

DISTRICT TRACK MEET PLANNED LAST OF WEEK

High School Athletes of Many Towns to Participate in Event Friday on the Fair Grounds Course.

The district track and field meet will be held on the county fair grounds track, Friday, May 1. The first meet since the "big year" meet was started at 1:30.

The men who placed first, second and third in the sub-district meets last Friday will be eligible to compete for district honors. There are four subdivisions in this district.

Rupert won the east end meet, seeing more points than Barber, Paul and Altman combined. Kearsley, who has strong men in the majority of the events. Heekaday, the winner of the state interscholastic half mile last year.

The outstanding Rupert performer. The honors were rather evenly divided in the north side meet at Gooding last week end. Gooding will send a strong dash man in Tomoe. Wendell has a real point maker in Pitt. Smith of Jerome will make a strong bid for honors in the eight event. Smith handled the discus over 100 feet last Friday.

Twin Falls had their own way in the contest for this territory which was held at Piler last Friday. Captain Alvord and Timm will be the most consistent winners for the locals. Johnson will perform in the quarter mile and relay. Knight and Detrick will do their bit in the half mile. Hall will carry the blue and white in the mile run. Martin, Esham and Robertson will throw the spear for distance.

The number of men who will come from the Hefield-Caroy-Halley country is not yet known. They grow ready met up there and a real representation can be expected.

The men who place first and second in this district contest will enter the state interscholastic meet which will be staged on Wednesday night on the Idaho Tech campus in Pocatello, May 9.

EDEN

T. F. Warner of Harley was a business caller here Saturday. Carl Emerson was a Hagerland business visitor Friday. M. B. Coe, owner of Twin Falls, spent Friday on the north side looking after his business. Mr. and Mrs. H. G. Hayes entertained at their guest Saturday, Miss Thomas of Coaldorf.

DEATHS

GRINDSTAFF—Mrs. Ella Grindstaff of Piler, 70 years old, whose death occurred last Monday evening, was buried Monday afternoon in the Piler cemetery, following funeral services held in the Grindstaff home here and conducted by Rev. Mr. Landers, pastor of the Baptist church. Mrs. Grindstaff was survived by two sons, A. M. Grindstaff and G. Grindstaff, both of Piler, with whom she had made her home for 11 years.

HEMENDER—Charles L. Hemender, 62, resident of Twin Falls for 15 years, died here Monday from acute nephritis following influenza, with which he was stricken early last week. He was survived by his widow and one daughter. Funeral services are to be held at 2 o'clock this afternoon at the family residence, 861 Fourth avenue west, and are to be conducted by Rev. Mr. Skinner of Amstarham. Burial will be in the Twin Falls cemetery.

REILLY—James Kelly, 64 years, employed for some time as a shepherd in the vicinity of Rosedale, died here last Sunday night from a stroke of apoplexy, with which he was stricken about a week ago. The body was taken to the Tuzig mortuary. There was no known relatives in this region and the mortician communicated with a brother whose name and address in Oregon, Pennsylvania, was contained in letters dated in 1910 and after four days' search, he effected.

KOCH—Eugene Koch, 48th months old, son of Mr. and Mrs. Walter O. Koch, died at 4 o'clock Monday morning at the family residence one and one-half miles north of Kimberly. Eugene was one of twin babies, the surviving child being a sister. The body was brought to the Goodrich mortuary here.

Funeral services will be held at 2:30 o'clock Wednesday afternoon in the funeral home at Kimberly.

PIERCE—Sylvester Pierce, 68 years old, resident since 1923 on the farm one and three-fourths miles east of Twin Falls, on Addison avenue, died at 10 o'clock Monday morning from effects of appendicitis with which he was stricken early last week. The body was taken to the Hewitt mortuary. Announcement of funeral services is to be made later.

Mr. Pierce was born October 1, 1856, in Piquetteville, Wisconsin, and in boyhood moved with his parents to Iowa, where, in 1885, he was united in marriage to Anna Reid, his widow, by whom he is survived. Subsequently they lived in South Dakota until coming here nearly two years ago.

