PRICE FIVE CENTS

FIVE EXHIBITS
ON DISPLAY AT
COUNTY'S FAIR

Good Opening Day Crowd Sees Excellent Racing Program; Displays in Buildings Are of Unusual Quality.

The Twin Falls county fair at Ellier, which, from present indications, promises to be the largest ever held, opened Tuesday with hundreds of agricultural, horticultural, livestock and other exhibits on display and with an estimated attendance at the afternoon and evening programs of approximately 2000.

In addition to a racing program with more than 60 horses entered, the fair management has arranged three good vaudeville acts which Tuesday furnished ample amusement for the spectators between races. Three artists also go to make up part of the evening program, which opens each evening at 7:30 on the platform in front of the grandstand. In addition there will be concerts by the Twin Falls orchestra band, which also plays during the afternoon.

Announcement was made Tuesday evening that those who attended during the day and obtained pass out checks at the gate upon leaving would be admitted free at night. Children under 12 years of age will also be admitted free.

Exhibits at the fair are of unusually fine quality, and judges have already experienced difficulty in deciding on the prize winners in many departments. A rearrangement has been made this year at the fair which provides room for a greater number of exhibits. In the produce building are to be found not only vegetables and horticultural exhibits, but also work of clubs, entries in baking and canning, and several general exhibits which attracted much attention on the opening day. A noxious weed exhibit in this building is causing much comment. R. E. Henshaw, county agent, has charge of this exhibit.

Women's Building.
In the women's building there are a large number of fancy work exhibits some of which date back through centuries' families for more than 100 years. A rest room at the rear provides an opportunity for the fairgoer who wishes a few moments' rest.

Weather Tuesday was ideal, being neither too hot nor too cold.

Concessions at the fair attracted much attention in the opening day. A crowd enjoyed peanuts, popcorn and hot dogs to their heart's content. The Kennedys have a five show attraction, that is pronounced good. The contest of "The Queen of Beauty." La Dora, a mind reader; Beanie Kennedy, champion rifle and pistol shot; Little Mabel, ventriloquist; Bill Kennedy, knife thrower and sharpshooter.

A negro preched upon a board above a tub of water who falls into the water; this is also a special feature. A merry-go-round and Ferris wheel furnish amusement for old and young alike, as do a number of booths where everything from blankets to a pound of coffee may be won.

Book State Fair.
The completeness of the fair has again revived the talk among citizens (Continued on Page 2, Col. 1.)

Perjury Now Faces
Banker in Prison
on Another Charge

Indicted by Grand Jury, Lauer of Payette Will Be Brought Back From McNeils Island for Trial.

BOISE, Sept. 9 (AP)—James A. Lauer, Payette business man, indicted yesterday by the federal grand jury in two separate bills charging conspiracy to obstruct the administration of justice and with perjury, will be returned from McNeils Island at once for trial, according to the United States district attorney.

A writ was forwarded to the penitentiary today and it was said that date of trial will be set early. Lauer was taken to the penitentiary July 24, to begin serving a two years' sentence imposed by Judge P. S. Dietrich March 7 last. The conspiracy and the perjury charges came following hearings on a new trial, the government alleging that there was collusion in procuring the signature of "John Sullivan" to one of the notes Lauer was said to have sold to the Payette National bank. S. D. Merry and J. E. Cleverger are the other two indicted in the conspiracy case.

The grand jury today occupied practically the entire day in considering one case and made no report at the court when the jurymen adjourned until tomorrow morning. The grand jury will continue in session tomorrow and probably will be held over Thursday. E. G. Davis, United States district attorney, said. Several narcotic cases were understood to be ready to present to day.

Indictments were expected to be reported tomorrow morning, but may be secret.

IDAHO WEATHER

U. S. ADMIRAL COMMANDS
SHANGHAI FORCES

ADMIRAL T. WASHINGTON

ADMIRAL THOMAS WASHINGTON, U. S. N., commands the allied naval forces rushed to Shanghai to protect foreign lives and property from the fighting armies that are battling for possession of the rich Chinese seaport.

CHILE WILL NOT
LET CHIEF QUIT

President Offers Resignation; Senate Refuses to Accept; Tense Situation.

SANTIAGO, Chile, Sept. 9 (AP)—The Chilean senate this evening declined to accept the resignation of Arturo Alessandri, president of the republic, which was tendered today at the request of the cabinet and the military group headed by General Altamirano. The vote was 16 to 11 against acceptance. The chamber of deputies will not convene to take action on the resignation considering that this would be useless inasmuch as the senate has rejected it.

The new cabinet had presented to the senate a proposal urging acceptance of the presidential resignation and at the same time to permit President Alessandri to leave the country with his family and to confer upon him the rank and pay of an ambassador.

Situation Difficult.
It is considered that the senate's refusal to accept the resignation has made the political situation more difficult than it was.

RAIN PUTS STOP
TEMPORARILY TO
CHINESE BATTLE

Heavy Downpour Causes Province Troops to Cease Fighting Near Shanghai; Unique Tradition Aids.

SHANGHAI, Sept. 9 (AP)—Heavy rains which fell today have put a stop temporarily at least to the battles which have been in progress for a week past between the Chekiang and Kiang armies west of this city, for the cessation of which the governors of the two provinces appealed to the force of arms.

It is a tradition in China that Chinese soldiers will not fight when the sun is strong or rain falls. In fact, in the low-lying country between the Yangtze river and Shanghai, the battles are staged, and which is interesting by numerous creeds and customs, fighting is next to impossible after a rain, the whole country being flooded.

Attacks Successful.

From reports of eye witnesses and the Chekiang head-quarters, the Kiang army, which is now in possession of the Yangtze river and Huangpu on the railway, where they had previously repulsed Kiang attacks. Both camps are reported to have been successful. Meanwhile another Chekiang army is advancing from the south around Lake Taiho near Ningbo, with Changchow, an important city on the railway, as its objective, hoping here to cut the lines of the enemy.

Issue Orders.

To assist the marines landed from the foreign warships to protect the international and French settlements, the municipal council has issued decrees prohibiting the appearance on the streets of any soldiers of the two Chinese armies. The defense force of the city has also erected barbed wire barricades across the roads entering the city from the regions where the fighting is in progress, to the more easily check an influx of stragglers from the belligerent forces.

COLD WAVE SWEEPS IOWA.

DES MOINES, Sept. 9 (AP)—Light frost was reported in a few sections of the state this morning following a cold wave which swept over Iowa last night. Temperatures of 32 to 33 degrees are reported from various sections, but the weather bureau stated that little if any damage to crops resulted. A light frost is forecast for the extreme northeast portion of the state tonight.

