Main Line Celebration at Capital Featured by Impressive Display at Station; Huge Crowds Attend.

BORIS, April 16 (AP)—Boile's citizens planned a grand welcome, to-day realized in the naming of Mr. Gray, president of the Union Pacific, and his special train, a stream of 40 years. The fleet, gray clouds which had been gathering all day, was looking down over the new station the bunch, the scene of an enthusiastic demonstration, which has no peer since the days of the wild, wild west, madly cheering citizens, who leaped into the air and made themselves heard, trying to vie with bands and artillery, salutes in their welcome to the president's special express.

With Impatience.

A milling crowd had gathered on the beach early in the morning, and impatiently struck back and forth while the band, photographs, hurriedly plotted, and the general atmosphere impatience, consulted, watched.

"There she comes," shouted an excitedurch in the crowd. Far to the south, across the sky, an airplane, a tiny speck, hovered above the sinuous track from Orchard. Moments later a tiny curl of smoke climbed upward.

To Land.

As the train swooped into sight a gun of the 14th field artillery, battery 10, boomed a salute, and continued its short, rapid interval until the arrival. At 10:45, Boris, the American ambassador, on commemoration of the seventieth anniversary of the landing at this little place of Comodoro, the chief port of Chile, in 1820, he was sentenced to imprisonment and ordered excommunicated, will have the guiding hand over France's finances.

On Arrival.

The American ambassador, while the plane swooped overhead, was welcomed by local dignitaries and hundreds of children bearing American flags.

The Ambassador.

The ambassador turned, when the first American saluted him, and paid his respects at the graves of the American pioneers of 1865.

Disabled Dirigible  
Lands Safely After  
Drifting Many MilesAuto Truck on Way to Bring in  
Lighter Than A Vessel and  
Crew of Seven.

BLACK WALNUT, Mo., April 16 (AP)—An automobile truck was on its way here tonight from Scott field, army airpost post near Belleville, Ill., to take back the partially disabled big dirigible which safely dropped to earth here this afternoon with its crew of seven after drifting with the wind for two hours. The large dirigible suffered a mishap to its rudder shortly after noon and drifted into the north, which of course caused the wind to drift it into the air and made them unable to steer. The wind was so violent, while madly whirling, that the crew were unable to get out of the basket.

Finally Roped by Police.

NEW YORK, April 16 (AP)—Pedestrians in Wall street and the surrounding financial district were routed temporarily today when a large bulldog, which had been running around the section, driving humans to cover before it was roped by police reserves.

Choosing the front doorway of the Equitable building, the bulldog ran into the lobby, past the ticket counter, the bank teller, and the cashier, and then bounded up the stairs, through the lobby, and out into the street again.

Chasing the animal, the police recovered the dog and secured it.

Police Commissioner J. L. Felt recovered the dog and secured it.

## CANDIDATES OF THREE PARTIES IN GERMAN RACE

New President of Republic to be Chosen Week From Sunday at Polls; Hindenburg Will Run.

BERLIN, April 16 (UPI)—Only three candidates will appear on the ballot for the presidential election which is to be held a week from next Sunday. They are the Socialists, the Communists and the candidates of the centrist right, William Marx, representative of the "people's idea," and Ernst Thaelmann, nominee of the communist party. Their nominations closed at midnight.

Although only 20,850,000 voters participated in the election of March 29, the federal election commission now expects 30,000,000 to turn out for the coming election, that being the number of eligible voters who have entered the polling lists throughout Germany.

**Mars Makes Talk.**

Dr. Mars, the Socialist leader, delivered a speech at a banquet here in which he said:

"The international economic development of our country is dependent upon the outcome of the election. Powerful forces are at work to bring about the possibility of a change in Germany's policy as an effective means for agitating. Also there are mighty forces, business groups which are anxious to reassert their influence and to sustain a feared competitor."

**Bull Requires Help.**

He warned that Germany's democratic economy still requires foreign help.

The United right bloc in a proclamation issued today denies an allegation that it is an organization of industrialists and capitalists.

"The candidacy of Field Marshal von Hindenburg," says the proclamation, "is supported by nearly all the economic and political leaders of the German Reich. We expect everyone to lend the utmost financial aid toward Field Marshal von Hindenburg's election. We expect all Germans to support him in his election. Every patriotic gives toward the election of our Hindenburg will be a further step toward the peaceful resurrection of our fatherland."

### JURY OBTAINED IN WHEELER'S HEARING

their task is finished.

**Unknown Lawyer.**

Telling his defense about his surprise witness, Mr. Blaster said he had been approached by a man named lawyer who would call to show that he had been approached by Senator Wheeler in Washington and asked him to drop his defense before the inferior department could file its charges. Mr. Blaster said his witness would testify that Wheeler declared the value of the information he had in his possession and that it involved millions of dollars and that was the result of the offer.

**Accepted \$1000 Offer.**

The Montana senator is accused of accepting \$4000 from Campbell for assistance in getting his campaign contributions.

