candidate for the republican nomination for state senator, spent \$14.75, and the campaign of T. E. Moore of Piler, defeated candidate for the republican nomination for sheriff, cost \$33.50.

Tortured by Father, Child Says

Mrs. Coleman and Antonette Forti.

PAUL FORTI is under arrest in New York city on the charge of inflicting inhuman punishment on his daughter Antonette, 8, who is shown here with Mrs. M. Coleman of the Society for the Prevention of Cruelty to Children. Forti is alleged to have tied the girl up by her wrists for 24 hours, during which time her cries alarmed tenants of the house where she lived. They summoned a policeman, who found her hanging limply, her hands puffed from congested blood and her wrists cruelly bruised.

Efforts to Round Up Last Assassin of Band Underway

All But One of English Woman's Murderers Captured; Indian Farmer Worker Wanted

MEXICO CITY, Aug. 8 (AP)—Efforts of the federal and Puebla state officials to complete the roundup of those alleged to have participated in the murder of Mrs. Rosale Evans, near San Martin, Texomexico, on the evening of August 2, centered today on the capture of Francisco Perez, an Indian farmer worker of the village of Tianguisman, also believed to be the only member of the assassin band still at large. Perez is on the list of the arrest of Aljico Garcia, alleged ringleader, and Francisco Ruiz.

Both Aljico Garcia and Ruiz, according to Puebla reports, broke down under cross examination and confessed participation in the heinous but charged Perez with the crime and declared that the Hernandez brothers, Dito and Pedro, also were implicated.

The Hernandez brothers denied the charge and denounced Garcia and Ruiz.

WANT DAVIS TO TOUR WEST AFTER ADDRESS

NEW YORK, Aug. 8 (AP)—John W. Davis, democratic presidential candidate, under consideration, a prominent figure in the campaign, has been asked to make a swing into the west within a week or so after his notification next Monday for the delivery of at least one address.

Originally Mr. Davis had planned to return to his Long Island home immediately after the notification ceremonies, but he is holding all plans after Monday in abeyance until he has conferred with members of the democratic national committee and other chieftains who will gather at Clarksburg, W. Va. The nominee will leave for his old home tonight.

GOVERNMENT REQUESTS COURT REFUSE OIL MAY

WASHINGTON, Aug. 8 (AP)—The United States today asked the district court of appeals not to grant the petition of Harry P. Shindler for a special appeal from the decision of Justice Houghling, requiring him to answer the indictment charging a contempt of the senate by refusing to answer questions in the oil inquiry.

DAVIS WILL ADDRESS THE OHIO CONVENTION

COLUMBUS, Ohio, Aug. 8 (AP)—John W. Davis, democratic candidate for president, will address the Ohio democratic state platform convention here August 26. Chairman W. W. Durbin announced today.

COUNTRY WOMEN'S CLUB ACTIVE DURING SUMMER

Lanterns Serve in Lieu of Moonlight at Lawn Party for Members' Families.

At their July meeting, members of the Country Women's club decided that, since there would be three weeks between meetings, they would entertain their families at a lawn party at the home of Mrs. Hattie Crawford "in the evening by the moonlight," only there being no moonlight. Games and prizes were won, and the "moonlight party" broke up at a late hour.

On Wednesday Mrs. Houston entertained the club and guests at her home. Letters were read during the short business session of interest to all club women. One from the war department regarding plans for "mobility day" was filed for further discussion. Another from federation president asked all club members to look to the candidates for election in November as to their opinions and promises in regard to the tuberculosis sanitarium for southern Idaho. The Country Women's club is promised a program early in September on this subject.

A musical program was arranged by the committee for the afternoon. Piano solos were given by the Misses Hazel Sheek, Cleta Ritchey, Mildred Houston, Elizabeth McClain and Mrs. M. Lamoureux. Miss Hazel Rose of Jerome sang a sacred song, "Teach Me to Pray," accompanied by Miss Houston. Miss Dorothy Kenworthy also accompanied by Miss Houston gave two musical readings, "The Owl" and "Katy Did." A musical contest with answers the names of familiar songs resulted in the winning of first prize by Mrs. Lamoureux and the consolation by Mrs. Wilma Johnson. Both prizes were musical instruments.

A double quartette sang an original club song.

Mrs. Houston was assisted in serving the lunch by her daughters, Miss Mildred and Miss Helen, together with their friends, the Misses Ross and Kenworthy.

The next meeting will be held on August 20 with Mrs. Ayotte.

Country Women's Club Notes

Among the guests of the club at the meeting held at Mrs. Houston's were Mrs. Gordon from Nebraska, sister of C. E. McClain. Mr. McClain was called to Nebraska at short notice to the death of his mother and upon returning to Idaho brought Mrs. Gordon and her two children for a visit. Mrs. C. E. McClain is the newly-elected president of the club.