German General's
Dogs Cause of Row
In Munich Council

Ludendorff's Pets Sentenced to Die, But Saved Through Intervention.

MUNICH, Bavaria, Sept. 9 (AP)—General Ludendorff's hunting dogs have kicked up a great row in the Munich city council. Two of the dogs belonging to the former German army officer were impounded for running loose without muzzles and were condemned to be killed. General Ludendorff and his political supporters intervened and obtained annulment of the order. The social-democratic faction in the city council has protested vigorously, declaring General Ludendorff's dogs are more apt to be an annoyance to any other owner than because of their association with their master.

NATIONAL DIRECTOR
REPUBLICAN PARTY
LAUDS IDAHO WOMEN

BOISE, Sept. 9 (AP)—Idaho's republican women are lauded in a letter received today by Governor C. G. Moore from Mrs. Louise M. Dodson, director of organization of the republican national committee, for the possibilities for party good that they possess. Mrs. Dodson visited Boise a few months ago and the part of her letter dealing with Idaho republican women follows: "I came out of your state with an admiration for your republicanism and also with a feeling that you believed the women of Idaho possess possibilities for great party good if their direction is of the right kind. In no state which I visited was I as favorably impressed with the women I met as I was with that of Idaho." Mrs. Dodson is a member of the republican women's club in Boise.

FOUR POLICEMEN KILLED

HONOLULU, Sept. 9 (AP)—Four policemen and 11 Filipino strikers were killed today in a fight at the town of Hanalei on the island of Kauai, according to advices received here this afternoon. Deputy Sheriff Council also reported to have been seriously wounded. The fight occurred when the police attempted to rescue two Filipinos who continued to work when a strike occurred on the McBride plantation at Hanalei and had been kidnapped by the strikers as they were returning to their homes yesterday. Council, who is in the Makalei hospital wounded in the head, is expected to recover.

PEKING REPORTED BURNING.

VICTORIA, B. C., Sept. 9 (AP)—A special dispatch to the New Republic, Chinese daily published here, reports a fire burning in Peking along a 15-mile front.

AIR MAIL ROUTE
- VIA BOISE PLAN

Proposed Lane Would be From Elko, Nev., to Pasco, Wash. Says Postmaster.

BOISE, Sept. 9 (AP)—An air mail route, via Boise, may be established between Elko, Nev., and Pasco, Wash., according to information received today by L. W. Thorndike, postmaster, from C. M. Perkins, postmaster of the Seattle office. Mr. Thorndike sent a letter to George Graff, secretary of the Boise chamber of commerce, asking him to get the proposition before the city and county boards and make his request known to Paul Henderson, second assistant postmaster general, division of air mail service, Washington, D. C.

The distance between Elko and Pasco is about 400 miles and would be a five-hour flight, with the plane leaving Pasco at 6 o'clock in the morning and arriving at Elko at 11 a. m., and returning with both the trip and west-bound planes. The route trip would be started at 1:30 o'clock in the afternoon and arriving at Pasco, Wash., at 8:30 o'clock.

"It is probable that the line will be established through here," said Mr. Graff. "and the chamber of commerce is working for it along with other organizations. The decision as to whether the line will be put through is left to Paul Henderson, second assistant postmaster general."

An offer has been made by Lieutenant Koenig of the Sund Point aviation field to make a demonstration trip with an airplane to the department. Mr. Perkins said in a letter he wrote to Mr. Henderson, asking for the authority to make arrangements with Lieutenant Koenig.

FIRES ARE UNDER CONTROL

Five Forest Blazes Burning Tuesday From Lightning Sunday, Supervisor Reports; Not Serious.

BOISE, Sept. 9 (AP)—Forest fire situation was not alarming forest officials, according to E. G. Shepard, supervisor. "Five fires were burning Tuesday," said Mr. Shepard, "caused by the lightning Sunday, but reports received do not indicate the fires are serious. They are in scattered sections on the forest and men are out on them. It is probable all have been extinguished. Hanging fires are being watched. No reports of any such reports have been received."

HARTLEY LEADING IN
WASHINGTON PRIMARY

SEATTLE, Wash., Sept. 9 (AP)—Council Roland H. Hartley of Everett, leading his campaign for the post for the republican nomination for governor on the republican ticket, was ahead tonight when "Hartley" had been received from 212 out of 213 precincts in the state of Washington. Colonel Hartley had placed second in each of 2's two previous primary contests. He is running second to Colonel Hartley is Edward Clifford, former state director of labor, who was officially endorsed by the state federation of labor. Hartley has 647 and Clifford has 213 precincts. E. L. French, former director of agriculture, was third with 3416.

JUDGE IS LEADING COUZENS

DETROIT, Mich., Sept. 9 (AP)—United States Judge Arthur J. Tuttle was leading United States Senator James C. Couzens, his nearest competitor for the republican nomination for Michigan's senate, by more than 2000 votes when returns from 187 of the 276 precincts in the state had been received at 10:20 o'clock tonight. The vote stood: Couzens 11,078.

COURT WILL PASS
SENTENCE TODAY
ON BOY SLAYERS

Loeb and Leopold Will Know This Morning Whether They Are to Hang for Murder of Robert Franks.

CHICAGO, Sept. 9 (AP)—Nathan Leopold, Jr., and Richard A. Loeb are ready to hear Judge John R. Caverly sentence them for the murder of their schoolboy neighbor, Robert Franks.

Tomorrow, at 10:30 a. m., Chicago, the two sons of millionaires will be led from the county jail under double guard to the criminal courts building where Judge Caverly will read to them the decision, sentence them and then order the army officers to execute them. When this procedure, expected to consume less than 30 minutes, has been concluded, the boys will be taken back to the jail either to "murderers" row where condemned persons await the gallows, or to the cells they have occupied since the first of June to await transfer to Joliet penitentiary.

To Guard Court.

The criminal court building will be surrounded by armed men hours before the time set for the reading of the sentence. The building will be filled with soldiers, guards, with ballistics standing watch at every door. More than 250 men will comprise the detail assigned to the scene.

Extra precautions, in view of the many threatening letters received by the judge and others will be taken in escorting Judge Caverly from his North Side residence to the court. Chief of Detectives Michael Hughes and two squads of sergeants will accompany him. The chief and five sergeants will ride in the jurist's automobile and follow the car in a line that will follow a short distance behind.

Protect Judge.

While Judge Caverly is in the building and on the bench he will have Chief Hughes and two lieutenants of detectives constantly at his side. His police guard will remain with him until he has returned safely to his hotel.

Sheriff Peter M. Hoffman said today that he had received three anonymous letters threatening to blow up the building if Loeb and Leopold are not sentenced to be hanged.