Every witness gives toward the election of our Hindenburg will be a further step toward the peaceful resurrection of our fatherland."

### THE DAY IN WASHINGTON

The department of Justice announced reorganization of its field forces.

The Nickle Plate merger hearing was concluded before the Interstate Commerce Commission.

Treasury officials announced their course of action in the country's many denominations of money.

President Machado of Cuba was a luncheon guest at the White House and afterwards toured the capital.

The commerce department issued a complaint showing foreign securities in increasing amount were absorbed by the American market during the first quarter of the year.

President Quezon of the Philippines protested to the war department against the sale of the Pacific fleet membership company's presidentship to the Dollar interests.

**FIREMEN RESIGN AT SALT LAKE**

### Ninety-Two Out of 110 Hard in Resignations as Protest Against Their Chief.

## LOCALS AVENGE FORMER DEFEAT IN HOME GAME

Twin Falls High School Base-  
ball Team Defeats Buhl in  
Second Contest, 8 to 2;  
Good, Tight Fielding.

The Twin Falls high school team defeated the Buhl high school dusters yesterday afternoon by a score of 8 to 2. The game was fast and not nearly so one-sided as the score seems to indicate.

Twin Falls scored in the first inning, Timon and Nye scored. Sears got a pass from Alexander. Timon and advancing Sears to third. On a squeeze play Sears scored and Nye was safe at first. Alexander, the Buhl mound man, had a number of bunts. Petzold continued the lead-off scoring. Timon, but was thrown out at first. The side retired when Weaver was thrown out on a pitcher to first base play.

### Scoring Spree

Phelps' batters took another scoring spurt in the third inning after Gwin flew out to right field. Alexander passed Sears for the second time who also scored. Timon was safe in first. Sears scored. Timon to third. The Buhl batters moved on to a ground ball. Timon followed on the next play. Nye drew a walk filling the bases with one down. Petzold's bunt scored Sears, but he was rather slow. Weaver followed a long one to center field and Cuthbertson fed it. Timon and Nye scored. Weaver was tagged at the plate.

Captain Martin got himself in a bad hole. His family was scattered, resulting in two runs for Buhl. Martin passed E. Hejmanek. E. Hejmanek took three swings and held down his stroke. Timon gave Buhl a lead ball held E. Hejmanek on third. W. Penner's single to right field scored Hejmanek. Jim Petzold's whip scored Cuthbertson from W. Penner. Petzold drew a walk filling the bases. The Twin Falls captain had two strikes. Homming when an inside ball hit the batter on the knee. This scored Buhl's second run. Buhl, Royal, Martin's third strikeout of the inning.

### Last at Bith

Twin Falls' batsmen tried to fight in the eighth stanza. Weaver got a single over shortstop. Martin retired when his third strikeout went foul. T. Hejmanek and W. Penner had good games. W. Penner advanced to second. Timon and Gwin followed the losses. Weaver scored on Gwin's bunt with swing safe at first. Sears fanned. Timon hit over the center field fence. Captain Martin and Day scored. Captain Martin and Day scored again.

Alexander started on the mound for Buhl, but was relieved at the end of the fourth inning. D. Penner went eight and one-third. D. Penner pitched. D. Penner's slow ball baffled the Twin Falls batters after facing Alexander. Last four runs. D. Penner struck out six.

### Pitches Good Ball

Captain Eddie Martin pitched a fine game for his team. Things looked bad for a while in the fourth inning but Eddie settled down and finished the game without the sign of another Buhl run.

Eddie's work in left field was easily the feature of the contest. Homping opened the game with a long ball to left but Eddie made up for it in the ninth. T. Hejmanek tried the same thing in the second inning but found he was held at second. In the seventh inning this same Sears rebuffed Mach neck of a single with a smothering catch after a long fly.

### Linen

The things according to batting order were:

Buhl: Homing, ss; Bayl, rf; Mack-  
neek, c; E. Hejmanek, 1b; W. Penner,

### MIGHTY SLUGGER WILL UNDERGO OPERATOR IN NEW YORK CITY TODAY

NEW YORK, April 16 (AP)—Babe Ruth will undergo an operation here tomorrow for relief from aches—while his condition allows his removal to the city upon the return of the New York Yankees from their southern training trip.

Announcement to this effect was made by physicians who have been attending the star slugger since his arrival from a three-week vacation in New York and his removal on a stretcher from the Pennsylvania station to the hospital where he has been suffering from appendicitis and influenza. While his physical condition resulted from his illness and rigorous training for the baseball campaign are blamed by his physicians for the new complications, his temperature was reported as higher today.

Property owners wanting elm, fruit trees sprayed, call 87 and leave orders, adv.

# IDaho's Beans RATED HIGH BY NEW STANDARDS

Grade Specifications, When  
Finally Established, Promise  
to Admit Much of Twin Falls  
Crop to Top Notch.