Mrs. Capps, father of Harry Capps, who has charge of the Dr. White place, is here on a visit from Kansas. Shortly after Mr. Capps' arrival the family started on a week's trip with

Mrs. Parks Nutter and sister, Miss Diddy Bailey entertained a bridge luncheon at the Chautauque, on Friday. A color scheme of yellow was carried out with coziness and golden glow. In the bridge games favor for high score was won by Miss Polly Thomas and consolation was awarded Mrs. P. J. Grossman. During the afternoon Miss Flo Cook sang two waltzes and Miss Clara Hall and Miss Polly Thomas each played two instrumental numbers. The guests numbered sixteen.

Mrs. C. B. McMartin was hostess Friday at her home on Seventh avenue east with covers laid for ten. The centerpiece was a bowl of sweet peas in shades of lavender. A Kensington followed the luncheon.

Mr. and Mrs. J. E. Salsbury entertained at dinner at the Chautauque Thursday evening for Mr. and Mrs. J. L. Breckenridge, Mr. and Mrs. J. P. McClure, Mr. and Mrs. Edward Cooper, Mr. and Mrs. Ashet B. Wilson and Mrs. Floyd West. The centerpiece for the table was a green bowl filled with pink snapdragons. After dinner the party retired to the Salsbury home where the evening was spent with mah jong and bridge.

The Highland View club met at the home of Mrs. Bert Johnson Wednesday afternoon, August 6. The time was spent in lying a quilt for the hostess. Mrs. Drury and Mrs. Woods were taken into membership. During a pleasant social hour delicious refreshments were served to 14 members and 3 guests.

The wedding of Miss Amanda Honore Beyer and Mr. William Donald Howell was solemnized at nine o'clock Friday morning at the Reed apartments, the Rev. Edgar L. White officiating. Only the family and the closest friends of the young couple witnessed the ceremony. Garden flowers of yellow and white charmingly decorated the apartment. The young couple were attended by Miss Eleanor Munson and Mr. Leonard Avant.

The bride wore a frock of black satin banded with grey clipped aquiline and embroidered with a delicate Her hat was black with all other accessories harmonizing. She wore a corsage bouquet of purple sweet peas tied with violet tulle.

Immediately after the ceremony the young couple left by motor for other relatives from the north side to Red Fish lake.

Miss Hazel Ross is visiting with the Houston family and was the soloist Wednesday afternoon and very kindly gave a number on the program.

Boise and Payette Lakes.

Mrs. Bonwell is the daughter of Mr. and Mrs. August William Boyer of Marion, Iowa. She is a graduate of One College, Cedar Rapids, Iowa, where she was prominent socially and on the campus. She is affiliated with the Alpha Gamma Delta sorority. For two years past she has been a teacher in the high school of this city.

Mr. Bonwell is the son of Mr. Albert Bonwell of Curry. He attended the Twin Falls schools and Idaho Technical institute, where he was well known in athletic circles. He served overseas eighteen months with the 101st Field Hospital. He is at present connected with the J. E. DeWitt mortuary company.

Mrs. L. G. Hanlon entertained the Mountain View club Wednesday afternoon with eleven members and five visitors present. At roll call, each one present responded with practical use of salt. Many helpful suggestions were given.

After the business session, games and music afforded entertainment. The hostess served delicious refreshments. Guests present were Mrs. Iyle of Utah, Mrs. Stary, Misses Hazel Booth, Ruth and Charlotte Riegleman. Club meets in two weeks with Mrs. Roy Jones in Twin Falls.

ANNOUNCEMENTS

The Adair county, Iowa, picnic will be held in the Buhl park, Sunday August 10. All former residents of Adair county are invited to be present. Dinner at 12:30.

BULK OF LAMBS IN IDAHO NOW SHIPPED

The bulk of Idaho lambs has been marketed this year, according to figures given at a meeting of the Idaho wool growers in Boise this week by T. L. Jackson, representative of Laramie, Wyoming, feed yards, who appeared before the wool growers' executive committee on this occasion to make a statement in regard to complaints against quality and weight of hay fed at Laramie to lambs in transit.

During four years past, Mr. Jackson pointed out, Idaho has shipped by August 1 each year between 1900 and 2000 earloads of lambs. On the corresponding date this year, he stated, shipments amounted to approximately 3000 earloads.

Mr. Jackson assured the wool growers' committee that his station in the future would furnish only bright, high quality hay and would furnish weight tickets if desired. Shippers by way of Laramie were advised to wire ahead from Montpelier, Idaho, the number of cars in transit and the quality of hay required at Laramie.