Should the verdict be a penitentiary sentence, as is expected, the boys would be taken to Joliet as soon as is consistent with law.

Attorneys Clarence S. Darrow and Bertram D. Reinhardt spent this evening in a last minute conference with their young clients. The conversation was long and was conducted in whispers. After the lawyers refused to discuss the nature of their talk with the two boys.

POLO GAME POSTPONED.

NEW YORK, Sept. 9 (AP)—The first polo contest for the international challenge cup, scheduled for today, but postponed by rain, will be played on Thursday afternoon at 2:30 o'clock if weather permits. It was announced tonight by the United States Polo association.

Kills Sweetheart
Following Murder
of Eighth Husband

Helped Lover Hide Body of Spouse and Week Later Shoots Him With Revolver; Police Investigating.

DETROIT, Sept. 9 (AP)—Having confessed, according to the police, that she killed a sweetheart four years ago, after she had helped him hide the body of her eighth husband, whom he had slain, Mrs. Euphemia Mondich was being questioned by the authorities today in an effort to determine where her other husbands are.

Information furnished by the woman's ninth husband, three days ago, after her arrest, Mrs. Mondich told the authorities she did not know the name of the man she killed, except that he was known as "John".

A skull and other bones believed to be those of "John" were unearthed yesterday under a house formerly occupied by Mrs. Mondich. According to the police, Mrs. Mondich, under grilling, confessed she had killed "John" with his own revolver a week after she had seen him stab another "John" to death in a bathtub, to death in an automobile.

"John" then came to live with her, she told the police, and remained in her home about a week. One day, she said, he came to the house and threatened to kill her. "I made him put the revolver on the table," she informed the police. "If he thought I would kill him, I picked up the gun and shot him."

She married Steve Mondich, she said, and lived with him three days after she was released from prison. According to the police, because Mondich was so violent, she became convinced when she left him and took with her title to property they owned jointly and furnished information which led to the finding of the bones under the woman's former home.

FINE EXHIBITS ON DISPLAY AT COUNTY'S FAIR

Good Opening Day Crowd Sees
Excellent Racing Program;
Displays in Buildings Are of
Unusual Quality.

(Continued from page one)

of Twin Falls and adjoining counties for obtaining the state fair for this section. Boise, which has been the site of the state fair for many years, during the last year or two has been having difficulties in holding a fair and last year failed to hold one at all. Attempts to understand will be made to get the state legislature this year to move the state fair site from Boise to Filer.

Blackfoot, it is understood, is also in the race for the state fair and will compete in the legislature for it this winter. However, officials point out, the central location of Twin Falls makes this region more to be desired for a state fair than at Blackfoot.

Superintendents

Superintendents in charge of the various departments at the fair follow:

Horse, Wesley Young, cattle, E. J. Doherty, C. Bruce Rogers, dairy breeds, William T. Hardin, swine, R. S. Ames, sheep, Sam Thompson, poultry, E. J. Doherty, farm products, R. S. Ames, fruits, H. H. Baker, women's department, Mrs. R. E. Brown, floral, Mrs. J. Francis R. Wright, speed, Grover C. Davis, E. O. Walter, concessions, secretary.

Cash premiums amounting to \$400 are offered in the horse department. Premiums in the cattle department total \$1250. In the swine department, amount, \$250; in poultry, \$300; in farm products, \$412.50.

Imported Guernseys.
J. A. Waters, living one mile west of Washington school, has some of his imported Guernseys in the show ring. This year the Willow Wood ranch has an exhibit a fine line of Guernseys. This ranch is owned and operated by J. T. Hartsberger and Sons, near Filer.

Swine Exhibit.
F. T. Quire of Buhl, veteran breeder of spotted Poland, has a fine showing on exhibit. R. S. Brown of Twin Falls is the predominant figure in the spotted Poland class, as to numbers. He has a large number of first-class sows and young stock.

Gillett sheep county of Castelford so far have no competitors for the Rambouillet ewes. L. R. Beckenridge of Glenholl farm near Twin Falls, the only contender in the 1924 ribbon sheep, R. S. Ehlers of Twin Falls has a fine showing of Holsteins.

Awards were made in two departments as follows:

Porchetons

List of exhibitors: G. R. Branson, Buhl; Howard Musgrave, Filer; Wesley Young, Filer; R. L. Sackett, Filer. Stallion, 4 years or over: First, Wesley Young, on Signal; second, R. L. Sackett, on Bijou.

List of exhibitors: R. S. Ames, Blackfoot; Walter Miller, Blackfoot.

Stallion, 4 years or over: First, Walter Miller, on Eernant DeWolfe II.

Stallion, 2 years and under 3: First,

Actress Sued for Divorce; Dempsey Mentioned in Case

Husband of Estelle Taylor
Serves Papers for Separation;
Denies World's Cham-
pion Is Cause.

PHILADELPHIA, Sept. 9. (AP)—Kenneth M. Penock of New York, husband of Estelle Taylor, motion picture actress, announced today that First and instructed his Philadelphia attorney to notify counsel for Miss Taylor to have her come to this city to accept service in a divorce action. He denied reports that Jack Dempsey, heavyweight champion, was to be named in the suit, which he said would be based on desertion.

Miss Taylor is visiting her grandmother in Wilmington, Delaware. Reports that she was engaged to marry Jack Dempsey recently were denied by the champion.

"I know she came east with Dempsey," said Mr. Penock. "And I know they met in Wilmington recently and went to Atlantic City to see the beauty pageant. If she wants to marry Dempsey it's all right with me."

Mr. Penock said he was married to Estelle in 1911. They agreed several years ago to separate and have since been living apart, he added.

Walter Miller on Idaho Chief.

Stallion colt: First and second, Walter Miller.

Mare, 4 years or over: First, Walter Miller, on Sagbrush Pet; second, Walter Miller, on Sagbrush Queen; third, P. E. Chamberlain on Reine Sophia.

Fourth, P. E. Chamberlain on Gloria.

Mare, 3 years and under 4: First, Walter Miller, on Beauty.

Mare, 2 years and under 3: First, Walter Miller, on Miller's Daisy; second, Walter Miller, on Blossom.

Mare, 1 year and under 2: First, Walter Miller, on Blondie; second, Walter Miller, on Dutch; third, Walter Miller, on Star; fourth, P. E. Chamberlain, on Reine Semprina.

Mare colt: First, P. E. Chamberlain, on Reine Eugene.

Get of sire: First, Walter Miller, on get of Dinez; second, Walter Miller, on get of Day Day.

Produce of dam: First, Walter Miller, on produce of Flora; second, Walter Miller, on produce of Irvinville Minnie; third, Walter Miller, on produce of Minnie.