United States grade for Great Northern beans, which finally established, seem likely to be so liberal that a large proportion of the crop produced here will grade No. 1 and command a corresponding price per bushel.

Opinion to date, after an extended  
length of time, of dealers and representative growers invited by members of a committee recently named here, to meet with the Idaho legislature concerning the new grade, is that it will exceed the recommendations of Idaho grainseed dealers and of Montana growers and dealers as to paper grades to constitute United States grades for Great Northern beans.

Recommendations agreed upon by Montana growers and dealers at a meeting at Billings on April 7, last, while not identical with those of the more liberal interpretation of grade requirements than would the recommendations of the Idaho growers and dealers at a meeting held here March 31, do not approve entirely the Montana recommendations but modified Idaho recommendations to some extent, and nearly agree with the Montana plan.

Montana recommendation that proposed United States grade requirement for No. 1 grade be altered to provide for a maximum of 15 per cent tolerance of which five-tenths per cent might be foreign material with the new Idaho proposal for 12 per cent tolerance of which three-tenths per cent might be foreign material. Idaho originally recommended 15 per cent tolerance of which five-tenths per cent might be foreign material, while Montana originally recommended 12 per cent tolerance with no limit with this restriction as to the percentage of foreign material.

The tolerance factor unit, or portion of a bushel, retained as foreign beans or beans of another variety, together with sticks, stones and other foreign material.

Montana has a new proposal for No. 2 grade to provide for 3 per cent tolerance of sixteen per cent for foreign material. Montana's committee proposal was for 4 per cent tolerance with 1 per cent tolerance for foreign material.

Idaho declined to modify its original proposal for No. 3 grade which provided for 6 per cent tolerance.

Montana proposed as a compromise establishment of No. 3 grade to provide for 6 per cent tolerance with 1.5 per cent tolerance for foreign material.

Final decision as to the grade factors is to be reached as a result of agreement between growers and dealers of Idaho and Montana, the two principal sources of dried beans, and their representatives and representatives of the United States department of agriculture who conducted the hearings on the proposed grade here at Billings.

Dealers and growers at the meetings here Wednesday evening agreed not only that Idaho beans would be favored by the proposed grade specifications, but also that two recommendations for improving the grade of the Idaho product, now having to do with nightshade which is held responsible

### BEAN CROP INDICATED ACREAGE SHOWS GAINS

Avg. acreage of 47,800 acres in the Twin Falls region will be devoted to the production of beans during the coming summer, according to estimates of county commissioners.

Estimated acreage of 20,000 acres compared with the total acreage devoted to the crop last season.

Crop made at Mindana showed a drop of 20,000 acres, while acreage allotted to the valley, while showing a slight increase in the number of farms, dropped to the point of opening of the last season on April 1, last. Of a total number, approximately 150 acreages were given beans, it was reported.

Beans, it was reported, were shipped from the North Side. It is estimated that there are remaining for shipment between 60 and 70 carloads of beans grown last season.

For stained and dirty condition of some lots, and to some extent relating to "dust," or little balls of dirt found in some thereof beans.

There is little or no excuse for nightshade, which is grown since soils were planted, but effects may be effectively eliminated by rotting the fields just before cutting the bean crop.

Irrigation sufficient to mulch the beans before cutting, it was recommended, largely eliminates the nightshade problem.

Members of the Idaho committee in whose negotiations to harmonize Idaho and Montana grade requirements have been involved are E. J. Kinney, H. T. Bliske, C. E. Moshan, Dr. D. C. O'J. Childs and C. P. Howler.

Members of the committee present at the meeting yesterday evening which was held in the Kinney Wholesale company offices, are present, according to a statement of the manager, O. L. Oliver, and A. Atkinson of Filer; Barlow of Hazelton; Beaver, Leslie, Evans, John Baird, Gilmer and Hardee of Twin Falls; John Baird, Gilmer and Marshall of Twin Falls, grum-

## APPLICATION BY STATE FOR NEW TRIAL DEFENDED

Application for a new trial for Paul Taff, 19, under sentence of 1 to 15 years' term to the state prison for first degree burglary, was denied by Justice W. A. Schucker in after trial Thursday, when hearing on the cause for new trial was concluded after an interval of about a few days to permit the prosecuting attorney to submit certain affidavits.

In support of the motion, T. K. McNamee, attorney for Taff, argued that members of the jury, in their deliberations, had not been permitted to take their meals in a public restaurant. Affidavits submitted by the prosecution attorney were to the effect that the meals had been served in a private dining room of a local eatery.

Taff was accused of burglary in connection with his last day's work and merchandise valued at about \$200 from the Golden Rule store here.

Taff was indicted for burglary in

## ARCH PRESERVER SHOE

THE graceful poise of a perfectly supported foot adds a charming touch to the lovely costume. The Arch Preserver Shoe, while holding the foot in a natural and comfortable position at all times, also retains its own shapeliness. It's a shoe you'll like better and you'll find a new delight in the youthful vigor it gives to your feet. Let us show you.