Besides his widow, Mr. Pierce is survived by two children; a son, Clarence Pierce of Seneca, South Dakota, and a daughter, Mrs. L. E. Hamilton of Idaho, near Wyoming, both of whom are expected to attend the funeral services. He is survived also by five brothers and one sister.

He was a member of the Methodist church and also of Twin Falls camp, Modern Woodmen of America.

ALWAYS BE CAREFUL SAYS PROFESSIONAL AUTHORITY

"Always be careful watch your signals, make your signals and instead of assuming that the other fellow will do the right thing, assume that he will do the wrong one," this is the advice of Ed Henry, 11155, one of the foremost automobile racing pilots in the world, and who has traveled faster in a motor car than any other man; an achievement which is shared in his credit when he broke the world's mile record, traveling at the rate of 168 miles per hour.

"In driving in congested traffic," counsels Ed Henry, "writing in the May issue of Your Car, the new automobile magazine, his opinion is that you should be ready for the brake pedal and your eyes are ever watchful for the extended arm of the driver of the car ahead."

"If never could understand why road speeds of 20 to 40 miles per hour are necessary. Perhaps it is that many careless drivers just want to see how fast they can drive, imagining that it is simply by stepping on the accelerator pedal. It is the car that produces the speed. And any driver who thinks he has perfect control at 60 miles an hour is in an ordinary road, had better think again. Hold down your pedal and save your life and your car. Yes, your car, because it is just as human body."

HINDENBURG IS NOT FAVORED BY NATIONS

(Continued from Page 1)

men favorable to any hope of reconciliation between the two countries or relaxation of the French hold on the Rhineland. Instead, the election of the King of the Netherlands is expected to make for a return to Polaris in the Rhineland. On the whole, while many doubts are expressed, the general feeling in Great Britain is one of hopefulness and trust in the innate good feeling of the German people who are believed to have thoroughly learned the lessons of war. There are even those here who feel that the German republic will prove more suitable under von Hindenburg than under a purely socialist president that he will prove to be the rallying point for all the solid and strong in

AT THE THEATERS

THE GREAT DIVIDE COMING. "The Great Divide," Reginald Harlow's screen version of the famous American play by William Vaughn Moody, will come to the Orpheum theater soon. The role of Stephen Grant will be played by Conway Tearle, while Alice Terry will appear as the New England girl. Ruth Jordan, Otis in the cast include Wallace Berry, Zella Pitts, Hattie Gordon, Allan Forrest, George Cooper and Ford Sterling. Percy Hilborn, the contrabass, is said to have obtained some exceptional views in the Arizona Paistal Desert, where the exterior was made. "The Great Divide" was adapted by William Young and is a Metro-Goldwyn picture.

SAND GREY'S BEST, IDAHO. To the great open spaces out west where men are men (and women are governors) comes Owen Moore (nee-Nary Pickford's mean name) and Constance Bennett, a typical New York flapper. This is the auspicious beginning of Zane Grey's "Code of the West," a paranoiac comedy-drama which will be the feature attraction of the Idaho theater tomorrow and the balance of the week. One of the outstanding features of this rearing romance is its strong vein of comedy. Besides, it is check full of novel thrills. On the same bill Harry Langdon, the funniest comedian on the circuit, presents one of his best, "The Prisoner."

The News-Weekly and special made by the Idaho orchestra.

FREE CROP INSURANCE

With the bountiful rains and the splendid condition of the soil the next three weeks is the ideal time to plant sugar beets. Why take chances with all your land in one crop? "This is a sugar beet year." There is sufficient moisture to insure a stand without irrigation. The best tonnage we have ever raised on this tract planting was not started until April 25th. Hand labor will be plentiful; beet tops, pulp and molasses will help balance the ration for dairymen and feeders. Beets can be hauled on and still make a good crop. A hard frost July first will not hurt them. Why not protect yourself by growing some beets? We have not time to call on all but have plenty of seed and drills. If you have some land fit for beets Phone No. 4 and we will be glad to call on you.