Stallion and 4 mares: First, Walter Miller, on Eernant DeWolfe II, Sagbrush Pet, Sagbrush Queen, Blondie.

Three mares any age: First, Walter Miller, on Sagbrush Pet; second, P. E. Chamberlain, on Gloria and foal; third, Walter Miller, on Beauty and foal.

Champion stallion: Walter Miller, on Eernant DeWolfe II.

Champion mare: Walter Miller, on Sagbrush Pet.

UMPIRES FILE SUIT AGAINST 2 NEWSPAPERS

Western League Officials Take
Exception to Names Called
Them by Sport Writers in
Oklahoma Papers.

OKLAHOMA CITY, Okla., Sept. 9. (AP)—Attorneys for Jerrid W. Hayes, and Edward P. Gaffney, Western League umpires, today filed suit here in the district court against the Oklahoma Publishing company, publishers of the Oklahoma City Times and Daily Oklahoman, for \$5000 damages charging the company published sports articles "false and defamatory."

The suit is believed to be the first on record for an umpire suing a newspaper for criticism of his work in a baseball game. The game in question was played between Oklahoma City and Omaha here on July 27, last. Omaha won, 5 to 4. Several decisions rendered by the arbiters received the vociferous disapproval of the large crowd present and at one stage a riot was narrowly averted. After the game, Attorney General George Short, who was present, issued a statement threatening to enforce the anti-Sunday amusement law should such a demonstration recur.

In their writups of the game the following day, the Oklahoma and Times charged the umpires with incompetency and unfairness and called them "Henry Starr" Hayes and "Jesse James" Gaffney.

In their petition the umpires say they "have expert knowledge of the game of baseball" and that the articles in question injured their professional reputations to the extent of \$5000.

ROCK CREEK. Among those who attended the pioneer meeting at A. H. Sept. 4 were Mr. and Mrs. Robert Brown, Mr. and Mrs. George Crockett, Mr. and Mrs. H. P. Larsen, Ann Larsen and Mrs. Stricker.

Rock Creek is now moved his family to Twin Falls to send his children to school.

The Hyde family of Nevada is with Mr. and Mrs. Viggo Rasmussen, this week.

Rock Creek is well represented in high school this year. Report, Summit drives to Hanson; Ruby Hansen is with Mr. John Hansen in Twin Falls; Earl Van Eaton is with Mrs. Mahor in Twin Falls; Faria Larsen drives from home to Twin Falls; Russell Larsen is in Kimberly school.

H. P. Larsen has bought a house in Kimberly and Mrs. Larsen will live there this winter to send Russell to school.

Mr. and Mrs. Ed Demore and Sunday guests Mr. and Mrs. Clyde Duncan and children of Buhl; Mrs. Henry and Mr. and Mrs. Bert Van Eaton of Rogerson and Mr. and Mrs. George Henry and family of Hansen, Nora returned to Hansen with the Henry family.

Mrs. Olga Jones came over from Three Creek Friday to bring her little girl, Barbara to Mrs. Brown's to go to school here.

Rock Creek school started the first of September with 22 enrolled.

Heavy Dante is sporting a Stud-baker coupe.

Tree That "Whistles"

A species of acacia found in the Sudan is known locally as the whistling tree. The extremely hollow shoot shoots produce a sound as loud as is obtainable from a very sweet-toned flute.

PAGEANT OF PROGRESS PLANNED AT CAPITAL

BOISE, Sept. 9. (AP)—Idaho's "pageant of progress," to be held Saturday, September 20, will be introduced by a monster parade at 1 o'clock Saturday afternoon. This was decided upon at a meeting of the pageant committee Monday evening. The parade will be in three divisions, the first to include the two city bands, the state militia, artillery, G. A. R., American legion, Boy Scouts, state national guard officers. The drill teams of the Boise Elks and Shriners also have been invited to participate in this division. The second division will be devoted to the early history of the state and will be under the supervision of D. H. Holloway, principal of the high school. The third division, devoted to industrial arts, will be directed by C. J. Sigel.

SAMPLING PLANT IS ALASKA PLAN

Unofficial Survey of Mineral
Resources Results in Recommendations.

ANCHORAGE, Alaska, Sept. 9. (AP)—After an unofficial survey of the mineral resources along the coast of Alaska, members of the United States bureau of mines have recommended to Washington that an ore sampling plant and reduction works for treating fine milling ores by plate amalgamation and concentration of some of the ore and lessors are ready to enter the field as soon as they are able to dispose of their product.

According to engineers of the bureau an official survey soon will be made.

It is reported that there are free-milling gold prospects in the railroad belt sufficient to supply thousands of tons of ore and lessors are ready to enter the field as soon as they are able to dispose of their product.

Longest Railroad in World

The longest line of railroad in the world is the Trans-Siberian. It runs from Leningrad to Vladivostok, a distance of over 5,000 miles. The largest system of railways operated under one management is the Canadian National. Its total mileage is over 22,000. The largest railway system in the United States is the Chicago, Milwaukee & St. Paul with a total mileage of over 16,000.

He Couldn't Wait

One evening when calling on my sweetie, her little sister ran into the room and jumped on my lap. She sat still for a few minutes, then suddenly she threw both chubby arms around my neck. "I just love you, Dan," she whispered in my ear. "I wish you'd please wait till I grow up so I could marry you!" But I didn't! I married "big sister" instead.—Chicago Journal.

Women Denounced Coffee

In "the women's petition against coffee," 1874, they complained that "it made men as unfruitful as the deserts whence that unhappy berry is said to be brought!" That the offspring of their mighty ancestors would dwindle into a succession of apes and pigmies and that on a domestic message a husband would "stop by the way to drink a couple of cups of coffee."

Serious Situation

If you take away the hobbies some people ride, they would be as completely lost as if they were in a wilderness far removed from habitation.—Huntsville Star.

BREAK LOOMS BETWEEN TWO NEW PARTIES

LaFollette Campaign Committee
Charged by Farmer-Labor
Organization With Statement
on Integrity.

DENVER, Sept. 9. (AP)—A threatened break between the national farmer-labor party and the national LaFollette campaign committee looms as the result of a letter addressed to John M. Nelson, of the national LaFollette committee in Chicago, by C. B. Warner, chairman of the national campaign committee of the farmer labor party.

In his letter Dr. Warner demands re-education of the statement made last Saturday by Frank Harrison, regional director of the LaFollette-Wheeler campaign, that Bert Martin, national secretary of the farmer labor party, was soliciting funds for the campaign in Colorado without authorization from the LaFollette committee.