Everything for QUALITY —nothing for show

THAT'S OUR IDEA in making CAMELS—the Quality Cigarette.

Why, just buy Camels and look at the package! It's the best packing science has devised to keep cigarettes fresh and full flavored for your taste. Heavy paper outside—secure foil wrapping inside and the revenue stamp over the end to seal the package and keep it air-tight.

And note this! There's nothing flashy about the Camel package. No extra wrappings that do not improve the smoke. Not a cent of needless expense that must come out of the quality of the tobacco.

Camels wonderful and exclusive Quality wins on merit alone.

Because, men smoke Camels who want the taste and fragrance of the finest tobaccos, expertly blended. Men smoke Camels for Camels smooth, refreshing mildness and their freedom from cigarette aftertaste.

Camels are made for men who think for themselves.

MOVEMENT OF POTATOES AND WHEAT BEGINS

Cars Set Off Here for Shipping First of Two Important Crops; Mill Changes Price Quotation Basis.

Movement to market the Twin Falls country's wheat and potato crops this year began Friday when there were spotted on the track here two cars to be loaded with wheat and one for the first potatoes to be shipped out this season.

Potatoes loaded here Friday were Rurals and of good quality. Prices ranged from 70 to 80 cents, according to grade. The first car will be billed to Greeley, Colorado, and probably will be diverted to Fort Worth, according to C. L. Conrath, local representative of the Rhodes company of Denver, who is loading the car. A second car is expected to be loaded Monday.

Quoted Prices on Bushel Basis.

Cars to be loaded with wheat were set off Friday at Godwin and Curry for the Twin Falls Milling company. The mill has been receiving new crop wheat since last Tuesday and expects to receive wheat in much greater volume next week.

On a new basis, which conforms to the practice in almost all wheat centers, the mill here Friday announced local price of \$1.65 a bushel for number one wheat. Hereafter the price quoted by local buyers has been on the basis of the hundredweight.

The only wheat yield thus far reported this season in this district was 60 bushels per acre.

Bean Growers Expect Big Price.

Average under the Twin Falls canal system devoted to wheat crop this year is 22,531, an increase of 31,421 acres last year, according to the canal company's annual crop report. Potato acreage, according to the report, also shows a decline this year, the total acreage being 4042, as against 6846 acres in 1923. Bean crop acreage, on the other hand, increased this year to 28,677 as compared with 10,397 acres last year.

It was reported here Friday that one bean grower in this district had sold this season's crop for seven cents a pound. Bean harvest is still several weeks distant. Present anticipations are for beans this fall ranging from seven to ten cents a pound.

Chamber's Position In Idaho Mine Case Set Forth by Hodgkin

Twin Falls Business Men's Organization Declares for Broad Policy of Development

Twin Falls Chamber of Commerce, in respect to questions raised at a hearing before the state public utilities commission on freight rates for coal shipments from Brown Bear mines in which H. P. Samuels and associates are interested, believes, according to a letter addressed last Saturday to the president of the commission by Shad L. Hodgkin, chairman of the chamber's department of public service:

"First: A broad policy of developing all of the natural resources of Idaho for the inhabitants of the state first should be kept in mind.

"Second: That Idaho production of products should be entitled to the same rate per mile that products produced outside the state and sold within it receive."

Mr. Hodgkin, in his letter, explained that the chamber of commerce was not prepared to suggest detailed rates "at this time" to furnish evidence that might aid the commission in arriving at a proper and just conclusion because it had not had the time to make the necessary preparation.

TRIBUTE PAID-MEMORY OF WELL-KNOWN CITIZEN

Knights Templar Conduct Funeral Services for Late Henry P. Olsen, Mourned by Many.

Final tribute was paid to the memory of one of this region's best known citizens at funeral rites for the late Henry P. Olsen, conducted Friday afternoon in the Grosvenor chapel and at the cemetery by Twin Falls Commandery, Knights Templar. In attendance were many friends of Mr. Olsen and his family. A profusion of floral offerings bore eloquent tribute to the esteem in which he was held.

Preceding the ritualistic ceremonial conducted by M. W. Deanyer, eminent commander, and S. H. Kayler, prelate of the Knights Templar commandery, the Rev. Charles E. Winning spoke briefly. Pallbearers chosen from among members of the commandery and close friends of the deceased were: F. W. Harder, H. J. Weaver, John Clair, F. E. Chamberlain, J. A. Waters and L. E. Salladay.

Both sons, Bert Olsen of Los Angeles and Clifford Olsen of Long Beach, and one daughter, Mrs. Amy Bussey of Butte, Montana, attended the funeral services; the other daughter, Mrs. Frances Marston of Prosser, Washington, being unable to be present.