The Amalgamated Sugar Company

... when city lings drink deep of country
or when work worn appetites
wake up... some folks say MJB tastes
tastes quite so good as them!

MJB

meets every taste in coffee

Your appetite may vary with the work or pleasure of your day—but your coffee taste is always the same. Because your coffee taste is yours. It is because people differ so in their coffee tastes that MJB has worked for years to produce a coffee blend of constant flavor. MJB is a top-crop coffee from first bean to final blend. Yet it is really many coffees in one. Each coffee is blended for a special quality.

Some contribute aroma, some bring "body," but the final flavor is the same each time. And it is this never-failing, the same flavor that has made MJB stand for coffee contentment. Drink it as you will—strong, mild or in-between—with cream or without—the same rich, full-bodied flavor will always be there to greet you. For the strength per cup is up to you—no matter what your taste in coffee.

Lovely Homes—
A key to
Love of Home

YOUNG folks cannot be blamed—they love what is lovely in appearance. It's well enough to wish their home—and wise to attract them while wishing. Attractive homes! Not a difficult problem. Quantify the surface and you've made lovely all the eye can see—and that's a wise step, surely, in giving children cause for love of home.

THE SPORTS OF A DAY

GOSLIN'S HOME RUN WINS GAME FOR WASHINGTON

Senators Defeat Boston 2 to 1 When the Goose Boasts One in the Ninth Inning of Hard Battle.

BOSTON, April 27 (AP)—Goslin's home run in the right field, followed by a pitch on infield out and DeCossiga's double to left, gave Washington two runs in the ninth inning today, enough to defeat Boston 2 to 1.

NEW YORK BOUT. PHILADELPHIA, April 27 (AP)—Sam Gray, youthful right-hander of the Athletics, shut out New York today, 8 to 0.

ST. LOUIS WIN. DETROIT, April 27 (AP)—Going into the ninth inning five runs ahead, St. Louis pounded out a 10 to 8 victory over Detroit here today.

CLEVELAND DEFEATED. CHICAGO, April 27 (AP)—Chicago bunched his tally behind the backs of the Cleveland pitchers and with some daring base running easily defeated Cleveland, 12 to 4.

NO BALL GAMES SET FOR HOME FIELD IN THE NEXT TWO WEEKS

There will be no baseball games on the home field this week. Platin's pitchers will play at Kimberly's this afternoon and on Thursday will go in the hills to meet the Albion Normal.

EDEN LOSES IN CLOSE CONTEST TO HAZELTON

HAZELTON, April 27 (Special to The News). The local high school baseball team won a close and interesting game here from the Eden high school team last Friday afternoon by the margin of one score which the local managed to get over the plate in the last half of the ninth inning. The score at the ninth inning stood five each and during the last half C. Lindsay struck first on error, stole second and third, and with two down and two strikes on the batter he was trapped between third and the plate but managed to score the winning run for Hazelton when Mann, Eden third baseman threw wide of home plate. Both teams played remarkable ball and errors were few and far between. Martel Lindsay took the mound for Hazelton, but had to be replaced in the seventh by C. Lindsay. Summer won the full nine innings for Eden and held the lead to five hits. Friday's game was the most interesting game played here this season.

TWIN FALLS TO PLAY KIMBERLY

Local High School Baseball Team on Visit for Contest This Afternoon.

The Twin Falls high school baseball team will journey to Kimberly to meet Superior's Powers' diamond disters this afternoon. The team's rubber trip slipped at the present time due to the injuries to Timm and Day.

In Hill and Dunn, Kimberly has one of the best lineups in the part of the country. Kimberly's deficits so far this season have been results of poor support.

Captain Eddie Martin will be the bucking for his team this afternoon. Either Frabin or Parish will do the receiving. Sears will probably be brought in from the field to play the hot corner in the absence of Day. Parrelle will take Sears' place in the garden.