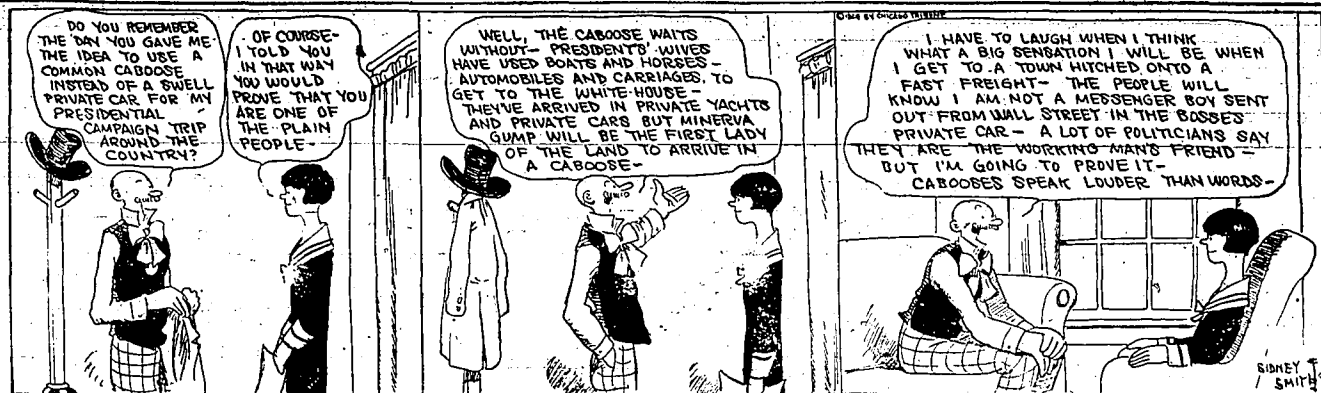

Mr. Harrison's statement, he said, came as the result of a telegram from Robert M. LaFollette, Jr., to the effect that Mr. Martin has no authorization to collect funds and that "these people" (the farmer labor party) were "absolutely unreliable."

Dr. Warner asks if the telegram was

sent out, as quoted, and whether "that is the opinion of your headquarters. If such is the case, that will mean that we sever our connection with you," Dr. Warner says.

THE GUMPS—THE CAR IS WAITING, MADAM

NEW TELESCOPE FOR UNIVERSITY READY FOR USE

Michigan School Has Fourth Largest Instrument in the World; Will Later be Taken to Africa.

ANN ARBOR, Mich., Sept. 9 (AP)—After 13 years of waiting the University of Michigan has a prospect of beholding its new telescope, the fourth largest in the country, completely assembled and ready for use. Late this year. Soon afterward it will be dismantled again and taken to South Africa for eight or ten years of study of the southern sky by university astronomers. Only three reflecting telescopes in the United States will have less surface area than this 27 inches of diameter instrument that at Yerkes with 40 inches, that at Lick with 36 inches and one other measuring 30 inches.

Difficultly in getting glass sufficiently large to make the lens was responsible for the delay. Orders for the new telescope were placed June 10, 1911. Two years ago the big piece of glass reached this country from Germany.

Sent to the show of Robert B. McDowell in Pittsburgh, it had been shaped and was being polished when Mr. McDowell died in 1923. Search revealed no man able to continue the work except one in McDowell's shop who was then working on a lens for Yale. He turned his attention to the Michigan lens in June, and will be finished with it in six months. Slowness of the work of polishing is due to the fact that each three minutes of polishing demands a wait of 60 minutes for cooling.

Eventually, after it trial test at Ann Arbor and its sojourn under the skies of North Africa, the new lens will become part of the equipment at the university observatory.

Best to Forget Wrongs

To revenge a wrong is easy, usual and natural, and, as the world thinks, savors of goodness of mind; but religion teaches the contrary, and tells us it is better to neglect than to requite it.—J. Bonavent.

Choose Friendships Well

As the shadow in the early morning, to friendship with the wicked: it dwindles hour by hour. But friendship with the good increases, like the evening shadows, till the sun of life sets.—Herder.

DENVER PUBLISHER WILLS FORTUNE TO EMPLOYEES ON PAPER

DENVER, Sept. 9 (AP)—The will of Harry H. Tamm, one of the owners of the Denver Post, who died last July, was admitted to probate here today. Distribution of his estate, conservatively estimated at \$2,000,000, was provided.

One-half of the estate was bequeathed outright to Mr. Tamm's widow. A brother, Frank Tamm, of Denver, and a sister, Mrs. J. K. Clark of New York, each was given \$50,000 cash and \$50,000 trust funds were established for each.

Otto Floto, famous sporting writer and show man of Kansas City and Denver, and his wife, were bequeathed \$25,000.

The will provided that every employee of the Denver Post who had been in service five years, should share in the residue of the estate, the smallest bequest to an employee being \$1000 and ranging upward to several thousands.

Quarrymen Get Egyptian Stone

One of Finest Collections in World Planned by Indiana Association.

INDIANAPOLIS, Ind., Sept. 9 (AP)—Egyptian stone relics from the ancient city of Tel-El-Amarna, sent by the Egyptian Exploration society, have arrived at headquarters of the Indiana Limestone Quarrymen's association. They will form a part of what eventually is planned to be the most complete collection of stone types in the world.

King Tut-Ankh-Amen's father-in-law, Amenhotep IV, 33 centuries ago founded this city whose ruins are now known as Tel-El-Amarna, on the Nile in Upper Egypt, and from which the collection was excavated, according to Thomas Whittemore, who obtained many of the relics for the society.

Quaint pieces of limestone furniture, low slung chairs, stools, stands, an offering table, and curious utensils for grinding meat are included in the collection dug from many homes of these ancient ruins. There are also bits of sculpture, bearing hieroglyphics sharply carved and easily translated.

FRENCH SCHOOL TEACHERS CAUSE OF BOLSHEVISM

Spread of Theories Causing Much Attention; Investigation Shows That Educators Are Responsible.

PARIS, Sept. 9 (AP)—The spread of bolshevism in France is beginning to attract the attention of political leaders and government authorities.

The eventuality of a dangerous growth of communism in this country has been regarded as a very remote because of the natural conservative tendency of the farming element, which outnumbers the laboring class. Lately, however, evidences have been discovered that the bolshevik-virus has penetrated the country, thought until now to be proof against all subversive doctrine. This outcome is attributed to the influence of school teachers, who are drifting more and more toward extreme radicalism.

As an example was furnished the other day when a monument to the school teachers killed on the battlefield was to be inaugurated in the department of Morbihan. The school teachers' association of the department decided by a large majority that the inauguration should not be allowed to take place unless the inscription, "To the School Teachers Who Fell on the Field of Battle," was changed to "To the Victims of the War." There also demanded that there be no mention of France or the "fatherland" in any speeches, and that the Marseillaise be neither played nor sung.

