LONDON, June 16 (AP)—The determined agitation on the part of the extreme left section of the labor party to oppose any international action in China on the ground that the troubles in that country were the outcome of "sweated" labor conditions, was retarded in parliament when the government was severely heckled by George Lansbury.

Harold Minnerly, One of Five
Young Men and Women in
Wreck; Suffers Severe Injuries;
Three Others Hurt.

The reason I am sitting on one side is because I had a fish hook in a pocket on the other side and set on it.

Harold Minnerly, son of Mr. and Mrs. Ed Minnerly, of the county general hospital here, was Monday evening fighting against odds for his life as a result of severe internal injuries suffered Sunday evening when the automobile in which he and four other young men and two young women, all residents of Twin Falls, slid off a wet pavement at a turn on the highway east of Kimberly and overturned, plunging a distance of about 45 feet into a field at the foot of the road. Involvement in the collision of the young men who had been anxious and suffering from internal hemorrhage, was reported last Monday evening at the hospital.

One of the party of five persons, who were riding in the car, was Mrs. C. D. Thomas, daughter of Captain and Mrs. P. W. McRoberts, suffered fracture of a collar bone.

Driver's Hand Slipped
James Waterhouse, driver of the car, which was owned by the father, J. J. Waterhouse, 422 Second avenue west, suffered fracture of a collar bone and laceration of ligaments of the right hand which, it was feared today, might require amputation of the hand.

George Chappel, son of Mr. and Mrs. C. H. Chappel, escaped with only minor injuries.

The car, a Meteor touring car, was wrecked.

Recesses in two cars after the accident brought the accident victims to Twin Falls.

The party had not come from Twin Falls at about 10 o'clock for a few minutes drive and was returning from the east of the pavement at Hansen when the accident occurred.

FLAG HOISTED BY BOY SCOUTS

Impressive Ceremonial Marks
Lads' Observance of Patriotic Occasion.

Boy Scouts of Twin Falls, in accordance of a custom inaugurated several years ago, in observance of Flag Day, hoisted the stars and stripes to the top of the flag pole early Sunday morning on the high school campus.

The ceremony, which was carried out in conformity with military regulations, was witnessed by a number of the parents and friends of scouts and representatives of organizations that sponsor scout troops.

Members of the several troops, in troop uniforms, stood at attention during the ceremonial, while Scout George Taylor assumed the single call, "The Colors." The flag was raised by a detail of eagle scouts. A brief address was delivered immediately following the ceremonial by Rev. D. H. Harris, minister of the Christian church, which was presided by Scoutmaster C. H. Perles, officer of the day.

"We can deeply honor the flag in the patriotic fervor of our lives," Mr. Harris asserted. "A democracy such as America requires the cooperation and support of each individual citizen. Who permits that flag to wave over him must be willing to submit to America's laws; must uphold American principles; and must respect the rights of all the peoples of the earth."

CITIZENS PAY HONOR TO FLAG AND TO NATION

Patriotic Organizations Join
With Elks Lodge in Impressive Observance of Annual Occasion.

With beautiful and impressive ritual, with music and with inspirational and thought-provoking addresses, Twin Falls citizens observed Flag Day Sunday afternoon at annual Flag Day services of the Elks lodge in which the citizens were joined by patriotic societies of Twin Falls. Nearly 200 persons assembled in the Elks lodge to attend the exercises. Speakers were former Mayor Shad L. Hodge, Mrs. T. H. Irwin of the War Mothers and R. P. Parry of the American Legion.

L. A. Chapin, exalted ruler, presided and with other officers of the lodge, exemplified the patriotic exercises including the Elks flag day salute.

The history of the flag as set forth in the Elks ritual was given by O. P. Duval, past exalted ruler.

Musical Program
The musical program included singing of the loyal song by a quartet composed of Miss Alice Taylor, Mrs. T. J. Woods, Mrs. W. H. Dwight, Mrs. W. Z. Smith, Miss Booth and Mrs. P. P. Bracken with accompaniment by Mrs. H. L. Alexander, soloist.

The Elks lodge room was beautifully decorated for the occasion with a number of American flags and with a profusion of red and white pom-poms given by Mrs. Florence Wright of Kimberly.

Officers of the lodge who took part in the ritualistic exercises, headed the exalted ruler, were P. G. Lynch, exalted ruler, and H. M. Hall, chaplain. They were followed by a quartet composed of Castle Turner, J. S. Hall, H. M. Hall, and H. M. Hall.

Patriotic melodies were played at the opening of the exercises by a string orchestra under direction of George C. Fleckner, who also played "The Star Spangled Banner" while the audience stood at attention.

The exercises closed with singing of America in which the audience joined. Speakers each invoked the flag as the symbol of traditions and ideals of the government of the United States and offered earnest appeals to each citizen to uphold and defend the flag and the destiny of this nation.

Polo Essential
"In the present hour when the world is sick and we are skating on thin ice," Mrs. Irwin declared, "it is the duty of patriotic American citizens to exercise a broad tolerance and restraint of judgment in action growing out of prejudice or lack of information, relying upon those in whom we have entrusted the guidance of the ship of state to lead our nation in a well-considered course."

Citizens generally in time of peace ought to be subject to a measure of discipline comparable to that under which soldiers serve in time of war, the declared Mrs. Irwin's declaration on the part of organizations to adopt hastily ill-considered resolutions.

that, the said, may influence weak officials to approve measures and actions against their own better-informed judgment.

Clad with the reading of Kipling's definition of qualifications of true manhood, Mrs. Irwin declared that these are the qualifications of a true patriot.

The American Legion, Mr. Parry declared, regards it as a privilege and duty to support measures and actions that impel its members to stand with the armed forces of the United States in the world-war, to exercise faithfully the rights and duties of citizenship in times of peace, in the selection of competent officials to administer the affairs of state in accordance with American tradition and ideals.

"It was easier, perhaps," the speaker asserted, "for our forefathers when they enunciated the principles of the declaration of independence to define circumstances by a foreign king upon American ideals of liberty, than it has been to detect and avoid similar incursions since that day. Encouragement upon the principles on which this nation was founded, since that time, have been the result of our own actions."

"Multiplicity of legislation," Mr. Parry declared, "has brought about a condition of 'creeping paralysis' affecting American citizens that is marked by growing disregard of law that impedes American ideals of freedom."

The Elks lodge room was beautifully decorated for the occasion with a number of American flags and with a profusion of red and white pom-poms given by Mrs. Florence Wright of Kimberly.

Officers of the lodge who took part in the ritualistic exercises, headed the exalted ruler, were P. G. Lynch, exalted ruler, and H. M. Hall, chaplain. They were followed by a quartet composed of Castle Turner, J. S. Hall, H. M. Hall, and H. M. Hall.