COAST LEAGUE RESULTS

At Seattle	R.	H.	E.

CHICAGO POUNDS LOUQUE FOR GAME

Cincinnati Unable to Overtake Opponents and Score Ends 5 to 2; Myers Sick.

CINCINNATI, April 27 (AP)—Chicago's Louke today pitched an excellent game, leading his team to a 5 to 2 victory over the present rivals, 5 to 2. It was Louke's first defeat this year. "Big" Myers, center fielder, purchased from St. Louis last Saturday, was added to the Red's' sick list.

BROOKLYN, April 27 (AP)—Jesse Petty, left-hander from the American League, pitched a brilliant game for a 15-2 victory over Boston today. The Braves offered four pitchers, all of whom were ineffective. Boston went hitless in six innings from the first to the eighth.

PHILADELPHIA LOSS GAME. NEW YORK, April 27 (AP)—Jack Scott was in good form today and shut out the Phillies, the Giants taking the second game of the series 5 to 2 in addition to permitting only eight scattered hits, Scott sent a home run into the left field stands.

LINCOLN FIELD BREEZES

Paul Petzold is proving to be the man for the first base position. Paul goes first if they are anywhere in the vicinity of the park. Twin Falls has won seven and lost one game of baseball this season. Frabin has an exceptional leg to second and catches a lot of these petty thieves. Two Hazelton applicants retired in Saturday's game because of the big backstop's accurate pick.

The Twin Falls relay team composed of Alvord, Clark, Kelley and Timm made extraordinary time in the sub-district meet Friday and they were last great relay victory. But when the run against they report team this week they will have to give all they have to beat the tape first. It may be a fatal day for them if they are not over the "Hate off" to Larry Hill. The brave that he ran in the mile at the sub-district meet cannot be passed without comment. Hill injured his foot, while running the last mile that won in the invitation meet here. The doctor advised him not to run again. But Hill has a good look in his veins—his team is great. He finished fourth.

Clark, Owens, Kelly and Johnson will run a 250-yard race this afternoon to see which two will run with Timm and Alvord in the half mile relay team to represent Twin Falls in the district meet Friday.

Coach Platin's baseball squad had its first real practice in over a week on the Lincoln field last night. Three games in a week with no practice in between sends some wrinkles that had to be ironed out.

Phillip (Deak) Day, who was injured in the Hazelton game last Saturday, was able to be around yesterday.

DUMB BELLS

What's What in The Sport World

In this era of ballparks, the relieving pitcher is permitted to throw only two practice shots. The whys and wherefores of that regulation will be explained in a few columns.

Back in the olden days it used to happen, as it does at present, that the pitcher would collapse without the slightest warning. Naturally, the manager wouldn't have a pitcher warmed up for relief work.

Federal League

The Federal league, during its history for years, has adopted the same playing rules as are in force in the American and National leagues. And then there came the day when a team leader in the Federal circuit tried to make apple sauce, or a Roman holiday, or maybe it was a harpized wreck of that regulation.

It's memory serves correctly Jim Bluejacket, an Indian, was with the Brooklyn Yogi. The starting pitcher for that club was hit out of the box and Jim was called upon to do the relieving start. Jim used up five ball warmup allowances and then faced the batter ready for pitching action.

usually Brooklyn had three men on base and only one out. It was Jim's turn at bat. But Jim was notoriously weak with the starting battery and the manager of Jim's team ordered a pinch-hitter to the plate.

"You can't take out Bluejacket," "And why not?" queried the manager of the Brooklyn club, and also Jim Brennan, the umpire, who had officiated for years in the National league and then had jumped to the Fed.

"Because the rules say you can't," barked the opposing chief. He produced the book, located the rule about the pinch-hitter and said, "See—see—it can't be done."

"Back in the olden days it used to happen, as it does at present, that the pitcher would collapse without the slightest warning. Naturally, the manager wouldn't have a pitcher warmed up for relief work."