Cultivate a Hobby

"I am always sorry when I hear a business man of middle age say he has no hobby, because I know that when he retires he will live unhappily for a year or two and then die," said Dr. H. H. Kenwood, at London university.

Largest Pencil Plant

The largest pencil factory in the world is in the German city of Nuremberg, which has been the great center of the pencil-making industry since 1700.

KANSAS CITY MAKES NEW WORLD RECORD FOR CATTLE MARKET

KANSAS CITY, Sept. 9 (AP)—A new world record was made today at the local livestock market when more cattle and calves were received than had ever been received before in any one day by any market, according to an announcement by the Kansas City Stockyards company. Official figures make a total of 63,799 head.

The previous record, also held by Kansas City, was on August 27, 1923, when 51,508 cattle and 8098 calves, a total of 60,266 head, were received. The cattle receipts today were from Iowa, Missouri, Arkansas, Oklahoma, Kansas, Nebraska, Colorado, Texas and New Mexico.

PASSES CENTURY MARK

HALDWIN, N. Y., Sept. 9 (AP)—Mrs. Hanna Eldred entertained 100 of her 143 descendants yesterday in celebration of her 102nd birthday, by dancing a jig with which they used to cultivate Mrs. Virginia Red when she was young. She said she could dance like that several times a week, if birthdays only came often enough. After the jig she ate pickled leets and soups.

Worth Considering

We long for ideal relations and wonderful friendships, forgetting that all relationships are made by the people who enter into them. Suppose the perfect friend should appear—what would we have to offer in return for such a rare gift?—Exchange.

Taking of Tolls

The first recorded instance of vessels paying tolls occurred at the Stads, on the Rhine, in 1199. Toll bars were in use in England in 1207, every wagon passing through a certain manor paying a penny.

WHITE PLAGUE TAKES BIG TOLL

More Than 18,000,000 Have Died in 43 Years From Tuberculosis, Report.

NEW YORK, Sept. 9 (AP)—Reports from 23 countries representing one-third of the population of the world, compiled by G. J. Drobet, statistician of the New York Tuberculosis association, indicate that in the last 43 years more than 18,000,000 people have died from pulmonary tuberculosis, according to a statement issued today by the association.

In practically all of the countries studied the death rate from tuberculosis is declining, with the exception of Japan where there is a marked increase. The central European countries showed an increase during the war, but so far as figures are available since the war there has been a decline. At the present time, however, the death rate in Germany seems against so mounting.

In the United States the death rate from tuberculosis has steadily fallen from nearly 300 in 1880 to 97 for each 100,000 of population in 1922.

YANKEES GAIN ON WASHINGTON

World Champs Beat Boston in Thrilling Game; Detroit Wins From Chicago.

BOSTON, Sept. 9 (AP)—The Yankees gained a half game on the idle Washington Senators today by beating Boston, 5 to 4. The champions made their tying and winning runs in the ninth. Pinch hitter Johnson, for Hofmann, was walked by Quinn. Gehring batted for Ward and was safe on Ezzi's error. Scott, batted, to Harris who made a bad throw into the dirt at third base, all three men being safe. Then Joe Bush batted for Pennock and on his double to right Johnson and McNally, running for Gehring, scored. Quinn finished the inning without further scoring. A pass to Plagstad was the limit of Hoyt's vulnerability in the last of the ninth. In the fourth Menzel hit the ball over the left field fence with none on bases. Williams doubled once and singled three times, having a part in all of Boston's runs. The score: R. H. E. New York 5 8 2 Boston 4 10 3

TIGERS WIN SEVENTH. DETROIT, Sept. 9 (AP)—Detroit ran to seven its string of consecutive victories today by winning, 7 to 3, from Chicago before a small crowd on a bleak westwind diamond. Holloway, who relieved Johnson, pitched effectively while the Tigers overcame the early lead Chicago had taken. The score: R. H. E. Chicago 3 11 0 Detroit 7 10 0

Batteries—Robertson, Connally, Foreman and Crouse; Johnson, Holloway and Basler.

Washington at Philadelphia; postponed; rain.

PITTSBURG GETS SEVERE SETBACK

Cardinals Take Double-Header From Pirates; Cubs Win From Reds.

ST. LOUIS, Sept. 9 (AP)—The Cardinals handed the Pirates a severe setback in their drive for the 1924 pennant this afternoon when they took both games, 7 to 4 and 6 to 4. The first game was featured by the brilliant work of "Chief" Hafey, recent outfielder, who was obtained from the Houston team of the Texas League recently.

In the first game Hafey drove in six runs, three with a triple, two with his home run and one with a sacrifice hit. He scored the seventh run himself on a single by Douthett.

Pittsburgh's four errors in the second game aided the Cardinals in securing their second victory.

Pittsburgh's double defeat widened the margin between the league leading Giants and the Pirates to three games. The score: R. H. E. Pittsburgh 4 9 2 St. Louis 7 8 1

Batteries—Yde, Kramer and Schmidt; Schirmer and Ginzler.

Second game: R. H. E. Pittsburgh 6 9 4 St. Louis 4 8 1

Batteries—Morgan, Stone, Meadows and Gooch; Stuart and Clement.

HOME RUN MEANS VICTORY. CHICAGO, Sept. 9 (AP)—Frank's home run in the sixth inning and a shoe string catch by Weis in the ninth inning, enabled Chicago to defeat Cincinnati, 4 to 3, today. The locals bunched hits for three runs in the third while the visitors were unable to do much with Alexander. With the tying run on third in the ninth Weis made a great play of Wingo's drive and retired the side.

Cincinnati 3 7 2 Chicago 4 8 2

Batteries—Richter for Shorstein and Hargrave; Alexander and Hartnett, O'Farrell.

Philadelphia at Brooklyn postponed; rain.

Boston at New York postponed; rain.

FORCED LANDING MAKES AVIATORS DELAY HOP OFF

President and Cabinet Officials Greet Fliers at Washington After Four-Hour Wait in Rain.

WASHINGTON, Sept. 9 (AP)—The world fliers saw little prospect tonight of getting away from Washington before Thursday on their cross-country flight which will terminate in Seattle. They had intended to hop off tomorrow, making Dayton, Ohio, before nightfall, but the forced landing of Lieutenant Nelson's plane near Baltimore altered their plans.

It was this that started the delays which kept President and Mrs. Coolidge and members of the cabinet and their wives waiting four hours or more in the rain at Bolling field. Under the conditions the planes would have landed before noon but against the

wind that gut them down to a 50-mile ground speed or less and with the stop for an hour or so at Aberdeen they did not put in an appearance until nearly 3 p. m.

Get First Word.

No word had reached Washington ahead of the fliers of the accident to the New Orleans. When Lieutenant Smith and Wade arrived, even the service officers, including the official announcer at the field, believed that all three cruises were on the ground and rushing to their stop at the far end of the long landing ground. The two that did come in were wheeled quickly to taxi back to a place in line before the reviewing stand where the president awaited them. A space was kept clear for the third but when it remained vacant there was eager inquiries for the missing ship.

Reception Brief.

The official reception was brief. After handshaking Mr. Coolidge asked Lieutenant Smith to show him the Chicago and they strolled out together to gaze at the big cruiser. The material of the wings and the propeller later excited the president and he talked a moment with the flight commander before the young man returned to his quarters in the White House car and then the official party came back to the city.

More Highly Valued

Much dearer be the things that come through hard distress.—Spencer.

ARMS PARLEY AT GENEVA IS PLAN

Assembly Leaders Turn Attention to Disarmament Conference; Be Held Soon.

GENEVA, Sept. 9 (AP)—Following out the idea that the league of nations is a mechanism holding unessential international conferences, officials already are directing their thoughts to plans for a great international gathering for the reduction of armaments, which, it is expected will be held at Geneva within one year. The officials pointed out tonight that the league council has nothing whatever to do with the deliberations or the conclusions of the disarmament conference, once it is started.

When the assembly gives the word, the council will appoint a substitute committee to make necessary arrangements and issue invitations. The question of America participating is causing increasing interest and comment. The most general opinion is that the United States naturally would want to take part in the naval armament phase

OPEN HEADQUARTERS FOR DEMOCRATS AT BOISE; BEGIN WORK

BOISE, Sept. 9 (AP)—Idaho democrats opened state headquarters this afternoon in rooms 319-325 Overland building, with H. E. Dillingham, state chairman, in charge. No secretary has been appointed as yet. The day was spent getting the office ready for the campaign.

Appointment of a secretary will be announced at a meeting of the state candidates and bourbon leaders here September 23.

National headquarters has advised the state committee that W. J. Bryan is coming west and the Idaho leaders have asked for four speaking dates, in Pocatello, Idaho Falls, Twin Falls and Boise, if possible.

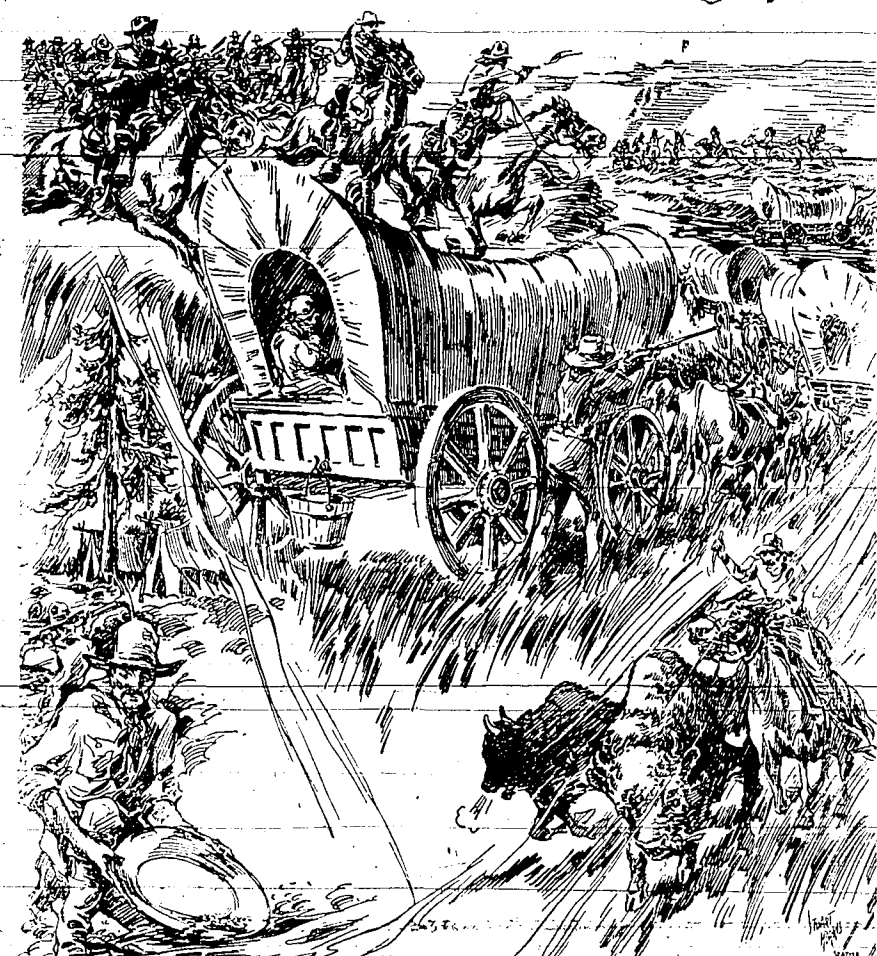

John W. Davis, the party's candidate for president, also is understood to be contemplating a trip to the west, and Boise has asked for at least one speaking date, probably at Boise. Mr. Davis will come to Denver on one western trip and probably will make a second swing through Idaho to the east and will visit Idaho on this trip; according to the promise given the Idaho committee.

of the conference although it might be distinguished to participate in the discussion on reduction of land armaments.

Twin Falls County Fair

MANY HORSES IN RACES AT FAIR; CARD EXCELLENT

Baby Clinic Is An Attraction

Well-Balanced Program Grests Visitors First Day; Harness Race Creates Much Interest; Other Events.

What officials declare is one of the best balanced racing card in the northwest country fair circuit this year opened at the Twin Falls county fair Tuesday afternoon with a fairly good opening day crowd witnessing seven events interspersed with several good vaudeville acts. The program opened promptly at 1:30 o'clock, and excellent management of the events were run off swiftly and without the least between races.

Horses, more than 60 entered, for the five-day program which closes Saturday evening, and the first of the last Tuesday and, while no track records were broken, those familiar with racing declared they would not be surprised if several of the races were expected before the program closed. Probably the most interesting of the races for the fans Tuesday were the three heats in the 224 trot or pace harness event.

Gaily Victorious.

Showing excellent form and in her first debut on any track, Gaily, the seven-year-old owned and driven by Mr. Arnold, took two of the three heats in the three heats and was the winner of the day. Getting away to a poor start the first heat, run in 2:17 1/2, Gaily came in second with Widow Hal, owned and driven by Johnson, first.

In the second drive, however, she found her stride and won from Nellie Logan, driven and owned by Fay Smith. Her time was 2:24 1/2. The third event she woned out Widow Hal in a race that kept the crowd from the drop of the state's flag. Many who were not near the finishing line were undecided which had won until the judges announced the result.

Widow Hal Second.

Widow Hal took second place in the harness race having a first, second and third place to her credit. Nellie Logan was third with third, second and fourth place, respectively. Twin Falls Bay took two fourths and a third. Twin Falls Bay is owned and driven by Allan Currenall, second and driven by Smith, did not start.

Following the first heat of the harness race an oriental novelty act was given. This consisted of juggling, acrobatics and tumbling.

A fourth-mile dash was third on the program. This was run in 24 seconds and won by Stranger, owned by Laughlin. Sleepy Kate, owned by Laughlin, was second with Holcomb up, was second and Gilpy, owned by Prince, was third. Eight horses took part in this race. They were Stranger, owned by Laughlin; Ten Bucks, owned by Flowerdew; Pennywise, owned by Flish; Sleepy Kate, owned by Holcomb; Beatie, owned by Flish; Jerry, owned by Prince; Maudie, owned by Gilpy, owned by Prince, and Tippy, owned by Flish.

Colored Quartet.

Event No. 4 was the second heat of the 224 harness race. No. 5 was a song and pantomime by the Sunbeams. Four, a colored quartet with good voices and lots of pep, who kept the crowd in excellent spirits. Their act received plenty of applause testifying to its worthiness.

Event six was a five-eighths mile run, Tempo Standard, well-known on the local track, being the winner. Tempo Standard, owned by McLaughlin with Holcomb up, made the distance in 1:07 2/5. Blue Mouse, owned by Cooper and ridden by Cooper, was second, second place, being given this position over Little Ori, owned by Flowerdew with Bowden up, as penalty for crowding in the home stretch. Wotan, owned by Kniffong and ridden by Schindler, was fourth.

There were nine entries in the saddle horse elimination race of the three-eighths mile which was run during the day by Midnight, owned by Laughlin with Laughlin up. Maudie, owned and ridden by Bassford, was second. Time was 1:12 2/5. Other entries were Pansy, owned by Phelps; Babe, owned by Brennan; Maudie, owned by Bassford; Queen, owned by Gossard; Babe, owned by Kniffong; Spark Plug, owned by Cooper; Blue owned by Cooper; Midnight, by Laughlin, and Jerry, by Snell.

The final and third heat of the harness race was the 224 event. This was followed by the juggling act from the Far East which was applauded heartily.

Glory Wins.

The closing event was the three-eighths mile run, won by Glory with Holcomb up. Big Ori, owned by Flowerdew with Bowden up, was second and Julia, owned by Kniffong with Schindler up, was third. Time was 30. Other entries in this event were Romeo, owned by Laughlin; Neepin, owned by Parker; Big Ori, owned by Flowerdew; Julia, owned by Kniffong; Glory, owned by Flish.

The only accident of the day was a tumble in the saddle horse race when a boy on a big-ranger horse took a

GUARDSMEN TO PLAY PART IN DEFENSE TEST

Twin Falls, Buhl and Kimberly Unite to Present Parade and Drill on Fair Grounds After Program Here.

National Defense Test day, Friday, September 12, will be observed with brief programs both in Twin Falls and in Filer, arrangements to that end having just been completed.

The observance in Twin Falls will be held at the city park at 12 noon. Company C, Twin Falls, Idaho national guard, will march from the armory, accompanied by the Twin Falls band, to the park. Here a brief exhibition drill will be given to be followed by an address along patriotic lines by Congressman Addison T. Smith. Congressman Smith will be introduced by Captain Everett M. Swingle. The program it is expected will last about half an hour.

Demonstration at Fair.

Immediately upon the conclusion of the Twin Falls program Company C will leave for Filer where a similar program will be given at the grand stand. Company C will be joined at Filer by the machine gun company of Buhl and the hospital detachment of Kimberly. All three units will march past the grand stand in battalion parade, and if possible exhibition drill will be given by all three.

In order that the regular fair program will not be interfered with, it is the intention to have the observance close not later than 2 o'clock.

Seek One-Day Recruits.

All three military units of the guard will endeavor to recruit up to strength for the period of the test, but the recruits will not be expected to take part in the programs either at Filer or Twin Falls.

Arthur J. Peavey, member of the state committee, and Roy A. Read, chairman of the county-in-conjunction with the observance of the day, are engaged in compiling general information with respect to manpower, transportation and food supplies as requested by the war department.

The opening day, were light due to the usual opening day crowd, they will be kept unusually busy today and during the remaining days of the fair. Tuesday there were no lost children to be taken in charge by the special police. Officers at the fair, however, declared that in the event children became lost from their parents they should be taken to the secretaries office where parents may find them.

If your property is desirable and is listed in the classified "you'd find your buyer."

Returns to Office—C. C. Sigline, Twin Falls county auditor, returned Tuesday to his office for a short time after being confined to his home for several days by severe illness.

DEATH SUMMONS FORMER RESIDENT OF TWIN FALLS

Mrs. Edna Leedom, wife of W. T. Leedom, died very suddenly on Tuesday at their home in Nampa. The Leedom family resided in Twin Falls for several years and Mrs. Leedom is survived by her husband, two sons, Ralph and Ray, and a daughter. Funeral services will be held in Nampa on Thursday afternoon.

DENIES WIFE'S ALLEGATIONS.

Alleging among other things that his wife, Ida J. Foster, had told him that she was going to leave him and go to see you for divorce, and that she deserted their home last March without cause, William O. Foster filed in district court here Tuesday an answer and cross-complaint in the suit for divorce instituted some weeks ago by his wife. In his answer he denies his wife's allegations of cruelty and non-support. He is represented by Stephan and North.

Take Marriage License—George R. West and Josie Wickham, both of Wendell, obtained a marriage license Tuesday at the office of the county recorder here, where the wedding ceremony was performed by Justice of the Peace Kennedy Packard.

Leave for California—Mrs. E. D. Shurtliff and son, DeForest, left Tuesday morning for San Bernardino, California, where they will make their home. Mr. Shurtliff, who is employed at Rogerson, will leave in about three weeks to join his family there.

Announcement

We are distributors in Twin Falls and surrounding territory for

The General Cord Tire

On the Blue Stages, operating daily between Twin Falls and Boise, *Generals* are averaging 10,000 miles wear per tire, which is an unusual good record for a tire to make in this kind of service. Tires used in stage service are put to the most severe test, often carrying loads much greater than their rated capacity.

This showing of quality should be sufficient to warrant a try-out of *The General Cord Tire* with every tire owner.
